Welcome...

To the third issue of QX MEN.

You'll notice this time round it's thicker and juicier, packing in more cock and more arse than before! For dirty pervs and filthy fuckers October seems to be our month. Skin Two's Rubber Ball kicks off the beginning of the month in London - what to wear? Decisions, decisions - a long weekend of fab fetish and deviant dress-up. Then later on in the month there's the Hustlaball in Berlin. Here at QX MEN we're licking our lips in anticipation, not just because the crème de la crème of the world's hottest, horniest (and hung) men are going to be there, but QX MEN is one of the media sponsors of the event. So we'll be there flying the flag - oh, what a chore - snapping away and getting up close and personal. Expect a blow-by-blow (ahem) account in November's issue. And the strangest thing in the QX MEN office at the moment? A pink vibrating cone! - check out page 10 and win one yourself. A "quick rinse and a long spin" just took on a whole new meaning!

YOUR SHOUT . . .

Dear QXMEN,
Please, please, please do an article on anal bleaching, even if you already have - I may have missed it. But do it again as it's quite an unusual subject and quite fresh - unless I'm stale. There are no places in the UK that do anal bleaching as far as I know... Please prove me wrong as I've spent ages looking on the net and only came across pink cheeks in LA!!!

Regards, Mack

Dear Mack,
Well, we looked into 'anal bleaching', and can confirm that it's not some urban myth. People are actually bleaching their puckered holes - which have become discoloured and darkened over the years - back to the fresh, pinky colour they were born with! The procedure consists of swabbing bleach onto the offending area, which, after a few applications, bleaches the skin. Not surprisingly, it's a craze that appears only to be big in Los Angeles at the moment (where else!) but I'm sure in time, us guys over the pond will catch on to this phenomena. There are some 'do-it-yourself' products on the market - check out www.southbeachskinsolutions.com, or you could pop into your local Toni & Guy and ask one of the junior stylists to get her bleach out - but you might get a few raised eyebrows!

Dear QXMEN,
Thanks loads for your feature 'Reds In Bed' in last month's issue. I'm a 26-year-old red haired,

skin lad from Bristol and for years I've had to put up with being treated as some kind of second class citizen, especially on the gay scene, who's been the butt of 'ginger nut' and 'carrot top' jokes. Finally, we're being given a bit of credibility, and as you say, some people now regard us 'red heads' as a desirable fetish! I, for one, won't be covering my red-tinged skinhead anymore, but will be showing it off with pride!

Dear Anonymous Red Head,
You're happy, we're happy. Say it loud and say it proud. "It's because I'm worth it!"

Hi Guys,
I just wanted to say I love the new magazine and really enjoy your porn reviews... and the really hot images that accompany them. With more gay porn DVDs being released each week than there are hours in the day to watch them, it's great to have a reliable source of honest reviews to guide you through the endless list of titles. Following your review of Spokes III in September's QXMEN, I decided to treat myself and bought the DVD. Wow, I shot my load within the first few minutes of watching those hot guys doing what they do best! Keep 'em coming.

Sticky Fingers, Bolton

Dear Sticky Fingers,
Seems like Spokes III was well received. Glad you like the reviews. You keep wanking, we'll keep reviewing.

Dear Editor,
I'm not an escort, but I really, really like sex. In fact, I love it. Can't get enough of it. I have pictures of myself and would like them put in your magazine so guys can contact me for sex. How can I become escort of the week - even though I don't want to be paid for sex?

Johnny T, Bournemouth

Dear Johnny T,
So basically, you're a dirty slut! Our Escort Of The Week page is a service we provide to our escorts who pay to advertise in the magazine. However, if you have pictures of yourself and they are of a good enough quality to print, we will gladly consider them. Email your pictures to qxmen@qxmagazine.com.

Dear Editor,
I loved the interview with Suzy Krueger, the promoter of Hard On. I went to Fist "back in the day" when it was monthly at Sub Station in South London and was a regular until it finished. I then became a regular at Hard On and recently went to the Hard On's 3rd birthday - which was awesome, one of the best nights I've ever been to. It's interesting to read about the people who make these clubs work. Love the magazine. Let's have some more interviews with people on the fetish scene!

Regards

Luke, Camberwell, London

Dear Luke,
Glad you liked the

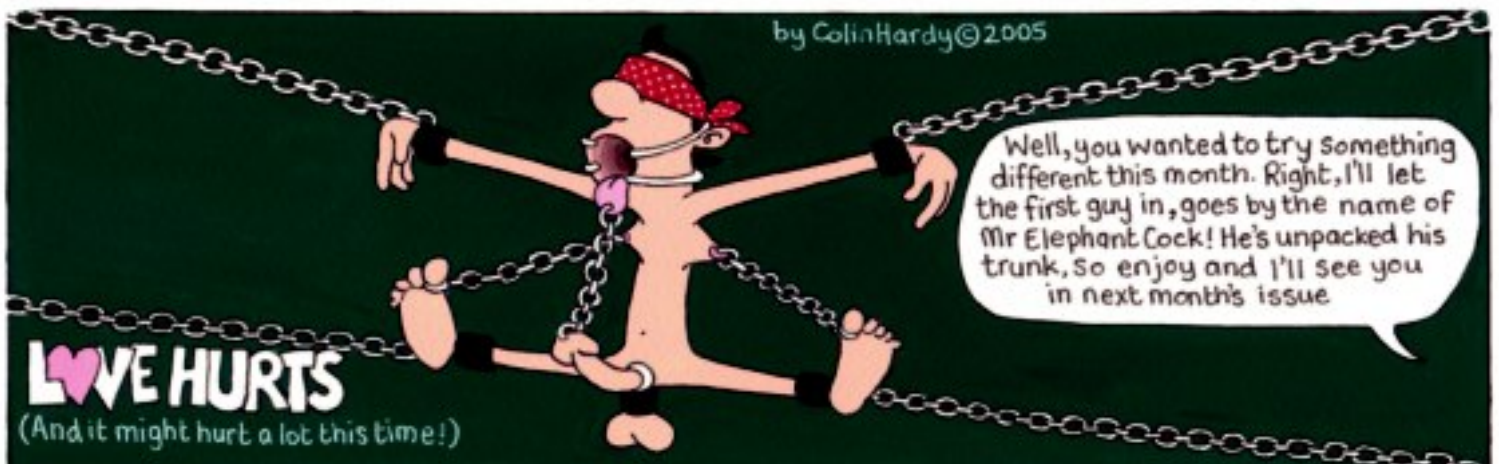

interview. Suzy does run a f**king good night. You're obviously a kinky bastard. In this issue there's a travel feature on RoB's PIG Party and there's a feature on the forthcoming Hustlaball in Berlin. For information on Skin Two's Rubber Ball, check out [Sextracts over the page](#).

