### 21 May: Hard On

Get your tackle out for the lads at Hard On on Saturday May 21st for their Sports Gear themed party. While all the usual fetishes are welcome, this month why not get kitted out in your favourite team's footie strip or rugby kit, or maybe a skin-tight Lycra wrestling suit. Hang loose in a pair of baggy silk boxing

shorts and sexy boxer boots, or wear the exact opposite and squeeze your meat and two veg into a teeny-weeny pair of Speedos! There'll be a hot n horny sex show from sexy Italian porn star Ale Tedesco (pictured) who'll be showing the ropes to newbie Antonio Molinas. Hot international DJ Tony Bruno will be joining Hard On's resident DJ, Brent Nicholls, and together they'll be spinning cock-thrusting beats and slut-grooving tunes making it their mission to get you dripping with sweat on Hard On's intimate laserfilled dance floor! Once they have, our advice is to go and find yourself a nice chap who'll lick it all off in the huge, well-equipped play area and dark mezzanine, or the wet area, one of the glory holes or private cubicles, one of Union's many dark corners or outside, while you're having a fag or toking on a stogey on Hard On's cruisey smoking terrace. You don't have to be a Hard On member to get in anymore - just turn up on the night and you can get in as a guest. An annual Hard On membership only costs £10 for a year though, and it'll get you loads of benefits like 15% off at London fetish store Expectations on the day of Hard On. And, of course, you'll save a fiver on

the entrance fee every time you go! To become a member just sign up at least 24 hours before the party online at <a href="https://www.hardonclub.co.uk">www.hardonclub.co.uk</a>. Hard On enforces a strict dress code of leather, rubber, uniform, skinhead gear, sports kit or, for the very daring, just your boots! Members get in for £15 and it's £20 for guests.

ORIGINALLY LAUNCHED OVERSEAS BY INTERNATIONAL DJ AND PROMOTER, PAUL COALS, TWISTED FINALLY CAME TO LONDON IN JANUARY. THE NIGHT PROVED SO POPULAR THAT IT'S NOW A REGULAR MONTHLY FIXTURE AT THE HOIST.

OXMEN CAUGHT UP WITH PAUL TO FIND OUT WHERE HE'S BEEN AND WHY IT'S TAKEN HIM SO LONG TO BRING TWISTED TO LONDON...

# LET'S GET TWISTED.

### QXMEN: TWISTED has been going for a few years now and we've heard you've taken it all over the place... Where have you been?

Paul Coals: TWISTED really kicked off and we've been lucky to have parties taking place in different countries across Europe and North America. When I came up with the concept for TWISTED it just seemed to lend itself to a number of venues overseas. We've held a number of events at The Boots, one of Europe's best known leather venues in Antwerp, and also become a regular party in Gran Canaria too. We recently had a great party to start Bear Carnival 2016 and have a special event coming up during Maspalomas Pride in May. We'll be back there several more time this year, but I'm equally excited about some of the other international events... Cologne during Fetish Pride (May), Montreal, Toronto, San Diego (over the 4th July weekend) and San Francisco during the Folsom Week (September), to name but a few.

### What took you so long to come to London?

We were regularly talking about doing something in London, but before we knew it almost a year or so had passed!! For us, it was really important to find the right venue and I'm so pleased in the end that we chose to partner TWISTED with The Hoist, the capital's infamous leather and fetish venue. We've had a great turnout thus far in London and the success this year has resulted in turning TWISTED into a monthly feature... it's always the last Friday of the month. I think guys are really enjoying something a bit different. I know we really enjoy working with Kurt, Lee and the rest of the team there. The guys at Expectations and RED have recently kitted out the club with a range of new slings, which has really enhanced the environment. There's a huge play space across two arches and different levels, which guys can get to explore. There's a couple of St. Andrew's crosses, a bondage rack, cages and maze area. The Hoist is a great place to have fun, meet new guys and truly unleash that inner deviant. Anything goes and

