HAPPY NEW YEAR!

By now you should all be nursing huge hangovers. Hope the festive season brought you fun, frolics and fucks a plenty. This, being our sixth issue, I'd like to thank all those guys who have given such positive feedback. It's really appreciated. As well as all the latest porn reviews, January's issue sees an interview with Eurocreme exclusive Alex Stevens. We do try and cater for all tastes, and twinks don't come much tastier than Alex Stevens. Isn't he just soooo fuckable? The cold front came and QXMEN went off to Gran Canaria's Basement Complex: the new fetish resort, where anything goes and the staff are fabulously accommodating. It was all going on! This issue also has a feature for the foot fetishists - and yes, from what we gather, there are a lot of you out there. Got a crazy kink or fab foible that you'd like to share? Get in touch. Variety makes our lives so much spicier! As always, keep sending those cock pix in. We love them and we know you love checking them out. And if there are any guys who feel their rear is an award-winning derriere, do send in those butt shots.

The GREENHOUSE DARLASTON in Birmingham has seen huge changes recently. The largest of the group (there are other Greenhouse saunas in Luton, Newport and Barnsley), Greenhouse Darlaston is the last sauna to be refurbished. Now all four saunas have had a major makeover.

Changes to Greenhouse Darlaston include the addition of a large rooftop conservatory, which extends out onto the roof garden. The spa area has also been reworked and enlarged, featuring glass panelling and soothing mood lighting. The restrooms have been spiced up with new areas and discreet lighting. The bar has also been redesigned with the addition of a 9 foot aquarium and flat panel TV screens. A food menu is also now available with daily specials as well as tasty cakes and pastries. In all, the whole building now looks much more modern and classy.

Additional facilities include a comfortable cinema, "subtropical" swimming pool, gym, sauna, Jacuzzi, sun beds, steam room and computer suite with free internet access.

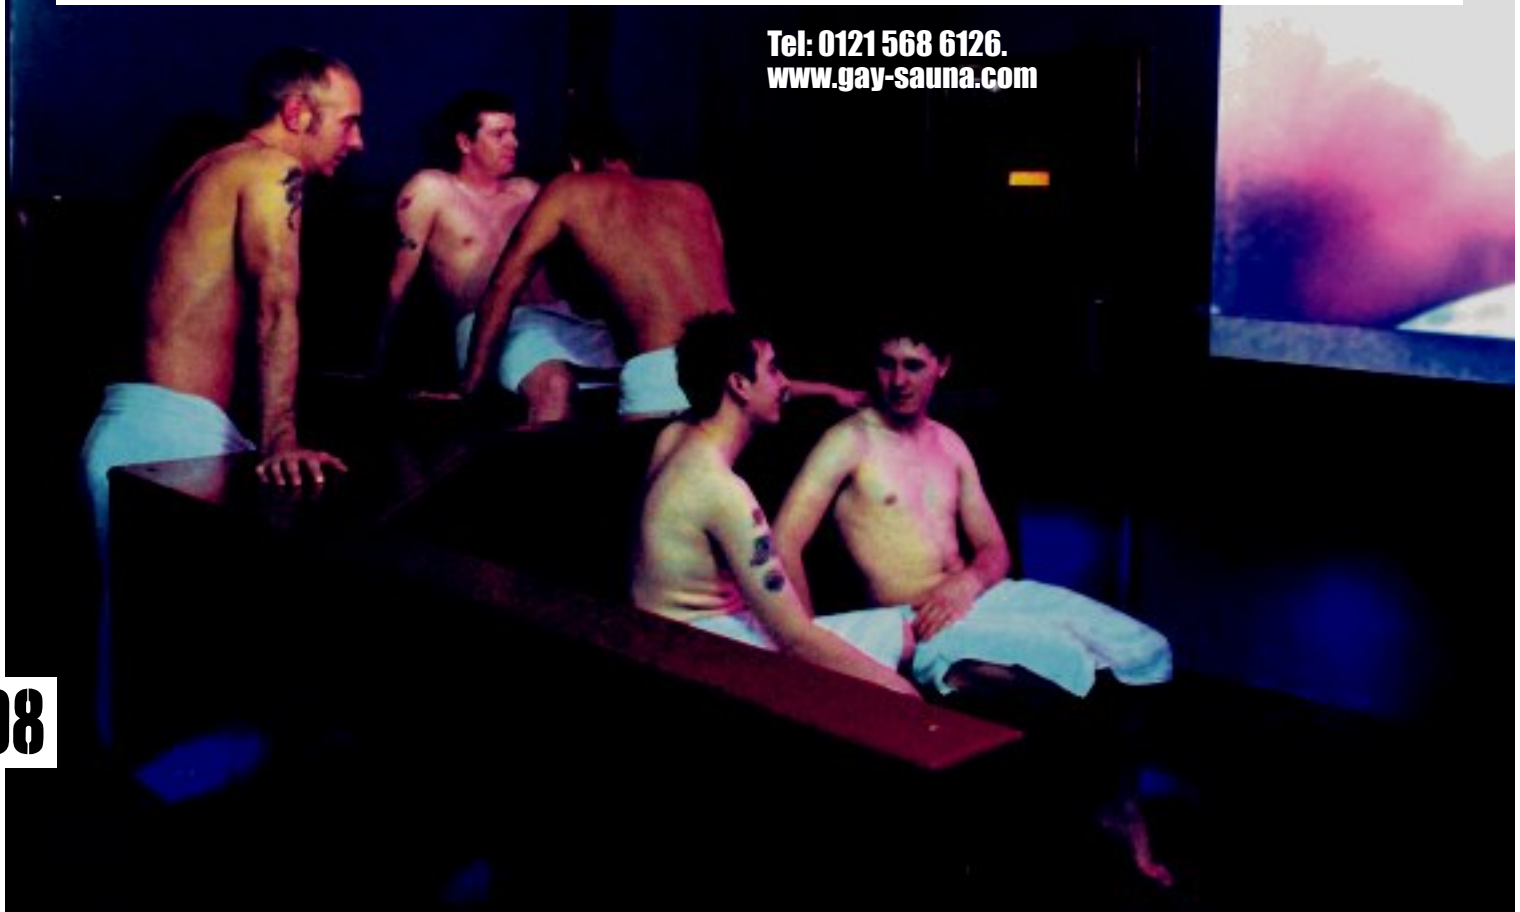

Open early 'til late during the week and all night long on Fridays and

Saturdays, Greenhouse Darlaston is open 365 days a year. There are large free car parks which are security patrolled, so you can rest with complete peace of mind. Public transport and bus links are now available into Walsall, Wolverhampton and Birmingham.

The management and staff of the Greenhouse would like to thank all their loyal customers for their support over the last few months and thanks them for their patience during renovations.

The Greenhouse, Willenhall Road, Darlaston, West Midlands, WS10 8JB.

