Welcome...

So, whether you like it or not, it's that time again! Yes, Christmas with all its seasonal shenanigans descend upon us again. Rather than brave the busy high street with its scrum of last minute shoppers, this issue we've presented some alternative gifts to stuff your stocking with. For those of you in Birmingham, why not check out the new Prowler Store that also stocks Expectations fetish gear. This month's cover star Kent North is a Hot House Exclusive - and a Brit! Check out his interview on page 34. QXMEN also went behind the scenes with Alpha Male Media when they shot their new film 'Out On Parole'. Check out the feature on page 20. This month we've had some excellent readers' cocks sent in - keep 'em cumming - we can never have too much cock at QXMEN. In the New Year, we're thinking of giving those guys with cute butts the chance to show them off - so get snapping and send in those arse shots! Have a fun-filled Christmas and a fucktastic New Year!

YOUR SHOUT . . .

Dear Editor,
In the letters page in October's QXMEN, there was a letter about anal bleaching. I honestly thought you'd made this letter up until I went on the internet and googled 'anal bleaching'. Wow! And I thought I'd seen or heard it all before... So, are you going to do a feature on anal bleaching?

David, West Kensington.

Dear David,
Oh yes, that letter was very real. There are, apparently, loads of people who'd like their pigmented hoop turned a lighter shade of pale. A feature on anal bleaching? Hmm, I don't know. I'm happy with the shading round my back door - are you with yours? Why don't you offer yourself up as a guinea pig and we could perhaps make a feature out of that? I can see potential titles now: 'Pure and Puckered', 'Snow White Starfish', 'Peroxide Pooh Hole', or perhaps, 'Sparkling Spincter'?

Dear QXMEN,
I visited Hustlaball events in Berlin the last three times and after reading your report I have to disagree. The location was good, same as the last year's, but the organisation was bad. Mr Almond failed to sing after some technical problems, the VIP area was badly overcrowded, the free buffet was some cakes, one bar only at the VIP tent, drinks are overpriced for Berlin, the

VIP ticket for more than 100 euros was a rip off! Upstairs was a straight party, the cellar a disco, not much space for cruising. There is no need to go again unless I like to see colleagues I work with in London and Berlin.

Kindest regards Mike Berlin, (Escort)

Dear Mike,
A few people were not as happy as they were with previous events. Like we said, Marc Almond did appear, and was well received. We too would have liked to hear him sing his planned set in full. As for your gripes with the prices, coming from London we're grateful for any drink that doesn't cost the earth! As for the cruising... Well, it's a case of horses for courses. I'm sorry you were disappointed with the event. Perhaps voice your opinions with the organisers who, I'm sure will take your comments on board. www.hustlaball.com.

Dear Editor,
Thanks for the interviews with Mikey Slade and Darren Robbins. It's nice to see a couple of real English guys featured in your magazine. The American guys are okay, but they're not really my type of guy - too 'perfect'. I've got a couple of films with Darren Robbins in them - 'Sweat' is one of my favourites... it's always in my DVD player! More Brit cock please!

Paul, Manchester.

Dear Paul,
Yes, we love a bit of home grown talent too. I always say porn is like soap operas. In the States everyone wants Dynasty and Melrose Place - all buffed and bronzed boys. In the UK we like them a bit more 'attainable' - scallies, skins and guys next door. Darren Robbins is a very popular model and we hear on the grapevine he's been busy filming some very horny scenes. Keep reading QXMEN and we'll bring you news of the latest releases as soon as we get them.

Dear Editor,
I was always a fan of Manzone Magazine, but I must congratulate you on the new QXMEN magazine. I particularly like the covers and, while the one with the two guys with the tattoos was my absolute favourite, I really liked the last one - the cute young guy showing his ass. Very horny. Where can I see more of Marcus, last issue's cover boy?

Sean, Brighton.

Dear Sean,
All we know is that 'Marcus' has been shot for Freshmen magazine in the States. If you find out any more about him, let us know. We quite like him too!

Dear Editor,
As a visitor to London from San Francisco I was delighted to pick up your magazine and see your

coverage of the Folsom Street Fair Leather Pride. It's always a real eye-opener for the uninitiated, but first-timers always come back for more - again and again.

Mike, San Francisco, USA.