Dear Editor,
Being a bit of a cyclist and having a bit of a thing for guys in lycra, I loved the review of Spokes III. So much so I went out and bought the film. I loved the trailers at the beginning for Spokes I and II and have the first two on video (somewhere!). Ever thought about doing a feature on guys into lycra? Please, please, please!

Tony, Brighton

Dear Tony,
So you have a thing for lycra! Okay it's a bit of a way to travel but there is a club night in London called Heroes, a specialist night for guys who like it skintight, smooth, shiny and sexy. It's every first Sunday of the month at The Backstreet, near Mile End tube in London. Go to www.thebackstreet.com for more details. Hope you don't get saddle sore! - or maybe you like it like that?

RUBBERBALL

Viewing Violent Pornography To Be Outlawed.

The Guardian newspaper recently ran an article that said, "People who view sexually violent images could be jailed for up to three years, the Home Office has announced. A new bill will outlaw the possession of 'violent and extreme' pornography and raise the maximum penalty for publishing or distributing such material from three to five years." It goes on to say, "It will apply to images of extreme sexual violence, bestiality and necrophilia, which cannot be published under the Obscene Publications Act... Ministers believe the law must be extended to cover consumers of such material because the growth of the internet has made it more difficult to police its production and distribution."

Who decides what is too violent or extreme? One man's fear could be another man's fetish. Anyone remember the Thought Police from Orwell's Nineteen Eighty Four? Or is that just being a little too libertarian? Surely we can do what we like with our person or property as long as it does not infringe on the liberty of others or cause harm to others? Anyone remember Operation Spanner of 1987? Food for thought...

CONEZONE

Just when you thought you'd seen it all, along comes the Pleasure Cone. The cone actually began life as a wooden S&M chair, but it proved to be way too comfortable. It's designer, Alan Driscoll, re-moulded the shape in super-soft plastic and added a powerful vibrating motor – viola! A fab new toy for your ass to enjoy! Gives whole new meaning to "hands free". A departure from the usual cock-shaped sex toys, The Cone has 16 built in programmes that vary the vibrations speed and frequency. It measures 13.5cm in height and is almost 19cm wide at the base. Is it a sex toy? Is it a piece of modern art? Tell you what, pop one on your coffee table... it's anything but a subtle conversation starter! The Pleasure Cone is available online at www.conezone.org and costs £49.99.

Quelle Bizarre!

You might have a thing for feet, you might be a lover of leather or latex, or you might simply get off on being tickled. We scoured the internet to bring you a few of the more 'interesting' perversions and their correct terms. The mind boggles.

Agalmatophilia: Attraction to statues or mannequins.

Anasteemaphilia: Attraction to a person because of a difference in height.

Axillism: The use of the armpit for sex.

Chrematistophilia: Arousal from being charged for sex or robbed.

Dacryphilia: Arousal from seeing tears in the eyes of a partner.

Dendrophilia: Attraction to trees.

Emetophilia: Arousal from vomit or vomiting.

Formicophilia: Enjoyment of the use of insects for sexual purposes.

(Or the arousal from having sex on a cheap counter top)

Macrophilia: Arousal from the sight of a high-end Macintosh.

Nasophilia: Arousal from the sight, touch, licking or sucking of a partner's nose.

Oculofinctus: The act of licking a partner's eyeball.

Sacofricosis: The practice of cutting a hole in the bottom of a front trouser pocket in order to masturbate in public with less risk of detection.

Siderodromophilia: Arousal from riding in trains.

Taphephilia: Arousal from being buried alive.

And finally, anyone heard of "figging"? Figging is the insertion of a prepared 'finger' of ginger root or chilli pepper into the anus. The burning sensation is said to induce intense pleasure. Talk about a burning ring of fire!

TESTOSTERONE

BY JOE OPPEDISANO

Testosterone: a steroid hormone from the androgen group, primarily secreted in the testes. It's the principal male sex hormone and an anabolic steroid. It plays key roles in health and well-being. Examples include enhanced libido, energy and immune function, even protection against osteoporosis! But at the end of the day it's what makes us guys horny.

In the introduction to the book, Reed Massingill says, "Few photographers can easily evoke a look from a model that says, 'I won't kiss you, but I'll fuck you'". Joe Oppedisano's collection of supercharged homoerotic images captures men at their most raw, their most masculine, most primal... oozing, no, dripping in testosterone.

In an interview with QX Magazine (issue 606), Joe was asked where he got his ideas for the scenarios he photographed. He said, "A lot of it is fantasy, a lot of it is just out of trying to find a way to shoot men differently than just sitting there. Portraits are harder for me than big set ups. I like working with more than one model at a time, but then you get stuck, and have to think of a situation they would be natural in. Fighting is always a good one for me... I like tension, drama, and I like the viewer to be a part of the photo.

I also like to try and shoot photos that people can look at in 20 years and still find interesting. Fashion photographs usually look dated by the next season, to me. A good picture should have longevity, whether it's fashion or art."

Joe's background as a stylist and editor in high fashion means that his eye for detail, composition and lighting is second to none. Personal influences such as Tom Of Finland, Colt Magazine and the underground gay clubs of New York shine through. Locker room fantasies, tattoos, even a bare-knuckled, suited and booted 'Fight Club' scene is explored. It's all here in 192 pages of mind-blowing technicolour. From jocks to Daddies, leather and Speedos, muddled wrestlers and bondage: the most masculine of desires are explored with sublime execution. If you buy one photo book this year, make sure it's this one. You will not be disappointed. Go on, treat yerself.

Testosterone by Joe Oppedisano is published by Bruno Gmunder.

MEAT!

PRODUCTION: **Bulldog XXX**, DIRECTED BY: **Maxwell B**
RUNNING TIME: **130 mins**

Director Maxwell B, who brought you Scum!, Deviants! and Sweat! now takes his filthy action to the countryside. You want meat? You got Meat! All of the guys are horny as fuck with shaved heads and tats. But of course there is one that stands out from the rest: Mukhtar Safarov, the world famous model/stripper/escort. His pumped up cock is 10" x 10" – enough to make any bottom's eyes water.

