RETROSPECTIVE: 10 YEARS

# IT'S BEEN A BLUR OF COCKS AND ARSES!

This month, QXMEN celebrates its tenth anniversary!

That's 120 issues featuring over 1,000 R18 movies. I've visited more sleazy fetish clubs and events in the U.K., Europe and the States than can be healthy for any hot blooded male, and I've been to that many saunas up and down the country that I'm surprised my skin's not permanently shrivelled up like a pair of bollocks!

Why? Well, I could say I did it out of some kind of misplaced loyalty to you, the QXMEN readers. But I'd be lying... The reason I've watched all that porn, dragged my sorry arse around all those sleazy clubs and events and spent so many hours with sweaty men in saunas and steam rooms across the U.K. is because I'm just one big old perv! Here's to the next ten years of QXMEN... that's if it doesn't kill me!

Michael, Ed.

In August 2006 QXMEN Magazine burst onto the scene with more cocks and more arses than a hooker's had, well, cocks and arses. It was a hot and sultry summer so in issue one we told you about some of the best spots in the UK to go cruising, we reviewed Pack Attack: Kent North, the first in the hugely successful series from Hot House Studios. Tragically, just a year later Kent died from a suspected drug overdose.

2007 was the year that QXMEN interviewed that gorgeous Czech twink, Eurocreme's Alex Stevens. And as if that weren't proof enough that this was the best job in the world, we also went on location with hot British totty factory Englishlads.com, those hairy muscle hunks at Alphamalemedia and the international studs from the Olympus line at COLT Studios!

**“2008 was the year that QXMEN ran with photos of lady’s breasts when Haydon Bridge delved into the world of ‘Chicks with Dicks’!”**

In 2008 one of the biggest and sexiest parties in the world came to our shores for the very first time. Hustlaball had been entertaining a mix of clubbers, hustlers and porn stars in Berlin and New York for over 10 years and in the summer of 2008 the legendary circuit party arrived in London and it seemed like anyone who was anybody in the gay adult industry came was there including Jeff Stryker, Mathew Rush,

Johnny Hazard, Carlos Morales and François Sagat, to name just a few! 2008 was also the year – and probably the only time – that QXMEN ran with photos of lady's breasts when Haydon Bridge delved into the world of 'Chicks with Dicks'!

After three years as a website, in 2009 UKNakedMen.com released its first hard core DVD. Called *Are You Being Deceived*, the romp starred Matt (11 inch) Hughes in his infamous milkman scene. We were smitten and became instant fans. In June 2009 we reviewed

*Pirate's Booty*, our first (and last) look at fantasy-based gay adult CGI movies. And that very same year DominicFord.com released its first 3D porn feature film... We're not sure if they made another one.

Thousands of gay men descended on the capital for a week in July 2010 for the first of Recon's Fetish Week London. It was and still is the UK's largest gathering of gay men into fetish and put London firmly on the world fetish map. Beefcake Marco de Brute reclaimed the much sought after Mr Hoist title that he'd previously held in 2008, and in October we had the best night ever in a car park near London Bridge when two of the biggest names on the London leather and rubber scene, Hard On and Rut, got together and gave us Hotwired at Ewer Street Car Park!

2011 was a kinkier year than normal when we took a closer look at spanking, tickling and electro-sex. In July we took a trip to the Hoist to celebrate SMGays' thirtieth birthday and we really thought we'd seen everything the fetish world had to throw at us until we were introduced to Buck Angel (the man

with the pussy) and the world of transmen!

In 2012 Sleazy Michael (real name Michael Peacock) made legal history when he was acquitted of all charges following his arrest for selling gay porn DVDs that were in contravention of the Obscene

Publications Act (OPA) 1959. It was thought the verdict might result in the repeal of the OPA, and at very least result in the British Board of Film Classification revising its guidelines allowing DVDs featuring water sports, hard core S&M and fisting to be passed. Sadly, to date nothing has changed.

In Spring 2013, along with a nation of adoring fans, we wept when one of gay porn's most beautiful men released a 13 second black and white video in which, standing in front of the Disney Magic Kingdom, he said, "Hello, I'm François Sagat, and from this day forward, I've retired from porn." Many scoffed as he'd retired two years earlier, but sadly, to date he's stuck to his word. It was Hard On's tenth ball-busting birthday and Suzie Krueger celebrated with an almighty party sponsored by Treasure Island Media and London's Expectations and a XXX-rated show that, even by Suzie's standards was risqué!

**"We wept in 2013 when we heard the words, "Hello, I'm François Sagat, and from this day forward, I've retired from porn!"**

In 2014, Following a string of successful films, cleaning up at the industry's raft of awards ceremonies and managing to garner headlines around the globe through various mainstream outlets such as The Huffington Post, OUT and even Cosmopolitan Magazine, independent adult film studio, CockyBoys becomes one of the most popular and talked about studios in the business, and the most profitable after just seven years in business.

