WELCOME... TO SEPTEMBER'S ISSUE!

As September was traditionally the time when harvesting began, this month we thought we'd bring you the cream of the crop of today's hottest gay porn stars and a whole feast of horny DVD reviews.

DVDs which we've reviewed for your pleasure include one with the delectable Johnny Hazzard who shares some of the best scenes from Chi Chi LaRue's Rascal Video in **Feed The Need**. The guys are **On Fire!** in a scorching release from Jet Set Men, which features cute American college jock, Jesse Santana, who QXMEN caught up with recently and asked a few probing questions. The buff, musclemen from Hot House Entertainment entertain us with **Skuff 3: Downright Wrong**, although we couldn't find a single thing wrong with these guys. Eurocreme serves up a hefty portion of massive cocks and eager bottoms in **Hung Ladz - Ripped**, a must-see for size queens, while the lads at Triga give us another sneaky peak at some of their audition

tapes. This time around it's a bunch of filthy **Skins & Scallies** wanking their cocks for the audition camera. Finally, we went on the trail of a dangerous criminal in the wild hills of Colorado in Titan Media's latest big budget release **Copperhead Canyon**.

QXMEN took a closer look at Gardar.co.uk and discovered a whole new world of sex pigs, perverts and fetishists online. We also paid a visit to Sweatbox Soho, a stylish new 8,000 square foot gay gym, sauna and spa just off London's busy Oxford Street. Ahead of his trip London when he'll be attending Hard On's 7th birthday, Matthias von Fistenberg took time out of his hectic schedule to give us an insight into his life and talk about some of Dark Alley Media's most controversial movies. Also heading to London in the coming months is hot Southern star Jesse Santana, who'll be in London to sit on the panel of judges for the UK heat of Europe's Next Gay Porn Star, a new event that hopes to find new and raw untapped talent. QXMEN had a quick one-to-one with Jesse, plus we've also got full details of how you can apply to try out for Europe's Next Gay Porn Star. Porn director Maxwell B gives some advice on how to execute the perfect porn shoot, while our resident sexpert, Haydon Bridge, gives us two for the price of one when he goes on set of new 'chicks with dicks' movie, *Secret Diary of a She-Male*. And, after all those cocks and arses, we needed to relax and unwind, so we popped into East London's E15 Sauna and cleansed all of the sex and smut out of our pores in the steam room.

sleaze, sex pigs & extra large cocks...

it's all at gaydar.co.uk

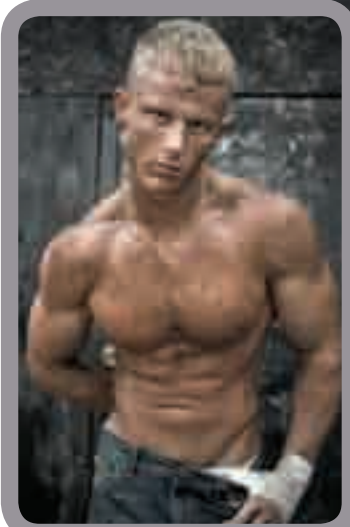

The web has literally hundreds of fetish cruise sites catering for guys with varying sexual interests and fetishes of every conceivable kinky persuasion. Go online and you'll find sites such as Recon, catering for leather guys, rubber guys, skinheads, guys into fisting and much more, gaymusclmatch.com for guys who like their men with bulging muscles, spankthishookups.com for guys who like their arses spanked, for those who get turned on by feet there's planetfeet.com, and we even stumbled across adultbabycamp.org, a site for adult babies and guys who like to wear nappies! However, there is one gay personals website that, for want of a better phrase, has everything under one roof...

Gaydar.co.uk, launched in 1999, revolutionised the way gay men and women could meet up for a date or just for

sex. It created a new 'online community' and today has almost 5 million registered users. Many guys will have a 'respectable' profile on Gaydar with pictures of them on the beach or out having fun, which they can tell their friends is used for 'social networking'. But these same guys will most probably also have another slightly different profile with images of them tied up in a sling at a sex party, sucking on some guy's cock with an inflatable dildo hanging out their arse, with a profile name like 'Spunklovin_fistbitch'. It's also probably the case that nearly all the guys with sleazy profiles on fetish cruise sites have actually already got a profile on Gaydar too. Just take a minute to use one of Gaydar's many search options and you'll find that there's thousands of guys registered who are into all sorts of fetishes, and it's so easy to narrow down your search too.

For starters you can search just by guys' profile names, usually an indication of what turns them on. We typed in the word 'master' and were given a list of over 600 guys who had the word 'master' in their profile name, 'rubber' threw up over 300 guys, as did the word 'spank'. We even tried a search for guys with 'nappy' in their profile and discovered over 30 guys into the adult baby scene! Guys who don't want advertise their fetish in their profile name can let users know what turns them on in the list of keywords which appear on their profile page. Under 'Fetishes', users are able to select from an extensive list of things that turn them on including Armpits, Hoods & Masks, Leather, Nipples and Toys. While users can choose from an endless list of activities like Bondage, Electro, Fisting, Tickling and Wrestling under the list of 'Sexual Activities'. This enables you to search using Gaydar's 'Keyword Search' to find guys are into your particular kink or fetish. When we did a quick search for guys who'd said they were into watersports, in London alone we were greeted with a list of 1,000 guys! (there were more but you can only view the first 1,000 guys found) Using the keyword search option again, it turns out that there's over 100 guys in Brighton who are into the sub/dom scene, listing Master & Slave as one of their interests and over 350 guys in Manchester. For guys with exacting requirements, there's Gaydar's 'Advanced Search'. Here you're able to narrow down your search options to the finest detail, just like ordering your man from a mail order catalogue... He should be between 5'9" and 6'0", with green eyes, a non-smoker, defined physique, shaved head, versatile, and 'dick size? Of course, 'extra large' please!

