ISSUE 101: DECEMBER 2014

SO WE WERE THINKING...

What would you rather see when you first turn the page of QXMEN magazine. An advert for a bar or club? Or maybe one for a retail outlet?

● BUT we decided you'd much rather see a picture like this one of Paul Walker and Louis Blakeson from the DVD *Aced* by Sport Ladz.

It's one of many DVDs featured in this month's magazine, along with Falcon Studios' *Cockstar*, *Filthy Fucks* by Monster Bang Video, Euroboy's *School Secrets* and *Control Room* from Hot House.

We've got photos from Eagle London's horny night R18 and details of some of the best nights out to be had in London for the month of December and over the Christmas and New Year holidays. We would have liked to have been able to tell you what's going on north of Watford, outside of the capital, but we need the fetish clubs and sleazy bars of Great Britain and one off club events to get in touch and let us know what's going on. If we don't know what's happening, we can't let anyone else know. Please send your press releases to editorial@qxmen.com.

We've also got some great Christmas gift ideas from Clonezone, Prowler, SkyHi and Regulation, there's a look at a hot new *CockyBoys* book, we have a quick one with Jamie from *H-PartyBoys* and there's even a dirty 'lil story at the back end to knock one out to.

**PLAYERS
2015 CALENDAR**

RENTBOY CALENDAR

● **COMPETITION** is fierce in today's escort industry and Rentboy.com honours the guys at the top of their game in the Players 2015 Calendar.

"WE wanted to be playful with this year's calendar," explains Rentboy.com's Sean Van Sant. "We choose a sports theme because our guys excel in all positions and know all there is to know about scoring. They each bring their own special equipment to the field." Twelve incredibly hot studs, including some of today's biggest names in gay porn, feature in the calendar. Boomer Banks, a Raging Stallion Exclusive and owner of that mahooosive 10x6 uncut monster, graces the cover and inside stars as Mr September. Mr February is the gorgeous Tyson Tyler, who's sporting a fetching pair of pink Calvin Kleins and

the guy we'd love to snuggle up to on a cold winter's night, Nick Sterling, is Mr November. The 26-page full colour Players 2015 Calendar is available now for \$7.99 on www.Amazon.com.

BACK ISSUES

● **WE sent a boy down to our basement and in a dusty corner he unearthed a stack of QX MEN magazines dating back to the very first issue that rolled off the presses way back in August 2006!**

CARTOONS ARE HOT!

● **WE have a feeling that all these years of watching porn may have affected our brains as we've seriously got the hots for a muscle bound giant called Sam.**

NOTHING wrong there you might think... You might change your mind, however, when we tell you that Sam's a cartoon character! He's from the comic

book Big Is Better and the sequel Big Is Better 2. Cited as the 'comic discovery of 2013' Big Is Better features the exceptional talent of artist Song and tells the story of two outcasts, 2 metre tall bodybuilder Sam and the unfeasibly well-endowed Pete, who've both been excluded from the gay community. This turn of fate threw them together and they discover their love for each other and experience adventures

where they encounter genetically modified men, mad scientists and terrorists! Big Is Better and Big Is Better 2 are available on www.Amazon.co.uk.

06/DECEMBER: MASTERY XXMAS

For the second consecutive year, the world's largest hook up site for gay men into fetish sex, leather and gear, will take over the newly refurbished Fire Nightclub in south London from 10pm to 6am. Boasting state of the art light and sound equipment, an amazing dance floor space and

a host of dark arches, the infamous venue is already perfect for a sleazy fetish event. However, the guys from Recon are planning to transform the club into a suitably perverse playground and changing the set up for the party to make sure you have an even filthier night to remember. Look out for the bondage room, wet area, sling room, maze and pup crèche! DJs Ariel, Massimo Paramour, Gordon John, Iván Pequeño and

Zaman will be providing the filthy techno beats to keep you at it throughout the night and, even though it's bound to be a cold January night outside, we just know it's going to be hot as hell in Fire that night! R18 UNRESTRICTED @ EAGLE LONDON - 25/10/2014

QXMEN dropped in on R18, Eagle London's horniest night, where you're guaranteed plenty of XXX man-on-man action.