In 2015 porn was getting a bad rap in the mainstream. Critics wanted to crackdown on pornography accusing it of being 'immoral, dehumanising and exploitative' and that it was having a negative impact on our brains and. A surprising yet extremely welcome voice leapt to pornography's defence, and in May's QXMEN world-renowned human rights campaigner Peter Tatchell proclaimed that "porn can be good for you."

Which brings us smack bang up to date and it looks like in 2016 what we really really want is a horny tattooed bad boy such as Billy Essex or Cameron Diggs...

Natural Power for Men is a popular herbal aphrodisiac formula created to boost men's stamina, virility and pleasure in the bedroom and is the supplement of choice for guys who demand a healthy natural aphrodisiac with no unwanted side effects. One of the best-selling sexual supplements on the market, thousands of guys around the world trust Natural Power for Men because it contains nothing artificial, just six nutrient-packed herbs that help fuel the body for your next toe-curling sexual encounter. QXMEN wanted to find out more about these six amazing herbs that go into Natural Power for Men capsules, so here are the facts: Used by athletes and top performers, Radix Panax Ginseng provides the body with the strength to push yourself to new levels of physical performance, especially in cases of exhaustion and weakness, and the National Institutes of Health rate ginseng as possibly effective for improving premature ejaculation and ED (erectile dysfunction). Oleum Cucurbitae, or pumpkin seed oil, is full of healthy fats along with nutrients that are vital to sexual functioning, such as magnesium and zinc. Fructus Hippophae Rhamnoides, commonly known as Sea Buckthorn, has a high amount of vitamin C and E content, plus essential minerals, amino acids and essential fatty acids. Sea Buckthorn berries are also high in circulation-boosting flavonoids. Fructus Lycii also known as Goji berries, are often called a super-fruit and antioxidant powerhouse, and it's not hard to see why. Used for centuries in traditional Chinese medicine, goji berries contain 11 essential and 22 trace minerals, 18 amino acids, 6 vitamins, and multiple phyosterols (healthy plant sterols). Chinese healers prescribe these amazing berries alone or in combination to enhance or restore a patient's overall health, giving the herb a reputation as an effective anti-aging agent. Folium Menthae Piperitae has a long tradition of traditional medical applications and contains mainly essential oils, plant polyphenols, polyphenols and bioflavonoids such as eriocitrin, hesperidin and kaempferol. This therapeutic extract is commonly used to promote a relaxing sense of well-being. ### 28/05/2016: **SEXCIRCUS**

