GENTLEMEN, THE POWER IS IN YOUR HAND!

● **PORNHUB**, the free online porn site, has released details of, as they put it “The first wearable tech that allows you to love the planet by loving yourself.”

CALLED the Wankband, it's a concept design for a wearable device that would generate energy from masturbation. “Every day, millions of hours of adult content are consumed online, wasting energy in the process and hurting the environment,” said a spokesman for the website. “At Pornhub we decided to do something about it.” Worn like a watch, the band would create power when moved in an up and down motion and a kinetic charger inside would store the electricity generated. This 100% sustainable

energy could then be used to power your mobile phone, a laptop, a camera and other electronic devices by plugging them into the USB port on the side. Find out more about the Wankband at www.thewankband.com then sign up to become a Beta tester and discover how this amazing invention can help you save the planet.

IT'S TIME FOR A HOT DATE!

● **AHEAD** of the release of the Apple Watch later this month, PlanetRomeo, one of the world's largest gay dating platforms, has announced the launch of its smartwatch apps.

“PLANETROMEO is a perfect match for the smartwatch,” said Sven Voges, Chief Product Owner. “Users will easily view profiles, chat and plan dates on the go. We're also exploring cool new features. Imagine being notified as soon as the right guys are nearby or getting turn-by-turn navigation to your next date.” The smartwatch apps will work as an extension to PlanetRomeo's popular mobile apps for iOS and Android. The company's strategy is to work closely

with the gay community to tailor the new features according to the user's needs. The gay community is known to be early tech adopters and will be a good indicator whether Apple will start a lifestyle revolution once again. The launch of the smartwatch app is part of a major revamp of PlanetRomeo's platform in 2015. Their mobile apps for iOS and Android have got a slick new design and the all-new web interface has its Beta rollout scheduled for this summer.

● IF you're into fetish, sex and dance then get yourself along to this month's Hard On. It's on Saturday April 18th and this month Suzie Krueger is spoiling us with a sleazy sex show with not one but two hot porn stars and hot American porn model JP Richards will be joined by a Butch Dixon newcomer, power

bottom Russ Magnus! But, of course, Hard On's not all about sex! Membership's not required to get in any more, but if you want to become a member (which is only £10 for the year) and enjoy loads of great discounts at selected fetish stores, saunas and more, then you'll need to sign up 24 hours before the party at www.hardonclub.co.uk. Hard On's strict dress code of rubber, leather, sports kit, skinhead or just your boots, is always enforced, so please don't turn up wearing plain jeans or trackies as you won't get in. Trainers are permitted, but only with full sports kit. Doors open at 10pm and the party goes on 'til late, entry's £15 for members and £20 for guests, and unlike some establishments, you'll enjoy cheap bar prices at Hard On.

PROWLER PORN AWARDS 2015 ■ 26/03/2015

RETURNING for its second year, the Prowler Porn Awards, presented by Prowler and Apply To Model, took place on Thursday March 26th at London's premier gay members club, Shadow Lounge.

PROWLER PORN AWARDS

Some of the biggest stars from the gay porn industry were at the exclusive Soho hotspot for this year's glittering awards ceremony. They were joined by the press, industry figures and porn fans at the night that had become one of the hottest tickets in town! After posing on the red carpet for the paparazzi, stars from Eurocreme, Alphamales, Menatplay, UKNakedMen, Butch Dixon, Blake Mason, Boynapped, Treasure Island and other leading UK gay porn studios mingled with hotties from BelAmi and Cockyboys who'd jetted in for the event.

The awards were set up to recognise the British gay porn business and salute both performing and filming talent, and this year's glittering event was sponsored by BelAmi, UKNakedMen, Butch Dixon, Eurocreme, AussieBum, ID Lube/Skins, GPScore, Stunner Media and Manzone. BAFTA award-winning television writer, Darren Little and his partner, porn star Theo Ford, hosted the night's proceedings, and awards were spread across 16 categories. With a judging panel made up of executives from across the industry, it was a public vote which helped decide what was a closely run race, and winners on the night included Kayden Gray, who picked up two awards for Best British Top and Best British Stud, JP Dubois, who won Hottest British Porn Star and Darius Ferdynand, who walked away with the award for Best British Bottom. Other worthy winners included BelAmi's Lukas Ridgston who won Best International Porn Star, Mickey Taylor who was voted Best British New Comer, Alex Silver who won Best British Twink, bad boy Ashton Bradley who won Best British Fetish Porn Star, Scott Hunter who was crowned Best British Daddy, Sam Barclay & JP Dubois won Best British Director, while Best British Porn DVD went to UKNakedMen for *Get Thee Behind Me* and Young Bastards' *Cruised & Abused* won Best British Fetish DVD. Another highlight was Nick Baker, founder of English Lads, receiving the Lifetime Achievement Award from last year's winner, porn daddy legend Gavin Hay.

