## FALCON STUDIOS GROUP CEO CHRIS WARD ANNOUNCES RETIREMENT

● **Chris Ward, company president of Falcon Studios Group, is retiring after twenty years in the adult industry.**

WARD, who co-founded Raging Stallion Studios with JD Slater in 1999, built the Falcon Studios Group through a series of mergers that brought Falcon, Raging Stallion, Hot House and various fetish brands under one umbrella. NakedSword CEO and Co-Owner of AEBN Tim Valenti, will assume the role of President of Falcon Studios Group.

Speaking about his time in the industry, Ward said, "I have lived a dream working in our industry. I started out in a basement and grew my company into something far larger than I ever thought possible. So many people helped me during these many years and I would not be able to be in a position to retire without their hard work and support. There are too many people to name, but without them my career would not have been possible." Ward began his career as an actor/director at Hot House in 1996 and released his first film, *The Hole Punch*, that same year. He became one of Hot House's main directors, working directly with the legendary Steven Scarborough, who Ward considers his mentor. A few years later Ward and Slater (together with Kent Taylor) formed Raging Stallion Studios, which quickly became a major player in the industry. In subsequent years Falcon and Hot House were acquired, forming the current Falcon Studios Group. So far this year Falcon Studios Group has released over 100 DVDs, making it the largest single producer of gay erotica in the world. Ward has received over fifty industry awards for his own efforts, and several hundred more for films he produced over the years, making him one of the most recognized directors in the industry. He won best director at the GayVNs three years in a row, working with his co-directors Ben Leon, Tony Dimarco, and Steve Cruz. Of the many films directed by Ward, the standouts include *Arabesque*, *Grunts*, *To The Last Man*, *Manifesto*, *Giants*, *Raiders of the Lost Arse*, and many other noted blockbusters. Ward is planning to split his time between San Francisco and France, spending time with his partner (Mo Duran), his cats and his wine cellar.

## BIOSURE - THE WORLD'S MOST ACCURATE HIV SELF TEST

● IT wasn't that long ago that if you wanted to find out your HIV status you had to either go to a clinic or send off a blood sample and wait a few days to get your results.

## MR GAY WORLD 2015 STEPS DOWN

● KLAUS BURKART, crowned Mr Gay World 2015, has stepped down seven months after winning the title, citing 'personal changes.'

21-year-old Burkart from Germany announced his resignation on the Mr Gay World website: 'When I entered the 2015 Mr Gay World competition in South Africa I thought that becoming Mr Gay World was the biggest challenge of my life... Indeed it is very challenging and exciting winning the title, but what is more challenging is living up to the expectations, responsibilities and duties that come along with it.' Burkart was crowned the winner of Mr Gay World in Knysna in May. 'Being Mr Gay World and serving the community has filled me with pride and joy,' Burkart continued. 'I had the opportunity to travel to different places and meet many members and friends of the LGBTI community - their positive feedback showed me that my mission had a true meaning and that the efforts of Mr Gay World are relevant and important. Facing this great experiences I'm very sad to announce that due to personal changes in my life I will no longer be able to live up to the expectations and serve the community to the extent that the title requires to do so. This is why - with great sadness - I'm stepping down from the title Mr Gay World 2015.' First runner-up, Emmanuel Mass Luciano of Hong Kong (pictured left), will take his place, becoming the first Mr Gay World from Asia. The fashion designer, stylist and blogger, says he likes cuddling with his dog, going out with friends and meeting new people. Speaking about his successor, Burkart wrote on Facebook, "I know he will be a great representative for our community, who will put all his heart and passion into his reign."

## MENRUS.CO.UK - THE NEW GAY MEN'S LIFE MANUAL

● A group of gay men who wanted health, life and well-being stuff in one place, were so fed up with questionable and unrewarding Internet search results that, instead of moaning, they decided to do something about it and build an independent free-access website that joined up the dots of their needs.

THE result is [www.MENRUS.co.uk](http://www.MENRUS.co.uk), an encyclopedic life manual written and edited by gay men, with content

that 'isn't dumbed-down, drained of humour or edited to within an inch of its

life'. Comprised of six sections - You, Men, Body, Sex, STIs and Drugs MENRUS.co.uk you'll find content from a wide range of organisations and community groups in fields of health promotion, sexual health, HIV prevention, substance use and the LGBT community. Due to funding, the site's content is currently London-centric, but it's hoped this will change in the future.