Images courtesy of Gaydar.co.uk

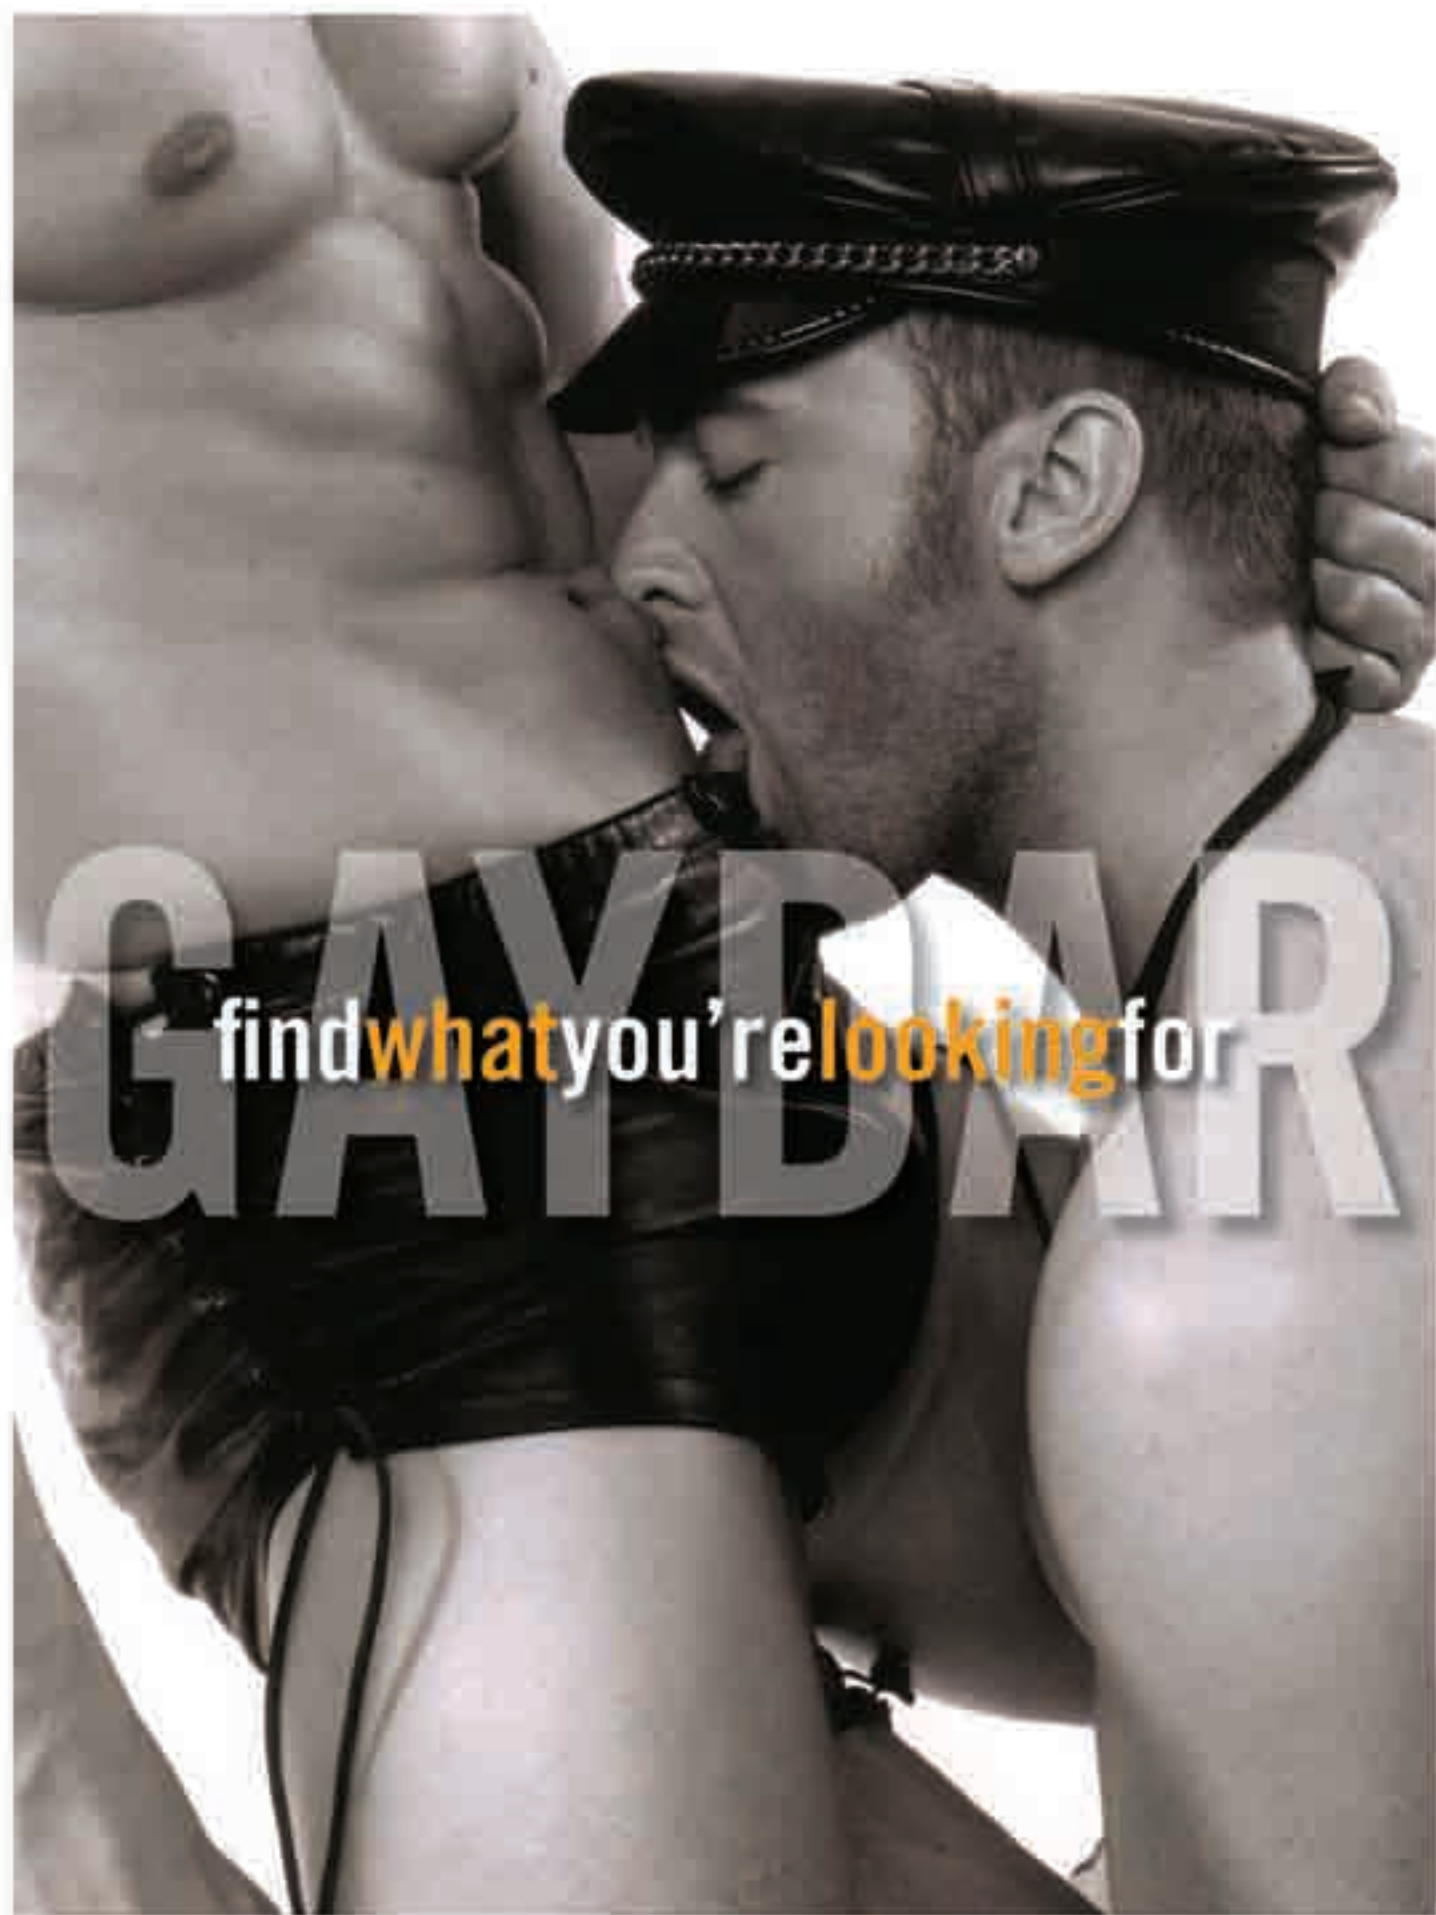

Simon Johnson, Marketing Manager at QSoft Consulting Ltd, told us, "My favourite search comprises of 'Extra Large' and 'Muscle', and usually the guys aren't lying either! Depending on your flavour of the month you can really drill down and find your niche, and realise what you're into isn't a niche at all on Gaydar." You're even able to specify what star sign he should be! QXMEN spoke to Steve, the proud owner of an impressive ten and a half inch cock, who, when the urge strikes, enters the 'Large Penis' chat room and posts a message. "Eleven incher looking to fuck arse - Central London now!" "The great thing about Gaydar chat rooms is you know the guys in the room are actually online real time, into the same thing as you, and looking for sex right now." Steve told us. "I'd get hundreds of guys messaging me if I posted a message about my cock size and then just sat back and waited, but not many guys can really take an 11 inch cock!" Steve adjusted the sizeable package bulging from his tracksuit bottoms

and continued, "But I know that the guys in the 'Large Penis' chat room are true size queens looking for massive cocks and not some one who'll wimp out when they see the size of my tool. So everyone's happy and no one's time has been wasted." Gaydar Chat has a vast collection of chat rooms catering for guys into every conceivable fetish and another way to chat instantly and hook up with other like-minded pervy guys into the same fetish as you. Together with rooms for locations like London, Bristol, New York, etc, there's specialist fetish rooms for guys into say 'Dogs & Masters', 'Heavy Cummers', 'Leather', 'Mud & Muck' and even a chat room for guys who like 'Small Penises' - who knew!

