ULTIMATE GAY FIGHTER VIDEO GAME

● **THE wait is finally over, and we're pleased to announce the launch of Gay Fighter Supreme, the world's first gay fighting video game by Handsome Women Productions, in collaboration with Bearded Man Studios.**

IN the same vein as successful and long running franchises like Street Fighter and Mortal Kombat, the game, which uses rainbows and unicorns instead of blood and gore, has ten LGBT fighters, such as GoGo Gary (pictured) the gogo boy who lives his life by three principles: Gymming, Tanning and Fighting, Devon

Devastation, the Voguer that moves like Madonna but will cut you like her plastic surgeon with his cruel insults, sassy Houston drag queen Carrie Cupcake, who whips her opponents with her wig and feather boa and Timmy Spears, a cold-blooded vigilante twink who loves lip gloss, Britney, his dog Paris and his Louis

Vuitton bag. "The idea for Gay Fighter Supreme arose from banter between friends discussing our mutual love for 90's fighting games," says Michael Patrick, the game's founder and creator. "The characters are all influenced by dated jokes, pop culture icons, and camp. We wanted it to be like a pride parade gone rogue". "The game is intended to be irreverent, satirical, fun spirited and ironic", says Melchor Cardenas, the game's co-creator. "Anyone who mistakenly views the game as offensive or feels it perpetuates gay stereotypes is missing the point... It's pure satire. We don't mean to offend anyone. If it does offend someone, we hope it inspires them to create a fun queer themed game of their own."

The game's ten LGBT fighters are all competing to win the title of Gay Fight Champion. However, little do they know that there's something ominous about the competition. The League of Oppressive Self-Righteous Zealots (LOSRRZ), a group whose aim is to wipe out the LGBT community by brainwashing its members and transforming them into gay hating cyborgs, are actually behind the tournament, and they've created it for two reasons: to make the LGBT community destroy itself and to brainwash the winner to carry out the League's nefarious plans! Gay Fighter Supreme is available for purchase now on iTunes, Windows and Google Play. But we've got one free download to give away to one lucky reader. To be in with a chance of winning it tell us who your ultimate Gay Fighter Supreme character would be and what his or her unique fighting style or special move would be... Email your entry to editorial@qxmen.com with Gay Fighter Competition in the subject field by midnight on Tuesday June 30th 2015 when we'll choose the best entry.

KICK OFF YOUR CSD WEEKEND!

● **PUT on your sneakers, socks and sports gear on for a hot night of Spornosexual Fun (that's Sports+Porno+Sexual) at Berlin Sneakers' CSD Weekend Party on Friday June 26th.**

CHRISTOPHER Street Day (CSD) is an annual LGBT celebration and demonstration for the rights of LGBT people, and against discrimination and exclusion, that's held in various cities across Europe. Berlin Sneakers is at notorious Berlin men-only bar Mutschmann's on Martin Luther Strasse in the heart of Berlin's Schöneberg, and this month porn star turned top international DJ, Spencer Reed, will be exciting the punters – not with his huge cock and

sexual prowess, but with his exceptional DJing skills. Downstairs in the bar's darkrooms and play areas you can cruise the sexy trainer-clad lads and get yourself a bit of hot sneaker action, and you can catch the latest sneaker porn releases and enjoy shots and bar treats too.

BERLIN SNEAKERS

Berlin Sneakers dress code is (if you hadn't already guessed) sneakers plus sportswear, sneakers plus rubber, sneakers plus leather, sneakers plus army gear... you get the idea, hey. The party starts at 10pm and Mutschmann's is at Martin-Luther-Strasse 19, Schöneberg, 10777 Berlin.

Log on to www.berlinsneakers.com for details.

XTREME! THE SLEAZY FETISH EXPERIENCE

● **ATTRACTING** over 1,800 visitors each year, Xtreme! is the official opening party of Pride Circuit Cologne and is the essential men-only fetish party of Cologne Pride.