In a three-way with Matt Colmar and Beau Sands he face fucks the two of them with his pumped up monster meat until Beau's arse is widened enough to take it.

Now there are two versions of this film, get the uncut one and you get fisting and piss scenes.

The first of the four remaining scenes sees Phil Steven getting fucked by muscle top Duke, after which he greedily devours his cum.

Next, Drake is fishing by the river when he spies Malko with cock in hand. After some tit play, Drake gets down on his knees and drinks Malko's piss. He then gets a serious fucking as he grunts like a beast. Imagine the noise when he gets fisted!

Louis and Eustus Hunt get it together in an outbuilding on the farm. Eustus gets his hole prised open with a couple of fingers and then gets his puckered hole well and truly stretched with a set of ever increasing dildos.

In the final scene Mike Power rips the jeans off Beau and rims his shaved hole. Pit licking and more rimming gets Beau loosened up before a jackhammer fucking.

If it's the best of British you're after then look no further. This is the best of British filth. Don't it make you proud.

WHERE ARE YOU FROM?

Northern California

WHERE DO YOU CURRENTLY RESIDE?

Miami Beach

DO YOU HAVE A PARTNER?

No, I have been just too busy at the moment to give proper attention to a partner.

HOW LONG HAVE YOU BEEN IN THE PORN INDUSTRY?

About 3 ½ years

HOW DID YOU GET INTO PORN?

My last boyfriend, Arpad Miklos, had done porn before. When he moved to Miami Beach to be with me he didn't find any work, so when money became tight, we did porn together to supplement my single income.

HOW MANY FILMS HAVE YOU DONE TO DATE?

16, not including what I have done for my website and my current release 'Collin O'Neal's London.'

WHAT WAS YOUR FIRST FILM?

Scuff II by HotHouse

WHAT HAS BEEN YOUR HOTTEST SCENE?

One of the scenes from my upcoming Lebanon movie: A threesome with Francois Sagat, Jacko and myself.

WHO WOULD BE YOUR FANTASY THREESOME?

Francois Sagat, Jason Adonis and Blake Nolan...yum!

DO YOU GET RECOGNISED AND HOW DO YOU DEAL WITH THE FAME?

Yes, I do. I enjoy my private life and am not completely comfortable being recognised and watched, but if someone comes up to me to talk I will politely engage in conversation.

YOU RECENTLY CAME TO LONDON. DID YOU ENJOY YOUR TIME HERE?

Besides being bloody expensive, I love London! I had many friends come visit so I was able to see a lot of London showing them around. I also enjoy the nightlife, but I am not fond of big clubs, so you would not see me out too much at them.

IS THERE ANY TRUTH IN THE RUMOUR THAT YOU'RE ACTUALLY REALLY SHY?

Yep! That is why I am not comfortable being recognised. Even when I see a guy I like on the street or in a pub, it is hard for me to go up to him and say "hi."

TELL US A BIT ABOUT YOUR WEBSITE WWW.COLLINONEAL.NET.

About a year and a half ago I joked about creating a website to my best friend and he looked at me and said "let's do it!" I wanted my website to be something different than the normal porn star website. I insisted we have original amateur content so we hired a cameraman and an editor and that's how it all began. About 2 months ago Chris Ward of Raging Stallion saw my website and contacted me about distributing my scenes on DVD and offered me a deal I could not refuse, so my company has grown immensely in the past few months.

WHAT'S IT LIKE WATCHING YOURSELF ON SCREEN?

I don't like to watch myself. I am way too critical of my own body. I just fast forward to take a look at my editor's work and move on to watch the scenes I am not in a little closer.

WHAT FUTURE PROJECTS HAVE YOU GOT COMING UP?

Ah, you want some secrets? Well, ok, London has treated me well, so here is my line up of my Collin O'Neal's World of Men series: Lebanon is next with Francois Sagat and Martin Mazza and some hot Middle Eastern men; Brazil starring Pedro and Daniel (check out my website if you do not know who they are); Spain with a very hot couple I found; then Miami will be released. I will have to start working again sometime in January...I'm thinking Serbia or Dominican Republic.

SO WILL YOU

EVENTUALLY

GIVE UP STARRING

FOR PRODUCING AND

DIRECTING?

That seems to be the plan! I will give up starring eventually, but not anytime in the near future. I love producing and directing, so that is where I want to be!

RAW REGRET

PRODUCTION: www.rawfilms.net, DIRECTED BY: **Vlado Iresch**
RUNNING TIME: **112 mins**

With films from the series with such titles as Raw Tricks, Raw Fix, Raw Times, Raw Luck and Raw Edge, you don't need to have a doctorate in English to work out that these films show bareback sex. The title of this Raw release is 'Raw Regret'. The scenarios are all based around guys getting themselves into situations they later on regret... Hmmm. But no, it's not what you're thinking. Our first guy is hitchhiking and gets picked up by two guys in a van. He ends up in the back, on his back, getting it every which way. In the second scene a blond barman ends up taking a pissed punter home. That's the last time he plays the good Samaritan. In the third scene a guy's out walking the dog. He meets a guy in the

woods and invites him round. The guy turns up with his best mate (the stunning Cameron Jackson) to "watch movies", you can guess the rest. In the laundrette two guys are meant to be doing their washing. They get distracted and are joined by a third. Not much washing, but lots of fucking. A photographer gets snap happy and a third model joins in... but does he actually have film in the camera? Fourteen boys in five scenes that show greedy cum guzzling and bareback ass fucking. No need to remind viewers that sex without a condom exposes you to all sorts of nasties. So think before you fuck raw! DVD extras include trailers of other Raw titles and a photo gallery.

Raw Regret is available from www.eurocreme.com.

FROM TOP TO BOTTOM

PRODUCTION: **Falcon Studios**, DIRECTED BY: **Chris Steele**

No, this is not a film about spring cleaning. This is a film about those guys that are sworn tops: guys that only give it and never take it. But this time the tables are turned.

