WELCOME...

TO THE FOURTH ANNIVERSARY ISSUE OF QXMEN MAGAZINE. TO MARK THE OCCASION, THIS MONTH'S ISSUE IS THICKER HAS EXTRA (COLUMN) INCHES AND MORE WEIGHT TO IT... JUST LIKE THE COCKS WE LOVE SO MUCH!

Well, we've reached the grand old age of 4-years-old and looking back over those years we've watched over 500 porn movies, interviewed 70 porn stars, been on the set of countless porn movies and road tested too many sex toys to mention... It's a tough job but somebody has to do it!

This month's been no exception as we've watched well over ten hours of cum-drenched porn so we can tell you what's hot and what's not. After ogling at all those buff Hot House hunks in their swimming trunks last month we thought we'd see what happens when the bathers come off in Hot House Video's **Trunks 5**. Muscle-bound Falcon superstar Eric Rhodes makes his directorial debut in **Rhodes' Rules** from Falcon's Mustang Studio, and if his first movie is anything to go by, we can't wait for the next one. Treasure Island Media, the maverick San Francisco based studio, came to London to film **Wild Breed**, and the results show that us Brits are as sleazy as the best of them. Guy Hunter travelled to Buenos Aires to film some of the Latin locals getting down to some intense sweaty sex in **Porteños**, and back in good old Blighty, Eurocreme went out onto the streets of London's Soho and found some teenage lads who can fuck like rabbits in **Indieboyz Sk8punks**. At the other end of the porn star spectrum, Alphamalemedia serves up a feast of beefy, hairy hunks in **Out With The Porn Stars**. Despite what you may think, we're not averse to a little bit of love and romance, and we must admit that we did get a bit

loved-up when we watched **In Bed With Andy And Mika** from FreshSX, the true story of how two young porn stars fell in love. However, the moment we caught sight of Mika's monster cock pounding Andy's tight hole, we thought fuck romance, give us hard sex any day! And, last but by no means least, there's hard, cum-splattered sex in bucket loads in **The Spurt Locker**, the latest DVD from those dirty lads at UKNakedMen.

Ahead of this month's first official Fetish Week in London, we've got the essential pull-out guide to the five days of fetish parties and events from the 14th to 18th July. Thousands of guys are expected to descend on the capital in their leathers, skinhead gear, rubber, uniform and sports gear for this monumentous event and we at QXMEN, can't wait!

There were tears and tantrums at this year's Grabmys, America's glitziest gay porn awards, and we've got news of the winners and losers. We have an exclusive interview with Vince, the hot photographer behind Raw Image Studio, who creates iconic images of some of the hottest and most masculine guys we've ever seen, from scaffolders to cage fighters. QXMEN's resident sexpert, the lovely Hayden Bridge, is back and this month he sheds some light on the perilous practice of auto-erotic asphyxiation.

Also this month, we rummaged through our dressing up box, squeezed into a rubber jockstrap and pulled on a pair of army boots for a night at London's Hard On, and then donned a baseball cap, tracksuit and Reebok Classics and hung out with the boys at Scally Ladz' 7th birthday bash...

Who says you can't enjoy the best of both worlds? And we'd be doing you a disservice if we didn't pack our 4th birthday issue with more big cocks and sexy bubble butts, than any other publication so, fear not, we've packed more in than ever! Plus there's some great competitions, gay porn news and gossip and a horny story that'll turn you on and make you laugh at the same time!

NEWS, GOSSIP AND STUFF WE THOUGHT YOU'D LIKE TO KNOW...

EXPECTATIONS... STILL SERIOUSLY SEXY!

Expectations has gone through somewhat of a transition in the last six months in order to bring fresh interest into a brand that's been catering to the fetish market for more than 30 years. Subsequently, a new website has been designed to help its loyal fan base to purchase a wide range of quality products and services with as much ease as possible. The thinking behind the revamp was to appeal to a wider target audience, whilst retaining its existing client base and the new look website features hot new images designed to appeal to anyone - young, old, lesbian or hetero - interested in passionate role play whilst dressed in the latest quality fetish wear. Together with new images, the website offers customers a new improved check out, easier site navigation, a zoom facility that enables you to see the detail and craftsmanship in much of the products, important news regarding club nights geared towards the fetish market, a great new search option, detailed product information from the experts (the store sales staff), as well as a multi-currency display that'll cater for customers abroad who purchase goods time and time again. So, what are you waiting for? Log on to www.expectations.co.uk now. But be warned, the range is still seriously sexy!

