WELCOME... TO OCTOBER'S ISSUE...

QX MEN

October 2008

WELL, SUMMER'S OVER, THE NIGHTS ARE DRAWING IN AND THERE'S A CHILL IN THE AIR, SO WHAT BETTER EXCUSE IS THERE THAN TO CURL UP ON THE COUCH AND WARM YOUR (COCK)LES WITH THE LATEST EDITION OF QXMEN...

This month we've surpassed ourselves and been left with a sore wrist after watching eight hot DVDS. CAZZO opens its Berlin apartment to a bunch of lads and let them run riot in **Reality Sex** while Eurocreme turns up the temperature in the dunes of Gran Canaria with **Troy Island Heat**. Johnny Hazzard gets a big surprise when he goes down to the woods in Rascal Video's **When Bears Attack** while a sexy stranger causes trouble for a small town sheriff in **Hung Country For Young Men** from Jet Set Men. Furry hunk Steve Cruz is **Hotter Than Hell** in a scorching hot Raging Stallion Studio release and the Titan Men appear to have lost all their principles in **Double Standard**. New studio X Offender Entertainment serves up some full-on filth in **Sleaze** set in London's oldest cruising joint and we get to see some classic remastered nude wrestling matches filmed by legendary male physique pioneer Bob Mizer in **Wrestling Live 23 & 25** from the Athletic Model Guild.

It's a hard job but someone's got to do it and when we received a call from producer and director Simon Booth inviting us along to the shoot of his latest movie 'Straight Boy', how could we say no. QXMEN also went along to the relaunch of RoB London and were amazed at the transformation of this über-stylish fetish emporium and we also spent a hedonistic night at London's Hard On's fifth birthday celebrations. QXMEN's resident sexpert Haydon Bridge gets all hot under the collar at the sight of Chris Geary's horny model boys and we meet the creator of Anonymousmaskedmen.com and ask him where he got the idea from for this very horny original site. We take a look at some hot new releases in the UK and abroad and also browse the net seeking out some of the hottest sites around. We take a look at some of our favourite tattooed porn stars and find out a little more about sexy Titan Man Dean Flynn. And following a new parliament law, expected to come in at the beginning of next year, we ask 'is your porn collection still legal?'

VIDEO REVIEW

DIRECTED BY CHRIS WARD AND BEN LEON - STUDIO: RAGING STALLION STUDIOS

HOTTER THAN HELL

Starring: Steve Cruz, Damien Crosse, Luke Hass, RJ Denver, Scott Tanner, Tristan Phoenix.

STEVE CRUZ IS HOTTER THAN HELL IN A MOVIE HE WROTE HIMSELF AND THAT'S BILLED AS 'A SEX SAGA IN TWO PARTS'. HE'S BURNING UP WITH DESIRE FOR THE MAN OF HIS DREAMS, THIS MONTH'S CENTREFOLD AND COVER STAR, THE SEXY-AS-HELL DAMIEN CROSSE – AND WHO COULD BLAME HIM! GET READY FOR ANOTHER SCORCHING HOT ROMP WITH SIX OF RAGING STALLION STUDIO'S FINEST STUDS.

Steve is not just obsessed with Damien he's been stalking him and secretly filming him and in scene one we find Steve in his basement watching Damien on the screen, wanking his cock and working himself up into a frenzy. Next day Steve's at the gym in the locker room getting changed when Damien walks in. The guys undress and then, naked with just a towel around his neck, Damien turns to Steve and says, "I know you. You're that prick who's been following me around! I'm not interested you fucking pervert!" With this he slams Steve – still naked – against the lockers. Understandably, Damien's aggression only gets Steve more excited and as Damien storms out Steve just grins and mumbles, "Hot".

Next up Steve's at a bar, knocking back shots and clearly on a mission to get wasted. In the background, Luke Hass, Scott Tanner and Tristan Phoenix are seen slipping out the back. Cue a hot three-way with sexy, smooth Tristan soon down on his knees chomping on the other two guy's cocks. His butt gets busted first by Scott's rock hard cock and then the dark and brooding stud that is Luke Hass feeds his ten incher to the ever-ready Tristan. There's another two ball-busting scenes, one with Steve getting a taste of Luke's tool and another featuring Damien power-fucking boyfriend RJ Danvers (fans of Damien Crosse will cum buckets watching him pump RJ with sweat trickling down his face and over his body) before we reach the climax of Hotter Than Hell Part 1. Of course, Steve gets his man in the end and feels the full force of Damien's perfectly formed cock pounding his hairy butt in a disused warehouse. And we were left feeling sure that there'll be a Hotter Than Hell Part 2 out real soon judging by some intriguing twists and turns and the sinister appearance of evil looking stranger Ricky Sinz. Curious? Then order your copy now to find out what happened.

Rocks-Off

Billed as 'porn completely reinvented and new', Reality Sex sees a bunch of horny lads locked up for a week in CAZZO's Berlin apartment. They're all young and up for it and they're all looking to have a good time! Expect sex from early morning 'til late into the night and the camera is always there. Documentary-style shots go behind the sex scenes and also gives you the chance to see the guys up close and personal.

REALITY SEX

Starring: Christophe Chemin, Marcel Schlutt, Tim Vinzent, Darian Hawke, Ben Taylor, Max Schneider, Andreas, Gerald, Skar, Kai, Heiko.

