WELCOME... TO FEBRUARY'S ISSUE.

Welcome to February's issue of OXMEN. Some say February is worse than January. The weather's appalling, Valentine's Day makes us all pine for that special someone, and that credit card bill from Christmas still hasn't been paid! Well, if you're staying in, there's nothing better than a dirty DVD or two to wile away those chilly nights. The latest one from Triga delivers the best of British with 'Bouncers'. For those into sartorial sleaze, Men At Play's new follow up 'Executive Pleasures 2' will have you staining your best pinstripes. Check out their website too. Titan goes surfer dude with their new release 'Breakers', but these guys spend more time up each other than waxing their boards. Collin O'Neal (lucky bugger) continues to travel the globe in his unrelenting search for the planet's hottest guys in his 'World Of Men' series. This latest offering comes from Santa Domingo.

Michael Lucas hilariously rips off Ugly Betty in 'The Intern'. Instead of Mode Magazine the action's set in Trojan Films, a XXX studio, starring hugely hung Ben Andrews (this month's centrefold) as "Ugly Benny" complete in geek-chic attire. Known in the industry for being a bit of a diva, Lucas had me howling with laughter with his portrayal of uber-queen-diva company boss. It's good to see that, after that somewhat insensitive suicide publicity stunt, he can bounce back and have us all laughing. But it was the 6-disc set 'Grunts' that had the OXMEN office buzzing. Costing a quarter of a million dollars to produce, the 3-film, 9-hour, army-themed epic (with an additional 10 hours of extra footage) has truly raised the benchmark. This month, writer Hayden Bridge explores GAIKISS, the organisation that is attempting to establish a proper code of practice within the gay porn industry in the UK for models and producers. And Valentine's Day? Still not got someone to share it with? Why not take solace in one of the new lifelike Falcon dildos from Clone Zone or something from Prowler's new Nexus range!

BOUNCERS

PRODUCTION: TRIGA

VIDEO
REVIEW

YOU'VE WORKED HARD ALL WEEK AND IT'S NOW FRIDAY NIGHT. ALL YOU WANT TO DO IS LET OFF STEAM AT

YOUR LOCAL CLUB. BUT GETTING BUSTED BY FOUR BEEFY BOUNCERS IS PROBABLY NOT THE BEST WAY TO BEGIN YOUR WEEKEND. OR IS IT?

Dragged into the back room, the unlucky punter gets forced down onto the ground and surrounded by the cropped, skinned, inked and pierced hard men. Each one takes his turn to stuff his cock into the throat of the bad lad. As the action heats up the Bouncers turn to each other: deep snogging and spitting with balls and tits getting roughly worked over. With his slapped arse now red and raw and aching for a pounding the bouncer buddies "spit and shove" one after the other. The lad takes poppers to help ease his pain, but judging from the donkey dicks on this tag team of bruisers... you know it's gonna hurt. Not wanting to be left out, one of the bouncers offers up his hole for his mates, and they happily oblige. After fucking and sucking the guys dump their loads on one of their gang. And he's loving it!

It's now Saturday morning and two of the bouncers are doing a final sweep of the club. They find a trashed scally boy in the cottage and it seems the only way to get his attention is to force-feed him their cocks. A horny punter joins the action and three becomes four. They move into the venue and a third bouncer joins in and then another. The four bouncers grow bored of sucking cock and all the attention turns to the holes of the lads, taking turns to fuck the be-jesus out of them. The session ends with cum everywhere, with the two punters savouring every drop. The final scene is a solo wank from a big burly bouncer in the back of the club. His imagination no doubt fuelled by the earlier action. This is Classic Triga: Hard nut geezers fucking sexy scally boys. The best of British!

EXECUTIVE PLEASURES 2

PRODUCTION: MEN AT PLAY

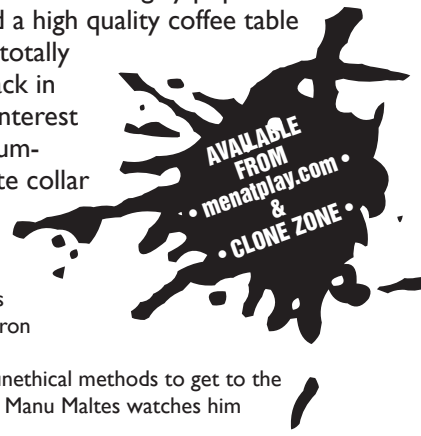

Men At Play have taken sartorial sex to a whole new stratospheric level. Recognising that men in suits are a major fantasy for so many guys not only have they come back with this, the follow-up DVD to the hugely popular Executive Pleasures I, but they've also produced a high quality coffee table style photobook. The website Menatplay.com is totally dedicated to the suit fetish and was launched back in 2002. The reaction to this previously untapped interest was overwhelming. Five years on, hundreds of cum-stained suits later and with a huge stable of white collar hunks on their books, Menatplay is at the very top of its game.

The action unfolds before the office, with French muscle stud Anthony watching sexy gardener Cameron. Anthony's cock is aching for release and he decides to invite Cameron indoors to pay him his weekly wage.

Vice President of the company, Edu Boxer has used unethical methods to get to the top of his game. Intent on dishing the dirt on Boxer, Manu Maltes watches him like a hawk and finally, his vigilance pays off.

All Menatplay recruits have to undergo the company medical. Dr Richard is more than happy to oblige with a thorough examination.

