## PORN STARS GET DOWN AND DIRTY FOR SQUIRT.ORG.

● **SQUIRT.ORG**, the hook-up site best known for its extensive cruising listings, uncensored profiles and horny members, brought the Internet's hottest porn stars together this summer for their latest ad campaign 'Non-Stop Hook-ups'.

MODELS for the shoot included Adam Russo, Cutler X, Draven Torres, Zack Acland, Jon Shield, Rogue Status and Dayon and, as we've come to expect from the unapologetically sexual brand, the campaign focuses on cruising and public sex. Speaking about the shoot, Attila Szatmari,

Squirt.org's Digital Business Director, said, "Our last campaign was focusing on the "versatility" of our product offering. Since the majority of our users connect now on mobile, we wanted to have a campaign that expresses very well how fast you can hook-up on Squirt.org. You can log

in and find somebody whenever you want." You can see photos from the shoot on Squirt.org's ads online and in print publications worldwide (like the one opposite this page) and they've also launched a horny behind-the-scenes video from the shoot where their members can get a sneak peek!

## 100 SEX TIPS FOR GAY MEN, BY GAY MEN.

● **GAY erotica author Brock Wilder surveyed over 100 gay men and asked them to share their best masturbation tips, their best oral sex tips, their best anal sex tips for tops and their best anal sex tips for bottoms.**

THE result is *100 Gay Men Reveal Their Best Sex Tips*, an edited culmination of advice from gay men, young and old from all over the world, all with a wealth of different sexual experiences. You'll find a wide range of advice in five chapters, some of it serious, some of it funny, some of it a bit odd, but all of it helpful, and it's up to you to decide what advice you're going to implement, and what you'd never consider doing. Wilder hopes that when gay men read this book they'll become more open about discussing their sex lives and be comfortable discussing their likes, dislikes, tips and experiences, both good and bad, and this will ultimately lead to more fulfilling sex lives for all. The e-book's available on Amazon and we've

got one to giveaway too. For your chance to win it just tell us your best sex tip. Send it by email with your name and contact details to [editorial@qxmen.com](mailto:editorial@qxmen.com) with My Best Sex Tip Competition in the subject field, or pop it on a postcard and send it to QXMEN, My Best Sex Tip Competition,

**08/NOVEMBER - SUBLINE'S 5 YEAR CELEBRATION!**

● Can you believe that SubLine, Brighton's hottest cruise bar, has now been open for four years! To celebrate going into their fifth year (they didn't want to celebrate a piddling fourth birthday) they're throwing a big fabulous party on Saturday November 8th. We've heard that there'll be a few surprises on the night, together with the usual birthday cake, some jellies (alcoholic, naturally) and nibbles to soak up the booze if you plan on drowning your sorrows at the

encroaching years! The Leathermen South group will be out in force on that night too; so those nice guys at SubLine are offering free entry to guys in leather gear. Doors open at 9pm and the party ends at 4am. If

## SUBLINE

you're a member, but not in your leathers, it'll cost you £3, non-members it's a fiver.

*SubLine, 129 St James's Street, Brighton BN2 1TH*

**21/NOVEMBER - MR SUBLINE 2014**

● A little later than previous years, Subline together with the Terrence Higgins Trust, and hostess Wilma Fingadoo will be helping you - yes YOU - elect Mr Subline 2014! So head down SubLine on Friday November 21st when Brighton's hottest pieces of man-meat will be vying for your attention in the hopes of claiming the coveted title. If you'd like to try out, use the contact form on SubLine's website or message them on Facebook to be considered for entry. You must be able to arrive between 9pm

and 10pm on Friday November 21st, and bring a 'costume change' (SubLine would like a fetish item and some sexy underwear, but it's your preference). You'll be given a couple of stiff drinks before the contest begins for Dutch courage and there'll be an array of prizes, with the winner getting lion's share obviously. After midnight (approximately) normal SubLine service is resumed. Doors open at 9pm and close at 4am. It's £3 for members and a fiver for non-members.

