We thought you'd like to see a bit more of this month's excruciatingly hot cover boy...

His name's Killian James and he's in **VIP - The Hustle**, part one of the brand new two part Falcon blockbuster, that takes you behind the velvet ropes and into the world of a Las Vegas male strip club.

It's Killian's first porn scene since making the switch from escorting to working in front of the camera in the adult entertainment industry... We suspect that this will be the first of many for the handsome stud.

NATIONAL HIV TESTING WEEK STARTS 21 NOV 2015

THT NATIONAL HIV TESTING WEEK 2015

● **NATIONAL HIV Testing Week takes place this month (November 21), encouraging people across the country to take an HIV test.**

ORGANISED by the UK's leading HIV and sexual health charity Terrence Higgins Trust, it's backed by a social media campaign with guys of different ages, all with the same message - stop putting it off and take the test. Finding out that you're HIV positive enables you to get the treatment you need as soon as you need it. This will prevent HIV from damaging your body, and it will make it much less likely that you'll pass HIV on to anyone else. Testing is free and completely confidential - no one else will know that you have taken an HIV test, and only you will be told the result. This year TV's Dr Christian Jessen is the National HIV Testing Week Ambassador. Like him, you can show your support for National HIV Testing Week by putting #I'mTesting on your social media posts. Testing for HIV, and encouraging your friends to test too, really will help save lives. You can use the National HIV Testing Week website www.tht.org.uk/itstartswithme to find a clinic near you or to order a postal testing kit.

MANHUNT FOUNDER JOINS ADVISORY BOARD OF NCORB, A COALITION FIGHTING FOR RENTBOY RIGHTS

● **JONATHAN CRUTCHLEY, founding partner and owner of the world's largest gay brands that includes Manhunt and Jack'd, has joined the advisory board of The National Coalition of Rent Boys & Allies (NCORB), an organisation advocating for the legal rights of male escort workers.**

THE group formed in response to the raid on Rentboy.com in New York by the NYPD and Homeland Security, in August. "It is no business of the government at any level - be it federal, state, or local - to enter the bedrooms of consenting adults and tell them what they may or may not do within that private setting," said Mr Crutchley, who recently made a financial contribution to the legal defense team representing Jeffrey Hurant, founder of Rentboy.com. "Such matters are certainly not the business of the Department of Homeland Security, which was created after September 11, 2001 to protect citizens from foreign terrorists." Federal agents joined the NYPD in shutting down Rentboy on the assertion

that Rentboy was using interstate commerce to violate local New York laws. Jonathan Crutchley is not alone in believing that federal agents violated the constitutional rights of U. S. citizens. The editorial board of The New York Times even called the raid 'peculiar'. "I founded my company in the name of individual privacy and sexual freedom," Mr Crutchley continues. "In the name of individual liberty, the Federal government needs to do the job it was given to do by the Constitution." The NCORB was created as a not for profit corporation by attorney Norm Kent, a well known First Amendment advocate. "The Department of Homeland Security has initiated a questionable legal action which has terrorized thousands of men

who were lawfully trading their time and companionship for legitimate compensation," said Mr Kent via a press release issued earlier this week. "There is a need for these men to have a collective voice and open forum to speak out against the raid and for their rights." NCORB aims to fill the need. Its website contains a media outpost of news articles, columns, reactions and information about the Rentboy raid. The site will also soon provide unfettered access to legal advisories and 'know your rights' forums for rent boys remaining in the industry, as well as regular updates on the status of the federal case against the principals of the Rentboy prosecution. "Public pressure may not stop the prosecution, but it will certainly let the US attorney know where the LGBT community

stands on targeting our population and our partners," said Mr Kent. Jonathan Crutchley joins Howard Andrew of Fab Scout Entertainment, an agency that represents many of the world's leading gay adult talent, on the advisory board of NCORB. Read more at www.ncorb.com.

HUSTLABALL BERLIN 2015 ■ 16/10/2015

The centrepiece of the HustlaBall Circuit Weekend 2015 - and one of Berlin's biggest gay parties - is the legendary HustlaBall Berlin. Once again, the iconic party rocked several dance floors of Berlin's legendary KitKat Club just after the HustlaBall Awards.