And in this case the gloves don't come off: they go on, and Carl gets to enjoy all the toys in the doctor's drawer.

With his photographic evidence Manu confronts Edu. With his position as Vice President in jeopardy the shoe's now on the other foot and Manu asserts his new authority, right there on the desk.

In a daydream sequence office boy Miguel begins to fantasize about his handsome supervisor Dean Monroe, bringing to life Miguel's pinstriped fantasy. After a lunchtime workout in the local gym Antonio showers and is heading back to the office. Carl's getting undressed as Antonio's chunky, tantalizing meat hangs inches from his mouth. As Antonio dresses, Carl undresses and soon a nearly naked Carl is getting pummelled from behind by a full suited and booted Antonio.

Bonus scenes include Anthony's photoshoot, Antonio's solo and Menatplay's out-takes. Top notch white collar fucking.

MEN AT WORK 2 MEN AT WORK 2 MEN AT WORK 2

PRODUCTION: ALPHAMALE MEDIA, DIRECTED BY: MAXWELL B

MEN AT WORK 1 BROUGHT THOSE ON-THE-JOB FANTASIES TO LIFE BACK IN GOOD OLD BLIGHTY. PART 2 TAKES US OFF TO SUNNIER CLIMES TO GRAN CANARIA.

In scene one, Carlo Cox arrives to give Butch Grand his rental car and is quickly invited in. The two muscle bound, hairy hunks linger on the foreplay before the arse pounding, savouring the taste of each other's cocks and arses. Carlo licks Butch's gaping hole, preparing it for the hard fuck it eagerly anticipates. Butch rides Carlo's cock like it's a bucking bronco!

In scene two, policemen Marcus Troy and Dean Silver are investigating a break-in. Soon they're investigating each other's rampant hard-ons concealed beneath their uniforms. Marcus grinds down on Dean's big black cock, his hole engulfing the cock right to the short and curls. Dean pumps until both policemen shoot their thick loads.

Resort workers, Martin Mazza and Steve Cruz, begin scene three by blatantly cruising each other. Both hairy dudes are soon stripped off and on their knees, taking turns to suck each other's cock and balls. Steve slides his massive dick all the way into Martin in one smooth, slick movement. The scene ends with Steve shooting a massive wad all over Martin's face.

In the final scene, Dillon Buck and Dean Monroe are late for their bar shifts, but that does not stop them continuing their fuckfest in the bar. Boss Hannibal whips out his rock hard dick and wanks as he watches. First Dean offers up his cock and ass to Dillon, getting them both lubed up. Dillon slips his perfectly formed cock into Dean's pucker, stretching it wide as Dean's insatiable hole pushes greedily back onto it.

the INTERN

WWW.LUCASENTERTEINMENT.COM

DIRECTED BY TONY DIMARCO

If you think a job as an intern (in the UK we call it "work experience") is being the office dogsbody and doing those menial tasks fit only for a brain-dead automaton, think again. When you're an intern in a gay adult entertainment company you're daily chore list could read: "get coffee, do photocopying, answer phones, type emails, stock up on lube, get fucked in the stationary cupboard!"

Ugly "Benny" complete with geeky attire manoeuvres his way through the wild and wacky offices of Trojan Studios with its all star cast. But Ben hides a secret, he hides a huge talent in his pants!

AVAILABLE
FROM
• PROWLER •

In the first scene, Ben is shunted into a porn casting by accident by Michael Lucas who hilariously plays uber-diva boss Alexander Mann. Lucas's assistant Christian Cruz apologises for the mix-up and hires Benny on the spot. Benny's first day on the job sees him assisting on a chaotic shoot with Jonathan Vargas and Jason Ridge. As Vargas and Ridge suck cock, flip-flop fuck and take on a huge double-ender, Cruz notices the massive bulge in Benny's trousers. In the company stockroom Jimmy and Zack Randall are talking pussy while stacking boxes of liquid aphrodisiac. A box smashes on the floor and the "straight" guys develop an instant attraction to each other. Zack discovers a talent for sucking his own dick while sucking Jimmy's at the same time.

Delivery guy Matt Cole brings Alexander (Lucas) the oversized dildo prototype and reveals his ambition to be in the movies. The audition takes place there and the n and an exclusive contract is negotiated.

As Benny daydreams, assistant Cruz "accidentally" spills water on Benny' crotch. Soon Cruz is on his knees with Benny's big one in his mouth and then in his ass. He laps up Benny's cum with gusto.

Christian can't wait to reveal his gargantuan discovery to his boss, and soon Benny is cast in his first porn scene with hot model Derrick Hanson (this month's cover star). And voila! A (porn) star is born! Or should that be "a star is porn?"

Bonus scenes include a duo with Ray Star and insatiable Christian Cruz and a further piss scene with Michael Lucas and twink Zack Randall.

CAZZO'S MEN FACTORY

REVIEW
POORN

Cazzo is synonymous with hot, hung German hunks. As one of the first independent German porn producers, the European gay porn industry would be impossible to imagine without their contribution. Titles like Sex Pigs, Sex For Sale, Berlin Sex Life, Pur and Berlin Army Dreamers should be a part of any discerning collection.

Dirty, industrial backdrops provide the setting for the photographs. Stark and distressed, the peeling paintwork and cracked tiles work in cool juxtaposition with taut, muscular bodies, flesh tones and hard erect cocks. You know that these guys aren't going to treat you to tea and cakes, they're gonna fuck you, hard!