THE sixth Xtreme! returns to the massive Essigfabrik warehouse on Friday July 3rd with some of the best national and international DJs, unique stage design and the biggest play area that Cologne has ever seen. Deep into the underground recesses of the warehouse space you'll find the first of the club's fully equipped

play areas, 250 square metres of fetish adventures, while the second play area is outside for lovers of al fresco fun! With a strict dress code of Leather, Rubber, Skin, Army, Uniform, Sportswear & Sneakers, Xtreme! pulls in a steaming hot mix of men from all over the globe, from fetish fans to sleazy clubbers. Once again, Xtreme! is followed by XTND, the official after party. Station 2B opens its doors at 5am for an extended cruising and clubbing experience. Along with the venue's big bar and clubbing area, Station 2B offers themed areas like the SportsWORLD, spacious cabins, slings, a labyrinth with glory holes and a darkroom.

For more information and tickets go to www.xtreme-cgn.de.

EXPECTATIONS HAS THE HOTTEST SHOP STAFF!

● **THE** Hotwired Sports in-store event, held at the UK's biggest fetish store Expectations the evening before the main event on the May Day Bank Holiday was a massive success and looked like a very horny evening!

CUSTOMERS couldn't believe their luck when they were treated to a very personal service from the likes of porn stars turned personal shoppers Kayden Gray, Kieron Knight and Nick North! The three hotties were happy to help eager fans choose outfits to wear to the following night's Hotwired

Sports. And of course, Expectations' resident naked barman delighted as always, keeping everyone well and truly hydrated (if not a little hot and bothered) throughout the evening. You'll find details of two more in-store events coming up at Expectations over Fetish Week London in this issue.

CHANNEL 4 DOCUMENTARY ON GAY SAUNAS

● **CHANNEL 4** is to air a documentary about gay saunas in the U.K., which aims to give an 'insight into a hidden world and a surprising, sideways look at modern gay relationships'.

FOCUSING on the CS2 sauna in Nottingham, Secrets of the Sauna follows owners John and Joe, a couple who have been together for over 30 years and are soon to be married. According to the documentary makers, for them 'owning a sauna is a lifestyle choice and as they readily admit, both are more than happy to mix business with pleasure'. The Channel 4 documentary tells us that 'Sauna visitors come from all walks of life - teachers, plumbers and accountants, young and old,' however we hear from regular customer Narvel, a 69 year-old local politician who tells us he 'likes sex' and reminisces about his time spent in Detroit when he would 'frequently have sex with five men in a

single night', and Robin, a Conservative Councillor, who remembers when 'the police used to raid gay saunas on a regular basis'. Now though, it seems, local politicians can 'openly use the sex swings at CS2 without fear of intimidation.' No transmission date has been given yet, but Secrets Of The Sauna is expected to air later this year.

TWO NEW FEATURES ON CAM4: 'FAN CLUBS' AND 'LIVE TRANSLATOR'

● **CAM4**, the largest adult webcam site in the world, has just launched two fab new features.

THE first, called 'Fan Clubs', is for when you find a performer you really like and just can't get enough of. Now, for just 25 tokens a month, you can have access to an exclusive private image gallery, unlimited private messaging with the performer, FREE spy access to all of their private shows, plus a unique badge to make sure you stand out from the crowd! And because those nice guys at Cam4 want to make sure you can talk to any of their 30,000+ performers, no matter where they are and what language they speak, they've launched 'Live Translator'. To see it in action, go to www.cam4.co.uk, click on the webcam you want to watch, turn on the translator, continue to chat as normal to the performer and other users, and everything will be translated to the language you select... Genius! Thanks Cam4!

HOTWIRED SPORTS - 02/05/2015

THE hottest clubbing event on the international leather and rubber scene's calendar became a strong contender for the hottest night out for lovers of sportswear, when promoters Suzie Krueger and Rob Rutt pulled off a seamless fusion of the two fetishes with Hotwired Sports on the May Day Bank Holiday weekend.

**HOTWIRED
SPORTS**

LEAVING the motor at home we took a trip to London's coolest car park when Hotwired returned for a special one-off springtime event with a difference. Called Hotwired Sports, the usual ultra strict leather and rubber dress code had been expanded to include sportswear and the night saw some of the hottest muscle leather men and fit rubber lads from across Europe party shoulder to shoulder with horny sportswear fans in rugby kit, football strip and wrestling suits.

