

A muscular man with a short haircut is wearing a black eye mask and a black leather harness with silver studs. He is holding a black vibrator in his mouth. He is wearing black gloves and black briefs with a "NASTYPIG" logo. The background is a plain, light-colored wall.

WELCOME... TO MAY'S HOT AND HORNY ISSUE...

Well, the days are sunnier, the nights are warmer and guys on the street have finally ditched their winter woollies and are looking so much sexier. It's amazing what a bit of sunshine can do to lift our spirits and get us all feeling hornier. So while you're all in the mood, cop a load of this month's issue!

This month's scorching hot DVD releases from across the pond include **Slide**, a sun-drenched tale from Jet Set Men. Dean Monroe is the lucky bugger in Channel 1 Releasing's **Blackballed 5 Star Fucker** by Chi Chi LaRue, while Titan Media's **Double Barrel** helped us

a shoot a load. We take a trip to Hungary and check out what those Visconti Triplets have been up to in Elite Male Platinum's **Shameless Boy Toys**, and let's just say they've been keeping themselves busy. Back in good old Blighty, Triga returns with a horny batch of **British Bad Lads** and the gloves are off at Alphamalemedia as the studios go ringside for its latest flick **Hairy Hunx Bulging Briefs**. And who can remember their first time? Well, to help jog our memory, Eurocreme bring us some cute, young twinks in **Losing My Cherry: Cherry Punks**.

We've been busy catching up with some of today's hottest porn stars (it's a tough job but someone has to do it) and recently spent some time getting to know this month's cover star, the lovely Fred Faurtin, and also this month's centrefold, the quintessential sexy bear Butch Grand. We also met up with hot London artist Mike Bliss, who was kind enough to donate an original piece of sexy art to give away to one lucky reader. Journalist Colin Jentry put a few questions to RandyBlue's stunning new discovery Malachi Marx and ahead of the re-issue of his book *Wasted*, the lovely Hayden Bridge met up with porn legend Aiden Shaw. And we even found time to go on location with Maxwell B. to check out the stars of the forthcoming *BulldogXXX* movie *Back Alley Bandits...* How do we fit it all in eh? Enjoy.

Cherry Punks

LOSING MY CHERRY

HOW MANY OF US CAN REMEMBER LOSING OUR CHERRY? WELL EUROCREME'S LATEST RELEASE WILL HAVE THOSE HAPPY MEMORIES FLOODING BACK AS THE STUDIO PAIRS UP A FEAST OF DELICIOUS YOUNG PUNK TWINKS AND LETS THE FILM ROLL AS THEY CHOWN DOWN ON STIFF COCKS AND FUCK AWAY AT EACH OTHERS' CUTE BOY BUTTS.

Starring: Leo Parker, Kaden Bailey, Danny Cunningham, Shane Stone, Tristan Blake, Tristan Dean, Jake Adams, Toby Trimmer, Evan Fox.

First up, we're treated to sexy young punk twink Leo Parker in a solo scene where the lad is obviously dreaming about getting fucked for the first time. Relaxing on the sofa, he's rubbing the growing bulge in his jeans and then pulls his t-shirt over his head to reveal his smooth, hairless chest. He soon releases his stiff cock from the top of his jeans and wanks a little before tugging them down so that we can get a full view of his young, nubile body. We think he wants to get a little practice in as he gets on his knees, sticks out his perfect round butt and pushes in a small, ribbed dildo. Marc Reardon's camera must have got steamed up at this point as the close-up shots of the dildo sliding in and out of the lad's puckered hole are about as close as you can get! Lip-smackingly good. Scene two and a couple of young twinks are preparing a meal in the kitchen, but they've obviously got other things on their minds and start kissing and pulling off each other's clothes. Now, we've always been fascinated by food and sex and these two are too and one grabs a cucumber off the chopping block and slides it up his mate's lubed hole. Rather than Losing My Cherry, this is more like Losing My Cucumber! The scene ends with one lad on

the kitchen floor with his mate fucking his cute boy butt. Another couple of cute-as-can-be punk twinks lose their cherries in the next scene, up against the wall and on the bed, before we get to a ball-busting twink threeway in scene four. Three lads are on the bed, two are clothed and the one in the middle is butt-naked. They've all got big cocks for such young lads and you'll be amazed at the ability of one of them to take two up his tight boy butt. It's been a while since we've watched a good double-fucking scene and this one's a blinder from Eurocreme and will have you busting a nut at the sight of the young lad sat on his mate's cock while his other mate fucks him from behind... If this is how kids lose their cherries these days we wish we were young and innocent again!

THE HUNKS FROM ALPHAMALEMEDIA ARE IN THE BOXING RING FOR THEIR LATEST RELEASE AND THE HAIRY GYM-FIT GUYS ARE WORKING UP MORE THAN A SWEAT AS THEY BASH EACH OTHERS' MEATY ARSES AND GOBBLE DOWN JUICY FAT, COCKS... IT'S A KNOCKOUT OF A MOVIE!

Round one and Hurston and de Brute are working up a sweat, sparring in the ring. They take a break and de Brute glugs some water from a bottle. "Ere, save some for me," says boxing coach Hurston and he snogs the face off de Brute, slurping water from his mouth. The heat builds and the guys yank off their vests, pulling and sucking on each other's nipples. The long boxing shorts come off next and Hurston straddles the corner of the ring, sticking out his sexy arse out for de Brute to burry his face in. Soon the guys are on the floor of the boxing ring, Hurston sucking down hard on de Brute's cock and fingering his hole at the same time. He doesn't have to wait long to get it filled as de Brute pins him down, ploughing Hurston's arse deep and hard and then puts him on his back with his legs pinned behind the ropes to fuck him even deeper. Round two and Ben Statham and Orlando Torro are sparring with Hurston, all the while being watched by Frank Philipp who's only wearing a towel. As Hurston leaves, Statham and Torro are joined by a now naked Philipp and the three get down to some hot threeway action, eating arse and sucking cock. Philipp's got one hell of a big cock and the other two share it on their knees before Philipp goes on his to take both of theirs in his mouth. There's some ball-busting sex in this threeway scene including a daisy-chain rimming scene with all three guys on their knees before Statham is bent over and fucked in turn by Torro and Philipp. Round three and this time it's hairy hunk Jean Franco paired with muscle man Philipp in the ring. There's more sweaty man-on-man action including hot 69ers on the floor of the boxing ring and great camera shots of Philipp tonguing Franco before getting turned round and fucked good and proper by the hairy Latino. If you haven't shot your load by now then the final scene will sort you out when Franco returns for a bout with Hurston and this time it's Franco's furry arse that gets a good hard fucking.