Cazzo Film Berlin was founded in 1996 and has become one of the biggest and best known European gay production firms and has become known for rough, hard sex. This is Cazzo's first photographic collection. Hardcover, with 80 pages of full cover, it's a must, not just for admirers of Cazzo Films, but for admirers of horny German men everywhere!

BAREBACK PANIC!

FUCKING FOR THE CAMERAS HAS BECOME MORE DANGEROUS THAN EVER. HAYDON BRIDGE TALKS TO THE PEOPLE WHO ARE TRYING TO MAKE IT SAFER

LATEST!

EVER HAD A FANTASY ABOUT GETTING DOWN AND DIRTY IN FRONT OF A CAMERA? NO? LIAR. "EVERYONE HAS IT," SAYS CHRIS JAMES, 26, VETERAN OF 15 PORN FILMS INCLUDING PACKAGE HOLIDAY AND SEX IN THE CITY. "IT'S COOL TO BE A PORN STAR." OR IT USED TO BE. CHRIS IS THINKING OF RETIRING FROM PORN. ALL HE GETS OFFERED IS BAREBACK SCENES. HE DOESN'T HAVE UNSAFE SEX IN HIS PRIVATE LIFE ("IT'S SOMETHING I GREW UP WITH.") SO WHY SHOULD HE DO IT ON FILM? ESPECIALLY NOW THAT PORN ACTORS ARE CONTRACTING HIV ON BRITISH FILM SETS.

When Chris read the report in QXMEN (November 2007) that at least four actors had been infected with HIV, he wasn't surprised. "I knew that was gonna happen," he admits. "People talk. You know, so-and-so's got such-and-such, but they're still doing films." Now the truth can be told that HIV and AIDS in British porn is far more widespread than anyone assumed last year. "I think you'll be shocked," says director Steve Brewer, 44, whose (safer sex) movie, *Supersize*, won Best Gay Film at the 2007 UK Adult Film and TV Awards. "Three years ago I knew maybe three or four models who were HIV+. Up till today, that number is now 51. That's how quickly it's happening. And all bar a couple, most are under 25."

There's no suggestion that all these cases derive from bareback porn. But the fact remains that HIV is more prevalent in British gay porn than the industry has acknowledged, and also that some studios have made little effort to contain it. Although he gets tested regularly, Chris maintains that only once has he been asked by a producer for his HIV- certificate. Outside of the retail industry, in the murkier world of internet video, there are even less controls. If your picture is on Gaydar, you're pale and skinny and you look young, there's a chance you'll be contacted and offered £80 for a bareback shoot. Without intervention soon, the gay porn business could be facing a health crisis.

Fortunately Steve Brewer has decided to intervene. Photographer Steve is creative director of the media production company, Freshwave, formed in 1999. He produces gay porn with higher-than-average aspirations. His favourite of his movies is *What Goes Around*, a scorching version of Arthur Schnitzler's classic play *La Ronde*. His roster of more than 150 models, strippers and go-go boys has included Michael Cheshire, briefly a *Big Brother* housemate in 2006. Steve has never produced anything involving unsafe sex and says he's looked at the growing bareback phenomenon with horror. Last year, when he picked up his *Supersize* award, he thanked the judges for honouring a film that didn't resort to bareback. After the ceremony, a fellow producer, Corolo's Christian Marshall, came up to Steve and said, "I'm glad someone had the guts to say that."

When Steve went for his own test at the GUM clinic at Charing Cross Hospital, he contacted Indigo, the service for people working in the adult entertainment industry, and found that only abortive attempts had been made to establish industry guidelines. When he said to Christian, "We need someone to take this on," Christian replied, "Are you going to do anything about it then?"

In January Steve and Christian, in collaboration with Indigo, launched Gay Adult Industry Keeping Its Sex Safer (GAIKISS) with a view to formulating a Code of Practice that will provide greater protection for gay and bisexual porn actors.

First to lend his name to the campaign was Kieron Knight, who's just the kind of porn newcomer that the GAIKISS Code could help. "I'm not really into normal jobs. I couldn't sit in an office. It would bore me shitless," says Kieron, 19. "I wanted something different, quirky." He knew he was an exhibitionist, thought he'd enjoy porn and, at 18, moved from Manchester to London and started applying for auditions. Luckily the first response came from Steve, who saw that Kieron had the right attitude, unlike some other wannabes.

"Although most of the guys are level-headed and realise the full implications of the job, some have no interest in the sex. They're in it just for the money; they've been dumped by their boyfriends and want to show them they've made a mistake; they want to get back at their parents," Steve suggests. "Usually these guys aren't the brightest in the bunch. They're people with a poor education, and when a producer says that bareback isn't dangerous, they're easily led. They want the money and they can earn in a couple of hours what they get in a week collecting glasses. It's particularly these that the industry has a duty to help." Kieron, on the other hand, seems to have his head screwed on properly. He remembers his first solo: "It was nerve-wracking. I thought, 'Oh, my God! I'm doing it! It felt a bit surreal. But I really enjoyed it. This may sound odd, but I think it was because I had an audience. It made me feel better about myself. I always knew I could do it.'" Kieron, who can now be seen in *Boot Boy Brawl 5*, has two more movies, *Seven Deadly Sins* and *Project Big Boy*, due for release. He also performs with stripper, *College Boy*, as part of the duo, *Rough Trade*. "The act's quite raunchy so there are places that won't let us go there," Kieron warns. How raunchy? "He fucks me on stage," he replies candidly. "It's simulated, but it looks realistic." (*College Boy* is also a GAIKISS supporter).