While some clubbers got down to some serious crossbreeding in the vast multi-roomed play space, others partied in the massive dance room, the huge chill out area and very cruisy outdoor smoking terrace.

Speaking to QXMEN, Rob Rutt said, "Thanks to everyone for coming down. We had a load of sexy guys in sportswear as well as the usual leather and rubber crowd, plus we saw a lot of new faces. We're already planning our October party, which will be the regular leather and rubber only dress code... See you then!"

FOOT FETISH FUCKERS

FOOT Fetish Fuckers has more wriggling toes, soft heels, stretched soles and sheer nylon socks than an outlet of Clarkes Village. Add Bruno Balls, Dan Broughton, Woody Fox, Josh Jared, Lucas Davidson, Jonny Kingdom, Tom Long, Kayden Gray, Ross Drake and a healthy dose of Butch Dixon's signature man-on-man sex to the mix and you have another outstanding fuckfest from the daddy of all Brit flick studios.

A sight to behold is that of impressively hung Kayden Gray being stripped down to his sheer socks and suspenders by sexy lad Ross Drake. Ross has got a thing for feet and award winning top Kayden gives him a face full of feet and an arse full of his nine, stiff, uncut inches. Jonny Kingdom and Tom Long explore their feet-based kinks with bearded Tom spitting, licking and generally loving Jonny's tootsies, before banging his arse. No surprises to find Dan Broughton wandering down to Woody's feet during their massage scene, before confirmed top Woody bends over and gets his squeaky tight hole well and truly ploughed. Josh Jared and

Lucas Davidson are both serious foot fetishists as their rock hard, uncut cocks illustrate. Throw a Raven's Tail fuck toy in the room and these lads deliver some big juicy cum shots. There's a hot-as-hell solo scene featuring Bruno Balls, another guy who's into socks and feet and who loves to show off his impressive cum shots!

Foot Fetish Fuckers is available from Prowler, Expectations, White Tiger and all good DVD stockists, and online at www.ProwlerDVD.com.

DADDY'S SAUCE

STRAPPING young lads and their sexy daddies get it on in Butch Dixon's *Daddy's Sauce*, and director Jonno ensures that his camera catches every splat, pop and hairy hole being stretched.

Tattooed muscle stud Bo Bangor has silver daddy Mickey Collins bound and blindfolded in a sweltering tool shed. The sweat is pouring off Mickey as Bo releases his fat daddy dick from his Nasty Pig jock, devours it all the way to the base before mounting him with his tight muscular arse. Hard hat builder Nick Spears and his real life lover, new comer Iago Torres get down to some nasty dad-on-lad action next. And these sexy, sweaty French men fuck up a storm all over the dining room table ending with Iago rewarding his slutty sub boy with a week's worth of spunk all over his face. Wolf Rayet and Giorgio Arsenale cook up a meaty dish in Giorgio's Italian kitchen and smooth, hung daddy Giorgio sorts out his sexy hairy young pup with a good long session of cock sucking, hairy arse eating and rampant, unrestrained arse fucking. New comer Luke Tyler wanted a hairy,

big-dicked daddy for his first shoot, and that's exactly what he got with hirsute masseur Michel Rudin. Michel's been studying massage and is keen to show off his skills, and what starts as an innocent massage soon turns into a furious fuckathon! Russ Magnus is a muscular guy with a big, suckable uncut cock, huge balls and a very long foreskin, and director Jonno treats us to a tour of his body and lets his camera linger everywhere in a hot solo scene.

Daddy's Sauce is available from Prowler, Expectations, White Tiger and all good DVD stockists, and online at www.ProwlerDVD.com.

TAHOE: COSY UP

FALCON STUDIOS' *The Other Side of Aspen* was the film that launched the studio into the porn cosmos. It showed what happens when a group of hot porn stars spend a weekend in a ski lodge in the mountains. Award-winning director Tony Dimarco's *Tahoe: Cozy Up* pays homage to this 1979 classic when he sends nine hot Falcon men to Tahoe. But instead of winter pursuits, the studs decide to stay indoors and cozy up with each other.

