Welcome...

...TO SEPTEMBER'S SCORCHING HOT ISSUE.

WELL, DESPITE THE NUMBER of sex pigs we come across in this business, we've managed to stave off swine flu long enough to bring you another bumper issue of hot men and great porn.

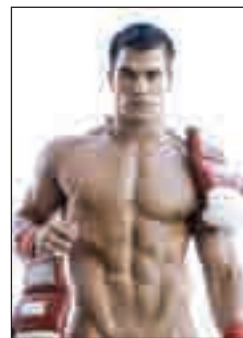

First up this month we get super-sized with Hot House Entertainment's **King Size**, a tale of epic proportions where the tops are hung and the bottoms are hungry. We got hot under the collar with **Fire Dance**, one of Kristen Bjorn's hottest videos ever made and then enjoyed watching the lads at play in FreshSX's **Boys With Toys**. Eurocreme proves that the under 21s can give as good the pros in **Tight Twink Holes**, the latest in the studio's Cherry Punks series. Eurocreme's also put together a collection its biggest cocks, suitably titled **Huge and Horny** and in **When Matt Fucked Ryan** we find out just what happened when Matt (11 inch) Hughes fucked Dream Boy Ryan Morgan. Those hunky Titan Men are crossing the line and up to no good in **Bad Conduct** and the lads at Triga Films are all muddy and sweaty in the changing rooms in **Rugby Fuckin' Union**.

We've had a few late nights out in London town recently partying in our silky football shorts at new sportswear night SEX at Sweatbox Sauna and then we struggled into our tight leather chaps for some fun at leather and rubber night Rut. There was no dress code required at new night Juggernaut. In fact, porn stars Ty LeBeouf and Ross Hurston ended up butt-naked when they put on a XXX-rated show for the launch of the new Alphamalemedia movie! We got

undressed and opened up our pores at a couple of saunas too when we helped celebrate Chariots Waterloo's 6th birthday and popped down to the South Coast to check out the newly refurbished Brighton Sauna... It's a hard job but someone has to do it!

On a recent whistle-stop trip to London to promote the launch of Hot House Entertainment in the UK, QXMEN caught up with studio exclusive Kyle King and put a few probing questions to the sexy man. And we've brought together some of the hottest guys from the Hot House stable for a IQ-busting quiz (or is it just an excuse just to drool over their perfect butts?) QXMEN's resident sexpert Hayden Bridge looks at the growing number of redheads in gay porn and finds out why ginger's getting hotter and we got our hands on the diary of Alphamalemedia's Trojan Rock which gave us a blow by blow account of his time spent with hot U.S. porn star Ty LeBeouf... and it's a darn sight juicier than Adrian Mole's any day! We also take a look at Eurocreme's sexy new photo book Nasty Boy that features some of the studio's sexiest stars. Plus we've got all the usual stuff to keep you hard and wanting more.

HOT HOUSE IN THE UK

HOT HOUSE exclusives and porn mega stars Kyle King and Ross Hurston were in London last month to promote the launch of the studio in the UK. Millivres Prowler Group (MPG) has retained the exclusive rights to distribute the films in the UK and pulled out all the stops to make the launch a successful one. First to be released was *Head Hunters Inc.* and *Head Hunters Two* (reviewed in last month's QXMEN), and the next release will be *King Size* on 15th September (see review in this month's issue). Kyle King jetted in from San Francisco to promote the launch of Hot House in the UK

and was joined by fellow star Brit Ross for an exclusive champagne reception at London's Barcode Soho. The guys also stopped off at Prowler's flagship store in the heart of Soho to meet and greet crowds of adoring guys queuing up to meet their horny heroes and have them sign books, DVDs and pages torn from issues of QXMEN. Rob LeVan, Director of Operations for Hot House said, "We're really impressed with MPG at how organised everything has been and feel very welcomed by the fans here in London, we just can't wait to come back!"

EXPECTATIONS

JESSE SANTANA SETS UP TALENT MANAGEMENT AGENCY

AFTER FIVE YEARS in front of the camera, sexy U.S. porn star Jesse Santana has set up Jesse's Boys, a talent management agency and model training company. The company will specialise in talent management catering to production companies, club promoters and scouts looking for the very best in fresh male models and entertainers. During his time in the business, Jesse's worked with various gay studios including Falcon Studios, Channel I Releasing, Jet Set Men and Titan Media and he hopes that his experiences will help others "duplicate his successes and avoid his mistakes".

"I want to raise the bar and the standards for the models and the clients," he said. "I'm constantly dedicated to growing our stable of guys and am guaranteeing our guys will be what we say they are. The boys will match the description the client requested, and if we don't have what they are looking for, we will find it for them. I want Jesse's Boys to be the place people turn to for male talent and the place talent come to learn the business and see their careers take off..."

I thought to myself, 'who better to represent a porn star than a porn star who is in the business, has been in the business and who has sat on both sides of the fence?'"

Check out the guys on his books at www.jessesboys.com.

KING SIZE

STUDIO: HOT HOUSE ENTERTAINMENT ★ DIRECTED BY ROBERT DRAKE

Starring: Colby Keller, Dean Phoenix, Josh West, Kyle King, Mike Roberts, Rafael Alencar, Ross Hurston, Scott Tanner.

HOT HOUSE EXCLUSIVE KYLE KING MADE HIS DEBUT IN KING SIZE, a tribute to guys of mammoth proportions, and the hot bottom boys who are adept at taking those monster cocks.

Kyle's up first and down on his knees sucking on Dean Phoenix's huge schlong like a pro. Dean returns the favour and then bends Kyle over to rim his puckered hole. Next he positions Kyle on all fours and pounds away at his arse, which is great to watch as Kyle has one of the most perfectly proportioned arsens in the business. And you can tell that Kyle loves getting fucked too as he thrusts his arse back harder and harder to take the full length of Dean's cock. Next up, and Ross Hurston is chowing down on Rafael Alencar's humungous eleven inch monster. You have to hand it to Ross as he sure can deep throat some huge cocks! After the guys 69, Ross sits down on Rafael's huge cock and bounces up and down until the entire eleven inches disappear up his accommodating arse. Once he's been fucked over a bench, Ross gets up on a stack of tyres, puts his legs behind his head for Rafael to drive his cock in even deeper. Kyle's back next in a solo performance, massaging his cock and sliding a red flashlight up his arse and making him shoot his load. Big strapping Colby Keller gets a taste of sexy blonde Scott Tanner's big cock in his mouth and then up his meaty arse in scene four. Scott fucks Colby in several different positions until both guys shoot their loads. Hot House has left the best 'til last when the studio treats us to a scorching hot three-way featuring Kyle, Mike Roberts and Josh West. Mike begins by fucking Kyle doggy-style when Josh joins them, bringing his truly King Size tool to the action. Mike pulls out and starts face fucking Kyle so that Josh can ram his ten incher into Kyle's eager hole and the explosive scene ends with Kyle's face dripping in thick white cum... Yum!