Why waste money on different online fetish cruise sites in your search for guys into your fetish or kink, when there's obviously thousands of guys on Gaydar who'll be right up your kinky street? So, log on to Gaydar.co.uk on a Saturday night - or, come to think of it, any day or night of the week - and find yourself a man who's as pervy as you are...

Gaydar.co.uk is offering 6 lucky QXMEN readers '3 month bundles' for Gaydar.co.uk and GaydarMobile. To be in with a chance of winning, just send an email to goodstuff@gaydar.co.uk with your name and contact details to arrive no later than 5pm on Tuesday 30th September... Good luck you pervy people!

A new concept in gym cum spa cum sauna has arrived in heart of London's Soho which has been designed specifically to cater for the needs of gay men. So what is it that gay men actually want? Well, SweatBox Soho might just have cracked it by combining three of the things us gay men love to do the most in one stylish space - a gym to pump iron, a sauna to unwind and relax in (and maybe even get a little cock-action) and a luxurious spa to be pampered in.

Tucked away on Ramillies Street, right behind London's famous Oxford Circus, Sweatbox Soho offers 8,000 square feet spread over three levels and boasts the latest gym equipment technology (including the ultra-robust NASA developed Vibration Plates), a large free weight room, amazing facilities at the Buff Spa plus a full range of indulgent spa treatments. The SweatBox Soho Gym is a sexy and stylish space and the perfect place to work out in the company of some of London's hottest guys before heading downstairs to the Buff Spa to relax, unwind and indulge yourself. The spa's open to both gym members and non-gym members, meaning that you're able to drop by and use the facilities after a long day's shopping on Oxford Street (and ogle at all the buff gym-bunnies relaxing after their workout). The facilities are outstanding and include two huge steam rooms, two Turkish hot rooms, a huge Jacuzzi, two plush video lounges, a chill-out lounge plus a whole labyrinth of private rest rooms - including a couple with two-way mirrors which, when you dim the lights, lets you see what the guys in the next room are up to... Genius!

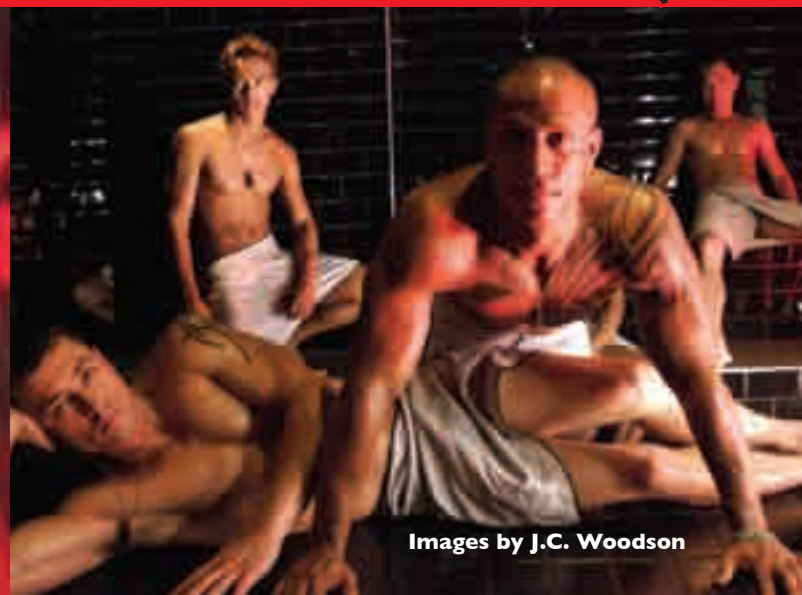

On the night of last month's Soho Pride, Sweatbox Soho held its first Ibiza-style Foam Party and we heard that the place was awash with buff naked guys getting all soaped up and horny. The next foam party is on Saturday 30th September - you'd be mad to miss it!

FIST OF FUURY

MATTHIAS VON FISTENBERG is one of the most extreme performers in porn and the director of some of its most controversial movies. Born in Warsaw, Matt re-located to New York at the turn of the century and swiftly found porn fame as Matthew Green, a sex pig able to take fists, dildos and indeed anything short of a traffic cone up his astonishingly accommodating butthole. In 2005, together with porn pals Owen Hawk and Tim Rusty, Matt formed Dark Alley Media. As Matthias von Fistenberg, he directs fetish titles like the 'Fisting Underground' series and highly personal, political porn. 'Gaytanamo', in which "terrorists" are imprisoned and tortured, and 'Passio', the gay sex life of Jesus Christ, still await official screenings in the UK.

Due to appear at London fetish club Hard On's 7th birthday later this month, Matt now talks exclusively to QXMEN.

When you were growing up in Poland, did you ever think that you'd become a New York filmmaker?

Well...no, I did not, and I don't really think I'm a filmmaker. We film porn, we don't make feature films. What we do is really small time.

What did you want to do as a boy?

I was always interested in writing classical music.

Why aren't you working in the music business?

You know I did for a while. I've produced some albums of classical music. But it's extremely expensive, it takes a long time, and then the payback is very, very little because the amount of people interested is extremely small.

When did you leave Poland?

About 11 years ago. I went to Israel. I fell in love with a very cute, blond Israeli boy from the army, who dumped me after half a year. So then I moved to Brussels and then London. I lived in South Kensington for a while. I was working with a music publisher there.

How did you get involved in porn?

I went to New York and I had quite a bit of money with me. I thought I was going to be as successful as I was in Europe, producing contemporary classical music, and then it turned out that nobody was interested. So within half a year I ended up spending two nights in Central Park. I had to do something. I thought that doing porn as an actor is better than being homeless.

What was it like appearing in your first film?

The very first one was absolutely horrible. The actors were like two generations older. It was very hard. It was hard to get hard, it was hard to cum, it was a horrible experience.

Why didn't this horrible experience put you off porn?

I went to another company to do my first fisting movie, which I thought was really good. It was exciting.

Have you always been sexually adventurous?

Yes, yes. Let's see, my first trip to the hospital with a ripped asshole was when I was 19 maybe?

How did you first discover fisting?

I saw it on video in a bath house in Brussels. I very gently rubbed my cock through my towel and I came just looking at it.

Why is fisting important to you?

I can't tell. I think it's extremely sexual, far more exciting than fucking. You know these days everything is more extreme. Oral sex doesn't count any more. Fucking became boring so everybody's now into fisting. The experience is something that you do once and then you always want to do it.

Do you use it instead of fucking?

I'm totally not interested in fucking at all. Ever. Very often when I have sex with people, they want to fuck me and I say, "No, no, no. I don't get fucked."

But you get fucked on film.

Yes, of course, but on film you do a lot of acting.

Can we talk about Supreme [allegedly 12½ inches], who fucks you in 'The Show 2'?

Supreme was funny. He had a good body, but he had this huge dick that was hanging to half of his thigh. In fact it was so big that he could never get it entirely hard. He was really straight. He was only able to fuck when he reached his spiritual high and the only way he could reach his spiritual high was by taking Viagra, smoking lots of pot and drinking. So he would lock himself up in his room during filming and it took him like an hour, an hour and a half, to reach his spiritual high, and then he would come out.

What about your partner, Owen Hawk? Where did you meet?

I think during some sex party at my house in New York. I think he was fist fucking me. And then we thought about doing this business together. Tim Rusty was my boyfriend at the time; and then that ended after a year because he was too much of a bottom. Two big bottoms can't actually function together. And then I got together with Owen. And now it's been four years.

Why do you get on?

He has a very ironic view of everything, which I share. So we always laugh about everything. We're very sarcastic and he's very witty. It's fun to be around him.

And presumably you're sexually compatible?

No, to the contrary. We're completely incompatible. He's big time into fucking and I'm into fisting. So we have a lot of sex with other people. But that hasn't affected our relationship. When you have sex with so many people on set, then you can't really be jealous. It's normal.

Are you happy with the progress Dark Alley's made?

