#### LOVE FETISH? LOVE FETISH FREAK

#### • THERE are two reasons why we love independent store Fetish Freak in Oval.

THE first is because the range of fetish gear available is second to none. The second is Jonathan, Fetish Freak's owner. Having worked in the fetish industry for over 25 years Jonathan has built up a reputation as being honest, knowledgeable and trusted in the field, and he's always on hand with his unique friendly service. The Tardis-like shop stocks a great range of fetish gear, sex toys and accessories including a huge range of dildos and butt plugs, cock rings and straps, ball weights and ball stretchers, restraints, leg-spreaders, gas masks, whips and chains and crops and canes. If you're looking to stockpile aromas, Fetish Freak has a great selection, together with herbal stimulants, condoms and more varieties of lube than you could shake a slippery stick at! Looking for a new outfit for Hard On or Full Fetish? You'll find a large selection of leather and rubber jocks, shorts, tops,

chaps, jeans and harnesses, sports gear including footie and rugby kit, skin tight Lycra wrestling suits, military outfits, army boots, and some seriously sexy underwear! It's one of those shops that you pop in to quickly to pick up a bottle of poppers or some lube, and leave an hour later with some awesome vintage leather jeans, a pair of Army boots, a gas mask, two jock straps, two pairs of football socks, a couple of cock rings and an inflatable butt plug! Fetish Freak also has an amazing selection of very reasonably priced second hand (anyone asks it's "vintage") fetish gear. Think worn leather biker jackets, denim jackets, soft leather jeans, faded Levi 501s, t-shirts, shorts and you'll get the picture! ### **POPPERS BAN MAY ONLY LAST THREE MONTHS**

#### • PARLIAMENT voted to approve a blanket ban on 'legal highs' last month, prohibiting the sale of all 'psychoactive substances'.

WHILE the Bill included a ban on the sale of poppers, the government has now laid out plans to review medical evidence relating to their use. The ban on poppers comes into effect in April and anyone found guilty of selling, or even giving them away for free, could face a jail sentence of up to seven years. Pending the outcome of the review, however, poppers could be legal again by July, just three months after they were outlawed. Tory MP Mike Freer, a prominent voice from within the backbench speaking out against the ban, said, "Given how the numbers were stacking up (including Northern Irish MPs voting for the ban), there was no prospect of an exemption being secured during the debate... It was essential to get the best

outcome and the evidence based review, including relationship implications, is an important step forward. I doubt sufficient evidence is there and it means poppers should be exempt by the end of July. That's what I and colleagues are working on."

#### EVERY WEDNESDAY, SATURDAY & SUNDAY: BUFF

UFF

• BUFF, London's longest running naked and underwear party, is back on three times a week at The Backstreet, the UK's oldest gay fetish club. Luckily the club's ultra-strict leather and

rubber dress code has been relaxed for these parties and facilities include a large darkroom, full bar, video screens, changing area and free coat check. The venue also has one of the only outside play spaces and smokers' area in London, so you can stay naked outside (great for those barmy summer evenings). On Wednesday and Sunday it's naked only, while on Saturday (except the first Saturday of the month) it's still naked, but if you're a little bit shy you can keep your underwear on or wear shorts or gym kit! On Wednesday doors open from 7pm to 11pm, and on Saturday and Sunday it's 6pm to 10pm. Entry's £10 for guests and £9 for members which includes a free drink and coat check.

#### **07 FEBRUARY: MEGA-BUFF**

• DUE to popular demand there is now an extended Mega-Buff on the first Sunday of the month at The Backstreet! The venue hold just 125 naked men so get there early as we hear it fills up fast! Expect the same great atmosphere, the same friendly staff, lots of men and you get a great extended horny club night!

Entry's still just £10 for guests and £9 for members. For up to date info check out www.ma1.co.uk.

### FULL FETISH LONDON = 27/12/201

AFTER all the schmaltzy festivities of Christmas Day what we needed was a bit of sleaze and depravity. So what better way to round off the Christmas weekend than the sleaziest of all fetish parties, Recon's Full Fetish on Sunday December 27th.