## DECEMBER: CUMUNION

HERE are details of this month's pro-choice, no-attitude CumUnion parties...

### 04 DECEMBER: SHEFFIELD

● ON the first Friday of every month from 9pm to 2am CumUnion visits The Boiler Room Sauna in Sheffield. Spread across two floors, you'll find the sauna facilities on the ground floor, while the play area, with slings, cinema, large group-play areas, a darkroom, glory holes, private rooms and more, is up on the first floor. The Boiler Room Sauna in Sheffield also has a water sports area too, and whilst towels are provided free of charge the theme of the party is naked, or fetish gear. Hot and cold drinks are available from the lounge bar and we've heard that alcohol will soon be available. In the meantime you're welcome to take your own.

### 06 DECEMBER: LONDON

● ON the first Sunday of the month from 1pm to 7pm CumUnion takes over our favourite south London dungeon The Flying Dutchman. Set over two floors, you'll find a bar, cloakroom, toilets and outside smoking area on the ground floor, and a fully equipped play area kitted out with slings, beds, benches, a cage and much more, downstairs in the basement.

### 11 DECEMBER: HOVE

● ON the second Friday of every month CumUnion takes a trip to the friendliest sauna on the South coast, The Boiler Room Sauna, from 9pm to 4am. Set across two floors, you'll find the lounge area and licensed bar on the ground floor, together with the sauna, steam room, jacuzzi spa, showers and toilets. Upstairs you'll find five cabin rooms, three with fixed beds and one with a fuck bench, a large cinema with tiered seating, two sling rooms, one open with porn playing, the other with a mirrored ceiling and a lockable door for privacy. There's also three interlinking glory holes and at the back of the sauna is a private covered smoking area. Lockers and towels are provided free of charge, but as the event is run as a naked night, only tiny towels are given out to encourage guys not to wear them! We're reliably informed that you'll be given a standard towel for showering when you're about to leave. Entry to CumUnion parties is £15 for members and £20 for guests. Membership is free and you can join at any CumUnion party. Full details can be found at [www.cumunion.uk](http://www.cumunion.uk) and [www.cumunion.com](http://www.cumunion.com).

## HARD ON'S 12TH BIRTHDAY - 24/09/2015

BACK in September we squeezed into our teeniest rubber jockstrap, pulled on our military boots and went along to celebrate the 12th birthday of London's favourite dirty dance club with the Queen of Sleaze, Miss Suzie Krueger and hundreds of sexy and up-for-it, fetish-loving guys!

**HARDON**

They had enlisted the talents of porn stars Bruno Fox, Nick North and JP DuBois to delight the crowds with an XXX-rated show, and as the night went on, Union welcomed in more and more sexy rubber bois, leather daddies, sports kit freaks, sleazy skinheads and everything in between, all of them there to celebrate Hard On's 12th ball-busting, cock-throbbing, arse-banging year!

This month's XXXmas Hard On is on Saturday 12th December. Check out [www.hardonclub.co.uk](http://www.hardonclub.co.uk) for details.

## THE URGE: POUND THAT BUTT

**STUDIO:** HOT HOUSE  
**ENTERTAINMENT**  
**DIRECTOR:** TONY DIMARCO

*Cast: Nick Sterling, Jason Maddox,  
Jacob Peterson, Logan Moore,  
Valentin Petrov, Sean Zevrán, Hunter  
Page, Austin Wolf*

**AWARD-winning director  
Tony Dimarco takes us on  
another journey to a seedy  
sex club, this time with  
eight new horned-up studs  
all looking for a sleazy,  
anonymous encounter.**

SEAN ZEVRAN is on his knees, blindfolded and locked in a cage in the shadows of the seedy sex club and super hung Valentin Petrov takes full advantage of his vulnerability thrusting his hefty bulge into Sean's face. The cage door is soon open and Valentin pulls Sean out by his harness, puts him on his back and gives his arse hole a full force drilling. Horned up Jacob Peterson uses his cuffs to chain himself to a St. Andrews cross in the middle of the club and waits patiently for someone to come along. It's not long before he's at the mercy of Logan Moore who bends him over and slides his meat into his willing hole. Horned up Jason Maddox is

on the hunt when he notices leather-stud Nick Sterling wandering aimlessly in the club. Nick invites Jason over and bends over so Jason can fuck his firm, round butt in a rough and dominating manner.

