SQUIRT'S MAKING AMERICA GAY AGAIN

One of our favourite hookup sites, Squirt, is making a statement in support of LGBT rights with a billboard campaign to coincide with the inauguration of America's biggest mistake, aka 'President Elect' Donald Trump. The signs, featuring two guys holding the American flag along with the words "Dear Mr. President, Let's Make America Gay Again," will appear in Los Angeles and New York City. The billboards are a part of Squirt's effort to support gay rights as well as to positively encourage Trump and his administration to take LGBT rights seriously. Billboards will be placed along Hollywood Boulevard's Walk of Fame in Los Angeles and in New York City's West Village, Chelsea and surrounding neighborhoods.

HARD ON

21/01/2017: HARD ON

@ FIRE, 6A SOUTH LAMBETH PLACE, LONDON SW8 1SP

Since the lamented demise of The Hoist, Hard On has become safely ensconced at Fire, just round the corner.

This week saw the second edition of the night in its new home. The men were as horny as ever and the large not-so-dark room was heaving with hungry naked bodies and grunts of shared pleasure, while the slings in the play area got very little respite indeed. In bar/dance area, Gaston Croupier, his award winning ass and his sexy fucker of a boyfriend almost had to fight uninhibited punters for a chance to use the podium for a raunchy session that made more than just our eyes bulge. Most importantly, and perhaps unexpectedly for what is after all a fairly hardcore venue, Hard On gathers one of the friendliest and most relaxed crowds on the club scene. It's ideal to meet like-minded pervs and get your leg over.

MASTERY

21/01/2017: MASTERY 3RD BIRTHDAY

@ THE BACKSTREET, WENTWORTH MEWS, MILE END E3

Hidden away, literally in the backstreets of Mile End, is a set of double doors that don't look like much! With no sign saying what it is, no lights to guide the way and certainly no one standing outside giving you a clue what might be going on inside.

But go through the double doors and you enter a palace of glorious kink! It's a tardis of a club that keeps on giving. The décor is wonderful and there are slings and plenty of dark corners for dark deeds! Out the back there's even a huge smoking area for the cigar dads to really shine. But tonight, people mainly kept their clothes on, because it was all about the looks! As a special extra, loads of the champions of the leather scene had been gathered for a wonderful social. The boys from London Leather Men brought us many of the currently crowned Mr Leathers from all over Europe. What a treat!

30/12/2016: RECON

@ FIRE, 6A SOUTH LAMBETH PLACE, LONDON SW8 1SP

Traditionally the season of overindulgence, of giving and receiving, Christmas is also the perfect time for one of Recon London's famously filthy fetish feasts for deviants – and we include ourselves firmly in that group.

So, the Friday between Christmas and New Year, we joined the throng of perverts heading to Vauxhall where they had transformed no less than 9 arches of the Fire complex into a playground for the senses and for sensory deprevation. There were play spaces for every kink and specialist interest we love, with new twists and surprises and new equipment and layouts. For fans of piss there was a gigantic wet room complete with bath tubs. For those with a penchant for fisting there were slings galore, and for the burgeoning pup scene there was a bespoke play area with astroturf, kennels, treats and squeaky toys. There was a dark maze to get lost in, glory holes to get sucked in and prison beds to get fucked in, all done with Recon's typical eye for detail.

For those in to more traditional nightclub pastimes, four of London's top DJs – Gordon John, Brent Nicholls, Paul Coals and Massimo Paramour – provided the dirty beats to groove (and fuck) by, while Chris Brogan took his usual slot at the decks in the VIP room all night.

A hot crowd, a hot night and as always with Recon, a room full of happy faces and sloppy holes at the end.

HARD C*CK ON CAM 4

IMAGES BY SARAH KOUHOU (VISUAL INSTINCTS) AND LUCREZIA CHIARLE

A man dances in the space, a blur of rosy tissue and liquid mass sliding over shifting ground. Threads of whipped candy and shining flesh bounce and spin in the artificial luminance. A face of silver and pink, eyes bright, scanning the trembling edge of the circle for signs of joy and reconnection.