### We hear that TWISTED is a new all-round sleazy experience. What makes it different to other fetish nights?

First off, all fetishes are welcome and fetish has to be fun. TWISTED is meant to be a masculine party with great music for men who like to cruise, socialise and have action. We've tried to take an innovative and creative approach with TWISTED, bringing together some of the leading fetish DJs for a dark, sexy, underground theme. The music seems to have

gone down really well. Depending on location, we mix that with horny go-gos, performance, hosts, pervy shows and a variety of other things to do something a bit different. We've also had competitions for tickets for overseas events, such as Bear Bash in

Orlando, Florida later this year. It's been hard work, but we've got a great team and really enjoying putting on some great nights.

### What sort of guys go to TWISTED?

To be honest, truly all sorts and all ages. We've been drawing a great crowd of guys into leather, rubber, sports gear, military, punk, etc. Yes, we've got our leather daddies, muscle bears, rubber guys, pups and many more, but what's we've experienced at The Hoist is that TWISTED is also pulling a younger crowd, maybe some of the people who usually wouldn't usually think of going to The Hoist. Quite a few people have told us that the music and general atmosphere has done that.

#### Is there a dress code?

We normally encourage a proper dress code to ensure guys are getting what they want, but we do also welcome guys into urban gear and sports kit, whereas a lot of places don't. People can also come naked if they want. People seem to like the dress code so that they can find likeminded people.

# guys s s on't. o like

### You have some top DJs lined up. Do you think music is important at fetish nights?

Definitely...the music is a key part of the TWISTED experience. Some of our DJs have included, alongside myself, for example, DJ Jesus Pelayo from Spain, the winner of San Francisco Folsom's 'Real Bad 2015' party, international, award winning fetish DJ, remixer and producer Jack Chang and renowned Kink.com and Boundgods.com porn star Spencer Reed! So many people have commented on the music at our recent events in London. In the next few months we have various guest DJs coming up, including Ron Hamelin (Montreal), Corey Craig (NYC), Ben Manson (Pari) and Andre Stan (Belgium) and so on.

### What sort of pervy floor shows can we expect?

We've had various things going on - it's so much fun!! Amongst others, there have been some great performances by Justin West and Danny Cox, two of Triga's rugby and leather bear porn stars. It sets a great vibe for everything else going on during the night ahead. We've had erotic art installations... think electro, suspension and bondage. And we have loads of other performances planned for the future.

### So, when's the next TWISTED?

The next TWISTED in London will be held on Friday 29th May at The Hoist in Vauxhall.

Bruno Bernal, Jimmy Durano, Josh Conners, Gabriel Cross, Jack Hunter.

NO STUDIO DOES LOCKER ROOM FANTASIES BETTER THAN HOT HOUSE STUDIOS, AND IN ITS LATEST GYM SHOWER FUCK-FEST, AWARD-WINNING DIRECTOR, TONY DIMARCO, AND EIGHT HOT-ARSED MEN SHOW JUST HOW MUCH FUN GUYS CAN HAVE BEFORE THEY TOWEL OFF.

Hunky muscle bottom Josh Conners is taking a shower after his workout and as he soaps up his toned body he gets a raging hard-on. Needing release, he heads to his locker, lubes up his cock and starts stroking his hard meat. Inked power top, Sebastian Kross catches him in the act and soon enough Josh is taking Sebastian's hard member in various positions. Hunky power-top Austin Wolf hits the locker room showers and he soaps up his massive physique, tanned, muscled and tatted stud Bruno Bernal walks in. The two

admire each other from a distance; Austin fixated on Bruno's hot arse, while Bruno's can't take his eyes off Austin's cock. Unable to resist, Bruno helps himself to a mouthful of Austin's fat cock and is soon bouncing up and down on it. Fresh from his workout, sexy Bravo Delta hits the showers. Stunning Gabriel Cross is just arriving and can't keep his eyes off the hairy hunk playing with his stiff cock in the shower. So when Bravo approaches him and drops his towel, Gabriel drops to his knees and without hesitation gets

