WELCOME... TO FEBRUARY'S COCKLE-WARMING ISSUE...

Well, it may be the shortest month of the year but we've still managed to cram in enough smut and sex to satisfy even the greediest of porn fans!

Obama might be shutting down Guantánamo Bay but Dark Alley Media's **Gaytanamo** is still open for business and we got our visiting orders through this month. We checked out the hot Aussie beach boys in **Dream On Straight Boy** from Zipper Video and then got our passports out once more as Collin O'Neal's been on his travels again for his World of Men series and this time it's stunning East European studs in **Men Of Serbia**. We followed a British bottom guy to a sex bar in Paris for Bulldog XXX's **Sex Pit Sluts!** and then, back in London, we spent a night out with Eurocreme's gorgeous **Party Boy**. Chi Chi LaRue's horny guys certainly **Measure Up** in the latest release from Rascal Video and COLT Buckshot goes on campus for some college jock fun in **Strong Will: The Assertion**. We're treated to a feast of beefy, hairy hunks from Alphamalemedia in **Out On The Orgy**, a compilation of some of the hottest orgy scenes from the 'Out' series, and we also take a look back at some of the horniest releases from **Triga Films**.

We had a one-to-one with Alex Stevens, the sexy Czech star of countless Eurocreme movies including Party Boy and we also hooked up with the latest Channel 1 Releasing Exclusive to be taken under the wing of Chi Chi LaRue, 21-year-old blonde Texan, Cameron Marshall. After spending so much time checking out the hot tottie on Englishlads.com we thought we'd meet the site's creator and photographer and, what d'ya know, we were lucky enough to probe a couple of the straight models who strip to camera - and a whole lot more! London's chain of mega-saunas, Chariots has been going from strength to strength for over twenty years. So where did it all start? QXMEN found out and charts the success story. "Lunchbox", "packet", "basket" - whatever you call the bulge in a guy's trousers, it's something that we can't take our eyes off. QXMEN's resident sexpert Haydon Bridge takes a look behind the bulge. For our own guilty pleasure we bring you ten of the peachiest butts from the buff studs at Hot House Entertainment and, on a serious note, as new laws relating to extreme pornography came into effect last month, we remind you to check that your porn collection is still legal! Plus we've got all the news and gossip from the crazy world of gay porn.

Dream On STRAIGHT BOY

A MIKE ESSER FILM

AVAILABLE FROM
PROWLER,
EXPECTATIONS
AND OTHER GOOD
STOCKISTS.

Hot Aussie Brodie Woods is straight, but he can't stop thinking about guys... naked guys that is! We're introduced to Brodie as he takes a shower and welcomes us to his "weird and wonderful world". Brodie's got it all. He lives in a beautiful beach house, he's got great mates, rich parents, a hot

girlfriend. So why, oh why can't he stop fantasizing about men? "I can be in the shower having a pull thinking about Scarlett Johansson then all of a sudden I'm thing about David Beckham - and blowing a huge load!" Brodie says. "What's going on? I'm straight!"

Brodie's checking out the cute, young pool boy Rip Kurl when Anthony Tangala, the plumber turns up. Straight away Brodie begins dreaming of what the two lads could do to each other and before long Anthony's stripped young Rip naked and is burying his tongue in Rip's tight hole and sucking his stiff cock. Rip repays the favour before straddling Anthony's cock and both guys shoot their loads. Next up, Brodie's on his bed when two policemen (Mitch Milano and Andy Stone) come into his house. Brodie's having a wank but can't hear them calling as he's got headphones on. The policemen catch him with his meat in his hand and so begins another dream sequence. Forced to strip, Brodie's then made to kneel and suck their cocks. Brodie's mate from the Army (Jake Harvey) arrives and no sooner is he through the door and Brodie's next dream sequence begins. Sexy Aussie Jake fucks the pool boy, young Rip on all fours on the couch while he bites the pillow (literally), and all the while Brodie watches on. We also meet Brodie's footie mate Aaron who takes on the two cops and plumber Anthony in a heated four-way orgy scene before we reach the finale where Brodie, Aaron and Jake are drinking beer and watching straight porn. And this scene certainly ends his voyeurism as Brodie gets spit-roasted by his mates in a hot climax to a very imaginative movie.

DARK ALLEY MEDIA PRESENTS

GAYTANAMO

DIRECTED BY MATTHIAS VON FISTENBERG

Starring: Matthias von Fistenberg, Owen Hawk, Danny Fox, Tim Rusty, Tony Diamond, Jason Tyler, Dominick Ryder, Demetrius, Sebastian Cruz.

We previewed *Gaytanamo* way back in May 2007. And now here it is - sort of. The original version was a political satire about "terrorists" imprisoned without trial in a Guantanamo Bay-style detention centre. Trouble is, it was also a piece of gay torture porn that almost certainly would have fallen foul of our new Criminal Justice Act. In this new version, the plot, most of the black comedy, and all the electric shock business has gone. It's been replaced with six now unrelated but more wank-friendly scenes; but although they feature the same actors, this is mostly unseen material shot without condoms. As with all Dark Alley titles you can still expect atmospherically shot, intense sex performed by aggressive men who really enjoy what they do.

Nine, mostly rugged, sex pigs are in the *Gaytanamo* Bay "Dention" (sic) Centre for various crimes. Enthusiastic dark-haired bottom Dominick Ryder writhes in ecstasy as he's sucked, rimmed and fucked every which way by one of Dark Alley's favourite performers, Owen Hawk. Hawk uses his muscular body with porn artistry, and Ryder shoots loads while straddling Hawk's cock. Next up, Tim Rusty, with his milk-white skin and vivid ginger pubes is a hot contrast to fit, black Tony Diamond, who's shaved all over apart from his sideburns, which make him look like a pimp from 70s blaxploitation. Rusty seems happy to lie back and take it from Diamond. But suddenly he's up and sticking it to the black dude! In an excitingly improvised scene, director von Fistenberg gets it on big time with tattooed French dirtbag Demetrius. This is the most strangely re-edited sequence. So watch for von Fistenberg's Prince Albert, which comes and goes, and also his fist, briefly lubricated with Crisco! Diamond makes a welcome return, this time to rim and fuck Demetrius in a sling. And then Owen Hawk comes again, this time partnered with good-looking stud Jason Tyler, the pair seemingly somewhere in the rafters of the industrial setting. Almost entirely shot from below, this is the film's most electric sequence and it ends with another blast of Hawk jism. But there's more. Blond, blue-eyed German boy babe Daniel Fox is discovered naked in a cell with similarly stripped Sebastian Cruz. The scene begins tenderly but ends roughly with Fox happily playing Cruz's bitch. *Gaytanamo Raw* is an experience you won't forget in a hurry.

measure up

Starring: Cameron Marshall, Josh Vaughn, Vance Winter, Cameron Taylor, Chad Hunt, Cort Donovan, Kai Ford, Lee Stephens, Lucas Knowles.