CLUB R18

And we weren't disappointed as two of our favourite hot, young porn stars, boy next door Riley Tess and tattooed twink Mickey Taylor were providing the evening's man-on-man action! Once the lads had given the up for it crowd a truly R18 floor show on the Eagle London stage, deep and dirty R18 resident DJs Astroboy and Eduardo Herrera kept the action going on the dance floor and in the busy darkroom with their hard and fast pulsating beats.

R18 is on every 4th Saturday every month from 9pm - 4am

It's free to get in before 10pm and £6 after. The door policy is everyone's welcome, and turn up in what makes you feel good. It's worth noting, however, that you'll get in free if you're 'dressed to impress' in gear!

FRSB

give with confidence

So, why did you start H-Partyboys?

There seemed to me to be a huge gap in the market for a sex party group that caters to young, handsome 18 to 40 year old guys in a drug free environment. I know a lot of guys go online, find a party, but when they arrive the guys don't look like their photos or drugs are often involved, so the idea of safer sex goes out the window. When we started the group we thought we'd be lucky to get about 60 guys joining. We now have just over 600 in five months all wanting the same thing - a really good safer sex party with guys that they fancy. The idea behind H-Partyboys is that if you love group sex but find it takes ages to organise

How do guys get an invite?

There are four ways to join. The first is by personal invitation from one of our members - so far, most guys have been recommended by their friends. The second is to get handed a card from one of our Club Scouts out and about on the scene (normally door staff who see sexy men). The third is when I return your message on Grindr when you message me, or lastly just go to the website, fill out the application form and return it with your photos.

What kind of guys attend the parties?

Despite the 18-40 age range, most of the guys are between 21-35, fit as

fuck, well endowed, and all shapes and sizes from regular guys to muscled gods. I invite athletic, defined and muscled gay and bisexual men from all over London and beyond who enjoy fun with other like-minded guys. Coming to the party doesn't mean you 'have to' participate in anything you're not comfortable with, of course! You're not expected to do anything, except to be respectful to others and have a great time. We'll try to make sure that everyone who attends our parties understands the rules for the night.

How often are the parties?

We try to do one a month.

How many were at the last party?

Just over 250 guys are now attending the parties. Members are allowed to bring one guest, as long as they fit the H-Partyboys rules.

Where are the parties held?

The club nights are private and we text and email the address of the

venue the day before the party. We use large fetish clubs or spas with all the equipment and facilities that you'll need. We also provide free condoms and lube.

Guys have to send a photo with their application... Do you turn down many munters?

We've had quite a few! If they're not right we don't add them to the list. Before a party everyone is sent a password by text or email, so if it's not on their mobile phone the security team wont let them in.

When's the next party?

There's our Christmas Party on December 4th and the next one after that will be on New Year's Day to start 2015 off!

What plans have you got for H-PartyBoys?

Joining the party group will always be free and we're planning to have the occasional themed event.

