WELCOME TO...

... MARCH'S BUMPER ISSUE.

THIS FREEZING WINTER APPEARS TO BE NEVER-ENDING SO WHAT BETTER WAY TO SPEND THESE COLD EVENINGS THAN TO CURL UP ON THE SOFA WITH A HOT COPY OF QXMEN... AND IF THE GUYS IN THIS MONTH'S ISSUE DON'T RAISE YOUR TEMPERATURE THEN YOU MUST BE DEAD FROM THE NECK DOWN!

FIRST DVD release we checked out featured the hunks from Hot House jumping into the back of a pick-up truck and pulling up to the **Loading Zone**. We've got the seventh explosive instalment of Chi Chi LaRue's **Black Balled** series **Jail Slammed**. There's more than just a hammer and screwdriver in Titan Media's **Toolbox** and Michael Lucas flies mega-hung Brazilian hunk Rafael Alencar to the City of Lights for **Rafael In Paris**. There's two ball-busting releases from Brit studio Alphamalemedia this month, **Dads Fuck Lads: Breaking 'Em In** which stars hot hunks and cute twinks and then there's **Sex At Sweatbox** packed full of beefy, muscle men. And just cop a load of those sexy chavs in **Fit Lads 3**.

So, what do you think of the gorgeous hunk on the cover? Isn't he just dreamy. And you can find out a little more about Mr Landon Conrad in this month's issue. Also, meet Kris Evans from BelAmi. You're bound to fall in love with this Euro-stud. We've been lucky enough to get invited on set with Menatplay as they filmed a scene for their upcoming release **Nasty Boys** and we can give you a little sneaky peek at some of the hot and horny action.

Have you got a thing for guys in hoodies? Well, hot director Maxwell B. from studio Bulldog XXX's spin-off range Brits certainly has and he gives us an insight into what it's like working with those street-wise slags (his words, not ours!) We asked renowned international fetish photographer Ulli Richter a few probing questions and he's been kind enough to offer one of his stunning prints to one lucky QXMEN reader. Our mate Jimmy Bling has been surfing the net to bring you the low down on some hot blog sites and QXMEN's resident sexpert, Hayden Bridge, looks at that age-old gay tradition of coting. Butt lovers will go crazy as we spoil you with some of the peachiest butts in the business today (shlurp). And in the last of our series of porn stars in uniform we take a look at some frustrated jailbirds.

We've had a few late nights recently at some of London's horniest clubs when we went along to see the winner crowned as Mr Hoist 2010. Then we squeezed into our rubber jockstrap for Rut, slung on some trackies and trainers for Deep and then donned our military gear for Suzie Krueger's Hard On... How do we squeeze it all in we hear you ask? Well, it's a tough job, but somebody's got to do it!

LA ZOMBIE: THE FILM THAT WOULD NOT DIE

JUST look what the make-up department has done to the oh-so gorgeous François Sagat for Bruce LaBruce's latest queer zombie film *LA Zombie: The Film That Would Not Die*. The movie was released first as a soft-core independent feature and had its world premiere at the Peres Project Exhibit in Berlin, Germany in January and there's to be a full on porn version at a later date. François stars as a schizophrenic homeless man - and even as a vagrant he looks hot - who thinks he's an alien zombie sent to earth. Roaming the streets of Los Angeles, he searches out dead bodies (either finding the bodies or witnessing a murder) and then does unspeakable things to them. The movie also stars major-league porn players including Matthew Rush, Erik Rhodes, Francesco D'Macho, Wolf Hudson, Eddie Diaz and Adam Killian. Check out the trailer at the official website www.LAZombie.com. Careful though, it might give you nightmares!

ELECTRIFY YOUR SEX LIFE!

HERE'S a couple of sex toys from Zeus Electrosex that caught our attention. These ingenious toys send a small current right through our pleasure zones, directly stimulating them. Unlike the electric current that most people are familiar with, the current from Zeus Electrosex toys doesn't hurt, instead it stimulates the nerves, creating what we're told can be very pleasant sensations. And not only can this be incredibly arousing, but many users have been able to achieve hands free orgasms! **The Torpedo Plugs** are cucumber-shaped and deliver mild or wild sensations of pleasure depending how much power you give the little buggers. They work with all Zeus Power Units and come in two sizes, Small at £30.50 and Large at £37. **The Electrosex Penis Bands** are a very versatile toy. They're each unipolar, meaning electricity flows from one to the other, and as they're adjustable this can lead to all kinds of arrangements. You can attach one to your balls and the other to the head of your cock, or just side-by-side on that perfect spot you want to stimulate. The elastic fit makes sure that they're just as snug as you'd like them to be no matter where you place them. Again, you'll need a power unit to use the Penis Bands and they come readily compatible with any Tens Lead and directly compatible with the snap leads included with the Deluxe Digital Power Box. Priced at £37.50, get yours at www.zeuselectrosex.co.uk.

BLACK BALLED 7 ★ JAIL SLAMMED

STUDIO: CHANNEL 1 RELEASING ★ DIRECTED BY CHI CHI LARUE

Starring: Santino Vega, Aron Ridge, Race Cooper, Element Eclipse, Ace Rockwood, Eddie Diaz, Damien Holt, Osian, Nubius, Scott Alexander, Cameron Adams.

IT'S CHI CHI LARUE'S LATEST HOT EPISODE OF THE BLACK BALLED SERIES AND WE'VE ALREADY REACHED NUMBER SEVEN! ENTITLED JAIL SLAMMED, IT'S NO REAL SURPRISE THAT THE ACTION TAKES PLACE BEHIND BARS WHERE THE VERY LUCKY WHITE PUPPY CAMERON ADAMS IS THE CENTRE OF ATTENTION OF TEN BIG DICKED, BLACK MEN!

