THE WALK FOR LIFE RETURNS WITH HOLLYWOOD THEME

● **IT'S** the Terrence Higgins Trust annual Walk For Life next month and the the HIV and sexual health charity is calling for action heroes, child stars and sirens of the silver screen to take part in this year's Tinsel Town themed event.

THE 10km sponsored walk around central London on Sunday 7th June starts and ends at Bloomsbury Square Gardens, winding its way through the City of London, across Tower Bridge and along the South Bank, before heading north over Waterloo Bridge and back to the finish line. The walk begins at 11am and takes around two to three hours to complete. At the finish line, participants will be given a medal, which unlocks a range of special offers at bars and restaurants in central

London. Sonya Trivedy, Director of Fundraising at Terrence Higgins Trust, said, "All of our supporters are stars to us, so it couldn't be more fitting to be rolling out the red carpet at this year's Walk for Life. There's no audition necessary; we're just calling for matinee idols, leading ladies, and even pampered pets to sign up and help raise funds for people living with HIV. However much you help raise through sponsorship, it will make a real difference to people who are in desperate need, so please sign up to this year's event." To join in the fun, either as an individual walker or as part of a team, please register at www.walkforlife.co.uk or call (020) 7812 1665. Registration costs £10 per person, which helps Terrence Higgins Trust cover the costs of the event. The sponsorship money raised will be ring-fenced for Terrence Higgins Trust's Hardship Fund, a project that offers grants to people living with HIV in severe financial need.

SQUIRT.ORG'S BILLBOARD SPARKS CONTROVERSY

● **SQUIRT.org's** latest advertising campaign has got the gay hook up site in the headlines again, but not for the reasons they were expecting.

LAUNCHED in March, the campaign (pictured above) shows three gay men, representing a diversity of races, embracing. The goal of the campaign was to raise awareness of racism in online dating, a topic that had been in the media for a while since news broke that many profiles on gay dating websites and apps have discriminatory statements like "no Blacks, no Asians, no fat, no old", etc. In order to quantify the issue, Squirrt.org surveyed its user base and asked them if they feel welcomed on Squirrt.org and other gay dating sites (Grindr, Scruff, Manhunt, Adam4adam and Gaydar). Squirrt.org ranked higher than any of its competitors.

However, what they weren't expecting was the controversy one particular advert on a billboard in downtown Dallas would spark. News stations and social media went crazy with comments for and against the campaign, from both gay and straight people. While there were the to be expected homophobic rants, there were many positive ones from every day citizens, such as "Doesn't bother me, and I'm straight. I think it's kind of funny. If you don't like it, you don't have to look," and "Half-naked women with suggestions of sex: OK. Half-naked men with suggestions of sex: not OK. Noted." However, were also comments from members of the gay community concerned that at a time when gay Americans are trying to get equal marriage rights "something like this being put up in a public place, it's completely immoral."

WHAT WE MEANT TO SAY WAS FRANÇOIS SAGAT IS AT PROWLER SOHO.

● **We're sorry for the confusion guys... It was seeing the gorgeous François Sagat again after all these months that got us all flustered, and what the headline in this month's QXMEN should've said was that the gorgeous ex-porn star's hot new clothing line, Kick Sagat, is available in Prowler Soho.**

YES, if you've been wondering what that gorgeous hunk of a man François Sagat has been up to since retiring from the gay porn industry in Spring 2013, then wonder no more. We all know him as a gay porn icon, but it turns out that before he started modelling, aged 18, Sagat dreamed of working in the fashion industry and worked in a handful of Paris fashion houses. Now the one-time uber porn God has returned to his first love and launched his very own fashion label. Called Kick Sagat, the sexy range includes briefs, trunks, jocks and t-shirts and it's available in store at Prowler Soho, 5-7 Brewer Street, London W1F 9RF.