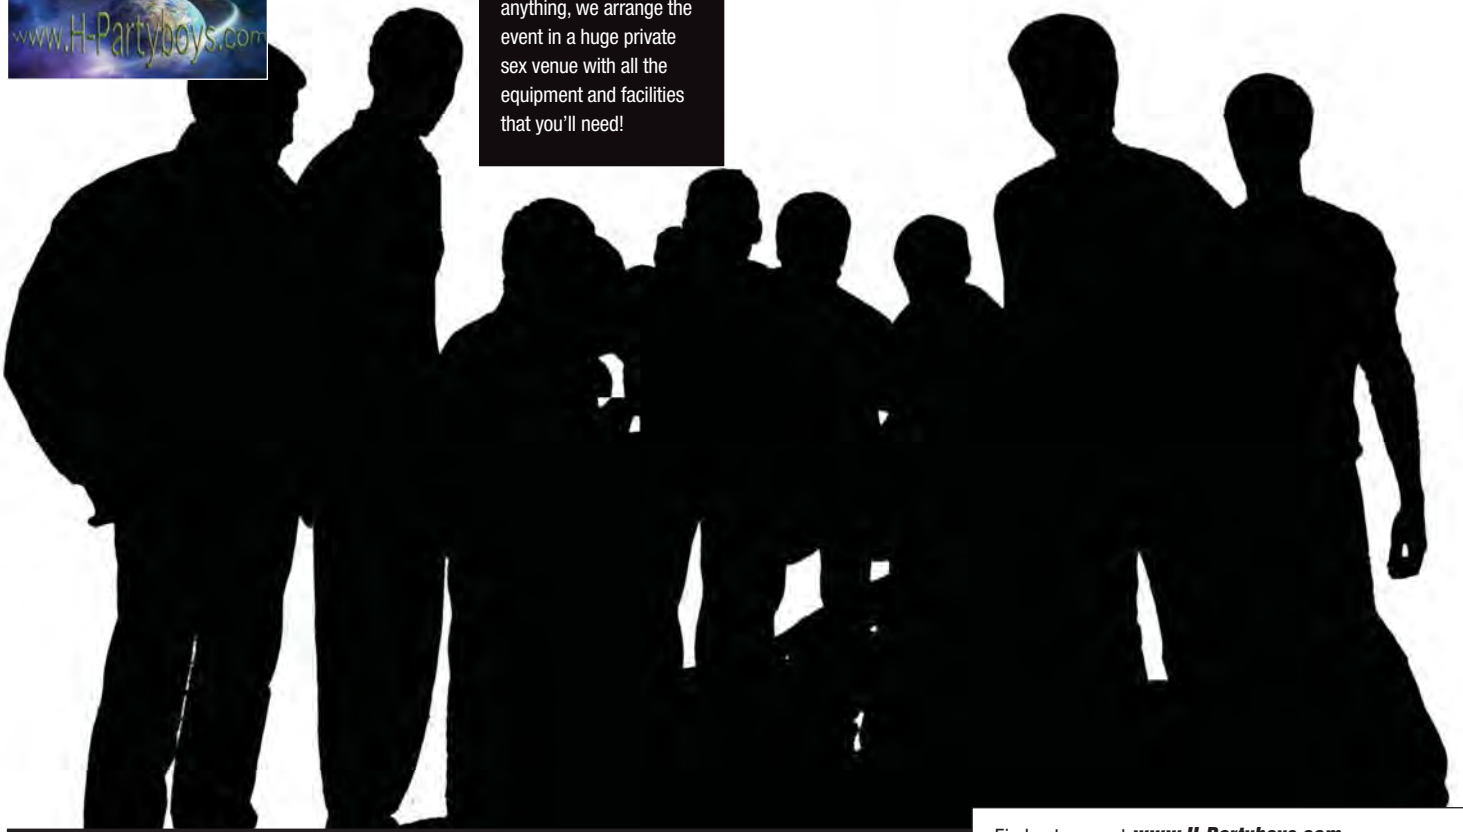

QXMEN HAS A QUICK ONE WITH...

JAMIE FROM H-PARTYBOYS.COM

By his own admission, Jamie loves group sex. In the summer he set up H-Partyboys, a group that hosts private parties for gay and bisexual men in clubs and spas in central London... QXMEN had to find out more about these clandestine parties and met with Jamie in a dimly lit flat in South East London, so as not to reveal his identity!

anything, we arrange the event in a huge private sex venue with all the equipment and facilities that you'll need!

10 REASONS WHY WE LOVE FALCON STUDIOS' COCKSTAR

6. Brandon Jones gives a stellar performance when he gives uber bottom Alexander Gustavo a right royal fucking.

7. And Brandon continues to show off his topping skills when he unloads his jizz down Luke Adams' throat.

8. Since bursting onto the porn scene early this year, Johnny V has shown he's not just a pretty face, and in *Cockstar* he rides Lance Luciano's cock like a seasoned pro.