STUDIO: CAZZO

Directed by Jörg Andreas

We're introduced to the guys as they each arrive at the apartment and straight away big-cocked Brit Darian, Christophe and Max get to know each other a little better, naked on the couch. Sexy skin Max takes both Daran's huge stiff cock and Christophe's before he's bent over the couch so that the guys can get to work on his butt with their fingers and tongues. No script here, just three guys, obviously very horny and definitely very into each other. What follows is a horny spit-roast fuck with sexy tattooed Christophe fucking Max's face while Darian plunges his huge cock

into Max's willing butt. Get the tissues out for this scene... Blond Brit, Ben Taylor, shows us what a big cock he's got in a ball-busting scene paired with sexy shaved headed Skar. You know Skar wants it when he's on all fours sucking on Ben's growing piece of meat and fingering his hole. And he doesn't have to wait long to feel Ben's massive cock pounding him as soon as Christophe gets every inch, driving back on it like a pro. Another hot scene with great close-up fuck action from two hot guys ending with Christophe on his back being shafted by Ben and getting two big loads on his muscled chest. The guys in CAZZO's 'reality house' sure know how to have fun and through ten hot scenes of spontaneous blowjobs, guys exploring foot fetish, three-ways and group orgy scenes, one that was a real eye-opener was the introduction of a fucking machine. Think dildo attached to a mechanical piston with a remote control to adjust the speed. It sure took Andreas to heaven when he lay back, set the machine to hyper-drive and shot a load past his head! We're just waiting to see one of those in the next Big Brother House!

HUNG COUNTRY FOR YOUNG MEN

A CHRIS STEELE FILM
STUDIO: JET SET MEN

Cast: Dylan Wood, Kevin Cavalli, Kyle York, Rocky Houston, Rod Daily, Tommy Blade, Trystian Sweet, Tyler Saint.

AVAILABLE FROM PROWLER

Set in hot and dusty New Mexico, *Hung Country for Young Men* tells the tale of a sexy drifter who arrives in town and causes havoc for gay sheriff, hunky Jet Set Exclusive Dylan Wood, as he steals and sleeps his way through the movie.

"This is the day everything changed in our town," hot uniformed Sheriff, Dylan Wood, tells us as he throws a drunk but very sexy Kyle York into a jail cell, already occupied by hunky shaven headed drifter Rocky Houston. The fugitives are forced to share the only bed in their cell and as Kyle passes out, Rocky hands start groping at his jeans and the guys get their cocks out and begin gobbling down. The horny Sheriff, Dylan, is watching what's going on and soon joins his captives in the cell, drops his pants and gets Kyle to suck his cock. Big mistake, as Rocky seizes the moment and makes his escape, locking Kyle and the Sheriff in the cell. Realizing that no one will find them until morning, the Sheriff decides to make the best of a bad situation, strips out of his uniform and fucks his captive, giving us a mouth-watering view of his hot muscular butt as he does so.

Next day at the bar sexy-as-fuck bartender, Tyler Saint, gets more than just cases of beer when horny, tattooed delivery guy, Tommy Blade, turns up. The guys' shirts come off revealing hot muscular bodies and the delicious Tyler pulls out his fat long tool. Tommy takes it first, doggy-style on his knees then offers up his butt to Tyler in an athletic position allowing Tyler to feed him every inch of his beautiful big dick. A hot three-way featuring Trystian Sweet, Rod Daily and Kevin Cavalli in the mensroom will have you reaching for the Kleenex before we reach the movie's climax when the Sheriff finally gets his man. The Sheriff's drinking in the bar when all of a sudden the drifter's hauled out from the stockroom and handed over to him. Deciding to teach the drifter a lesson, he fucks him spread-eagled on the pool table and then on his stomach, treating us, once again, to the sight of his awesome bubble butt.

STRAIGHT BOY

ON A MONDAY MORNING

FOR MOST PEOPLE, Monday mornings at the office can be a hard slog, pushing paper around your desk and wishing that it were still the weekend. But, here at QXMEN, Monday mornings can sometimes throw up some real treats. One grey morning back in August we were invited to the filming of a scene of Simon Booth's new movie 'Straight Boy' which was being filmed just down the road at London cruise bar Vault 139... Well, how could we say no?

The phone call came from Simon Booth, producer and director of loads of hot Eurocreme films, including 'Rudeboiz', 'Hung Lads - Ripped' and 'DreamBoy' and who'd recently won Best Director at the European Gay Porn Awards in Berlin for Borstal Boy, inviting us along to the shoot of his new movie 'Straight Boy'. The movie follows young gay lad, Andy (Luckas Leyton) who can't stop lusting after his sexy 'straight' flatmate Matt (Matt '11 inch' Hughes). It aims to explore the fascination that gay men have with straight guys - as well as huge cocks - and how, if we can't have something or someone, it just makes us want it even more! Set in London, 'Straight Boy' aims to reflect modern gay life and attitudes in a fun way that Simon hopes guys will identify with - and hopefully get off on in a big way too. Simon assures QXMEN that super-hung Matt Hughes really is straight and that meeting him was the inspiration for the film. "I owe a lot to him. His character is very much based on who he is," Simon told us. "I never believed a straight guy could get it on with a gay guy, but some guys really are that open-minded."

The movie was being filmed at several London locations and but scene that we were invited along to was taking place at new cruise bar Vault 139 and starred three cute young twink, Mikey, Kyle and Justin. As Simon and his crew arrived, boxes of equipment and lighting rigs were hauled down the stairs into the dimly lit underground venue and it quickly dawned on us that there's more to filming porn than just one bloke with a hand-held camcorder! Next to arrive were the boys who, hard to believe, would soon be naked and having sex in front of us!

