You can nominate your favourites now by going to www.prowlerpornawards.com.

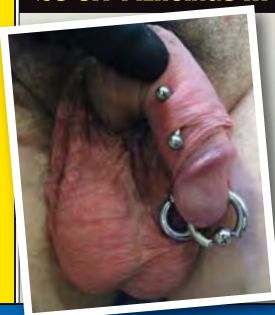

[prowlerpornawards.com](http://www.prowlerpornawards.com). The nominations process will close on January 31st and the names of the top nominees, decided by the public and a judging panel made up of industry executives and porn stars, will then be posted on Prowler Porn Awards Voting Page for both the public and the judging panel's

final decision. This year's Awards Ceremony, sponsored by recruitment site ApplyToModel.com, will be bigger, better and more glamorous than 2014 with surprise guest appearances and

close to Tickets go on sale at Prowler Soho on 1st February and cost £15 in advance, £20 on the door with

further discounts for Prowler customers. All ticket holders will get a high value goodie bag and this year's after party will be at The Sanctum Hotel, Soho's hot celebrity hang out, up on its rooftop bar, complete with hot tub. Simon Topham, Millivres Prowler Group Chief Executive, told QXMEN, "This year the Prowler Porn Awards is going to be bigger, better and more glamorous than last year and hornier too with a hot show, private booths and a very exclusive after party. It's rapidly becoming THE European Gay Porn Awards to attend and a full house is certain, so get your tickets early." For more information, and to see the run up to the awards unfold, visit www.prowlerpornawards.com and follow it on Twitter @prowlerawards and @applytomodel.

THEY'RE open 7 days a week and you don't need to book an appointment for piercings, so why not drop in and see the team in their new bigger room that's also got a larger chair at their Covent Garden Studio. DILDO DELIVERY AT FETISH FREAK

● **WE popped in to the Fetish Freak shop in Oval SE5 recently as Jonathan had left a message on our voicemail saying he'd just taken delivery of a huge consignment of dildos that had to be seen to be believed!**

JONATHAN knows that we have a soft spot for insertables and he wasn't exaggerating when he said he'd had a large delivery. The selection is enormous and Jonathan has now got a toy that's guaranteed to fill ANY hole in every size and shape imaginable from tiny to mahoosive! Made from PVC vinyl, they're easy to clean and softer and more lifelike to the touch than the more rigid rubber ones. Choose from gnome-shaped ones, fist-shaped ones, ones modeled on bobbly alien dicks, praying hands, twisties... and even some bizarre ones shaped like a penis!

● **SQUIRT.ORG, the hook-up and cruising listings site's bus shelter ad campaign stirred up the local community in Miami, Florida recently.**

THE ad shows two shirtless men embracing along with the site's tagline, "Hot 'n horny hook ups," and the campaign slogan, "Non-Stop Hook-ups." and were placed near popular gay clubs and

establishments in the city. News reports say a mother complained to the City of Miami about the ad and Pink Triangle Press (PTP), the operator of Squirr.org, were asked to provide a new ad without the tagline "Hot 'n Horny Hookups" and the words "Non-Stop Hookups." Meanwhile, the original ad was vandalised, stolen and never

replaced by the City of Miami. "We always work very closely with our ad reps and locations when it comes to creative approval," says Attila Szatmari, digital business director at PTP. "Our creative was approved, and we just want to have the same treatment as any straight sexy ad would have. Lots of straight-themed ads are as sexy as ours: look

at Step up revolution, Tom Ford, Michael Kors, Guess, Viktor & Rolf and Calvin Klein ads. If these ads can be on streets across America, we don't understand why two men embracing cannot." When

Squirr.org asked when the updated creative would go live, its ad distributor replied that

the case had become "too political" for the City of Miami to touch. PTP has started a petition against the City of Miami on change.

org to have the ad reinstated and invites everybody to express their opinion about the matter via social media under #adequality.

On Saturday 28th it's Deep, the main party of Fetish Pride Italy at Platenet Roma and, just when you think it's all

over, on Sunday March 1st there's the Sniff My Sneax - Sneaker Party at Bunker Club and the Fist Party at Diavolo Dentro, both at 3pm. In the evening at 10pm, Bunker Club hosts the Fuck the Rest Party, the official closing party of Fetish Pride Italy 2015. For more info and to book tickets, go to www.fetishpride.it.