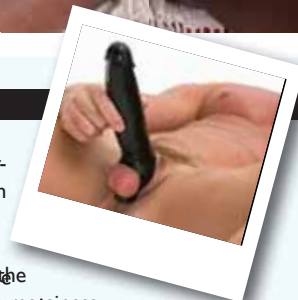

NEW ON EXTRABIGDICKS.COM

There's a couple of new faces on **ExtraBigDicks.com** that we just have to tell you about. In fact, in all honesty, it's the monster cocks that these two lucky lads encounter that got our attention. First up it's 22-year-old jock Ridge Michaels whose butt gets officially introduced to Diesel Washington, the man with the 9 inch trouser snake. We've got to hand it to young Ridge as Diesel impales him in various positions. Another new face on ExtraBigDicks.com who gets an Extra BIG welcome is 28-year-old Kyler Rogue, who himself packs an impressive 8 and a half inch whopper! He's paired with mega hung Cuban Mario Costa who's been blessed with 9 and a half inches of rock hard cock! The two start off with a hot 69 before Kyler straddles Mario's massive python and slowly eases his hot arse down on it... We challenge you not to blow your load at these two eye-watering scenes!

FREE UK SHIPPING IN JULY FROM HARDEXTOYS.COM

If you want to give your other half (or fuck buddy) a few extra inches then why not get yourself a cock sheath? One of HardSexToys' best sellers, the cock sheath (pictured) is available in black or clear and in two sizes, medium or large. Another product that's flying off the shelves is the lube shooter. Available as a pack of three, it's great for making sure the lube goes up just where it's needed. And as it says on the tin it "puts lube between the cheeks and not on the sheets". Finally, another new and good seller is J-Jelly. It's J-Lube but pre-mixed to avoid all the mess in the kitchen that you get with mixing up the powder. And as a special 4th birthday gift to our readers, if you quote QXM4 when placing your order, those nice guys at **HardSexToys.com** are offering free UK shipping for the whole of July.

As soon as the new iPad was available, **RocketTube.com**, one of the fastest growing gay adult sites on the Net, began tweaking its code to ensure compatibility with what some have called the greatest porn delivery device ever created and is now the first gay adult site compatible with the fab new iPad. "We've seen mobile traffic grow consistently over the past year, and when the iPad was announced we knew the time had come to really get in the game," said RocketTube spokesperson Sha Prewitt. "Anything that makes viewing our product, and the products of our sponsors and advertisers, more portable and convenient is certainly a welcome development," he said.

SILICONE LUBES JUST GOT BETTER WITH GETMAXX.

WHEN the first silicone lubes hit the market, they were a sensation. They lasted an eternity, compared with water-based lubes, were taste and odour free and best of all 'condom friendly'. However, whilst silicone lubes have been found to be safer than water-based lubes, there are some concerns on the safety and long-term effects of them once they've entered the body. Therefore, German based company D'Laros has worked tirelessly to create a revolutionary new silicone lubricant called GETMAXX, which is claimed to be the safest and purest silicone lube on the market. It's dematologically tested as 'excellent' and has beneficial moisturising effects on the skin, leaving it softer and smooth. GETMAXX will not mix with water and is ideal for 'wet play', because it will stay where you put it and not get washed away. Another common complaint about normal silicone lubes is that they tend to leave unsightly stains on your clothes and bed sheets. However, this is not the case with GETMAXX as it's easily removed with a little soap and water. So, if you want to get your hands on this great new silicone lube then check out Master U's special offer in this month's QXMEN and go to www.masteru.com or visit their shop in London's Vauxhall.

HUSTLABALL BERLIN - OCTOBER 2010.

THIS October sees the 25th HustlaBall Berlin and the silver jubilee will be marked with a five day circuit party-weekend. The celebrations start on Thursday October 21st with a reception at Axel Hotel, followed by the warm-up party Testosteron, just around the corner in the Connection Dancebar. So there'll be a pool again, play areas in new rooms, a new and central VIP area and, of course, a feast of porn stars from around the world will be performing on and off stage. On Saturday it's Salvation, with top DJs and for those of you into S&M and fetish there's FUCTION in the cellars of a former brewery. Then on Sunday it's the T-Dance, EXTASY, with coffee, cake, hot men and even hotter go go boys! And last but not least the world famous GMF, that is Gay Midnight Fever, will round up the party-marathon up until the wee hours. CLASSIC LONSDALE GEAR AT BLEACHERS & CO.