Delicious Hunter Page is cruising the sex club for some action when super-ripped hunk Austin Wolf, hidden in the shadows, grabs him by the back of his jockstrap. Soon Hunter's on all fours, with Austin drilling him from behind, holding Hunter in a headlock and pulling him closer as he digs deeper into his arse with his thick cock. Give in to your erotic cravings and join the horny men of 'The URGE: Pound That Butt' for an intense ride. They're guaranteed to make you blow your load with no strings attached!

## JOCKS & SOCKS

**STUDIO: BLAKE MASON**

*Cast: Daniel Johnson, Riley Tess, Dan Broughton, Josh Jared, Andro Maas, Craig Daniel, Timmy Treasure.*

**BRITISH hardcore studio Blake Mason serves up a fine selection of fit jocks getting down and dirty in their sweaty football socks. No fancy sets, no daft plot lines and no ridiculous scripts in this DVD... Each scene just has a bed and two hot, hormonal lads.**

SEXY Daniel Johnson and Riley Tess are up first and cocky young geezer Daniel fucks the living daylights out of young Riley's arse in a horny as fuck opening scene that sets the rampant pace of the DVD. Next up it's Dan Broughton and Josh Jared and when Dan slides his big dick into Josh it kicks off a frenzy of fucking that sees Josh being rammed all over the locker room. That Dan Broughton's good value for money and he's back in the next scene, this time with sexy half English half Dutch lad Andro Maas. With his jockstrap framing his tight bubble butt, Andro takes Dan's hard shaft in his arse for a hard fucking, and takes it doggy and then

rides him too! Another top who's always guaranteed to give a good solid performance is Craig Daniel. Pair him with an insatiable bottom like Timmy Treasure and you have a winning combination. Timmy's more than capable of taking it hard and deep, and with his cheeks parted and his hole well and truly eaten out, Craig sinks his long meaty cock inside and fucks him hard all over the bed!

## V.I.P. - THE HUSTLE

**STUDIO:** FALCON STUDIOS  
**DIRECTOR:** TONY DIMARCO

**CAST:** Killian James, Alex Mecum, Sebastian Kross, Scott Riley, Dorian Ferro, Jason Maddox, Brian Bonds, Armando De Armas, Johnny V.

**VIP - THE HUSTLE** is the first installment of Falcon Studios' two-part Autumn Blockbuster, and takes you behind the velvet ropes and into the sleazy world of a Las Vegas male strip club.

ALEX MECUM has been having wet dreams of hunky lads in sexy briefs gyrating under coloured strobe lights, and he must surely be the luckiest man alive because when he wakes up his hot muscle-stud boyfriend, Killian James, is right beside him to take care of his aching boner. Back at the club, the patrons aren't the only ones getting in on the action. When blue-eyed blond Scott Riley comes looking for a job as a dancer, go go manager Sebastian Kross shows him the finer points of lap dancing, and teaches him how to ride a customer's cock with his tight hole. Dancer Jason Maddox lusts after stripper Dorian Ferro's furry body and hot bubble butt, and gives him

a lap dance that works his amazing arse and prostate to the blasting point. Armando De Armas accepts an offer he can't refuse from admirer Brian Bonds, who waits for him outside the club. For a wad of cash, Armando will fuck Brian hard and deep until Brian's balls - and Armando's cock - are drained... How could he possibly refuse! And Johnny V is a dancer who finds creative ways to break the newly imposed "hands off" rule: just don't use your hands! So when new guy Scott Riley (who's just too tempting!) a mutual 'hands free' blowjob provides the perfect introduction.

## TEENAGE KICKS

**STUDIO:** EUROBOY

**CAST:** Jesse Magowan, Kamyk Walker, Kevin Ateah, Skylar Blu, Lloyd Adams, Aaron Aurora, Kai Alexander and his two mates.

**THESE Euroboy twink**s are young, hung and full of cum and have permanently got the horn. It doesn't matter where they are or what they're doing, if they want sex they'll do it right there and then... That's how they get their teenage kicks!