BERLIN

JANUARY 02: BERLIN SNEAKERS

● OKAY, so you'll have to be quick to make Berlin Sneakers' first party of 2015 on Friday January 2nd. But if you're reading this magazine hot of the press, you have no work commitments and can get on the next flight out to Berlin then go as these parties look like a whole heap of fun. It's at notorious men's bar Mutschmann's on Martin Luther Strasse in the heart of Berlin's Schöneberg and not only will there be plenty of cruising and wild sneaker action downstairs in the bar's darkrooms and play area, but they'll be screening the hot new feet-sneaker-sox porn flick Worshipped by Ashley Ryder for Bulldog XXX!

FEBRUARY 06: LOVE MY HI TOPS PARTY

● BERLIN SNEAKERS' February party on the 6th is something you can get to easily though. By then you should've paid off the bill from Christmas, and you don't need to take out a second mortgage to pay for a return ticket to Berlin. So beat the winter blues, pack your sneakers, socks and sports gear and go party at Mutschmann's. Doors open at 10pm and the dress code is sneakers and sportswear, sneakers and trackies, sneakers and jockstrap, sneakers and camo, sneakers and leather, sneakers and rubber... Err, you get the idea. 6. Derek Atlas gets his heart pounding by racing on the deserted highway and then does some pounding of his own, on Billy Santoro's hole back in the body shop.

7. Boomer Banks has his eyes on the prize - Aaron Steel's hot, hairy hole. And he takes the chequered flag when he piston fucks him with his huge meat

1. It's Part 1 of a high-octane fuck fest double feature from Raging Stallion Studios that'll have you grabbing for your gear stick and shifting it into fifth gear!

2. With hall-of-fame director Steve Cruz at the wheel, Auto Erotic, Part 1 is guaranteed to get your adrenaline pumping

3. It features a cast of sweaty blue collar, All-American, horse-hung muscle stud mechanics.

4. Namely Exclusives Boomer Banks, Brian Bonds, Derek Atlas, Johnny V and Sean Zevran with Aaron Steel, Billy Santoro and Landon Conrad.

9. Derek Atlas takes Sean Zevran and Brian Bonds back to a motorcycle shop for a high-speed three way that climaxes in a double-barrelled oral cum shot.

10. But before they do, Sean and Derek battle it out to service Brian's hot hole, greasing his tail pipe with their tongues and fingers.

10 REASONS WHY YOU MUST SEE HARD CUTS 1

fucking the life out of Lincoln Gates in the woods in broad daylight... and boy, is it hot!

6. The scene Stoner Six-Way was the other scene the BBFC took a disliking to... Again, this one is horny as fuck!

7. Cum-pig Blue Bailey hooks up with French top Priam. Starting sensually, the scene rapidly turns primal, as Priam figures out just how much Blue can take.

8. Unexpectedly, the guys also flip... And there's nothing hotter than seeing a big top like Priam taking a hard cock up his arse!

9. British stud Sam Porter's thick uncut meat and Adam Russo's furry muscle butt are a perfect match and Sam pumps and grinds Adam deep and hard until he's groaning with pleasure.

10. Greedy British pig Bruce Jordan is never satisfied by just one load, so when he finds himself on his knees surrounded by five guys all with hard cocks and balls full of spunk, he sucks each of them to completion, squeezing out every last drop.

1. The British Board of Film Classification (BBFC) demanded evidence that the scenes showing drug-fuelled outdoor sex were not visible to members of the public during filming.

2. It stars no less than nineteen sleazy sex pigs: Blue Bailey, Peto Coast, Adam Russo, Jessy Karson, Sam Porter, CutlerX, Jake Ascott, Dan Carter, Aaron Cox, Craig, Lincoln Gates, Nathan Gear, Lucky Joe, Bruce Jordan, Ryan Kamren, Harry Lee, Freddy Miller, Priam and Ken Ten.

3. There's a baptism of fire for newbie bottom Freddy Miller when he gets his hole stretched to the max by uber-hung CutlerX.

5. In the first of two scenes the BBFC objected to we see Dutch power top Peto Coast

10 REASONS WHY WE LOVE ALPHAMALES' WORKMEN

Sergi Rodriguez and Italian stallion Michel Rudin's overalls hit the ground.

8. We had just as good a wank later that night when we fantasised about Sergi and Michel servicing our exhaust pipe as we did when we watched their scene!

