LUCAS ENTERTAINMENT

Here at QXMEN we do stick by the old adage "bigger is better". We'll unhinge our jaws for gargantuan schlongs and we're prepared to suffer endless Kegels after an oversized dong has bash our back doors in. Those into twinks that are also fans of the large appendage should be sativating in anticipation. The new release from Bel Ami offers up whopper after whopper in 'Some Like It Big'. Not to be outdone, Freshwave proves that Brit boys-next-door can also compete in the big cock stakes in their new release 'Supersize'.

The king of Blatino porn goes all Parisian with the new Pitbull release 'Eiffel Tower'. Ty LeBeouf, star of Hot House's 'Tough Stuff' is interviewed in this issue, as is Ralph Woods, Bel Ami's newest pocket rocket.

Titan scores a perfect ten with 'Men's Room III' and if you like your leather men buffed and burly, Raging Stallion's 'Savage' will certainly satiate.

We've reviewed the annual Mr Hoist contest in London and Viapro's Aussie Lifeguard night at London's Pleasuredrome Sauna & Spa. We also popped along the London's East End to check out the revamped Chariots Limehouse sauna.

This month, regular contributor Haydon Bridge interviews two of the sex scene's most popular performers: Fernando, an auto-fellatio specialist, and Ashley, an insatiable bottom whose party piece is self-fisting!

And, on that eye-watering note, sadly this issue will be my last as Editor as I'm leaving QXMEN (and QX) for pastures new. Michael Smith, who has worked as Editorial Assistant on QXMEN for many issues naturally succeeds me. I wish him every success.

Rascals the erotic fantasies of
Todd Yeager

The now 42-year old New Yorker sold his first portrait at the age of twelve. Since the mid-80s Todd Yeager been causing a stir with a variety of exhibitions. A member of the Leslie/Lohman Gay Art Foundation, most recently his drawings were included in the Dirty Little Drawings collection (reviewed in last September's QXMEN) also published by Bruno Gmunder. Yeager's 96 page duotone hardcover book is a super-charged highly erotic study of the masculine body. The subjects; young, slim New Yorkers, are presented in solo portraits, couples and groups. Monochrome was never so colourful!

The site is free to register and, although you can view profiles without being a registered member, you cannot take advantage of the chat and view all the pictures without a subscription. Currently they're offering QXMEN readers a free month's subscription by sending the promo code QXST to webmaster@bearwww.com before the 31st March. For those who were wondering, the www after the 'bear' bit stands for 'world wide woof'. Bearwww.com can also be accessed via www.megawoof.com - for hunks who funk!

www.meetbear.com

From the guys that brought us XXL – the men-only club with a mixed following of Bears, Cubs, Chubs, Muscle Bears and their admirers – comes meetbear.com, an online dating and chat forum, for yes, you guessed it, Bears and their admirers. Meetbear.com has brought dating into the 21st century and the site aims to make it as easy as possible for you to contact people around the world by a means most convenient to you, be it email or by meet.bear.com's downloadable chat application - even when you're not browsing the actual website. And you won't just find guys on the prowl for sex at meetbear.com. Oh no, there's men looking to find romance, dates, friends, pen pals, activity partners and even marriage partners! You can enter the site as a guest but you will need to become a member to create a Hotlist, use chat room and e-mail services. you soon enter the world of big hairy men and their admirers. Signing up to the site is free, but there are limits. Although you can rate users on their 'woofability' and you can cruise the profiles and check out who's online, to use any other part of the website requires a monthly or yearly payment. Once you do pay you can get access to galleries and services like 'circle jerk chat' and 'lube tube' (not quite sure what that is but we think it's video). It's hard to get a real feel for the site just on the free registration, so if you like the look of the beef, then maybe you will pay for the meat.

www.gaybearworld.com

If you're looking for a bunch of free pics of bears ranging from hairy holes to 'papi needs a twink' then gaybearworld.com has so much to look at you'll

not know where to look first. Hairy chests, bearded men, fat cocks and well-lubed asses pop out from all over the place. Clicking on the galleries leads to other websites and more images. PRODUCTION: BEL AMI - DIRECTED BY MARTIN STEVENS

Some like it BIG

VIDEO REVIEW

It's all about the inches in this latest Bel Ami release. Ralph Woods (see interview on page 20) and André Pagnol lead a cast of donkey-dicked studs who suck and fuck their way through this fantastic high quality flick.

If you like Bel Ami's boys - and let's face it, most are gorgeous and some are simply jaw-droppingly stunning - then you're going to love *Some Like It Big*. Full to bursting with cute, young twinks, each pairing of sexed-up boys is inspired, and it's instantly apparent that the overwhelming lust these pups have for each other is for real. Director Marty Stevens obviously knows how to get the best out of his boys, which he proved with Bel Ami's superb *Some Like It Big*, and there are big cocks a-plenty, and some great gushing geyser cum shots. Fans of foreskin have it in abundance and those with a penchant for a face-full and gob-full of boy goo will be hitting the rewind again and again (or just go straight to the oral/orgasm compilation in extras). All the guys featured in *Some Like It Big* appear to be packing 8 inches and more. In addition to the Pagnol and Woods pairing, you also get Keith Johansson and Mark Zebro, Trevor Yates and Manuel Rios, and Kurt Diesel and Steve Jennings. The middle scene puts Valery, Zebro and Yates together in a "whose dick is bigger?" contest. The resulting three-way is awesome!

In short: beautiful boys with big fucking dicks. Who could ask for more?

GETTING WOOD

RALPH WOODS worked for Falcon and now has become a Bel Ami Exclusive. In Bel Ami's latest release **'Some Like It Big'** the Quebec-born pocket rocket shows off his massive talent.

AGE: 21 **HEIGHT:** 5'8" **DICK:** 9+"
WHERE DO YOU LIVE NOW? Montreal

TOP, BOTTOM OR VERSATILE?

I have done all three, I guess in my personal life I prefer to top... is there such a thing as a submissive top?

WHAT WAS YOUR FIRST SEXUAL EXPERIENCE?

It was actually with a female at a younger age. I still have a lot of female friends, but sexually that is not on the cards anymore as they say, but there are always exceptions!

