# WELCOME... TO MARCH'S BUMPER ISSUE...

Is that the sweet smell of Spring in the air? God, we hope so as porn is so much more satisfying when we're not wrapped up in hats, scarves and gloves.

We've all secretly lusted over them, even when the bastards cut us up on the road, and this month we get to see inside the back of one of their Transit vans in Triga's **White Van Man**.

The hot sexy Indie kids go crazy in Eurocreme's **Indieboyz 6: Fukk'd**, proving that those youngsters can really fuck! Getting arrested has never been so much fun as those sexy Czech lads discover in Lucas Entertainment's **Juvie Boys**. And due to problems with our visa last month we were unable to get through customs at Serbia airport so this month we packed our bags and instead headed to sunnier climes in Collin O'Neal's World of Men series **Miami** and **Spain**. Not wanting to return to Britain's freezing cold shores we stopped off by the pool to salivate over Chi Chi LaRue's **Sun Soaked** porn stars and with our fresh tan lines we went on the hunt for big cocks in Raging Stallion Studio's **Big Bigger Biggest Part 2**. And boy, did we find one or two!

QXMEN partied hard last month and visited fetish clubs Rut, Hard On and Recon's Full Fetish Rubber and we were at London's infamous dress code bar to see a sexy hunk crowned Mr Hoist 2009. With the gay porn awards season in full swing in America we take a gander at the nominees, and some of the winners and the losers. Director and producer Maxwell B's been a busy boy this month with a trip to South America under his belt tracking down some hot local tottie for Alphamalemedia's next movie, 'Latino Heat'. Plus, with the release of 'Boys on Film' this month, a DVD featuring the latest and hottest gay short movies from the UK, Maxwell looks at drama and hardcore sex crossing over. QXMEN caught up with Marc Reardon from Eurocreme, the hot director of the Indieboyz movies and our resident sexpert Haydon Bridge asks why some of us struggle, red-faced out of our Speedos on the beach with our towel wrapped tightly around us, desperate to ensure that no one gets a glimpse, while others are proud to get stark bollock naked in front of all in Sundry.

# MIAMI

W<sup>COLLIN O'NEAL'S</sup> WORLD OF MEN

*Starring: Collin O'Neal, Roman Ragazzi, CJ Madison, Brian Bodine, Nick Horn, Alex Reyes, Brian Bodine, Daniel Marvin, Pedro Andreas, Andre Santos.*

**JUST THE TICKET TO GET YOU THROUGH THE COLD WINTER MONTHS, WE TAKE A LOOK AT COLLIN O'NEAL'S TRIP TO SUNNY MIAMI, WHERE HE CRUISES THE BEACHES SEARCHING FOR HOT LOCAL TALENT TO TAKE BACK TO HIS CONDO TO HAVE HIS WICKED WAY WITH. AND THERE'S NO SHORTAGE OF HUNG HUNKS STATESIDE FOR COLLIN TO CHOOSE FROM.**

Scene one and Collin's cruising Nick Horn, a beefy skinhead. They head back to Collin's beachside condo where, on the balcony, Nick's Speedos are pulled down to reveal his thick cock and meaty white butt (If you have a thing for guys with tan lines then you'll go crazy for Nick's). Collin buries his face in Nick's cheeks and tongues his hole before they head indoors where Collin screws Nick's arse.

## VIDEO REVIEW

Latino stunners Daniel Marvin and Pedro Andreas open scene two in the shower; water cascading over their perfectly trained bodies, both guys looking good enough to eat. They're joined by dark sexy Andre Santos and all three writhe about in the shower before Pedro and Daniel's attention turns to Andre's peachy butt. All we can say is that Andre is one lucky guy who must be the envy of guys the world over, and once you see him spit-roasted by Daniel and Marvin you'll see why. Scene three and Collin's cruising the beach again when he spots a cute young jogger in a tiny pair of shorts. The jogger is sexy Latino Alex Keys and the huge cock he's managed to squeeze into his shorts is quite an eyeful! Needless to say, Collin brings him back to his condo and is soon sucking on Alex's enormous cock and chewing on his massive foreskin. The scorching hot finale sees Roman Ragazzi, CJ Madison and Mason Wyler on the sun-drenched deck of a boat in Miami's Biscayne Bay. As the sun beats down the three get horny before heading below deck for some hard fucking before returning up top to carry on the fun. Roman's the guy who takes most cock up his arse and boy does he take it!

*Starring: Daniel, Collin O'Neal, Lucas Andradez, Igor Bad, Robert Brankov, Aitor Crash, Dennis D'Nello, Leo Rocca, Pablo Santana, Fabio.*

**THE CAPITAL OF SPAIN, MADRID IS A VIBRANT CITY FULL OF BEAUTIFUL HISTORIC BUILDINGS, OH, AND SOME VERY SEXY MEN. COLLIN O'NEAL'S BEEN IN TOWN TO SAMPLE THE LOCAL DELIGHTS AND, JUDGING BY THE BEAUTIFUL MEN HE ENCOUNTERED ON HIS TRAVELS, WE'RE SURE HE WASN'T DISAPPOINTED.**

Scene one and Collin has lost his way on the streets of Madrid. He asks directions from Lucas Andradez, a shaven-headed muscle-bound hunk who, instead of pointing Collin in the right direction, takes him back to his apartment. Before you can say 'buenos días' the guys are stripped off and Lucas is on his knees, back arched and offering his perfectly round bubble butt up to Collin. The locals certainly appear very accommodating and Collin, embracing the local hospitality, rogers Lucas like a true Brit. Aitor Crash and Dennis D'Nello invite ripped Brazilian Igor Bad to join them for a fuck session in scene two and when he arrives Igor has no idea of the intense fuck he's about to walk in to! Igor starts on his knees with both guys pawing at his tight hole, eager to fuck him, before they head to the bedroom where Aitor and Dennis take it in turns fucking the sexy little pocket rocket. Real life Spanish boyfriends Daniel and Fabio make out on a sun-drenched Madrid rooftop ahead of a testosterone-fuelled fuck between sexy hunks Leo Rocca and Pablo Santana. It's said that the guys had never met before they had sex together on film, so whoever paired these two deserves a medal as the sex is electric. In scene five, Collin has an alfresco fuck with smooth muscle boy Robert Brankov. Robert's got an arse that's just begging to be pounded and so Collin obliges again and again. Don't miss Collin and hot Cuban Tito in the shower in the 'bonus scene' – it's worth hanging out for.

IN THIS VERY COLD AND SNOWY WINTER CHANNEL 1 RELEASING AND CHI CHI LARUE COULD NOT HAVE CHOSEN A BETTER TIME LIKE NOW TO TREAT US WITH THEIR NEW RELEASE 'SUN SOAKED', A PERFECT SUNNY HOLIDAY DVD WITH NINE FUCK STUDS TO DROOL OVER... THE PERFECT VACATION FOR MOST OF US GAY MEN!

## CHANNEL 1 RELEASING PRESENTS A RASCAL VIDEO PRODUCTION

# CHI CHI LARUE'S Sun Soaked

Starring: Johnny Castle, Danny Arnez, Eddie Diaz, Johnny Hazzard, Justin Riddick, Max Blue, Tommy Blade, Tyler Riggz, Tyler Saint.