None of the lads in the scene had met before today's shoot (which I was advised by Simon was pretty common). It was blond lad Justin's first time making porn and so he was a little nervous. The other two guys, Jordan and Bailey, had both done Internet scenes before, so appeared less nervous. But for all three, it was their first film and the first time they had had to do any dialogue or acting. Simon was great at putting the guys at their ease and it wasn't long before the guys were joking around and checking each other out in anticipation of filming. As the final preparations to the scene were set, the lads hurriedly read through their scripts while Simon and his crew checked equipment and adjusted the lighting. "Okay, quiet on the set," said Simon and the lads got into position. Then, to our horror, the office mobile began its shrill ring and vibrated off the bar, clattering to the floor. "Cut!" barked Simon. "Oh God, we're so sorry!" as we rushed out of the bar and up the stairs to see who it was who'd just interrupted the filming. "You've got to come back to the office NOW! It's an emergency and can't wait," we were told by the panicked colleague on the other end of the line and, so very reluctantly we made our apologies and left the professionals to get on with their jobs.

And so, we never got to see the lads in action, close up, but from the look of the pictures from filming, we missed out big time! QXMEN, like the rest of you, will just have to wait until the movie's released to see how 'Straight Boy' turned out.

'Straight Boy' is due for release later this year. Keep an eye out for the review in QXMEN.

Vault 139 is at 139-143 Whitfield Street, London W1T 5EN. Check out www.vault139.com for details of events.

What is it with gay men and TATTOOS?

It's not too long ago that tattoos were something only petty criminals, sailors, prison inmates and gang members had. Nowadays, just about every gay guy worth his salt has a tattoo somewhere on his body. But, while some guys go for a small discreet tattoo, others take it a little further than the average armband or tribal symbol and turn their bodies into walking art forms.

And there's no shortage of hot guys in the porn industry who've gone that step further. Take the irresistible Logan McCree and his amazing painted torso... He's even gone so far as getting his cock tattooed! We do wonder what Logan will look like when he's reached his seventies and everything's started to wrinkle and sag. But then hey, who cares? For now he looks hot as hell and he's made sure that the gay porn industry isn't going to forget him in hurry. Another stud, famed for his body artwork is Rambo, described as a "stunning black Nubian prince covered in shimmering tattoos", this guy's obviously spent some time in the tattoo artist's chair too.

Of course, we couldn't talk about tattooed porn stars without giving a nod to the delicious François Sagat and his amazing tattooed scalp. He only had it because he lost his hair in his late teens. But, looking back, what a shrewd move. Would he be quite so famous without it? Who are we kidding... With a body like his, of course he would. Titan Media also has its fair share of tattooed stars and one of our favourites is Dred Scott. This sexy fucker's not gone overboard but, boy, does he carry his tats well... Enjoy.

DIRECTED BY BOB MIZER - STUDIO: ATHLETIC MODEL GUILD

Starring: Ernie Banks, Brian Diaz, Jerry Suter, Tyrone Jones, Stavlos Aeokomas, Tommy Meyer, Sinbad O'Connor.

WRESTLING Live 25

Here are two discs you probably wouldn't expect to see in QXMEN! Of the 40 models featured, only one is openly gay. And not only is there no sex, there's hardly a hard-on! But these historical rarities are still worth seeing. Towards the end of his 47-year career, legendary male physique pioneer Bob Mizer liked to video buff young guys wrestling in the buff. And they liked to perform for him. Never seen before in the UK, these 20-year-old relics are a real curiosity.

Photographer Bob Mizer inspired and excited generations of gay men with his beefcake mag, Physique Pictorial, published between 1951 and 1990. Always a wrestling fan, he began shooting silent 8mm movies of guys grappling in 1957. In 1980 he switched to the new Betamax videotape and from 1984 produced more than 40 editions of Wrestling Live. Numbers 23 and 25 are the first to be released on DVD. Mizer had an artist's eye for prime male flesh. His wrestlers are mostly in their teens and 20s, all fit and shaggable, and all proud of their big cocks. But with one or two exceptions they're all straight. They lose their erections as soon as they touch each other and recoil from sexual positions like springs. Sweet! The two most charismatic performers, Ernie Banks (who keeps forgetting this stage name) and Brian Diaz, were also two of Mizer's biggest trouble-makers. "Banks was one of our prettiest models," Mizer wrote, "But he wasn't playing with a full deck." Mizer went on to recount how in 1985 Banks "broke into our warehouse, where we stored thousands of classic photos, slides and books, and started a fire that rapidly consumed almost the entire building. He was sentenced to a year in jail. He later broke his probation and hasn't been heard from since." Hairy-assed little clone Diaz is the only obvious homo (he went on to do hardcore). His bout with Rick Vascot is completely different from the others, more foreplay than wrestling. Diaz also ended up in the nick (for drug offences). In 1985 Mizer noted that, "he has not been able to free himself of chemicals and fully expects to end up in state prison. He has recently acquired multiple tattoos that he might better fit into that milieu." One final mystery: although the wrestling is softcore, the photo galleries show the same models grabbing each other's boners and prising their bum cheeks apart. It's a surprise bonus.

THE NEW R&B LONDON SETS THE BENCHMARK IN FETISH SHOPPING

PORN STARS, SCENE GLITTERATI, SEXY BIKERS, SKINHEADS AND LEATHER HUNKS. ALL WERE AT THE RE-LAUNCH OF THE ALL NEW ROB LONDON LAST MONTH AND, FOLLOWING FIVE MONTHS OF EXTENSIVE REFURBISHMENTS AND BUILDING WORKS, EVERYONE WAS BLOWN AWAY BY THE TRANSFORMATION.