**CARDIFF**

**NOVEMBER @ EAGLE  
CARDIFF & LOCKER  
ROOM SAUNA**

● With the build up to Christmas now well underway the guys at Eagle Cardiff are planning well ahead for the festive season at both Eagle and the Locker Room sauna. Although still a few weeks away, Saturday December 6th sees the launch of a brand new monthly theme night at Eagle, targeted at guys into leather and rubber. It's going to be very different from previous similar nights with the party starting at the bar and then moving on to the sauna in the early hours (optional), with special discount entry prices for all in kit. Meanwhile it's another action packed month ahead for November with all the usual man-to-man activities at both the bar and sauna. November 1st sees the final part of a three night, extra long Halloween party at Eagle, with special Eagle Bombs and other specially created shots on sale. Being the first Saturday of the month it's also Leather & Rubber night. Meanwhile, over at the Locker Room there's a special Halloween buffet and bubbly served in the early hours... and it's FREE! November 8th sees the start of year two of Woof! the monthly night for bears and their admirers hosted by Eagle's very own Windmill. November 15th is Uniform Night where anything goes,

plus there are free shots for all in kit. With the onset of winter and with it, chilly nights, the monthly sports kit night has been dropped until the spring. So November 22nd and 29th are now nights when anything goes! 2015 will see the launch of Eagle's new night for young guys into fetish, and those curious about it. It'll be a chance for young guys to mix

and mingle with others with similar interests... Watch this space for further details. It's business as usual at the Locker Room sauna, despite currently undergoing external repairs and having a new roof fitted. If you're a student, get down there on a Wednesday as students under 25-years-old with a valid NUS card get in for a

mere fiver all day! One final piece of news... the Eagle brood has been expanding and there are now three new team members... Next time you're there, say hello to Charlie, Josh and Wayne!

## HOTWIRED - 11/10/2014

THE hottest fetish guys from around Europe came together at Ewer Street Car Park - the closest thing the capital has to the raw industrial clubbing venues you'll find in Berlin (and definitely the coolest place to park your car in London) for this year's Hotwired, London's biggest underground leather and rubber party.

# HOTWIRED

BROUGHT to you by two of London's hottest fetish clubs, Hard On and RUT, promoters Suzie Krueger and Rob Rut ensured that the horny crowds of leather and rubber loving guys enjoyed every inch of the venue's five immense arches which had been separated into three areas; the chill out zone, dance floor and a huge play area.

We only have one complaint about Hotwired... It's that we now have to wait a whole year for the next one!

THE brand arrived on

UK shores a year ago, imported by well-known European promoter Jasper Emerald who was riding high on the success of Jack Hammer Club. Originally meant to be just six events a year, the first CumUnion was so busy it was instantly promoted to run monthly on the last Saturday of the month!

## THE WORLD'S BIGGEST SEX PARTY CELEBRATES ITS FIRST UK ANNIVERSARY

**CUMUNION**

**By Paul Stag**

**From modest beginnings in San Francisco just a few short years ago, CumUnion has spread across the globe and currently holds regular monthly fuck parties in 23 cities. That's over 300 cum-soaked fuck events every year worldwide!**

Move on a year and the event now takes up twice the area of the first party in SE5 Dungeon in Camberwell, south London. The success of CumUnion comes from its association with bareback sex that, rightly or wrongly, is rapidly growing in popularity. This is reflected in the porn world with more and more studios switching from condoms to bareback films and condom porn stars becoming more rare than a virgin in a CumUnion sling! This association comes from CumUnion being started by the well-known bareback porn studio in California that also run the biggest bareback hook-up site on the planet barebackrt.com. The various promoters in all these territories are keen to state that they're offering a freedom of choice