The team from Recon took Full Fetish London back to Fire, the perfect fetish playground with seven arches to play in, and transformed the club

into a suitably perverse playground with play areas for bondage, slings, piss, a maze and a pup area! Commenting on the night's success, Will Roberts, Recon's Marketing Coordinator, said, "Our aim was to turn the festive season filthy, and we think it's fair to say with Full Fetish London we accomplished this mission! The play rooms filled up right from the get go, with guys geared up in a wide range of tastes including leather, rubber, sports, jocks and harness, skins and a whole load of pups! This is something we love about our parties, you get guys of all ages, all experience levels and all tastes meeting up and playing together! MVP of the night was Gordon John, who stepped in and did double DJ duties when Hifi Sean was taken ill."

So when can we get some more of Recon's Full Fetish? Will told us, "Full Fetish London will return during #FWL2016 from 10th to 17th July... See you there!"

#### STUDIO: UKNAKEDMEN DIRECTED BY JONNO

Cast: Brute Club, Brent Taylor, Issac Jones, Kayden Gray, Iago Torres, Nick Spears, Nils Angelson, Prince Seyed.

SCENE one, and a chance meeting down by the trash dumpsters leads to Brute Club and Brent Taylor stripping off back at Brent's flat.

When Brent pulls down Brute's tighty whities the greedy bottom's eyes are out on stalks! TEN uncut inches all to himself! And he's soon sucking all the way down on the veiny, two-hander of an uncircumcised cock like there's no tomorrow. The two handsome lads fuck like pistons until the scene comes to a shuddering and splattering cummy climax! Next up we're spoiled with stunners Issac Jones and Kayden Gray together in a humdinger of a scene! Out jogging, Issac's behind Kayden, admiring his firm arse, and Kayden knows that he's being admired. The guys head for the woods and after a brief snog and a grope, head back to Kayden's gaff. Isaac's been out of the game for a while but can't wait to spread his hard, hairy

butt cheeks for Kayden's probing tongue and arsebusting cock. And boy, the sexy Frenchman certainly gets it good from Kayden, his sphincter stretching and retracting with every powerful thrust! There's a hot-as-hell three-way next featuring lago Torres, Nick Spears and Nils Angelson. It's getting nasty on the construction site and it turns out that Nick's got a name for himself as an easy lay. So when his horny mates, lago and Nils, demand oral sex from him, they know full well that they can push the dirty little cock hound to the limit! And soon enough the 'easy lay' is slurping on lago and Nils' uncut dicks like a lap dog, before getting fucked stupid, spit-roasted and anally violated with a hammer! Don't feel sorry for Nick though the greedy slut loves it and is pushing back for every inch of uncircumcised dick until he's rewarded with a sticky cum facial. Prince Seved, the tall, dark, handsome Arab with the hard ripped body, hungry arse and weighty python between his legs brings up the rear and pleasures himself (and us) with a dildo in the closing scene of this UKNakedMen cum-filled spunk-tacular!

### ORIGINAL DICKS, NEW TRICKS

#### STUDIO: BLAKE MASON

Cast: Lincoln Gates, Adam Watson, Bradley Bishop, Tony Parker, Damien Ryder, Edwin Sykes.

IN the latest release from Blake Mason, they've enlisted the talents of some of the studio's all-time finest lads and mixed these experienced professionals with some hot new raw talent. The results are horny beyond belief and watching the new boys get shown the ropes, and ultimately taught how to take a dick like a porn star, is a winning formula!

Greedy bottom Damien Ryder is in heaven being paired with hung and hairy Lincoln Gates! Watching him suck Lincoln's hefty cock balls deep is horny enough, but when you see him sit his tight arse down on the full length of Lincoln's shaft, you'll be ready to blow your load! Try and stop yourself cumming though as Lincoln doesn't hold back once his shaft is firmly between those cheeks, and he pounds young Damien all over the bed, making the horny bottom boy shoot his load all over himself! Another scene that's worthy of a 2016 Prowler Porn Award features inked stud Adam Watson and

newbie Edwin Sykes. Now we all know that Adam loves to fuck hard and fast, but we don't think anyone told Edwin who experiences Adam's love-making first-hand in this warehouse fuck. The guys start off with some oral, with Adam face fucking his horny twink friend, before rimming out his hot hole for fucking. Edwin takes it really hard in the arse, wanking out his cum and then taking a hot splash over his filthy buttocks!

## HEATED, PART ONE

#### STUDIO: FALCON STUDIOS DIRECTED BY NICK FOXX

Cast: Sebastian Kross, Jacob Peterson, Chris Bines, Dorian Ferro, Addison Graham, Gabriel Cross, JJ Knight, Bruno Bernal, Killian James.

