WELCOME... TO APRIL'S ISSUE.

WELCOME to April's issue of QXMEN from the new Editor, Michael. Don't worry, a new Editor doesn't mean that QXMEN is going to change... Oh no. It's still going to be stuffed full of hot guys, the best new porn releases, kinky toys and all manner of horny stuff to get you off!

Well, winter's finally over and, although it may not be scorching hot yet in the UK, we thought we'd bring you a scorcher from Barcelona, the very sexy Aitor Crash, star of Alphamalemedia.com's latest DVD 'Out On The Con', which we've also reviewed in this issue. There's some tropical heat also from Miami in the new thug porn flick 'Breion Diamond's Crib', plus we take a look at what buffed American jocks get up to after the school prom in COLT Buckshot's 'Brotherhood'. Titan Media unleashes some of its hottest hunks from the stable to poke us in the eye with 'Telescope' plus we've reviewed Michael Lucas' 'Gigolo' and were lucky enough to meet one of its stars, the oh-so-cute Zack Randall.

Closer to home we stumbled across some sexy council estate lads avoiding ASBOs and staying home fucking in 'Hot Chavs'. QXMEN was at Recon's Full Fetish: Rubber night at The Hoist in London in March and we also spent a wild night at Hard On, London's infamous mixed fetish night. Let us know if you think we should visit your favourite fetish club and we might just take a look. We had some steamy fun at the Greenhouse Sauna in Darlaston and also took a look around Trades Hotel in Blackpool, a great place to stay with the men-only Trades Bar that's got themed nights offering something for any hot-blooded man. Haydon Bridge meets James Lear, author of some very hot one-handed reading material in QXMEN's new series, Smut 'n' Stuff. And our resident GP asks that age-old question, "Does size matter?"... Who's he trying to kid!

MORE THAN **JUST** A PRETTY FACE...

Meet **ZACK RANDALL**, star of Michael Lucas' **GIGOLO**. Based in Seattle and aged just 22, there's a lot more to Zack than just a pretty face and a cute butt.

HOW DID YOU GET INTO THE PORN INDUSTRY?

I answered an ad that was in my college newspaper! A photographer was looking to pay college students to masturbate in front of a camera. I was curious about the scenario and, since I had no other job besides my schoolwork, I decided to try it out. I was so pleased with making in a few hours what my friends made in a week, that I continued searching for similar job opportunities.

WE'VE COUNTED THAT YOU'VE STARRED IN A DOZEN MOVIES ALREADY AND YOU'RE STILL SO YOUNG! HOW OLD WERE YOU WHEN YOU DID YOUR FIRST AND WHICH ONE WAS IT?

I was 21 when I did my first DVD. It's called 'Got Milked 3' by D&E Productions. At that point I had never had sex with a guy, so during that film I only did an oral scene and a scene where I got a hand job from a guy.

ARE YOU TOP, BOTTOM OR VERSATILE?

I'm versatile on film because I get more work that way. But in my personal life I prefer to top.

HOW DID YOU AND YOUR FIANCE DEREK RIVERO MEET?

We met on the set of a Black Scorpion shoot! He was my scene partner and during the scene something just clicked between us and we hung out for the rest of the shoot. We stayed in contact and within a month he had moved 3,000 miles to live with me.

DOES HE GET TURNED ON WATCHING YOU ON THE SCREEN?

Sometimes. There are some scenes of me that really turn him off, but for the most part I think he likes what he sees.

AND DO YOU GET A BONER WATCHING HIM?

Oh yeah! Definitely!

WHAT'S IT LIKE WATCHING YOURSELF ON SCREEN?

It can be weird at times. There are some scenes where I think I look great, but others that I wish had never hit the market. I'm very critical of my work, so that probably plays a role in how I watch myself. Overall I prefer to see other people on screen.

QXMEN WOULD USUALLY ASK WHAT YOU DID TO PAY THE BILLS BEFORE YOU STARTED APPEARING IN PORN BUT, AT YOUR YOUNG AGE, WE'D ASSUME YOU STARTED STRAIGHT OUT OF COLLEGE?

During college, actually! When I was in high school and during summer break my first couple of years in college I worked at a music store, but since I started trading cum for money, I haven't done anything else.

WHEN YOU'RE NOT FILMING OR DOING PROMOTIONAL WORK, HOW DO YOU UNWIND? WE'VE HEARD YOU PLAY THE SAX?

I love to take out my sax or clarinet and jam for an hour or two when I have the time. I've played for almost 16 years now and haven't found anything close to the emotional release that comes from jazz. Besides playing music, I also enjoy chess, reading philosophy (Nietzsche is my favorite!) and spending time with my fiancé.

ANY ADVICE TO SOMEONE JUST STARTING OUT IN THE INDUSTRY?

Don't be nervous, because it shows on camera! Come up with a name that is catchy, but not corny. Learn how to ejaculate on cue (practice masturbating with a clock and try to cum in exactly 22 seconds, or 45 seconds, or something like that.) Be comfortable getting an erection in front of people you don't know (very important!) I've been asked how to get started a lot, and I tell everyone that to be successful you have to have something original to offer. There are so many "porn actors" compared to porn stars simply because most people who strive for this occupation fail to realize that. They think they're hot stuff and can just be famous by getting in front of a camera and wanking off. If you really want to be a porn star, be in excellent shape, have an attitude on camera that comes across as sexually commanding, practice the things I mentioned above, and it doesn't hurt to have a big dick!

DO YOU FIND IT DIFFICULT TO PERFORM ON CUE?

Never. I used to practice cumming on command when I was in high school, so I have never found it difficult to ejaculate when it was needed. There have been instances where some studios have waited up to 10 or 11 hours (over a period of two days) waiting for a model to give the money shot, but I never understood how people who took that long to get off could ever consider doing porn for a living.

HAVE YOU FOUND ANY DOWNSIDES TO WORKING IN THE INDUSTRY?

It is a much more dangerous industry than some people realise. Condoms are used by the major companies, and most of the bareback companies require STD tests, but what it comes down to is your scene partner could have had sex with hundreds or thousands of other guys (through their partners) who may have had an STD. Besides always being at risk, I have met a lot of people in the industry who have tried to take advantage of me (sexually, monetarily, etc.) but that could be the same with any industry, as I've not really experienced anything to compare it to.

WHAT'S YOUR FAVOURITE PORN FILM EVER?

