Welcome...

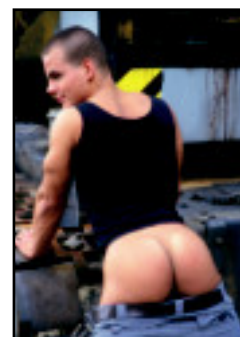

Just back from Berlin's Hustlaball – and walking bow-legged! – we can really recommend that you check out next year's uber sex fest. You will not be disappointed. Check out our report on page 12. As well as all the usual latest porn releases, this issue we've stayed a little closer to home, interviewing some home-grown porn talent.

With Summer over and those long Winter nights ahead, we all start hankering after something to keep us company when the temperature drops. Well, if you can't be fucked with the hassles of a boyfriend, find comfort in one of Clone Zone's super arse-stretching toys. Win one of your own by pairing the Falcon face to the eye-watering toy on page 38.

Last issue's cover was very well received with many fans of tatts emailing in their thumbs-ups. Cheers guys.

But where are your cocks? This issue we were pretty low on the ground for the Playpit Cock Page (64). Come on guys, get snapping and send 'em in.

YOUR SHOUT . . .

Hi guys,
Thanks 4 the great 3rd mag. It was great 2 see a mag catering for the heavy side of sex. I'm into being verbally abused/humiliated/spat on/pissed on. Not a lot of mags cater for us guys especially those of us who don't give a fuck about giving a fuck (barebacking). I hope this mag is long living and continues to cater for guys like me. Good luck for future edits and should you need any reviewers then get in touch.

Yours, Ged.

Dear Ged,
Thanks for your letter of support. We appreciate that our gay community is wide and varied and what floats one person's boat might sink another. From Vanilla to... chocolate (? , ahem) there's a course for every horse. We'll endeavor to cover (within reason) all of the colourful facets of gay sex.

Dear Editor,
I was at Recon and RoB's "Pig" event in Berlin. It was absolutely fucking fantastic with thousands of guys attending the Folsom street party. The Pig party later on that night was incredible - one of the best parties I've been to. I'm so glad QXMEN covers these events. Thanks.

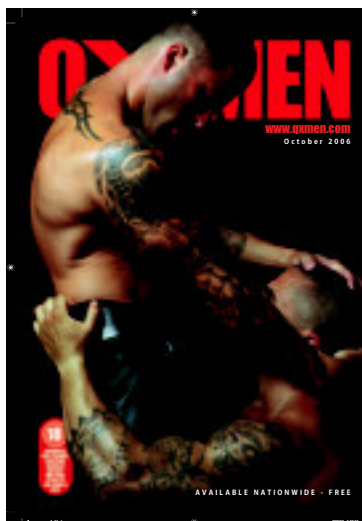

Paul, Vauxhall

Dear Paul,
Thanks. Check out our coverage of the Folsom Street Fair in San Fran

in this issue. We do like to keep abreast of international events and QX Magazine (issue 608) recently covered the hugely successful Recon party at the Hoist in London. We're you there? It was on your doorstep! Check out www.recon.com for upcoming events.

Dear QXMEN,
I loved the cover image of the last issue. It's such an amazing image. I'm a big lover of tatts and those guys are hot! Where can I get a copy of that book?

Regards,
Steve, Birmingham.

Dear Steve,
We love Joe Oppedisano's book Testosterone too. It's been doing the rounds in the QX office - I think we're going to have to laminate the pages! 'Testosterone' is available at Prowler and Clone Zone stores £38.95 or online at www.brunogmunder.com.

Dear Editor,
Could you please settle an argument I've been having with my friends. Mukhtar Safarov, that guy from the DVD Meat that you reviewed. Is his cock really that big naturally? I don't think it is. Surely it has been pumped or injected with something? Okay, so it's fucking huge, but is it real? Help!

Shaun,
Walthamstow, E17, London.

Dear Shaun,
You know, that's a question that has been floating around the QX office for a while now. We interviewed Mukhtar for QX Magazine back in May for a fetish feature. We asked: Is it natural? He answered, "That is the most common question I receive from my fans. Yes, it's 100% real. I've always had a big cock. I like pumping sometimes, it makes my dick more sensitive and maybe also a little bit bigger. I don't have silicone injections - I suppose it's dangerous. I'm not interested in that." So there you go. Mukhtar's website is www.mukhtarstar.com. Check it out and send him an email yourself. He's a nice guy, with fans all over the world and he's often in London, maybe you could see his monster meat in the flesh!

Dear QXMEN,
'A Rim With A View!' How hilarious. At first I thought it was a wind up. But now that I know that it's not, where can I get a rimming chair?

James, London

Dear James,
Actually 'A Rim With A View 2' is out now. Where you can get one of those "stools"? - no pun intended. What about making one yourself? Are you handy with a Black & Decker? They say necessity is the mother of invention! Just make sure all the screws are tightened before you bear down with your full weight. A faceful of arse? Lovely.

Dear Editor,
I thought your escort of the month was really hot. I am also an escort and would like to be escort of the month. Can you make it happen for me?

Guy, Manchester.

Dear Guy,
Send us in some pictures and we'll consider you. Email your pictures - a good selection of face, body and cock shots - to matt@qxmagazine.com. You must show your face and the pictures must be of high resolution. But this does not guarantee your pics going into the magazine - my decision is final. However, we do accept bribes (LOL). Go on, don't be shy, get you cock out!