PEROXIDE blond top guy Jesse Magowan and his pal, hungry bottom boy Kamyk Walker, are sharing a bag of sweets on the bed. However Kamyk wants to suck on something more substantial than just lollypops and soon he's got Jesse's stiff cock in his mouth and down his throat. After some lip-smacking oral, Jesse begins his assault on his buddy's butt and pounds away at Kamyk's small pert derriere. Kevin Ateah and Skylar Blu prove that boys 'do' make passes at boys who wear glasses, when the two mischievous little school boys strip off their school uniforms and go for it hell for leather! They might look boyish but under those short trousers

these horny little fuck sluts are all man! It's Halloween and when Lloyd Adams comes knocking on Aaron Aurora's door and asks the question, "Trick or Treat?" you know exactly what horny Aaron's answer's going to be. "Treat!" is his excited answer and Lloyd certainly gives Aaron's perky little butt a treat with his meaty rock hard cock! In the final scene a dull night in is transformed into a hot and sticky three-way by a pair of handcuffs and three dirty minds. These rampant young twink prove that three into one really does go when horny sub-lad Kai Alexander, a long haired lover who is, indeed, from Liverpool, easily takes on his two hung mates! They take turns fucking his tight, smooth hole until all three have emptied their heavy, sagging ball sacks. Euroboy's barely legal twink certainly know how to get their teenage kicks!

Teenage Kicks is available from Prowler, Expectations, White Tiger and all good DVD stockists, and online at [www.ProwlerDVD.com](http://www.ProwlerDVD.com)

# NEW CUMMERS

NEW AND UPCOMING RELEASES THAT LOOK HOT!

## TOTAL EXPOSURE 2

● IT'S Raging Stallion's second part of the revealing, honest and ultra-sexy look at the real sex and lives of the studio's A-Team Exclusives. In an unprecedented, reality, cockumentary, directors Steve Cruz and Nick Foxx capture this elite group of some of the hottest men in the world on a remote cattle ranch, in candid behind-the-scenes moments and balls-out, intense and energized sucking and fucking that will leave you entertained, rock hard and your balls drained. In five cum-slinging action scenes Jimmy Durano bends Sean Zevran over an old dead tree and rails him with his thick uncut

trunk. Giant muscle-stud Austin Wolf and boy next door Jacob Peterson heat things up lakeside. Dorian Ferro and Johnny V have the urge for some late night action and fulfill their desires with some cum spurting oral fun. Andrew Stark and Nick Sterling take a walk to join Brian Bonds for a scorching flip-fuck in the desert. Smooth, frisky and eager, Ryan Rose and Andrew Stark share a bottle of whiskey and sneak away to a desolate barn to end their sexual tension in an epic flip-fuck. These are complemented by additional interviews and impromptu footage of the models at rest and play.

## HOLES

● GLORY HOLES: they're the best place in town to find giant dicks and hungry holes, and that's certainly true in Bulldog's latest release. It's where you'll find super hung studs Kayden Gray and Brute Club waiting for hot young eager studs who'll give their thick cocks the attention they deserve. Kayden and Brute are joined by Jack Green, Theo Reid, Danny Montero, Kamyk Walker, AJ Alexander and Alexis Belfort and over four ball-busting

scenes these eight hot lads deliver some horny as fuck deep throat fucking and hard butt pounding through glory holes, all ending with huge loads shot over submissive backs, tight toned chests and in the hungry mouths of some very willing subs.

## TOP DOG

● FROM Triga Films comes Top Dog! It's the studio's brand new DVD and it stars two of the sexiest hard nuts to break into gay porn in a very long time. There's Billy Essex (pictured above), a hot bit of rough from the South who's built like a brick shit house, covered in tattoos and would be perfect for a starring role if they commissioned a show called The Only Way Is Essex... On Steroids. From the North there's Mr Ste, a nasty looking skinhead with a massive rock hard cock who looks like he'd rip your face off if you looked at him the wrong way. Top Dog is without doubt the toughest slice of

## TRIGA FILMS

TOP DOG

South vs North filth the UK has ever seen and a brand new gang of hot as fuck Triga lads join Mr Billy Essex and Mr Ste, including Stav the Man, Neil and Sam, tuff new lads all jostling for pole position to give those bottom boys want they want – and that's a big hard cock up their arses! Yep, Triga's back with one big fucking bang of a DVD and their new Top Dog Mr Billy Essex!