Can't say that I have one. I don't really watch porn, strangely enough, and when I did I was too young to have a credit card so I only got off to preview videos on hundreds of different sites I'd navigate to.

WHAT TURNS YOU ON?

Sensuality, kissing, foreplay, and oral sex. I get turned on by reading a really sexy story as fast I do by looking at pictures or watching a movie, and hearing my fiancé's breathing change as he nears orgasm is a huge turn on too!

WHO WOULD YOU MOST LIKE TO DO A SCENE WITH?

I think a scene with Brent Everett would be pretty hot. We are of similar body types, so I think it would look really good.

WHO WOULD YOU SAY IS THE HOTTEST TOP IN THE INDUSTRY?

D.O. from Black Scorpion Video easily. He has the body and face of a supermodel (indeed, he used to be a supermodel) and a cock to match!

AND THE HOTTEST BOTTOM?

Brent Corrigan or Blair Mason.

FANTASY THREE-WAY?

Me, Brent Corrigan and Blair Mason. That could be a very sexy scene... at least in my head!

ULTIMATE SEXUAL FANTASY?

Being in L.A. and getting picked up by Orlando Bloom, Johnny Depp, or Brad Pitt. Kind of cliché, but I could go for any of them!

YOU'VE JUST STARRED IN 'GIGOLO' WHICH IS RELEASED IN THE UK THIS MONTH... HOW WAS IT WORKING FOR LUCAS ENTERTAINMENT?

I love working for Lucas because there is a very high level of professionalism in the people on the set. He hires the best make-up artists, photographers, videographers, and editors. The work is more demanding than many companies, but he really gets more out of his models by pushing them to their limits. I think that two of my best scenes so far have been in 'The Intern' and 'Gigolo', and I attribute this to the crew more than the cast.

WHAT WON'T YOU DO?

I don't really like rimming. I'll do it and have it done to me on camera, but not in my personal life. On camera there are so many things I've not tried, so I can't say I'll never do them. I've always been an advocate of the "try everything once" philosophy, so until I try it I won't know if it's fun or not. The only thing I wouldn't do is a bareback scene with someone who doesn't have recent STD test results.

"HEARING MY FIANCÉ'S BREATHING CHANGE AS HE NEARS ORGASM IS A HUGE TURN ON..."

ANY PLANS TO VISIT ENGLAND?

No, not at the moment. I'm very busy with setting up my own company at the moment (the website just recently went up) so I don't know when I'll have the chance to leave the states. When I do visit Europe though, England is first on my list!

SO WHAT'S IN PIPELINE FOR ZACK RANDALL?

Obviously porn is a very limited way of affecting the world. In the words of Groucho Marx: "The clothes make the man. Naked people have little or no influence in society!" I see this as a job more than a career; one that will hopefully provide me with the means to go back to college to become a professor or a doctor. I've always aspired to help people, and I think my life would be quite wasted indeed if all I ever did for the world

was help people get off.

TELL US ABOUT ZACK RANDALL PRODUCTIONS?

Zack Randall Productions was a blueprint of my own porn company that I created over a year and a half ago. I shot some footage, but the company never got off the drawing board. Now, I own Randall/Rivero with my fiancé, and we've already launched our site www.RandallRivero.com. I hope to soon have dozens of videos on the site featuring more models than just Derek and myself. We will be doing webcam shows once we have more members, and in the near future we will be working on a DVD production line in addition to the website.

TELL US SOMETHING ABOUT ZACK RANDALL THAT MIGHT SURPRISE US?

I was the president of my college chess club for two years. I had to step down because I was getting too much work in porn to spend time setting up tournaments and advertising for the club on campus.

ANY LAST WORDS TO YOUR BRITISH FANS?

Check out my site at www.RandallRivero.com! You can also add me as a friend on MySpace (www.myspace.com/zackrandall) to stay updated on my latest ventures. Until I get across the Atlantic to visit you, Cheerio!

A KEITH KANNON FEATURE

BREION DIAMOND'S CRIB

PRODUCED BY FLAVA WORKS

Starring: Breion Diamond, Juice, Remy Mars, Jason Tiya, Big John Stud, Alex Flex, Rick Pearl, El Nino Rico.

SEXY HOMEBOY BREION DIAMOND STARS IN THE SECOND INSTALLMENT OF THE 'THUG MANSION' SERIES... THINK MTV CRIBS BUT FOR GAY PORN STARS! FOLLOW BREION AS HE GIVES US A GUIDED TOUR OF HIS THUG MANSION AND PROVIDES US WITH A TASTE OF SOME OF THE WILD ACTION THAT TAKES PLACE WITHIN ITS WALLS.

Breion kicks off the tour and invites over his neighbour Juice, a sexy Blatino who's none too happy with his noisy neighbour. That is until Breion whips out his juicy cock and slams it down Juice's throat. It's not long before Juice has forgotten why he came over to Breion's mansion and all focus is on riding Breion's massive tool. He doesn't have to wait long though, as soon he's getting pounded by Breion in multiple positions on the couch. After Breion fucks the arse off pale skinned Big John Stud he heads down to the beach where he meets up with homeboy, Alex Flex. They decide to head into the bushes for a little al fresco fun where, on his knees, Alex prizes Breion's massive tool from out of his trunks and chows down. Just near the guys is a hammock swinging between two trees, which they put to good use with Alex bending over to take Breion's meat in his arse... Hats off to Alex for taking it so long and so hard! After the beach we return to Breion's crib where he finds Alex and Rick Pearl getting down to some serious action in the Jacuzzi in his master bathroom. Ever the perfect host, Breion doesn't interrupt and leaves us to watch a hot interracial suck and fuck session between his houseguests. Scene five is a memorable three-way with Breion, uber-bottom Remy Mars and the slightly insane El Nino Rico. The three get down and dirty on Breion's kingsize bed and Breion's gets to work on Remy's chocolate bubble-butt with his snake-like tongue before both guys tag-team fuck him and bust their loads all the exhausted Remy. And don't miss the final scene when sexy Jason Tiya finds himself face to face with Breion and gets it good from the Diamond Kid.

Breion Diamond's Crib is hot thug porn at its best!

BUCKSHOT MAN DANNY RODDICK IS ONE OF THE MOST POPULAR GUYS ON CAMPUS, BUT WHEN ONE OF HIS FRATERNITY BROTHERS DISCOVERS THAT HE'S BEEN SECRETLY WORKING HIS WAY THROUGH COLLEGE BY MAKING GAY PORN FLICKS, ALL HELL BREAKS LOOSE.