Have you got a comment, a filthy story or even some horny pictures that you'd like to share with QXMEN? Email qxmen@qxmagazine.com

You like your men big? No, not big, huge, gargantuan even? Legendary director JD Slater has amassed nine of the hottest, hunkiest, beefed-up, horned-up man mountains. Vorsprung Durch Big Dicks

Hustlaball, Berlin 2006.

QXMEN gets all dressed up to get down and dirty at the third European Hustlaball: the official gay event of Venus, Europe's largest adult entertainment expo and home to the no-holds-barred party at Berlin's legendary KitKat Club.

Hustlaball started out in New York's infamous club, Stella's in 1998. Hustlaball's founders, Tom Weise and Jeffrey Davids of Rentboy.com, got together with the notorious Pork Boys for the second Hustlaball in 1999, transforming New York's leather bar, The Lure, into a space to showcase the world of "hookers, pimps, streetwalkers, flesh peddlers, porn stars, rock bands and other scandalous sorts." This has become the tag line for a party that is now world renowned, with a US Hustlaball held in Las Vegas each year in addition to the European sex fest.

Kicking off on Wednesday the 18th October, the film festival ran over the weekend, taking place at the Venus expo. Thursday's Gay David Awards ran back-to-back with Mega Party at Berlin's top gay nightspot Haus B. Awards for best films, stars, directors, scenes and all the various categories were awarded to an assembly of the industry's most glittering luminaries. From tousled twinks to sneering masters, the wide spectrum of gay porn was fully represented. But the hot ticket that night was the Bruno Gmünder party hosted by porn mogul and outrageous drag queen Chi Chi LaRue – who even took a turn on the decks! Revellers hit Babylon Boy Tabledance Bar for the warm-up party.

Friday night arrived while most eager beavers were still talcing up and shoehorning themselves into rubber or fastening buckles and lacing up boots. Nose to nipple and cock to cheek, the Kitkat Club was rammed, for some, uncomfortably so – especially those exhibitionists who vied for pride of place on the many podiums to show off their

assets. Up in the VIP area, those who paid for premium tickets enjoyed snacks and a chance to chat with the many performers before the show. Particular mention must go to the guys from Eurocreme who patiently and politely posed for pictures with their many admirers. Okay, so it is Germany and those German guys do have a reputation

for loving their leather, so predictably leather, rubber, harnesses and fetish wear was practically de rigueur. As this massive host venue filled up, the testosterone became tangible and soon impromptu mini shows were everywhere with blowjobs being exchanged and arses being fingered. And the show hadn't even begun!
 Hosted by drag diva extraordinaire Tatjana Taft – who was uber fierce! – the show was headlined by gay icon Marc Almond. Sound hiccups meant that, although he was received to rapturous applause, his performance did not go as smoothly as anticipated. Another special mention must go to performer Muhktar – not just a monster cock, but a lovely guy as well – and those guys

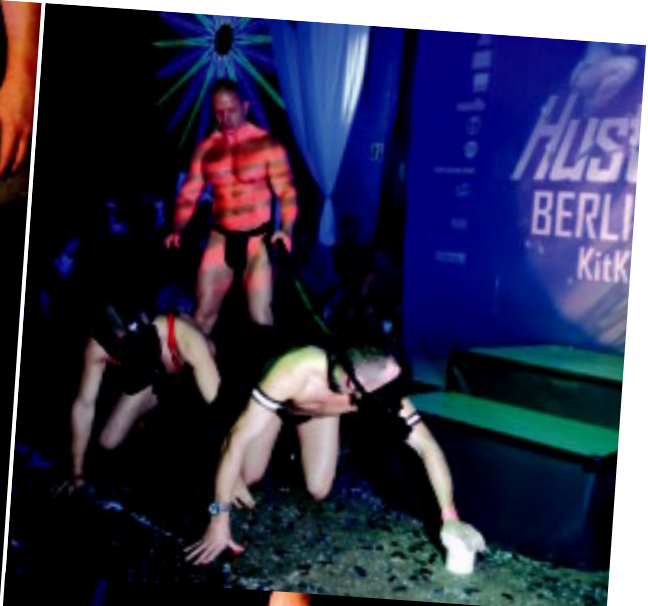

from Fetishlad.com who wowed the crowd with their "best of British" show. Ashley Ryder, you pig hungry bottom, you make us so proud! While upstairs was all about the shows it was downstairs in the huge basement area that the atmosphere was really electric. Jack Chang led a roster of top international DJ talent,

whipping the crowd into a frenzy. Another level down was where the serious action was going on. Fuckers and fisters went hell for leather in the cavernous bunker-style dungeons, complete with slings and other kinky paraphernalia. It really was case of "find your own fetish" as vanilla voyeurs found their space

in the lighter, brighter areas where the exhibitionists were baring all and those into the deeper and darker scenes went deeper and darker. Being the big pervs that we are, we would have loved to have had a balcony view, but alas it was closed. But if there were gripes they were few and far between. Compared to London, the bar prices were a steal and we were more than happy to part with our Euros. A trip to Berlin for the Hustlaball needn't be all about satisfying your cock-hungry urges with more horny and hung men that you can shake a blutwurst at – although we must admit us cock-hungry QXers did

have our mouths full on more than one occasion. Berlin offers up fantastic nightlife and excellent sightseeing. And most importantly, it's great value with a good three-course meal, (with booze!) costing around £20. So when you've feasted on dick and been stuffed from all angles, check out this history-steeped city that has so much to offer.

