HAVE YOU GOT AN STI?

● **MANY people with sexually transmitted infections (STIs) have no symptoms and STIs can pass from one person to another during sex, especially if you don't use a condom.**

SO it's a good idea to get tested, especially if you've recently changed partners. SH:24 provides free and confidential STI test kits for Chlamydia, Gonorrhoea, Syphilis and HIV that are easy to do at home. Just answer a few simple questions on their website to find out which test kit you need and how each test works, and SH:24 will dispatch your kit to you straight away. To get your test results send the kit back to the lab for analysis in the blue freepost return envelope that's provided and SH:24 will text you your test results within 7 days. If you do have an infection, they will advise you how to get treatment and further support. Throughout the entire process SH:24 will keep you updated by text message, confirming when your test kit has been dispatched to you to when the lab receives your samples, and you can text them with your questions on 07860 041 233. SH:24 is completely confidential and your details will not appear on any of the samples or the freepost envelope. To request a free STI test kit or for more information about SH:24 visit www.sh24.org.uk.

BARCLAYS & THT LAUNCH SEX WORKER PROJECT

● **HIV and sexual health charity Terrence Higgins Trust (THT), in collaboration with Barclays Bank, has launched a groundbreaking skills and employment training programme to help sex workers transition into alternative employment.**

Terrence HIGGINS TRUST

THIS comes as SWISH, London's oldest sex worker support service, celebrates its 30th anniversary. In a press release, Dr Rosemary Gillespie, Chief Executive at THT, said, "People engage in sex work for a whole variety of different reasons and it is vital we continue to provide services that reflect the different needs of our clients. SNAP is a perfect example of this. For clients who are looking to begin a new career path, our programme can help them achieve their goals and we are absolutely delighted to have the generous support of Barclays." The Sex Workers and New Ambitions Project (SNAP) is offering 35 sex workers in London the opportunity to join a free professional training programme and subsequent work experience. The project offers one-to-one mentoring, professional coaching, support into volunteering or work experience, training on CV writing, looking for a job, financial management, and life skills development. To find out more, email snap@ttht.org.uk or call Saara Ruotsalainen on 020 7812 1721.

VIKTOR BELMONT: THE FIRST TRANS-MAN HOOKIES WINNER.

● **LAST month, Rentboy.com, the world's largest male escort website, launched its Pride Campaign. Dubbed the 'Love What I Do' campaign, it's a series of interviews with sex workers discussing what fuels their passions as they navigate their way toward their life goals.**

THE campaign's designed to change the conversation about male escorts, letting the world know that these guys are diverse, interesting, smart, sexy, and above all, that they love what they do. This is Rentboy.com's first ever campaign to feature a transman escort. Viktor Belmont, an artist and porn star based in San Francisco, won Best Newcomer at The Hookies 2015 International Escort Awards, was the first transgender male Hookies winner and is now the first to be featured in an international campaign for Rentboy. "Winning Best Newcomer at the Hookies Awards was a huge deal for me," said Viktor. "After years of being told that no one would want what I had to offer, I was suddenly

on stage, holding a giant trophy and getting a hug from (drag queen) Alaska Thunderfuck. The applause seemed to be never-ending! The award meant that I was wanted. It meant that I was respected. It meant that I finally had a home in the hearts of the industry. It represents to me a world where I don't have to live in fear to be who I really am." Hawk Kinkaid, COO of Rentboy, said, "We are so proud of Viktor. He exemplifies the very best of what we look for in a male escort. He's caring, dynamic, and articulate. He's also very sexy. He's the perfect model for our international pride campaign." In his video, Viktor explains, "I love meeting so many different types of folks. I get to travel and have amazing relationships with a wide spectrum of clients. I love my bears, queer punks, hot jocks, butch babes. I love boys who wear make-up and dresses. I get to hold people and scratch that itch that's really primal. I feel like I have one of the most important jobs in the world. I'm a really needed caretaker." For more information and to see Viktor's video, visit www.Rentboy.com/LoveWhatIdo.

PORN STARS IN GOGGLES!

● **PICTURE** the scene... Your two favourite porn stars are lying naked on a bed. As they start to kiss passionately the camera pans away, and when they next come into focus they're both wearing protective goggles! Sound bizarre?

WELL, according to American media, if new legislation, proposed in a 21-page document by California's Division of Occupational Safety and Health Standards (OSHA) come into force, then porn actors in the US State could soon be forced to don protective eye wear in an attempt to keep film sets safe from sexually transmitted diseases. People in the industry are calling the new proposals ridiculous, saying they will force the production of adult films out of the state completely. For decades, California has produced the vast majority of America's adult films. However, in recent years there has been a crackdown on the state's porn industry, and in 2012 a controversial law was passed requiring porn stars across California to use condoms.