STUDIO: CHANNEL 1 RELEASING - DIRECTED BY CHI CHI LARUE

Chi Chi LaRue's latest fuck-fest features Channel 1 Exclusives Vance Winter, Cameron Marshall and Josh Vaughn as construction workers who all measure up in the trouser department. When a tape measure goes missing on site the guys have to use their own cocks for guidance and who needs centimeters anyhow when you have über-hung Chad Hunt on hand!

VIDEO REVIEW

Blond Texan construction worker Cameron Marshall is on the job when he loses his tape measure. His mate Cort Donovan offers to get his dick out which is exactly eight inches to help measure a staircase that Cameron's building. A novel way of making the first move but once Cameron clocks Cort's hefty eight inch tool he gets on his knees and starts sucking. Soon both blue collar workers are stripped out of their clothes and Cameron's on his back, legs in the air with Cort slurping on his blond fuzzy hole. Lubed up and ready to go, Cameron sits down on Cort's stiff eight incher before getting his thick load sprayed on his butt cheeks. Next up, sexy redneck Lucas Knowles and cute young co-worker Cameron Taylor are discussing dick size when Lucas gets out the missing tape measure to size up Cameron's tool.

"Liar! It's fuckin' over nine!" a smiling Lucas says before he starts gobbling down on young Cameron's rock hard cock. Lucas ends up getting fucked good by Cameron, but not before both guys (yes both) suck on Cameron's cock at the same time! A hot al fresco three-way between the dreamy Vance Winter, sexy Lee Stephens and cute blonde Josh Vaughn will get you busting a nut before the dick-straining finale featuring mega-hung Chad Hunt and handsome Kai Ford. Kai tells Chad that the missing tape measure still hasn't turned up on site "Well, knowing those fuckin' assholes, they're probably all measuring their cocks," Chad says as he rubs the huge package in his jeans. Greedy Kai drops to his knees as Chad pulls his monster from his zipper (who can blame him) and, hats off to the guy, deep throats pretty much the whole length of Chad's super schlong. Kai's got a cute bubble butt and Chad probes his tight hole in preparation for his huge tool. And in an eye-watering final scene, Chad ploughs Kai's hole, who's obviously loving every minute judging by his boner staying rock hard the whole time.

ALPHAMALEMEDIA PRESENTS A FILM BY MAXWELL B.

Starring: Rocky Torrez, Ross Hurston, Rocco Banks, Kent North, Carlo Cox, Trojan Rock, Pierre Sias, Dan Vega, Steve Cruz, Dillon Buck, Butch Grand, Jake Ryder, Jaxson Phillipe, Fernando Nielson, Buck Monroe, Tony Massala, Ryan Peterson, Melvine.

out on the ORGY

WE ALL LOVE AN ORGY, AND SO DO THE GUYS AT ALPHAMALEMEDIA. AND HERE THEY'VE CHERRY-PICKED SOME OF THE BEST ORGY SCENES FROM THE AWARD-WINNING 'OUT' SERIES. WITH A STELLAR CAST LIST OF BEEFY, HUNG AND HAIRY GUYS, LOVERS OF ALPHAMALE MEN WILL BE IN SEVENTH HEAVEN.

Straight into the action in scene one and it's a four-way fuck-fest from 'Out In The Open' featuring labourers Carlo Cox, the late Kent North, Trojan Rock and Pierre Sias. The sun's going down after a hard day's grafting and the guys strip out of their overalls and ravage Kent, sucking his cock and pawing at his muscled body. Kent and Pierre are the two that get their arses pounded by Carlo and Trojan who take

it in turns to plough the hungry bottoms. Scene two's a three-way (but still an orgy), this time in bed with Rocco Banks, Ross Hurston and Rocky Toretz from 'Out On The Con'. Ross is the lucky guy to get shafted by both his co-stars and shows his appreciation by cracking out a huge load at the end. We get a bit of Mediterranean sun in scene three taken from 'Out On Vacation' with hunks Steve Cruz, Dillon Buck, Dan Vega and Butch Grand. All four guys are bronzed from the sun and are relaxing by the pool when the action starts and a full-on orgy ensues. We're treated to some serious arse eating, cock sucking and arse fucking under sun, with sweat dripping from the hunks' hairy muscled, muscled bodies. Scene four is the sex bar scene from 'Out On Parole' featuring Ryan Peterson, Melvine and 'big boy' Tony Massala. Kitted out in harness and boots, Melvine and Ryan are on their knees offering their arses up to Massala who fucks them in turn with his huge cock. By scene five you'll be exhausted as we reach the final orgy and this time it's a four-way between Jaxson Phillipe, Jake Ryder, Fernando Nielson and Buck Monroe. We think that the sport of 'strip snooker' should be more commonplace, and these four sexy hunks certainly make a good argument for it. Once they're out of their clothes it's a full on doggy-style fuck-fest on the smoker table and the only ball action are the ones slapping against arse cheeks... An awesome compilation from the hunks at Alphamalemedia.

MEET CAMERON MARSHALL

Texan hottie CAMERON MARSHALL was signed to Channel 1 Releasing after his (then) boyfriend, Rascal exclusive Josh Vaughn, introduced him to Chi Chi LaRue. Cameron stars in 'Measure Up', reviewed in this month's issue, and here, the 22-year old blonde stud talks to QXMEN about his short time in the business...

You starred in Chi Chi LaRue's bi-sexual movie 'Shirting Gears' last year. Was it much different to doing gay porn?

It was a lot different having girls on set. They were so fun, loud and crazy. It was great!

Are you gay or bisexual?

I've dated only men for about two and a half years, so I would consider myself gay now.

Are you still dating Josh Vaughn?

No, We decided to end things back in April. He's still my best friend and lives close to me.

Are you top, bottom or versatile?

I'm versatile. It mostly just depends on the guy I'm with. Lately I've been more of a bottom though.

How did you get into the porn industry?

Josh and I had been dating for about a year, when Chi Chi saw my pictures on his MySpace and asked me if I wanted to do a movie. They liked me, so after my first movie they decided to sign me as an exclusive.

How many movies have you starred in?

I've been in eight movies now.

How old were you when you did your first porn film and what was it called?

I was 21 and its called 'Little Big League 3: Bottom of the Ninth'.

Were you nervous?

Actually, I wasn't at all. I got on set for my first movie, and everyone was so great. The boys were sexy as hell. It was hard to be nervous!

What's it like watching yourself on screen?

It's interesting! It was kind of a turn on for me watching myself get fucked, ha ha.

What's your favourite part of your body?

My eyes.

Have you found any downsides to working in the porn industry?

Well, one boy didn't want to date me because I did porn. :(Other than that, I haven't encountered any downsides.

Do you find it easy to perform on cue?