Sounds kind of beautiful doesn't it? If you thought slathering yourself in Vaseline and sliding around your wetroom was something seedy that was only to be done in the privacy of your own home, think again. Artist and sexual pioneer Robert Hesp is ready to show you a whole new way of thinking. HARD C*CK is a 60 minute performance celebration by Hesp; an open look at ideas of sexual autonomy, identity and fragility and an attempt to rediscover the pleasure of skin and bone in a live space.

It's been described as "A piece for me, for you, for the void and the person on the other side of the laptop screen" allowing you to interact with it physically and viscerally, should you choose to, as well as from the security of your own home/dungeon

Hard C*ck delivers an exciting and fresh vision of sexual expression and liberation, looking at texture, light, audience and materials in combination with sexual fascination and expression. Robert performs with 5kg of Vaseline which he uses across the stage and his body with amazing movement and expression. He invites an audience member into the production for real interactive elements and then he broadcasts the piece in front of the theatre audience live on CAM4 and invites the world to join the show.

Yes that's right, your favourite streaming site CAM4 are proud to be research partners of Hard C*ck; not only part way through the show does Robert go live on CAM4 to the world but the site also aided in research and helped financially to ensure the show was able to progress to festival and ideally to tour during 2017.

Robert personally chose CAM4 as the platform to go live with, which they were more than willing to support and encourage, leaving all artistic ideas and development purely with Robert. It's an amazing sign that a massive platform like CAM4 is willing to support such creative projects, especially those that challenge and highlight sexual education and expression. We look forward to seeing more from both Robert and CAM4 in the near future.

Taking bookings now, Hard C*ck will be touring in 2017. Visit RobertHesp.co.uk for more information and tickets.

WHO DOES WHO?

SCENE 1: Tanned sexpot Seth Santoro goes for a swim in the pool as JJ Knight tries to catch some rays, but the lure of Seth's perfect ass proves too much and soon JJ has it spread, with his thiock cock deep in Seth's hungry hole.

SCENE 2: Horny muscle bottom Jeremy Spreadums lies up to his name, after a little underwater arousal with fit fucker Topher Dimaggio. They're soon out of the water and on the grass, where Topher has Jeremey spread'em before fucking him rigid under the palm trees.

SCENE 3: All-American hunk Ryan Rose stops by the plunge pool, just as sexy Seth Santoro is having a soak. After noticing the bulge in his swimsuit though, Seth becomes more interested in spunk, choking down Ryan's throbbing cock and hungrily milking him dry of jizz, before Ryan greedily sucks down Seth's load in return.

SCENE 4: One of our ultimate bottom boys, Brent Corrigan, returns to straddle Topher Dimaggio's raging boner. Brent takes every inch of it like the pro he is, before they both blast hot, thick wads of cum over each other.

SCENE 5: Ryan Rose & Scott Riley bring things to a spunk-soaked climax, with a scene so hot it'll leave you with burns. Ryan gives Scott the pounding his ass deserves, stretching his hole out with his thick, meaty cock and fucking him deeper than he ever knew was possible!

THE DOCTOR IS IN, WELL, INSIDE HIS PATIENTS. THESE 'INTERNAL SPECIALISTS' TAKE THEIR WORK SERIOUSLY, AND WHILE THEY'RE STAND-UP PROFESSIONALS, SOMETIMES THEIR ATTRACTIONS AND URGES TAKE OVER.

They know it's wrong, but it feels so right to do everything they can to thoroughly assist their patients and cow-orkers in taking care of their sexual needs. Nick Foxx and Tony Dimarco deliver medical office fantasies where the patients, doctors and ass-istants are delving deep inside each other and specializing in getting each other off with maximum intensity. Get ready for a medical ejaculation- uh, *examination* like nothing you've EVER felt.