BROTHERHOOD

PRODUCTION: COLT BUCKSHOT

A JERRY DOUGLAS FILM

Starring: Danny Roddick, Jan Fischer, Dean Phoenix, Jorden Michaels, Dallas Reeves, Trey Casteel, Kevin Armstrong, Tory Mason, Sebastian Rivers, Kurt Wild, Justin Burkshire.

AVAILABLE FROM
CLONE ZONE

Brotherhood's filmed entirely on campus at the frat house after a prom dance and stars eleven of COLT's finest buffed young jocks in scene after scene of college boy shenanigans. Scene one and we find blond Dallas Reeves nervously sat next to his roommate, Danny Roddick, who's rubbing his cock and watching straight porn. You can see Dallas is dying to touch Danny's straining cock and, just as he's about to go for it, they're interrupted by another college boy, the very buff Kevin Armstrong. Much to Dallas' surprise, gorgeous Kevin strips off and joins the guys on the couch and begins wanking his cock. Once all three jocks are naked and wanking their stiff cocks you'd think this scene couldn't get any better, but then in walks Kurt Wild and Justin Burkshire, back from the prom and still in their tuxedos. They're soon egged on by Danny to strip off and join the boys, which they reluctantly do... An explosive five-way frat bro wank fest ensues that'll blow your nuts! One outstanding scene not to be missed features the very hunky Buckshot Man Dean Phoenix showing us just how flexible he is. How this guy can lie on back and then flip his legs over so that he can suck his own cock is just un-fuckin-believable! This stud even shoots his load into his own mouth when Danny Roddick buries his tongue deep in his hole... What an amazing self-sucker! Lovers of buff jocks - in jocks - are gonna' love 'Brotherhood'.

A full-body photograph of a young, muscular man with dark hair and light skin. He is wearing blue briefs with a white waistband that has '2(x)ist' printed on it. He is looking slightly to the left of the camera with a neutral expression. The background is a dark, textured grey.

Broken Skin

Joey twisted round at the sound of the shop bell. "Shit!" He pushed the cropped head away from his cock and stuffed his erection into his combats. Tucking in his Ben Sherman he strode out from between the changing room curtains.

"Yeah I think that's the right size mate." He called back. "But just give us a shout if you need summut bigger." A snigger came from behind the curtain.

Joey worked in his brother's shop, 'Boot Camp', it catered only for Skins, selling records, boots, clothes and some other stuff he kept out the back. Joey's brother was a Skinhead too. Joey had always idolised Mick, he was an impressive guy by anyone's standards, unfortunately, most of the local girls agreed. Often one of Joey's mates would pop in, and if it was quiet they'd have a shag in the changing cubicle. But it was always the way. As soon as he was getting his end away, the fucking door would go.

Joey stopped in his tracks and stared. It was the guy from the bash on Friday. Joey had been to a mate's party at the weekend, all Oi! sex and bitter. He had spotted this Skin fucking some slapper on the stairs. Normally he didn't go for straights but this one had been bollock naked, and man, what bollocks! Joey had leant in the kitchen doorway with his beer watching his fit arse as he fucked hard for at least an hour. He recalled the Skinhead's tattooed muscles and the length of that slick cock when he'd finally rolled over. One tattoo, dark on his hefty arm, read Roy.

"How can I help you, mate?" Joey looked him up and down. He was wearing an open Crombie, a '4-Skins' T-shirt, skin-tight jeans and polished red Doc's. He looked really mean, Joey felt his cock swell in his fatigues.

"You can't." The Skinhead's voice was as huge and dark as he was. "I ain't gonna fuck about mate. You're a fucking queer ain't you."

Joey looked up at the guy. He had seen the man naked he did not wanna tangle with that. Not in a fight, anyway. "What's it to you?" A lame response but it was all he could think of.

"It's a fucking lot to me mate, if some queer boy's eyeing my arse up at the weekends."

"Shouldn't fuck in public if you don't wanna get seen."

"Look man..." Roy grabbed Joey by the collar of his shirt. "I aint a faggot right?"

"Never said you was."

"I wanna know what it..." He glanced towards Billy, Joey's mate, as he rattled back the cubicle curtain.

"You OK Joey?"

The big Skin released Joey. "Yeah, he's fine. I was just going."

As the door jangled closed Billy walked up to his mate. "What did he want?"

"Don't ask me." Joey watched the figure turn into the high street. "But I know what I want." He seized Billy's crotch.

It was Joey's fifth can of Boddingtons and the party was pounding. There were about fifteen Skins po-going in the main room, six slouched, spaced out in the hall and another three drinking with him in the kitchen. After the last bash he'd decided to hold his own. Queers only this time. Despite their tryst in the shop he couldn't stop wanking over Roy - 'the straight guy' - as he kept reminding himself, he hoped an orgy later would lay the ghost.

