WELCOME... TO APRIL'S ROCK HARD ISSUE...

APRIL 2009

SPRING HAS SPRUNG AND WE'VE SEEN THE FIRST SIGNS THAT WINTER'S FINALLY OVER. AND THAT MEANS IT WON'T BE LONG BEFORE GUYS ON THE STREET ARE OUT OF THEIR WINTER CLOTHES AND SHOWING A BIT MORE FLESH. UNTIL THEN, HERE'S A GRATUITOUS DISPLAY OF HOT NAKED MEN TO KEEP YOU GOING...

DVD releases we've been forced to watch this month include **Frisbee** from AYOR Studios, Bel Ami's big little brother, which follows ten beautiful young boys on their summer holiday in the Czechoslovakian countryside. At the complete other end of the scale, Dark Alley Media invites us to their Alaskan oil refinery in the deliciously dirty **Crude**. It's one hell of a horny ride on Corolo's sex safari, **Wild Game**,

while back at home, no one was fired in Fresh SX Young's **The Apprentice 3** as they search for their new top porn star. Those hairy hunks at Alphamalemedia were flexing their muscles in **Out At The Gym** and the studio also took a trip to Argentina to search for **Latin Heat**, and the local totty they found were certainly hot! Last, but by no means least, those sexy scallies we just can't get enough of are back in Eurocreme's **Rudeboiz 12 - Gangbang Ladz... Shlurp!**

QXMEN bumped into an old friend, the man behind Crackstuffers, who make those blue dildos for guys who likes them a little larger than average. We also had a one-to-one with gorgeous dreamboat and TitanMen Exclusive Marco Blaze and also found out what hot young new cummer Philippe Delvaux's been up to - he's been a busy boy! We take a look at the new genre of gay adult entertainment, 'reality' porn, that's taking America by storm and bring you details of the decadent and debauched Hustlaball, which returns to London next month. We can't get enough of hot photographer Joe Oppedisano's outstanding new photo book *Uncensored* and love it so much that we used a couple of images from it for this month's cover and centrefold. QXMEN flexed its muscles, held its stomach in and went along to last month's Adonis Lounge, London's sexiest naked party for athletic, defined and muscular guys. There's been changes in the search for Europe's Next Gay Porn Star which you can read about and QXMEN's favourite sexpert, the gorgeous Haydon Bridge, brings us the concluding part of Exhibitionism and looks at why us Brits love getting our bits out on the Internet. Plus, of course, as well as all of that, we've got plenty of porn star gossip and industry news to get you rock hard... Enjoy!

Johnny Hazzard images courtesy Channel 1 Releasing

Hustlaball has come a long way from its humble beginnings as a one night party held in New York City back in 1998 and now cities including Los Angeles, New York, Las Vegas, Berlin and London all bring hustlers, hookers, pimps, streetwalkers, flesh-peddlers, porn stars and other scandalous sorts to the dance floor. Once again, the Queen of Porn, Chi Chi LaRue, will host the evening and the massive stages of the Renaissance Rooms will feature performances by over 30 hookers and porn superstars, including Damien Crosse, Mathew Rush and Johnny Hazzard. All stage shows will be choreographed and directed by legendary designer, art director, filmmaker, stylist and all-around shit kicker Nobleman, so you can forget the usual run-of-the-mill go-go boys and expect to see triple-X podium sex, pushing boundaries to the limit! Suzie Krueger returns to host the infamous Hard On room, sure to delight all fans of fetish, and with dark rooms, play spaces and awesome sound-and-lighting, there'll be plenty to keep party-goers occupied. QXMEN will be there on the night and we'll bring you details of all the decadent debauchery in June's issue.

THE BOY FROM BELGIUM DONE GOOD

EUROCREME'S PARTYBOY AS HE BEGAN HIS JOURNEY TO BECOME A SUCCESSFUL PORN STAR. NOW, WITH A FEW TITLES UNDER HIS BELT, WE CAUGHT UP WITH THE SEXY BOY TO SEE WHAT HE'S BEEN UP TO.

How old are you?

I'm 19 years old, born November 7th 1989.

Where were you born and where do you live now?

I was born in Antwerp, Belgium, a beautiful and historic city with nice people, and good gay clubs. I live now in the city where I was born, Antwerp, I love it here.

Are you top, bottom or versatile?

I'm versatile. Mostly I like to be bottom but I like to fuck also.

What position do you prefer to fuck a guy in?

I like to fuck doggie-style, but I prefer to show the guy every side of the room :o) in multiple positions.

And how do you like to get fucked?

I just like to follow the top and what he likes to do.

I can be very submissive and

I love to be fucked by a dominant type who tells me what to do.

It doesn't always have to be like this though - sometimes romantic sex with lots of kissing is also nice.

How did you get in to the porn industry?

I was always interested in porn.

LAST YEAR, QXMEN BUMPED INTO YOUNG PHILIPPE DELVAUX IN LONDON ON THE SET OF

image courtesy COLTstudios.com

I watched a lot from a young age! I used to do some modeling when I was 17 in the USA; fashion, underwear and beach shoots, that sort of thing. But sometimes I found it boring. I always wondered what it would be like to do the same thing but have sex too!! When I turned 18, I watched a live sex show and thought, 'that's for me!' So I sent some pictures and a web cam video of me wanking and playing about to a few studios and Simon Booth from Eurocreme contacted me the day after and within two days I was in London filming!

What was your first film?

Indieboyz 5 - Spunkd.

Were you nervous?

No I wasn't nervous because I had experience with the camera before - just not in porn. I was very relaxed because when I arrived at Eurocreme the people were very nice and took good care of me. We had all dinner together and had lots of fun. After, we went for a drink and after that I had a very good night at the hotel. I was fresh and ready for the movie. I wasn't really nervous but more excited for all this new things in my life. First we did a photo shoot for promotional stuff and then we started my first porn movie with a very experienced model and easy to work with. A good nice hard cock. Also the people on my first movie were very professional with my first producer Marc Reardon. I was very relaxed.

What movies have you starred in?

Indieboyz 5 - Spunkd, Hung Ladz 3 - Hard Shooters, Partyboy, Porn Academy 2 - Fuck Buddies from Eurocreme and Buckshot's *Beg For It*. I've made two movies for Hot House that have not been released yet because we filmed last January and I've also done a few internet scenes too.

“ I HOPE I CAN MAKE IN THE FUTURE A GANG BANG MOVIE WITH ME THE ONLY BOTTOM AND GET FUCKED BY LOTS OF HOT HORNY TOP GUYS. ”

Are you single or in a relationship?

I'm single... I'm not looking for someone but you never know what will happen. The last time when I was really in love was with a waiter from Balans - he is very special. I was eating there with Eurocreme and I thought 'that waiter is very hot and more than hot'. We flirt a little bit and then we dated a few times. But it was not for us. ▶

So, who's the hottest TOP in the industry?

I had many good tops. I like to get fucked by different guys. I've not a favourite because I'm open-minded about sex and I like different cocks. I hope I can make in the future a gang bang movie with me the only bottom and get fucked by lots of hot horny top guys. Most movie's scenes are around 30 minutes but I want to have a scene that lasts 5 hours! A DVD only about one gang bang - I think that's hot.

Which two guys would make up your fantasy three-way?

Zac Efron and Robert Pattinson together. I don't know if they're gay or bi but sex with these two guys will be so hot.

So, what turns Philippe Delvaux on?

Gang bangs, outdoor and public sex, getting used, fisting... I'm open-minded and always up for new ideas.

Do you have any fetishes?

Hmmm, not really. Sometimes I like to look at the hands. It maybe a little crazy but I like men with big hands, a good rock hard cock and nice legs and feet.

Is it a turn on watching yourself performing on screen?

After a new movie is out I watch it to see what I can do better next time. And I like to see how the producer made the movie. I'm not really turned on by myself. Hot guys turn me on but not myself. :o)

We hear that you're going to be involved in the search for Europe's Next Gay Porn Star. How did this come about?

I was asked by the producers of the project to represent one of the Juries as they felt my involvement would encourage guys who look similar to me to apply. In addition, I've never made a secret of the fact that I am proud to be working in the

What will you be looking for in applicants?

Their personality and sex factor. I like to see a strong personality and a guy who loves to have sex and who knows what he wants out of life. Also a good rock hard cock and nice ass. And good body and beautiful face.

“ I LIKE TO HANG OUT WITH FRIENDS AND PARTY. AND STAY IN BED AND HAVE LOTS OF SEX ON A SUNDAY AFTER A BIG PARTY. I LIKE TO GO TO RESTAURANTS, HANG OUT IN NEW YORK OR WITH FRIENDS AT THE BEACH. ”

Images courtesy of Eurotime.com

What do you do to relax?