9. The sight of Kayden Gray fucking fellow lumberjack Dirk Caber is priceless.

10. Solo wank scenes are often as exciting as watching paint dry. But not Sergi Rodriguez's. We could never get bored watching this Spanish beefcake wank his cock.

NEW AND UPCOMING RELEASES THAT LOOK HOT!

RUINED

● IN the lead up to the climactic orgy in the final scene, we meet James Dixon who's playing with his huge veiny cock before shooting his thick wad all over himself. He heads over to his young fuck buddy Marco DuVaul's place next to get his dick serviced properly by Marco's smooth peachy bubble butt, and he shoots an even bigger load all over his prize twink! The focus is now on Marco and his initiation into the orgy madness of Bruno Bernal and big dicked hunk Craig Daniel, two guys who show us

exactly how the men of Bulldog like to play! The final orgy scene is a blur of giant dicks, hungry holes and buff young bodies entangled in tag-team arse splitting action and rough throat fucking. These horny young fuckers may have started out fresh, but by the end of the DVD they end up exhausted, wet and completely ruined!

COCKQUEST

● SEVEN sex crusaders are dispatched by visionary director Steve Cruz on a Cockquest for carnal pleasure, and their adventures are full of hot, intense and unrestrained fucking! Derek Atlas and Landon Conrad are two muscle studs who decide to have it both ways in an epic flip flop. Nick Capra takes on power bottom Shawn Wolfe and shoots a load down his throat. Armond Rizzo tries to swallow Noah Donovan's cock, then bends over takes Noah's cock deep and hard. Spit helps Derek Atlas lube up Brenner Bolton for a high-velocity fucking that ends with jets of cum flying across the room. Come join this Cockquest for connected, focused and erotic encounters!

BEHIND THE CAMERA AND UP THE ASS

● DIRECTED by hot young director Ryan James, Behind The Camera & Up The Ass is a fly on the wall flick that goes behind the scenes at the Euroboy Studios to show what happens when the young stars of Euroboy get behind the camera and try filming the sex scenes that they usually star in. Of course, it was inevitable that these horny young twinks wouldn't be able to keep it in their pants for long and they join in the action at every given

opportunity. Behind The Camera & Up The Ass stars all your favourite horny young Euroboy twinks Skylar Blu, Casper Ellis, James Lewis, Mickey Taylor, Alex Silvers, David De Milanis and Luke Vogel.

JACOB DANIELS: THE GAPING ASSHOLE

● BOTTOM boy Jacob Daniels never has a problem taking huge dildos and butt plug, the fattest cocks in the business and countless probing fingers up his talented boy hole. This frustrates the perverted tops of Boynapped, the punishing hardcore porn studio, and they rise to the challenge of seeing just how much Daniel's pretty pink lips could take and how deep his boy hole really is... Watch as young Jacob's hole goes from ready to ruined when he's tied down unable to move an inch and forced to swallow a

heavy metal chain, humungous dildos and rock hard cocks. Can he take it all? You'll have to watch to find out. Starring Jacob Daniels, Adam Watson, Dan Jenkins, Kieron Knight, Sebastian Kane and Reece Stewart.

QXMEN HAS A QUICK ONE WITH...

CARLO FROM SKYHI

SKYHI

He's the man behind SkyHi, one of the UK's major mail order and wholesale distribution companies that keeps us in aromas, dildos, lubes, bondage gear and all manner of quality kinky products.

QXMEN only wanted a quick one. But as you can see, Carlo from SkyHi prefers a long session...

QXMEN:
Hi Carlo.

Can you tell us how long SkyHi has been in business and what made you go into this 'unusual' line of work?

Carlo: You call me Carlo... to some I'm known as Mr Fist! I started SkyHi in 2003. And is it an unusual line of work? Everyone has sex don't they? And sex has always fascinated me. In Italy, much like the UK, sex is hardly discussed, and the gay movement is a long way behind here. Opening SkyHi was my way of delivering a service to others - the sort of service that

I would want to use, selling the sort of stuff I would want to buy. The idea was no more complicated than that! And we began with literally just a handful of products, working from my spare bedroom, growing quickly to the monster that the company is today.

What did you do before SkyHi?

First job, age 14, Stella Bar, Rome. At 18 I came to the UK and my first job in London was in catering at the Park Lane Hotel. I've had many jobs since, but running SkyHi is top of the list... so far!

Being surrounded by dildos, aromas and sex toys all day long, do you still get turned on by it all?

