Usually, when we see a hot guy who's got a peach of an arse, just like this month's cover guy Adam Bryant, we'll say, "Hmmm, he'll have a tiny cock then".

But, as you can see, gorgeous Adam is blessed in both trouser departments and has a beautiful arse AND a big meaty cock too!

He's bloody good looking as well, so we're telling ourselves he must have the IQ of a house brick.

See more of this perfect specimen of a man in Hot House Video's Erector.

GAY DATING APPS TARGET SPORTS-MAD AMERICANS

● **FIRST** it was gay dating site **Scruff** ruffling the feathers of middle America after it debuted one of its advertising campaigns on two 48ft x 14ft digital billboards targeting Super Bowl visitors to Arizona's University of Phoenix Stadium.

THE two huge billboards, one on the highway leading up to the arena, the second in the car park directly next to the stadium, featured two buff guys in a locker room, holding footballs. Not to be

outdone, Squirrt.org, the hook-up and cruising listings site, soon rolled out its mobile billboard which features a couple of half-naked men with the slogan, "Meet Mr Right Now" emblazoned on it. "Football is one of the most homoerotic sports that a gay man fantasize about, with well-built jocks running around in tight uniforms, slapping each other's butts," said Attila Szatmari, Squirrt.org's digital business director. "Squirrt.org is the best place for

meeting and cruising men and we wanted to remind people of that as our mobile truck cruises around Phoenix. Not only will there be lots of cruising happening in University of Phoenix Stadium public washrooms, we bet that all gay 'cruising' spots will be busy during the big game," he said.

KEY WEST GAY RESORT TORQUAY

● **KEY WEST** is the UK's first gay resort and the largest gay men-only venue in the South of England.

all pockets, ranging from Saver rooms to Super King Rooms. All are en-suite with digital TVs and complementary tea and coffee making facilities. Key West's self-catering studios offer flexibility and independence with cooking facilities and en-suite shower rooms.

There's a spacious bar that's also open to non-residents, with sun terraces, a large dining area, health club and outdoor pool, all set in beautiful gardens. Wherever possible Key West's kitchen source local produce and their bar also stocks a variety of products made in Devon and Cornwall.

POWER KHAN: ELIXIR OF MALE POWER TO YOU

● **POWER KHAN** is an erectile dysfunction herbal remedy that originates from an ancient Korean royal recipe.

ONE of the best selling products in Korea, Power Khan was introduced to Japan in 2004 and took the market by storm. Japanese consumers loved it so much they renamed it Thunder Khan and in other countries Power Khan is called Natural Viagra due to the nature of its amazing erectile dysfunction herbal remedy. It's said that, if consumed correctly, Power Khan can recover weakened sexual ability with tremendous results and can help men of all ages. It's said that this erectile dysfunction herbal remedy is better than any herbal Viagra, and is better than any chemical drug with no side effects. LOST YOUR LIBIDO?

● **IF** the only thing you want to do in the bedroom is curl up with a good book then Healthspark's **Viamino**, an all-natural 'blue pill', may help you.

SEXUAL health concerns are becoming increasingly common among men, and with the stresses of modern life it's not unusual for a man to experience a temporary decline in his sex drive at some point in his life. Lack of sleep, poor nutrition, hormonal imbalance, a demanding job and ongoing stress, depression and certain prescription drugs can all contribute to loss of libido. Healthspark's Viamino is an all-natural nutritional supplement designed to help maintain normal sexual function in men. It's packed with key ingredients including the amino acids L-Arginine, L-Lysine and Acetyl L-Carnitine for sperm health, Maca Root, which may help to support a normal sex drive and increase energy and endurance, and Zinc, which is very important for us guys as the mineral is released when we cum. Viamino is a convenient one-a-day formula and because it's 100% natural, there are no known side effects. Healthspark's Viamino costs £24.95 for 30 vegetarian capsules and is available from Holland & Barrett stores nationwide and online at www.healthspark.co.uk.

MARCH 21: HARD ON... FETISH SEX DANCE!