As a result, production of porn in the State has plummeted by more than 90 percent! The proposed rules would also require producers to pay for performers to get medical visits and hepatitis B vaccines. "These are regulations designed for medical settings, and are unworkable on an adult film set – or even a Hollywood film set," said Diane Duke, the CEO of the Free Speech Coalition. While the limits would not just be on gay porn, Duke says her organisation and other groups wants to see the proposed regulation be amended after consulting with performers, production houses and public health officials. This way, she says, this will

'protect adult film performers without stigmatising and shutting down an entire industry'.

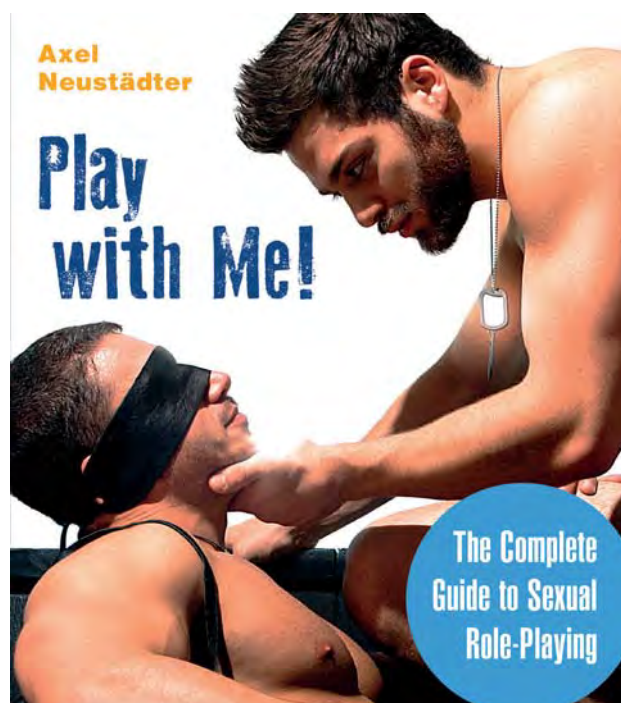

THE COMPLETE GUIDE TO SEXUAL ROLE-PLAY

● **FOLLOWING** his comprehensive guide to sex positions, Gaymasutra, Axel Neustaedter's latest book *Play with Me! The Complete Guide To Sexual Role-Playing* dives into the world of erotic role-playing.

WHAT happens when all the varieties of gay sexuality get harnessed for the purposes of transformation to lift you out of your familiar routine? That's where role-playing begins. Whether it's the classic scenario

of, say, playing doctor and patient, teacher and schoolboy, puppy and owner play or the adventures of an office stud; there are no limits to where fantasy can take you! This richly illustrated guidebook,

with its large selection of colour photos, personal testimonies, and interviews with experts, answers all the important questions about role-playing. A book to help everyone find the perfect role: in bed, in the back room, and maybe even in real life. *Play with Me! The Complete Guide To Sexual Role-Playing* is published by Bruno Gmunder Verlag and is available online at Amazon. However, if you'd like to find out more about role-play in the bedroom then, courtesy of Bruno Gmunder Verlag, we've got a copy of Axel Neustaedter's *Play with Me! The Complete Guide To Sexual Role-Playing* up for grabs. To be in with a chance of winning it just send an email with your name and contact details to editorial@qxmen.com with *Play With Me Competition* in the subject field or post your entry to *Play With Me Competition*, QXMEN, 2nd Floor, 28 Denmark Street, Soho, London WC2H 8NJ. The competition closes at midnight on Friday July 31st 2015 when the winner's will be drawn at random. Sorry guys but the competition's open to UK residents only.

7 DAYS (AND NIGHTS) A WEEK: VAULT 139

● YOU'LL find action in the subterranean gay cruise bar Vault 139 seven days (and nights) a week! Centrally located right behind London's Oxford Street and close to Warren Street tube station, Vault 139 is a slightly more low-key venue than some of the other cruise clubs that London has to offer and it's said that 'what happens in the Vault, stays in the Vault. From Monday to Saturday from 1pm to 7pm it's the Vault's Day Cruise, a great way to start your week - or kick off your weekend - it's only £6 to get in. On Sunday from 1pm to 7pm it's the Lockergear Underwear Party where the dress code is jock straps, boxers, briefs and Y-fronts. Keep it horny guys - no vests, just your pants and footwear. Again, it'll only cost you £6 to get in. Evenings at the Vault start at 7pm and go on 'til 1am - and this is when things start to get a little bit wild! On Mondays and Thursdays it's the naked party Stripped, then on Wednesdays it's another session of the Lockergear Underwear Party, leaving Tuesdays, Fridays, Saturdays and Sundays for Night Cruise, the Vault's night for guys of a less exhibitionist nature to cruise with their kit on! It costs £7 to get in after 7pm Entrance fee includes secure coat check, a drink, re-entry and WiFi. More details about the Vault's dress code for Cruise, Stripped and Underwear can be found online at www.vault-london.com.