HustlaBall

THOUSANDS of gay men from all corners of the globe descended on the German capitol in their sexiest fetish outfits for this year's HustlaBall Berlin, not only to thrust and grind their hips to the sounds of a stellar international DJ line-up that included Pagano, Asaf Dolev, Fabio White, Spencer Reed, Hugo Sanchez and Tony Bruno, but also to bear witness to the mouth-watering array of porn stars, such as Brent Everett, Steve Pena, Jesse Jackman, Dirk Caber, Logan Moore, Ryan Raz, Brute Club, Armond Rizzo, Andrea Suarez to name just a handful, who performed live on stage, and showered their fans in the audience with sweat and cum!

For details of next year's HustlaBall Circuit Weekend 2016 check out www.hustlaball.de.

There is no party more legendary than the HustlaBall Berlin!

MEN IN THE CITY PARTS 1 & 2

STUDIO: KRISTEN BJORN
DIRECTOR: STRÓNGBÓLI

THE city is filled with so much to see and do and director Stróngbóli has captured some of the world's hottest men exploring the metropolis and discovering that it's filled with horny men just waiting to show them how hot, huge and hard things can be in the city.

NEARLY two hours long, Men in the City Part 1 features no less than fourteen godlike hunks in five red-hot encounters. But these aren't just your everyday porn scenes. These are Kristen Bjorn's trademark jaw-dropping three-ways and ball-draining foursomes, such as the hot three-way when William Bravo and Rado Zuska take turns pounding Jan Faust's peach of an arse, and when Manuel Olveyra and Rainer invite Caleb Ramble over for dinner, with the intention of serving up cock and ass at their dining room table, rather than food! There's also a perfectly choreographed foursome with Diego Lauzen, Wagner Vittoria, Antonio Miracle and Mario Domenech, that has

to be seen to be believed! They were scrimping on the budget with Men in the City Part 2 as it only has twelve guys in it. We jest; Part 2 is every bit as hot as Part 1 and its cast are of the same high caliber too. Just where Kristen Bjorn finds the talent for his productions is a mystery, but they all possess great bodies, have big pendulous cocks and pert bubble butts and they're all handsome to boot! Again, disc 3 has five outstanding scenes, four horny three-ways and one award-worthy foursome starring Antonio Miracle, Mario Domenech, John Rodriguez and Rainer... Having watched Men in the City Parts 1 & 2 we now know why Kristen Bjorn Productions gets nominated for, and wins so many, Best Group Scene Awards!

Men in the City Parts 1 & 2 is available from www.kristenbjorn.com

BUILT 2 BUTT-FUCK

STUDIO: BUTCH DIXON
DIRECTOR: JONNO

CAST: Big T, Martin Mazza, Abraham Montenegro, Issac Eliad, Aday Traun, Mo Hammer, Dan Ryder Christian Matthews, Hank Lawton.

THE bigger they are the harder they fuck! And Butch Dixon certainly proves that theory with their two hour selection of 'built-2-butt-fuck' buggers going for it!

MARTIN Mazza couldn't wait to get down and service Abraham Montenegro's fat, juicy, glistening dick, before turning on his heels and taking it deep in the arse. Then we go Stateside and meet up with Christian Matthews and Hank Lawton, two hairy buddy bears who are tossing a beach ball around in the pool when a friendly wager is made. Whoever drops the ball first gets fucked. Hank loses and rewards the champion with a poolside blowjob before offering up his furry arse for a firm al fresco pounding by Christian's rock-hard, throbbing cock. We find our favourite oversexed daddy, Dan Ryder, in the dungeon and up to his hairy nuts in

sexy young Arab Mo Hammer, and Issac Eliad and Aday Traun get down to some hardcore man-on-man action, which leaves them like two little de-spunked husks. Bringing up the rear – so to speak – is Butch Dixon's latest 'man of the moment' Big T. He's a great big hunk of man, 95% straight, with a fat, uncircumcised cock that he likes to wank out a creamy load.

Built 2 Butt-Fuck is available from Prowler, Expectations, White Tiger and all good DVD stockists, and online at www.ProwlerDVD.com.

RIPPED

STUDIO: FALCON EDGE
DIRECTED: NICK FOXX

CAST: Ryan Rose, JP Dubois, Addison Graham, Gabriel Cross, Gavin Waters, Dorian Ferro and Sebastian Kross.