● GET yourselves down to Union on Saturday March 21st for your monthly Hard On fix and cop an eyeful of Butch Dixon's slutty bottom Kris Kurt. He'll be putting on a XXX-rated sex show that will, no doubt, explain how the sleazy German porn star was able to take Max Toro's kilo of cock with such ease in his latest scene for ButchDixon.com! Special guest DJ Ronald Djr de Wit from Amsterdam will be there too alongside Hard On's sexy resident mix master DJ Brent Nicholls, and they'll be pumping out all your favourite ball bouncing, butt fucking tunes on the club's intimate, laser-filled dance floor. One of the things we love about Hard On is that once you've worked up a sweat on the dance floor you can go and find someone in Suzie Krueger's well equipped play room, the dark and cruisey mezzanine, in the wet area, at one of the glory holes or in a private cubicle, or outside while you're having a fag on the heated smoking terrace! You don't have to be a Hard On member to get in anymore - just turn up on the night and you'll be let in as a guest. However, Hard On membership only costs £10 for a year and it'll entitle you to loads of benefits, like 20% off at London fetish store Expectations on the day of Hard On. And, of course, you'll save a fiver on the entrance fee every time you go! To become a member just sign up at least 24 hours before the party online at www.hardonclub.co.uk. Hard On enforces a strict dress code of leather, rubber, uniform, skinhead gear, sports kit or, for the very daring, just your boots! No plain jeans or trackies, and trainers are only allowed with full sports kit. Doors open 10pm 'til late. Members get in for £15 and it's £20 for guests. Hard On...

MR HOIST 2015 CONTEST - 07/02/2015

The annual Mr Hoist Contest, sponsored by d.vote Rubber and powered by TheHoistBasements.com, is now one of the most high profile of the many 'Mister' contests that take place in cities the world over.

the hoist london

SO it came as no surprise that organisers of this year's event had to restrict entrants to just ten when over 20 guys wanted to compete! Both of the Hoist's cavernous arches were filled to capacity with hot leather daddies, fit young studs in leather and rubber, along with skins and sports guys, all there to choose their ideal Mr Hoist who would ultimately represent the UK at this year's IML (International Mr Leather) in Chicago.

The contest quickly became a three horse race when a trio of hunks grabbed the audience's attention early on, and it was a 38 year-old hunk called Baz who took first prize, beating off Mikey and Luke, and left the club that night £1,000 richer! Runners-up Mikey and Luke didn't fare too badly either, winning cash and vouchers from sponsors, d.vote Rubber. We found out that Bas, the newly crowned Mr Hoist 2015, likes leather, fetish and sub/dom play and his favourite item of fetish gear is a leather dog collar. "I'm looking forward to representing the Hoist in 2015. It's a very sexy fetish club and I love it... You can always hook up with a hot stud here and have a good time!"

We caught up with the Hoist's Unkut Kurt a few days after the event. "Wow! That was a mind-blowing party. The testosterone levels were extremely high and I have never seen so many dressed up, buffed up horny studs in one place. Best of all; the brand new Bar Berlin next door proved an absolute knock out too! Big Saturday night fetish parties are back at the Hoist... and they are back with a bang! Next stop is Saturday March 7th when it's Hoist Black. It's my favourite with an ultra strict leather/ rubber only dress code. Plus our new invite-only kink parties have taken off in a huge way. Keep an eye out for more details and how to get an invite!"

THEM LADZ IS WELL FIT!

THE UK's number one Friday night cruise and dance club Fitladz has grown up fast and from the beginning of March it's going to be taking over Barcode a few more nights in the week... Well, when we say a few what we actually mean is six.

Yes, your eyes aren't deceiving you; from March 1st Fitladz is going six days a week! When we heard the news we got straight on the blower to Steve Darragh, the club promoter legend behind Fitladz.

6 NIGHTS A WEEK!

Amateur Strip on Thursdays sounds like our kind of thing. How do you enter?

Contact me via the official Fitladz Facebook page or just rock up on the night with your cock out... It'll be a fun way to walk off with a £100!

With Fitladz taking over Barcode most of the week, can you see it ever going seven nights a week?