## GOODBYE KISSES

● IT was indeed a sad day for fans of that all American jock porn actor Mick Lovell when the blond bombshell hung up his jock strap and retired from BelAmi and gay porn. Mick, who at the 2013 Grabby Awards, won in the Best Duo category along with Kris Evans for his performance in American Lovers – Part Two, had his last four scenes caught on camera by celebrated director Luke Hamil and they now make up BelAmi's Goodbye Kisses. There's three uber horny couplings with Joel Birkin, Rhys Jagger, Kevin Warhol and one scorching hot

three-way with Colin Hewitt and Ariel Vanean. But don't worry, those guys at BelAmi are a shrewd lot and you can bet they've stockpiled plenty of scenes starring the gorgeous Mick and countless other BelAmi beauties, which they'll eek out over the next few years. So, what did Mick do next? Well we've heard that he now goes under the name of Mick A Philips and launched a career for himself in fashion and commercial modeling.

entertaining show possible. It was good though and it wasn't just once we performed together! Who knows, maybe we will again in the future... LukeCouchWank\_221

#### **And what's one thing that CAM4 has got you wanting to do/fantasizing about that you never did before?**

Back in my school day's I remember two popular topics that would be discussed. Boys being boys, something that would always crop up into our conversations would be SEX. Sex, porn or whatever it was that got our cocks up, we would be discussing it! The second of these topics would be something the teacher's would often bring up... Sad to say, it wasn't a lesson on teacher/pupil role-play! It was however what we wanted to do with our future. I remember those schoolboy discussions we would have about porn. Each and every one of us was jealous. We all wanted that, to work with some of the most beautiful people out there, and get paid! For some reason it just never seemed like something I would have the confidence to do though. When I began performing on CAM4, I soon learned this site was much more than sticking your webcam on and jacking away. All of a sudden I had joined a new world of which

the ability to make good contacts and discover new opportunities was incredible. I was performing one day, just

stone type thing. By this I mean 'I love MMF sex!' There is something very hot about the idea of having a three-way doggy. Myself in the middle of course, with a girl up front and another man behind me setting that tempo! Although I have been lucky enough to have these experiences previously, there was something missing... I have a thing for men and women in uniform. I want to experience an Airline scenario. Perhaps the hot captain of the flight and one of his pretty cabin crew girls. I would love that! LukeCouchWank\_186

#### **Has your attitude towards sex changed since you started camming? Are you more open-minded, less judgmental, etc.**

Absolutely. When starting out I wasn't aware of all the vast amounts of fetishes there were out there. I would be asked to show my feet on webcam for example, the idea of which was horrible to me. As time went on however I soon learned that I have what I like, and they have what they like. There is nothing wrong with that. We don't choose our sexuality or what it is that turn's us on. It is what it is and we are who we are so if somebody is going to pay me some tokens to display my feet, my pleasure polish yourself off!

#### **What do you feel is sexiest part of your body?**

I am going to be brutally honest. It may come across as a bit 'basic' and perhaps even crude. For me my favorite part of my body is my penis. Others compliment my chest, arms, abs and the occasional one will say I have nice eye's too. A lot of these people haven't seen my cock. Although it may not make a difference to them, to me it does. At the end of the day this chap has been with me from the beginning and his services are endless. I could go on but my body is what other compliment me

on. I am not going to be the same young guy in year's to come. These pecs, these arms, these abs are going to go. This chap however, he's with me till the end.

#### **Have you ever thought about another CAM4 performer?**

I have yes. Although I don't remember exact usernames, I often stroke myself to other performers before starting up a broadcast of my own. This is something I enjoy doing

and it helps me get into a nice horny state of mind before I go on webcam for my viewer's.

#### **Has camming changed your personality off-cam?**

Definitely, growing up I was a very shy child. Even to this day depending on the situation I am in I can still be quite shy. Up until I was 18 this was something I struggled with until I learned the only way I could beat it was to put myself out there where I wasn't comfortable. Although I never found performing on CAM4 to be out of comfort zone, the time spent in front of a webcam engaging with my viewer's and showing my personality has helped me in other area's of my life. After all for me, if I can be comfortable sitting there on webcam in my briefs, dildo in one hand, lube in the other, talking to the people, why should I have problems with confidence in other area's of my life?'

## **CAM4: A PERFORMER'S PERSPECTIVE**

**CAM4**

21-year-old Luke Adams (aka athletic94) joined the

UK's largest adult webcam site in February 2013. Here's an excerpt from the super-cute, CAM4 performer's blog in which he admits to doing things in front of the camera he never thought he'd do and tells us how camming has changed his attitude towards sex...