FALCON EDGE director **Nick Foxx** has taken seven pumped up studs and expertly paired them for a locker room fuck fest called **Ripped**. It's the latest release from Falcon Studios Group's 'edgy' line and features **A-Team Exclusives Ryan Rose, Dorian Ferro and Sebastian Kross** alongside fan favourites **JP Dubois, Addison Graham, Gabriel Kross and Gavin Waters** having blazing hot sex, where else but in the gym locker room where the testosterone flows and men fuck hard!

SEXY Brit JP Dubois is the lucky stud paired with ripped Ryan Rose when they open the movie with an energetic flip-fuck in scene one. We've only just caught our breath before another hot flip-fuck scene follows when handsome Addison Graham puts a locker room bench to good use with baby-faced muscle man Gabriel Cross. Up next,

porn star and fitness model Gavin Waters is the lucky guy to win the prized arse of power bottom Latino Dorian Ferro, before Gabriel Cross comes back for more, this time catching the wandering eye of tattooed and muscled pretty boy Sebastian Kross who fucks him on the locker room floor!

"*Ripped* was so sexy and fun to film... I was going for a very 'All-American' vibe with this latest Falcon Edge as my goal is to keep the line fresh by constantly changing to keep it current." - Director Nick Foxx. "Our A-Team Exclusives Ryan Rose, Dorian Ferro and Sebastian Kross go balls out in their natural jock environment!" - Chris Ward, Falcon Studios Group President.

ARMYBOY

STUDIO: DREAMBOY
DIRECTOR: VARIOUS

CAST: James Lewis, Jack Green, Cameron Taylor, Logan Moore, Lyle Boyce, Nathan Hope, Johnny Cruz, Cris Anders.

SHIPPED OFF to Dashwood Training Camp, seven fresh faced recruits are put through their paces by the tough but handsome Sergeant Moore, who doesn't accept anything less than 100% from his boys. But while endless marching, exhausting exercise regimes and boot polishing keeps these handsome young fuckers busy, they still find a way to get busy with each other... Well, what else are these young, testosterone-fuelled guys going to do with their down time?

WITH barrack-based, bunk-bed bunk-ups, intimate medic room massages and spit and spunk boot polishing, the story focuses on blond virgin James who struggles to find his place in the army. Nervous and shy, he soon catches the eye of fellow recruit, tall, lithe and very handsome Robert. The two lads hit it off

and a relationship begins to develop. But what will happen at the end of training and final graduation at Dashwood? Who will pass, who will fail and where will these new recruits end up? Will fate play its part and allow the lads be stationed together?

THE URGE: HUNTIN' FOR ASS

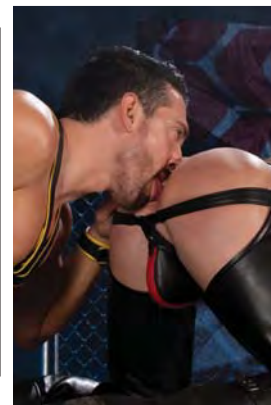

STUDIO: HOT HOUSE
DIRECTOR: TONY DIMARCO

CAST: Jimmy Durano, Alexander Gustavo, Austin Wolf, Sebastian Kross, Jacob Peterson, Johnny V, X L and Logan Moore

THE URGE: Huntin' for Ass explores the unrestrained world of a sleazy, testosterone-filled sex club where hot and horny men go when they're craving quick 'no strings attached' fucking. You'll feel as if you're right there in the club as a voyeur, watching some of the hottest men on earth fuck when award-winning director Tony Dimarco leads eight sex-crazed hunks on a search for hot anonymous sex in this den of deviance.

BEEFCAKE Austin Wolf is cruising for a nice hole to use and soon stakes his claim on a willing and eager Alexander Gustavo. Bending him over, Austin gives the greedy sub lad's arse some much-needed attention with his talented tongue and a few fingers to loosen him up before flipping Alexander over and giving him his thick rod. Decked out in leather, inked muscle guy Sebastian Kross is looking hot