BOYS WITH TOYS

STUDIO: FRESHSX ★ DIRECTED BY REX KING

Starring: Andy O'Neill, Jak Williams, Karl Thomas, Josh Hancock, Nico James, Carl Williams.

WHEN FRESHSX TALK ABOUT BOYS and their toys, they're not talking about Action Men or toy cars. And they're not talking about PlayStations or iPhones either. Nope, the toys that these guys like to play with are arse-splitting dildos, anal balls, blow-up dolls, Fleshjacks and Sexercise balls... And boy, do they look like they're having fun!

Sexy Andy O'Neill heads a cast of six horny guys who, over five scenes, try their hand (or should we say arse or cock) at some of the great sex toys on offer these days. He's up first in scene one rummaging through his toy box full of dildos, butt plugs, and countless other sex toys. He pulls out a medium-sized flesh coloured dildo, lubes it up and - in front of the mirror - begins fucking his hungry hole. Feeling a little greedier he grabs a larger dildo and sucks down on it before thrusting it in and out of his sweet hole. Next, Andy takes out his Icejack - a clear version of the Fleshjack - from his toy box and pumps his cock in it. Jak Williams joins Andy next and the lads have

loads of new toys to play with. First up Andy's eager hole is a black Thruster dildo, followed by some anal balls, but wanting the real thing Andy sits on Jak's cock. The last toy to make an appearance in this scene is a huge double-ended dildo which the lads use to fuck each other, pushing back on it at the same time. A four-way fuck fest (or should we say a five-way as this scene does involve a blow-up man) is next featuring Andy, Josh Hancock, Nico James and Carl Williams. Now, we must admit that in all our years reviewing porn flicks we've never come across a blow-up male doll before but Josh, Carl and Nico certainly put it to good use fucking its mouth and arse and sitting on the doll's dildo dick. When Carl leaves the room Andy and Josh both go down on Nico's huge cock before Andy's the filling in the sandwich when he fucks Nico while Josh fucks him. Andy gets to grips with a Sexercise ball in scene four before he invites his mate Karl Thomas round to see his new toys and have a Jacuzzi. The Icejacks come out again and the guys work their cocks to the point of cumming before Karl fucks Andy... Playing with toys has never been so horny!

FIRE DANCE

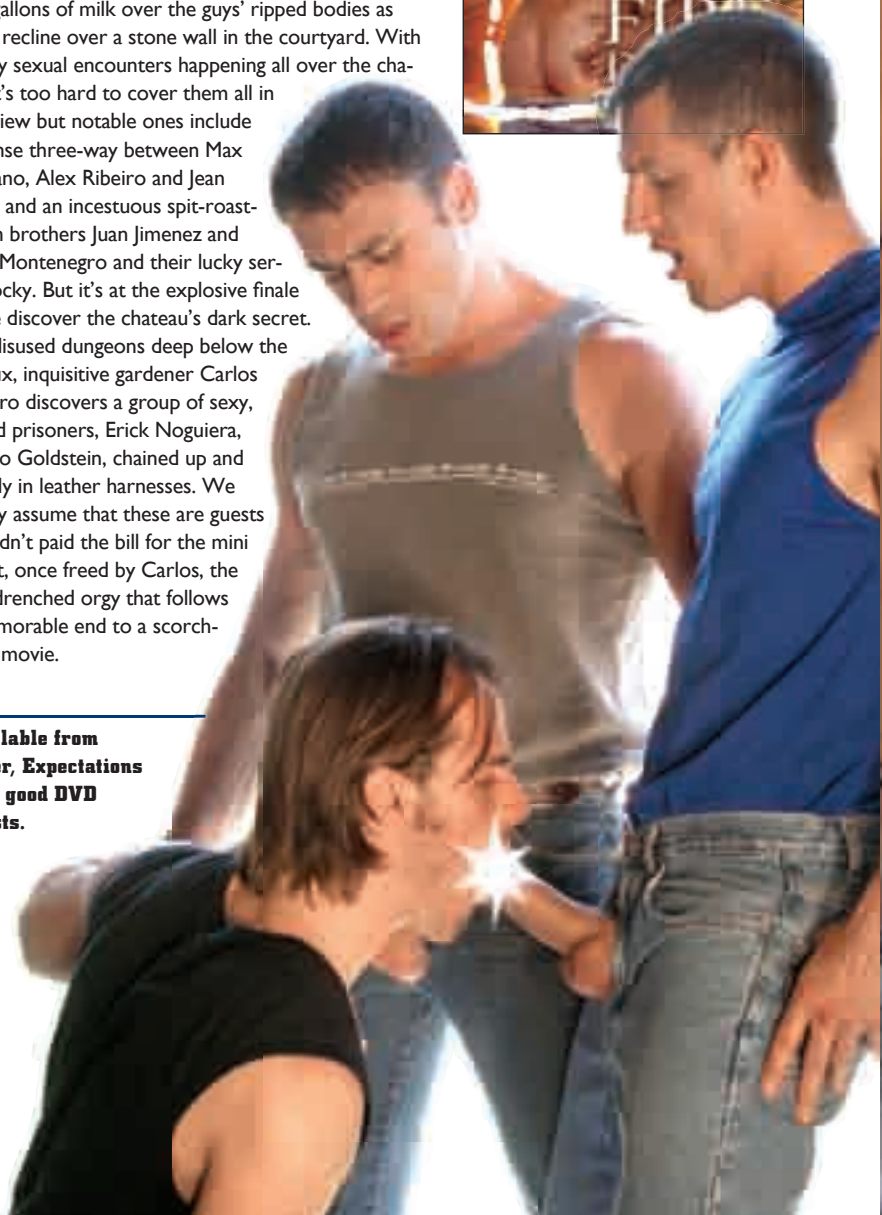

STUDIO: KRISTEN BJORN PRODUCTIONS ★ DIRECTED BY KRISTEN BJORN

Starring: Juan Jimenez, Carlos Montenegro, Matthias Vannelli, Zeca Romeiro, Rocky Oliveira, Max Veneziano, Bruno Duatre, Alex Ribeiro, Jean Franko, Carlos Caballero, Erick Noguiera, Mauricio Goldstein, Mukhtar Safarov, Mario Segovia, Falco Jabour.

HAILED AS ONE OF KRISTEN BJORN'S hottest movies ever made, *Fire Dance* has everything. A stellar cast of fifteen muscled Latino hunks, a stunning location and a plot with more twists and turns than a Cadbury's Curly Wurly.

