WELCOME... TO DECEMBER'S ISSUE...

DECEMBER 2008

WELL, IT'S COLD AND DARK OUTSIDE AND EVERYTHING'S EITHER BEEN DRAPED IN CHEAP TINSEL, HAD FAKE SNOW SPRAYED ON IT OR IS NOW WEARING A SANTA'S HAT. SO, QXMEN THOUGHT WE'D GIVE YOU A BREAK FROM ALL THE CHRISTMAS FESTIVITIES AND, INSTEAD, BRING YOU A DECEMBER ISSUE THAT'S STUFFED FULL OF SEXY GUYS AND SCORCHING HOT PORN... AND NOT A BLOODY SANTA'S HAT IN SIGHT!

You maybe forgiven for thinking QXMEN had an unhealthy obsession with straight lads and the pursuit of luring one into bed this month as, not only have we reviewed Eurocreme's **StraightBoy** - starring QXMEN favourite Matt Hughes - but we also got an eyeful of **Straight Chavs - Gay For Pay** from Corolo and even the studs at Jet Set Men are trying to bed a hetero in **Cock Tease**. We chuckled at the title and then came while watching the movie **He Fucked My Father** from Channel 1 Releasing and we took a sneak peak at the latest in the ThugBoy series, **Playas In Action** from Flava Works. Those gorgeous strapping hunks are back in Alphamalemedia's **Huge & Hung** and it's Chav heaven with Eurocreme's **RudeBoiz 11: Spunky Scallies**. And finally, Titan Media took us on a trip to the carnival with its latest horny movie **Funhouse**.

The Visconti triplets are taking the gay adult industry by storm and sexy John Volny chatted to the boys before they were all due on stage for a live sex show at Berlin's Hustlaball back in October. We caught up with sexy Brit porn star Dillon Buck, plus we delve into the world of fetishes with the guys from new gay networking site FetishLadAction.com. Corolo's Christian Marshall spoke to us about the gay adult industry and Maxwell B, director of loads of hot movies, dispels some of the myths of porn. And, with the gay porn industry's latest interest in guys who swing both ways, QXMEN's resident sexpert, Haydon Bridge, finds out if bisexuals really do have the best of both worlds.

PLAYAS IN ACTION

Starring: Tyson, Mr Sauki, Carmell, Smooth, Sixty Nine, James Daddy Dick, Johnny Boy, Alex Flex, Marlon Black, Unpredictable, Malik Gold, Redd Spyda.

DIRECTED BY KEITH KANNON
STUDIO: FLAVA WORKS

The sixth installment of the ThugBoy series features six scenes of the thug-on-thug action for which the series is famous for, giving us even more reasons why sex with a ruff-neck can be dangerous, dirty and reckless. At the time of going to press we were only privy to the movie's trailers but that gave us a good idea of what to expect. Scene two looks like it's a nut-buster with

sexy dread Marlon Black pounding away at hot tattooed Johnny Boy. And if tall, slim and hung Latino playas are your thing then fast-forward to scene four to get an eyeful of 69 and Ice going at it like rabbits.

Malik Gold gives Smooth a good going over in scene five and check out the steamy three-way hot-tub action in the finale with Carmell and Mr Sauki who are joined by Unpredictable... Don't miss these Playas In Action!

EUROCREME PRESENTS A DREAMBOY PRODUCTION

STRAIGHTBOY

A FILM BY SIMON BOOTH

Starring: Matt Hughes, Luckas Leyton, Zak Hazzard, Shane Stone, Bailey Onice, Jordan B, Justin D'Angelo, Dan Roberts, Nathan Cox, Ollie Richards, Brett Carter.

STRAIGHT BOYS ARE THE ONES WE ALL DREAM ABOUT. NO MATTER IF WE HAVE THREE DELICIOUS HOMO HUNKS CHASING AFTER US, WE ALWAYS WANT THE ONE SITTING IN THE CORNER SNOGGING THE FACE OFF HIS GIRLFRIEND. BUT WHAT HAPPENS WHEN THE STRAIGHT BOY IS FOR TURNING?

As the intro judders around the London skyline and various landmarks, like a pornographic Ally McBeal, we settle into modern day gay London - a change to the sometimes otherworldly sunshine and perfect teeth of American porn. Twink Andy is as Northern as he is cute - he may act like an old ham, but his skills shine when he works his way around a meaty sausage. Straight boy Matt is looking for a new start and moves into Andy's plush apartment. Matt, with his blokey swagger and questionable fashion sense is obviously straight, but is perfectly at ease around the company of cock-lovers and proves

so early on by taking a shower with the door wide open. He's still soft, but judging by the size of his piece, we're getting to see another London landmark! After a night out on the town with the boys, Ricky, the ultimate converter, decides to find out how straight Matt really is. After a few drinks and with a friend in tow, Ricky puts on some straight porn and the two start getting heavy in front of our hetero hero. Matt, rather than running to the nearest lap dancing club, is soon intrigued, and the boys finally unleash Matt's whopping 11 inch boner. Whoah! We've seen plenty of cock in our time but WOAHH! Matt is soon getting sucked and fucking Ricky's wincing, but grateful mate, like an old pro - and it's seriously hot! When Matt finally decides to move out, Andy gets his one final wish and Matt ploughs his eager ass like there's no tomorrow. The moral of the story, kids? Straight boys are hot - especially if they have huge cocks and want to fuck you - but they will always run back to pussy-land in the end.

CHANNEL 1 RELEASING / ALL WORLDS PLATINUM COLLECTION
A FILM BY DOUG JEFFRIES

WE MY FUCKED FATHER

Starring: Cameron Marshall, Josh Vaughn, Blake Riley, Wolf Hudson, Kai Ford, Cort Donovan, Cameron Taylor, Ken Mack, Vance Winter.

VETERAN DIRECTOR DOUG JEFFRIES' NEWEST RELEASE HAS GOT A LOT GOING FOR IT: AL FRESCO SEX, BUBBLE BUTTS GALORE, AND DADDY/BOY SEX. WELL, WE HAVE TO WAIT FOR THE FINAL SCENE UNTIL SEXY SILVER FOX KEN MACK FUCKS CUTE PUP CAMERON TAYLOR (AND VICE VERSA!) BUT IT'S WORTH THE WAIT!