I am Athletic94 a bisexual porn star currently in Spain who is doing cam

shows on CAM4. Although I don't have the same intimate feelings towards men as I do women, there are so many attractive guys out there, I can't help but need them in my life too! I know this is a gay blog and the answers you are about to read I could have made up some wacky fictional answers for the readers. That wouldn't be truthful though and that would not be me. I hope in reading this you can get to know me better, because this is it, this is a small snippet of who Luke Adams is and nothing but the truth.

#### **What's one thing you've done on CAM4 that you thought you'd never do?**

Performing with one of my Porn Producers. I had been working with this producer for over a year. It never dawned on me that he would be into the webcam scene himself. I was used to taking directions from him in our shoots, and then all of a sudden he was sitting next to me, naked! It was strange then being the one directing him how we could give our viewer's the most

doing my thing for the audience before somebody asked if I had ever considered working in Porn. My mind opened up so much more after that. I took the offer up and before I knew it, I was receiving multiple offers from other porn companies, some of which gave me the opportunity to work abroad. All of this was made only possible because I put myself in front of a webcam, and for that I have CAM4 to thank.

#### **Do you have any fetishes, what's one you really want to check off?**

Being a bi guy for me is brilliant as my mind is constantly flowing with new fantasies and fetishes I wish to experience! I can go from fantasizing over a beautiful woman one minute, to a ripped fella with a Greek God physique the next, literally! Taking this into account, when ever possible I like to kill two pigeons with one

EXPECTATIONS >>

# DRESS TO IMPRESS THIS XMAS

**We're in the midst of the festive period and while some of you dread this time of year with it's sickening Christmas adverts on TV and Christmas carols blasting out in every store you venture into (every store except Expectations we hasten to add!) the good news is that this month there are plenty of festive events and hot nights out at the capital's cruise bars and fetish clubs,**

NEEDLESS to say, you'll need to look your best at these events, so it makes sense to get into Expectations for the latest gear or some timeless classics.

If you've not done already then now's the perfect time to check out the Mister B Shop-in-Shop, which following Expectations' refit has tripled in size, as a number of Mister B items have been reduced in price.

## CLONEZONE'S TOPHER TAYLOR ROAD TESTS...

### THE COLT MIGHTY MOUTH VIBRATING MASTURBATOR

The first thing I noticed about the Colt Mighty Mouth was how lightweight it was in its packaging. Initially this was a concern for me, as I was worried it would be a limp and cheap plastic toy. But when I held the Mighty Mouth in my hand, its smooth ergonomic shape instantly appealed to me, and its quality was very apparent.

It comes packaged in one of COLT's simple red cardboard boxes, with the masturbator and its accessories

stick to the Clonezone theme). I also squirted some inside of the textured sleeve. You can only use water based with the Mighty Mouth, as silicone based lube can gradually break down the silicone used in the sleeve.

I slowly pushed my dick inside of it and the satisfaction was instant - the textured silicone sleeve feels amazing on your

dick, and gave me an instant 'shudder' that reminded me of the first time I fucked someone. Remember that "wow" moment? Many moons ago... Anyway, I started fucking the toy and it felt really good, almost too good. You can watch porn when facing it, as that would be awesome - but I didn't. I was thinking about the sex

I had at Halloween dressed as Geri Halliwell (don't ask). I had to

slow down a few times so I didn't cum before I had experienced all that the Mighty Mouth has to

offer, function wise. So I turned the vibration on, which felt incredible.

There are lots of options to choose from, but my favourite is pulsation. The internal vibrations send ripples through the mini-tongues inside that both massage and tickle your erection. It's impossible to go limp inside this fucking thing (I made a point of trying).

The only down side to the toy is the sloppy suction sounds it makes when you fuck it. If you live in a very quiet house, I recommend putting on some music or turning on the TV... Or just telling your housemates to mind their own business! I wanted to try it without using the holder, so I put on its simple black finish. Grinding it up and down my length felt great. The sleeve is just 4.5 inches long - but this doesn't affect pleasure or satisfaction if you are a lot longer, as it grips to your head and rubs up and down your shaft perfectly. I actually turned off the vibration off and used it alone. The vibration is awesome, not too intense to numb you - just right. But I wanted to use it alone. I found that by holding it on my head and gently shaking it like a vibrator in half inch motions, I was getting close because it felt really, really fucking good and tingly. I did this a few times with breaks in-between. I had to eventually give in and cum. The orgasm was REALLY good, making sure I totally forgot I

**Dimensions:**  
Length: 11.5"  
Circumference: 10.75"  
Canal diameter: 2"  
Internal Length: 4.5"  
Base type: Sucker  
Powered by 4 AAA batteries.