First out is Johnny Castle in a solo performance in tight red swimming trunks, stroking his semi-hard perfectly shaped cock. Face it - the only reason to kick this hunk out of bed would be to fuck him on the floor. Tyler Riggz is touching himself by the pool in front of twinkish looking Max Blue and it doesn't take long before Max find himself with Tyler's cock shoved down his throat. Luckily for Max, Tyler can't control himself and starts fingering Max's arse before returning the favour by giving him head. After loosening up Max's arse with his tongue, Tyler has the pleasure of ramming his hard cock up Max's hot butt before shooting a big hot load all over his face. Scene three gives us Danny "Peeping Tom" Arnez lusting over Eddie Diaz through the window who's having a wank on the sofa. Danny enters the house and gets down on his knees to take Eddie's rock hard black cock in his mouth. After some kissing, mutual cock sucking and rimming, Danny finds himself on his back having Eddie's dick slammed up his hole. The camera turns to Tommy Blade floating by on a pool raft whilst being cruised by Justin Riddick. Tommy climbs out of the pool and starts sucking Justin's cock and, to make him moan louder, covers his arse with spit before he starting to tongue fuck Justin's hole. He pays Tommy back by ramming his dick up Tommy's arse for some serious pounding before they both shoot their loads. Johnny Hazzard finds mega-hung Tyler Saint and Tyler Riggz going at it, joins them and all three take turns swallowing each other's dicks. Johnny probably can't believe his luck when both Tylers take turn fucking both his arse and mouth with their big dongs at the same time. This is one hell of a sexy spit roasting scene that ends with Johnny getting his chest covered in spunk including his own.

have to wait long before two young cellmates are carted off to the prison doctor for a full - and we mean FULL - medical examination! It all starts pretty innocently with one of the lads stripped down to his jockstrap, bent over with the sexy doctor probing his hole with his lubed, gloved finger. But you know that this is going to be no ordinary medical examination when, all of a sudden, the camera cuts to the lad who's now on his knees, arse pushed up with the doctor sliding a dildo in and out. His mate's getting horny watching and joins in, spreading the lad's cheeks so that the doctor can get the dildo in even further. It soon leads to a suck and fuck session resulting in one of the lad's arse cheeks reddened by a leather paddle and hot candle wax. Scene two, and a sexy officer is interrogating a bad lad who refuses to grass on his mates. When the officer realises that his prisoner is getting turned on he orders him to get down and lick his feet. The lad obliges, licking the officer's toes before being bent over for a good hard spanking. Two horny cellmates take out their frustration on each other in scene three and fuck each other's arses. As one cums on the other's hole, we're treated to a hot close-up camera shot of him lapping up his own spunk from his mate's twitching hole. The final scene sees a tough-guy officer reprimanding two cute young runaways. Their punishment? First they have to suck each other's cocks and then the officer's. But it's not just his cock that the officer wants attention given to and he forces the lads to rim his hairy hole too before fucking them both... Who'd have thought that doing time for bad behavior would be so much fun!

# LATINO HEAT

CURRENT ECONOMICS ARE CLEARLY DRIVING THE PORN INDUSTRY RIGHT NOW. WHEREAS, ONCE WE WOULD FLY AN ENTIRE CAST INTO THE U.K. TO PERFORM IN A MOVIE, NOW THE MATHS DICTATE THAT IT'S CHEAPER JUST TO FLY THE DIRECTOR AND HIS CAMERA TO WHERE EVER THE MAJORITY COMES FROM! SO A WEEK IN SOUTH AMERICA WAS NOT SOMETHING TO BE SNIFFED AT WHEN TROJAN ROCK ASKED ME - FRESH FROM COMPLETING MY LATEST BULLDOGXXX FILM - TO SHOOT HIS NEXT MOVIE. CALLED, 'LATINO HEAT', PART OF THE NEWLY ESTABLISHED 'TROY' RANGE, THE MOVIE FOLLOWS ON FROM 'ISLAND HEAT', SHOT IN GRAN CANARIA BACK IN GOOD OLD PROSPEROUS 2008. BUT WITH LATINO HEAT, CLEARLY I'D BE HEADING MUCH FURTHER DOWN INTO THE SOUTHERN HEMISPHERE THAN THE YUMBO CENTRE.

## MONDAY

Heathrow's Terminal Five is an ostentatious waste of space and I'm looking for the Virgin Atlantic girls striding through, tossing their tits and hair to a Frankie Goes To Hollywood soundtrack - but that's just my imagination. I'm busy in my head thinking of my cover story, if asked, why I'm taking filming equipment and a sack of ID lubricant into South America at customs.

No crumpet on the plane apart from a trolley dolly from Manchester with a leather tan and a 1980's mullet. Twelve hours later and I meet Trojan at his humble shack in the favelas (not) at Ipanema in Rio de Janeiro, and we start planning the shoot in Argentina. I don't get to see much of the city (or the boys on the beach) as it's torrential rain every fucking day! Also I'm warned of wandering around too much because of crime and shootings in the streets outside. What's the big deal? I live in Peckham for fuck's sake!

## TUESDAY

Having missed our flight to Buenos Aires, due to bad weather and Rio's streets flooding, we finally arrive at a villa location in the town of Moreno, an hour outside of Buenos Aires. Although it's rustic and picturesque, the villa is sparse, basic and has a few cockroaches. Trojan grumbles and starts talking of a refund but a dip in the pool, a cold beer and the arrival of the models soothes his mood.

## WEDNESDAY

Trojan has hired mostly local Argentinean totty for the movie and he's got some real mouth-watering eye candy for Latino Heat! Pedro Andreas and Daniel Marvin, who' featured in the other Alphamale movie, 'Out In The Office' star again. These two guys surely were designed by the Gods on Mount Olympus and put on this earth to entertain us! We shoot a three-way in the morning, which sees Pedro shagging Diego Santos and Bruno Bordas in the villa entrance. But the heat is daunting with local dogs pestering us to escape the shade, licking the boys' feet as they try to fuck and then flies start to land in some sticky and very unwanted places!

## THURSDAY

Newcomer Juan Blas is jaw-droppingly sexy! He's sure to be our cover boy! Young, lean, with a body and come-to-bed smile to die for. It's hard to keep my exposure and focus sharp as Daniel Marvin eats his ass like its honey and strawberry ice cream... concentrate on the job at hand Maxwell! Muscle hunk Daniel fucks the lad's arse like a rhino on heat and he sprays a wave of hot, porridge-like cum over the lad's cheeks in the climax! I wipe my brow and fix myself a stiff Pimms to bring me down from the experience. Juan's friendly neighbour, the lovely Maggie, was hired to be our cook and housekeeper for the week and his father was hired as the production driver. They often hang around the set and it feels a bit odd at first to have all these humble middle age heteros around, but they are sweet as apple pie and I have to give it to the Argentinean's... they're certainly open-minded!

## FRIDAY

Lisandro Silver is an archetypal South American hunk who's willing to give his ass to 'gay for pay' Paul who, of course we all whisper and suspect, is really gay given that his cock is instantly ready and willing to fuck the peachy butt of Lisandro! Shame as I'm kind of hoping that this delicious 'straight' lad would have trouble getting it up and I'd have to - reluctantly - volunteer for fluffing.

## SATURDAY

I'm deep in the grounds, under the trees in the much needed shade, filming two young lads called German Rojas and Michael Amerika who add to the remit of the young, fresh, youthful cast which 'Troy' prides itself on. Trojan Rock is over by the pool filming Italian stallion Andreas wanking for the online members site Alphamalefuckers.com, although I must say that Trojan appears to be giving him more help than is actually needed to get that cum shot!

## SUNDAY

Back to Rio to chill out for a few days with a camera case full of fantastic footage - the shoot was well worth the trip south! The sun comes out! Just. Trojan and I sit on the beach. I suck on a coconut (and find something on the beach to really help me relax). The sun sets... Lovely! This is the Rio I came for. Although, little do I know that just twenty four hours later I'll be shovelling a foot of snow off my balcony in South London! For sure, I think I could get used to this new way of working.

Pedro Andreas and Andreas

TRIGA FILMS PRESENTS A DIRTY EMISSIONS PRODUCTION

# WHITE VAN MAN

DIRECTED BY JAMIE CARLYLE

Starring: Phil, Ricky, Niall, Craig, Archie, Adam, Kevin.