Our personal hint: do book at the official host hotel. The rates are excellent and there are discounts available for Hustlaball ticket holders.

An exhausted Jeffrey Davids, creator of Rentboy.com and Hustlaball had this to say: "This year's Hustlaball in Berlin was an unprecedented success by most standards. It confirmed my belief that giving people a place to experience the varied aspects of human sexuality is a worthy endeavor

indeed. Hustlaball was created by Rentboy.com to celebrate fringe sexuality. After all, who else throws a party primarily for escorts, porn stars, sex hounds and those that love them? We look forward to bringing this party back to the USA and hopefully soon to London."

MAN ABOUT THE HOUSE

Take twelve hunky guys, strip them naked... and get them to do the cleaning! Ironing, hoovering, laundry... these fine specimens do it all. For 2007 why not treat yourself to a Housework Calendar from Urban Photography. Okay, so it's not as perry as the stuff we normally hang in the QX office, so you won't need to take it down when Grandma comes to visit, but for each copy sold at least £1 goes to leading Breast Cancer Charities. The calendar has already launched, tying in with breast cancer awareness month, October.

Housework is available to buy online at www.houseworkcalendar.com and is priced at £9.95 plus postage.

ON THE PROWL IN BRUM

Prowler and Expectations, two of the UK's leading gay lifestyle retail brands have joined forces to open a gay store in the heart of Birmingham's upmarket shopping precinct. The new store, housed in a very distinctive building on trendy Stephenson Street is stylishly decorated with wood floors and modern furniture. The exciting and diverse range of fetish and leatherwear from Expectations is stocked downstairs. Opening in November in time for the busy Christmas period its shelves are brimming over with a huge range of books, gifts, accessories and films. MPG has applied to the local council for a license to sell R18 DVDs. The new store also stocks the hugely popular Calvin Klein and Fred Perry brands and the supersexy Aussie Bum range, exclusive to just Selfridges and Prowler. In addition, the new Prowler is the first store to introduce a lounge area and internet bar. Jocelyn McConnachie, director of retail operations for MPG said: "We are really excited about the new concept. The store will be as exciting and diverse as the London stores offering a spacious and friendly shopping environment."

ARMY FUCKERS

You'd think from the title you'd be in for a modern day camo-clad, barracks-based fuck fest. But no. This film is excellently filmed with no expense spared on production, and has a really intriguing storyline. Set on a Czech farm during World War II the plot revolves around German Gestapo officers and local Czech farm hands and their bosses and the interplay between them.

Robbie Masters has a crush on his roommate Nicolas. When Nicolas falls asleep Robbie gives in to temptation and soon, after some initial hesitation, Nicolas gives in. The scene is wonderfully tender and endearing.

Farm boss Billy is bullied into sex by aryan Tobias. Forced to suck Tobias' cock, Billy gets rimmed, fingered and fucked.

Cute Joe reads porn to his roommates Sebastian and Daniel until they're so horny they all get it on. Mop-haired Sebastian ends up spit-roasted and drenched at both ends.

Young Kamil takes care of two hunky Gestapo officers. Spoilt for choice he sucks their big uncut cocks. Alongside them Eric Tell is sucking Eric

PRODUCTION: **Studz Production by Eurocreme**
DIRECTED BY: **Vlado Iresch**
RUNNING TIME: **115 mins**

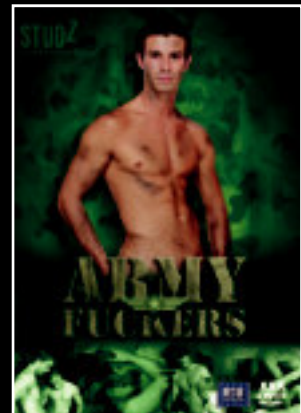

Flover's fat cock. Flover becomes the third soldier to fuck Kamil before Kamil takes two big wads in his mouth.

Eric Power romps with his boyfriend Peter. After some 69-ing Peter rims and fingers his Daddy, before fucking him hard. Upside down Eric cums in his own mouth.

Robbie and Sebastian share the final scene. Apparently in love, they kiss, caress and fuck until Sebastian cums in Robbies mouth. Clichéd though it is, the boys ride off into the distance on horseback.

A brilliantly filmed story with great sex scenes showing tenderness and the rougher side of man-on-man action.

FOOTBALLERS

PRODUCTION: **Studio 2000**
DIRECTED BY: **Roland Dane**

Whether you actually enjoy the beautiful game or simply love to ogle the beautiful men, football, and more importantly, football players are right at the top of the busy wankers' wish list. The plot revolves around a new player, Istvan Kovacs (Felix Porter), being transferred to a top team Ratyigepek. Fortunately the players are in a league with Michael Owen, Joe Cole and Christian Ronaldo (with buff bodies) and not horsey Ronaldinho, and the coach (Julian Vincenzo) is a big, buff, tattooed daddy top. Okay, so you know an after-game rub down is going to turn into a long hard, deep (and we're talking "deep") prostate massage, and a player caught wanking onto his kit by a team mate... well you know he deserves a helping hand. As well as four great sex scenes the banging is

interspersed with the stars actually playing football, which injects a bit of realism into the plot. To toast the arrival of the new player and welcome him into the team four of the other players throw a party. A shot of vodka later and they're stripped off and banging and blowing each other every which way. Obviously hugely appreciative of being accepted by his fellow team members our star player treats the rest of the team to some star action, letting each one fuck him in turn. Now that's camaraderie! Six months later the team is at the top of the league and our star becomes Captain and gets a personal congratulatory fuck from the coach. And he takes it like he's scored a hat trick. Give that man a medal!