REVIEW

HE'S STARRED IN COUNTLESS HOT ALPHAMALEMEDIA MOVIES AND WHEN WE FOUND OUT THAT SEXY, CIGAR-SMOKING BUTCH GRAND WAS IN TOWN TO PERFORM AT A TOP LONDON CLUB, QXMEN MET UP WITH SEXY MAN TO FIND OUT A LITTLE MORE...

You were in the show at the Megawool party on Saturday? What did it involve and did you have fun?

We did a live sex scene live on stage. Trojan Rock from Alphamalemedia was our master and Orlando Toro and I were his two puppies. We had a leash and I had a dog tail. He left us alone for a while onstage and we couldn't help but start sucking each other's dicks and then Orlando went ahead and fucked me in front of everyone. I can't deny I like exhibitionism and I love people watching us go at it. But then Trojan came back and caught us in the act and scolded us for being two bad puppies and we had to leave the stage. After that I did some go-go dancing and I can't deny I love that and I enjoyed this time as well.

WIN! We managed to get our hands on Butch's jockstrap and it's up for grabs! If you want to own this prized possession then drop us an email to editorial@qxmen.com placing Butch Grand Competition in the subject field or post your contact details to QXMEN, Butch Grand Competition, 23 Denmark Street, London WC2H 8NH. Entries in by 31st May and the lucky winner will be drawn at random.

So, have you had any fun with any hot British guys while you've been in London?

What would you think?

Sorry to ask but how old are you Butch?

I'm still 35.

Where are you from and where do you live?

I'm from Croatia and I lived my childhood in my different places. I now reside in Miami Fl. A paradise for me.

What did you do before you started making porn?

Same job I do now. I've always worked in the hotel business.

How did you get in to the industry?

I was offered to do movies many times in the past but I never really made up my mind. It wasn't until one more time Trojan Rock and Carlo Cox from Alphamalemedia asked me to do one for them back in 2006. I think it was the right time because I said yes and then like I always say, you do it once you'll do it again. And it was true.

What was your first film?

My first film was *Out On Parole* from Alphamalemedia.

Which studios have you worked with?

Alphamalemedia, Titan Media and Raging Stallion.

What movies have you starred in?

Out on Parole, Men at Work II, Out on Vacation, Hairy Hunx: Rough & Ready, Men at Work: Huge & Hung all by Alphamalemedia. *Folsom Leather* by Titan Media, *Fist and Shout 2* by Raging Stallion, *Cabin Fever* by Butch Bear Media and *Bears in Paradise* by Pantheon Productions.

And which film are you most proud of?

My last two movies by Alphamale, *Men at Work: Huge & Hung* and *Hairy Hunx: Rough and Ready*. However, I've worked with Maxwell B. in all my Alphamale movies and I have to say he's great director and really easy to work with.

If you had the chance to direct a scene that you're in and cast the other models, who would you choose and what would happen?

Hmmm... I have a lot of ideas in my head, but one of them would be for me to be the main bottom in the scene and I would definitely have Josh West, Arpad Miklos, Tober Brandt, Brendan Davies, Carlo Cox and Trojan Rock.

So, what turns Butch Grand on?

Well, I guess I answer that above: men who are hairy (facial hair included) and masculine. Fisting is one of my fetishes and it really turns me on.

BUTCH BY NAME, BUTCH BY NATURE

© alphamalemedia.com

Are you top, bottom or versatile?

I am versatile, but I simply love to bottom. But if I am in the top mode, I will not want to switch as well as I am in the bottom mode. I really get into it.

Do you have any fetishes?

Oh yeah, of course! In my life I have tried a lot of things, haven't you? I love fisting, nipple play, cigars and cbt to name a few.

Is it a turn on watching yourself performing on screen?

Not really. I get turned on faster by looking at myself in the mirror sitting on the couch, dressed in leather chaps and boots, no shirt, armbands and smoking a big cigar and jerking off. Woof! I got hard!

Do you find it easy to perform on cue?

Oh yes, I know I am doing

a film and I know we have to follow the director's orders and I am always very interested in doing so for a better outcome of the movie.

What do you do to relax?

Not much really! I just like exhibitionism and I think about how many gay men are watching me get it on.

Where do you see yourself in ten years?

Hopefully still living in Miami and enjoying the beautiful sunny weather whenever I can and doing more movies with more hot men.

Finish this sentence. The best part about being a porn star is...

That you do something you love: sex and you get paid for it.

So, what's next for Butch Grand?

Hopefully more movies of any kind. I really like this industry.

Describe yourself in three words.

Intelligent, autocritical and determined.

ALLEY!

QXMEN TOOK A TRIP DOWN TO THE LOVELY, DELIGHTFUL KINDERGARTEN FOR ADULTS CALLED THE HOIST IN CENTRAL LONDON LAST MONTH TO TAKE A PEEK AT THE FILMING OF BULLDOGXXX'S LATEST DEN OF FILTH -

BACK ALLEY BANDITS

Distributors in America, Stud Mall, had done some research from the 'gay man on the street' (punters of porn) and found that the French-Algerian look was kind of in vogue at the moment and so director-producer, Maxwell B. took up the challenge to deliver the yanks more than a hot dog and apple pie for supper! "We always listen to what customers are looking for (wanking over)" Max told us. "People's tastes go in fads and it was clear that the hairy, dusky, Arab kind of look with a combination of French and Algerian ethnic mix was becoming popular in the U.S. So in good tradition of 'what they get over there, we get over here' kind of attitude, we thought we'd give it our own spin". Max almost sounds like some kind of Doctor Frankenstein when it comes to his casting, but we were assured that he'd created his desired mix – but without the addition of bolts in the neck and dead flesh!

So, assuming that we'd been invited on a exotic trip to say North Africa to a secluded desert location to witness the filming of *Back Alley Bandits*, we dug out our passports and slapped on some factor 15. To our surprise, however, we were guided to a railway arch in South London. Max was quick to quell our disappointment though. "We have enough sexy fuckers in London and Europe for this flick. We scouted as far as Denmark to fly in one new lad, in the form of Nick Lavallo, a delicious, mixed race, pig-minded stud who was studying in Europe from his homeland". And we had to agree on his tactics, as Nick and porn regular Mark Summers got stuck into a wet and intense scene for the cameras. We also got a good ogle at Toby, who Max admitted was Columbian rather than Algerian, but he still looked the part as he got stuck into his second scene of the day. Yes, this man sure has the stamina! Check out his exclusive online interview at www.bulldogpit.com.