Billy Brandt and the gorgeous Mike Roberts leave the club together, getting Billy's regular fuck, Eric Rhodes, pretty jealous. They conspire to give Billy a taste of his own medicine, getting him all worked up and then getting him to sit on Eric Rhode's dick. And after a lot of grimacing, he does. Both Mike and Billy end up fucking big muscle stud Eric to a frenetic climax.

Tyler Marks has always wanted to fuck Jake Jameson. Usually the top, Tyler and Jake flip a coin to see who bottoms. Jake gets fucked first but as the action heats up, he ends up taking it and gets the bejesus fucked out of him.

Kevin Brown tries to pick up just one guy too many and ends up triple

booking with Matthew Rush, Ethan Gage and Matt Cole. Kevin's in a sling taking each cock in turn until the action ends with the four of them chain fucking – with Gage and Cole getting their holes filled.

Derek Vinyard makes out he's this big top and gets Jason Adonis squirming for more as he rims him. Jason gives his ass a really good work out with some glass dildoes - the closest we've ever seen to Mr Adonis getting penetrated. Then Jason fucks Derek royally, cums over his ass and is ready to go again, giving Derek's prime ass another pounding until he drenches himself.

DVD extras include interviews with Erik Rhodes, Derrick Vinyard, Kevin Brown, Ethan Gage and Matt Cole as well as the usual gallery and trailers.

From Top To Bottom is available from Prowler.

A RIM WITH A VIEW

PRODUCTION: **Not Into Bush Productions**
 DIRECTED BY: **Hands Solo**
 RUNNING TIME: **76 mins**

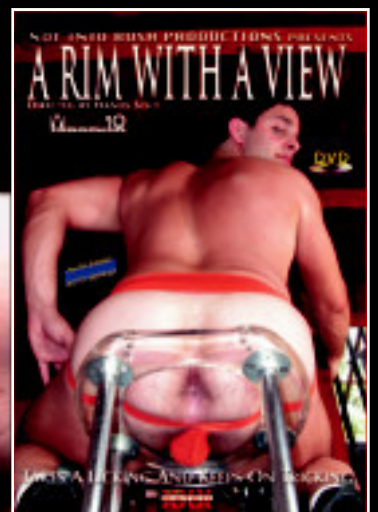

Have Merchant Ivory gone dirty? No, not quite. Closer inspection of the cover sleeve reveals this is quite a specialist DVD. Now we all like a bit of a backdoor tongue lashing or having our little rosebud flicked. Or perhaps you like giving the old starfish a slurping, lubricating those puckered lips with spit?

Featuring the RimPerfect Rim Chair – yes, that one in the pictures – nice guys in a variety of positions get their tongues right in there and really eat ass: by the pool, in the garden, on the pool table and in the

bedroom. There's the usual fucking and sucking, but this film really is all about rimming.

If you're a big fan of getting a facefull of manhole, then this film is certainly for you. Talk about "open up and say ahhhhhhh"! No doubt rimming aficionados will be putting their best DIY to the test and making their own Rim Chair – "the chair when you care for back there!" Watch out for the hilarious drag cameo.

A Rim With A View is available from Prowler.

PACK ATTACK 1 KENT NORTH

PRODUCTION: **Hot House Video**
 DIRECTED BY: **David Lamm**
 RUNNING TIME: **100 mins**

**MEDIA
 REVIEW**

Kent North is billed by Hot House as "the greediest pig bottom on the planet". For this film he demanded five of the biggest cocks in the business and opens the film by saying "You guys know what you're packing, bring it on, and your mates too!" Enter Jason Crew, Fredrick Ford, Justin Gemini, Rick Gonzales and Ricky Martinez. Not just an inexhaustible bottom, Kent's throat is seemingly as deep as his ass. As the guys line up he swallows each massive cock up to the root. Then he goes back for more, not just giving their knobs a polishing, but also their boots a spit 'n' shine. The guys then split off into groups showing off self-sucking skills, rimming and sucking each other, getting their holes dripping with spit. Kent gets his hole loosened up with a rocket-sized dildo, taking it with ease. Oh yes, he is a world-class bottom. While this is going

on Jason Crew takes his own cock and fucks himself with it! Now there's a party trick for after the liqueurs have run out! Kent then takes each monster cock in succession, getting drenched in torrents of cum. Soon he's bouncing back for more, literally bouncing as he orders the guys to spit roast him. Then Kent lowers himself onto a doorstep of a dildo (by now most eyes would be watering). His greedy guts swallow it up easily. Back in the sling, the guys line up to power-fuck him, drenching him in cum until he finally shoots his wad. Give the man a medal! The DVD extras include some great Hot House trailers and a photo gallery.

Founded over thirty years ago in Amsterdam, RoB was the first company to make quality leather fetish gear for gay men. Since then, with nearly four thousand products in the range and branches in London, Manchester, as well as franchise shops in Berlin, Paris, Brussels and Zurich, RoB still strives to give a personal and honest service to all its customers. RoB's quality leather products may not be the cheapest, but they are certainly better value for money when compared with what most other shops have on offer. "Our leather gear may be more expensive than other shops", says Andy Brodie, RoB's Retail Manager, "but that is only a small party of our total range. Our rubber outfits, toys, lubes and other stuff are all very competitively priced". He concludes, "If we can't sell it for a reasonable price that we consider is fair to our customers, we don't add it to our range. Too many shops and suppliers still try to sell crap at over hyped prices and profits, just because it's connected with sex."

DUAL TAKING IT LIKE A MAN

PRODUCTION: **Colt Studio Group**
DIRECTED BY: **John Rutherford**
RUNNING TIME: **120 mins**

If you like your boys big, beefy and bulging, then this DVD will become a firm favourite. Featuring all the big names from the Colt stable of men mountains, the first scene sees Colt favourite Carlo Masi in leather chaps and harness sucking on a stogey whilst checking out the taut derriere of Skye Woods. He orders him to pose, flex and stretch as Woods offers up a butt that could literally crack walnuts. As Masi smokes Woods licks Masi's pits, tits and leather jock. Masi reciprocates, deep tonguing Woods who flexes that pneumatic ass that gets a total pounding.

Another Colt exclusive, Karim wakes up Jake Andrews from his sleep. They 69, Karim's cock almost choking Andrews. Then Karim fucks Andrews every which way, flipping him over, plowing deep into his ass.

But it is the scene with Gage Weston and Chris Wade that was this reviewer's favourite. Starting off in matching Colt underwear the two fuck and suck in every conceivable position, both taking turns to bottom. And though the guys are going hell for leather, there is a real tenderness there.