The whole film's set around a cabin in the country, where a gang of the boy babes director Jeffries is noted for are having a wild weekend. The cabin belongs to Marshall's Dad. "Don't worry. He's very cool," Marshall assures the others. At this point, dishy Dad (Mack) turns up. "That's your father?" drools tantalising Taylor. He's smitten. But first the other guys need to get their rocks off. Twinky, sweet-faced Marshall pairs with ultra-masculine Blake Riley, who quite rightly won a GayVN award as Best Newcomer earlier this year for Chi Chi La Rue's Excess (QXMEN June). Both guys' cocks never go down and Riley's is at 90 degrees throughout. Riley rims and blows Marshall, then Marshall bounces on Riley's boner with spectacular skill. When Riley pumps Marshall on his back, Marshall fires a load into his own mouth. Nearby, on a bridge, humungously hung Cort Donovan is swallowed by beautiful bottle blond Josh Vaughn. Vaughn is Marshall's partner in real life. (But you'll have to find Jeffries' Bottom of the 9th: Little Big League 3 to see them fuck). Donovan drives it into Vaughn's delicious buttocks. Then the boys stand side by side for a knee-trembling wank. Elsewhere, a stable-boy (the appropriately lupine Wolf Hudson) has a three-way with dark and sinewy coverboy Vance Winter and hunky bottom Kai Ford. (He's got a day job as a naked masseur and if you're ever in San Francisco you can call him!) Winter and Hudson both fuck Ford then empty their balls over his chest. When Daddy Mack returns from a jog, he finds Taylor with his cock out. Mack sucks Taylor like he's done it before. (And he has! "I'm very orally fixated," he's said in an interview!) Taylor's dick waggles as he sits on Mack's prong. Then Taylor sticks it to Mack. "Fuck Daddy good!" Mack squeals. They both shoot gushers.

If Marshall, Riley and Hudson do it for you, you'll want to see them next in La Rue's new bisexual movie, Shifting Gears (see Raunch Pad this issue!) in which they all turn straight for pay! Hot damn! An absolute must-have!

COCK TEASE

A JET SET MEN PRODUCTION
OF A CHRIS STEELE FILM

Starring: Sebastian Young, Eric Blaine, Braxton Bond, Andrew Justice, Aaron King, Cam Kurtz, Brant Moore, Brad Star, Ryan Thompson, Derrick Vinyard, Mason Wyler.

COCK TEASE'S! WE'VE ALL EXPERIENCED ONE ... MANY OF US HAVE BEEN ONE. BUT, THE THEME OF JET SET MEN'S LATEST TITLE IS EVERY MAN - STRAIGHT OR GAY - LOVES THE IDEA OF A BLOW JOB, NO MATTER WHERE IT COMES FROM. A GROUP OF YOUNG HOTTIES TALK TO CAMERA ABOUT THEIR EXPERIENCES WITH THESE ATTENTION SEEKERS ... AND TRUST US, IT'S SPUNKERIFFIC!

Mason's first up, telling us about his 'straight' boss at the hardware store who loves to 'fool around' by pretending to bang him from behind. Mason must have been carving one of those things at the seaside where you put your face in and have a picture taken, as a large block of wood with a big round hole makes a perfect gloryhole for a straight guy to get his cock sucked. The locker room is always a hotbed of sly looks at guys you can't have. When a naked 'straight' Ryan mooches around in his bag, killing time to see Aaron strip off too, there's soon teasing and underwear sniffing. Sexy Derrick comes in and Ryan doesn't know which cock to suck first. He forgets the gym and gets his workout by pummeling super hot Aaron over the bench. Aaron returns again with two macho boys - Sebastian and Brad (so hot!) and they all have to sleep in one hotel bed. The straight boys may be sleeping, but Brad's huge, throbbing cock is wide awake and Aaron can't resist going down on him and Seb too. Both boys are soon up in every way and fucking Aaron like the dirty hetero chasing boy-bitch he is. Finally, there's a twist in the tail as Eric Blaine - the filmmaker - stops tape and is himself accused of being a cock tease. His accuser Braxton is soon on his knees sucking and rimming Eric before he bends Braxton over the stool and takes his documentary from an I8 to an R18. Eric is stunning and completely straight acting, which makes it even hotter. He admits to being the biggest cock tease of them all - that explains the huge smile on his face!

MEN AT WORK SERIES BY MAXWELL B

HUGE AND HUNG

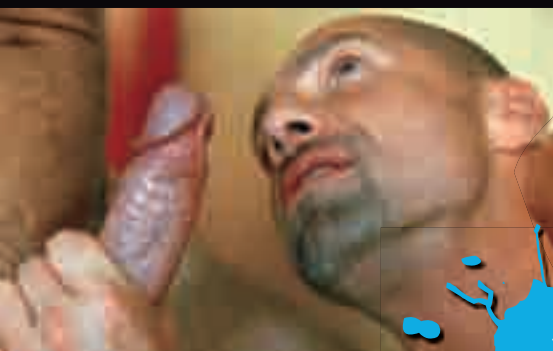

Starring: Vinnie D'Angelo, Trojan Rock, Butch Grand, Korben David, Vin Costes, Jorge Ballantinos, Robin Franteira, Carioca, Liam Reed.

STUDIO: ALPHAMALEMEDIA

THE HUNKS FROM ALPHAMALEMEDIA ARE BACK AND THIS TIME THEY'RE GETTING DOWN TO THE SWEATY ACTION WHILE THEY'RE AT THE WORKPLACE. THESE GUYS ARE HUGE, HUNG, HAIRY AND UP FOR ANYTHING AND BOY CAN THEY FUCK!

Butch workmen Korben David and Liam Reed kick off the action in scene one, looking the part and kitted out in builders' helmets and hi-viz tabards. It's not long before hunky tattooed Liam pulls down Korben's jeans, while he's still up a ladder, and buries his face in Korben's sweaty arsehole. Turning him round, Liam gets to work on Korben's meaty cock and the guys are soon rolling about naked on the floor, sucking each other's cocks. Liam's the first to get a hard cock up his arse, riding it hard before Korben is pushed up against a wall to receive a good shafting from Liam. Scene two and sexy Jorge Ballantinos is getting measured up for a pair of leather jeans by Robin Franteira. It's when Robin gets to the inside leg measurement that the action begins and the guys are joined by sexy Vin Costes. Stripped naked, Jorge gets down on his knees and takes both guys' cocks in his mouth before he's up on the desk, on his knees getting his cute bubble butt eaten out by Robin. Jorge gets fucked by both guys in a hot scene and ends up getting drenched in their spunk. Trojan Rock and Vinnie D'Angelo provide the eye candy in scene four, dressed in decorators' dungarees and little else. Watching these two strapping hunks get it on is horny as hell as they take it in turns to plough each other's meaty arses. Scene five's finale features Butch Grand and Carioca at a photoshoot. When Butch comes in for a close up of Carioca's massive bulge he can't resist pulling out the monster and slurping down on it. What follows is a power fuck that'll leave you exhausted just watching... Another blinder from the Alphamalemedia hunks.