Actually, yes I do. I can stay hard for hours.

What's your favourite porn film ever?

Oh I don't know! I wouldn't really say I have a favourite. I just watch a whole lot of it.

Who would you most like to do a scene with?

Kyle King. I think he's sexy as hell.

Who would you say is the hottest TOP in the industry?

Ryan Alexander, by far. I want to marry that boy!

And the hottest BOTTOM?

Probably Mason Wyler. I think he's really cute.

Fantasy three-way?

Kevin Brown, Pierre Fitch and I.

What turns Cameron Marshall on?

I love getting rimmed. It kind of drives me crazy.

Which do you prefer, a guy's butt or a girl's butt?

A guy's butt.

Where do you see yourself in ten years time?

Living in L.A. or Atlanta, doing something in graphic design or art. Pursuing what makes me happy.

What's the funniest thing you've read about yourself?

People captioning pictures of Josh Vaughn as me. That's always funny, because as far as I'm concerned we don't look anything alike.

If the world were to end tomorrow, what would you rush out and do?

I would get together the people who mean the most to me for an end of the world party. Awesome.

You're most likely to be found gossiping on set with...

Lex Sabre or Blake Riley. My boys!

What annoys you?

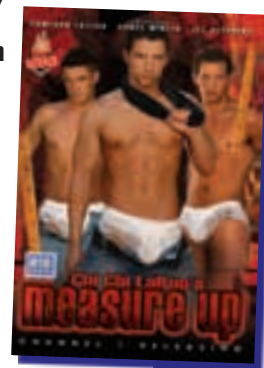

Hmm...When people see me on the street, recognise me, and don't come up and say hi. I notice it a lot in major cities that people are talking about me, or I hear my name, but they won't come up and say hello to me. I'm pretty friendly and I love meeting new people.

You're at your best when...

I'm really busy. For some reason things kick into gear, and I get everything done better.

Finish this sentence. The best part about being a porn star is...

... the attention.

A STROLL IN THE ENGLISH COUNTRYSIDE

WE'VE BEEN SPENDING QUITE A BIT OF TIME LATELY CHECKING OUT THE HOT YOUNG LADS ON ENGLISHLADS.COM AND WE HAVE TO SAY, THERE'S SOME HOTTIES ON THERE. FEATURING STRAIGHT LADS, GAY LADS, BI LADS AND JUST THE PLAIN CURIOUS, ALL THE CONTENT IS EXCLUSIVE TO THE SITE AND THERE'S OVER 150,000 PHOTOS AND HUNDREDS OF HIGH DEF VIDEOS TO CHOOSE FROM. SO, WHO'S BEHIND THE SITE AND WHAT TYPE OF GUYS LIKE TO GET THEIR KIT OFF IN FRONT OF THE CAMERA? QXMEN SPOKE TO NICK BAKER, THE SITE'S CREATOR AND PHOTOGRAPHER, AND ALSO RICK AND LIAM, WHO BOTH MODEL FOR ENGLISHLADS.COM.

NICK BAKER

So, how long has the site been running?

We launched Englishlads.com in January 2004 so we are just starting our sixth year.

And where did the idea come from?

When I started taking porn photos back in summer 2003 there were just two U.K. companies producing magazines, so not many places to sell them and only a couple of U.K. websites. At that time in the U.S. there were many new websites beginning to get quite well known, so I thought there was room for more U.K. based sites. The name was a little harder. I wanted to incorporate the word 'lads' and since we are based in England it just kind of came together!

Are English lads your particular favourite?

I am not sure what the definition of an English lad is, but to us we just shoot people who fit the 'lads' theme and most of them come from England. Most of all we pick lads with decent bodies who enjoy showing all on camera!

Have you ever approached a lad on the street and asked him to model for you?

We often approach lads on the street and ask them to model, though I don't necessarily mention porn in the second sentence!

Do guys get paid for modeling for you?

Yes, we pay the models well for their work and the ones most popular with our members come back to do more.

Do you get turned on while you're filming/taking pictures?

I think I must get asked this question most days and to be honest after six years of filming lads wanking and fucking you sort of don't stop to look at it in that way. I would be more concerned about keeping the models happy and working relatively fast so the video flows and we can then shoot it over a short period. That way we get the most natural porn that's real and not created from retakes and more retakes.

LIAM (Opposite bottom right)

Stats

19 years old, 6'0", 40" chest, 30" waist, 7.5" cock.

So, are you straight or gay?

Straight.

Do you have a day job?

Yeah I am a barman.

Have you been modeling for Englishlads.com long?

For three years now.

How did you start?

I was having my hair cut at my local barbers and when I left the guy that had been sat next to me having his hair cut gave me a card. He was a talent scout for Nick's website and about a week later I was on Nick's roof wanking in the fresh air!

Were you nervous?

I don't mind stripping. If lads want to look at me I find it flattering. After all we're all similar. During the first shoot I was really turned on at the idea of wanking outside and being filmed and, yeah, I was a bit nervous but that didn't stop my cock performing!

Do you watch yourself on screen?

I have seen some of my videos. It doesn't turn me on but I quite like watching what I do on camera and seeing my reactions to Nick's requests!

Do you find it easy getting hard on request?

Yeah I'm always horny and whenever I touch my cock it goes up like a rocket.

Favourite part of your body?

I am always told I have a great smile.

How far have you gone on camera?

I am straight so I've only done solos and wanking next to a lad, but I have let a lad suck and wank me. I enjoyed it but didn't get the urge to return the favour. I just love great blow jobs!

And do your mates know you do modeling then?

They all know I do porn but I haven't told them the rest! They just assume I am shagging girls every time I go off for a shoot!

Any words of wisdom for aspiring models out there?

I've enjoyed all the work I have done for Englishlads because they never push me out of my comfort zone and I always seem to do things for them that I wouldn't predict - like letting a guy suck my cock! Because I always know what they want me to do in a shoot and how much I am being paid, I think they're some of the most important things for me. Know exactly who you are working for and if they run a professional business your unlikely to be able to go wrong.

englishlads.com

RICK (Opposite bottom left)

Stats

22 years old, 5'9", 38" chest, 30" waist 7.5" cock.

Do you have a day job?

I am a salesman.

Are you straight or gay?

Straight.

When did you start modeling for Englishlads.com?

Just over two years ago.

Why did you get into modeling?

I was approached after a football match and given a card and told I should contact the website on the card about potential modeling work. I didn't know it was adult work, but when I met Nick he showed me a few example videos and I thought why not do a solo, the money was great!

It must have been terrifying stripping off in front of the camera for the first time... How did you combat your nerves?

The first time I was a little nervous, but I strip every Saturday in front of the lads at football and I am proud of my body, so I wasn't too worried about showing it. If I was really nervous I wouldn't be able to get hard. But in the end as soon as my boxers came off I got a massive hard on and that kind of broke the ice!