**DIRECTOR Nick Foxx leads a** hunky cast of nine studs in the latest signature Falcon pool movie Heated, Part One. And on a cold, rainy January night, the sight of the hot summer sun beating down on the naked torsos of A-Team Exclusives Sebastian Kross, Jacob Peterson, Chris Bines and Dorian Ferro, and fan favourites Addison Graham. Gabriel Cross, JJ Knight, Bruno Bernal and Killian James, was enough to get us feeling a little 'heated'!

There's an obvious bulge in the front of tight red trunks QXMEN favourite Sebastian Kross has squeezed into as he waits poolside for Brazilian stud Bruno Bernal to finish his swim. Emerging from the crystal clear water, Bruno finds himself nose-to-crotch with the inked and ripped ex-Naval officer and they make out at the edge of the pool. Meanwhile, handsome Jacob Peterson can't help rubbing his cock as he watches ripped hottie JJ Knight frolic naked in

the pool. He briefly joins him to cool off in the pool before they head inside where JJ nails Jacob's arse of the sofa. Killian James' hard-on, poking out over the waistband of his trunks, is no accident. It's his lure to bag Addison Graham, and it works, landing cute twink Addison in his bed for a scorching hot oral encounter. Chris Bines and Bruno Bernal are too 'Heated' to make it to the bedroom, so they ditch their clothes in the hall and make out on the spot, and on his way to shower in the final scene, Gabriel Cross is intercepted by hot Latino Dorian Ferro, who asks if he wants to get dirty. Gabriel responds by dropping his towel and latching onto Dorian's nipples, before sitting Dorian down on his rock hard tool.

#### STUDIO: SAUVAGE (STAXUS.COM) DIRECTED BY JOHN SMITH

Cast: Gabriel Angel, Ruben Bart, Kris Blent, Ray Mannix, Josh Milk, Xavier Sibley.

STAXUS's Spanish summer odyssey continues with Dutch superstar, Kris Blent, joining Gabriel Angel and Ray Mannix for the holiday of a lifetime. Ruben Bart, Josh Milk and Xavier Sibley are the all-tooaccommodating hosts, whose main interest is getting their houseguests out of their clothes so that they can enjoy all those inches of delicious foreign, uncut cock!

Porn stars are not known for their restraint and patience, and Gabriel Angel and Ray Mannix are restless as they wait for director, John Smith, to show up for their shoot at their Spanish villa. As Smith's car pulled into the driveway both buddies immediately aet down to business. only too eager to get a taste of hard cock, diving onto each and 69-ing across a bench without so much as a care in the world.When he's not working in front of the camera enjoying copious amounts of hard cock, young Xavier Sibley is an expert in the art of massage. It's a fact that

has obviously not escaped Josh Milk's attention, who's only too willing to take full advantage of the twink's skilful manipulations. Xavier's idea of an "all-body" rubdown is quite literally that, and in no time at all his fingers have wandered away from the Spaniard's shoulders and back, preferring instead to concentrate on Josh's more intimate areas. With a copious flow of massage-oil things get decidedly slick and oily and both lads end up grinding themselves against each other like a pair of over-sexed alley cats and soon both shoot their loads. Returning to the villa, the lads continue their über hyped-up antics like a pack of sexed-starved dogs, and the action turns even more hardcore in arguably the most outrageous scene that director, John Smith, has ever produced!

### FOR THE LOVE OF COCK

#### STUDIO: STUDFUCKERZ DIRECTED BY VARIOUS

Cast: Leo Giamani, Skylar Caine, Adam Killian, Gavin Waters, Logan McCree, Topher DiMaggio, Marc Dylan, Christopher Daniels, Cameron Foster.

THIS awesome collection of muscular studs, brought together on one lip-smacking DVD by Studfuckerz, all have one thing in common... their love of thick pendulous cocks.