In scene one, muscular Brenner Bolton is watching porn and wanking his cock, unaware that this month's centerfold, dreamboat Sebastian Kross is spying on him. Sebastian soon enters the room, and then enters Brenner's tight butt. Unable to sleep, Ricky Decker heads to the kitchen for some warm milk. Andrew Stark is already there looking for a snack, but seeing Ricky, his appetite wanes and he decides to devour Ricky's arse instead. Returning to the cabin from a day on the slopes, Brandon Moore tells Sebastian Kross he needs to work out. Sensing an opportunity, Sebastian says he's too horny for the gym and pulls out his hard on to prove it. What's a guy to do, with a big fat dick bobbing only inches

from his lips, and Brandon's on it quick as a flash. Nick Sterling has two good reasons to stay indoors: the blizzard raging outside and the hard on raging in the pants of Owen Michaels. Both have plump, smooth butts and Owen's gets a seeing to first before Nick pulls out, sucks Owen briefly, then sits on his cock for the same kind of prostate pounding he just delivered. Ricky Decker gives a stellar performance knocking one out as he watches a couple of guys fucking on the floor below before we reach the final scene, a scorcher starring Billy Santoro and Johnny V. The look in Billy Santoro's eyes is part jealousy, part lust, as he watches Johnny V and Sebastian Kross making out in the hot tub. Fate intervenes though when Sebastian leaves to take a phone call and Billy makes his move.

Tahoe: Cozy Up is available from www.falconstudios.com

DILDO DOMINATION

YOU'VE got to feel sorry for these poor, young twinks, restrained and helpless and at the mercy of some of Boynapped.com's most sadistic tops. Just when they thought their little boy holes had been stretched to capacity by probing fingers and thick hard cocks, out come the giant butt plugs and arse-destroying dildos, and they realise their ordeal is far from over!

Deacon Hunter loves his toys, and although he can spend hours wanking himself off and playing with his toys himself, what he really loves is using them on another boy's arse. And it appears he does this quite often if the footage in Dildo Domination is anything to go by. In four of the DVD's five scenes Deacon is the brutal top seen wreaking havoc on a petrified twink's hole. James Lain is bound and in position, on his back with his tight little pucker on show, his legs roped into position and his arms across his body, unable to move as Deacon stretches his hole with dildos and butt plugs, stopping only to replace the toys with his hard cock so he can fuck James deep and

hard before coating him in his load! There are another three arse-clenching scenes with Deacon putting twinks Casper Ellis, Alex Silvers and Nathan Gear through similar ordeals before we find young Levi Stephens, naked and hanging from a chain, with his big dick ready for pleasuring... But Sebastian Kane has a twist! There's a well-positioned pole at the boy's arse, and as the master works his tender cock and flogs his naked body, young Levi can't hold himself up and is lowered onto the pole. The sensation of his boy hole being penetrated while the master wanks and sucks him is too much to bear and Levi's cock explodes in a fountain of cum!

Dildo Domination is available from Prowler, Expectations, White Tiger and all good DVD stockists, and online at www.ProwlerDVD.com.

THE BOY HOLE DIARIES

HAVE you ever wanted to get a look into the private lives of the Euroboy twinks? Well, now you can with *The Boy Hole Diaries*, four tales laying bare the intimate details of a day in the life of a twink slut and his boy hole!

In the first scene we meet stern sergeant Damian Boss and two young cadets Aiden Jason and James Grant in the woods. The sergeant orders the lads to strip and bend over before lubing up their holes with his fingers and fucking them hard one after the other with his huge cock. Next we're in the changing room with young lads Carl Ashton and Zack Starr and it doesn't take long before the footie shorts come off and Carl is taking one for the team from his buddy Zack. When Skylar Blu's postman buzzes his intercom and says, "I've got a package but it's too big for your hole," it's a safe bet to assume the platinum blonde power bottom is about to get his hungry hole filled. Young postman, Riley Smith, certainly does have a 'big package', but nothing's too big for Skylar's well-used hole and he takes Riley's sizeable dick as far as he can down his throat and deep up inside his

boy hole. Our final peak into the diary of a Euroboy shows us some puppy play between pup Lex Blond and his master Taylor Wade. Taken for walks, tied up and then used like a bitch, young Lex knows that if he's an obedient puppy he gets to lick his master's feet, suck his big hard cock and then as a special treat he gets his master's hard cock right up his arse!