RUDEBOIZ 11 SPUNKY SCALLIES

A FILM BY SIMON BOOTH

THE RUDEBOIZ ARE BACK FOR THEIR ELEVENTH OUTING AND THE SPUNKY SCALLIES ARE AT IT AGAIN, YANKING DOWN THEIR TRACKIE BOTTOMS AND FUCKING LIKE RABBITS ROUND THEIR MATE'S FLAT ON THE COUNCIL ESTATE. THERE'S NO TIME FOR MUGGING OLD LADIES OR JOY-RIDING MOTORS, THESE LADS HAVE GOT SOME SERIOUS FUCKING TO DO.

Scene one and we're privy to a couple of young scally lads snogging in the bedroom, kitted out in the obligatory trackie bottoms, Fred Perry t-shirts (collar turned up, of course) and white trainers. The lads are well up for it as they grope and tug at each other's growing bulges and then drag their t-shirts over their heads and yank down their trackies. Both lads have got

big ole' cocks for their young years and they lie on the bed sucking each other's todgers in a 69er before bending each other over the bed to fuck and lying on their backs for more until they shoot their loads. If you get turned on by the 'sounds' of sex then you'll love this movie as there's no cheesy soundtrack or daft script for the poor lads to stumble over. Instead, we're left to enjoy the sounds of the lads' groans, heavy breathing and greedy slurps. Next up it's two tall and lean young scallies, both in baseball caps

(which, incidentally never come off during the scene), trackies and trainers. The cocks on these two skinny lads are so big, you wonder how they keep their balance and don't topple over when they stand up, and they certainly know how to use them! Another two well horny scenes with yet more cheeky scallies ripping down their trackies and sucking and fucking like only those youngsters can takes us - cock in hand - to the final scene, and this one is well worth holding back that orgasm for. The two bits of young totty chosen for the finale were picked, probably not for their intelligent conversation or scintillating wit, but for their monster cocks tucked away in their tracksuits. Your dick will be straining to cum as you watch these two fuck away, groaning with pleasure as they pound each other's boy butts with their daddy-size cocks. And boy, can these youngsters cum buckets! I suppose that's why they're called 'spunky scallies'.

THREE TIMES THE FUN

AHEAD OF THEIR LIVE SHOW AT THIS YEAR'S BERLIN HUSTLABALL

JOHAN VOLNY MET JIMMY, JASON AND JOEY...

THE VISCONTI TRIPLETS

Image courtesy of André Winter

Johan: So, you've recently signed to Elite Male distributed by Homoactive.com. What can we look forward to?

Jason: You start with an easy question. That is nice. The answer is simple: People can expect hot and horny wild sex with us triplets and other cute muscular guys. We are having sex together, sharing the same partners, we have solos, duos and gangbangs. Everything you wish and desire...

"IT IS LIKE WATCHING MYSELF IN THE MIRROR WHILE HAVING SEX."

Does your family know about the line of business you're in?

Jimmy: Of course my two brothers know. (laughs) But not our parents. They still believe that we are photo models for an international agency. Which is kind of right and no lie... I am sure they would not understand about the porn.

Jason: Some of our friends know, too. But most of them react pretty cool and accept it. Maybe it is because the job as a porn model in Hungary and in Czech is pretty normal. I am sure every good looking male guy between 16 and 25 has been approached by minimum of three casting agencies and asked if he wants to models (straight and gay).

Joey: But we are still the same guys from before our "career". So what should change?

Are you real triplets?

Jimmy: We have been born at the same time. Joey and Jason are twins. Joey is the oldest and I am the youngest. It is funny as Joey looks the youngest. We have been born within 12 minutes. I know there are a lot of rumours that we are not brothers. But that's wrong, we are real triplets.

Do you have any other siblings?

Joey: No you are safe. There are no more of us. Three are enough!

Are you all gay?

Jason: Ahh, now the tricky questions are starting.

Joey: Do you ask because of the hardcore show we will have together at Hustlaball this evening? But you are gay, aren't you?

Yes I am!

Joey: Jimmy has a girlfriend but Jason and I are still experiencing the different alternatives of sexuality.

So you have a girlfriend Jimmy? As a gay porn actor?

Jimmy: The thing with my girlfriend is still very fresh. I am still working on the relationship. And it doesn't matter with my porn career. That's two different kind of things.

If you had the chance to direct a scene that you're in and cast the other models, who would you choose and what would happen?

Jason: Of course we all want to have sex with you! Isn't that what you want to hear.

Well I won't say: no! But lets see how the Hustlaball works out.

Jason: Ok, that's a deal! (laughs) But actually we are not that long in the business that we all know the popular faces, well known bodies and fat cocks. So we can't give you a top five list of asses we would like to fuck most.

Are you top, bottom or versatile?

Joey: I think we all are more tops than bottoms, aren't we?

Have you ever tried to be a bottom?

Jimmy: Yes, of course. You should always try things – especially when it is about sex. But it is not that my cup of tea, actually. I prefer to be a top.

Is it a turn on watching your brothers have sex?

Jimmy: As you can imagine it was strange at first. We know each other since our birth. And, of course, we know our cocks. But it is still something different to see their cocks hard and hammering into the ass of another guy. But I got used to it by now. I see it as a kind of job. But when the boys have sex in private (and not in front of the camera) I don't want to watch them at all.

Joey: For me it is still one of the most non-erotic situations at all. It is like watching myself in the mirror while having sex. A funny and strange situation I still can't handle right. So when we are together in front of the camera I try to concentrate on my fuck partner and try not to watch my brothers. It is still enough to hear them moaning in this special artificial porn style.

What do you expect from Berlin and the Hustlaball?

Jason: Our Manager has told us some tough stories about this party already. And we have seen photos and reports. I expect a venue with some thousands gays, ready to have fun – and sex.

Joey: It is our first promotion tour at all. The first interviews we are giving and the first hardcore show on a stage. So I am already pretty nervous.

Jimmy: I hope that we will continue doing these promotion trips. It is great to see all these different cities and meet the people. One of the cities I would like to travel to is London. Lets see if they want to have us there next year.

SO, EXACTLY HOW MUCH DOES IT COST TO ENTICE A RED-BLOODED HETERO TO TURN GAY FOR PAY? CHRISTIAN MARSHALL PUTS IT TO THE TEST IN THE LATEST TWO DISC HORNY RELEASE FROM COROLO AND WE DISCOVER THAT, ACTUALLY, THE PRICE ISN'T THAT HIGH!

