We fear that we may be on the verge of getting writer's cramp with all the DVDs we review each month! Or could it be something to do with all the wanking that inevitably occurs with each movie that we have to critique. This month has been no exception when we busted a nut over BelAmi's **Education of a Porn Star** and the delicious Kris Evans. Kyle Major's hot American CockyBoys are back for more action in **Fuck Machine** and another of our favourite U.S. companies releases **Hot House Backroom Volume 17** featuring some of the hottest guys we've seen in a while. Back in good old Blighty, Eurocreme serves up a delicious feast of **Hung Ladz: Cruising For Cock** and the latest DreamBoy production **DirtyBoy** shows us what twinks get up to on the London club scene. And bringing up the rear (and what a beautiful couple of rears they have) Alphamalemedia has compiled all the best bits of action between Pedro Andreas and Daniel Marvin in **Fit As Fuck**... And they so are!

We appear to have gone 'porn star couple' crazy this month! First we watched Daniel and Pedro's best bits and then we had an email from another A-list porn star couple Benjamin Bradley and Roman Heart telling us all about their new website. Well of course, we had to find out more. Then porn star royalty Francesco D'Macho and Damien's Crosse got in touch about their hot website Stag Homme and introduced us to some of their up-and-coming stars. And, boy, do those guys look like they're having fun! We thought we'd spoil you with a montage of some of Hot House Video's hottest hunks in their bathers. And we sure that once you clock a load of these guys you'll be heading down the gym to firm up those abs and butts. With Recon's Fetish Week London hitting town next month we've got details of every event squeezed into the packed and pervy week. But in the meantime, we've been out clubbing to one fetish event after another going to London's glittering HustlaBall and rubbing shoulders (and other parts of our anatomy) with a host of international porn stars, we spent an evening at Deep, another at RoB's Hoist Black and Recon's Full Fetish. And we even found time to pop into London's Locker Room Sauna to check out the amazing refurb. And believe us, it's well worth a visit.

FETISH FREAK SAVES THE DAY

WE had a nightmare wardrobe malfunction just hours before our last outing to Suzie Krueger's Hard On, but luckily the lovely Jonathan at London's Fetish Freak store was on hand to help us out. The sole of one of our trusty army boots had come off and we needed another pair sharpish. As it was 6pm on a Saturday we assumed that we were doomed, but after a short trip to Fetish Freak we had a pair of sexy army boots and our outfit was complete. It took all of our self control not to max out our credit card on the great range of bondage and leather gear, masks and tempting dildos and butt plugs, but we'll be back there to stock up. Fetish Freak is at Railway Arch 47B, South Lambeth Road, Vauxhall, London SW8 1RH. Check out the online store www.fetishfreak.co.uk for opening times.

WIN!

TLGAY ADULT AWARD WINNERS

THE winners of the first Annual TLGay Adult Awards were announced recently and some of the biggest studios and hottest stars were recognised for their outstanding contribution to the gay adult industry... Or, to put it plainly, helping us to knock one out. Lucas Entertainment's *Men of Israel* picked up Must-Own Movie of the Year, while the Year's Most Romantic Porn went to Raging Stallion's *Porn Stars in Love*. Titan Media scooped Big-Boy Studio of the Year with Tastiest Oral Cumshot going to Alphamalemedia's lip-smacking *Insatiable*. We have to admit that we cracked a smile when we heard that dreamboat François Sagat scooped the award for Best Hair. Quite rightly, Samuel Colt was crowned Favourite Newcomer, while bad boy Ricky Sinz won Best in Biggest Badass.

FUCK MACHINE

STUDIO: COCKYBOYS

COCKYBOYS, THE HOT NEW STUDIO FROM AMERICA IS BACK AND THEY'VE MANAGED TO GET SOME OF THE FITTEST, YOUNG BUCKS TO STAR IN THE LATEST RELEASE FUCK MACHINE. YOU'LL DROOL OVER THE THIRTEEN FIT-AS-FUCK GUYS THAT KYLE MAJORS HAS PACKED INTO SEVEN HOT SCENES.