FIRE, 39 PARRY STREET, LONDON SW8 1RT

### 29/05/2016: **MATINÉE PERVERT**

THE CORONET THEATRE, 28 NEW KENT ROAD, LONDON SE1 6TJ

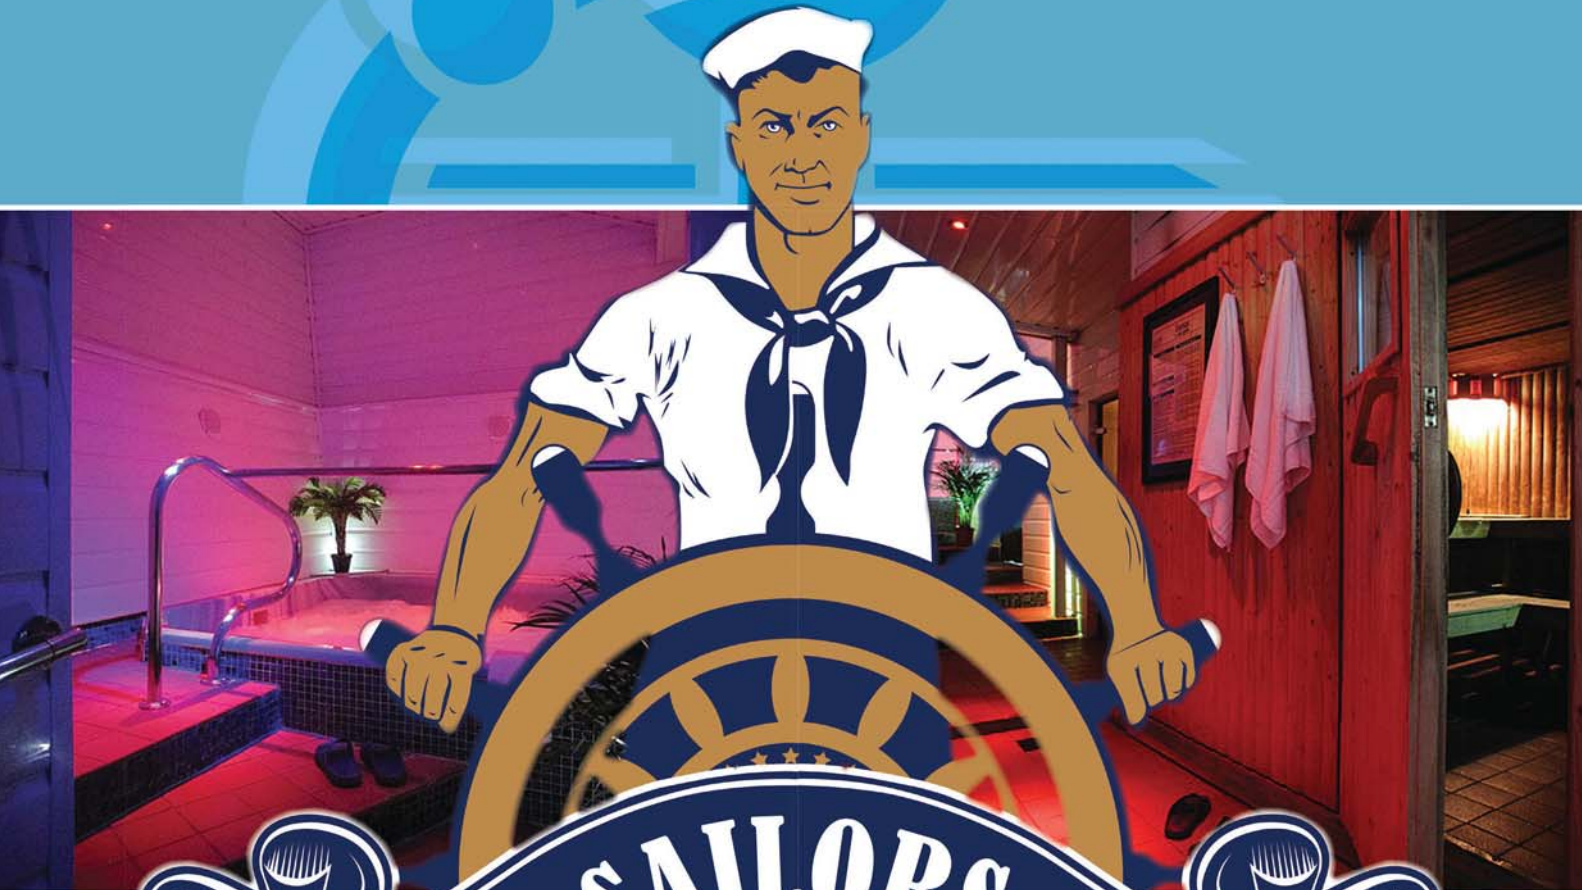

Europe's biggest sex circuit party returned to London at super club Fire as part of the first ever Sexcircus Weekender over Spring Bank Holiday and it was bigger, better and dirtier than ever. Fifteen international porn stars, including Damien Crosse, JP Dubois and Gaston Croupier, got down and dirty in front of an up-for-it crowd while others sampled the delights of Suzie Krueger's Hard On room.

Continuing the Sexcircus weekend, on Sunday evening we took a trip to Matinée Pervers at The Coronet Theatre. The main show saw the stage rammed with pec-perfect performers clad in leather harnesses, jockstraps and face masks on multi-level platforms with a mahoosive LED screen that totally filled the Coronet's stage. Pyros flashed, confetti flew and CO2 ice cannons drenched the packed dance floor in cooling blasts as the temperature rocketed in this weekend climax.

27/05/2016: **TWISTED**

THE HOIST, RAILWAY ARCHES 47C & 47B, SOUTH LAMBETH ROAD, VAUXHALL, LONDON SW8

**In a dark corner of the maze, a skinny man wearing a red rubber mask is reclining in a sling, waiting, offered.**

Between his open legs, a burly black guy, wearing a pristinely white rugby kit, is preparing to... erm... introduce himself for a deeper sort of acquaintance.

A few metres away, more men in their best fetish finery (buffed up boots, pulled up socks, shiny rubber, blackest leather, or just their birthday suit) are at the bar chatting and flirting obliviously, dominated by the hairy gyrating jockstrap-clad butt of Paul McNulty on the podium, who is making his debut as host, that night.

Those two tableaux sum up perfectly what awaited the visitors of the Hoist last Friday, where international monthly fetish night Twisted had taken over.

Add to the scenes a dark electronic soundtrack adroitly spun by Paul Coals (the man behind the night) and Spanish import Jesus Pelayo, the ministrations of the super friendly Hoist team, and you get an evening ideal to quench all kinds of kinky thirsts.