I'm not that old thanks - I do get turned on from time to time. And the image you paint of an office full of sex toys is a great vision, but no reality. Looking round me now, I see computers, invoices, orders, oh and yes in the corner there's a pile of new products to try - so take that back - pause a while whilst I investigate! Seriously though, the fact that you're dealing with dildos, aromas, lubes and toys does not define the way business is done. It would be easy to swap

them with any other commodity. What is more important is buying them at the right price, and getting them to the client when he needs them and making sure he's happy with the service you offer.

Guys might be surprised to learn that the King of Sex Toys lives on a rural farm! Is that how you balance your life?

Definitely! Up at 6.30am every morning to feed the pigs. Collect the eggs from the chickens, open up the ducks, and check on all the rest of the animals. And I enjoy growing fruit and vegetables too - there's nothing better than cooking with produce from your own garden.

In fact, for the summer months we become almost self-sufficient. The farm in the Chilterns used to be covered in fruit orchards, and each year I am replanting the old fruit trees so that one day the land will be returned to its former glory.

You've had some great exclusive products over the years. Where do you find them?

Keep it personal, what do I want, what would I buy, how much would I pay, what do I expect to get. I think it's really that simple. And being lucky enough to travel around Europe and the world each year, I've always got my eyes open for the next big thing.

What's your biggest seller and why do you think that is?

We launched Stretch dildos in November 2014, and the 'stretch more than your imagination'

campaign has been the most successful we have launched in a while. We always knew the range of dildos would sell, but not in the quantities that they did. Why such a success? The colour, the quality, the price, or maybe just the whole package!

Who's your favourite porn star?

I first became aware of Ilona Staller when I stumbled across my father's porn stash, hidden in his Fiat, back when I was 8. Ilona Staller, better known by her stage name Cicciolina, is a Hungarian-born, Italian porn star, politician, and singer. Most famously, she continued making hardcore porn films while a member of the Italian parliament. Now in her 60's we have become great friends, and I'm only jealous of all the fabulous cock she's had during her career!

Who's been your favourite SkyHi model?

We've had so many over the years, and when you say favourite are you talking personality or looks, because that's two separate lists!

Tate Ryder ticked both boxes, professional, great sense of humour, and looks a hundred dollars.

If you could have anyone in the world in your marketing campaign, who would it be and why?

And we didn't have to pay? Okay, what about Liam Hemsworth (Hunger Games) or Dylan O'Brien (Teen Wolf) or Alex Pettyfer. They're all top actors, and look fucking hot. Attach them to a brand and you're away.

What does SkyHi have planned in 2015 that our readers NEED to know about?

Basically, we've got loads planned for 2015. Some project have a hell of a long lead time, so we're always planning many months ahead, and like the last few years, 2015 will be crammed with new stuff. I don't want to give too much away in advance, but readers need to know, we'll be giving them more things to stuff up their holes, more stuff to lube up their holes, more stuff to put round their cocks more stuff to wear, more leather, more sportswear... And all of it the same high quality and great value you're used to.

If the world were to end tomorrow what would you rush out and do?

No brainer! I'd want to be with my family and friends. There is nothing more important to me. So get me onto a plane, and hopefully there's time to return to Rome to be close to them all.

Finally Carlo, describe yourself in three words...

LITTLE RUDE ITALIAN... Well, that's how much of the industry sees me I know, and I wouldn't want to let them down! But maybe a few people I've had the great pleasure to meet and work with over the years, have seen a different side to me, and would find 3 different words for their description, who knows?

REVOLUTIONARY SEX TOYS AT CLONEZONE

Shop at Clonezone and bring some of latest innovative sex toys on the market into your bedroom...

Here are two of our favourites.

NEXUS ACE £59.99

● NEXUS has packed everything you could ever want in a butt plug into their award-winning Ace! Made from silky soft silicone, this medium sized remote controlled vibrating butt plug has ridges on its plump shaft for stimulation just where you want it, and has six powerful (and quiet) functions - 3 x vibration, 2 x pulsation and 1 x escalation. Yourself or

your partner can control the Nexus Ace, either by the button on the base or by using the sleek remote control, which works up to 15 metres away from the plug! Waterproof and rechargeable using a handy easy-click USB magnetic charger for convenience, once fully charged the Nexus Ace will deliver 90 minutes of knee-trembling pleasure.