Steve is also a realist about what GAIKISS can achieve. Privately he's specifically concerned about *British* gay porn. "The industry uses strippers and barmen that some people might know," he explains. "I'm very aware that sexually active guys of 18 to 20 are watching people like themselves and I believe that could have an effect. It's not like watching Hungarian soldiers. They see these guys they've seen in bars and they think, 'HIV can't be that serious.'" Equally Steve knows that, if GAIKISS says, "There should be no bareback porn in any shape or form," big-name studios won't sign up to its Code of Practice.

The GAIKISS website (www.gaikiss.org.uk) has been put together by a sensible team of porn producers and health experts. (Steve's in both camps because he has a degree in microbiology). Unlike the heading to this article (we wanted to make sure you read it!) the site is resolutely non-hysterical. It points out that porn with condoms poses no greater sexual health risks than those in society in general. But it insists that, if some of the public wants to see unprotected anal sex on DVD, then minimum safety requirements must be put in place. GAIKISS proposes that "producers should always make decisions with the health of their models as their prime consideration." It wants monthly HIV testing to be mandatory. This would bring the gay adult industry into line with its hetero counterpart, which always has had much more rigorous health care. Chris James, who's worked in bisexual porn, confirms, "If a straight guy's test is a few days out of date, they say, 'No, you're not working.'"

Steve surmises that, if the gay porn business doesn't clean up its act voluntarily, the law could step in. "If you're working with blood-borne diseases, you have to protect yourself. If there was an accident in hospital, it would be prosecuted," Steve observes. "I can imagine a test case in which a model says he wasn't warned about the risk of HIV. There's a very good chance the company would face charges." The adult industry may be losing ground to Internet porn, but it still generates millions of pounds for its producers. Surely the last thing they want is a high-profile court case that threatens their earnings. It needn't come to this. GAIKISS is not a panacea, but it's a step in the right direction. "If it stops one person catching HIV," Steve says, "it'll be worth all the effort."

GRUNTS

PRODUCTION: RAGING STALLION STUDIOS

DIRECTION: CHRIS WARD AND BEN LEON

HERE AT QXMEN WE LIKE THINGS THAT COME IN BIG PACKAGES AND THIS LATEST RELEASE FROM RAGING STALLION TOPS THEM ALL. GRUNTS IS AN EPIC PRODUCTION. IT FEATURES A HUGE TWENTY ONE-STRONG CAST, OVER FORTY ACTION SCENES, AND SPANS OVER NINE HOURS! GRUNTS IS SPLIT INTO THREE FEATURE FILMS: "GRUNTS: THE NEW RECRUITS"; "GRUNTS: BROTHERS IN ARMS"; AND, "GRUNTS: MISCONDUCT". THE ADDITIONAL THREE SPECIAL FEATURE DISCS COMPRISES AN EXTRA TEN HOURS OF MATERIAL!

**VIDEO
REVIEW**

Please don't be fooled into thinking this is another (extended) military movie pastiche. Yes, we've all seen those farcical films where the director throws up some chintzy camouflage print netting, gets the guys to "butch it up" and squeeze into some ex-Army surplus gear and dog tags, and barks "drop and give me twenty soldier". This is NOT those kind of films.

Raging Stallion spent \$250,000 and several weeks shooting on location in California with RS's hottest

Exclusives, top performers and some new recruits, ex-soldiers with real military experience! The result is the

gargantuan Grunts, the biggest gay sex DVD ever, a testament to and culmination of the wealth of work produced by legendary Director Chris Ward, and a stratospheric springboard for Director Ben Leon.

Even if the whole military theme is not particularly your bag, this grandiose collection features some of the hottest sex, incredibly sexy men and the production is second to none. And it goes without saying you get more for your money when you buy the six-disc set than you do if you buy the films individually. Go on, treat yourself, you will not be disappointed!

GRUNTS

THE NEW RECRUITS

BOOT CAMP IS WHERE REGULAR GUYS ARE TRANSFORMED INTO BRUTAL, DRIVEN MACHINES. ABUSE IS THE PENALTY FOR FAILURE AND EXPECTATIONS ARE HIGH. FEW CAN ENDURE THE RIGORS OF THE INTENSE TRAINING. RELYING ON EACH OTHER FOR THEIR VERY SURVIVAL, MALE BONDING IS PARAMOUNT TO THE UNIT'S COHESION. IT'S THE JOB OF THE DRILL SERGEANT TO TAKE THE GRUNTS THROUGH THEIR TRAINING UNTIL THEY LEARN THE SKILLS TO SURVIVE IN BATTLE.

After a long, hard day of training hopelessly inept recruits on the obstacle course, Sergeants Ricky Sinz and Roman Ragazzi turn to each other for release. Roman is soon on his knees, before giving up his ass to Ricky who fucks him aggressively over a pile of artillery shell boxes. Roman Ragazzi (ex QXMEN cover star) gives a stand-out performance.

Max Schulter (see interview on page 38) is exhausted after long hours of marching drills, but still finds the energy to knock one out in a secluded corner of the base. Max strokes his uncut cock and plays with his pucker before shooting his wad on the ground.

