# WELCOME... TO NOVEMBER'S ISSUE!

# QXMEN NOVEMBER 2008

Well, the clocks have gone back, the nights are drawing in and the economic climate's looking gloomy. So, we thought, what better way is there to put a smile on your face and a bulge in your trousers than to bring you a credit crunch-beating array of sexy men, big cocks and delicious bubble-butts. QXMEN... it's better than a Bank of England bail-out any day!

This month's DVDs we had the good fortune to peruse found us salivating at MenatPlay's suited and booted hunks in **Executive Pleasures 3**. And speaking of hunks, the guys from Alphamalemedia were let loose outdoors in the great British countryside for **Hairy Hunx: Rough & Ready**. Cazzo took us on a welcome break to sunnier climes in Cape Town with **Luthando**. **Benjamin Bradley Superstar** from Rascal Video, a compilation of Benjamin's best bits, had us falling in love, and we spent a cosy night in watching Dark Alley Media's new romantic comedy **Junkyard Cumholes**.

We got to see every gay man's fantasy as we watched some very horny **Straight Guys Fuck** courtesy of Fresh SX Real and, after all that, we had our eyes opened by the secretive fraternity of Titan Media's **Folsom Undercover**.

We've been busy too getting up close and personal with some of today's hottest porn stars and recently we caught up with hot, hung London-based Brazilian Carioca and sexy Brit Ross Hurston who's made it big across the pond. Plus we spoke to gorgeous Benjamin Bradley who, after a two year break, is returning to the porn industry and RascalVideo. QXMEN's resident sexpert Haydon Bridge looks into the crazy world kidnap fantasies and Maxwell B. gives advice to budding porn-makers about how best to market and distribute their movies. The hunt for Europe's Next Gay Porn Star kicked off in Manchester last month and QXMEN was there sizing up the potential and we even found time to hop on a plane to Berlin to shmooze with the porn stars and hustlers at this year's amazing Hustlaball. Plus, of course, we've got all the regular features keeping you up to date with this 'business that we call porn' and, if you've ever had a thing for guys in masks, just wait 'til you see the horny site we came across online... Enjoy.

RECENTLY RE-SIGNED TO A NEW EXCLUSIVE CONTRACT WITH CHANNEL 1 RELEASING, AND INTERVIEWED IN THIS MONTH'S QXMEN, THE OH-SO GORGEOUS BENJAMIN BRADLEY IS CURRENTLY IN THE STUDIO WORKING WITH CHI CHI LARUE ON HIS PORN COMEBACK. IN THE MEANTIME, SUPER STAR BENJAMIN BRADLEY HAS COMPILED SOME OF HIS HORNIEST SCENES ALL ON ONE HOT DVD.

**RASCAL SUPERSTAR SERIES BENJAMIN BRADLEY**  
**Directed by CHI CHI LARUE**

**Starring: Benjamin Bradley, Tommy Blade, Tyler Riggz, Jan Fischer, Brent Everett, Matt Cole, Danny Arnez, Jason Tiya, Hans Ebson, Hunter James.**

# BENJAMIN BRADLEY

It's not hard to see why Benjamin holds the title of one of Channel 1 Releasing's most popular studs and the sight of him and his butt-naked college pals in the shower scene in 2nd Inning: Little Big League, only confirms this. Baseball practice is over and the team strips off and hits the communal showers and Director Doug Jeffries treats us to some mouth-watering slow motion action of the guys lathering up their tight, firm bodies. There really is nothing more horny than watching a guy slowly rubbing soap over his butt cheeks, sliding his hands between them and spreading them apart to show his tight puckered hole, and the sight of Benjamin Bradley and his team mates doing just this is pure ecstasy. Hot, soapy water is seen trickling down muscular backs and shoulders, over their tight abs and over their growing cocks. Soon the whole team

have got themselves hard and Benjamin, not able to resist Jason Tiya's tool, grabs hold. He's soon down on his knees though chowing down on Hans Edson's thick meat while the rest of the team take it in turns sucking each other. Next, Benjamin and the team stand up against the wall in a line pushing their perfect bubble butts out for Jason to bury his tongue into - If you're an 'arse man' then you'll blow your load at this line-up of beautiful specimens! The scene culminates with a full-on fuck orgy with the fit, young and sexy baseball team going at it like only college jocks can... but we'd already shot a load by that time! There's another four scorching hot scenes taken from 'Starting Young 2', 'Sized Up', 'Boot Boy' and 'No Cover' pairing the delectable Benjamin with a variety of stunning guys but you'll just have to watch his Superstar Series compilation and choose which one's your favourite.

*Starring: Christian Hezzog, Danny Fox, Rio, Leeroy, Michael Beck, Julian Schmidt, Fredrick Berlin, DJ Ryder.*

**DARK ALLEY MEDIA** presents a film by **MATTHIAS VON FISTENBERG**

# Junkyard cumholes

**SO WHERE DO DARK ALLEY MEDIA'S GREEDY BOTTOM SLUTS GO WHEN THEY WANT TO GET THEIR HUNGRY HOLES FUCKED BY HUNG EAGER TOP GUYS? WHY THE LOCAL ABANDONED JUNKYARD, OF COURSE. DIRECTOR AND SLEAZE MEISTER MATTHIAS VON FISTENBERG PAIRS UP EIGHT DIRTY AMERICAN AND GERMAN SEX PIGS IN A CUM-DRENCHED OUTDOORS ORGY OF BAREBACK FUCKING, SKINHEADS AND INTERRACIAL SEX.**

First up at the junkyard it's real-life boyfriends, muscle-studs Danny Fox and Christian Hezzog. Watching these two hot guys at it, it's obvious that they're really into each other and, once they're out of their Speedos, it's Christian who's hairless hole gets fed first. But it's not long before skinhead Danny's on his knees arching his

back and pushing out his beautiful butt, taking Christian's stiff uncut cock. Sexy as fuck Christian proves just how much he loves screwing Danny's hole as he fucks him in no less than four positions, making Danny shoot over his own six-pack and then eating it off. Next up it's horny bottom Julian Schmidt and nine inch top Michael Beck. On his knees, Julian works Michael's growing monster tool with his throat and tongue before he's bent over and forced to give up his hairy hole. Two sleazy German skinheads, Leeroy and Rio, provide the flip-flop fucking action with thick meaty cocks and hungry sloppy holes in scene three and then we're introduced to cumhole cutie DJ Ryder and the eleven inches of hard black cock which belongs to Fredrick Berlin. With his bleachers round his ankles and still wearing his red jockstrap, greedy bottom DJ gets on his knees and offers up his hole to Frederick's mammoth cock. You've got to take your hat off to DJ as he takes Frederick's enormous tool deep and hard in his arse in a hot interracial fuck finale that will leave you reaching for the Kleenex.

## www.FetishLadAction.com

Whatever turns you on you're bound to find something that'll get you horny at FetishLadAction.com, the new FREE social network website for gay men into fetishes. And let's face it, we ALL have a fetish of some sort. Look it up in the dictionary and you'll find that the word 'fetish' means "something that arouses sexual excitement". So, if it's simply the case that you're turned on by guys with ginger hair or maybe the sight of a guy in trackies and trainers gets you hard then that'll be your fetish. Of course, there are many more sleazier fetishes which get us guys going, such as leather, rubber, S&M, feet, watersports – the list is endless, and they're all catered for on the site. Online you can create a profile and then cruise other guys and make a date, upload videos and pictures, blog, video chat to friends and even watch porn. You'll also find events listings, articles, classified ads, details of groups and much more. So, whatever your fetish, check out [FetishLadAction.com](http://www.FetishLadAction.com) and join the fetish community.