RoB's London store opened in 1992 and offers customers the very best in quality leather, rubber and twisted gear at its Wells Street premises. Located just a stone's throw from London's shopping mecca Oxford Street, the store is now almost twice the size

of the old and offers loads of new lines of merchandise spread over two floors. The ground floor's now light, airy and industrial with a definite wow factor. Dildos, butt-plugs and cock-pumps are now displayed like luxury goods in stylish custom-made storage which wouldn't look out of place in a boutique store in Knightsbridge. Downstairs has been opened up and now houses London's first shop in a dungeon. It's darker down there with a sexier vibe with still plenty of leather, rubber and twisted gear on show with cell doors everywhere leading to changing rooms and a slick and modern customer toilet.

Andy Brodie, RoB's retail manager, told us "We're creating a shop where we'll help our customer's fantasies come true in surroundings that will set a new standard for what is expected from leather and rubber shops."

As part of the revamp, RoB has also changed the opening times to better cater for customer's wanting to shop after work. The new opening times are now Monday to Saturday 11am to 7pm and Sunday 12 noon to 5pm.

STARRING: AXEL, MANU MALTES, DAVID KORBEN, MATTHIEU PARIS, JACK STUART, TROJAN ROCK, CARLO COX, LEE HEYFORD, FRANCO CENTO.

FILMED IN THE BACKSTREET, ONE OF LONDON'S OLDEST CRUISING JOINTS, SLEAZE IS THE PREMIER RELEASE FROM X OFFENDER ENTERTAINMENT AND FEATURES NINE SLEAZY FUCKERS GETTING DOWN TO SOME SERIOUS FUCK ACTION. WITH A NOD TO THE GOLDEN AGE OF SEVENTIES PORN FLICKS, HOLD ONTO YOUR SEATS FOR A SLEAZY RIDE INTO THE DARK WORLD OF UNDERGROUND SEX.

Bearded leather guy Manu Maltes and smooth hunk Axel are stood

at the bar checking each other out when Maltes pulls Axel towards him and shoves his tongue down his throat. Sharing a cigarette the men get down an appetite-whetting suck and fuck session. Axel's down on his knees deep-throating Maltes' stiff cock before being hoisted onto a bar stool for, first Manu's probing tongue, then his rock hard cock. Axel's eager arse gets ploughed deep and hard in an opening scene that'll leave you wondering just how hard and sleazy this movie's going to get! You don't have to wait too long to find out as next up David Korben's blindfolded and tied to a cage with tattooed stud Matthieu Paris' tongue buried deep into his pouting arsehole. Korben's face is pushed into Paris' armpits before a big black dildo is stuffed in his mouth ahead of it forced inside his greedy hole. Still blindfolded, Korben's soon down on his knees worshipping Paris' hole with his tongue before sliding a jumbo-size dildo in. Next up the guys get down to very close to the knuckle, sloppy and sleazy arseplay with Korben's greased-up fingers exploring Paris' very accommodating arse.

All the while, the action's being watched by hairy hunk Carlo Cox who's soon joined by muscle-men Trojan Rock and Jack Stuart. The three hunks get down to some seriously sleazy suck, fuck and arseplay action just before rough bear Franco Cento finds muscle stud Lee Heyford cruising in a dark

corner of the bar. Get ready for a spit-drenched, sloppy arse-stretching finale with inflatable toys that'll bring tears to the eyes of vanilla-loving softies. Lovers of rough sleazy sex, however, will be left salivating for more.

HARD ON CELEBRATES FIVE YEARS OF FETISH!

PHOTOS BY CHRIS JEPSON

Saturday September 27th saw Hard On, London's only mixed gay fetish club, turn five years old and QXMEN was there to check out all the kinky birthday celebrations.

WIN JOCKSTRAPS & SIGNED POSTERS!

When we were at Hard On we managed to whip the jockstraps off the butts of two of the Dark Alley Media hunks! To win one and a signed poster, simply email your name and contact details to editorial@qxmen.com with **HARD ON JOCKSTRAP** in the subject field, or write to QXMEN, Hard On Competition, 23 Denmark Street, London WC2H 8NH. Entries in by 31st October when the winners will drawn at random. Good luck you sleazy people!

As with every Hard On event, the club was packed to the rafters with hot guys in leather, horny skinheads, rubber sex pigs, guys in jocks and boots and some daring few in just their boots and the heady smell of sex hung in the air. To celebrate five sleazy years of fetish fun, host Suzie Krueger flew in a whole feast of porn stars from the Dark Alley Media stable and muscle mountain Aaron Giant, sleazy Matthieu Paris and hottie Renato provided some XXX-rated performances for the up-for-it crowd. Also in

town to help with Hard On's birthday celebrations, and much to everyone's delight, were Dark Alley's infamous sexy stars Matthius von Fistenburg and Owen Hawke. The night was sponsored by London's Expectations which meant there were heaps of amazing give-aways including hot Dark Alley Media DVDs plus there were CD mixes by Hard On's resident DJs up for grabs and two lucky clubbers even won £75 each towards a tattoo of their choice from London's Prick Tattoo!

Hard On has one of the largest playrooms in London and in true form the hardcore regulars - and a few curious guys - made the most of the pervy equipment and, of course, the club's many dark cruising areas. The pumping underground soundtrack helped whip the crowd into even more of a frenzy and the highly-charged atmosphere ensured that this was one hell of a night which, QXMEN is sure, will go down in fetish clubbing history.