*(or nothing at all).*

**IT'S THE NEW UNDERWEAR-THEMED PARTY NIGHT ON EVERY TUESDAY NIGHT AT THE LOCKER ROOM SAUNA, ONCE A MONTH AT UNION AND ONCE A MONTH AT ME1 SAUNA...**

QXMEN has dropped in on CUM In Your Pants at The Locker Room Sauna in Kennington a couple of times now and we can hereby confirm to the nation that CUM In Your Pants is unapologetically hot, horny and definitely uninhibited!

Who knew that so many guys (and hot ones at that!) like to party and cruise in their underwear? We had no idea, but we're hooked on the concept, especially now summer's here. We can't wait to strip off our clothes, stuff them in a bin liner and let it all hang free... Our only complaint is that whenever we go into a bar or club now, we get an uncontrollable urge to strip off to our pants!

# THE HOOK-UP HOSTEL

*Cast: Kayden Gray, Alex Silvers, Lucas Phelps, Felipe Capuco and more!*

In the opening scene, after being prick-teased for far too long by a big dick in his face at the hostel, young Lucas Phelps decides he can't miss the golden opportunity presenting itself right in front of his face! Super hung fellow traveller Kayden Gray has been sleeping on the top bunk above his for days, his giant dick beckoning the horny young bottom from the very first time it was on show. Finally, after plucking up all the courage he could muster, young Lucas wraps his soft plump lips around the shaft, and right before our eyes, it becomes engorged and stiff. Moving to the next bed, Kayden

now takes full control of the skinny twink, loving the idea of splitting him in half with his giant dick. Lapping at his balls and never-ending shaft, cock worshipper Lucas is in his element. His own dick is a giant surprise for Kayden, who takes great pleasure servicing first that, and then Lucas's smooth tight arse, prising his hole open and letting Lucas

slowly sit down on it, getting him used to the sheer volume disappearing inside him. Still rock hard as his delicious arse swallows it all down to the balls, Kayden needs to only lay back and let the power bottom work it. Soon, being flipped around and fucked hard by Kayden makes Lucas spurt all over himself, swiftly followed by Kayden who coats his new fuck buddy's balls and abs in his man juice.

# FUCK YOU I'M INFAMOUS

Cast: Draven Torres, Ryan Rose, Diesel Washington, Tyler Rush, JD Phoenix, Vadim Black, Colton Grey, Cameron Diggs.

**GO AHEAD AND GOOGLE THEM. POLICE RECORDS, JAIL TIME, DUIS, DOMESTIC VIOLENCE, TWITTER WARS... THESE BAD BOYS OF PORN HAVE DONE IT ALL. YOU'LL FIND THEM MAKING HEADLINES AROUND THE GLOBE WHERE THEIR SCANDALOUS BEHAVIOUR, BRUTAL HONESTY, AND 'YOU ONLY LIVE ONCE' ATTITUDES BLUR THE LINES BETWEEN FAME AND INFAMY. NO REGRETS AND NO APOLOGIES, AND IF YOU DON'T LIKE IT THEY HAVE ONE THING TO SAY, AND THAT'S, "FUCK YOU, I'M INFAMOUS!"**

Handsome, blue-eyed Falcon Exclusive Ryan Rose has been paired with sexy fetish star Draven Torres who takes pride in his bad-boy reputation as one of the filthiest pups on the circuit. He immediately bows down before Ryan and licks his master's boots. Ryan feeds Draven his rock-hard bone and then rolls him over to get a taste of his arse before the two bad boys fuck like dogs. Another bad boy, Diesel Washington, has a reputation as one of the most brutal and relentless power-tops in gay porn. His scene partner is Tyler Rush, one of the best cock suckers in the business, who takes his huge cock down his throat with ease, before Diesel shoves it deep in his hole, fucking Tyler hard and shooting his load in his mouth. From a homophobic "I Hate Fags" rant, to T-girl porn, to MTV appearances with his girlfriend, the winner for most infamous porn star in the line-up is Russian Vadim Black. The 21-year-old hottie is hooked up with JD Phoenix, who's soul-bearing public posts, infamous penchant for being whipped in public, and appearance in a controversial "I like to party" Truvada commercial have earned him a reputation as a bad boy. JD loves Vadim's chiselled abs and rock hard cock - let's face it, who wouldn't? - and Vadim fucks his mouth then flips him over to eat and fuck his bubble butt. JD ends up sucking a load out of Vadim's cock and then reportedly tells NakedSword execs that that was his last scene ever... If so, what a way to go out on top! QXMEN's current porn obsession, Cameron Diggs, not only looks like a bad boy, he also has the swagger and the police record to back it up! The unapologetic stud fights for the legalisation of marijuana and is enjoying his new rise to stardom as one of the most infamous stars in gay porn. It only seemed fitting then that he's paired with the adorable, angelic, Colton Grey and watching Cameron tear up Colton's pristine hole is a true delight!