Does it turn you on to see yourself naked and/or having sex on film?

Yeah I like seeing myself on film, though it always feels like it isn't me as I sometimes can't believe I do it!

Do you find it easy to perform on cue?

Every time I get in front of the camera I get a hard on.

What's your favourite part of your body?

My abs.

Is there anything you wouldn't do on film?

I didn't think I would do anything with another lad, but after doing a few solo films for Nick he suggested I let a lad suck my cock. Since then I have done loads, been fucked and fucked and I never thought I would do that.

What do your mates think of you modeling?

Only a few of them know and they are proud of me for doing it. Though I haven't told them everything. They assume it's just solo work!

Any advice for anyone who's thinking of starting modeling?

I think it's something for lads who enjoy showing their bodies. If you're proud of your body then go approach one of the bigger companies, Nick made it so easy for me, otherwise I would never have done so much. I think as long as you know exactly what you're expected to do and agree the pay and how it will be paid then it will avoid surprises!

IS YOUR PORN COLLECTION still legal? NOW'S THE TIME TO CHECK

LAST YEAR THE CRIMINAL JUSTICE AND IMMIGRATION ACT 2008 WAS PASSED BY PARLIAMENT AND THE SECTION OF THE ACT RELATING TO EXTREME PORNOGRAPHY CAME INTO EFFECT THIS YEAR ON 26TH JANUARY. THIS NEW LAW MAKES IT ILLEGAL IN ENGLAND AND WALES (NOT SCOTLAND OR NORTHERN IRELAND) TO POSSESS CERTAIN TYPES OF SEXUALLY-EXPLICIT IMAGERY.

So, now's the time to review your porn collection and delete any images you think might break the law. Not sure what could be defined as "extreme pornography"? Then read on...

An "extreme image" is defined as one which portrays in a realistic way any of:

- **An act which threatens a person's life;**
- **An act which results in or is likely to result in serious injury to a person's anus, breasts or genitals;**
- **A sexual act with a corpse or an animal.**

and the image...

- **Is grossly offensive, disgusting or otherwise of an obscene character;**
- **Has been produced solely or principally for the purpose of sexual arousal.**

It's claimed that only a small number of images are intended to be caught by this law ("images" means both still photographs and video but excludes drawings and works of art).

FIRST OFF – DON'T PANIC!

Images of bondage, fetish wear, role-play, watersports, sexual intercourse and domination/submission are not 'extreme'. Images of corporal punishment, whipping and flogging, needle play, cutting, heat play or medical scenes involving areas besides the anus, genitals or breasts are almost certainly safe to possess. In fact, the list of images which are certain to fall under the law is very small compared to the wide range of BDSM, kink and fetish images available. If there's no injury to the areas of the body mentioned above or threat to life the image is almost certainly legal to possess.

WHAT DOES "POSSESSION" MEAN?

In the age of the Internet and digital media, possession of images has needed to be refined in law. Clearly, if you own a physical photograph or a DVD or videotape then you possess it. But images on your computer are a different matter. For a start just viewing an image or video on a web site does not constitute "possession". So you can browse the Internet quite legally. Your web browser may keep a temporary copy of the web pages and images you browse on your hard disk (the "cache") but this too does not constitute possession. Nor do unsolicited images received by email as part of a message. However, if you actively save or download an image or video to your computer or other device from a web page or email, or move or copy the files from the cache then case law has established that this does constitute possession. As, obviously, does printing out such images.

WHAT TYPES OF IMAGES WILL IT BE ILLEGAL TO POSSESS?

If the image or video shows a serious injury to breasts, anus or genitals or the activity is life threatening and the image is produced for sexual arousal it will be illegal to possess it.

WHAT IS SERIOUS INJURY?

"Serious injury" is not explicitly defined in law and it is up to the jury to decide. As a result of the Spanner trials it was established that "serious injury" when part of sexual activity was anything beyond "transient or trifling" which are equally subjective terms and open to interpretation by a judge or jury. Breaking limbs, disfigurement, castration and other lasting disabling injuries are very likely to be included. Images of a whipping, beating or cutting of breasts, genitals or the anus which leaves cuts and bruises may be illegal to possess too. Genital modification and medical scenes involving catheters, needles, sounds etc are a grey area but see the Defences section below. A video or series of images which shows that any injuries healed quickly may be a defence to the charge that the injuries were serious. But again this is up to the court.

WHAT IS LIFE THREATENING?

This too is a grey area. Putting a plastic bag over someone's head, tying a cord around their neck, forcing smoke into their lungs, water immersion, breath control, holding a gun or knife to their head can all be life threatening in the context of a real non-consensual kidnap or torture scene. Where these activities take place during a consensual BDSM scene the intention is clearly not to threaten or endanger life. However, taken in isolation it may not be obvious from the image whether or not there is a real threat to life. If the image is part of a sequence or a video which shows the consensual nature of the activity and that the recipient of the activity was not harmed then that could provide a defence should the images be seized, particularly if you are a participant in the activities.

Full details explaining what the law says and how to protect yourself (published by the Spanner Trust) are available to download as a leaflet from www.spannertrust.org/extremeporn.

**The Spanner Trust: SpannerTrust.org

**Backlash: Backlash-UK.org.uk

ARE CLASSIFIED FILMS AND VIDEOS OK?

If a film or video has a certificate from the British Board of Film Classification then it is legal to possess it. However, if you take stills or clips from the film to make pornographic material then you could be prosecuted for possessing that material if in isolation it falls under the category of "extreme pornography".

WHAT ARE THE PENALTIES?

If found guilty under this section of the Criminal Justice and Immigration Act you could be sent to prison for up to three years or fined (or both) and be put on the sex offenders' register if you receive a prison sentence of over two years.

EUROCREME PRESENTS A DREAMBOY PRODUCTION

Starring: Kai Cruz, Philip Delvaux, Alex Stevens, Matt Hughes, Ivan Rueda, Cameron Ross, Tristan Dean, Johan Volny, Johannes Winter, Alex Cane.

PARTYBOY

A FILM BY SIMON BOOTH

Being a DJ on the London gay scene is apparently one long party ... and if this documentary-style film is anything to go by, it is indeed a fantastic lifestyle of gorgeous, hard bodied young things, club nights, music and sex... After watching Party Boy, we're thinking of trading in our writer's quill for a set of decks!