as he cruises the club. He soon sets his sights on sexy Jacob Peterson (or rather Jacob's arse) who's showing off in a tight black jockstrap. Jacob's been waiting all night to get his hungry hole pounded, but his wait is over as Sebastian moves in, gets down and shoves his entire face between Jacob's butt cheeks. Sebastian tugs at his rapidly growing cock while he devours his bottom boy's eager sphincter, and then crams every last inch of his massive member down Jacob's throat and then fucking him on all fours! Muscle studs Jimmy Durano and Johnny V feed off each other's sexual hunger in an intense fuck that sees blond Johnny, the hottest newcomer in porn, shooting his load so hard it lands on his own face, and ripped Latino powerhouse Jimmy blowing his wad all over Johnny's quivering arse. Hung stud XL sits back, stroking his humongous trouser snake and straight away he has Logan Moore hooked. After a deep and probing rim job, XL puts Logan on all fours and rams his nine and a half inches of solid meat hard and fast into Logan's now windsock-like arse hole, hitting his spot with precision and taking him to an intense orgasm.

The URGE: Huntin' for Ass is available from www.HotHouse.com

NEW CUMMERS

NEW AND UPCOMING RELEASES THAT LOOK HOT!

BE MY CUM DUMP

● IN last month's issue we featured Prison Breeding, a bareback movie by Eurocreme's fetish studio Bulldog RAW. Be My Cum Dump is another condom-free production from Bulldog's naughty little sister studio and stars hotties Gaston Croupier, Alejandro Alvarez, Craig Daniel, Sergi Rodriguez, Brent Taylor, McKensie

Cross, Skikes and Samba. "Bulldog goes bareback and brings its established brand of high quality international models together with great locations and theme-led movies to the bareback arena," Eurocreme Group's Lee Redpath says. "The market has spoken and is already lapping up this debut movie from new sister studio Bulldog RAW."

MUSCLE DADDIES

● WHAT have hairy chests, muscles, beards and, of course, big pendulous daddy dicks? Alphamales' Muscle Daddies that's what! And the studio has chosen an outstanding selection of hot burly hunks for their DVD Muscle Daddies. Watch as these man mountains strip bare and stroke their big dicks 'til they're pointing north and twitching in anticipation of the cum inducing jerkoff they're about to be subjected to! The all-star international cast includes Geoffrey Paine, Jessy Ares, Joe Gunn, Tom Neris and this fine specimen, Spanish

beefcake Sergio Moreno. Sergio's got it all going on: a manly muscular body, covered in tattoos, masculine rugged features and a beautiful thick meaty cock. We were mesmerized watching him strip, and when this bruiser cums it's an almighty orgasm that you won't want to miss!

BIG BRITISH DICKS

● AWARD-WINNING studio Blake Mason, famed for its hot amateur British lads, has travelled the length and breadth of the British Isles searching for the fittest totty with the biggest cocks for its latest ball draining release Big British Dicks. And the studio scored a blinder with the nine sexy-as-fuck lads they found who, without a doubt, all do possess big British dicks. As with all good Blake Mason DVDs, there's no fussy script or elaborate set, just

two lads and a bed. Luke Desmond and Lincoln Gates, two suitably hung young lads, are up first, closely followed by Riley Tess, Dylan Thorne, Craig Daniel, Zak Starr, Nathan Gear, James Dixon and Tyler Jenkins.