HOW DID YOU GET INTO PORN?

When I moved to the "big city" Montreal, I was very unhappy with my living situation, it was a dismal apartment. I went to the gay clubs for fun and saw the strippers, how much fun they had and the tips they were making. So originally I started dancing to better my living conditions. Of course it was never all about the money even then. I don't think anyone lasts in adult entertainment if that is all they want out of it.

WHAT WAS YOUR FIRST PORN FILM?

My first professional film was with Falcon – Spokes III

HOW MANY FILMS HAVE YOU BEEN IN TO DATE AND WHAT HAS BEEN YOUR FAVOURITE?

I appear in several Bel Ami films that are still in post production. I did several in 2007. The Bel Ami people are great and very much into perfecting their films – story, plot, quality of scenes. I have had many made exclusively for www.ralph-woods.com, which I always sneak peek to my bloggers at www.ralphwoodsblog.com. Three others are available now, including one from my own production company "Back Together" (www.backtogetherxxx.com) that is probably my favourite as I had total control of the product.

WHAT DO YOU THINK WHEN YOU SEE YOURSELF ON FILM?

I watch just enough to see if physically I can improve, but I do not make popcorn and have movie nights of myself (LOL). I am my own harshest critic, but that is not unique with people, eh?

ARE YOU A NATURAL EXHIBITIONIST?

YES!... yet also a tad shy. A shy exhibitionist and a submissive top – I am a freak!

WHAT BEEN YOUR FAVOURITE SCENE SO FAR?

I really can't pick just one, but one of the Bel A`mi shoots in Bratislava was especially cool. Not just the hotness of the scene, but the beauty of old Europe.

WHO WOULD BE IN YOUR FANTASY THREE-WAY?

Paris Hilton, Wentworth Miller and me... LOL I don't know, it's a tough question for a guy who fantasises all the time.

WHAT'S YOUR FAVOURITE POSITION?

Woof woof! Does that answer you?

WHAT'S THE KINKIEST THING YOU'VE EVER DONE DURING SEX?

Well I once had sex in an old fashioned bath tub, you know, the small ones with "feet"? My gymnastic background helped in that one!

IS IT TRUE YOU HAVE HAD COMPLAINTS THAT YOUR COCK IS TOO BIG?

It may be true but never expressed to me – unless you consider erotic moans a complaint.

YOU'VE GOT A MASSIVE COCK, BUT WHAT'S THE BIGGEST COCK YOU'VE EVER BEEN FUCKED BY?

What is the expression? "Hopefully the next one!" LOL! Seriously, Andre Pagnol! Bigger hurts less in fact.

WHAT'S YOUR VIEW ON BAREBACK PORN?

Unsafe is unsafe whether it is in life or adult entertainment. I know that may not be a popular thing to say with some people, but I want the gay community to live long, happy, healthy lives. I am careful to an extreme while filming and I have mixed feelings about it being promoted in films. On one hand it advertises. But on the other hand, if people get their yayas watching a film, perhaps they will not have to take the risk in real life.

WHAT ADVICE WOULD YOU GIVE TO ANYONE THINKING OF STARTING OUT IN THE PORN INDUSTRY?

Everyone's story is different, and not everyone is in the right place at the right time. I would say find some sites you like on the internet, one that fit your personality – including the major websites. All of them have a "want to be a model?" link. If you have the perseverance, things can happen.

WHAT FUTURE PROJECTS HAVE YOU GOT COMING UP?

I am trying to get a regular update process in place to keep my main website one of the better ones on the internet. Otherwise, the year is young – and some video projects are still in discussion. I have also considered doing a mini tour in the USA and elsewhere so I can meet my dear "bloggies" and loyal friends in person. I think you'll agree that there are very few sites like www.ralphwoodsblog.com.

INTERVIEW

TIGER'S EIFFEL TOWER

DIRECTED BY TIGER TYSON & JEAN CLAUDE HERIOT
PRODUCTION: PITBULL PRODUCTIONS

Available from Prowler and www.thugmart.com

PARIS IS MINE

America's favourite love thug, Tiger Tyson, teams up with Pitbull Productions for TIGER'S EIFFEL TOWER: PARIS IS MINE, the first of Tiger's new international line of DVDs.

Tiger's in Paris for a show and decides to take in the sights and along the way gets down and dirty with a mix of black, Middle Eastern and Caucasian guys, all of them hot and hung. In scene one, Tiger's walking the streets of Paris in search of the Eiffel Tower. He bumps into Jordan, a sexy black Parisian who confesses he's a fan of Tiger's onscreen performances. Back at Jordan's flat, the guys fool around before heading

into the bedroom. Slapping Jordan on the arse, Tiger admits he's having trouble understanding the Parisian accent, saying in his sexy Southern US drawl, "I don't know what it means, but it sure sounds good!" Next, Tiger cockily says, "Let me show you my Eiffel Tower" and pounds Jordan's bubble butt relentlessly before pulling out and dumping his huge load over Jordan's chocolate skin, all the time just wearing just his white socks and gold bling.

Scene two and we're in a Paris club with music pumping, but the action's centred on the goings on in the toilets. Tight-bodied Remy and lean Kilian are cruising each other at the urinals, trousers round their ankles. Just as the boys shoot their loads, Jordan and Tiger walk in and an excited cock-hungry Kilian - another fan of Tiger - shouts "I will be a bitch for him!" The guys head back to Jordan's apartment for a wild session of athletic three-way sex, doggy-style spit roasts ending in gallons of white jizz splattered over Kilian's toned body. In scene three and four we meet Middle Eastern Samy and smooth, tattooed Jules who can't keep their hands and mouths off each other, and sexy Cyann and Jordan, two guys who fuck so hard they fall off the couch! These dudes don't say much - but sometimes, who

needs words! If you're a fan of Blatino guys, you're gonna love Tiger's Eiffel Tower: Paris Is Mine!

Disc two includes a bonus sex scene with Tiger, two interviews with the star plus behind-the-scenes footage.