The plot centres around two brothers, the gorgeous Juan Jimenez and Carlos Montenegro, descendants of an aristocratic family who've fallen on hard times. They live in the ancient ancestral chateaux with their faithful manservant Rocky Olivera, who's also Juan's downtrodden lover. To make ends meet the brothers have turned the chateaux into a guesthouse. However, rumour has it that many visitors to the guesthouse have never been seen again! In the opening scenes we're also introduced to the handsome gardener, Carlos Caballero and his jealous boyfriend Jean Franko, so with a household of hunks as sexy as this you just know that there's going to be plenty of hot action going on all over the place. And we don't have to wait long for some steamy hardcore sex when Rocky's punished for not cleaning a table properly by Juan. His punishment? His jeans slashed off and Juan's meaty cock pounding his arse over said table. Next we're introduced to the arriving guests, Bruno Duatre and Falco Jabour, a couple staying at the chateaux for a romantic weekend and circus performers Max Veneziano and Alex Ribeiro. But it's when friends Matthias Vannelli and Zeca Romeiro arrive to witness Juan getting blown by Rocky at the window that the action really begins. Turned on by the sight they head straight to a stone outhouse and start to blow each other's cocks. They're joined by strapping milkman Mario Segovia, who, after some hot fucking, sensuously pours gallons of milk over the guys' ripped bodies as they're recline over a stone wall in the courtyard. With so many sexual encounters happening all over the chateaux it's too hard to cover them all in this review but notable ones include an intense three-way between Max Veneziano, Alex Ribeiro and Jean Franco, and an incestuous spit-roasting with brothers Juan Jimenez and Carlos Montenegro and their lucky servant Rocky. But it's at the explosive finale that we discover the chateau's dark secret. In the disused dungeons deep below the chateaux, inquisitive gardener Carlos Caballero discovers a group of sexy, muscled prisoners, Erick Noguiera, Mauricio Goldstein, chained up and clad only in leather harnesses. We can only assume that these are guests who hadn't paid the bill for the mini bar. But, once freed by Carlos, the sweat-drenched orgy that follows is a memorable end to a scorching hot movie.

CHERRY PUNKS: TIGHT TWINK HOLES

STUDIO: EUROCREME ★ DIRECTED BY MARC REARDON

Starring: Jonny Ryder, Seth, Jake Robinson, Jaymie Brooks, Tristan Blake, Tristan Dean, A.J Chambers, Justin Baber.

THE SECOND FEATURE FROM EUROCREME'S CHERRY PUNKS studio line, *Tight Twink Holes*, delivers exactly what it says on the cover - young twink getting their tight arses fucked by their mates. And boy, these under 21s sure can fuck!

First up it's Jonny Ryder who's lying on his bed and wanking his stiff cock. He's a beautiful boy with floppy brown hair, soft red lips and looks like butter wouldn't melt in his mouth. But don't let looks deceive you, as it's not long before his jeans come off and he's sliding a black dildo up his tight twink hole. Ramming the dildo in faster and faster he increases the strokes on his stiff cock until he shoots his load, lying back on his bed with a look of satisfaction. Young Jake Robinson and Seth are tenderly kissing on the bed next and you can tell straight away that these two lads are really into each other. Rubbing each other's growing bulges through their jeans, Seth soon pulls Jake's cock from his jeans and it springs out, ready for action. It's big with a nice curve to it and one of those cocks you know will definitely hit the spot. After they suck each other's throbbing cocks they strip naked to reveal their tight, slim bodies and Jake starts to finger Seth's hole in readiness for his cock. And Seth doesn't have to wait long, as

Jake fucks him hard and fast before flipping and sitting down on Seth's cock. Still riding his mate's cock Jake lets out his thick creamy white load over Seth's smooth tight chest. We find Jaymie Brooks and Tristan Blake in the bedroom in scene three, and the lads are taking turns sucking down on each other's stiff cocks. A red butt plug goes up Jaymie's tight boy hole before Tristan fucks him. Young Tristan Dean and A.J Chambers are just in their pants in the next chapter and after the lads have stripped off out of them, A.J. fucks cutie Tristan on his side, going in deep from behind. A.J. continues to fuck his smooth skinned mate, now on his back with his legs in the air before both lads cum. Jonny Ryder makes another appearance in the final scene with sexy young buck Justin Baber. First Justin inserts some long black anal beads up Jonny's smooth boy hole before pulling him to the edge of the bed, holding his legs up and fucking his mate's tight butt. Then, holding Jonny firmly around his waist, Justin fucks him hard, doggy style from behind, pulls out and shoots his creamy load over Jonny's back.

HUGE & HORNY

STUDIO: EUROCREME ★ DIRECTED BY SIMON BOOTH

Starring: Steven Prior, Rick Hunter, Mason Wyler, Titch Jones, Grant Joshua, Jordan B, Matt Hughes, Nathan Cox, Ty Reece, Toby James, Drew Brody, Anthony Thomas.

HERE AT OXMEN WE'RE CERTAINLY NOT SIZE QUEENS. *In fact, we always say that it's the personality that counts. Yeah right, who are we trying to kid! We love big cocks and we love Eurocreme's new compilation of some the studio's most enormous dicks ploughing tight and hungry butts.*