SCENE one gets straight down to action with two hotties, Italian stallion Hugo and Scottie in the sports locker room. Scottie drops to his knees and loosens Hugo's towel and as it falls to the floor, Hugo's huge thick cock springs out ready for action. Expert deep throater Scottie gets to work on the monster shlong before Hugo puts him on his back, holding his legs back so his tongue can lube up Scottie's puckered hole. And we don't have to wait long before Scottie's bouncing up and down on Hugo's hard cock and getting it from behind. Gym trained AJ and young twink Aiden are up next and AJ proves that all those tight muscles come in handy when you want to throw a young guy about while you're ploughing his arse. We're in a garage with Nelson and Orlando next and it's Orlando's bubble butt that gets eaten out and then pumped hard by the delectable Nelson's fat cock, an act which makes the power bottom shoot his load into his own mouth. Mega hung Austin Wilde makes an appearance with dreamy bottom boy Skyler Cain in a classic 'sofa fuck' scene which will leave your balls empty. Hugo's back with another tattooed jock called Travis next and the two get it on in a back alley with Hugo blowing his thick load over the insatiable bottom guy at his knees. Young punk Dominic Matthews is naked on the bed of his jail cell and jacks off while he looks at straight porn. We usually find solo scenes a bit dull, but Dominic is sooo hot and when he fingers his sweet hole and spunks over his tight abs we were converted. Bringing up the rear are young college bucks Eddie and Jason who, after rolling about on the bed and ripping each other's jeans off, take it in turns to fuck each other, proving that it really is best to be versatile and flip flop fuck to get the best of both worlds... CocksBoys, we just love 'em!

HUNG LADZ ★ CRUISING FOR COCK

STUDIO: EUROCREME ★ DIRECTED BY MAXWELL B

Starring: Kristian Kerner, Clayton Kole, Fernando Leon, Leighton Cole, Kyle Martin, Lex Harrison, Matt Steele, Sam Slade.

AH, AN INDUSTRIAL CLUB IN BIRMINGHAM CITY CENTRE... DOESN'T HALF TAKE US BACK TO OUR YOUNGER DAYS. THAT'S THE SETTING FOR THIS ECLECTIC BUNCH OF FELLAS THAT MAKE UP THE HORNY CAST OF EUROCREME'S HOT NEW TITLE.

Available to buy at www.eurocreme.com or watch high quality streaming at www.eurocreme.tv

TWO scally-esque lads roam the empty club as the muted, thumping music plays in the background. But it's in a graffiti covered toilet that the action begins when one of the boys starts stroking his meaty slab through his baggy jeans. He soon has company, and the lithe, punky looking boys quickly move to the dungeon, where the mow-hawked blonde drills his strapped-in buddy and spurts all over his face for a grand finale. A meatier fella is soon self-sucking in the sunshine, as his geezer-looking friend looks on, and quickly joins the action. After salivating over the cock of his tall, dark and muscly fuck-buddy, he's pinned down for a serious rimming session and fucked like a bitch over a motorcycle... It seems this 'geezer gay' is also a rabid cock slut. A nervous looking newbie to the club doesn't stay casually looking round the venue for long and is grabbed by a horny skinhead, who's eager to get a good pounding - and does so on the club floor. In direct contrast, a cute emo-looking boy is wanking off to some porn and is quickly joined by a super-cute, lean blonde twink with a massive knob. Once our emo friend is working his way around the delicious piece, he can't get enough, but thankfully stops long enough to get an eager pummelling from the thick-dicked twink. Whatever your hung ladz fantasy, there's someone here to please everyone.

HOT HOUSE BACKROOM VOLUME 17

STUDIO : HOT HOUSE VIDEO DIRECTED BY **ROBERT C. DRAKE**

Starring: Jackson Lawless, Paul Wagner, Vince Ferelli, Alessio Romero, Tyler Saint, Tim Kruger, Fabio Stallone, Tony Vega, Nash Lawler, Rafael Alencar.

VOLUME 17 OF HOT HOUSE'S BACKROOM SERIES SERVES UP FIVE SCORCHING HOT SCENES STARRING SOME OF TODAY'S PORN STAR ROYALTY. NO MATTER IF IT'S IN THE LOCKER ROOM OR THE BEDROOM, THESE HORSE-HUNG STUDS CAN'T WAIT TO GET NAKED AND FUCK.