THIS TIME AROUND, HOT HOUSE GOES ALL BLUE COLLAR. THE WORKMAN FANTASY MIGHT HAVE BEEN DONE TO DEATH MANY TIMES OVER: "I'VE COME TO FIX YOUR PLUMBING"... "I'LL JUST GET MY TOOL OUT"... "I THINK I'M GONNA HAVE TO STRIP OFF AND TAKE A CLOSER LOOK AT YOUR PIPE" ARE ALL CLICHÉD SEGUES THAT WE'VE ALL SEEN BEFORE. BUT WITH VINNIE D'ANGELO LEADING A STABLE OF HOT HOUSE MEN, INCLUDING EXCLUSIVES FRANCESCO D'MACHO AND C.J. KNIGHT, THIS BLUE COLLAR SCORCHER IS ANYTHING BUT CLICHÉD.

TOUGH STUFF

PRODUCTION: HOT HOUSE

A Steven Scarborough Film

AVAILABLE FROM
CLONEZONE
and
hothouse.com

In scene one Kevin Armstrong proves he's got the right tool for the job when C.J Knight asks for his assistance. They take turns servicing each other in front of floor-to-ceiling windows overlooking San Francisco. Bet the net curtains were twitching that day!

In scene two, foreman D'Angelo comes in to check on the work of Kal Grant and ends up inspecting more than the paint job. After finger-fucking Grant, D'Angelo shoves his rock hard cock into his eager employee, fucking him over the work bench, up against the wall and face down on the carpet.

Francesco D'Macho and Tyler Saint are doing heavy lifting, moving equipment into a new kitchen. Saint gets to work on his 10 inch and D'Macho reciprocates, hoiking out his impressive, fat, uncut tool. They chow down on each other's monster meats before stripping naked. D'Macho offers up his hairy pucker to Saint

for a good licking before Saint slams D'Macho hard and fast.

In scene four, D'Angelo and Arpad Miklos are cleaning up when Jessie Balboa comes in to drop off a carpet.

With one nod from the boss Miklos grabs Balboa and shoves his mouth onto his massive cock. D'Angelo steps up for some attention and Balboa feasts on two trouser beasts. The two then take turns fucking Balboa until, finally, the tops cover the Balboa's face with hot cum.

The final scene is a solo one for D'Angelo. In the tool shed he's reading a dirty magazine (probably QXMEN). He gets worked up, gets naked and pumps his thick cock until he blows his load all over the shed.

Filthy-minded, horned-up twink Luke (Josh Thomas) absolutely loves his work – he has a job working for a sex toy manufacturer! Only problem is his unquenchable lust soon lands him in a whole heap of trouble...

VIDEO REVIEW

Luke is given a chance to redeem himself by his boss, Mr Parker (Aaron Slater) who asks him to source the perfect 10" dick. This monster schlong will be the

cock that the new toy is going to be moulded on. Soon donkey-hung interviewees are queuing up, parading their prime pieces in the hope that their massive manhoods will be immortalised in silicone.

Luke and his assistant, Matthew (Kyle Martin) are always ready to lend a helping hand, mouth or willing arsehole to help those shy (yeah right!) interviewees "rise to the occasion". But if they thought they were the only employees at the Xtreme Toy Factory having red-hot, rampant sex for 9 to 5 every day, they'd be sadly mistaken... and pleasantly surprised! When Luke discovers his perfect Mr 10", he thinks he's found the one man who can measure up and fulfil his requirements. But there's one final surprise in store...

SUPERSIZE

DVD extras include out-takes, previews of other Freshwave releases, images slideshow, 11 bonus scenes, 8 extended scenes and front cover photo shoot documentary on DVD 2. Bargain!

TITAN MEDIA PRESENTS

MENS ROOM III OZARK MTN. EXIT 8

A JOE GAGE MOVIE

Award-winning director Joe Gage takes us on a sexed-up tour of the Ozark Mountains with the latest installment of his sex-in-public restrooms series, Men's Room III: Ozark Mtn. Exit 8. Expect a feast of Titan's finest men fucking and sucking every which way - plus a generous helping of watersports (available only in the director's expanded edit, thrown in for good measure) as these men get on the road and go cross country in three and half hours of hot al fresco sex. Starring Alex Baresi, Arpad Miklos, Brody Newport, Damien Crosse, Dane Hyde, Dillon Buck, Jack Bond, Jesse Santana, Park Wiley, Tober Brandt and Tyler Saint, Men's Room III has a man for all tastes, be it a hairy daddy or a smooth and toned young jock.

The action kicks off with sheriffs Brody Newport and Dane Hyde taking a piss at the trough and checking out each other's tools. When TitanMen exclusive Dillon Buck turns up it quickly turns into a piss-drenched fuck-and-suck threesome with each stud shooting two thick loads apiece. In a notable scene with Arpad, Tober, Park, Dillon and Jack, we're treated to a full on, sexed-up five-way between these hot and hairy studs in the forest. What starts as an innocent circle-jerk soon turns into a full-on orgy of sweat, hair and muscle... Now that's one picnic we wouldn't mind stumbling across! Another outstanding scene sees parole officers, sexy Tyler Saint and dreamy TitanMen exclusive Damien Crosse, reprimanding young offender Jesse Santana. Boy, does Jesse wish he hadn't jumped bail now as the two hunks mercilessly double-fuck him in the back of their truck 'til he's squealing like a pig. Cut to the final scene and Tyler heads out into the wilderness and hooks up with Tober, Park and Arpad for an explosive fucking and watersports finale in the great outdoors. Men's Room III: Ozark Mtn. Exit 8 has eleven sexy men, horny, sweaty sex and the great outdoors - what more could you want!

DVD extras include Behind the Scenes, Cumshots and Interviews.

ENTER WANKING: LIVE SEX ON STAGE

Do you like to watch? I'm proud to say I've been a voyeur since I was tall enough to peek through a keyhole. But not until this year have I got round to talking to two people who have sex for, and indeed with, an audience. Do they like showing off? Are they proud of the way they look? Do they like it that people desire them? (Yes, yes, yes).

I saw my first live sex show in Paris in 1980. But I saw nothing like it in London until sex clubs like Torture Garden and Fist began throwing caution to the wind in the mid-90s. I hoped that the performers were as enthusiastic about their work as they appeared to be on stage. And I wasn't disappointed!