For details see interview with Brew Hunter in this issue and online at www.masteryonline.co.uk.

SWEATBOX FOAM PARTIES: EVERY WEDNESDAY & SATURDAY NIGHT!

● YES, every Saturday night Sweatbox, Soho's 24 hour gay gym and sauna, throws open its doors for one of its legendary Foam Parties! Squeeze your meat and two veg into a pair of budgie smugglers or go butt naked, and join some of London's hottest hunks for some fun in the foam! Make sure you're there when the canons spurt out the white stuff at 10pm, midnight and again at 2am. It's got to be one of best ways to end a night out in the capital!

And if you missed the fun on Saturday night, don't worry because they do it all over again at Sweatbox's Midweek Foam Party every Wednesday night. The foam spurts at 7,

8 and again at 9pm, which means you can pop in after work, frolic in the foam with a sexy, soaped-up Soho saucepot and still get home and be tucked up in bed at a sensible

time for work the next day! More info at www.sweatboxsoho.com.

The suit orgy starts at 7pm and finishes around midnight when the usual Central Station crowd joins the office party. City Boys has a strict dress code of formal wear (suits, shirts, ties, etc.) and blokes in jeans and trainers won't get in. You don't need to be earning a City Trader's salary to get in either, as entry's only a fiver! More info at www.cityboys.co.uk.

A STORM IS BREWING

Lock up your bois, pups and cubs as London's No. 1 Leather Man, Brew Hunter, is back in town. QXMEN wanted to find out what he's got planned for Mastery, following its first successful year...

MASTERY

QXMEN: You recently took a well-deserved break between Mastery's first birthday bash in January and the Back With A Vengeance party at the end of May... What have you been up to?

Brew Hunter: I took some time out and travelled abroad to some far-flung places. It was a great opportunity to meet up with some astoundingly horny Leather/Fetish guys around the world, and I found out that what Mastery represents - a lust-fuelled return to the masculine glory days that were illustrated by Tom Of Finland - is something that guys worldwide are 100% interested in and really hungry for!

Come to think of it, following Mastery's meteoric rise to become one of the hottest and most well-respected parties on the gay fetish calendar attracting the hottest and hardest Leather and Rubber Men and their bois from the UK, Europe and the States, in just one year, it's no

wonder you needed a couple of months off to completely recharge the batteries!

Thanks for the compliment. It's been an awesome ride, but it's all thanks to the incredible amount of guys who have made the effort to come along to the events. As you know, Mastery recreates the images and power of the early days of the classic leather scene - the Rules, Respect, Dominance, Discipline, S/Moke, SubMission and Hard Play. I'm so f**king proud that the lifestyle I lead 24/7 can welcome those handsome Leather/Rubber men to an evening that makes their fantasies a total and complete reality in 2015!

So, why do you think Mastery's been so successful?

We've gone back to the basics of what hard-playing Leather Men really want. We have the world's STRICTEST dress code - Leather/Rubber ONLY! Also, our venue, The Backstreet, is London's - if not the world's - longest-running, authentic Leather/Rubber club - with the capital's horniest smoke area filled with Cigar Masters and Daddies - it is now London's ultimate Men-Only Fetish club.

What's been your highlight of the past year?

The highlight has definitely been the feedback from the men and bois who are now hard-and-fast regulars.

Word-of-mouth has spread like wildfire:

"A huge success ...

This is exactly the sort of event London has been crying out for for ages. Huge respect and thanks." ... "An event we have all wanted for years!" ... "Count me in! I'm a Mastery convert!" (Thanks, men!)

We heard that May's Back With A Vengeance party was the busiest Mastery to date, and that the events are attracting more and more XXX hardcore Leather and Rubber men! Is this true?

Abso-f**kin-lutely! Come and see for yourself - the numbers just keep on growing, and I'm proud that Mastery is also encouraging and exciting younger guys who want to enter and explore the experience to the MAXX! Backstreet offers FREE membership to under 25s, so that is just TOO GOOD to miss, lads! Leather/Rubber up and head to Wentworth Mews, E3...

On 4th July you're celebrating USA Independence Day with Mastery Rawhide: Leather & Levi... What's that all about?