Available from
www.HotHouse.com

MUSCLED hunk Vince Ferelli wakes up in bed to find Nash Lawler's tongue up his big, muscular arse and to show his appreciation he rolls over and sucks Nash's cock. It soon gets rock hard and Nash fucks the hell out of Vince on all fours until they both shoot their loads. Furry hunk Paul Wagner is kitted out in a skin tight wrestler's singlet in scene two when sexy, tattooed Latino Alessio Romero walks into the locker room. We're used to seeing hung Alessio doing the fucking but Paul turns the table, flips Romero onto his back and fucks him hard. Hunky Tyler Saint is paired with Tony Vega next and aggressively throws him on to a bed and strips him out of his clothes. Once he's sucked on Tony's big uncut cock and huge ball sack, Tyler rims his bubble-butt, puts him on all fours and fucks the hell out of him. Hot bottom boy Jackson Lawless hooks up with horse-hung Fabio Stallone in scene four and wastes no time getting his fat shlong down his throat before sitting down on it. Jackson gets the ride of his life until both guys blow their loads. It's not often that we wish we could be a porn star, but when we saw that Jackson was back in the final scene alongside two of the biggest cocks in the business, Tim Kruger and Rafael Alencar, we were green with envy. The scene's set in a locker room and as Jackson sucks Tim Kruger's humungous meat, out of the shower steps horse-hung Rafael Alencar and joins in the action. Lawless does his best to give them both equal time and Tim and Rafael take turns fucking his hole and his face until all three shoot their loads.

MEET BENJAMIN & ROMAN

→ WHEN QXMEN HEARD THE NEWS THAT GAY PORN COUPLE ROMAN HEART AND BENJAMIN BRADLEY HAVE LAUNCHED THEIR OWN WEBSITE WE JUST HAD TO FIND OUT MORE ABOUT THE TWO HEARTTHROBS AND SPOKE TO ROMAN.

So how did you guys meet?

We had friends in common, but my friends didn't want me to meet Ben, because they were head over heels for him. So for months and months I never met Ben. Then Ben finally emailed me on bigmuscle.com. I drove two hours to go hang out with him one night, and we kept seeing each other after that night.

How long have you been together?

We met in 2004, and have been together mostly since. I mean there was a year where we dated other people, but we have been back together for two years. We like to just say we've been together for six years.

And who wears the trousers in the relationship?

Depends how you define that. As far as sexually we take turns, we both like to mix things up and keep it hot. Around the house and with work, we've both been the 'money maker' at different points. I'm the one that keeps the house in order, does the grocery list and cooks. So in the household way I wear the mini skirt (ha ha).

How old were you when you started working in porn?

I was 18 year old when I started, I had a couple of friends that did it, and after a couple of times of saying no, I thought why the hell not. If I don't like it then I won't do it again... To say the least I liked it and have been with Falcon Studios for almost six years. Ben started shortly after me, when he was 23, being an exclusive for Channel One Films.

What were the first films you starred in?

I starred in *Super Soaked* in Palm Springs directed by Chi Chi Larue. I remember being 18 and being so intimidated by her. I've never been yelled at, "Fuck his hole, fuck ya, HARDER HARDER!" She was ruthless at directing, but it turned out to be one of my favourite scenes. Ben's first film was the *Driver* in San Francisco with me for Falcon Studios. Working together for his first time was an easy start to the business.

Which studios have you worked with?

I've worked with Falcon exclusively. Ben started out as a Channel One Exclusive before leaving the business to be the spokesperson for Ginch Gonch Underwear Company. After his year long contract with the company he returned to porn, working with studios such as Buckshot, Falcon, Jet Set and mainly for RandyBlue.com. And, of course, we work for ourselves doing live shows and videos at RomanandBenjamin.com

Are you both versatile?

Yes, we like it all... Seriously, there are times where I'm feeling submissive and vice versa for Ben. I think any long term

good relationship has the best of both worlds, topping and bottoming.

So, what turns Roman on?

I'm a sucker for a little dirty talk. I also love to have my ears licked. And if the feeling's right, honestly I like a little choking. You hold your breath when you masturbate and it feels good, so why not have your top holding your breath for you... HOT!

And what turns Benjamin on?

I like sexy underwear, chaps, sex with shoes and ass play. Love shoving toys in a nice butt.

Have you ever done a scene together?

Funny thing is Ben's first porn was us together, *The Driver*. But our last film we both shot was together as well. It just came out and is called *Intrigued*.

What's your favourite porn movie of all time?

We prefer to watch a little X-Tube, or some early 90s porn. We don't really have a favourite.

What do you guys do to relax?