“WE HAVE ENOUGH SEXY FUCKERS IN LONDON AND EUROPE FOR THIS FLICK.”

Going through the cast, Max told us, "We also got over French porn pros like David Castan, Theirry Lamasse and the Parisian guy with the superhuman stretchy arse, Demetrius," who Max delightfully informed us that he can get three (and we're not talking Shreaded Wheat here) but three fists up his arse! "I saw Demetrius' photos on Dudes Nude," Max told us enthusiastically, with the excitement of a South London gangster who's just found a 44 Magnum in a Christmas cracker. "...And the three fist insertion picture raised my eyebrow just a tad. I think three fists is a bit much for a family film like *Back Alley Bandits*, but we did shoot some fisting with him which will also be on the clubsite www.bulldogpit.com. Other new faces recruited for the movie include Rafelle - a delicious young hunk who seems to be a favourite of the London gay scene photographers at the moment - and Kornelius, who truly is the genuine French-Algerian article 100%. Having seen the guys performing on set and being privy to an early cut of the film, QXMEN can confidently say this will be one stylish, well crafted and highly charged piece of porn to add to your Estate when you die.

Back Alley Bandits from BulldogXXX is released through www.eurocreme.com and will be available in all good DVD adult stores. And, of course, under the alter at all good, honest to God churches early this month.

SLIDE

Starring: Dylan Wood, David Dakota, Derec Stone, Marcus Steele, William West, Jason Pitt, Rusty Stevens, Patrick Bateman, Dean Carter, Derrick Vinyard, Shane Erickson.

Available from
Prowler &

SLIDE IS THE FIRST Hardcore, Gay Blu-ray Film to be released in the UK and is the perfect TEASER for this summer, featuring twelve young studs in swimming trunks with smooth firm bodies sucking, rimming and fucking around a pool area to get their rocks off. Filled with tons of hot group action and sun, we can only hope that this is what's in store for the 2009 summer season.

VIDEO
R E V I E W

Gorgeous Derec Stone is hanging at the pool having a wank, being watched by David Dakota. David soon finds himself with Derec's perfectly-shaped cock in his mouth before turning him around to treat Derec with some deep tongue arse-eating. David ends up sliding down on Derec's pole for some riding action until

Derec turns him around and bends him over a nearby rock so he can shove his cock into David's tight puckered hole from behind. Rusty Stevens and Derrick Vinyard are stroking their dicks on each side of the pool before Rusty takes the plunge and swims over to take Derrick's dick in his mouth. Dylan Wood appears, and the guys take turns chowing down on Rusty's meat. Rusty ends up getting fucked hard from beneath by both guys, riding them in pure perfection before all three shoot their load. If a threesome is not enough cock action then the next scene is for you as it features William West, Shane Erickson, Dean Carter and Patrick Bateman doing what horned up guys do best and the four of them can't get enough of each other's dicks. William and Dean get their eager holes serviced by Shane and Patrick who takes turns to fill them with their big meat. Dylan Wood returns for the final scene, swimming towards muscular Marcus Steele who is jacking his big rod next to the pool. The guys take turns to go down on each other's cocks while being watched by young Jason Pitt who, after Dylan bends Marcus over to pound him doggy style, joins them and gets served by Marcus hungry mouth. Of course, this young guy is not getting away that easy and ends up having both his holes slammed by Dylan and Marcus' throbbing cocks before getting his body covered by three shots of hot spunk.

CHI CHI LARUE'S

BLACKBALLED5 STARFUCKER

Starring: Russ Hurston, Rocco Banks, Daniel Marvin, Pedro Andreas, Antonio Cavalli, Marco Salqueiro, Danny Star, Myles Bentley, Ben Statham.

Available
from
Prowler &
Expectations

Fans of black gang bangs will know by now what to expect of the Blackballed series, which began back in 1995: one white dude gets fucked into the middle of next week by a posse of the hottest black studs in town. In Part 5 (strangely released after Part 6, which we reviewed in January), the lucky Caucasian is British-Greek Dean Monroe, a debonair charmer in his clothes (hit the Behind the Scenes option) and an insatiable slut out of them. Apparently Monroe confided to Chi Chi LaRue, here directing his third Blackballed episode, that a black gang bang was his biggest fantasy. Chi Chi obliged by handing him over to a splendid selection of dark avengers including veteran sex machines Jack Simmons and Aaron Ridge, muscle hunk Marc Williams, newcomers Malik and Eddie Diaz, and unbelievably hung new thug Nick Da'Kannon. Monroe manages to wipe the cum off his face – but not the grin!

The opening's a surprise because Dean Monroe's being seduced by his girlfriend's mother (T.J. Hart). Then it's revealed that he's shooting a soap opera episode. After it wraps, Monroe tells his driver (Aaron Ridge) to be ready for him in ten minutes. When he comes out of his dressing room, the studio's empty. But not for long. Security guard Tiger appears and tells Monroe, "I know what you want." Soon Monroe's slurping on Tiger's sizeable wang. It's the only romantic scene. When the rest of the all-black crew appears, it's wall-to-wall raunch. Monroe can swallow all their dicks all the way, even Nick Da'Kannon's monster. ("Don't believe the hype," he's said elsewhere. "My dick is 11", not 14" or not even 12". I don't have to lie about my shit.") Monroe then goes face down on a couch so that the guys can all lick between his shapely cheeks. He does the same to them. Then they fuck him, one by one, until Ridge and Eddie Diaz give him a slammer of a D.P. Is it our imagination or is there real chemistry between Monroe and Diaz? It certainly looks that way! The movie ends with Monroe drenched in jizz. It was nominated for a 2007 Grabby (Best Group Scene) and it's easy to see why.

SHAMELESS BOYTOYS

THIS IS SECOND OUTING FOR THE BUDAPEST-BORN VISCONTI TRIPLETS AND FEATURES THE IDENTICAL BROTHERS WITH A BUNCH OF THEIR SEXY EAST EUROPEAN MATES. SET IN A LUXURIOUS VILLA IN THE HILLS OF HUNGARY THERE'S FIVE SCORCHING HOT SCENES FILLED WITH PLENTY OF HORNY MAN ON MAN ACTION, SUCKING, 69ERS AND SOME VERY ACROBATIC FUCKING.