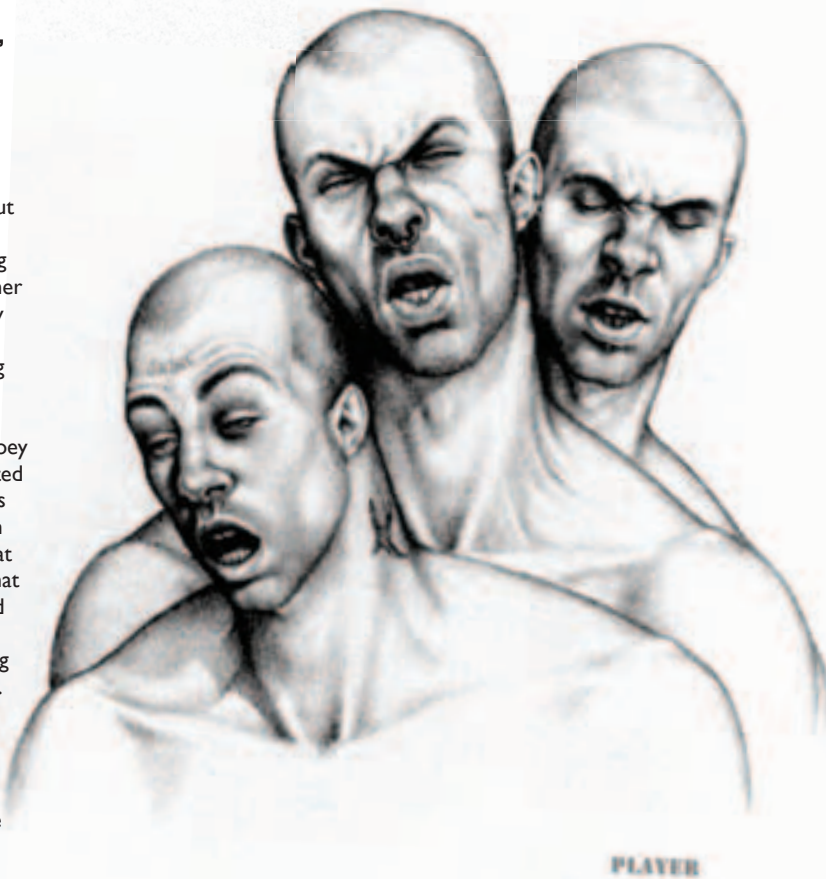

"...So, Jimmy says - now get this - I ain't got one anymore, my last one's reached its sell by date!" Billy slapped Joey on the back and guffawing, choked on his beer.

"It ain't that funny, Bill." Joey wandered off for some talent spotting.

"You still fucked up about big boy Roy?" Billy called after him "You don't want no frigging straights you perv!" he hacked and spat in Joey's direction.

There were plenty of horny blokes in the front room, bouncing off each other to the deafening 'Oi!' music. Half of them had their shirts off; tucked in their jeans, sweat pouring down their bodies. One, Jason, was about seventeen, he was lithe and sinewy and, judging from the lump in his skin-tight jeans, well endowed. Before he'd seen Roy, Joey had nurtured the ambition of getting Jason on his back. That all seemed a bit pointless now, even though the lad was giving him definite signals.

Joey slumped on the beaten up old couch and lit a Camel. He had changed brands since he saw Roy lighting up after his screw. Joey could see him now:

stretched out on the landing, his cock ebbing to a size most men would kill for, drawing hungrily on his Camel. The music was getting to Joey's head. He hauled himself out of the sofa and wandered out onto the balcony.

Drunk, Joey surveyed the council estate he lived on. From the fifth floor it looked like a mouthful of rotting black teeth, the florescent bacteria glowing in the gloom. He leaned on the railing and gobbled over the side.

"Fucking watch it!"

Startled, Joey peered down to the foot of the block, no one. Then he noticed a black shape, its coat flapping like bat's wings, halfway up the drain pipe. He squinted but he couldn't see who it was, all he could make out was the pale crown of a shaved head. Eventually the man reached the balcony. As he swung his legs over, Joey saw it was Roy. Panting, the Skinhead spoke.

"I didn't get to finish me sentence. I aint a faggot right, but I wanna know what it's like to get fucked... Show us will you." Roy unzipped his jeans and dragged them down to his boots. He turned his back to the bewildered Joey and hurriedly pulled his Crombie up to expose his firm tattooed arse. A blue swallow pointed the way.

"Fucking 'A'" Joey ripped open his fatigues and his already stiff cock sprang free. "An' I wannit tame, man. I'm a virgin remember."

Joey smiled mischievously and advanced on the lean buttocks. His cock teased between them, sliding, moment by moment nearer the hole. "Second thoughts, lets have a bevvy first." Roy stooped and pulled up his jeans, zipping them he disappeared into the flat.

Joey followed, angered and yet still hopeful. After fighting through the curtains he scanned the room for Roy. He searched the flat and ended up back in the main room. All the Skins were gathered in a circle around the sofa. 'another fight' Joey thought. But in the centre of the throng was Roy, sprawled on the couch, getting sucked by Jason. The others were standing around, obviously impressed by Roy's endowment, wanking.

“Joey!” Roy looked up at him. “Get us a beer will you, I got a bit... er, distracted.” he spoke as if he was watching ‘Eastenders’, not getting blown by the hottest lad in Catford.

Joey stormed into the kitchen, snatched a can from the fridge - the cheapest beer in the place - and bought it back to Roy. The man took the can and examined it. He reached up and grabbed Joey by the throat.

“I don’t drink piss. Get me a fucking BEER.” he flung the Skin to the floor.

In the kitchen Joey felt the rage increasing inside him, however there was a swell building in his combats too. He took the can of ‘Bods’ back to the front room where each member of the crowd was systematically sucking Roy. They stood in a queue watching the Skin at the front as he swallowed as much of the erection as he could take. To his horror Joey saw it was Billy. Dave, Joey’s second best mate called to Billy.

“Hey! Don’t bring him off yet, I ain’t had a go.”

Roy was breathing quickly, grinding his cock into Billy’s throat. He lowered his head onto the arm of the couch and smiled up at Joey through narrowed eyes.

“Hey.” Roy pushed Billy off him. “Got me beer?”

He considered the can. “That’ll do me. Why not have a suck, as a thank you.”

Joey fought with his pride. His pride lost. He knelt down before the massive column standing between Roy’s legs. The big Skin had removed his shirt and his body stood solid and defined in the light of the solitary red bulb. As Joey’s lips were about to envelop the straining dick a flood of icy liquid poured over his head.

“Fuck! Spilt some.” Roy pushed Joey’s head away. “Look what you made me do you little faggot.” He kicked Joey squarely in the chest, sending him sprawling onto the lino.

“Now I got Boddy’s all over me todger.” Roy leered at the next Skin in line. “What am I gonna do?”

Joey sat in the kitchen twisting a dog-end between his fingers and fuming. How could his mates do this to him, stand by as some so called straight abused him. And Billy!

After all he’d fucking said!

“Joey!” Talk of the devil. “Roy’s asking for you.” Billy was wearing an earnest expression, but nothing else.

“Got you all running round for him ain’t he?” Joey saw the irony of this comment but Billy seemed not to. He sighed as he dragged himself from the kitchen table and followed his ex-mate.

Joey couldn’t believe what he saw as he turned into the main room. Roy, his distended cock still rigid in mid air, was freeing a robust stream of piss over the naked population of Joey’s party. Skins were writhing under the steaming torrent, catching it in their mouths and wanking frantically.

“Joey!” Roy’s flow began to wane. “I’ve saved me arse for you.” He turned, dropped his jeans and stepped out of them, then wearing only his DM’s, walked through the spreading lake of urine to the sofa.