Relax, what's that? Seriously it seems we've been non-stop lately. Benjamin does graphic design for all sorts of events and clubs. We have a ton of bookings on the calendar for the summer. But when we do get relax time, we love popping some popcorn and watching movies on the couch.

You've recently launched RomanandBenjamin.com... What can we see on the site?

We've really put a lot into the site. We've wanted to make a really personal website where we interact with members. We do live chat shows weekly for our members (something that most model-owned sites don't offer). We have an archive of hot videos, hundreds of photos, message board for members and our blog. We're proud to say that RomanandBenjamin.com is nominated this year at the Grabby porn awards. **Do you have any new movies coming up?**

Ben has a bunch of new stuff that has come out and is coming out for RandyBlue.com. I'll be filming for Falcon Studios this month. And our latest film *Intrigued* just came out.

Finish this sentence. The best part about being a porn star is...

... being with the hottest boys out there.

Any plans to come to the UK?

We have a friend that just moved from Manchester, and we're talking about flying back to the UK with him and traveling around for a month. Benjamin has never been to Europe and I loved it there. So we're trying to make plans to go.

Finally guys, describe yourself in three words...

Real, goof-balls, and together.

NEW AND UPCOMING RELEASES THAT LOOK HOT!

RHODE'S RULES

FALCON Exclusive Eric Rhodes keeps his clothes on and gets behind the camera to direct **Rhodes' Rules** for Mustang Studios. With a stellar cast that includes Adam Killian, Tyler Saint, Samuel Colt, Nash Lawler and Tommy Defendi, the movie's set in a steamy sex club and features some interesting scenarios, including one butt-clenching encounter between the oh-so sexy Tommy Defendi and a fucking machine... We so want one of those!

GETTING LEVI'S JOHNSON

THIS parody of Alaskan hunk Levi Johnston (Sarah Palin's almost son-in-law) and his blunder into the world of nude modelling, is a five-scene scorcher, directed by Chris Steele for Jet Set Men.

With porn superstars including the hot-assed Jet Set Exclusive Landon Mycles, Jesse Santana and the irrepressible Brent Corrigan, mega-hung studs Diesel Washington, Dallas Reeves, and Luke Marcum, **Getting Levi's Johnson** is one movie that has something for everyone. Even Lisa Ann (Nailin' Palin) who plays Levi's nemesis Serra Paylin, the big-breasted political super bitch, makes an appearance!

Available at **PROWLER, EXPECTATIONS** and all good video stockists.

MEN IN STOCKINGS

NEW YORK powerhouse Lucas Entertainment continues to push boundaries and now brings us to a new level of kink with **Men In Stockings**. We never imagined that the sight of guys in ladies' pantyhose could be quite so appealing, but how wrong we were. Man of the moment Junior Stellano still looks every inch the masculine hunk in black tights as he's ploughed by Michael Lucas. And when real-life boyfriends Spencer Reed and Phillip Aubrey explore the romantic side of stockings, blond hottie Phillip never looked so good!

Explore your feminine side at www.lucasentertainment.com

DIAMOND AUTOS

WE all love a porn flick set in a motor mechanics garage where grease-covered hunks can be found hard at work fixing up cars, and **Diamond Auto** from Raging Stallion Studios' Monster Bang Video doesn't fail to deliver. Starring Derrek Diamond as the boss and a garage full of out of control employees including horny redhead Ryan Patrick, hot blond Christian Wilde, tattooed hung Alexander Frietas and eleven inch fuck stud Element Eclipse, this is one garage we'll be pulling into for an M.O.T. HOIST BLACK ★ 30/04/2010

THE HOIST, 47C SOUTH LAMBETH ROAD, WANDSWORTH, LONDON SW8

LONDON'S hottest dress code bar the Hoist joined forces with fetish specialist RoB for Hoist Black, a circuit party for tough guys. We talked up and squeezed into a rubber singlet as the night was no ordinary run-of-the-mill fetish night and there was an ultra-strict dress code of leather and rubber only. And we were not disappointed as everyone was kitted out in sexy leather and skin tight rubber.

LONDON ★ FETISH

HUSTLABALL ★ LONDON 2010

JOEL RYDER, EVENTS MANAGER FOR THE EUROCREME GROUP, WAS AT LONDON'S HUSTLABALL AND QXMEN FOUND OUT WHAT THE SEXY BUGGER GOT UP TO...

So, who did you get to meet?