Bleachers and Co. has been in business since 2005 and is the premier supplier of skinhead gear to the retail trade as well selling direct to the public via their web-based shop. They're based in London, the birthplace of the skinhead movement, and the key to their success is that they're a company of skinheads making gear for skinheads who know what they want. Their most popular product is the bleached jeans or "bleachers", the essential item for any real skinhead. All of their bleachers are handmade with good quality, vintage jeans to give that sexy worn look. And because they are all handmade, no pair of bleachers is the same as another. Bleachers & Co. has also come up with the Back Zip Bleachers, popular with those skinheads who like a bit more than the stomping boot action when they're out and about. The Back Zip bleachers have a zip at the back seam point that's concealed by a fly guard making it virtually invisible, meaning that you don't need to take your bleachers off to get into action... Genius! And Bleachers & Co. are proud to announce that they're now official distributors of Lonsdale products. So you can log on to the website and pick up great Lonsdale classics such as Lonsdale Harrington jackets, Lion polo shirts, t-shirts and bags. And make sure that you keep checking www.bleachers.co.uk for new products and updates.

WHAT YOU WANT, WHEN YOU WANT IT

TRUNKS 5

STUDIO: HOT HOUSE VIDEO DIRECTED BY **STEVEN SCARBOROUGH**

Starring: Kyle King, David Dakota, Tyler Saint, Ross Hurston, Mason Wyler, Kai Ford, Tyler Johnson, Josh West, Johnny Gunn.

ONLY LAST MONTH WE GAVE YOU A TASTER OF SOME OF HOT HOUSE VIDEO'S GORGEOUS HUNKS IN THEIR BATHERS, AND THIS MONTH WE GET TO SEE WHAT HAPPENS WHEN THE TRUNKS COME OFF AND THE GUYS GET DOWN TO SOME SERIOUS GUY-ON GUY ACTION.

SEXY bottom guy Kyle King and top guy David Dakota open the movie larking about in a swimming pool on a hot sunny day. But when Dakota gets out of the pool with a hard on, things get a lot hotter! He expertly sucks King's stiff cock and then flips him over to get to work on his beautiful, round bubble butt. Dakota plows him first in the water then moves to the pool's edge where he lies King on his back to fuck him even deeper. Muscle guys Tyler Saint and Ross Hurston are up next and confirmed top Saint gives it up and gets fucked for the first time on camera in this history-making scene with Hurston! Of course, Saint returns the favour and pummels Hurston's bubble butt until both guys shoot their loads! Gorgeous studs Mason Wyler and Kai Ford are so hot and both possess incredible butts and Wyler fucks Ford in three positions before Ford turns the tables and screws his mate. Ross Hurston's back next with Tyler Johnson and unable to resist the sight of Johnson's bulging crotch, he gets on his knees in front of him and starts to suck on his eight incher. Johnson catches a glimpse of Hurston's long fat cock and returns the favour. Things really heat up when Johnson shoves his cock in Hurston's arse and Hurston thrusts himself back and forth on the rock hard rod before they both shoot their hot loads. Horse hung Josh West and Johnny Gunn star in the final ball-busting scene and after über bottom Gunn stretches his jaw to the limit deep throating West's ten incher, he gets the doggy-style fuck of his life!

RHODES' RULES

STUDIO: MUSTANG DIRECTED BY ERIC RHODES

Starring: Samuel Colt, Adam Killian, Tyler Saint, Nash Lawler, Tristan Jaxx, Tommy DeFendi, Andre Barclay, Trent Diesel.