VIDEO
REVIEW

We begin with muscle man Jack Dragon who's at his bedroom window wanking his cock as he checks out the bevy of East European beauties relaxing by the pool. Young Brent Moon comes in, gets on his knees and starts sucking his cock. Jack leaves the room and sexy young muscle

guy Pat Stevenson (who has the body of a young Russian gymnast) comes in from the pool to get it on with Brent. We leave the two lads and find muscle man Dragon, naked on the bed with Italian stallion Claudio Antonelli. The two muscled and tattooed hunks get down to some 69 sucking before they take it in turn to fuck each other's muscled butts. Meanwhile in another part of the villa young Brent has his face buried in Pat's armpit. They too get down to some hot 69 sucking on the couch before Pat eats out Brent's tight butt in readiness for his stiff cock. Sexy muscled Pat has a butt you just want to bite and it's a serious turn on watching it pound Brent's equally pert one. Lovers of muscle guys will go crazy for this young guy and he can certainly fuck like a man. The Visconti triplets are up next with Chris Sparrow, who must be the envy of guys the world over starring in a scene with all three brothers. And what a scene it is beginning

with Chris with one of the triplets' cocks in his mouth, one of the triplets' cocks in his hand, and the other brother sucking on his cock. Soon all three Visconti's are all over him, sucking his cock and rimming his hole before they begin taking it in turns fucking the lucky Chris one by one. The electric scene ends with Chris sprayed in all three brothers' hot spunk. Next up Peter Shadow and Ricardo Sheppard enjoy each other's bodies with Peter showing particular attention with his tongue and fingers to Ricardo's dark, hairy butt and puckered hole before fucking him. The final scene features delicious hunk Marc Dievo and sexy Claudio Antonelli who get up to some seriously acrobatic fucking to end this hot DVD.

ONE 2 ONE WITH: FRED FAURTIN

QXMEN MET FRED FAURTIN IN LONDON RECENTLY AND WE CAN ASSURE YOU THAT HE'S AS SEXY IN THE FLESH AS HE IS ON FILM. WALKING THROUGH THE STREETS OF SOHO, ALL EYES WERE ON HIM AND HIS EQUALLY SEXY PARTNER GIL, AS WE HEADED TO A BAR FOR A QUICK CHAT AND BITE TO EAT.

© Fotoxy

So Fred, can you tell us how old you are?

Of course! My age isn't a secret. I'm 37years old.

And where do you live?

I live in the center of Paris, but I travel a lot. Last year I visit at least 14 different countries (Spain, Portugal, Greece, Italy, Canada, U.S.A.) I'm a citizen of the world!

What are you up to in London?

I went to London two times, last month to shoot some sex scene for UkNakedMen.com website. I'm really happy to have this opportunity to say how much I love the English guys! I had three wonderful scenes and I hope to shoot more in the future.

We know that this will be upsetting for many of our readers, but you have a long-term boyfriend... So how did you and the lovely Gil meet?

That's right. I'm in love with Gil for 16 years! He's my first lover... We met at a friend's party in Paris and three days later start our long time relationship. Today he's a part of me. We do everything together... Except on my job!

What did you do before you started making porn?

Well, I spent 15 years as interior designer - I studied for that. At the beginning of my porn career I worked for my classic job and for the porn industry too, but after some years it was too much, and I decided to involve more and more in the porn part of my life.

How did you get in to the industry?

It was always a fantasy, but I never thought it will be possible to do that for me. In fact, Gil decided to contact Cazzo who was our preferred studio. He didn't say anything to me and sent some pictures and few days later we went to Berlin for the casting. The rest is history. ▶

► What was your first film?

My first movie is *Berlin Private 3* (2003).

Were you nervous?

Not really... Okay, just a little. But my scene partner was Gil my boyfriend, and you can trust me it helps!

Which studios have you worked with?

In Europe I made 10 movies for Cazzo, some for Liquid London, Alphamalemedia, Bulldog XXX, Troy and Hung Ladz. And now I work with UKNakedMen.com. In the U.S.A. I worked with Titan and Raging Stallion Studios.

Which is your favourite movie you've starred in or are there too many to mention?

Probably *Kolbenfresser - Oil Change 2* (Cazzo), but for sure it's one of my favourite too! I met one of my best partner of all my life, Darren Robbins (sexy English guy!) It wasn't like a job, but like a real fucking hot scene.

Which film are you most proud of?

Definitely *Fanatics* (Cazzo), because it's a long time project from Gil. He worked very hard to have the opportunity to make his own movie. And the studio supported him 100%. The result is amazing, but it's a little bit difficult to be directed by your own boyfriend. He ask more of me than any other models.

If you had the chance to direct a scene that you're in and cast the other models, who would you choose and what would happen?

Definitely I would like a scene with Aitor Crash - this Spanish model is so HOT! I'm very excited by Christoph Scharff, Pierre Fitch, Mason Wyler and Damien Crosse... There are so many sexy guys in the world! About the story? I'm sure if you could help me to have all these models in my casting, the story will be not so important!

Who's the hottest TOP in the industry?

Just one? Well, it's a hard question... Carioca he's really hot with a sexy face and incredible body.

And the hottest BOTTOM?

He's not only bottom but versatile... Aitor Crash.

Is making porn your full-time job?

Shooting porn movies takes a big part in my life, but isn't my full time job. With Gil I created my own company. I'm a writer and now publisher of my own book. I sell my movies too on my website www.fredfaurtin.com.

So, what turns Fred Faurtin on?

Virile guys, not too young, with tattoos, piercings and a face with something special, something exciting like a boxer's nose. Muscles are a plus. This is my perfect guy description, but it happens not so often. In fact, it's more about the feeling than about physical appearance.

“I WANT TO TRY EVERYTHING. LIFE IS TOO SHORT TO HAVE ONLY ONE FETISH!”

Do you have any fetishes?

I've a couple of fetishes, like skinhead outfits, sneakers or leather. I don't want to explore just one kind of fetish.

I want to try everything. Life is too short to have only one fetish!

Are you top, bottom or versatile?

I'm versatile, but more top than bottom. And in front of camera I'm definitely more top. But last week I had a scene for UKNakedMen. It was with Tyson, a very sexy English guy. In fact, it was my second scene with him, during the shoot we decided to have a versatile scene... It's my first one for four years!

What's your favourite position?

L'arbalète. I don't know if you've an English term for this position. It's where you're in front of your partner. I like to see the result of the pleasure I give to my partner.

Is it a turn on watching yourself performing on screen?

NO! I don't like to see me on screen. But I need to see the result for me to know what is the final edit... But I don't like that.

Do you find it easy to perform in front of the camera?

Well, I'm a shy guy, Of course after 6 years on the industry I've lost a part of my innocence. In fact, it's not so hard or difficult. Most of the time I don't think about what is around me... And I make my job like sex at home.

What do you do to relax?

