HE was one of last year's most popular cover guys, and when we clapped eyes on these new shots of Brazilian hottie Marco Santos we knew they'd be perfect for the April issue.

Don't forget that 25-year-old Marco's not a porn star so you won't see him in any of the porn films featured in QXMEN. However, if you like the look of him you can actually arrange to meet him... Check out the ads in our Classifieds section at the back of the magazine or visit www.qxescorts.com.

FISH YOUR POPPERS OUT OF THE DUSTBIN!

● **POPPERS, or aromas as they're also known, will not become illegal as part of moves to outlaw so-called legal highs, Home Office minister, Karen Bradley has announced.**

THE U-turn came after the Advisory Council on the Misuse of Drugs (ACMD) advised the Government that poppers should not be banned. The last-minute reprieve follows an outcry among gay people who use poppers to enhance sexual pleasure. The ACMD said its "consensus view is that a psychoactive substance has a direct action on the brain and that substances having peripheral effects, such as those caused by alkyl nitrites, do not directly stimulate or depress the central nervous system". In a letter responding, Karen Bradley said that, given due consideration, the Government agreed with their advice and interpretation of the definition. She went on to confirm that the police and other law enforcement agencies would be asked not to take action against anyone involved in the poppers trade. The ACMD says concerns about impaired sight and the risk of lower blood pressure related to use of poppers are rare but should be carefully monitored. According to the ACMD, there have been 11 cases where the death certificate only mentioned an alkyl nitrate in England and Wales between 1993 and 2013.

WHO LIVES IN A HOUSE LIKE THIS?

● **FROM the outside, No. 1421 Laveta Terrace, looks just like any other property in Echo Park, a leafy, residential area of Los Angeles.**

HOWEVER, this is the house where Finnish artist Touko Laaksonen, best known as Tom of Finland, lived and worked during the last decade of his life. Known officially as Tom House, is now home to the Tom of Finland Foundation and serves as a living tribute to the artist's radical vision of unapologetic homoerotic sexuality. Described as 'part shrine, part haven, part art-historical archive, and part utopian collective,' it's now been immortalized in *Tom House: Tom Of Finland In Los Angeles*, a new hardcover imprint

from Rizzoli. The vision of creative director Michael Reynolds, the book combines interior photographs of art-filled rooms, from the dining room to the dungeon, by photographer Martyn Thompson with words from essayist, journalist and design authority Mayer Rus and

unpublished preparatory sketches and drawings by Tom himself. The result is an experience that celebrates Tom's work and life in an entirely new light, inviting readers into Touko Laaksonen's hidden world of dreams and desire - the world of Tom of Finland. *Tom House: Tom Of Finland In Los Angeles* is available from Amazon and costs £26.

#FWL2016

**MEET JOE KING:
THE UK'S TOP LEATHERMAN!**

● **LAST month, the UK's largest fetish store, Expectations, was the backdrop for the 2016 Mr Leather UK Contest.**

CONTESTANTS did their best to impress the judging panel, made up of Chris Dixon, Expectations General Manager Paul Turner, MSC London President and Tyrone, former Mr German Leather and gay leather campaigner. Organised by MSC London and now in its 43rd year, the Mr Leather UK Contest is by no means a beauty pageant. It's a search for a working ambassador for the UK leather community in the UK and overseas. Previous winners have taken part in International Mister Leather (IML) in Chicago and Mister Leather Europe and have lead the leather community in the Pride in London Parade, attended Folsom Europe, Manchester Leather Weekend, London Fetish Week and Sidney Mardi Gras! After two rounds, the judges voted for hirsute hunk Joe King from Manchester, who as well as being crowned Mr Leather UK, will also fly out to Chicago in May to represent the UK at this year's IML. "I'd been preparing for the contest since I

decided to enter just after Christmas, so when I heard my name I was floored, proud, ecstatic, numb, dazed, thrilled – it was utterly amazing!" Joe exclaimed. "It was something I'd always wanted to do, although I never had the balls to go for it. But then to win the title is one of the biggest achievements of my life!" When asked by international porn star, Paul Stag, what he hoped to achieve in his new role as Mr Leather UK, the country's top Leatherman, over the next twelve months, a beaming Joe said, "Ha! 'Top Leatherman in the country' - love it! Well, I have a couple of projects I'd like to get underway: I want to find ways to help introduce new men to the scene who might not be confident enough to make the first move, attract guys who might live away from the main centres in the UK, maybe even help them set up

other clubs around the country. I also want to do some work around preserving and documenting the long history of the leather scene before it becomes forgotten for good. So many amazing men have paved the way for the liberties we all experience today, so I feel we need to honour them and preserve their stories. Of course, there's going to be lots of amazing fun stuff too: I'll be doing my best to get to the Pride celebrations around the country, along with the various leather weekends in London, Manchester and Bristol. Finally, I'll be representing the UK at International Mr Leather in Chicago in May and at Mr Leather Europe, as well as supporting our leather friends' activities around the globe... It's going to be a busy year – but I can't wait!"