Step by step. Barcode on a Saturday night is an institution and doing well. But never say never!

We've heard that if you rock up to Fitladz and say, "I love QXMEN" you'll get in for free... Is this true?

Well, coz we love you guys at QXMEN we thought it only fair. So yes, Sunday to Thursday for the month of March, just say to the guy on the door "I love QXMEN!" and you'll get in totally FREE!

QXMEN: Hi Steve. Is it true? Is Fitladz going six days a week!?

STEVE: Yep. We're basically building on the huge success of Friday nights. At least now you can turn up Sunday through to Thursday 6pm 'til 2am and know exactly what you're getting. Each night will have its own theme, just without any strict dress codes. So we'll have Sporty Sundays, under 25s, Amateur Strip night, suits and more... Check press for details.

Fitladz is at Barcode, 69 Albert Embankment, Vauxhall, London SE1 7TP.

10 REASONS WHY WE LOVE POOLSIDE 1

to name a few, under his director's belt.

5. Because Falcon Studios is famous for its breathtaking outdoor action, and Poolside 1 is no exception.

6. Because Brent Corrigan and Darius Ferdynand share an intense flip fuck in scene one.

1. Because, even though we love gay porn, on a cold grey winter's morning, the sight of the Nevada sunshine bouncing off the crystal blue water is enough to lift our spirits!

2. But back to the movie... Because it stars a cast of eight gorgeous hunks wearing, at most, a pair of tight swimming trunks.

3. Falcon Studios Group A-Team Exclusives Brent Corrigan, Ryan Rose and Derek Atlas lead an ultra-hot cast that includes Darius Ferdynand, Anthony Verusso, Josh Conners, Lucas Knight and Brenner Bolton.

4. Because Poolside 1 is directed by porn star Bruno Bond, who has smash hit titles such as Guard Patrol, Gran Vista and Size Matters

7. Because in scene two, Anthony Verusso gives great oral and anal pleasure to Ryan Rose, for which he's rewarded a shower of Anthony's cum.

8. Because in scene three, Josh Conners braces himself against the trunk of a palm tree while Derek Atlas pounds his hungry butt.

9. Because Darius Ferdynand and Anthony Verusso trade eager blow jobs in the hot summer sun in scene four.

10. And because Brenner Bolton takes on Lucas Knight's monster cock from both ends, climaxing in a deluge of cum into the turquoise waters of the pool, bringing to a close the fun in the sun that is Poolside 1.

10 REASONS WHY WE LOVE ONESIE DIRECTION 2

6. And because sweet little Oli just so happens to have a humungous cock, which he uses like a seasoned pro on Luca's boy butt.

7. Because in scene two it's Onsie Direction member, tattooed hottie, Mikey Taylor's, turn to take advantage of his celebrity status and fuck one of his adoring fans.

1. Because it's by Euroboy, the studio that has all the hottest British twinks.

2. Because it stars Oli Jay, Luca List, Mickey Taylor, Riley Jordan, Reece Bentley, Ryan Cayman and Drake Jones.

3. Because we're reminded just how much stamina these young twinks have as they fuck and fuck and fuck some more without breaking into a sweat!

4. Because young twinks have so much more spunk in their balls, which they can shoot out so much further than their older counterparts!

5. Because in scene one, Onsie Direction fan Oli Jay stumbles into Luca List's dressing room by mistake and ends up fucking his pop star idol.

8. And because in this scene we get to see Mikey's expert topping skills when he fucks his young fan, Riley Jordan, to within an inch of his life!

9. Because the third and final scene is an outstanding gang bang featuring all five members of the band.

10. And because the band's spunk-filled gang bang lasts an impressive 30 minutes!

10 REASONS WHY WE LOVE HAIRY HUNKS & HAIRY HOLES

6. Because scene three is from one of our favourite Monster Bang Video's films *Nasty Fuckers* and stars Jason Michaels and Bruno Knight. The scene's set in what looks like a prison cell... somewhere our poor buddy Bruno must be all too familiar with now.