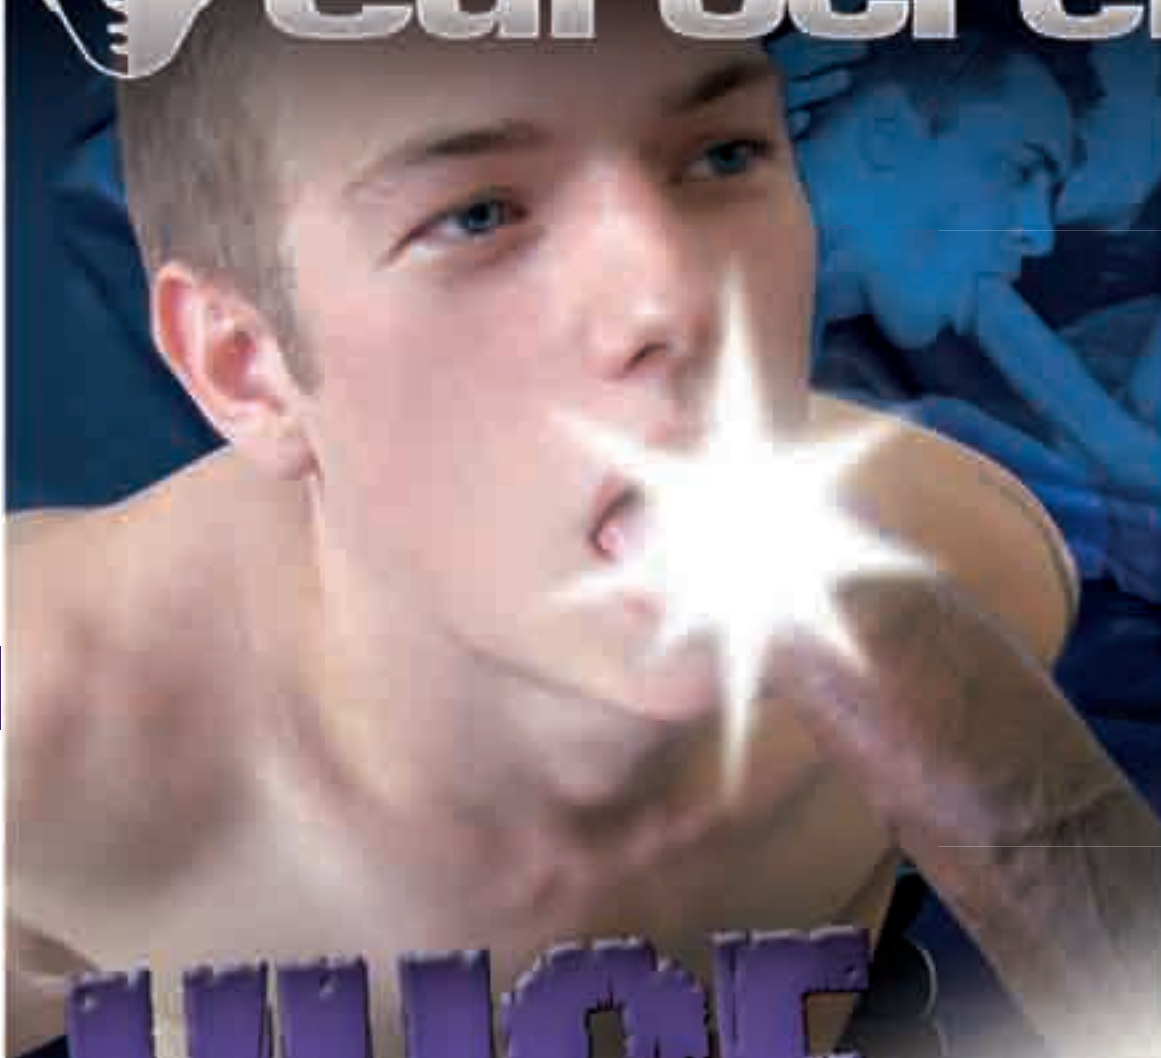

First up and we're being treated to a mouth-watering scene featuring young Steven Prior; that cute, skinny twink with the monster dick that we're always amazed doesn't make the young lad topple over when it gets hard, and Rick Hunter. As Rick tentatively sucks on the humongous helmet, Steven pushes the back of Rick's head further down on his shaft and we wonder if his cock might burst through the back of Rick's neck. But like a true pro he takes a good length of it down his throat, prepping the monster cock for his tight hole. Sitting down on Steven's mammoth tool Rick rides it like a good 'un before Steven flips him on his back, holds his legs back and pounds Rick's willing hole. This is one scene that'll have you hitting the rewind button again and again. Next up, and Mason Wyler, Titch Jones and Grant Joshua are three young workmen who make up a hot threesome. Bored on the job the three strip naked and Grant has the enviable role of the filling in the sandwich with Mason pounding away at his arse and the hugely hung Titch forcing his cock down his throat. The roles are soon reversed and Titch gets to fuck his arse before shooting his massive load in glorious slow motion. Jordan B and Nathan Cox lure Matt Hughes back to their apartment with the promise of straight porn in scene three, leading to lucky bottom boy Nathan getting it good at both ends before we come across Ty Reece and Toby James who are cruising each other in the park. It's Toby's cute boy butt that gets opened up by Ty's huge shaft in this scene, culminating in both lads shooting spunk fountains. Eurocreme has left the biggest cock 'til last, an outstanding 10 inch thick, black monster belonging to sexy rudeboy Drew Brody. Both he and cute twink Anthony Thomas deliver a butt-clenching final scene and we salute young Anthony for his ability at taking Drew's tree trunk-like dick deep up his boy hole... With such a hot selection of huge cocks, we challenge you to choose your favourite scene.

WHEN MATT FUCKED RYAN

STUDIO: EUROCREME ★ DIRECTED BY SIMON BOOTH

Starring: Matt Hughes, Ryan Morgan, Ben Slater, Jak Williams, Nathan Cox.

SO WHAT IS IT ABOUT MR MATT HUGHES that sends us gayers into a tizzy? Is it that he's a fully-fledged straight guy (we know, we asked him personally after a few bevies) who's happy to stick his dick into an eager man-hole or boy butt? Is it the fact he looks like a regular but very sexy London geezer? Is it that enormous throbbing member, or all of the above? It's probably what inspired Eurocreme to put a collection of his hottest scenes on to one DVD Matt-fest... genius!

The first scene sees a gorgeous brunette twink with a lithe and smooth body waking up with a massive case of 'the horn'. He's soon working his cock and reaching for a huge black dildo as he fantasizes about Matt pummeling his tight butt. Thanks to the magic of cinema we get to see this wonderful dream, with him working his way down Matt's enormous shaft, then taking the full 11 inches in a variety of positions - and loving every second! The cum shots from both the boy as he's ploughed hard, and the endless stream of juice from Matt's cock over the twink's very contented face, are worth watching the DVD alone. The next scene kicks up the hotness

even more as Matt enjoys a boys' night out in London's gay capital Soho with not one but two hot brunette twinks. A DVD of straight porn back at their flat, and a few shandies later, and Matt is being serviced by the increasingly horny duo, and it's nice to see Matt definitely getting into the action while the boys take it in turns to worship his gigantic schlong. Next up and Matt takes a well-earned break to a tropical beach, and he has no problem finding an eager mouth waiting under a palm tree, while a chav-esque cutie in tight blue shorts joins the party. Soon the boys take it in turns to enjoy the Matt-member, as one gets pummeled in the dirt and receives a fantastic fountain of cum for his trouble. So much more fun than a holiday in Butlins we think!

RUGBY FUCKIN' UNION

STUDIO: TRIGA FILMS

WE ALL LOVE THE SIGHT OF A BEEFY BLOKE in his rugby kit, all sweaty with mud splattered up his meaty thighs and heading off to the changing room for a communal bath with his teammates. But alas, there's just not many rugby-themed porn flicks about. So when the lads from Triga pull one out of the bag you know it's going to be a blinder.

The action kicks off with four beefy rugby blokes training for the new season, egging each other on and picking on the new youngster who fancies himself as a prop forward. When they decide he's not putting enough effort in they decide to teach him a lesson by all three of them fucking his virgin arse before spunking all over the hapless lad. After all his efforts on and off the pitch Andy, the muscle-bound team captain, decides he needs a massage. After being worked on by the strapping sports physio for a few minutes he's got a massive hard on poking out of his shorts. The sports physio is

only too keen to get to work on this muscle and soon Andy's bent over the massage bench and getting more than he bargained for.

Later, Andy is working out when one of his mates gets out of the showers and starts pumping iron with him. The big centre half is soon sucking his mate's massive 10 inch cock before sitting down on it. The lads from Triga have left the best 'til last when Andy and his work out mate are joined by two other blokes from the team for a hot, sweat-drenched four-way cum eating finale. If you love rugby blokes and fantasize about them getting it on, on and off the pitch then you'll love this steamy changing room all action movie.

BAD CONDUCT

STUDIO: TITAN MEDIA ★ DIRECTED BY BRIAN MILLS

Starring: Dean Flynn, Will Parker, David Dirdam, Mike Dreyden, Kurt Weber, Leed Scott, Treshawn Valentino, Slade.