SURPRISINGLY, the film starts off with Cameron fucking one of the black studs while the rest of the prisoners and guards watch. And trust us, Cameron does one hell of a good job, judging by the way his bottom boy moans with pleasure. Next, the guards unlock the cell doors to release the horned-up prisoners and so begins a jaw-dropping suck-fest with some of the juiciest and biggest dicks in the business. There's some quite amazing cock swallowing and face fucking in this scene and one that oral lovers would kill to take part in. Cameron is, of course, the lucky one as he's forced to deep throat every single one of those huge black cocks before all ten back brothers shoot their heavy loads all over his face (which Cameron appears to love - well, who wouldn't?). After rimming some of the guys' hot arses, Cameron finally gets the first of many massive black cocks up his tight white hole, before all ten take turns ploughing his greedy butt, including one hot double penetration! The movie ends with Cameron on his back getting fucked by everyone until they all shoot their hot spunk all over his quivering body. Trust us, these fuck machine hunks have got it all, with their hot sexy looks, perfectly muscle bodies and cocks to die for... This is one hot DVD that you must add to your porn collection.

LOADING ZONE

STUDIO: HOT HOUSE ENTERTAINMENT DIRECTED BY **ROBERT DRAKE**

Starring: Andreas Cavalli, Drew Cutler, Kyle King, Vince Ferelli, Rick Van Sant, Johnny Gunn, Craig Reynolds, Arpad Miklos.

THOSE HUNKS FROM HOT HOUSE HAVE JUMPED INTO THEIR TRUCK AND ARE BACKING UP INTO THE LOADING ZONE... AND SOME MEATY COCKS TOO. THIS IS ONE HOT GROUP OF BURLY MEN WHO WILL HELP YOU WITH YOUR LOAD ANY TIME!

FIRST up, muscular studs Kyle King and Drew Cutler pull into the Loading Zone and Cutler just can't keep his eyes off King's perfect bubble butt (and who could blame him). On the back of the pick-up truck, King sucks his buddy's dick and then feels its full force up his arse, before King returns the favour and fucks Cutler. Hot muscle-stud Vince Ferelli hooks up with sexy Andreas Cavalli next. To make up for being late, Ferelli gets on his knees to suck Cavalli's huge Italian cock and then bends over to take it in his arse for a hard pounding from Cavalli. Johnny Gunn pleads with doorman Rick Van Sant to get into the club but it'll take more than that to get past the ropes. So Gunn devours Van Sant's curved cock before his pants are ripped off and his eager hole is fucked hard. Gunn's a real pro and expertly works Van Sant's cock with his tight hole, milking the cum out of him before blowing his own load. In the final scene, an after-hours delivery turns into a muscle-man fuck fest when Arpad Miklos and Craig Reynolds meet in a dark alley. Miklos opens his jeans and shoves Reynolds' face down on his long hard cock. Reynolds teases the foreskin and gives Miklos excellent deep throat service before stripping down and offering up his stunning bubble butt. Miklos licks and lubes Reynolds' tight hole then rams him with his fat cock inside. Once on his back Reynolds milks his own cock while Miklos fucks him hard then blows his load... You'll blow your load at this hot-as-hell movie!

SEX AT SWEATBOX

STUDIO: ALPHAMALEMEDIA.COM DIRECTED BY **MAXWELL B**

Starring: Ty LeBoeuf, Trojan Rock, Ray Stone, Carlo Cox, Tony Serrano, Nathan Price, Jacob.

FILMED ON LOCATION IN ONE OF LONDON'S HOTTEST GYMS, SEX AT SWEATBOX IS A MUST FOR LOVERS OF BEEFY AND MUSCLED, HAIRY STUDS WITH SHAVED HEADS... OH, AND NOT FORGETTING BIG THROBBLING DICKS!

FIRST up for a one-on-one workout (that doesn't involve gym equipment) is American Southern Bell Ty LeBoeuf and sexy Brazilian Carlo Cox. These two hunks could well be what the original Billy Doll was modelled on with their chiselled jaws, big arms and pecs, bubble butts and, of course, thick juicy cocks. It's a hot scene where Ty's first to offer up his butt for Carlo to pound before the two hunks flip and it's Carlo's hole that gets filled with Ty's American meat. Bearded stud Jacob gives Tony Serrano more than just a massage in scene two, and if beefy men with hairy butts gets you off then you'll shoot your load when Jacob fucks Tony's fuzzy hole with his meaty cock. Muscle Daddy Ray Stone and sexy, ripped Nathan Price are pumping iron in the gym but when both of their stiff cocks spring out of their sports shorts you know we're soon going to witness some other form of pumping. The guys devour each other's cocks and lick their sweaty armpits before Ray bends Nathan over to tongue his puckered hole, prepping it for his thick cock. And once Ray starts fucking Nathan, we challenge you not to shoot your load. That Nathan Price is one sexy fucker and you could win his jock strap - just check out this month's QXMENTions for details... Ty LeBoeuf is back for the final scene and this time he hooks up with the daddy of all hairy hunks Trojan Rock. The moment Trojan's towel drops to the floor, Ty's lips are wrapped around his huge cock, tasting every inch of Trojan's juicy meat. Trojan returns the blowjob before flipping Ty round and burying his face in his sweet hole. Of course, Trojan ends up giving Ty the fuck of his life, but what was a surprise was the oh-so horny sight of Trojan's meaty butt getting ploughed by Ty!

DADS FUCK LADS ★ BREAKING 'EM IN

STUDIO: ALPHAMALEMEDIA.COM ★ DIRECTED BY DAN VEE

Starring: Thierry Lamasse, Eric Angeletti, Freddy Wolff, Ivan Rueda, Duke, Thierry Schaffauser, Nathan Price, JP Dubois.

THE PHRASE "DADDY'S HOME!" TAKES ON A WHOLE NEW MEANING IN THE LATEST IN THE DADS FUCK LADS SERIES. THESE DADDIES ARE SUITED AND BOOTED AND READY FOR ACTION AND GOD ONLY HELP THE HAPLESS YOUNG TWINKS THEY GET THEIR HANDS ON!