2017 COLT AND BUCKSHOT CALENDARS

● **WE thought you might want a look at next year's 2017 COLT and Buckshot Calendars.**

ALWAYS one step ahead of the game, the iconic American porn powerhouse, COLT Studio Group, has already produced its annual calendars. That's probably why they've been in business, producing quality porn for nearly 50 years. There are six different fully nude calendars to suit all tastes; COLT Men, COLT Leather, COLT Butt Beautiful, COLT Hairy Chested,

Buckshot Boys and the all-new COLT Uncut with COLT Men in their natural state. John Rutherford, owner and creative director of COLT Studio Group, said, "We're very excited to see the newest addition to the annual line-up, COLT Uncut. COLT Men have always been known as the world's most masculine men and now you can have them in their all-natural state, as well."

The six all-nude calendars feature some of the studio's hottest performers, such as COLT Man Emeritus Carlo Masi, COLT Men Bob Hager, Seth Fornea, Nate Karlton and introducing all-new COLT Man Jamie Blyton and Buckshot's Bobby Clark appears on the cover of 'Boy Country'. All COLT and Buckshot calendars come with a commemorative poster for collectors and will be available to purchase later in the year.

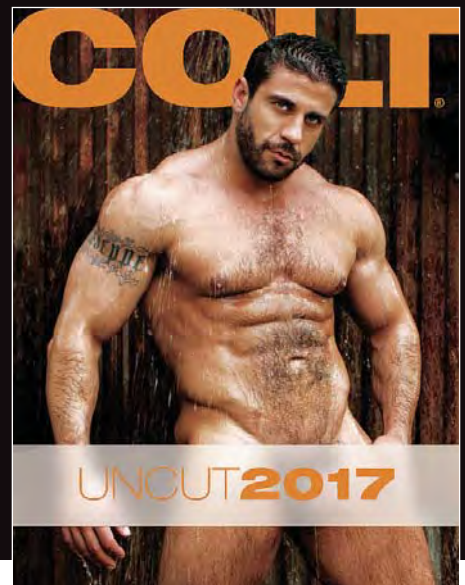

CAN MICKEY TAYLOR 'GRAB' AN AWARD?

PIC © EUROCREME GROUP

● **THE 2016 Grabbys, the awards show that's dedicated to highlighting the top talent and performances in the gay erotic film industry, take place in Chicago next month.**

IT'S on Saturday May 28th, the same weekend that International Mr Leather (IML) comes to town. So with all those porn stars and hot leather guys in the same place at the same time, the Windy City is going to be buzzing with sexual energy! Cockyboys lead the way in the nominations stakes with no less than 31 nods in the Grabbys' thirty or so categories. The UK's contributions to gay porn of the last twelve months haven't impressed the American voters much though, with a paltry number of nominations for UK performers and studios this year. There is one British hopeful however. Mickey Taylor, that hot tattooed lad from Essex, has gone down a storm with US porn fans as he's nominated for seven awards - Best Actor, Best Versatile Performer, Hottest Bottom, Best Supporting Actor, Performer of the Year, Best Duo and Best Group. Apart from Mickey, the Brits have only two other nominations, Menatplay.com for Best Web Original Content and Triga Films for Best Fetish Site. We'll let you know who won what in next month's issue, and if you want to check out the rest of the Grabby nominations, click on www.grabbys.com.

16 APRIL: HARD ON

● GET yourselves down to Union on Saturday April 16th for your monthly fix of Hard On from 10pm 'til late where we hear there'll be a XXX-rated sex show by French Slut (we're not sure if that's actually the performer's stage name or just Suzie Krueger's description of him! Either way it should be good.) Special guest international fetish DJRW from Amsterdam will be joining Hard On's resident mix master Brent Nicholls, and together they'll pump out ball bouncing, butt fucking tunes on the club's intimate, laser-filled dance floor. One of the things we love about Hard On is that once you've worked up a sweat on the dance floor you can go and find someone in Suzie Krueger's well equipped play room, the dark and cruisey mezzanine, in the wet area, at one of the glory holes or in a private cubicle, or outside while you're having a fag on the heated smoking terrace! You don't have to be a Hard On member to get in anymore - just turn up on the night and you'll be let in as a guest. However, Hard On membership only costs £10 for a

THE BACKSTREET

EVERY WEDNESDAY, SATURDAY & SUNDAY: BUFF

● BUFF, London's longest running naked and underwear party, is on three times a week at The Backstreet, the UK's oldest gay fetish club. Luckily the club's ultra-strict leather and rubber dress code has been relaxed for these parties and facilities include a large darkroom, full bar, video screens, changing area and free coat check. The venue also has one of the only outside play spaces and smokers' area in London, so you can stay naked outside (great for those barmy summer evenings). On Wednesday and Sunday it's naked only, while on Saturday (except the first Saturday of the month) it's still naked, however if you're a little bit shy you can keep your pants on or wear shorts or gym kit! On Wednesday, doors open from 7pm to 11pm, and on Saturday and Sunday it's 6pm to 10pm. Entry's £10 for guests and £9 for members which includes a free drink and coat check.