The final scene sees Skye Woods return with Luke Garrett, again showing off that gym-honed bod as he flexes and poses. There's a great shot where Woods gets a full face full of Garrett's big, muscular butt as he laps his hole with gusto.

Big tree trunk arms, barrel torsos, big hairy balls – you can smell the testosterone!

HORNY PIGS AT recon AND ROB'S PIG BERLIN

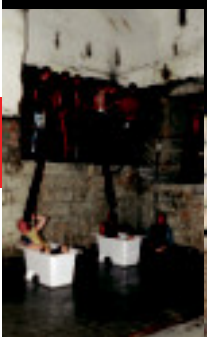

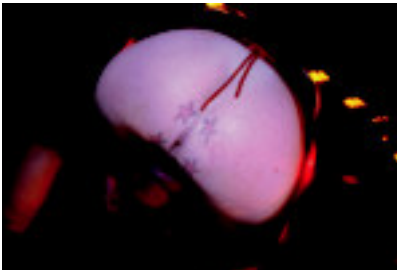

On Saturday September 2nd, almost 3,000 filthy fetish lovers crammed one of Berlin's biggest venues, Maschinenhalle, Viktoria Quartier in Kreuzberg, Berlin, for PiG, the official closing party of Folsom Europe. Organised by **recon** and RoB, there was something to keep every one of the horny leather, rubber, uniform and skin crowd happy, with a huge dancefloor, slings, stocks, an upright cage, a medieval rack – and four dark rooms!

Some 20,000 people went to the **recon**-sponsored Folsom street fair in the heart of Berlin's Schöneberg gay district, before going on to the huge abandoned brewery warehouse – perfect for the sleazy PiG party. DJ Jack

Chang and DJ RW played hours of non-stop hard sexed-up music creating an electrifying atmosphere for the fetish crowd, which included **recon** members from across the world.

The party boasted a dance hall, a chill out space, dungeon/cellars, and an outside rest area. Recon is an international gay fetish network of personal profile sites, with membership fast approaching 400,000. 1euro of each ticket went to Aids charities.

The next **recon** event – Full Fetish – is set for The Hoist on 14th October. Pictures from PiG and all their other events, as well as information about Full Fetish, can be found at www.recon.com/events.

BIG RIG

PRODUCTION: **Buckshot Productions**
DIRECTED BY: **John Rutherford**
RUNNING TIME: **120 mins**

Colby Taylor and his boyfriend Eddy Mataro aren't exactly the loving couple anymore and seem to spend more time going to sex parties than having sex with each other. After a key party (like the old swingers parties where you pick keys out of a bowl – how seventies!), Mataro hooks up with Blake Nolan and Kristian Alvarez. Taylor gets the huff and speeds off in his red Mustang. The rest of the plot revolves around highways, byways and lay-bys.

Though there is a super-hot selection of guys in this film, including sexy, well-hung bottom Jason Crew and global superstar Brad "the rhinoceros" Patton, it is Gus Mattox who steals the show as the rock-hard, bit-of-rough trucker. Appearing in two of the five main scenes, Mattox's first scene sees him give Jason Crew a good banging in the back of his 18-wheeler. Crew plays the slightly loopy hitchhiker who also gets a good 3-way fucking behind a roadside diner. In another scene, Paton tops Omer, stretching his manhole to the max. But it's the final scene that will have all romantics oohing and aahing as Mattox and Taylor shack up in the back of his big rig (hence the title). Mattox may be the hot, top daddy, but he still manages to convey a deep tenderness while he's fucking. An interesting tangent: Mattox has returned to "real acting" under his original name, Tom Judson. Do Mattox and Taylor ride off into the sunset together? Of course they do.
Great sex scenes and quite a watchable plot.

Certainly one for lovers of outdoor nookie, Director Hervé Bodilis has picked fifteen of the hottest European mega-studs for this al fresco shag fest.

Not much plot, but hey, who needs plot? Basically there's a bunch of lads having fun outdoors on their quad bikes. The film kicks off with the bikes being washed down by a trio of studs and soon the hosepipe gets turned on and so do the guys. Hunky Enrique Gardinelli

and Garret Felado pair up with Gamal Simon, who gets the full measure of both studs at both ends.

After a shirtless ride through the woods on their quads, tall, tattooed Irvin Hunter and stocky shaved headed Zeno Alexander spy Tim Brenson watching from afar. They pull up and dismount only to remount the young lean Brenson on all fours in the stable block.

Meanwhile in the garage, mechanics Isak Ramos and Carson Lane get a visit from man-mountain Julian

Vincenzo who's obviously got problems with a sticky throttle. It doesn't take long for the grease monkeys to realise the problem and set to work lubricating each other up.

Beginning round the fire at a campsite, Lucio Maverick and cropped haired Rod Stevens retire to their tent for some ging gang goolie. Surprisingly, Stevens maybe cropped on top but he's a forest of delights down below, so if you like your men au-natural below the belt, he's your man. On top of that he sucks a mean cock and takes it like a bitch.

The other happy campers are egging the two on outside the tent and the stench of sweat and man sex soon prompts the rest of the cast to pick a partner or two, or three and make out in the sun.

A hard ride up the dirt road.

PRODUCTION: **Raging Stallion Studios**
 DIRECTED BY: **Chris Ward**
 RUNNING TIME: **360 mins**

A long time ago, in a far away place.... beneath the shimmering sun of the hot Sahara was a land of fire and flame, a world where men ruled the desert from horseback and found sexual pleasure in violent lusts and desires. The heat of the Arabian drove men into each other's arms of sweat and passion that filled deep-rooted needs. Has that set the scene for you? Well, basically cutting to the chase, if you don't know who Raging Stallions are, these guys produce some of the raunchiest movies around. This well prepared fuck flick is one of their best releases, if not the best (although we're not supposed to be biased). It's polished, it's a double-disc set and the men are hot as fuck with a mixture of smooth and hairy chested hunks punching fucks into the night mmmmmmm.

In one super-charged scene, the men enjoy each other with rampant desire, sweat dripping from every brow and thrusts from big powerful muscled thighs that would make you scream your head off as you bite into that pillow.