Ha! Just what it says on the tin! Because there's nothing like it in London ... a horned-up tribute to our Leather/Levi Bros across the pond - a one-off chance for London guys to strut and show off their sexy leather Western gear. I'll be polishing up my boots, chaps and leather Stetson!

Then, while Fetish Week London is in full swing, you're hosting Mastery's Ultimate Weekend; three hard play events on the 16th, 17th and 18th of July! Tell us more Mr Hunter...

Gladly! I wanted to add Mastery's own unique leather/rubber vibe - and respect - to the phenomenal events that are planned over that week. So, we make an early start with a smokin' hot **Cigar Night** for everyone who's into cigars and sex on the Thursday, then a sleazy, fetish-filled **Cruise Night** on the Friday, culminating in a **Classic Mastery** for all our hard-playing men

and their bois on the Saturday... Hopefully something for everyone in that programme!

You took Mastery to Amsterdam's 2014 Leather Pride... Any plans to take the event further afield?

F**k yeah! I'm in discussions with some great leather clubs in the USA and Europe, all of whom are excited to welcome what Mastery stands for. (I'm also, of course, happy to hear from any others.) Amsterdam was wall-to-wall leather muscle smoky testosterone until the early hours...

Any other plans for Brew Hunter and

Mastery? Running for London's Mayor perhaps?

Time allowing? Good idea! I think an Independent Leather Mayor for London, brandishing his whip, would get shitloads done for the capital really quick, and address some important horny issues. Seriously, I'm buzzed with how far we've come in only a year - and I'm working on lots more ideas, including a series of 'Mastery Classes' - demo/workshops of Flogging/Smoke Play/Old Guard/Bondage/Mank9, etc. The success and feedback from the guys is what's firing my imagination and plans for future events. Watch this space...

Find out more about Mastery and upcoming events at www.masteryonline.co.uk

THE GREENHOUSE NEWPORT

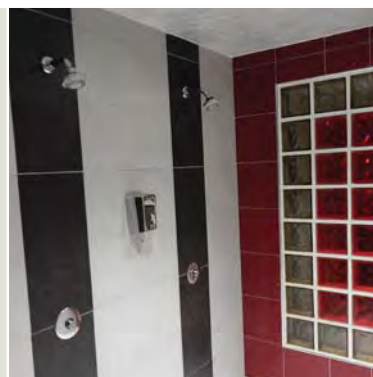

The Greenhouse, the UK's Premier Health Club for gay and bisexual men, has venues in Darlaston, Luton and Newport.

THE Greenhouse Newport has been running for 20 years and has recently been fully refurbished. Over the years the club has expanded to become the biggest of its kind in Wales and has a large membership of gay and bisexual men.

The venue has modern and quality facilities including a Spa pool, Sauna, Steam room, Cafe bar, Internet suite, Sun shower and Rest Rooms, and the guys at the Greenhouse Newport certainly know how to throw a party with events happening all week.

On Wednesdays there's no towels allowed when it's Naked Day from 10am to midnight. Thursdays from 10am to midnight it's She-Dazzle, the all-day event for cross dressers/TVs and their admirers. BIRTHDAY DUNGEON SMG PARTY

WEDNESDAY JULY 15TH AT THE HOIST

Yep, you read that right guys! SM Gays will meet on a Wednesday night, instead of the regular Thursday night slot, for its 34th Birthday Bash at the Hoist during Fetish Week London 2015.

Whilst there's no strict dress code, street clothes or trainers (unless you're in full sports kit) are not permitted. So, dress in your favourite fetish gear, be it rubber, leather, skin gear, sports kit, uniform or BLUF gear - minimum is boots and a jock.

Ahead of the Birthday Bash, QXMEN caught up with Peter from SM Gays...

Tell us about SM Gays Discovery nights.
SM Gays run a number of Discovery Nights each month with different themes. June saw our annual CP and Flogging night, always a very popular theme and in August it will be Pain Pleasure and Pumping... To see the full list so to our website www.smgays.org.

What's the most shocking/outrageous sight you've seen at an SM Gays meeting?

SM Gays does not do either shocking or outrageous. We're committed to "Safe Sane and Consensual" play at all times. SM Gays demonstrate and practice safe BDSM and encourage interaction at our Discovery Nights.

SM Gays are sponsoring the Bondage Room at Fetish Week London's main event, Full Fetish. What can we expect to see?

SM Gays are proud to be a Gold Sponsor of Recon's Fetish Week London 2015 and are hosting the Bondage Room on Saturday night July 18th at the Recon Full Fetish event. SM Gays will create a bondage room filled with equipment,

such as a Chain Pentagram, a Bondage Frame and a Double-Sided St. Andrew's Cross, to name just a few!