LEBANON

PRODUCTION: **Raging Stallion Studios**, DIRECTED BY: **Collin O'Neal**

Lebanon is the first ever major gay porn film filmed entirely on location in the Middle East. In October's issue of QXMEN we reviewed 'Arabesque' by Raging Stallion, a 6-hour spectacular that set studio sales records.

Arabesque was a Middle Eastern fantasy: this is the real thing. Filmed just before the recent war, producer, director and star Collin O'Neal took RSS superstar Francois Sagat on a trip there to shoot this stunning film. Other than Collin and Francois, all the other guys featured in the film are all from the Lebanon and from countries of that region, and none had ever made films before, and sadly, most will probably never be filmed again. These hot Arabian studs are shot in scorching scenes, where it is evident the guys are so totally hot for each other. Expertly shot, the locations are awesome as well as unusual: from war-torn buildings, to desolate desert countryside. In the first scene Sagat and Said meet in a bullet-pocked ruin. After mutual cocksucking Sagat is rimmed and lifting himself off the ground lowers

himself onto Said's thick cock. In the second scene Youseff Assad and Samir can't get enough of each other. Samir takes four fingers, loosening his hole for a pounding from Youseff. Tattooed Martin Mazza Marco go for it in the kitchen, with Martin getting fucked every which way. In the desert, O'Neal and Siad are fucking by a stream. After mutual deepthroating, Said bounces his hairy ass up and down on O'Neal's meat. As they fuck, a guy wearing traditional headdress wanks in the background. The fifth and final scene is one of the hottest threesomes ever! So fucking horny! O'Neal, Sagat and the gorgeous Marco go hell for leather in a scene that will have you hitting the rewind button again, and again, and again!

Lebanon firmly cements O'Neal's credibility as a world class director, as well as a global porn superstar.

FISTING CENTRAL

FROM THE HANDBALL MASTER - CHRIS WARD!

LUBE UP!

PRODUCTION: **Private Man Group**
 DIRECTED BY: **Tom Bradford**
 RUNNING TIME: **120mins**

We've all had one... that nightmare flatmate who never cleans up, never pays the bills on time and plays his nosebleed techno just as you are falling asleep. But now imagine the opposite: the "Flatmate From Heaven". Hunky flatmates Mark, Lucas and Lucio are looking for someone to rent their spare room. Sexy Mexican stud Antonio Moreno comes round to check out the room and the three guys are instantly

smitten with this horny Latino sex god. Antonio wants to rent the room and the guys agree. Little do they know "rent" is the operative word as Antonio is a "working boy" and starts bringing his clients back to his room for horizontal aerobics. Curious Lucio senses something is afoot and plants a hidden camera. The rest of the household realise what's up and now they too want to rent a piece of Antonio's sweet ass!

There are five scenes in this incredibly well shot film. The first sees boyfriends Lucas and Mark getting passionate in the bedroom. In the second Antonio brings his first punter home: Latino stud Junior Brazil. In the third scene Antonio earns double money as Glenn Santoro and Fredy Costa bang his tight hole. Lucio wanks his gorgeous dick to the porno he secretly filmed in the fourth scene. Finally, Lucas and Mark find the movie and settle down to watch. Antonio comes in with skinhead Rod Stevens. They just get down to some serious foursome fucking when they are interrupted by Lucio. Lucky Lucio gets gangbanged by the four guys. Now that's what we call a happy household!

DVD extras include trailers, photobook and cast profiles.

Available from www.man-size.com

Check out Antonio as this month's centrefold.

BOYS OF SUMMER

PRODUCTION: **Beau Mec**
 DIRECTED BY: **Vlado Iresch**
 RUNNING TIME: **110mins**

Four wannabe popstars/dancers are sent off by their boss to gain life experience. They head off into the country to spend a summer. Having slept out in the open one of the group gets up early to explore, he comes across three lumberjacks getting down to some serious al fresco fucking. The lumberjacks pack up and leave their cottage and the boys are left with a new home.

Shot in the Czech countryside the scenery is stunning and the sex is interspersed with (quite hilarious) shots of the guys performing dance routines – some might find it a bit “cheesy”; so fast forward.

Soon Alex Stevens chances by – (check out the interview on page 32). He’s offered a sausage from the BBQ and the following day when they’re on a picnic, a good fucking from Johan Volney. As they go, a fellow “camper” (Jason Nicos) is wanking as he watches. Jason soon joins in, getting fucked by Volney and slurping up Alex Stevens’ hot load. Alex repays the favour smiling cheekily as he licks up Jason’s load. Later Tony Koch tells about his past life as a stripper and reminisces about a horny encounter after a show and then a threesome with two

of his fans, who get more than an autograph.

Back to the country and Cameron Jackson’s coach (Denis Dymo) is putting him through his paces. They stop for a rest during a strenuous sweaty workout but soon they can’t keep their hands off each other and soon Cameron is getting fingered and fucked on a table.

As Cameron and Tony are outside dancing a stranger (Jose Fernando) walks by and sits with Alex as they watch

the two performers. Soon they’ve paired off for some cock-sucking, cum-eating oral action: Cameron with Jose and Alex with Tony. Back in the cottage Johan is packing up as it’s the last day. One of the lumberjacks (Thomas Dky) returns.

He’s soon showing Volney his chopper (seriously!). The two fuck before our fab four pack up their bags and head back to the bright lights... and hopefully stardom.

DVD extras include a XXX gallery and extended trailers for Boys In The Snow and Hard Riders.

PRODUCTION:
Falcon Studios,
DIRECTED BY:
Chris Steele

The **VELVET MAFIA**

The term "Velvet Mafia" was first used by author Stephen Gaines in the 1970s to describe the influential gay crowd that gathered at Studio 54. Falcon's latest mega bucks release portrays a world of sex, guns and betrayal.

Welcome to The Estate, an upscale A-list bar in Los Angeles that holds a secret: it's the West Hollywood Gay Mafia Headquarters. Warren Starr (played by ChiChi LaRue), the patriarch of notorious Starr family and his "sons", Cassio, (Matthew Rush), Duke (Derrick

Vinyard) and Jordan (Chad Hunt) hatch a plan to kidnap Fox Ryder. Fox is the hot young fuck pup discovered by Warren on an Iowa milk farm. Mason Avalon, (played by legendary director Paul Barresi), the head of the Avalon Family in San Francisco, and "sons" Tony (Eric Rhodes) and Brandon (Omer), cleverly lure Fox away from the Starrs with an offer he can't refuse... but this offer can mean only one thing: war.

Forget the Montagues and the Capulets, when these two families go head to head, the whole of the gay porn industry feels the shockwaves.

Check out the website www.velvetmafiamovie.com where you can read the plot in depth, check out the cast, trailer, images and interviews.

Hats off to Falcon for producing a great film. Amazing sex, credible acting, fabulous storyline. Five stars.

The Velvet Mafia is available from Prowler Stores.