to work on Bravo's hefty endowment. Bubble-butt Brazilian stud Jimmy Durano is taking a shower and washing off the sweat from his intense workout when ripped hunk Jack Hunter joins him. Jack wastes no time and gets down on his knees swallowing Jimmy's swollen meat balls deep. Jimmy goes down on his knees next, not to suck cock but to eat out Jack's hungry hole just before he pounds him with his powerful, uncut rod. Take it from us, after watching this hot, steamy and sticky action, you're going to

NEW AND UPCOMING RELEASES THAT LOOK HOT!

### THE THIRST IS REAL

Boy, these studs in this refreshing release from Hard **Friction** sure are thirsty! They want hot sex and they want it now. You can tell by the look in their eyes,

their stiff cocks and their twitching holes, that they have to have it. Award-winning director, Steve Cruz, delivers the brand's signature connected sex with a cast of eight hot and eager men, who quench their thirst with wild and passionate fucking. Ripped muscle studs Johnny V and Jacob Tyler suck and fuck their way to a massive climax and when Brazilian power-bottom Bruno Bernal's hole needs attention, only Scott Demarco's fat cock will do! Sebastian Kross gets dirty with Brogan Reed, and furry otter Tegan Zayne has an intense flip fuck with bad boy Rikk York.

## SURGE

Director Nick Foxx is at the control panel of these eight hunky studs, all of them brimming with sexual stamina that has them sucking, rimming and fucking to powerful orgasms in this high-energy fuck fest from Falcon Edge. Micah Brandt's body is beefed up and his hole is hungry and Sebastian Kross puts him to work satisfying both of their needs. Johnny V and Austin Wolf savour

every square inch of each other's bodies e in a multi-position fuck that ends with Johnny cumming in his own mouth. Jacob Peterson uses his athletic and flexible body to pleasure bodybuilder Derek Atlas and Logan Moore and Kyle Kash sport serious wood for each other and those hard-ons lead to an out-of-the-world flip-fuck.

## CRAVING HUGE COCK!

That JONNO over at UKNakedMen must've been Craving Huge Cock the day he sat down and trawled through the UKNakedMen archives and put together this tasty compilation of, well, huge cocks! And he certainly came up trumps with this selection of big juicy pieces, all of them uncut, primed and ready to pump and plough hot, willing hungry

butts. They couldn't have a line-up of huge cocks without giving Matt Hughes and his 11 inch monster a mention. Then there's that Paulo Bertoli, the six foot four skinhead with a cock like a baby's arm who played a doctor in many a UKNakedMen flick. South African beefcake and QXMEN favourite, the dreamy Kurt Rogers, makes an appearance in a memorable sauna scene filmed at London's Sweatbox, along with that hunky super hung Brazilian Carioca. And who could forget Dillon Buck, the six foot and a bit stud with that magnificent curved cock: the sexy Brit is on there too!

HARD SWEAT & NUSCILE

The Eurocreme Group has added Hard Brit Lads, the studio whose content was previously only

available online, to its burgeoning portfolio and released Sweat and Muscle. "Expanding the reach of Hard Brit Lads to outside of the club site was a dream of mine," said Simon Booth, founder of Hard Brit Lads. Sweat and Muscle features a feast of hot British totty including Oliver James, James Carter, Darren Robbins, Justin Harris, Neil Stevens, Dean Munroe and Alex Graham. # EUROPE'S BIGGEST SEX CIRCUIT PARTY IS RETURNING TO LONDON AND IT'S BIGGER THAN EVER TAKING OVER THE ENTIRE SPRING BANK HOLIDAY WEEKEND!