Without giving too much away, can you give us any details about the Birthday Dungeon Party?

SM Gays Dungeon Birthday Party will celebrate 34 years since the inception of SM Gays. We'll celebrate in conjunction the London Fetish Week by creating a unique experience of a dungeon atmosphere at the world famous Hoist in Vauxhall. We'll be adding additional play furniture that will give guys the opportunity to experiment. A number of experienced Masters will attend who will guide novices through this experience and there will be a welcome cock shot to warm up for the evening as guys arrive! We do encourage fetish gear on the night as this sets the tone for all.

Any plans or events for SM Gays you can tell us about?

Our next big event will be our annual Christmas Party on December 21st.

www.smgays.org

Follow SM Gays at their newly named social media accounts Twitter @sm_gays and Facebook sm_gays.

The Birthday Dungeon SMG party is on Wednesday July 15th. It starts 9pm til late at the Hoist, Railway Arches 47B and 47C, South Lambeth Road, Vauxhall, London SW8 1SR.

TAHOE: KEEP ME WARM

● TEN Falcon studs take a break from the slopes and hole up in their cabin to avoid the cold in Tahoe: **Keep Me Warm**. The snow is falling, and the cum is pouring in this hot tale from award-winning director Tony Dimarco!

RICKY DECKER's ultra-snug thermal underwear cling to his tree-trunk thighs and firm bubble butt and Jason Maddox can't take his eyes of him. It's not long before the pants are off and Jason gets his hands on Ricky's hairy buns. Sean Zevran is brushing his teeth as Andrew Stark barges in to take a shower. After some foreplay, Andrew lets himself be pulled along by his cock to the bedroom by Sean for a hard fucking. When Andrew describes his encounter to Billy Santoro, they get so hot that a quick oral release is in order. Brenner Bolton is peeking and joins in, sucking both at the same time until they all shoot together. Nick Sterling is losing at pool so he interrupts Brandon Moore's concentration by pulling out his cock and lifting his shirt to show his hard, hairy abs. This is all it takes for Brandon to toss his cue stick aside and

focus on the pole that Nick's offering. And when Sebastian Kross challenges Johnny V to a sit-up contest to see whose abs are better the outcome is win-win with Sebastian pounding Johnny hard enough to give him carpet burns

Tahoe: Keep Me Warm is available at www.falconstudios.com

CIRCUS OF SEX

● **UKNakedMen's Circus Of Sex is in town with a stable of lithe athletes, fire-eaters, trapeze artists and, of course, a sexy Ring Master.**

WOODY FOX is caught performing in the nude and the confirmed top finds himself surrendering his tight hole to Ring Master (never has a title been so apt) Antonio Garcia and his nine inch uncut shlong. The temperature soars when fire breathing Bruno Knight spies a Lycra clad Issac Jones hanging from the circus hoops. And it's not long before the boys are fucking themselves into a sweaty frenzy before unloading copious loads all over each other. Mickey Taylor is up next and the sexy tattooed stud is busy practicing his hoop skills. Swarthy stud Bruno Bernal distracts him and the two fuck up a spunk storm all over the gym mat. Darius Ferdynand and new-cummer Benjamin Ryan are two totally ripped studs and Benjamin can barely keep his eyes on the job as they brush against each other. Soon they're tenting their pants, both with very large uncut cocks, and Darius breaks in the

newbie with his stonking hard member. Bringing up the rear is horny Londoner, Dan Stone. The guys at UKNakedMen told us that, caught short for cash and needing to make a few quid to pay the rent, bisexual Dan agreed to stroke out a creamy load on camera in this, his porno cherry-popping debut.... The jury's out on whether they were spinning us a line. But whatever the reason, Dan sure does deliver a horny solo performance.

SPUNKY HOLES

● **BEEFY men, broad hairy chests, big fat juicy dicks... It has to be a Butch Dixon movie!**

THESE burly fuckers all have raw appetites for skin-on-skin fucking and they rim, suck, snog and fuck with absolutely no holes barred. Riley Tess is up first. The dirtiest boy in the stable is out of semi retirement and back in the saddle, being bent over backwards, forwards and sideways and ploughed by everyone's favourite sporty daddy Craig Daniel. Hunk-Of-The-Moment Letterio wanted a brand spanking new hole to ruin, so director JONNO gave him strapping Spanish hunk Gabriel Fisk to play with. Gabriel knows exactly what he's doing and he works the hunky Italian's huge cock until Letterio fucks him every which way, before unloading on and inside him. Alexx Stier and Kris Kurt are two hunky, bearded fuck buddies that we're told couldn't wait to perform in front of the camera. Alexx loosens up his fuck pup with an oversized dildo, before sliding in his hefty cock balls deep into Kris' guts. These two sexy blokes fuck like pistons and Kris can take it as hard as