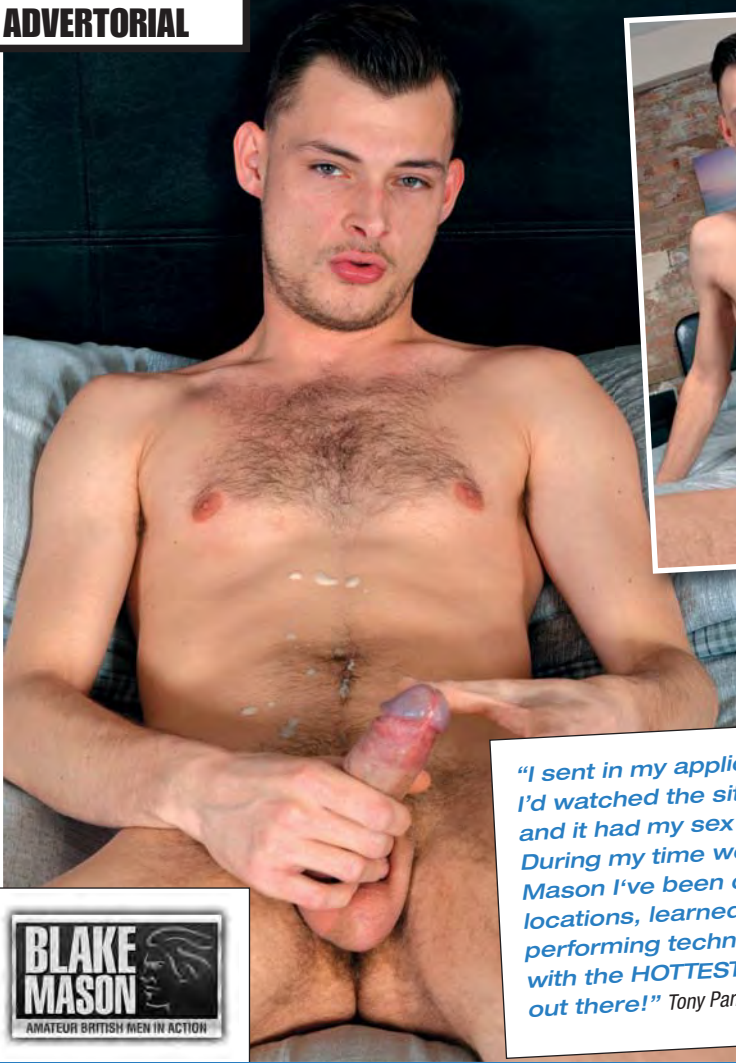

BUGGER ME

● UKNAKEDMEN'S latest release features a mind-blowing selection of horny fuckers from the studio's burgeoning stable of studs. You'll be saying "Bugger Me!" when you watch this triple DVD box set which has no less than 21 up for it sleaze balls, including Paddy O'Brian, Dominic Pacifico, Will Helm, Bryce Cruz, Miles Racer, Marco Sessions, Johnny Hazzard, Issac Jones, James Longhill, Woody Fox, Ben Statham, Valentin Solis,

Alexander Zorlamak, Justin King, Peke Mad, Augusto Cumming, Lukus Chem, Freddy Richmond, Jacob Steele, Marco Ramsay and Lyle Boyce, suck, rim and fuck their way to knee-trembling, spunk splattering climaxes. Bugger Me delivers over four hours of spunk-filled action over 3 discs; all of it expertly caught on camera in juicy, steaming close up by award-winning director JONNO so we don't miss a drop!

● BEFORE applying, both lads were already fans of Blake Mason.

"I sent in my application because I'd watched the site so many times and it had my sex senses tingling! During my time working with Blake Mason I've been on some amazing locations, learned some great performing techniques and worked with the HOTTEST guys there are out there!" Tony Parker

LET APPLYTOMODEL.COM HOOK YOU UP WITH THE BOYS FROM BLAKE MASON

Blake Mason has been at the forefront of British porn for over 10 years, but what makes this iconic site so special?

We caught up with two of the site's most long-standing boys, Tony Parker and Josh Jared, who between them have racked up 52 movies with the studio, to ask them about their best experiences...

● THE Blake Mason experience isn't just about sex though. These horny young lads build friendships that last beyond the bedroom, and the relaxed atmosphere really helps bring out the best these boys have to offer.

"I've made a lot of great friends along the way. I'm one very horny lad, so for me sending in my application was me wanting to try out some of the hottest lads on the site and put those cocks to good use!" Josh Jared

Looking back at my earnings from this initial period, it's hard to believe anyone would offer any tokens at all in exchange for my services, if you could call 'em that. I didn't even own a dildo believe it or not, so when requests for anal play started to come in, I would improvise with condom covered carrots and cucumbers [DO NOT ADVISE!]. The first time someone invited me to go private [much to my glee, here's your chance to show 'em what your made of Jmatt, I thought!] the whole thing was over in less than a minute and a half. Either he really enjoyed himself, or the fact I didn't know what the fuck I was doing was wholly transparent. For the sake of my ego I'll opt for the former.

One of my fonder memories from those first few months on Cam4 was the first time I hit my goal. It was only for something like 250 tokens but I had quite a few guys interacting with me and throwing down tips. My highest tipper requested that if I were to hit my goal, it would be on the condition that I do a strip tease/dance to the song 'It's my birthday' by Will.I.Am/Cody Wise. How could I say no to that? :]

CAM4: A PERFORMER'S PERSPECTIVE

JMATT93

THINKING ABOUT PERFORMING ON CAM4?