Well I got to meet a lot of hot hunky stars from the world of porn such as Michael Lucas, Chi Chi La Rue, Rafael Alencar, Barrett Long, guys from rent-boy.com and the hot American studio Flavaworks not to mention, of course, the larger than life Alphamalemedia and Eurocreme models.

Who was your favourite?

Barrett Long was great! He had a huge cock that he just couldn't stop self sucking and shooting his big hot load on to the waiting crowd from the stage!

Did you snog anyone?

Yeah, I got lucky a few times with one lucky person.

Did you get backstage?

I was in between the red carpet, VIP and backstage all night long. Backstage I was helping the legendary Trojan Rock from Alphamalemedia direct the action on stage and helping the models prepare before going on stage... That was fun!

Which were your favourite shows of the night?

Well besides Alphamalemedia putting on one hell a raunchy performance! The Flavaworks guys did a great job, there all hot! Ooo, I also loved the Hoodies show!

Any juicy gossip?

Well ...YES! Chi Chi La Rue was fabulous as always and the most outrageous thing of the night was when Chi Chi was on the bed in front of the DJ console in the VIP room and she went crashing through the head board sending ALL the DJ equipment flying! Now don't ask me how but the music didn't even skip a beat! Just goes to show what a master DJ she is as well as legend porn director.

So, was there much X-rated shenanigans going on?

Are you kidding me!! The entire event was XXX-rated. Wherever you looked there was cock thrust in your face... Fabulous!

Any shocking moments?

Michael Lucas getting sucked off by a lucky member of the crowd at the front of the stage!

What will you remember from this year's HustlaBall?

Well it's a bit of a blur but Chi Chi La Rue will stand out, crashing through the DJ console, so funny! Interviewing all the hot guys was amazing and it was an awesome event. I can't wait for the next one to cum.

Will you be at Berlin's 25th anniversary HustlaBall this year?

Who knows. If I'm lucky and get asked, maybe? Any offers out there? (LOL)

RECON FULL FETISH ★ 02/05/2010

THE ARCHES, 51 SOUTHWARK STREET, LONDON SE1

RECON'S Full Fetish was back for some bank holiday mayhem last month and the club was packed to the rafters with leather and rubber fetishists, skinheads, guys in sports gear and every fetish in between. The night was the latest success of the Full Fetish parties where men who know what they want (and know just how to get it) go for a night of perverted and kinky partying. Those guys from Recon - the world's largest fetish personals and chat site for gay men - certainly know how to throw a party!

DEEP ★ 15/05/2010

CLUB UNION, 66 ALBERT EMBANKMENT, WANDSWORTH, LONDON SE1

WE put on our skin gear and headed down to Deep last month to hang out with the crème of London's fetish scene. The club was full of rubber freaks, scallies in sports kit, leather guys, sexy skinheads, hot muscle guys and everything in between. The punters made full use of the Hog Works Dungeon and play space full of custom-made dungeon equipment, the Fitlads.net scally room and dance floor with sexy tunes supplied by hot DJs Terry G, Steven Geller and Stevie B. And if all that wasn't enough, there was also the Prowler Video Booths, sexy porn stars, naked dancers and boot shine boys to keep us entertained.

We popped into London's Locker Room Sauna last month following a major revamp and believe us when we tell you that the venue is unrecognisable. We take our hat off to Tim and the boys who, in just three weeks, have transformed the Locker Room into a stylish and contemporary venue, almost doubling its size and completely changing the layout. Not only have they created more cabins and endless amounts of space to cruise guys and chill out, but they've also installed new, state of the art equipment including luxurious power showers, two new internet stations and one of the best cinemas you could wish for, kitted out with comfy leather day beds. The lockers and changing area is now much larger and

the whole venue is kept at a perfect temperature thanks to air conditioning throughout. The only places that you'll be getting hot and sweaty now will be in the 30 man 2 tier sauna cabin and the steam room. Alongside the health spa facilities, the Locker Room has all those extra things that us gay guys love like the sling room and glory hole room that'll help make your visit so much more fun. And these facilities will come in handy this month when the Locker Room begins hosting some seriously sexy parties run by Underground123.co.uk. Check the website for details, dates and to print off an invite or request a text reminder. THE BUSIEST CHAT SERVICE IN THE UK

LIVE 1-2-1

QX CHAT.com

CHECK OUT WHY WE HAVE GIVEN YOU THREE NUMBERS INTO ONE SERVICE

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