party, basically allowing all the sex pigs to be treated like the animals they are and to make their own decisions to fuck either covered or raw. Condoms are readily available at all events and in the UK the guys from THT attend CumUnion parties to offer sexual health advice if required. Over the last 12 months the London's CumUnion parties have had live sex shows and been hosted by many top porn stars, the likes of Darius Ferdynand and Bruce Jordan. It's a simple format - drinks and chat in the large well lit public bar upstairs with nasty twisted fucked up porn (bareback, of course) on the big screens. Downstairs is the gateway to sodomy heaven with the four room basement filled with slings, a couple of St. Andrew Cross's, fuck benches, leather beds, rimming seats, etc. In fact, everything is geared towards maximise the amount of fucking and it's all to the house beats of resident DJ and Treasure Island Media porn star, the Naked DJ, Sam Porter. There are lots of special things under wraps for this month's anniversary party on the 29th which will be hosted by Dickwadd/Dark Alley/Cazzo/TIM stud Paul Stag together with other porn talent/go go's who'll control the sex dungeon to ensure that the official CumUnion mantra that,

*'Every Ass Gets Fucked As Often As Possible and all Sacks Are Fully Emptied', is adhered to. There's a wet room and shower facilities on site and the now legendary 3pm Late Nocturnal After Party will take the sex right through to breakfast time.*

With a second UK CumUnion regularly hitting the monthly calendar in Brighton & Hove and regular parties now in Gran Canaria, Australia and other countries to be announced soon, it seems that a lot of arseholes are going to be very sore for a very long time in the future. If you've not been fucked at CumUnion then you've probably not been fucked properly. Get down there and celebrate the UK Anniversary and join the CumUnion army, which is probably the best Union on planet earth to be part of. The place where cum is the name of the game and if you love playing with the good stuff then what are you waiting for?

## MASPALOMAS FETISH WEEK ■ 13-19/10/2014

In only three short years Maspalomas Fetish week has become one of Europe's most popular circuit parties and is now a very big deal in the autumn calendar. Its success has been down to the hard work of Phil Brocklehurst and Chris Chisolm, owners of the Basement Studios and mega-bar Bunker, pulling on board a huge number of local bars and mixing them with established international fetish clubs and events, such as Full Fetish, Into The Tank, CumUnion, Jack Hammer Club, etc, to produce an irresistible cocktail for the European arse-hunting fraternity. This, together with cheap flights, low cost beer, quality gay accommodation, free entry into most venues and not forgetting Gran Canaria's sun, sea and sand, sealed the event's success, and this year's number of cum-hungry attendees doubled those of 2013's event.

**MASPALOMAS  
FETISH WEEK**

Taking place chiefly in the Yumbo Centre complex, a shopping centre by day which turns into a gay Las Vegas as soon as night falls, Maspalomas Fetish Week saw 25 official parties take place over 7 days, plus hundreds of other events at support bars all within 2 minutes walking distance.

Each day saw a major daytime event to gear up for, plus of course, there's the island's infamous gay beach No. 7, where by day you're free to sunbath in the nude and fuck in the warm tropical waters and by night there's cruising and endless open air fucking in the sprawling sand dunes. There are at least two large parties each evening, this year's main event being Recon's Full Fetish, a big, sweaty and very cruisy party at Bunker. The club was extended to create an additional large sex maze and there was dancing to Spanish DJ Ivan Pequero on the upper floor, drinking on the ground floor and a heaving mass of naked flesh in the sprawling basement cruising zone. Other big name parties included Spain's Into the Tank and Jasper Emerald's Jack Hammer Club and CumUnion. The annual Mr Gran Canaria Fetish competition held at Construction Bar and hosted by the UK's leading Sister of Perpetual Indulgence Sister Jacqui, saw contestants from five countries compete for the title. But it was Essex lad Sam Langley, looking hot in a slick yellow rubber outfit, who took top prize and will now be the face of next year's event. Maspalomas Fetish Week also saw endless pool parties, a fetish fashion show and what's thought to be the world's first all-day fetish boat party on a pirate ship! The boat took revelers far enough out to sea so they could get up to all sorts up on deck and down below in the boat's specially converted cruise maze, while others went skinny-dipping alongside porn stars, such as Ale Tedesco and Bruce Jordan!

Maspalomas Fetish Week has so much to offer the gay traveler and is a hot event in every sense of the word!