SNEAK INTO MAY WITH BERLIN SNEAKERS

● **PUT on your sneakers, socks and sportsgear for a hot night of Spornosexual (Sports+Porno+Sexual) Fun at Berlin Sneakers' May party. Okay, so you'll have to be quick to make it as it's Friday May 1st.**

BUT if you're reading this edition hot of the press, you have no work commitments

and can jump on the next flight out to Berlin then we would advise you to go, because these parties – and the guys who attend – look hot! Berlin Sneakers is held at notorious men's bar Mutschmann's on Martin Luther Strasse in the heart of Berlin's Schöneberg, and downstairs in the bar's darkrooms and play area, there's cruising and wild sneaker action, while upstairs hot porn by SneakerSex.net and Spritzz is screened. Berlin Sneakers dress code is (if you hadn't already guessed) sneakers plus sportswear, sneakers plus rubber, sneakers plus leather, sneakers plus army gear – you get the picture! The party starts at 10pm and Mutschmann's is at Martin-Luther-Strasse 19, Schöneberg, 10777 Berlin. And if you can't make this month's party, the next Berlin Sneakers - with special guest DJ, porn star Spencer Reed, is on Friday June 26th.

MAY 16: HARD ON

● THERE'S nothing we like more than seeing a guy in skin tight rubber shorts, and it looks like those guys at Hard On think so too as this month they're giving the first 30 guys through the door wearing rubber shorts £5 off the entry fee! And if that's not reason enough to go, there will be one of Hard On's infamous XXX-rated sex shows and hot international DJ Tony Bruno will be joining Brent Nicholls, Hard On's resident DJ, to spin cock-thrusting beats and slut-grooving tunes and making it their mission to get you dripping with sweat on Hard On's intimate laser-filled dance floor! Once they have, our advice is to go and find yourself a nice chap who'll lick it all off in Hard On's huge, well-equipped play area and dark mezzanine, or the wet area, or one of the glory holes or private cubicles, one of Union's many dark corners or while you have a fag or toke on a cigar outside on Hard On's cruisey smoking terrace. You don't have to be a Hard On Member to get in any more, but if you want to become a member (and enjoy loads of great discounts at selected fetish stores, saunas and more!) then sign up online (at least 24 hours before the party) at www.hardonclub.co.uk. Hard On's strict dress code of rubber, leather, sports kit, skinhead or just your boots is always enforced. Trainers are permitted only with sports kit, and you won't get in wearing plain jeans or trackies. Entry's £15 for members and £20 for guests. Doors open at 10pm and Hard On goes on 'til super late!

UNION JACK HAMMER

WE would like to dispute Blake Mason's claim that the studio is the undisputed leader in amateur British porn. Why? Because there's nothing amateur about the British lads and the relentless balls deep, jack hammer fucking they deliver in the studio's latest release!

If you're a fan of tender sweet lovemaking then this DVD is not for you. However, if you like to see young lads with hormones raging, going for it hell for leather and fucking like a couple of Duracell Bunnies on speed, then you'll love Union Jack Hammer!

There are four scenes to choose from and each one has been expertly cast, pairing an arse-obsessed top with an insatiable cock-hungry bottom, and each one guaranteed to make you cum. Alex Silvers is up first with a new performer, the impressively hung Daniel James. Alex may look like a delicate little flower, but this twink takes the hard jackhammer fucking that Daniel gives him like a pro. Up next it's Sebastian Evans, a twink who loves to get fucked hard and deep. So top guy Riley Tess was the perfect scene

partner to give him what he wanted. Bradley Bishop loves to fuck a hot little arse, and young new boy Colby Parker certainly has one of those. The chemistry between these two is intense and the fucking and positions in their scene are amazing! Hung stud James Dixon and hungry bottom Timmy Treasure are the feature's final jack hammer fuckers and Timmy takes James' full length slamming up inside him like a pro!

AIDEN JASON: COCK & CORRUPTION

WITH his baby face and boyish charms Aiden Jason seems like a perfectly nice young chap and completely harmless. But it's always been said that it's the quiet ones you have to watch...

Don't be fooled by Aiden's sweet and innocent looks as you soon discover in Boynapped.com's Cock & Corruption that he's a sadistic bastard who gets his kicks abusing young twinks!