Yes, of course. There can always be more success. I wish that the company was as big as our Californian competitors. But we've been in the business only four years.

But you don't always make films that are to everybody's taste. 'Gaytanamo'?

Well, yeah, but then again, if you live in America under Bush, you know about people losing rights. It was the time when you could be detained and kept for as long as they considered you a threat, without any charges or trial. It was disturbing. So why not express your view? In fact it's easier to say things in porn because people don't really take you seriously. You get away with much more. I don't think anybody would be able to make a feature film called 'Gaytanamo' without a big backlash. Our movie was popular. People liked it because the idea was great.

"LET'S SEE, MY FIRST TRIP TO THE HOSPITAL WITH A RIPPED ASSHOLE WAS WHEN I WAS 19 MAYBE?"

Is it frustrating that people don't take you seriously?

No, you can't be frustrated over that. It's normal that people watch porn for porn. If you can have some fun, if you can inject a political message, that's great.

Have you got any more controversial movies coming up?

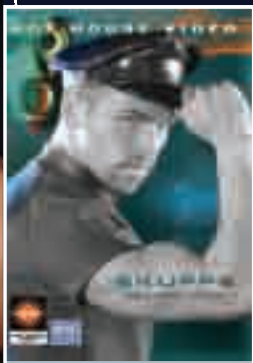

The newest movie is going to be called 'Fucked at the Pump'. It's going to be shot at a gas station and it's going to be a satire on rising gas prices.

You're coming to London.

Yes, at Hard On. We're sponsoring the party, we're going to have three of our models performing, and I'm going to give away a thousand DVDs. So there will be many happy people.

Matthias von Fißenberg is at Hard On's 7th birthday. See more of Matt at www.darkalley.com For details of Hard On go to www.hardonclub.co.uk

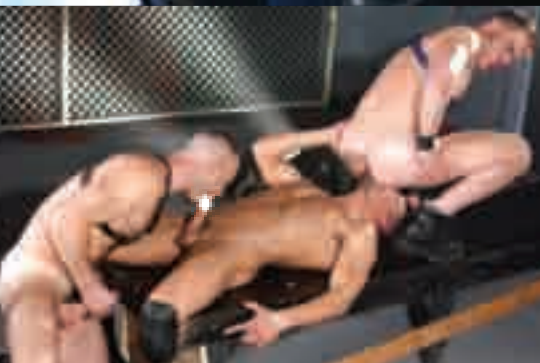

SKUFF 3

DOWNRIGHT WRONG

GET READY FOR A FEAST OF HOT, HUNG MUSCLE-MEN AND LEATHER BOYS DOWN ON THEIR KNEES, CHOKING ON HUGE UNCUT COCKS! ELEVEN GYM-TRAINED STUDS ARE HARNESSSED-UP AND READY FOR ACTION IN ANOTHER SCORCHER FROM HOT HOUSE ENTERTAINMENT.

Scene one and we're straight into a hot three-way fuck set in a dark, seedy sex club featuring Jason Ridge, Collin O'Neal and this month's stunning centerfold, Christoph Scharff. Ridge is on his knees, sucking on a fat cock belonging a muscle-guy wearing a gas mask. Behind him, another guy, his face also concealed by a gas mask, watches on. Soon the masks come off to reveal Scharff and O'Neal who force their cocks down Ridge's throat at the same time. It's not long before Ridge is on his back, his muscled legs held in the air, with O'Neal and Scharff prepping his eager hole with their probing tongues. Next they stand him up and the guys get down to a horny sandwich fuck with Scharff in the middle. Ridge pounds away at Scharff's muscled butt, while Scharff fucks Collin's sexy butt. Great camera shots allow you to watch the action from underneath showing all three guys sliding in and out of each other's butts - delicious.

Another ball-busting three-way scene features blond hunk Thom Barron, Jason Kingsley and, again, sexy Christoph Scarff. Barron's huge cock is just begging to get sucked and Kingsley obliges by getting on his knees and gobbling down on the whole ten inches. The sight of Kingsley's white, muscled bubble butt is too much for Scarff who buries his face into it, getting his tongue deep inside, before ploughing Kingsley's butt hard, while he's still slurping down on Barron's huge cock. The scene ends with Barron squatting down on one big mutha fucker of a red, ribbed dildo. This makes all the guys cum buckets, which they then feast on from their sticky fingers. That's just 'downright wrong' but we love it!

HUNG LADZ

ripped

STUDIO: EUROCREME, DIRECTED BY SIMON BOOTH

Starring: Matt Hughes, Marco Blaze, Fred Faurtin, Kai Cruz, Nathan Cox, Jak Williams, Greg David, Darren Robbins, Josh Montiero, Leigh Devine.

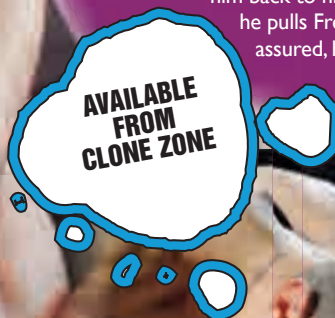

Simon Booth has scored a blinder with the latest Eurocreme offering of extra hung studs ramming their prized possessions up young, tight arses, and ripping them wide open. Five lip-smackingly hot scenes featuring some of the biggest cocks and sexiest young studs around.

In a perfect pairing, scene one spoils us when sexy scally Kai Cruz gets a call from his mate, the deliciously hung Matt Hughes. Kai heads round to his mate's house and the lads lie on Matt's bed rubbing their packets watching straight porn. "Look at the tits on that," says Kai smirking, just before he pulls his mate's huge, rock hard cock out of his jeans and gobbles down on it. You've got to hand it to young Kai, Matt Hughes' cock is enormous and Kai is soon taking it up his smooth boy butt like a pro and loving every minute of it, grinding back on Matt and taking every last inch. Once flipped on his back and pounded even deeper by Matt, Kai soon shoots his load over his hairless chest before taking Matt's big load over his face. Spunk-lovers take note - not only does Matt Hughes have a huge cock, he also cums bucket loads and Kai is left dripping in his hot spunk!

Scene two delivers another unbelievably large cock belonging to sexy-as-fuck Latino, Marco Blaze. With sexy Mediterranean looks and a tanned, gym-trained body, Marco's perfectly formed, enormous fat, veiny cock just completes the beautifully put together package. Oh, and the guy fucks good too... Lucky young Nathan Cox, who's on the receiving end of Marco's tool, gets every juicy inch of his massive cock and even a few of Marco's fingers at the same time too!

The outstanding final scene stars Fred Faurtin, who if you don't know him already, has one of the most beautiful cocks in the industry. Fred doesn't fail to deliver the goods when he picks up young Jak Williams in the park and takes him back to his flat. The lad gets one hell of a surprise when he pulls Fred's thick monster tool from his jeans but, rest assured, he ends up getting ploughed good and proper by it!

If you haven't shot your load already, then watch Fred Faurtin fuck this lad and you soon will.

JESSE SANTANA

HOT SOUTHERN BOI

Raised in Texas, 22 year old Southern boy **JESSE SANTANA** began his career in 2006 working for amateur jock sites. With cute, sexy looks and a butt to die for, Jesse soon went on to work for studios such as Falcon, Titan and, more recently, Jesse signed one of the first dual exclusive contracts in the history of porn with Jet Set Men and Cockyboys.com... QXMEN caught up with Jesse ahead of his trip to London in October when he'll sit on the panel judges for the London heat of Europe's Next Gay Porn Star.

How and why did you get into the porn industry?

I'm a very sexual person and I've always wanted to do something that shocked people. I was in a gay.com chatroom almost four years ago when I was contacted by a scout for corbinfisher.com and asked to submit pictures and an application.

What was your first film?

'Knob Bobbin' for Chi Chi LaRue.

Were you nervous?

Hell yeah I was nervous! Chi Chi is a trip to work with.

What films have you starred in?