# SEXFLIX AND CHILL

**GETTING LAID NOWADAYS IS EASY. ALL YOU HAVE TO DO IS SEND A QUICK TEXT WITH THE QUESTION "SEXFLIX AND CHILL?" THEN PUT ON A HOT DVD AND LET THE ACTION TAKE OVER... SIMPLE! AWARD-WINNING DIRECTOR STEVE CRUZ KNOWS THIS, AND SHOWS YOU JUST HOW EASY IT IS WHEN EIGHT GORGEOUS, HORNY HUNKS GET TOGETHER TO 'SEXFLIX AND CHILL.'**

Legs spread wide apart and white briefs bulging, Ryan

Rose is checking out the action on his Twitter feed when he gets a text from Carter Dane: "Horny?" "Of course," replies Ryan. "Sexflix and chill?" asks Carter, and Ryan's cock twitches at the idea. Carter heads over to Ryan's Vegas condo and as soon as he's through the door he bends over and invites Ryan to eat out his tight hole. Ryan dives in deep and tongues the soft, pink centre, giving Carter's cock and balls some attention too. And then ready to fuck, Ryan leaps onto the bed and presents his hard, throbbing cock for Carter to ride. Beefy Jacob Peterson strokes his cock while streaming some porn on his tablet, while Scott Demarco dozes in bed next to him/ With a devious glint in his eye, Jacob pulls down the sheet and wraps his lips around sleeping Scott's thick tool. As he wakes up, Scott moans then goes down on Jacob's massive meat. Eager for more, Scott rolls Jacob over and buries his face in his arse. Then spreading his cheeks, Scott spits right in the centre and pushes it in with his tongue. Now that Jacob is lubed and ready, Scott penetrates Jacob's tight hole and goes in full throttle. With his legs spread wide, his nuts hanging low, and his massive cock rock hard, Jack Hunter leans back on the bed and enjoys a blowjob from Brenner Bolton. Switching places, Brenner presents his man meat for Jack to swallow and Jack strokes himself while sucking on Brenner's cock. As he reaches his climax, Brenner shoots his thick, white load into Jack's mouth, and extra spurts of cum coat Jack's chin, shoulders and arm pit with white spunk. Leaning down, Brenner positions himself to swallow Jack's load. He licks up Jack's load as it bursts forth, and the final drop of cum oozes down Jack's shaft and low hanging balls.

**THEY'VE BEEN BRED TO SERVE,**

**AND THEY'RE GOING TO SERVICE THE MUSCLED TOPS THAT KEEP  
THEM CAPTIVE IN WHATEVER WAY THEY'RE TOLD TO.**

Bearded, leather-clad daddy Matthew Anders loves his new toy... and his new toy, caged Johannes Lars, loves him back. When his daddy pushes his thick uncut dick through the bars of his cage, Johannes devours the engorged member. As he does this, Daddy Matt leads him out of the cage and then slams his cock deep inside his milky white boy arse. Boy toy Johannes is fucked like an animal until his daddy shoots a thick load over him. Then allowing his boy to shoot too, Johannes kneels and covers his Daddy's leather boots with a huge load of thick spunk. Top fucker Killian James takes full advantage of dark haired Alexis Belfort when he's his bottom boy for the day. Joining Killian in a blackened room, Alexis laps at his master's hairy pits, tasting the sweat and getting the full flavour before moving onto Killian's meaty cut cock, sucking down it balls deep. Fitting a ball-gag to his boy, Killian's attention moves on to his boy's smooth bubble butt, and he probes his hole, first with his tongue, then fingers and then dildos, starting with average sized and quickly moving up to those eye-watering, super-thick, blue Crackstuffers, designed to skewer his boy to the spot. Only when he can take no more does Killian slide his raw cock deep into Alexis's sloppy lubed up hole and fucks him hard and fast until his cock explodes unleashing streams of cum over his spent boy. Young, hard bodied and hairy Nathan Raider is the perfect sleazy top. He knows exactly what he wants and with dirty blonde sub boy Gabriel Phoenix on his knees in front of him, he sure as hell is going to get it! He starts by fucking Gabriel's throat but before too long Nathan's strapped his boy to the wall, and has turned his attention to Gabriel's tasty boy butt. Burying his face deep between his cheeks, Nathan tastes Gabriel's sweet hole before pulling his stiff cock painfully down between his legs to swap between the two. Dick then hole, hole then dick, before he slams his own thick slab of meat balls deep inside Gabriel's wriggling butt. Spanked the smooth, milky white butt cheeks of a horny young twink is the perfect way to get hung, tattooed top guy AJ Alexander turned on, and this is exactly what he does to young blonde twink Alex Silvers. Holding him firmly over his knee, AJ reddens Alex's smooth boyish bum cheeks before turning his attention to the hapless lad's tight hole. Loosening it up with his tongue and fingers, nothing can prepare Alex's hole for AJ's giant cock, which is soon slapping against his hot red cheeks.