03 APRIL: MEGA-BUFF

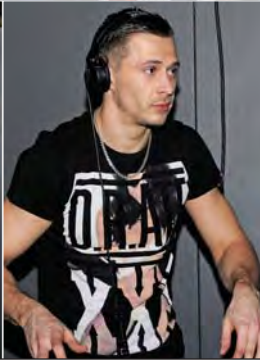

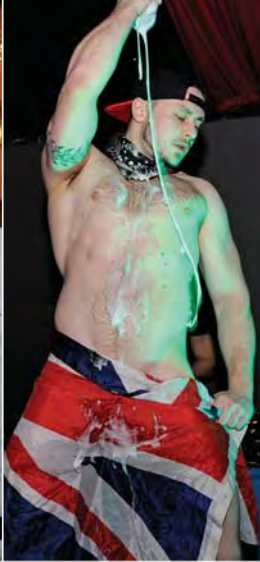

● ON the first Sunday of the month there's now an extended Mega-Buffer at The Backstreet! The venue holds 125 naked men so get there early as we hear it fills up fast! Expect the same great atmosphere, the same friendly staff, lots of men and you get a great extended horny club night! Entry's still £10 or £9 for members. For up to date info, check out www.ma1.co.uk.

09 APRIL: SPURT

● THE UK's only Jack-Off Party is returning to The Backstreet on the second Saturday of every month from 6pm to 10pm. There's loads of space and lots of seating, video screens, full bar and an outside smokers' terrace. The dress code is naked, underwear, shorts or gym kit, entry's £10 for guests and £9 for members, though you don't need to be a member to get in. Wank, watch or both, the choice is yours. One thing's guaranteed - you'll leave empty!

RUDE BOYZ - THE LAUNCH - 04/03/2016

ONE of London's horniest Friday nights, Rude Boyz, returned last month finding a new home at Fire in South London. Always attracting a young, sexy and very naughty crowd, the launch night was no different and Fire quickly filled up with horny up-for-it lads, proper geezers plus a few sexy daddy types too!

RUDE BOYZ

Six brave lads took to the stage to take part in Rude Boyz' infamous amateur strip contest, pulling out all the stops to win over the crowd, and ultimately bag themselves the top prize of £500 cash. The loudest cheers from the audience were for a horny lad called Andrew from Manchester, who saw off the London locals and scored a win for the naughty north. And if all that naked flesh wasn't enough, no sooner had Andrew left the stage a professional stripper showed the crowd how it's really done with a wet n wild and soapy routine!

Super hot duo Matt Bogard and Matt Unique banged out hedonistic house and kinky beats which kept the guys jumpin' on the dance floor all night long, while others preferred getting down and dirty 'til the early hours in the back of the Mirror Arch which had been transformed into a 'Contact Cruising Area'!

The next Rude Boyz is on Friday April 1st. Go get your discounted ticket now from www.orangenation.co.uk.

Yep, Rude Boyz is most definitely back and it's badder than ever!

MR HOIST CONTEST ■ 05/03/2016

IT'S one of the most sought after titles on the fetish scene, so it came as no surprise that London's premiere dress code bar was packed to the rafters for this year's Mr Hoist Contest.

the hoist
london

Leather-clad daddies, muscle guys in rubber, fit young skinheads and sports gear fans were all there to vote for the guy they wanted to be crowned Mr Hoist 2016. 31 year-old beefcake Niklas from Sweden grabbed the audience's attention early on and went on to win the contest, bagging himself over £2,000 in prizes. Already the perfect ambassador for the Hoist, in a sexy Swedish accent Niklas said, "I just moved to London and this title is the perfect start to my time here, thank you! The Hoist is my favourite club in the world! It is here where I can relax, meet up with friends and also be surrounded by other hot, sexy guys." As part of his prize, Niklas will be heading to Chicago to represent the UK at this year's International Mr Leather (IML) in Chicago in May.

To find out more about what's going on at the Hoist, log on to www.thehoist.co.uk.

Speaking to QXMEN, the Hoist's Unkut Kurt said, "Wow! What a night! What a party! What a super-sexy winner and what a great crowd! So many sexy men and it's gonna be great to have Niklas, his horny buddies and pups in the club from now on... I'm already excited about our 20th birthday party weekend on April 9th and 10th."

BEEF SQUAD

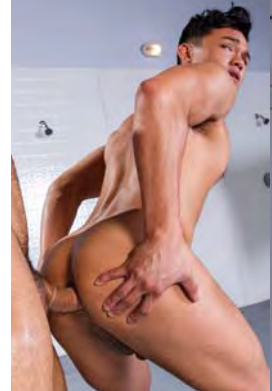

STUDIO: RAGING STALLION STUDIOS
DIRECTED BY: STEVE CRUZ

Cast: Sean Zevran, Joey D, Adam Avery, Austin Wolf, Dorian Ferro, Jack Giles, Eli Lewis

RAGING STALLION'S 'Beef Squad' always win out on the field, but some say their best moves are found in the locker room. So it's lucky for us that director Steve Cruz has taken his camera behind the closed doors of the locker room while he coaches his horned up and muscled team of seven all-star players.