PULSE £68.99

● THE PULSE from Hot Octopuss is a revolutionary male stimulator. It's the world's first vibrator that instead of traditional vibrations uses state-of-the-art oscillating technology that

delivers high-amplitude oscillations that create incredibly deep and powerful orgasms for guys! Two toys in one, used with lubricant the Pulse is a revolutionary masturbator, while lubricant-free it's a static

stimulator that provides stimulation direct to the fraenum (the thin strip of tissue that connects the head of your cock to the shaft). Guys who've tested the Pulse have said they experienced a more powerful and prolonged orgasm and that it was like "learning

to masturbate all over again"!

An added advantage of the Pulse's design is that you don't need to have an erection to use it and can enjoy the sensation of being made hard by it, but this also offers amazing possibilities for

men who suffer from erectile dysfunction too! As well as being the next generation in male masturbators the Pulse is also great fun for couples as its unique hands free controls leaves you free to focus completely on each other.

DO THESE LOOK BORING TO YOU?

Researchers at Oxford University recently named Canada as the most boring of the six countries that make up what's known as the Anglosphere (Australia, Canada, England, Ireland, New Zealand and the United States)... Well, all we can say is, for a boring nation, they can't half come up with some outrageous underwear!

FOUNDED in 1987, Canadian underwear and swimwear company Gregg Homme use the latest technologies and pioneering materials to transform classics such as the jock strap and briefs into its audacious, yet wearable, underwear.

Check out these new styles available online at QXShop.co.uk

BANDIT

● THE brand new Bandit collection tank top by Gregg Homme is made from a soft, leather-look fabric that's adorned with rugged-looking micro studs and features an adjustable lace-up neck with 5 metal eyelets on each side, a banded neckline and arm holes and the Gregg Homme metal logo tag centred at the back of the neck. The new briefs in the Bandit collection have an adjustable lace-up front with 6 metal eyelets on each side, a low-rise elastic waistband, centre-seamed seat, folded leg hems and the Gregg Homme metal logo tag at the rear.

GREGG
HOMME

VENOM

● GREGG HOMME's Venom range is their sexy spin on snakeskin made from an embossed fabric that's 95% polyester and 5% spandex. Choose from the Venom Tank Top, with matching edging on the collar and armholes and a metal

Gregg Homme signature tag sewn on the upper front left shoulder, the Venom Boxer Brief with its seamless seat and the Venom Thong with a pouch that provides support and definition. Both have a one inch elastic waistband with the signature metal Gregg Homme logo sewn on the front.

CITY LIMIT

● THE City Limit range is made from a luxurious crushed leather effect fabric. Choose from the Boxer Brief that snugly fits your every curve and contour and features a centre and side-seamed pouch giving your package better definition, adjusted elastic leg bindings for added comfort and the signature Gregg Homme rubber crest sewn on the left flank. City Limit Briefs are not your run-of-the-mill briefs as they feature two detachable snaps on either side of the pouch for easy access! And we guarantee you won't have seen anything quite like these City Limit Second Edition Briefs before! With embroidered laser-cut holes in the back, a package defining pouch and a 3/4 inch waistband, these bad boys will certainly get you noticed at any underwear night and in the changing rooms down the gym. A word of advice though - don't fall asleep face down in the sun because you'll end up with a very odd-looking, mottled tanned butt cheeks!

Gregg Homme underwear, along with Barcode Berlin, ES Collection, Addicted.es and loads more, are available online at QXShop.co.uk, the UK-based online store that also stocks a massive range of aromas, lubes, sex toys, DVDs, magazines, fashion and gifts.

QXShop process all orders received before midday that same day, and once dispatched, you should receive your order, sent by Registered Mail, within 24hrs.

➔ In September 2003 Suzie bounced back with a new club called Hard On, which in just over ten years has dragged fetish clubbing into the 21st Century

YOU CAN'T KEEP A HARD ON DOWN!

HARDON

Many of you reading this wont remember Fist, the hardcore fetish club started by the gay scene's First Lady of Sleaze Suzie Krueger back in 1994. Constantly pushing boundaries with its infamous playroom and extreme performances, Fist moved from venue to venue until eventually the police closed it down at the end of 2002.

becoming London's sexiest and funkiest fetish club. The Hard On brand hasn't stopped there either and has gone on to successfully conquer Europe giving the horny residents of Barcelona, Amsterdam, Venice and Antwerp a taste of London's Hard On too!

