FOLSOM EUROPE 2017

Since it’s first year in 2006, Folsom Europe has become a world-famous fetish event with a huge street fair and lots of parties. This year, Europe’s largest gay fetish event will take place at various venues across Berlin. Tens of thousands of guys in leather & fetish gear will be walking the streets in the Berlin-Schöneberg district. The whole fetish community is represented and everyone will have the chance to show his or her fetish, meet old friends or make new one, listen to the DJs. Take a look around at all the fetish lovers and decide who will be your companion for the night. Expect a long weekend of fun, freedom and sieze in one of the world’s most vibrant capitals.

Folsom Europe runs from September 6th to 10th 2017 in Berlin, find out more at www.folsomeurope.info

Social gay network Hornet in was founded in 2011 with the mission to provide gay men the opportunity for meaningful connections and since then has grown to 3 million monthly active and 15 million total users. They have just unveiled the addition of social profiles and a discover feature, which is available across the Hornet network on iOS, Android and the web. The addition of social profiles is the first time a gay social app has introduced follow and feed features, creating more opportunities to interact on a profile versus simply look at someone’s pictures. Here, you can find guys through the app that may have a similar taste as you when it comes to drinks, parties and other events and common interests. Not just a bum or bulge!

Every Wednesday, Saturday & Sunday: Buff

Buff, London’s longest running naked and underwear party, is on three times a week at The Backstreet, the UK’s oldest gay fetish club. Luckily the club’s ultra-strict leather and rubber dress code has been relaxed for these parties and facilities include a large darkroom, full bar, video screens, changing area and free coat check. The venue also has one of the only outside play spaces and smokers’ area in London, so you can stay naked outside (great for those balmy summer evenings). On Wednesday and Sunday it’s naked only, while on Saturday (except the first Saturday of the month) it’s still naked, however if you’re a little bit shy you can keep your pants on or wear sports or 91m kit! Naked Mates, Bateworld and London Jack-Off Group also meet here so as you can imagine, it can get pretty busy! On Wednesday, doors open from 7pm to 11pm, and on Saturday and Sunday it’s 6pm to 10pm.

6 MIRROR ARCH, 6A SOUTH LAMBETH PLACE, SW8 1SP

The clue is in the name - this is the best night if you want to get physical with the hottest, kinkiest men in town.

Hidden in the middle of Vauxhall, entered through a very unassuming entrance, Hard On engulfs you in its throbbing, sexy vibe and transports you into a whirlwind night full of "incredibly" hot men. The dancefloor was packed full of leather-, rubber-, sports- and harness-clad guys, dancing, cruising and grinding to rhythmic, pounding, thrusting sounds by DJs Brent Nicholls and Tony Latex. When the time came, the stage was taken by the stunning Spanish stars Marc Ferrer & Gabriel Luna, whose show got everyone so hard and horny that the play areas got rammed straight after. The smell of sweat and jizz mixed with poppers filled the play space and the darkroom; moans and grunts resonated through with the music and the sea of hot, hairy, sexy bodies moved along with it; making out, sucking and fucking - and that was just the start. Hard On is back on the 18th of March and you're already hard just thinking of cumming down joining this amazing night of filth.

MEET
MR LEATHER UK
2017

How did you feel when you were
crowned Mr Leather UK 2017?
To be honest, I was shell-shocked. I
didn’t hear my name being called
at first, so was wondering who had
won! It was only when I realised
that people were looking at me
that the penny dropped.

What made you enter the contest?
There’s a story about me entering
that many people don’t know
about. I actually entered in 2016
for a special reason. Back in
December 2015, three events
occurred that changed the course
of my leather journey. I nearly died
in a car accident on what should
have been the first night out in
gear unaccompanied. Thankfully,
I didn’t die but standing on the
side of the M4 in full BLUF for
an hour waiting for a recovery
man changes a person. Suddenly I
remember being obsessed with a
friend of my mums who was a biker
and would always be wearing a
black biker jacket. It was only when
I was 17 that I realised that it was a
sexual turn on for me.

What do you think of the current
state of the UK leather and fetish
scene? As a newcomer to the leather
community, I’m unlucky to have
missed out on some of the great
bars that have now been gone.
With the risk of losing furtherars such as The Backstreet,
I personally feel we need to
adapt as a community to try and
accommodate all of the various
leather tribes and fetish scene.
In other countries, a lot of gatherings
are not necessarily held in bars
so maybe that’s a model we could
follow. Also, the rise of apps has
meant that a lot of people don’t
need to go to a leather event.