On a fishing trip in the wilderness, Italian Stallion Leo Giamani scores the catch of the day in the form of delicious Skyler Caine. The enthusiastic jock clamps his lips around Leo's thick rod and swallows it whole, before lying on his back, spreading his legs and taking Leo's tackle deep into his hole. Leo pumps Skylar's butt furiously, then pulls out showering Skyler with his cum. Satisfied and spent, he watches Skyler jerk himself off and squirt a flurry of spooge. Gavin Waters and Adam Killian are up next, tearing into each other like wild dogs. They find a sofa to nest in and Adam munches his pal's pink puckered hole before cramming his meaty tool deep inside. Porn legend Adam Champ flexes

and poses while tattooed stud Logan McCree looks on. Logan wants a taste of Adam's fat, uncut cock and as he swallows Adam's engorged member, saliva trickles out of his mouth. It's not long before Adam wants a piece of Logan's arse and, bending him over the dungeon bed, he secures Logan's motorcycle boots on the headboard and pile drives his exposed manhole. Fresh out of the shower, jock Marc Dylan pops a woody as he towels off. Jock No. 2, Topher Dimaggio, enters the locker room and is only too willing to go down on his knees to take care of the stud's trophy dick. As Marc looks down, he can't help but notice the bulge in Topher's shorts. Topher pulls out his huge boner and kicks back on the bench giving Marc a chance to show off his expert cock-sucking skills. Marc loves sucking dick but it's really just a warm-up for the main event - the all-star fuck down! Skateboarder Cameron Foster hits the streets and comes face-toface with his buddy Chris Daniels. Cameron drops to his knees to devour Chris's 9-incher, before stripping naked so Chris can fuck his big round arse.

#### STUDIO: RAGING STALLION STUDIOS DIRECTED BY STEVE CRUZ

Cast: Chris Harder, Derek Maxum, Dorian Ferro, Johnny V, Michael Thomas, Sean Zevran.

WE'RE never quite sure exactly what or where Raging Stallion's Labyrinth is. Visions of a nightmarish Minotaur lead us to believe it's a mythological sex club, where men, wearing little or nothing at all, roam seemingly endless long tunnels illuminated only by a dim red glow, searching for their hottest fantasies...

Dorian Ferro's hottest fantasy is to be taken and he knows that if he displays his arse, men will want it... Sean Zevran, looking hot as hell in a black mesh Slick It Up body suit that reveals every muscle of his awesome physique, is that guy, and he wants Dorian's arse. Chris Harder roams the Labyrinth's tunnels wearing only a pair of black shorts that have strategic zips up the front and back. He stops off at a glory hole and services three cocks at once. One of them belongs to Johnny V, who Chris chooses for an exhibitionistic display with a double-headed dildo. Next, Chris is the one to be chosen by Michael Thomas,

a veritable mountain of smooth, dark muscle. Michael seems to know how to work the rear zipper on Chris's shorts and gets to work on his juicy hole with his tongue and cock. Johnny V, terrified by a vision of the Minotaur, hides in a room of cages, but his tormentor follows him in. Abject terror turns to pure unadulterated lust in an instant when the beast drops his horns and reveals his other horn: a big black cock that's attached to this month's delicious centrefold Derek Maxum. Derek needs to fuck and Johnny offers up his hungry hole for an exhaustive fuck that paints the Labyrinth's dark tunnels white with spunk!

## **CLONEZONE'S TOPHER TAYLOR ROAD TESTS...** THE NEXUS RANGE

#### clonezone

This month I want to focus on the great range of SEX-cessories from one of my favourite adult toy brands, Nexus. My favourite product from the Nexus range

has to be one of their prostate massagers, the Nexus Intense. While most prostate toys focus on the general area, the Nexus Intense has a flat base (unlike others which are arched) and an exaggerated prostate curve that rubs against your prostate spot-on. Not recommended for beginners, the Nexus Intense is my favourite sex toy EVER!

WITHOUT wanting to patronise, this month I'd like to break down some effective accessories and explain why they're beneficial in the preparation before fucking, during fucking and also after fucking. Nexus has a sleek anal douche, the Enduro cock ring, Nexus Slide lube and Nexus Toy Wash. All Nexus accessories arrive in sleek black packaging that makes the verv affordable range look very expensive. I'll begin as I would when prepping for anal - with the douche. In my opinion, a good anal douche is an absolute essential for anyone who ever bottoms. I'm a fan of the Nexus douche because of its easy-to-handle size and the good NEXUS amount of water it holds (224ml). This hand-held douche cleans you out gradually

without stressing your hole out. If you're sensitive like me, you'll find that shower attachments can be way too intense and can make you feel 'raw' before fucking. I always recommend giving yourself a good 30 to 60 minutes to douche, so you can be confident on the bottom. The soft rubberized bulb features an ultra-smooth plastic nozzle and flat base so you can balance it easily between squirts. Insertion is really simple with the help of Nexus Slide lube, as the douche nozzle's diameter

is only 6mm across. Popping the nozzle off the bulb to fill and empty with water is simple. Always use room temp-warm water when douching, insert the water, remove the douche and hold the water for as long as you can until you feel the need to naturally release. Repeat this until you're confident with the

colour of the water you are releasing. Don't rush! If he wants it bad enough, he can fucking wait!