Hard On returns to Hidden on Saturday 25th October in conjunction with Alphamalemedia and will feature some of the studio's hottest porn stars live in the club! Entry's £15 for members and £20 for guests. See www.hardonclub.co.uk for details.

HARD ON

DARK ALLEY MEDIA AT EXPECTATIONS

The guys from Dark Alley Media were also at London's Expectations on the Friday evening before Hard On, signing DVDs and getting up close and personal with their adoring fans. The store was packed with guys buying something to wear for Hard On's birthday the next night, so the appearance of the hot guys from Dark Alley Media must have made their shopping trip!

ONE MAN'S MEAT:

CHRIS GEARY AND HIS HORNY MODEL BOYS

I'm obsessed with Chris Geary and I don't care who knows it. Since 2002 the muscle-hunk photographer has paid so-called horny model boys to strip, wank and squirt, filmed the whole business, and put the movies on his website. Porn is very much a matter of taste. But, although he uses all types, Geary specialises in the dreamboats that would give a gay corpse an erection. The way he seems to be coercing these mostly straight studs into something they don't want to do is also a turn-on. What obsesses me is what's really going on here.

Geary comes over as a dirty uncle, a gay version of Ben Dover, who pioneered gonzo porn in the UK. Dover used to pretend to bump into girls who were initially reluctant even to be filmed, but who were soon seduced by his geezer charm into spreading their legs and begging to be fucked senseless. Needless to say, Dover's pick-ups were models and the encounters were rehearsed. Geary seems to be doing much the same thing. He gets nervous-looking lads into hotel rooms and apartments – latterly Geary's own luxury penthouse with a hot tub on the roof – for "auditions".

In eight years Geary's technique has hardly changed. He begins by asking the model questions, always the same ones ("How old were you when you first had sex?") Then the model's asked to take his clothes off.

Geary rubs baby oil over the model's body, finally his cock. He asks the model to try on pairs of Speedos in different colours. Then the model has to face away from the camera and bend down so that Geary can fondle the model's cock and balls through his legs. In the old days Geary also used to stick his finger up the model's arse and suck his cock. But he doesn't do this much any more because he's got a Filipino boyfriend, Erick de Chavez. Erick also appears in the movies but, like Geary, he never takes off his shorts. The last shot of the movie is almost always of the model in the shower. If Geary hasn't applied for sponsorship from Sanex shower gel (no other product is ever used), he's missing a trick.

But let's get to the point. Unlike Dover's pouting nymphettes, often giggling while they were protesting, Geary's horny model boys seem to mean it when they say no. "I don't want you there, Chris," John, 26, tells Geary while the snapper is playing with John's bumhole. "You should be paying me for this," Lee, 18, complains in his bent-over position. Sometimes the models are very reluctant indeed and far from horny. One 19-year-old looks as though he wants the floor to swallow him as he takes off his trunks. And with good reason. He's tiny. This can't be acting, can it? So if Geary's models genuinely would rather be fully-clothed, drinking with their mates, how does Geary persuade them to strip off for gay men to leech over? You can see where I'm going with this, can't you? If we knew Geary's secret we too could get any man we wanted naked in five minutes.

Another of Geary's appealing qualities is that he seems to have no secrets. Born in Bournemouth in 1976, he grew up in the West country. He tells us that, because he was self-conscious about his pigeon chest, he started going to the gym when he was 21. He created his first website in Bristol in 1997. He met Erick, a go-go dancer and martial artist, at DTPM in 2004 and moved to London the following year. Learning on the job how to be a filmmaker, Geary originally shot Warhol-style, even leaving the camera running while he wandered off to fetch something. Conversations, and Geary's ►

own admissions, make it clear that, despite the complaint about money, Geary pays. One model talks about getting £250. In May of this year Geary offered extra to "the guy who spunks the furthest." Geary jokes that his straight models will do almost anything for money, but that some divas make big demands before they sign their releases. (Yes, the truth is that nowadays everything has to be agreed in writing beforehand).

Currently Geary supplies go-go boys and male strippers to clubs all over the world. The movies on his website have been getting more ambitious. Last year he had some amazing adventures and filmed them all. During Manchester Pride, Geary and his boys went too far at the Malmaison Hotel. Seven policemen arrived and evicted everyone! Backstage at Goodhandy's nightclub in Toronto, a woman begins directing a hardcore scene. "Who wants to get cummed on?" she asks the strippers. "I guess I will," says one kid without enthusiasm. "All right," the woman replies, "let him lie down,

The 19-year-old I also mentioned is even more of a puzzle. He's a friend of Geary regular, Stevie. Apparently Stevie talked his "best mate" into joining him for one session. It's all very well for Stevie, who's well-defined, with a big cock. But his friend is small and he knows it. It's delicious agony watching him trying to cover himself with his t-shirt. Geary almost always compliments his models. "I think that's the biggest dick I've ever seen," he tells Leighton, 25. But he pointedly says nothing to Stevie's friend except, "Is that hard?" Stevie's friend whispers, "Not really." And Stevie, swinging his huge todger knowingly, laughs at him!

Oh, God! What possessed him? Does he regret it? Can you imagine the opposite situation, a gay boy with a small cock trying to get it up on a straight porn shoot? Of course not. It would be ridiculous. As is this.