Corruption

PRODUCTION: **Euroboy**, DIRECTED BY: **Brent Thompson**

Euroboy's last DVD offering 'Innocence' was passed around the QX office faster than a hot potato, so we eagerly awaited this next release. Porn plots are a funny old thing. Too much of a plot and it detracts from the cock. Too little and there's nothing that strings scenes together. Corruption's storyline involves diamonds, some wheeler-dealing... and cock. Our advice, forget the storyline and concentrate on the sucking and fucking. In his office, Joel Williams, the boss, appears to be wanking to a Colt mag

but we find out he's being sucked off under the desk by the very sexy and insatiable Allan Knight. After a vigorous fucking and emptying his family jewels, Allan leaves with a bag full of diamonds.

The second scene takes place in a locker room strewn with trakkies and trainers. Ben Andrews, Grant Harris and Mike Stradford strip down to their jocks and are soon going hell for leather.

If you're a Soho regular you'll immediately recognise Barcode's loos.

Fred Olivier and Allan Knight meet in the cottage. Within minutes, Fred's fucking Allan over the urinal.

Bartender Jason Lonni is polishing the bar. Allan can't pay his bill and soon an alternative method of payment is agreed and Jason gets his knob polished, fucking Allan on the bar and over the bar until his face is doused in cum.

In the final scene, Joel and his mate Luke Callum have a sleazy three-way with Jason the bartender.

So we're baffled where the diamonds went, but more than satisfied with the fuck action.

DVD extras include behind-the-scenes footage and an extended Innocence trailer.

REVIEW

SKIN BRUV

PRODUCTION: **A Council Film Production; trigafilms.co.uk**
RUNNING TIME: **112 mins**

Braces, bleachers, 21 hole DMs, Fred Perry shirts and zero crops. Oi Oi You Cunts the Skin Bruvs are out in force! Fuckin' nutters! This is Triga at its best. This is hand-held camcorder filming real, unrehearsed, unscripted sex.

Three hard-as-nails mates walk in on a scally sucking a skin bruv. Caught in the act they all gob on the scally and then force him to suck their cocks – not that he needs much forcing. The four skins end up fucking the scally until they blow their loads. All alone, a really horny skin pops out his cock and low-slung balls and wanks to straight porn. Caught shoplifting CDs, a skinny rude boy gets made to lick the boots of two skins and suck their thick dicks 'til he gags. He's spit roasted and made to bounce on their cocks.

What is it with these misbehaving chavs? Caught smoking crack, the skinhead fucks a young guy and makes him suck his cock. As he sucks the skin's cock the the skin produces a pair of clippers and shaves his bonce. Once his head is shaved he takes that big raw cock again until he shoots. In the tattoo shop the skinhead tattooist and two scallies get it on. The cum-eating scene at the end is just mind-blowing with big dollops dripping of the young chav's chin.

If you like your blokes hard-as-nails and with a "I'm either going to fuck you or fuck you up" look in their eye, then get this DVD now. You will not be disappointed. Plus there's a spunking compilation as a DVD extra and an edited cut of 'Shoplifting Cunt' and unseen XXX photos.

Available from Clonezone stores nationwide and selected adult stores.

SHAFTED

PRODUCTION: **Primal**, DIRECTED BY: **Eddie Hük**, RUNNING TIME: **125 mins**

Ten eager exhibitionists who like rough and ready, no-holds-barred action bring you the best of British sleaze.

Arsé licking, gobbing, dildo play, leather masters, chap-clad slaves, deep armpit sniffing, tough tit play, cum eating, glory holes, dungeon, prison, warehouse, cottage. Shafted is super sleazy and fucking filthy – and we love it!

The first scene sees a tattooed skin strip off and jack off in a public toilet. Licking the bowl he stretches his hole open as he tugs on his nipple clamps.

A cock appears through the glory and soon the cock and its owner are invited into the cubicle for a long sleazy session – miraculously even dildos appear... and disappear.

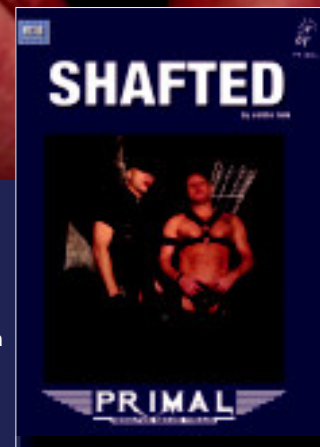

In a dungeon, after some expert deep throating, a leather lover is trussed up to a rotating St Andrews cross – gives the Wheel of Fortune a whole new slant! Two guys cruise each other and then go hell for leather in a warehouse

storeroom, fucking and sucking each other and giving a large black rubber double ender a workout.