The world premiere of the SexCircus Weekender kicks off on Friday 27th May with the official Welcome Party from 7pm 'til late in the world famous Fire Garden. Join a selection of the Sexcircus performers for a BBO and drinks and then head to A:M Black at Protocol London for the best in house and techno and with a special added room for the weekend from IIpm 'til IIam. On Saturday 28th the SexCircus Weekender Main Event takes over the entire Fire and Lightbox complex for another sell-out capacity event. Expect 30

plus international porn stars, sexy circus performers, individually themed play areas inside and outdoors, plus the unmissable live sex shows! Carry on at Beyond Erotica from 4am through to the early afternoon with the world's best DJs in Fire's Main Room, Mirror Arch and Lounge. On Sunday 29th it's Matinee London Pervert at The Coronet Theatre from 11pm to 7am. Get ready to release your inhibitions as the international gay superbrand Matinee returns to London to make their Coronet theatre debut with an even sexier, more seductive and excessive show than ever before. Expect pyrotechnics, production, confetti and ice cannons galore! Then to top it all off it's back to Fire for Dirty Filthy Orange from 5am to 2pm for the best Sunday night dance destination and the only way to end your weekend!

We have to admit, the concept of wearing underwear in the communal showers, a hot dry sauna or a humid steam room was not something we'd ever contemplated. That was until someone reminded us of that exhibitionistic competition, usually associated with hot American chicks on their college spring break and drunk English slappers in bars in Magaluf, which drives young straight lads wild... It's genius! CUM In Your Pants is the gay equivalent of the WetT-Shirt Competition! We all know that when pants get wet they turn translucent and cling to your cock and balls and, round the back, to your butt cheeks! So, what better way to spend an evening than cruising hot gay and bi guys wearing nothing but their wet, clinging underwear, or for underwear fetishists, just sitting back and getting off on watching them!

The guys behind CUM In Your Pants have big plans for their underwear party and are taking it to MEI Sauna in Kent on Saturday May 28th where it'll become a regular fixture on the sauna's calendar running on the last Saturday of every month from 7pm 'til late! Then starting next month on Friday June 3rd, CUM In Your Pants takes over Union Nightclub in London's Vauxhall on the first Friday of every month from 9pm 'til 2am!

QXMEN caught up with Steve, one half of the underwearobsessed duo behind CUM In Your Pants, to find out more about this new night.

#### QXMEN: WEARING YOUR PANTS IN A SAUNA OR STEAM ROOM! IT'S A NEW ONE ON US... WHO CAME UP WITH THE IDEA?

CUM In Your Pants' Steve: There seem to be lot of guys that don't like going completely naked and lots of guys are into underwear. So we decided to light the venues up with a bit of UV to highlight the underwear, and what's inside of course!

#### WHAT KIND OF GUYS HAVE BEEN TURNING UP AT THE LOCKER ROOM PARTIES?

All sorts of guys. It's been very mixed so far - we haven't really been targeting any particular audience, other than guys who are up for a bit of fun in their underwear.

#### IS THE DRESS CODE UNDERWEAR AND NAKED ONLY. OR CAN GUYS WEAR SHORTS OR SWIMMING TRUNKS?

The dress code is underwear, or naked, shorts are a bit off the mark, but swimwear (other than swimming shorts) is absolutely fine too.

## WILL THERE BE FACILITIES FOR GUYS TO GET THEIR PANTS WET WHEN CUM IN YOUR PANTS OPENS AT UNION NIGHTCLUB NEXT MONTH?

No, Union is going to be the first of our regular club nights where I would anticipate your pants will stay much drier than at our sauna nights.

#### SO STEVE, WHEN YOU SEE A GUY IN WET PANTS

WHAT'S HORNIER: THE REAR VIEW OR THE VIEW FROM THE FRONT?

I'm definitely an arse man myself so without doubt, the rear view.

WHAT'S SEXIER... BRIEFS OR BOXERS? Briefs.

#### JOCK STRAP OR THONG?

Jock strap.

CLONEZONE'S TOPHER TAYLOR ROAD TESTS.