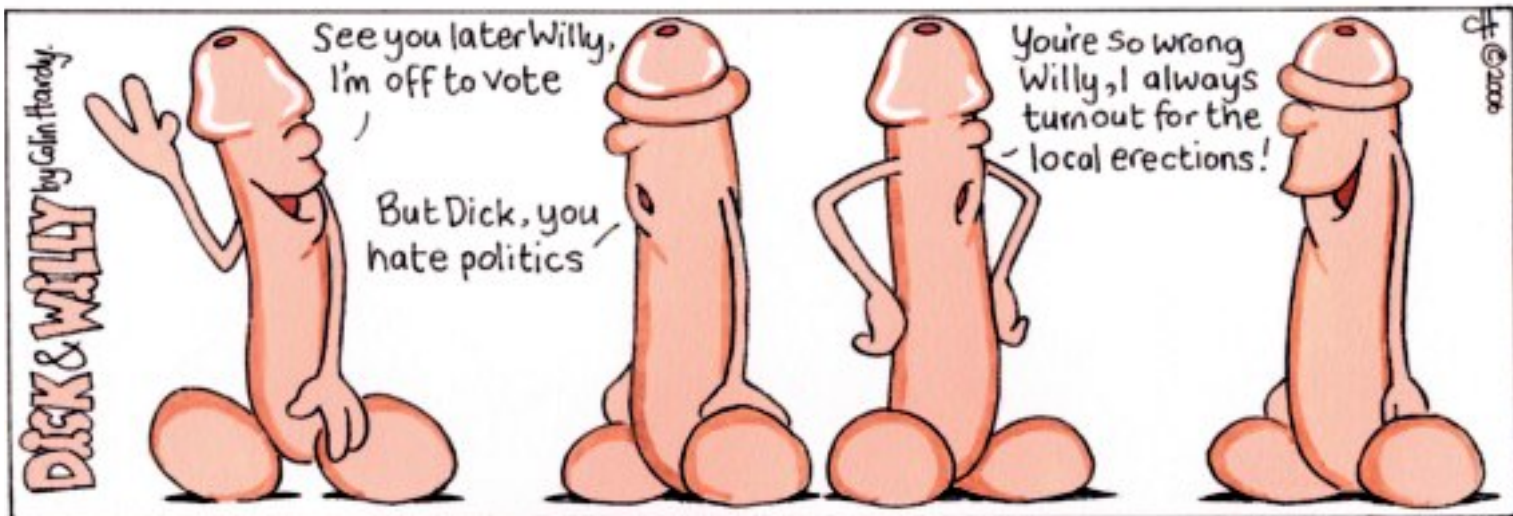

Dear Mike,
We do try to get a 'global perspective' on all things hot, horny and kinky. We've covered Hustlaball in Berlin, Recon and RoB's Pig Party in Berlin, Hard On in London and hopefully more pervy events as they happen. Any hot tips?

Dear Matt,
Thanks for the review of Skin Bruv by Triga. I was never a huge fan of American porn and I find some of the British twink porn a bit too young for me. Skin Bruv was right up my street. Please can we have some more of the same?

Steve, Camden

Dear Steve,
We like a bit of rough n ready from Triga too! Check out Eurocreme's harder stuff from Bulldog XXX. We guarantee that'll have you reaching for the spunk rag time and time again!

Just like that!

Putting on a condom should be simple enough, but how many times have you fumbled with the foil, had to rip the packaging with your teeth...and it's all slippery when you take it out of the wrapper. Then you've got to get it right-side-up before you roll it on. Surely putting on a rubber must be easier than that? Introducing Pronto, the condom that can be applied in a few seconds. Simple and so convenient to use, you simply crack the pack open and unroll the condom onto the cock. Sound too good to be true? Yeah, we thought that as well. But click on the website below and see the demo for yourself. The brainchild of Willem van Rensburg, a Cape Town based inventor, he said, "It always puzzled me that the process of applying a condom could be so cumbersome - there had to be a better way." Willem approached Metropolitan Life Ltd in South Africa for funding of the venture. The company agreed, as the concept fitted well their philosophy for the prevention of HIV/Aids. A joint venture was set up, and development work commenced. But here's the catch: the product is only available in South Africa at the moment, but it looks like this ingenious invention will soon be available worldwide. In the mean time, you can order Pronto Condoms online www.prontocondoms.co.za.

JUSTICE

PRODUCTION: **Hot House**
DIRECTED BY: **Steven Scarborough**

Justice is without doubt one of the best films to come out of Hot House. The production is simply superb, the plot hooks you from the start, the acting (yes, proper acting) is infallible and the sex, mind-blowing. The finish on all Hot House films is always top calibre, but director Steven Scarborough has surpassed himself with this latest release.

In his best performance to date, Shane Rollins plays Toby Conners, a guy, who by simply being in the wrong place at the wrong time, is falsely accused and convicted of a crime he didn't commit. Banged up in prison, Director Scarborough puts Toby in situations where he has no choice but to use his sexual moxie to

make it through unscathed. The hardcore director's cut is a two disc set that features seven scenes and stars Hot House exclusives Kent North, Tony Mecelli, Marco Paris, Nick Piston and Robert Van Damme. Hot House Men Trevor Knight, Mike Roberts, Carlos Morales, Brad Star, Marc Williams, Ty Hudson, Nick Horn, Parker Williams, Duke Michaels and new introduction Jordan Vaughn bring the compliment to sixteen.