Later on Max and Steve Cruz are drinking the evening away. Alcohol breaks down their inhibitions and both men are all over each other. There's no oral foreplay. Max gets straight into fucking Steve, loosening him up with a beer bottle.

Back at the barracks, the guys are hanging out. The heat is intolerable and the guys are stripped down. The sexual tension builds to breaking point and as one soldier touches another a sensational five-man orgy erupts between River Fiasco, Kamrun, Mason Garett, RJ Danvers and Justin Christopher.

Sergeant Sinz turns up just as Kamrun blows his load over Mason's face. He busts Mason for misconduct and takes him aside for a personal pounding, stretching Mason's pink hole. Sinz then moves on to River, who sits down on Sinz's shaft. RJ Danvers is next and his hairy butt engulfs Sinz's pumping piston. River returns to ride Justin's massive 10-incher. RJ also wants a piece of Justin. And after a near-perfect fuck, RJ swallows Justin's load – finally satiated. But Ricky still needs one more release and in the jeep he fucks himself with a big black dildo and then with an AK-47!

As the sun rises RJ is still horny. He shoves a flashlight up his ass until he shoots. In the final scene Jake Deckard and Roman play out a monumental scene showcasing why this pair are top calibre stars. We reckon this scene will most certainly be up for awards!

GRUNTS

BROTHERS IN ARMS

BROTHERS IN ARMS IS THE REAL STORY BEHIND THE DEVELOPMENT OF THE "GAY BOMB". A STORY TAKEN STRAIGHT FROM THE PAGES OF THE NEW YORK TIMES. IT'S ALSO THE STORY OF TWIN BROTHERS, PLAYED BY STEVE CRUZ AND ORLANDO TORO.

THE CHEMICAL "HYPOSPASTIC NITRATE" TURNS STRAIGHT MEN GAY, AND IT'S THE GRUNTS THAT ARE THE GUINEA PIGS. SERGEANT HOULE (DECKARD) INFORMS PRIVATE STEELE OF THE EXPERIMENT TO EXPOSE THE TROOPS TO THE CHEMICAL. BUT JUST TO MAKE SURE STEELE IS UP FOR THE JOB HOULE GIVES STEELE THE ONCE OVER. ANOTHER BLINDING FUCK SCENE WITH DECKARD ON TOP.

Sgt. Houle then takes the platoon out for combat training. At the end of a long day the twins go their own separate way for solo action.

The next day trouble's brewing. The soldiers have pissed off Sgt. Houle. Tonight is the night they get dosed.

Under patrol leader Steele the guys set up camp and are soon under the influence of the drug, crazed with lust, rampant and animalistic. It's a frenzy of cock-sucking between Victor Steele, Steve Cruz, Orlando, Toro, Trey Casteel, Antonio Biaggi, Kamrun, Luke Hass and RJ Danvers. Biaggi's 11-inch horse cock is the centre of attention! Soon Cruz and Casteel are fucking wildly. Toro fucks Kumran. A three-way between Steele, Hass and Danvers breaks out just as Toro cums. Aaron Summers joins the melee. Gagging on Biaggi's schlong before offering up his hole to the monstrous man meat. But the drugs make the soldiers insatiable and even though he's blown his load Biaggi wants more, joining Trey Casteel and Billy Berlin for a three-way with Billy as a bottom for two rampant tops. Still hungry, Billy then pairs with Steve Cruz, who delivers a great performance as top.

When Billy has shot his load, Cruz turns to his "brother" Orlando. The guys look so incredibly alike you have no idea who's sucking who or who's kissing who. But it's apparent that Orlando is the big brother when he tops Cruz.

As dawn breaks, the troops decamp and return to base: none of them really sure what happened during the night.

GRUNT'S MISCONDUCT

LIFE IN THE ARMY IS ROUGH AND DEMANDING. CAMARADERIE COMES INTO FULL PLAY ON THE BATTLEFIELD AND IS REINFORCED IN THE DOWNTIME DURING REST AND RELAXATION. THE FINAL INSTALMENT IN THE TRILOGY FOLLOWS THE MEN THROUGH MORE VIGOROUS TRAINING BUT STAYS WITH THEM DURING THEIR TIME OFF.

Dominic Pacifico is relegated washing a filthy jeep late at night. Sgt. Sinz demands an impromptu inspection. Dominic lowers his fatigues and spreads his cheeks for the aggressive fucker.

Next morning the Grunts are subjected to futile exercises designed to break their spirits. After hours of training the men receive a well-deserved afternoon off. As the soldiers relax in the rec hall the games soon turn sexual. Brodie Sinclair brags about his past conquests and gets Max Schuler turned on. Brodie gets his dick sucked by Max who offers up his ass in return. Luke Hass joins in and, when Brodie shoots his load over Max, Luke takes his turn as top dog. Brodie watches and blows another load before Max and Luke continue their long, hard fuck session.

Next day, Sgt. "Hole" (Deckard) drills the soldiers extra hard. So when they get a chance to wind down every moment counts. Jay Mack and Aaron Summers' game of pool quickly spirals out of control into dick sucking and fucking. Aaron bangs Jay over the couch and is almost screaming as the huge tool splits him.

Rafael Alencar and Luke Hass undress, Dominic becomes the bottom, servicing both dicks on his knees, before attempting to take both at once, but settles for an energetic round of switch-hitting from these two super schlongs.