A TASTE OF HIS OWN

Fernando Leone is a grinning little bundle of bisexual, Latino muscle, who can get his own cock and balls into his mouth. He's performed this trick on stage and screen all over the world for more than ten years. And now he's going to teach you how to do it! (Will his best student become Head Boy??)

Finding himself in London with no money, Fernando auditioned for the Pussy Posse Party, an annual warehouse event, which had begun at Bagley's in 1991. "I did the audition and [the organiser] came to me. She said, 'Fernando, we love the way you dance, but would you consider to do that naked?' I thought, 'Why not? I like nudity, I like music, I like dancing' and I say, 'Yes, sure, I do it.' So I organise this five minute slutty performance for the party and they love it. For me nudity is very empowering - have I said the right word? - empowering. When I'm naked I feel invincible. Since a very young age I like to run around the house naked, and one of the things that attracted me to come to Europe was to go to nudist beaches. I always dreamed to do it."

WHILE HE WAS IN NEW YORK A FILM PRODUCER PUT HIM IN CONTACT WITH VETERAN GAY PORN FILM-MAKER JEAN-DANIEL CADINOT. FERNANDO'S DONE SIX FILMS FOR CADINOT, INCLUDING TWO (DÉSIRS VOLÉS AND PRESSBOOK) WITH ONE "RAMZES KAIROFF", WHO'S NONE OTHER THAN A YOUNG MICHAEL LUCAS. AFTER A BREAK, FERNANDO RETURNED TO PORN IN THE UK. CURRENTLY HE CAN BE SEEN FUCKING ON A BARTOP IN COLLIN O'NEAL'S 'EDINBURGH'.

Fernando now tours the world with the "outrageous XXX act" he introduced at Manumission in Ibiza for an audience of 12,000. "The organisers say, 'We want to do something different', and I said, 'Well, I do yoga naked and my bits get in my mouth.' And they say, 'OK, fantastic', and we did it. I would bring a girl from the audience and tell her to give me a blow job. Most of the times girls would say no. So I give the blow job to myself. That really impressed the guys. But I must confess a few times girls say yes. So I have sex with the girls in public." Fernando's other stunts include fucking a watermelon. "And then I cut the watermelon and I start to give it away to people. Ha-ha-ha!" Thanks to Fernando, auto-fellatio could soon be a word on all of our lips, along with our cocks. "I'm working on a video," he promises. "I'm gonna give some instructions how to do it and, most importantly, advice on the things you should not do. You have to warm up first. You have to do stretchings." (I think he means body stretching). Fernando no longer sucks his cock for his own pleasure. "I never do it by myself," he states. "It's something I do to share with the humanity. I'm proud of it." He gives his best in front of a really big crowd and his ideal situation is "on a podium right in the middle of the club, with huge cameras pointing at me, when people know who I am, they know it's Fernando."

Such adulation doesn't encourage him to be sexually uninhibited. "You have to keep a little bit for yourself," he confides. "In performance you cannot give everything." Fernando admits he could never go as far on stage as Ashley Ryder does.

GREASE IS THE WORD

Auto-fellatio is little more than a sexual circus trick and a very old one at that. It's been photographed for more than a hundred years. But fist-fucking is a new kink, virtually unknown before the 1970s. In porn it's almost exclusively performed by older men. So 26-year-old Ashley Ryder is a real novelty. Last year, at *Hard On*, Ashley was fisted by "man with a pussy", Buck Angel, "with the determination of someone who's lost their last pound down the back of the sofa" (*Redhairedqueer*). Ashley can shove dildos almost the size of traffic cones up his butt. And he can fist himself. That's entertainment!

Despite his outsider image, Ashley, like Fernando, is just another stage-struck kid at heart. Both his grandparents were actors. He was in every school play from the *Nativity* onwards and remembers loving the nervous excitement and the applause. He says that, if he'd had the opportunity to become a legitimate actor, he'd have taken it. But he developed into a chubby and self-conscious adolescent who tried, he says, to validate himself with sex. "I was told that if someone has sex with you, it means a lot," he explains. "So that's what I did. It made me feel I'm worth something." (He got over that complex in his early 20s).

Ashley has always loved porn, initially Tom of Finland and Gadinot, later Johnny Rider, who took a fist to the elbow in 'In Deep: Miles to Go' (1999). Ashley became interested in S&M and kept trying to push his fist up his arse. He couldn't manage it until one fateful night: "I was bored. It was about 4am. No one would come over. I was in the shower. I tried again. That one night I could do it."

Subsequently Ashley fisted himself "just for fun". He never dreamed he could make money out of it. (He has a day job, designing clothes). But in 2006 he showed somebody his skill on a photo shoot and was asked, "Do you want to do that at the Black Party in New York?" Ashley made his professional stage debut in front of a crowd of 4,000.

"I WAS IN AWE. THE PARTY WAS FULL OF PORN STARS. I WAS SURROUNDED BY PEOPLE I'D SEEN ON TAPES. I THOUGHT, OH, GOD, I'VE NOT DONE PORN. THESE GUYS ARE GOING TO BE REALLY DISMISSIVE. I WAS MORE NERVOUS BECAUSE I WAS IN FRONT OF THEM. BUT, WOW, IT WAS AMAZING! I LOVED IT. IT WAS QUITE A POWER TRIP TO DO SOMETHING I'D DONE JUST FOR FUN IN THE PRIVACY OF MY OWN BEDROOM"

Just as he was inspired by Johnny Rider, Ashley is now a role model for younger guys. He realises his responsibility as far as fisting is concerned. "You've got to do it with someone you feel comfortable with," he warns. "I know within the first ten seconds." He now works in a double act with his real-life partner, Daniel Knight. They'll marry 6th September.

Let's hear it for the guys who love to perform for an audience. Without them voyeurs like me would be at home alone in front of the mirror.