I like to hang out with friends and party. And stay in bed and have lots of sex on a Sunday after a big party. I like to go to restaurants, hang out in New York or with friends at the beach. Also London is a very cool place to relax - I just love London and the pubs there. I'm not the type that likes to do nothing as I always want to go out for a drink or go to friends or clubbing - I don't like to be alone. I like to meet new people. That for me is relaxing. Also my work is very relaxing for me and having sex or jerking off... Sex is the best thing to relax!

What's your favourite part of your body?

My ass.

Where do you see yourself in 10 years time?

Maybe still in the porn industry. I'll be 29 in ten years.

Who's your porn pin-up?

Blake Riley... There are many porn stars I will like to work with but I've seen him on Facebook and his pictures are so hot. I never met him but I worked with the same studio and I wish to do a movie with him.

If the world were to end tomorrow, what would you rush out and do?

Get fucked and fuck all night long!

Complete this sentence. The best part about being a porn star is...

Having lots of sex with hot guys!

Describe yourself in three words.

Sexy, open-minded, playful.

Do you have any plans to visit the UK any time soon?

Yes very soon, I think around April for the next Dreamboy movie with Simon Booth. And also I'm gonna work with a new studio in London.

porn industry and don't mind people knowing what I do for a living - this fits perfectly with the project's Mission Statement which is 'Identify Europe's next gay porn star: celebrate their talents, promote their skills and encourage pride in their profession'.

So what will be your role on the Jury?

Well, I'll be representing the adult industry in my country of origin and making the project more accessible to guys who want to get involved. And, of course, we'll all speak the same language! Plus I'll be encouraging applications from guys and, because I'm proud of my chosen profession, I'll be able to promote good practice and again support the project's mission statement.

OUT AT THE GYM

ANY GUY WHO WORKS OUT MUST, AT SOME POINT, HAVE FANTASIZED ABOUT HAVING SEX AT HIS GYM AND THE GUYS AT ALPHAMALEMEDIA CERTAINLY HAVE IF THEIR LATEST OFFERING IS ANYTHING TO GO BY. GYM-FIT MUSCLE HUNKS WORK UP MORE THAN A SWEAT AS THEY FUCK OVER THE WORKBENCH AND ON THE FITNESS MATS... THIS IS ONE GYM THAT YOU'RE ALL GONNA WANT TO JOIN.

Available to buy at www.eurocreme.com or watch high quality streaming video at www.eurocreme.tv

Rocco Banks is the boss of the gym and his right hand man is Ross Hurston. As with all the finest working relationships, the best way to really get to know each other is to fuck - and that's exactly what these two hairy, tattooed muscle guys do in a scorching opening scene.

Both hunks strip with Ross keeping on his sexy athletic support and begin to suck each other's hard cocks. Soon Rocco

has Ross bent over the workbench and eats out his muscled arse before he starts to pound away. The power behind Rocco's thrusts as he fucks Ross, while we watch from underneath, is astounding and continues as they move to the floor in front of the floor-to-ceiling mirror. The wads of hot cum they spurt over their hairy, muscled stomachs shows just how much these two enjoyed this amazing scene one fuck. We soon discover that Rocco has a kinky obsession of secretly filming the members of his gym working out and he gets a big surprise as he secretly films Latin stunners Daniel Marvin and Pedro Andreas. Ross joins the two and before long all three are getting down to some horny muscle action. Daniel and Pedro never fail to deliver and this hot three-way shows these

hunks at their best as they work over Ross's hole and mouth. Scene three, and Rocco's training sexy new-comer Danny Star. Soon Danny's sucking Rocco's stiff cock and it's not long before he's riding it good. Muscle hunks Antonio Cavalli and Marco Salqueiro are sparring with boxing gloves in scene four and treat us to a ball-draining, doggy-style fuck scene with sexy-as-fuck Marco ramming Antonio in front of the mirror. Muscle skinheads Myles Bentley and Ben Statham wrap up the movie, wrestling and grappling on the floor before Ben gets his sexy white butt pounded by Myles. With too much hot muscle action to fit into this review, we suggest you order your copy of Out At The Gym now... You won't be disappointed.

EVERY TASTE CATERED FOR
NO RECURRING BILLING

FOR HIS FOLLOW-UP TO ISLAND HEAT, THE FIRST IN TROJAN ROCK'S NEW "TROY" RANGE, DIRECTOR MAXWELL B. WENT TO ARGENTINA. THE RESULT, LATIN HEAT, WHICH WE PREVIEWED LAST MONTH, IS EVERYTHING YOU'D EXPECT FROM THE COUNTRY WHERE THE BEEF COMES FROM. IT STARS REAL-LIFE COUPLE DANIEL MARVIN AND PEDRO ANDREAS, REGULARLY CALLED THE HOTTEST IN PORN, WHO WERE INTRODUCED IN COLLIN O'NEAL'S MIAMI (ALSO IN QXMEN LAST MONTH). BUT IN LATIN HEAT THERE'S EIGHT MORE GUYS LIKE THIS! WHAT TIME'S THE NEXT FLIGHT TO BUENOS AIRES?

British producer/porn star Trojan Rock seems to be nuts. He's cheating on his boyfriend, Daniel Marvin, one of the best-looking hunks in porn and built like a truck. As soon as Rock leaves the house, Marvin's on the phone to Blas, a lean Latino with a perfect six-pack. There's reciprocal oral before Marvin spreads those tree trunk-like thighs so that Blas can get his tongue deep inside Marvin's butt. After Marvin fucks Blas, he unloads, panting, on to the Blas arse. Watch for Marvin's look of surprise when Blas then blasts off and hits Marvin in the face! While the couple are in post-coital bliss, Rock comes home, but leaves with Blas. Marvin says, "Now I have no one but my fantasies to keep me

company at night." But that's fine by us. Pedro Andreas has a body like Marvin, but an even bigger cock. He's paired with another model called Andreas and they have a passionate 69 before they both cum while they're in the spoon position. Pedro Andreas returns for a threesome with cute Diego Santos and Bruno Borda, an older, Aiden Shaw type. They lavish attention on each others' dicks and buttoles, but it's when Borda is spit-roasted that they all get off. Next, straight-acting Paul sizes up darkly pretty Leandro Silver's arse and sticks it to him standing up until he splatters over Silver's back. The final scene of Argy-bargy is between tanned beauty Germán Rójas and pale but interesting Michael Amerika, last seen (with several of this cast) in Roman's Holiday with Roman Heart. They're hung and horny for each other, and Rójas really rams it home until they both spurt. After wanking through sex scenes as hot as these, Marvin shoots his load on to his abs. But there's a surprise ending!

COROLO PRESENTS A STRIPES MEDIA PRODUCTION OF A FILM BY GUY HUNTER

Starring: Adam Austin, Booth, Duncan Duarte, Gavin Pears, Jack Savage, Jake van Zyl, Obert, Stahl Berger.

Available from all good licensed adult stores or by calling **LOADXXX** on 020 7558 8475 for your nearest supplier.

WILD GAME

WITH SO MANY SCENES TO CHOOSE FROM THIS IS ONE HOT MOVIE FROM COROLO THAT'LL HAVE YOU REACHING FOR THE KLEENEX TIME AND TIME AGAIN. SET IN THE SUBURBS OF JOHANNESBURG AND ON SAFARI IN THE BUSH, EXPECT PLENTY OF AL FRESCO SEX MIXED WITH SOME HORNY BEDROOM ACTION.

Scene one, and Jake van Zyl texts his mate, Stahl Berger, to see if he's up for a fuck. The second he's through Stahl's back gate, Jake's on his knees and sucking Stahl's thick cock. They're soon inside on the stairs where Stahl fucks Jake with his fat, pierced cock. Next up, cute lovebirds Jack Savage and the gorgeous Adam Austin are on the bed in a passionate fuck scene. It's obvious that these two are really hot for each other as the chemistry's great. Scene three and we're transported to the dusty outback where Booth is watching sexy farmer, Gavin Pears, who's jerking off on his truck. Gavin catches Booth watching and drags him back for a hot al fresco session. Not content with their outdoor fuck, the guys head indoors for another fireside fuck and finish off what they started. Jack and Adam are next to go on safari and can't keep their hand off each other in the back of the tour truck. Gavin, the sexy farmer from earlier, is their driver and goes for it in another hot al fresco fuck. Time to cool off and Adam goes skinny-dipping in a water hole. Gavin joins him and after larking about in the water the guys get out and fuck like rabbits. These boys don't know when to stop and are joined by Jack for a hot three-way. And, if you're not exhausted by all the action so far, you'll be glad that you stayed tuned for the 'master and slave' finale. Let's just say it involves Stahl, Duncan Duarte, blindfolded, collared and tied on a bed and Obert, a black guy with probably the biggest cock in porn! Got your attention have we boys? REALITY PORN

By Michael A. Knipp

REINVENTS ADULT

JUST AS SCRIPTED TELEVISION SERIES HAVE WANED IN RECENT YEARS, CONCEDED PRIME TIME SLOTS TO LESS COSTLY REALITY FARE, SO TOO HAVE BIG-BUDGET PORN PRODUCTIONS. IN PLACE OF THESE LEGENDARY MOVIES OF SUBPAR PLOT LINES AND ELEMENTARY ACTING HAS EMERGED A NEW GENRE OF ADULT ENTERTAINMENT: "REALITY" PORN... AND IT'S GRABBING AMERICA BY THE BALLS.