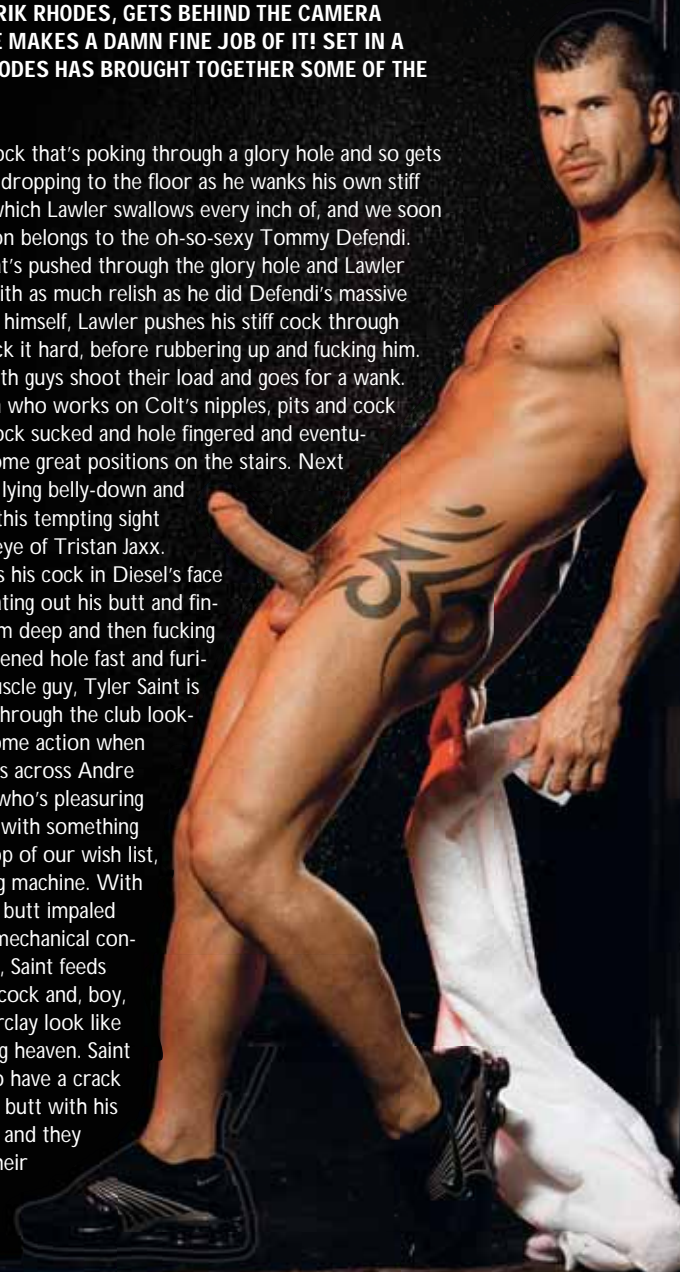

ONE OF FALCON'S SUPERSTAR MODELS, ERIK RHODES, GETS BEHIND THE CAMERA FOR HIS DEBUT DIRECTORIAL ROLE AND HE MAKES A DAMN FINE JOB OF IT! SET IN A DIMLY LIT BATH HOUSE, THE 666 CLUB, RHODES HAS BROUGHT TOGETHER SOME OF THE HOTTEST STARS IN THE BUSINESS TODAY!

NASH Lawler can't resist the fat cock that's poking through a glory hole and so gets on his knees to suck it, his towel dropping to the floor as he wanks his own stiff tool. It's an enormous schlong, which Lawler swallows every inch of, and we soon discover that the cock in question belongs to the oh-so-sexy Tommy Defendi. Next it's Defendi's hairy butt that's pushed through the glory hole and Lawler tongues his pink puckered hole with as much relish as he did Defendi's massive cock. Wanting some oral attention himself, Lawler pushes his stiff cock through the opening and orders Defendi to suck it hard, before rubbering up and fucking him. Samuel Colt happens to wander by just as both guys shoot their load and goes for a wank.

He's joined by Adam Killian who works on Colt's nipples, pits and cock before getting his own cock sucked and hole fingered and eventually fucked by Colt in some great positions on the stairs. Next we find Trent Diesel lying belly-down and butt naked and this tempting sight catches the eye of Tristan Jaxx.

Jaxx shoves his cock in Diesel's face before eating out his butt and fingering him deep and then fucking his moistened hole fast and furiously. Muscle guy, Tyler Saint is strolling through the club looking for some action when he comes across Andre Barclay who's pleasuring his butt with something that's top of our wish list, a fucking machine. With Andre's butt impaled on the mechanical contraption, Saint feeds him his cock and, boy, does Barclay look like he's in pig heaven. Saint decides to have a crack at Barclay's butt with his monster cock and they soon blow their hefty loads.