SAVAGE

PRODUCTION: RAGING STALLION STUDIOS, DIRECTED BY: BEN LEON

VIDEO
REVIEW

RAGING STALLION STUDIOS BRING OUT ITS HOTTEST HORSEHUNG BEEFCAKES FROM THE STABLE FOR SAVAGE, BEN LEON'S LATEST NON-SENSE 'EXAMINATION OF MEN FUCKING'. STAYING THE STYLE OF MANIFESTO AND INSTINCT, SAVAGE IS A FULL-ON FUCK-FEST WITH PLENTY OF SPIT, SLAPS, LEATHER AND LOADS OF HOT CUM. SHOT IN THE DARK SHADOWS OF A CELLAR AND BOASTING AN OUTSTANDING CAST OF ROMAN RAGAZZI, LUKE HASS, ANTONIO BIAGGI, VICTOR

STEELE, STEVE CRUZ, RICKY SINZ, MATTHIEU PARIS, FRED FAURTIN AND BRODIE SINCLAIR, THESE MEN FUCK THEIR WAY MERCILESSLY THROUGH SCENE AFTER SCENE SPREAD OVER 2 DVDS.

Outstanding scenes include the electrifying pairing of hairy Steve Cruz and tattooed, muscle-hunk Fred Faurtin... With Cruz tied to a fuck bench, you know the action's about to start when Frenchman Faurtin comes along. He force-feeds Cruz's mouth his huge, fat cock before untying him and positioning him on his knees and pushes his tongue deep into Cruz's hairy asshole. It's not long before Faurtin's rubbered-up and fucking him aggressively. This Frenchman knows how to fuck and he pounds at Cruz's hairy butt until both guys shoot their massive loads! In another scene, bathed in seductive blue light, brooding 'trouser snake' Luke Hass and hot bottom Victor Steele are jerking off. It's not long before Victor has Luke's massive cock in his mouth, deep-throating it right down to the base like a pro. Next thing, Luke's fingers are slipping inside Victor's hairy butthole in preparation for his monster 10-inch dick. After a round of hot fucking, Luke lays down so Victor can climb on top to take control. The chemistry between these two men is obvious... Other scenes that got us rock hard include Brodie Sinclair and Roman Ragazzi facing off in a wrestling match of muscle and hard cock and a sizzling three-way between Matthieu Paris, Ricky Sinz and hugely hung Antonio Biaggi.

A KRISTOFER WESTON FEATURE

Paradise Found

PRODUCED BY BUCKSHOT PRODUCTIONS

VIDEO REVIEW

Set on the lush island of Hawaii with a cast of eight buffed and sexy guys, Buckshot Productions brings you its latest erotic and highly-charged sexual tale, *Paradise Found*. Starring a well-balanced cast of stunning men, Zack Randall, Alex Chandler, Antton Harri, Dean Phoenix, Toby O'Connor, Jason Ridge, Tory Mason and Kane O'Farrell play out their hot and horny fantasies, some in the pursuit of love and some that lurk in the dark corners of the mind.

Director Kristofer Weston boldly explores four distinct, and equally arousing, fantasies at a secluded tropical resort called, aptly, the Fantasy Resort. Guests at the resort include, amongst others, a sweet and nerdy lawyer (Randall), AussieBum-clad doctor (Phoenix) and a hard-core leather couple (Ridge & O'Connor) who you're introduced to, one by one, at the start of the movie.

Zack's Fantasy, Life's a Beach, sees the nerdy (but hunk-in-hiding) lawyer with his head buried in a law book when he's advised by one of the resort's staff to head down to the beach where "his every need will be catered to". Once at the beach, Zack spies the God-like, Speedo-clad Phoenix emerging from the water heading towards him. Foot fetishists will love this scene, as will guys who just like to watch two beautiful studs screwing the hell out of each other.

One more fantasy we had to mention is the *Kidnapping Fantasy*, starring the leather couple who've come to the island to rekindle the spark in their sex lives. Tattooed Chandler plus cast extras Luke Garrett and Gage Weston are brought in to help fulfil this fantasy... Take a look - it'll leave your cock throbbing!

To see the other fantasies become a reality at the Fantasy Resort you'll have to buy the movie and watch for yourself...

PRIME BEEF!

Southern hunk, **TY**
LEBOUF (pronounced "leh-Buff") made his debut porn appearance last summer in 'Trunks 4: White Heat', the latest episode in hit series featuring sun-drenched muscled hunks in tight swimwear. Since then Ty's gone on to become one of 'The Men of Hot House' and has appeared in *Verboten: Part 2*, *Head Hunters Inc.* and, the soon to be released, *Jockstrap*.

In his thick Cajun accent, he recently admitted that there's never a dull moment when he's around and that he's definitely the kind of guy you want to have at a party. **QXMEN** had to find out more ...

HOW MANY FILMS HAVE YOU BEEN IN? HAVE THEY ALL BEEN FOR HOT HOUSE?

For Hot House: Trunks 4; Jockstrap; Verboten Part 2 and Head Hunters and various exclusive Hot House Backroom scenes. Plus Barnstorm (by Titan).

DESCRIBE YOUR BEST SCENE?

Don't make this hard for me! I have enjoyed all of them and no scene outshines the other for me. If I have to narrow it down it would be my last two films. I think because the shoots themselves were faster and easier to complete. But from what I gathered from my fans, Trunks 4 and Jockstrap are my best two. All I know is that I have worked with great guys from my scene partners in-front of the camera to the entire Hot House crew behind the cameras. It has been a pleasure at every turn.

YOU HAVE A BUBBLE BUTT MOST GUYS WOULD KILL FOR! HOW DO YOU KEEP IT SO PERT?

LOL, man that is one question I get all the time. I work out every day. For me it's a way of life that keeps me mentally as well as physically healthy. I share workout tips with Luke Garret from Colt all the time.

All I know is that I played football for 8 years of my life from junior high to high school and did power lifting for almost 2 years. But I think what gave me MASS to ASS is "SQUATS" and I don't mean no sissy squats either. I do my squats almost breaking parallel. The leg workout is the most important and it's one of the hardest muscle groups to work. So I start my week doing legs first.

DO YOU HAVE A PARTNER?

Yes, a wonderful man who you may already be familiar with: porn star Ray Stone.