Later in the night, Luke is found sleeping in the storage tent. Sgt. Ragazzi demands an explanation. "Sgt Hole (Deckard) hates me, he calls me cocksucker", laments Luke. Ragazzi picks up on this title and forces Luke down on his dick, before revealing his own predilection for cock, worshiping Luke's huge dick, giving the junior soldier pleasure, not punishment, offering up his hairy hole for the rampant fucker.

Back at the rec hall, Sgt. "Hole" is living up to his name, fucking the hell out of Trey Casteel when Sinz returns. The two Sergeants take control, abusing bottom Trey in a scene that will have you thinking "Was Trey completely compliant?" It's called acting. But it's an amazing scene and the overly aggressive tops leave Trey bruised, beaten, but satiated.

MAXIMUM EFFECT

QXMEN chats to **MAX SCHULTER**, star of Raging Stallion's 'MIRAGE', 'BANG THAT ASS' and the latest incredible three-movie release, 'GRUNTS'.

AGE: 26 **HEIGHT AND WEIGHT:** 1.81m, 75 kg **DICK SIZE:** 17 cm

WHERE ARE YOU FROM? Argentina

WHERE DO YOU LIVE NOW? Buenos Aires

HOW MANY FILMS HAVE YOU BEEN IN? Around 21

HOW DID YOU GET INTO A PORN? I filled a model request for Raging Stallion

WHAT DO YOU DO WHEN YOU'RE NOT DOING PORN? I worked for my parents' business, and then as a waiter when I moved to Buenos Aires. At the moment I am working on an industrial design related project.

WHAT WAS YOUR FIRST FILM AND YOUR FIRST SCENE?

WAS IT DIFFICULT TO PERFORM ON CUE FOR THE CAMERA? My first scene was in the movie Tango City, but that was very amateur. I consider my first experience ever in the RS movie Bang That Ass. At first I was anxious, and then I was excited. I did it without any difficulty – you can see proof of that in the film!

DO YOU GET RECOGNISED FROM YOUR FILMS? Yes! in Argentina everyone knows Black Scorpions from Dionisio. In Brazil a lot of my clubbing friends often say "I saw your movie, I loved it."

ARE YOU NATURALLY HIGHLY SEXED? HOW MANY TIMES A WEEK DO YOU HAVE SEX?

Yes I'm scarily sexual. I'm addicted to sex! In a week I'll have sex four times, but when I'm on vacation, like in Brazil, the number doubles that.

OUT OF TEN, HOW DO YOU RATE YOURSELF? I don't think be able to rate myself, but my boyfriends always say I'm the best... so I think a 10.

WHAT'S IS YOUR FAVORITE POSITION? I like upside down!

WHAT'S YOUR FAVORITE FANTASY? I don't have any fantasy. I have done them all, even having sex with hetero men in the movies. The best part is that I didn't pay them.

WHAT KIND OF COCK DOES IT FOR YOU? I like big and thick... and with a big head, that's very important.

RAGING STALLION SHOOT ON SOME INCREDIBLE LOCATIONS.

WHAT'S BEEN THE BEST SO FAR? The best location was in Santa Margarita. We had a great crew and had fun with the models and the crew. Everyone treated me great. It was a great pleasure to work with [Director] Chris Ward.

IF YOU COULD CHOOSE ANY GUYS FROM THE RAGING STALLION STABLE TO HOOK UP WITH WHO WOULD THEY BE AND WHY? Well that's very easy: Francois Sagat, Remy Delaine and Barrett Long. It's obvious why.

WHO IS THE BEST TOP IN THE BUSINESS? In my experience, Rafael Alcarar

HAVE YOU GOT A PARTNER AND, IF SO, WHAT DOES HE THINK OF YOU DOING PORN? I had a boyfriend but it's very difficult because they never understand [porn] is a job, so we broke up.

BESIDES YOUR AMAZING ASS, WHAT'S YOUR BEST FEATURE? I like my legs.

WHAT DO YOU DO TO RELAX AND UNWIND? Turn off my mobile phone and sleep.

TELL US SOMETHING ABOUT YOURSELF THAT WOULD SURPRISE QXMEN READERS. I was Mr Gay Argentina, but it was a big controversy that I was a porn actor. So I quit my title and a friend took my place.

Thanks to Pepe for translating.

COCK BYTES

by Brent Nicholls

IN THIS MONTH'S COCK BYTES IT'S ALL ABOUT THE CUM. THAT'S RIGHT, THE JISM OF LOVE AND THE JUICE OF LUST: HOW TO GET IT, WHERE TO CRUISE IT, WATCHING IT, HAVING IT IN, ON AND AROUND AND GETTING IT FOR FREE!

www.feedthathole.com

Feedthathole.com is a website that comes with a warning. "This website contains images of naked men engaging in sex acts". Of course for us that's like waving a red flag to a bull, a twelve incher at a size queen or a pair of Jimmy Choo's at a tranny... just let us in! Prompted by flashing slogans, "get a little in ya, get a little on ya", we're taken on a tour of the website. The site contains exclusive video content, an assortment of galleries and a model gallery. Feedthathole.com has no qualms about letting the site visitor know this is all about the cum with "no cum shot ever going to waste" and with models choking, gagging and slobbering their way across your screen. The site also offers downloadable video that's DRM (digital rights management) free. Obviously a lot of the sex suggested is not exactly safe. However it is consensual so leave your judgments for yourself. This is a members' site, so a subscription is required to get a full load, and joining will also give you access to www.barebackthathole.com where raw cock meets empty hole, apparently. If you like your sex raw, nasty and full of that protein enriched stuff then feedthathole.com is for you!