How long have you been into
leather? I’ve been into leather for as long
as I can remember. As a child, I
remember being obsessed with a
friend of my mums who was a biker
and would always wear a
black biker jacket. It was only when
I was 17 that I realised that it was a
sexual turn on for me.

What are your plans for your title year?
I want to take leather to all of the smaller prides and show others that it’s fine
to cross their thresholds and wear their gear in public - it doesn’t have to stay
in the bedroom. I’d like to work with others to establish an annual national
fetish/leather pride that brings all of the diverse communities together to
celebrate our similarities and our differences. I’d also like to use the title to raise the profile on some worthy causes
that I want to support this year. Finally I will be competing
at IML (International Mr Leather) in Chicago in May
representing the UK. I guess I’ll also have to stop referring
to myself as the shy guy from the sticks!

How do guys contact and follow you online?
I’m on all social media as James
Leatherlad, plus I have a Facebook page
(Jamie Wake - Mr Leather UK 2017).
I’ll be attending all of the London
leathermen events on the 3rd Friday of
each month at The Eagle. Prides I’ll
be attending will be Oxford, Coventry,
London, Hull, Brighton, Warwickshire,
Manchester, Southampton and Reading
(Reading is my home pride which I’m
the founding member of and is the
largest free pride outside of a city).
Finally, I’m booked to go to Antwerp
Leather Pride, Easter in Berlin, Mr
Leather Poland and Folsom Europe –
plus even more events being added as
we speak!

What are the causes or issues that
concern you that you would like to
shine a light on whilst in the public
eye? The Albert Kennedy Trust is important
to me. I was homeless once and I was
very lucky to fall on my feet - sadly
there are those that are not that
lucky. GMFA are doing great work
surrounding ChemSex and I am
with them all the way. In conjunction
with the Reading Pride charity, we’re
establishing a local trust named after
my late husband which aims to support
young people in schools who identify
themselves as LGBT and create a peer
network for them.

Mr Leather will be appearing at venues across the UK this year.

The long hallways and big bedrooms of the halfway house give nothing to their overactive imaginations and highly charged libidos - after all, they have been locked away and unable to get their needs satisfied for years! Calling in for some fresh meat, Jack Green takes us on an adventure through the inner workings of the halfway house with journalist Gabriel Phoenix eager for a scoop on sexual predation. Finding out it’s the boys who are calling the shots, Gabriel loses his patience and is ready to leave, but one question remains, and Jack is more than happy to give him, and you, all the details he wants.

Bleach blonde bad boy Charley Cole splits apart slim, smooth lad Billy Rock's peachy arse, before they both blow hot spunk across the foldaway bed!

Dangerous, stubbly daddy Dave London takes tiny twink Lucas Phelps hard on the bottom bunk of his halfway house bed. But don't be fooled, little Lucas takes big Dave's cock like the good boy he is, every inch.

Bearded muscle cub Matt Anders spreads his meaty thighs for sexy fucker Jack Green, getting the pounding he's been dreaming of since he got out of jail!

Journalist Gabriel Phoenix finally gives in to temptation and surrenders to Jack Green's laddish charms, getting the full scoop, as well as the full fuck from Jack's throbbing cock.

Gladiators, ready photographer Piero Pompili has spent the last fifteen years capturing images of the world of boxing in Rome and Naples. From the gyms of the borghata to the catacombs where the ancient gladiators prepared for their fights. The source of this fascination was a childhood spent in the Borgestiana (a local community in Rome), where he was born in 1967. Boxers were part of the everyday landscape, and Pompili developed a deep attachment to these epic heroes who fought daily in his city. Gladiatori Moderni is a collection of stunning black and white images featuring these powerful men in moments of rest, contemplation and reflection, as well as training and preparation. An awesome addition to any collection, this is not to be missed.

Gladiatori Moderni will be available from brunomuender.com in April 2017 for £59.99.

ELECTRASTIM LOOPS

THERE’S A BRAND SPANKING NEW PRODUCT FROM REVOLUTIONARY PURVEYORS OF FILTH AND FETISH, ELECTRASTIM!