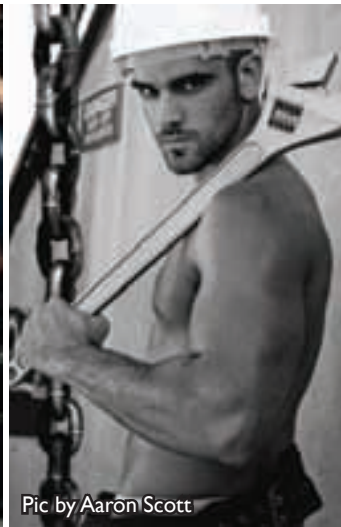

## www.StagHomme.com

Hot porn stars, Francesco D'Macho and Damien Crosse (last month's gorgeous cover star and centrefold), have set up their own Spanish-based adult production company called STAGHOMME.COM. The site not only features Damien and Francesco but also hot new talent from Madrid as well as other European cities, the U.S. and South America. The XXX-rated features include 'real' unscripted, up close and personal sex as well as more creative fantasy content and the studio also has two episodes a month of 'Stag TV', where you can follow Francesco and Damien on their 'trouble-magnetic adventures across the globe'. Get a closer connection to porn stars with the monthly 'Coffee with the Stars' interview with a top name in the industry, plus there'll be opportunities to chat live with Francesco and Damien and an online store where you can buy various autographed goodies and even things like used jockstraps and other items that have been 'used' by the guys. Check out [www.StagHomme.com](http://www.StagHomme.com). We did, and we loved it!

## www.SomethingGay.com

We went shopping online at [SomethingGay.com](http://SomethingGay.com), the UK's leading online mail order website, and by the time we'd got to the checkout, our basket was full of goodies, some essential for today's gay man about town and some, not so essential but just sexy and good fun. If it's sexy underwear and cool fashions you're looking for, you'll find the likes of Calvin Klein, HoM, N2N Bodywear, Andrew Christian and loads more top brands. As well as greeting cards, flowers and magazines there's also everything you'd expect from a gay mail order site such as condoms and lube, sex toys, penis enlargers, prostate massagers, bondage and SM gear, stimulants, sports nutrition... Phew, the list is endless, plus there's also handy product reviews. There's even an Adult Experiences section, but you won't find a day out at Brands Hatch or a romantic balloon ride here. You can, however, book yourself a Cross Dressing Makeover and Photo Shoot, Dinner with a Porn Star, Hire a Dungeon and even Star in your own Porn Film! Why we ended up with the bondage duckie in our basket is anyone's question. But he does make bath times so much more fun!

## www.BulldogXXX.com

European stud stable, BulldogXXX will be launching its new members site early in 2009 as it enters its fourth year in business with titles like Hung! Scum! Studs! and Meat! After having drawn some of the hottest talent over that time including mega meat Mukhtar, delicious pig bottoms Darren Robbins and Mathieu Paris along with merciless tops like Fred Faurtin, it's time for the studio to go live with heaps of exclusive content, pictures, profiles, filth, smut, sleaze – you name it! Bulldog will also be launching some very special new ranges that promise to bring knob-arousing new talent for a range of age preferences and some exclusive reality porn! Keep your eyes peeled and the Kleenex handy!

## www.WeJustAsk.com

QXMEN came across [wejustask.com](http://wejustask.com), a new interactive amateur guys website. Inspired by American sites like Sean Cody and Broke Straight Boys, wejustask features genuine hot, British straight guys you can't see anywhere else. Site founder Mac told us, "I've been amazed by how really hot straight guys are ready to take their clothes off for the camera if you just ask them!" The site's different because it gives you the chance to take part in the model selection process. Yep, you can actually suggest a guy you've seen out and about which you'd like to see featured and then scouts will then 'just ask them' if they'd like to model. Hot guys include Bart, a warehouse worker who was spotted outside a café in London, Lee, a road construction worker and Joe, a semi-professional footballer.

EXECUTIVE PLEASURES

## STUDIO: MenatPlay

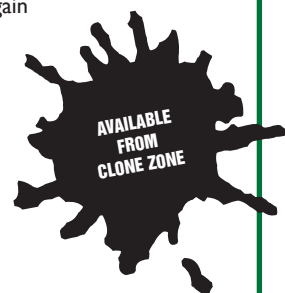

*Starring: Jason, Doctor Richard, Johnny B, Korben, Jake Ryder, Julian Vincenzo, Carl Wilde, Tanek, Michael, T.J, Casper, Ryan.*

**WITH THE CREDIT CRUNCH BITING, IT'S UNDERSTANDABLE THOSE CITY BOYS WOULD WANT TO LET OFF SOME OF THAT EXECUTIVE STRESS – AND WHAT BETTER WAY THAN FUCKING LIKE HORNY SUITED RABBITS.**

The MenatPlay team has already carved an oft-imitated, but so far nowhere near bettered, niche with their 'suited porn'. After the workplace horniness of Executive Pleasures 1 and 2, there's still plenty of fun to be had at MenatPlay towers with the third installment. The action gets straight in as a lower level hunk ascends to the top floor and finds an eager receptionist. They soon break up the 9 to 5 grind by indulging in a hot reception fuck that gets disturbed by 'the boss', unaware that his personal assistant is getting some assistance of his own under the desk. In the next scene, bespoke beef Julian Vincenzo shows a young intern how to

file under R for 'rim job' in the stock room. We also get to leave the high rise and venture to the tailors, where an inside leg measurement leads to a personal alterations service you definitely won't get down Savile Row. There's some extremely hot trouser-play that shows it doesn't always have to be full frontal to be sexy! Things get rather sordid in the men's room when a post break leak becomes a glorious glory-holed threesome of sucking, fucking and a double facial for one lucky paper pusher. As straight boy Johnny B wanks over some girlie porn left by his downright lazy builders, the horniest doc on the block once again takes doctor/patient relations to the next level. As always, Doctor Richard defies strict medical code of conduct and prescribes an injection of meat to a worker that doesn't exactly look like he's at death's door.

The bonus features rock too, especially 'Sex On Set' where a simple softcore photoshoot descends into impromptu hard-boneage. We don't know about your workplace, but we know you definitely wouldn't have this much fun at Canary Wharf!

**Directed by Sven Jungbluth - Studio: Cazzo Film**

**Starring: Christoph Scharff, Carlos Leon, Fred Faurtin, Tim Vinzent, Jed Willcox, Cort Masters, Johny Stud, Jude Lawless, Mitch Harmse, Prince.**

# LUTHANDO

Want something different? Here's what's probably the first gay fuck flick shot in South Africa. It's a Cazzo production and, even by this studio's maverick standards, the plot is completely insane, even more so than director Sven Jungbluth's first movie, *Thom Barron Calling*, a Grabby award winner (Best International Video) in 2004.