God-like Sean Zevran walks into the locker room and finds beefcake Joey D who's just had a tough football practice. He drops to his knees and deep throats Joey's swollen cock and Joey returns the oral favour with his tongue and gives Sean's hairy hole a sopping wet rim job. Soon Joey's pummeling Sean's hole, hitting his g-spot at every cum-rousing angle until Sean spews his load onto the floor. Champion dick sucker, Adam Avery, shows off his skills on teammate Austin Wolf, who cock-whips, face-fucks and finger-gags, Adam until his mouth foams. Austin doesn't stop until he's gorged himself on Adam's hole: eating it, thumb

jamming it and then fucking it in multiple positions. Swarthy Dorian Ferro hooks up with hot newcomer Jack Giles in the showers after a rough game. They grope each other as water courses over their beefy, soapy bodies, and then Jack directs his attention to Dorian's magnificent muscled arse. Jack spreads Dorian's meaty arse cheeks apart and slurps on his hole before making an athletic move, bending Jack over and spearing his puckered hole from behind. Sean Zevran returns in the final scene and is joined by former ballet dancer, power bottom Eli Lewis. He's a cocky lad and wanting to see every inch of Sean's sexy body, he grabs his towel and flings it across the locker room! Sean knows that Eli wants more than just a good look, so he shoves him down onto his knees and feeds him his fat, uncut cock.

Beef Squad is available on DVD and for download from ragingstallion.com

PIZZABOY

STUDIO: DREAMBOY
DIRECTED BY BLACKY MENDEZ

Cast: Johannes Lars, Dmitry Osten, Kayden Gray, Johnny Cruz, Nathan Raider, Nathan Hope, Ross Drake.

YOUNG Johannes Lars is stuck in a dead-end relationship. So when Dominik, the local PizzaBoy delivers something more substantial than the 8 inch thin crust Meat Feast he'd ordered, Lucas wastes no time in getting it down his throat! His naïve boyfriend Ollie, however, has no idea what's going on – until, that is, his mates discover the same PizzaBoy's service and order some extra toppings! Will Ollie find out his boyfriend's secret, or will they discover that an extra spicy topping is exactly what they wanted all along?

As solos go, the opener with long-haired, blond twink Johannes is pretty horny, but it's when sexy PizzaBoy Dmitry turns up with his big delivery that the action really hots up. The lads can't get enough of each other and eager for more of Dmitry's dick, Johannes spins round presenting his juicy arse to Dmitry who wastes no time in slamming his long cock inside, pounding Johannes

hard into the bed. Kayden Gray calls the new delivery service and when Johnny Cruz turns up with a deluxe pizza, he suddenly loses his appetite and takes the horny toned PizzaBoy to his bedroom for something a whole lot spicier! As Kayden fucks him doggy style, Johnny takes the entire 9.5 inch monster right down to the balls! As Kayden picks up speed, he pulls Johnny's butt cheeks apart and power fucks him as hard and as fast as he can! He's using his delivery boy as a sex toy, but you'll hear no complaints from Johnny in this horny as fuck scene! French hottie Nathan Hope decides to seduce his mate Nathan Raider in the next scene, and his advances pay off as they end up taking turns fucking each other balls deep. A third horned up PizzaBoy enters the mix in the final scene, sexy Ross Drake, and the sexy dark haired Frenchman ends up getting spit-roasted by Johannes and Nathan Hope in a hot three-way that'll leave you hungry... for cock not pizza.

AMPED

STUDIO: FALCON EDGE
DIRECTED BY NICK FOXX

Cast: Ryan Rose, Jacob Peterson, Bruno Bernal, Fabio Acconi, Rex Cameron, Johnny V.

NICK FOXX directs six energized hunks in *Amped*, the latest super-charged release from Falcon Edge. It's a high-voltage sexual romp that, accordingly to director Foxx, got its title from the sexual energy he was getting from the performers on set! "With an all-star cast and superb directing, *Amped* is an exciting addition to the high-energy line of Falcon Edge productions," Falcon Studios Group President, Tim Valenti, said. "Nick Foxx is always pushing the envelope and these six superstars supercharge the steamy action. *Amped* sends megawatts of sexual electricity through all who watch." So sit back, plug in and prepare yourself for some serious super-charged loads.

Ryan Rose and Jacob Peterson, two athletic studs, stand toe-to-toe and cock-to-cock, then turn the amps up high with a supercharged flip fuck to kick off the action. Next up hot Italian muscle pup Fabio Acconi spansks and eats out tattooed hunk Bruno

Bernal's hungry hole, before drilling him with his throbbing meat stick. Ryan Rose returns in scene three with porn new cummer and this month's centrefold Rex Cameron, and wearing nothing but super tight jockstraps, both guys look hot as hell! Buff jock Rex is first to drop to his knees and gets his tonsils probed by Ryan's rod before they engage in a throat busting 69. Then, spitting on his hand, Ryan fingers Rex's smooth hole prepping it for a hard and fast cowboy and reverse cowboy fucking. Italian stallion Fabio Acconi is back for the final electrifying scene, and he can't keep his hands off the contents of blonde muscle hunk Johnny V's jock. Johnny moans as Fabio goes balls-deep on his pulsating cock, so to return the favour, he goes down and gags on Fabio's hefty slab of meat. Needing to give his jaw a rest, Johnny bends over for a wet n wild rimming by Fabio, who drills his tongue deep into the blonde hunk's hungry fuck hole getting it lubed up and ready for him to ram in his cock, pounding Johnny doggie-style.