The Velvet Mafia comes as a two DVDs. QXMEN has 5 copies of part one of The Velvet Mafia to give away. COPPED

PRODUCTION: **Studio 2000**, DIRECTED BY: **Ben Travis**

Sex in public... We've all done it at some time, be it cottaging or cruising in the park late at night. Some do it because they're slightly exhibitionist and some do it just for the thrill of maybe getting caught by the cops. Well, legendary gay porn director John Travis explores these themes in Studio 2000's 'Copped' starring Studio 2000 exclusive CJ Madison as the cop of your dreams.

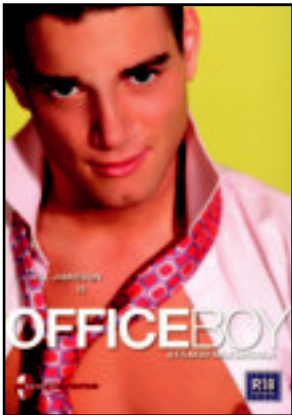

The action begins in a warehouse with blond power bottom Troy Moore and tattooed Scott Wilde sucking each others cocks before Scott gets to work on Troy's smooth hole with his probing tongue. Before long, Troy's tight hole is getting pounded by Scott's rock hard tool and, after swapping between the missionary position and then doggies-style, they both shoot their hot loads.

Cue the next scene, and warehouse employees Alex Fuerte, Ben Campezi and Nick Mazarro decide to get down to some dirty action on the warehouse floor. These three beefy guys sure know how to work up a sweat. A three-way suck and rim-job on a ladder gets the studs lubed up and ready and the power-fucking that Alex gets from Nick has to be seen to be believed!

Meanwhile, Damon visits a porno cinema where Jake Havoc and Eddie Stone are sitting in the audience. Things are just getting started between the three guys when police cop, CJ Madison, strolls in and puts an end to the action. He drags Damon off in handcuffs and so Jake and Eddie carry on where they left off. And what happens to poor Damon? Well, let's just say if the interrogation that he gets from CJ is the norm - cock-sucking, rimming and hard fucking - then I'd be happy to be arrested by him any day!

OFFICEBOY

PRODUCTION: **Eurocreme**, DIRECTED BY: **Max Lincoln**,
 RUNNING TIME: **102mins**

It is the start of the day and smooth hunk Will Jamieson is up and getting ready for work. With such horny guys all under the same roof, working the 9-5 has never been so fun and it does not stop there. OfficeBoy is the latest superb addition to the DreamBoy series and director Max Lincoln

continues his award-winning standard to perfection.

Will Jamieson, the star of the film, has gained huge numbers of fans after appearances in World Soccer Boy Orgy (One and Two) and Rudeboiz 5 Council Trash. Suited and booted for this film Will is one of only two UK Eurocreme exclusives. This film also stars Johan Volny, Nicolas Santos, Richard Said, Ryan B and Thomas Dyk.

After a soapy shower scene where Will's getting ready for work the action kicks off in Whitehall where a white collar worker is getting a good seeing to by a military guard. So much for guarding the PM! A decorator comes into Will's office to "touch up a few bits" Will's imagination runs wild and soon he and the painter are spit-roasting one of Will's colleagues over his desk.

In the basement, a delivery guy with a pierced cock gets his large load taken. Meanwhile Will is upstairs with his mouth full – "interviewing" a prospective employee. Fuck the casting couch: the interviewee gets his ass banged on the office floor. In the executive suite a hot threeway is happening. The big bosses are putting the new boy through his paces until he's splattered with their cum. Finally Will winds down after work with a horny fuck with cute bottom Thomas Dyk. After a good fucking, Will shoots his load and wipes it up with his silk tie. Pure class.

DVD extras include a cumshot compilation, a solo wank with Will, gallery, trailers and an interview with Will.

Office Boy is available online from www.eurocreme.com and Clone Zone.

hanky panky

OXMEN turns homo haberdasher and reviews a bulging swatch of technicolour turn ons.

Archaic in some circles and no doubt redundant in this age of online dating and cyber profiling, but for some the hanky code was a clandestine method of communication. By flashing your fabric you could show what you're into and what you want done to you, without uttering a single word.

One man's fetish is another man's freakout and what floats some boats might sink others. Is the hanky code really dead? Next time you're trolling down Queer Street keep your eyes peeled: check out the hankies, someone might be signaling you!

RUDEBOIZ 5 COUNCIL TRASH

A FILM BY SIMON BOOTH

PRODUCTION: **Rudeboiz**, DIRECTED BY: **Simon Booth**,
RUNNING TIME: **102mins**

First there was the original 'Rude Boiz', then 'Dirty Fuckers' and 'Filthy Chavs'. The fourth release was titled 'Spunky Trackies'. Now the fifth in this massively popular series, 'Council Trash' is as it says on the tin: scally boys in council estates having filthy sex with each other. Reebok-wearing, Burberry'-lovin', cock-suckin', arse-fuckin' Rude Boiz.

The rise and rise of the Rude Boy phenomenon has seen massive clubs rammed to the rafters with hot young things in bulging trackies. What was once the domain of the underground sex club for guys with trainer fetishes and a penchant for footie tops has gone mainstream. No wonder this series is so popular!

As in the previous four films, the guys simply meet up and get straight down to the sucking and fucking – no plot or dialogue needed – just horny chav sex. However this film sees Eurocreme's two UK exclusives star: Will Jamieson and Ashley Ryder. Star of Soccer Boy Orgy (One and Two) and new release Office Boy, it seems Will can do no wrong. Already a veteran of the harder scene, Ashley Ryder's ability to take the most massive cocks and dildos up his cute chute has seen him perform at the world-renowned Hustlaball and all the big sex clubs in UK. Watch him take a cock and a monster dildo at the same time. The greedy bugger!

DVD extras include galleries, trailers of the previous four Rude Boiz titles and post-shag chats with the boiz.

Rude Boiz 5 Council Trash is available from www.eurocreme.com and Clone Zone.

Interview with Eurocreme's latest exclusive,

ALEX

STEVENS

AGE: 20. Born 19th May 1986

NATIONALITY: Czech

WHEN AND HOW DID YOU GET INTO PORN?

A friend asked me to come with him to a casting. Instead of waiting next door I also signed up. I am also good friends with Eurocreme model Johan Volny who had been trying to get me to model for ages.

PLEASE LIST THE FILMS YOU'VE BEEN IN SO FAR.

I've been in a few movies. Raw Courage, Boys of Summer, Bare Reunion and Dream Ticket. I'm not too sure that they have all been released though.

WHAT'S YOUR FAVOURITE FILM TO DATE, AND WHICH SCENE HAS BEEN THE HORNIEST?

Boys of Summer was great. Outside with Johan Volny. For two reasons: First I like sex outside in the open, and Second Johan has such a stunning body.

YOU'RE NOW A EUROCREME EXCLUSIVE! WHAT DOES THIS MEAN?