The springs protested as he clambered onto it, positioning himself on all fours, his buttocks raised for the taking. Joey eyed the enormous dick hanging between his stocky legs, the muscled back and dark tattoos. The other skins were watching, the wet sound of masturbation all around. Joey wondered if this was another attempt to humiliate. The concept throbbed in his combats. He opened his fly and tugged out his semi-hard cock. It promptly filled and expanded till it pointed up against his stomach.

Joey closed in on Roy, as he reached the sofa he was grabbed by Billy, then Dave. suddenly the gang were dragging him across the room. They stank of Roy’s piss and their own cum, laughing harshly, they bound him to the radiator. Jason joined Joey him on the floor and bent his head to suck Joey’s straining dick. Before he touched it he raised his head and spat into Joey’s face. Grinning, he went to join the rest at the sofa.

The bulge in his jeans had not lied, Jason’s dick was phenomenal. He pushed the other Skinheads aside so Joey could see and knelt behind Roy. He was granite hard, bucking slightly as he shifted closer. He rolled a rubber over it and slowly he eased it in. From his position on the opposite wall, Joey could see everything, Roy’s face creasing into pained ecstasy as the fat shaft slid inside, Jason’s eyes trained on the small tight buttocks he was parting. It was a delicious agony for Joey. Jason began to slide within

Roy, they writhed and moaned as the others caressed their arching bodies. Jason grunted and Joey watched the lad’s balls rise as unseen cum pumped from them. The boy was dragged off by Billy. Rubbed up, he took over entering Roy’s arse-hole easily, the path greased by his predecessor. Roy moaned, shifting back onto Bill’s dick. The Skin slid in and out, picking up speed till his hips slapped against Roy’s buttocks. Then with deep rapid grunts cum was flowing once more. And so it went on. Joey watched as each and every Skinhead fucked the man of his fantasies. Man after man pounding into Roy’s Herculean body, cock after cock filling his arse and then leaving, drained. Joey’s erection strained painfully in mid air, begging to be touched, but his arms were bound. He thought it could get no worse when the door bell rang.

Billy pulled on his jeans and left the room. The conversation in the hall was barely audible to Joey. Then Billy returned, grinning. A figure entered behind him, he took in the scene then slowly undressed. His white Fred Perry was thrown on the pile of clothes in the corner, his braces swung at his thighs as he unbuttoned his fly and pulled off his jeans. The jockstrap came off next and he stood erect and impressive in the centre of the room.

Joey stared, he hadn’t seen his brother’s cock since boyhood, it stood at right angles to his muscled gut as he stretched a condom over the head. It must have been nine or ten inches long, and thick as fuck. To think of all the years of teenage masturbation Joey had gone through over Mick in the firm belief that his brother was one hundred percent straight. Now he gazed as the labourer’s body advanced on Roy. Mick knelt on the couch, his enormous weight causing it to creak. Alarmed, Roy looked round, he saw the colossus behind him and the phenomenal tool poised at his arse, he jumped to his feet.

All eyes were on Mick. He slowly lifted himself from the sofa. Standing he was a full six inches above Roy. His anatomy was how Roy’s would be, given five more years of religious workouts. Roy stood poised for combat. He knew he couldn’t take the monster twitching between Mick’s thighs. For the first time Mick turned to his brother; and grinned. Then he seized Roy and span him round, forcing him against the wall. Mercilessly he rammed his hefty cock between the Skinhead’s greased buttocks. Roy cried out, his arse burning, splitting with the monstrosity that invaded it. Joey’s brother was ruthless, he shoved his cock, squelching, into the tight arse focused on nothing but his own gratification.

The onslaught seemed unending. The host of Skins drank in the scene wanking and sucking at revitalised cocks. Joey watched, crazed with frustration. Every cock was being serviced but his and it was acute torment. Mick began to speed his offensive, colliding with

Roy’s arse violently. Joey watched the thick, glossy shaft of his brother thrusting, blurred with the rhythm, into Roy. Mick gripped Roy in a bear-hug round the chest his hips working furiously. He leant his brow, grunting, on the Skinhead’s bristled skull as fresh cum flowed into Roy’s arse. Jerking in mid air, Joey’s cock ejaculated, it was so aroused that it hurled its load across the room. Mick turned to him smirking, as his little brother’s cum spattered his thigh.

Wasted, Mick pulled out, removing the condom, a tide of cum slapped on the floor. Roy stayed leaning against the wall, panting, his face creased in torment. Painfully he staggered to the sofa and laid face down. Still panting Mick untied Joey. “Do you feel up to a fuck? I think me laddo’s waiting for you.” Joey thought of the pain his dick would cause. Grinning, he stroked it back to life.

ONE-HANDED READING: THE WANK BOOKS OF JAMES LEAR

COPIES OF THE FIRST EDITIONS OF THE EROTIC NOVELS OF JAMES LEAR NOW CHANGE HANDS FOR £75 EACH. LEAR MANAGES TO DELIVER THE GOODS - FANTASTICALLY FILTHY BUT FEEL GOOD SEX - WHILE TELLING RATTLING GOOD YARNS INSPIRED BY CLASSIC FICTION. ONE OF LEAR'S BEST BOOKS, THE PALACE OF VARIETIES, IS ABOUT TO BE RE-ISSUED. IT TELLS THE STORY OF TEENAGE PAUL LEMOYNE, WHO IS PASSED AROUND A SUCCESSION OF SEXY, MAD AND SEX-MAD ARTISTS. IT'S SO WELL-WRITTEN AND HORNY THAT I FIND MYSELF USING THAT RARELY-HEARD PHRASE "HIGH QUALITY PORN." NEEDLESS TO SAY, JAMES LEAR IS A PSEUDONYM. BUT WHEN I MET THE NOVELIST, HE ANNOUNCED THAT HE WAS PREPARED TO COME OUT AS THE GUARDIAN AND RADIO TIMES JOURNALIST RUPERT SMITH. SO THIS INTERVIEW COULD HAVE BEEN HEADED RUPERT BARE.

"MY HIPS BUCKED AND I SQUIRTED WHAT FELT LIKE A PINT OF SPERM INTO HIM."