A skinhead and his bearded cellmate are one up one down in their bunkbeds. They start wanking and then the warden catches one sucking the other off. "Now you're for it", he threatens as he joins in the action, putting his truncheon to good use.

In another dungeon Billy Slade (aka Mikey Slade – check out the interview on page 34) works over a guy in a sling. Stretching his hole he pushes the limits of what can legally be shown through British classification!

DVD extras include a cumshot compilation and trailers for 'Absolution' and 'Schwarz' – filth, pure filth. Lovely!

Available from Clonezone stores nationwide and selected adult stores.

OIL CHANGE II

PRODUCTION: **Cazzo Film Berlin**
 DIRECTED BY: **Jörg Andreas**
 RUNNING TIME: **88 mins**

Darren's an out of work mechanic who's looking for a job. He's in luck, but it becomes quite evident as two other mechanics eye him up as he strips down to change into his overalls, this is no ordinary garage.

The pierced skinhead apprentice washing cars is dragged indoors and force-fed two huge cocks by Latino mechanics Rafael and Justin. They spit roast him over a pile of tyres, swapping ends until they both shoot their loads over the groaning skin.

After a hard day servicing broken motors, the boss, Fred Faurtin, and another mechanic have organised a foursome. They lay back and let the two pups service their throbbing cocks before hoisting their cock-hungry play pups up on the auto lift for a good fucking.

By now Darren's at home with his boyfriend in the bedroom. Darren gives the boyfriend a good rimming to loosen his hole before ploughing him doggy style, then they switch with Darren on his back getting sprayed with cum.

A leather-clad motorcyclist thanks a mechanic by opening his ass for some deep dildo play. The toys get progressively bigger and the motorcyclist squirms in pleasure as he's royally fucked over his bike.

The final scene sees Darren and his boss strip out of their overalls for an amazingly horny fuck on the bonnet of a car.

Cazzo delivers yet another great film.

BUTCH ALLEY

PRODUCTION: **HotHouse.com**
 DIRECTED BY: **David Lamm**
 RUNNING TIME: **135 mins**

Okay, so 'Butch Alley' does conjure up Marthas trying to be Arthurs and is probably not the most convincing of titles. But when you scan the cast list and see that it features some of the hottest and most sought after guys in the industry at the moment, you can't help but be intrigued. Butch Alley is where guys go for sex and this DVD is chocka block full of it.

The first scene sees the super sexy Jason Ridge fuck Anton Harri against a wire mesh fence. Harri then takes his turn to top and fucks Ridge rigid.

With rock hard cock jutting out, Tony Mecelli cruises by a dumpster, hungry for action. Kyle Lewis takes Mecelli's cock every which way until on his back he cums into his own mouth. "Straight" Dillon Brody makes his excuses to his wife, parks his SUV and takes off his wedding ring. The three way with Christian Schaffe and Alex Collack is just scorching.

The universally popular Thom Barron becomes the meat in a very tasty sandwich resulting in a great three-way in the back of a truck. The three-way becomes a four-way and the piston fucking goes into overdrive.

Braeden Casey, Enzo Grimaldi, Kirk Ziegler and Nick Piston complete a scintillating line up of Hot House stars that will have any fan of buff, hung guys reaching for the remote again and again. DVD extras include a XXX gallery, fuck and cumshot compilations and trailers.

Available from Clonezone stores nationwide and selected adult stores.

TOP/BOTTOM/VERSATILE? Versatile

STAR SIGN: Gemini

WHERE ARE YOU FROM? Wiltshire, South England

WHERE DO YOU CURRENTLY RESIDE? London

HOW DID YOU GET INTO PORN? I was asked if I could stand in for someone who had dropped out of 'Uniformed Britain' by Triga, I had about half an hour to get to the set!

HOW MANY FILMS HAVE YOU DONE TO DATE? 'Uniformed Britain' 2004, 'Sex Klinik' By Cazzo 2005, 'Rising Sun' by Titan Fresh 2005, 'Soldier Boy' by Eurocreme 2005, 'French Heat' by Corolo 2006, 'Super Hole Sunday' by Catalina 2006, 'Shafted' by Primal 2006, 'They Like 'Em Big' by Catalina 2006.

WHAT HAS BEEN YOUR HOTTEST SCENE? My scene in 'Shafted' by Primal was pretty filthy!

DO YOU HAVE A PARTNER? IF SO, HOW DOES HE FEEL ABOUT YOU DOING PORN? My partner Jamie doesn't mind at all. He lives in Manchester so I pass the films on to him to watch so when he misses me he can dig one out and have a wank.

WHO WOULD BE YOUR FANTASY THREESOME? Myself and Hugh Dancy from 'Shooting Dogs' spitroasting Jason Biggs from 'American Pie'.

HOW FAR IS TOO FAR? WHAT WON'T YOU DO? I guess the only thing I would never try is Scat. But bring on anything else, although I can't think of anything left to try.

DO YOU GET RECOGNISED FROM YOUR FILMS? Yeah I get some nice messages from guys on Gaydar and I've been recognised in clubs.