FANS KNOW THAT THERE'S A PARALLEL UNIVERSE CALLED TRIGALAND, POPULATED ENTIRELY BY BRITISH BRICKIES, HOUSEPAINTERS AND SIMILAR BITS OF ROUGH. ALTHOUGH THEY'RE SO BLOKEY THAT THEY MAKE DOMINIC LITTLEWOOD LOOK CAMP, THEY FUCK EACH OTHER LIKE DURACELL BUNNIES AND NEVER LOOK REMOTELY GAY-FOR-PAY. ON THE CONTRARY, ONE OF THE TASTIEST GEEZERS HERE, ADAM, SEEMS TO BE GAGGING FOR IT! WHITE VAN MAN IS TYPICAL TRIGA PORN WITH ROUGH MANSEX IN GRUBBY, HARSHLY LIT LOCATIONS. IF YOU WANT HOME-GROWN HOMO HUMMING WITH NO FRILLS, LOOK NO FURTHER.

AVAILABLE FROM  
[www.trigafilms.co.uk](http://www.trigafilms.co.uk)

Baldy bloke Phil picks up fit fella Ricky in the gents and soon they've got their knobs out in the cab of Phil's white van. "Get in the back, lad," says Phil. They grapple on a mattress. Ricky has a really nice body and a big tattoo on his back. He's clearly dying to get shagged so Phil stuffs it in. The action switches to a room being painted by Niall, a pretty little bitch with a pop star pout. Another baldy, Craig, arrives and then in come Phil and Ricky. Ricky and Niall fuck each other on a trestle table while the baldies wank and lap up cum. "Later that night," says a caption, "Niall is so fuckin' randy he has to toss himself off." He does it on a sofa, looking off-camera, and you just know he's watching straight porn. The next day Craig picks up "some dirty cunt with a video camera in his bedroom." The sex is shot with a first person camera and ends with the cameraman cumming

in Craig's face. "That was fuckin' awesome, mate," says Craig. Another day, another white van, and driver Archie gets out of his cab to follow passer-by Adam into Epping Forest for a bit of fondling and oral. In the back of the van, they strip off their trakkies and get down to it with real passion. "You like that, don't you, you fucking dirty boy," says Archie. And Adam does. "Give me that spunk!" he pleads. Archie takes Adam to his mate Kevin's place. Kevin looks like a site foreman. But if he put on a bit more muscle, he could enter for Mr Hoist. He and Archie fuck Adam's brains out then both cum in his face. It's the red hot scene of six hot ones. But the trouble with Triga Films is that you can't look at a football crowd without saying to yourself, "He'd be up for it. He'd be up for it..."

# indie boyz rock!

Created in 2007 to give guys a new genre in the British porn market, IndieBoyz teams up cute, young skinny twinks adorned with tattoos, funky hair and great style and lets them enjoy the kind of great sex Eurocreme is known for producing. Cut with rocking indie soundtracks, IndieBoyz gives something slightly different to the normal scally/chav lads or muscular young studs around today.

## What did you do before you started directing porn?

I was actually a model and actor before I started working for Eurocreme. I did catwalk and fashion shoots whilst modeling and did several TV commercials and bit parts in a couple of movies. I'm sure they will come back to haunt me! At the same time I worked on the bar at one of the West End theatres for a steady income.

## When and why did you decide to get into the industry?

I was having a dry spell with modeling work and received a message from Eurocreme asking me if I could do some post production work for them. I thought it was a joke! This was about two years ago now.

## Do have a partner? If so, how does he feel about you being surrounded by gorgeous naked men all day?

Ha ha, no I'm single... Have been for my entire time at Eurocreme. I have been on dates but the other guy always feels intimidated when I tell them what I do. I think I understand how they feel as it's not your typical job. I always get asked the same three questions...

1. Have you ever been in one yourself?

2. Do you get hard and join in?

3. What does your family think of what you do?

Answers = No, no and they don't know ;)

## How do you find the guys for your movies? Have you ever approached a guy on the street?

They either apply via our website or we scout them via networking sites. Sometimes if I'm stuck I ask friends if

they know anyone who would be interested. I can't say I've ever scouted a new model in the street - perhaps they might start coming up to me now!!

## So, what does the casting process involve?

If a guy applies we ask for them to fill in a form detailing things about themselves such as age, height, likes, dislikes, as age, height, etc. We also ask

for pictures of face, body and cock. You would be surprised at how many don't like sending cock pictures. Strange considering they are applying to be in a porno! Once that

has been done I try to pair them up with a model they like. If they're a bit nervous or just want to see if they can go through with it I shoot a solo (jerk off) scene with them. If they're more confident I put them into a scene.

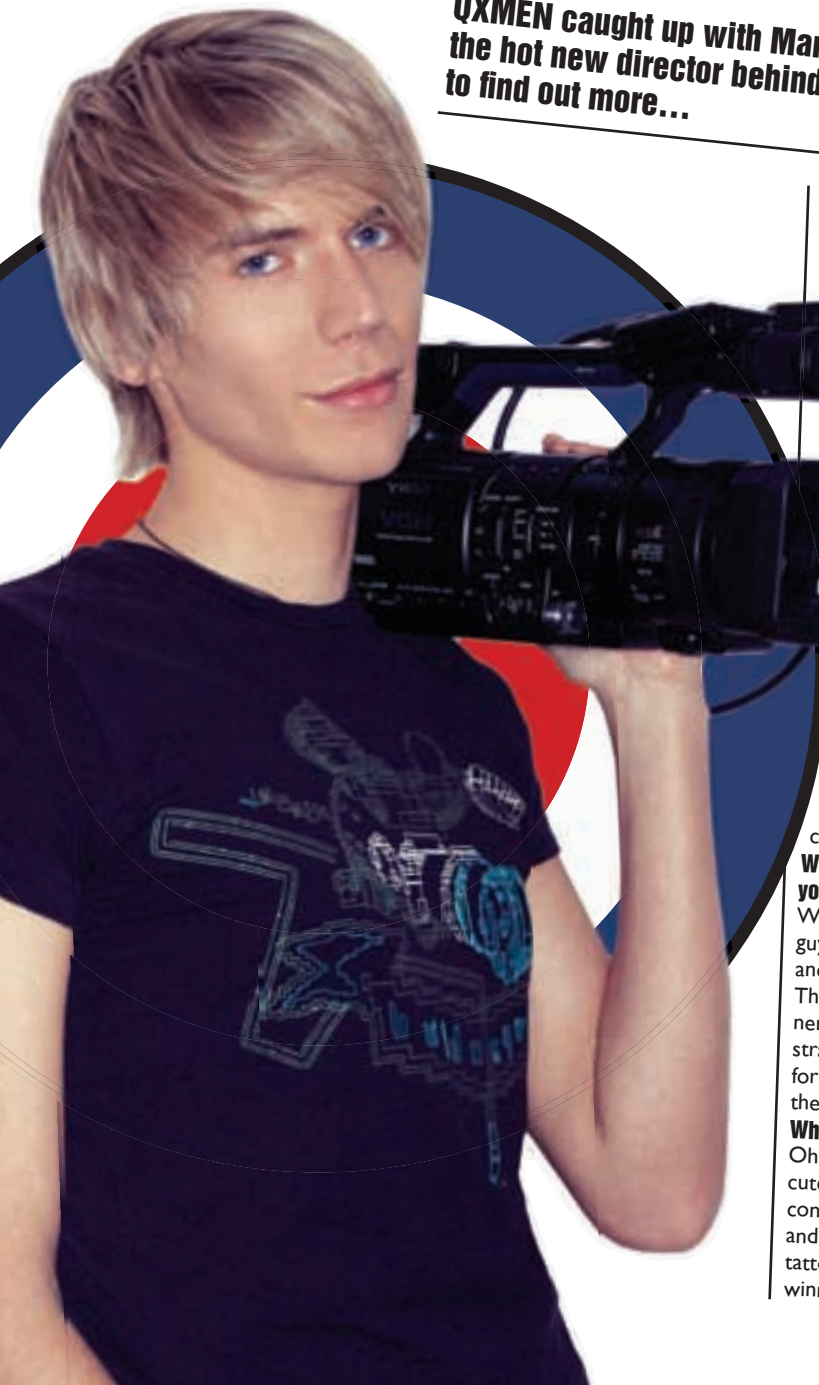

## What do you look for when you cast your movies?

Would it be obvious if I said cute, hot guys? I like guys who are confident and sound excited about the shoot. There's nothing worse than a really nervous person applying. You can tell straight away that they aren't right for the job, and probably won't enjoy the experience.