7. In this scene Bruno appears to claim Jason as his new fuck-toy... Again, a scenario Bruno might be familiar with now.

1. Because it's another of those hot compilation DVDs by Stud Fuckers.

2. Because you won't find any hairless twinks with shaved holes on this DVD... Only - yep, you guessed it - hairy hunks with hairy holes.

3. It stars Heath Jordan, Colby Keller, Aleks Buldocek, Shawn Wolfe, Bruno Knight, Jason Michaels, Adam Champ, Derek Parker, Mike Dozer and Marcus Issacs.

4. Because scene one is from Falcon Studios' *The Other Side Of Aspen VI* and stars lumberjacks Heath Jordan and uber-hung Colby Keller.

5. Because scene two is from *Timberwolves* by Raging Stallion Studios and stars a couple of majorly sexy hairy and tattooed studs, Shawn Wolfe and Aleks Buldocek.

8. Because in the fourth scene, muscle bound hunk, Derek Parker, gives up his arse to an even bigger muscle bound hunk, Adam Champ, in an explosive scene from Raging Stallion Studios' epic DVD *Explosive*.

9. Because scene five is from *Hard Friction's Relentless* and stars two of our favourite hirsute hunks Mike Dozer and Marcus Issacs!

10. And finally, we love Hairy Hunks & Hairy Holes because it's the most fun you can have with hirsute guys without getting those curly hairs in your mouth!

Available from Prowler, Expectations, White Tiger and all good DVD stockists, and at www.ProwlerDVD.com.

10 REASONS WHY WE LOVE DEACON HUNTER: OPERATION ALPHA

lads restrained and getting their cock and balls tortured.

8. Because it features young lads restrained and forced to suck their abuser's cocks.

9. Because in the final scene, evil daddy Sebastian Kane forces two captive lads to spank and fuck each other... just because he can

10. Because, even though the lads are being tortured and abused, they all have stonking hard ons!

1. Because it's by those naughty guys from Boynapped.com.

2. Because it stars Deacon Hunter, Reece Bentley, Nathan Gear, Kenzie Mitch, Edwin Sykes, Sebastian Kane and Ashton Bradley.

3. Because it features young lads restrained and having hot wax dripped over their naked bodies.

4. Because it features young lads restrained and getting their arses spanked.

5. Because it features young lads restrained and getting their arses finger fucked.

6. Because it features young lads restrained and getting their arses fucked hard.

7. Because it features young

NEW CUMMERS

NEW AND UPCOMING RELEASES THAT LOOK HOT!

I, SPY

● THEO Ford is a landlord with a dark side who has hidden cameras in every room of every house he lets out. A voyeur with a very strict tenant policy, Theo's tenants need to be hot, muscled, big dicked and have a high sex drive. And his voyeuristic prayers are always answered because each day as he checks the cameras on his computer he catches sight of one hot fuck after another. There are living room love-ins, kitchen counter quickies and passionate fucking from a couple that Theo takes an unhealthy interest in! Theo Reid, Scott Hunter, Issac Jones, Bruno Bernal, Billy Baval and Saxon West join giant dicked Theo Ford in this horny, muscle-bound tale of voyeuristic sex from Alphamales.

POOLSIDE 2

● THOSE stunning men sporting huge hard ons in their swimsuits, are back in Poolside 2, the second instalment by director Bruno Bond for Falcon Studios. A hot summers day heats up the sexual desires of eight gorgeous men who rendezvous Poolside for more of the breathtaking outdoor action that Falcon is famous for. Andrew Stark wields his massive cock on Josh Conners' hole and Jack King and Colt Rivers blast each other with jets from their water guns before ditching the

toys and blasting each other with their spunk. Rylan Knox dares Ryan Rose to fuck him with everything he's got, while Derek Atlas and Darius Ferdynand connect for an epic flip-flop fuck that builds to an intense mutual climax.