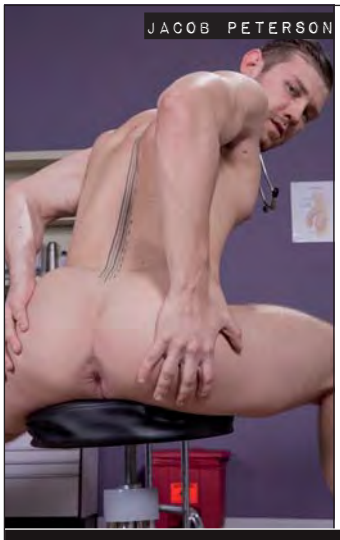
Internal Specialists is available on DVD and download from www.hothouse.com



WHO DOES WHO?

SCENE 1: Woody Fox visits Dr. Dorian Ferro for a physical, but Dr. Ferro is the one who gets deeply probed by Woody's hot cock.

SCENE 2: The sexual tension between patient Asher Devin and physician's ass-istant Skippy Baxter grows so immense, neither man can ignore it, so Asher puts Skippy's legs in the air and fucks his brains out!

SCENE 3: Armond Rizzo needed a new doctor, and his friends all had rave reviews of their 'experience' with Dr. Austin Wolf. After Dr. Wolf administers his cock from the front, from the back, and even upside down, Armond is yet another fully satisfied patient!

SCENE 4: With a sore back, Landon Mycles needs some special attention, and Dr. JJ Knight knows just the trick to work out his deep aches and pains: an intense pounding with Dr. Knight's humongous dick.

SCENE 5: Medical assistants Adam Bryant and Jacob Peterson are the only ones left in the 'Internal Specialist' office, and they can't wait to fulfill some fantasies of their own. After they strip off their scrubs, Adam delivers a powerful and satisfying fuck to his co-worker's eager arse.

Bruno Gmuender, the gay and glossy coffee table book publishers, have a new book out, giving you unparalleled access to the unbeatably fit talent working at Bel Ami...

The guys at porn empire Bel Ami are the focus of Bruno Gmuender's new photo book out, Bel Ami Rebels! Photographed by Spanish celebrity photographer Joan Crisol, it shows the trouser-bulgingly hot roster of men taking a walk on the wild side. The ensuing 128 pages of photos are from two huge shoots Crisol carried out in Ibiza and Budapest and they feature such inescapably familiar faces as Kris Evans, Dolph Lambert, Ariel Vanean and twincest superstars, the Peters Twins. You can delete your browsing history as often as you want, but you never forget a face. Or a dick.

The photos take in a range of different influences, from the modern fetish scene, to old-school, Tom-of-Finland vibes, and even gloriously camp homage to baseball, the military and park rangers. But what they all have in common are oily, uber-muscled torsos and the sort of rock-hard penises you could stop traffic with. Plonk it on your coffee table, turn off the wifi and treat yourself to a Sunday afternoon with the Bel Ami boys!

CLONEZONE'S TOPHER TAYLOR ROAD TESTS...

...THE SILICONE FLEXI

clonezone

THE SILICONE FLEXI TOY FROM CLONEZONE LOOKS LIKE A WORM MIXED WITH A CURVED FINGERTIP. THIS DOESN'T SOUND SEXY BUT IT IS. TAKE A LOOK AT THE PHOTO BELOW AND YOU'LL SEE WHAT I MEAN. FLEXI IS PART OF THE TITUS RANGE OF SEX TOYS, WHICH HAVE BEEN DESIGNED WITH MALE PLEASURE IN MIND. IT'S BEEN NAMED THE 'PROSTATE FORCE PROBE' WHICH BRINGS INTENSE, DIRECTLY PROSTATE MILKING TO MIND.

FLEXI features ten ridges up its beefy shaft, where it curved towards the top into a Prostate Massaging point with textured nodules for direct stimulation. This P-Spot toy boasts TEN vibration functions, which sold it to me. I'm a bit obsessed with prostate toys, if you hadn't already noticed from the columns?