QXMEN lust object Thierry Lamasse stars as the dad in scene one and, boy, does he look hot in a suit and tie! The lucky lad he's with is cute boy-next-door type Eric and once Thierry coerces him out of his jeans and sweatshirt, the action begins. While young Eric is stark bollock naked, daddy Thierry stays fully clothed, with only his thick meaty cock and heavy balls exposed through the flies of his suit trousers for Eric to deep throat. Soon Eric's on all fours, his cute boy butt in the air for Thierry to rim and finger before he plunges his rock hard cock into Eric's puckered hole. Thierry gives Eric the fuck of his life and we only wished that we could've watched a big cock fucking Thierry's hot arse too! Sexy blonde, blue-eyed Freddy Wolff plays the suited and booted dad next with the sexy, young footballer Ivan Rueda. After taking a shower and in the kitchen, Ivan's towel 'accidentally' drops to the floor and once again it's the lad who's totally naked and exposed while the daddy is completely clothed. Ivan drops to his knees to suck on Freddy's thick cock before hopping onto the kitchen counter for Freddy to tongue his sweet hole ready for his cock. Muscled, northern bloke Duke is the dad who gives cute, young dog-walker Thierry Schaffauser a lesson in doggy-style fucking in scene three before we're introduced to the final dad and lad, Nathan Price and JP Dubois. Sweet, young twink JP is taking a bath when sexy handyman Nathan enters the bathroom. Nathan can't keep his big manly hands off JP's pale, hairless body and soon he's got the boy bent over the bath tub and is fucking his smooth, peachy butt like there's no tomorrow... Every scene ends with both dad and lad shooting their loads, and you will too!

TAKE off that work suit, turn the lights down low, crack open a lager and slip into your finest set of trackie bottoms, 'cos those Fit Lads are back in town. Sexy-as-fuck Damien Esco literally tops and tails the movie, getting pummeled hard by the dark and luscious Romeo James in the opening scene, then sending sock and foot-loving Josh Ireland into ecstasy in the closing scene. Josh can't get enough of Damien's feet and trainers, but those trackie bottoms are soon ripped off and Josh gets the pounding of his life. The middle layer of this horny Fit Lads cake is just as cum-inducing, with cute fellas Craig Freeman and Kris Denver taking the word 'rampant' to a whole other level. Then Fit Lads favourite (and one of QXMEN's lust objects) Kai Cruz logs online to sort out his horn, and gets suitably satisfied by trackie-wearing chav Curt Richards in a filthy and aggressive fuck-fest.

As soon as we finished watching this movie, we wanted to hop on the first train to Dagenham - but we guess we'll just have to wait for Fit Lads 4!

TOOLBOX

STUDIO: TITAN MEDIA  **DIRECTED BY BRIAN MILLS**

Starring: David Anthony, Dean Flynn, JR Matthews, Will Parker, Charly Diaz, Jay Roberts, Ryan Russell, Fabio Stallone.

OPEN UP THE TOOLBOX AND YOU'LL DISCOVER THE HOTTEST HANDYMEN IN TOWN, LED BY TITANMEN EXCLUSIVES DAVID ANTHONY, DEAN FLYNN, JR MATTHEWS AND WILL PARKER... HOME IMPROVEMENTS WILL NEVER BE QUITE THE SAME AGAIN!

WANDERING through the woods, smooth Jay Roberts is chased by a horned-up Dean Flynn. Jay is pinned to a tree and then drops to his knees to feast on Dean's stiff boner. The two shoot their loads before heading inside, where Jay hops on to the kitchen counter with his beautiful butt in the air, and Dean slides his tongue and fingers inside before pounding Jay's juicy hole. Will Parker and auto repairman Charly Diaz make good use of a bag of sex toys in the garage before heading outside where Charly thrusts his meaty cock deep inside Will's already open hole. Scene three and JR Matthews and Ryan Russell are soaping each other up in an outdoor shower. JR gets to work on Ryan's puckered hole, tonguing and fingering it before slowly fucking him with a big inflatable dildo. JR then gets on his back to bottom as the enthusiastic, verbal Ryan takes over and the two are soon both on their backs, sliding up and down a double-headed dildo in a scene that'll have you hitting the rewind button again and again. Handsome carpenter David Anthony and his assistant Fabio Stallone head up the action in the final scorching hot scene and Fabio offers his eager hole to the super-hung top for a deep outdoor fuck. Pulling down his jeans and revealing his massive meat, David asks Fabio that age-old question, "You like big cocks?" And after teasing his assistant and making him beg for it, David allows Fabio to feast on his meaty tool with his eager mouth. After some hot dildo fucking, Fabio gets on his back and strokes his boner as David fucks him, with the scene ending in copious amounts of hot sticky spunk.

MEGA-DICKED BRAZILIAN HUNK RAFAEL ALENCAR TAKES A TRIP TO PARIS, COURTESY OF MICHAEL LUCAS, AND PLOWS HIS WAY THROUGH A DOZEN OF THE WORLD'S SEXIEST HUNKS AND TWINKS.

SCENE one is an explosive three-way where Rafael deep dicks Euro studs Marco di Lucca and Miguel de Palma. Watch their horny fuck train, followed by Marco getting his hole stretched from a double penetration by Rafael and Miguel! Sexy as fuck Greg David and Sahaj heat up the screen in scene two with Sahaj worshipping David's hard, chiselled body, working his way down to his massive, uncult cock. He soon gets his hole filled and the scene ends with David unloading all over Sahaj's face. Gorgeous Jonathan Agassi joins Rafael next starting by licking every inch of his buff body. Jonathan shows off his deep throat abilities and swallows all ten inches of Rafael's massive cock before Rafael eats his bubble butt, priming it for the fuck of his life. Scene four sees British twink Andy O'Neill taken on by hung muscle studs Antonio Cavalli and Marco Salgueiro. Andy shows his love for cock when he devours both Antonio and Marco's throbbing dicks before he bends over to take Marco's thick cock while deep-throating Antonio. Impatient for a turn, Antonio flips Andy around and fucks him senseless and once the two tops have taken turns using Andy's mouth and eager butt they cum at the same time into Andy's thirsty mouth. There's two further bonus scenes featuring Rafael and Andrew James, Jr., and Jack MacCarthy and Murphy Maxwell which are equally as hot, but you'll just have to purchase your copy to see the killer action.

→ "I LOVE TO MAKE OUT AND SEE MY PARTNER'S FACE WHILE HE ORGASMS!"

Where were you born and where do you live now?

Salt Lake City, Utah, and I'm currently living there.

Are you single?

No, I'm in a four year relationship with an amazingly beautiful and intelligent man!

What was your profession before you started working in the porn industry?

Retail... Buyer/ Management.

And how did you get into the industry?

I have always been exhibitionist and fascinated with the porn industry! I knew many years ago that I wanted to get into it. Finally I got up enough courage and sent in my pictures! I got a call the next day!