Pumping house music soundtracks DJ Kai Cruz as he walks through Soho at night, ready for another long evening of throbbing dicks and an endless supply of beautiful twinks. Whilst he misses an opportunity with a baby faced visitor to London, the angelic looking boy soon finds himself in a ménage à trois fuck-a-thon with two Soho studs. One of them just happens to be straight boy Matt Hughes, who seems to be taking his bi curiousness to a new level. It's gay all the way for him this time round as he indulges in

some serious sucking, caressing and fucking action with that mammoth eleven inch tool of his. Meanwhile, a budding new DJ is eager for a spin on the decks at the local club – but he has to spin on the gorgeous cock of the bar manager before he gets the gig. It's a scorching hot scene that takes place after closing – on a sofa we've sat on ourselves on a night out! Then, it's back to the flat for a chill out – although we're not sure group fucking, spit roasting and partner swapping makes for a claming evening. Although, they all look pretty happy after the explosive cum shots, with sprays that make Trafalgar Square look like a pebble bubble fountain. Plus, DJ Cruz finally gets his young London visitor – face of a cherub but with the body and filthy moves of a masculine sex manic.

The guys in this movie are all absolutely stunning, the production is top notch – it looks very filmic and glossy – and it's even hotter due to being filmed in recognisable places in central London. Now that gloomy January is over, treat yourself to Party Boy. You won't be sorry!

THE BOY CAN PARTY

QXMEN CAUGHT UP WITH 22-YEAR-OLD DREAMBOAT

ALEX STEVENS FOLLOWING HIS TRIP TO LONDON TO FILM EUROCREME'S LATEST MOVIE

PARTY BOY. HERE ALEX TELLS US

ABOUT HIS CAREER IN PORN AND HIS DREAMS FOR THE FUTURE...

Where were you born?

In Jablonec nad Nisou in the Czech Republic. It's a small town in the mountains in the north of the country.

And where do you live?

I live in Prague now, but I still spend a lot of time at home with my parents. I love helping them on their farm.

We've heard that you have a girlfriend. Are you bisexual?

Yes I am. I live with my girlfriend. I am attracted to boys and girls in different ways - I like both, but I only ever make porn with boys.

How did you get into the porn industry?

I met Johan Volny in a bar in Prague. He was a Eurocreme model, and he loved the work. He told me so much about it I thought it sounded a lot of fun. So I joined him on a shoot.

"WHEN WE SHARE A HOTEL ROOM WE USUALLY END UP FUCKING TWO OR THREE TIMES A DAY, ESPECIALLY IF IT HAS A WALK IN SHOWER"

How old were you when you starred in your first porn film?

I was 19 in that film. It seems ages ago now!

And how many movies have you starred in?

Probably about twenty. I don't keep them at home so I have lost count.

Where you nervous?

I was nervous in the early days, and I still get nervous sometimes. But once the action starts I just forget I'm in a film and enjoy it.

What's it like watching yourself on screen?

I always look at myself critically, thinking of ways I can improve my performance and also how my body looks.

What's your favourite part of your body?

I love to see my dick going in and out of a tight ass.

Have you found any downsides to working in the porn industry?

No, I love the work and the recognition from my fans. I wouldn't change anything.

Do you find it easy to perform on cue?

It all depends on the director and the other guys in the scene. They are usually pretty hot, so it's not hard to get horny. The only times I have had any problems were on sets that were really cold, or outdoors when the weather was bad.

Do you like London?

I always love coming to London to film. I have been here a few times, and I love being directed by Simon Booth. *Party Boy* was a lot of fun, and we took time off from the shoot to do some sightseeing. I also shot a scene for Indie Boyz *Fukk'd*, which will be released soon.

Who would you most like to do a scene with?

Johan Volny is my best friend, and also the guy I most like to fuck with!

Who would you say is the hottest TOP in the industry?

Johan Volny again. He has a great dick and I love taking it. We often play together off the set. When we share a hotel room we usually end up fucking two or three times a day, especially if it has a walk-in shower!

And the hottest BOTTOM?

It's hard to say. I find that English guys bottom really well, and I have had too many good English fucks to single one out.

Fantasy three-way?

It's already happened! I really like George Basten and Mason Wyler and we had the chance to work together in *Builder Boy*. I loved sucking Mason's huge cock as George pounded him!

What turns Alex Stevens on?

I have become more top than I was in my younger days, and I find a firm ass really gets me going now.

Where do you see yourself in ten years time?

I have a dream to buy a yacht, and I would love to sit on deck in the sunshine with my friends drinking cocktails.

What's the funniest thing you've read about yourself?

I love it when I find people using my pictures on contact sites, pretending I am them. I like to message them and try to arrange a meet. It hasn't happened yet, but I'm looking forward to seeing the look on the guy's face when I turn up.

If the world were to end tomorrow, what would you rush out and do?

Fuck anything that moves. It's the advantage of being bi!

What annoys you?

Rude people and damage to the planet.

You're most likely to be found gossiping on set with...

Johan Volny is always the one I chat with. We sometimes have bust-ups too, but he knows when to back off and I calm down quickly.

You would be happier if...

My parents were rich enough not to have to work.

You're at your best when...

I have had at least eight hours sleep and a full English breakfast before the shoot.

Describe yourself in three words...

Fiery, Fun and sex-mad (is that four?)

Finish this sentence. The best part about being a porn star is...

It's a great job that doesn't involve any work!

BULLDOG XXX PRESENT a film by MAXWELL B

SEX PIT SLUTS

Starring: Greg David, Issack Hardcastle, Nicolas Torri, Anton Knight, Robin Hole, David Castan, Ivan Rueda, Brice Farmer, Fred Faurtin.

When we watched some of this film shooting in Paris (see QXMEN January), we nearly did a bit of shooting ourselves. "French men are the sexiest in the world," director Maxwell B told us. We didn't argue. Now it's your chance to ogle these Gallic sex pigs, up to their snouts in cum and slobber in a real-life sex club, L'Impact. The film's the first in a new Bulldog XXX series called Sex Pit! If they're all as filthy as this one, we'll be as happy as pigs in shit!

A British sex pig (actually played by Spanish slut Robin Hole) finds that his favourite London dive has closed due to the credit crunch. In a flash he's prowling a similar Parisian gaff, clad only in Union Jack shorts! First he observes Nicolas Torri and Anton Knight, who can't wait to get into each other's leather trousers. As Knight readies Torri's arse, we see he's got two piercings, a guiche and a scrotum. Knight slides in his cock and later sprays over Torri's face. Hole goes exploring and finds a fat cock poking through a glory hole. It belongs to David Castan (Nicolas Torri's real-life partner). While Castan's fucking Hole in a sling, Hole can't hold it in and cums over his own chest. Then Castan groans, "Oui! Oui!" and does likewise. Hole next discovers an incendiary trio getting warmed up in the bar. There are two older guys - juicy-lipped,

meaty-arsed Greg David and sultry Brice Farmer, who has a ripped physique without a centimetre of fat - plus Ivan Rueda, a 19-year-old Spaniard with an elaborate chest tattoo. It looks like Rueda's going to end up spit-roasted, and that's what happens. But then Farmer gets the same treatment. Nice. David finds more action with big boy Issack Hardcastle. They go off to a cabin, where Hardcastle gets porked twice. The final scene features the star of the show, always rampant Fred Faurtin, who's wanking in the lounge area when Hole and Rueda pop in for another session. Faurtin watches for a while, but then joins the party, which includes practically every sexual combo you can think of. But try not to pop yet. You'll want to blast off during the final daisy chain in which Rueda fucks Hole and is himself fucked by Faurtin. The guys get such a good rhythm going, the scene needs to be set to music!