1. Because these guys are more than just porn stars, they're *Cockstars*!

2. It's directed by legendary director Tony Dimarco.

3. Because "These incredible men command the attention of thousands of viewers, and that's what makes each of them a *Cockstar*," explains award-winning director Tony Dimarco.

4. The cast list is hot as hell and includes Lance Luciano, Sean Zevran, Brandon Jones, Alexander Gustavo, Luke Adams, Johnny V and Ryan Rose.

5. We always thought he was a total top, but in *Cockstar* we see Sean Zevran get his back doors kicked in by gorgeous Latino hunk Lance Luciano!

9. Pliable Luke Adams spreads his legs 180 degrees to accommodate Ryan Rose's massive tool.

10. Whether they're fucking or getting fucked, these guys get turned on and deliver amazing performances because they know that thousands and thousands of admirers are at home watching them and getting off with them!

Available from Prowler, Expectations, White Tiger and all good DVD stockists, and at ProwlerDVD.com

10 REASONS WHY WE ALL LOVE FILTHY FUCKS!

6. Shawn Wolfe and Mike De Marko are two furry young bucks that are so hot for each other Shawn literally tears off Mike's jeans to get to his hole.

EVENING RITUALS

● FROM BelAmi's Night Scene Series comes Evening Rituals. When night falls the moon isn't the only thing that rises. So do the massive cocks of the beautiful boys of BelAmi! Ever wondered what they get up to in the evening? Well, after watching this DVD we can exclusively reveal that, well, it's basically the same as they get up to during the day - that's sucking, fucking and showing off their ultra sexy bodies - just in the dark! Evening

Rituals stars BelAmi beauties Jim Kerouac, Misha Akunin, Jason Clark, Claude Sorel, Andrei Karenin, Tim Campbell, Vadim Farrell and Scott Reeves, eight of BelAmi's finest young stallions.

THE SECRET GIFT

● FROM European porn powerhouse Kristen Bjorn comes a Sarava Production called The Secret Gift. It tells the story of Valentino Medici, a successful writer of mystery novels, and his lover Sergio Moreno who rents a remote mansion to help Valentino get through his 2 year writer's block. However, their relaxing vacation turns out to be anything but relaxing when they discover that they are not alone. The Secret Gift also stars European porn Gods Wagner Vittoria,

Diego Lauzen, Mattias Solich, Milos Zambo and Donato Reyes (pictured) and scenes include passionate pairings, hot three-ways and haunting S&M dream sequences in which Valentino is forced to suck three masked executioners' cocks at knife point!

JACKED

● JACKED is the fifth title from Falcon Edge, Falcon and Raging Stallion's new line of movies that aim to explore what happens 'When Good Boys Get Bad'. Following a four year break from the porn industry Brent Corrigan appears in twice in his first new scenes as a Falcon Studios Group Exclusive, getting a full-force fucking by muscle god Sean Zevran and then taking a pile-driving fuck from Brian Bond! Jacked also stars fellow Falcon Studios Group Exclusives Ryan Rose, Brian Bonds and Sean Zevran, plus QXMEN favourite Nick Sterling

with Brenner Bolton and Josh Connors. "Jacked marks the debut of Brent Corrigan as a Falcon Studios Group exclusive, and what a way to reinvent himself!" said Falcon Studios Group President Chris Ward. "Director Nick Foxx absolutely got the very best out of Brent and the entire cast!"

LONDON UNCUT

● DIRECTED by 'the world's most controversial gay pornographer' Liam Cole, London Uncut stars twenty of Europe's sleaziest guys, including uncut muscle pigs Jeff Stronger, Priam and Luca Bondi, UK favourites Sam Porter, Yuri and "Brit-Pig" Bruce Jordan, plus cut guys Christian Matthews and Ray Dalton. There's seven scenes plus one bonus scene to get your teeth into, like the one that stars little Josh Taylor who gets tag fucked by seven hung uncut blokes who queue up and take turns pounding the living daylight out of him. Hot Swede Anton Dickson and Spanish stud Enzo star in another spunk-filled scene and spit roast hairy muscled Italian pig Priam. If we told you that the director's notes say that 'Priam's man-cunt gets so excited that he almost lets Anton slip a full fist in!', you'll get the picture!