ENTERTAINMENT

Gary Blumenthal, webmaster for OnTheHUNT.com, a spin-off of Manhunt.com that invites its members to be filmed having sex with other members, says that the reality porn genre kicked off a few years ago - the same time video Internet started gaining steam. People were looking for a change, he says, something they hadn't seen before. "I think reality porn has been around forever, as far back as stag films from the 1950s, but what has changed is that there are now actual venues to view it. Sites like XTube and GayTube have given amateur exhibitionists a place for people to view their homemade porn. In addition, many video distributors and video-on-demand sites have sprung up which specialise in this type of homegrown reality amateur porn." OnTheHUNT, which is on the cutting edge of reality porn, is as real as reality porn gets. When it launched, the site received more than 4,000 inquiries from Manhunt members interested in meeting other members to have their sexual encounters taped. "What makes us unique is that we send a famous porn star like Jeremy Hall or Collin O'Neal or Matthew Rush to the participants' home to film the hook up just as it is happening," Blumenthal explains. "In the editing process, we leave in about 99 percent of the footage so people can see the good, the bad, and the in-between."

Brian Christopher, who answered OnTheHUNT's call, says he had never been in front of a video camera before signing on to star in a reality porn film. "I received an e-mail from Jeremy Hall," Christopher recalls about the first time he heard from OnTheHunt. "I wasn't sure if I was up for it because I knew so many people would eventually be able to see me do whatever it was I was going to do, but I submitted my photos anyway, thinking what the odds were of me being picked. Next thing I know, I'm on a flight to Austin." In retrospect, Christopher says he enjoyed the experience so much that he's decided to pursue his newfound fetish even further. "As of now, I have not been cast for any scripted porn by any studio," he says, "and I'm not sure how the transition would be, really. But I'm always up for any challenges."

“ THAT'S THE BEAUTY OF REALITY PORN: THERE ARE NO REAL

STARS. ”

How reality porn as a genre came into its own is a topic of debate. Celebrity sex tapes have played a part, giving amateurs credence to film and promote their own exploits without consequence, but Paul L. of MaleSpectrum.com - a site that allows subscribers to view a host of niche reality porn episodes in multiple formats including pay site, DVD, and even mobile - thinks that the explanation is far simpler. "At the end of the day, I think a lot of guys just don't care much about a carefully crafted plot or artfully rendered dialogue in a porn movie," he says. "Sure, they like the fiction and the fantasy, but they're really in it to watch sex. I also suspect that people who are fans of both forms spend a lot of time with their finger on the fast forward button when they are watching scripted porn." There's a caveat, however: It seems - believe it or not - that straight porn is farther ahead in reality porn than its gay counterpart. "Fewer gay content studios embraced the reality porn genre in the early days," explains Paul L., "so it's more novel to gay fans than to straight. I like to think that as young as Male Spectrum may be, we're at the forefront of gay reality porn. We plan to stay there and continue to grow and evolve the genre further."

While there's no shortage of participants in reality porn, a quick Google search accurately gauges the immense popularity of the genre among viewers: Alexa, a web information company that consistently ranks the most visited websites in the United States, lists Pornhub.com and YouPorn.com - sites that allow regular people to upload and view homemade and amateur porn - as numbers 28 and 40, respectively. To put these statistics into perspective, both sites receive more traffic than those of corporate giants Fox News and Disney. Blumenthal says he understands why these particular sites and reality porn in general have increased in popularity since its inception. "That's the beauty of reality porn: There are no real stars," he says. "The stars are the guys next door who are filming their own hookups and buddies." ▶

► Former “guy next door” and reality porn star Johnny Maverick, 31 - whose credits include Male Spectrum’s “His First Huge Cock” - agrees: “I think it represents the future.” And perhaps he’s right. Like the sitcoms of yore that continue to die a slow death, only to be replaced by reality television, so too are over-the-top porn productions now relegated to an X-rated graveyard. “I think the genre has only just begun,” predicts Blumenthal. “I think we are going to see more exhibitionist sites, more sites with live video like Manhunt’s Mancam, and more everyday guys jumping in front of the camera.” Veteran porn stars, stand by. Your pink slips are coming.

SAM SWIFT AND JOHNNY MAVERICK, STARS OF MALE SPECTRUM’S ‘HISFIRSTHUGECK.COM’ AND UPCOMING ‘SWIFTMAVERICK.COM’ DISCUSS REALITY PORN:

How is reality porn different than scripted porn?

Johnny Maverick: You get to be yourself in reality porn. You’re not acting a part.

How “real” is reality porn?

Sam Swift: It’s pretty real.

Can you yell cut in reality porn?

SS: Yup, like when there are poopies (laughs). That’s when I punch him (scene partner) in the back of the head and say ‘back to the bathroom with you’.

How were you discovered?

JM: We both answered newspaper ads.

Do your families know about your reality film careers?

SS: The ones who need to know do.

JM: My family knows and they’re supportive of my career.

Do you prefer to perform in scripted or reality porn?

JM: I like reality better.

SS: Reality is less time consuming. Some of the big box stuff can take three or four days and you do a lot of sitting around. With reality, it’s get in and get it done.

Is reality porn simply a new trend in adult films?

SS: I don’t even watch big budget stuff anymore, only reality porn. I think it’s here to stay.

BRIAN CHRISTOPHER,

APPEARING NOW ON ONTHEHUNT.COM, DISCUSSES REALITY PORN:

How is reality porn different than scripted porn?

You don’t get the scripted ‘oohh’s’ and ‘awww’s’ and the unnatural spoken words like ‘you want that big dick up your ass, don’t you?’ in reality porn. Not to say we’re not verbal... we’re just more real.

How many reality films have you appeared in?

I only did one shoot with OnTheHunt.com but I’ve gotten a good response and have established a pretty large fan base so I’m slated to do more this winter.

Are you a member of Manhunt?

Yeah, that’s how the director found me. OntheHUNT only uses guys who are members of Manhunt. I have had a profile for some time. Now my Manhunt profile even allows my buddies a direct link to go and check out the film on OntheHUNT.

How “real” is reality porn?

It’s definitely a ‘what you see is what you get’ type of porn. You meet the guy the same day and then you go at it, so to speak. There’s a bit of direction at first; sort of like an outline of what the director would like to see.

Do you get to choose your sex partners?

I know some guys do. Some Manhunt guys actually write in to OntheHUNT requesting to film a video with another guy they found on Manhunt. Then the OntheHUNT staff contacts the guy through Manhunt to see if he would be up for it. Also, I know of at least one Manhunt couple who requested to be filmed. As for me, I went into it blindly.

Does your family know about your reality film career?

I have a twin brother: an identical, *straight* twin brother who now lives with me. He is cool with me doing this but doesn’t want people to think that it’s *him* getting fucked or sucking dick online. I can understand why.