Additional fuck and cumshot compilations, hardcore bonus scenes, behind the scenes footage and XXX gallery make this DVD a must have for any porn aficionado. If you only treat yourself to one DVD this season, make it this one.

Humping Iron

PRODUCTION: **Raging Stallion Studios**, DIRECTED BY: **Michael Brandon**, RUNNING TIME: **150 mins**

Titled after the film that shot Arnie Schwarzenegger to fame, 'Humping Iron' is the ultimate fix for the muscle-worshipping porn perv. This workout studio offers more than just a few crunches and bench presses. Proudly boasting six humungously hung Raging Stallion Exclusives: Dirk Jager, Alex Corsi, Francois Sagat, Collin O'Neal, Dominic Pacifico and Michael Vincenzo, along with superstuds Arpad Miklos, Nick Marino, Trey Casteel and Jherrad Lopez, director Brandon's troupe of taut, pumped-up studs, give

true meaning to "work out" as they grunt, hump, suck, rim over six sweat-drenched scenes.

Vincezo and Jager are all over each other's ripped bodies. Jager ends up giving Vincenzo the cardio workout of his life. Man mountains Miklos and Corsi are next up, with Miklos pummeling Corsi's magnificent arse until he's saddle sore. A packed out weights room finds the scene's narrator Pacifico on his back while tattooed Sagat, Corsi, Vincenzo and Lopez spurt their loads over him.

Next, recent exclusive signing O'Neal nails Lopez's arse over a treadmill - check out their reflections in the mirror. Scene five sees Casteel and Marino pair off, showing off their perfect arses as they practice squats. Casteel flexes his butt and sits on Marino's massive meat. They flip-flop-fuck showing great versatility.

Francois Sagat and Collin O'Neal bring animal intensity and unadulterated passion to the final scene - one that will keep you hitting the rewind again and again.

If you've procrastinated over joining that gym, perhaps this is just the incentive you need!

SLEAZY RIDERS

PRODUCTION: **Bloc (Eurocreme)**, DIRECTED BY: **Vlado Iresch**, RUNNING TIME: **100 mins**

Now these hot guys might not be recognised names in the industry (yet), but these horny Europeans lads are bursting with spunk. Off road biking is what brings these guys together, but soon the extreme motor-cross turns into serious off-road action.

The first scene sees two guys skinny-dipping. They sunbathe, soon they're sucking each other's cocks and the shorter one is a real 'grower'. Soon they're joined by a pierced biker who offers up his arse for the taking.

The next scene sees two lads, again slim and defined, in a dingy sailing down a river. The shorter dreadlocked guy takes his taller mate's dick after sucking it to a rock hard boner.

In the third scene, three friends are camping in the woods. The

communal shower leads to al fresco hanky panky and soon these beautiful, buffed guys are fucking each other every which way. The fourth scene is a definite favourite - a super-sexy six-way stud orgy. All the guys are hot and handsome, getting straight down to sucking cock and rimming arse. All five guys take turns gang banging one lucky bottom, who takes each cock whilst moaning for more. The last scene is a total contrast from the power fucking six-way, featuring the big-knobbed camper from the third scene. He fucks his mate tenderly (! - there's a definite chemistry between the two) until he shoots into his mate's mouth who laps up every last drop.

Lights, Camera, Cum Shot!

QXMEN gets more than an eyeful when we go behind the scenes with Alpha Male Media and Eurocreme during the filming of 'Out On Parole'.

Photos by Chris Jepson.

Saturday mornings for most homos about town means hitting the gym in preparation for a big night on the tiles, a mooch round Ikea with the other half and then a spot of lunch... or perhaps the die-hards are still out caning it under some mirror ball. But a couple of weeks ago, on a rainy November morning, QXMEN was invited along to a porn shoot by Trojan Rock from Alpha Male Media. Trojan, and his life partner Carlo Cox who casts the models, run Alpha Male Media between them. No stranger to being on both sides of the camera, Carlo Cox has appeared in some fifty pornos for some of the biggest studios including Raging Stallion, Titan, Catalina and Hot House. Trojan has racked up appearances in ten titles, his last film was with Titan. The philosophy of the studio is personified in the type of guys they cast: masculine, handsome and muscular. The influence from Trojan and Carlo's favourite studios (Titan, Mustang and Colt) is more than apparent and, while none of their models fit a definite type, there

is a tangible testosterone-fuelled manliness they all share. From hirsute, beefy bottom to toned, athletic top, all the actors ooze a horniness which is not 'faked' for the camera. These are horny men that love to have sex with other horny men - no 'gay for pay' types here. Even between scenes - when admittedly there can be a lot of 'in-between time' on a porn shoot - there's nothing forced about the obvious attraction the guys have to each other. "The chemistry between the models in a scene is of the utmost importance to us," acknowledges Trojan.