IF SO, IS HE SUPPORTIVE OF HOT HOUSE WORK? DOES HE GET OFF WATCHING YOU ON SCREEN?

You should ask if I get off watching him on screen. I love watching his movies. And yes, he's also incredibly supportive of my involvement in the business. He lives in San Francisco so my duties with Hot House tie in perfectly with me wanting to be in San Francisco with Ray as often as I can.

HOW DID YOU GET INTO THE PORN INDUSTRY AND HOW DID YOU GET TO WORK FOR HOT HOUSE?

I had been thinking about it for quite some time. I finally decided to do it in order to help pay the bills while I'm in school. I'm currently training to be a Radiology Technologist. I had previously been an erotic dancer for several years, so I had a fairly good idea about what the industry might be like. But, hey, I get to have fun AND pay the bills. My first movie was for the legendary Joe Gage. It was a great shoot and I think Joe would have used me several more times if Steven Scarborough hadn't beaten him to it.

WHAT'S IT LIKE WATCHING YOURSELF ON SCREEN?

ARE YOU CRITICAL OF YOUR PERFORMANCES?

I do watch my own scenes, but only once. It is pretty crazy seeing yourself on film, but for each movie I make, like I say, ONLY ONCE!

TRUNKS 4 WAS A SIZZLING ADDITION TO A GREAT SERIES AND SHOT AT A GREAT LOCATION. WHAT WAS IT LIKE BEING PART OF THAT FILM?

It was fantastic. I was new to Hot House and they paired me with the incredible Dak Ramsey. All you need to do is check out the behind-the-scenes interview that is still available free-of-charge on Hot Flash! the Hot House blog (<http://blog.hothouse.com/>) to see how much fun we were both having. And the Hot House production crew was wonderful. What I didn't know was that out of earshot, Steven Scarborough was sounding everyone out to see if they thought I had what it takes to be a Hot House Exclusive. How flattering was that!

AND NOW YOU ARE A HOT HOUSE EXCLUSIVE! CONGRATULATIONS. WHAT DOES THAT MEAN EXACTLY?

To me personally it means that I get to work with some of the hottest guys in the business. To date Steven Scarborough has paired me with some amazing

guys: Dak Ramsey in Trunks 4 and Francesco D'Macho in Jockstrap, and more recently Josh West in Verboten Part 2 and the newest Hot House Exclusives Ross Hurston in Head Hunters and Johnny Gunn in an exclusive Hot House Backroom only webscene (keep your eye on HotHouse.com). Each one of those guys have been amazing in their own ways. I don't think I would have been lucky enough to have been paired with all of them if I hadn't been an exclusive. The other amazing thing about being an eExclusive is that I get to attend all the fan events. I was at San Francisco's Gay Pride last June and the infamous Folsom Street Fair in September. The GAYVN Award show was in February and International Mister Leather in Chicago in May. Getting to meet all the fans is an unbelievable experience.

WHEN YOU'RE NOT FILMING OR DOING PROMOTIONAL WORK, HOW DO YOU UNWIND?

I'm training to be a Radiology Technologist, so I have a very busy school curriculum, which means I really don't get much down time. When I do relax it either involves working out at the gym or making out with Ray.

DISPEL ONE MYTH ABOUT THE PORN INDUSTRY.

Watching porn and doing porn are two different things. It can be hard work, long hours, and it isn't for everyone.

ARE THERE DOWN SIDES TO WORKING IN THE INDUSTRY?

None that I've encountered so far. The fans are incredibly loyal and generous and who wouldn't want to be with my co-workers!!! I also think I'm very lucky that I get to work with the Hot House crew, it's like being with family every time we shoot a movie.

FROM THE STABLE OF GORGEOUS HOT HOUSE MEN WHO WOULD FEATURE IN YOUR IDEAL THREE-WAY?

Funny you asked that question. Robert, the Director of Production at Hot House, has suggested a possible three-way with Dak Ramsey and Johnny Gun. That works for me. But man, there is a long list to choose from and I'm ready for what ever is thrown at me.

IN YOUR OPINION, WHO'S THE BEST HOT HOUSE TOP, AND WHO'S THE BEST HOT HOUSE BOTTOM?

Ty LeBeauf on both counts.

WHAT WON'T YOU DO?

Do you mean what or who? (LOL)

IS THERE SOMETHING YOU COULD TELL GYM READERS THAT WOULD SURPRISE THEM?

Long before my porn days I was actually featured on an MTV documentary reality show called True Life, with my boyfriend at that time, that focused on inter-racial couples.

WHAT'S IN PIPELINE FOR TY LEBEOUF?

Well, I have some really hot scenes in the can. I think Jockstrap will be out in the UK soon. Two words: Francesco D'Macho. I was so excited I came twice on set. I think that speaks for itself. And fortunately they got both of them on film.

For Verboten Part 2 I actually had some input in casting my scene partner Josh West. Hairy, built and a huge dick. I thought I'd died and gone to heaven. At least, I thought I'd died when he first put his dick in my ass but man it was sweet heaven!

By the time we got to Head Hunters, Hot House seemed to get the hint because they cast me with new US Exclusive Ross Hurston. Ahhhh, Ross... what a dream. I hadn't met him until the day of, or more accurately the hour before, the shoot. Boy! Not only was he a hot guy, but in person he's such a gentlemen. A man with an accent... and of course a built, hairy body... plus nice cock and ass. Let me give you one word: WOOOF. If your readers can't wait for the DVD release they can see that scene in the Hot House Backroom already at HotHouse.com.

ANY PLANS TO VISIT ENGLAND?

I would love to. My school schedule prevents it right now, but my partner Ray has appeared in a few British movies. He loves visiting London, so hopefully I'll get to join him when he's filming over there in the future. Not to mention that a trip to London will be my first vacation from school. I can't wait!

Ever wondered where all the barrow boys from the East End go to relax and unwind after a hard day's work? Well we have, and that's why QXMEN took a trip to Chariots Limehouse in London's good old East End to check out the extensive refurb and hopefully to bag ourselves a cute towel-clad East End lad.