SCENE one and there's no messing about as we're straight into the action with two teenage skater boys kissing on the sofa. Pulling off their t-shirts they reveal hairless, slim chests (which we all had many years ago). One of the lads has milky pale skin while his mate is tanned and they wriggle out of their skinny jeans and start to suck each other off. Now these teens may have slight bodies but their cocks are truly man-size and once hard, one of the lads fucks his mate over the sofa, before they swap positions and one face fucks the other until they both cum. And boy, these youngsters sure do produce a lot of the white stuff! It must be all that testosterone raging around their young bodies. Another two equally cute lads are making out on the couch next and after tugging off their clothes they move into a 69er, deep throating each other's cocks until they're both rock hard. The lad who's going to get his tight hole fucked decides to sit on his mate's massive cock as it's a big 'un (we all know that that's the best position to take a large cock). He soon gets into his stride and bounces up and down on his skater mate's stiff cock until, just as they're both about to cum, he hops off and they wank until they cum bucket loads of spunk, one getting it in his mouth and all over his face. For the final two scenes the action moves from the living room into the bedroom where these energetic young lads can really go for it. These teens have boundless energy and can suck and fuck each other without ever breaking out into a sweat, before lying back to jerk their cocks and shooting fountains of cum. Arse lovers are in for a treat in the final scene when one twink lies on his front, arches his back and pushes his hairless punk bum up in the air for his skater mate to tongue his puckered hole... It's a guilty pleasure to watch and we loved it!

OUT WITH THE PORNSTARS

STUDIO: ALPHAMALEMEDIA DIRECTED BY SIMON BOOTH

Starring: Thierry Lamasse, Bruno Knight, Jason Torres, Marius Mugler, Zack Elias, Jorge Ballantinos, Aitor Crash, Mike Dreyden

GO BEHIND THE SCENES OF THE FUCK-FILLED WORLD OF THE ALPHAMALE PORN STARS AS THEY PREPARE FOR THE WORLD FAMOUS HUSTLABALL PORN PARTY IN LONDON. THE TESTOSTERONE LEVELS ARE OFF THE SCALE AS THESE EIGHT FILTHY MUSCLE STUDS GET THEMSELVES WORKED UP INTO SUCH A FRENZY THAT ONLY HARDCORE FUCKING CAN SETTLE!

FRENCH stud Thierry Lamasse hooks up with beefy Brit Bruno Knight in scene one. It's Bruno's porn debut, and he proves that he has what it takes to be a quintessential Alphamale star. With his rugged looks, hairy chest and muscles in all the right places, Bruno's the perfect pairing with sexy top guy Thierry, and he wastes no time pulling Thierry's thick hard cock from his jeans and swallowing every inch. Thierry turns Bruno around, bends him over the kitchen counter, spreads his muscled bubble butt and gets his hole wet in readiness for his thick cock which he rams in and pounds away until sweat runs down Bruno's face and back. The fucking continues in the bedroom and by now both guys are dripping in sweat as Thierry pounds Bruno's hole. Mmmm, that Thierry Lamasse is one hell of a fucker! Strapping Northerner Jason Torres is a welcome addition to the Alphamale pack. He's tall and tanned, with a thick layer of fur and a dick of death. Jason uses his weapon of mass destruction on sexy muscle stud Marius Mugler after their HustlaBall performance and pounds his perfectly, round butt, making the Latin hunk moan with pleasure. Two hot shaven-headed studs get it on next and it's lucky Jorge Ballantinos who rides the monster cock that belongs to Zack Elias. Who could resist Latino Jorge's bubble butt, and after he's deep throated Jack's enormous cock, he gets on all fours and receives the fuck of his life! One time QXMen cover star, tattooed fuck stud Aitor Crash, is one aggressive and dirty top and he gives hot New Yorker Mike Dreyden one hell of a working over in the finale of this cum-drenched feature. Aitor begins by worshipping Mike's sexy arse, biting down on his cheeks and making him yelp in pleasure and pain, before positioning him on a stool and fucking him upwards. Aitor Crash must be one of the sexiest fuckers in the business today and watching him thrusting his cock inside a willing bottom's arse is sure to make you blow your load.