I get paid even when I do not do porn. (laughs) It is like a regular contract with Eurocreme. I get a monthly paycheck and have some say in the films and partners I have to have sex with. In return I am not allowed to model for another studio.

WHAT'S IT LIKE BEING FILMED WHILE YOU'RE GETTING FUCKED? WERE YOU EMBARRASSED WHEN YOU DID YOUR FIRST FILM?

Not at all. I am a kind of show off. I like it when people watch me have sex. Filming is never as erotic as it looks in the movie though, a scene can take hours to film and you have to keep interested for all that time.

WHAT'S AN "AVERAGE" DAY LIKE ON A PORN SHOOT?

Sleep long. Having a good breakfast, having sex with hot, good looking guys and a party afterwards.

WHAT'S YOUR FAVOURITE POSITION?

Getting a good blowjob by a good looking guy is the best thing. I tend to bottom in most of the scenes I have done, which I enjoy.

WHAT WON'T YOU DO?

Anything too dirty and with too much pain. Pain I would never do. Sex for me should be enjoyable. But I am an open person: so I don't mind trying new things.

WHO WOULD BE YOUR FANTASY THREESOME?

I love threesomes. It is just great. I would even try a double penetration. Guys? Johan Volny and Will Jamieson. Will is British, isn't he? I just know him from the movies I have seen, but he looks nice and very sexy.

WHAT'S IT LIKE WATCHING YOURSELF ON SCREEN?

I have never watched my own movies... It's like looking at yourself in pictures I imagine. You'd only see the bad bits and it would make performing too difficult next time.

WHAT DO YOU DO WHEN YOU ARE NOT DOING PORN? DO YOU STUDY?

I will go full time to university next year and plan studying business administration. Right now my job is being a "porn actor" and I study part time.

DO YOU HAVE A BOYFRIEND, AND IF YOU DO, WHAT DOES HE THINK ABOUT YOU DOING PORN?

No, I don't have a boyfriend but all my friends know. They don't mind... I am still the same person

DO YOU GET RECOGNISED FROM YOUR FILMS?

I have just started doing porn. Ask me in a few month... laugh!

WHAT ADVICE WOULD YOU GIVE TO SOMEONE THINKING OF GETTING INTO THE PORN INDUSTRY?

Keep your eyes open and your brains working. Trust yourself and your instinct. Only do what you want to do. And have fun!

WHAT FUTURE PROJECTS HAVE YOU GOT COMING UP?

Some more movies for Eurocreme hopefully. I will probably be travelling more in Europe promoting my films too, so I may come to the UK soon and get to meet my fans there.

Raw Courage and Boys of Summer are both available to buy online from www.eurocreme.com and www.homoactive.com.

AT YOUR SERVICE

PRODUCTION: **Hot House Entertainment**
DIRECTED BY: **Steven Scarborough**, RUNNING TIME: **120mins**

Kent North is one of the few Brits that has made it big in porn. As a Hot House exclusive and "the greediest pig bottom on the planet," he's starred in such titles as *Mischief*, *The Missing* and *Pack Attack*. This film sees Kent play the quintessential English butler at Collingwood Manor. The cast includes Jason Ridge, Matt Cole, Alex Collack, Robert Van Damme, Thom Barron, Nick Piston, Arpad Miklos and Duke Michaels. An A-list role call.

In the first scene Ridge and Cole don't even unpack their bags before Ridge throws Cole down on the bed and dives into his juicy world-class ass. Ridge fucks Cole, then Cole fucks Ridge, finally they explode, drenching each other in cum.

Alex Collack emerges from the pool to find Van Damme and Barron wanking each other off. Collack joins in making it a threeway. They take turns sucking, getting sucked, eating ass, fucking ass and getting fucked.

Later Piston and Barron force Kent North to the ground, shoving their fat dicks down his throat. North ends up taking both massive dicks at once, leaving the two fuckers more than satisfied with the service at Collingwood Manor.

In their room, Miklos and Michaels are jacking each other off only to find they've run out of lube. Ever attentive, the butler arrives with lube and is immediately pulled into the action.

In the final scene Kent North is tidying up poolside when he

discovers two huge dildos under some towels. He strips off and, using his own fist, stretches his hole until he can accommodate the first 12" x 7" latex monster. Effortlessly he shoves it in up to the base. Next, a red rocket, around 14" long. He rides the beast until he shoots his hot load over himself. Service? Serviced, more like.

At Your Service is available from Clone Zone.

Fettered Pleasures

TIE ME UP, TIE ME DOWN

Fettered Pleasures was set up by manager, Andy, over six years ago and was originally located in an arch under St Pancras station. Within a year of opening, the store had relocated to Holloway Road and a year later expanded into the current space. Along the way, Andy has developed the company to be one of the leaders in fetish retail, even winning the Innovator of the Year category at last September's Erotic Awards.

Although well known for being on the harder side of BDSM, with a huge choice of leather and rubber hoods, restraints, body bags and sleep sacks, Andy has expanded the range to stock almost everything you could need for your play time and fun. From simple toys like dildos, right up to a full dungeon fitting service - Fettered Pleasures can cater for inquisitive beginners right through to advanced perverts!

Like any adult store, they have basic product ranges - but the choice available is exceptional and often includes something new or unusual. It remains one of the few places you can see - and sometimes even try - large furniture items like whipping benches, gynae tables, cages and medical tables. Some of this stuff even packs away discretely when not in use for ease of transport or storage! Handy if the relatives are coming over or you have a party to go to.

London's leading store for people who take their sex seriously. From mild beginners to totally depraved pigs, we cater for you all! Furniture, slings, chastity, dog & puppy equipment, medical, electro stim, rubber and leather clothing.

Check out our website for more information...

▶▶ Andy likes to keep an eye out for new product lines and sells several ranges on an exclusive basis, including the fabulous silicone toy range from Square Peg: amazing shapes which stimulate you in ways you never thought possible and some styles are available in a great, spongy but firm super soft silicone.

Those wanting something for clubbing should check out their lycra stuff, which works as well in the bedroom as it does on the dancefloor.

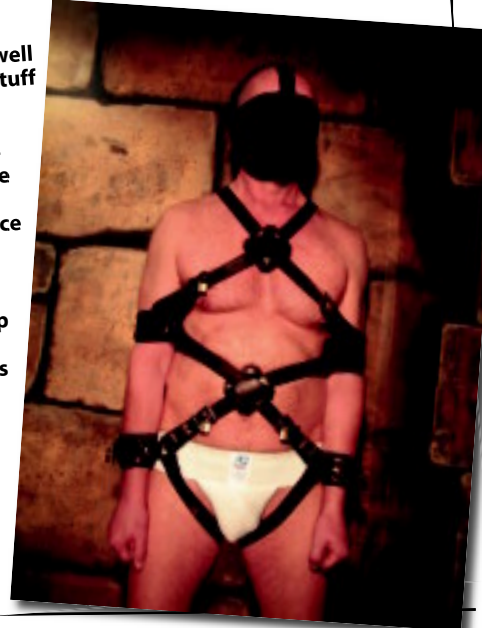

Sparks fly around their erotic electro stimulation toy display! They sell possibly the widest selection of erotic electro stimulation toys and control boxes in Europe and include stuff from Mr S, Eros Tek, PES and Electra-Stim.