The Boy Hole Diaries is available from Prowler, Expectations, White Tiger and all good DVD stockists, and online at www.ProwlerDVD.com.

NEW AND UPCOMING RELEASES THAT LOOK HOT!

SUBMISSIVE

● GET ready for a raunchy, edgy and sizzling fuck frenzy by hardcore expert Christian Owen for Hot House Entertainment, which sees some of the hottest men in porn showing off their dominant and SUBMISSIVE sides. Sean Zevran and Andrea Suarez are so hot for each other that they submit to their deepest fantasies in a sweaty flip-flop scene. Jordan plays the voyeur before joining Jimmy Durano in an epic tag-team fuck of sub Theo Ford's hungry wet hole. Jordan returns armed with a gigantic black dildo

to stretch the arse of a restrained Brandon Moore, before delivering an intense pounding with his thick cock. Theo Ford demonstrates that he is just as sexy delivering cock as he is taking it when he plows Osiris Blade's mouth and bubble butt before spraying his load across Osiris' willing face.

FLIRTING WITH PORN 3

● THE latest movie from BelAmi shows us that, while some boys try out with the studio, maybe make one movie then give up and are really just FLIRTING WITH PORN, others, such as the European beauties Todd Rosset, Kevin Warhol, Jack Harner, Vadim Farrell and Chip Daley, have dreams and aspirations of becoming BelAmi stars... And that's exactly what they became. However, some of the ones who didn't pursue a career in gay porn weren't half bad and BelAmi were mad to let them go. Such

as Michael Allen a tall, gawky looking chap with a face only a mother could love. But he's got a dick like a baby's arm and watching him fuck the arse off Jack Harner in scene one sells this movie on its own!

SMALL WORLD, BIG DICKS VOL 04

● BLAKE Mason's 'Small World: Big Dicks' and 'After Hours' series was supposed to only be 12 episodes, but they were so horny that they ended up running to 25 very hot scenes! They're a collection of inter-linked stories of real-life sexual adventures and SMALL WORLD: BIG DICKS VOL 4 features five of these scorching hot scenes. Like the one when Fraser gets the barman's job he's applied for after a somewhat unorthodox interview with Aaron and Billy that ended with the guys spraying their cum all over his face, and one when straight guy Nathaniel's gay

mates tease him about how good gay men are at giving head and tell him where the real expert cock-suckers hang out! So, Nathaniel sneaks to the location and thrusts his rock hard hard-on through the hole in the wall and... Well you can guess what happened next!

HARD CUTS II

● TREASURE Island Media director Liam Cole was once described as "the most disgusting studio porn director in the world". A true compliment if ever there was one then for the man who over the years has given us classic titles like Slammed and Man Cunt. His latest film HARD CUTS II is a 150-minute homage to oversexed barebackers everywhere and features a host of aggressive British tops and submissive cumpigs doing what they do best in classic Treasure Island

style. When a cast list reads like this: Peto Coast, Lito Cruz, Nathan Gear, Adam Russo, Blue Bailey, Priam, CutlerX, Jessie Karson, Bruce Jordan, Josh Taylor, Lincoln Gates, Elio Guzman, Harry Lee, Don Kristian, Max Lohrenz, Dave Davis, Vukan and Jake Ascott – you'll know what Hard Cuts II has in store!

TOM OF FINLAND COMES TO PLAY AT PROWLER

Earlier this year, adult industry buyers, porn stars and even a couple of Hollywood rock stars gathered at the Tom of Finland Foundation in Los Angeles for the launch of a new line of toys and gear for men that has brought to life the erotic art of Tom of Finland, Finnish artist Touko Laaksonen.