Except that it's also weirdly horny. Obviously I don't really need to wonder why these straight boys choose to suffer on a gay website. I could phone Chris Geary and ask him what's going on. Do the boys actually love what they do? Do they show the films to their drinking buddies and all have a right larf? But I don't want to know. The possibility that they're red-blooded heterosexuals unwillingly enduring gay sex for hard cash is much better.

"(ONE 19-YEAR-OLD LOOKS AS THOUGH HE WANTS THE FLOOR TO SWALLOW HIM UP AS HE TAKES OFF HIS TRUNKS.)"

boys." But nothing much develops. Recently some familiar faces have been turning up. One of the guys at the Flamingo, Blackpool, is Fernando, the stripper who can suck his own cock. (See QXMEN March). He comes almost immediately and says proudly, "I'm a professional!" Then he tries to encourage straight boy, Josh, who's having a lot of trouble. "Shoot it!" says Fernando. "Please," says Josh, "you're putting me off."

The straight boys are so uncomfortable that it's fascinating. You think to yourself, why aren't they doing straight porn? But the aforementioned John returns again and again to be humiliated. "It's a shame you can't get a hard-on more easily," Geary tells him. "That's because I'm not gay, Chris!" John snaps. "If you were a bird, we'd be sorted." Chris has no patience with him and, after checking the camera, informs him he's got four minutes to cum. John eventually manages a dribble and Geary puts it in his mouth. "Don't eat my cum!" John cries. "That's put me off for life!"

IS YOUR PORN COLLECTION

IN MAY 2008 THE CRIMINAL JUSTICE AND IMMIGRATION ACT 2008 WAS PASSED BY THE UK PARLIAMENT. THIS NEW LAW MAKES IT ILLEGAL IN THE UK TO POSSESS CERTAIN TYPES OF SEXUALLY-EXPLICIT IMAGERY. This guide (published by the Spanner Trust) contains important information about the new law and how it affects you.

still

legal?

WHAT DOES "POSSESSION" MEAN?

In the age of the Internet and digital media, possession of images has needed to be refined in law. Clearly, if you own a physical photograph or a DVD or videotape then you possess it. But images on your computer are a different matter. For a start just viewing an image or video on a web site does not constitute "possession". So you can browse the Internet quite legally. Your web browser may keep a temporary copy of the web pages and images you browse on your hard disk (the "cache") but this too does not constitute possession. Nor do unsolicited images received by email as part of a message. However, if you actively save or download an image or video to your computer or other device from a web page or email, or move or copy the files from the cache then case law has established that this does constitute possession. As, obviously, does printing out such images.

WHAT TYPES OF IMAGES WILL IT BE ILLEGAL TO POSSESS?

If the image or video shows a serious injury to breasts, anus or genitals or the activity is life threatening and the image is produced for sexual arousal it will be illegal to possess it.

WHAT IS SERIOUS INJURY?

"Serious injury" is not explicitly defined in law and it is up to the jury to decide. As a result of the Spanner trials it was established that "serious injury" when part of sexual activity was anything beyond "transient or trifling" which are equally subjective terms and open to interpretation by a judge or jury.

Breaking limbs, disfigurement, castration and other lasting disabling injuries are very likely to be included. Images of a whipping, beating or cutting of breasts, genitals or the anus which leaves cuts and bruises may be illegal to possess too. Genital modification and medical scenes involving catheters, needles, sounds etc are a grey area but see the Defences section below. A video or series of images which shows that any injuries healed quickly may be a defence to the charge that the injuries were serious. But again this is up to the court.

WHAT DOES THE NEW LAW SAY?

The new law makes it an offence punishable by up to three years in prison for someone to possess what it calls "extreme images". The date when this provision becomes effective has not yet been fixed but is probably 1st January 2009.

An "extreme image" is defined as one which portrays in a realistic way any of:

- An act which threatens a person's life;
- An act which results in or is likely to result in serious injury to a person's anus, breasts or genitals;
- A sexual act with a corpse or an animal.

and the image...

- Is grossly offensive, disgusting or otherwise of an obscene character;
- Has been produced solely or principally for the purpose of sexual arousal.

It is claimed that only a small number of images are intended to be caught by this law ("images" means both still photographs and video but excludes drawings and works of art). Unfortunately, many of the terms used in the Act are vague and open to interpretation. So until some unfortunate people end up in court and a jury decides, it is difficult to give absolutely definitive advice on what the Act means and how it will be enforced. In addition, police investigations, seizure of computers, etc, can cause disruption and damage to people's lives even if no charges are brought.

However, based on the way cases involving possession of child pornography have been decided in court we are able to give some advice.

FIRST OFF - DON'T PANIC!

Images of bondage, fetish wear, role play, watersports, sexual intercourse and domination/submission are not "extreme".

Images of corporal punishment, whipping and flogging, needle play, cutting, heat play or medical scenes involving areas besides the anus, genitals or breasts are almost certainly safe to possess (though the activities themselves may be illegal due to the Spanner ruling - see below).

In fact, the list of images which are certain to fall under the law is very small compared to the wide range of BDSM, kink and fetish images available.

If there's no injury to the areas of the body mentioned above or threat to life the image is almost certainly legal to possess. But there are grey area activities as well which are detailed in this guide.

WHAT IS "THE SPANNER RULING"?

In the late 1980s a group of 16 men were charged with various counts of assault as a result of consensual SM activity. The prosecutions were the result of a police investigation called "Operation Spanner". The men were under the impression that their consent to the activities was a valid defence. But this was rejected by the High Court and by subsequent appeals made as far as the European Court of Human Rights in 1996. In England and Wales consent is not a defence to a charge of assault where injuries caused during sexual activity are more than "trifling or transient".