bagged individually inside. The Mighty Mouth itself is matte with COLT's famous logo written in bold red and looks very masculine and sexy. I found myself running my hand up and down it a few times - and then felt ridiculous. On its casing there are two buttons, one to switch the Mighty Mouth on and off - and the other to explore its 30 functions of vibration, pulsation and escalation... The Mighty Mouth has really spoiled you! Its detachable suction cup lets you stick the Mighty Mouth to any smooth surface and it's handy hinge means it's easily bendable so you can fuck it from different angles without any hassle: Try the floor, wall or a table at crotch height. You have the choice of the suction cup or unscrew it for the simple rounded black end for hand-held play. This men's masturbator features an internal sleeve with mini repeated tongues inside to tickle and satisfy your erection. My personal concern with most masturbators is that the internal girth can sometimes be too tight for me (that's not a brag. I've experienced discomfort in the past with too much intensity caused by its suction and no room to move) but COLT's Mighty Mouth has a good size. I mean, it's tight - but that's what I was after. If you have a thick girth, there's no need to avoid the Mighty Mouth. The vibrator is a mini 'egg' within the casing that rests on the textured sleeve that you wank your length with. The 'egg' rests against the silicone sleeve to assure you are tingled directly on your hot spots.

So, let's get down to business. I screwed the suction cup attachment onto the end of Mighty Mouth and pushed it down hard on the flat surface next to my bed. The suction was strong and instant, so I was confident it wouldn't move when it got fucked. I got myself hard using Liquid Silk (I don't use Liquid Silk usually, but it's our best-seller - so I thought I'd

was using a toy. Some masturbators can be 'too much' when you cum, but the gentle silicone inside is very apparent. The natural suction is subtle and the material perfectly 'jelly-like'. Clean-up is really easy. I HATE cleaning up after using a masturbator, as it's the last thing on the planet that I'm in the mood for. You unscrew the circular cap from the end and pop the sleeve out. I used warm water and a toy cleaning spray from Clonezone. I turned the sleeve inside out; making sure all the lube (and other stuff) was cleaned through. After washing it, I let the Mighty Mouth's sleeve dry naturally. Popping it back into place and securing it was no hassle, taking less than 30 seconds.

Mighty Mouth, in my personal opinion, is a fantastic sex toy for men. It would be fun to use on someone else but my current squeeze is in Essex (I'm south London, so I couldn't be arsed). Its versatility is apparent immediately and its design is unpretentious and sexy. The sensations delivered are intense, direct and satisfying, making it ideal for circumcised guys or men who find it hard to stay hard during play.

You can hide the Mighty Mouth easily in a drawer or a wash bag. If you're not bothered, it looks kind of sexy on the bedside table. Plus the suction cup holder will keep it in place.

"My work reflects the dark side of desire, anal warts 'n' all. Blame it on the Benedictine monks who schooled me. I'm more into the idea of slumming and slamming, observing bug-chasing cumdumps engaged in the kind of long, slow, pig sessions that coachloads crave, intent on being recharged ad infinitum, rather than having a drink at G-A-Y... Recon and fuck nites such as The Vault, Suzie Krueger's Hard On and Fist offer

busying cash registers, with Michael Arditti having selected the latter as book of the week in The Times upon publication.

Hartnett is currently putting together a neat collection of his poetry in a limited edition, tentatively entitled Date of Birth, Time of Death, to be published in November 2016, with a central London launch already scheduled. Delivering titles such as Charismatic Sex Act, a piece about rimming, this author's writing is definitely raw and real.

## THE DARK SIDE OF DESIRE, ANAL WARTS 'N' ALL

January 1st 2016 sees the launch of **SEX : MALE**, the collected works of Britain's most transgressive gay author, PP Hartnett.

WITH all ten covers featuring illustrations by gay serial killer Dennis Nilsen, and a short story in Needs Discussion entitled Jason's Arse, written in collaboration with the convicted murderer, Hartnett certainly knows how to court controversy.

It's a mix of revised previously published titles and new pieces such as Full Screen and POZMEUP. Hartnett's focus is invariably on taboo areas and associated patterns of distress, disturbance. The shorter pieces within titles such as POZMEUP reek of the hotspots in which they were written, such as the capital's notorious Central Station twice-weekly SOP and saunas such as Chariots, Vauxhall.

more to my imagination than prissy romps by homo lightweights Alan Hollinghurst and Patrick Gale," says the quietly-spoken award-winning Irish author from his home in Haworth, West Yorkshire.