Knob Bobbin, Little Big League Bottom of the Ninth (Channel 1/Chi Chi), Longboard, Big Dick Club 2 (Falcon), Barnstorm, Men's Room 3 (Titan), Fraternity Gangbang 2, The F Word, Just Add Water, On Fire, Ass Cruisin with Aaron James (Jet Set Men), Dive in Deep, The Stone Age, Beach House Diaries, Teacher's Pet...As well as my scenes for cockyboys.com.

Do you find it easy to perform on cue?

It's always been pretty easy for me to get hard and cum pretty much whenever I want to... lol.

What do you do to relax?

Scene wise - play with my dick... lol. In my life - love on my cats, go to the gym, computer games, read.

What's your favorite part of your body?

My ass.

What's your favorite porn movie of all time?

I really like the Velvet Mafia series by Falcon, and then there are countless amazing Bel Ami videos!

If you weren't in the porn industry what would you be doing?

I'm actually studying to become a Personal Fitness Trainer.

Where do you see yourself in ten years?

Managing and training in a gym.

Describe yourself in three words...

Sexy, daring, personable

How did you come to be involved with Europe's Next Gay Porn Star?

Well, I'm exclusive with Cockyboys and they are sponsoring the tour so they asked me to be the judge for Cockyboys and I jumped on the opportunity!

Why should guys apply?

Guys should apply because it's a once in a lifetime and very fun opportunity to get discovered in an industry that makes fantasies come true for countless people. I wish I had the chance to start out with a contest like this. And if nothing else...they need to apply because I'm coming to meet the hot guys of Europe!

Which two guys would make up your fantasy three-way?

François Sagat and Dean Monroe.

If you had a chance to direct a scene that you're in - and cast the other models - who would you choose and what would happen?

Jake Havoc, Deisel Washington, Chad Hunt, Ben Andrews, CJ Madison, Barret Long, and Sebastian Young (all chosen because they're fun guys, with massive cocks of course!) all gangbang me in a sex sling/swing with chains and leather in the middle of a playground... swings, monkey bars, slides and all!

Who's the hottest TOP in the industry?

Deisel Washington

And the hottest BOTTOM?

I really don't like to brag, but I did win the Best Bottom award at the Grabby Porn Awards in Chicago (LOL). Aside from that, I'd have to say Roman Heart.

So, what turns you on?

Masculine guys, muscled arms, huge cocks, confident but sweet attitudes.

Are you top, bottom or versatile?

Bottom versatile

Do you have any fetishes?

I love the feeling of having no control with a powerful top.

What's your favorite position to get fucked?

I like being bent over... doggie.

Is it a turn on watching yourself performing on screen?

Yes, I love watching myself fuck from a different point of view.

OPEN FOR BUSINESS AS USUAL

THE FIRST STEPS TO BECOMING A PORN DIRECTOR - THE SHOOT!

BY MAXWELL B

So you've decided you're going to take the plunge and shoot your first movie: You've found your niche, got your cast, locations and camera gear. What are you waiting for? Hang on just a moment – shooting porn is not as easy as you'd think and there are some basic rules you should follow if you really want your film to be watchable, legal and marketable.

● Don't jump in the deep end – get some practice with you and your boyfriend or fuck buddy on that camera before you go to the expense of hiring in models and locations. If you've done photography or any kind of filming, producing or directing in any discipline then you've got a head start.

● Lighting can make or break your film. Even if you can't afford expensive lighting, hire it in and learn the basics of lighting scenes, it will lift your footage tenfold. What's the point in watching porn if you can't see those penetration shots clearly or the models look like they're the walking dead?

● Be aware of the law when shooting in the UK. The British Board of Film Classification (BBFC) will still not classify films with fisting, pissing or any kind of rape or physical abuse (mind you, anything goes on the internet!) Also, if you film outside you will have to prove it was not shot in a place that was public or overlooked by public land. Some films have two versions for UK and the rest of Europe, but the downside is you will have to duplicate two versions and have two edits. Bareback films are not illegal to shoot or distribute but you have certain moral obligations, not to mention possible law suits if you put a model's health in jeopardy by your instigation.

● You will need ID from the models and release forms or your films will never be released in the USA due to current stringent laws.

● Shoot for the edit. Think about how your sequence will cut together and make sure you get the footage you need to make the scene work – don't try to be over ambitious with long soap opera story lines – punters buy the films for one thing only – the hardcore sex!

● Some studios shoot on two cameras to get extra coverage on footage – this can work out to be more hassle than it's worth as you'll need double the equipment, another camera operator and you'll have twice as much footage to sift through in the edit. It's better to get really experienced on getting all the coverage you need on one camera.

● You'll need to take good stills during the shoot for publicity and to promote your film. These will need to be high resolution, good quality pics. Any glossy gay rag worth its salt is not going to print shit photos. Get a professional in, or take them yourself on the best camera you can get your hands on – and light them properly!

● Take as many stills as you can first to get the models warmed up and to help block out the sequence of positions, etc, before you actually start filming. Also think about who will go on the DVD inlay and on posters, etc, by shooting portraits as well as both hard core and soft core action shots (soft core is where you can't see penetration or stiffies and you may be asked for these by publishers, etc).

● Try to make your cast feel relaxed and at ease – even the most hardened pros can still get nervous and loose wood if there is stress or dramas on set. Don't fret and neither will your models.

● Don't be an egotistical maniac – you're shooting porn and not a Ridley Scott movie. Get the models in, shoot the scene as briskly as you can but giving your models time to relax and chill if they need to, and wrap as soon as you can. The guys in front of the camera will not be able to keep the mood (or their cocks up) if you're shooting for 12 hours – keep it to under six.

● If you've shot more than two hours of tape for one scene – you've over shot. Don't forget that a scene is usually no longer than 20–30 minutes, so try to be economical and shoot good footage, and thinking all the time about what you need to make it work in the edit.

● Hold your shots on the good stuff. Don't let the camera wander around aimlessly hoping that things will happen. Plan your sequence with your models in advance then only direct them when you need less or more. Don't shout and give out instructions every ten seconds, let the scene and the sex play out. If you've cast well and you've set the right mood, this will happen naturally.

● Beyond your basic camera and lighting gear you will need the essential porn shooters kit: condoms, lube, drip towel, Viagra, toilets, showers with douche and plenty of refreshments!

The lads from Triga are back with another instalment of the 'Auditions' series and this time it's a bunch of fit British scallies and rough skinheads who try their best to impress in front of the hand-held audition camera. With thirteen of the dirty fuckers put through their paces, you're bound to find one, two or three (or all of them) to blow your load over.

Studio: TRIGA

AUDITIONS: SKINS & SCALLIES

If you get past scene one without shooting your load the you'll have stronger will-power than most blokes. The first lad to try out is a horny-as-fuck chav, no older than 21, decked out in a Lacoste t-shirt, tracksuit and, of course, the signature scally lad's baseball cap.

He's told by the guy holding the camera (who you never actually see) to stand up and pull his pants down a bit. The lad does as he's told and pulls his trackie bottoms and silky football shorts down just a little to reveal his soft cock. "Go on then, get yourself nice and hard," he's told by the cameraman who moves in for a close up of the lad wanking his cock. Next he's told to spit on the camera and then lick it off. Again, the dirty chav does what he's told, never once breaking eye contact with the camera and, all the while, he's got this cheeky grin on his face. There's another geezer in the room who comes into shot and the chav is told to suck his cock. He fuckin' loves it and gets on his knees with his head forced down onto the guy's cock by the cameraman. When he stands up we're treated to a tasty close-up of the lad's smooth arse. You just know he's got a tight hole and when it gets fingered while his cock's being sucked he fuckin' loves it! Towards the end of the scene the lad gets a massive load of cum dumped on his face before he's told to sit back down and spunk for the camera.

This he does, still with that sexy smirk on his face, and a helping finger up his hole. QXMEN scores this lad's audition a 10 out of 10.

Fuck, we've got another twelve auditionees to get through and not enough space on the page to get through them all! So, we'll give you a quick rundown of a few of our favourites. If skinheads wanking off in boots, bleachers and braces do it for you then check out the sexy fucker (and his massive cock) in scene two. There's another hot skin who shoots an amazing amount of spunk in scene five. And if guys kitted out in football kit and trainers are your thing then check out chapter twelve. The guy's wanking on his bed and you get some great shots of his arsehole when he's on all fours and then fingered by the cameraman. As for the rest, you'll just have to buy the DVD and watch for yourself... You won't be disappointed lads.