YOU RECENTLY FILMED ON LOCATION IN FRANCE FOR FRENCH HEAT WHAT WAS THAT LIKE? French Heat was a very original film. Christian Marshall the Director is very creative and his filming is sublime - it's actually up for an award this week at the David awards in Berlin. As for making the film I loved everything about it except it was filmed in Brittany which is the most boring place on the planet. I would rather stick pins in my eyes then go back there.

WHAT DO YOU DO WHEN YOU'RE NOT DOING PORN? Up until last year I was a club promoter but I saw the light and got out

of it after doing 6 clubs. For the last five years I've had my own dog walking company, that's my day job. I also work as a session singer and make music as part of a production outfit called The Traffickers.

IS BRITISH PORN DIFFERENT TO AMERICAN PORN? Well I've had the opportunity to work in the States and I think the main difference is how quickly a film can be made over there. You turn up, read the script, get hard fuck, suck, wank, etc, then you pack up and go home. One scene I did for Catalina took three hours which was very fast. As for the porn stars, Americans tend to be big primadonnas - give me a British lad to work with any day!

WHAT'S IT LIKE WATCHING YOURSELF ON SCREEN? I normally check out the finished film just once just to make sure I've not made a complete knobhead of myself and to see if my cum shot was mega, then I never watch it again. My eyes start to glaze over when I watch myself have sex!

WHAT FUTURE PROJECTS HAVE YOU GOT COMING UP? I am in two films that will be filmed by Corolo this year one is called Seeing Heaven. Again Christian Marshall has come up with an amazing storyline. It's all about a young rent boy that has powerful psychic hallucinations during sex. I play an older porn actor who shows him the ropes.

The other film is being shot in Romania. Again it's by Corolo and called 'Vampire Hunters'. I play one of the vampire hunters out to stake a young vampire.

HEIGHT: 6 ft.

DICK: 8".

TOP/BOTTOM/VERSATILE? Versatile.

STAR SIGN: Aquarius.

WHERE ARE YOU FROM? Watford, Hertfordshire.

WHERE DO YOU CURRENTLY RESIDE? Watford.

HOW LONG HAVE YOU BEEN IN THE PORN INDUSTRY?

6 years.

WHAT WAS YOUR FIRST FILM?

Quicksilver by Millivres.

HOW DID YOU GET INTO PORN?

Through my previous partner. I was 21 and wanted to strip. He didn't want me to strip. When someone tells you that you can't do something it makes you more determined to do it. But I never got around to stripping - I respected my partner's wishes. I then saw an advert in QX looking for models to be in a porn, so I rung up. I auditioned in an Earls Court hotel room. I had to strip off, have a wank and if I wanted to I could have shoved a dildo up my arse. And yes I did, I wanted the part.

HOW MANY FILMS HAVE YOU DONE TO DATE? Quicksilver

MPG 2001, Schwarz by Primal 2003, Oil Change 2003, Deviants by Bulldog 2004/5, Sweat by Bulldog 2005, and 2 films with Bulldog / Eurocreme that havn't been released yet.

WHICH COMPANY WAS THE BEST TO WORK FOR?

Working for Cazzo was hard work, but it gave me an in-depth look into how big companies produce high budget porn. There's one scene where I was just walking, but I had to get it just right, that particular look - we must have shot it about twenty times!

WHAT HAS BEEN YOUR HOTTEST SCENE?

With Fred Faurtin in Oil Change. Sucking, rimming, he fucked me over the car in the garage - the chemistry was amazing.

DO YOU HAVE A PARTNER? IF SO, HOW DOES HE FEEL ABOUT YOU DOING PORN?

Yes, I do have a partner and we have an understanding.

WHO WOULD BE YOUR FANTASY THREESOME?

That guy off the Bill, DS Phil Hunter and John Terry from Chelsea FC. Oh fuck it why not have more? Let's have an orgy. Three's not enough!

WHAT WONT YOU DO?

I won't get fisted and I'm not into yellow or brown. But I won't say no to a bit of S&M.

DO YOU GET RECOGNISED FROM YOUR FILMS?

No not really. Only just a handful of times in clubs - mostly at the Vauxhall Tavern.

DO YOU HAVE TO GET YOURSELF INTO A SPECIAL FRAME OF MIND WHEN YOU FILM?

I still get nervous and that's a good sign as I'm not a pro. I don't take it seriously, I don't think of myself as a porn star, I'm a porn actor. Some actors think they're "it" and use the term "porn star", even though they've only done a couple of films. You're a porn star if you're exclusive to a company.

WHAT DO YOU DO WHEN YOU'RE NOT DOING PORN?

I work for my local council as a camera operator / CCTV operator.

FAVOURITE PORN FILM?

Flashpoint 101 - the one with the traffic cone!

WHO DO YOU ADMIRE IN THE BUSINESS?

Kent North from Hot House. He's still got his feet firmly on the ground and he's a really nice guy as well.

IS BRITISH PORN DIFFERENT FROM AMERICAN PORN?

The British porn industry is very Chav led. British porn is very real - it's probably what you would do in the bedroom. American porn is "acting" - "you like that cock don't you?" If someone said that to me during sex, I'd probably laugh. American porn is too rehearsed.

BUT IF YOU WERE ASKED BY ONE OF THE AMERICAN COMPANIES?

Oh definitely, someone like Hot House. I don't think I've got the look for Falcon. If an offer came I'd definitely consider it.

WHAT'S IT LIKE WATCHING YOURSELF ON SCREEN?