STUFFED

● JUICY holes need giant toys and it looks like Ashley Ryder raided his toy box for the monsters used in Bulldog XXX's Stuffed! Greedy bottoms Logan Moore, Luke Desmond, Dylan Ryder and Saxon West show off their impressive hole-stretching skills when they take on a selection of mahoosive donges and a couple of big cocks too – notably the ten incher belonging to super-hung daddy Rocco Banks and Kayden Gray's nine and a half inch dick

of death. But even Rocco's and Kayden's cocks are upstaged by the toys on show, as dildos as long as your arm disappear up inside the twinkiest of workers' holes when they get well and truly 'stuffed'.

KROSSFIRE

● IN January, hot gay porn newcomer Sebastian Kross became the latest addition to the Falcon Studios Group A-Team, and the handsome former Navy seaman has just headlined in his first feature, Falcon Edge DVD Krossfire. Directed by Nick Foxx, Kross stars in two scenes, the first with scene partner Colton Grey, was Kross' second sexual encounter with another man and his first in front of the camera! Nick Sterling gets head from Dorian Ferro before burying

his dick in Dorian's arse! Sean Zevran's hairy, sculpted body is irresistible to Kross, who's back for more in their sexual tangle that leads to an eruption of cum and Ryan Rose face fucks Colton Grey before impaling him on his huge rod.

IT turns out that in January there was an incredible 10,365 guys online, taking instructions from website visitors from all over the world. Cam4's model of offering completely free access to thousands of horny guys on cam certainly seems to be working, with the site going from strength to strength.

GAYS OVERTAKE GIRLS ON CAM4!

CAM4

We're only a few months into the year and yet there's

already big news from the UK's largest adult webcam site Cam4.

Just weeks after winning Webcam Site of the Year at the prestigious XBIZ Awards in L.A. (the adult film industry's equivalent of the Oscars), Cam4 have announced that for the first time the number of gay performers has overtaken the number of girls on the site!

QXMEN spoke to David Thomas, Cam4's UK Marketing Director.

What are the three best attributes of Cam4?

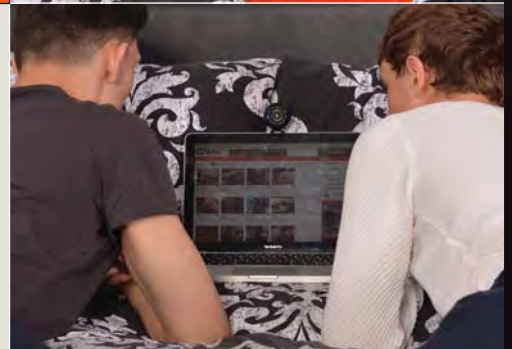

- 1 – Online performers! As the largest webcam site in the world we have the most performers, we average 2,000 online performers 24 hours a day!
- 2 – You control the action! Porn is great, but how many times have you wanted to tell a hot straight boy to show you his cock? On Cam4 whatever you want to see, you ask, you get!
- 3 – Cam2Cam! The closest you'll get to sex online! Enter a private show, turn on your cam and let the fun begin!

Okay, I'm a horny guy at home on a week-night. What can I get out of Cam4? Can I just browse without signing up? Do I have to spend money?

Sure you can. Even without an account you can browse and view the cam of any of our online performers. You don't need to pay anything, make an account or provide any of your personal information.

Can I search for my perfect guy?

You'll always be able to find a performer you really want to watch, click the magnifying glass at the top of the site and you'll see all sorts of options to narrow down your search results... Whatever you're into, you'll find it at Cam4.

VOTING is well underway for the second annual Prowler Porn

Newcomer and Best On Screen Couple with James Dixon for their BlakeMason.com scene) had this to say about his nomination, "It's very nice for me to know people like my work and support me."

And the best proof of that is to be nominated for an award where it's the public choosing the candidates." Adam Dacre, last year's winner of Best Newcomer, has progressed in 2015 and has been nominated for Best Stud. "I'm so pleased to have been nominated once again. It was a shock for me as I took a break from porn for a while, but I'm glad to know my work was still appreciated."

JUSTUSMEN GIVES YOU THE LOWDOWN ON COCK RINGS

A BRIEF HISTORY

Cock rings are nothing new. Originating in China, it's believed guys have used them for thousands of years and the first ones were made from a goat's eyelid... Eugh!