Were you nervous doing your first scene?

Extremely!!!

You've featured on

FalconStr8Men.com and starred in Morning Wood and also Chi Chi LaRue's Playing With Fire 4. So, what's next for Landon Conrad?

I just finished a scene with Josh Griffin in a new movie called *White Hot* by Falcon Studios that'll be out April 13th. I'm heading back to Los Angeles next week to shoot another new film with John Magnum and Rod Daily. That film will be out May 25th.

Are you top, bottom or versatile?

Top, but I do love to bottom every now and then! So maybe a bit versatile! :)

Who's the hottest top in the industry?

Oh my god! There are soooo many! To hard to just think of one!

And the hottest bottom?

Hmmm... That other new Landon, Landon Mycles! He's INSANELY HOT! I have to assume he's a bottom after watching *Pizza Boy Gang Bang!* WOW!

What's your favourite position?

Face to face, missionary style. I love to make out and see my partner's face while he orgasms!

So what turns Landon Conrad on?

Hot sweaty guys wearing only jock-straps and sneakers!

If you had the chance to direct a scene and cast the other performers, who would you choose and what would happen?

I'd put ten eclectically beautiful, horny, sexually liberated men in a room and just film what happens naturally!

What's your favourite porn movie ever?

Titan's *Breathless!*

What do you do to relax?

Sit on the couch with my boyfriend and two dogs and watch *Sex And The City* reruns!

If the world were to end tomorrow what would you rush out and do?

I'd spend the day with all my love ones and be thankful for the life I got to live! While listening to Madonna of course!!!

Any plans to come to the U.K.?

Not at the moment, but hopefully soon... I love all the beautiful architecture.

Finish this sentence. The best part about being a porn star is...

I get to have sex with beautiful men for work!

Finally Landon, describe yourself in three words.

I asked my boyfriend to answer this one and here's what he said... "LOVING, STRONG and MISCHIEVOUS"

BEHIND THE SCENES WITH MENATPLAY

QXMEN WAS LUCKY ENOUGH TO GO ON SET RECENTLY WITH MEN AT PLAY, THE BRITISH STUDIO THAT FEATURES SOME OF THE HOTTEST GUYS AROUND, IN AND OUT OF SHARP SUITS.

They were filming a scene at London's Vault 139 Cruise Bar and in between shoots we caught up with director Andy Thomas. He told us, "We wanted to go back to some of the more sleazy style scenes that we've filmed in the past and so we used the opportunity of our newest hunk Axel Brookes to explore our favorite theme of a smart suited, seemingly respectable guy in a really out of place context like a dark and sleazy club. What's great about Axel is he loves sleazy sex so it wasn't difficult for him to get into it!" We got a little hot under the collar when the action started and the cameras began to roll as Men At Play certainly pick some of the finest studs for their movies, and we can't wait until this new release **Nasty Boys** comes out. Until then, here's a brief run down of what takes place.

Axel arrives at a club, smartly dressed, with not a hair out of place only to be confronted by a room full of naked and half naked guys, already in getting it on with each other. Everyone in the club is fascinated by the hot guy in his suit but Axel takes his time cruising for the right guy. Although many of them try to get his attention it's sexy young Rio who first gets to sample some of the hung stud's cock! As more of the guys home in around Axel he seems hungry to taste as much cock as he possibly can. This is too much for some of the guys and one shoots his load down the back of Axel's designer suit while he's sucking on a beautiful blonde. Soon Axel's clothes are being stripped off him and his shirt is ripped open to reveal a hulk of a man. While the others watch, Axel fucks Rio against the wall arousing the onlookers with this free, full on sex show until the surrounding group cum all over Rio.

Now if that hasn't whetted your appetite, just wait for the full review of **Nasty Boys** coming soon in QXMEN!

THE HOODIES STRIKE BACK

Hoodie Wankers is the third movie from the Bulldog XXX spin-off range **Brits** which sees foul mouthed, working class British lads, bastards and scum bags getting up to no good in the worst gutters and council estates that broken Britain can muster. So what is it about this new range that's making its mark on the shelves and sets it aside from the other working class porn that's out there already? We went on location with hot producer/director Maxwell B. who's heading up the new range, which started with the films, **Brits** and **Brits - Pissed Fuckers**, to find out a little more.

QXMEN: So Maxwell, how did this new range come about?

Maxwell B: Spring last year, Trojan Rock and I were over in sunny Rio and then in sunnier Argentina shooting a clutch of Alphamalemedia.com movies. Skip forward a year, and a deep recession later, and the studio has sent me off to broken Birmingham, middle England - such is the winding down of the days of big budget porn. Well I guess it's only two hours to Brum, rather than 12 hours to some sticky continent that doesn't even sell Marmite! I'm not bitter.

What's attractive about these kind of urban films compared to those made in exotic locations with buff, bronzed boys? Well, having to make porn more cheap and cheerful and down to earth I thought it was time to monopolise on my slashed budgets and cash in on the real nitty-gritty, yobish, working class, scumbag trash that populates the studio of Jeremy Kyle. Believe me, in England we aren't short on those kind of tear aways. They're attitude free, up for most things and don't mind a bit of gob on their arse and are happy to fuck in the grubbier of toilets. Who needs fucking sandy beaches - you only end up with sand up your crack and down your foreskin!

You sound a bit pissed off about not shooting abroad this year.

Next fucking question, please!!!

Where do you get these trashy kind of guys from then? Are they genuine toe-rags?

Absolutely, yes... Okay, a sprinkling of them have done films for us before from the **Bulldog** range, but they were all very working class and from rough old neighbourhoods from all over Britain. But I did a lot of trolling through our casting database to find fresh, new guys who not only looked the part, but actually were the real McCoy in terms of their background, attitude and criminal records, etc.

Criminal records?

Well, I didn't want a load of pansies in the film. I wanted real rough, street-wise slags who just happened to like filthy gay sex. Some of them just wanted to try doing porn as a fantasy and some just wanted to do it for the money... and robbed my petty cash tin while we were filming on location!

Little bastards! It must be a bit of a worry working with real hoodies then?