The opening coupling sets the bizarre tone. A stereotypical, brutal Afrikaner orders his black servant, Luthando (Leon), to suck and fuck him. What boss man doesn't know is that he's been poisoned by his maid. He dies while Leon is shafting him, and then Leon wanks over the corpse (which has to be a porn first). Next, we follow two European couples around Cape Town and first up, Scharff fucks his pool boy, while his boyfriend (Vinzent) takes a cable car up Table Mountain, where he meets Faurtin. Faurtin just loves sitting on Vinzent's dick, and their scene has to be this month's most sensual. We rediscover Leon performing a ritual involving painting his body white and burning the potion, which becomes an aphrodisiac animal horn. After jerking off, Leon tries to get rid of the horn in a township. He leaves it with three guys in a pool hall. Then who should turn up but Scharff and Vinzent, whose car has broken down. Finding the black guys beating their meat, the Europeans join in and an orgy on the pool table develops. While everybody's shooting their loads, Leon grabs the horn, but he's swiftly arrested by two cops, one black, one white. When the horn is unwrapped in the police station, there's another orgy. The cops are transformed into sex beasts, with whitey almost chewing the furniture as he's drilled with black dick. And then Faurtin arrives to report his missing camera! Surely nothing can top this? Yep, the last scene! Faurtin and Willcox find Leon sunbathing on the rocks and their three-way, with Willcox taking a pounding from the other two, is hotter than a bry. Some porn is going to seem very tame after this!

# HUSTLABALL Berlin 2008

*Pics courtesy of Olivier Gilbert and Ralf Ruehmeier.*

**THE GLITTERATI OF THE GAY ADULT INDUSTRY TOGETHER WITH HUSTLERS, HOOKERS AND MORE PORN STARS THAN YOU COULD SHAKE A STICK AT GATHERED AT BERLIN'S INFAMOUS KITKAT CLUB ON THE LAST WEEKEND OF OCTOBER FOR THE 6TH ANNUAL HUSTLABALL BERLIN. QXMEN WAS THERE TO REPORT BACK ON ALL THE WILD ACTION...**

Berlin's Hustlaball is one of the most hotly anticipated events of the gay adult industry's calendar and this year's party did not disappoint. While for some, the crowds were too much, we revelled in the fact that we weren't so much rubbing shoulders with porn stars, we were actually pushed up against their bare, sweating skin as we squeezed our way through the throbbing crowd of up for it guys. As we sipped our complimentary Cosmopolitans (served by oh-so sexy waiters who looked good enough to eat) we admired the horny party goers who were decked out in all of their sexiest finery. The club was full to bursting with hot guys in denim or leather, boys in trackies and trainers and, of course, there were plenty of ripped muscles on show. At one point we thought that maybe we'd had one too many Cosmos when, turning a corner, we came face to face (to face) with, first, the gorgeous Visconti Triplets, there with young stud Johan Volny from Eurocreme, and then BelAmi's two stunning, muscle-bound Czech identical twins! The cream of today's hottest porn stars had been unleashed for the Hustlaball and the guest list must have read like a who's who of the porn industry. Some stars were there just to party and be seen, but Tom Weise, founder and producer of Hustlaball, had organised what seemed like back-to-back performances, and the crowd were kept salivating from the off with XXX-rated performances from the likes of muscle God Zeb Atlas, stunner Johnny Castle. We'd need a whole page to name every porn star in the KitKat Club that night, but a few big names there included Aaron Giant and Nick Nick Mazzaro, there representing AlphamaleCash. Also on stage giving a dirty performance were UK's Christian Torrent and Neal Pearson while the downright gorgeous Damien Crosse and Francesco D'Macho gave the VIPs a sensual but sexy performance upstairs. Representing Hot House Entertainment, UK's very own Ross Hurston was there and providing the black and Latino contingency, sexy Flavamen Baby Boy, N'Tice and Breion Diamond dropped into the party. We even bumped into the lovely Matthias von Fistenberg and Owen Hawk from Dark Alley Media. By the end of the night we were all porn'ed out... but we couldn't help taking a sneak peak at the sexy boys from Erocreation on stage for the final orgy!

# FUCK

**STUDIO FRESH SX PAIRS FOUR SEXY STRAIGHT LADS WITH FOUR UP FOR IT GAY GUYS FOR THEIR FIRST EVER GAY SEX ON CAMERA. AND BEING FRESH SX REAL, THE MODELS CONTROL THE CAMERA. SO EXPECT PLENTY OF HOT POV (POINT OF VIEW) FILMING AND SOME REALLY HORNY CLOSE-UP SHOTS.**

Scene one stars QXMEN favourites Kai Cruz and mega-hung Matt (11 inches) Hughes and we begin with the lads being interviewed on the bed. Cocky Kai Cruz's smile could get an old man hard at forty paces and when he smirks and tells the cameraman how much he's looking forward to Matt's cock and boasts that "he can beat any pussy" that Matt's had, you know we're in for a treat. Matt's on the bed stroking his huge soft cock - he admitted earlier that he had "shower AND a grower" and he's not lying! Kai enters the room with a handheld camera and straight away begins to give Matt's growing cock head. With Matt holding the camera, pointing down to Kai's head bobbing up and down on his huge cock, it really does give you the sense that we - the viewer - are experiencing Kai's eager mouth.

AVAILABLE FROM [www.FreshSXstore.com](http://www.FreshSXstore.com)

But it's Kai's cute boy butt that we'd really love to experience and, once out of his shiny white football shorts, it gets one hell of a pounding from Matt before the scene's out...A blinder of a scene and, if you get past this one without busting a nut, then you've got stronger self-control than us! And you won't have to wait long to see more sexy as fuck straight lads fucking a guy on camera for the first time as scene two treats us to the very gorgeous, muscled Welsh straight lad Jon and cute gay lad Michael. The handheld camera comes out once again so you can expect loads of hot POV shots, one notable piece of filming when Michael has the camera while on his back, his legs behind his ears and Jon pounding away as he would to his girlfriend. Two more dick-draining scenes featuring sexy straight Essex lad Tyson and Pablo from San Diego and then straight Alexander from Belarus paired with gay guy Lui from Portugal complete Straight Guys Fuck and secure this movie as a 'must buy' for guys who dream of fucking with straight guys.

# BENJAMIN'S PRIVATES

**Which do you prefer, mainstream modeling or making porn?**

They each have their perks. As a mainstream model I received much more credit and validation from peers and other industry insiders. But I find porn a double edge sword with so many. I came across people who would seek me out because I did porn and claim they were fans, but then they use porn against me, using it as a way to put me down, to be condescending. People will love you for it, and then turn around and hate you for it. I like now that I'm not a spokes model for a mainstream underwear company because I had to watch what I said and how I acted.

**You've just re-signed with Channel 1 Releasing... What can we look forward to?**

Lots of great scenes starring yours truly!

**Which other studios have you worked with?**

I have only worked for one other studio and that is Falcon, which holds a special place in my heart because my fiancé Roman Heart is one of their exclusives and that is where I got my start in the industry. I made two films for them and then decided to sign with Channel 1 Releasing after not wanting to create competition with Roman.

**"MY MOTTO IS I'LL TRY ANYTHING ONCE, TWICE IF I LIKE IT, AND THREE TIMES JUST TO MAKE SURE."**

**What was your first film?**

First film I made is called 'The Driver' and my scene partner was Roman Heart.

**Were you nervous?**

Not too much. I was making the scene with my boyfriend so that was a huge comfort factor.

**How many movies have you starred in?**

I think I have filmed 11 movies to date.

**Which film are you most proud of?**

My personal favorites are 'Sized Up' and 'Starting Young 2'.

**You've dated a few hot guys from the industry, including Roman Heart and Ethan Reynolds...**

Well, like I said before I am with my long time, on again off again love of my life, Roman Heart. Through our, sometimes, bumpy road there were others that came along, but nobody compared to Roman in anyway. It's one of those things where you find your lover and best friend all in one. And no matter what kind of arguments you get into, at the end of the day you hold each other and know that nothing else matters.