I'm going to the gym, I listen music and I travel to my

favourite countries, always with Gil. I spend some times with my best friends too!

What's your favourite part of your body?

My eyes and my shoulders.

Where do you see yourself in ten years?

I would like to move to a sunny country (like Spain) and have a B&B where I can work with Gil.

Who's your porn pin-up?

Marco Blaze. A perfect body, nice ass and dick, great face. He's really sexy.

What's your favourite porn film ever?

Cirque Noir from Titan and *Authentic Adventures* from Cazzo.

If the world were to end tomorrow, what would you rush out and do?

I'll take time to say how much I love my boyfriend, because I'm sure I don't take enough time to tell him that every day.

Finish this sentence. The best part about being a porn star is...

Fucking hot guys!

So, what's next for Fred Faurtin?

I work on different projects... The first one will be my next book which is about the music industry (I'll tell you more very soon). For the rest, I hope to have the opportunity to work just a little bit more in the porn industry, and definitely one of my favorite thing to do is to be a model for amazing photographers like Pierre & Gilles or Exterface.

Finally Fred, describe yourself in three words.

After Alex Baresi and Marco Blaze fail to show their hunting permit to park ranger Steve Carlisle they don't have any other option than to "work it out". With visible throbbing bulges they don't waste any time getting down and dirty in the middle of the woods. Alex gets on his knees to service Steve's rock hard cock whilst the über sexy Marco gets undressed, releasing his perfectly fat uncut dick (this guy is seriously blessed in every single department). The guys take

turns to ram their cocks deep down Steve's throat before all three of them shoots their loads. In Steve's office a mutual rimming session takes place before Marco ploughs his dick up Alex's arse. In the end Alex and Steve take turns getting their arses used by Marco's cock. Next up, CJ Madison and Coby Mitchell are chilling outdoors, and it doesn't take long before Coby is all over CJ's cock that's dripping with precum. If verbal and spit sex is your thing then this scene is a true treat. CJ shoots his massive load all over his mate before bending him over on top of a truck, ramming his huge boner deep into Coby's tight arse. The guys have one last fuck session with Coby on his back before both of them spray their hot loads all over Coby's chest. Revel Milan bumps into Chad Manning while he's taking a piss and the guys head back to Chad's cabin where he pleasure Revel's perfect bubble butt with his tongue before fucking him into ecstasy. Finally Max Schutler gets a mouthful from muscle hunk Dirk Jager and positions himself on all fours so Dirk can slide his throbbing dick up his tight hole and ends up fucking him like there's no tomorrow before exploding with hot creamy spunk. After watching this I know I will apply for a hunting license this season.

Introducing JAKE CRUISE

Jake Cruise's flagship site JakeCruise.com just passed its 7th anniversary of hardcore gay porn featuring some of the hottest and biggest names in gay porn, while still focusing on making sex fun. Known as being the "Silver Daddy" gay porn star, Jake Cruise celebrated his 50th birthday when Bo Dean fucked him in front of his staff who threw him a surprise birthday party. He's been in the headlines as the man who broke the age barrier to become the only mature model in the new "Best Web Performer" category at the GayVN Awards. This singular achievement pits him against some huge names including the now famous Leo Giamani, the man Jake discovered and introduced to porn fans around the world. Other men who've graced his massage table, couch and bed are Zeb Atlas, David Taylor, Joe Thunder, Chad Manning, Jeremy Bilding, Mike Roberts, Tommy D, Arpad Miklos, Kurt Wild, Jason Novak and Michael Von Steel. JakeCruise.com features a wide variety of scenes from hardcore fucking to erotic massages, and from servicing straight men to solo jack offs. As it commences its eighth year JakeCruise.com is still one of the top gay online destinations. Adding to the Jake Cruise Media family are his two other sites, Straight Guys For Gay Eyes (SG4GE.com) that features straight porn made for gay men, and CockSureMen.com, which features hardcore gay sex with Jake behind, and not in front of, the camera. So, what can we expect in the future from Jake Cruise? We're told to expect the unexpected!

Orlando Torro from Hairly Hunks Bulging Boxers

Alphamalefuckers.com continues to lead the Internet's 'Club Site' phenomenon. With a huge amount of weekly updates, they're also adding a massive amount of 'exclusive to web' scenes. If you're a fan of the oh-so-sexy Trojan Rock, you can drool over him in exclusive action scenes that include the gorgeous Carlo Cox, sexy tattooed Jake Ryder and the delicious Matthew Ford. Each month, the Alphamalefuckers are adding at least one scene that you will never see anywhere else on the web, and certainly not on sale at the stores. For example, you can catch the incredibly hot live scene shot at London fetish club Hard On, featuring sexy Spanish fucker Aitor Crash and hot, muscled Jake Ryder. You can also get an insiders look at how the films were made in 'Behind the scenes'. Not only do you get a real glimpse of what it's like to be on a porn shot, but you also get to see the guys in action... One definitely not to miss is the 'Behind the scenes' action of this spring's smash hit DVD Out At The Gym. And one to watch out for this month must be one of the hottest scenes ever shot and it'll be a World Exclusive! Check out this month's centerfold, the quintessential beefy bear Butch Grand and hot-as-hell Tiko... Woof! Two huge muscle stars fucking with chemistry that is off the Richter scale! You'd be mad to miss it.

UK TWINK KINK

In 2008, UK based forbiddenBLUE Studios and Australian based Pistol Media noticed a gap in the gay porn market. That gap was 'twink kink', and the studios wasted no time in producing some outstanding fetish-based homegrown content and called the site Boynapped.com. The controversial, yet very horny, site has two sides, Boynapped Light and Boynapped Dark. 'Nap 'em & Tap 'em! is the premise of each Boynapped Light episode, in which a couple of horny northern lads go cruising for an unsuspecting hitch hiker. Once they've spotted one that grabs their attention, they waste no time in picking him up, and introducing the boy to expert cocksucking - all in the back seat of the moving Boynapped Shaggin' Wagon! They end up in an apartment or empty office and get down to some hardcore sex which often including bondage and rough play. When finished, the lads either leave the boy tied up, or abandoned half naked on the roadside. Boynapped Dark is where the twink kink boundaries are pushed a little further. 'Treat 'em real nasty' is Master Kain's mantra. He's the guy responsible for tying up these not so innocent lads, and spanking and tickling and doing what ever he wants to them. Even though the cute twinks cry out "please stop", you can tell by the look on their sweet little faces - and their stiff cocks - that they're enjoying every moment of it! But don't worry, none of this is real - it's all shot using consenting adults. But the shaky documentary camera-style is very effective and horny.