## What makes the perfect Indie Boy?

Oh, a perfect Indie boy? Well a cute face, nice firm body, outgoing, confident, fun to work with... Oh and a big sexy cock of course... tattoos and funky hair is always a winner... this is porn after all!

**What happens if you get a really stunning guy auditioning for you, but he can't act for toffee?**

We don't really base our castings on acting. It would be ideal if the guy was great at both. But if they really can't act it just adds charm to the cheesy porn dialogue we all love ;)

**What makes an Indie Boyz movie stand out from the rest?**

On the shelves or the movies themselves? The covers are brighter and generally more striking than other titles out there. The soundtrack plays a big part in the films and of course the look of the models themselves.

**We've heard that you're planning to modify the look of the next Indie Boyz movie to make it more hardcore? How are you going to do this?**

I've been following a pretty standard system for the films so far but now I want to make this series more my own. I've been doing a lot of thinking and we've come up with different and exciting ideas for the next one and the ones that follow. I'm not going to give anything away, however, I'm really looking forward to shooting the next movie and I think it will be awesome!

Be prepared for something not seen in the Indieboyz range before.

**Any porn stars you'd like to work with?**

Haven't we worked with them all by now?! I would quite like so get a couple of American guys into my films. I have a couple in mind, but that would be telling. Everyone likes a hot fresh new face as well, so it's getting a good balance of both.

**If you could get any Hollywood actor to star in one of your movies, who would it be and why?**

Well... don't you think Zac Efron would make a super hot Indie boy? Him or Robert Pattison. Wow if I could cast them I would be in the money! A scene together maybe, who would be active and who would be passive? Now there's a thought...

**Favourite porn film of all time?**

Well, before I worked for Eurocreme I didn't really watch porn. Out of the stuff I have seen here in the office I like the 'SpyBoy' films from our Dreamboy series. I love those whacky storylines!

**It must be hard not to get turned on on set... What do you do if you get a stiffy while you're filming?**

Believe it or not I'm so used to being in a room with a cast of naked guys I hardly notice the nakedness anymore. There are plenty of technical things to think about and make sure everything looks good. I prefer to let the viewers get hard than myself.

**What's the funniest thing that's happened on set?**

There's always something going wrong which makes us laugh. The best one was when a squirrel jumped through an open window while I was filming a threesome scene for Indieboyz 5. It looked at

us all there and jumped back out again! Then 30 minutes later a swarm of bees invaded the house we were filming in (turns out there was a nest in the bathroom), the landlord burst in unannounced with a bee man and we all had to hide in one of the bedrooms while the place was being sprayed with bee killer! These things only ever happen to me I swear!

**What advice would you give to someone looking to work in the industry?**

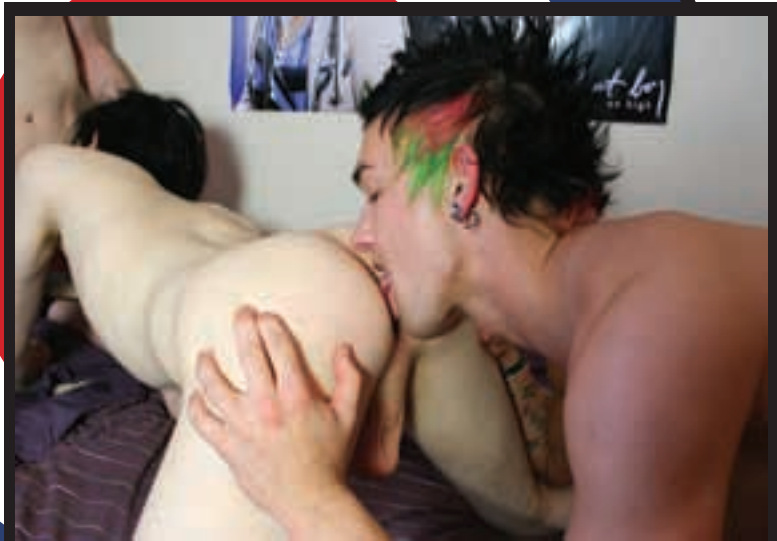

The best advice is to be confident and sure this is what you want to do. It's great fun and with the right company it's even better. Go for the more well-known brands as some companies out there aren't as professional as they should be.

**Where do you see yourself in ten years time?**

Running a porn empire! But seriously, I would like to work on more mainstream films, either editing or directing. The type of film that you could show your Mother on a Sunday afternoon and not blush about!

**"I can't say I've ever scouted a new model in the street - perhaps they might start coming up to me now!!"**

Starring: Tristan Dean, Jordan Jay, Alex Stevens, Jake Adams, Sam Bishop, Maxxie Tyler, Josh Barnett, Johan Volny.

**WE LOVE WATCHING THE INCREASING NUMBER OF SEXY BOYS AROUND TOWN IN SKINNY JEANS AND TIES, STRIPEY T-SHIRTS AND CONVERSE TRAINERS. AND IT SEEMS MANY OF YOU DO TO AS EUROCREME UNLEASH THEIR SIXTH INSTALLMENT OF CUTE YOUNG INDIE BOYS. LET'S GET FUKK'D!**

In scene one, smooth and sexy Matt writhes his young, lean body as he works his delicious dick in his hands, teasing his nipples before spunking on his super toned abs. Scene two sees Alex Stevens, ripped with muscles and adorned with his sexy tats, give his long haired lover Jordan Jay the fucking of his life. Alex decides to ram it up Jordan's pert behind, getting him to ride atop. He furiously slams his shaft home, keeping Jordan bouncing incessantly and grinning like he's just won the lottery. Skinhead Jake takes the early lead in scene three's threesome fuckfest. Blond boy Sam works on bottom lad Maxxie, covered in tattoos and with a great face and dick to match. Spit roasting the cock hungry lad, Sam slams into his ass as Jake gets his throbbing hard dick serviced by Maxxie's hungry mouth. Cover model Ray and blond stunner Jamie get to work on one another in scene four, tasting each others dribbling dicks, which proves too much for Jamie as he jumps straight atop Ray for the ride of his life. Check out Ray's suckable balls and mouthwateringly thick shaft – Jamie obviously has an eye on 'Bottom of the Year' award at this year's porn Oscars as he does a 180 spin with Ray still inside him – we're sure the Academy will be impressed. Finally Czech superstud Johan is in town with hunky Josh. Tattooed all down one arm, Josh is soon on his knees with a rock hard Johan - 8 inches - pulsating and ready for action. Both boys are soon sweating with sheer sexual energy and Josh is literally gushing with precum. These rocker fuckers sure know how to entertain!

# MIR HOIST 2009

PHOTOS BY CHRIS JEPSON

**SATURDAY JANUARY 31ST SAW TEN SEXY HUNKS TAKE TO THE STAGE FOR THE ANNUAL MR HOIST COMPETITION AT EUROPE'S LARGEST DRESS CODE VENUE IN VAUXHALL, LONDON. AS WITH EVERY YEAR, THE HOIST WAS FULL TO CAPACITY FOR WHAT'S BECOME ONE OF THE HOTTEST LEATHER EVENTS IN THE U.K. THE NIGHT'S PROCEEDINGS WERE COMPERED BY KURT STRIEGLER AND LAST YEAR'S WINNER, SEXY RUSS WOOLMORE, ANNOUNCED HIS SUCCESSOR, STEVEN DWYER FROM LONDON, WHO WAS CROWNED MR HOIST 2009.**

All the contestants received a goodie bag and Guy Irwin, owner of the bar, told us, "All the guys who took part this year were stunning contestants and the audience had a tough time deciding who to vote for." Speaking of his win, Steven said, "I'm very grateful to the audience for their vote of confidence and tremendously excited about the opportunities this might bring... I'm still a bit stunned but very, very happy." Steven's first official function will be to co-host The Hoist's 14th Birthday celebrations later this month on Saturday March 28th.