The first film from Alpha Male Media is 'Out In The Open' and is, as you've probably guessed, a scorcher of a porn flick featuring pumping al fresco action. Both Carlo and Trojan star in this inaugural production along with Luc Bonay, Alex Corsi, Adriano Marquez and our cover star Kent North, among others.

Trojan Rock - The Producer

'Out On Parole' tells the story of Carlo Cox who is, as the title suggests, out of jail and trying his damndest to integrate back into society. The film revolves around his encounters and observations and, without giving too much away, has a very a surprising ending. The whole film was shot over five days at different locations around London. This scene was shot at The Man Bar in South East London. A well-known, purpose built cruise bar that boasts a variety of parties including the twice weekly hugely popular 'Boots Only' sessions and notorious underwear parties. This particular scene being filmed was a three-way with donkey-dicked American Tony Masala, exotic tattooed French stud Melvine and insatiable Swede, Ryan Peterson - ticking all the boxes for

international relations! Carlo Cox walks into the bar and at the bar Tony and Melvine are flirting with Ryan, the barman. The conversation gets increasingly hornier and soon Tony is offering up his prodigious man meat to Ryan, who promptly climbs over the bar and gets more than a mouthful. Trying to get their attention, Carlo is still at the end of the bar, being ignored. Carlo leaves, the other three guys oblivious. The action hots up and soon Ryan is on his back with his hole being probed by Melvine as he gobs on Ryans cock, causing him to squirm in ecstasy. Soon, both guys are taking turns to fuck Ryan, slamming into his hole with pneumatic strokes until they shoot their loads. After the scene is shot, director Maxwell B congratulates the guys

on a job well done and they chill out for a while (all that fucking is pretty exhausting), discussing the scene. Then it's off into the showers to clean up... and perhaps a bit more fooling around. Maxwell B is without doubt the UK's busiest and most prolific director. He's shot film after film for Eurocreme, from the hugely popular 'Boy' series (Spy Boy, Skater Boy, Dream Boy...) to the rougher, tougher Bulldog films (Scum, Deviant, Sweat...). His ability to get the models to feel so relaxed and uninhibited - despite the fact there's a camera six inches from their butts - means that scene's are shot effortlessly and in as short a time as feasibly possible. Remember, not everyone can just "perform", especially when there are a half dozen extra people in the room. "Max is the best. Such a professional to work with," adds Trojan as we talk about the day's filming. Patrick lives, a model who's in the film, but who had shot his scenes a few days before, swings by. Soon, he's stripped off and has joined in the shower action... See what we mean about chemistry! It's time to go... and leave these guys to get on with what they do best and enjoy most. "Bye then," we shout, peering round the shower room door. "See ya around. Bye. Take care..." they all answer in unison from a writing mass of soapy limbs. So, that's a wrap then? I guess it is.

'Out On Parole' is due out early next year. 'Out In The Open' is out now.

Thanks to Alpha Male Media, the Man Bar staff and Maxwell B.

MANHOLE

PRODUCTION: **Mustang Studios**
DIRECTED BY: **John Bruno**

It all started three years ago when three guys, Mustang Exclusives Jake Dakota and Dak Ramsey along with Vin Nolan, were ending their shift at the factory. As they peeled out of their sweaty work clothes and began eyeing the growing bulges in each other's underwear. Quickly things elevated from there.

Word got out and a few other workers in the factory decided that Jake, Dak and Vin shouldn't be the ones to have all the fun. The factory has since shut down. The men rule now. It became the place to go when you need to release your pent-up sexual desires. Are you ready to fall into the Manhole?

Lose yourself in the deep, dark recesses: a place beneath the streets, where anything and everything that you ever imagined... happens.

Starring Mustang Exclusive Jake Dakota, with Blake Nolan, Cliff Rhodes, Adam Faust, Tim Towers, Ken Mack, Vin Nolan and Doug Jeffries. Introducing Mustang Exclusive Dak Ramsey. Directed by John Bruno.

DVD extras include interviews with Dak, Doug and Vin, XXX galleries, a sneaky behind the scenes peek and trailers for Trapped (1 and 2), Brawlers and Lockdown.

WILDLANDS

PRODUCTION: **Studio 2000**
DIRECTED BY: **Rick Tugger**

Rick Tugger explores what happens when two Park Rangers are stuck in the mountains on a one-year tour of duty.