It's funny! I think oh my god, what is sexy in that? It's good to see how far I've come over the years though, how my body's changed as I've matured.

WHAT FUTURE PROJECTS HAVE YOU GOT COMING UP?

Two releases from Eurocreme, and I have been approached by someone else to do a scene for another film where I get to be nasty to a couple of twinks - basically abuse them.

SIT ON IT!

So you think you know your Falcon porn stars? Well just how well do you know them? Do you know the lengths, the girths, who has the biggest knob, whose bends to the left... or right? Clone Zone now stock fourteen of Falcon's biggest (and we mean "biggest") boys.

Courtesy of Clone Zone we have four of their biggest toys up for grabs. All you have to do is pair up the dude with dildo and you could win either an eye-watering X-large butt plug - 6 inches high and 11 inches in circumference; or the offensive weapon that is the "Manrammer" with a thick 9 inch insertable dong; or an 11 inch long Chad Hunt supercock, or the mind-bending "Powerballs" - an unbelievable 20 inches of insertable ring-stretching flexible black rubber!

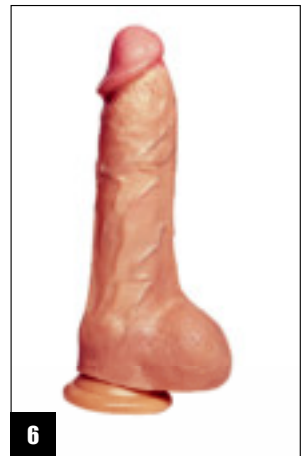

So, to recap: match the name of the porn star with the number of the dildo. Email your answers with your name and contact details to matt@qxmazine.com to arrive no latter than November 30th. The four entries with the most correct answers will win. Good luck!

DEEP SEX

BY TOM BIANCHI

In his latest book, Tom Bianchi takes us into his home and bedroom and shares his lovers with us – showing us the most intimate facets of their lives. Over the course of three years, Tom recorded sexual encounters with a number of men. One of these men became his lover and life partner. This book is stunningly personal and surprisingly candid. Nothing is hidden. From the playful to the romantic to the edgy and searingly hot. The men in Tom's life play in sexual adventures ranging from poolside foursome frolics to leather-clad romps, bondage play and intimate lovemaking. What this book delivers so poignantly is honesty. It's almost tangible as you turn the pages, extolling the adage Truth is Beauty and Beauty is Truth.

Something of a renaissance man Tom was a corporate lawyer for ten years before he became a successful painter and sculptor, exhibiting around the world. Turning to photography as his principle medium Tom has had twelve books printed. Tom was also a founder and director of a biotech company currently developing high tech HIV/AIDS therapy. Deep Sex is Tom's third publication with Bruno Gmünder, following two highly successful volumes of 'On The Couch'.

Deep Sex is published by Bruno Gmünder.

HOT Scots

QXMEN checks out Steamworks in Edinburgh.

Edinburgh is one of the UK's most popular tourist destinations, and no visit would be complete without stopping at the capital's hottest venue by far, Steamworks Sauna. The sauna is located right in the heart of the gay quarter, just steps away from the best bars, cafes and nightlife the city has to offer. Steamworks is unique in offering customers a choice between either a locker in a communal changing room, or for a supplement, your very own private cabin which is yours for the duration of your stay. Each cabin has a TV showing the horniest videos imaginable, a full height locker, plenty of condoms and lube, as well as place to rest your head or what ever other part of your

needs resting! Be warned, the number of these private cabins is limited, and they sell out fast! Steamworks boasts what must be the largest steam room in Scotland. Custom-built, it can accommodate up to a couple of dozen hot sweaty bodies. So if you're looking for action it's a good place to start. Then move

on to the spa pool and let the bubbles do the work. The spa pool is large and can easily accommodate 10 men - and often does! And if that's not enough, things are always hot in the sauna cabin itself. Upstairs, there's no shortage of fun to be had

with its maze, dark corners, glory holes, sling, cubicles and even more hot horny videos playing. Even the most energetic of us need a break eventually, and there's a great place to chill out in the cafe lounge. Here you'll find a wide range of reasonably priced drinks and snacks on offer, as well as free Internet access.

Out-of-town visitors will be pleased to know that in a separate wing of the building, the owners have thoughtfully provided overnight accommodation. "Village Apartments" that feature stylish, affordable, self-contained guestrooms and suites all with en-suite facilities, TV, DVD player, CD player, fridge, microwave and kettle. Room rates start from as little as £50 per room per night, with discounts available for long stays.

TALKING

DIRTY

Lick my love pump!
We can all be Bards in
our own bedrooms says
QX's Adrian Gillan.