BRITISH BAD LADS

THE LADS FROM TRIGA FILMS HAVE BROUGHT TOGETHER THE GOOD, THE BAD AND THE VERY HORNY FOR BRITISH BAD LADS, EIGHT BALL-BUSTING SCENES FEATURING A BUNCH OF FIT-AS-FUCK LADS FROM GOOD OLD BLIGHTY. THERE'S BLOKES TO SUIT ALL TASTES, FROM YOUNG BOXER-TYPES TO COUNCIL CHAVS TO BUILT RUGBY GEEZERS. SO SIT BACK, GET YOUR COCK IN YOUR HAND AND ENJOY TRIGA'S FEAST OF BRITISH BAD LADS.

It's not often that we'll watch a scene a couple of times over, and knock one out each time. Especially when it's a solo scene with a guy just jerking off. But when we copped a load of rock solid Northern lad Mick in scene one, we fell in lust from the moment we saw him in his black tracksuit, with his skinhead haircut, pierced eyebrow and tattoos. In true Triga Auditions-style we watch as this sexiest of straight lads pulls his meaty cock from his trackie bottoms and wanks it hard while he watches straight porn to get him excited. Next up, he's bollock naked, spitting on his cock and wanking furiously so that his tight muscled pecs tense up hard. When he stands up for the camera we see just how tight and naturally muscled his body. And this ain't no gym queen - he probably got his muscles from shagging all those birds! Triga even

VIDEO REVIEW

gives us a shot of the lad's sexy arse and he gets on all fours and gives the camera a sexy 'you know you want it' wink. As he shoots his load over his chest we were left reaching for the tissues - and the rewind button. Scene two and a couple of rugby players are in the changing room. One's built like a brick shit house and his mate gets on his knees to service his cock before getting shafted on his back with his legs in the air. The story goes that the lad in scene three couldn't make filming first off as he was spending a little time at her majesty's pleasure. And he definitely looks the type who's spent some time behind bars - a right rough looking chav who knocks one out for the camera. There's another horny scally in footy kit wanking in scene four before we get to Ben, a sexy little hard nut from Blackpool who brought along his bird to filming for company. If you've got a thing for ginger lads, you'll love this horny little bruiser. There's a sleazy fuck fest with four guys up next, then a couple of young scallies following that before we get to the final scene where two of Triga's squaddie mates agree to do some secret filming inside the barracks.... British Bad Lads - we love 'em!

Bliss: A State Of Extreme Happiness

It's not often that you'll find art in QXMEN, but when we bumped into talented artist Mike Bliss recently and copped a load of his work, we thought we'd find out a little more and bring you a bit of culture.

We understand that Bliss is not your real surname... How did you come up with it and why?

I always find this difficult to explain. I just love the word and what it means. I guess in the beginning it was a search for something external to make me happy, such as a man. But as I grow older I realise that I'm the only one that can really make myself happy and the one thing that truly brings me happiness is my work. There's nothing else in the world like selling or exhibiting my paintings. I love to see the reaction to new work. I guess 'Bliss' can mean different things to different people but to me it's being able to live my life in a way that makes me happy

Where are you from and where do you live now?

I was born in Hartlepool in the north east of England but my dad was in the army so I lived all over the world. I can now be found in Brixton in south London.

Did you study art and design?

I studied fashion in Edinburgh but it didn't suit me. I found the environment very restricting and impossible to do full time. Every now and again I do some freelance work in the industry if the project excites me enough. I'm extremely lucky to be able to make a living from something that I have no traditional training in.

You've a very distinctive style? Did anyone, or anything, initially inspire you?

I'm inspired by artists like Frida Kahlo, Tom of Finland, Warhol

and Lichtenstein. I'm also hugely inspired by cartoons like He-Man, The Simpsons and Family Guy. I have to say, some of my latest works are heavily influenced by Banksy too. I'm fascinated by the phenomenon.

Some of your works have messages like "It's too late to apologize!!!" and "You broke my heart"... Would you say your paintings reflect what's going on in your life at the time they're painted?

Oh yeah absolutely! If you fuck me over it'll end up in a painting! It's healthier than shouting I think. LOL!

Okay, now we recognise some of the models' faces in your paintings. Are they all real guys?

Most of my paintings are based on photographs of real guys. I like the work to be based on reality.

If so, where do you find them?

I use magazines like QX and social networking sites like Gaydar to source images that fit the mood of a painting I want to produce. I would kill to have the time to explore taking the photographs myself but I doubt they would be to a standard I'd be happy with.

As well as all the hot naked guys you've painted, your work also includes portraits of Madonna, James Dean and even Barack Obama... Which do you prefer doing?

I only do portraits of famous people if I feel they've had an important impact on the world. They have to interest and excite me intellectually. I have to say, I prefer to paint beautiful naked men though. I can get lost in the beauty of a man.

Is there anyone that you'd absolutely love to paint?

There are two guys I'd kill to paint, Will Young and Peyton. I have a soft spot for cute singers. LOL.

So, where can guys see your full body of work and purchase your paintings?

Paintings, drawings and greeting cards can be bought directly from me via my website www.mikesbliss.com. A collection of drawings can also be seen at Adonis Art Gallery in Earls Court, London.

WIN! Mike Bliss has generously donated an Indian ink drawing entitled 'Him' that retails for £100, and it's up for grabs for one lucky reader! To be in with a chance, just send an email to editorial@qxmen.com placing Mike Bliss Competition in the subject field or post your contact details to QXMEN, Mike Bliss Competition, 23 Denmark Street, London WC2H 8NH. Entries in by 31st May and the winner will be drawn at random.

THE HOIST 13TH BIRTHDAY: 28/03/2009

London's infamous fetish bar The Hoist reached the grand old age of thirteen back in March and celebrated with a birthday bash which was packed to rafters with Muir-capped masters, leather daddies, skinheads and cubs. The hot and horny crowd spent the night cruising and schmoozing with other like-minded fetish lovers and Steven Dwyer, the title-holder of Mr Hoist 2009, was there in advance of his trip to International Mister Leather in Chicago later this month where he'll be representing the bar. QXMEN will be catching up with Steven to find out how he got on when he gets back.