Alexx can dole it out. 40-year-old Russ Magnus is a beefy guy with a big thing for black guys and Drew Kingston is a young black, 21-year-old with a 'big thing'. They're up next and cook up a storm in the kitchen in a scene the guys from Butch Dixon describe as an 'older for younger, black on white, cut vs uncut cock, bareback fuckathon!' Long, lean and hung Hugo Arias is pitted against ripped, handsome, fat-cocked Stephan Raw. It's Hugo's first ever Butch Dixon shoot and you can tell that he's revved up and raring to go. Hugo's cut and Stephan's uncut and both boys have beautiful, suckable dicks. But Hugo's tight, hungry hole is twitching for dick and luckily Stephan can't wait to slide inside so the young bucks fuck every which way!

Spunky Holes is available from Prowler, Expectations, White Tiger and all good DVD stockists, and online at www.ProwlerDVD.com.

SWIMBOY

● **THE Eurocreme Academy is open and full of tense, athletic young stars. And with giant dicks swinging about and hungry butts raising themselves in the air it's not long before the testosterone comes out in more ways than one! Luckily director Blacky Mendez is there to capture all of the action.**

THE film opens with a hot three-way between super hung coach Kayden Gray and youngsters Kamyk Walker and Jeremy Chris. The lads are making out on a sofa when Kayden swings his massive member in front of them before slamming it in Kamyk's boy butt. Five horny young lads play a game of Soggy Biscuit in scene two. Alpha twink Kimi Monroe invites new face Jaxon Radoc and they're soon joined by Jaxon's hot roommate, tanned hottie Danny Montero. And when Kamyk and Jeremy join the party it turns into a five-boy twink orgy! The following day, romance blossoms when roommates Danny and Jaxon admit they've both got the hots for each other. And after an athletic fuck the two fledgling lovebirds fall asleep in each other's

arms! There's an under water cum shot featuring Jaxon and Kimi next, and we're left wondering who's loving who when in the final scene Danny sneaks down to see Kimi for a night time tryst that leaves both boys covered in spunk!

SwimBoy is available to buy at www.eurocremestore.com or watch high quality streaming at www.eurocreme.com.

NEW CUMMERS

NEW AND UPCOMING RELEASES THAT LOOK HOT!

THE ONE & ONLY HOYT KOGAN

● SAY hello to BelAmi's hot new superstar, Hoyt Kogan. This gorgeous Czech boy is easily one of the most breath-taking newcomers to show up in Bel Ami's never-ending flock of pretty boys in recent times. Hoyt has got the face of an angel, with big deep blue eyes and those plump inviting lips. We don't know what we would want to do first; kiss him or shove our cock in his mouth and feel those sexy lips wrapped around our shaft... And the boy has got a body you'd just want to lick all over, a sizeable cock and an arse like two hard-boiled eggs! Anyway, back to the

DVD, and The One & Only Hoyt Kogan is produced by George Duroy and directed by Luke Hamil and young Hoyt makes his BelAmi screen debut in fine company alongside four of the studio's top models, namely Adam Archuleta, Claude Sorel, Roald Ekberg and Jim Kerouac.

JACKED

● WE never thought we were voyeuristic. That was until we watched Bulldog XXX's latest release Jacked. It features six hot young guys wanking their cocks, playing with their arses and fucking the nearest Flesh Jack until the spunk squirts from their dicks. A simple idea but one that's oh-so horny all due to the guys they've cast. New face Dan Stone is up first. He's a tattooed scally who sits in front of the camera not really knowing what he's let himself in for! However, that doesn't put him off and a cute smile breaks out across his handsome young face as he knocks one out on camera. Then sexy young twink Kamyk Walker shows us what he can do

with some giant dildos, the massively hung Kayden Gray gives an outstanding performance with his 9.5 inch monster, another scally Dave Hilton has some fun with a Flesh Jack toy, tattooed Jack Green works a huge knobby Crackstuffers dildo deep into his delicious pink hole and young Spanish stud Elio Guzman bashes away at his cute butt with a selection of different dildos!