Tall, sexy blond, Ben Taylor is on the phone booking an escort and he has very exacting requirements. "I want someone who's young and straight. Someone who hasn't had gay sex before that I can show the ropes to." Cue the oh-so-cute and extremely fuckable Tommy Haine who turns up at Ben's apartment as the 'boy for hire'. When Ben pulls out his monster cock from his trousers you can't help but feel a little sorry for young Tommy as he peers from the stairs and sees what he'll be getting. Back in the sitting room, both guys are sucking each other's cocks (Tommy's a big boy too!) and then Tommy gets on his hands and knees, his cute butt pushed out, to allow Ben to open up his tight hole with a finger or two. It's not long before Tommy's getting ploughed one his knees, on his back and up against the stairs. The guys stop momentarily to passionately kiss and then Tommy sits down on Ben's huge cock and bounces up and down on it until he shoots his load.

Next up, we stumble across two sexy scally lads in a South London warehouse who find some gay porn in the storeroom. Before you can say 'cor blimey' the lads have whipped their trackies off and are at it hell for leather. Caught by the boss, the scene soon turns into a horny three-way fuck fest. Sexy Zhivago and burly builder Chris Majors provide the action in scene three, then on disc two, Alexander Petrov offers Alec Steele £20 if he can photograph him. "Call it fifty and it's a deal", is Alec's reply and low and behold the shoot turns into a fuck session. In the final scene, two straight lads are keen to discover what happens in a gay bar, and let's just say they were introduced to the term 'spit-roast'... Straight Chavs, we just love 'em!

Log on and discover YOUR FETISH

So what were you guys doing before you started working in the adult industry?

Danny: I left school at 16 couldn't wait to leave as I went to an all boys school and was bullied quite a lot about being gay. It was quite strange as everyone at school seemed to know I fancied boys before I did. After leaving school I worked at Gatwick airport in the coffee shop - little did I know that that's where all the gay guys went on their holidays. It's quite strange being left suggestive notes by men. Must have been the tight trousers I used to wear to work.

“One man wanted us to film him being castrated... OBVIOUSLY WE TURNED THAT OFFER DOWN.”

When I left Gatwick I had a few other jobs and then took part in an amateur strip competition. I then proceeded to work as a stripper for almost 13 years. You may remember me 'Danny Boy' I also worked doing some escort work. As Cynthia Pain said "Strictly kinks snivelling slaves and smacked bot bots; that's where the money was!" I could write a book on some of my adventures and escapades but that's another story.

Hendrik: When I turned 18 in Holland, I got drafted for the army. I really did not want to waste my time (although being around guys in uniform was quite an exciting thought), so I became a police officer in Rotterdam instead. I was the first out gay police officer in my district (at the age of 20) and they made me the gay liaison officer, so I had to patrol our local cruising ground in my uniform. I had a fantastic time as an officer! When I was 26 I moved to London and retrained as a web designer.

How did you meet?

Danny: Hendrik and I met in a very strange way. He was running a very successful escort site and I had applied to be put on it. He called me and said he would put my profile up straight away and it was free for one month. After the month I hadn't heard from him how to pay so I called him, he explained that he had not come round to charging me yet. In our conversation I asked him how he would feel about setting up a fetish porn site with me; he was up for it!

When and why did you set up FetishLad.com?

Danny: FetishLad.com started in May 2005. The reason I wanted to set it up was quite simple. I was diagnosed HIV+ in 1984 and for a long time battled with having sex with other people. You have to remember in those days it was like a new type of unknown plague. You didn't even tell your best friend. I remember stories of nurses refusing to treat the sick and funeral directors refusing to bury the dead. I started to get sexual gratification from Internet sites that showed different fetishes from the normal leather, rubber, uniform to feet, suits, etc. The only problem was I found that most porn sites only dealt with one fetish, i.e., a foot fetish site or a suit fetish site. I thought wouldn't it be great to have a site that dealt with every kind of fetish so it never got stale and people could dip their toe in and find things that they didn't know turned them on - but more importantly that people like me who were HIV+ could enjoy safely without the actual penetration sex act.

Hendrik: When Danny and I were developing the idea for FetishLad.com we wanted to be different. We wanted to show people that fetish sex is exciting. We also made up our minds from day one that we only would produce safe sex porn, as both of us agree that porn sites do educate people, and we wanted to be responsible producers and get the safe sex message out there.

“I love guys with tattoos and bubble butts, white Y-fronts and sexy butch-looking agro lads in stockings and suspenders on their backs with their legs open begging for cock”

► So tell us about the site...

Danny: FetishLad.com is a fetish site with a difference; we try to keep it looking as real as possible. All the videos are shot on an everyday camcorder and all our models are the type of guys you'll meet in everyday life because fetish is more about clothing than bodies. We also try to keep our models clothed for as long as possible throughout the shoot.

Hendrik: With FetishLad.com we want to show guys that there are many types of fetishes and many types of horny men. On our site we have muscle men, twinks, mature men, skinheads, hairy bears and the guy next door - a good mixture of professional porn stars and amateurs. We have pictures and movies of the unusual; not only do we have guys in leather, rubber, boxing and rugby kit wanking, fucking, fisting and pissing, but we also have she-males fucking, we have Buck Angel, pictures of a dwarf, feet fetish clips, point of view sucking videos. We have sounding, shaving, smoking, mummification... Well too much to mention really!

And why did you feel the need to start FetishLadAction.com?

Danny and Hendrik: After a few years running FetishLad.com we were continually being asked by our members to create a way that they could find other people into their fetishes. We decided that, although there were dating sites like Gaydar and Recon, gay social networking had not moved on for many years. Sites like Facebook, MySpace and X-tube were attracting many gay profiles but there were obviously disadvantages as all those sites were geared to the straight community and needed to be family friendly. We decided to set up a new kind of gay social network site where gay men could network together. After a lot of thought and many sleepless nights we created a site that combines the best of the gay dating sites with the best of X-tube and Facebook, plus we also have unique features that other gay sites don't have.

What makes FetishLadAction.com different from other fetish sites?

Danny and Hendrik: Not only do we have the usual features you'd find on a dating site - profiles, pictures, instant messaging and chat rooms, but we offer much more. You can video chat in the rooms and have a one-on-one video session. Users can upload their own video clips and record a webcam greeting and you can watch them all. We have an event calendar so you can see what is going on. We have Google maps, so you can see who is close to you if you fancy a shag. You can blog or start an interest group. We have forums, classifieds and articles on fetishes and more. Too

much to mention already and we're developing even more features... So we truly have a website where you can find and do anything you want!

So, what are Hendrik and Danny's fetishes?