"Grope my bollocks, low-hanging fruit swollen with manly juice. Feel my **taught** meat, fresh and moist, probe your gaping loins." If the English language is one of our greatest assets then why - in bed - are we a nation of frigid mutes? Why do we underestimate and neglect the latent power of words to conjure Eros? I'm not suggesting a dictionary and elocution lessons - although many's the **climax** spoiled by my having to ask some bad boy mumbler, "Sorry, what did you say?" at his point of no return. Thoughts are framed by words so why not communicate and conjure with words? It's both the sounds and

the connotations they evoke that raise the heat and **horn**: "Sit on my face you cunt, I wanna suck your juicy furry fairy nads and chew on your tightening sack of cum. Then **shoot** over my lashes with your creamy white batch, pumping your manly jism, you fucking tosser." From dick **splash** to fanny splatter, slang's great, but it's so refreshing sometimes to get back to basics - to revisit the classics, and not just in medical scenarios: Penis, foreskin, testicle, genitals, gonads, scrotum and semen! The power of these words still thrills me every bit as much as cock, cum, **balls** and hood - words equally loaded. So, how to get started? Way back in my youth, my bedfellows and I used to limber up with a quick game of word tennis, a **sensual** slanging match. We'd pick an object like "prick" or verb like "suck", and find other words or phrases for them, each in turn. We could go on for hours without respite. You end up inventing

phrases: cum caskets, joy stick, **ram** raider - all terms to savour, horny and funny depending on the mood. You might try visiting websites dedicated to "rich language" before you hit the sack, to get inspiration and moisten the mouth. A loose tongue makes a stiff dick. Just take "wanking": bleed the weed, burp the baby, clean the rifle, crank the shank, drain the monster, fist your mister, hold the **sausage** hostage! Role play, phone sex, cyber

moments. You'll soon develop a style of your own and get used to your partner's rare phrasings. Another good way of cracking the oral ice is to ham it up. You'll soon break the blush barrier and cum out the other side, fluent and **sweaty**. Camp up the "fuck me you bitch" lines a tad, over-egg the verbal cake, and before long you'll be speaking through **spanking** and roaring through whoring. It's pretty noisy, so either warn the

"Drain the monster, fist your mister, hold the sausage hostage."

sex, and the most recent innovation - text sex - all have language at their core. They all require you to become less self-conscious to avoid those awkward "oh yeah baby" **blue** movie

neighbours or - better - pick a time when they're at work or on hols to really let rip. As Shakespeare said: "Bid me discourse, I will enchant thine ear." So get yer fucking **tongue** out of yer friggng arse you dirty splash and give it to me bitch!

YOU CAN'T GET HOTTER!

COCK BYTES

Brent Nicholls cruises the net for the horniest sites.

www.jerkoffbuds.com

Love watching a group of guys in a circle jerk? Get off on mutual masturbation and guys whacking off together? Like the feeling of your bud's hand on your cock as you stroke him off? If the answer is YES, you are in the right place! Jerkoffbuds.com is a site for guys who like, well, jerking off. Whether you provide the images, or use them as raw material for inspiration to make your own pictures, jerkoffbuds.com encourages site visitors to post their photos onto the site. The site boasts nearly 1500 registered users, and although many are amateur images, others are images obviously taken from 'professional' porn mags and movies. The design on the site is very basic, a little annoying to navigate and reflects more a community site in the style of those found on Yahoo than a purpose designed website. Users can view images from a host of galleries uploaded by members. Registered users also can add ratings to the images as well set up a profile so others can find out more about them. Apart from the pics, the site also features webcam jerk off buds, hot stories, personals, a DVD/video store and a movie theatre. Although the site is free to register, some of the features such as the movie theatre are pay per minute. Alternatively, the webcam part of the site only requires you to have the right equipment to log on and find the right jerk buddy, and like jerkoffbuds.com say 'Best of all, there are guys to suit every mood and taste, whether you like your guys young or old, chubby or skinny, ethnic or white, hairy or smooth, you'll find the cock you're looking for!'

www.trigafilms.co.uk

Triga have been producing porn flicks for quite a while with an emphasis on the rougher side of gay sex. Skinheads, chavs, scallys, and footballers have all been a favourite of Triga. The website is, of course, a portal into the men of Triga and all their videos. If you're after pictures of free cock, then this site isn't for you although there are a few pages that show thumbnails of screen shots taken from quite a few of their videos. However if you're after porn movies that have a bit of an edge and stray from that muscled/shaved Falcon styled look then they all can be had on this site. Currently they have a pre-order offer where by ordering three of their latest movies you will receive another three titles free. There is also the option to stream videos from the site. This takes a small download of an application call Triga TV, but once you have that set up it provides a direct line to hours of scally cock straight from the web. If you fancy being a bit of star yourself, then remember to check out the application form to become a Triga model.

Perv Rating 3/5

www.brokestraightboys.com

Brokestraightboys.com are selling themselves on the idea that straight boys will do anything for money, especially if they are flat broke. Claiming 'these boys are very hot and very straight, they are also broke and need to make some quick cash. Some of these guys are so broke they have to do things with other guys'; you enter a world of desperate boys taking desperate measures. Whether you believe they are straight or not, if the whole idea is making your member grow, then check out this site now. By joining up (for a fee) you will also get access to three other bonus sites based on the straight boy doing the gay thing. Claiming to have hours of exclusive videos of 'straight boys' such as Jamie & Aiden where; the site validates their heterosexuality with comments like 'you can clearly see the pain on Jamie's face when Aiden first puts it in him for his first time'. Mmmm? Although there is not enough 'free cock' to tempt us all the way into joining, you will get a pretty good idea of what is available from the screen shots.

Perv rating 4/5 (we need more free cock!)

If you have a website that would be suitable for this page, then please let me know by dropping me an email at brent@brentnicholls.com. Commercial site, personal homepages, free galleries are all welcome.