TODAY'S COCK RINGS

Luckily, things have moved on and today's cock rings come in a huge variety of materials including metal, glass, plastic, rubber, silicone and leather.

HOW DO THEY MAKE THINGS BETTER?

When you get turned on, blood flows into your cock causing it to swell and get hard. With a cock ring in place the blood stays in your cock, keeping it harder for longer. When you wear a cock ring, the slight swelling the ring creates makes your cock feel extra hard and adds to the sensation when fucking or masturbating. The sling type cock ring (one of the most popular styles) goes around your cock and balls, and the additional feeling of something gripping your nuts can be very enjoyable.

PUTTING THEM ON

Adjustable cock rings are easy to put on. Simply position it behind your balls or shaft and balls - depending on the design - and fasten to a comfortable, but snug tightness. For solid types slide it down your flaccid cock to the base and gently manoeuvre your balls through it one at a time so it sits behind your nuts and at the very base of your shaft. When wearing the sling or stretch type, the same applies. A few drops of water-based lube can help it slide on more comfortably, as can hair-free balls!

ARE THEY SAFE?

When you use the correct size, cock rings are perfectly safe. However, it's essential that it's not painfully tight (especially the solid type) and if your nuts get cold or it's painful remove the ring as quickly as possible. We fully recommend starting with the flexible or adjustable type as these can easily be removed regardless of your state of erection.

JUSTUSMEN are a gay-owned and managed online gay retailer with a wide range of underwear and sex toys. Check out their huge range of cock rings at www.justusmen.co.uk

OXBALLS... DIRTY TOYS FOR TWISTED BOYS!

CLONEZONE has an unbelievable selection of cock rings from best-selling U.S. brand Oxballs! Made for real men, each high quality Oxballs cock ring is unique in design and has its own unique purpose that'll help improve your cock's performance when fucking or wanking.

UNIT X-STRETCH SPORTS-SLING £29.99

● OXBALLS invented the original Cocksling, a combination cock ring and ball stretcher that, with a firm squeeze, grips your balls and cock perfectly, and not only helps get harder, but when you cum, you'll notice you fire harder and it feels stronger! This Stretch version adds more squeeze to your sack with an extra inch of rubbery ball stretching! Available in Black, Clear or Red.

GRINDER 1 & 2 BALL STRETCHER £24.99

● THE heaviest and softest ball stretcher Oxballs make, the Grinder has been designed to pull your balls away from your body. This intense stretch helps keep you hard and gives you that hot tugging feeling. And when you cum... you cum HARD! Available in two sizes, Grinder 1 is for - as the guys at Oxballs put it - roid-balls, *high and tight* sacks, and medium balls stuffed in small bags, and the larger Grinder 2, for medium balls in a bigger size sack and huge nuts in a low-hanging sack.

PUPPY COCK RING £25.99

● WEAR this super soft, stretchy cock ring discretely under your balls or face it backwards and get on all fours like a good pup should. Because there's nothing a master likes more than to look down and see his pup wagging his tail and showing off his hole with a puppy tag holding his cock and balls away from the body!

TURBINE £29.99

● OXBALLS' light-weight Turbine cock ring rests gently under your balls and pushes everything forward for an extra hefty-looking package. So it's perfect for filling out a jockstrap or a making a beefy bulge in your Levi's, tight leathers or rubber gear.

JUICY-PUMPER £29.99

● THE Juicy Pumper cock ring is stretchy and comfortable, yet still has enough grip to feel great. This beefy cock ring features a curved lip shape that grips against your shaft while the larger, rounded end sits at the base of your cock and balls. When you wear this bad boy you'll notice your cock is harder, sex feels better and your cum is stronger!

Z-BALLS £16.99

● IF you like a nice snug cock ring and you're also into stretching your balls then one of these bad boys is just what you want. A multi-purpose ring, either hook it around your sack for those low hangers or around the base of your cock for a vein popping, rock hard boner! And for the pig who loves it all (that'll be all gay men then) wrap it around your cock and your balls for some dual action nut swingin' and dick grippin'!