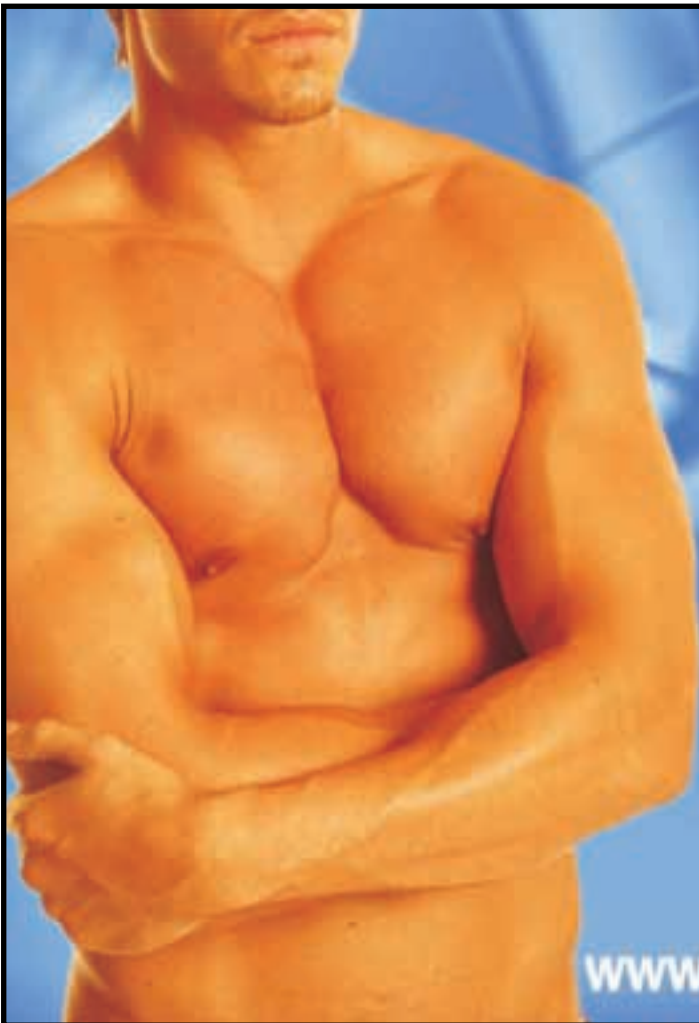

Is reality porn the next big thing in adult films?

As long as there are people who want to log on and watch those that want to be watched, I don’t think reality porn is going anywhere. I would like to see ‘virtual reality sex’ next. You know, where you wear special gear and can really get hands on and get off with the guys on the site. That would be fun!

NEW GUMMERS...

QXMEN BRINGS YOU THE LOWDOWN ON NEW AND UPCOMING RELEASES FROM SOME OF THE HOTTEST AND HORNIEST STUDIOS ON THE PLANET!

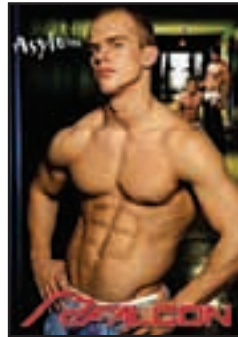

TITAN'S ALL GUNS BLAZING

Nine hot hunks, including TitanMen exclusives Alex Baresi, Marco Blaze, Dirk Jager and Chad Manning, head to the woods for a horny adventure in **Double Barrel** the latest release from the American studio we can't get enough of. When park ranger Steve Carlisle comes across Baresi and Blaze out a huntin' and they can't produce their permits, the three hot studs sort things out the old-fashioned way, stripping out of their clothes and it's lucky Baresi who gets both holes plugged. And so begins another nut-busting adventure, spread over four scorching hot scenes as only those hunks from Titan can deliver. Check it out at TitanMen.eu.

NO ONE CAN HEAR YOU SCREAM IN THE ASYLUM!

There's sinister goings on at Falcon Studio's **Asylum** and reporter, Erik Rhodes, goes undercover to find out what goes on behind the locked doors. Mind you, we wouldn't mind a short stay at this Asylum and being 'probed' by hot doctors TJ Hawke and Ty Colt. We wouldn't even protest if janitor, Leo Giamani, did us over with his mop and bucket! Get your ticket to the Asylum at Falconstudios.com.

TAKING GAY PORN TO THE NEXT LEVEL

Okay, so there's gay porn and then there's Raging Stallion Studio's **To The Last Man**, an epic six hour movie (yes we did say six!) spread over four DVDs and starring fifteen of Raging Stallion's finest including Damien Crosse, Jake Deckard, Logan McCree, Ricky Sinz and Scott Tanner. Think classic Western movie, with a dash of Tarentino-esque blood and gore with a heavy dose of hot gay sex and you have To The Last Man. This movie's already won Best Picture and Best Director at the 2009 XBIZ awards and is up for countless other awards, including 18 GAYVN nominations! Directors by Chris Ward, Ben Leon, and Tony DiMarco have taken gay porn to the next level and we salute them. Get on your horse and check it out at RagingStallion.com.

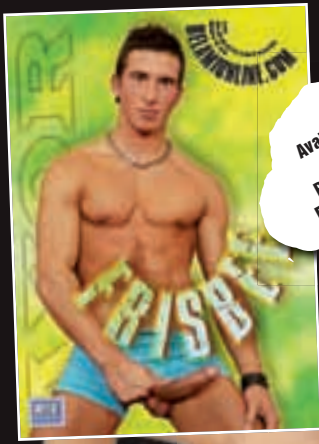

CONSTRUCTION WORKERS BREAK THE CODE

Nine hunks are renovating Matt Cole's house and, while they seem very casual about their work, they're certainly serious about the hot sex they have during their day's work in Jet Set Men's **Code Violators**. Starring Jet Set Exclusives Nickolay Petrov and Sebastian Young with Derrick Hanson, cute young British pool boy, Carter Longway and muscle stud Tyler Saint, as the City Inspector, expect plenty of horny goings on as the workers go about their business. We knocked one out to all four scenes, as we love to watch blue collar workers stripping out of their overalls and going at it. But make the most of Nickolay in action as he's reportedly just been given 20 years in jail for attacking an elderly couple in the U.S. And once he's served his time he'll be deported back to his native Armenia, so we don't expect to see him in any more gay porn. Available at Prowler, Expectations and all good video stockists.

REVIEW

AYOR STUDIOS (AT YOUR OWN RISK) IS BEL AMI'S BIG LITTLE BROTHER AND, THEREFORE, WE CAN EXPECT THE SAME HIGH PRODUCTION VALUES AND BEAUTIFUL YOUNG GUYS. ALL THIS IS EVIDENT IN FRISBEE WITH TEN YOUNG AND CAREFREE BOYS IN SEVEN SCORCHING HOT HARDCORE SCENES... WHAT A CATCH!

It's the end of the summer, the campers are all gone and the beaches almost deserted. A group of five horny backpackers are roaming around the Czech countryside, looking for sex and adventure along the way.

First off is sexy blond Benjamin Bloom who finds himself the cutest farm boy in the form of Todd, and the most willing too. Then it's horny Björn who happens on a pair of mountain bikers (Jack and Thierry) kissing by a mountain

brook and they take him home for a versatile three-way. Benjamin's game of frisbee by the lake with Matt, a lonely tourist, turns into a bout on a trampoline where bare muscles get sweaty in the sun. Mark and Jean, still carrying their backpacks, get frisky as they tumble and grab each other on a grassy slope. And Bryan, alone with his frisbee, in his red Speedos, will find a stunning Thierry in the dressing room. Lucky Björn will have two more encounters, running up the hill with an ever-smiling Matt and horsing around a Jacuzzi with muscle boy Jason. Two boys meeting in the open is all it takes for lust to explode under the sun. Like a game of frisbee by the lake, you never know how it's gonna turn out. Nothing serious, just good clean fun and sweaty muscles that end up drenched in cum.

OH YA THINK I'M SEXY?

OKAY, SO WE CAN'T GET IT RIGHT ALL OF THE TIME AND WE'RE SORRY TO HAVE CUT OFF STEVE CRUZ' INTERVIEW MID-SENTENCE IN LAST MONTH'S RAUNCH PAD (YES, SOME OF YOU DO ACTUALLY 'READ' QXMEN AND DON'T JUST LOOK AT THE PICTURES). SO, TO OPEN THE CONCLUDING PART OF HAYDON BRIDGE'S LOOK AT EXHIBITIONISM, WE'VE DECIDED TO RUN STEVE'S INTERVIEW IN ITS ENTIRETY AND TREAT YOU TO ANOTHER PICTURE OF THE SEXY MAN TOO.

EXHIBITIONISM

THE PORN STAR

When I wrote *The History of Body Hair* for QXMEN last year, I asked if a picture of porn star Steve Cruz could be used. If your fantasy is a stocky guy with a hairy chest and a good-looking face that says, "I'll do anything," Steve has to be first choice. How did he come to spread his legs in more than 30 XXX movies? The bottom line is that he comes from San Francisco. "We west coasters tend to be open and free anyway, and San Francisco probably epitomises that culture. The summer of love happened here. Men definitely stare you down if they find you attractive. My previous boyfriend, who moved here, was shocked at how men would follow him on the street and make some innuendo with the eyebrows, that signal. I grew up here, maybe that's the way I am."