The website is easy to navigate around, as well as being very quick to load. You can order stuff from them 24/7 and anything out of stock is labeled as such. As a spin-off from their website, they has set up a couple of 'micro-web sites' - one for electro stimulation, one for just for vibrators. Fettered Pleasures pride themselves on their mail order service and turn orders around as quickly as possible.

With friendly, knowledgeable staff to help when you need assistance, and a bright, well organised store layout, this is place is must on the to-do list when in London.

COCK BYTES

www.sextoys.co.uk

At sextoys.co.uk you get an online shopping mall dedicated to things that choke, insert, pleasure, rub, lubricate and enlarge one or more parts of your body. This is the 'Bluewater' of perversion! Aimed at everyone, their slogan "one size fits all" says it all, really. So what can you buy? The main links include dildos, vibrators, anal toys, bondage, clothing, enhancers and movies; all these links then lead to a cornucopia of fun things. As a consumer you can even rate the products you have bought (and obviously tried) to share your invaluable experience. Go on, share the love and click on sextoys.co.uk.

www.piglondon.co.uk

Skins, leather men, rubber lovers and those who have a little more than a bit of kinky in them, this website is for you. If you're a bit of an inker when it comes to sex then piglondon.co.uk is a new online store that offers an assortment of pig accessories. On here you can buy everything from boots to Crisco, cock rings to chaps and rubber gloves to your favourite porn mag. The site not only offers an extensive assortment of trough accessories to enhance your oink sessions, they also offer advice on things like rubber care, fisting (check the frequently asked questions) and they have a gallery of images taken at piglondon.co.uk public events.

www.dildoart.com

To show our cultured side with out losing our sexiness (we can hear you laughing) we thought we would step up to the cultural podium and expose the art of dildoart.com. A fun but wickedly unusual website, this is the act of placing dildos inside famous pieces of classical art giving them a 21st century kind of kick. See why the Mona Lisa is moaning or what Michelangelo's David would look like if he was hung like Jeff Stryker. We are sure Davinci, Van Gogh and Dali (all with manipulated images on here) would be turning in their graves (or at least on the end of those dildos). For the rest of us it is a bit of smutty humour and only goes to show you that some people have too much time on their hands!

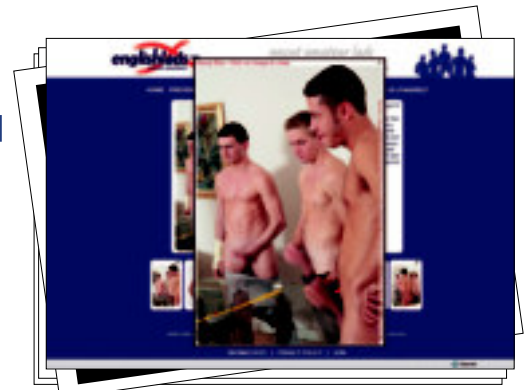

www.gayfirsttime.net

Holy cock-a-rama perv man, this website is like an anal portal to a plethora of videos and films from various producers around the world. From black men to white, from twink to kink and from frat boy sucking to gym buds fucking... it has it all. The best part is the amount of free short previews you can download. Unfortunately they are only a few seconds long in length being more a cock tease then a cock please, but what did you expect for free? Pay up and download or stream the whole video!

www.englishlads.com

We have visited englishlads.com before but couldn't resist returning to check up on this horny site that features, in their own words, "uncut amateurs". Following our last visit a lot of new content has been added and the site looks as though it's had a bit of a touch up. A free preview guides you through what you can expect from englishlads.com and features lots of chavs, scallys and straight lads up it, at it and for it. A subscription is required to access the whole site which includes hundreds of movies and photo galleries. The site claims to have 211 exclusive models and content. There's even an application form if you want to join the ranks.

If you have a website that would be suitable for this page, please let me know by dropping me an email at brent@brentnicholls.com. Commercial site, personal homepages, free galleries are all welcome.

THE ULTIMATE DIRTY

WEEKEND

QXMEN went to Gran Canaria and got a hell of a lot more than sun, sea and sangria when we stayed at the **BASEMENT STUDIOS COMPLEX**, a brand new gay fetish resort where absolutely anything goes.

While we sit complaining about the bitter cold with our shrunken bits resembling dried fruit, just a four hour flight away is Gran Canaria, where

the average temperature between December and March is around 20 °C. Criticised for being full of gin-soaked drag queens and “the poor queen’s Mykonos”, Gran Canaria has, over the last few years, received a bit of bad press. But this popular holiday destination is undergoing a huge renaissance, particularly within the gay market. Spearheading this change is the Basement Studios Complex, a brand new, exclusively gay complex aimed towards sexual hedonism, exhibition and voyeurism. ►►

▶▶ With a strict dresscode of “nudity, leather, skin, rubber and military wear”, you know from the word go it’s not a weekend away at Butlins! The Basement Brand is owned by the White Bell Group who are based in Greenock, Scotland. They also own Hollywood Studio & Lounge and Bolt Hole bar in Manchester and seventeen other venues North of the border. The last three months have seen the Basement undergo a massive refurbishment. Drawing on a “Tom of Finland” theme the venue has been restyled and additional facilities placed poolside, including a sling, stocks and St. Andrew’s Cross.

Packing our best chaps, boots and most comfortable cockrings, QXMEN popped over for a dirty weekend at the beginning of December. Situated directly opposite the infamous Jumbo Centre (so the gay scene is literally right on the doorstep) the complex is composed of seven individual accommodation units, which range from a studio to a one-bedroom bungalow. The simplest studio (sleeps 2; 40 Euros) has a twin room, shared bathroom and kitchen, TV and satellite and patio. The one

bedroom bungalow (sleeps up to 4, 60 Euros) has a private kitchen and bathroom, private front terrace, TV and satellite, stereo/CD, mod cons and rear access (pun intended) to the cruising area.

But it is the staff that really make this complex worth a visit. They will bend over backwards (quite literally) to ensure that every whim and fancy is catered to. Accommodation is serviced six days a week – and never before midday. You can bring outside trade back – they won’t bat an eyelid, as long as your guest(s) conform to the dresscode. You can even order refreshments mid-shag – the staff have seen it all. And, an on-site franchise with world-renowned RoB Leather store, means should you require say, a sling or other products as additional features in your room, you’ll be swinging from the rafters before you can say “room service please!”