HAYDON MEETS AIDEN

I FIRST MET AIDEN SHAW, PROBABLY THE BEST-KNOWN BRIT IN AMERICAN PORN, WHEN HIS THIRD NOVEL, WASTED, WAS PUBLISHED IN 2001. THE STORY OF DAVID AND JOE; DAVID'S YOUNG NEPHEW, RYAN; AND THEIR DRUG-FUELLED PARTYING IS STRIKINGLY, SEXILY WELL-WRITTEN, AND I HAD THE CHEEK TO ASK AIDEN IF HE'D WRITTEN THE BOOK HIMSELF. HE WAS UNDERSTANDABLY MIFFED. LATER THIS MONTH WASTED WILL BE RE-ISSUED WITH A NEW ENDING. I MET HIM AGAIN, BUT OUR INTERVIEW GOT OFF TO A BAD START.

Aiden: So did you question yourself at all about last time, the kind of prejudice you were bringing against somebody by not believing they were capable of doing something?

Haydon: Oh, that. Oh, God. You remembered that.

Did you question yourself at all?

No.

You should do.

It's the first time I've thought about it since then.

Instantly, what's your reaction to that? Because it's not impressive behaviour, is it?

I was very, very drunk.

You were. All is forgiven.

And I assumed quite wrongly that you were somebody you weren't. It's a terrible thing to do.

Not just to porn trash, anybody. Give 'em a chance.

Especially as a journalist. Your role in society is to uncover truths, not load an article with perceptions you've already concluded. It's so unfair.

Wait a minute. Who's interviewing who here?

We have to get the benchmark level. Do I have to be guarded about what I say now I know that you have preconceptions?

No. Don't judge me by one comment.

OK, prove me wrong. I'll be able to tell from your questions, don't worry.

I want to know all about you. I knew nothing at all when we met before.

You knew enough to judge me.

Well, will you concede that it's not common for porn stars to write as well as you do?

Yes, that's partly why I do it. I'm a voice for people who aren't as eloquent as I am. They want to express themselves but they can't very well. Especially when people are judgmental. I'm fighting that all the time. Forgive me for making a point of this, but it's been my mission in life.

Since when?

Since my early 20s when I went on TV talking about being a prostitute. I was one of the first people in London to have a photograph with my personal ad.

You've done a lot of things. Have you always been trying to express yourself through what you do?

Can you not see the connection? I'm leaving clues. I think one day people will look back and they'll put two and two together.

How much of it did you plan?

All of it. A man I've known since I was 16 said to me, "What I respect about you, Aiden, is that you always knew what you were doing."

What was he referring to in particular?

Pornography. I was rebelling against Catholicism, gays not being able to have sex. I wanted to do it on camera, show the whole fucking world, use my name and fight against morality. I had a real conviction.

Was it easy to get into the porn business?

It was so incredibly easy. I was at Kinky Gerlinky with my little see-through shorts and some jewels wrapped round my dick so I had a hard-on all night. It was man drag. I remember the night so well. It was the night Leigh Bowery wore a toilet seat. I saw this boy standing there with this Indian head-dress on. He looked really sweet and I spoke to him. He said, "I'm going to California next week to meet Chi Chi La Rue." I didn't know who Chi Chi was then. He said, "You should come with me." I said, "OK." It was that simple.

The next week you were in California?

Yep. I was directing music videos at the time. I gave it up completely, got on a plane, and the day we got there, he walked me up to Chi Chi's, and she took a Polaroid of me with a hard-on. The first time I worked for her, all the companies came down to the set and they all hired me. So it snowballed really quickly. I say to Chi Chi now, "How did that happen?" She says, "Well, look at you." But I still have my insecurities. I don't know what she means.

You didn't think you looked that good?

I don't think I looked like a porn star. I was different. I was more like the kids who are doing it now.

Were you acting or were you being yourself?

People say I like you because you make it look like you mean it. And I did mean it because I'd chosen those models really carefully to the point that I fell in love with one of them, Marcus Iron. The amount of email I've got that says, "What was going on between you two?" What happened with me and Marcus is that we were getting intimate while they were lighting, which took forever. When they started filming, we were holding each other and kissing each other in a way that covered up all the best bits. But they let us do the whole scene like that. That was so rare in porn. That was Descent [1999]. It was at the top of the charts for five years.

How much can we learn about you from reading your novel *Wasted*?

Well, how much can we learn about Jane Austen by reading Emma?

I would say quite a lot.

Exactly. What's being said is what I feel.

Do you feel that writing is the thing you ought to be doing right now?

Sometimes I have moments when I think, "I nailed that", and I just feel such joy.

The best joy you ever had?

Yeah.

Did your life change after your car accident [as revealed in his 2006 autobiography *My Undoing*]?

I almost can't remember now because I lost my memory. Now it's kind of random. Don't ask me what I had for dinner yesterday.

Did you think you were going to die?

Of course. But there's been so many times in my life I thought I was going to die. I remember when my HIV doctor said to me, "Don't worry, you've got another five years left at least." [This was in 1997]. I was run over in Manchester when I was 19. I was hit by a black taxi and thrown up in the air...

Are you dicing with death?

Not any more.

What's your life like now?

Actually it's quite sedate. I don't have a Gaydar profile and, if you don't go to clubs, you don't tend to meet people who do drugs. At one point I thought everybody did them. But some people don't.

Is sex still important?

The past few months it's become a really nice part of my life again. I have sex in the afternoon. I'm not going to say it's more sensual because that makes me sound lesbian. But you feel more. How pathetic at the age of 42 when you realise that it's great to have sex without drugs.

What about relationships?

You haven't got one...

Is that a question?

Sorry. I'm assuming again.

I'm guessing you're talking about a relationship with a big R, which has all these rules and boundaries. I don't

want one of those, thank you. I'm too independent.

But I do love company and if any man wants to keep me company and make me laugh and occasionally have great sex and knows when to be quiet, but knows that when I look at him, it means, "Come here, baby...!"

We wanted to strip away any theme or story, any elaborate set, even the wardrobe, and highlight the chemistry and beauty of male-on-male action. Look for more hot photography from Joe Oppedisano, some new talent discoveries and an electric fetish scene that packs so much heat it explodes on film - literally." Go see and salivate at **FalconStudios.com**.

INTERVIEW:

by Colin Gentry

You are one of Randyblue's most popular newcomers. How did you get into porn?

I've modeled for a few years, so I knew a little about the business. I was curious and I wanted to go to California, so when I heard good things about Randyblue I thought I'd contact them and see how it went. It turned out to be such a great experience I couldn't wait to go back and shoot some more videos.

What would be your advice to any guys thinking about going into porn?

If I had to give advice to someone considering doing gay porn, it would be that if you're going to do it, give it your all. Everything you've got. Just don't be half-assed about it or it will show that you're not really into it.

When you first joined Randyblue you only did solo movies. Since then, you have appeared with Will Vega, Tai Lee, Vincent DeSalvo and even Man of the Year Reese Rideout. So who's next? What Randyblue model would you most like to be paired up with and why?