This heady atmosphere encouraged Steve to come out aged 14. He loved watching porn, and filmmakers wanted his body, but he said no and became a graphic artist and web designer. "I never wanted to get into porn. A lot of the porn companies are in this city. For me there wasn't this illusion that it was all sexy. I kind of knew what was happening behind the curtain and that it was more work than it seemed. So I didn't want to do it in my 20s. But later, as I grew up, I kind of figured, at 35 they're still asking me to do it? Maybe there's something to this? One day they're going to stop asking. So if I've got any curiosity I'd better take that opportunity now. It was the right time in my life." He wasn't wrong. "The first time I did it, it was a turn-on and I realised, wow! Maybe I could have done this ten years earlier and had a real fun time with it. The horror stories I was listening to weren't all true." Steve's first film was 'Lords of the Jungle' in 2006. "I was in Hawaii and that was an exciting thing and we were in the jungle. I've always found having sex outside really liberating. But to do it in paradise was an amazing experience. I was a little nervous at first because I wanted to do a really good job, but I got past that really quickly. The reaction on the set to my performance showed me that I was a bit of a natural and that I had a knack for this work. It made me feel good that I could do it. I knew I was liberal, but I didn't know I enjoyed putting on a show until I did my first movie."

Because exhibitionists don't have the checks and balances that hamper the rest of us, does that mean they don't have the dream we all have, the one where we realise we're naked in public? Steve seemed to be the person to ask. "I guess I have. It's about being in a situation and being exposed. I think, when I choose to take my clothes off in a bar or in a movie, I'm kind of in control of what image is being seen. I'm sure that, if you stripped me naked and threw me out in public against my will, I'd be pretty embarrassed. The dream is about being forced into a situation where it's uncomfortable to be naked. Just because I'm an exhibitionist, and take my clothes off for a living, and I'm probably more comfortable than most, there are still places and times when it's inappropriate."

Steve's contract with Raging Stallion Studios expires later this year and he's already making plans for the next stage of his career. Last year he directed his first film, 'Blue Movie'. He admits that in the distant future, his past may come back to haunt him, but not in a way that would cause him shame. "I don't think I will ever regret doing the movies because I learned something about myself and had so much fun," he tells me. "But as I grow older I may long to have my anonymity back. And people will always hold me up to the image I had when I was at my peak, and that may be difficult later in life." www.stevecruzxxx.com

I'LL SHOW YOU MINE

(EXHIBITIONISM PART-2)

Last month in QXMEN I spoke to three professional performers - a go-go boy, a stripper and a porn star - who get paid to do things that I claimed modesty forbids us to do ourselves. But in a very short space of time (it went live in November, 2007), GayTube has dragged out the exhibitionist lurking in all of us. At the time of going to press, there are 11,375 videos on the site, with a further 500 submitted every week. What's more, Brits are among the site's biggest fans. According to webmaster Simon, "The UK is our third highest source of visitors."

and their new player shows HD in widescreen. But some of the mobile phone clips resemble the first experiments with motion pictures in 1895. Then again there's no accounting for taste. The highest rating (10 stars) goes to Sin Nada que Hacer (With Nothing to Do) in which a 28-year-old Mexican takes an average cock out of his jeans, wanks and cums. Big Dick Latinos is a similar non-event, only 59 seconds long, but it holds the record for the most hits (741,608 and counting) and is likely never to lose the top spot. "I think that when something gets into the top dozen or so, it really sticks there as people will always watch the most viewed," Simon explains. Nevertheless there are some choice cuts buried in the lower reaches of the GayTube

IS THIS THE BEGINNING OF THE END FOR MODESTY?

Yes, in most of the clips the webcam is locked on to the performer's crotch. You can show the world your penis, and what you can do with it, and no one will ever know it's yours. But a surprising number of guys who filmed themselves wanking or fucking not only want us to know who they are but seem to be even more uninhibited because they're alone with the camera. Is this the beginning of the end for modesty? That'd be no bad thing in principle. Except that the erotic arts would disappear. GayTube performers do it for free. And they're (mostly) free to watch.

chart and they're worth excavating. Again it's all a matter of taste, but in Young Stud Blowjob Trilogy, a 49-year-old American gives what I reckon is a cocksucking masterclass. "I crave long, slow, sensual, passionate and primal, oral cock worshipping sessions," he tells us, and the viewers are impressed ("Holy shit. This video gets better every time I see it. I want you to do this to me.") Talking of fellatio, in Dark Pleasure someone called Dikte demonstrates a brand new sex toy, a cocksucker's mirror, which fits over the recipient's tool. (Think about the effect). Wanking in unusual locations is a popular sub-category, and there are some surprising examples. In Morning Commute a 28-year-old German shoots his load into a train toilet washbasin. In PA Train Wank an unnamed performer goes one step further and pulls out his piece in a carriage while his train is waiting at the station! A 39-year-old Brit, Brizzleboi, likes taking his camera into the showers at his gym. In Showering at the Gym he has a tug himself. "I think one of them saw me," he confides (and there's certainly somebody in the changing room next door). But for harebrained stunts, masturbating while driving is a tough one to top. In the oddly-titled Don't Try This at Home, a nice-looking motorist is able to steer, change gear, wank and eat his cum, all in the space of about five minutes.

I'll give you a quick tour of the site. GayTube pays the bills with sponsorship from other sites, e.g. College Boy Physicals, Boynapped and Bi Latin Men, which show tantalising snippets of their hottest stuff in the hope that you'll get out your credit card to view the rest. Another sideline is GayTube Live in which 400 boys throughout the world sit in front of their computers waiting for you to contact them. They'll talk to you briefly for free, but their main object is to persuade you to pay \$2.99 per minute for a private show. Sample conversation:

- Best Body:** So u wanna have a pvt with me?
- Red Robin:** I can't baby I am poor.
- Best Body:** I must work babe.
- Red Robin:** I really just came to say hi.
- Best Body:** I can't talk 2 u in free cause there are others.
- Big Cock:** Hi. Where are u from?
- Best Body:** Romania.
- Big Cock:** Big cock?
- Best Body:** Yes. 8".
- Big Cock:** Do u have a good bod?
- Best Body:** Yes.
- Big Cock:** Stand up n let me see.
- Best Body:** Join me in pvt.

I almost slipped one or two of these boys a couple of bucks out of pity. But the most rewarding material is the amateur footage because it ranges through the horny to the inspired to the bizarre to the unwatchable. GayTube will accept submissions on virtually any video format,

If you fancy yourself as a porn star, but don't have the contacts, GayTube makes it possible for you to do it yourself. There's now a weekly prize for the best video and, if you're sex on legs, adulation awaits you. Quite a few performers specialise in squirting cum into their own faces, and the viewers go apeshit for this trick. "I'd give my right nut to be able to shoot my cum in my face like that," one tells Uni-cum. Another performer, Jeff, has had 338,222 hits to date for Cumming on my Face and 112 comments from adoring fans ("Hey jeff do u wanna cum on my face?", "Love to taste this guy mmmm", "I am in love with this guy! He is so beautiful!")

As for GayTube's favourite performer, it could well be Square211. His three videos, Jack Off my Dick, Piss and Wank, have had admirers creaming their jeans since last November. ("I was turned on from the moment it started", "Dude you're amazing - who are you? This is the hottest vid I've seen on here", "FUCK YES...this guy is so hot! I can't get through this video without stroking my own cock.") Will this 28-year-old German be GayTube's first porn discovery? Or could it be you? If you'd like complete strangers to worship your sexual prowess, send something in. You've got to keep to the rules ("everyone over 18 years old, no malevolent violence, cutting, blood, scat, bestiality, or copyrighted/pirated content.") Otherwise let your dirty mind run wild. Perhaps, not so long from now, it won't matter what the neighbours think because the neighbours will have sent in their own videos. Oh, yes. Nearly forgot. The "Ben Affleck Jerk Off Video" doesn't feature Mr Affleck. Or, in the words of one viewer, "If that guy is Ben Affleck, I'm Mother Theresa."