Danny: I have so many and they change all the time. A bit like the site, I'm very organic. But at the moment I love guys with tattoos and bubble butts, white Y-fronts and sexy butch-looking agro lads in stockings and suspenders on their backs with their legs open begging for cock and fists :-). "That's my personal advert over". God knows where that one comes from. I tend to go for guys that don't fit the normal gay box. To give you another of my favourite quotes, "Life is like a box of chocolates and you never know what's coming next."

Hendrik: I have many, but my biggest fetish is a big, butch, bearded and hairy man in a suit having his wicked way with me. That idea really gets me going! A good example of such a man is the doorman at the Eagle in London (Woof!)

Ever been shocked by anyone's fetish?

Danny: I have never been shocked by people's fetishes as long as they're legal and don't harm anyone else without their consent. Most of our fetishes are developed from childhood and I believe that sometimes our fetishes are a way of escapism and going back to find the inner child.

Hendrik: Not every fetish I come across is my cup of tea, but I am open minded enough not to judge as long as they do not harm anyone and it is consensual for all parties involved. People send us their pictures and some crazy requests. One man wanted us to film him being castrated... obviously we turned that offer down.

How would you advise someone who wanted to start exploring their fetishes?

Danny and Hendrik: It's quite interesting when you look up 'erotic fetishism' on Wikipedia; "Erotic fetishism is the sexual attraction to materials and objects not conventionally viewed as being sexual in nature." So, if you find something turns you on that's bizarre, don't worry, there are many other men with the same fetishes. Join our site and meet other men that have the same interests and fetishes as you. Let other men know about your fetishes in a safe and non-judgmental way, or take a look at some of our self-produced videos and photos on FetishLad.com. We are always looking for new and interesting shoot ideas so you could even get it on film!

What you hope to achieve with FetishLadAction.com and where do you see the site in ten years time?

Danny and Hendrik: Our site is very new and we are still developing many exciting features. We are growing fast; we hope that the site will one day be among the big names in gay social networking. We want to create a safe and horny environment for men to cruise, meet other men, have a wank and find information on shops, clubs, sex clubs and saunas in every city in the world. We want to have over ten million profiles in ten years time and show the world that everyone has a fetish that turns them on!

ALL BI MYSELF:

WHATEVER HAPPENED TO BISEXUALITY?

Frankie, 47, from St Lucia, is describing his ideal man: "Must have a big cock, a nice physique, not too muscular, nice face." His favourite porn actor is Supreme. "I like Supreme," Frankie confirms. "He reminds me of me, especially when I was younger. Even when he's cumming, he has the same facial expression. I love to see him fuck, just turns me on." OK, nothing out of the ordinary so far. But what makes Frankie unusual is that he also has a wife and four kids, plus four with four other women, plus he'd like to have four more. Does he think of himself as bisexual? "Yes, definitely," Frankie replies. "I could fuck a man today and fuck a woman tomorrow."

Once upon a time men like Frankie were everywhere. The sexual revolution of the 1960s encouraged everyone to swing both ways, and every squat and commune was filled with long-haired people who didn't care what was between their partners' legs. But when the drugs wore off and the hippy dream evaporated, most swingers swung back to their own sex. Asked in The Observer's Sex Poll 2008 how they defined their sexuality, 92% said heterosexual, and 4% said homosexual (although in answer to another question, 13% admitted to sexual contact with someone of the same sex). But only 2% called themselves bisexual.

"EVERYONE IS BISEXUAL.
IT'S ONLY THE PRESSURE OF
SOCIETY THAT
MAKES US CONFORM."

This tiny minority seems to be confirmed by the virtually non-existent bisexual social scene. There's a national organisation, BiCon, but its annual convention attracts only about 300 people, and many of these are straight or gay friends and relatives. Since 2003 about 30 bisexuals have met once a fortnight in a London pub. There are other bi groups in Brighton and Manchester. And that's about it. Is bisexuality about to disappear? It's certainly hard to think of current public figures known to have male and female lovers. (Gay movie stars who occasionally bed women for career purposes don't count). In 1981, child of the 60s Ken Livingstone said, "Everyone is bisexual. It's only the pressure of society that makes us conform." But would he still say that today?

'Shifting Gears' courtesy of
Channel 1 Releasing

A quick straw poll of the office where QXMEN is produced revealed that half of the male staff have had at least one sexual experience with a woman. But they work on a gay magazine because they're gay. Similarly a lot of straight guys bat now and then for the other team. Stuart, 32, was working on a cruise ship when a crew party turned into an orgy. He was kissing a girl, who was kissing another guy and, at one point, he realised that "the hands on me weren't hers. It was him. I let him carry on." This wasn't an isolated experience either. But now he's married with a child. "I don't think of myself as bisexual," he says.

► In the UK at the moment, the true bisexual, who can swing from female to male with equal enthusiasm, tends to be an older man, with a raging libido, from another culture (often a homophobic one). Frankie grew up in the Caribbean, where to be queer brings shame on the family, and yet the boys behave like they're in the dorm of an English public school after lights out. "When we were young, we used to go to the river and we would play with each other, stroke each other, whatever," Frankie reveals. "To me it was just childish pranks. I think that happened to almost everybody."

**"I'VE HAD GOOD SEX WITH LOTS OF GUYS.
GOOD SEX WITH BEAUTIFUL WOMEN
AND I'M NOT COMPLAINING."**

But as we know Frankie went further. When he was 11 or 12, his cousin, who was perhaps 18, began coming to Frankie's house for sex. At first it was just wanking. "I thought it was something innocent. I didn't know what was really happening," says Frankie. "It continued for years and years. By that time we were into the harder stuff, you know, penetration. He was fucking me. When I realised what was happening, I tried to break it off, but every time I tried, he said, 'You can't break it off because I'll tell your brothers and sisters you like this, you like that.'"

Frankie says that he was the village buck: "I had my first kid when I was 14." But while he was swapping girlfriends, sex with an older man was becoming an obsession. "When I was sleeping and I would hear him shout outside my house, I had to go," he says. "Once I heard the voice I knew exactly where I had to be. And I used to find myself looking for him. So if he didn't come looking for me, I would hang around where he might be." But Frankie felt guilty. He sought help at the church. But even while the pastor was condemning homosexuality, Frankie was thinking, "Oh, I could do with a good fuck now." Frankie stopped struggling with his true nature when he came to Europe, first Holland, then the UK, where women aren't as free with their sexual favours. A good-looking guy, Frankie found that "it was easier to get male sex than female." He also didn't have to worry about snooping neighbours. Right now he has no regrets. "It's like having both worlds," he says, echoing many a hetero or homosexual's envious comment. "I've had good sex with lots of guys, good sex with beautiful women and I'm not complaining."