Studio 2000 exclusive Jeremy Hall and international superstar Dean Monroe star as forest rangers. Trevor Knight and Damon DeMarco are their (more than) able-bodied replacements. Brian Bodine (new Studio 2000 Exclusive) is a wayward hitchhiker, Brandon Irons and Andrew Phillips are the lost party boys, and Richie Fine and Studio 2000 Exclusive Rod Daily are bad boy cousins on the look out for trouble. In the first scene, Jeremy is jerking off. Dean lends a hand, a mouth and eventually his delectable arse. Both shoot massive wads of cum. New recruit Trevor calls Jeremy and Dean to help with a broken down car. Other newbie Damon takes this opportunity to get it on with hot and hunky Brian Bodine as he hikes past the station. The oral action in this scene is just mind-blowing. They then take the action outdoors where Brian plows Damon's hole.

All four rangers are back in the office in the next scene when a call comes through on the radio - Dean goes off to investigate. Cousins

Rod and Richie are up to no good, sucking each other with gusto, the Rod fucks Richie and then they swap and swap again. Just after the cousins cum they wrestle ranger Dean to the ground, stripping him for a good fucking. But hooray! The rangers come to the rescue. The bad boys in jail and new recruits having proven their worth, the final scene sees Jeremy and Dean settle into the hot tub for one last goodbye.

ARI's place

PRODUCTION: **Studio 2000**, DIRECTED BY: **Chad Donovan**

Join Ari Bond as he moves into a new house, and surrounds himself with some of hottest workmen on the planet. The workers can't keep their hands off each other, and Ari gets to watch it all unfold. Eventually this sexy straight boy is so overcome by all the hot man on man action he has to take matters in his own hand.

Filmed in the luxurious surroundings of Ari's fabulous mansion, the stellar cast of buffed and beautifuls includes CJ Madison and Brian Bodine (both Studio 2000 Exclusives), Eddie Stone, Damon Phoenix, Matt Cole, Andrew Phillips, Patrick Ross and Marcos Pirelli.

Fucking and sucking in every conceivable nook and cranny of this divine "des res", we beg the question "where did they put the cameras?" Some back-breaking gymnastics on the stairs and a scorching encounter between Ari and Brian Bodine (and his prodigious black meat!) will leave you wondering where, just where, is Ari's Place... And will he let us in? Please!

QXMEN chats to Hot House Exclusive

KENT

NORTH

Following the screening of art house film 'Beyond Vanilla' where Kent was the only one asking questions about S&M sex, the director of the film inquired if he would be prepared to be fisted on film. That director was also a director for Hot House and three years later Kent has starred in fifteen best selling titles. Those on release in the UK include Mischief, The Missing, At Your Service and Pack Attack 1: Kent North, with Justice out soon. Ex-Royal Navy and hailing from London, Kent used to be Joint Managing Director of a UK based Internet Bank and recently became Joint Managing Director of an Investment Company. One of the very few British guys to make it big in the US (and now global) porn industry, Kent's handsome good looks, affable personality and a quality that is quintessentially the "English gent abroad", has won him legions of fans. But don't let this suave city boy with a military background fool you, Kent was recently described as "the greediest pig bottom on the planet"! QXMEN gets up close and personal with the insatiable, voracious Kent North.

QXMEN: A HOT HOUSE EXCLUSIVE!

Kent North: My first porn movie, 'Handpacked III - Jampacked' was supposed to be one of those 'lifetime must do just once' opportunities. I was really lucky to have been introduced to Director, Steven Scarborough. He took a risk and offered me a modelling contract, which unexpectedly turned my first porn experience into more than simply a

'fun side-line'. My work with Hot House, both as a model and, later, helping with European Promotions, has turned out to be an incredible experience resulting in new friends and new opportunities.

IT SOUNDS LIKE YOU'VE PACKED A LOT INTO THE LAST THREE YEARS?

Over the last few years I have enjoyed some amazing sex with stunning guys. I've played a butler, a doctor, a hair-cutting Private in the US Army and, of course, a sleazy fisting pig; I performed a solo 'wank show' on stage in front of 500 people, worked at Gay Pride in San Francisco and New York, Folsom Street Leather Market, International Mister Leather in Chicago; I have sat on a traffic cone and been gang banged by five of the biggest cocks in the industry.

ARE THERE DOWN SIDES TO THE INDUSTRY?

Sometimes guys assume because I make porn I must also be an escort and are put off if I tell them I don't. On the other hand, some guys have been pleased it cost them nothing when we played!

WHAT'S STEVEN SCARBOROUGH LIKE AS A DIRECTOR?

Steven is a perfectionist and a great businessman; he really works the crew and the models hard to get every scene to be as good as possible. But he also makes movies about the sex he enjoys himself and he really gets into it. You always know you are doing a good scene when you catch a glimpse of him out of the corner of your eye jumping up and down mimicking what we are doing on the set!

CAN YOU FIST YOURSELF? APPARENTLY, IT'S NOT AS EASY AS IT SEEMS!