The Prestige Electraloops are much more than your average cockring. They’re turbocharged cockrings! Cockrings reloaded. Imagine Keanu Reeves wearing nothing but that coat from The Matrix, and a Prestige Electro-Sex Cock Loop. Hot.

As the name suggests, electricity is involved. There’s a 2mm connection socket in embedded in it, which gives off a small but stimulating electric charge for your intense pleasure! It can be controlled via the ElectraStim Stimulator, a handy remote (sold separately).

The loops themselves are stylish, comfortable and easy to use! They’re made of rubber, so they’re flexible, and also adjustable up to 60mm in diameter, using a coloured aluminum adjuster. AND, the adjusters come in a range of three different colours; red, silver or gold! Which one would you choose? We’d go for gold. How glam!

Anyway, they’re perfect for both newbies or connoisseurs of electroplay – for less experienced people, they’re a great starting point, and for seasoned electroplay adventurers, they’re a fun casual toy!

DO YOU WANT A CUM EXPLOSION?

MASTURBATION TOYS CAN BE VERY PRICEY... BUT DO YOU REALLY KNOW WHAT YOU'RE PAYING FOR? A LOT OF THESE WANKING TOYS ARE VERY SIMILAR, SO IT CAN BE TOUGH TO FIGURE OUT WHICH DIRECTION TO THROW YOUR CASH IN. THIS WEEK I’LL INTRODUCE YOU TO AN AFFORDABLE OPTION, IN THE SHAPE OF THE ELEGANTLY NAMED ‘CUM EXPLOSION’ MASTURBATORS AT CLONEZONE.

This £24.99, hand-held wank toy comes in two options: ‘The Mouth Gobbler’ or ‘The Hungry Ass’. Each is made from lifelike pale flesh material that’s been aptly named Love Clone. This flesh-like material warms to the touch, is super soft and has a plump feeling.

The Mouth Gobbler features a pouty mouth at the front, which you stick your dick deep inside of (without it gagging or complaining) reaching into the tight, textured canal. This option comes in sexy see-through blue.

The Hungry Ass features a peachy anus and comes in a black plastic container with easy-grip ribbing. The peachy Love Clone material works beautifully with water-based lube, creating a tight and wet clench, similar to a clenched anus or gripped wet lubed hand.

This tight tunnel grips every inch of your shaft and head, grinding your pleasure spots to instant satisfaction. It has the consistent tightness and suction inside that mimics a tight hole / throat. Fucking through is easy, though you do feel a bit or resistance due to the channel of air being blocked. You can combat this by screwing the end off.

Why does the end screw off? There are two reasons for that: the first being for suction control during fucking the toy, the second being so you can clean the CUM EXPLOSION through and allow drying.

The Cum Explosion is one of those toys that I’ll always recommend. It doesn’t come with bells and whistles; it doesn’t spin or need to be recharged. Simply squeeze some lube on your shaft, its tight hole and grind it up and down your boner until you reach an explosion of your own.

The internal sleeve is easily-removable for a hygienic clean; you can easily pull the sleeve out by gripping the base of the tapered sleeve head. Take advantage of the sleeve when it’s out of the casing too by using it as a wank sleeve. It pops back into place easily, with the shape sliding back into its spot with little-effort.

Masturbating with this men’s toy is simply and smooth due to its lightweight shape. As its only 6 inches in length, you can easily hide this bad-boy away when playtime is over.

The Cum Explosion comes with a silky carry-case and a free-sample of water based lube. The case assures discreet storage and the lube sample means you can play straight away.

THE CUM EXPLOSION IS ONE OF THOSE TOYS THAT I’LL ALWAYS RECOMMEND

Features:
1 x Sachet of ASTROGLIDE Water Based Lube
1 x Silky Discreet Carry Case

Cum Explosion Dimensions:
Length - 17cm / Width - 8.5cm / Diameter - 8cm

The Cum Explosion is available online at www.clonezone.co.uk for £24.99 with FREE U.K. shipping and in Clonezone stores nationwide.

Bennett Anthony is one of the stars of High n’ Tight, and he certainly fits the bill! Look at that gorgeous fuzzy pert arse! We love a vivacious redhead here at QXMEN (not you Nicole Kidman, sit down). No but seriously there’s sometimes nothing hotter than a slutty ginger guy with come to bed eyes. Phwoar!