# HOT HOUSE VIDEO presents a film directed by NICK FOXX

Cast: Sebastian Kross, Tegan Zayne, Sean Zevran, Dorian Ferro, Nick Sterling, Rex Cameron, Fabio Acconi, Alex Mason

# PUSHING LIMITS

**THEY'RE FILLING HOT ARSES TO THE MAX AND POUNDING EAGER HOLES RELENTLESSLY... YEP, THIS LINE-UP OF UNBELIEVABLY HOT STUDS ARE PUSHING LIMITS! THESE STUNNING MEN CAN'T GET ENOUGH INTENSE FUCKING AND THEY TAKE THEIR SEXUAL DESIRES TO THE EDGE, AND FINISH OFF WITH EXPLOSIVE ORGASMS. DIRECTOR NICK FOXX TAKES EIGHT BEEFY STUDS ON A JOURNEY THAT TESTS THEIR SEXUAL BOUNDARIES AND GIVES THEM THE HOTTEST EXPERIENCES THEY'VE EVER ENJOYED. IN THE LATEST FUCK-FEST FROM HOT HOUSE VIDEO, TALENTED BOTTOMS AND MASSIVELY HUNG TOPS WILL TAKE YOU TO EXTREMES AND HAVE YOUR COCK EXPLODING WITH LOADS OF CUM!**

Tattooed superstar Sebastian Kross strokes his cock through the hole of his jock and hungry bearded bottom Tegan Zayne kneels down and gulps on the hefty member, right down to Sebastian's balls. After choking on Sebastian's rod Tegan bends over and Sebastian drills his hairy hole with a lengthy dildo prepping him for the intense pounding to come. Ripped muscle-hunk Sean Zevran feeds Rex Cameron his long, uncut cock and then to warm up his eager arse, he uses various toys to dilate Rex's smooth hole. Sean replaces the dildos with his hard cock, and Rex takes every inch of it doggie-style, before switching position and lying back to get plowed until both guys spew their loads. As Fabio Acconi strokes his hefty cock, gorgeous Dorian Ferro takes notice and helps himself to a mouthful of Fabio's meat. Fabio returns the favour with a few fingers and his tongue deep in Dorian's talented hole and then takes it up a notch and fucks Dorian with a shiny steel dildo before replacing it with his fat cock. Nick Sterling and Alex Mason cant keep their hands off each other and Alex soon exposes his tight, hairless hole for Nick to bury his face in. Staying bent over, Nick dildo-fucks Alex's hole with a massive black dong before shoving his cock in and then Alex bends him over and gives him a quick rimming before pounding Nick's eager arse. Nick moans out 'pound me harder' as his load shoots from his cock. Alex then uses Nick's spectacular butt as a canvas for his wad, spewing it all over Nick's backside.

# UKNAKEDMEN, THE BRITISH STUDIO THAT'S LAUNCHED SO MANY GUYS INTO PORN STARDOM TURNED TEN YEARS OLD THIS YEAR! QXMEN CAUGHT UP WITH JONNO, AWARD WINNING DIRECTOR AND ONE HALF OF THE DYNAMIC DUO BEHIND THE STUDIO...

**QXMEN: Describe UKNakedMen to some one who's never heard of it before...**

**JONNO:** UKNakedMen is our ten year old baby, rammed to the rafters with hot, uncut cock, more pictures and exclusive scenes than I can count and stuffed to the gills with hot fucking and sucking - all in glorious high definition quality (basically).

**What were you doing before you started UKNakedMen?**

I was a photographer, and my hubby (partner in UKNakedMen) was a graphic designer. I took pics for 'normal' magazines, but when the obsession for porn stars started I found myself shooting Jeff Stryker (for Attitude), the 12 most beautiful women in porn for FHM, other porn gals for Maxim and Bizarre, and we were surprised that they weren't frothing druggy loons, but were on the whole sane, professional, friendly people. So when Aiden Shaw asked us - on the back of a mainstream shoot - to shoot a porn set for a few American magazines, we threw ourselves down the well-lubed, slippery slope into porn... And it's been FUUUUN!

**As an unknown studio how did you go about recruiting models?**

We started off trawling through the escort ads on Gaydar or the back pages of your lovely publication. Then one guy would recommend another...and so on. And then with Twitter, it all became very easy. I don't think 'doing porn' has the stigma it used to.

**You've popped the cherry of many porn star newbies... How do you put nervous first timers at their ease?**

A cup of tea and a biscuit, and don't rush things. I've heard of directors shouting at a model to "GET HARD!" erm, yeah, that's gonna work!! It's all very relaxed and unrushed.