**HARD ON: 31/01/2009**  
@ Hidden, 100 Tinworth St, Vauxhall, London SE11

QXMEN was at London's only mixed gay fetish club Hard On in January and the club was packed to the rafters with horny guys in leather, skinheads, rubber sex pigs, guys in jocks and boots and some daring exhibitionists in just their boots! To delight the punters, two Italian studs called FunBoys put on a very sexy show and whipped the whole club into a frenzy. Hifi Sean, Brent Nicholls and Simon Wallis playing dirty progressive tribal tunes in the blue cruise room while for those who like it a bit harder and faster special guest DJ, Parisian David Judge joined Hard On's DJs Hugo'sland and Halo-is. There was more sex and sleaze than you could shake a stick at as guys made full use of the large playroom, the upstairs cruise balcony and intimate chill out areas. While some braved the elements outside in the heated private outdoor deck for a smoke or just to cruise.

Hard On's a members only club, however members can take two guests. Entry for members is £15 and £20 for guests. Membership forms available from gay fetish outlets and the website. Strict dress code: Rubber, leather, uniforms, skin gear or just boots. No plain jeans or trainers. [www.hardonclub.co.uk](http://www.hardonclub.co.uk)

Next event: Saturday 28th March.

**RUT: 30/01/2009**  
@ The Hoist, Arches 47B & 47C  
South Lambeth Rd, Vauxhall, London, SW8

The heady smell of leather and rubber filled the air in The Hoist, London's hottest dress code bar, at the end of January for the welcome return of Rut. Both of The Hoist's cavernous arches were rammed with horny up-for-it guys for the second outing of London's newest dress code night. No ordinary run-of-the-mill dress code night, Rut's aimed squarely at serious leather and rubber lovers, and there was no shortage of sexy young guys kitted out in buffed leathers and shiny rubber. A horny soundtrack supplied by Jack Chang added to the heady atmosphere as guys cruised and explored the play spaces and dark corners of The Hoist. Us boys at QXMEN have already chosen our leather and rubber outfits for our next visit to this welcome addition to London's fetish scene.

Strict dress code: Leather and rubber only. No jeans (except under chaps), no combats, no skin gear, no naked, no trainers, no uniform, no sports kit, no fashion leather. [www.rut.me.uk](http://www.rut.me.uk)

Next event: Friday 27th March - 10:30pm to 5am - Entry: £10

The guys from Recon - the world's largest fetish personals and chat site for gay men - hosted their second annual 'strict dress-code' rubber night at London's Union at the end of last month and there was no shortage of horny guys in attendance. The perverted and the creative types were encouraged to don their horniest and sleaziest rubber and latex gear and they certainly didn't disappoint with sleazy rubber sex pigs rubbing shoulders with sexy, young latex fashionistas. With newly bought equipment, one of the largest playrooms in London and lots of dark intimate spaces, there was plenty to keep the rubber and latex lovers entertained including a couple of rather pervy stage shows. Those guys at Recon sure know how to pull off a party and QXMEN will be squeezing into a tight latex number for the next rubber sleaze-fest.

# WHEN PORN XXXS OVER TO

interview

# FICTION

**THIS MONTH SEES THE RELEASE OF 'BOYS ON FILM' FROM PEGCADILLO PICTURES WHICH FEATURES THE LATEST AND HOTTEST GAY SHORT MOVIES FROM THE UK. BUT ON CLOSER INSPECTION OF ONE OF THE FILMS, VGL-HUNG! - YOU COULD BE MISTAKEN FOR THINKING IT LOOKS A LITTLE FAMILIAR TO SOMETHING IN YOUR PORN COLLECTION. THE SHORT MOVIE IS A COMEDY-DRAMA SPIN-OFF, SHOT ON THE BACK OF THE BULLDOGXXX RELEASE, HUNG! AND FEATURES ALL THE SEXIEST GUYS FROM THE PORN FILM AS CHARACTERS IN THE MOVIE. SO, WHERE DOES PORN MEET ART AND ART MEET PORN WE WONDERED? AND CAN THERE BE A CROSS OVER WITH DRAMA AND HARD-CORE SEX?**

**QX MEN SPOKE TO THE AUTEUR AND CREATOR OF BOTH MOVIES, OUR VERY OWN Maxwell B.**

### So Max, why do this spin off?

It was just intended as a bit of fun as a DVD extra and something to raise the profiles of the porn stars. But it snowballed in to something bigger and now, over 20 international film festivals later, we have a commercial DVD release in the UK as well as distribution deals in the USA and Europe.

**How could you make the jump from porn to narrative fiction and pull it off well?**  
We got Simon Booth on board as director of photography who makes the Dream Boys, Rude Boiz and Hung Ladz films. He's a very good cinematographer so we had a very good looking and well shot movie. I'd trained at Film School and been producing TV shows for ten years so it wasn't a huge leap of faith.

**How does the porn and the drama cross over in the short? Is there still sex in it?**  
Sure! It has sex, drugs, bad language, violence - everything short of Stephen Fry being in it! Essentially it's a story about online dating - or shagging more like! It's a Cinderella-style fantasy about a rather average guy who discovers a magic website that can give him the hunky body he desires in order to pull as many men as he can - which is where our cast of porn stars come in. But, of course, there is a moral to the story and it has a lot of subtext about the body and sex-obsessed society we live in and the perils of convenience sex that the Internet has given us.

### Tell us more about the sex in both versions and how you juggled that for each version?

The fiction script was written around the locations and the cast that we had available, so essentially we shot the hard version during the day - which is scenes of guys meeting on line and fucking at each others houses. Then we'd shoot a much more soft footage afterwards and bring in the professional actors for the other roles in the movie and to fill out the story.

### How did the real actors react to the porn elements of the film?

We needed some professional cast in the film to carry off the supporting roles and address the story convincingly. Although the porn stars look good and can do some acting, I didn't want to be too demanding and expect them to carry off Oscar winning performances so we got some pros in. During auditions some of them were a bit wary of the whole porn connection but, to be honest, most of the actors we saw were intrigued by the idea we were shooting a film back-to-back with the naughty version. Naturally we scheduled it so

they weren't on set when the hard-core fucking was taking place... but they were welcome to come and watch if they wanted!

### So can mainstream fiction and porn cross over?

Sure it can... And we've proved it with this film. It's not the first time it's been done. 'Destricted' was a collection of short films made by well-known artists, designed to cross the boundaries with sex and film. It was shown at Cannes and Sundance and is really hard core stuff! We had Michael Winterbottom's 'Nine Songs' which was the most pornographic film ever passed by the BBFC and Cazzo did a spin off movie set in a prison called 'Lock Up' - but frankly, the porn version was more stimulating in all departments.

### So should we watch the porn version or the film version? Which has more sex?

Watch both if you can! Of course, 'Hung!' the porn version is real hardcore and we have a really sexy cast like Jake Ryder, Ashley Ryder, Elixir and Darren Robbins. I'd say the short story in the 'Boys On Film' compilation is more erotic and fun but it's a very entertaining adventure with lots of eye candy and a poignant little ending I think.

### Is it true there is a really shocking uncut version of 'Hung!' only available in Europe?

Don't you want to hear more about 'VGL-Hung'?

### No, you know we like more sleaze here!

Sure that's true (laughs). If we have Ashley Ryder in the cast then

what do you expect? That guy has a most accommodating rectum, shall we say! Stephen Hawking is still baffled at why there is more room on the inside than on the outside! You can track down the harder version online at [www.eurocremedvd.com](http://www.eurocremedvd.com) if you really wanted to know.