MALACHI MARX

AS ONE OF THE HOTTEST GAY PORN SITES AROUND, **Randyblue.com**

HAS CREATED SOME OF THE BIGGEST, SEXIEST PORN STARS IN THE INDUSTRY. WITH MODEL LOOKS AND EYES TO DIE FOR. THE SITE'S STUNNING NEW

ADDITION MALACHI MARX LOOKS SET TO JOIN THEM.

Well, hopefully Leo Giamani. We actually danced together at Club Swallow in Los Angeles a little while ago, and I kept sneaking a peak at him while he was on stage. I think Leo Giamani is pretty hot and I bet he'd be a lot of fun to do a scene with. **Randyblue has some of the best-looking models on its site, but if you could recruit a celebrity to do a scene with you, who would it be and why?** That's a tough one, there are a lot to choose from... I'd have to say the actor Ryan Reynolds,

just because I really like his movies. Have you seen him in the *Wolverine* movie trailer? He looks hot! Plus, y'know, we're both Canadian!

Away from the camera, how is your love life? Are you single?

I'm not looking for any big relationship right now. I'm just having too much fun playing the field, as they say. I guess you can say I'm all over the field! I'm up for dating, I guess, and I think sex on a first date is ok. Hopefully my view is from a first-person perspective but if two people are into each other, why not? Life's too short.

Being a porn star, you get to experiment and try new things. Do you have a sexual fantasy you've yet to live out though?

Actually, I'm kind of already living out my fantasy. I get to have sex where I know tons of horny guys will be watching me and getting turned on by it. I mean, what could be more exciting than that? When it comes to sex, I'm pretty adventurous. I love sex and trying new things, and I'm always looking for something new and exciting to try and that includes locations. My favourite place to have sex has got to be in my car. I know that sounds crazy, but it's the thrill. You know how when you were a teenager and that was the only place you had? I like reliving those days.

Many guys have fallen in lust with you since you joined Randyblue. What do you find most attractive in a guy?

The thing I really like is someone who is fun. I love life and love to be adventurous so, if we're gonna get it on, you need to be able to keep up! As far as physical attributes go... I like asses. A nice ass will always catch my eye.

Finally, what can we expect to see from you coming up in the future?

Well, I'm pretty busy at the moment! I just did a big magazine shoot with some of the Randyblue boys, and there are of course more movies coming up of me on Randyblue. As for the future, I just take things one day at a time. You can never tell how things will go in any kind of entertainment. One day you can be flying high and the next day you're not. So I just enjoy everything as it comes and whatever happens, happens.

NEWCASTLE'S CRUISER STORE

Top2Bottom sauna has a new addition to its already popular sauna complex. Cruiser is a gay lifestyle store in the heart of Newcastle's gay scene that stocks a wide range of adult toys, underwear, cock rings/straps, aromas and herbal erection pills. Cruiser has also just received delivery of Bruno Banani Underwear, which is exclusive to the North East of England, and complements the boutique style of the store. Commenting on the new addition, Complex General Manager, Steven Binks, told QXMEN, "Newcastle deserves to have a place to purchase adult goods at a low cost with a massive variety." This is the first stage of improvements due in the coming months to the sauna complex. More refurbishments and an Internet suite are coming later in the year. Cruiser is at Top2Bottom Sauna in 85-89 Blandford Street, Newcastle Upon Tyne NE1 3PZ. Tel. 0191 230 4110.

THE GAYVNS AND THE HOOKIES

Raging Stallion Studios cleaned up at the recent 2009 GAYVN Awards in San Francisco with the studio's epic *To The Last Man* receiving no less than thirteen awards, including Best Film, Best Director, Best Threesome and Best Actor going to its lead, Ricky Sinz, who incidentally was crowned Best Top. The studio also took Best Sex Scene for Logan McCree and Vinnie D'Angelo's amazing duo scene in *The Drifter*. Summing up, Bel Ami's Ralph Woods won Best Actor (Foreign Release) for his role in *French Heat*. Titan Media surfing-themed movie *Breakers* won Best All-Sex Film and Best HD Feature while *Folsom Prison* picked up Best Fetish Film and both Tommy Ruckus and Jackson Wild each scooped Best Solo Performance for their acting abilities in *Home Invasion*. Hot House Entertainment won Best Leather Film for *Verboten 1 & 2* with the studio also bringing home the award for Best Sex Comedy for *Paging Dr. Finger*. Falcon Studios' *Best of the 1970s* won Best Classic DVD Release and *Roman's Holiday* brought home the award for Best Ethnic-Themed (Latin) while All Worlds' *Blackballed 6 - Under The Hood* won Best Ethnic Movie. Other winners included Jackson Wild who was crowned Best Newcomer, Performer of the Year went to Logan McCree while Brent Corrigan was awarded Best Bottom. New York's Michael Lucas stirred things up by publicly condemning child porn and specifically young Corrigan, who recently admitted to performing in gay porn films when he was only 17. Lucas argued that by awarding Corrigan with a GAYVN honours, the industry is encouraging other youngster to follow in his footsteps.

March also saw the third annual Rentboy.com international escort awards also known as The Hookies. The awards ceremony took place in New York and members of the gay porn A-list were in attendance including Arpad Miklos, Michael Lucas and François Sagat together with a feast of gorgeous working boys from all corners of the globe. The oh-so-sexy John Pich (pictured) scooped the top accolade of Best Overall Escort while the other winners included Barret Long for Biggest Dick and Arpad Miklos for Sexiest Escort.

JUST PLAIN WEIRD!

We like to bring you news of all things weird and wonderful from the adult industry and we think the toys on *Bad-Dragon.com* might just take the biscuit. The site makes dildos for people who 'want to indulge in fantasies of their favourite species'. But, it begs the question, just who is the man (or woman) that fantasizes about getting rogered by a *Mini Sea Dragon* or taken up the 'arris by an *Anthro Dragon*? Yep, these toys are designed to look like the appendages of mythical dragons and legendary sea creatures. It's an American site and apparently these creatures come from lands of winter storms and frozen nights - and one even lives in the deepest waters of a majestic lake in bonny Scotland. With loads of models to choose from, one that tickled our fancy was the nine inch long *Dragon's Tongue*! And you can even buy *Bad Dragon Cum Lube*!

SUMMER SALE ON AD SPACE!

QX CHAT.com

**CHECK OUT WHY WE
HAVE GIVEN YOU THREE
NUMBERS INTO ONE
SERVICE**

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