On 14th November they're hosting their second British Sektor Party at the notorious men's bar Mutschmann's on Martin Luther Strasse in the heart of Berlin's gay district Schöneberg. It's going to be Berlin's hottest Sneaker Party and the city's fittest trackie boys, scally lads and sports kids will be there.

I have been working with James at UKNakedMen for months to coordinate this adventure and we are very pleased to have them as our British partner for this event!"

QXMEN has heard rumours about a Berlin Sneakers event coming to London in the near future... We'll bring you details as we get them!

# SEX MUSIC

Fitladz Promoter Steve Darragh

**Sex and music. The two complement each other like gin and tonic and strawberries and cream.**

Throughout the years there have been sexy tracks we've all got down and dirty to, some because of their grinding beat or pumping baseline and others due to their overtly sexual lyrics. Look back over the years and there was Marvin Gaye's *Let's Get It On* and Grace Jones' *Pull Up To The Bumper* and more recently Salt & Pepper's *Let's Talk About Sex* and Rihanna's *RudeBoy*. Whether you're having a romantic night

in with your lover or you're in a club on the pull, there's nothing like hearing a sexually-charged track to get you in the mood and either heading up to the bedroom, onto the dance floor or into the darkroom.

Fitladz is the UK's premier cruise and dance club and pulls some of the hottest men in London through its doors every Friday. While it's first and foremost a dance club with hot DJs playing pumping house and rnb, Fitladz also has a packed out darkroom that's just as popular with clubbers as the dance floor. QXMEN spoke to Steve Darragh, the man behind Fitladz, to get his take on sex and music and find out how Fitladz has managed to marry the two so well...

**It's safe to say that sex and music are pretty closely linked, what song or genre would you feel describes your sexual style?**

A pumping driven beat but with a sexy groove is what gets me in the mood.

**What do you think was the first sexual dance hit?**

I think Donna Summer. Either *Love To Love You Baby* or *I Feel Love*! Although Barry White's *I'm Gonna Love You Just A Little Bit More* Babe might hit the spot!

**Fitladz nights have a very distinctive musical sound, do you feel that's an important part of the atmosphere?**

Absolutely. You can hardly give or receive a blowie with Kylie screaming out can ya!

**What kind of atmosphere do you want to create?**

A sexy, relaxed, fun atmosphere with peaks of great excitement.

**Do you reckon is sex better with some banging tunes on?**

Depends who you are with but certainly under the right circumstances yes. You can't beat a good bangin. erm tune.

**Who are the sexiest DJs/producers?**

Too many and I don't want to upset or embarrass any so will just say the Fitladz ressesies.

**Have you got a sex music experience you'd like to share?**

Yes I have. I think we all have... I remember a few years ago when I was in a famous shopping centre and I was in the middle of getting jiggy when... Well, you really don't wanna know!

**Bass, treble or both? ;)**

All three of course, separately then at the same time!

**PJay, Fitladz Resident DJ: Top 5 Sexual Dance Tracks of All Time!**

2. Relax - Frankie Goes To Hollywood
3. So Sexy - Jon Flores
4. Touching Me - Finnebassen
5. Seduction - Robert Travis

**2.** The hapless traveller is beefcake Rogan Richards.

**3.** He's joined by cast of hairy, tattooed hunks, namely Dario Beck, Abraham Al Malek, Donato Reyes, Alessio Veneziano, Paco and Bruno Boni.

**4.** Lost in an unfamiliar city, Rogan's captured by pimp, hustler and all-around bad boy Abraham Al Malek and is forced to be his plaything.

**1.** It's from the sordid mind of UKNakedMen director JONNO.

**2.** Get Thee Behind Me stars sixteen uncut sinners in six unholy scenes.

**3.** That gorgeous blond, angel-faced Kameron Frost is in it... enough said!

**4.** And going against all gay stereotypes, innocent looking choir boy Kameron lusting after - and later nails - muscle mountain, Jeff Stronger's meaty arse.