The guys from Fetishlad.com were also staying at the Basement while we were there. In full leather kit and caboodle, they really know how to party! From games with hot wax to full-on poolside sex show, a midnight orgy, some yellow afternoon fun and a bit of light bondage to round off the weekend, our stay was anything but uneventful! Certainly not a weekend for the shy, retiring wallflower!

If you’re looking to get away to sunnier climes over the next few months, but you also fancy a holiday where you really can let yourself go, QXMEN highly recommends Basement Studios Complex. Embrace the ethos and release your wilder side!

Basement Studios Complex, Avda de Eeuu 37, Playa del Ingles, Gran Canaria

Treat yourself to a session at THE GARAGE, Glasgow's latest super stylish sauna.

In just four months The Garage Health & Leisure in Glasgow has gone from strength to strength as one of Scotland's busiest saunas. Its uber-chic industrialist stylings and state of the art facilities have made it a huge hit, with both locals and visitors.

The venue is tastefully decorated with modern ambient lighting throughout, which accentuates the "cruisy" feel. The focal point of The Garage is the 25-man stainless steel spa pool. Massive plasma screens showing a huge selection of horny movies and the large steam room and sauna cabins, which can each accommodate about twenty guys, are always busy with activity. Some of the large number of rest rooms have plasma screens showing a selection of the best porn titles. And of course the ever-popular maze offers the chance for a bit of anonymous slap and tickle. With varying themes throughout the club (there's a sling tool), you're bound to find something (or indeed someone) to suit your tastes. In addition, the plush TV lounge is ideal for relaxing and the café/bar offers a wide selection of meals and snacks – all reasonably priced. Internet access is free.

The extensive opening hours of The Garage in Glasgow have set a precedent. Open seven days a week from noon 'til 3am every day, whether it's a quick lunchtime steam and suck or a late night post-club cruise session, you really should check out The Garage.

“We explore the world with feet, yet leave them unexplored.”

AT HIS FEET

HAVE WE GOT SHOES FOR YOU! ADRIAN GILLAN BARES HIS SOLE WITH GAY FOOT FETISHISTS.

Why do we look down on feet? The way some stride around, you'd think they were merely made for kicking with! Yet feet aren't just ugly, smelly things at the ends of legs to be washed and covered up. They are secret symbols of power: there to subjugate, humiliate and abuse - to be admired and worshipped by those faintly worthy, as fleshy foothills to our bodily peaks.

How ironic that we explore the world with feet, yet leave them unexplored! Unless one's sexual awakening involved footsie in the school showers, tragically few stumble upon the erotic foundations beneath their very noses - until one foot's in the grave. Tragic: especially when there are as many foot fetishes to enjoy as there are feet.

Some are into ankles, others go for toes. For some it's all socks and shoes; for others that's mere foreplay en route to kissing the bridge, licking the arch or sucking the naked sole. And foot freaks are a fussy lot. Your foot will either be too clean or too rank; your socks white when they should be black; and your trainer Nike when only Adidas will do - and, even then, only a certain serial number and shade of blue. And you'll still waltz into size queens who prefer big feet to mere inches.

The foot scene interweaves with others: from trackies and trainers to SM and uniform; from shiny DMs and bollock-crunching boots, to foot caning and toe amputee aficionados. Much boils down to the usual top-bottom

tosh. I used to think that was, indeed, all bull: before I had a group of slaving slaves drooling over my feet like I was some giant foot phallus, ascending my manhood via ankle, calf, inside leg and such - like bees-a-buzz up a nectar trail fair swollen with honey.

And as for tickling! Laugh? I nearly cried! One guy tied me up - arms and legs outstretched - to the four corners of a bed. His little carpet bag of implements then opened and he set to work. Starting with feathers, he soon moved on, up to wire - sandpaper even. Torture: a devilish flame that leaves no mark. Another time, this guy came round all excited, got his brush out and then: nothing! My feet: two lumps of lard. I recall yet another who'd only ever visit if I'd just been to the gym. His whole face would disappear inside my newly rancid Reebok classics - wheezing like an asthmatic - whilst my feet crushed his crotch.

“His whole face would disappear inside my newly rancid Reebok classics.”

It's easy to meet other keen foot fetishists. The main online cruise sites have dedicated chat rooms where your feet can do the talking; there are also numerous websites like www.sockstars.co.uk, devoted to socks and footwear - often free if you don't fancy footing a bill; and there's the Solemates network which offers local contacts plus horny group meets for all footmen and freaks: solemates@btinternet.com.

Steaming Spartacus!

Spartacus has just published its sixth edition of the International Sauna Guide. And for the first time it's in colour. Whether you're out to get your arse shagged in Adelaide, cock sucked in Cape Town, tits tweaked in Turkey or wanked off in Washington DC, this guide is without doubt the best we've come across so far - and we've been in more saunas than most! Written in English, German and French, the book is divided into countries. Each country has an info section: a bit about the culture, do and don'ts, what the law is like and what to watch out for. It lists time zones, international dialling codes and useful info about the climate, language and currency. Each sauna has a straightforward key, so you know straight away what facilities are on offer before you part with your cash. From slings to swimming pools, massage service to workout room, the small, succinct descriptions also give a fair inclination as to what to expect. We've matched them against the ones we know, in the UK and beyond and they're pretty accurate. A must for both jet set slapper and gap year gay boy!

Spartacus International Sauna Guide 6th Edition is published by Bruno Gmunder. £10.95.

PEP... TELL YOUR FRIENDS

Terrence Higgins Trust (THT) is urging gay men across the country to tell each other about PEP - Post Exposure Prophylaxis - a month long course of HIV treatment that may prevent HIV infection after the virus has entered the body. Last year, THT and its partners in the CHAPS programme ran a mass media campaign to increase men's awareness of PEP, with the campaign doubling men's awareness of the emergency treatment. Will Nutland, Head of Health Promotion at THT, said "It's important that we continue to raise our awareness about PEP and the circumstances when PEP is likely to be prescribed. PEP needs to be taken as soon after exposure to HIV as possible - within hours - and the number of clinics offering PEP has increased over the last 18 months". Gay and bisexual men can obtain copies of THT's PEP information booklet by calling THT Direct on 0845 12 21 200 and find more information about PEP by visiting www.tht.org.uk/pep or www.chapsonline.org.uk/pep.

ON-LINE EMPIRE

Share and share alike. Bonus membership means that when you sign up to one website, you can access other associated sites for free!

It began with Pistol Media's Sexgaymes.com in 2001. Soon after in 2002 Pistol Media and Raging Stallion Studios joined forces and launched Rearstable.com which members of both sites had access to. The combined sites gave members about four new exclusive videos and photo sets each week as well as over thirty streaming DVD and sex-episode feed products. Fistingcentral.com (another Raging Stallion produced site) was launched in 2003 with members of this site being given access to all the content in Rearstable and Sexgaymes. This meant even more exclusive content updates and even wider tastes were satisfied, spanning hardcore fetish, locker room sex... right through to the classic hypermasculine men of Raging Stallion.