In another scene, set deep inside the palace in a small chamber, Raging Stallion's Man of the Year, Remy Delaine, stands in embrace with Cory Koons. The two caress each other as cocks grow to attention. Pants drop and Cory goes down on Remy's huge cock (one of the largest in porn today!) servicing his master with his eager mouth! As Remy's cock gets harder and harder, longer and longer, thicker and thicker, Cory struggles until his first hole is worn out. Remy flips him over and impales him with slamming long strokes that practically rip Cory in two. It's a great demonstration why Remy was chosen as their Man of the Year.

RAMPANT & **RAGING!**

QXMEN checks out the meteoric rise of Raging Stallion Studios and discovers that shooting their latest release 'Lords Of The Jungle' was no walk in the park.

San Francisco-based Raging Stallion Studios has taken the porn world by storm, quickly rising to become one of the largest studios in America, and with smash hits like 'Arabesque', 'Manifesto' and 'Bedroom Eyes', it now ranks at the top of the European sales charts. Headed by noted director Chris Ward, Raging Stallion is a truly international company, casting as many Europeans as Americans and

having offices in both California and Australia. The studio has long been a force in bringing new talent into the industry – such superstars as Francois Sagat, Dirk Jager, Remy Delaine, Huessein and Jake Deckard are all RSS exclusives, and legends Michael Brandon and JD Slater are both partners in the company. In a few short years, Raging Stallion has become the most prolific studio

on the planet with a daunting release schedule of thirty six feature films per year (that's a new movie every ten days!). Kent Taylor from RSS highlights the major share of the market occupied by RSS: "If you take all the major studios and add up all their major releases you get a total of 135 major movies. With 36, Raging Stallion produces over 25% of the total top-notch gay porn produced on earth! The high output has not reduced quality - every RSS movie is praised by critics and fans alike, so much so that Raging Stallion is the only studio that offers a 100% money back guarantee - if you don't like the movie, it's yours for free. Last year only five people took advantage of this offer, out of over 200,000 DVDs sold."

So just what is the secret to Raging Stallion's success? Company president Chris Ward thinks that dedication to quality is key. "We strongly feel that each and every movie must represent our studio at its best. Key to this is to keep our focus on hot men and good sex - no clowning around or silly plots with bad acting. Just great fucking, well filmed. It is not really rocket science, but Raging Stallion seems to be one of the few companies that always remembers that porn is made for one reason: to get us off!" Raging Stallion consists of several brands, each a different line of videos aimed at a specific group of consumers. In addition to the main RSS brand, movies are released under the following labels: Monster Bang (big dicks and the holes they fill), Centurion Pictures (older men, muscle bears), Fisting Central (hardcore anal action), Pistol Media (sports jocks, often filmed in Australia), and Collin O'Neal Productions (see our interview with Collin on page 16).

jungle make the scenes as realistic as possible. Ward adds, "We did not want to shoot in beautiful Hawaiian gardens as other studios have already done that. My goal, when I planned this movie, was to film the real jungle - harsh and cruel, but beautiful. Huge vines, difficult terrain, bugs, bats, heat... you get the idea. These guys are lost in the jungle, it is not an easy place to be."

The shoot, which by the end of principal photography has already cost the studio over \$100,000, was beset with problems stemming from shooting in such rugged terrain. Locations often required multi-hour hikes and climbs and every cast and crewmember ended up with bruises or cuts. One of the company's 4-wheel drive vehicles was nearly lost when it rolled into a hidden gully, and the film crew lost its greatest physical asset when a rogue wave swamped the main video camera. In the final days of the shoot, the entire cast and crew set off for a pleasure hike to Kilauea, the active volcano. During the hike, the surface flow of molten lava suddenly increased and the entire party found itself standing on very hot rock that was oozing lava only three feet away. A few anxious moments later, with shoes starting to melt, an escape path was found. No one was hurt in the incident.

Even after all the difficulties, both Ward and co-director Ben Leon were very satisfied with the shoot. An enthused Ben Leon commented, "The only thing more amazing than the tropical jungle was the intensity of the sex. We filmed over a dozen men, naked except for their boots, under a blazing tropical sun and in the most intense heat that I have ever experienced. They fucked with every drop of energy they had - all giving great performances under difficult conditions. We struggled through each day and after every scene we walked away with the most stunning sex that I have ever had the honour to shoot."

For more information about Raging Stallion Studios, Chris Ward, or Lords Of The Jungle, please log on to www.ragingstallion.com

The Raging Stallion team have just returned from one of the largest shoots in the company's history: a grand expedition to Hawaii to film *Lords Of The Jungle*, Chris Ward's big release for the Christmas holiday season (release date is scheduled for 1st December). *Lords of the Jungle*, co-directed with RSS videographer Ben Leon, is one of the most lavish features of the year and stars Jake Deckard as the leader of a group of men who are washed ashore on a tropical island, the result of a disaster at sea. The movie chronicles their struggle to survive and their wait for rescue in a testosterone-drenched environment. A major plot twist at the end of the film comes as a shocker. Co-stars include RSS exclusives Blake Nolan, Collin O'Neal, Marc LaSalle, and Justin Christopher. Chris Ward is also premiering two new models, hairy boy-toy Steve Cruz and amazing discovery Rambo. Both men are scheduled for additional work with the studio, and Rambo, a hot, hairy, tattooed black stud, has been signed as Raging Stallion's newest exclusive. Matt Cole, Jason Crew, Jay Black, and Mario Cruz round out the cast, making 'Lords Of The Jungle' a truly ethnically diverse production. Ward makes no apologies for the fact that his inspiration for this film was Kristen Bjorn's classic, *Amazon Adventure*. Shooting scenes in dense tropical

Hustlaball, Berlin 2006. Wednesday 18th – Sunday 22nd October.

Welcome to the world of hustlers, hookers, pimps, streetwalkers, flesh peddlers, porn stars and the most brazen, scandalous and outrageous inhabitants of the underground sex scene. Fetish, porn, erotica and top class clubbing all come together at Hustlaball 2006.