In the movie 'Slam Dunk', I am hooded and locked in a cage fistfisting myself before being let out and fucked hard by a big blond haired, blue-eyed German top. You have to be pretty flexible in your back to get any decent depth... it is easier to get a good sleazy top to oblige.

DEPTH OR GIRTH: WHAT'S YOUR PREFERENCE?

It depends on the scene. I used to have a real problem getting a fist deep into my ass but recently I have discovered how incredible this experience can be... I think I would say 'both', in every meaning for sure.

HOW FAR IS TOO FAR? WHAT WON'T YOU DO?

Past the elbow. I won't do anything involving scat.

WHAT ADVICE WOULD YOU GIVE TO NOVICE FISTEES?

You don't have to be totally 'off your face' to relax. I would make sure you are really comfortable with the guy you are playing with and always follow 2 simple rules 1) No sharp edges and 2) no sudden moves. It is all in the mind!

WHAT ABOUT THIS ACCOLADE: "THE GREEDIEST PIG BOTTOM ON THE PLANET"?

Sure, I can be and I love it... but you should know I think I am in danger of being typecast, as I have no complaints about the sex I have as a top.

BESIDES BEING FISTED, WHAT GETS YOU OFF?

My nipples are hard wired to my dick and I love playing with hoods, gags and loads of leather. I like fun, completely versatile, no-holes-barred sleazy sex.

DO YOU HAVE A PARTNER AND HOW DOES HE FEEL ABOUT YOUR WORK?

Yes, Warren Lord. He stars in "Jampacked" and plays a Dungeon Master in "The Missing". He doesn't mind the work at all but has decided not to make any more himself. We work together for Hot House at promotional events like Folsom Street, IML and Gay Pride.

WHAT'S IT LIKE BEING THE ONLY BRIT ON SET AMONGST THE YANKS? HAVE YOU EVER BEEN TEMPTED TO ADOPT AN AMERICAN ACCENT?

Fuck Yeah! Porn dialogue just doesn't sound real without a real twang of some sort! I play a Butler in "At your Service" and they wanted all the dialogue to be in as strong a British accent as I could manage whilst keeping a straight face! I actually managed to get a full-on "Yeee-haaa" whilst riding Jason Kingsley's dick and in the middle of an amazing fuck in "Mischief" too! If I am gagged I mumble, and that doesn't have an accent.

WHAT'S IT LIKE WATCHING YOURSELF ON SCREEN?

I try not to. I have a couple of copies of each but they only get played for a laugh.

WHICH BRITISH PORN DO YOU RATE?

I like the Bulldog series, they are gritty and the 'ladz' are really cheeky.

AND FINALLY, WHAT'S THE FUTURE HOLD FOR KENT?

My regular career is keeping me more than busy full-time and I am also setting up a marketing and branding design company with a business partner whilst teaching myself photography. Perhaps I will get behind the camera and work as a Director if the opportunity arises.

QXMEN has a bumper DVD package containing the four Kent North films currently available in the UK up for grabs: At Your Service, The Missing, Mischief and Pack Attack 1. To win this DVD 4-pack, simply email your name and contact details to admin@qxmagazine.com placing "pig bottom" in the subject field. The winner will be chosen at random. Entries in by Friday 22nd December. Good luck!

COCK BYTES

Some have accused Cock Bytes of being cock obsessed, shallow and always on the out look for the next hottest thing ...And we would like to thank those people for their compliments. However, this month in Cock Bytes we show our sensitive side. We look at love in older age and explore the world of dating and looking for a boyfriend. The gay world isn't just one big merry-go-round of one night stands, and we, being the loving and caring internet column that we are, expose more than what's below the waist.

www.maturegay.co.uk

In a world driven by youth it is nice to know that someone has finally put the older man first. Maturegay.co.uk is a profile website that has created a haven for those who are over 35 (I can hear a few turning around in your graves at the thought of 35 being 'mature', but that is the youth obsession at work). For many men, being older is their 'era of being hot', with a lot of younger men agreeing. However, on many profile sites a lot are ignored because the first digit in their age starts with a 3 and not a 2. Maturegay.co.uk guarantees that you will find men here of like mind, a similar age and with a perspective on life that can only come with longer years. Younger people are welcome too, of course, especially those that find 'older men' preferable. You can cruise or plan to meet men who have come to this website for the same reason you have...and it's free to join!