The Men-Live cams network, which won the 2006 Cybersocket Best Live XXX Awards, was launched in 2005. Featuring models from Raging Stallion, Pistol Media and Bangbangboys.com and an ever-changing line up of eager amateurs, it provides members with the chance to chat with some of their favourite models, each other or watch the shows later on-demand.

When SXVideos' Hotbarebacking.com was added to the network in October 2006 many porn aficionados suddenly had all their Christmases come at once!

The mind-blowing, young (and often straight) studs of Bangbangboys.com, added last month (December 2006) has introduced an even wider fanbase to the network. The occasional bi-sexual twist has led to legions of fans of all sexes and orientations eagerly awaiting every update.

Collinoneal.net is the last addition and will be open for business during January. Collin's roving, multinational production schedule and love of exotic men has given the network an incredible international flavour.

It is a really great system. If you have a membership to one (for example rearstable.com) you have access to the others.

One membership gives you access to Rearstable.com, Sexgaymes.tv, Hotbarebacking.com, Bangbangboys.com, Fistingcentral.com and Collinoneal.net.

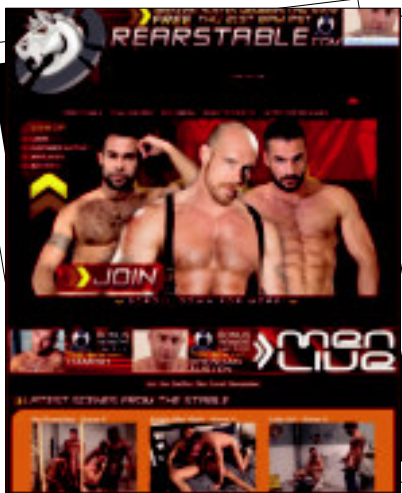

Plus you get access to the following additional sites Hairyboyz.com, Xtrainches.com, Bigfuckingdicks.com.

All pretty self explanatory.

All for just \$29.95 a month. (charged in the Euro equivalent).

Fistingcentral.com

The ultimate handball site, is produced by world-rekowned director, Chris Ward. It features an unsurpassed archive of exclusive fisting videos and stills. New videos and photosets are added weekly.

Rearstable.com

Is Raging Stallion Studio's paysite. It features full length video streaming of practically all DVD titles, plus model photograph sets and hundreds of action sets. It's updated three times a week.

Sexgaymes.tv

Is a hardcore jock site. Its contents are shot by Australia's Pistol Media. It features ten "Gayme Channels": Aqua, Athletics, Ball Sports, Alphamale, Gymnasium, Fighting, Great Outdoors, Brazillian Male, Active

Gay Lifestyle and Wearing Loads. Each one is full of XXX videos of athletic guys doing their thing on the field and then sucking and fucking in the dressing room. The site also includes "Men Live", an exclusive live cam network featuring two shows per week with either one or two models who chat with members via Instant Messenger and jerk off or have sex with each other. The site also includes over fifty weekly or monthly updating video feed products including full length streaming DVDs and Sex-

Episodes from a huge range of producers.

Hotbarebacking.com

Is a weekly updated paysite. Every week the site features a new Raw Stud video and every third week a Raw Gangbang video.

Bangbangboys.com

Features hot guys (many of whom are straight) stripping and jerking off for the camera. Shot around the world, the men are muscled, tattooed, well hung and great looking. The straight guys usually only jerk off, but sometimes can be persuaded to fuck themselves with a dildo – or occasionally, a girl will dildo fuck them. The video streaming is done in Flash, so everything's easily watchable.

Downloadable Windows Media videos are also available. A new video and "Bang Boy" is added to it every week.

Collinoneal.net

One of the most photographed porn stars of 2006, Collin has done films for Hothouse, Falcon and Dark Alley, to name but a few. He is now producer, director and model for Raging Studios.

Photos by Chris Jepson

Collin O'Neal

COLLIN O'NEAL IN LONDON

He's an internationally recognised porn star, director and producer. Whilst in London, just before Christmas, Collin popped into the legendary cruise night 'Bootcamp' in London where he signed copies of his new release 'Men Of Lebanon' (see review on page XX). Copies were then auctioned off for the HIV charity Positiveline. Strippers and hot dancers got the crowd nicely lubed up and with a dark room and cruise area in the club, horny guys were soon pairing off to get up close and personal. Collin's website www.collinoneal.net has movies that are produced and directed by himself. Something quite different from the usual porn star websites or big studio movies with rambling plots, the videos here are short on talk and fantasy themes and long on heavy duty, hardcore fucking. Featuring guys from around the world, the stars are hand-picked talent that Collin has discovered, and in some cases, fucked himself.

In a recent interview with QXMEN Collin said, "About a year and a half ago I joked about creating a website with my friend and he looked at me and said 'let's do it!' I wanted my website to be something different than the normal porn star website. I insisted we have original amateur content so we hired a cameraman and an editor and that's how it all began. About two months ago Chris Ward from Raging Stallion saw my website and contacted me about distributing my scenes on DVD and offered me a deal I could not refuse, so my company has grown immensely in the past few months.

If you love 'Lebanon' then watch out for the next up and coming release in Collin O'Neal's World of Men series: 'London'.

DRUGS AND SEX

RECENT SURVEYS ACROSS THE UK SHOW THAT A QUARTER OF GAY MEN HAVE USED PARTY DRUGS IN THE LAST YEAR – THAT'S DRUGS LIKE E, COKE, K, G, OR CRYSTAL. IN LONDON THE FIGURE GOES TO 4 IN 10 GAY MEN. WHATEVER YOU FEEL ABOUT DRUG TAKING YOURSELF IT IS CLEAR FROM THESE FIGURES THAT DRUGS FORM PART OF MANY GAY MEN'S LIVES AND EXPERIENCES.

BY DR ALEX VASS

"Drugs make it easier for me to hook up with guys. I'm pretty shy but after a drink or two I'm much more chatty. I think everyone is the same"
Tom

Most guys would agree that there's an obvious link between drugs and sex. First off, many guys use them to meet guys and so have sex. Drugs can boost self-esteem and make you more sociable. So especially when starting out, drugs, and often initially alcohol, give guys the confidence to explore their sexuality and follow their instincts. For other guys, drugs are used to enhance their enjoyment of sex and push the boundaries of what they enjoy doing.