SOMETIMES, EVEN THOUGH YOU KNOW IT'S WRONG, the urge can be too strong and you just have to follow your instincts, abuse authority and be bad. It's *Bad Conduct*, the latest movie from award-winning director Brian Mills featuring nine studs who get themselves into sticky situations with only one solution - crossing the line.

Scene one and Gio Forte and David Dirdam can't control themselves, strip out of their clothes and Gio drops to his knees to deep throat David's massive cock. David returns the favour before sitting on Gio's face, an action that brings both guys to orgasm. Next, David's sat down on Gio stiff cock and bouncing up and down. Then it's Gio's turn to get his hole filled by David's pendulous cock before they flip and David gets some more of Gio's cock rammed up his arse. Bearded handyman Mike Dreyden is having a crafty wank, unaware that he's being watched by Kurt Weber. The two spy each other and Kurt slides his meat

through the bars of the elevator's cage doors. Mike instantly deep throats Kurt, choking as he gobbles his cock down deeper. After the two have shot their loads, Kurt warms up his mate's arse hole in preparation for the deep, steady fuck that follows. Scene three and Treshawn Valentino is rubbing the massive bulge in his briefs while admiring shirtless Leed Scott, who's clipping trees outside. He knows it's wrong but heads outside to get Leed to suck his thick black cock. But it's in the field behind the house that Leed bends over and takes Treshawn's massive cock in his arse - outstanding! Disruptive student Will Parker has been bullying another classmate and is called to the school's office by administrator Slade where the concerned parent (Dean Flynn) is also waiting. "Will, get on your knees," demands Slade. "See Mr Flynn, Will needs more than simple detention to keep him in line." And so follows a hot three-way with Slade and Dean taking it in turns fucking Will's mouth and sexy bubble butt... Being bad never felt this good!

HARD DRIVE

MENOFLOUR.COM

"IT ALWAYS SURPRISES us what we can get these straight black lads to do for a bit of cash!" the guys from MenofColour.com told us. "Over the years we've found that the guys who answer our adverts soon lose their inhibitions after a couple of shoots with us. The first time is always a bit tense, but we love that thrill of not knowing what their reaction will be when we ask them to strip and then to wank."

QXMEN took a look and couldn't believe our eyes when, in one video, Jayden - a hot, macho, straight lad - bends over and shows his arsehole, spreading his cheeks for the cameras. For any straight man this would be embarrassing, but Jayden even lets the cameraman grease up his puckered hole, circle around with his finger while stroking his dangling ball sack and then push his finger slowly in, right up to the knuckle! Jayden squirms when the anal beads are introduced to his newly opened sphincter, but he takes them all and he's surprised and ashamed when it makes him rock hard. Pre-cum dribbles from the end of his curved cock and it seemed to us that he had no choice but to wank off furiously to relieve the tension. Jayden sprays thick ropes of sticky jizz all over himself and the cameraman's shoes. We love the little chats pre and post-action on MenofColour.com too. The guys behind the camera seem to love making their models squirm and they remind us that these aren't porn actors, but real first-timers. "This is our only site and it is a labour of love. We shoot the guys who turn us on. We don't like the obvious porn clichés. We want to see amateur straight men with hot bodies and cocks, being pushed to their limits."

MenofColour.com is the only site that we've come across that features only black British studs and these guys live up to all the clichés - long, thick hard black cocks and tight virgin arses in brilliantly shot HD videos.

KYLE KING

Hot House Exclusive *Kyle King* made his debut in *King Size*, reviewed in this month's *QXMEN*. We caught with the sexy man when he was in London to promote the movie's release.

Hi Kyle, can you tell us how old you are please?

I just turned 27 at the end of July.

And where do you live?

I grew up in the Bay Area and now I live in SOMA (South of Market) in San Francisco, California.

So what brings you to London?

Well I'm here to promote my first video release *King Size*. But I'm really excited to see London. I've heard so much about it - the night life is supposed to be wild and I hear the guys are hot and hung!

What did you do before you started making porn?

I was in school studying Landscape Architecture.

How did you get into the industry?

I hooked up with C.J. Knight (a former Hot House

"OF COURSE, THE COACH WOULD FUCK US BOTH..."

PROBABLY IN THE LOCKER ROOM SHOWER... OR ON THE FOOTBALL FIELD."

Exclusive). We met in a club and he took me to the place he was staying, the hotel where Hot House hosts their models. We had crazy sex all night long and woke up ready for more. We were going at it when the door flew open and there was the Hot House Casting Director. He saw what was going on and said I was hot. He asked me if I ever thought about doing porn. We started talking and he introduced me to Steven Scarborough. They signed me shortly after that!

What was your first film?

King Size.

Were you nervous?

I didn't feel nervous until I got to the studio and my heart started beating a little faster. Luckily everyone on the set was really cool and I was paired up with a hot model named Dean Phoenix who has a lot of experience and he helped me through it.

Do you find it easy to perform in front of the camera?

Sure do... I love it. The more movies I'm in the easier it gets. The camera sort of becomes another person in the room when you're having sex. You have to be conscious of it and knowing that it's filming everything is a real turn on.

Which studios have you worked with?

I have worked with Hot House exclusively since the beginning. Everybody there is like family. They take

care of me and make me look good!

Which is your favourite movie that you've starred in?

Definitely *Skuff 4*. I was put in the middle of these two huge muscle-bear type guys, Brendan and Luke Davies. They're pumping me from both sides and all of the sudden it starts to rain - inside! It's amazing. You have to see it!

If you had the chance to direct a scene that you're in and cast the other models, who would

you choose and what would happen?

I would cast myself with one of my fellow Hot House Exclusives, Paul Wagner (who I haven't gotten a chance to work with - yet) and a real hot daddy-type top. Paul and I would be teammates in football gear and the daddy would be the

► football coach. At first the coach would watch me and Paul get it on, like strip each other out of our gear and jack off. Then the coach would walk in and catch us together and be all pissed off. He would verbally dominate us, you know, tell us what to do. Of course, the Coach would fuck us both... probably in the locker room shower... or the on the football field. That would be hot!

Who's the hottest TOP in the industry?

I just worked in a new Hot House movie called *Movers N Shakers* with Rod Daily. He has a huge cock that just begs to be sucked and he throws a mean fuck. I get hard thinking about it!

And the hottest BOTTOM?

Well... in addition to me (laughs) I'd have to say the hottest bottom is new Hot House Exclusive Vince Ferelli. Have you seen him? He's like 225lbs of muscle and he bends over and takes it like a man!

Are you top, bottom or versatile?

Well I joke about being the hottest bottom, but actually I'm versatile. I like being topped by big men with body hair, muscles and hard cocks. If I'm going to top I like the other guy to be my age or younger, athletic and good looking, but not a twink!

"I LIKE BEING TOPPED BY BIG MEN WITH BODY HAIR,

MUSCLES

AND HARD COCKS."

What's your favourite position?

Doggie style... I'm old fashioned like that.

Is it a turn on watching yourself performing on screen?