HERE, MATT, A 22-YEAR-OLD CUTIE FROM BRISTOL WHO DESCRIBES HIMSELF AS A CHEEKY CHAP WITH A WILD STREAK, TELLS US HOW HE'S FINDING IT AFTER PERFORMING ON CAM4 FOR JUST OVER 6 MONTHS.

Of course I'd be lying if I said I hadn't strayed from Cam4 from time to time to see what the competition were offering, and there was a time I was doing more private shows on Skype than broadcasts on Cam4.

Another thing that keeps me coming back for more is the dedicated fanbase I've accumulated, and the wonderful sense of community! It's great to see the same old faces popping up as you go Live, cheering you on and willing for you to do well; and some of these people have grown to become real life friends instead of just faces on a screen. I've probably met up with about 5 or 6 different guys who initiated contact with me via Cam4 away from the internet, and all in all it's been a hugely pleasurable experience.

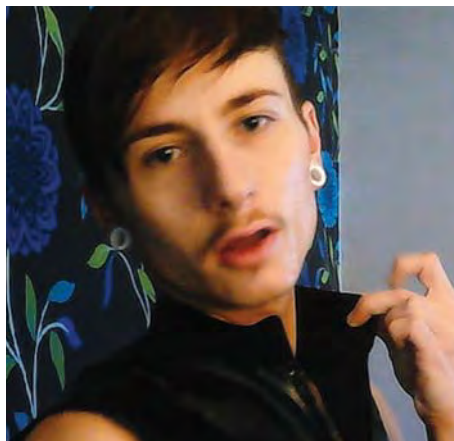

IT'S hard to believe it's been quite so long but I look back on some of my earliest broadcasts and cringe! [slumped half naked on a couch in my parents' freezing cold living room while the rest of my family had all gone to bed, hoping I wouldn't get caught, and hoping too that someone out there with more money than sense might throw me a tip or two for, y'know, essentially just existing].

"I DIDN'T EVEN OWN A DILDO AND WOULD IMPROVISE WITH CONDOM COVERED CARROTS AND CUCUMBERS"

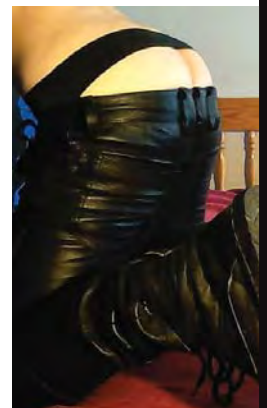

My advice to anyone with an exhibitionist streak interested in getting involved with broadcasting on Cam4 is – just do it! You never know where it might take you, and you sure as hell don't need access to all the fancy gear and props to begin with. These are things you can accumulate over time if you so desire, and sometimes not even necessary; trust me, a little imagination can go a long way!

But [and I'm not being paid to say this!] the support team at Cam4 is second to none. Any of my doubts or queries have always been settled in no time at all and I've never once had any issue with receiving payment from them. There's been times that personal problems have cropped up in my day to day life and I haven't been able to broadcast for days, sometimes weeks at a time, despite my best promises to, but I never once felt under any pressure to do so from them and the team have been nothing but supportive throughout my ups and downs. I really do feel like the team at Cam4 care about their performers and have their best interests at heart, something I haven't encountered on quite the same level on other rival camsites.

I have no idea where I'll be 6 months from now but I know I've come a long way from my early Cam4 days and it's such a thrill to be able to earn money [and make what I hope will be life long friends] from doing something I enjoy so much.

Thanks so much Cam4!

THE SPARTA FROM NEXUS

CloneZone's Topher Taylor road tests the Sparta, the latest prostate massager from Nexus.

I have recently been introduced to the newest toy in the award-winning Nexus' range of Prostate Toys – The Sparta. I was lucky enough to get sent one before its official release in mid-November. This brand new prostate massager boasts the ability to massage your P-Spot directly with a unique 'come hither' motion delivered by an independent nodule in the head of its tapered shaft. The first thing I noticed when I held the Sparta was the texture of the silicone used, which is silky smooth. It's not at all heavy; in fact I was surprised by its lightness and gentle frame. The toy itself is perfectly firm. The Sparta features a control button on its base that you press to command its different massage settings (5 in total), these being; slow, medium, fast, medium pulsation and then fast pulsation. The Sparta is rechargeable by a magnetised disc that connects to its USB cord and can be used on your computer or USB charging block. Plus it comes in a really pretty box.