**Have you ever been star-struck by someone you're filming with? It's one thing meeting a famous porn star, but to think 'Oh my God, there's so-n-so and he's just about to fuck me! That must be a real mind-blower!'**

Well, to be honest... I don't really follow porn myself. The only porn star I really knew of was Matthew Rush. And that's because when I was like 19 someone gave me a porn of his. The truth is, when I'm filming a scene, there are moments when it's hot of course, but 90% of the time you aren't really thinking 'sexually'. You're concerned with the angle and listening to the director tell you what's working and what's not. This might dampen the whole experience for a fan's perspective, but it's true.

**So, what turns Benjamin Bradley on?**

I like confidence without the cockiness. A man who doesn't need to be the center of attention but can hold his own in the spotlight. A great smile. Kind eyes. Smooth, athletic body. A guy who has any kind of talent, that blows me away.

**Do you have any fetishes?**

I like to dabble in all sorts of things, without going overboard, (nothing toooo crazy, I was born and raised a Mormon!) My motto is I'll try anything once, twice if I like it, and three times just to make sure.

**What's your favourite position?**

All of them... I like sex to be switched up every few minutes. Keep it hot and active.

**Is it a turn on watching yourself performing on screen?**

Absolutely. I don't know why, I've not got a huge ego or anything. I think it stems back to when I was a teenager and we didn't have Internet or anything like that available, so I would jack off in front of the bathroom mirror to pretend what it was like to be naked in front of another boy.

**Do you find it easy to perform on cue?**

Yeah. I have a good work ethic and it follows over into porn.

**What's your favorite part of your body?**

My arms. They build muscle the fastest.

**Where do you see yourself in 10 years?**

I went to school for graphic design, and I am currently trying to blaze a path for myself in that field. I would love to be successful in that industry, as well as successful in my relationships.

**Do you have any plans to visit the UK any time soon?**

No, but I would definitely LOVE to!

**Describe yourself in three words.**

Fun loving, optimistic, dorky.

# HAIRY HUNK ROUGH & READY

**DIRECTED BY MAXWELL B.  
STUDIO: ALPHAMALEMEDIA**

**Starring: Vinnie D'Angelo, Pier Sias,  
Fred Faurtin, Aitor Crash, Butch  
Grand, Carlo Cox, Parker Williams,  
Marco de Brute.**

**THE STARS OF HAIRY HUNK, CARLO COX AND BUTCH GRAND, ARE BACK IN THIS SEQUEL, ALSO DIRECTED BY MAXWELL B., WHO'S BEEN DESCRIBING THE INS AND OUTS OF THE PORN BIZ OVER THE PAST FEW MONTHS IN QXMEN. COX AND GRAND ARE JOINED BY ANOTHER SIX BEARS, NOTABLY MEGA-CUDDLY NEWCOMER MARCO DE BRUTE. INSTEAD OF A LEATHER BAR, THIS TIME EVERYONE'S OUT IN THE SUMMER COUNTRYSIDE (THE FILM WAS SHOT LAST JUNE). IT'S LIKE A TEDDY BEARS' PICNIC, EXCEPT THAT ALL THERE IS TO EAT IS JUICY COCKS AND HAIRY HOLES.**

Each of the four couplings has something that'll leave bear chasers panting. In the first, it's that fine piece of Spanish beef, Pier Sias, who was also in Maxwell B's *Out in the Open*. Sias is having a session with his trainer, French superstud Fred Faurtin. But Sias is distracted by Faurtin's cock, bouncing under his shorts. The guys start eating each other's faces instead. Faurtin's nipples are pierced, and Sias' are like organ stops. Faurtin laps Sias' hirsute arse in wonderment, then shoves his cock up there. Maxwell's camera is in just the right place to satisfy butt sex lovers. Next up, Yank porn veteran Parker Williams, now a Daddy with a nice pelt, snogs Maxwell regular Carlo Cox outside Cox's caravan. Then they're down on each other. Cox is well-hung for a short-arse, but Williams can swallow the whole thing. Inside the mobile home, Cox plugs Williams over a couch, then on his back on the table. This leads to a *really* big spurt from oldie-but-goodie Williams. Another American stalwart, Vinnie D'Angelo is paired with Brit newcomer Marco de Brute, sexiest little bear of the year, with a fine physique and a dark brown voice. He's also one of the rare guys who can get the head of his cock up his own arse. He munches D'Angelo's butt like an old pro, then bends to be shafted. Growl! Finally Spanish hombres Aitor Crash and Butch Grand have a sweaty session around a tractor and fuck each other on a haystack. With his tight jeans, jet black Van Dyke beard, and hairy chest, Grand is *un oso grande!* His piss-hole is also big enough to take Crash's finger! In the last scene, the way Crash combines fucking, sucking and rimming is really creative. He then fires a geyser of cum over Grand's pecs. More Hairy Hunks, please!

BE IT A RUBBER, LEATHER, SPANDEX OR MEXICAN WRESTLING MASK, A BALACLAVA OR EVEN A GAS MASK, WE NEVER KNEW THAT GUYS COULD LOOK SO HOT WEARING JUST A MASK AND NOT MUCH ELSE! QXMEN CAUGHT UP WITH THE SITE'S CREATOR TO FIND OUT MORE.**

# MAN BEHIND

# the mask

## **So, how long has the site been running?**

The site has been running since May last year, so there's now over 75 guys on there showing off and shooting off in masks.

## **Where did the idea come from?**

It all started with wrestling masks! I ask guys if they would model for me, some said yes, but a lot said they would if they didn't have to show their face. So when I came upon a shop in Amsterdam selling wrestling masks the idea came into my head!

## **Is it a fetish/fantasy of yours?**

It has become one... I've done a few things in a mask that I wouldn't have done otherwise!

## **What type of guy contacts you asking to model?**

I get a whole spectrum of guys asking if they can model, but it's mainly guys that have been wanting to do a porn shoot but didn't want to show their face.

[www.  
Anonymous  
masked  
men.com](http://www.anonymousmaskedmen.com)

## **Do you approach guys to model for you?**

Yes I do. If I come across a guy in the street or on the Internet that I think would make a good model for the site, I have to ask them!

## **Have you ever photographed anyone famous?**

I've photographed lots of famous people, but only one you might know that's on the site.

## **The guys on your site are all fit or muscled. Have you ever had to turn a guy down because, however good the mask was, he just wasn't sexy?**

There's a lot of fit, muscled guys on the site, but there's also skinny and stocky guys too. But yes I have had to turn a few people down.

## **Do guys bring their own masks or are they all your own?**

My collection of masks is growing, but guys have brought their own masks to wear in shoots which is always great, especially if I don't have a new one to use.

## **Where do you get the masks from?**

I've bought some from RoB and Expectations, but a lot I get off the Internet as the choice is massive... There's more people into masks than I first thought!

## **When you meet a guy, do you instinctively know what mask will suit him?**

Well if I've got a new mask I always try it on them, but I do have to try a few if the first is no good. It's mainly to try and get a good fit. You also need to think about what they're doing - if they're sucking cock, they need to be able to open their mouth!

## **Do guys get paid for modelling for you?**

I started off by paying all the models, but found that the guys who did it just to see themselves on the site or in exchange for copies of the photographs got much more turned on and really into showing off their hard cocks and bodies and shooting off a load behind the anonymity of the mask. I think you can tell the guys that are turned on by the masks and the guys that just knock one out for some cash.