### So will you do another porn film spin off?

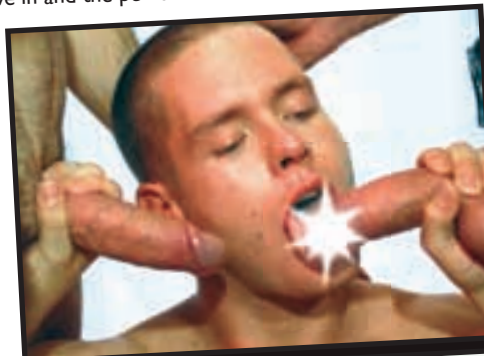

Absolutely! With the success of VGL-Hung! I think I'll do them on a more regular basis. I'm actually shooting one with Alphamalemedia right now which will be a film tie in from their 'Out On' series which will be filmed in Peckham and Rio in South America! It's gritty and glossy stuff!

### What kind of sex can we expect in both versions?

The R18 version will, of course, be bursting with hot, muscle talent as that's what the studio excels in. The film spin off, provisionally called 'Dirty Bent Bastards' will be a little more kinky, twisted and fetish shall we say...

### Is it true Trojan Rock will star in his first acting role?

He will for sure! Trojan is quite a good actor. He'll play a gangster brought back to London from Rio to do one last job as a hit man. But there's a nasty gay twist in the story of course - lots of hunky, naked men and lots of sex naturally!

## KEEP YOUR PANTS ON!

Underwear is rarely out of sight in the glossy ads, be it Beckham and his 'golden balls' or sexy Calvin Klein hunks. Well, [www.Brieflads.com](http://www.Brieflads.com) is a site that takes the sexy male underwear ad to the next level, so QXMEN took a peek inside its waistband to see what's on offer. Brieflads' motto is "the best surprises come nicely wrapped", and that's what it's all about - hot guys, nice packages, with the goods slowly revealed. Many sites promise underwear content, but all too

often the pants are down and off before you get a proper look at them. At Brieflads, they promise to keep their pants on, at least partially, for longer. It's all about a slow revelation, nicely arranged bulges and lines, a glimpse of flesh here and there, maybe even the odd damp patch as the models get horny. Not to say that the guys don't get down to full sex - they do - but the underwear often plays a part here too, getting their fair share of attention (and spunk). The aim at Brieflads.com is that the underwear and the guys get equal billing. And the men? A good mixture, from cute twinks to toned twenty somethings, with a few beefier older guys there too. We love the site, and we'll be watching them grow - in all senses!

## Hayden Harris

22/6'0/5tr8/7.5

Hayden is a very fit bodied lad with sparkling blue eyes and a blond mop of hair. Once you see him shirtless you can admire his tanned, muscular and perfectly defined body with a light dusting of blond hairs. He is a former Mr Liverpool and for his first shoot this str8 hunk is very laid back. He enjoys being photographed never saw himself doing porn but if lads want to look at him taking a walk, he is cool with that.

# DA YA THINK I'M SEXY?

**(EXHIBITIONISM PART 1)**

**MODESTY** MAY BE ONE OF THE DAFTEST HUMAN AFFECTIONS. BUT WE ALL HAVE IT TO SOME DEGREE. THE QUESTION IS WHY? AS WITH SO MANY THINGS, IT STARTED OFF AS A GOOD IDEA. WHEN PREHISTORIC MAN FIRST BEGAN USING TOOLS TO CUT AND CHOP, HE DIDN'T WANT ACCIDENTALLY TO DAMAGE HIS REPRODUCTIVE ORGANS. SO HE COVERED THEM UP. THEN SOMEBODY DECIDED THAT REPRODUCTIVE ORGANS WERE NOT JUST IMPORTANT BUT RUDE. CONSEQUENTLY THEY COULD NEVER BE SEEN UNDER ANY CIRCUMSTANCES BUT ESPECIALLY NOT WHEN THEY WERE BEING USED!

## THE GO-GO BOY

You probably know the smiling face and magnificently pumped-up torso of Bambam from Rio de Janeiro. In the 16 months since he arrived in London, he's become the face and body of gay clubland. He's in the gay press almost every week, gyrating in Speedos. He never gets tired of looking at himself. "Yes, of course. This is good," he tells me. "When I open the magazines, I say, 'Oh, my God! I'm here again!'"

WELL, OBVIOUSLY WE ALL AGREE THAT THIS IS DAFT. THERE'S NOTHING WE LIKE BETTER THAN A NICE BIG, REPRODUCTIVE ORGAN IN ACTION. BUT HARDLY ANY OF US WOULD GET UP ON A STAGE OR IN FRONT OF A CAMERA AND SHOW OURS TO STRANGERS. IT'S CALLED MODESTY. CONSEQUENTLY THE TINY MINORITY OF GUYS WILLING TO MAKE THEIR PRIVATES PUBLIC, AND SOMETIMES USE THEM, EARN BIG MONEY. BUT WAIT A MINUTE. HOW COME THESE GUYS CAN TAKE OFF THEIR CLOTHES IN FRONT OF OTHERS AND WE CAN'T? THIS MONTH THAT'S WHAT I WANTED TO FIND OUT!

Bambam, who's 23, loves his job. "If I hear music, I'm gonna dance, you know? It's because of the feeling inside me." But does he dance when no one's looking? "Yes, I dance in my house by myself all the time. You have no idea. I'm crazy about dance music." When he was 17 and dancing in the street during the Rio Carnaval, a woman said to him, "Oh, my God! You dance very well." She owned a club and he began dancing there. Then he married her and they had a daughter, now aged 3. Then they split up. But Bambam kept dancing. "I meet one guy and he said to me the same thing my wife said to me. He said to me, 'You need to come to London.' And I said, 'How? Too expensive.' He said, 'You wanna come to London?' I said, 'Yes.' I was asleep. When I wake up, I was in London."

As soon as he got off the plane, he went straight to London's biggest dance club, Heaven. He still dances there. At some gigs he also strips. "Stripping is the best thing," says Bambam. Why? "You can get more money. You can show you have the best body." Bambam knows he looks good. "To be honest with you, my body is perfect, yeah? But when I was in Brazil, it was better. I was married. I have someone look after me. Now I'm by myself, I'm a little bit lazy. That's life." When Bambam started stripping, he was nervous, not for the reason we'd be nervous, but because another stripper was using the moves Bambam had planned. "I can't do the same. I need to make different," he says. He likes to be creative.

Although Bambam eventually agreed to meet me for our interview (in McDonald's), initially he refused, saying he was shy. "Yeah, because I thought we were gonna talk about like things about sex." Well, since he's mentioned it, Bambam has in fact been filmed having sex for Chris Geary's website. "I never did sex, just like be sexy in front of the camera, wanking. But not sex." Wanking is OK? "Yeah, is OK." Why? "Good money." Did he enjoy wanking for Chris? "Yes. I mean, not for Chris. It's for the customers." Bambam just likes to put on a good show, whatever that entails.

But when it comes down to the nitty gritty of exhibitionism, customers looking at him and jerking off, he gets really bashful. After a long pause, he says, "I don't know what to say." Bambam is so sweet. Too sweet to be in this business. But aren't we glad he is?

## THE STRIPPER

One afternoon I went to see a gay play and didn't believe for one minute that the actors were having a relationship. Then in the evening I went to some sleazy basement and watched stripper College Boy pretend to fuck his partner. They were so passionate that I thought they must be a real-life couple. But they weren't. College Boy was just born to be an erotic performer. Afterwards I went backstage and found him still bollock naked. It helps that he has a humungous penis.

"I've always been an exhibitionist," he told me. He thinks he knows why. In his teens he was very hung up about being gay, worried about being shunned by heterosexual society. Now he does a job that involves heterosexual society – women at hen nights – literally flinging themselves at him. He got into the work through an amateur contest at the Inkerman Arms in Luton. A talent scout from another pub offered him a paying job. Most of his gigs are at hen nights. "But I'm a gay man and I prefer men. Women don't appreciate the subtleties. It's just 'Off! Off! Off!'"