**From stately homes and Regency town houses to rundown council estates, you've filmed in some amazing locations... How do you find them?**

Ahhh, you're thinking of our 'King's Speech' set. That got us so much publicity. We have had some great sets and locations over our ten years. Our lovely chum Tanya Hyde (straight porn director) has suggested a few places as has Mistress Kim from Club RUB, and people have emailed and put their location forward with the hope that they'll see some jiggly bits during filming (they usually do get a glimpse).

**What's a typical day like at UKNakedMen?**

A shooting day is hectic, loading up with all the gear, heading to the studio/location, trying to direct a model, who only speaks Spanish, to a dungeon in Hackney! We have so many French and Spanish models I've learnt enough Spanish to do a shoot "Separa Las Nalgas, por favor". We work whenever the guys are available, so seven days a week is not unusual.

**Tell us your top five guys you've filmed for UKNakedMen?**

Is it wrong to have a favourite? BUT - Carioca was an exquisite, big, brooding, donkey-dick stud. Nathan Raider and his boyfriend Gabriel Phoenix are super-steamy (can I put

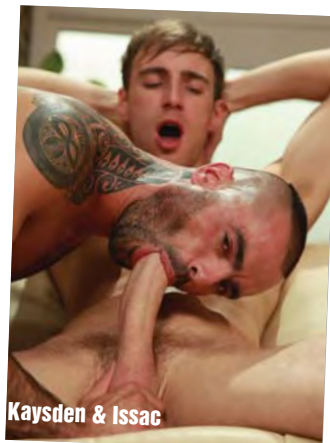

them down as one choice?). Kurt Rogers was a stunning, great muscular South African. Paddy O'Brian was great, lovely, a proper Cockney and that dick is always naturally hard, and, of course, Issac Jones. We shot his first ever scene and over the years he's topped, bottomed, gang banged, dildoad and basically explored every aspect of his sexuality on camera, and he's absolutely lovely and has a super sexy French accent, BOING SOLD!

**We bet your casting couch has seen some action over the years... So, come on, spill the beans. Does the director really get to sleep with the stars?**

Lorksy a Lordy! Who would hold the camera? I've only got two hands! I'd luv to have done that, but we've just racked what's left of our brains to think of anyone we've 'had a go on' and we haven't! DAMN, wish we had!

**You must've worked with some right Prima Donnas over the years...**

YES, but they're really few and far between. Everyone knows everyone in this business and if you're a nightmare people don't shoot with you. There's only one guy I

Kaysden & Issac

Kurt Rogers

**Who would you love to direct in a UKNakedMen scene?**

Christopher Lee in the 60s and 70s was hot. Justin Trudeau (Canadian president) can come to us when he's finished with that political thing he's doing, or failing that (and back within the realms of possibility) Matt Surfer was a great guy, big dick, very exhibitionist, big loads - he'd be great to get back.

**Over the last ten years we've seen new studios pop up, put out a couple of releases and then disappear. What's UKNakedMen got that's made it so successful?**

Hard work, adapting to the technology and choosing hot, hot guys. Jon and Jim are very talented and headstrong, they gets things done and have got us out of a pickle or two, and they're always thinking of what's next... Also having an American lawyer who will chase money - that's been handy.

**So what's in the pipeline for UKNakedMen?**

We've been working with Falk Lux and setting up a network to which we've added his sites - 'Raw Fuck', 'French Lads', 'Spritzz' and 'Young Bastards'. For years we just hunkered down and did our thing, but meeting other producers and webmasters and adding some excellent new brands to our network is making us stronger and more competitive than ever.

**Along with UKNakedMen you have its brother site, Butch Dixon and the online shop JonnoStore... What's next for your porn empire?**

We've just added those gorgeous cuties UKHotJocks to the network. LUV LUV LUV those boys, they're passionate, shoot bright, poppy, steamy hot sex and are great to work with!

# TEN OUT OF TEN!

can think of who was really rude, and no one works with him anymore.

BUT I think his rudeness was a cover for his own problems at that time, so it's hard to be annoyed with him.

The only real problems we've ever had are models turning up off their face, which in itself is rare, and for some studios that works, but not for us. Really; googly-eyed gurning guys, who can't perform?! Why? If either of us smell mephadrone when a model walks in, they're going straight home again.

## JONNO, HERE ARE YOUR QUICK ONES...

**Muscles or slim?**

Depends on the day... little bit of both please. No roid ragers please.

**Smooth or hairy?**

HAIRY (men please)

**Cut or uncut?**

Oh, do you have to ask? UNCUT! Why oh why would anyone support 'male genital mutilation'?

**Daddy or twink?**

Daddy - please sir! I never got that Twinks thing even when I was one (a short while ago)

**Cock or arse?**

Both, absolutely both. Hot buns in trunks or hard, swaggering packets in jeans? Gotta be both.