A full list of this year's winners can be found at www.prowlerpornawards.com

10 REASONS WHY WE LOVE PLAY TIME

6. We meet James and Tyler, a couple of twinks with a penchant for kink.

7. These two lads love puppy play and have fun with a dog collar and lead, a doggy toy bone and puppy dog's tail butt plug.

8. If you like sex and food then wait 'til you see them licking caramel and cream off each other's torso and stiff cocks!

9. And to finish off this round of Play Time, we're privy to three fit young twinks playing in the changing rooms and sucking and fucking each other.

10. When it comes to Play Time, these Euroboy twinks give it their all and always end up having very sticky happy endings!

1. Don't let their tiny bodies and tight holes fool you. These twinks all have hung dicks and filthy fucking minds.

2. When it comes to Play Time, they always make sure they have plenty of fun.

3. There's nothing hornier than watching young lads at work getting bored, getting horny and then getting it on together...

he shoots his load by hot tattooed skinhead Sean Duran.

7. Dressed in matching black jock straps and boots, real life boyfriends with initials for last names Johnny V and Joey D grapple around on the floor before Johnny takes all of Joey's huge nine inches deep inside his 'Fuck Hole'.

1. It's directed by Tony Dimarco, who's directed more than sixty movies for Falcon Studios and Raging Stallion under his belt.

2. He's chosen seven of today's hottest porn studs to demonstrate exactly what a good 'Fuck Hole' is.

3. Between them they have some of the deepest, wettest and sexiest holes in the world.

4. And in five scenes they deliver 100%, non-stop, dick-in-mouth and cock-in-ass action.

5. Boomer Banks plows Dario Beck and then with his tongue buried deep in Dario's freshly-fucked 'Fuck Hole' he jacks his massive cock to orgasm!

6. Hot Brit Tyson Tyler gets his puckered 'Fuck Hole' eaten and then fucked until

8. Tyson Tyler and Dario Beck come back for more and engage in some kinky double headed dildo arse play, rear ending each others' 'Fuck Holes' until they shoot their loads.

9. We can only assume that Tony Dimarco has a crush on Dario Beck as the Spanish porn star has a third outing and gets his furry 'Fuck Hole' ploughed deep and hard by muscle mountain Derek Atlas.

10. And the tenth reason for loving this movie so much is that it's given us the opportunity to say 'Fuck Hole' so many times!

Available from Prowler, Expectations, White Tiger and all good DVD stockists, and at www.ProwlerDVD.com.

THIS DVD'S TITLE MIGHT TURN OUR STOMACHS, BUT THE ACTION'S HOT AS FUCK! HERE'S 10 REASONS WHY WE LOVE THROBBING GRISTLE.

5. Dillon Buck wields his thick nine inches of uncut cock, and Junior Stellano takes it balls deep down his throat and into his hungry hole and for his efforts is rewarded with Dillon's hot load.

the most energetic scene of his career, and shows that he's as supple as any twink half his age when Spanish sex pig Aitor Crash fucks him upside down, sideways and all over their prison cell in a truly amazing acrobatic scene.

6. Throbbing Gristle has one of the horniest gents toilets scene we've watched in a very long time! It's a sleazy four-way where three burly geezers - John Connery, Alan Knight and Jamie Dean - face fuck, arse fuck and generally dominate and humiliate cocky lad Rocky in a night club's toilets.

10. We said it was a three-way scene and Johnny and Aitor are soon joined by hung Latino pocket rocket Gio Cruz, their next door cell mate, and the two tops fuck Johnny's hole before spunking their loads all over the appreciative bottom boy.

1. We don't know about gristle but there's certainly plenty of throbbing muscles to be seen in the movie.

2. It's a Butch Dixon DVD which means that each scene was directed by Jonno who's chosen the hairiest, horniest and big-dick stallions from the Butch Dixon stable to star in it.

3. There are five scenes in all, each one with sex that's fast-paced, hardcore and full of sweat and spunk.

4. It stars Dillon Buck, Junior Stellano, John Connery, Jean Franko, Yohan Banks, Rocky, Jamie Dean, Alan Knight, Johnny Hazzard, Gio Cruz, Aitor Crash, Martin Mazza and Jessie Ares, a truly international and diverse collection of some of today's hottest porn stars.

7. Jessie Ares stars in a horny as fuck scene where he gets all the way up Martin Mazza's spit-lubed fuck-hole.

8. Jean Franko is an arrogant Latino who's using and abusing cum-drinking sub boy, Yohan Banks. Yohan gets the full length of Jean Franko's thick uncut meat every which way before being fed his thick, creamy load.