## **Do you get turned on while you're filming/taking pictures?**

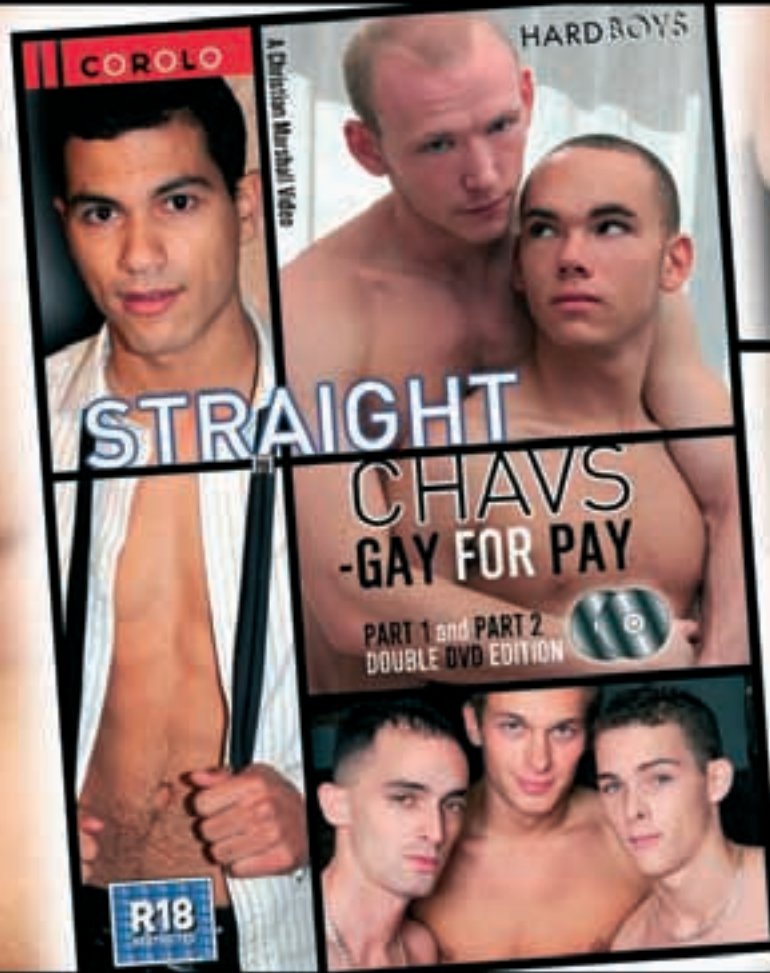

To be honest I'm too busy worrying about the lighting and getting the photos and video I want to be turned on while I'm working. It's not until I see the results on the computer I think, "Fuck, he was in front of me!"

## **I read on your site that you're not worried about the model's sexual orientation... Do you get many straight guys contacting you?**

I do get a lot of straight guys doing shoots because they can do a porn shoot hiding their identity and nobody is the wiser. But that goes for any guy that's wanted to do a porn shoot, now they can!

# TIE ME UP! TIE ME DOWN!

This month the advert that caught my eye was 'KIDNAP FANTASY. 100% LEGAL. £3,495.' I couldn't get on the phone fast enough. Eventually I found myself chatting to James Longmore, director of Adult Adventures, a Yorkshire company that, for the past two and a half years, has been inventing scenarios to spice up straight couples' sex lives.

Not so long ago James met up with an old school mate through Friends Reunited and discovered that they were both in the same business, but on opposite sides of the church as it were. James liked what he heard about the gay fetish business. So he's easing his way in.

"At the end of the day," James explained, "these are guys who have fantasies they want to act out as much as anybody else. What we wanted to do was partner up with a key player in that market because I don't really know it as well as the straight market. Hence I approached Bent." Bent is one arm of All Points North, the Leeds-based company with its fingers in lots of gay pies including a magazine, a mail-order business, and the Mr Gay UK contest. Boss Terry George featured in the second series of Channel 4's The Secret Millionaire.

Bent's gay Kidnap Fantasy is so new that to date no one's bought one. But James and his crew have organised seven or eight for opposite sex partners. Some of them involve a long lead-up, with mysterious emails and the like. "We did one and it went on for a few weeks before we got the guy to a hotel under the pretence that he was meeting an old college friend," James told me. "Instead he was taken to a mistress, forced to wear rubber and covered in custard. That was his fantasy. We made all that happen."

James went on to describe a Valentine's Day kidnap in which a lady was taken to a beautiful country hotel. "She was greeted with the finest lingerie, a fun hamper, a bottle of champagne and the rest of it," James recalled, "and then we were texting her boyfriend little clues to find her." When I suggested that the gay market might fancy something a little rougher, James responded, "We can cater for that. The guy we did the splashing thing with, he was jumped by three of us, bundled into the back of a truck, handcuffed very roughly, bag over his head, and deposited with very little ceremony at the mistress' door. We ask people, 'How rough do you want us to be? What are your limits?'"

► Will everyone involved in the gay Kidnap Fantasies be gay? "Em... gay or bi, I would say," said James. Does that include James? "Heh-heh-heh. Yeah." He's bi? "Yeah. I'm a married guy and my wife is one of my colleagues here." Well, if only I had £3,495.

There's nothing new about paying to be kidnapped. In 2002 The Observer reported that New York performance artist Brock Enright had been doing it for more than a year. He'd started out by kidnapping thrill-seeking friends. But by the time the press found him, Enright had 26 satisfied customers, who'd paid up to £2,600 to be abducted. Sometimes the kidnaps were done on the streets of Manhattan. But passers-by failed to intervene because a participant had a video camera. "They think it's a movie," said Brock. As per, however, it seems to have been a queer who thought up this kidnap lark in the first place. Step forward, Alan Roberts, club promoter for well over 20 years, who currently runs Club CP and Rough at the Union in London's Vauxhall. Alan looks like a hard man. And he is. "I used to be a boxer, hence the face like a tool box," he told me upfront when we met. He's also ex-borstal, ex-prison, ex-Army. "I got chucked out for being queer," he admitted. "They found me banging a sergeant up the arse over a Land Rover. So I got a discharge... In more ways than one." Before that, though, he'd learned escape and evasion techniques.

"I thought, this looks interesting. I can follow this on," Alan recalled. About ten years ago, he got his chance. "One of my mates said, 'I'm really into the idea of being kidnapped.' So I said, 'I'll do it.' I put me army kit on, trotted round to his house, kicked his front door in, pulled a gun on him, ransacked his house, threw him upstairs and gave him a good shagging. And he quite liked it." And Alan liked it too? "Not half. I thought, I could advertise this." Because of his club commitments, Alan can only manage about six kidnaps a year. But he *really* enjoys them. What, after all this time? "Even more so. The older you get, the worse you become," he confirmed. (He's 44). "My libido's been rampant this week. Ha-ha! I've got a friend who helps me do it, and he doesn't want anything for it because he just likes doing it. If the bloke's good looking I'll do it for a freebie." (Otherwise it's about £500 plus expenses).