WHAT IS LIFE THREATENING?

This too is a grey area. Putting a plastic bag over someone's head, tying a cord around their neck, forcing smoke into their lungs, water immersion, breath control, holding a gun or knife to their head can all be life threatening in the context of a real non-consensual kidnap or torture scene.

Where these activities take place during a consensual BDSM scene the intention is clearly not to threaten or endanger life. However taken in isolation it may not be obvious from the image whether or not there is a real threat to life. If the image is part of a sequence or a video which shows the consensual nature of the activity and that the recipient of the activity was not harmed then that could provide a defence should the images be seized, particularly if you are a participant in the activities.

ARE CLASSIFIED FILMS AND VIDEOS OK?

If a film or video has a certificate from the British Board of Film Classification then it is legal to possess it. However, if you take stills or clips from the film to make pornographic material then you could be prosecuted for possessing that material if in isolation it falls under the category of "extreme pornography".

WHAT ARE THE PENALTIES?

If found guilty under this section of the Criminal Justice and Immigration Act you could be sent to prison for up to three years or fined (or both) and be put on the sex offenders' register if you receive a prison sentence of over two years.

ARE THERE ANY DEFENCES?

The law provides two relevant defences.

1. That you did not know you possessed the image, or that you had not requested it and that you did not keep the image for an unreasonable time after becoming aware that you possessed it. So if someone emails you illegal images you should delete them immediately.

2. That the owner of the image directly participated in the acts shown and that there was no non-consensual harm. So in theory it is legal to possess images which show you or a play/partner's activities even if they show serious injury to breasts, anus or genitals.

HOWEVER

Under the current law in England and Wales consent is not a defence to a charge of assault if the sexual activities cause injuries which are more than "transient or trifling". So even though you and your partner have actually consented, that consent is not legally allowed as a defence to either a prosecution for possession of the images or prosecution for the activities themselves.

HOW CAN I PROTECT MYSELF?

- 1. Do not download or save images from web sites you visit if you think there is a risk that you could be prosecuted for possessing them.**
- 2. Clear your web browser's cache regularly or set it to keep images in the cache for as little time as possible (even for no longer than until the end of a browsing session).**
- 3. Do not take photographs or videos of your own BDSM sexual activity if they show serious injuries to breast, anus or genitals. It may be illegal to possess those images and if you can be identified in the photos or videos you could be prosecuted for the activities themselves.**
- 4. If you have pornographic images which show activities which appear to be life threatening make sure you know who the participants are and that you can be sure there was no real threat to life.**
- 5. If you take pictures or videos of legal consensual SM activity it will help defend any prosecution if you can prove that you participated in the activities (include your face or tattoo or something identifiable, even if just reflected in a mirror).**

HOW CAN I BE SURE IMAGES ARE PROPERLY DELETED FROM MY COMPUTER?

Deleting images on a computer usually just moves them to a Recycle bin (in case you made a mistake). So the first thing to do is regularly empty the Recycle bin (or configure your computer to do it automatically).

However the physical space on your hard disk where the deleted files lived may still contain a "ghost" of the files which could be recoverable using special software. To make sure that no trace of the files exists you should download and install a utility usually called a 'file shredder' (check Google for where to find one). This will overwrite unused areas of the disk (sometimes to military standard) so that neither you nor anyone else can recover the images you have deleted which might be illegal.

You should also inform the Spanner Trust if you are investigated or prosecuted under this new law.

Remember that if you are arrested or questioned by the police you should not make any statements without consulting a solicitor first.

TITAN MEDIA PRESENTS

DOUBLE STANDARD

DIRECTED BY BRIAN MILLS

Starring: Dean Flynn, François Sagat, Rick van Sant, Diesel Washington, Billy Berlin, Eric Moreau, Tyler Peter, Markus Ram, Max Schutler.

The special appeal of Titan Media's brand new title, only just released in the US, is the way the studio's most masculine contract stars - Flynn, Sagat, van Sant and Washington - kiss and get all doe-eyed over each other. Of course they slurp cock and ram butt as well! This is a hot combination that spices up even that old faithful porn scenario, where the plumber comes to fix the sink. As soon as this handyman action revvs up, you'll be reaching for the grease for your own tools...

The setting is behind the scenes in an apartment building, which must be falling apart considering that no maintenance work ever gets done. French superstar François Sagat is sent to check out a kitchen, but the first thing he finds is a dishwasher full of dildos. Naturally he picks the biggest. Naked under his overalls, he's soon trying to fit it into his bum. His mate, Brazilian Rick Schutler, looking fitter than ever, helps Sagat plunge it home. Rough but romantic, the pair move on to sucking, wanking, spitting and licking. Then, just for a change, Sagat takes the top role. Elsewhere superintendent Rick van Sant swaps innuendo over blueprints with tasty black Markus Ram. Van Sant can't keep his eyes off Ram's crotch. So Ram pulls out his piece. Check out that lustful gaze as they suck and fuck each other. And there's something strangely sexy about van Sant's distinctively downward-curved cock draped over Ram's bald pate! There's even hornier high-jinks to come. The plumber is Diesel Washington (who's just been voted Hottest Cut Cock at the 2008 Grabby Awards). Washington secretly leches over a tenant played by Eric Moreau, a French newcomer with exquisitely chiselled abs. When Moreau complains he's got no hot water, Washington turns up the heat. Fruit from the fridge leads to juicy kisses, and the backlit shower scene is worthy of Mapplethorpe. Then it's down to business with Moreau's legs spread wide for Washington's award-winning member! But Moreau is off like a shot when his boyf, delicious Dean Flynn, phones. City boy Flynn's car has broken down and mechanics Tyler Peter and Billy Berlin arrive to fiddle with his head gasket. The movie climaxes in more ways than one with a daisy chain in which Peter is piggy in the middle. "It is an amazing shot," says director Brian Mills in the 'Behind the Scenes' bonus content. He ain't wrong!