It's almost twenty years since Peter Paul Hartnett released his first novel in 1996, Call Me, which went on to be published internationally. The cult gay classic entered the Books Etc charts at number one. That was followed by I Want to Fuck You, then his two novels signed to Sceptre. Sixteen and Rock 'n' Roll Suicide gained surprise amounts of mainstream press,

# Party hard!

ELECTRASTIM™  
ELECTRO STIMULATION

# ROCK YOUR WAY TO A HANDS FREE ORGASM!

**Regular readers of QXMEN will already be familiar with the throbbing, pulsating and orgasmic abilities of ElectraStim sex toys. For those of you who are new to getting down, dirty and electro sexy, you're making the discovery at a great time as ElectraStim have just unveiled the Rockers - a range of three electro butt plugs designed to help you on your way to the ultimate experience of a hand-free orgasm!**

## What is a Hands-Free Orgasm?

You're unlikely to find a definition in the Oxford Dictionary, so in case you're not in the know - we'd better tell you. A hands-free orgasm (known as HFO) is the art of having a ball-busting solo orgasm without touching yourself. Sounds too good to be true, but it is possible.

ElectraStim sex toys have long been associated with assisting men on the road to HFO thanks to their ability to make muscles clench and relax in time with stimulation. The involuntary muscle

contractions feel similar to the throbbing of orgasms, so you can fundamentally achieve that pleasure throughout the duration of your fuck fest. The movements also make internal sex toys move around, a sensation called 'ghost fucking' which is one of the easiest ways to cum without manually thrusting a toy. All you need to get started is an ElectraStim stimulator (the power and controls) and a sex toy to connect to it. ElectraStim's rechargeable Flick stimulators start at £99 and once you have one, you can connect any of their electro sex toys to it.

## ElectraStim Rockers

The ElectraStim Rockers are the brainchild of ElectraStim director Andy Smith, who's been making electro sex toys for over 14 years. During that time, Andy's brought pleasure to thousands of men with his downright kinky wares. Rockers join the ElectraStim Silicone Noir sex toy range, which includes their flagship men's toy, the Sirius prostate massager (priced £59). Unlike most electro sex toys, Silicone

Noir toys are made from 100% medical-grade, platinum-cured silicone, which is more flexible and lightweight than the classic metal electrodes that preceded them. The softer material feels closer to the sensations of skin-on-skin contact, so it's easy to see why the range received 'Best Overall Product Range' at the Adultex Awards in Australia this year. Historically, electro sex toys connected to their stimulator with the connecting pins pointing outward from the base of the toy. This prevented seated sexual positions, which was sometimes frustrating. The Rockers are the first toys of their kind to solve this problem, as the name suggest, Rockers are designed for rocking! The curved base and unique connection points allow the wearer to sit, grind and gyrate without the pins getting in the way.

## How to have an HFO with Rockers

Getting started with HFO is as simple as connecting the gear up and inserting a Rocker plug. Switch on the stimulator

and select a pulsating or wavering pattern and climb the power up until you feel the tingles. Once acclimatised to the sensation, slowly push up the power until your ass muscles start to clench and relax. Sit back - and enjoy! With practice, many men can shoot their load with the e-stim alone. If you want more bang for your booty, the rocking base is ass-tronomically good. Grinding and gyrating increases the pressure you feel on your p-spot, taking your orgasmic ascent to 11 and giving you one of those just-fucked orgasm that so many toys can't replicate.

The ElectraStim Rockers are available in Small (£49), Medium (£59) and Large (£69) and are designed for boys with intermediate to advanced anal sex toy experience. The full range of ElectraStim sex toys can be found at [www.electrastim.co.uk](http://www.electrastim.co.uk).

## ... JASON DOMINO IN BULLDOG RAW'S ARMY BREEDING!

● 25-year-old British skin lad Jason Domino has cropped up in scenes from all the major UK studios this year including Blake Mason, Hard Brit Lads, UKNakedMen and now Bulldog from the Eurocreme Group.

We predict big things in 2016 for bisexual Jason who is truly versatile and can give as good as he gets. In Army Breeding he proves his worth, pumping French hottie Nathan Hope so hard they nearly break the bed. Then when Nathan wants some arse, he bites the pillow and takes a rough pounding.