## "THEN WE DROVE BACK DOWN THE M6, STOPPED ON THE HARD SHOULDER AT 2 O'CLOCK IN THE MORNING, KICKED HIM OUT OF THE BACK OF THE VAN WITH NO CLOTHES ON, AND LEFT HIM"

Alan loves talking about his work. He remembered one particular client: "We ended up driving to Coventry with him trussed in the back of the van. He was locked in the dungeon and we went in there periodically and kicked him around a bit, shagged him rotten, pissed on him for about five, six days. Then we drove back down the M6, stopped on the hard shoulder at 2 o'clock in the morning, kicked him out of the back of the van with no clothes on, and left him." Did the bloke contact Alan afterwards? "He did. He said, 'I'd like to do that all over again.' Ha-ha-ha!"

Like Brock Enright, Alan also snatches "victims" in public: "We did another one where we got someone off a tube train at Leytonstone. Me and a mate took him up the A1 to Scratchwood. We marched him round this field, kicked him in the mud and threatened..." Wait a minute. You grabbed someone off a tube train? "Nobody bats an eyelid. We told the station manager what was happening. He said, 'Fine. I don't care what you do. Just don't wreck my train.'"

When it comes to this kind of sex game, of course there are limits. Nobody can be kidnapped without his consent. Nobody can be genuinely beaten up. (New legislation will be enforced from next month). "I had one bloke who wanted the shit kicked out of him for real and I said, well, we can't do it," Alan warned. "And you get people who want to be kidnapped with a gun in the middle of Central London. You can't do anything like that any more. The police will shoot you."

What's the Kidnap Fantasy all about? Why do guys like it? "They like having their freedom taken away," is Alan's claim. "You never know what's going to happen next." James Longmore agrees. "It's being rendered helpless, an abdication of responsibility," he told me, but added a proviso. "If you want an analogy, it's like when

you go to Alton Towers and you go on a big ride. Your heart's pumping, you know it's gonna scare the crap out of you. But deep down you know you're gonna be strapped in, you're gonna be safe."

# THE SEARCH BEGINS FOR EUROPE'S NEXT GAY PORN STAR

**The hunt for Europe's Next Gay Porn Star began in earnest last month and QXMEN went along to the UK heat in Manchester to sit on the panel of judges and see first hand the young British hopefuls.**

The UK heat got off to a rocky start when, to everyone's dismay, guy after guy either phoned and cancelled or simply didn't bother to turn up to their allotted audition. (What is it with guys who say they'll do something and then just don't turn up?) Well hey, it was their loss! But by mid-afternoon a steady stream of sexy, up for it guys came before the judges and the fun really started. The auditionees were probed by the judges and essential topics were covered such as if they were top, bottom or versatile, why they wanted to become a porn star and what their best assets were. Following the panel's questions the willing auditionees were asked to "Get naked" by hot CockeyBoy judge, Jess Santana, something that guys the world over would give their right arm to be asked by Jesse. And hats off to all the auditionees - they all stripped to camera, watched eagerly by the judges while being filmed by Bel Ami and CockeyBoys.com. After the guys had stripped they went to the penthouse bedroom to perform a private solo wank scene to camera. After careful consideration, the UK judges unanimously voted for two cuties who'll go through to next year's final representing the UK. While two more sexy lads won the judges hearts at the German heat in Berlin. Since going to press, Europe's Next Gay Porn Star has travelled through two more major European cities, Prague and Amsterdam, and QXMEN will bring you details of the winners of those heats when we get them.

The auditions were held at The Place Apartment Hotel in Manchester's city centre where the penthouse had been transformed into an X-Factor style audition set. Sat on the panel of judges were Jesse Santana and Guy Parker from CockeyBoys.com, Luke Hamill from Bel Ami, Richard Cruise, Director of PlanItGay.com and QXMEN's very own editor, Michael T Smith. The panel's role was to interview the contestants and select two winners from each country who would move forward to the Grand Finale in Portugal next year. Ultimately, one winner will win the incredible first prize of an exclusive contract with Bel Ami worth 20,000 euros, the front cover of major gay European magazines, be the Face of Clone Zone 2009 plus an amazing 7 day holiday for two in the USA!

*Don't forget you can catch up with all the auditions, see behind the scenes footage, hardcore action and exclusive 'on the road' bonus footage at [www.EuropesNextGayPornStar.com](http://www.EuropesNextGayPornStar.com).*

Europe's Next Gay Porn Star has been created by Ganesha Events and is sponsored by BelAmi, Naked Sword, CockeyBoys and PlanItGay with the full backing of Clone Zone.

# THESE AREN'T JUST CHRISTMAS GIFT IDEAS... THESE ARE QXMEN CHRISTMAS GIFT IDEAS!

Sexy Santa courtesy of [www.Cockwatch.co.uk](http://www.Cockwatch.co.uk)

YES, WE KNOW IT'S ONLY NOVEMBER AND, AFTER A WASHOUT SUMMER, THE LAST THING WE WANT TO THINK ABOUT IS CHRISTMAS. BUT IT'S NOT TOO FAR AWAY NOW SO WE THOUGHT WE'D BRING YOU A FEW EARLY GIFT IDEAS. (AND, OF COURSE, IT'S A GREAT EXCUSE TO SHOW YOU A SEXY GUY WITH A BIG COCK DRESSED AS SANTA).

We've picked out a few gastronomic delights from **CLONE ZONE** to tickle the taste buds this Christmas. The **Dick on a Stick** is more than a mouthful and the perfect chocolate alternative after you've munched your way through half a tin of Quality Street on Christmas Day. For a fruity burst, how about a juicy **Willie Lollipop** to suck on while you sit through the 'Sound Of Music'... Just imagine the laughs when you give one to your visually impaired Gran to suck on! And on Christmas morning how about surprising your guests at breakfast with the **Willie Egg Fryer**. Simply crack an egg into it for a fun and protein packed treat!

**Dick on a Stick** £2.50  
**Willie Lollipops** £1.95  
**Willie Egg Fryer** £3.99

For the guy who likes to make sure that his 'carpet matches the curtains', this year's essential Christmas gift from **PROWLER** must be the **Gentlemen's Willy Care Kit**. Just a few minutes spent grooming those curly little suckers and it'll look like your pubes have just stepped out of the salon. When you've got an itch on your nads you've got to be very careful how you go about scratching it. Too heavy handed, and one false move can bring tears to your eyes. So we reckon this dainty little **Gentlemen's Ball Scratcher** is just the ticket. Oooh, left a bit, no right a bit... aahhh. Prowler's got a fab range of fine **Bone China Mugs** decorated with some of the most important topics us gay men like to talk and think about. Great for when the boys pop round for coffee or maybe a gift for your dyslectic cousin or Gran with her failing eyesight.

**Gentlemen's Willy Care Kit** £7.95  
**Gentlemen's Ball Scratcher** £7.95  
**Catalogue mugs** £13.99

Just try walking with one of these on. It tugs on your dick and probes into your arse at the same time every time you take a step. Comes in various sizes. And for the gay guy who's always on the move and living out of hotel rooms we bring you the **StreamMaster Portable Douche System**. This ingenious device simply clips onto any wall-mounted showerhead and is perfect for hotels, cottages, cruise ships... anywhere!

**Cockring with Anal Lock** £98.00

And now for a lube applicator that reaches the parts other can't. **Shoot Yer Lube** from **DARKER ENTERPRISES** is a handy device that delivers lube in those hard to reach places and wherever you need it most... And, of course, it could also double up as a turkey baster on the big day! For a list of stockists go to [www.PrivateXXX.co.uk](http://www.PrivateXXX.co.uk).