Nah, not really. They're all game for a laugh, you just have to respect the kind of upbringing some of these guys have had. One of the requirements of them being in the film is that they had to provide a selection of their own hoodie tops to wear in the film - I wanted the real thing and not some poof in a costume! We went out around the streets of Birmingham at night and I filmed them smashing stuff up and generally being bad arse cunts. It helped them gear up for the thrill of them fucking each other on location after.

How did you get to find these gritty locations?

Well, Buckingham Palace wasn't available, so I settled on shooting in grim old Birmingham in some empty warehouses and on an industrial estate in this fabulous filthy sex club called Boltz that has a great piss room and skinhead cruise bar. A lot of the cast were local and felt quite at home during the filming.

Is this a new kind of series that will have legs?

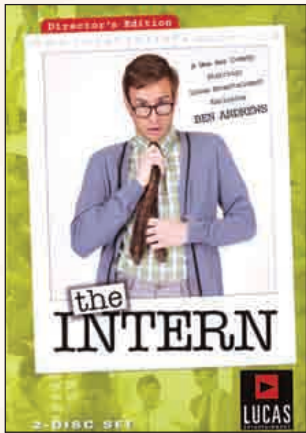

I sure hope so. I think punters want to see real, gutter-trash, home made delinquents (I'm sure they won't mind me referring to them like that) instead of preened, groomed, waxed, manufactured porn stars. We know those kind of guys are a construct, a fantasy and many ordinary guys will never get to fuck one. With **Brits** we use ordinary, but hot UK-based guys who you could very well find down your local boozery or at the juvenile correction facility, and who would certainly go down on you for a free triple vodka and Red Bull or ten B&H... And that's something we can all still afford at least.

to the guy behind the blog. There's a whole lot of effort gone into this site and it clearly shows. Most sites link directly to the homepage of whatever site is selling the DVD or VOD, leaving you to trawl to the particular title (or not bothering to). Brian, however, gives you all the teasing you can handle, and then holds your spare hand to take you to the film pages if the urge so takes you to put your

wallet where your libido is. One site I just didn't get was **Chronicles of Pornia**. I had heard of this before the article was due, but never really took much notice of it... and I soon discovered the reason. It's a very grey website. Not just the background colour (come on... grey!!) I'll give it its dues. There are plenty of pictures and links to the homepages of sites (a personal detest) but nothing to actually get me going there. The pictures are horny, the men are hot and some are 100% my type. Could I please see a bigger image? No... I get taken to another fucking homepage on some other fucking website. Fantastic. There are plenty of blogs from fans and porn addicts which means things are mostly second or third hand and, of course, so many by porn stars themselves, which nine times out of ten are totally unashamedly self publicising... but what else would we expect or want?! Having sites from people in the business itself is something starting to become more prevalent (ahem).

BLOG ON BLOG OFF

By Jimmy Bling

I've just started my own blog, available at **JimmyBling.com**, and always want to give you the best. (By the way, the cute redhead isn't me. It's Bu Kennedy from the movie *Head Hunters Two*). From doing my research, I've seen some great and some errr... not so great. The worst would be the ones that are a complete sack of shit and not even worth mentioning... That, and I get too darn horny to be a real bitch! When I log onto a blog site to see what's going down in the porn industry, I don't want to see useless and boring info; after all, a blog is a personal thing, no matter what it's giving you, porn, silly cat pictures or holiday destinations only a neurotic haemorrhoid might enjoy. For all the aforementioned, there's the industry-own websites for a brighter perspective. Google is google for a reason. At 24, I remember the dial-up taking forever to load that one sneaky picture before the parents arrive home or come downstairs at 3am. We all love something to look at, but pictures are so last generation. Trailers, clips and high resolution images just a click away

please!! The job of a blogger isn't that of a media librarian however. Oh no, we want comments, opinions and my personal favourite... crap photo shopping. Of course, not all of us are lucky enough to work in a place surrounded by porn. Blogging's also a business and the intrinsic nature of this can't be ignored, but in my view shouldn't be shamelessly touted like a skanky window salesman preying on your granny on a particularly cold morning. My personal favourite, apart from my own baby (**JimmyBling.com**, if I haven't mentioned already) I affectionately name the Perez Hilton of Porn. Brian Ritz is a horned up character of epic blogging skills. His blog can be found at **studmuffinblog.com** and is heaven for me!! Rammed full of trailers, tonnes of pictures which can be increased to high resolution at the touch of a button, news and ideas; this guy has opinions coming out of every available orifice. It's not just the porn though which I find so... sticky (a term used to describe the 'want to return to sites', as well as... you know). He offers personal titbits which bring you closer

to become more prevalent (ahem). DreamBoy master and commander **Max Lincoln** gives us an almost addictive insight into the topics affecting us in everyday life, porn related or otherwise... It's like the section of a newspaper which offers gems of fun stories in the news, but with the inimitable Max spin. Ultimate **Alphamale Trojan Rock**; bless this dear hunk of man muscle. You can't help but love this dude, only a baby on the blog set, but don't forget about him. He gets himself into all sorts of tricky, sticky situations which he can't help but tell us about... and now you can enjoy these sordid secrets from Trojan himself!! Finally, who can forget the cute young lad and self styled Gay Porn Geek **Anthony Thomas**!! Ex-porn star and full-time horn-bag gives you access all areas and brand spanking news on websites, offers and anything else this blond beauty deems to be naughty enough for you!! Whatever floats your boat, and your blog experiences, there's something for everyone out there... trust me.. I've spent many hours trawling through them, and gave Kleenex a boost on the stock market in the meantime!

GERMAN BORN ULLI RICHTER MOVED TO LONDON IN 1966 AND TODAY WORKS AS A COMMERCIAL AND LIFESTYLE PHOTOGRAPHER. HIS BODY OF WORK ENCOMPASSES THE WORLD OF GAY FETISH SUBCULTURE AND HIS VISUALLY STUNNING WORK INCLUDES CLIENTS SUCH AS SUZIE KRUEGER'S HARD ON CLUB, ROB LONDON AND MISTER B... QXMEN RECENTLY SHARED A COFFEE WITH ULLI.