HARDBACK HEAVYWEIGHTS AT PROWLER

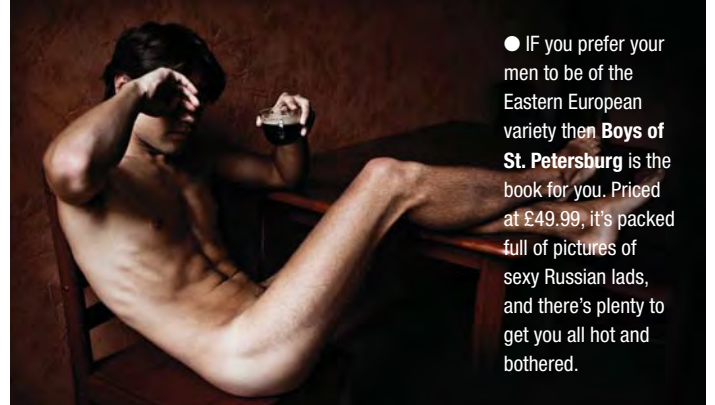

While we're used to watching porn on our TV screens, desktop computers, smart phones, laptops, tablets and fablets, there's still something incredibly horny about fingering a weighty erotic photo book. Of course, they make great Christmas presents too so we thought we'd take a look at some of the large range of heavyweights on offer at gay emporium Prowler.

● AUSTRALIAN photographer Paul Freeman has pulled out all stops this year, with **Outback Dusk**. One

glimpse at the photos and you can almost smell the grease, sweat and sex. On offer for £39.99, great value considering

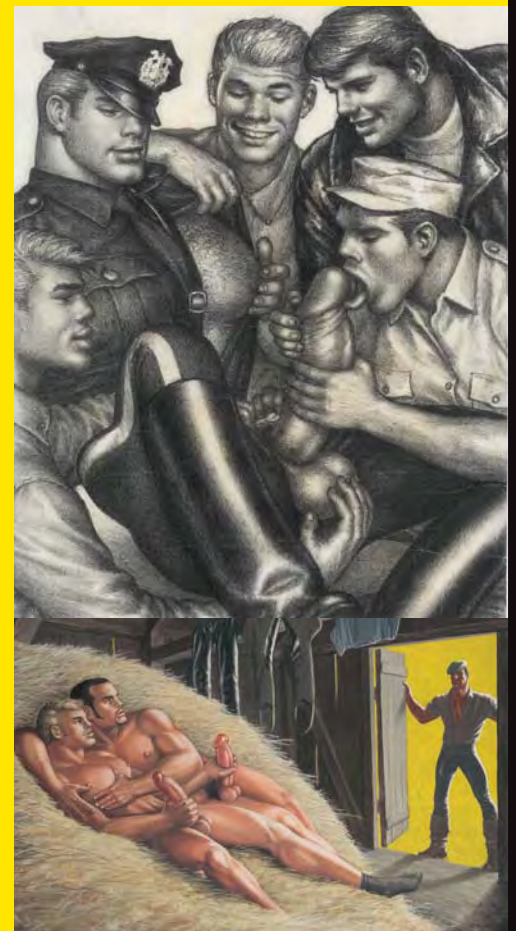

how much is packed into the one book.

● IF you prefer your men to be of the Eastern European variety then **Boys of St. Petersburg** is the book for you. Priced at £49.99, it's packed full of pictures of sexy Russian lads, and there's plenty to get you all hot and bothered.