**5.** Dillon Buck and Dean Monroe take their sucking and fucking from the confessional box to the priest's dormitory.

**6.** JP Dubois offers up his pert peachy buns in two scorching hot scenes. He's a spreader of the Lord's word

**8.** In what must be the darkest and most delicious scene we've watched all year, a gang of six masked men (namely Alfie Stone, Antonio Garcia, Harley Everett, Jonny Kingdom, Matt Brookes & Valentin Alsina) line up and take it in turns smashing Riley Tess's hungry hole to smithereens!

**9.** When they've all finished fucking Riley's sopping fuck hole, wet with spit, jizz and lube, they wank hot loads of jizz in his face, on his chest and all over his cock and balls.

**10.** The six men leave the broken priest never knowing who had been fucking his aching hole.

# NEW CUMMERS

NEW AND UPCOMING RELEASES THAT LOOK HOT!

## SELFIE SLUTS

● IMAGINE what life was like before camera phones? How would today's twink generation film themselves having sex? Well, they wouldn't be able to and it'd be a bad not only for them, but also for us as we wouldn't get to see the sexploits of those hot young twink from the Euroboy XXX! Luckily it's 2014 and it seems like every young kid has a mobile phone including hotties Leo Rain, Jamie Lain, Dylan Thorne, Cameron Wilson, Skylar Blu and

Aaron Aurora. Directed by Ryan James, Selfie Sluts is a compilation of the sex tapes these young lads have taken of themselves having sex with their mates. These boys are young, hung and full of cum and are in no way camera shy!

## HORSE PLAY

● DIRECTED by Christian Owen, Horse Play is the latest arse grabbing, jock-filled release in the Gym Dudes line featuring hot, athletic bucks getting it on in the great outdoors. Brandon Jones, Dylan Knight and Mike De Marko are kicking a football around and end up in a sweaty pile of hot muscle and hard cocks. Temperatures rise, clothes come off, and an innocent game of footie between Armond Rizzo and David Lambert turns into a wrestling match. Connor Maguire and Ray Han have a water fight that ends up being a prelude to

penetration, and Steve Stiffer sucks his own cock, then sticks it in Logan Vaughn's hole. "Sportswear is always a really hot look... Director Christopher Owen said. "The gear looks best as it's getting ripped off a muscled stud's body, and 'Horseplay' doesn't waste any time getting to the good stuff: hard cocks, eager holes, and lots of cum."

## IN THE ASS OF THE FATHER

● NOT for the first time, director John Smith gives us a top-notch display of Church life from the inside, where the battle for hearts and souls always seems to come second-best to the battle for hard cocks and hungry, pert asses! Jaro Stone, Yuri Adamov, Mike James and new-boy cutie, Carl Ross, form a stellar cast of dick-crazed talent, and they're joined by Johny Cruz, Jace Reed, Shane Hirsch and Florian Mrasz. These alter boys are all hell-bent in experiencing the lesser-known sacrament of double-dicked fucking and a baptism of hot piss! Life in holy orders has rarely looked so earthy – or so much fuckin' fun!

## THERE IS SOMETHING ABOUT JACK

● BEFORE we watched this DVD we'd never heard of BelAmi's Jack Harrer. However, now we have we'd agree with the film's title and say that there really is something about Jack. Something that makes you really want to get fucked by him, really want to fuck him, or even just hang out with him and watch a movie! But just what is it that sets this 25-year-old Czech apart from the rest of BelAmi's burgeoning stable of blond East European beauties? Surely it's not just his tight tanned body that's covered in soft downy blond hair, his pert, boyish bubble butt or even that huge, pendulous uncut cock of his that hangs from his pelvis like an extra

limb? Maybe it's the fact the he seems perfectly happy fucking or getting fucked, or is it his mischievous personality that we see in the film as he hangs out with porn star buddies Dario Dolce, Dylan Maguire, Gary Danton, Marcel Gassion and Paul Mekas? Whatever that special 'something' is that Jack Harrer's got, we're sure that once you've watched this film by Lukas Ridgeston you'll agree that there definitely is something about Jack that makes him utterly irresistible.

**MICHAEL STOKES** released his first photo book **Masculinity** in 2012. Since then we've been waiting patiently for his second volume and boy, **Bare Strength** was certainly worth the wait!