David, 51, is similar to Frankie in that he's married (with two children), highly-sexed, and part of multicultural Britain (although he was schooled here, he comes from an Asian background). Unlike Frankie he claims to be 80% heterosexual, but that seems unlikely if he's telling the truth about his sex life. He says he spends about three or four evenings a week in gay saunas then comes home to make love to his wife. He also gives himself away when asked who he'd choose if both a man and a woman seemed available. "I would choose the one with the least line of resistance," he claims. David's adolescence was strictly hetero, and his first sexual experiences were with girls,

but there was something homo at the back of his mind and it drew him to cottaging in his late teens: "I didn't do a lot until one day I went to a toilet and someone approached me and I took it from there."

He liked the sex because it was "instant." He got married at 26 not because he was in love but because he was naïve. "My parents didn't live in England and maybe I needed someone to look after me," he says. His wife discovered why he was so often late home from work, and has somewhat grudgingly accepted the situation. Now, with retirement imminent, David looks forward to getting away from the house for longer periods. "I haven't reached the full potential of my sexuality," he declares, "and I'd like to do it while I'm still relatively young and active." Sexual adventurers like Frankie and David make gay life seem routine. If bisexuality really is facing extinction, then the world is going to be a duller place. Very few of us like narrow-mindedness. But we're coming to accept that, when it's a matter of the gender of our sex partners, broad-mindedness just doesn't apply.

THE BUCK STOPS HERE

How and why did you get into the porn industry?

It was purely by chance, I got noticed by one of the directors at MenAtPlay and asked to come in - which I did, and as they say, the rest is history.

What was your first film?

The Dr. Richard series released by online site MAP were my first, however my first film release for general distribution was entitled *Tools* by Bulldog XXX.

What's your favourite porn movie of all time?

Too many to mention, but pride of place in my collection and all time favourite is Jake Tanner and Ed Dinakos in Colt's *Muscle Ranch*.

Which two guys would make up your fantasy three-way?

Oh, so easy - Pete Kuzak's a definite, and Gage Weston.

If you had the chance to direct a scene that you're in - and choose the other models - who would you choose and what would happen?

Starring Tober Brandt, Jason Ridge and Dillon Buck. Jason played a cop in TitanMen's *Cop Shack On 101* and *Crossing The Line: Cop Shack 2*, and I've fantasised about him as a cop ever since!

Good friends Tober and Dillon are out all day on their motorbikes, when at the end of the day they pull over to a stop to take a piss. Parking

At 6'1, British hunk **DILLON BUCK** fits the bill as the perfect daddy-type. Here, beefy, hairy and hung Dillon takes time out of his hectic schedule to chat to QXMEN...

their bikes, they head over to the seclusion of the roadside undergrowth and unzip their one-piece leathers. In view of each other, they are soon aroused and Dillon gets ahold of Tober's piece which quickly gets slicked up as the shaft is licked and sucked on. Taking turns with their leathers still half on, alternating working on each other's nips with their exposed naked chests. Losing track of time, they don't notice that their abandoned bikes have aroused the interest of a passing cop (Jason Ridge), who pulls over to investigate. Imagine his surprise at the sight he stumbles upon?!? But Tober and Dillon get ahold of him and show him exactly what law enforcement is all about, taking turns at pounding his sexy arse. I could go on in more detail but need to leave something for the readers' imaginations ;-)

Who's the hottest TOP in the industry?

You mean besides myself? ;-) Vinnie D'Angelo. He plays a corrections officer in Titan's *Folsom Prison* in a scene with Alex Baresi and Tony Buff - HOT!

And the hottest BOTTOM?

Gage Weston. ;-P

So, what turns Dillon Buck on?

Rugged, hairy masculine men.

Do you have any fetishes?

LOL.... Not already evident is it? Leather (with men in it) and rubber oh, and motorbikes!

What's your favourite position?

Doggy!

Is it a turn on watching yourself performing on screen?

In all honesty, I've hardly watched myself on screen and those times that I have, have been more self critical than aroused.

Do you find it easy to perform on cue?

Mostly. It always helps having good chemistry with your scene partner(s).

What do you do to relax?

Reading, as I travel a lot. But I also love to walk my dogs, play on my XB360, am a keen blogger (www.DillonBuck.blogspot.com), movies, designing clothes and hanging out with friends.

What's your favourite part of your body?

My cock - it gives me hours of enjoyment ;-)

If you weren't in the porn industry what would you be doing?

Photography.

Where do you see yourself in ten years?

Having made some award-winning porn and become a recognised photographer.

Have you ever had a stalker?

Sadly yes, and still do! But I think they mean well.

What music are you currently listening to on your iPod?

Coldplay - their new album is awesome.

Describe yourself in three words...

LOL BIG FUCKING DICK! No seriously, three words: big hearted guy!

Any plans to visit London any time soon?

Yes, for my birthday later this month for a week.

SMALL TALK WITH CHRISTIAN MARSHALL OF COROLO VIDEO

QXMEN caught up with director **CHRISTIAN MARSHALL** from Corolo Video to chat about the over-saturation of gay porn, the pressures on guys to bareback in the industry and his plans to make a cross-over gay 'art house' movie.

What did you do before you started making/producing porn?

When I first left college (many years ago) I was IN film & music PR. One day a director told me, "Forget all the crap. If you want to learn how to make a film just pick up a camera and do it..." Which was the best advice I've ever had. I've shot shorts and bits of a video feature, and had a big budget horror film nearly made but I've learnt the most shooting porn... It's so direct and hands on.

When and why did you start making porn?

About six years ago. I was going to do a low budget gay art house film but ended up doing a gay porn movie instead and getting commissioned by Prowler TV. I've shot relatively few films but some of them have been quite story driven and complex in other ways. I've always believed that making films, whether porn or the regular variety, is solely about what is in front of the camera, not large crews, etc. Shooting a hot model is about getting really close, finding the best angles and capturing their character. Hot porn is not just about cocks and fucking, it's about the build up to the sex. Beauty is in the eyes, and sexiness in the way guys look at each other.

Which Corolo title is your favourite?

'French Heat' for being able to do a kind of 'Old Dark House' movie. But probably *ASBO Twinks* and the new film *Straight Chavs - Gay For Pay* are the sexiest. Odd scenes from all of the films stand out for different reasons. In *ASBO Twinks* there's a scene where Mark Summers gets his nipples sucked and his muscled arms lifted so he can get his armpits licked. He's tattooed and sweat-slicked after an orgy and that's very hot. Likewise, seeing innocent 18-year-old Tommy Haine looking up at muscled businessman Ben Taylor in *Straight Chavs* stands out. The energy and chemistry in that scene was incredible!