● THEN you have the ultimate collector's item, **Tom Of Finland XXL**, which covers six decades of the legend's career. Containing an incredible 666 pages and more than 1,000 images, many of which have never been reproduced, Tom Of Finland XXL is the culmination of a long search across the USA and Europe with the help of the Tom of Finland Foundation. Bearing this in mind, its £135 price tag is not to be sniffed at. Available at Prowler Soho only.

COCK FUN AT THE CHRISTMAS PARTY

by Robert Neilson

 I work in the Accounts Department of an insurance company. It's an open plan office but the call centre section is separate from us because of the noise. We're divided into sections and we've got our own boss, our own budget and different hours from the call centre lot, of course. But this afternoon most of us are in the boardroom at the Christmas party. It's the usual crap, cheap sparkling wine and supermarket food, but it's good to have a laugh with some of the women, who get pretty drunk, tell dirty jokes, flirt and dance as soon as any music comes on. There's a guy I don't recognise over at the food. He's in a suit. His tie is loosened. He looks twenty-something. I wonder who he is and go to pour myself a coke. Then he's there at my shoulder, holding a glass out, asking me to fill it up too. He introduces himself as Stephen. We stand and chat and I learn he's an intern, working here unpaid for two weeks before Christmas. He's on holiday from University and hoping that by working in places like this, unpaid, he might increase his chances of a job when he graduates. He's got a gleaming smile and, when I glance down, I notice he's got a hefty

looking package too. I don't suppose I'll ever get to explore it though. He asks me a question. "Have you got a photocopier login number?" Of course, I tell him. He explains he hasn't, and asks if I can spare 10 photocopies for him as a Christmas gift. Sure, I say. He grabs my arm, a bit excitedly, and, taking our drinks with us, leads me to the photocopying room. "What have you got to photocopy?" I ask as I put my number in. "This!" he says gleefully, unbuckling his belt and pulling his trousers and boxers down. He sits his bare arse on the glass of the machine. "Hit ten copies for me mate. I need to keep still." I do as he asks, trying not to stare at his thick dick. The light slides along the glass and I pick up the first piece of paper that comes out. "You can see your bollocks as well as your arse," I tell him. He takes it from me, but the photocopier has stopped now. "D'you think that would be a good Christmas present?" he asks. "Well, it would make ME want to fuck you, but I don't know if that's the effect you're after." He jumps down, kneels in front of me, and starts to undo my fly. "Let's get this baby hard so that it can give me a good fucking," he says, as he gets my dick out. Almost immediately I feel my dick start to stiffen in his hot wet

mouth. It's really horny looking down at this good looking guy, his suit trousers round his ankles, dick hard in front of him, blowing me. He gets my cock rock hard and gleaming wet with his spit. Then he's up and turning round, offering his arse to me. I spit on my index finger and rub it on his puckered hole, which opens invitingly. Getting more spit I slide my finger in. Stephen's an experienced bottom and before long I've got two fingers comfortably in him. He groans as I move my fingers around inside his arse. I take them out and push the head of my cock against his hole. As I do so he reaches his hands back around and spreads his cheeks apart. I edge my cock in, but before long he's thrusting back against it and soon I'm hammering away at him. My hands have been on his shoulders up until now but I move one down to jerk his dick, and as I feel his swollen shaft in my hand I start to groan, and then shoot my load inside him. Clearly turned on by this, the spunk starts to squirt out of his throbbing cock, some landing on his trousers and boxers, some on the floor. In a minute we're dressed. We decide to leave the spunk on the floor, though the photocopies of his arse might be a bit of a clue.

QX MEN IS LOVING...

POCKET ROCKET NICK STERLING!

● WE were amazed to discover that Nick has been starring in porn since 2007!

But hey, the horny little pocket rocket has only just come onto our radar, possibly because Falcon Studios has recently signed him as a Studio Exclusive and Nick is now one of the newest members of the Falcon Studio's A-Team of Elite Models!

See Nick get his peachy derriere pounded on Falcon Studios' Alpine Wood Part 1 and Part 2, Best Buddies and Ready To Fuck.