● CALLED Pleasure Tools, it's a range of toys and accessories that, with the help of the creative team at the Tom of Finland Foundation, have been based on ideas or things the artist would want to see if he were still alive today.

There's everything you'd expect such as bottles of water-based and silicone lube, a water and silicone-based hybrid, a deep throat spray and for guys into heavier arse play, a special Fisting Formula. Moving into true Tom of Finland territory there's a three-piece HexNut Cock Ring Set, adjustable steel nipple barrel clamps with 4oz removable weights and a 2 inch steel cock ring with anal ball. There's also a neoprene collar, ankle and wrist cuffs; all adjustable with lock and keys included, and a neoprene leash with a 78cm chain.

Of course, the Tom of Finland Pleasure Tools collection has a huge selection of premium silicone anal plugs, dildos and vibes with prices starting at just £19.99, and then there's the top of the range 'tool' of the collection, a hefty suction-cup dong called *Kake's Cock*. Based on the appendage of the recurring hero in Tom of Finland's panel series, the hyper-masculine *Kake*, the artisan-designed dildo comes in two forms – a hand-painted, ultra-realistic flesh coloured version and an enormous (we're talking something like two feet long!) collector's edition made from 100% premium silicone, finished with a metallic grey composite and packaged in a display case adorned with classic Tom of Finland artwork.

Available at Prowler Soho (exclusive London supplier), with selected items available at Prowler Brighton and online at www.prowler.co.uk.

EXPECTATIONS >>

FETISH WEEK LONDON: BIGGER THAN EVER AT EXPECTATIONS!

SCOTT HUNTER © MISTER B

Fetish Week
LONDON

Following on from last month's Hotwired Sports in-store event, the guys at Expectations, the UK's largest fetish store, have announced that they'll be holding two more in-store events next month during Fetish Week London!

● THE first, **Filthy Fetish Fest**, takes place on Thursday July 16th from 5pm til late, and will see horn dog Scott Hunter joining Kayden Gray and Nick North to get you in the mood for some major partying. Once again, the Expectations gang have teamed up with the infamous Tom's Hotel in Berlin, and simply by being there on the night puts you in the running to win a luxury weekend break in Berlin. The prize includes a two nights stay in a double room at Tom's Hotel, breakfast, free airport shuttle, "drink as much as you can" at neighbouring bar Scheune (the same applies in Tom's Bar right next door), coffee and cake on two days in their coffee shop Romeo und Romeo and a Comedy-im-Bus sightseeing tour!

Then on the next night, Friday July 17th, again from 5pm 'til late, there's **Gear It Up**, another chance to make sure you're decked out for the big Fetish Week London party, Full Fetish on Saturday night.

Both nights will see Expectations' very own naked barman keeping everyone well and truly hydrated (if not a little hot & bothered) and there's 15% off everything in-store (except sales items, tickets and multi-buys), which you'll also receive on Saturday during the day if you show your Full Fetish ticket in-store.

Finally, if you took advantage of the Expectations playroom at last year's Full Fetish then you'll be pleased to know that they're sponsoring a playroom this year too which, we're told, is going to be even roomier and more suited to mega-play than last year!

QX MEN
IS LOVING...

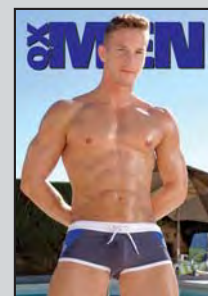

NICK STERLING

(OR RATHER NICK STERLING'S
BUTT) IN GUTTER PUNKS, THE LATEST
MOVIE FROM HOT HOUSE VIDEO.

● GUTTER PUNKS are punk arse studs that never get their minds out of the gutter, spreading their mischief, their legs and hot arses in the darkest and seediest alleys. Wow, director Nick Foxx certainly has a wild imagination.... And we like it!

We've not watched the DVD yet but Nick's joined by fellow Gutter Punks Darius Ferdynand, Ryan Rose, Tyler Wolf, Hunter Marx, Drake Shooter and Colt Rivers, and we can't wait to see what they all get up to!