How do you find the guys for your movies?

Sometimes people approach you, or I've used casting assistants, plus I've searched for people I've admired in other people's films (Fernando Leon in Cadinot's films for instance) Or sometimes you just see incredibly hot guys on the web who you want to cast like Freddie (*Boyz On The Side*, *French Heat*) Zhivago (*Straight Chavs*) and Carlos, who was pretty stunning in *Heat and Shadows* and *French Heat* before, of course, going on to be a hot cover guy for MenatPlay.

What's the funniest thing that's happened on set?

I couldn't tell you, I'd get sued. Some truly surreal, bizarre things have happened. The shooting of *French Heat* would have made a great 'fly on the wall' series for Channel 4. I put up the cast in a slightly run down B&B where they bed hopped and egos rubbed up against each other. By the orgy scene on the last day of the shoot almost everyone had fallen out with everyone else, but somehow it ended up being a hot scene.

I also had one genuinely "completely straight" model in *Straight Chavs* who had to kind of psyche himself up in a dark corner before each stage of his sex scenes. For his cum shot he kind of ran in, came over the other model's face and ran out again... Yet when you see the scene (in slow-mo) it's very hot.

► **We hear you're planning to make a 'cross over' movie... Tell us about it?**
It's called *Seeing Heaven* and is about a beautiful escort, desired by everyone, who has troubling visions during sex which are shared by his clients. It's a mystery film... It's all about sex, and also takes on the themes of safer sex, and the pressure for guys in the current industry to bareback and explore their dark side. It's heavily influenced by Wilde's *The Picture Of Dorian Gray*.

"I WANT TO PUSH THE BOUNDARIES AND PROVE A SEX FILMMAKER CAN MAKE A FILM THAT IS EXPLICIT AND A TURN ON BUT WITH SOME SERIOUS INTENT."

What makes a Corolo movie stand out from the rest?

Hopefully a combination of hot models, creative angles, cool photography and, in some of the films, a proper storyline. I also like to use a real mix of models in terms of age, ethnicity and body types.

What plans do you have for Corolo?

I really want to move outside the box and make films that stretch the genre, e.g., shooting scenes that are both shorter and longer than the regulation 20 minutes, and really varying the look. Corolo also releases its films in 18 rated versions, which do very well and I want to cross over

more fully into the gay art house market, and really explore sex and relationships. The over-saturation of gay porn pushes you to either get riskier and more extreme (which I won't do) or to differentiate your films in other more interesting ways.

Seeing Heaven is planned to be a kind of gay *9 Songs*. It's interesting what you can and can't get through the BBFC. It annoys me that Michael Winterbottom and Sam Taylor-Wood can get real sex though at 18 because they are "artists" and because the sex is "not primarily there to titillate" (i.e., presumably in the BBFC's view it's not a turn on!?) whereas, even with a serious storyline, sex in porn is always R18. I want to push the boundaries and prove a sex filmmaker can make a film that is explicit and a turn on but with some serious intent.

I also think that if you're promoting safe sex in an age when - according to the broadsheets - too many young people get their sex education from porn, there should be some special dispensation for 'with condom' films that portray sex, in a positive way.

Who or which studio(s) do you admire in the industry?

Bel Ami and Kristen Bjorn have really never been surpassed. Cadinot really stood out in shooting natural guys and sex is shot a genuinely sexy way. He was obviously influenced by Passolini movies like *The Decameon* and photographers like Robert Mapplethorpe.

Any porn stars you'd like to work with?

Brent Everett is gorgeous and I kind of fell in lust (like everyone else) with Lukas Ridgeston and the rest of the Bel Ami boys when they first hit the porn world. (Alexander Petrov is our Corolo equivalent!). I've tried to use a real mix of models. I'd like, for instance, to see more Asian models used in films and I have a particular passion for Hispanic guys. That was another great thing about Cadinot, in that he really cast a wide variety of nationalities, and great, mostly straight French street youths, all of whom I wish I could have worked with.

What advice would you give to someone looking to work in the industry?

If you're an actor, shoot with people who will make you look good and treat you with respect. Also only do what you feel comfortable doing. I wouldn't advise anyone to bareback, even if the whole cast has tested. You can pass on HIV (as far as I know) within around five days of being infected yourself, long before it would show up on a test. So relying just on testing (unless you really, really trust your partners) is not recommended. For a director, try to avoid being pressured into shooting loads of films a year, and make something different that's creative and isn't just production line porn.

THE MYTHS, MISCONCEPTIONS, BOLLOCKS AND BULLSHIT

GETTING IT IN

BY MAXWELL B

OF THE PORN INDUSTRY

PART 1

WE'VE ALL HEARD THE RUMOURS AND TITTLE-TATTLE OF WHAT REALLY GOES ON BEHIND THE SCENES OF THE 'ADULT ENTERTAINMENT INDUSTRY', ITS WORKINGS AND ITS EFFECT ON SOCIETY. BUT SEEING AS THOSE OF US WHO WORK IN IT ARE AS ORDINARY AND DOWN TO EARTH AS APPLE PIE AND WHIPPED, WHITE, SPUNKY LOOKING CREAM, WE WANTED TO PUBLISH THE DEFINITIVE GUIDE TO CLEARING UP SOME OF THE CRAP THAT'S OUT THERE.

THE FLUFFER IS A REAL JOB.

Crap! We've never heard of anyone being employed just to suck cock on set. Fluffing is just a term used for any old mouth or hand that's free on set, be it another model, the production assistant or the director who gives a little helping hand in getting the models excited.

ALL NEW MODELS GO ON THE CASTING COUCH.

Balderdash! Some companies will want a new guy to strip off and wank at a casting session or sometimes even have sex with another guy in front of the camera to prove he can perform (usually so the company can flog off the footage as extra porn). That's not always the case and a lot of casting is done just from photos and meeting the model on a professional basis to see if they are personable, reliable and have not photo-shopped ten years off themselves in real life.

Maxwell B. is the director of over 20 films for BulldogXXX and Alphamalemedia.com.

ALL PORN SHOTS ARE JUST BOOZY, DRUG FUELLED ORGIES.

If only! That's complete twaddle – it would be impossible to get a scene shot if everyone on set was high and rampantly fucking everything that moved. Sure, some scenes are played out as orgies, but they are all stage-managed to some degree. Some crappy, amateur orgy stuff is floating around out there for sure and some of the models in heavy fisting films may – or may not – have had a little something to loosen them up a bit we suspect.