STACKER £24.99

● THIS beefy, cog-shaped cock or ball ring will give you a good grip no matter how lubed up you are. Pop this bad boy around the base of your cock to keep you rock hard, or put it around your balls for a strong pull that'll keep you harder for longer!

XXX COCK RING £8.99

● THE thick and beefy XXX Cock Ring has extra padding behind the balls that gently pushes out your meat and two veg (a bit like a Wonder Bra) just enough to put it nicely on display. It's made from MAX-FLEX TPR, an ultra-stretchy material that stretches a whopping six times its original size, and the XXX Cock Ring has just the right amount of grip making it feel like a part of you!

NUTT COCK RING £22.99

● WHETHER you're into fucking or stretching your balls, the Nutt is a dual-purpose silicone ring that's guaranteed to get you to bust yours! Available in Black or Zinc.

THE FUCKLER £24.99

● THIS thick silicone cock ring has little 'fingers' that probe and tickle your balls while you wank or fuck! Lube it up inside and out (using any type or brand of lube as the Fuckler is made from Oxballs' pure platinum cure silicone), stretch it over your cock and wear it either with the little 'fingers' pointing downwards to massage your balls or upwards so they'll tickle your partner's hole!

BULLBALLS 1 & 2 BALL STRETCHER £24.99

● YOU'LL go nuts over these ultimate ball stretchers! Made from new super stretchy SKINFLEX silicone, BullBalls have an incredible feel, just like warm flesh, and they have a lot of stretch too! Choose from the regular size BullBalls 1, and if you have huge balls (we envy and hate you) there's the larger BullBalls 2 just for you lucky bastards!

Courtesy of those nice guys at Clonezone you could win yourself an Oxballs Z Balls. To enter, send an email with your name and contact details to editorial@qxmen.com with Oxballs Competition in the subject field, or pop your details on a postcard and send it to QXMEN, Oxballs Competition, 2nd Floor, 28 Denmark Street, Soho, London WC2H 8NJ. FOLLOWING the success of the innovative Lightweight Sling Frame, RED has just unveiled its latest design, the RED Heavy Duty Sling Frame.

PRECISION ENGINEERED FOR HEAVY DUTY ACTION

AS the name suggests, RED's new Heavy Duty Sling Frame has been precision engineered for 'heavy-duty action' and is a completely new registered design, with upper and lower Y-shape cross members and a T-shape rear attachment point incorporating a fifth attachment point for 5-point Slings.

Its unique Y-shape frame is perfect for use in today's modern homes with smaller rooms and the Heavy Duty Sling Frame easily fits itself in and around existing furniture. It's easy to assemble too and you don't need a load of tools, as its components simply clamp and clip together to produce the strongest and most sturdy frame available on the market.

The RED Heavy Duty Sling Frame shares the same dual-purpose attachment points and non-marking rubber feet as the Lightweight Sling Frame and, similarly, its components are made from mild steel with a zinc plated finish and centre connection pieces in black, all manufactured to the highest possible standards and close tolerances.

Weight is also kept to a minimum, and the RED Heavy Duty Sling Frame weighs in at just 25 kilograms (including the heavy-duty canvas bag), which is only four kilograms heavier than RED's Lightweight Sling Frame.

RED's Lightweight and Heavy Duty Sling Frames are the same price £400 and available direct from RED at www.UKRed.com and from selected retailers.

Stainless steel and mobile versions for club use are available by special order direct from www.UKRed.com
Dimensions: Height: 194 cm. Length: 160 cm. Width (butt end): 120 cm

QX MEN IS LOVING...

... THIS PHOTO OF KAYDEN GRAY!

● IT'S not a view we get to see very often of the handsome top guy.

That's because the camera's usually focussed on Kayden's perfectly formed nine and a half inch cock as he thrusts it into the mouth or arse of a lucky bottom.

If, like us, you're a fan of the sexy Polish stud you'll love The 9.5" Of Kayden Gray, a compilation DVD from Eurocreme that features five of Kayden's hottest spunk-filled scenes to date!