Nexus Slide is a long-lasting, thick water based lube that arrives in a convenient pump top black bottle. I love it as it's 100% condom friendly. It has a really natural consistency that makes it ideal for anal, masturbation and for use with any sex toy of your choice. You always want access to a good lube that lasts and feels great during sex and this is why I am a fan of Slide. It feels great, it's easy to squirt out (even with lubey hands) and lasts long enough to ensure you're not interrupting your shag to reach over

and grab more. The pump bottle makes applying Slide

both hygienic and easy, and it's perfect for applying lube directly onto AND into your hole! It's a nice way to pre-lube before fucking, too - just be careful to not catch your sensitive bits with the end of the nozzle.

Also available from Nexus is the Enduro - a stretchy, thin, black cock ring. This comfortable cock ring is a pleasure to wear. stretching comfortably over your cock and balls (no matter how thick or beefy they may be) and delivers instant effects. Enduro is ideal if you're on top or bottom. This stretchy men's sex-cessory helps deliver more powerful erections and intensified pleasure when fucking as it holds all of the blood in your tool. As a bottom, it's good to wear to make sure your dick is awake to be pleasured when being fucked. Do what I do and treat yourself to one as well as your man, to ensure you're both able to go the extra mile when 'having fun'.

Whether you're playing solo or with a partner, it's always good to have a toy cleaning spray around to ensure that finishing up is a breeze. Nexus Wash

comes in a spray bottle that mists directly wherever you point it. You can use this cleaning spray on your toys and on yourself, as it's antibacterial and suitable for sensitive skin types. You can also dilute it with 2 parts water to ensure that Nexus Wash lasts. This routine is also ideal for cleaning out the inside of the bulb douche after you've finished. Nexus Wash is for getting those last traces of lube off of your cock and hole, without the stickiness that can become an irritation. It's also good for getting cum off of your skin (if you don't want it there, of course).

Of course there's one week of the year when the capital's streets get a whole lot kinkier and that's Recon's Fetish Week London (FWL), which this year runs from July 10th – 17th. Now in its seventh year, FWL returns to UK's capital from July 10th – 17th with sleazy events that focus on the fetish community, FWL's world famous cruise parties, plus, we've been reliably informed, some exciting new twists and surprises... So save the date and get ready for one of the world's largest and filthiest fetish and kink events!

Recon aren't only about filth and fetish though. Last year they ran their annual World AIDS Day campaign, to raise money for HIV awareness charity GMFA, and with the help of its generous members, raised almost £13,000 for this incredible and deserving cause. Matthew Hodson, CEO of GMFA, said, "At GMFA we know that by providing honest, frank sexual health information to gay and bisexual men we can improve sexual safety and challenge HIV related stigma. Thanks to the astonishing generosity and support that GMFA received from Recon and its members over World AIDS Day we will continue to provide smart. sex-positive sexual health information to gay and bisexual men, all around the world. via GMFA's website and the FS online magazine. A heartfelt thank you to you all."

It's not surprising then that Recon has been nominated for Business of the Year at the 2016 X-Awards! Also known as The Gay Fetish Awards, the X-Awards Awards aim to place the public focus on people, companies and organisations that have contributed to the development and prosperity of the European gay fetish scene and helped remove the stigma surrounding fetish and fostered tolerance and acceptance within society.

The winners of the X-Awards will be announced at a ceremony at the Darklands Gay Fetish Festival in Antwerp, Belgium on February 21st.

# ...JJ KNIGHT

• THIS sexy young buck began his career in gay porn just last year, but already he's starred in 12 scenes for various studios, his latest in Falcon Studios' Heated, Part One.

It's a classic Falcon 'pool and play' movie that delivers sexy hunks in trunks getting it on poolside under the hot summer sun. Ripped stud JJ's scene partner is another hot new cummer, Russian-born Jacob Peterson, who he gives a good buttbashing with his sizable up-turned cock.

JJ is one to watch in 2016...