Rupert Smith: The genre title for these books is adult fiction or erotica. I don't have any problem with them being called porn, or wank books, or one-handed reading, because that's what they are. It wasn't like I had this burning desire to write smut although, having said that, when I was a lad I used to write elaborate sexual fantasies in my secret diary about what would happen if Chris Wilkinson and I were out for a ride on our mopeds and his broke down and he got oil all over his trousers. I was at a bit of an impasse with my Rupert Smith writing in the early 00s and a friend of mine said, "Why don't you knock out a dirty book? It'll take you two weeks and you'll make a couple of thousand pounds out of it." And I thought, well, I'm always up for a challenge. So I got it commissioned and I really enjoyed writing it. It was called 'The Low Road' and it was a re-write of 'Kidnapped' by Robert Louis Stevenson, which I consider to be the most homoerotic book ever written. Re-read it; it's amazing. This one, The Palace of Varieties, which was the second, is 'Tribby' by George du Maurier, with the sex of the protagonist transposed and the period updated. I really, really love the between the wars period. You look at photographs of the bits of working class rough and the very handsome actors or whatever and you think God! We don't know very much about the sexual life of the time, and for me imagining the sexual activity is almost as exciting as writing about the mechanics of sex.

"I SLID SMOOTHLY DOWN HIS WELL-LUBRICATED SHAFT UNTIL IT WAS BURIED RIGHT INSIDE ME."

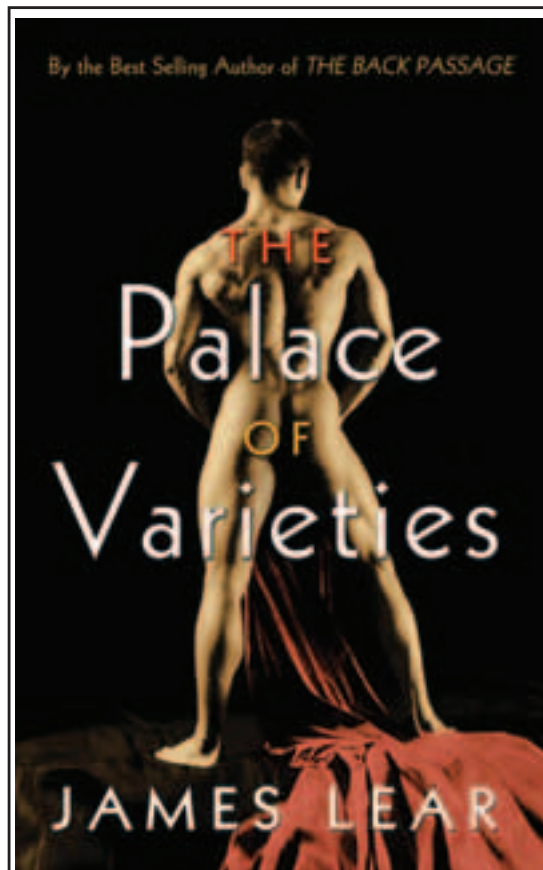

Because of its underground roots, erotic literature wasn't subjected to the same kind of professional scrutiny as other forms of publishing. I grew up in the 1970s when you could get little paperback wank books, and some of them were fabulous little things with illustrated covers, often held together with rusty staples. But some were shocking, badly written, not copy edited at all, and also horribly homophobic, with young lads being fisted to death. I don't feel

comfortable about anything that involves violence. There's some really filthy, degrading things in my books, but that's because I think they're interesting from a masturbatory point of view, and they always resolve into a fairly positive view of gay sex.

"A FEW STROKES OF HIS PISS-WET LIPS AND I WAS FULLY HARD, AND PROCEEDED TO FUCK HIS MOUTH."

I discovered I can write about sex very well. I decided to give the books as much attention as anything else. People often say to me, "When you're writing these things, are you sitting there with a permanent hard on?" Well, no. Thinking the plots up is probably what gives me more pleasure because, once it comes to actually writing, I'm really concentrating on doing it well and getting it right. I'm practising my trade as it were. I do put in things that turn me on, people I know. It's a way of me working out very pathetic adolescent fantasies about boys I see at the gym. It's a power trip. Then I'll see one of these guys at the gym and I think, "You have no idea what you were up to last night!" So that's quite funny. The only person who knows who these people are is my partner, and he just hoots with laughter at the things I've made these poor people do.

"HUGE JETS OF CUM SHOT UP THE LENGTH OF HIS ARM, SOME OF IT LANDED IN HIS BEARD."

If my books make people hard and inspire them to jerk off, then job well done. It's like a standing ovation. But the perception that this work is only for gay male masturbators is challenged by the fact that it's read by almost as many women as men. The reason I know this is that James Lear has a MySpace page [www.myspace.com/jamelearfiction] and I would say that maybe 40 percent of the people who have befriended James Lear are women. They're mostly straight. They love reading about sex and one of my female readers said, "I like penises and I like men and as far as I'm concerned two cocks and two men is twice as good." And I just thought, you horny cow! But how fabulous.

"HE PICKED UP A HUGE BRUSH... AND SCOOPED UP THE SPERM AND THE RED PAINT FROM MY STOMACH, APPLYING IT TO THE CANVAS IN BROAD, UNINHIBITED STROKES."

I'm sure that some people do think that wank books are sad. But all I'm doing is exploring flights of fancy about things that maybe have happened to me or people I know and I'm taking them to ridiculous conclusions. So if people think it's sad then the writing of all fiction is sad. There's an absolute parallel between this and other forms

of genre fiction. Nobody's saying that Agatha Christie was a murderer manqué or that Stephen King is a ghoul. (I don't dare to compare myself to either of those two, who are my absolute idols). The trouble is that erotica isn't respected in the same way as crime or horror. But it gives me such a thrill when I see my books in legitimate bookshops and they're outselling some heavy literary fiction like 10 to 1.

"HE JUMPED UP ON TO HIS FEET, HELD THE TIP OF HIS TRUNCHEON AGAINST HIS ARSE AND SWALLOWED IT WHOLE."