Spread over four floors, Chariots Limehouse also boasts a roof terrace, perfect for a spot of nude sunbathing on a hot summer's day – or a little al fresco cruising on a barmy August evening. Each level of the interior is themed individually. The top floor is simply Heaven, awash with blue neon lights and soft chill-out music where you'll find rows of cabins (with six channels of porn to choose from!) and glory holes for those boys who can't help sticking their bits through 'em! Go down one floor and you're on the Earth level with a woodland theme. Here you'll also find what looks like the scene of a car crash! Poking through the wall – as if driven in by ramraiders – is a car, so any fantasies of

getting rogered over the bonnet of a car can be realised at Chariots Limehouse! There's also a bus stop on this level too – so you can tell your mates that you stood by the bus in just a towel and you really weren't lying! On the ground floor you'll discover all the facilities, which include a large steam room, sauna cabin, a 20 man Jacuzzi, a huge fun shower, satellite TV lounge and the Internet café/snack bar. Here you'll find Richard the manager, always on hand to help in the stylish new black, white and red reception area. Descend into Hell in the basement decked out in black with red flames, sleazy red lighting and hard dance music, which give this level a cruisy atmosphere.

Chariots Limehouse is open from 11am to 1am on Mondays and Tuesdays, then from 11am on Wednesday morning right through to 1am on Monday morning – that's 110 hours of hot and steamy fun!

Check out Latino Night on Tuesdays too!

PLEASUREDROME SAUNA & SPA STOPS TRAFFIC!

Last month Tonker, the weekly Bear Club at London's The Eagle bar, became the first UK gay club to advertise on a roadside billboard. This month, not to be outdone, Pleasuredrome Sauna & Spa has installed a huge poster just nearby in London's Vauxhall. What next? OXMEN advertising on the side of London's buses!

RECON'S FULL FETISH: RUBBER AT LONDON'S THE HOIST ON MARCH 8TH

Following hot on the heels of last December's very successful Full Fetish, Recon hosts its first 'strict dress-code' Rubber night at London's The Hoist, Full Fetish: Rubber on Saturday March 8th.

The boys at Recon are calling on all rubbermen to gear-up for a genuine 'Fetish Style' party where the pervy and creative are encouraged to get into their horniest and steaziest rubber and latex gear for what they're promising to be London's best gay rubber night.

Recon Events Manager, Antoin Strachan, told OXMEN, "Members have been asking us to host a strict dress code party for a long time. So, I thought, why not Rubber? OK, I have to admit - I really like, well, love my rubber and the glue can't dry fast enough before I get my latest outfit on, but this will definitely be a good night to show off my newest gear. I'm really excited to see people's creativity and most of all to see the real Recon rubber men out in full force. It's gonna be a hot night down at The Hoist." Full Fetish: Rubber is a STRICT dress code RUBBER ONLY party! Be sure to get your ticket now before they run out. Available from all your favourite London fetish retail shops (Regulation, Expectations, Clone Zone Soho and RoB London) and also at The Hoist! For more info about Full Fetish, ticket sales and other Recon events, visit www.recon.com/events.

OXMEN will be there and we'll report back to you all of the horny goings on in April's issue!

The Hoist is at 47c South Lambeth Road, Vauxhall, London SW8 1RH.

SEX FACTS

qxmen@qxmazine.com

THEY CAME FROM OUTER SPACE!

The Nexus range certainly don't resemble your traditional cock-shaped bum joy toys. In fact some of the range are more akin to Alessi kitchen appliances! The latest additions (the Neo, 'O' and Gyro) have been developed in conjunction with UK's Sex Worker of the Year and are specifically designed for men who want to experiment with anal play, stimulating the prostate (male G-spot) and perineum area.

Peri-what? For those of you that didn't take GCSE Biology, your perineum is that nice bit between the back of your balls and your bum hole. The prostate and perineum are pivotal in controlling and increasing a guy's hard on, orgasm and ejaculation – basically the command centres for sexual pleasure. Nexus toys enhance the strength of traditional orgasms or during fucking. They can also be used during foreplay. Going "hands free" was never so much fun!

NEXUS 'O'

What is it? Well it's definitely not conventionally cock-shaped. The new Nexus 'O' has a three ball design that works to stimulate the G-spot, provide a secure fit and tickle the perineum. The 'O' is made from super-soft silicone for added comfort and flexibility.

Available in black and purple.
Diameter 35mm, ball diameter 80mm, height 200mm.
RRP £40

NEXUS
The Next Generation of G-spot Toys

NEXUS GYRO

The Gyro is a male G-spot toy with motion in mind. Designed so users can "gyrate" their way to a male G-spot orgasm! Made from super-soft silicone.

Available in black and purple.

Width 90mm, ball diameter 30mm, arm diameter 20mm.
RRP £50

NEXUS
The Next Generation of G-spot Toys

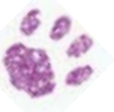

NEXUS NEO

The Neo is based on the hugely popular Nexus Glide, however the Neo has slightly more length and girth to provide a more "fulfilling" experience. Its stainless steel rollerball teases and tantalises the perineum point whilst the Neo hits the male G-spot, making orgasms much more intense. The Neo is simple yet sexy in design, which makes it easy to use and a very effective toy.

Available in black, white, red, orange and purple.
Insertable height 5.3" (13.5cm); shaft 1.5" (3.8cm); circumference 4" (10.2cm) at thickest point.
RRP £35

Nexus now have a family of twelve G-spot toys. See them all at www.nexusrange.com
Prowler stores also stock the Nexus range.

PLAY ZONE: CODE OF GOOD PRACTICE

LAUNCHED TO CREATE A SAFER ENVIRONMENT IN VENUES WHERE SEX MAY OCCUR BETWEEN MEN.

Leading HIV and sexual health charity Terrence Higgins Trust (THT) has launched a new Code of Good Practice for saunas and other venues in London and Brighton where sex between men might occur. Working with a range of organisations, Play Zone: Code of Good Practice is funded through a national HIV prevention programme, and aims to create a safer environment for customers and staff by ensuring that sexual health, hygiene and health and safety standards are being met, and help to reduce the number of new STI and HIV infections.