www.man-love.com

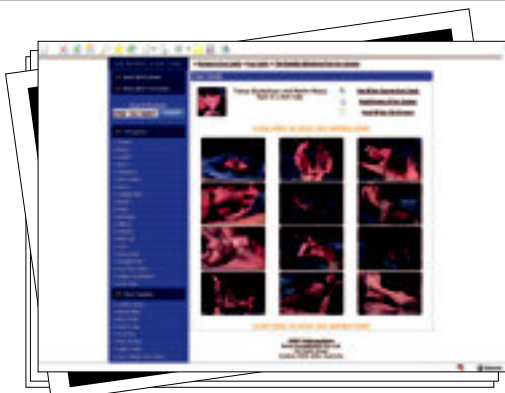

The search for love can be a desperate struggle, especially when there is so much easy cock on the way. With everyone looking for something bigger at each corner, the time to develop something more than 8 inches down the back of your throat is disheartening. While so many profile sites cater to the 'wham-bam thank you man' attitude, man-love.com is proud to throw the desperate searchers a life line. On man-love.com they promote and encourage those to join if they are looking for more than just a one night stand. The primary focus of this website is about establishing relationships. You can meet Mr. Right either by instant messaging, voice message, video or chat. The site also has a match-making search engine; just fill in what you are looking for and it is delivered straight onto your screen. If that disco rollercoaster of endless sex parties, one night stands and anonymous back room sex is getting to you, then click onto man-love.com and start establishing something more. If you join now, it is free until the end of the year.

www.bealeatherman.com

We couldn't help ourselves to return back to our nature, but if you look at it this way: love sometimes needs a helping hand and at bealeatherman.com they have a lot of things to make that love fit like a glove! Bealeatherman.com is an online shop that sells an assortment of goodies to make those long term relationships last longer or those one night stands to go smoother. Lubes, cockrings, aromas, leather gear and clothes are all available at this store. Like their advert asks 'what's your weakness'? They offer free delivery on all orders in the UK.

www.justusboys.com

Justusboys.com is a portal type of site that focuses on some of the world's hottest video production companies and gives direct links to them. Some of the titles to entice you include 'Greek Holiday Part 2' and 'Adam's Dildo' (where a guy makes a dildo from his own cock, then fucks himself). There are no free previews, although some of the links to other website have previews of their respective content. You could say justusboys.com is like a bus stop for porno where, eventually, all the porno buses pull in. What are you waiting for, hop on for a ride!

If you have a website that would be suitable for this page, then please let me know by dropping me an email at brent@brentnicholls.com. Commercial site, personal homepages, free galleries are all welcome.

Manchester's Basement Sauna expands to Leeds and Gran Canaria.

The Basement Complex, the Manchester based sauna group, really do have reason to celebrate the close of 2006. In the last twelve months they have refurbished the Basement Complex Manchester to offer a very sexy cruising area, which won them the award for Best Gay Sauna by Manchester Gay Pride. In addition they have opened a brand new complex in Leeds, which although had a few teething problems, has gone on to be a very successful and popular venue.

If this was not enough, the group have now moved into the holiday market, with the opening of their new fetish complex in Gran Canaria. This exclusive new complex is aimed towards men who enjoy nudity and sexual hedonism. The strict dresscode of leather, rubber, skin, military or nude, should have the perviest exhibitionists flocking to this holiday destination in droves. And conveniently, it's situated directly opposite the hugely popular Yumbo Centre.

John Hudson, Group General Manager, said, "It's been an exceptional year for The Basement. Having overcome a fire earlier this year we developed the brand to include Leeds and Gran Canaria. Winning the award for

the best gay sauna demonstrates that we understand the needs of our customers and are clearly exceeding them. It's only through their support that we have moved forward so quickly. Although the new venue in Gran Canaria does not open until early December, we have already received a number of confirmed bookings. This again demonstrates the trust our customers have in the Basement name."

The Basement Complex, Gran Canaria opens on Monday 4th December 2006. Go to www.basementcomplex.co.uk for more info.

Basement Sauna Manchester is at 18 Tariff Street, Manchester, M1.

Tel: 0161 236 8131.

Basement Sauna Leeds is at 7 Heaton's Court, Leeds, LS1.

RUDEBOIZ4 SPUNKY TRACKIES

PRODUCTION: **Eurocreme**, DIRECTED BY: **Simon Booth**,
 RUNNING TIME: **128 mins**

The fourth in the Rudeboiz series, we've had the original, 'Dirty Fuckers' and 'Filthy Chavs'. Try explaining Scally porn to your average American and they'll stare at you blankly. Rudeboiz are a totally British phenomenon and we love them! The total opposite of the buffed, bronzed models that are used in the big budget, high-end production of other companies, Rudeboiz delivers real boy-next-door action. That Reebok-wearing Chav with his Burberry cap and chunky jewellery could be the guy you met on the street, outside J.J.B Sports, walking his Staff in the local park. Just like Triga, Rudeboiz uses real English lads. You won't find a 'Johnny Ramrod', 'Dirk Stayhard' or 'Butch Johnson' here.