# RTER BASED LUBE

clonezone

SOMETHING CALLED SPIT ARRIVED AT CLONEZONE THIS WEEK. IT'S A BRAND NEW LUBE

THAT'S ACTUALLY CALLED SPIT! ITS SEXY TAGLINE IS "SPIT TO REACTIVATE". YES, YOU'RE ACTUALLY ADVISED TO HOCK ON IT WHEN IT BEGINS TO RUN OUT. WHICH I THINK IS A PRETTY FUCKING COOL SELLING POINT. SO I'VE BEEN LOOKING FORWARD TO CHECKING IT OUT.

It comes in a smooth, rounded bottle with a pump-top and (to my delight) it has a safety clip so you don't have to worry about accidentally firing it across the room when you knock the bottle. Yes, this has happened to me before, and yes, it looks like someone has cum up your wall or down your jeans. I was advised to give the bottle a shake to 'wake the formula up', so when it arrived that's exactly what I did. This created an aesthetically pleasing misty white liquid, that's quite familiar... Okay, I'm basically trying to say it looks like cum! Spit is water-based (though it does contain the slightest bit of silicone), it comes in a 250ml bottle and it's misty white in colour. It contains moisturising Aloe Vera, it's also Paraben free, which pleased me, as I won't use any lube with Parabens in, and it's 100% condom friendly... I've purposely tested this for you, I rubbed it inside and outside two condoms; one over a large dildo I have on my desk and one on a smaller dildo. Both are still in perfect condition.

Spit's odourless and kind of tasteless. I gave it a few licks but I can't say I was drinking out of the bottle. I usually only ever use silicone lube (Pjur Original) exclusively, so I

was curious to check Spit out. Pushing down on the nozzle, Spit comes out thick and smooth and actually looks like a mix of cum and spit. Instantly on my skin it began to spread well and drip like cum would. I rubbed it in and it took a long time to absorb, which kind of annoyed me as I wanted to see if the 'spit to reactivate' trick would actually work... Yes, I was actually moaning about a lube lasting! OK - so does spitting on it really re-activate this lube? When it eventually began to absorb, I did what it says on the bottle and spat on it. I rubbed this in and as advertised, it began to slicken up and lubricate again. It doesn't thicken to the original consistency but it's a really nice slippery texture that's ideal for anal and masturbation. If,

however, you don't want to hock on your knob, just use a little bit of water.

I've had experiences in the past where certain other water-based lubes that look like cum have made my skin sensitive and almost imitated a menthol-stinging sensation. So, I wanted to try using Spit on my intimate areas, as this is where I am really sensitive. The first place I tested was my butt, the reason being a horrible experience I had with Liquid Silk when I was coming of

age, which forever put me off it... It felt like someone had squeezed a tube of Colgate up my butt! Thankfully, Spit just felt nice and slippery. I used it with a Nexus Sparta prostate massager – which you might remember I reviewed in my first QXMen column. It worked really well. As it contains a little bit of silicone, I wouldn't always recommend using with silicone sex toys. But as it's such a small amount I risked it. It's totally up to you if you want to try that at home. My Sparta is still in perfect nick. I used Spit on my dick and balls too, kind of giving it all a rub around to see how long before it began to feel sticky or run out. I had a good few minutes of constant rubbing before it began to feel like it was absorbing. Wanking with it is kind of hot, especially if you're in that mind-set where you're focusing on the fact that it's called Spit... I'm single at the moment, so I guess it isn't taking much to turn me on! I'm really happy

to say that it didn't get sticky, as I really hate that feeling and it never seems to wipe off properly. Especially between your legs! No one wants sticky balls. Especially when you fool around before work and keep having to go to the bathroom to try and use face wipes to get rid of it...

Just me?

Spit is available from Clonezone in a 250ml hottle for just £7,99. Twin, Triple and Six Packs are also available and Lim couldent han il pe pack tot a back once <mark>Non, As tooled atornig with 2bill</mark>