DEAN FLYNN

TitanMen Exclusive

TitanMen Exclusive DEAN FLYNN has starred in countless Titan movies and, in our opinion, has one of the peachiest butts in the business. QXMEN caught up with the sexy 27-year-old, 6'2" hunk who lives over in sunny California to ask a few probing questions...

Are you single?

No, I have a boyfriend. He's amazing!

What does he think of your career?

He supports me, because he's the one that gets me at night.

How and why did you get into the porn industry?

Ever since I was 18 and saw my first gay porn, I had wanted to be in one. Never in a million years did I think I would do so well or receive so many positive comments.

What was your first film?

The first film I shot was TitanMen's *The Road to Redneck Hollow*, a film by Joe Gage (it was actually released second). My first release was *Spy Quest 3*, directed by Brian Mills.

What's your favourite porn movie of all time?

Oh Lord, I love porn way too much to have a favourite. Give me hot guys, steamy sex, and a gushing climax and I'm satisfied!

Which two guys would make up your fantasy three-way?

Hmm, so many great guys to choose from... Since I was about 19, I think I had the hots for both Colton Ford and Blake Harper. YUM!

If you had the chance to direct a scene that you're in - and choose the other models - who would you choose and what would happen?

I would choose Colton and Blake. We'd probably be outside doing farm work and need to come in for some cool lemonade. Naturally, one of us would make a mess and need to clean it up. I would volunteer. While cleaning, the others would be checking my ass out and decide they would much prefer my ass over the cold lemonade (laughs).

Who's the hottest TOP in the industry?

Hmmm, hottest top? There are so many hot tops. I think the hottest top is one that can fuck the hell out of me and then bend over to let me have my turn!

And the hottest BOTTOM?

Hmmm, from personal experience, I did enjoy Jesse Santana (TitanMen's *Barnstorm*) and Dominic Sol (TitanMen's *Warehouse*), both great bottoms!

So, what turns Dean Flynn on?

Spontaneous, no strings sex! Of course, I love a masculine and defined guy with a hairy navel and a firm bubble butt!

Do you have any fetishes?

I recently started to like the electro-shock stuff. I've only played with it on my ass, but I'm sure it's a possibility to see in a future film.

What's your favourite position?

I like them all, but must do doggy and missionary in the same sitting.

Is it a turn on watching yourself performing on screen?

It's more of a critique. I don't think I can jack off to myself. Though remembering how hot the scene was, and the guys in it, is a turn on.

Do you find it easy to perform on cue?

Well, I'm there for a reason, so the cue is to have hot and steamy sex. Who isn't able to perform with that cue? (laughs)

What do you do to relax?

On set, give a guy a massage or be massaged, which usually leads to some relaxing fluffing.

What's your favourite part of your body?

That is too hard to say, I like all of my 2,000 parts.

If you weren't in the porn industry what would you be doing?

Probably having just as much sex off camera.

Where do you see yourself in ten years?

Hopefully married to the man of my dreams and settled down in a nice suburban town.

Have you ever had a stalker?

Do internet stalkers count?

What music are you currently listening to on your iPod?

A lot of dance music with a fast beat. I only listen to my iPod at the gym; I like the intense music to get my workout going.

ON THE SPOT

Night out at a top club or a relaxing walk along the beach?

Relaxing walk along the beach (with a vodka tonic in hand)

Smooth or hairy? Hairy

Length or girth? Girth

Cut or uncut? Cut

Give or take? Yes

Leather or rubber? Leather

Boxer shorts or briefs? Boxer briefs

Shaved hole or eau naturel? Not shaved, not bushy, but trimmed appropriately.

PIG BERLIN

Finding a venue where you can throw a party which can accommodate up to 4,000 up for it guys is no easy feat and Recon.com and RoB Berlin, organisers of last month's PiG, knew that 2008 was going to be a year with new goals to be reached. Moving even further out in East Berlin to Kraftwerk's Rummelsburg - an abandoned power station - turned out to be the ideal choice for the location for one of Europe's largest sleaze fest.

Antoin Strachan, PiG's coordinator, told QXMEN, "This year we invested heavily in improving our organisation and infrastructure and, after this party, I have to say that I do believe PiGs can fly. Despite the rain creating a bit of mud, which some piggies happily played in, the atmosphere was fantastic!"

Log on to www.PigBerlin.com to subscribe to the PiG newsletter and keep updated on next year's party.

Following their win at the 2008 European Gay Porn Awards in Berlin earlier this year, the guys at Alphamalemedia finally got their big strong hands on their award for Best Bear Film for 'Out On Parole'. Although the awards ceremony was held in April, the trophies were only handed out in September. Speaking with Trojan Rock, he joked, "We're really pleased to have received this trophy. THE BUSIEST CHAT SERVICE IN THE UK

LIVE 1-2-1

QX CHAT.com

CHECK OUT WHY WE HAVE GIVEN YOU THREE NUMBERS INTO ONE SERVICE

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