The five scenes are shot in flats on council estates: four duos and a three-way. The guys simply meet up and get straight down to the sucking and fucking - no plot, no dialogue needed - just filthy Scally sex. Contrast this to Eurocreme's super successful 'Boy' series with its imaginative plots, well written dialogue and foreign locations, or the rougher, tougher Bulldog XXX label - Eurocreme does truly cater for all tastes and types. And Rudeboiz 5: Council Trash is out soon! Check out www.rudeboiz.com.

Extras include interviews - Rudeboiz talk sex, hardcore trailers of Rudeboiz 1, 2 and 3 and a XXX photo gallery.

Bare **CHAT**

Continuing the very popular 'Bare' series, this latest release focuses around cybersex and thirteen young guys who pick-up using the internet.

Cameron Jackson - Bare's "wunderkind" - appears in the first scene, receiving some on-site maintenance to both his webcam and fat uncut cock by dark haired Filipi.

Next, dark haired Johny Hunter gets sucked, rimmed, fingered and fucked by blond Dorsy over a pool table. At

just eighteen years old, they're every twink lover's wet dream.

In the third scene,

PRODUCTION: **Bare**
DIRECTED BY: **Vlado Iresch**
RUNNING TIME: **110 mins**

Manchini and Kean are in the waiting room of the doctor's surgery where Kean has a problem with his permanent erection. They 69 each other and then Kean rogers Manchini until he blows his load. Next, Jackson and Arner are jacking off as they watch each other via their webcams.

The fifth scene is a three-way with hung Cuban Viva, blond Capier and dark twink Lee. After a little dope, both boys stretch their jaws on Viva's big uncut meat before sucking each other off. Viva then fingers Capier's cute butt, stretching it for Lee's cock and then his own. Capier ends up with two cum facials.

The final scene is a three-way (four-way if you count the plastic doll!). Blond Badell and muscle stud Corner walk in on Gregory shagging a blow up boy doll. All three get down to some serious cock sucking before Gregory gets spit-roasted. Badell cums and then pushes the spunk back into Gregory's hole. Corner then takes his turn on Gregory. Gregory can't hold back any longer and spurts his jizz over Badell's face. Corner unloads and Badell sucks his dripping dick clean. Dirty buggers! No need to remind viewers that sex without a condom exposes you to all sorts of nasties. So think before you fuck bare!

STUDS

PRODUCTION: **Raging Stallion Studios**

DIRECTED BY: **Chris Ward & David Hempling**

RUNNING TIME: **110 mins**

This release from Raging Stallion Studios sums up exactly what this particular stable is all about - hot, horny, hairy, hung studs. The obvious star of this film is Huessein, Raging Stallion Exclusive. Huessein's exotic features and muscular hairy chest often means he's mistaken as being Arabic - he's actually of Turkish decent. Since the release of 'Studs' in 2004 he's gone on to star in Centurion Muscle and Arabesque (RSS's big 2006 release) among other RSS titles. If it's furry fucking in abundance you're after, 'Studs' is for you as Huessein and fellow RSS exclusive Ivan Andros go hell for leather in a macho man session on the couch.

Parker Williams pairs up with French stud Taurus on the back stairs of an old factory and fucks the cum out of him after an intense arse pounding. The star of the 'Toolbox' trilogy and the 'Hairy Boyz' series, the legendary Eric Evans (this was his final performance in a porn) delivers one of two solos before the final scene. The second solo is from Grayson Hurst, who's more of a jock than a muscle stud.

Left in the bar after the rest of the guys have gone home J.D Kollin, Pierce Daniels and Parker Williams get into a hot and steamy three-way until they all shoot their loads. Filmed from underneath, as the cum flies, the view is fan-fucking-tastic.

Corruption

Photos by Chris Jepson.

The stresses and strains of being a porn reviewer can take its toll. Weighed down under the heaving masses of latest releases... oh, go on then, another wank...

But then suddenly the tedium of RSI and limited Kleenex melts away, when you get to meet the models in the flesh (ahem!) In the flesh!

Popping down to Barcode Soho for the launch party of 'Corruption', one of the latest releases from Euroboy, saw a grand gathering of the industry's finest. But we won't bore you with the tick-list of the who's who. But, what we have to mention is that the legendary, Miss Chi Chi LaRue swung by for a couple of swift sherrries, accompanied by the rather dashing Dean Monroe - Falcon superstar.

Directed by Brent Thompson, the plot involves something about a diamond heist, some wheeler-dealing... but most importantly, an abundance of hot, hot cock.

Two of the scenes take place in Barcode: one in the loo, and the other one literally on, and over, the bar.

The star of the film Alan Knight was there along with co-star Callum and a fellow Euroboy model. Stripped down to just their pants they were soon re-enacting the plot - blow for blow - in the loos. Just check the pictures!

Corruption is available from Prowler stores nationwide and online at www.prowlerdirect.com.