I do not really watch myself on screen. When I watch porn I honestly enjoy straight porn a lot, as long as there is more than one guy and they are hot! I get off on gangbangs with tons of hot hung guys and one chick.

So, what turns Kyle King on?

I like athletic gear - a lot! Jockstraps and shoulder pads and singlets and cleats. You know, the kind of gear we wear in *Locker Room*. I'm in a scene with Hot House Exclusive Ethan Wolfe and Blu Kennedy. They are both so hot. Ethan has an enormous cock - like the biggest cock I've ever seen. And Blu is this totally cute, well-built red head with a big cock. The scene opens with me taking a piss and Ethan cruises me. Me and him start messing around and Blu catches us so me and Ethan dominate Blu and everybody does everybody. It's so hot.

What do you do to relax?

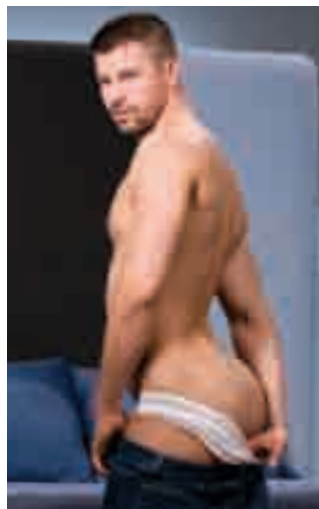

Lift weights. Go to the beach. Read a book. Jerk off... Not necessarily in that order.

What's your favourite part of your body?

Everybody seems to think I have a big cock. I guess I do. And I never get any complaints about my ass. My favorite body parts would be my ass, traps, and delts. I work really hard on developing my upper body. I think my shoulders are starting to look good.

Where do you see yourself in ten years?

I hope to continue studying Landscape Architecture. One day I'd like to have my own Landscaping business.

If the world were to end tomorrow, what would you rush out and do?

Visit my mom and sister and then get laid by my man. **Finish this sentence. The best part about being a porn star is...**

... Getting to fuck hot guys who love sex just as much as I do.

So, what's next for Kyle King?

My plan is to work for Hot House and in another year or so hopefully be full time in school and working towards a career in landscape design.

Finally Kyle, describe yourself in three words.

Masculine. Athletic. Horny.

SIMPLY RED: HOW GINGER GOT HOTTER

ALL OF A SUDDEN WE'RE AWARE of prejudice against redheads. In 2007 a family in Newcastle claimed that it was forced to move house because of the abuse suffered by their four redheaded kids. Last year a 15-year-old boy in Urmston, Lancs., hanged himself, possibly because, as far as school bullies are concerned, ginga is the new gay. But this ignorance is nothing new. Because red is the rarest hair colour, and people with red hair also tend to be pale and have freckles, redheads have always been treated as aliens. In the Middle Ages women with red hair and green eyes, a common combination, were thought to be witches. In Scotland, the "first footing" tradition decrees that, if a redhead is first through your front door after midnight on Hogmanay, he'll bring bad luck. Probably because they were discriminated against, redheaded women developed a reputation for fiery temper. This made them desirable. Famous for their golden tresses, film stars like Rita Hayworth and Moira Shearer encouraged many women to reach for the hair dye. But redheaded men weren't so lucky. To this day straight gingas are figures of fun. Look at Prince Harry, Mick Hucknall and Chris Evans. And how many redheaded male movie stars are there? Ewan McGregor and...er...? But recently gay men have (as always!) taken the lead and decided that ginger blokes are sexy. This has happened not a moment too soon. Research suggests that redheads will become extinct within the next hundred years! Redheads have always been with us. But never in any great number. The highest current estimate of the

world's ginger population is 4 per cent and it could be as low as 1 per cent. Because of their pale skin, copperknobs survive mostly in cold climates. There's a few in Norway (hence Erik the Red). But the country with the most - 16 per cent of its total population - is Scotland. It's possible that the deep-rooted English wariness of the Scots derives from fear of men who looked different, with red hair and beards. (Gay Englishmen, on the other hand, have always been rather taken with big, hairy Scotsmen, their kilts flying as they toss their cabers).

Claims have been made that several figures of antiquity - Cleopatra, King David, Boudica, Mohammed - were carrot tops. Without contemporary portraits we can't be sure. But Queen Elizabeth I was always painted with red hair. And it's impossible ▶

"NOT ONLY ARE THERE MORE OF THEM AROUND RIGHT NOW,

THEY'RE OFTEN INVOLVED IN THE RAUNCHIEST SCENES."

The experiences of porn star Will Clark are probably typical. He began as an actor but had no success. "No one was casting a young, redheaded male," he says. He auditioned for Falcon, but was told, "You're too white, you're too hairy, you're a redhead. We don't care for any of that stuff." But then he got a bit part in the stylishly offbeat *Night Walk* (1995) and later specialised in being roughed up in leather. His last film to date is *Red Star* (2003) with another piece of red meat, Rusty Samuels. (Clark now works as an AIDS fundraiser). Another redhead pioneer was Erich Lange, first seen in 1986 and still in the business today although mostly on the other side of the camera.

The redheads still pumping it out at the moment are often paired with contrasting types. Ben at www.newyorkstraightmen.com specialises in going down on dark-haired men. Several redheads like to work with black partners. One of the first scenes that Blu Kennedy filmed was with Jay Black in Dill Media's *Bedrock* (2004). In April 2008, QXMEN called Steven Ponce's scene with Diesel Washington in Titan Media's *Telescope* (2008) "one of the most intense fuck scenes you've ever seen." In February this year, when we reviewed the *Dark Alley* release, *Gaytano* (2007), we noted that "Tim Rusty, with his milk-white skin and vivid ginger pubes is a hot contrast to fit, black Tony Diamond." The red/black thing in gay porn has been addressed on Kieran and Joey's American site *Gingerheadman*, the best of its type, which promotes "redheaded males as sexy and desirable." Earlier this year a poster asked, "Do black men especially fancy males with red hair? All the nicest compliments I've ever gotten on my copper locks have come from black guys." One response was, "I am a black man and I date men of every ethnicity. If I date a white man, I typically have a preference for redheads. In trying to determine why, I wonder if the notion of 'opposites attract' applies? It may be social, cultural and historical differences that attract white men and black men, but in terms of a preference for redheads, it seems purely visual for me. The pale skin and the hair colour are clear attractors. Other features, which add to the striking appeal, are blue or green eyes." In other words, we're all in agreement that the unique redhead look, complete with pale skin, can be a big turn-on. Redheads are a joke? Not to us. In order to dispel any lingering doubts, British photographer Lewis Gill's blog, *The Ginger Man*, aims to "displace the myth that gingers are not attractive." Lewis snaps redheads he likes and invites your comments. Here's one: "I'm so jealous I can't stand it. So handsome, and look at all those freckles. Yummmmm!" Lewis wants more pictures of redheads so send yours in!