I began by adding some of Nexus' water based Slide lube to the Sparta's head, full length as well as me. You can only use water-based with this toy. Insertion is relatively simple (the Sparta doesn't boast a huge girth - 34mm across at its widest point) as it's been designed to rest internally in the perfect spot, not stretch you. Holding its 'ring' with your index finger and lying back, you'll find that the Sparta inserts easily. It's curved P-Spot shape slides into place naturally and you feel it resting on the good bit... You'll know what I mean when you feel it.

At the base are three gently pronounced ribs that feel extra-sensitive in comparison to its smooth shaft. When Sparta was fully inserted, I switched it on. The 'come hither' motion inside of its head is instantly noticeable and goes straight to work directly on the P-Spot. The nodule is about a centimetre tall. It's an initial shock to the system – but in a *really* good way. If you're someone who enjoys things in your butt, it's hard to stay soft when this begins.

You have different choices when you're using the Sparta. You can lie back and let it go to work for you, OR you can do what I did: Use the ring-hole at the base to move it in-and-out an inch or so, to take advantage of those ribs on the shaft. The ribs spread over 1.2 inches and feel really good rubbing against the entrance to the hole. This way you're getting the benefit of both in-and-out penetration and direct prostate massage, as your prostate spreads over a couple of inches. The Sparta can be used hands-free, it doesn't 'push' out like some anal toys, it 'locks' itself inside quite easily. I recommend kneeling and resting backwards on it, almost as if you were praying (actually praying is up-to-you, feel free to scream "Oh God" if your housemates aren't home). Other good positions for this toy are lying on your back and 'squatting' on it, if you're feeling fit. Changing through its five settings is one-of-the fun things with the Sparta – Nexus knows to focus on your hotspots, so you don't get bored of one setting. The graduating speed options are

Dimensions:
 Total length - 129mm,
 Diameter at base - 22mm,
 Diameter at widest point - 34mm,
 Full width - 100mm

intense and controlled by clicking the soft button on its base. My favourite setting was medium pulsation (the fourth click). Holding this same button down for a few seconds turns Sparta off.

You don't have to wank when using the Sparta, but I did. The mix of internal and external stimulation is undeniably fucking good. As with all prostate massages, your orgasm is intensified. It builds from the inside and explodes outwards. But with the added 'come hither' massage and ribs at the base, the Sparta stands head and shoulders above other toys I've tried (and I've tried a few). You'll have a hard-time keeping quiet when you cum!

PROWLER MAKES YOUR DAY, YOUR MONTH AND YOUR YEAR!

With just two months to go until the new year it's time to start thinking about which 2016 calendar we want to adorn our walls at home or in the office.

THIS year, don't just make do with the bit of old tat which came free with your last take-away meal or the oh-so dull effort from the water cooler company. And while you get a good feeling when you purchase a calendar and all its proceeds go to charity, nothing beats the feeling of staring at a calendar that has a different naked man looking down at you each month.

Lucky then that those guys at Prowler have a feast of sexy 2016 calendars to choose from, such as cutie pie Tom Daley's, the beefy Warwick Rowers, Dieux du Stade's gorgeous offering, COLT Studio's iconic Leather and Hairy Chested, Shooting Raw from Lucas Entertainment, BelAmi Online's and their Kinky Angels too!

IN-STORE CALENDAR SIGNINGS!

But that's not all because Prowler has two calendar signings this month too!

THE first is by gorgeous Celebrity Big Brother runner-up and one half of the biggest on screen bromance of the year, Austin Armacost. He'll be in-store at Prowler Soho on Thursday 19th November between 6-8pm signing his hot 2016 calendar, and as Prowler is the only retail store in the country selling this hot American hunk's calendar, grab it while you can!

www.prowler.co.uk

LOVERS of redheads should make a beeline for Prowler Soho on Thursday November 26th when models from Thomas Knights' Red Hot calendar will be in-store to sign their 2016 calendar and the new Red Hot 100 book. A firm favourite year after year, iconic photographer Thomas Knights has once again created an ultra hot collection of sexy ginger men. They'll be there between 6.30-8.30pm, and if you were at last year's calendar signing you'll know the store was jam-packed, so get there early!