FORESKIN MAFIA

● STEVE CRUZ directs a gang of hung uncut studs in Foreskin Mafia, the latest full length feature from Raging Stallion's Monster Bang line. Focussing on big dicks and the holes they fill, the movie is an all-out fuck fest for foreskin lovers and stars Sean Zevran, who looks the business dressed as a hunky night watchman. But he needs a refresher course in how to use his nightstick as it ends up in his arse, wielded by sexy white-collar agent Logan Moore! Furry. Athletic Christian Lesage wants a heated exchange before he seals the deal with inked up FX Rios, and he and he gets a hole-stretching. Gang-member Logan

Moore accepts a package from Armando De Armas, but the package that he really has his eye on is the one in Armando's trousers. Boss Boomer Banks has incriminating photos of Christian Lesage, and the only way Christian is going to get them back involves a baseball bat and the hugest uncut cock wielded by Boomer. If you can't get enough of thick, uncut cock, you should get Foreskin Mafia.

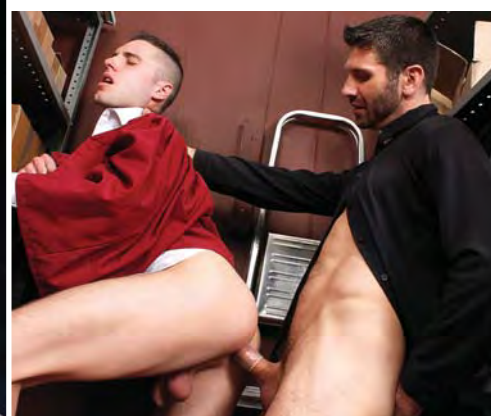

REVEREND DADDY

● IF we'd known that men of the Clergy were so hot, we'd have signed up to Sunday School a long time ago! It looks like these naughty young Eurocreme lads knew though and they're ready to get down on their knees and repent their sins in the latest Dads Fucking Lads production. Jason Gaddard is always trying to please his superiors so when he spills a hot cup of coffee over Father Giorgio Arsenale's desk he takes the Father's cock in his tight arse as his punishment. It seems these lads will do anything bad in the hope of getting punished! Johny Cruz is caught red

handed with a porn mag by super hung priest Craig Daniel and when cheeky Danny Montero is overheard confessing his sins, hunky hirsute priest Jessie Ares takes matters into his own hands and punishes the boy inside confessional booth itself. Handsome priest Nick North has a fan with Jack Green, and it's Jack that makes the first move on the gorgeous muscle man!

APPLY TO MODEL: YOUR JOURNEY STARTS HERE!

Apply To Model, the UK's biggest gay adult recruitment agency, is pleased to welcome

FabScout Entertainment to their ever-growing list of partners. With almost half of the site's traffic now coming from America, the UK based gay porn application platform has taken the decision to add its first non-producing partner to help aid the chances of these hopefuls. The American porn market dominates the world's adult viewing and has given way for companies like Apply To Model partners Men.com to produce content all over the globe. Having the ability to apply to studios at home and abroad simultaneously really can lead the way to international stardom!

APPLY TO MODEL
.COM

● "I went to Apply To Model right at the beginning of my career. I wanted to apply to as many of my favourite studios as possible, but applying to each and every one can be a real pain and take ages. Apply To Model brought them all into one place and made applying to each of them so much easier... I had studios offering me work straight away and I worked with some amazing companies, such as Men.com, Phoenix, Blake Mason, Eurocreme and several others, and it's all down to Apply To Model... It was great!

Applying with them and receiving work really helped boost my name and following within the industry and I soon started getting offers of work internationally from studios like Cockyboys and Falcon! It really gave me the boost I needed to do the best I could and thanks to them I am now an Exclusive Model for Naked Sword. They've done some amazing things for me and I loved working with them so closely as well as founding the Apply To Model Academy under them and alongside my good friend and producer Ashton Bradley.

Apply to model is something I would most definitely recommend to models old and new. They have over 80 studios under their belt that they can send your application to and the Academy helps provide you with the information and skills needed for the industry. It's an incredible company and I benefitted from it highly."

SO GOOD THEY NAMED IT TWICE

MARCO MARCO EXCLUSIVELY AT CLONEZONE

Marco Marco is the Hollywood based design house that has created some of the most iconic pop star costumes of recent years, such as Iggy Azalea's spider web jumpsuit, Katy Perry's cupcake bra and Nicki Minaj's rainbow, cuddly toy dress.

SO you'll understand why we were a bit confused when we heard that Clonezone is now Marco Marco's exclusive UK stockist! That was, of course, before we found out that Marco Marco also has a hot line of men's underwear and apparel, including sexy body defining mesh briefs in vibrant shades of purple, green, electric blue and neon pink, gorgeous tailored sports shorts, soft Spandex panelled leggings, slim fit, lightweight zip-up hoodies and iconic 'MM Heartbeat' Snapbacks caps.