SMUT 'N' STUFF WITH

HAYDON BRIDGE

Up at the front:

CODPIECES, LUNCH BOXES

AND

OTHER BULGES

While admiring the naked statuary in London's Victoria and Albert Museum not so long ago, it struck me that there's nothing to look at below a female statue's waist. Work with me here. I mean that, because of traditional prudishness, female statues were always posed with thighs clamped tightly together. There's literally nothing between their legs. Compare this vacuum with the huge and interesting variety of genitalia on male statues – big cocks, small cocks, fat, thin, hairy, shaved and, in the case of warriors and wrestlers, swinging up or down, to the left or right. It's simply a fact that there's more here to look at. And when the whole package is squeezed into a real man's tights, trunks, jockstrap or Spandex, the resulting bulge becomes not only eye-catching but intriguing. At one point in history – bizarrely the 14th to the 16th centuries – the padded crotch was the focal point of male fashion. It took about 350 years for the bulge to come back into style. And now it's an obsession. Naturally gayers are at the forefront of the fad. Just check out the number of websites devoted to photos of blokes with nicely packed crotches. There's even an acronym for the placement of the todger beneath tight-fitting keks – V.P.L. (Visible Penis Line). Let's take a closer look!

Up until the early 14th century, both men and women wore variations on the skirt. Then, for reasons I bet nobody really knows, men began wearing doublet and hose. The doublets became shorter and shorter until it became necessary to add a triangular piece of fabric to the front of the hose to provide added protection for the meat and two veg. "Bag" in Middle English was "cod" and that term was used for the ball-bag, too. Thus the protective cover became the codpiece, fashionable for young men during the reign (1377-1399) of Richard II. In the 15th century, the codpiece grew. Some men used it as a pocket, then it was deliberately padded and decorated. It wasn't a particularly gay thing. But certainly men touched up their codpieces to make their assets more impressive to other men.

Already by this time the big cock equalled power. The codpiece fashion was at its height during the later years of Henry VIII's reign, when His Majesty liked to wear huge codpieces, possibly because he wanted to show Europe how virile he was at a time when he wasn't (he couldn't produce a son).

When Henry died in 1547, he was succeeded by two queens, Mary I and Elizabeth I. Without a man on the throne, thrusting his manhood into everyone's faces, the codpiece gradually disappeared. That was the end of phallic adornment for centuries, apart from the "peascod-belly", a short doublet with a padded point in the middle of the waist, which seemed to indicate the nadders below. It was popular from about 1570-1590.

Throughout the 17th and most of the 18th centuries, there wasn't a hint of the existence of genitalia beneath voluminous breeches. But by about 1780, breeches had become form-fitting with a "fall front", a central, buttoned flap. (Sailors wore this style well into the 20th century and, in his autobiography, *The Naked Civil Servant*, Quentin Crisp recalled how queers loved to unbutton those flaps so that the goodies could tumble out). ▶

DV8 - DVOTE - EXPECTATIONS - HARD SEX TOYS - MASTER U - MR B - PUMPHOUSE - RECON

► By about 1820, breeches had become equally tight pantaloons, while tail coats, cut away at the waist, put the crotch on full view. These perfectly-tailored clothes were part of the cult of the dandy, whose most celebrated exponent was Beau Brummell (1778-1840). But in contemporary paintings dandies are never shown with anything resembling a bulge. Pantaloons gradually developed into the trousers we know today, and by the 1850s they had fly fronts. The next developments of gay historical interest are the jeans Levi Strauss sold, also from the 1850s, to Californian miners, and the leather chaps, with no seat or crotch, worn by Texan cowboys from the late 1870s. But neither garment was sexualised until much later.

The bulge returned in the 20th century via the arts, where it first became associated with gay men. The earliest exhibitionists were ballet dancers, whose tights were skin-tight to reveal athletic prowess even to the audience in the highest gallery. The male dancer's bulge (and pert buttocks) became as much a part of ballet tradition as the female's tutu. (Today the acceptable bulge is as big as possible without showing any outline of cock or balls. The effect is achieved with jockstrap-like underwear called a dance belt). Hollywood also became relatively daring from the 1920s. The film star who most liked to show off his "packet" or (an American term that never caught on here) "basket" was gay, Rudolph Valentino. Stills of him wearing tight trunks in the film *The Young Rajah* (1922) show the most eye-popping bulge of the period.

"THE MALE DANCER'S BULGE (AND PERT BUTTOCKS) BECAME AS MUCH A PART OF BALLET TRADITION AS THE FEMALE'S TUTU."

After World War II American kids loved to shock their parents by wearing their blue jeans tighter. Sometimes they were worn in the bath so that they shrunk to fit. Rock 'n' roll, cappuccino and tight denim were the most recognised symbols of teenage rebellion. But in war-ravaged Europe, denim was hard to get hold of. Among the gay men, who drooled over photos of Americans in jeans, was the artist Tom of Finland, who from 1957 sold the image of the bulging crotch back to the US through the magazine *Physique Pictorial*. By the early 60s his inimitably creative bulges were often more exciting than the real thing, and this gay concept of erotica crossed over to the mainstream. One of the most famous LP covers of all time, *The Rolling Stones' Sticky Fingers* (1971), shows a male crotch with an improbably fat cock dressed to the right.

It's worth remembering that, as nudity lost its shock value in the 70s, clothes that hid but accentuated the packet retained their allure. Even the codpiece made a comeback, first as part of the macho costume that Alex and his Droogs wear in the film *A Clockwork Orange* (1971). Some pop stars, notably Larry Blackmon of Cameo, also liked them; and when gay director Joel Schumacher took over the Batman movie series in the 90s, the Caped Crusader and Robin were put into codpieces. But they were never taken seriously. Nor were the Lycra-clad athletes, whose bollocks bounced in slow motion as they raced for the finish line. (Everyone knew about this phenomenon apart from a judge, who famously asked at a 1998 trial, "What is Linford Christie's lunchbox?") Chaps, however, have become an admired part of leather scene regalia. And while bulging brassieres are no longer acceptable on London Underground escalators, David Beckham's bulging underpants are just the thing for the sides of buses.

There's nothing new about cock-watching. But now it's a business. The website *Bulge Report* had the idea of posting photos of guys on the beach, sportsmen on the field, and even celebs caught unawares, all with something

bursting out of their pants. The site used to be free, but now that it's bulging with news, forums and sightings of celebrity schlongs, you've got to pay. The newer *Visible Penis Line* specialises in just that, and some of the photos would put to shame a baby's arm holding a grapefruit. But once again you'll need a credit card. If you're feeling credit crunched, however, try typing "bulge" into YouTube. Plenty of free footage here. And I do mean footage.