HOWEVER, THIS IS DARK ALLEY'S OIL-THEMED EPIC AND WE'RE TALKING ABOUT THE BLACK STUFF THAT MAKES MEN RICH THE WORLD OVER. VIDEO REVIEW

Guys into sex and smoking will go crazy for scene one which features Lars Svenson and hot-as-hell Owen Hawk. Svenson, dressed in dirty work dungarees and hard hat, is taking a break from work and smoking a cigarette. He pulls his cock from his work gear, starts jerking off and then slides a cock pump on it. Cue Hawk, and they both suck each other's cocks before Lars starts the enviable job of eating out Hawk's beautiful hairless butt. Next Svenson is fucking Hawk bent over a barrel of 100% Raw Crude Oil. After a good pounding, Hawk's on his back on top of the barrel, legs in the air as Svenson slides a funnel in his hole. What happens next is a first in porn for this reviewer (and I've seen a few). Svenson proceeds to fill Hawk's hole with thick black motor oil only for Hawk to spurt it out in an oily fountain! These guys certainly have struck oil! The scene ends with Hawk wanking his cock with the oil while Svenson uses it as lube to screw Hawk. Scene two sees co-workers Andy Kirra and young sexy Tristan Mathews having an intense fuck, leading us nicely into butch and inked up Ian McQueen and tattooed pig-bottom Dax Reed's moment of oily glory. They waste no time with foreplay and go right into fucking, McQueen stretching Reed's hairy hole with his pumped-up cock. Owen Hawk's back in scene four with Wylie Todd and his enormous black dick. There's nothing more we like to watch than the contrast of thick, dark meat entering a beautiful white butt and, of course, Hawk takes it (and a few dildos) like the true pro that he is. If you haven't blown your load yet, the final scene will sort you out when Dax Reed returns and is joined by Jay Scorpio and Latin bottom boy Marcelo Masko. They take turns feeding Masko their cocks - using both his eager holes - and then to complete the picture, black stud Paris joins the party. Marcelo knows his place and gets on his knees and takes all four guys one by one until his ripped-up hole is dripping cum.

BLAZE of GLORY

BORN AND RAISED IN BUENOS AIRES, **MARCO BLAZE** IS CURRENTLY TAKING THE GAY PORN INDUSTRY BY STORM.

You've recently become a TitanMen Exclusive... What can we look forward to?
I guess I could say that you can look forward to seeing me having lots of fun at work. I hope to promote the TitanMen brand properly and make it more popular around Europe since I'm actually based here. For example, I did shows in Greece three weeks ago, and also will be performing live in Brussels in May for Gay Pride. Also some other events around the continent, besides the usual big, must-be-there US-based events. I like the TitanMen brand; they strive to meet and exceed the highest standards in the industry. I'm very pleased with this new phase on my porn career, so you can look forward to some good, hot cum-shooting porn movies! :-)

Which other studios have you worked with?

I did some good stuff with the guys from MenAtPlay in the UK, and then some other work with other companies in Europe... but nothing worth naming after what I've done with TitanMen. They've gotten the best of me to this point and we're just starting!

How did you get in to the industry?

I've thought about it carefully over the past two years and planned how I wanted my career to be. Then I just made the right contacts and decisions, submitted my information and pics, and it all got started.

What was your first film?

It was a solo vid for a Miami-based porn website

Were you nervous?

Who? Me? No way :-). It did not catch me off guard, I have eight years of theatre school under my belt and I'm a natural show-off that loves to share the good things in life (and a big dick is always something good, right?)

What movies have you starred in?

House Call from TitanMen Fresh and then Overdrive and Double Barrel from TitanMen.

Which film are you most proud of?

Overdrive is my fave up to now. I had a great time shooting with François Sagat and we had a lot of fun washing that car... and fucking on top of it too...

Are you single or in a relationship?

I prefer not to give away details of my personal life.

If you had the chance to direct a scene that you're in and cast the other models, who would you choose and what would happen?

I would just put together a couple of guys like François Sagat, Dean Flynn and Jay Roberts (my partner for the scene in House Call from TitanMen Fresh - he's versatile but makes a GREAT bottom). We can add a few more like Max Schutler (another Argentinean buddy of mine that's in Overdrive)... and, of course, myself. And just let the guys play, no strings attached - just long, clean and safe, sweaty, steamy man games. Everybody against everybody. That would be something to talk about...

Who's the hottest TOP in the industry?

I can't really limit myself to the "JUST TOP" guys; I like my versatile buddies... and a versatile buddy that makes a great top fucker is certainly (TitanMen exclusive) Dean Flynn. He's a sweet guy, but a man of character when fucking a willing ass. And just to prove my point, I think the guys from TitanMen will have a surprise for all of you this year...

And the hottest BOTTOM?

Again, another versatile hottie, François Sagat, the greatest ass I've ever gotten my dick into, BY FAR!

So, what turns Marco Blaze on?

A good ass will always work with me, but more than that, a man that enjoys sex to the fullest will always turn my lights on.

Are you top, bottom or versatile?

Versatile all the way, baby! And if you're reading this and you don't fuck and get fucked... you're missing it - trust me.

Do you have any fetishes?

I like sneakers, sport underwear, workout clothes, that kind of stuff.

THE SEXY MAN RECENTLY TOOK TIME OUT OF HIS BUSY SCHEDULE WITH **TITANMEN** TO HAVE A ONE-TO-ONE WITH QXMEN.

What's your favourite position?

Hmm, depends on my mood - if I'm in Top Mode (yes, it's like a switch I have), then having the guy in missionary position so I can kiss him and see his face while he gets fucked... I like to see the enjoyment on the other person's face; it turns me on even more, so I end up fucking them even harder... you get turned on? Then I get turned on, and then you get turned on even more, and so do I and the circle never ends... all right, it "cums" to a point. <laughs>

Now, if I'm in Bottom Mode, a winner for me is to eat ass while getting fucked, and BOOM - that does it.

Is it a turn on watching yourself performing on screen?

Sometimes it is, if the other person or people that I'm having sex with gets turned on by it, then yes.

Do you find it easy to perform on cue?

It's very comfortable. You do what you're asked to do, it doesn't take too much to be able to follow porn cues... if of course you are not a shy guy that needs to worry about your hard on... but luckily for me, it's not the case.

What do you do to relax?

Don't laugh! I listen to country music, especially the slow songs... Yes, I love that music, sorry to disappoint you. <grins>

What's your favourite part of your body?

My ass, I guess, is what guys can check out first on the street.

Where do you see yourself in ten years?

Ten years? Wow, that's like another life... I'm a "right now"-focused guy, so the most I think about is the direction I want to take and where I could arrive in one or two years. That's all; no need to stress about ten years in the future. :-)

Who's your porn pin-up?

I really get off on watching Brad Patton getting fucked, so that would be my pin-up porn image. :-)

What's your favourite porn film ever?

There's a very interesting TitanMen DVD called P.O.V.... It's mainly shot by same guys that are doing the fucking... like a reality show, but with hot men.

You're most likely to be found gossiping on set with...

Nobody - the set is a place to work, not to bitch around! :-)

If the world were to end tomorrow, what would you rush out and do?

Take a flight back home RIGHT NOW to see my family, and if I don't make it on time and die in the air, I'd be in peace anyway, cause I would've been going where I was supposed to if the world were to end.

Finish this sentence. The best part about being a porn star is...

Doing what you love most and getting paid for it...YAY!

Describe yourself in three words.

Focused, Sexual, Human.

I FIRST MET **DARREN** AT A SEX PARTY IN SOUTH LONDON ABOUT SEVEN YEARS AGO AND IT WAS OBVIOUS THEN THAT WE BOTH HAD A PENCHANT FOR LARGER THAN AVERAGE DILDOS. IMAGINE MY SURPRISE THEN WHEN I DISCOVERED THAT HE DIDN'T WORK IN THE SEX INDUSTRY - A CAREER I THOUGHT HE WOULD BE MUCH MORE SUITED TO - BUT, IN FACT, DESIGNED LIGHTING AND DAINY CURTAIN FINIALS! SO, WHEN WE BUMPED INTO EACH OTHER AGAIN AT THE OPENING NIGHT OF SOHO'S DV8 STORE IN LONDON AT THE END OF LAST YEAR, AND IT TRANSPIRED THAT DARREN WAS NOW THE GUY BEHIND CRACKSTUFFERS DILDOS, WE JUST HAD TO HAVE A LITTLE ONE TO ONE...

DESIGNED BY MEN WITH GREEDY ARSES FOR MEN

WITH GREEDY ARSES

So, when did you start the business?

The business was started three years ago and from day one we hit the ground running. We've expanded - no pun intended - three times since then.

And why did you start?

My partner and I were in the shower one day, as you do, and we were commenting on how there were no good dildos around, at that time one company had gone under. What was available were average sizes and if you wanted to go up a size, the next one would be huge, nothing in-between. For people who are being adventurous it's important to have toys that vary in size gradually - that's why we have 'families' of sizes. This means a greedy fucker can stretch at his own pace and when he's feeling more adventurous he can go up a size. I guess you can say we've filled a gap in the market! What I really love though is sending a pallet out to a store knowing that I'm giving pleasure to hundreds of arses, job done! I feel we're not just selling a dildo but a horny image too. You just need to look at our website to get an idea of where we're coming from... It's a lifestyle that's very close to my heart!

Why are Crackstuffers dildos blue?