**Shoot Yer Lube** £4.95

Exclusive to **EXPECTATIONS** and Harvey Nics, the **Tom of Finland Fragrance** was created by perfumer Antoine Lie who was asked to create a scent that "does not disturb the odour of men". The **Tom Of Finland Rebel Doll** is the first in the series of officially licensed dolls. Dress him up, then strip him off. And for the man who has everything (and who's arse can take everything) they don't come much bigger than this big boy! **Super Peter** is 60mm in height with a diameter of 25mm. TITAN MEDIA PRESENTS A BRIAN MILLS' FILM

# FOLSOM UNDERCOVER

STARRING: BILLY BERLIN, DARIUS FALKE, DEAN FLYNN, DIRK JAGER, EDUARDO, FRANK PHILIPP, MAX SCHUTLER, RICK VAN SANT, TITUS, TONY BUFF, TYLER PETER.

**ANOTHER OF TITANMEN'S AWARD-WINNING LINE OF CO-BRANDED FOLSOM MOVIES INTRODUCES US TO A PRIVATE FRATERNITY OF HIGH-FLYING BUSINESSMEN WHO LEAD SECRET SECOND LIVES DOMINATED BY SEXUAL AGGRESSION. GET READY TO BE BLOWN AWAY BY ELEVEN OF TITAN'S FINEST HUNKS IN TWO AND A HALF HOURS OF HEAVY FUCKING, BIG COCKS AND BONDAGE SEX.**

Dean Flynn and Eduardo are the first of the secret fraternity to relieve their sexual frustration when they meet in the woods. The great outdoors is the perfect setting as the two hunks strip out of their suits down to just their boots and reveal hidden leather harnesses. In a scene that's a new one to us, Eduardo sticks electric stimulus pads onto Deans butt cheeks and fucks him at the same time! And Dean's groans of pleasure and his quivering butt confirms that the combination of the intense electric pulses and Eduardo hard cock is an electrifying fuck experience. Scene two will have guys who get off on master and slave sex busting a nut when we're privy to blond Tyler

Peter being initiated into the fraternity at the mercy of three hot as hell dominant tops from the Titan stable, Tony Buff, Dirk Jager and Frank Philipp. With Tyler trussed up like a turkey all three tops ram their fat cocks down both of his holes in an explosive gang bang. Darius Falke and Max Schutler make for a delicious pairing when the guys stay late at the office in scene three before we head outdoors once more for the finale. In the woods, über bottoms Billy Berlin and a bound-up Rick van Sant are getting down to some seriously horny heavy ass play and all the while we're thinking, how the hell do we join this secret fraternity of hot Titan men? Folsom Undercover is a must see for guys into fetish fantasies.

**GOOD...**

**Hot House  
Exclusive  
ROSS HURSTON**  
is the latest Brit to  
travel across the  
pond and make it  
big in America's  
multi-million dollar  
gay adult industry.  
**QXMEN** caught up  
with him while he  
was back in the  
UK and asked how  
the yanks took to  
another hot Brit  
muscling on their  
turf...

**Where were you born?**

UP NORTH in Manchester.

**Where do you live now?**

Between San Francisco, and London.

**Are you single or in a relationship?**

Single for now...

**What were you doing in the UK before you left for the States.**

I was doing porn.

**Why did you go?**

I got a call from an agent in San Francisco. He'd seen some of my European work and said he could get me work with the top studios in the States.

**And what happened next?**

Well, my agent then had Hot House Entertainment contact me and they invited me over for my first movie 'Headhunters Inc.' - a suit movie which was very hot!! They liked me and asked me to sign as a Hot House Exclusive, which meant I would only work with them whilst in the U.S.

**Which other studios have you worked with?**

I've been very fortunate to work with MenatPlay Alphamalemedia, UKNakedMen and Kristen Bjorn... My contract allows me to still work for European studios.

**What was your first film?**

It was the Alphamalemedia movie 'Out On The Farm'.

**Were you nervous?**

It was actually very easy as I discovered that I'd met my scene partner Rod Piston a few weeks before at a club in London and we'd already got on very well!! Plus the camera guy Max was an old friend, so it was easy... It was a great first experience. The guys at Alphamalemedia are great to work for and they introduced me to the industry. So I have Trojan Rock and Carlo Cox to thank for that.

**Have you ever got the feeling that the guys in the US felt you were muscling in on 'their turf'?**

Not at all - they love a bit of BRIT. I've been made to feel very welcome and I love the Americans. I've lived in New York for a while too, so it's like my second home.

**So, are Americans really impressed by an English accent? And can it help to get a guy in bed?**

LOL... I put on my best northern accent and they love it (even though they don't always understand me). I love to listen to their accent too - especially in bed!

**What movies have you starred in?**

I've made thirteen movies (six of them for Hot House) plus I've starred in twelve web scenes.

**What film are you most proud of?**

I like them all. I can say that I've been very lucky to have worked with some amazing actors. I love my work and I'm proud of it and the all the people in the industry that I work with.

**Have you ever been star-struck by someone you're filming with? It's one thing meeting a famous porn star, but to think 'Oh my God, there's so-n-so and he's just about to fuck me! That must be a real mind-blower!'**

Tyler Saint... We happened to work together in 'Trunks 5' which was filmed in Palm Springs earlier this summer (Okay, I'd put in request to work with him - I love my boss Steven Scarborough). Anyway, he arrived on set and he's just stunning in every way. I got to fuck him for the first time on screen then, of course, he got to fuck me too!!

**If you had the chance to direct a scene that you're in and cast the other models, who would you choose and what would happen?**

You know, the guys at Hot House do such a good job working on my scenes and casting that they seem to do that already! It's either Steven Scarborough or Robert Drake who've directed the movies I've been in so far and they're both very open to my input to a scene.

**Who's the hottest TOP in the industry?**

Erm, I love 'em all!!

**And the hottest BOTTOM?**

Erm, I love all the bottoms too.

**So, what turns Ross Hurston on?**

Kissing, armpits, muscle, my neck and ears being bitten, It takes more than that though for me. I like REAL MAN. It's not just how muscled they are or how big their cock is or if they're top or bottom, it's what's inside that turns me on.

**Are you top, bottom or versatile?**

Very versatile... I love to flip.

**Do you have any fetishes?**

Suits, leather and muscle.

**What's your favourite position?**

It depends... I love to power drive.

**Is it a turn on watching yourself performing on screen?**

I do watch my movies and it does turn me on. I like watching a guy fuck me or watch me fuck someone. Yes, it's hot!

**Do you find it easy to perform on cue?**

LOL. Oh yes. As soon as I get on set I'm turned on. We're not allowed to cum for two days before the shoot so I am ALWAYS ready.

“AS SOON AS I GET ON SET I'M TURNED ON. WE'RE NOT ALLOWED TO CUM FOR TWO DAYS BEFORE THE SHOOT SO I AM ALWAYS READY.”

**What do you do to relax?**

I love to train at the gym - it's my time. But I'm very spiritual and I meditate.

**What's your favourite part of your body?**

I don't have favourite. I'm thankful for all of it... LOL.

**If you weren't in the porn industry what would you be doing?**

I don't know. I just know where I am now and that's all that matters. I live for the now.

**Describe yourself in three words.**

Horny. Handsome. Hot House... LOL.

**Where do you see yourself in 10 years?**

Who knows? I live day by day. But I'm having blast right now!

**How long are you in the UK for?**

I'm possibly going back to the U.S. to film in November. I'm going to be performing at the HustlaBall in Berlin where I'll get to do a live sex show with my fellow co-star Francesco D'Macho... I love my job!!