**LOOKING FOR A GOOD TIME ?
GRAN CANARIA HOLIDAYS JUST GOT XXX-RATED
WWW.BASEMENTSTUDIOS.ES**

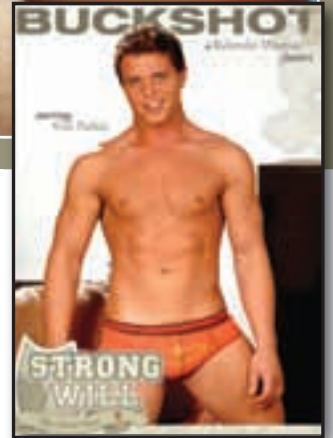

STUDIO: COLT BUCKSHOT DIRECTED BY KRISTOFER WESTON

Starring: Trystian Sweet, Dean Phoenix, Zack Randall, Tory Mason, Omer, Guy Parker, Mason Wyler, Donny Malone.

STRONG WILL

The Assertion

KRISTOFER WESTON'S TALE OF ON CAMPUS ACTION IS SPLIT OVER FOUR SCENES ENTITLED 'THE ASSERTION', 'DENIAL OF WILL', 'PLATONIC IDEA', AND 'OBJECTIFICATION OF WILL'. FEATURING BUFF COLLEGE JOCKS LIKE TORY MASON, MASON WYLER AND GUY PARKER, YOU'LL BE DREAMING OF YOUR OLD COLLEGE DAYS AND WONDERING WHY THEY WERE NEVER LIKE THAT!

The type of hot college boys we all dream about, Trystian Sweet and Tory Mason, are fooling around in their room in their towels after class. Trystian decides he wants to be 'assertive' and fuck Tory's sweet bubble butt and gets to work on his puckered hole with his tongue. Trystian and Tory both have perfect rounded butts and you'd be spoiled for choice if presented with them both, but it's Tory's soft white buns that get shafted in a horny opener. Next up in scene two, Dean Phoenix and the gorgeous Israeli Omer certainly aren't 'denying' their lust for each other and get straight down to action. Omer has one of those butts you want to burry your face in and Dean does just that before riding Omer doggy style on the couch. As the guys fuck, neither says a word but the chemistry between them is scorching and who needs a cheesy script when the sex is this good? Boyfriends Mason Wyler and Donny Malone are chilling out when sexy dark-haired Donny has a 'platonic idea' and decides the guys should make out in scene three. Both Donny and Wyler are perfect Buckshot studs, and watching the two good looking and athletic studs explore each other's bodies on the bed is a treat. And when Mason gets on all fours with his cute butt pushed in the air, who could blame Donny for diving straight in. Boyish Zack Randall and cute-as-a-button Guy Parker don't 'object' to their desires in the scorching hot final scene and dump their school books for an afternoon of extra-curricular activities. First up, Guy's on all fours pushing out his peachy round butt for young Zack to fuck and then it's Zack's who gets a ride straddled on top of Guy. You'll need a strong will to get through this movie without blowing your load.

Sexy Swiss porn star, **CHRISTOPH SCHARFF** not only has a peachy butt but he's also the proud owner of a delicious nine and a half inch uncut cock. Born in 1977, 6'1" Christoph loves winter sports and we've heard he's an excellent skier. With his athletic body and big brown eyes, Christoph looks hot in just a jockstrap or full leathers.

KYLE KING's another hot all-American guy with a perfectly round bubble butt that looks good enough to eat. With dark eyes and cute facial hair, 25-year old Kyle was certainly blessed with one of the sexiest butts in the business.

B/ Ex-marine **MIKE ROBERTS** started his porn career called 'Angel' and we're sure that if angels had butts then they'd be as perfect as his. Not dissimilar to two hard boiled eggs, we'd be queuing up to stick our soldiers in Mike's butt. Not only has he got a butt from heaven, Mike's got a fat uncut cock, chiseled torso and piercing blue eyes.

C/ Born in Russia, gorgeous **ALEX COLLACK** now lives in Queens, New York and, in our eyes, this man has got it all... Amazing physique, handsome looks and a hard on-inducing bubble butt. CHARIOTS wasn't built in a day

In the nineties, saunas for gay men were springing up all over Europe, while all that London had to offer were grotty back street establishments with poor standards of hygiene and little or no health advice for their patrons. In 1996 three East London businessmen identified this gap in the market and, following a massive advertising campaign and lots of press interest, Chariots Roman Spa in Shoreditch opened its doors for business in spring of 1997. The sauna was an instant success and punters queued to get in, curious to see what the fuss was all about. Then in 1999, Chariots crossed the river Thames and launched Chariots Streatham in South London. The venue quickly became very popular with a more relaxed and less scene-orientated crowd and the introduction of various theme nights.

CHARIOTS

Later that same year, Chariots Farringdon opened for business, which has now closed due to London's CrossRail project. In 2000, due to soaring numbers of punters and more space being needed, the building next door to Chariots Shoreditch was taken over and Chariots Shoreditch practically doubled in size, with 35 new rest rooms, new dark rooms, an Internet café and giant screen TV, making it one of the largest clubs of its kind in Europe. 2002 saw the acquisition of Sailors Sauna in the East End of London. Already a thriving business, all it took was for Chariots to put its stamp on it. Then in 2005 the club underwent a major overhaul with a new spa area, steam room and showers, with all four floors being given their own theme, the most popular being the basement dungeon.

Onwards and upwards, in 2003 the Wellington Health Spa in Waterloo was purchased and in August of that year Chariots Waterloo was launched. The young and fun staff at this venue means there's always something going on, from underwear parties to Beach parties. In 2005, two huge railway arches in Vauxhall were secured. With clubs springing up all over the area, all that London's new 'gay village' needed was a sauna to complete the picture, and in December the club opened for business. Chariots Vauxhall soon became a stopover for clubbers, either to freshen up between clubs or just relax and chill out for a few hours.

SKIN BROV

Skin Brov is Triga at its fuckin' horniest. Featuring some of the sexiest fuckers you've ever seen kitted out in bleachers and braces, Fred Perry t-shirts and 21 hole Doc Martins, these geezers are the type of skinheads you always dreamt of getting roughed up by.

FUCK A HOODIE

Skinheads and hoodies get up to no good in this spunk-filled fuck fest filmed down the local youth club and in the alley way round the back. Council lads in trackies and trainers get pissed on lager before fucking each other senseless on the snooker table in this hard-on inducing tale.

BOUNCERS

Find out what happens when a young scallie gets busted by four beefy bouncers down the night club. Dragged into a back room, the lad's forced down on to the ground and gets surrounded by the four hard men. Watch as the lad is abused by each of the bouncers in turn, forcing him to deep throat their cocks while they spank his reddened arse. It's one night out this scallie won't forget in a hurry!