The reason I used a pseudonym in the first place is that, when I started writing these books, I was working for the BBC, and I thought possibly over-cautiously that, if I published dirty books and it became known by my employers, they might not be that thrilled. Also it's actually quite useful for me to have this other persona. I think of James Lear as a dirty old man, who's lived a very disreputable life, and is now living in an expensive retirement home with a paid nurse. I do quite like the idea of James Lear having his own readers. But now the books are doing very well and I want to get some of the credit for it.

recon

Recon is a virtual world for all things pervy... Whatever your fetish or persuasion, they have a social networking website that accommodates it, and every so often they break out in to the real world and throw the mother of all parties - last

year's Full Fetish event is still talked about in hushed tones! A couple of weeks ago their latest child, Recon Rubber, was spawned at The Hoist in London and, with pre-party sign-up on the website, we could check out the party goers before we even got there - don't you love technology! With a strict rubber and latex only dress code, there was plenty of the black shiny stuff on display but also some more creative pieces with coloured and clear rubber as well as hoses, masks and accessories that we can't even guess the use of (ok, so we can, but where's the fun in telling you when really you should have been there to see for yourselves!) There were cute boys, butch boys, dirty boys and fuck boys, Recon styled go-gos, rubber clothing give-aways, blow jobs at the bar, cocks out on the balcony and don't even start us on what was happening in the alcoves (but it was wet under foot!) If you're thinking to yourself, "I've got nothing suitable to wear", well don't be a woos, get your tush along to Jonathan at Fetish Freak and let him slip you in to your new second skin, and if you're really lucky he'll stick a gag in your mouth!

VIDEO REVIEW

MENACE TO STR8 THUGZ

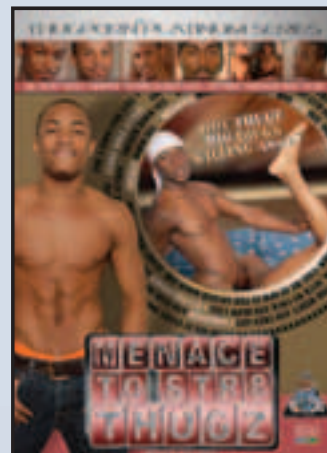

DIRECTED BY JALIN FUENTES
STUDIO: PITBULL PRODUCTIONS

Starring: Mr Sauki, Chyna, Shooter, Vaughn, Blasian Asian, City Mike, Sebastian Blue, Ty Boi.

Featuring some of the hottest Blatino boiz from Miami, Menace To Str8 Thugz gets straight down to business when buff thug Mr Sauki bumps into tall and lean homeboy Chyna in the gym. As Chyna works out, Mr Sauki flops his thick black meat in his face - an invite that Chyna can't refuse. As Chyna sucks down on Mr

Sauki's growing cock he realises it's gonna hurt. At first Chyna protests that it's too big but after a few minutes his hole relaxes to take every inch of Mr Sauki's rock hard black meat. The positions these two fuckers get into as they screw on every piece of gym equipment available are totally awesome and when they both shoot their loads, they do so all over each other. In scene two, homeboy Vaughn is having computer problems so he calls Shooter over to help him out. As the guys are working on the computer, Shooter finds Vaughn's hidden stash of thug porn! Horny and intrigued, Shooter lets Vaughn suck his massive dick.

It's not long before he's introduced to the pleasures of thug sex and you know it won't be the last time Shooter's gonna fuck arse. Fast forward to the final scene and sexy Mr Sauki is out shopping looking for a new hoodie when he meets another Blatino thug Ty Boi. Ty's looking for a pair of swimming trunks and Mr Sauki convinces him to try on a really skimpy pair. In the dressing room Mr Sauki goes into the next cubicle knowing full well that it has a glory hole in the wall between them! When Mr Sauki's long fat cock pokes through the hole it only takes a minute before Ty's chows down for his first gay experience. Ty sucks his first cock and Mr Sauki fucks his virgin butt like a wild animal... Not for the faint hearted!

If you like pure thug sex at its nastiest, you'll love this DVD.

Titan Media presents a film by Brian Mills

TELESCOPE

PARTS 1 AND 2

Starring: Alex Baresi, Andrew Justice, Damien Crosse, Dillon Buck, Francois Sagat, Lars Svenson, Rick van Sant, Rodrigo De Leon, Steven Ponce.

TITAN MEDIA LETS LOOSE TEN OF ITS FINEST FROM THE STABLE FOR 'TELESCOPE'. FOUR HOURS OF SPUNK-SLURPING, ARSE POUNDING ACTION THAT'LL MAKE YOUR COCK THROB...

TitanMen exclusive Diesel Washington peers into his telescope and pans across the skyline,

spying on the sexual adventures unfolding across the city. As he homes in on a park he spots delicious Damien Cross sunbathing who's being cruised by masculine hunk Francois Sagat. The two studs trade blowjobs and piss on each other before they cum. Damien then pounds Francois' perfect round arse, taking a break from the intense fuck only to piss on him some more. Diesel certainly is the star of this movie and, in his first scene with blond Steven Ponce, he throws the helpless young buck around on his massive cock in one of the most intense fuck scenes you've ever seen. There's two positions in this scene which will leave you in awe; one that's now known as 'The Bully'. You'll have to watch to see how it's done but try to imagine Diesel holding Steven in a full nelson while bouncing him on his massive cock... Outstanding! It does help that Steven is only half the size of man mountain Diesel.

There's a hot three-way between Dillon Buck, Lars Svenson and Rodrigo De Leon in an industrial warehouse before we come to the jaw-dropping finale of 'Telescope'. This time, Diesel and Rick are joined by this month's centerfold, Alex Baresi, in a dark warehouse for another intense three-way fuck. After they all shoot their loads, Diesel fists both guys at the same time,

punch fucking Rick's pink, smooth ring while doing the same to Alex's hairy man-hole. And, just when you think this scene can't get any hotter and heavier, the guys turn around, remove Diesel's socks and proceed to get foot-fucked by his huge size 15 feet... This is XXX hardcore action that'll leave you speechless!

the perfect oasis in a hectic world

Busy for all 365 days a year, the GreenHouse Sauna in Darlaston, Birmingham has been operating for almost 20 years and was one of the first gay saunas in the UK...

It's the largest of the group and has probably one of the biggest saunas in the UK as well as some very impressive facilities such as the sub-tropical swimming pool complete with its own waterfall which leads through to a private cave - think of the grotto at the Playboy Mansion and you'll get the idea.

The many other facilities include a 14-man spa with impressive mood lighting and soothing music, saunas, gym, a cinema plus a rooftop conservatory complete with a heated smoking shelter, plenty of room for some private sunbathing and is the perfect place for 'getting to know' a sexy towel-clad guy. Downstairs in the sauna there's many different darkrooms, cabins and rest areas, including a domination and dungeon area, glory hole rooms and even light rooms with a mirrored

SIZE QUEEN

IT'S AN OLD ARGUMENT... IS BIGGER BETTER?