ULLI RICHTER

|| I ONCE SHOT A PARTICULARLY INTENSE BASEBALL BAT FISTING SCENE IN A PLAY CLUB IN MUNICH WITH THE BOTTOM CHAINED TO A URINAL AND THE TOP ENJOYING THE SCREAMS. ||

QXMEN: *Your imagery is almost dreamlike. Of course, some guys into only vanilla sex might say nightmarish. Where do you get your ideas from?*

ULLI RICHTER: I spend whatever free time I get nowadays watching the incredible work of some of my all time favourite directors: Peter Greenaway, Ken Russell, Ingmar Bergman and Derek Jarman.

There's a very strong fetish theme in your work... Are the scenarios taken from personal experience?

Yes. I think you really have to know what a single tail on your back feels like or what an amazing sense of submission kneeling bound and gagged in front of your Master can create in order to appreciate what the guys in your play scenes experience and are going through.

Where do you find the models for your shoots? Obviously you can't just call up Storm Models or Models 1 and say, "I'm looking for a guy that I can photograph with a dildo up his arse whilst being flogged."

No, of course not. I meet a lot of players through recommendation by guys that I have already worked with and quite a few others also get in touch through my Gayromeo model club profile 'Ulli-Richter-London'.

The action in your images looks very natural, although obviously you have an idea of what you want to happen.... Do you just let the guys get on with it and enjoy themselves as you click away?

Yes. I am setting the scene first by selecting an inspiring location and make

sure everyone feels safe and comfortable. After that, play just develops and I only very occasionally interfere for the purpose of adjusting lights.

You shoot against some amazing looking industrial backdrops...

Where do you find your locations?

This is a very long, constantly ongoing and laborious process. You are always immensely excited once a new place has been scouted and is still available for shooting without being patrolled or pulled down within the week. Location is a major player in all my pictures.

Has your work always focused on fetish or have you done mainstream photography?

I am also a professional mainstream photographer (www.ullirichter.com) shooting advertising and editorial in Europe and the US. Most clients are aware of the fetish work and book me especially because of my background.

Are there any particular attributes that an Ulli Richter model needs to have?

Oh yes! Personality, authenticity, a strong sense of self-worth as well as team spirit, honesty and respect for others.

Do you have an all-time favourite shoot or image that you've done?

Some of my commercially most successful images have been of Logan McCree and the *Hanging Jesus* series (available at www.coffeecakeandkink.com) is still proving extremely popular with some of the larger formats already sold out. Personally, I once shot a particularly intense baseball bat fisting scene in a play club in Munich with the

bottom chained to a urinal and the Top enjoying the screams.

You photographed Logan McCree... Is there any other guy that you really would love to work with?

Yes. Even though all the guys I prefer working with are gifted amateurs, the only professional I find really interesting is Tober Brandt, his individuality and ability not to take himself too seriously whilst still maintaining a strong and credible masculinity. He is also into flesh-hooking, which would be amazing to shoot with him.

You must get plenty of guys asking to be in one of your photo shoots? When I mentioned that I was interviewing you, my friends begged me for your number.

After 15 years, I am now blessed with regular enquiries and can afford to be very discerning.

Is there any other photographers' work that you admire?

Yes, my role models are Bob Carlos Clarke, Richard Avedon, Michael A. Rosen and Mark I. Chester.

Where can we see and purchase your work?

Some large canvas pieces are on permanent loan at the Mr.B store in Berlin. I run commissioned fetish portrait and play sessions at my studios in London and Berlin and most of my images are available for purchase directly through www.kinkinprint.com and studio@ullirichter.com. There is also a very limited special collectors edition signed and numbered book being finalised at the moment and we are taking applications from interested parties for the only 100 copies available.

WIN!

MR HOIST 2010 ★ 23/01/2010

THE HOIST, ARCHES 47B @ C, SOUTH LAMBETH ROAD, BARKHALL, LONDON SW8

BACK in January, London's hottest dress code bar The Hoist held its annual competition to find the sexiest hunk to take the title of Mr Hoist 2010. The night was hosted by former Mr Hoist 2003, John Pental, and there was certainly no shortage of butch, buff studs vying for the top prize. The winner was voted for by the crowd who packed into the club and number 8, the puppy dog (pictured) came in third place, while a burly leather hunk came in second, and sexy, hairy, muscle hunk Marco de Brute, the winner of Mr Hoist 2008, won back his title and took home £750 cash.

DEEP ★ 13/02/2010

CLUB UNION, 66 ALBERT EMBANKMENT, JANUARY HALL, LONDON SE1

WE slipped into our trackies and trainers and headed down to Deep last month to rub shoulders with the crème of London's fetish scene and the club was packed with rubber fetishists, scallies in sports kit, leather guys, sexy skin-heads, hot muscle guys and everything in between. There was everything we needed for a horny night out including the huge Hog Works Dungeon and play space, a massive playroom full of custom-made dungeon equipment (which was being put to good use), a Fitlads.net scally room and dance floor with sexy tunes supplied by hot DJ Terry G (pictured bottom left), Steven Artis and JC. Plus we were kept entertained by the Prowler Video Booths, sexy porn stars, naked dancers and exhibitionists and a couple of horny boot shine boys.

RUT ★ 29/01/2010

THE HOIST, ARCHES 47B & C, SOUTH LAMBETH ROAD, WANDSWORTH, LONDON SW8

RUT, the bi-monthly dress code night, aimed squarely at a young, hot crowd with a penchant for leather and rubber opened its doors in January, and there was no shortage of hot guys there. The night is for serious leather and rubber lovers and the event took over both of The Hoist's arches for a hedonistic night of hard and sexy fun. Hot DJ Stuart Who? along with Jon Delano and Dick Rod provided dirty electro and tribal sounds while upstairs, the Fetish Freak store was open for business and Jonathan was kept busy... Don't get stuck in a rut at home, get your leathers or rubber gear out and head down to the next RUT.

HIDDEN, 100 TINWORTH STREET, WAXHALL, LONDON SE11

WE dropped into Hard On, London's only mixed gay fetish club in January, and as always, the club was packed to the rafters with hot guys in leather, army gear, horny skinheads, rubber sex pigs, guys in jocks and boots and some daring few in just their boots. The heady smell of sex saturated the air and in true form, the hardcore regulars made full use of the pervy equipment in one of the largest playrooms in London and the club's many dark cruising areas.

COTTAGE INDUSTRY: WHY DO WE STILL LOVE TOILET SEX?