● IT'S FULL of beautifully staged photos of incredibly handsome guys whose bodies exceed perfection, but this time around Stokes has included photographs of gorgeous military veterans who are also amputees. All of the models ooze power and sex appeal, and with some clothed and some naked, this book will appeal not only to lovers of the male nude form but also to guys who just like to perv at hot naked men.

# HE SAID WHAT!

We've interviewed more porn stars over the last 99 issues than we've had hot dinners. Most of them have been really nice guys. Some have been real bitches. A few have been really dumb, and some have made us laugh out loud.

Here's a few of our favourite one liners from the last 99 issues.

Crowned Mr. International Escort at The Hookies 2013, we asked Christopher Daniels if he'd done anything to attract the attention of voters? He told us,

**"I offered blowjobs to everyone who voted for me."**

June 2013

An average day in the life of Alex Stevens...

**"Sleep long. Having a good breakfast, having sex with hot, good looking guys and a party afterwards."**

January 2007

Asked how he started in the porn business, Paddy O'Brian told us...

**"I was approached to do a jerk off scene and I thought why not... Didn't know what a jerk off scene was but found out it meant getting my knob out, and so said yeah... I mean, I wank every day, so why not."**

September 2011

Ashley Ryder when asked which he prefers - girth or length?

**"Girth for fucking. Length for sucking."**

February 2007

Craig Reynold's favourite position:

**"Doggie style; sandwiched between a cock in my throat, one drilling my ass, and a third underneath sucking me off and working my nipples."**

February 2010

Asked what he'd rush out and do if the world were to end tomorrow, Christopher Saint said...

**"I wouldn't rush anywhere. I'd just stay indoors and play Girls Aloud and Leona Lewis albums on loop. I have the same music tastes as a 13 year old girl and I'm not ashamed of it!"**

August 2010

We asked Killian James if he had always been proud of his bottom status.

**"Absolutely! I like to think I'm coming of age in a time where bottoms are powerful. It's our choice to give it up."**

June 2014

If you could wake up as someone (or something) else for a day, who or what would you choose? Michael Lucas answered...

**"I would choose to wake up as Adolf Hitler because I would be able to commit suicide immediately and spare the world the disaster of the Second World War."**

# CLONEZONE'S GOT THAT VIBE!

**You can't beat the real thing, but these incredibly realistic vibrating dildos from Pipedream come pretty damn close!**

CALLED Real Feel Deluxe, these strikingly lifelike vibrating dildos - or vibes as they're known in the business - have been meticulously designed to, not just look like but more importantly, feel just like a thick, hard cock. From the modest 6.5 inch model to the whopping 12 inch monster, no detail has been overlooked, from their realistic bulbous heads, bulging veins and free-hanging balls (except, that is, for the 7 inch model, which for some strange reason has been castrated and comes without any) to the realistic skin tones of either pale flesh or brown skin. Did we mention the incredibly lifelike texture of the Real Feel Deluxe? They're made of phthalate-free Fanta Flesh, a squishy material that expertly mimics the softness of real skin and is completely body-safe.

A great feature of the Real Feel Deluxe is the ultra-strong suction-cup base that sticks on to almost any smooth, flat surface. So whether you secure this bad boy to the floor and ride it cowboy style, or slam it up on the wall and back up against it, the super-strong suction-

cup won't let you down and will stay in place regardless of how hard you thrust and grind. Real Feel Deluxe vibes are fully waterproof so you can use them in the shower, bath or Jacuzzi. Featuring a quick-release tab for easy removal, the multi-functional

suction-cup also doubles as a harness-compatible base, which means you can wear your Real Feel Deluxe vibe with any harness from Pipedream's Fetish Fantasy Series for the most comfortable, realistic strap-on experience of your life.

# BUYING YOUR FIRST ANAL TOY CAN BE A REAL PAIN IN THE ARSE...

They come in all shapes and sizes... Some look like real cocks, while others look like hard-boiled eggs or bullets. There are ones that look like a clenched fist, and then there are those scary ones that are as big as your head, which you just giggle at nervously.