Amped is available on DVD and for download from www.falconstudios.com

SUITED

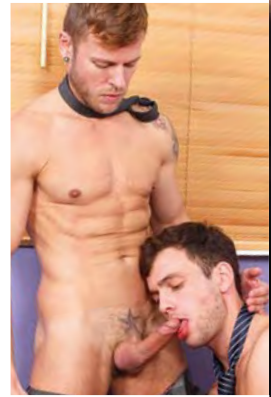

STUDIO: BULLDOG XXX
DIRECTED BY BLACKY MENDEZ

Cast: Matthew Anders, Nathan Gear, Nathan Hope, Gaston Croupier, Craig Daniel, Elio Guzman, Kayden Gray, Dmitry Osten.

THESE suited studs are dressed to impress. But it's when they unzip their suit trousers, whip out their giant dicks and expose their peachy butts that we're impressed! Whether it's waiting for a bollocking from the boss or an after-hour meet with your manager, these horny men have only one thing on their mind. And that's getting out of their sharp suits and slamming their stiff cocks up their colleagues' hungry arses.

Young Dmitry Osten is invited to his boss Kayden Gray's plush apartment at the end of his first day at work. Kayden wastes no time and strips his new recruit out of his suit. He's pleasantly surprised that Dmitry's been hiding such a large surprise under his suit trousers, and drops to his knees to suck on the long thick Russian dick. Kayden's attention soon moves from cock to arse as Dmitry's hairy hole beckons his monster dick. Dmitry's soon getting his

arse fucked in every position possible until Kayden blows his huge load all over his new employee. Photographer Elio Guzman is snapping suit model Craig Daniel, but when the underwear shoot comes round power bottom Elio can't keep his eyes off Craig's massive dick. Needless to say, it's soon disappearing up his hungry hole and Elio being the pro that he is, takes the whole length down to the base. Called to the big man's office, Nathan Hope checks in with the secretary, Frenchman Gaston Croupier, and sits down, worrying about why he's been called in. Seeing he's nervous, Gaston walks over, unzips his trousers and pulls out his knob for Nathan to chow down on. But Nathan's goal is Gaston's hairless hole, and soon enough he's fucking the Frenchman hard, making him moan out loud. Arriving for an interview, two suited men, Matthew Anders and Nathan Gear, realise they'd recently hooked-up after a night in the local clubs. With time to spare, they rekindle past passions and soon they're naked in the reception area. With Nathan bent over a chair, Matthew rims him deep before his thick schlong disappears up Nathan's hungry arse.

BUTCH'S BAREBACK BUTT BUST

STUDIO: BUTCH DIXON
DIRECTED BY JONNO

Cast: Riley Tess, Craig Daniel, Rocco Steele, Letterio, Damian Gomez, Nick North, Bruno Fox, Lito Cruz, Matteo Valentine.

THIS DVD contains only the juiciest cuts of bareback pork, dripping, hairy holes and satisfied hairy daddies and has not one. but two magnificent scenes starring Rocco Steele and his raw throbbing ten incher!

First up it's hapless Spanish horn dog Damian Gomez and Rocco Steele, and bless him, the little Spanish pocket rocket doesn't know what hit him when Rocco lets rip on his tiny butt. But hats off to him, he takes it like a pro and the two studs slam fuck their way to a splatery bareback conclusion... This scene really must be seen to be believed. It was Damian's first bareback scene and this boy does nothing by halves! Continuing Butch Dixon's series of '1st time barebackers', Letterio takes his first raw load, again from Rocco Steele. Letterio is desperate to impress but has he bitten off more than he can chew!! Its a rampant, furious fuck-a-thon as Rocco slides his monster cock up to his nuts in Letterio's hairy hole, and pumps him to

an aching ruin. Letterio loves it and once he's got used to the huge member he's pushing back begging for Rocco's raw load deep inside him. Butch Dixon persuaded Riley Tess out of semi retirement and got him back in the bareback saddle and hot damn it's a doozy! Everyone's favourite sporty daddy, Craig Daniel was Riley's first choice, so when JONNO got these two together it was magnificent as Riley bent over backwards, forwards and sideways to please Craig and take every inch of that slick, raw uncut cock dick. Matteo Valentine is greedy and brave in equal measures, so he's the first guy JONNO calls when he hears Lito Cruz is in town. Matteo's eyes light up when Lito lets the famous Python of Cuba loose and there's only a trace of apprehension when it's pushing into his well-lubed hole. As Lito picks up the pace and slides the entire length of his cock into Matteo's stretched hole, his huge low-hanging balls slap against Matteo's arse cheeks and it's a truly wonderful sight! Sexy, bearded and bald Bruno Fox took his boyfriend, newcomer Nick North, into the Butch Dixon studios for his first video shoot. The uber top daddy impales Nick on his thick cut cock and Nick takes it all like a champ, including Bruno's creamy cum load.