I wanted to make Crackstuffers toys different to everyone else's. A lot of companies make either black, red or flesh coloured but we decided on blue, as blue in

the hanky code signifies fucking. This strong blue is carried through to all our branding and has created a product that our customers love and return to.

Do you test each design personally?

Of course... I'm like a kid in a candy store!

How do you come up with the shapes and styles?

I think carefully about what areas are going to get the most pleasure, what will stimulate, so that there is pleasure deep inside as well as sensations around the guys hole. I consider the size inside of an arse and design things that will tease without hurting. We also take suggestions from greedy pigs for new toys!

Where did the names for the 'realistic' dildos come from? Are they really based on guys you've met?

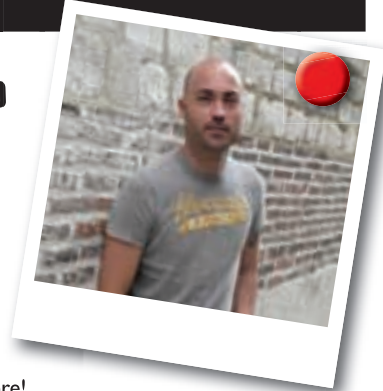

Some are loosely based on guys I've met, some are the ideal cocks and, well, some are just named after ex's - see the small ones for that!

Even 'Big Ben'?! Er, could we have his number?

I think someone has eyes bigger than his arse....

So where can our readers buy Crackstuffers dildos?

Crackstuffers toys are widely available throughout Europe (distributed by Mr B), Australia and now the States. Here in the UK they're available through DV8, Dvote, Expectations, Hard Sex Toys, Master U, Prowler, Pumphouse and Recon.

Any of you greedy arses out there fancy winning yourself a Crackstuffers dildo? Just email your name and address to sales@crackstuffers.com by 30th April and you could get your hands on this monster!

Andy and Anton are armed with a rope for their challenge and these two go at it full throttle from the outset. As Anton works his tongue down Andy's smooth body, Anton's enormous cock is already rock hard and eager to plough into Andy's hole. He does so with a fantastic opening fuck where the rope multitasks as a cock ring and for tying Andy's legs together while Anton pounds Andy in a variety of positions. Sexy northerner Lee and tattooed Londoner Mark notch up the kinky stakes with some handcuffs, which are soon snapped round Mark's wrists as Lee stuffs his meat into Mark's eager bubble

butt, doggie style. This is followed by horny, young guys Sam and Damian, who soon strip out of their tight white underwear as Sam is blindfolded - but he still manages to easily find Damian's hard dick and writhe around in ecstasy, before shooting a huge load over his chest. In the final, Andy, Damian and Lee slug it out for the top prize - and have a fucking good time doing it. No props for help this time just pure talent required for this rim, suck and fuck fest. It's all neck and neck in terms of sexual prowess but Damian becomes a frontrunner as he literally takes two for the team and gets double fucked by Andy and Lee. And he's having the time of his life - talk about enjoying your work... So who won? You'll just have to watch yourself to find out.

RUDEBOIZ 12 GANGBANG LADZ

A FILM BY SIMON BOOTH

THOSE SEXY YOUNG RUDEBOIZ ARE AT IT AGAIN, BACK FOR MORE IN FIVE EXPLOSIVE SCENES, FUCKING LIKE JACK-RABBITS WITH THEIR BIG COCKS LIKE ONLY HOT-BLOODED YOUNGSTERS CAN.

Who can resist a cute, young lad kitted out in a shiny black tracksuit, white Reebok trainers and Polo shirt, strutting down the street like he owns it? Well, scene one offers up a gorgeous young specimen and we follow him into a council block, up in the lift to his mate's flat. His mate in question is equally as hot, wearing the obligatory Polo shirt, baggy grey jogging bottoms, trainers and baseball cap. Of course, the clothes don't stay on for long as they're soon ripping their trackies off and yanking their tops over their heads and getting straight down to business. The great thing about Rudeboiz movies is there's no cheesy script for the lads to stumble over - we're just treated to their groans of pleasure. Saying that though, the horny little lad who gets his butt fucked in multiple positions in this scene doesn't make a sound. But you can tell from the glint in his eye and the way he licks his lips that he's loving his mate's fat cock slamming his smooth butt. Oh, and the wads of cum they both shoot just goes to prove it too. Next up, two scallies are already lying on the bed and it's the older of the two, sexy Danny Star, who gets his butt fucked by his sexy young, tattooed mate. We're back in another Council block high-rise for scene three with two cute lads, in sexy baggy shorts, trainers and, of course, Polo shirts. This time, one of them likes things a little bit rougher and takes great pleasure in slapping his mate's smooth white, hairless butt before he spits on his tight hole and starts to fuck him. The black leather sofa (no doubt on credit from DFS) comes in handy as the rough scally ploughs his willing mate's butt in a variety of positions, giving us some great views of the action. Another two sexy young lads go for it in scene four, and we urge you to hold off shooting your load as it's well worth holding out for the final seven-lad orgy in scene five. QXMEN favourite Kai Cruz joins the party for this intense fuck-fest and is the filling in a fuck sandwich at one point. A delicious feast of sucking, fucking and young lads' tight, hairless holes getting fucked by their mates' throbbing cocks... Rudeboiz, we fuckin' love 'em!

CHANGES AFOOT AT EUROPE'S NEXT GAY PORN STAR

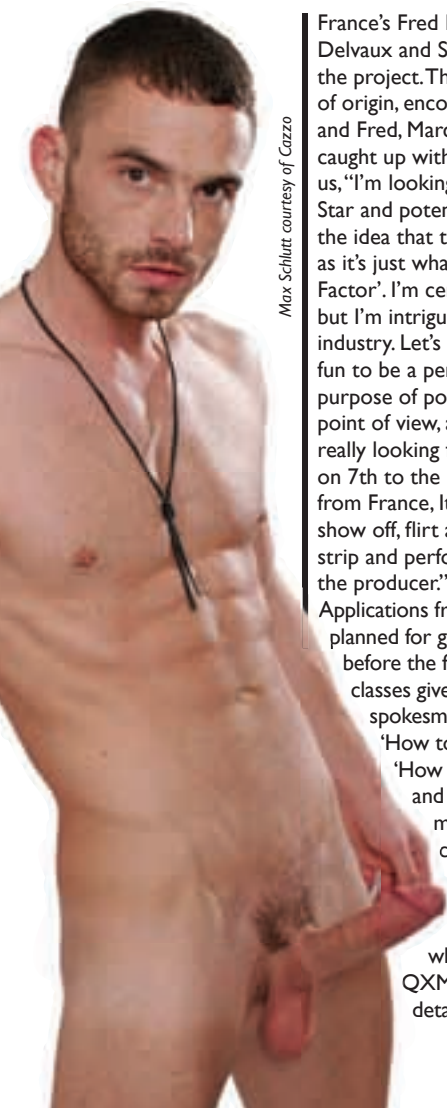

Aitor Crash courtesy of Alphamalemedia.com

Philippe Delvaux courtesy of Eurocreme.com

The search for Europe's Next Gay Porn Star is on and there's been some changes meaning that this exciting project is now more accessible to guys - hairy, smooth, muscled or twinkly. Bel Ami has been replaced as the studio of choice as part of the overall winner's prize and in its place will be Eurocreme UK and Alphamalemedia. Both companies will be involved in the selection of the winner later in the year after applicants have filmed their first ever full-length production for both sponsoring studios. Dean Carr, co-creator and Executive Producer of Europe's Next Gay Porn Star, told QXMEN, "After hosting some initial auditions in Europe late last year, we noticed one major fault - applicants weren't showing up for their allotted audition time! So, after telephoning all the no-shows and asking what happened, we discovered that the 'Holy Grail' of the Bel Ami boys, being the exclusive studio sponsors of the project, was actually the one thing putting people off attending the auditions."

Max Schlitt courtesy of Cazzo

France's Fred Faurtin, Germany's Marcel Schlutt, the Netherland's Philippe Delvaux and Spain's Aitor Crash have been taken on as Jury Spokesmen for the project. Their role will be to represent the profession in their country of origin, encourage applications and to make the project more accessible and Fred, Marcel and Philippe will actually be attending the auditions too. We caught up with the gorgeous Fred Faurtin when he was in town, who told us, "I'm looking forward to being on the Jury of Europe's Next Gay Porn Star and potentially meeting the next best thing to hit the industry. I love the idea that the project stands for and the audience it is appealing to as it's just what we all want - a hot-guy-next-door with a certain 'seX-Factor'. I'm certain we will be meeting some great looking applicants, but I'm intrigued as to how they think they will cope with the industry. Let's not forget it's a business, and although it's great fun to be a performer and my roles fulfill fantasies, but also the purpose of porn is to make money for the studios. So from that point of view, applicants need to be sensible and level headed! I'm really looking forward to meeting some of the applicants in Paris on 7th to the 11th May - and there is still time to apply if you are from France, Italy or Spain! Just come along, talk to me honestly, show off, flirt a little and then you'll have an opportunity to strip and perform a solo scene, in private with just you and the producer."