The DVD has five scenes, four of which show Aiden putting Reece Stewart, Aaron Aurora, Cristian Martin and Josh Dixon through their paces with the aid of hot wax, pegs, flogging, dildos, butt plugs, and of course good old-fashioned hard fucking. But just when you think things can't get any hotter the tables are turned and in the final scene it's Aiden who's blindfolded and strapped into sling and the equally sadistic Reece Bentley is let loose on his quivering arse... Priceless!

Aiden Jason: Cock & Corruption is available from Prowler, Expectations, White Tiger and all good DVD stockists, and online at www.ProwlerDVD.com.

AUTHENTIC PLEASURE

STRANGERS IN PRAGUE PARTS 1 & 2

THE latest double bill from Kristen Bjorn is set in Prague and shows you what a warm welcome the Czech locals give to foreign tourists.

But before you book a cheap flight to the Czech Republic capital, remember that this is a Kristen Bjorn film and not all Czech locals will look like Rado Zuska, David Kadera, Tomas Friedel, Mirek Ceslar, Milo Zambo, Ivo Kerk, Jan Faust and Jalil Jafar, the eight hot guys the studio has cast as the film's locals.

Hats off to Kristen Bjorn. Since the late '80's he's been making quality porn featuring hot, muscular big-dicked guys, and the four foreign tourists, played by Wagner Vittoria, Diego Lauzen, Marco Rubi and Saxon West, are hunks of the highest order too!

Kristen Bjorn must think that, in a porn film, two guys having sex is boring (porn is meant to be a fantasy after all, so he's got a point) and of the ten outstanding scenes in this two disc feature, three are three-ways and seven are foursomes.

HERE CUM THE BOYS

IF you love watching horny young twinks taking hot teenage dicks down their throats and then up their tight virgin boy holes then you're in for a real treat with Euroboy's latest release.

There's no plot line or silly script to speak of in Here Cum The Boys. Instead there are four scenes of energetic, spunk-filled twink action featuring loads of sucking, rimming and fucking with the boundless enthusiasm that only youngsters have.

ball-busting three-way scene to round off this spunk-filled twink fuck-fest!

In the opening scene there's two young lads in tight Lycra wrestling suit playfully rolling around on the floor before their kit comes off and they start fucking. Up next are two twinks who obviously enjoy the kinkier side of sex as the submissive of the two has a dog collar on, his hands are restrained with leather cuffs and he's wearing a leather dog mask while his mate bangs away at his boy butt. Euroboy is covering all bases when in the third scene two young cadets in camo gear and army boots get down to some action that would see them booted out of the British Armed Forces if they'd been caught, and there's a

WRESTLED

TENSE sweaty young men, tight muscular bodies, the air thick with testosterone – it can only mean one thing... A wrestling match down at the Bulldog gym!

Award-winner Blacky Mendez directs six athletic sportsmen, naked except for their skin tight wrestling singlets, all with bulging crotches, and these guys are fighting to submission.

Before anyone even steps into the ring, Johnny Cruz wrestles with Kayden Gray's monster cock in the changing room, and then plucky new boy Mathew Davis takes on Dolan Wolf in round two. Back in the changing room, Timmy Treasure tops Saxon West, before Mathew Davis goes a round with Kayden Gray (and loses). That Johnny Cruz is a bit of a sleazy bastard and he's back for a solo round in the final scene, wanking his cock and pleasuring his hole with a butt plug before spewing his load over his chest.

NEW CUMMERS

NEW AND UPCOMING RELEASES THAT LOOK HOT!

BIG DICKED TWINKS

● FROM Eurocreme's Hung Ladz cums Big Dicked Twinks, a DVD that's packed full of hot young lads with huge cocks and hungry holes. Super hung Alex Silvers face fucks cute young bottom boy Kamyk Walker, before pounding the lad deeper and harder than he'd ever taken before. Luckas Layton struggles to take the full length of James Dixon's humungous cock down his throat, and when James puts him in the doggy position, do you think his arse can take it? Luke Tyler slurps on AJ Alexander's immense shaft and then bites the pillow as AJ stretches

his hole wide and deep! Bottom boy Jack Green can't get enough of the huge slab of meat between Luke Vogel's legs and gets fucked in every position possible! There's also a hot bonus solo scene with blond Alex Silvers pleasuring his giant dick with a Fleshjack!