ALL PORN STARS ARE PROZZIES AND SLAGS.

Pants! Sure, some models escorts as well – it all helps their film sales – and most gay men are slags anyway. But most porn stars have regular jobs and come from all kinds of backgrounds and merely use porn as a second income – and no, not to pay for their cocaine habit.

PORN STARS ARE UP FOR IT – AND ANYTHING – ANYTIME.

You are, more like! Porn stars are human beings and have libidos and sex lives as varied as the rest of us. Naturally a high sex drive and a healthy lust for sex helps in this profession, but at the end of the day, they just want to go home and put their feet up.

SYLVESTER STALLONE WAS A PORN STAR.

Absolutely! It was called 'Party At Kitty & Studs' and was made in the early 70s when Sly was a struggling (and still is) actor before he made it as a 1980's arrogant action mega-star. The film was re-cut and re-named after he became famous as 'The Italian Stallion', but on viewing the film, they are clearly not referring to his cock in the 'stallion' terms.

BEING IN A PORN FILM CAN RUIN YOUR CAREER.

Depends! If you're planning to go into politics, the church, reality TV or some other corrupt, degenerate, perverse profession then popping up on the front page of The Daily Tits in an exposé on your shady past porn career might mean you'll attract some adverse attention. Being in porn in The West is not illegal but some high brow or commercially, ethically sensitive (stuck up, straight laced) companies could see it as you bringing their name into disrepute if your porn past is discovered.

PORN PRODUCTION COMPANIES ARE RUN BY CROOKS AND PERVERTS.

Hmmm!..... Well not us here that's for sure. Some may have flouted a few parking tickets or not paid their TV licence but we've yet to rub shoulders with any real wrong do-ers. Sure, there are bad apples in all professions and there have been cases of leering porn producers bordering on the unscrupulous with young models, and some distributors – who will remain nameless – have not been completely honest with their business dealings, but overall – how often do you hear of pornographers being banged up?

20% OF CUM SHOTS ARE FAKE.

Debatable! Ok, yes, we admit, some cum shots are faked. Sometimes the model just can't cum, he broke the rules by going out and getting drug fucked the night before, or takes too long and the director just wants to get home and watch X Factor. Some fake cum shots are achieved with lube in a pin-pricked condom hidden in the hand; editing and camera angles are also employed to fake the effect; others techniques use some tricks pulled from the special effects industry – but we're not going to give away all our secrets as to how it's done!

Even more salacious shocks, scandal, reveals and revelations to come in Part 2!

TYLER SAINT TO STAR WITH SACHA BARON COHEN

British funnyman Sacha Baron Cohen - AKA Borat - is set to shock audiences and cause a little controversy after lining-up a couple of porn stars to appear in his new movie, the snappily titled, BRÜNO: DELICIOUS JOURNEYS THROUGH AMERICA FOR THE PURPOSE OF MAKING HETEROSEXUAL MALES VISIBLY UNCOMFORTABLE IN THE PRESENCE OF A GAY FOREIGNER IN A MESH T-SHIRT, in which he plays a flamboyant Austrian fashion journalist. Following rejections by actors who were unwilling to do full frontal nude scenes, Cohen sought the help of former escort service director David Forest to find x-rated film actors for the new comedy. They auditioned about 10 actors and eventually hired Tony Capucci and Tyler Saint (pictured). Speaking to the New York Daily News, Forest told them, "There's a scene where Bruno comes to the hotel with some guys. They're all trying to get Bruno to come upstairs for an orgy. Five guys are there. Two of them are my guys. Bruno apparently doesn't want to join the party, but he watches through the window. I'm told it's hilarious."

OWN JOSH VAUGHN'S SOFT LIPS AND PERKY LITTLE NOSE

WIN SIGNED MICHAEL LUCAS PHOTO BOOK!

Michael Lucas was at Prowler Soho in London promoting his new DVD release **POUNDING THE PAVEMENT** on cold wet November night, but it was hot and steamy inside the store as crowds lined up to have the New York porn superstar to sign DVDs and books. Courtesy of Prowler, QXMEN managed to pin sexy Michael down and have him to sign his latest photo book (published by Bruno Gmunder) and, guess what, it's up for grabs for one lucky reader, together with Michael's sexy 2009 calendar and a t-shirt! To be in with a chance of winning, simply email your name and contact details to editorial@qxmen.com placing **MICHAEL LUCAS COMPETITION** in the subject field, or post your answer to QXMEN, Michael Lucas Competition, 23 Denmark Street, London WC2H 8NH. Entries in by 31st December and the winner will drawn at random... Good luck!

At QXMEN, we've always loved those dildos that have been moulded from our favourite porn stars' cocks. These replica dongs have been cast from the porn stars' very own famous appendages to ensure that they're perfectly detailed in every way, down to each vein and crease. There's nothing wrong with that we hear you say. Who wouldn't want to experience exactly how it feels to have Jeff

Stryker's fat tool banging away at their hoop? But we must admit that we were a little perturbed when we came across the Josh Vaughn CyberSkin® Blow Job Stroker. We've seen what a pro Rascal Video exclusive Josh Vaughn is when it comes to sucking cock, and now we can experience his lips wrapped around our own cock. Molded directly from Josh's mouth and accommodating throat, this masturbator sex toy, called a stroker, is made from life-like material and apparently has captured Josh's 'soft lips and perky little nose' down to a tee. But would you want a blowjob from a severed head? We're not sure. And he's got no bloody ears to hold onto!

RECON FULL FETISH CHRISTMAS HOLIDAY WEEKEND SLEAZE PARTY

recon

The guys at Recon are taking Full Fetish to one of South London's most infamous venues and synonymous with fetish, Mass Club in Brixton, for their Christmas Holiday Weekend sleaze party. So, on Saturday 27th December, pull out your

leathers, buff up your rubber, iron your bleachers or just rinse out your lucky jock-strap and head on down to where the 'Real Men' of Recon - and their admirers - will be hanging out over the Christmas holidays. Taking over the whole of Mass Club and the cavernous spaces below it means there'll be a great dance club as well as two separate dedicated areas for extensive dark rooms and a huge cruising dungeon. Doors open at 10pm and the party goes on 'til 6am. Full Fetish is open to all fetish dress codes - leather, rubber, skins, uniform, sports wear. But no jeans and trainers allowed. Tickets are on sale now at all good fetish shops. Go to www.recon.com/events for info.

THE BUSIEST CHAT SERVICE IN THE UK

LIVE 1-2-1

QX CHAT.com

CHECK OUT WHY WE HAVE GIVEN YOU THREE NUMBERS INTO ONE SERVICE

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