The Hard On Club has also spawned a successful online store, which as well as selling fetish gear, sex toys, lubes and all of those essential sexcessories, even stocks the top-selling Hard On Extra Strong Aromas and Hard On Stims, maximum strength herbal stimulants for men! We almost forgot to mention that every year Hard On hosts the playroom at London's porn star sextravaganza HustlaBall and, of course, the club's collaboration with RUT to bring us the hugely successful Hotwired.

So, what's next for the Hard On brand? World domination?

We asked Suzie Krueger if she had any plans for 2015. "Oh yes, plenty of plans!!" was her excited reply. "Some European dates, Italy - Venice & Rome and Belgium - Antwerp. Then there's Hotwired, of course, and our usual filth fest here in London."

DIRTY LIL' STORY

WORKING THE WORKMEN

by Robert Neilson

THE doorbell goes. It's two guys from a gas company to quote for central heating. One of them, Tom, is a bit broader than the other, Andy, but they're about the same height, and both are good-looking in a rugged way. I make them coffee and Andy starts off, measuring where the new boiler will go. When he reaches up with his measuring tape, I see a bit of his tanned back above his work trousers and the waistband of his Calvin Kleins. Tom and I leave him and go from room to room, with Tom measuring for the new radiators. When we get to the bathroom, he says, "Just have a quick pee, if you don't mind," and before I know it, he's got the toilet lid up and his dick out. I mumble that I'll leave him to it, but he says "No, just hang on, won't be a minute. I'm not shy anyway." "With a cock that size, you've got nothing to be shy about", I say, but looking him in the eye so he knows I'm not checking him out. Much. "Oh, do you think so?" he replies. He unbuckles his trousers and pulls them and his EA briefs down to his knees as he's shaking the last few drips off his dick. "Good big balls, too. Mind you, don't get much of a chance to do much with them. Not been drained for days. Any chance...?" I don't

need much persuading. I get over and get my hand round his balls. As I fondle them his dick starts to swell. I kneel down in front of him and get his dick in my mouth. Tom puts a hand on the back of my head and strokes it gently. "Up here, Andy, when you're ready," he shouts. Then he says quietly to me, "If that's all right with you. He'll want to join in." I nod, as I can't speak with his dick down my throat. I get my hands round and caress his meaty arse and he gets some rhythm going with his hips. Andy comes in and stands for a moment, watching us, fondling his dick through the front of his work trousers. Andy comes over, lifts me up till I'm standing, and kneels down in front of me. As he's kneeling, Tom gets his hands on my jeans. My dick is soon lunging out at them and into Andy's waiting mouth. Tom stands behind me, arms round me, rubbing my nipples, his mouth nuzzling at my neck. I can feel his solid dick at my arse cheeks. Tom comes round and joins Andy and they take turns at my dick with their mouths, and then get on either side of the shaft. It looks well horny to look down at these two guys with their mouths on my cock. I can see their dicks between their knees: the guys are having a wank at each other's cocks as they blow me. I'm greedy for their cocks again, so I take

my dick away from their mouths and kneel down. They both stand up and I get a hand on Andy's arse while I get Tom's dick in my mouth. Tom puts a hand on Andy's arse, too. Andy's dick edges nearer to my mouth and I get my other hand onto Tom's dick while I start to blow Andy. The guys stand close together and I glance up and see they are snogging. Both dicks are rock solid. Well, I've never tried this before, but here goes... I get them as close together as possible and get my mouth round both heads of their dicks, and stretch my mouth open as far as possible. I run my tongue over the base of their dicks. Andy's hand is on the back of my head. Fuck, this is really hot, looking at these two guys, with their dicks crammed into my mouths, trousers round their ankles. I get a hand on my dick and wank furiously at it and in a moment I'm shooting spunk everywhere. The guys cum almost simultaneously. I take a bit of the thick, salty spunk in my mouth then get a hand on both dicks and finish them by hand, rubbing the spunk on my face. The guys help me clear up, even though I ask them not to, and say that when they come to fit the radiators we'll get time for a good, long play. I can't wait...

QX MEN IS LOVING...

STEVEN PRIOR

● WHAT is it about young Steven Prior that has us transfixed at the screen whenever he comes into shot?

Could it be his bulging biceps or hard gym-trained six-pack? Maybe it's his commanding stage presence or the way he delivers his lines like a Shakespearian actor?

We'll have to ask Bulldog XXX director Ashley Ryder if he knows what Steven's got that makes grown men go weak at the knees, as he's cast Steven in two of his latest DVDs, Cruised and Stretched.