NEW CUMMERS

NEW AND UPCOMING RELEASES THAT LOOK HOT!

I'D HIT THAT!

● THE sexual impulse happens at first sight and you can see it in the eyes of a hot stud when he looks at you and thinks, 'I'd Hit That!' Award-winning director Steve Cruz captures every glance that leads to every blowjob that leads to every stroke and every explosive orgasm in Hard Friction's latest DVD! Tegan Zayne's arse would get any top hard, and it looks like Bennett Anthony knows the perfect combination of tongue, fingers and cock! Bottom Chris Harder knows how to take charge

of a top and get just what he wants. And he wants to get it hard from Derek Maxum's triple handful of cock. Max Gianni has the perfect bubble butt for Armando de Armas' cock and Adam Ramzi and Wesley Woods' tongue-sucking, rimming, double blowjob, flip-fuck action is a sight to behold!

FUCK YOU DADDY

● DADDY loves dick almost as much as he loves arse in this role reversal movie from Dads Fucking Lads. In a unique turnaround,

the daddies become the power bottoms while the twinks put all their youthful energy to good use and become the tops. Handsome muscle man Matt Anders gets it good from French beauty Nathan Hope, while hairy beefcake Justin King takes Sky James' huge dick inside his hole over and over again. It's retribution for the twinks and a learning curve for the daddies as they teach them how they like to get fucked, just as much as how to take dick too!

LOADED IN LEATHER

● IF you were wondering what this DVD's all about, the clue is in the title. Basically it's guys in leather gear getting loaded... Simple. Yep, there are four horny scenes in this Filthy Raw Fuckers DVD that feature the sleaziest of guys, dressed in leather and drenched in sweat. These horny hunks fuck hard, they fuck raw and they fuck deep using their fat hard juicy dicks and tight eager raw holes. Watch as hole after hole is

pounded into submission and opened to the point of no return! Arses will be stretched and spunk will fly. But hey, at least there's not going to be endless washing to do as they're all either stark bollock naked or wearing wipe clean leather.

SLAM THAT HOLE

● THESE assertive tops have one thing in mind when they cross paths with an eager bottom, and that's to 'Slam That Hole!' Nick Foxx directs seven cock-and-hole hungry hunks who put an emphasis on arse. Tegan Zayne gets his furry hole stretched by sexy Jimmy Durano's uncut cock. Brian Bonds proves he's a real power bottom when he rides Noah Donovan's massive member. Logan Moore takes his turn on tattooed

Buck Richards' hole before being flipped and fucked himself. Then Tegan Zayne returns to take a pounding from Derek Atlas. Whether you love to 'Slam That Hole' or have your hole slammed, these Hot House studs will keep you busting loads over and over.

SECRET PLACES

● “I believe that the best frames are a perfect balance between the right people and the right setting,” Vietnamese photographer Jean-Baptiste Huong says. “It’s the same thing in life: Sometimes it takes a special someone to make a special moment, in a special place.”

That’s what Huong set out to do in his book *Secret Places*. Capture that moment where the right people are in the right places at the right time.

And he nailed it, every time, with every frame on every page. No matter if it’s a portrait or a photo of solitary figure, or one of two guys embracing, two guys fighting or even two guys fucking, Huong manages to get that perfect combination of right people in the right place, captured at just the right time.

This isn’t down to just luck. Nor is it a skill or something you can learn... It’s a gift.

GET DOWN AND DIRTY ON THE SHEETS OF SAN FRANCISCO

It's that age-old problem. You don't want to mess up your Egyptian cotton sheets and stripping the bed takes all the fun out of spontaneous sex. Nor do you fancy the idea of having sex on a cold and uninviting pond liner draped over your bed, the choice of many resourceful guys nowadays.

Well, worry no more as these new Fun Sheets from the Sheets of San Francisco are the perfect solution. QXMEN caught up with the Sheets of San Francisco's Mark Boulton who gave us the lowdown on this genius new product.

We understand there are two distinct ranges? Tell us more...

Our Plus range is our real everyday, tough and practical product, although it looks and feels great too. But for guys looking for something completely unique and even more luxurious we have our premium printed range. This is made from a luxurious silky feel fabric and is printed with exciting high resolution images, yet it retains all the fluidproof qualities which are the hallmark of our products. Currently available in a bold leather strap design the range will expand to reflect customer demand. We can also offer a bespoke design service in fairly small batches to allow customers imaginations to run wild, or to provide a branded product for end users.

And is it just plain fun sheets in the range?

Our Plus range is available as fitted sheets and pillowcases for all UK, US and EU bed sizes as well as a large, versatile, flat throw for people who don't want to confine their messy fun to the bedroom.

Do you offer a 'made to measure' service?