www.squirt.org

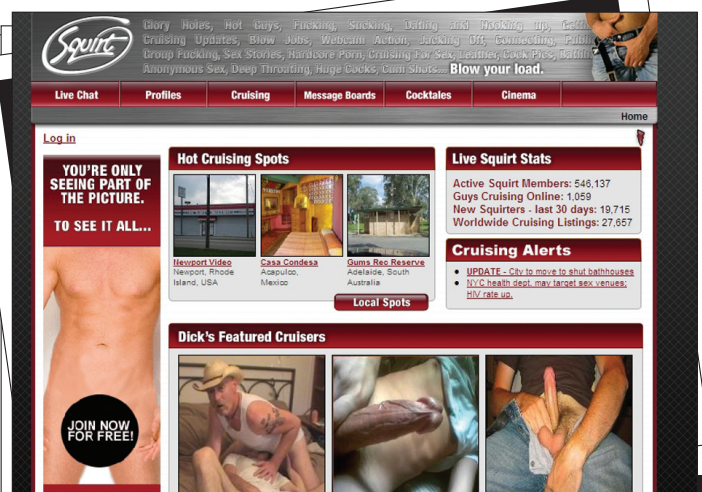

In short, "Squirt is a community built by guys who cruise for sex with other guys". Yes, it's about the hunt for cock. **Squirt.org** is the latest site to join the hunt, the website's name basically getting down to the point of what the site is about. At time of reviewing it, the site boasted over 500 000 active members - so that's a lot of juice to be squeezed. Squirt offers a variety of services that includes the ability to create a profile, live chat, video chat and streaming, message boards and personal stories called Cocktales. Perhaps its unique selling point is the inclusion of 20,000+ reviews of real world cruising grounds. You are given the location of the cruise area as well as any warnings or points you should be aware of. If cruising grounds are too last century then the extensive on-line profile offerings can be searched for by location to find guys in your own area via the safety of cyberspace. The site is free to join, so get squirting!

If you have a website that would be suitable for this page, then please let me know by dropping me an email at brent@brentnicholls.com. Commercial sites, personal homepages, free galleries are all welcome.

www.cumshotgays.com

Cumshotgays.com is a site for "gays who like cum" and is a bit of a blog cum portal to free mini video feeds and images of men and the by-product of them having sex. A very basic looking site, it's more in the style of a blog. By clicking on the images that are posted by the administrator you'll be taken to various websites that have teaser videos of what each site has on offer. Some of these videos can be streamed and some can be downloaded to your PC. In addition to the latest posts, there also various and numerous links to porn directories, hot blogs, adult galleries and the archives - which themselves lead to even more free videos and images. The site does turn into a rabbit warren of links with cross-links that lead to more links, but what a place to get lost in and more importantly it's all free!

FIRST UK GAY CLUB BILLBOARD TURNS HEADS

Tonker, the weekly Friday Bear Club at **The Eagle** in London, has become the first UK gay club to advertise on a roadside billboard. The advertisement was on a huge moving media billboard above the entrance to Vauxhall Station just by the River Thames in London, which is reported to be the busiest road junction in Europe.

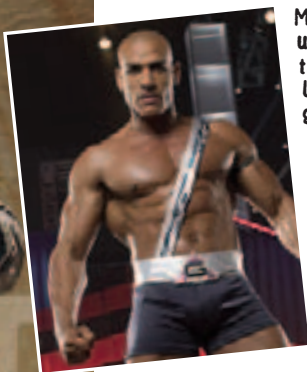

AMERICAN GLADIATOR'S GAY PORN PAST

Middle America maybe feeling a little uncomfortable after news broke that one of the new American Gladiators - idolised by US kids all over the country - was once a gay porn star.

6 foot 3, former Marine, **Alex Castro** - or **MILITIA** as he's known on the NBC prime-time version of the classic 90's show **American Gladiators** - once posed for **Colt Studios** and also starred in some muscle worship videos under the name of **ELIAN CORTEZ**. Show producers have said they had no idea Castro's gay porn past, but have decided not to drop him from the show.

Militia's profile on the official American Gladiators website says, "With an impressive arsenal of skills at his disposal, he is well equipped for any operation and will do anything to complete his objective." You can say that again!

TENGA: TAKE YOURSELF IN HAND

Face it, we all wank. Even the Pope must have a sneaky one under his frock. And nobody knows how to wank you off like yourself, right? They grip too hard, don't grip hard enough, do it too slowly or it just fucking hurts!

Masturbation toys have had a somewhat dubious, nasty or laughable reputation. How many gay men want to stick their cock in something that resembles a fully functional vagina? Probably not that many.

Step up Tenga! With a range of revolutionary products, including five "Onacups", these products are designed to bring you out-of-this-world, never-before-experienced sensations. Each model is specifically designed to deliver a different experience. In short, the 'Deep Throat Cup' produces a deep sucking sensation made possible by special structure; the 'Soft Tube Cup' tightens to suit your personal specifications; the 'Rolling Head Cup' enjoy motions you never had before from the rolling piston; the 'Double Hole Cup' lets you enjoy two very different sensations from one toy; and finally, the 'Air Cushion Cup' introduces a "phantasmagorical" clinging sensation made possible by the unique 24 air-cushion chambers.