The brainchild of Tom Weise and Jeffrey Davids of Rentboy.com, the Hustlaball began in New York at the legendary club Stella's in 1998. Rentboy.com got together with the infamous Pork Boys for the second Hustlaball in 1999, transforming New York's notorious leather bar The Lure into a space to showcase the underground world of "hookers, pimps, streetwalkers, flesh peddlers, porn stars, rock bands and other scandalous sorts." Since the first European Hustlaball in October 2003, each event has exceeded all expectations, becoming the official gay event of Venus, Europe's largest adult entertainment expo. Last year, Berlin's legendary

KitKat Club hosted the third European Hustlaball to rave reviews and a capacity turnout, featuring the crème de la crème of the planet's porn stars appearing and with the top porn stables putting their best ambassadors on show. This year, the venue stays the same but, believe it or not, the party is set to top even last year's sensational sex spectacular! Now with host hotels, shuttle coaches in between venues, VIP areas and a plethora of parties (pre and post) all over the city, Hustlaball 2006 looks set to be unsurpassed by any other European event, cementing Hustlaball as a global tour de force.

Matthew Rush

This bodybuilding man mountain was born in Pennsylvania in 1972 to an African-American father and German mother, giving him those multi-ethnic looks. Not only a highly successful porn star, Matthew's also a personal trainer and has competed at the Gay Games. Signed to Falcon Studios, his films include Ready For More, Drenched Part 1 & 2 and Cross Country Parts 1 & 2.

Francois Sagat

A relatively new kid on the block, French-born Francois started his career in Paris the fashion industry. With stunning dark, dusky looks, he is probably best known for his distinctive head tattoo. In his movies, Francois is versatile and plays top and bottom. You can watch this beauty in Hard As Wood, Hole Sweet Hole and Arabesque.

Carlo Masi

This hairy-chested, powerhouse from the Colt stables is often seen in movies puffing on a fat stogie before he gets down to action. A quintessential muscled bear, this is one guy who would flex his muscles and stare at you with his big doe eyes and you'd fall at his feet (or maybe just to your knees!) Check him out in Man Country, Wide Strokes and Big N Plenty.

Thom Barron

This award-winning six foot one, blond hair, blue eyed hunk was born in Stuttgart in 1971 and went on to star in many films as a versatile performer, fucking, getting fucked and often seen in three-way sandwich positions. Muscular, with a couple of piercings and a thick 10 inch uncut cock, Barron admits that it's "a turn-on to be observed". A few of his most notable films include Cazzo classics Authentic Adventures, Berlin Army Dreams and Berlin Techno Sex.

Brock Masters

This American ex-Marine from New Orleans with his perfectly chisled torso has featured in many films and is, more often than not, found playing the role of a uniformed top. Be it an army officer, park ranger or physical instructor trainer, this dark and brooding hunk always seems to be putting some poor young recruit through his paces. Catch him uniformed up and dishing it out in the Man Academy: Rites of Passage films and Wild Rangers trilogy.

Pierre Fitch

GAY PORN STARS: TEN OF THE BEST

In no particular order, we pick ten of the top gay porn studs around.

Tuck Johnson

Born in California in 1975, this 5'11" exotic-looking stud has appeared in over 25 XXX movies. With a massive, often described as "beer can cock" and smooth bubble butt, this versatile guy fucks like a steam train and can be seen in countless three, four and five-way fuck scenes in movies such as Poolside, Married Cops Do and Cock On Delivery.

Chad Hunt

Born to Croatian-American parents in 1973, Chad Hunt is another porn star with a monster cock - 11 inches by 7 inches - and widely promoted as "having the largest and thickest natural penis of any current male porn star, gay or straight". Tattooed and with a goatee, this hard top has done loads of films including Blockbuster Cocks, Detention and Monster Meat.

Carlo Masi

Thom Barron

Francois Sagat

Tuck Johnson

Maxx Diesel

This stunning giant stands at an impressive 6 feet 5 inches tall and in his movies performs as a top and bottom. Before moving into the porn industry, Maxx was a football coach - a role he played in 'Quarterback Sack'. Rumour has it that Maxx now only does straight porn... boo hoo. Some notable films include Getting it Straight, Tommy's Tale and Try Me On... For Size.

Pierre Fitch

This cute, tattooed studlet with a cheeky grin, tight body and a bubble butt you just want to bite hasn't been in the business for long, but already he's got a huge fan-base. Born in Cornwall (that's Cornwall, Ontario) this high school drop-out describes himself as "a hell of a bottom". But here's the bad news; he's married to fellow porn star, Ralph Woods. Watch this sexy young stud-muffin go in Big Dick Club, Spokes III and Born 2 B Bad.

Johan Paulik

One of the most famous Bel Ami stars of all time, blond floppy-haired Johan was born in Bratislava in 1975. Johan has starred in countless movies and his sexy smile, smooth defined body and boyish looks have earned him fans all over the world. Some movies he's starred in include Summer: The First Time, Moments With Johan and Sunshine After The Rain.

LET'S PLAY MASTER AND SERVANT

His life is dedicated to refining his relationship with his stable of slaves. On Europride day, Master David shows Haydon Bridge the ropes

You haven't lived until you've accompanied Master David leading four slaves in chains through the streets of Soho. The sheer joy this sight creates among the crowds celebrating this year's Europride seems far removed from the intense images we're used to seeing at SM clubs at Central Station and The Hoist. "Cameras to the right of us, cameras to the left," Master David intones before posing with another giggling tourist. It's 7pm and Chris, Master David's partner for 26 years, who isn't into SM (hard to credit, but get used

to it) thinks there have been at least 300 photos. Today Master David is in his favourite leather kilt, and the slaves are in harnesses, leather shorts and so forth. Two are in masks because they don't want to be identified. "Funny but not my cup of tea," declares Laurent from Lyons after his picture has been taken. When I report this, complete with French accent, to Master David's newest slave Steve, he laughs. "It's fun to create a stir," he states. This kind of SM as street theatre may have something to do with Master David's professional alter ego: as composer David Charles Martin he's noted for his humorous works. In Reality Television, premiered at the Windsor Festival in 2004, the audience voted the players off the stage. ▶▶