SKINHEADS

Dirty fuckin' skinheads... We love 'em. And Triga's brought together a feast of hung boneheads with meaty cocks for your enjoyment in Skinheads. Not for the faint-hearted, watch as baseball bat-wielding thugs force unsuspecting lads to their knees and subject them to humiliating sexual acts.

RUGBY ORGY

Triga's hanging out in the changing rooms of their local rugby team to see what the rigger buggers get up to after the match and boy, are they dirty fuckers (and we don't just mean the mud up their legs). Get ready for a fuck fest of mammoth proportion as these beefy geezers go for it hell for leather with thighs of steel and big meaty cocks.

AUDITIONS: SKINS & SCALLIES

Another horny instalment of the popular 'Auditions' series where we get a sneaky look at Triga's audition process and perv at guys trying out for a part in one of Triga's films. This time round it's a selection of fit British scallies and rough skinheads who are trying their best to impress in front of the hand-held audition camera.

YOUNG OFFENDERS

The newest release from the lads at Triga and this time they've gone behind closed doors to the cells of a young offenders institution to see what the ASBO carrying jobs get up when the cell doors are locked and the lights go out. And it looks like it's the prison guards that you have to watch out for if you ever get sent down as they seem to be dirtier and sleazier than the inmates!

All Triga films are available to buy at www.trigafilms.co.uk.

THE CONDOM THAT NEVER LIES

We came across a new condom from Madrid-based online store www.curiosite.com that we think is a must-have for any gay man's bedside drawer. The Condometric is condom with a handy tape measure printed up the side of it that measures the wearer's appendage. Perfect for those late night shags who brag of their so-called nine inches when, in the true light of day, they're probably more like seven. Just whip one of these babies out and ask him to 'prove it'. The Condometric comes in four flavours, however,

the ruler only goes up to 20.5cm (that's just over eight inches) and so not much use to anyone with a monster down their trousers.

MATTHEW RUSH LEAVES FALCON

Porn star and body builder Matthew Rush has left Falcon Entertainment after eight years with the studio, six of which as a Falcon Lifetime Exclusive. Rush (real name Gregory Grove) signed his first contract with Falcon Studios in 2000, before being offered the lifetime contract in 2002. He was named Best Newcomer shortly after and has since amassed a huge fan base. The son of an African-American father and German mother, Rush was raised in America and graduated from Pennsylvania State University with a Bachelor's degree in Exercise Physiology. While working in Ohio, he was approached by an agent for Falcon and, well, the rest is history. In a recent interview with U.S. magazine UnZipped, Rush said the reason for leaving Falcon was to "leave the nest to grow and experience other options... For the past few years I've only made one or two movies a year, so I'm hoping to get more work," he said. "I would really like to work with Hot House, Raging Stallion or Colt, and I would love to work with Chi Chi LaRue again, as well as with more muscular daddy types and African-American guys."

Well, we're sure Matthew will be getting plenty of offers from studios all over the world and we'll let you know where he pops up.

The adult industry awards season kicks off in Hollywood this month with the 9th annual Cybersocket Web Awards, closely followed by the XBIZ Awards. Industry leaders, executives, porn stars and

celebrities from across the globe will be out on February 9th for the Cybersocket Web Awards being held at the glamorous Eleven Nightclub on Santa Monica Boulevard. The awards recognise outstanding websites for their achievements in both 'Surfer Choice' and 'Industry Choice' categories.

Here's a brief rundown of this year's nominees. Battling it out for 'Best Personality' will be outrageous director Chi Chi LaRue, gorgeous Pierre Fitch, Michael Lucas and Johnny Hazzard. Johnny and Michael are also up for 'Best Porn Star Site' along with Brent Everett, Steve Cruz, Dolph Lambert and Francesco D'Macho. Rentboy.com is nominated for 'Best Escort Site', Squirt.org are up for 'Best Hook-Up Site' and flying the flag for England, Englishlads.com are in the running for 'Best Amateur Video Site'. And, of course, all of the studios will be vying for first place in both the Industry and Surfer Choice categories for 'Best Video Company Site'.

Titan Media have two titles ('Folsom Undercover' and 'Men's Room III: Ozark Mtn. Exit 8') up for GLBT Movie of the Year; up against Jet Set Men's 'Hung Country for Young Men' and Bel Ami's 'Some Like It Big'. Bel Ami and Channel 1 Releasing are both nominated for GLBT Web Company of the Year, while again all the studios will be hoping to bag the award for GLBT Studio of the Year. We'll let you know the winners and losers in next month's issue.

RECESSION-BUSTING PARTY NIGHTS AT SWEATBOX

New at London's Sweatbox Soho it's **Splash: BYOB**, every Friday and Saturday from 10pm through 10am. Yes, that's right, a sauna where you can bring your own booze! Forget expensive bar prices and nip into Sainsburys on way, or buy it as a take-away from any of Soho's **SPLASH:BYOB** co-operating gay-bars (look out for the signs). There's no dress code, so you can keep your clothes on, strip down to your pants, slip on some sexy Speedos or go commando. There's top DJs and a real clubby atmosphere plus, of course, with all the usual attractions of a hot and horny gay sauna! It's got to be the cheapest, sexiest fun you can have with your clothes on - or off! Entrance costs just £10 (optional locker £5) and Sweatbox Soho is at 1-2 Ramillies Street, Soho in London.

CHAD HUNT RETIRES FROM PORN

Size-queens across the globe will shed a tear at the news that mega-hung Chad Hunt is retiring from gay porn after eight years in the business. Famed for his amazing 11 inch long by 7 inch thick cock, until now 35-year-old Hunt has only ever - quite understandably - been the top when performing. However, not one to bow out of the industry quietly, Hunt's final performance sees him bottoming on camera for the first time in 'Endgame' produced by Dirty Bird Pictures and he was even fortunate enough to personally pick the three tops - Phenix Saint, Cort Donovan and Nash Lawler - who get to nail his arse. Asked why he's finally biting the pillow on camera, Hunt said, "I decided to finally give it up and give fans something they've never seen before. I've done everything else; fisting, watersports, leather. This was the last thing I can give up." Reassuringly, when questioned if he would consider a come-back in the future, Hunt said, "If a director said they have a great project for me, I'm not opposed to coming back, but I'm not going to make an absolute living of this anymore... I've had a good run." In the meantime, you can check out Hunt, doing what he does best, in Chi Chi LaRue's 'Measure Up' reviewed in this month's issue.

THE BUSIEST CHAT SERVICE IN THE UK

LIVE 1-2-1

QX CHAT.com

**CHECK OUT WHY WE
HAVE GIVEN YOU THREE
NUMBERS INTO ONE
SERVICE**

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