TENGA PRODUCTS COME IN STANDARD, ULTRA, SOFT AND HARD EDITIONS AND ARE AVAILABLE IN RED, BLACK, SILVER AND WHITE. PRICES START AT £9.99.

FOR A FULL RANGE OF PRODUCTS, PRICES AND DETAILED EXPLANATION OF HOW TENGA PRODUCTS WORK, GO TO www.tenga-uk.co.uk. WHEN ORDERING ON-LINE, QXMEN READERS CAN RECEIVE A 15% DISCOUNT ON THEIR PURCHASE, SIMPLY BY INSERTING "QXTENGA" ON THE DISCOUNT COUPON CODE LOCATED ON THE SHOPPING CART PAGE.

TENGA

QXMEN has ten Ultra Size models to give away: 5 of the Deep Throat Cups and 5 of the Soft Tube Cups.

To be in with a chance of winning, simply answer this question. What is the name of the female porn star that shot to fame in the infamous film "Deepthroat"?

Email your answer and contact details to qxmen@qxmagazine.com, placing 'Deepthroat' in the subject field. Entries in no later than Friday 29th February. Good luck, you wankers!

WEY AYE! NEW CLONE ZONE STORE FOR NEWCASTLE

Despite objections, from the Christian Institute amongst others, Newcastle City Council granted the licence for Clone Zone's new store to trade seven days a week in the city. This will be the tenth such store in the UK, joining branches in London, Manchester, Brighton, Bristol, Birmingham, Bournemouth, Leeds and Glasgow. Sales Director, David Edwards, is overjoyed at the news and says, "We operate many licensed stores across the country and have been complimented on our good business practices. Our stores are all modern, fresh and bright, situated in the heart of major towns and cities with large gay, lesbian, bisexual and transgender populations."

One supporter, Craig Wilde Director of N-Pride added, "Clone Zone stores are far more than just licensed sex shops. They are 'Gay lifestyle stores', with books, fashion, cards and gifts, music, as well as Adult Toys and DVDs. It will be a huge asset to Newcastle and allowing them to open a branch in the city has demonstrated the councils support of the gay community."

The new store is due to open at 62-64 Scotswood Road at the beginning of February.

Warts 'n' a**!

WARTS AND HPV TO BE PRECISE. HPV WHAT? MOST GUYS HAVE HEARD OF, AND MANY WILL HAVE HAD, GENITAL WARTS, BUT FEWER KNOW THAT THEY ARE CAUSED BY A VIRUS CALLED THE HUMAN PAPILLOMA VIRUS (HPV) OR THAT THIS VIRUS IS LINKED TO DEVELOPING CANCER OF THE ANUS.

BY DR ALEX VASS

In fact warts are caused by just two of the 100 different types of the HPV. Warts aren't the virus itself but your body's reaction to the virus after it has landed on and entered your skin cells. Cells react and morph into fleshy, cauliflower like growths – your classic wart. They can grow anywhere in the genital area, like on or around your dick, but grow best in warm, moist areas like around or inside your anus. They usually don't cause any symptoms but if they are inside your arse they can bleed when open your bowels or after anal sex.

HPV types 2 and 6 are very common and most guys pick up them up early on in their sex lives. Some research shows that 6 in 10 guys have the virus inside their arse. You pick it up or pass it on through skin-to-skin contact. Transmission is more likely if you are in direct contact with a wart but the virus is also shed from the skin of an infected person even when they don't have a visible wart.

The virus gets inside your arse from unprotected sex (although using condoms may not protect you) but you don't need penetration. The virus can also be transmitted by fingering, sharing toys or from a cock rubbing against your arsehole. It usually takes between one and nine months after contact for a wart to appear but having the virus doesn't mean you will develop warts – the virus can remain dormant in the skin for years.

Thankfully, warts can be treated by using creams, by freezing or by taking tablets. The treatment will depend on where they are and what they look like. But warts cannot be cured and so can come back at any time and do so in 2 cases out of 5.

But HPV is not just about warts. More and more research is being done into two other types of the HPV virus – types 16 and 18 – that are often picked up with types 2 and 6. Types 16 and 18 are linked to abnormal changes in the cells of the lining of the anus, especially in guys who have HIV. What happens next is not, as yet, fully understood, but in some men these abnormal changes go on to become cancer.

Anal cancer is still very rare but it is more common in gay men. Some doctors, especially in the USA, advise regular screening tests for guys with HIV or warts to look for HPV and abnormal cells in the lining of the anus. If abnormal cells are found they can then be treated with the idea that this will stop it going on to becoming cancer. But, as yet, there is no real agreement on whether this screening works so it's not done here in the UK on the NHS. But this may change as we learn more about HPV and anal cancer.

There is a vaccine against types 16 and 18 of the HPV. It's currently being given to girls before they become sexually active because these types of HPV are linked to cancer of the cervix. Some doctors say that the vaccine should be given to gay men to prevent possible anal cancer. But others say there is little point in having the vaccine if you are already sexually active because you will probably already have picked up the viruses. Again, there are studies running to try to find the right answer but for now the vaccine is not licensed for men and is not available on the NHS, although some private clinics do offer it – at a cost. In the years to come answers about the value of screening and vaccination should become clear.