Check out any sculpture by the ancient Greeks and, whilst they've got buff bodies, you may be disappointed when it comes to the size of their cocks. It's no accident - the ancient Greek's often considered a large penis as barbaric and unworthy of real men! Now, popular culture has opposite beliefs. Have a big cock today and it supposedly makes you masculine, confident and more able to sexually satisfy your partners.

SO, DOES SIZE REALLY MATTER? THE ANSWER IS A RESOUNDING... WELL, MAYBE JUST A LITTLE BIT!

The physical pleasure from anal sex is from your prostate gland being nudged and massaged by a cock inside you. This gland lies only a few centimetres inside the arse so you only need a cock that's at least that length to do the job. Anything longer serves little purpose and can be a problem because it's more likely to knock into the bends of the bowel. When it comes to dimensions a thicker cock can massage the prostate more easily, but if guys were more aware of where the prostate the gland is - and made an effort to stimulate it by varying the depth, angle and positions they fuck - you'd know that technique far outweighs cock dimensions.

Sex is also psychological and about fantasy. And for many guys - size queens in particular - the look of a cock defines a man's masculinity and if it's bigger, it's better. But out of fantasy we know that masculinity is not about size but about attitudes and behaviour. You can have a guy with a very big cock but who is all 'woman'.

FIND YOUR PROSTATE - OR HIS

You can feel the prostate through the wall of your rectum. Insert a finger a few centimetres inside the anus and toward the belly button and you'll feel a firm walnut sized swelling.

The psychoanalyst Sigmund Freud introduced the theory of 'penis envy' which says that it's natural for men to compare themselves to each other because of this popular belief - however false - that size matters. Research shows that for most guys the idea that they have a small penis is in their heads and not their pants. When they measure they are almost always in the normal range but have no clue how big an average size cock is and so compare themselves to the super hung in magazines and porn. No wonder they get anxious!

SO TO FACTS:

- The average penis - when erect - is 5.9 inches, or 14cm and six out of ten men have a dick that measures between 5.1 inches and 6.2 inches.
- The average girth is just under 5 inches with nearly eight out of ten men being between 4.5 inches and 5.5 inches.

MEASURING STRAIGHT (IS IT POSSIBLE!) AND LOOKING PUMPED

Most men don't give themselves the length they deserve. To measure accurately you need to be erect and standing up. Push your dick away from your body so it's level (parallel) with the floor. Measure from your pubic bone - that's just above the base of your penis - to the very end. For girth measure around the thickest part.

To appear at your maximum trim your pubic hair to expose more of your dick or use a simple cock ring to holds blood inside.

BY DR ALEX VASS

Anxieties about size - just as in anxieties about the body - are often about self-esteem issues and confidence. Having the perfect cock - just like the perfect body - is not the answer (although it probably can get you more sex). Sexual confidence is about the size of your imagination! Pills and supplements promising you extra inches are often a waste of money. Don't even consider operations (unless you are under 3 inches when hard) because the risk is just not worth it. The best you can do is learn to use what you have.

THE SEARCH FOR THE NEXT POWERTOOL STAR

Every gay man has, at some point in their life, seen the classic gay porn **Powertool** from 1986, the film that made Jeff Stryker a household name. Next came the 1992 flick **Powertool 2: Breaking Out** that made Lex Baldwin the new 'it' guy in the gay porn industry. Well, news is in that legendary director Chi Chi LaRue has begun his search for an as-yet-undiscovered talent to take the lead in **Powertool 3**. Open auditions have been held in the US over the last couple of months looking for the ideal candidate. The criteria? Well he should, not only be stunningly handsome and extremely well-endowed, but must also possess that special charisma and unquenchable sexual appetite that only a true Powertool star has. QXMEN can't wait to see what hunk of manliness Chi Chi's gonna' choose... We'll let you know when he's revealed.

Calling all bears! Would you like to ride upon this year's Bears' Float in the Pride Procession at Blackpool Pride on Saturday 17th May? If so, the organisers are on the hunt for sexy bears and cubs to join them for the day. So, if you're a cute little cub or maybe a big leather daddy bear and you're interested in taking part, call Dave on 07835 640 444. But if your pay cheque won't stretch that far, don't worry as QXMEN will be there to report back all the horny goings on.

WORLD'S FIRST GAY PORN ON BLU-RAY™

We reviewed it in February's issue, and now Titan Media's 'Breakers' has become the world's first gay adult high-definition film to be released on Blu-ray Disc™. "I have seen the future and its name is Blu-ray™. Once consumers have gotten a look at our films in glorious wide screen, Blu-ray™ High-def, they will never go back to standard DVD or online streaming," Keith Webb, Vice President of Titan Media, said. "Watching TitanMen films in Blu-ray™ is like watching live action going on right in front of you; it feels like you can almost reach out and touch the performers!"

STEVE CRUZ WANTS TO KEEP NEGATIVE MEN NEGATIVE

Raging Stallion Studios' 2008 Man of the Year, sexy Steve Cruz has launched HowlRoll.info, a US website and campaign which aims to 'keep negative men negative'. "I wanted to make a difference," Cruz said. "With sales of bareback movies on the rise, I became concerned that maybe our attitudes toward condom use were becoming too relaxed. Supporters of the bareback industry would say 'Let adults decide for themselves how to behave.' And I'd totally agree ... but don't stop there. How can you make informed decisions without the facts?"

Take a trip there and you'll find that it's a Man's Bar in every respect – a place where men can be men, and be with men – there's no drag allowed in Trades Bar! The theme of the bar is masculine and erotic, finished with an industrial look of bare brick, rubber and steel with a dark and moody colour scheme. Boasting top DJs, a state-of-the-art digital music and video system, light shows, a pool table, cash machine, gaming machines and loads of video screens, Trades Bar can create the perfect atmosphere for any night including, of course, its many themed nights.

And coming soon is the **Kink Night**, a night for skins, fetishes, uniforms and more! Monday nights at Trades Bar alternate between **Pyjama Parties**, **Scally**

Night Parties, Karaoke Nights and a **Mayhem Night**... Phew, you're spoilt for choice, but don't forget that Trades Bar is for members-only so pick up your membership forms at Trades Hotel. And get this... residents of Trades Hotel are entitled to **HALF PRICE** life-time membership to Trades Bar!