Applications from the UK are now closed but auditions are planned for gay Paris in May and Amsterdam and Berlin in June, before the final stage later in the year. This will involve master classes given by some of the

spokesmen covering things like 'How to blow like a porn star', 'How to fuck for the camera'

and QXMEN's personal favourite, 'How to cum like you mean it!' There'll also be a makeover session (back, crack, sack waxing!) and an underwear photo session for B-Rude, Boy George's cool fashion label. All these tasks will be leading up to two days of performances for Eurocreme and Alphamalemedia, who'll be producing a movie, each using the finalist.

QXMEN will be there along the way and we'll bring you details of how the search is going.

just had to share a couple of the mind-blowing images from the 192-page, full-colour masterpiece. The book's been described as a 'raw, upfront and hypersexual tour of the male form' and features jaw-dropping images of some of our favourite porn stars including Steve Cruz, Ricky Sinz and Jake Deckard. From classic portraits to elaborate fantasies of sex and bondage on urban sidewalks and masculine, naked athletes surrounded by lush landscapes, Oppedisano takes us on a roller coaster ride of our deepest sexual desires... ADONIS

LOUNGE

ONCE THOUGHT OF AS A GAY URBAN MYTH, THE ADONIS LOUNGE IS AN UNDERGROUND PRIVATE MEMBERSHIP PARTY WHERE PORN STARS, SEXY ESCORTS AND ATHLETIC, DEFINED AND MUSCULAR GUYS GET TOGETHER AND PARTY. BUT BACK IN MARCH THE PARTY OPENED ITS DOORS FOR THE GRAND COMING OUT PARTY, AND QXMEN WAS THERE - PURELY FOR JOURNALISTIC PURPOSES, OF COURSE!

Arriving at the secret London location, we stripped down to our underwear and left our clothes at the free coat check. Being a cashless bar, there was no need to stuff our wallet down our socks at this party. Once inside the club we were greeted with a feast of hot guys - some in underwear, some in jocks and some butt-naked, and all them athletic or muscular - just as the party's rules specify. Exploring the venue, we stumbled across some amazing play facilities including a room with a 20-man orgy bed, another with a four poster restraint bed, a fisting room, a sling room and plenty of dark corners to get intimate with fellow guests. Plus there's a fully equipped bathroom with a private douche room, communal showers, complimentary towels, mouthwash, toothpaste and brushes, shaving foam and disposable razors. So you can not only play safe at the Adonis Lounge but keep yourself clean and fresh too!

The next party on April 19th will feature a live performance from French porn star Daz Nelson who'll be taking on all cummers in a marathon thrust the bottom competition.

£20 entrance fee includes 3 alcoholic drinks, all soft drinks and filtered water, hot & cold snacks, condoms, gloves, lube and wipes.

EUROCREME ANNOUNCES ALL PRODUCTIONS WILL BE CONDOM ONLY

Eurocreme Productions, one of Europe's leading gay studios, has clarified its stance on the emotive issue of condom use in gay porn. "Eurocreme has reaffirmed its original stance on the issue," says Max Lincoln, Eurocreme's founder and CEO, "We all wish that HIV did not exist. Sadly, it does and seems to be on the increase, particularly amongst young gay men. We will not expose our performers to this awful disease and I am enormously grateful that our customers have shown us such loyalty and support in our stance on this subject." Eurocreme began in London in 2002 and now produces eleven separate brands including the hugely successful Rudeboiz, Indie Boyz, Bulldog and Alphamalemedia series.

GAYROMEO AND GUYS4MEN GET TOGETHER

MORE THAN 1 MILLION GAYS MEET ON GAYROMEO.COM

GayRomeo.com and Guys4Men.com have joined forces, turning GayRomeo into an unequalled online gay community. The 380,000 profiles of Guys4Men have been added to the 690,000 profiles on the GayRomeo meaning that now more than 75,000 users will be online simultaneously! Despite this, GayRomeo is not planning to sit and relax. "We will continue working hard to provide a good, stable platform for men of all countries, cultures, likes and tastes. Just recently we added four new languages and we now provide full support in 12 different languages. Sometimes our office resembles the Tower of Babel", says Maurice A.C.M. Berendsen, Managing Director of PlanetRomeo B.V, who operates the websites GayRomeo.com and PlanetRomeo.com. 'Make friends, get dates, have sex' is the main slogan of GayRomeo but it goes further than that. The website also contains all kinds of clubs with forums, guides and information reflecting many different subjects like gay rights and health. New features are constantly being added and later this year GayRomeo plans to introduce a fully functioning mobile version of its website. But besides this kind of state-of-the-art gadgetry, PlanetRomeo B.V. also works hard on important services for the community like online health support by voluntary professionals worldwide.

HOUSTON AIRPORT SECURITY MISTAKES DILDO FOR LETHAL WEAPON

ATHLETIC MODEL GUILD PRESIDENT AND CREW - A THREAT TO NATIONAL SECURITY!

Customs officials at Houston's George Bush Intercontinental Airport briefly detained Athletic Model Guild President, Dennis Bell and members of the AMG Brasil crew, last month under suspicion of concealing a lethal weapon. The offending object in question was an aircraft-quality spun aluminum sex toy from Vergenza Inspired Erotica, a luxury sex toy manufacturer. Bell and his crew were flying back from Rio de Janeiro where they'd just wrapped shooting on the studio's latest hardcore orgy title, Suruba: Duro. The film features toys from Vergenza as part of a partnership between the two companies. "We were almost through security when one of our bags got pulled from the conveyor belt," Bell told QXMEN. "After three passes, they finally called for a manual bag check, and I knew exactly what was up. The TSA agent, who looked like an extra from Showgirls, pulled that foot-long shiny dildo out of the bag and she was clearly confused. Our Production Manager, Leandro Marques, explained that it was a dildo, and Ms. Vegas was all, 'I've never seen one like this before.' After every agent within shouting distance had a chance to ogle it, they told us that we couldn't take it on the plane because it posed a safety risk. They said that if it were latex, there'd be no problem. I laughed imagining the expression on the stewardess' face, had someone actually accosted her with the 'weapon'."

BRIT PAUL STAG SCORES A HAT-TRICK OF INTERNATIONAL AWARD NOMINATIONS

London-based Paul Stag has successfully become the first British performer to be nominated in three international awards in the adult industry. The sexy man is up for Best Fetish Performer for his performances for Red Eagle Films in the Annual GAYVN Awards, the Oscars of the adult industry held at the end of last month, and also Paul's been nominated for a Grabby film award which will be presented in late May. To complete his unprecedented hat-trick, Paul also secured a nomination in the most respected International Escort Awards, The Hookies, sponsored by Rentboy.com, where he's known as British Marine and is the only British escort nominated in any category! Last year, Paul was Mr Leather UK 2008 and came 3rd Runner up in the International Mr Leather Competition in America competing against 52 titleholders from all over the world. He was the highest placed European contestant, which entitles him to the position of European Leatherman of the Year. Paul was an ex-military Officer in the Parachute Regiment who now balances work in the adult industry with his other job as a successful DJ, plus he's also an active gay campaigner for the Spanner Trust, Backlash, Caan and for gay rites in the military. QXMEN wishes Paul all the best flying the flag for the UK. To see more of Paul, check out www.military-meat.com.

GAY PORN'S FIRST CGI MOVIE

Next month sees the release of the gay adult industry's first full-length fantasy-based CGI movie. *Pirate's Booty* tells the story of pirate captain Jack Swallows as he and his crew set sail on harsh seas and encounter rough, dirty, hardcore sex along the way, including a possessed spirit who has sex with everyone on the ship! Produced by Adult Source Media, the company's founder, Wendy Crawford, told QXMEN, "I believe that our gay audience, more than most, appreciate what they sexually desire, or just fantasies in general, the unattainable in a sense. The great gift about CGI characters is we can make them flawless, and they don't care if they're a top or a bottom, they can switch roles at any time. They don't even have to wear a condom." For more info, visit www.PiratesBootyXXX.com and www.AdultSourceMedia.com.

THE BUSIEST CHAT SERVICE IN THE UK

LIVE 1-2-1

QX CHAT.com

CHECK OUT WHY WE HAVE GIVEN YOU THREE NUMBERS INTO ONE SERVICE

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