9. Porn legend, Johnny Hazzard, stars in a hot jail cell three-way that must be

cock before taking it doggy style on the steps of the pool.

7. Jack King and Colt Rivers blast each other with jets from their water guns but soon ditch the toys and blast each other with cum!

8. Rylan Knox arches his back and dares Ryan Rose to fuck him with everything he's got, and Ryan delivers by slams him flat onto the grass.

9. We're not sure if Rylan regrets asking Ryan to give it his all or not as Ryan pile-drives the greedy bottom hard and fast until he blows his wad.

10. Darius Ferdynand returns for the final sun-drenched scene and hooks up with Derek Atlas for an epic flip-flop fuck that builds to an explosive climax.

1. Part 2 of Falcon Studio's sun-drenched double bill Poolside is every bit as hot as the first installment.

2. Bruno Bond has assembled a stellar line-up who look just as good in their tight swimwear as the cast of Poolside 1.

3. Darius Ferdynand, a vision both in and out of his Speedos is back for a second round of Poolside antics.

4. This time around seven more studs, namely Andrew Stark, Josh Conners, Jack King, Colt Rivers, Ryan Rose, Rylan Knox and Derek Atlas, join him.

5. There are four breathtaking scenes of man-on-man al fresco sex that Falcon Studios is famous for.

6. Josh Conners straddles Andrew Stark and lowers his hole onto Andrew's massive

7. We follow Brent home and watch as he offers his already fucked hole to blond lean and trim Jonny Kingdom.

8. When Scott Hunter's masseur is running late, receptionist JP Richards offers to try out his own trainee experience on him.

9. Spanish stud Bruno Fox greases up his big manly hands with oil and gets to work on hunky Dolan Wolf's lean torso.

10. But it's Dolan's arse that Bruno has his sights on, and lying naked, face down on the massage bed Dolan's hole is easily accessible.

1. It's by award-winning director Blacky Mendez, so you know it's going to be good.

2. The next best thing to getting an oiled up massage is watching a naked muscled hunk getting an oiled up massage.

3. Ass Games features muscle worship, hairy bodies being explored and hungry holes being played with.

4. Michel Rudin, Jonny Kingdom and Scott Hunter are oiled, relaxed and butt naked and ready to be massaged.

5. And their masseurs are hunks Bruno Fox, JP Richards and the very sexy newbie Brent Taylor.

6. Italian stallion Michel Rudin gets hard the moment

NEW CUMMERS

NEW AND UPCOMING RELEASES THAT LOOK HOT!

A WEEKEND WITH KAYDEN

● WE get a rare glimpse into the fuck-filled world of a porn superstar when Eurocreme invite us along for the ride when they follow one of their hottest and most hung models, the delectable Kayden Gray, for an entire weekend. Nothing is off limits and we even get to see what the super hung Polish fuck machine has for his breakfast! No, we're not talking fruit and a bowl of Bran Flakes; Kayden likes nothing more than a tasty twink for his breakfast! While out on his morning jog, he picks up young Kamyk Walker and bangs the living daylights out of the

young blond Eurocreme newbie back at his apartment! The rest of Kayden's weekend is full of hot encounters and he hooks up with hot twink, 18-year-old Drew Edwards and Luke Vogel, a well-endowed 19 year old with a cock to rival his own!

TAKEN

● FROM the guys who shoot those naughty films for studios like BoyNapped, Boys On The Prowl, Spritz, and Young Bastards comes Taken. It stars 18-year-old James Lewis, an innocent looking twink whose mother probably thinks is a little angel. However, looks can be deceiving and this 'innocent looking twink' turns out to be anything but, and he used and abused by a gang of powerful tops, the likes of Luke Desmond, Craig Daniel, Deacon Hunter, Dwayne

Adams and Leo D'Cartier. Watch if you dare as our cute young lad takes dick after dick and then load after load. Was it torture or was the young lad asking – no begging – for it? Watch Taken and make up your own mind. Sebastian Kane and Reece Stewart.

SPUNK-A-LICIOUS!

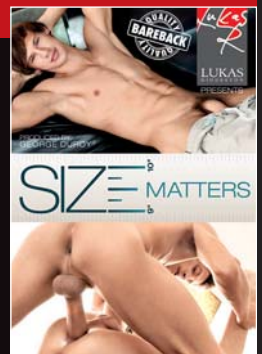

● Up first it's hot top Harry Louis who gives it up and takes on Harley Everett and Drew Brody! Lucio Saints is on fine form and leaves Tony Axel needing a few days sat on a rubber ring after an arse-punishing scene. Jason Stark is up next, pitted against big-dicked Italian Antonio Garcia who smashes his hole wide open leaving it gaping for Valentin Alsina, who's been watching the action and takes his turn before squirting a juicy load all over the sub boy's face! French fucker Fred Faurtin and horny Brit Tyson Mac are banged up Borstal boys next who give it hard to Alfie and in the final scene we're treated to one of UKNakedMen's all time most popular pairings, the delectable Kurt Rogers and Brazilian stud Carioca!