SMUT 'N' STUFF WITH **HAYDON BRIDGE**

Another Lesbian & Gay History Month has come and gone and once again there were no events celebrating a uniquely gay institution that for hundreds of years has been as much a part of our lives as drag and muscle worship. Words and phrases associated with it are part of the gay lexicon. Cottaging. Pretty policeman. Glory hole. Gross indecency. That last phrase is the reason toilet sex is never going to be a source of Gay Pride. On the contrary it's the most despised, least discussed, most shameful aspect of gay life. Apart maybe from having "So Macho" by Sinitta in your record collection. But this situation is ridiculous. Gay men have sex in toilets and everyone knows we do because we keep getting caught with our trousers down. And not just ordinary blokes. Everyone including MPs and pop stars. Straight couples go to hotels. But we go to public lavatories.

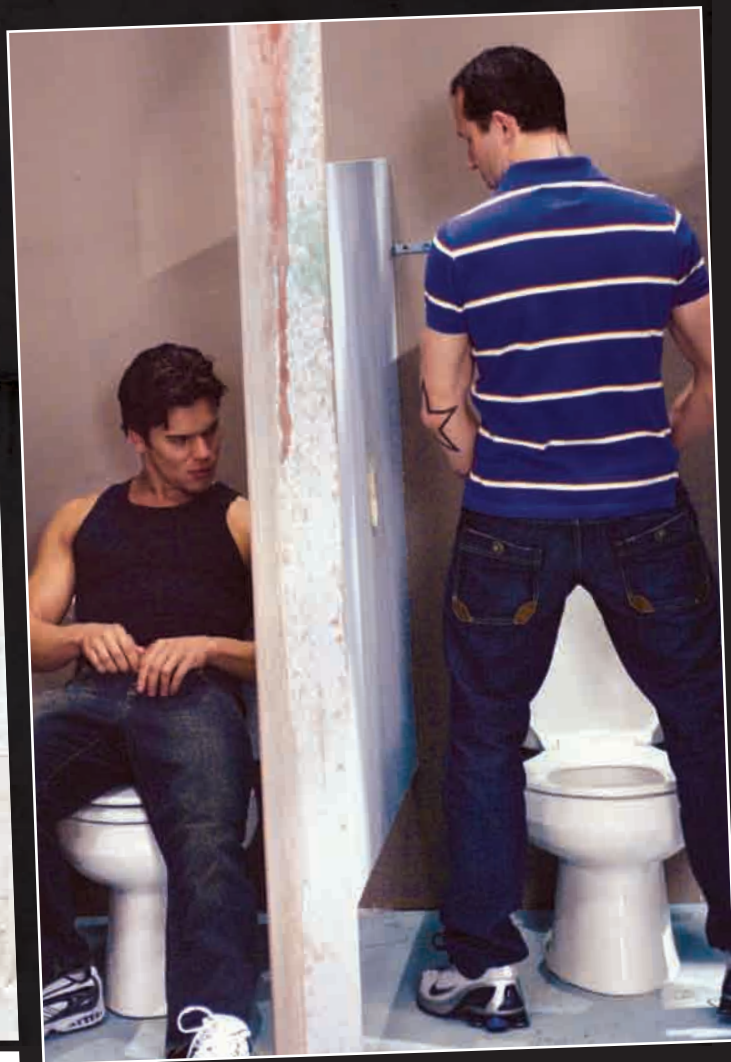

If you want to know why gay sex is inextricably linked to taking a leak it's because of our anatomy. Ladies have always ducked down behind bushes. But men have traditionally pissed just about anywhere and if we're sufficiently drunk we still do. When the first cruising grounds developed in the 18th century (a path in London's Moorfields became known as Sodomites' Walk) gay men habitually avoided arrest by claiming they were "making water." Around the same time, the first "bog-houses" were built. In 1728 John Bennet was found guilty of attempted sodomy in a bog-house at Lincolns Inn Fields. Cottaging's heyday began in Victorian times, when social reforms brought hundreds of public toilets to city streets. The do-gooders had no idea that they were providing the first state-run venues for free casual sex. London's most notorious cottage was in Dansey Place in Soho, which featured in "Horton vs Mead, 1913." It became the leading case in male/male soliciting and was used to prosecute gay men for the rest of the century. The most famous victim was

Oh no, we don't, I hear you say. The few cottages that remain are empty because gay men get sex on the Internet. But that's not true. Here in London there are half a dozen active cottages within walking distance of the QXMEN offices. There are websites that will tell you of hundreds around the rest of the UK. And gay guides confirm that toilet sex remains an obsession throughout the world. Another misconception is that only gentlemen too old for gay bars use the gents. But have you been to a cottage recently? A 1998 survey of more than 200 men in Barnet, Herts., found that 3 per cent began cottaging between the ages of 15 and 19 and an even more surprising 75 per cent also go out on the commercial gay scene.

➔ **GAY MEN HAVE SEX IN TOILETS AND EVERYONE KNOWS WE DO BECAUSE WE KEEP GETTING CAUGHT WITH OUR TROUSERS DOWN.**

It's possible that cottaging has survived the battle with the Internet, at least in the UK, because the Victorian crime of "gross indecency", which applied only to men having sex with men, was abolished under the Sexual Offences Act of 2003. Cottaging isn't illegal per se and pretty policemen haven't operated since the mid-1990s. This means that cottaging isn't as dangerous as it was. But talk to any cottager - and I've been talking to a few - and you'll find that the threat of discovery or worse used to be cottaging's main appeal. Will we live to see the end of toilet sex not because it's filthy and degrading but because it's not exciting enough? There's a thought.

COVENT GARDEN

▶ actor John Gielgud. Cottagers who were never caught included Prime Minister Edward Heath, MP Tom Driberg, and playwright Joe Orton.