Although he looks, when he's stripping, as though he's about to squirt, it's all an act. "It's a very strange thing to explain to people. Stripping itself isn't erotic for the performer because you're thinking of a thousand and one things. Can they see me? Am I in the light? I'm too far ahead of my music. But I do get an erotic buzz post-show if it's been successful. One man came up to me and said he was very close to shooting his load while he was watching. So that was a great compliment."

In his shows for gay fetish nights like London's Boot Camp and The Hoist, College Boy's job is to mount a podium and encourage the audience to get jiggy. Can he describe exactly what happened at a recent gig? "Yes, certainly. I took off my jock strap. I wasn't tied off. I brought myself to an erection and then invited the gentlemen watching to have a suck, which they did. I had my legs over my shoulders at one point and a couple of guys rimmed me, which was rather enjoyable. There were also some guys there who were particularly attractive and pretty well-endowed, which was nice. So I had a little suck. I didn't do anything penetrative with them, purely because it didn't come up. I had condoms and lube with me. I've got no problems with that. But it just didn't get that far."

**"I HAD MY LEGS OVER MY SHOULDERS AT ONE POINT AND A COUPLE OF GUYS RIMMED ME. WHICH WAS RATHER ENJOYABLE"**

If you haven't caught College Boy's live act, but think his face is familiar, maybe you saw him a couple of years back in the Channel 4 documentary, *Queer As Old Folk*. It detailed College Boy's relationship with Roger, a much older gentleman. They met in amateur dramatics and the friendship grew. They've now been together nine years. "I don't suppose," College Boy told me, "you could call it an entirely monogamous relationship because we have sex with other people. But it's always in a threesome or in a safe sex club." College Boy's love of showing off even spills into their private life. "If Roger and I are in a sauna, having sex with someone in the open area, and he says, 'Let's go to a cabin,' the idea of going behind a locked door is a bit of a turn-off."

# THE PORN STAR

When I wrote *The History of Body Hair for QXMen* last year, I asked if a picture of porn star Steve Cruz could be used. If your fantasy is a stocky guy with a hairy chest and a good-looking face that says, "I'll do anything," Steve has to be first choice. How did he come to spread his legs in more than 30 XXX movies? The bottom line is that he comes from San Francisco. "We west coasters tend to be open and free anyway, and San Francisco probably epitomises that culture. The summer of love happened here. Men definitely stare you down if they find you attractive. My previous boyfriend, who moved here, was shocked at how men would follow him on the street and make some innuendo with the eyebrows, that signal. I grew up here, maybe that's the way I am."

This heady atmosphere encouraged Steve to come out aged 14. He loved watching porn, and filmmakers wanted his body, but he said no and became a graphic artist and web designer. "I never wanted to get into porn. A lot of the porn companies are in this city. For me there wasn't this illusion that it was all sexy. I kind of knew what was happening behind the curtain and that it was more work than it seemed. So I didn't want to do it in my 20s. But later, as I grew up, I kind of figured, at 35 they're still asking me to do it? Maybe there's something to this? One day they're going to stop asking. So if I've got any curiosity I'd better take that opportunity now. It was the right time in my life."

"I KNEW I WAS LIBERAL, BUT I DIDN'T KNOW I ENJOYED PUTTING ON A SHOW UNTIL I DID MY FIRST MOVIE"

He wasn't wrong. "The first time I did it, it was a turn-on and I realised, wow! Maybe I could have done this ten years earlier and had a real fun time with it. The horror stories I was listening to weren't all true." Steve's first film was 'Lords of the Jungle' in 2006. "I was in Hawaii and that was an exciting thing and we were in the jungle. I've always found having sex outside really liberating. But to do it in paradise was an amazing experience. I was a little nervous at first because I wanted to do a really good job, but I got past that really quickly. The reaction on the set to my performance

showed me that I was a bit of a natural and that I had a knack for this work. It made me feel good that I could do it. I knew I was liberal, but I didn't know I enjoyed putting on a show until I did my first movie." Because exhibitionists don't have the checks and balances that hamper the rest of us, does that mean they don't have the dream we all have, the one where we realise we're naked in public? Steve seemed to be the person to ask. "I guess I have. It's about being in a situation and being exposed. I think, when I choose to take my clothes off in a bar or in a movie, I'm kind of in control of what image is being seen. I'm sure that, if you stripped me naked and threw me out in public against my will, I'd be pretty embarrassed. The dream is about being forced into a situation where it's uncomfortable to be naked. Just because I'm an exhibitionist, and take my clothes off for a living, and I'm probably more comfortable than most, there are still places and times when it's inappropriate."

Steve's contract with Raging Stallion Studios expires later this year and he's already making plans for the next stage of his career. Last year he directed his first film, 'Blue Movie'. He admits that in the distant future, his past may come back to haunt him, but not in a way that would cause him shame. "I don't think I will ever regret doing the movies because I learned something about myself and had so much fun," he tells me. "But as I grow older I may long to have my anonymity back. And people will always hold me up to the image I had when I was at my peak, and that may be difficult later in life." [www.stevacruzxxx.com](http://www.stevacruzxxx.com)

# AND THE AWARD FOR 'BEST CUM SHOT' GOES TO...

THE BAFTAS AND OSCARS HAVE BEEN AND GONE AND NOW IT'S TIME FOR THE AMERICAN GAY PORN INDUSTRY TO PAT EACH OTHER ON THE BACK AND HONOUR THOSE WHO'VE MADE THEIR MARK ON THE INDUSTRY OVER THE PAST YEAR.

Last month saw the 9th annual **Cybersocket Web Awards**, the only event of its kind to honour the best gay, lesbian, bisexual and transgender websites. The fabulous Chi Chi LaRue was Master of Ceremonies at the glittering event, held at Eleven Restaurant & Nightclub on Santa Monica Boulevard in West Hollywood, and assisting her were sexy 'trophy boys' Johnny Hazzard and Blake Riley. The awards recognise websites for their achievements in both 'Surfer Choice' and 'Industry Choice' categories and hats off this year to Channel 1 Releasing - the studio that gave us releases such as 'He Fucked My Father', 'Excess' and 'BlackBalled 6: Under The Hood' - who scooped Best Video Company Site in the Industry Choice Awards. HotHouse.com won the same accolade in the 'Surfer Choice' awards, with the public also voting RentBoy.com as Best Escort site. Flying the flag for Europe, Collin O'Neal's website was awarded Best Porn Star Site with BelAmiOnline.com received the Best European-Themed Adult Site. The event rivaled the glitz and glamour of any awards ceremony with gay porn A-listers Brent Everett, Steve Cruz, Lucas Kazan and Steven Scarborough amongst those who graced the red carpet.

At the **2009 XBIZ Awards**, the event which honours both the straight and gay adult entertainment industry, Titan Media scooped the GLBT Studio of the Year for the second year running. Raging Stallion Studios' 'To The Last Man' picked up two awards for GLBT Movie of the Year and GLBT Director of the Year going to Tony DiMarco, Ben Leon and Chris Ward, co-directors of the Western epic.

Supermodel Janice Dickinson, 'Ugly Betty' star Alec Malpa and comedienne Margaret Cho will co-host the 11th annual **GAYVN Awards** later this month at the Castro Theatre in San Francisco. The GAYVN's are the most respected and recognised awards in the American gay adult entertainment industry and, with no less than forty seven separate categories, they certainly cover all bases to ensure that no one goes home empty-handed. Whilst the Oscars hand out just twenty four awards in categories such as Best Actor, Best Supporting Actor and Best Director, the gay adult industry goes one further and celebrates achievements in such outstanding fields as Best Top, Best Bottom, Best Bear Film, Best Fetish Film, Best Sex Comedy (who knew?), Best Threesome, Best Duo, Best Cum Shot... the list is endless.