►► David needs to escape from the fans in order to talk and chooses Maison Bertaux, the Greek Street patisserie founded in 1871. He and manageress Michelle are friends. Thus I find myself discussing David's stricter side while surrounded by éclairs and pain au chocolat. "Into total control" says one of his profiles. (He's SkinMasterSir at www.recon.com). Steve confirms that when he was new to the SM scene a couple of years ago, he used to see David at SM Gays, but didn't want to approach him. "He always had people in tow," Steve tells me. "He looked quite scary." There's obviously more to him than just the leather showman. Born in Australia, David claims that he had his first dirty thoughts at the age of nine. He came to the UK aged 15 and later studied music at London's Guildhall school. When did he become a slave master? "About 20 years ago. I can't remember. I don't do numbers, darling," he says. "It must have grown gradually. My first long-term slave was Andy. He was little and cute. He stayed over and did the housework." David explored the technical side of SM and constructed bondage frames. But his abiding interest became the psychology of the master/slave relationship, finding out what is unique about each slave. "What turns a slave on is what turns me on," he reveals. Currently he has a stable of nine or ten slaves. They meet once every two or three months for a party and once a year

they all go on holiday together. They returned recently from Ibiza. David now has a reputation. "Interested slaves approach me," he says. Graham joined the stable five years ago after a recommendation from a respected South London master. "That recommendation told me everything," Graham smiles. Recruits fill in an application form before training begins. "Training is unique to the slave," states David. "It's not a twelve step programme," says slave Ralph indignantly when asked for details. Nevertheless SM culture follows rules. For the slave, "I don't have to worry what to be, what to wear, all that responsibility is taken off me," says Steve. "It's incredibly liberating." The master's duties are onerous. "If someone's trusted you, you have a duty of care," confirms David. "You leave them centred, you shouldn't do a head fuck on them." And finally, to basics: do the games and the rituals lead to sex? "Usually," says someone. "Always," says someone else. "SM is about authority, power, protection, losing yourself," David clarifies. "When that happens, sex moves on to a whole new level." We're back on Greek Street and David leads his slaves into JDL Leather's stall. "Master David loves to show us off," Steve tells me. I ask David if that's true. "Absolutely," he replies. "He was hunting for the right thing," David's partner Chris explains. "He's much happier now he's doing what he wants."

THE MALE G-SPOT

Find it and you'll never forget it.

Image from Ram Tough, Hot House Video courtesy of Clonezone.

Yes boys, you have one too.

And if you haven't discovered it yet, you've been denying yourself a whole new dimension of pleasure.

So, for those of you in the dark, let's quickly get the biology out of the way.

The male **G-Spot** is the **prostate gland**, located in the front wall of the anal canal. The perineum provides very limited outside access. The **prostate** is a walnut sized gland that controls erections, ejaculation and orgasms, and the perineum is the area between the scrotum and anus. Collectively, the prostate-perineum areas are known as the male G-spot. The perineum doesn't have a function as such, apart from joining A to B, but what it does have is indirect external access to the **prostate**, and this, my dear friends, is gold. The **prostate** itself is accessed by the anal passage, and when stimulated by one of the Nexus family of **prostate** massagers, (yes, we test drive all the products!) has the power to trigger mind-blowing orgasms! The Nexus Glide and the Nexus Nero

have an arm which stimulates the perineum for extra sensations. The Nexus Glide even has a stainless steel ball bearing that "licks" your "personal bridge". The other arm allows for manual movement of the bit that stimulates the prostate. There have been many glowing testimonials (we bet) from guys who have experienced "full, body-shaking, non-ejaculatory, 2 minute long (or longer) orgasms". Sounds too good to be true doesn't it? But, we've given both models a try out and we give them both five shining stars!

Oh, and they come in a variety of colours from 'deep purple' to mandarin orange. Here at QXMEN we just stuck to panther black. For more info go to www.pleasure2me.com.

COCK PERVERSITIES

Brent Nicholls cruises the net for the horniest sites.

www.fetishlad.com

We're gay, we like cock. It is as simple as that really! It does, however, go beyond that for some of you perv-miesters? We also like those cocks tied up, choked at the base, wrapped in rubber, coated in spit, up your arse, down your throat, flopping out from a pair of short shorts, swinging in a pair of chaps or neatly wrapped up in a pair of Speedos. That is because as cock lovers you have a fetish, and fetishlad.com has a possible match for all your deep, dark and moist desires. This website literally crawls with pics and clips of men dressed in, out and up in every possible fetish wear and gear. The preview galleries give you a pretty good idea of what you can expect from the site once you become a member. A quick peruse around found men bound and wearing stockings (as in pantyhose), cigar-smoking daddies, paddle-wielding skinheads and sneaky amateur shots of unsuspecting hunks. There is even a link if you want to pay cash for the trash, as in escorts. Members also have access to many more pics and streaming video. Further links provide information on fetish shopping sites and fetish clubs. For members they even offer a bespoke service where you can choose certain models on the site and have them do a photo shoot of your fetish, and if it's not on the site (which we doubt), they make it for you. If you have a taste for the vanilla, then this site really is not for you. However if you have a bit of an imagination and an adventurous streak, then check it out.

Shopping and sex, what a great combination. Shopping for sex, even a better combination! At cklover.com you can buy all sorts of accessories to make your pleasure more pleasurable. For example, what about the Pandora Vibrating Silicone Prostate Massager with fast UK delivery? According to the description it's Made of medical-grade silicone, Pandora feels luxurious and velvety to the touch, and has a fully flexible shaft and soft tip'. Mmmmm? What about toys? Cock extenders, pumps, anal beads...any of these shaking your sphincter? Perhaps you're man enough for the 3 bangs for your butt mega dildo. If hurts just thinking about it. Visit the online store!

www.mukhtarbrasil.com

We saw him in London with that infamous huge cock escort advert in QX, we saw him shaking his stuff in London's A-list clubs and we saw him on SLEAZE adverts advertising himself starring in his own special show. Now see him on his website www.mukhtarbrasil.com. Ever wondered whether that monster cock was God given or Photoshop? Well here is your chance to check it out. His site has a lot of pics of him and his famous member. Just the opening image is a right old taster of Mukhtar wearing nothing more than just a pair of tight and wet boxers. You can scroll through the links to learn about him as a person, check out his latest video releases and see where he is in the world from his agenda. Of course, it's all about the cock and there are plenty of pics showing it in one way or another. The 'G' rated images are nothing more than him dancing as a go-go in Amsterdam during their Pride event. Nice on the eye, but all the fun bits can be found under the XXX PHOTOS link where Mukhtar gets it out for the boys, literally. Images here are taken from his London show at Sleaze, from the Men At Play website and various photo shoots.

Perv rating 4/5.

If you have a website that would be suitable for this page, then please let me know by dropping me an email at brent@brentnicholls.com. Commercial site, personal homepages, free galleries are all welcome.