Here's what the Clonezone Team found out when they met 31-year-old Californian Marco Morante, the man behind Marco Marco...

Hi Marco! How did you get into making men's underwear?

I spent my first 12 years as a designer creating costumes for music videos, television and tours. I started making men's undies because it's the only thing I ever really want to see men in.

Do you remember the first celebrity you dressed? How did it feel?

Yes! I was just new to town, and I was asked to make some shirts for Will.i.am. It was all very strange and I was so new to the whole process that it didn't really hit me. But about a year later, I made a gold mini dress for Fergie's *Glamorous* video and I really felt like I'd broken into something new. It was very exciting for me and definitely got me hooked to making custom clothing for celebrities.

Who is your dream person to dress?

I just want the

opportunity to keep doing what I'm doing; I don't care who it is for as long as I'm excited about doing it. I'm a hedonist in that way.

Lots of people found out about Marco Marco after your runway show at Style Fashion Week in Los Angeles... Did everything change for you then?

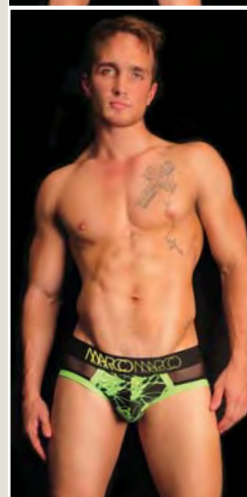

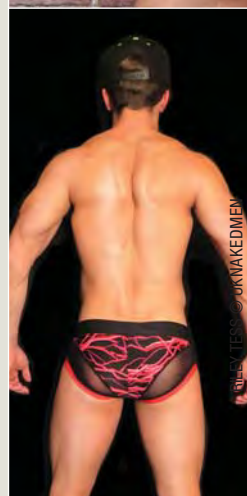

Yes, kind of. It was this weird moment where we put this little show up online, and literally watched the hits go up by 50k every day. We were over 300k in the first week for what was essentially my first show. Now people from all over the world come hang out with me at the studio and talk about fashion. It's been amazingly humbling. Then again, in a lot of ways, things stayed exactly the same – I'm still in the same studio every day making outfits and getting yelled at by my partner for being late LOL.

Are you excited to see the British guys wearing your pieces?

Fuck yes I am! Nothing like a good Brit to get the blood pumping.

How would you describe the Marco Marco 'look' to a new customer?

I like to have fun at all times, day and night. I live my life like it's my only one I have and I hope the clothes reflect

If you REALLY want to do something and you don't, the only person you're letting down is yourself.

Your underwear will be shown off on June 27th during London LGBT Pride to over 750k people... Are you excited?

I'm SO excited for the release during London Pride! The only way I could be more excited is if I could get over there and see it in person! You guys better take pictures for me!

What sets Marco Marco apart from other brands on the market?

I think we have a little more fun, but we aren't really about being silly. It's about being confident and fearless, and acting accordingly.

How do you feel about collaborating with Clonezone?

I'm just so excited to be able to have my products in the UK and available to all the adorable boys living there! And I love that I'm doing it with Clonezone!

that. A Marco Marco boy isn't interested in a good impression, he's interested in a lasting one.

What would you say to the guy who REALLY wants to wear the leggings but is shy?

I would say, "Step yo dick up and put on the damn leggings!"

Check out Marco Marco underwear and apparel in your local Clonezone store and online at www.clonezone.co.uk

PROWLER'S GETTING 'PIGGY WITH IT'!

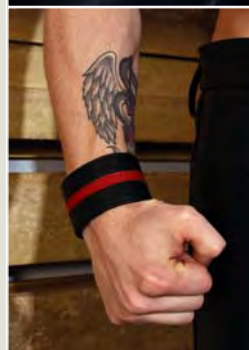

When you think of shopping at Prowler, the UK's leading gay lifestyle store, what springs to mind?

● THEIR great range of sexy underwear. Stunning coffee table books. More brands of lube than you can shake a stick at, their eye-watering selection of sex toys and, of course, stacks of porn.

Although Prowler has always had a limited selection, it's true to say that you wouldn't usually go there to buy leather and fetish gear... Until now, that is. Because just in time for Fetish Week London, Prowler has introduced a huge range of leather and other fetish related items. Choose from blindfolds, collars, cuffs, cock straps, chains, paddles, harnesses, jocks, shorts, gags, armbands and wrist wallets. As you'd expect, all items are excellent quality, and because it's Prowler it's all very keenly priced, with cock straps starting from as little as a fiver!

The UK and Europe fetish calendar is definitely expanding so, with this in mind, it's definitely worth taking a look at what Prowler's got to deck you out so you're ready for action!