IN BED WITH ANDY & MIKA

STUDIO: FRESHSX DIRECTED BY **JAMES CONNOR**

Starring: Andy O'Neill, Mika Poika, Kai Cruz, Josh Hancock, Nico James, Damian Duke, Lee Bryan, Jak Williams, Jamie Summers, Alexander Petrov.

THIS IS THE TRUE STORY OF HOW TWO PORN STARS - MIKA POIKA AND ANDY O'NEILL - MET AND FELL IN LOVE. IT WAS FOLLOWING MIKA'S WIN OF THE FRESHSX PORN STAR COMPETITION 'THE APPRENTICE 2' AND ANDY'S SUBSEQUENT WIN OF 'THE APPRENTICE 3', THAT THE BOYS MET AND THE REST, AS THEY SAY, IS HISTORY!

SCENE one shows Mika's first porn shoot with hot bottom boy Jak Williams. Jak begins by deep throating Mika's huge nine inch cock and it's so thick he really has to stretch his mouth open to fit it all in. Mika slowly tongues Jak's tight hole and works it open with his fingers before handcuffing Jak down on the bed with his hands behind his back. Thrusting his cock into Jak's tight butt you can hear the lad groan as every inch of Mika's massive trouser snake goes deep inside him. And by the end of scene one, we can see exactly why Andy fell in love with Mika. Scene two is a hot three-way featuring Andy O'Neill, Josh Hancock and Nico James. A tru pro, Andy takes both guys' cocks up his arse, first Nico's and then Josh's even bigger tool, and as the sex gets to burning point Andy starts to fuck Nico while he still has Josh inside him. Up next, it's Mika and Alexander Petrov and, once again, Mika shows what an excellent top he is. Alexander says that he's never been fucked before and hearing his gasps when Mika pushes his tight hole, make us believe he was telling the truth! We're treated to another hot three-way next with Mika, Kai Cruz and Jamie Summers and Kai's tight hole is the first to get fucked when he sits on top of Jamie's cock, sucking Mika at the same time. Then Mika swaps with Jamie, shoves his cock in Kai's butt and they roll over so that Kai can fuck Jamie at the same time in a scorching hot sandwich fuck with Kai in the middle! Another great three-way fuck, this time a scene from The Apprentice 3, features Andy, Damian Duke and Lee Bryan, before we cum to the final scene starring lovers Andy and Mika. It's their first ever filmed sex scene and the action takes place on their love couch! The two fuck with raw energy and passion and Mika gives Andy a really deep pounding in various positions until both guys shoot their loads.

PORTEÑOS

STUDIO: GUY HUNTER ★ DIRECTED BY GUY HUNTER

Cast: Tommy Lima, Jonas, Leandro, Pablo, Bruno Bordas, Gastonix, Gerardo Bartock, Guido, Tiago Zeravia.

SHOT ON LOCATION IN BUENOS AIRES WITH NINE HUNG AND UNCUT LATIN HUNKS, THE GUY-ON-GUY ACTION IN PORTEÑOS IS FAST AND FURIOUS WITH PLENTY OF ARSE EATING, DICK SUCKING AND, OF COURSE, FUCKING.