## GAYVN AWARDS

All the major studios have been nominated in categories across the board with Raging Stallion Studios leading the way with a total of 51 nominations, the most for any studio. Fourteen of the studio's movies are up for awards including the six hour epic, 'To The Last Man', undoubtedly the biggest gay porn film of the year, which has more nominations than any other release including Best Picture, Best Actor, Best Supporting Actor and Best Videography. Eleven of Titan Media's films and three of the studio's exclusive models have received a total of 39 nods, with eleven nominations going to 'Breakers', the first gay adult film to be released in Blu-ray™, and 'Home Invasion' up for six awards. In addition, Three TitanMen exclusive models have been singled out for their performances, with Tony Buff and Dean Flynn each receiving five nominations and Diesel Washington receiving four. Channel 1 Releasing received 30 nominations in twenty three categories including 'Blackballed 6: Under The Hood' up for Best All-Sex Film, Best Ethnic-Themed Film and Best Group Scene. Falcon Studios has 23 nominations, with five going to Steve Cruz and Leif Gobo's 'Blue Movie' and six to 'Best Men Parts I and II'. New York's Lucas Entertainment is up for 24 awards with 'Return to Fire Island' getting twelve nominations and Michael Lucas himself up for Best Top and Performer of the Year.

Hot House Entertainment has 17 nominations with 'Verboten 1 & 2' up for seven awards and 'Paging Dr. Finger' close behind with six. Athletic Model Guild, the world's longest continuously operating gay porn studio, received 16 nominations with the studio's hardcore brand, AMG Brasil, dominating the

2009 nominations for Latin studios with a total of fourteen GAYVN nods including Best Picture and Best Director for 'Rio'. In addition, the vintage brand, AMG Classics, also received two nominations; Best Classic DVD for 'Theatre Film Classics: Teacher's Pests' and Best Alternative Release for 'Wrestling Live 23'. COLT Studios is up for 15 awards with seven going to Buckshot Productions' 'Paradise Found' including Best Picture and Best Cum Shot. Keeping Europe firmly on the map, Bel Ami has 18 nominations. 'French Kiss' is up for four awards including Best Foreign Release with 'Lemonade' up for three including Best Cinematography.

**IN TODAY'S TOUGH ECONOMY, WITH UNEMPLOYMENT AT A RECORD HIGH, MORE AND MORE MEN ARE FINDING ALTERNATIVE WAYS TO MAKE ENDS MEET. RENTBOY.COM, THE WORLD'S LARGEST MALE ESCORT SITE, IS REPORTING A SURGE IN NEW MEN POSTING ADS TO LAUNCH THEIR CAREERS AS ESCORTS. QXMEN SPOKE WITH RENTBOY.COM'S SEAN VAN SANT, TO DISCUSS THE PHENOMENON OF SALESMEN-TURNED-RENTMEN AND ITS IMPACT ON THE ESCORT INDUSTRY.**

**When did you begin to notice the rise in men posting ads to become Rentboys?**

We had a huge spike in posts right after the new year. At first, we thought maybe men had resolved to try something new. Now we think that is probably about the same time that pink slips started being handed out.

**Why are unemployed men trying their luck at escorting?**

Why not? If you had to choose between working at Starbucks or being a Rentboy, which would you choose? Even in a recession, a stud is a valuable commodity.

**What will it take for society to regard the rentboy profession as legitimate?**

Generally, people who work in service industries - including waiters, masseurs and social workers - don't get the respect or pay they deserve. The best escorts are providing a service similar to a psychologist, but on a more intimate level. Not everyone can be a great escort. It requires social, physical and emotional skills to create a great experience for a client. A top rentboy, however, can make a lot of money. It's a lucrative job and there's certainly respect in that.

**What advice can you give to a guy who wants to be a successful Rentboy?** A successful Rentboy takes the time to think about what he does best and where his boundaries are. Every escort has something different to offer, whether it is beauty, conversation, massage skills... Escorts can be young, old, skinny, black, white, nerdy or feminine. Not every client is looking for a guy with the perfect male physique. There really is a market out there for every type.

**Rentboys used to hide their identities, but today, more and more are coming out of hiding.**

Escorts are learning that they can achieve a following if they publicise themselves. An escort or porn star can become a celebrity in the gay world by working the blogs, fag-rags, and gay websites. We've noticed that on Rentboy.com, an escort gets a lot more business if he reveals his face and shows some personality.

**For men who still have money and are considering hiring a Rentboy, what are some of the advantages of paying a guy for companionship?**

The gay world places unrealistic demands on all of us. In order to meet a guy, we all have to be the perfect twenty-something muscle boy. Well, we can't all be that person, and for those lucky enough to be it now, it doesn't last forever. An escort makes his client feel like he is the most important person in the world, and while it may only last for a few hours, it's important for all guys to experience physical contact and affection.

## POLICE ESCORT FOR PORN STARS - ALLEGEDLY

A Boston police officer has been put on desk duties for allegedly providing a police escort - with flashing blue lights and all guns blazing - to a nightclub for a pair of gay adult performers. The performers in questions were delicious Falcon Studios exclusives Aden Jaric and Jordan Jaric, gay porn's first monogamous real-life couple. The incident occurred last October but has only recently come to light after local newspapers and television stations got hold of the story. It's alleged that the manager of the club asked a police officer friend to pick the Jarics up from the airport and bring them to the club but, as it was not an authorised police escort, the officer is now under investigation for misusing police resources. The Jarics issued a statement on their blog that said, "We thought the police escort was standard procedure for the club that hired us. We had no idea this would turn into a local scandal. Since it was our first trip to Boston we just thought the escort was awesome Boston hospitality." You gotta love 'em.

Once you subscribe to the site you'll be dispatched your own pair of 3D glasses and you'll be ready to go. Speaking to XBIZ, the industry source website, Dominic Ford said "With the resurgence of 3D movies and television shows, we thought now was a great time to take our industry in a new direction. More than just being a gimmick, our 3D movies change the experience of watching adult films. It is like you are lying next to our stars. You can practically reach out and touch them." ## PORN LEGEND BOBBY BLAKE AT PROWLER SOHO

African American porn legend Bobby Blake was in London's Prowler Soho Store in last month to promote the release of his new book 'My Life in Porn'. Blake debuted in 1996 starring in 'Ebony Knight' and went on to star in over 75 movies, including several with Channel 1 Releasing, making him the most successful African American gay porn star of all time. Blake retired in 2001 and now counsels gay and bisexual men in his Methodist church. In 'My Life in Porn', Blake goes behind the scenes of the sex industry to reveal intimate stories, some sexy some disturbing, and he also shares his private spiritual struggle and the quest for love. Courtesy of Prowler, QXMEN has 2 signed copies of 'My Life in Porn' to give away. To be in with a chance just email your name and contact details to editorial@qxmen.com placing BOBBY BLAKE COMPETITION in the subject field, or post your answer to QXMEN, Bobby Blake Competition, 23 Denmark Street, London WC2H 8NH. The winners will be drawn at random. Entries to arrive by 31st March... Good luck!

## POLICE NOT TO ACTIVELY TARGET OFFENDERS OF EXTREME PORN LEGISLATION

Following the new Criminal Justice and Immigration Act relating to extreme pornography which came into effect on 26th January, police chiefs have admitted that officers will not actively target members of the public who own violent pornography. Police forces will receive no extra funding for implementing the ban and, therefore, it's not expected that they will not devote resources to search for people viewing extreme pornography. In fact, it's reported that the justice ministry expects only to see a small number of prosecutions a year under the new law, which carries a maximum three year jail sentence. In a statement to the press, Britain's Association of Chief Police Officers said, "The police will not be actively targeting members of the public but will be conducting investigations into the unlawful possession of this material where found."

## CHECK OUT WHY WE HAVE GIVEN YOU THREE NUMBERS INTO ONE SERVICE

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