SIZE MATTERS

● WHEN it comes to dick size we wouldn't class ourselves as size queens, but when it comes down to the nitty gritty 'Size Matters'. Sure, technique plays a big part and so does the chemistry, but if a man's got a dick like a pencil no amount of charisma or chemistry is gonna make the sex any better and getting fucked him is always going to feel

like your being mounted by an excitable Yorkshire Terrier. Directors Lukas Ridgeston and Marty Stevens know what we're talking about and with a cast of BelAmi beauties including Jim Kerouac, Roger Lambert, Vadim Farrell, Ennio Guardi, Marcel Gassion, Paul Valery, Jack Harrer, Jason Clark, Paul Mekas, Adam Archuleta and

Scott Reeves they're going to teach you just how much Size Matters in this hot DVD.

WHICH ONE WOULD YOU PICK OUT IN A POLICE LINE UP?

We've been fans of Crackstuffers dildos and plugs from the very first time we saw one of the big blue schlongs, and ten years later Crackstuffers is now one of the leading

UK-based, gay-owned toy manufacturers, supplying stores around the world.

● SO, what's the secret of their success?

Could it be because the guys behind Crackstuffers are passionate about their product, evident by their website which says Crackstuffers are "Designed by men with

greedy arses for men with greedy arses."

Or maybe it's because all Crackstuffers' dildos and plugs come in incremental sizes so you can stretch at your own pace.

Whilst we're on the

subject of stretching if, when you're looking to purchase a new dildo, you skip through sizes Small, Medium, Large (and even Extra Large) and go straight to the HOLY SHIT section, then you really should make Crackstuffers your first port of call.

From the Realistic range (dildos we're reliably informed are based on real guys' appendages!) to the Missiles, Bobbins, Depth Trainers and Deep Plugs, Crackstuffers have monster toys large enough to satisfy guys with the most capacious of holes.

AUTHENTIC PLEASURE

PROWLER SERVES UP 100% ALL-NATURAL BEEFCAKE

➔ "What the hell happened to the hunks?" asks drag queen extraordinaire Lady Bunny in the Foreword to *Beefcake*, a collection of vintage porn from the Golden Age of male erotica.

● "Hollywood male A-list stars aren't hot anymore!" and while she admits that some are dashing and others attractive, none are true alpha males, bursting with testosterone like the movie stars from bygone eras...

If, like Lady Bunny, you long for the days of the drool-worthy, impossibly good looking hunks of the big screen, who the studios exploited for their sex appeal and not their acting ability, then you'll love *Beefcake*. Featuring images and layouts from physique magazines and photos taken from private collections of male pin-ups from the 1940s to pre-disco, *Beefcake* is a fun and humorous goldmine of rare, all-American beefcake pin-ups.

Written by Petra Mason with a Foreword by Lady Bunny, *Beefcake* is published by Rizzoli and on sale at Prowler.

PUMP UP YOUR BALLS AND BLIMP OUT YOUR COCK!

Well, that's what the guys at Oxballs say you should do with their new and improved Cocksling 2.

● FOR those of you that haven't heard of the Cocksling from Oxballs, it's the revolutionary, super-stretchy cock ring that three years ago took the world by storm! Why? Because not only does the Cocksling wrap around your cock like a normal cock ring, it also has an anatomical 'channel' that allows you ejaculate or even pee whilst wearing it – try doing that with a conventional cock ring on! Oxballs Cockslings also have the added feature of a ball stretcher that wraps around your balls and gives them a gentle tug. But one of the best things about the Cocksling has to be that at the same time it's doing all this it's also pushing everything you've got upwards and

forwards, giving you the porn star packet you've always dreamed of!

So what have they done to make this best-selling cock ring even better? For starters they've changed the TPR (Thermoplastic rubber) to a new formula that's stronger, but even more like silicone. Next they've added extra

material to the areas that get more stretch, meaning the Cocksling 2 is now more durable, and the openings have been reshaped for an even more perfect fit.

Get your second generation Cocksling 2 from Clonezone, which now stocks them in every colour of the rainbow (flag).

QX MEN
IS LOVING...

SEAN ZEFAN IN AFTER GLOW FROM HOT HOUSE

... However, the jury's still out on if we're actually loving the DVD's day-glow set.

It's been described as "quite simply the worst set in the entire history of gay porn" and "Barbie's psychedelic dream house"... which is a bit harsh.

All we would say is make sure you have a pair of sunglasses to hand when you watch this DVD.