Are redheads really a dying breed? The mainstream redhead site, *Red and Proud* (they used to give an award, Redhead of the Year, but haven't recently), thinks it's too early to predict extinction. "Don't panic!" they advise. Certainly we're more ginger aware than ever before. *Gingers! The Musical* ("a hilarious portrayal of the trials and tribulations this genetic minority face") played on the Edinburgh Festival Fringe this year. Would that have happened ten years ago? I doubt it.

► to imagine van Gogh without his. Coming more up to date, there's been a revival of pride among redheads. Thus we have an actress taking the name Ginger Rogers and a drummer calling himself Ginger Baker. In the U.S. redheaded sportsmen have attempted to deflect negative jokes by changing their first names to Red. (This psychology also works for men who don't mind being called Paddy, Taffy and Jock). In 2006 some (not very academic) German research found that redheaded women have more sex and that women who dye their hair red are signalling that they want more sex. Or something. Statistics for redheaded men don't seem to have been recorded. But judging by gay porn (in my view porn has always been a pretty accurate barometer of what's sexually acceptable) flame-haired men are just as horny as their auburn sisters. Not only are there more of them around right now, they're often involved in the raunchiest scenes. (Take a look at aggressive fucker Tim Kruger on his *Tim Tales* site). Where did all these red devils spring from? Well, of course they've been in hiding. Not so long ago a male gay redhead was regarded as socially inferior. The only celeb to tick all three boxes was Andy Bell and he's more of a strawberry blond. (Redheaded comedian Danny Kaye was as gay as a goose, but he never came out).

THE HEADY SMELL OF LEATHER filled the arches of The Hoist, London's infamous fetish bar, back in July when Rut returned for another instalment of the monthly night for serious leather and rubber lovers. Both arches were rammed with horny up-for-it guys kitted out in buffed leathers and shiny rubber, the daddies in their chaps and sexy leather jeans while the younger sexy guys squeezed into skin tight shorts, tiny leather pants and even tinier jockstraps! Everyone looked hot and it certainly looked like they were all having fun.

JUGGERNAUT: 25/07/2009

EAGLE, 349 KENNINGTON LANE, VAUXHALL, LONDON

JUGGERNAUT, THE NEW NIGHT from the guys behind London's Tonker, steam-rolled into town and ploughed into Eagle club on a hot and sultry evening back in July. QXMEN was there to witness the XXX-rated stage show from American porn star Ty LeBouf and sexy Brit Ross Hurston who wowed for the sexy up-for-it crowd of bears and muscle guys. The guys were in town to promote their new Alphamalemedia movie and were later joined by Trojan Rock and Carlo Cox, much to the delight of the party-goers... Four hairy, muscle-bound porn stars in one club on the same night - result!

SEX AT SWEATBOX: 04/08/2009

SWEATBOX, 1-2 RAMILLIES STREET, SOHO, LONDON W1F

WHEN SUZIE KRUEGER, of clubs Fist and Hard On fame, organises a party, you know it's not going to be of the jelly and ice cream variety. And when you throw London's Sweatbox and hot guys in sports wear into the mix, you know it's going to be one hell of a party. Arriving at the sauna we were greeted by a bevy of sexy guys kitted out in silky football shorts, tight Speedos, jocks and towels - a refreshing change to the bog-standard sauna uniform of white towels - and the lack of nudity certainly wasn't suppressing any of the guys' libido (you can spot a hard on through silky shorts a mile off!). While some guys hung out in the bar lounge listening to the funky sounds of HiFi Sean and Brent Nicholls, others cruised Sweatbox's sauna, playroom, corridors and soaped each other down with the foam machines... We just hope all those silky football shorts won't shrink in the wash!

■ Next party will be in October. Keep checking QXMEN for details.

A (butt licking good) WEEK IN THE LIFE OF A PORN STAR

[By Trojan Rock]

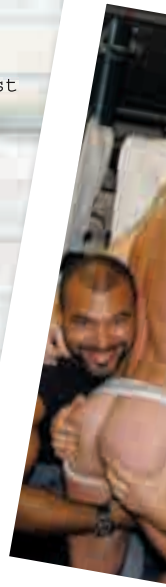

So y'all already know, down south in the States, they have chicken which is finger licking good. Well, we had a visitor from the U S of A who is arse licking good! Not only that, he left half of gay London missing him. I have to say, we always seem to have a great time when models come and shoot with us, and Ty LeBoeuf was no exception, a real sweetheart. He arrived, beaming, off the redeye from the America, to film for Alphamalemedia.com and left beaming several days later and after one of the most grueling schedules I have seen a model undertake.

Wednesday mornings I meet Ty at Earl's Court Station and took him to his hotel. Luckily it's opposite my apartment. What a Pup he is. Bouncy and chatty and so excited to be in London. I am excited at the thought of being in him!

Thursday morning (early!) It's call time for the first sex scene of the week and I'm bleary eyed. Drank a little too much red wine with friends last night. I should know better at my age. I believe Ty did the same. He hooked up with old mates who dragged him around Soho. I meet Ty at his hotel and we grab a taxi. Ty is looking bright eyed and bushy tailed and doesn't stop chatting. I wish I hadn't had that last drink! Ty is leaning out the window taking shots of London. Probably a good idea. He is not going to see a lot of it! At least he is quiet for

a moment... We roll up to the location - Sweatbox Sauna - at 7.20am. I'm excited about the shoot. Not only will I get to keep Ty quiet by shoving my cock in his mouth, but I LOVE sex in saunas... Sometimes my job is the BEST!
The crew (Maxwell B and Lorenzo) are setting up lights. Mark and Jason, the owners of Sweatbox, are sorting out the electrics. It's fucking hot in the sauna. It's been off all night, but it's still amazingly hot. Ty and I strip off and start admiring each other. Hmm, neither of us can wait for the camera to start rolling so we begin with a little kissing, licking and teasing. All is good, as it helps warm us up for the photos. After the photos are finished we get down to the action. This is a dream shoot and the chemistry is there. It couldn't be better - a cub who likes daddies and a daddy who loves hairy cubs. Even though it's like fucking for hours in the middle of the desert, we manage. I'm like a pig in heaven as Ty sits on my face for a shot. I want it to last forever. I'm in heaven, deep probing his hairy arse and his perfect puckered hole with my tongue! Ty is in a great mood. I've been fucking him for a while in various different positions that help Maxwell B get the shot (but sometimes it feels like a session of Ashtanga Yoga) and yet Ty doesn't want to finish the scene. He asks Maxwell B if he can fuck me now. Maxwell B looks at me. I look at him. How can I possibly refuse a visitor's request? We finish off with Ty spraying a load over my hairy chest and then he sits over one of my legs, his huge thighs squeezing mine, and I come too. The sweat is literally pouring off us so we hit the showers for some horseplay. Lorenzo, never one to miss a photo op, shoots away, as we soap, kiss and rinse off.

Friday mornings I am almost unable to walk. Not because Ty fucked me, but because the scene was exhausting in that heat! Carlo, my porn star husband, wakes me up as he heads off to the second shoot of the film, again with Ty. He laughs and says he cannot imagine why I'm so tired. "Wait and see", I say.