HE SHOULD SAID NO!

● THE latest spunk-filled release from multi-award winning British studio UKNakedMen stars Max Torro, Craig Daniel, Jonny Kingdom, Nathan Hope, Letterio, Theo Ford, Saxon West, Brent Taylor, Alexx Desley, Sergi Rodriguez and Christopher Daniels. A warning to gay men, the film is a cautionary tale of the dangers of loose morals and degenerative behaviour and shows that if you choose to live your life that way you could end up used and abused. Stand out scenes include Brent Taylor's porn debut, a three-way with Saxon West and Alexx Desley, Theo Ford subbing for hung top Letterio in a sleazy leather-themed scene and escort Jonny Kingdom and his sexy young client Nathan Hope.

3 WAYS

● THE French call it Ménage à trois. Us Brits call it a threesome or three-way. There's no denying that they can be incredibly horny and there's nothing quite like being the filling in the sandwich between a hung top and hot bottom. But they can also be disastrous, when the green-eyed monster rears its ugly head and the couple you're with

start bickering when one of them gets jealous. There is a sure fire way you can enjoy a good threesome though, and that's to watch one in a porn film. BelAmi have four corkers in their aptly named DVD 3Ways... Buddies Joel Birkin, Arne Coen and Dylan Maguire go for it in a poolside alfresco scene, Phillippe Gaudin and Colin Hewitt pick Jim Kerouac

to be the filling in their sandwich, Scott Bennet and Tom Pollock get Claude Sorel in the sack and Gaelan Binoche goes a round with Gino Mosca and Jason Clark.

MOVING UP

● BRUNO BOND directs a bunch of sexy Falcon studs in Moving Up, Falcon Studios' latest all-star fuck fest! In a penthouse apartment overlooking the desert we watch these stunning men go down and get fucked by each other. Theo Ford, a horned-up, muscled six-footer is up first with mega-star Brent Corrigan, then hottie Darius Ferdinand gets a piece of Andrea Suarez' swimmer's bod and pert behind. Theo comes back for more with handsome Brenner Bolton, who gets both his hungry holes filled with Theo's huge

cock, then Darius returns, joined by muscled stud Owen Michaels. And it's his arse that gets nailed this time around by the all-American jock. Theo's so hot he's brought back for a third time and the movie's final scene, in which his oral talents and amazing cock are put to good use. His scene partner is Andrea and the two put on an all-oral performance where Andrea sucks Theo like it's his first time!

PORNOGRAPHY CAN BE GOOD FOR YOU

We hear lots about the downsides of porn. What about the benefits?

BY PETER TATCHELL

Porn gets a bad rap. Nearly every discussion focuses on the negatives, not the positives. In my view, it's time for a more balanced, nuanced response to pornography.

The way many critics generalise about the universal badness of porn is misleading and unhelpful. So, too, is their failure to distinguish between gay and straight porn.

Sure, I strongly disagree with sexist, abusive porn. But most feminist, gay and lesbian porn is different. It points the way to a better kind of sexual imagery.

When I defend porn I'm obviously talking about consenting adult images, not misogynistic or abusive depictions. They are wrong and I dislike them.

The issue is back as a hot topic after the controversial and disputed anti-porn researcher, Gary Wilson, author of *Your Brain On Porn*, claimed that pornography is re-wiring users' brains to view sexual gratification as a passive, solitary and often addictive consumer experience that undermines relationships.
<http://www.ibtimes.co.uk/your-brain-porn-how-xhamster-pornhub-are-rotting-your-mind-1490804>

However, the impact of porn on our brains is far from clear and certainly not universal. Different people use and respond to porn in different ways.

Wilson's thesis, although it may have some merit and be true in some cases, echoes the anti-porn agenda of uptight religious fundamentalists, conservative politicians and right-wing feminists. They want to crackdown on pornography; arguing that it is always immoral, dehumanising and exploitative.

In their view, all porn actors are victims. Many definitely are (more so in straight porn than gay porn). But plenty are consenting adults who have freely chosen to be part of the sex industry. To them, it's a job like any other job; only much better paid and with flexible hours.