All our sheets are manufactured in the UK for the European market and in the US for the North American market. This allows us to be highly flexible and responsive and uniquely we offer a bespoke service, which allows us to accommodate special size or extra deep mattresses to special order. One client has requested a bespoke duvet cover, which is currently going through the factory.

Are Sheets of San Francisco fun sheets machine washable?

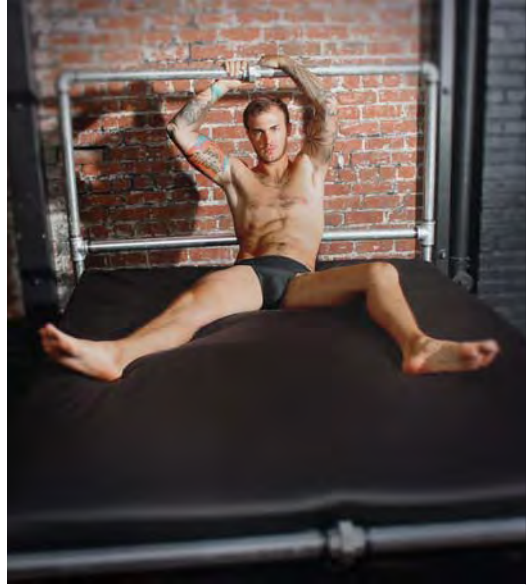

Easy cleaning is key. It's no good having messy fun if it's then really difficult to clean up afterwards. When you've finished having fun on our sheets simply bundle them up and put them in the wash on a normal 40 degree cycle... Easy!

And can you stick them in the tumble dryer afterwards?

The sheets are easy to dry on a medium tumble. A top tip is to tumble them with a small towel, which helps them dry even more easily.

We chuckle every time we see the name... Who came up with it?

The name came from a brain storming session lubricated by a few bottle of Californian wine. There is obviously a link to the 70s TV series, but the name is also easy to remember... Sheets are what we do and San Francisco is where the company started.

Last year, Sheets of San Francisco had stalls at Folsom Street Fairs and Pride events both in Europe and the States. Will you be on the road again this year?

We will be on the road in both the UK and US this year. San Francisco is our hometown so we'll definitely be at Folsom again this year and will have a presence at IML too. We'll also be at the fabulous *Sexhibition* (www.sexhibitionexpo.co.uk) in Manchester in August for certain and will look at other events as the year progresses.

Do you have anything new in the pipeline?

We are always looking at new things. On the Plus range we may well introduce a duvet cover and we will also bring in a white option later in the year. With our printed range we will be looking to add new designs and sizes and there a few other things we are thinking about, which will compliment and expand our range.

QXMEN: So, why did you feel there was a need for

Sheets of San Francisco fun sheets?

Mark Boulton: We looked at the other products on the market and to us there seemed to be a lot of downsides to all of them and we wanted to produce a product that we would want to buy. Firstly, the product had to be fluidproof against a wide variety of liquids. In particular, we wanted a product that was resistant to Silicone lube as people love the product but have real problems cleaning it up successfully. With our sheets it just washes right off. Secondly the sheet had to be seam-free on the top surface. To us a seam in the middle of the sheet is uncomfortable, unsightly and a potential point of failure and does not give the quality look and feel we wanted. On top of those key criteria we wanted to design a product that was tough, durable, looked and felt great and was light enough to carry in luggage. Judging from the feedback we've had to date I think we've delivered on all fronts.

Why are they better than regular vinyl play sheets?

Our sheets feel really great against the skin and being breathable, do not get too hot and sticky. They're also extremely tough and durable and very hard to puncture or tear. We even have clients who claim to wear stilettos while using them, though this is not something we would recommend!

They're called 'fluid proof' so we assume they'll protect your bed from the inevitable lube bottle spills, spit and spunk. But are they suitable for guys into water-sports?

As well as being resistant to a huge range of fluids, the sheets are great for water-sports. Until recently, lots of guys would use things such as pond liners, but these are heavy, bulky and difficult to clean. Our flat sheet is particularly good for this as you can drape it over anything, anywhere. In fact, we're a sponsor of Wet n Hot in Palm Springs, which is probably the biggest water-sports party on the planet!

ELECTRASTIM
ELECTRO STIMULATION

ELECTRASTIM JACK SOCKET ELECTRO STROKER

Over the last ten years, ElectraStim have created ground-breaking new electro sex toys that push the erotic boundaries of e-stim.

NOW those electro stimulation experts at ElectraStim have come up with the ElectraStim Jack Socket, a ball-busting electro male masturbation sleeve. It's a compact realistic stroker with a difference as it has a curvaceous internal texture, skin-like movement and a lifelike feel, but the similarities with other men's sex toys ends there. The Jack Socket connects to any

ElectraStim stimulator, blending the sensations of a realistic stroker with the throbbing, pulsating and orgasmic sensations of electrostimulation. When used with an ElectraStim Flick or Flick Duo stimulator, it's possible to achieve a fully-synchronised experience with the e-stim pattern matching your stroking pattern to truly blend the sensations into a single pleasurable action.

SO HOW DOES IT FEEL?