By participating in the scheme, venues and staff receive a manual to guide them through the process. In addition to the pack, free training's also available for venue staff on HIV, sexual health, PEP, drug and alcohol awareness and first aid. Venues that successfully meet the standards set out in the code receive Play Zone branding and certificates to display - making it easier for customers to identify a venue participating in the scheme.

THE PRINCIPLES LAID OUT WITHIN THE CODE INCLUDE SETTING MINIMUM STANDARDS IN:

- * CONDOM AND LUBRICANT DISTRIBUTION AND ACCESS
- * ENSURING THAT INFORMATION ON SEXUAL HEALTH IS AVAILABLE
- * STAFF TRAINING ON SEXUAL HEALTH, HIV, POST EXPOSURE PROPHYLAXIS (PEP) AND DRUG AND ALCOHOL AWARENESS
- * STAFF VACCINATIONS FOR HEPATITIS A, HEPATITIS B AND TETANUS
- * HEALTH AND SAFETY TRAINING
- * FIRST AID TRAINING
- * LIGHTING AT VENUES
- * CLEANING OF VENUES

Rod Watson, Head of Health Promotion at THT, said, "A number of venues have participated so far, and we hope that more will follow. By participating in the code venues give a clear message to staff and customers that they are committed to high standards. For customers, they'll be able to visibly see which venues take their health and safety seriously because successful venues will display the Play Zone logo inside and out."

FOR MORE INFORMATION ON THE PLAY ZONE: CODE OF GOOD PRACTICE CALL 020 7812 1600 OR VISIT WWW.THT.ORG.UK/PLAYZONE.

Now, that really is unique and different! At www.mancentral.com all communication between you and other site members is 100% free. You can cruise until the cows come home and not run out of messages and profile views. The site offers various ways to meet others including a chat room, message boards and photo search. Some of the choices do have the 'rather not say option' if you'd like to keep a little mystery about yourself, otherwise it's up to you how much you want to reveal. As with other profile sites, you're also allowed to upload several pictures to go with your profile. The site also offers features such as tracks (who has viewed your profile), favourites and a friends list.

HOW DO YOU KNOW HIS HIV STATUS?

GMFA has launched a new advertising campaign asking men 'How Do You Know His HIV Status?' The campaign's designed to encourage men to think about the ways they establish someone's HIV status and to use condoms to avoid sexual risks. The ads, featuring a makeshift HIV detector, highlight the uncertainty of knowing a guy's status for sure.

"Some men feel certain of a guy's HIV status based on his looks or the way he behaves," Matthew Hodson, Head of Programmes for GMFA, told QXMEN. "I know men who thought they were being safe just because the guy they were having sex with didn't seem the type to be HIV positive. The truth is we don't have built in HIV detectors and guesswork is no guarantee of avoiding risks. Some men don't know their own status, so even if you ask them, there is still uncertainty."

MY HEALTH NEEDS

No 1:

BOTTOMS

BY DR ALEX VASS

You're the perfect bottom who knows all there is about how to take care of yourself, whilst still getting everything you can from sex? Right? Well here's a quick checklist to see how you really score:

I DON'T DOUCHE...

You may think that you need to have a squeaky clean arse but douching is rarely a good idea and can cause more problems than it's worth. The best way to make sure your rectum is clean is to have a diet full of fruit and veg. This will make your faeces bulky enough that if you have a dump just before sex, the rectum will empty out and so be pretty clean – the natural way. If you really want to douche then only ever use a small bulb douche with plain, clean water at body temperature. The lining of the arse is very sensitive and easily irritated to never add anything to a douche.

I KNOW MY ARSE MUSCLES...

There are two anal sphincters, the external and internal sphincters, that control 'entry and exit' – of faeces, but also importantly of a cock. The external one is a voluntary muscle which means you have some control over it. For example, you can clench it when you try not to fart. The internal sphincter is an involuntary muscle and so you have very little control over it – it just works automatically. Whilst both muscles can stretch very wide, the internal sphincter naturally tenses up when it detects anything inside it. It does relax to let faeces out, or a cock in, but it takes time – up to 30 seconds.

I ALWAYS PROTECT MY ARSE MUSCLES...

You may want to get fucked and have him inside you as quickly as possible but you have to allow your sphincter muscles to relax. Let him force his way through and you can put the sphincter into spasm which is painful or worse can tear it which is painful and will have you out of action for a while.

When he starts to push his cock against your arsehole push out slightly as if you are going to the toilet and exhale. This helps the external sphincter open more easily and him to enter you. Remember to use lots of lube as the arse does not make enough natural lubricant. Once he's inside a few centimetres and you feel some resistance it means he is pushing against your internal sphincter. This muscle takes time to relax, so ask him to pause or divert his attention somehow! If you do this, you will soon feel the sphincter relax and his dick sliding deeper inside.

I KNOW WHY IT FEELS SO GOOD...

The physical pleasure from being fucked is from your prostate gland getting a good massage. This walnut-sized gland packed full of nerve fibres lies a few centimetres inside your arse and sits at the base of your penis right next to the rectum. You can find it by inserting a finger just 4 to 8cm inside the anus and then toward the belly button. So you don't need a 9" cock to reach that! Knowing where your prostate is can help you know which positions are more likely to stimulate the prostate. Being on top and leaning forward is a good position.

I ALWAYS PLAY SAFE...

The greatest risk of picking up HIV is from being fucked by a guy who has HIV. This is because the lining of the arse is like a sponge and can absorb infected semen into the bloodstream and into your body. But you would not pick up the virus for sure – it happens about in 3 in every 100 times. Protect yourself and always insist that he puts on a condom.

I LET HIM KNOW WHAT'S GOING ON...

Your face may not be saying what you are feeling, plus he may not be able to even see it! Lying there like a mannequin is no turn on and he needs feedback on how he is doing to keep him excited. If you can't show or tell him, the right noises will do.

I DON'T LOOSE CONTROL...

Many guys use drugs when they have sex, most without problem. But lots of research shows that guys who do drugs are more likely to ditch the condom and have unsafe sex putting themselves at risk of sexually transmitted infection plus HIV. Plus drugs can deaden pain sensations causing you to damage his arse by being too aggressive or by having sex for far longer than you would usually.