# CLONEZONE'S **TOPHER TAYLOR** ROAD TESTS...

## THE **XPANDER 4+** PROSTATE MASSAGER FROM JOY DIVISION TOYS

**clonezone**

**THERE ARE THREE PROSTATE TOYS TO CHOOSE FROM IN THE**

**XPANDER RANGE. I CHOSE THE ONE THAT VIBRATES, OF COURSE... WITH FIVE SETTINGS! THIS UNUSUAL LOOKING SEX TOY CLAIMS TO BOOST YOUR ORGASM BY 200%... SO IN OTHER WORDS, I'M FUCKING SOLD!**

My XPander 4+ arrived with its own 'VIP' card, a prostate massage guide and a silver fabric carry-case. It's got a rubbery texture that I wasn't too sure about (at first).

The vibrating bullet is removable. It has a satisfying 'click' control, unlike some that take a good push. Wider than most prostate toys, XPander 4+ looks a bit like a space gun. Internal gaps allow it to squeeze into your hole and expand once inside, hence the name.

I'm going to be honest, I was a little nervous about using this toy. I've been intentionally abstinent recently, so it had been a while since I had been 'using' my butt. Grabbing my bottle of SPIT lube, I applied a generous amount to the toy and my hole. I always find it helps to gently fingertip the lube in, raising your hips so it gradually pours inside. As soon as lube covered the toy, the texture felt extremely smooth. Most P-Spot toys have a rounded 'bulb' end, but the XPander 4+ finishes with a rounded point, which makes insertion easier. As it pushes into your hole, it closes in on itself, opening up as it gets past the ring. You reach a point of pushing where your hole 'swallows' it inside. The tip of the toy was a little bit painful inside, but I like that. The perineum stimulator pushes on you quite firmly, as the toy locks into place. It has ridges, though it's hard to feel them unless you grind on the toy. Every time I clenched, the toy would edge in and push on my P-Spot.

This felt VERY good. I was beginning to understand the 200% orgasm boost. I used this just after a hot bath, so I was feeling extra sensitive. I turned the vibrator on and instantly it tickled quite a lot, the vibrations travelling through XPander 4+ well. There are five options but I enjoyed constant the most. I felt its pointed end tickling me (and if I'm honest, all I could think about was downloading a dating app and bringing someone over ASAP). If you have a sensitive prostate, like myself, you get REALLY turned on as soon as its stimulated. I used the toy without touching anything else for a good 20 minutes. Simply taking deep breaths, clenching, releasing and then rocking was doing the job just fine. I can always tell when I'm enjoying sex because I bite down on my bottom lip unconsciously... And this lip was bitten.

I began to wank which felt really good from the inside moving outwards. I began to shiver at points, so I kicked my desk fan on for extra effect. Playing with hot and cold whilst using sex toys or fucking is one of my favourite things to do. It definitely worked. I only lasted a good five minutes wanking with the toy but the timing wasn't something I cared about. You could easily spend hours edging yourself with the XPander 4+ ... And I plan to! The orgasm was very powerful. Would I say it was 200%? Perhaps. I'm never compos mentis when I cum, but I can tell you I twitched for a good 45 minutes after using it... Then I had to take a nap.

**"I'M NEVER COMPOS MENTIS WHEN I CUM, BUT I CAN TELL YOU THAT I TWITCHED FOR A GOOD 45 MINUTES AFTER USING IT!"**

The one thing I don't enjoy about using prostate toys is pulling them out. The XPander 4+ was a little bit awkward to get out. It definitely isn't the most elegant of processes. Clean up is a little awkward too, because of the gaps in the probe. I used a face wipe and then finished with a toy cleaner spray and water to make sure all of the lube was out.

### Do I recommend it?

**YES.** I will go so far as to say this MAY be one of favourite products.

**Cons:** The vibrator doesn't come with a battery (1 X AAA). The material would be nicer as a silicone.

XPander 4+ is currently on the way to Clonezone and should be available ASAP. If you can't see XPander 4+ at [Clonezone.co.uk](http://Clonezone.co.uk), email me at [topher@clonezone.co.uk](mailto:topher@clonezone.co.uk) to reserve yours with complimentary Express Shipping... ## QX MEN IS LOVING...

# GABRIEL PHOENIX

24-year-old Gabriel made his cherry-popping porn debut earlier this year with UKNakedMen and now the scruffy dirty blonde can be seen in Bulldog RAW's latest release Bred To Serve.

Describing himself as "a bit geeky and a bit gangsta all rolled into one" Gabriel's scene partner is hot Italian Stallion porn star Nathan Raider. You'd be forgiven for thinking these two have amazing on screen chemistry because they're a couple in real life too! Oh to be a fly on the wall in their bedroom...

We'll have to make do with watching them get it on in Bred To Serve.

Bred To Serve is available on DVD, HD and SD Downloads from [EurocremeStore.com](http://EurocremeStore.com).