**What are your plans whilst you're back in the UK?**

At the moment it's been great catching up with family and friends who I'd not seen for six months. I hope to do some promotional work for Hot House whilst I'm in London.

**What have you got lined up when you get back to the States? Any new releases coming out?**

I'll get my instructions from Mr Scarborough when I get back. He's actually asked me to renew my contract so I'm sure he's got lots of hot men for me to shoot with!!

**Where can we see you?**

You can view my movies [www.hothouse.com](http://www.hothouse.com), [www.menatplay.com](http://www.menatplay.com), [www.alphamalemedia.com](http://www.alphamalemedia.com) and [www.uknakedmen.com](http://www.uknakedmen.com). That should keep you busy!

# GETTING IT IN

BY MAXWELL B

# PORN MARKETING & DISTRIBUTION

**SO YOU'VE FINALLY EMBARKED ON YOUR PORN-MAKING CAREER AND HAVE THE FINISHED PRODUCT IN YOUR HAND. YOU BLEW ALL YOUR FAVOURS AND SAVINGS ON PULLING THE SHOOT TOGETHER, SOILED THE LIVING ROOM COUCH IN THE PROCESS AND SUFFERED ENDLESS DAYS - AND NIGHTS - IN THE EDIT. BUT YOUR FILM IS DESTINED TO BE JUST PERSONAL WANK FODDER UNLESS YOU CAN GET IT OUT THERE ON THE MARKET. THERE'S SO MUCH FREE STUFF ON THE WEB - HOW CAN YOU MAKE SOMETHING DIFFERENT, WHAT AREN'T PEOPLE DOING? FREE YOUR MIND AND COME UP WITH RADICAL AND NEW WAYS OF GETTING PEOPLE TO LOOK AT YOUR CONTENT.**

● **The first piece of marketing will be the DVD cover or promotional image that represents your film - it's the key reason why people buy. You need to make sure you have plenty of promotional shots for your designer to create something eye catching. Check out the BulldogXXX range for some cock twitching covers.**

● Go for a consistent look that people will recognise. Rude Boiz is a good example of a successful range that caters from the Chav / ladz / council estate type boys and sums it up with its striking DVD covers.

● Be honest about what is in your film from the DVD inlay. If you promise on the cover what you don't actually get in the film then people simply won't buy your next release.

● Studios often do promotional nights with clubs - getting the models along, performing shows and freebie giveaways, etc. Although this can raise awareness of your brand - tie in nights can be expensive in terms of providing fees for your models and you will have to strike some kind of deal with venue management. Be sure that your film is relative to the venue - no point in having Alphamalemedia's Carlo Cox and Aitor Crash fisting on stage at G.A.Y or the Shadow Lounge!

● Retailers are often willing to do promotional events at their stores with stars signing new release DVDs. Of course, it helps if the stores are stocking your films in the first place - get to know your retailers, or shag them at the least.

● Having the odd one off film is not enough - you need to set up a distinct range and be releasing 3 to 6 titles a year to make an impression on the market place and start creating brand awareness. If you're not turning out regular films you won't survive as a producer.

● Distribution is the key to your range becoming a success. New media is in a big change now with download, streaming, webcasting, mobile platforms, etc, all forming new ways of watching content. Look at what best suits your finance plan and cash flow and remember that you could be waiting several months for sales to come back into the production coffers - don't give up your whoring just yet!

● Some studios are doing away with the expense of DVD authoring, packaging and design in favour of purely web-based delivery. This is a cheaper option for distribution but DVD sales - all be it not at their 1990's boom - are still big business.

● Piracy is as inevitable as death, taxes and V.D. Criminals are always one step ahead of new technology - there is no hard or fast way of avoiding this apart from watermarking content on the web or keeping up with disc locking software... Alternatively, we could all chip in and get hit men to kill them.

● If you're computer/web savvy then you may be able to run streaming and download services on your own but many producers allow a third party streaming company to manage and distribute content over the web in return for a split in revenue, usually around 50/50.

● You could try the old fashioned way by visiting the owners of independent stores and selling directly to them - you'll cut out the middle man/distributor who will want to take a cut of sales - but you'll end up doing a lot of foot slogging.

● You may want to self distribute but you're going up against big players who have most of the shelving space in the stores - if you're starting out you need to think about how your films will stand out and offer something new. Fads, phases and fetishes come and go very quickly in porn so don't re-hash ideas that other studios have done - be imaginative.

● What you want to see in a porn film might not necessarily be what the audience wants to see. Speak to store owners, distributors and porn press to find out what the new trends are, the popular models, where the tastes are going then try to deliver that in your films.

## NOW YOU REALLY CAN HAVE A TASTY BUTT!

What will they think of next? From U.S. company The French Connection comes the Butt Pirate. Nope, these babies have nothing to do with buried treasure or Long John Silver; they're disposable enemas! And guess what, they come in three great flavours Vanilla, Strawberry and Chocolate. The Butt Pirate is all natural, PH balanced and vegan and, of course, they taste great. We found them online at [Amazon.com](http://Amazon.com)... Go see.

## INTRODUCING THE FLESHJACK

All manner of weird and wonderful toys arrive at the offices of QX MEN but when we came across the Fleshjack from U.S. company Fleshlight, which is selling in its millions, we just had to investigate further. It's a masturbation toy for men which has been cleverly designed to look like a torch, we imagine so it can be discreetly hidden in your toolbox without causing suspicion with your fellow blue collar workmates! The great thing about the Fleshjack is that you're able to design your own and pick the colour of the case and the texture and tightness of the inner sleeve. Plus you have three choices for the external appearance of the Fleshjack sleeve, the orifice. Choose from either the 'Classic Jack Arse', the 'Closet Jack' or the rather macabre looking 'All-American Jack', which we think looks a little like a body part from one of Jim Henson's muppets!

The newly-relaunched website [www.fleshjack.com](http://www.fleshjack.com) is certainly worth a look, if only to watch the demo videos showing porn stars Tommy Blade, Brodie Sinclair and others pleasuring themselves with the Fleshjack. We're advised that, "With proper use and care, the Fleshjack will last you a lifetime. If only it were that easy with real sexual partners!" How true...

## HUSTLABALL NEW YORK... HOTTER THAN EVER!

HustlaBall New York City's 10th Anniversary extravaganza was so hot, its venue club Rebel had to be temporarily evacuated by the fire department when the smoking deck behind the building caught fire! Partygoers were soon allowed back inside once the smoke cleared, but not before some of the world's hottest porn stars, including Ricky Sinz, Vinnie D'Angelo, Jason Crew, Nick Capra and Jackson Wild were seen outside in the street in nothing but their underwear, hooting and hollering alongside the hookers, showgirls, and depraved clubbers! The amazing stage show, hosted by Emcee LadyFag, included live performances, fire twirling, circus acts and the hottest, most explicit live erotic show HustlaBall has ever produced onstage in the Big Apple. Also there to provide a little eye candy were porn stars Ben Andrews, Dean Flynn and Carlos Morales.

THE BUSIEST CHAT SERVICE IN THE UK

LIVE 1-2-1

**QX** CHAT.com

**CHECK OUT WHY WE  
HAVE GIVEN YOU THREE  
NUMBERS INTO ONE  
SERVICE**

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!

FROM **5p**

**0871 with FREE SMS alerts and FREE MMS picture sharing call costs 10p per minute**