The Titus Silicone FLEXI is made from a luxuriously velvety silicone material which carries the vibration through, finishing on the outer layer with a nice direct tingle. It's a thicker prostate massager than most, boasting a 5 inch circumference at its widest point. If you don't like probes and prostate toys because they aren't thick enough for you, I think FLEXI will satisfy your need to feel full. I would recommend douching before playtime too.

> "AS IT SLIDES INTO PLACE AND ERGONOMICALLY INTO YOUR INTERNAL SHAPE, THE INSTANT SATISFACTION WILL KNOCK YOU OFF YOUR FEET."

I began by applying a generous layer of SPIT ® Water based lube up and down its shaft, focusing on the head and the curve, as no-one wants a dry curve pushing into their ring. Am I right? Make sure that you use either a water-based or hybrid lube with it. Using silicone or oil-based lube can gradually break down the silicone material on sex toys, leaving them feeling rough and becoming useless.

At the base of the toy (the fatter end) there's a power button which you select to travel through its ten settings. It's easy to use and the vibrations are powerful. It's not often you get a sex toy for 30 quid that delivers this sort of intensity.

Why is it called Force, you ask? You control it by holding its straight base to force and angle the prostate point into your milking spot. You 'force' its shape back-and-forth, pushing the curved point directly into your prostate and the muscles surrounding it. You can be as forceful or as gentle as you want, dependant on the experience that you want.

Ok, so back to using the toy myself. Pushing the Flexi into place takes a bit of force, a few deep breaths and lots of relaxation. Doing the gentle 'pushing your hole out a bit' to accept the girth helps. Like I said, at 5 inches, it's not the easiest if you're not a regular anal stretcher.

As it slides into place and ergonomically into your internal shape, the instant satisfaction will knock you off your feet. So make sure that you're lying down. You know you've hit your P-Spot when you get that tingling (almost burning) sensation that gives you the urge to almost take a piss. Focus on this spot, relax and use it. That's the male G-Spot and you're going to enjoy it.

Usually with prostate toys, I wouldn't recommend to push it in-and-out, mimicking being fucked by a cock. However, with FLEXI I do recommend doing this. Feeling those ribs push in and out of you is really nice, comparable to when you're being boned. Fucking the hole and reaching into the prostate, peaking with a push on your G-spot is what makes this toy special.

Reaching orgasm is intense and relatively fast. Using FLEXI, it's almost if I could feel cum heat up and fire from the inside outwards. The orgasm is intense and tingles from your prostate, your frenulum and especially your perineum (the gap between your balls and hole).

If you're someone, like me, that enjoys toys that focus on intensity and pleasure over penetration and stretching, then this is the toy you need.

Clean-up is really easy with one of the toy cleaning sprays at Clonezone (I use the Nexus Toy Cleaning spray) focusing on wiping all the lube and cum off the ridges on the toy. As the silicone has a matte finish, you might want to polish it back to flawlessness. Otherwise the wet marks might bother your OCD. It bothers mine.

I must reiterate… IT'S ONLY £29.99! Get one before my colleagues change their minds.

The only negative I give this toy is how it feels being removed. The curved shape locks into place so, again like insertion; you've really got to relax to pull it out without irritating yourself on the inside. Don't ever force something out of your hole, no matter how much of a rush you're in.

Vibration Settings:

Vibrate (high), Vibrate (medium), Vibrate (low), Gradient burst, Intermittent, Surge, Insta-Surge, Even step, Rollercoaster Spurt and Pulsate.

Dimensions:

Length: 5.5 inches or 14cm
Circumference at thickest point: 5 inches

Features:

- **Luxurious silicone**
- **10 Settings**
- **Easy on/off controls**
- **Waterproof**

QXMEN IS LOVING... ...LANDON MYCLES

Well, look who we have here, one of our favourite faces. And arse for that matter.

Landon Mycles is an uber-muscled jock who's never happier when that bubble-butt is up at 12 'o clock and being filled!

He pops up in Falcon Studio's latest Internal Specialists, where he's visited by the super-hung Dr JJ Knight and given a thorough rectal examination! Ooh Nurse, pass the poppers.

Internal Specialists is available on DVD and download from HotHouse.com