TWO FOR THE PRICE OF ONE: CHICKS WITH DICKS!

WE DON'T ALL WANT HUNKS, WHETHER WITH OR WITHOUT TRUNKS. FOR EXAMPLE, THERE'S A GROWING TRANNY SUBCULTURE. AND THAT MEANS A LOT OF BLOKES WHO WANT MEN TO LOOK LIKE ULTRA-FEMININE WOMEN, WITH SOFT SKIN AND FIRM, SHAPELY BREASTS - IN ADDITION TO THEIR PENISES. ONE SUCH ADMIRER IS FILMMAKER AMORY PEART. ACTUALLY HE'S NOT EXCLUSIVELY INTO GENDER-BENDING. "PEOPLE LIVING ON THE EDGE OF SEXUALITY HAVE ALWAYS INTERESTED ME," HE TELLS ME. BUT THIS MONTH I'M EXCITED ABOUT CHICKS WITH DICKS BECAUSE AMORY INVITED ME TO THE SHOOT OF HIS NEW MOVIE, SECRET DIARY OF A SHE-MALE, AND TO ITS PREMIERE IN A WALTHAMSTOW SAUNA, WHERE I REALISED THAT I WAS WATCHING TRANNY SUPERSTAR ALISON DALE BEING SHAGGED ON THE VERY SOFA I WAS SITTING ON. IT'S A RICH, FULL LIFE WORKING FOR QXMEN!

Amory, 39, has been in the movie biz since 1989. For five years he worked for the gay film distributor, Dangerous to Know. His films reflect his pansexual interests. "I think it's because, like many gay men, I was brought up being bullied and forced to be the outsider," he explains. "I found a little group of my own, which included a lot of women and the absurd and wonderful people in life." When he made his first major film, Butt Buddies in 1997, he was still learning about how porn works: "At the time I thought, why not show people having problems with condoms, or people saying, 'Ooh, I'm not really attracted to this man,' because it happens a lot. But of course watching a porn film, you don't really want that. So that was a bit of a mistake. But it was a massive hit, and there was a documentary about it, A Star Is Porn, on Channel 4, and it won Film of the Year at the Erotic Awards. So that set me up as a pornographer." Amory went on to make Piccadilly Pick-ups (1999) in which Hollywood star Alexis Arquette has sex in drag and sucks cock (including his own), and Lick Daddy Suck Bear (2001), one of the first bear films. Amory then presented two late night series for Channel 4, Digital Sex and Future Sex, in which he travelled the world, discovering all kinds of sexual shenanigans.

On Future Sex Amory met Alekssandra, a boy from Brazil working as a dominatrix in Earls Court. "She's beautiful and a great character," Amory says of Alekss. True. I think she's got star quality as well. Alekss comes from São Paulo and says that she was five when she forced another boy to play sex games with her: "He said, 'I can't

Alison Dale

Pic courtesy of Johnny Rebel

do that because I'm not gay. I say, 'If you don't play, I'm gonna tell everyone you are gay.' He play." After working as a make-up artist in Brazil, Alekss came to London in 1999. "I like the weather," she says. "My dream is cold countries." Like many in the tranny community, Alekss doesn't classify herself, but tries for my benefit. "My whole life I've been very, very feminine," she says. "I don't have an Adam's apple. My hands are quite small. I'm gay because I like boys. But I'm never gonna be a woman. I think I look like an androgynous person. I quite like that. I don't need a psychologist because I am what I am."

Alekss has had breasts since 2000, when she had a Harley Street operation. She's also had her nose done and her facial hair removed. She says she doesn't want any more surgery, but then adds, "I'd love to have a bigger cock." After meeting a guy in a club and having sex with him for three hours, Alekss was told by the pick-up that he ran an escort agency. She worked for him for two years before going freelance. She offers all kinds of mild domination, but is never submissive. She was also one of the Kit Kat Dolls, the tranny group who were booted off the first series of Britain's Got Talent after a group member (not Alekss) told an undercover News of the World reporter that she would fuck him for £1,000.

NEW LOOK WEBSITE WWW.THEPIPEWORKS.COM LAUNCHING SOON

Amory had wanted to make a good she-male film for years. "They tend to be a little bit gonzo," he complains, "a little bit rough and ready." Inspired by Billie Piper's *Secret Diary of a Call Girl*, he built *Secret Diary of a She-Male* around Aleks's character as a tranny madam, who sets up sessions between clients and girls. In each case, Aleks makes the introductions, but then withdraws from the hardcore action. (Aleks says, "I don't mind to do with one guy, two guys, three guys, but must be private.") I went into the streets of Shoreditch to watch Amory film some of Aleks's pieces to camera. "I love to show my body," Aleks told me. She duly paraded herself outside the Hawksmoor church and down several back alleys virtually naked under a rubber cloak. Almost inevitably she attracted

about her upcoming date. He turns out to be red hot Jon Janes, not only the star of more than 40 pornos, but one of Jodie Marsh's potential husbands on *Totally Jodie Marsh*! Jon has fucked boys and girls in the past. But apparently this was his first time with a she-male. He takes to Bruna's cock and arse like a duck to water. Then we're in the 800 club dungeon, where Aleks instructs she-male Melanie how to torture a nervous-looking brickie type. Aleks is so seductive that, if you're so inclined, this is the scene that'll have you searching for her private number. (It's not hard to find!) Finally, in the 800 Club members' lounge, gorgeous she-males Alison Dale and Susanna get it on. Alison will need no introduction to T-girl fans. The statuesque blonde has been rogered three times by American sex machine Maxx Diesel. You can see these

movies on Alison's website (www.alisondale.com) or if you want to see her in the flesh, she'll be at the *Skin Two Rubber Ball* at SeOne on 6th September. And watch out for Aleksandra. She has it in her to be another RuPaul. "Transsexuals are natural performers," she points out. Absolutely!

SHE SAYS SHE DOESN'T WANT ANY MORE SURGERY, BUT THEN ADDS, "I'D LOVE TO HAVE A BIGGER COCK."

a bit of attention. Two guys in succession came up to her and asked her if she was "working." The second kept saying, "I wanna be your boyfriend. I wanna help you." Aleks declined his offer. But ever resourceful, Amory noticed that Aleks looked great in the light from the guy's car headlights. He asked the guy if he could wait while they shot another link. And the guy said yes! He gave Aleks his phone number. But she seems to have lost it.

The softcore version of Secret Diary of a She-Male is running now on Television X. For the hardcore version go to this secret website! <http://webtv2.televisionx.co.uk/searchResults>

Aleksandra

Premiered at the 800 Club, where it was partly shot, *Secret Diary of a She-Male* is something of a head-fuck. As Amory says, "You start to question what is gay." In the first scene porn veteran Starr, a biological female, pokes she-male Joanna Jet with a strap-on and is then herself poked by the rampant Joanna. Next Aleks talks to her flatmate, Brazilian she-male Bruna,

Titan Media presents

Copperhead Canyon

a Joe Gage movie

Starring:
Dean Flynn, Chad Manning, Matthew Ford, Wolf Hudson, Bill Madison, Antonio Milan, Rick Powers, Luke Riley, Leed Scott, Joe Strong, Ago Viara, Kurt Wild.

Director Joe Gage was part of the first porn explosion of the early 1970s. The films in his trucker trilogy – Kansas City Trucking Co., El Paso Wrecking Co. and L.A. Tool and Die – are gay classics. When his wife (yes, who'd have thought?) ordered him out of the jizz biz, Gage went legit, making all kinds of mainstream movies including She's Back with Carrie Fisher! But now it's Gage who's back doing what he does best. Copperhead Canyon is typical Gage, with a dozen macho men, who spend nearly three hours fucking each other's brains out (but never kiss).