THE sensation starts with a gentle tingle that comes and goes in time with the stimulation pattern. Patterns vary between stimulator models, but they generally throb, wave, pulsate, escalate and fall - or a combination of all three!

Increase the power and your erotic muscles start to clench and relax in time with the tingle, feeling similar to the contractions you feel during orgasm - but lasting as long as play. For many men, this is enough to bring them to orgasm but if you need more - you'll love the textured sleeve. Its full curves expertly massage your length, with the open-ended design allowing you to focus pressure and stimulation where you want it most.

WHAT YOU GET

- Jack Socket male masturbator/stroker - comprised of a flexible case with caps and realistic sleeve
- 60g tube of electro conductive gel
- Sample of lubricant

* You will also need water-based lubricant, sex toy cleaner and an ElectraStim Stimulator.

The Electrastim Jack Socket Electro Stroker retails at £79 and is available from www.electrastim.com.

CLONEZONE'S TOPHER TAYLOR ROAD TESTS...

THE FANTASY C-RINGZ ROCK HARD ASS-GASM FROM PIPEDREAM

clonezone

I've always been a fan of the Pipedream products that come in to Clonezone. The company's based in Los Angeles and always manages to put a fun (and effective) spin on their affordable products. The style of the brand is unpretentious too, which I find makes it accessible to all types of customers.

base of the probe on my feet (like I was praying) to push the probe more, which felt great. It has dotted ribs on the bar that reach across your perineum, and is lightly affected by the vibe. It isn't that loud so can be used discreetly. I started to alternate with wanking at the same time, to satisfy both internal and external spots. It felt REALLY good, almost too good. So I had to slow down. I used it with the Blewit masturbator (featured in last month's column) to mix it up and test how it would feel when fucking someone.

The Rock Hard Ass-Gasm would be IDEAL for tops who want to experience anal penetration but begin slowly. It's great for guys who like prostate pleasure. Is it for guys who want to be stretched and fucked deep? No, absolutely not. The penetration is subtle, but if you're sensitive like myself and enjoy 'tingling' pleasure over 'stretching' then you should treat yourself to this toy. It's fucking brilliant!

fingered. I simply could NOT stay soft when using it. I made a point of trying to and I couldn't! The Ass-Gasm satisfies your cock, balls, perineum and your hole. It kind of has everything a pleasure-seeking guy wants. The orgasm was very good. I can't elaborate enough that it felt really, really nice. It was an internal orgasm that exploded outwards, the tingling vibrations helping it last about 15 seconds longer than usual. Prostate-based orgasms are always going to make you feel a little weak afterwards, which I enjoy. I felt like I needed to take a nap. We sent the Ass-Gasm to porn star Rocco Hard who gave it rave reviews. Tweet him to ask him what he thought! Switching the vibe off is a simple click of a button. Taking the toy off can be tricky if you have lubey hands, so dry them off before trying to pull the ring back over your balls and shaft. Clean-up is easy. Spray it down with a toy cleaner and run it under the tap (avoiding the button on the vibe).

I was sent Pipedream's Fantasy C-Ringz Rock Hard Ass-Gasm, a beautifully smooth silicone cock and ball ring with a reach-around vibrating prostate probe. The packaging is sleek in slate with holographic detailing and it's all very aesthetically pleasing. You wear the product as one unit, which rests against your sensitive bits really well. This is a product I would recommend to people who are new to toys, the reason being it fits so comfortably and the size of the probe is unintimidating. Putting it on is simple and the packaging is explanatory, should you need help understanding the Ass-Gasm.

Building up to orgasm was a lot of fun; it was so satisfying feeling the grip on the cock and balls alongside the internal vibe. I found myself reaching around to pull it 'in-and-out' for the pulsating pressure and feeling of being gently

"IT MADE ME GO WEAK AT THE KNEES AND GOT ME HARDER IN SECONDS!"

I am very single at the moment so I used this toy alone. Poor me, I guess. The fitted cock ring hugged the base of my shaft and balls really well, instantly helping me get harder than usual. You really 'feel' the pressure in your balls and I know (as someone who's tried cock rings) that it's going to enhance my orgasm. I used some water based lube (ID Glide) on the Ass-Gasm's probe and slowly pushed it inside. When it had popped into place internally, I switched the vibrator on by clicking the button on the internal bullet. The vibration isn't THAT strong, but it's instantly pleasurable and internally ticklish. I have a very sensitive 'P-Spot' so it made me go weak at the knees and got me harder in seconds! If you struggle to ever find your prostate, using toys like this helps. If you are investigating with your fingers, feel around for the part that makes you feel like you need to piss when you push on it. Enjoying it as it was, I kneeled back and rested the

QXMEN
IS LOVING...

...JACK GILES (AND HIS BUM HAIR)

● IN the porn world, it's rare to see a single stray hair in the vicinity of a puckered sphincter. So it's refreshing to come across a guy who, it appears, hasn't let a Bic razor anywhere near his!

Hot newcomer Jack Giles, who makes his porn debut in Raging Stallion Studio's *Beef Squad*, has a veritable bush of natural bum hair around his manly butt, and we at QXMEN Magazine, love it!