It is hard to view these porno performers as being more exploited than people working in mind-numbing, routine, dead-end, low-paid employment. They say they do more interesting work and earn a damn sight more than the hapless exploited staff doing demeaning, boring, repetitive tasks in call centres, supermarkets and fast food outlets.

To justify their anti-porn crusade, the new puritans point to snuff movies, child sex imagery, rape videos, trafficked or coerced actors and degrading, humiliating images of women. Sure, this stuff is vile and wrong - and genuinely abusive porn should be criminalised to protect the vulnerable.

But in a bid to win support for more legal restrictions, these moralists go one step further. They often denounce all explicit sexual imagery as violent and abusive. Not so. Much is nasty and unethical but plenty isn't - particularly in the case of gay sexual imagery, which is not distorted by sexism and the social imbalance in male-female power relations.

For consumers, porn can be educative, liberating, empowering, fulfilling and socially beneficial. It all depends on how it is made, who makes it, what it depicts and why it is being used.

To begin with, there is nothing wrong with the naked human body and consensual adult sex acts. They are entirely natural, healthy and lawful. So why should images of these acts be disparaged or banned? Censoring and demonising this pornography is neither necessary nor justified.

Porn magazines are condemned by self-appointed moral guardians as "jerk off mags." But what's wrong with jerking off? It's natural and healthy.

Indeed, masturbation, with the aid of porn, has positive virtues.

It is totally safe sex, with no risk of giving or receiving HIV or other sexually-transmitted infections (STIs). Staying at home and wanking over a porn video is safer than a random one-night stand, cruising, dogging or sex in a club or sauna.

If porn makes hand jobs an attractive alternative to casual sex, it can reduce a person's number sexual partners and risk exposure - and thereby help cut the spread of HIV and other STI's. In which case, surely the government should promote pornography and masturbation as part of its HIV prevention strategy?

Already, porn has been used successfully in HIV prevention campaigns to popularise safer sex; encouraging

many gay and bisexual men to switch to less risky behaviour. By promoting safer sex as exciting and fun, socially-aware porn has helped glamorise and eroticise responsible sexual behaviour - debunking the idea that sex without risk is boring, dull and second best. My own raunchy explicit book, *Safer Sexy* (1994), is a good example. It won plaudits for making no-risk gay sex appealing and exciting.

Regular good sex is an aid to well being. Studies show that people who are sexually fulfilled tend to have enhanced levels of mental and emotional health. If porn can help ensure sexual satisfaction and better psychological health then surely that's a positive benefit?

Medical researchers in Australia and the US have found that men who ejaculate five or more times a week have a one-third lower incidence of prostate cancer. So a man who doesn't cum regularly has a significantly higher chance of getting this often deadly disease.
http://www.newscientist.com/article/dn4861-frequent-ejaculation-may-protect-against-cancer.html#.VS3LC_nF_To

This means that if you're a man and you haven't got a regular partner, or if your partner has a low libido, jerking off is good for your health. Porno magazines and films that aid frequent masturbation are therefore indirectly helping save thousands of lives.

Sex mags and vids can also be great sex education. Unlike the coy, euphemistic nonsense that passes for sex education in schools, porn shows young people about sex - the techniques and variations involved, and how to satisfy yourself and your partner. This gives porn users better knowledge and expertise in the art of sex. The result? Often better quality sex lives and couples who are more sexually and emotionally fulfilled.

Porn has another big social benefit. As an aid to masturbation, it may be the only means of regular erotic satisfaction for many single people and for people in sexually-dysfunctional relationships. In some cases, where the relationship may have fallen apart because of sexual incompatibility, porn might help keep it going.

Pornography is also a boon to people who are not young, beautiful, able-bodied and self-confident. Are these people supposed to forego sexual joy and fulfilment?

Not everyone measures up to the fitness and good looks that popular culture promotes as sexually desirable. It is cruel and inhuman to deny isolated, disabled, overweight, unhandsome and elderly people the erotic fulfilment that porn can provide.

We all grow old and lose our pulling power. But our sexual desire may remain strong. It needs and deserves an outlet. That's when sexy pictures and films can come to our rescue, helping us maintain pleasure and satisfaction during old age.