The action's set almost entirely in a Colorado forest, through which police officer Matthew Ford is escorting prisoner Bill Madison. After they've taken a slash accompanied by passing hitchhiker Luke Riley, Madison breaks free and ties the other guys to a tree. But they're not so incapacitated that they can't pull out each other's cocks. Madison's friend, square-jawed coverboy Dean Flynn, says he can organise a getaway car, but gets distracted by young Kurt Wild, who's wanking into a pair of Flynn's boxers. The movie's hottest sex develops, with furry Flynn fucking Wild in three positions and cumming twice. Two more of Madison's buddies, stocky, bearded Chad Manning and dark-haired Latin loverboy Leed Scott (Gage is noted for his contrasting couples) are fixing Madison's vehicle. They get all fired up talking about their sons having sex together, and Scott is soon on his back with Manning's thick tool up his unshaven ass. In another part of the forest, two more prisoners, Wolf Hudson and Antonio Milan, strip off their orange jump

suits so they won't be spotted by officer Rick Powers. But they're no match for eagle-eyed Powers. Impressed by their donkey dongs, he drops to all fours for a spit-roast. (And you'll be impressed by newcomer Hudson's moody star quality). The fuck-frenzied finale has Ford and Riley catching up with Madison. There's time for a three-way before they're joined by thuggish peeping Toms, Joe Strong and Ago Viara. The quintet generates such horny energy that it's no surprise Strong and Viara cum simultaneously. Check out the bonus content for even more hot stuff. It includes fluffing footage and it's fascinating to watch this rarely seen action.

WELL, NOW'S YOUR CHANCE TO PROVE IT! 2008 SEES THE BEGINNING OF AN AMAZING NEW ANNUAL EVENT THAT WILL TRAVEL THROUGH SEVEN MAJOR EUROPEAN CITIES IN ITS SEARCH FOR RAW AND UNTAPPED TALENT AND, ULTIMATELY, THE ONE LUCKY GUY WHO'LL BE CROWNED EUROPE'S NEXT GAY PORN STAR!

Created by Ganesha Productions, sponsored by industry giants BelAmi, Naked Sword, CockyBoys and PLANitGAY, and with the full backing of Clone Zone, a panel of notable judges drawn from the gay adult industry will visit London, Berlin, Prague, Amsterdam, Paris, Milan and Spain, where contestants will be put through their paces at auditions held at top gay venues. At these auditions, contestants will have to prove their worth in front of both the panel of judges and on camera and show them why they think they've got what it takes to become the next big thing in the gay porn industry. You'll be able to keep up with all of the backstage goings on throughout the auditions by logging on to the official website **WWW.EUROPESEXNEXTGAYPORNSTAR.COM** where you'll find fly-on-the-wall footage, auditions, interviews and loads more! NakedSword, the web's premier gay VOD site, is the exclusive online video sponsor of Europe's Next Gay Porn Star, and will also stream contest footage through its own VOD theatre on NakedSword.com.

Two contestants from each country will be selected to go through to the Grand Finale in Portugal next year and, once there, all 14 finalists will live together in the Europe's Next Gay Porn Star luxury villa - provided courtesy of Attitude Hotels and PlanitGay - and vie for the incredible first prize of an exclusive contract with BelAmi worth over 20,000 euros, the front page cover of some of the major gay European magazines which, of course, includes QXMEN, becoming the Face of Clone Zone for 2009 plus an amazing 7 day holiday for two in the USA!

Auditions kick off in October with the UK heat at London's sexy and stylish Sweatbox Soho Gym & Spa on Saturday 11th & Sunday 12th October. If you think you've got what it takes to become Europe's Next Gay Porn Star and want to show the judges in the London heat what you can bring to the gay adult industry, then log on to **WWW.EUROPESEXNEXTGAYPORNSTAR.COM** and apply online. Along with your application you'll need to submit some photos of yourself (face, body, cock and butt shots). Then, if you're selected, you'll be contacted and allocated an audition time. Not everyone will be selected for an audition, so make sure you wow the judges with your application.

SKINHEAD bash

BY PLAYER

It's a party, a bash. Look, you got a pen? Brian pulled a sheet of paper out of his file and took Dean's biro. We're all meant to bring someone we don't know, it's like compulsory. Well, I don't know you really, do I? Apart from seeing you around in the common room.' He jotted down the address and handed it over.

'Will there be anyone else there from the sixth form?' Dean handed him back the pen, Brian laughed and gave it back.

'Tosser, it's yours! Nah, you're the only one from here, that's the point. See you tonight.' Brian jogged up the steps and out into the corridor. Dean's face was burning. He didn't know Brian it was true. He was doing A level English, Art and TD, Brian was retaking his O levels. They moved in different circles and Dean was happy with that, knowing what a prat Brian could be when he got with his mates. Most of them had left, thankfully, the year before. At least Brian was trying to get somewhere by taking resits. The only thing he knew about Brian was that he hoped to teach PE. Dean hardly admitted it to himself but he fancied the lad. But he wouldn't have even considered going to this party otherwise. He unfolded the paper in his hand.

'Come to my place first, you won't find the bash on your own. 14 Walker St, oppersit the stashon at 9.'

Dean frowned and stuffed the paper into his sports bag.

It was freezing when Dean left his place. Tracey, his sister, had said that he was a fool to go. Brian was a wanker according to her and all his pathetic Skinhead mates would be there acting the twat. Dean agreed with her really but he was intrigued. He wanted to see what these people did to enjoy themselves. He also didn't want to refuse Brian, the lad would probably never bother talking to him again if he did. Walker Street was a run down row of terrace houses, Dean trudged along 'til he found number fourteen. The front door was ill fitting, a strip of yellow light visible around it. He pushed the bell and heard nothing, after trying again he decided to knock. The door was opened by a fat man in his late forties.

Dean smiled weakly, there was a reek of boiled cabbage, 'Is Brian in?' The fat man sneered and walked back inside,

'Up the stairs, first door on your left.' He disappeared into his flat. Dean climbed the stairs and tapped on Brian's door. Behind it the 'Oi!' music was turned down and Dean could hear some hurried movement.

'Dean?'

'Yeah...'

'Be there in a sec.' The door unlocked and opened. 'Sorry mate I ain't ready yet...' Brian was adjusting a pair of white briefs, his body still dripping from a bath. 'Come in and wait,' Dean sat on the bed as Brian ironed his shirt on a table. The Skin was jabbering nervously about his mates, who would be at the party, who was a 'cunt' and who wasn't. His words fell on deaf ears. Dean was mesmerised by the youth's physique. It was amazing, like one of those Athena posters, all muscle, skin smooth as a baby's.

'Fuck it!' Brian slapped his forehead, 'I ain't done me hair yet.'

'What hair?' Dean smiled at the Skinhead, bemused.

'This is long, man. I gotta have a go with me clippers before I go out or I'll feel like a fucking girl!' He crouched beside Dean and dragged a pair of clippers from under the bed. 'You wouldn't do it for us would you? I always miss bits at the back.'

The Skinhead sat cross-legged on the rug and Dean clicked on the clippers. Hair drifted onto Brian's shoulders like soot as he made his way around the lad's head.

'Should have done it before me bath, I'm gonna itch like fuck. Get that towel will you and get the worst of it off.' Dean stroked the towel over Brian's torso. At one point he noticed the Skin's face, he was lost in some sort of minor ecstasy. Dean studied the muscles he was stroking but then looked away for fear of discovery. He marvelled at the manhood this lad embodied, so far beyond his own. He glanced furtively into the mirror on the wall. His reflection looked almost feminine in comparison. His hair was fairly long, brushing his shoulders, his body thin and lanky; he considered the clippers in his hand.

'Yeah, it'd suit you, mate.' Brian grinned up at him with childish enthusiasm, 'I'll do it for you. You'll look fucking ace!'

The clippers whirred, mowing a path over Dean's scalp. It was too late for second thoughts now. Brian was kneeling in front of him as he sat on the threadbare rug. Dean stole occasional glances at the body that stretched and flexed: attempting to reach new areas with the shears. The mirror was behind him so he had no idea what he looked like. He feared the worst. Brian moved Dean's head forward to do the nape of his neck. He stared in sullen regret at the tresses of black hair that lay around him. His head was jerked back up.