Twenty years after the Gielgud scandal, "Dermot" was introduced by a friend to cottaging. They went to the cottage on London's Shepherds Bush Green where Wilfred Brambell, TV's Albert Steptoe, had been arrested in 1962. "I'd never heard of it," Dermot, now 67, tells me. "I was surprised by the different types of people that were there." That was what made Dermot a cottager himself. He liked it that he never knew who he would meet. In the 1970s there were still very few gay bars and most men went to toilets to pick up a partner. On one occasion Dermot went home with a Millwall footballer ("He read girlie mags while I gave him a blow job.") Things went pear-shaped for Dermot in 1973 when he was arrested in Deptford in south east London. He stood next to another guy at the urinal. Dermot didn't know it but the other guy was a pretty policeman ("Very pretty. Nice cock as well.") As soon as Dermot got hard, a second man, the witness necessary to make a conviction stick, appeared out of nowhere and pounced. Dermot was carted off to the police station, extremely worried because he had a top job and would have lost it if the local newspaper reported the arrest. He pleaded guilty and just like Gielgud before him gave a false name and occupation. Of course the thirty shilling fine didn't discourage him from cottaging. "Because I'm a gay man, I like looking at cock," he says. And the fear of being arrested again made every trip to the toilet a thrill. "Chris", now 40, agrees that "the fear that you might make the wrong choice" was a turn-on. Chris discovered toilet sex when he was very young and out shopping with his parents in Poole, Dorset. After that experience he made a point of joining the shopping trip just so that he could return to the cottage. Then he began going on his own, then travelling to London. Cottagers went to different areas depending on what sort of man they were in the mood for. Actors in the West End. Men in suits in Liverpool Street. Servicemen in Waterloo. Lunchtime was

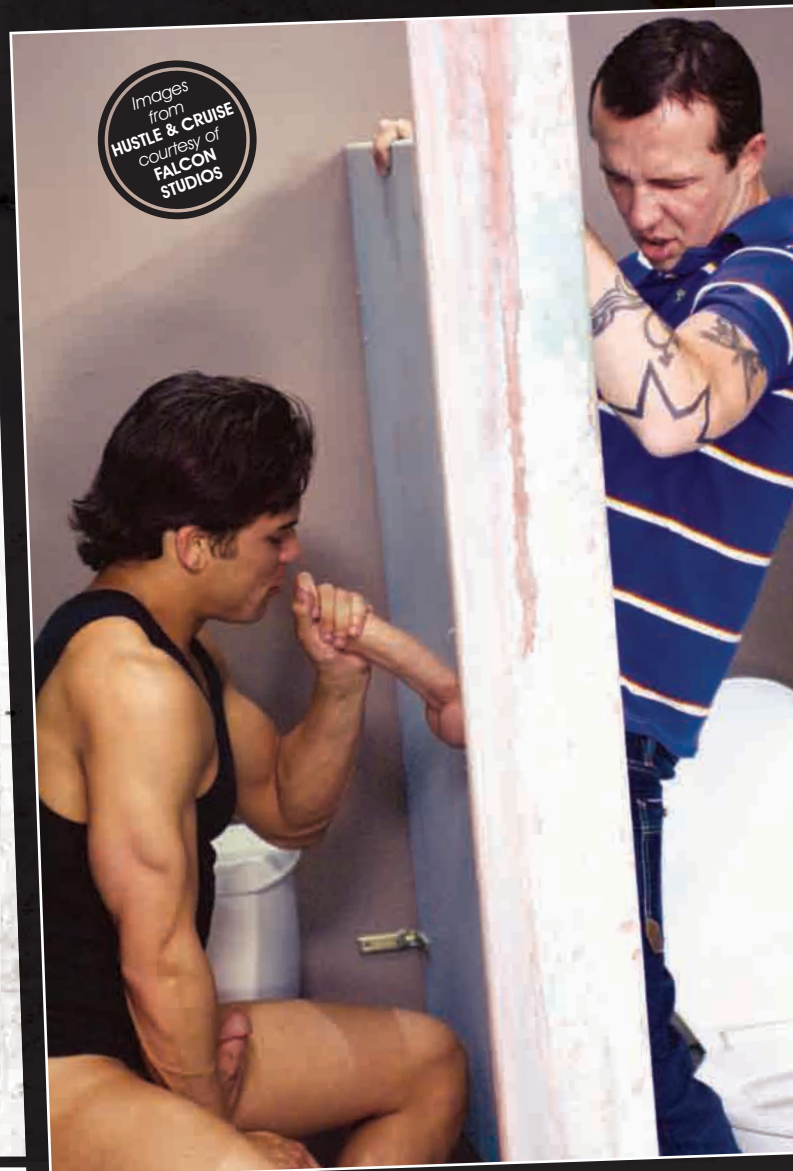

"Carlo", 28, grew up without knowing about cottaging culture. He was 18 and in a cubicle in the toilet at Birmingham New Street station when a hand came underneath the partition and made a wanking gesture. "It was kind of hot," Carlo remembers. He didn't realise until he'd had toilet sex for about the fifth time that he was part of an age-old custom. Now he finds it suits his needs. "It offers one thing all men want, a quick wank in the middle of the day," he explains. "It's the original Gaydar." He isn't expecting to find a life partner at the urinal. "People are ashamed of it. You can't tell people, 'We met in a toilet.' It's socially unacceptable." He echoes Dermot's reactions when he talks about the wide variety of men he's had sex with. "It's different every time. I've met all types from all over Europe, South America, Africa, Asia, rich and poor. It seems to be a universal desire." Carlo recently had an experience that indicates the way cottaging may develop in the 21st century. "I'd been drinking and I was really horny. I walked past this guy and we looked back at each other. He said, 'Do you want to go somewhere?' I said, 'OK, where?' We decided to go into one of those toilets of the future, where you pay 50p and get a 20 minute countdown before the door opens again. Well, I hadn't had sex for so long, I didn't last 20 minutes. We left with 13 minutes still on the clock." Cottaging may be the sex that dare not speak its name. But it sounds as though it may be with us for another 300 years.

➔ **PEOPLE ARE ASHAMED OF IT. YOU CAN'T TELL PEOPLE, 'WE MET IN A TOILET'. IT'S SOCIALLY UNACCEPTABLE.**

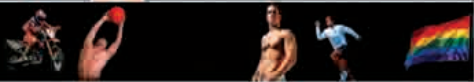

the busiest. Cottages outside London could be hit and miss but were essential for married men. "I never saw so many wedding rings," Chris says. He's now in a relationship and hasn't cottaged for ten years. But he misses it.

THE BUSIEST CHAT SERVICE IN THE UK

LIVE 1-2-1

CHECK OUT WHY WE HAVE GIVEN YOU THREE NUMBERS INTO ONE SERVICE

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