Far from being universally evil, pornography can be a cornerstone of sexual democracy. It gives everyone equal access to carnal pleasure and happiness, regardless of our age, looks, abilities or background. Bravo!

MASCULINE BEAUTY

● DAVID VANCE has photographed for Cosmopolitan, Men's Health, Rolling Stone and Harper's Bazaar. His clients include Revlon, Rolex, Sony, Coca Cola and Miramax and his works are displayed in the most noted galleries in the world. So it comes as no surprise that his latest coffee table book *Masculine Beauty* oozes class and style.

David Vance's *Masculine Beauty* is a stunning collection of elegant images of beautiful men. For years, if a man were considered beautiful, he would rarely be described that way, as being beautiful was something usually only attributed to women. Masculine beauty is a concept that has only very recently become acceptable in society and a quality that we are only now allowing men to share with being considered masculine.

COCKYBOYS BRINGS JOYFUL GAY SEX TO PROWLER

Those delicious CockyBoys have been in the spotlight lately, cleaning up at the Cybersocket and XBIZ Awards, The Grabbys and The Hookies and then coming to the U.K. in March for a hugely successful exclusive in-store event at Prowler Soho, ahead of their appearance at the Prowler Porn Awards.

● ALL eyes are still very much on this world famous studio, with the release of their stunning photo book, *Sixty Nine - Joyful Gay Sex*. What could easily be described as a true labour of love for CockyBoys boss Jake Jaxson and his cinematographer/photographer RJ Sebastian, *Sixty Nine - Joyful Gay Sex* has been five years in the making. Jake sums it up as “the stories we have shared are joyful reflections of our life and love together. What our viewers see is inspired from our sexual energy – moments together, fantasies not lived and fantasies explored. We work with such an inspiring group of models, performers and actors. They open themselves up for all the world to see – to both admire and condemn. Their sexual selves an expression designed to provoke, inspire, teach and bend.”

Anything but a conventional photo book, *Sixty Nine - Joyful Gay Sex* is not what you'd call pornographic either. Featuring those gorgeous all-American Cockyboys, most of which are partners in real life as well as on screen, the photographs captioned with erotic narratives are beautiful portraits showing just how joyful gay sex can be.

Sixty Nine – Joyful Gay Sex is available at Prowler Soho, Prowler Brighton and online at www.prowler.co.uk for £49.99. Make sure you check it out!

LOG ON FOR A HORNY TIME AT EXPECTATIONS.CO.UK

If it's been a while since you visited the website for Expectations, the UK's leading gay fetish store, maybe now's is a good time to check it out.

● WHY? Because they have been hard at work streamlining the site, making it easier to navigate, refining the product on offer, as well as adding new features to enhance the overall shopping experience. The first thing you may notice is a brand new modern logo, which is being rolled out across the business.

Expectations boasts in-house rubber and leather tailors, providing dedicated facilities that extend from simple alterations to complete made-to-measure bespoke outfits. Whilst already available by contacting the store directly, very soon you'll be able to access these services online.

Something that really stands out on the Expectations website is the range of world famous brands available, including Mister B (it is in fact the world's number one Shop-in-Shop), Barcode, Crackstuffers, Bleachers and Oxballs, to name just a handful. In terms of overall ranges, as you'd expect, there's a massive selection of leather, rubber and fetish gear, including harnesses, jocks, sex toys, metal and medical and, of course, stacks of horny accessories. Our favourite items have to be Expectations' extensive range of dildos and butt plugs, but maybe that's because we're just a bunch of perverted deviants!

Keep an eye out for other upcoming important enhancements... You won't be disappointed!

IS LOVING...

**X L FROM
XXXPOSURE,
THE LATEST RELEASE
FROM HARD FRICTION**

XXXposure is the 30th feature film by Hard Friction, the gay adult video line created by Steve Cruz and Bruno Bond, and stars a veritable feast of hot guys, X L being one who stands out in our mind.

We haven't been able to find out much about this strapping hung hunk of a man but we're sure we'll be seeing a lot more of him in upcoming Falcon Studio Group releases... Well, we hope so anyway!