"I got so drunk last time I was out that I ended up in a club cubicle and I know that if the guy I was with had wanted me to fuck him, I wouldn't have cared if I had a condom or not. That is not me at all and really worried me coz I am usually really careful."
Adrian

But drugs have health problems and can cause lasting harm. And so if you are going to go against what doctors advise and use them then it's best to learn about the risks involved. When it comes to sex and drugs there are particular hazards you should be aware of. Most drugs make you less inhibited, relaxed and often turned on. This can be a dangerous combination. Your usual good judgement can easily go out the window when high and horny. Lots of research shows that guys who use recreational drugs are more likely to have risky, unsafe sex – that's sex without a condom. That puts them at risk of picking up or passing on a sexually transmitted infection or HIV. Whilst high, you're also more likely to experiment with different types of sex - like multiple partners or have rougher, more aggressive sex. Many drugs actually deaden pain sensations and so whilst using drugs like poppers, crystal, K or GHB what may seem like a pleasurable pounding at the time will leave you in pain the next day and could leave you with lasting damage. On drugs – especially K or G – you can become so unaware of what you are doing that you risk harming yourself or others. So like most things in life moderation is key – if not you may learn only by making big mistakes.

And whilst many drugs heighten your desire to have sex, many will make it less likely that you'll be able to actually have sex. Put simply, many drugs can make it impossible to get a hard on - which can be especially frustrating when you're feeling horny. Everyone knows that too much alcohol makes it impossible to

get it up, but other drugs have that effect too. Cocaine will often make you feel very horny and up for sex – but your dick won't be. This is because it causes the blood vessels supplying your dick to shrink and so reduces your ability to have an erection. Many guys get the same effect from taking ecstasy – so whilst you want sex, you won't be able to have it.

Some guys add in medications like Viagra to their cocktail of drugs to help them get hard. This can just add to your problems and not solve them. Viagra can be dangerous if taken with other drugs used for sex and lethal if taken with Amyl nitrate (poppers). Poppers relax the smooth muscle of the anus and rectum and so many guys use it for fucking but they also widen your blood vessels just like Viagra does. So if taken together your blood pressure can drop

to such a dangerously low level that your heart and brain don't get enough oxygen. Nitrates are also prescribed by doctors to treat heart problems like angina, so if you take them you should avoid Viagra. Poppers and ecstasy taken together also has the potential to cause heart attacks or strokes. And, whilst we're on bad drug combinations, a potentially deadly one is alcohol and GHB. Both dampen down your nervous system and so can stop you breathing and push you into a coma. Never combine the two.

"Me and my boyfriend have great sex and he likes us to take G. It is great but it's like he can't have sex without it. Off it, we are not so crazy which is fine with me but he just doesn't get horny without it and it's beginning to bug me"
Marcelo

Finally, some guys get themselves into a situation where they feel unable to have sex without being drunk or high on drugs. Some guys will tell you that they have never had sex without them. Apart from the risk of becoming physically hooked on drugs, regular use of any drug can lead you to become psychologically addicted. It is hard to know when your drug use has turned into abuse but if you start to feel that you can't do without them or start to run your life around getting them then your warning lights should start flashing.

YOUR SHOUT . . .

Dear QXMEN,
Each month I read QXMEN and love flicking through the porn reviews, but when are you going to review some hot CP and spanking movies? There's nothing I like more than to go over a Daddy's knee and get a good sound spanking or to feel the sting of a cane thwacked on my bare butt. So come on guys, spare a thought for us red-cheeked lads and give us some hot CP action!

John

Hi John,
Well, we haven't got any definite plans to review any CP or spanking movies but keep reading throughout 2007 and you never know. Why not check out Stingpictures.com, which has CP dvds and galleries. Your letter didn't say where you live but if you're in London why not check out the weekly MAL nights 'Detention' or 'Club CP' which are geared up for guys into spanking and CP or one of SM Gays' Discovery Nights held each month.

Dear QXMEN,
Whilst I'm very partial to a nice cock, I must admit that I'm an 'arse man' first and foremost. There's nothing I like more than a nice smooth, firm, hairless arse and, of course, the young lad on the cover of November's QXMEN had an arse from heaven! I'll be dining out on that pic for months! I'm sure I'm not alone in preferring the sight of a peachy arse to an

erect cock, so have you ever thought of doing a page of readers' bums to rival your Cock Pit page?

Jonathan, Skipton

Dear Jonathan,
Well, we at QXMEN love a nice arse too and we hope you like all the hot pics of some of the best arsers in the porn industry throughout this month's magazine. Check out Alex Stephens' pert little butt on page 32 and of course he's this month's cover boy. That's one you just want to bite, eh? As for running a page of readers' bums, if any guys out there want to email in a pic of theirs, please do to qxmen@qxmagazine.com and we'll see what we can do.

Dear QXMEN,
I just wanted to drop you a line to say thanks for trawling the net to find all those horny websites so I don't have to. I read

the review of jerkoffbuds.com in November's issue and decided to check it out as there's nothing I like better than watching a cute young stud jerking off on his webcam. I've been glued to my PC screen since I joined and have found some hot jerk-off buds! Cheers guys.

Jerk-off John, Bristol

Hi John,
We're glad we could help... Just make sure you wipe down your computer afterwards. There's nothing worse than a sticky keyboard!

Dear QXMEN,
Oh, my God! I don't believe it! Years of wanking myself silly at the thought of those pretty-boy red-heads, and I go and miss your article on them. Thank God I'm not the only fan, but please, please, send me a copy! My jeans are just bulging with anticipation. By the way, I think the mag is just fantastic. Ps. Are there any films out there catering for the likes of me?

Stevie G, Manchester

Dear Stevie,
Thanks for your compliments. A back issue is winging its way to you. Hopefully not lost in the Xmas post. Yes, we can all be partial to a bit of red head. I'm sure we'd all like to tarry with young Prince Harry. As far as films go, We haven't seen one. But will keep our eyes peeled.

Dear Editor,
I've always been a big fan of guys who are "power bottoms". I hate those limp lettuces who just lie there like a wet newspaper. I love a guy who knows how to take it! I really enjoyed the interview with Kent North. You can count me as a fan.

Darren, Brighton.

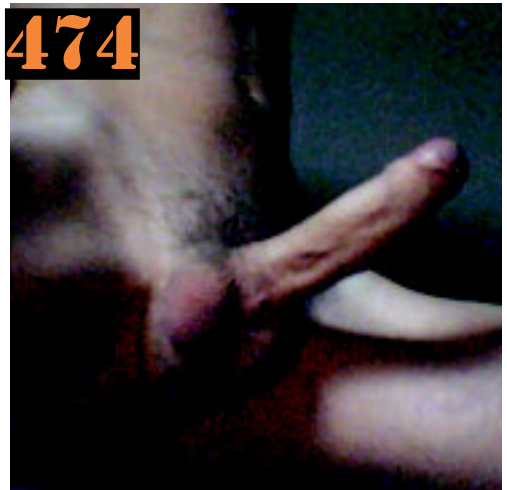

Dear Darren,
It seems Kent North is one of the hardest working (and greediest) bottoms in the industry. Check out the review in this issue of At Your Service, where Kent plays a butler. You really should check out the film. The last scene with the two monster dildos is just incredible.

Have you got a comment, a filthy story or even some horny pictures that you'd like to share with QXMEN? Email qxmen@qxmagazine.com