'Done!' The buzzing ceased abruptly. 'Hey, no looking yet' Brian jerked Dean's head back to face him. 'I'll lend you the gear and all' He pulled a pair of old jeans from a pile on the floor and a polo shirt.

'You're taller than me but I think they'll be OK' The youth stood masking the mirror and watched Dean undress. Dean felt shamed as he exposed his thinness, knowing how his body paled in comparison with Brian's. He pulled the red shirt over his head, it fitted fine, the jeans were a bit short in the leg...

'That's all right, show your boots off they will. You look dead mean, I could almost fancy you myself.' Brian stood aside and Dean stared into the mirror. It was him, he knew it was but it looked like someone completely different, a thug, a man. Dean smiled. Even that was coloured with threat in his reflection, tinted with aggression. Brian peered over his shoulder into the mirror.

'We look like brothers... Not!' He laughed. Dean felt the lad's bare chest against his back then it was gone. 'We gotta head off or all the booze'll have run out.'

Brian had leant him a green bomber jacket. The cold seeped through it freezing his nipples and it numbed his legs through the holes in his jeans. They walked down the main street for about a mile towards Lacon, the council estate. Dean felt brilliant. He caught their reflection in inky shop windows as they passed. Two Skinheads striding through a sleeping city, urban warriors. As people approached them they would look away, avoiding eye contact. Dean felt great. Brian had put in several steel rings, one through his nose like a bull, one in each ear and the last through his bottom lip. Dean stole glances at them glittering in the dark, they made Brian look even hornier.

'This is it.' Brian led his mate down between two warehouses, there was no light and they both stumbled over the banks of rubble that filled the alley. Dean heard some heavy music, growing louder. There was a light further down on the right.

'Come on.' Brian broke into a run, like a kid at home time. They burst through the iron door into a small concrete room. The air was heady with pot and discordant, deafening 'Oi!' music bounced off the walls. It was packed with about thirty Skins, stripped to the waist, bouncing as a single animal. They climbed over each other: a twisting carpet of sweaty flesh: bodies sliding, colliding, high on the music, drink, drugs and the camaraderie of their tribe. Brian pulled off his coat and then his shirt and grabbing a can from one of the crowd he joined the pack. He was seized and pulled into the centre, as if by an octopus. The others greeted him, groping, biting playfully like wolves. Brian shouted at Dean over the jumping heads, but the music was too loud. Then a tall Skinhead reached out of the throng and dragged Dean in.

It was like entering the lion's den. As the music pounded a hundred hands ripped the shirt from his back, grabbed at his body. Fingers dug into his flesh, teeth gnawing at his neck, Skins pulling, pushing, crashing into him from all directions. A joint appeared above the crowd and Dean took his first ever draw. The room span and bumped in time with the music, the sensation of skin on skin filled his head. The joint disappeared into the horde. Heat, the musk of sweat and cannabis and spilt beer, the hardness of juvenile bodies grinding against him, they all collaborated together sending Dean into a Skinhead high. Then gradually, he became aware of someone gripping his crotch. He tried to look down but the room was so tight with men that he couldn't see past the shoulders of the Skinhead in front. Then he recognised that it was Brian. His arm reaching behind him, he was loosening Dean's fly, his back sliding against his chest. When Dean's jeans were open Brian proceeded to undo his own. Terror waded through the haze of pot that filled Dean's mind and clung to him veraciously. What was happening? What was he supposed to do? He wanted Brian, of course, but not here, perhaps not anywhere. Dean's sexuality had been between him and his right hand 'til now, he wasn't ready. He was terrified. The others were sure to see... and then what? He was too young to die.

Image by Player

Brian had pulled his jeans down over his arse along with his pants. He was grinding against Dean arousing the dick that hung from his fly. Dean's cock rose flat against his stomach, the shaft parting Brian's compact buttocks. Brian handed Dean a rubber over his shoulder and the lad struggled with it, until it was finally on. Brian pushed into him as the mass of Skins jumped in unison. His back was slick, rubbing over Dean's torso, bumping and shifting against him. Reaching behind he positioned Dean's erection and shoved back. His groan was audible even over the music. He hadn't anticipated the breadth and length of Dean's dick. He grinned in torment, it was an unexpected bonus. Dean gasped as his shaft was pounded into Brian by the motion of the rabble. Heat swarmed around it, the friction violent and glorious. Someone behind him slid their hand between his legs and massaged his testicles. Startled, he turned to see a brutal looking Skin leering over his shoulder. The man ran a thick tongue up his neck then took his ear between his teeth. He dug his tongue deep inside. Brian bucked furiously. Intermittently, Dean could see his cock as it partially withdrew before being reclaimed by the Skinhead's arse. The sight made his balls prickle.

The man behind him wrenched Dean's jeans down and knelt. His head was beset with blows as the other Skins' continued leaping around him. His tongue jolted and jerked forcing into Dean. Freakishly big it probed deep into the lad's untried hole, transporting him till his balls tightened in the Skinhead's grasp. Several of the mob had noticed what was going on, the knowledge spreading like wildfire through the room. They groped at Brian and Dean forming a chain of bodily connections. One short youth chewed at Dean's nipples goading his orgasm, another pushed Brian down to suck on his cock. He in turn was taken from behind by yet another. An orgy of Skin on Skin. Dean wrestled with his imminent climax. A tongue squirmed inside him, another slimed around his chest, biting at his nipples. He watched as Brian's arse shoved back onto his shaft then forward as the youth's throat gorged on the other Skinhead's extensive cock. He was surrounded by a writhing mass of Skinheads, fucking and sucking each other like animals. The big guy that Brian was blowing grunted, his face creased in what looked like agony. His nipples were being twisted by the Skin behind him, whose ferocious thrusts shook the man's body. His erection sprang up from Brian's mouth and

sputured its hefty load over his back. The first jet hit Dean square in the chest and was massaged in by the attendant Skin before it had a chance to cool. The slimy hand moved firmly over Dean's skin, stroking him to orgasm.

'Fuck this' Brian jerked up his jeans and grabbed Dean. 'Can't get a decent fuck in here, mate. Follow me.'

He led Dean through the throng of leaping, humping Skins towards the door. He grabbed a four-pack off the ledge and escorted his mate out by the buttock. 'That was brilliant!' Dean was still puffing from his excitement. 'Where we going?'

'I know a place, it's just down here.'

They stumbled further down the alley, scrambled up a mound of debris and hauled themselves onto the roof. Dean's crotch was frigid with semen, the night having turned it icy. He could still hear the music thumping below.

'Fuck it's cold'

'Yeah, I know, mate, not far now.' Brian leaped off the building into darkness. There was a crash and then some sound of creaking. Dean squinted down but he couldn't see where the Skinhead had gone.

'It's OK, just jump' the blackness beckoned. The voice seemed too distant to be at ground level, but Dean jumped.

He fell and fell and landed on a heap of sacks. Brian helped him up and lit a candle. They were in some sort of cellar, an old boiler burned in the corner.

'It's my pad. Like it?'

'Yeah' Dean scanned the room. An old mattress lay near the boiler, a bottle of cheap wine and two Styrofoam cups beside it. 'Wine, eh?'

Brian flushed. 'Yeah, well, had my eye on you for a while, haven't I. Knew you were a bit posh. You want some?'

Dean looked at the boy with new eyes. 'Ok, thanks.'

'You go and sit on the bed, won't be a sec' Brian jammed the cork inside the bottle with his penknife and poured the wine. He sat on the corner of the mattress and handed a cup to Dean. Leaning across him he produced a bag of Tortillas from a Tesco bag. 'Got these and all, none of your Golden Wonder.' Dean looked into the lad's eyes and pulled his bristled head towards him. The Skinhead kissed cautiously, eyes watching. His tongue explored Dean's teeth then moved over his chin and down the groove of his chest. Dean's head rocked back and he spied, inside the Tesco bag, a packet of condoms and some After Eights.