Friday midday:

At lunchtime I roll up on set to film a cut-away of me walking into Sweatbox. I'm lucky enough to arrive just before Carlo and Ty perform their cum shots! Woof, two hairy muscle studs, all sweaty and about to unload their spunky loads over each other - and I'm there to witness it. This is happening in the shower area. I don't tell them I'm there. I just watch through the glass of the door. They're still sucking and pulling each other off. It's so damn horny and I get a hard on, but I'm not able to do much about it. I feel a mixture of frustration and pleasure... The boys change and they do their cut-aways They both have very ruddy complexions from the heat of Sweatbox so Loz applies some quick make-up.

Friday Afternoons:

Not much time to rest today and hardly time for lunch as we realise it's almost 3.30pm. In less than an hour we all have to go to fetish store Expectations in North London's Old Street for a signing. We're launching Out On The Hit, the last release from Alphamalemedia.com and Ty leBoeuf is going to do a surprise strip! I'm knackered, Carlo goes home for a quick nap, but Ty is as ever bouncy. We name him Fluffy the Duracell bunny, for obvious reasons. At Expectations, we all have a blast. Everyone seems to have far too much sexual energy in the store and it gets even more raucous as Ty does his striptease. For a son of a preacher man (seriously!) he knows how to put the 'tease' into striptease!

Friday night late:

We continue to party at Barcode Vauxhall. From there, Ty, Carlo and I and a friend head for Battersea to continue the night's entertainment. The four of us entertain each other, which results in a broken bed frame and a crushed computer... Oops!

Saturday Afternoons:

I get out of bed, grab a coffee, grab my lights and grab the camera to recharge. Today is my turn behind the lens. I'm filming Ty wanking for Alphamalejerkoffs.com. I fix the lights just as he arrives. He's looking as well as ever! I'm jealous of his youth, but grateful for his maturity when it comes to sharing his

"ass"ets! Realising we have limited time we get on with the

job in hand, or rather his hand. I'm wearing my tracksuit

bottoms. They have two reasons for wear: One so that if I get hard on while filming a jerk off, there is room for expansion and second, if a model needs inspiration, there's something easily accessible to hand.

Ty loves stripping and stroking and is about to shoot his load when a friend of mine arrives, unexpectedly. Ty loves hairy men, and my mate is hairy as hell, so I introduce them, leave them to play for a half hour and click away. This is hot, very verbal and a little kinky. I'm so glad to be witness! I realise the clock is ticking and have to disturb them and order (a little unfair, I know) Ty to shoot! He delivers.

Saturday evening:

Saturday night and things got even hotter.

We're all at the Juggernaut party at the Eagle in Vauxhall and we're sprayed with Alphamale logos as they're sponsoring the event.

Easy work for me as I just have to walk around, chat and have fun

It's even more fun though for Ty and Ross Hurston. The super hung and more muscled than ever Ross, who was discovered by Carlo Cox and started his career by acting for Alphamalemedia, is performing a fantastic live show with Ty.

It's being filmed by Maxwell B and Lorenzo for Alphamalefuckers.com. Both Ross and Ty go for it, sucking each other's cocks like hungry pigs, licking each other's butts and probing each others holes. Towards the end, I couldn't see if Ty was still smiling as Ross was sitting on his face and wanking to the point of spraying those close enough to the stage with his load!

Saturday midnight:

Ross leaves with his 'woof-worthy' boyfriend and Ty has to go back to his hotel and pack as he has an early flight. Carlo and I want to stay a while at the club so Dorian Black, the club host, kindly says he'll walk Ty to the taxi rank. We don't stay too long at the club. The evening has made us as horny as hell, so we hook up with some old mates and arrange to meet them a little later. We nip home and, just as we are leaving for our mates, get a call from Ty. He wants to know if we have any condoms? "Of course we do", I tell him. We meet him outside our apartment. "I am amazed at your energy", I say to Ty. He looks at me and so does Carlo. They laugh loudly. "What about you? Where are you off to?" they say in unison!

Sunday Afternoons:

I'm in bed watching Murder She Wrote... Just me and Carlo.

You can see much more content from the week at www.alphamalefuckers.com and www.alphamalejerkoffs.com.

WWW.GAYSAUNA.CO.UK

THE BRIGHTON SAUNA formerly the Brighton Oasis and Refresh Club, re-opened in July this year and is bigger and better than ever before. Now gay owned and run, the new owners have spent 12 weeks completely re-fitting the venue. They've worked hard to make sure that now there's everything you could possibly want from a gay sauna in Brighton and have really tried to put back the community spirit the sauna once had. Inside, the décor is a warm and friendly colour scheme of red and cream and the upstairs areas are all carpeted. The pool has gone and in its place are cabins and a TV room with large, comfy padded seats to sprawl yourself across. Other facilities include a large 15-man steam room and 20-man sauna (both with their own porn TVs) glory holes, a dark room and luxury cabins with their own TV, locker and private space which can be hired for just £1 per hour. The staff are friendly and helpful and the sauna offers free teas, coffee and chilled water and a great range of food, which is charged to your tab so you pay before you leave. There's also free Internet on three state of the art laptops and the Brighton Sauna is the only sauna in Brighton to have a dedicated outdoor smoking area. Being open 24 hours at the weekend means that overnight on Fridays and Saturdays is always very busy. In fact, over the recent Pride weekend, the sauna had over 2,000 guys through the doors between Friday and Sunday! And with the weekend pass at just £18 (£6 per day) you can get a real bargain for a weekend in Brighton as you can come and go as often as you like. But don't just take QXMEN's word for it, check out the comments in the guestbook on the sauna's website from guys who've visited: 'Brilliant venue - you guys deserve a pat on the back,' and 'This is the thirty-eighth sauna in the UK that I have visited - and I can't honestly think of a better one.' So, next time you're in Brighton pay a visit to The Brighton Sauna... You won't be disappointed.

ENCORE -THE 6TH BIRTHDAY 03/08/2009

CHARIOTS WATERLOO, 101 LOWER MARSH, LONDON SE1

WHAT A COMBINATION... Men in towels singing their favourite show tunes. Well, that was the order of the day at Chariots Waterloo when the South London sauna celebrated its 6th birthday last month. Birthday give-aways included a luxury voucher for a top London musical and free passes to the sauna and there was a real party atmosphere with the venue decked out with banners and balloons. Plus, for those feeling peckish, there was even a tasty buffet laid on. Guys, young and old, sang along to their favourite tracks from *Mamma Mia* along with other favourite musicals before heading off to rest their vocal chords in the sauna and steam room. Here's to the next birthday and what more can we say but, "Waterloo... Promise to love you for ever more!"

FACILITIES: sauna ■ 40-man steam room ■ maze ■ private rest rooms ■ Internet café/snack bar/video lounge ■ satellite TV lounge

THE BUSIEST CHAT SERVICE IN THE UK

LIVE 1-2-1

QX CHAT.com

CHECK OUT WHY WE HAVE GIVEN YOU THREE NUMBERS INTO ONE SERVICE

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