So thank goodness QXShop stock a selection of sensible anal toys from Pipedream's Anal Fantasy Collection that will gently ease your bum into the joys of arse play... and won't give your mother a coronary if she comes across one in your top drawer.

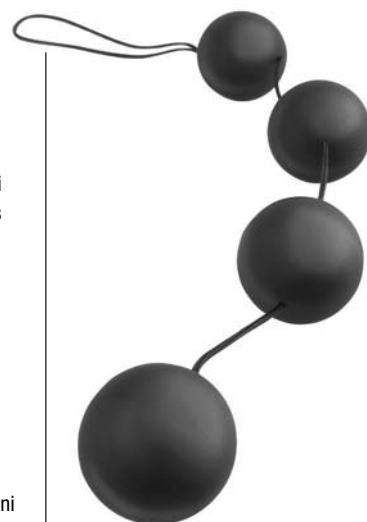

## INFLATABLE SILICONE BUTT PLUG

● THIS bad boy, primarily for the more advanced arse player, will take your anal stimulation to the extreme! Just a few squeezes of the medical-style pump ball and the Inflatable Silicone Butt Plug will expand your rectal cavity to new extreme widths! Order yours today and pump yourself into anal orgasm heaven! The Inflatable Silicone Butt Plug has an insertable length of 4.25 inches and (deflated) and is 1.75 inches wide (deflated).

## SILICONE PLUGS: MINI, SMALL & MEDIUM

● AT just 1 inch wide and with an insertable length of 3 inches, the Mini Silicone Plug is the perfect beginner's toy. Just make sure you use plenty of water-based lube, and its smooth tapered tip will slide in easily. It has a narrow neck that your muscles will comfortably wrap around holding it in place, and there's no need to worry that it might go too far up inside you as the base has been ergonomically designed to fit snugly between your cheeks. Once you've mastered the Mini Silicone Plug there are two more sizes to conquer. The 1.5 inch wide Small Silicone Plug, which has an insertable length of 3.5 inches and the Medium Silicone Plug, a tad heftier with a width of 1.75 inches and an insertable length of 4.25 inches.

## DELUXE VIBRO BALLS

● IF you've not tried playing with your arse before then these Deluxe Vibro Balls are just what you need to explore the amazing world of anal stimulation. The balls - four in total - have a diameter of 1.25 inches and feature a sturdy retrieval cord for safe and easy handling. The sleek weighted balls are 'self-pleasuring' and the slightest movement of your body will activate exquisitely silent vibrations that never require batteries!

## BOYFRIEND BEADS

● THESE luxurious silicone anal beads begin with a tip of just half an inch to ease you in gently, and then gradually increase to a girth of 1 inch. The Boyfriend Beads' flexible shaft bends with your body's contours to hit just the right spot, while the sturdy retrieval handle offers safe and easy handling. Enjoy knee-trembling sensations by popping one bead in at a time, inserting as many as you feel comfortable with, before gently tugging the handle to release each bead one at a time, for even more stimulation! Boyfriend Beads has an insertable length of 12 inches and is 1 inch wide at its widest point.

*ALL toys in Pipedream's Anal Fantasy Collection are made from Elite Silicone, which is phthalate-free, hypoallergenic and ultra-hygienic, and can be worn all day for long-lasting pleasure.*

*They all come with a free 5-piece Prep Kit too, to help you ease into comfort and clean up afterwards. The kit includes 2 finger sleeves, anal desensitizing cream, anal lube and toy cleaner.*

## INFLATABLE SILICONE ASS EXPANDER

● THERE'S something really exciting about the concept of an expanding anal toy and the Inflatable Silicone Ass Expander is a must-have addition to anyone's adult toy box. Insert the deflated toy and just a couple of gentle squeezes of the medical-style pump ball will inflate the toy giving you incredible internal sensations. The Inflatable Silicone Ass Expander is .75 inches wide (deflated) has an insertable length of 3 inches (deflated) and comes with a screwable release valve for easy deflation once you've finished playing with it.