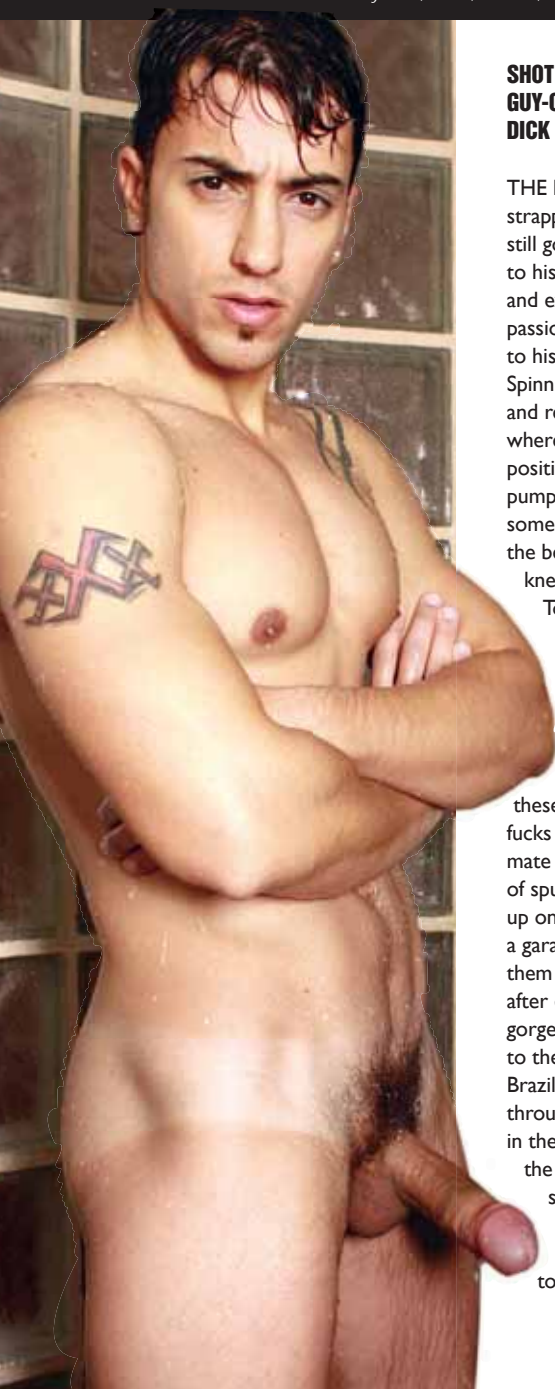

THE last time we saw Tommy Lima he was a cute young twink. Well, he's grown into a strapping young man and scene one finds him soaping himself down in the shower. He's still got an amazing bubble butt and when he gets out of the shower to answer the door to his dark and swarthy mate, his towel 'accidentally' drops to the floor leaving him naked and exposed. Embarrassed, Tommy tries to cover himself but his mate grabs him close and passionately kisses him, at the same time fingering his puckered butt hole. Tommy drops to his knees, gets his mate's thick Brazilian cock out from his jeans and starts sucking. Spinning Tommy round, his mate buries his face into Tommy's tight hole getting it moist and ready for his cock, we suspect. We're right and the guys move into the sitting room

where he lies on his back, assumes the position with his legs in the air and gets pumped by his mate's stiff cock. After some passionate fucking they head into the bedroom where Tommy gets on his knees and takes it doggy style. For sure,

Tommy Lima's grown up into a true pro! Next up it's two masculine and hung Brazilian studs who appear to have a fetish for feet, sucking each others toes and massaging their cock with their size tens.

Because we're not familiar with these Latino hunks, we can't tell you who fucks who, but the active guy fucks his mate good before blowing a thick load of spunk. Another two Latino studs hook up on the street next and head back to a garage owned by one of them. One of them has an enormous curved cock and, after deep rimming his new found friend's gorgeous bubble butt, they head upstairs to the apartment and fuck like rabbits. Two Brazilian studs are cruising each other through the shelves of an adult DVD store in the final scene, and once they get naked, the cute young shop assistant closes the shop and joins in the horny fun for an all-action three-way... These horned up Brazilians studs sure know how to have fun!

THE SPURT LOCKER

STUDIO: UKNAKEDMEN

Starring: Kurt Rogers, Carioca, Ross Hurston, Rick Bauer, Jed Wilcox, Nic James, Freddy, Raphael, Paulo, Harris.

THOSE DIRTY LADS AT UKNAKEDMEN ARE AT IT AGAIN WITH THEIR FIFTH DVD THE SPURT LOCKER. THIS TWO AND A HALF HOUR SWEAT AND CUM DRENCHED ROMP IS A hardcore sports-themed DVD following the sexploits of a bunch of horned up guys as they cruise through London's saunas and gyms ploughing hot, tight, juicy arses along the way.

SOUTH AFRICAN cover guy, Jed Wilcox, opens the movie and stars in two scenes, and this muscular, hung stud certainly knows how to milk a hard, uncut cock. After cruising in the gym he takes on the equally hung Kurt Rogers in the steam room and then Nic James in the Jacuzzi. Gymnast, Jed, has the most amazing muscular arse, and shoots hot wads of jizz as his tight, bubble butt is stretched by their fat dicks. Power bottom Ross Hurston is also dealt with a massive uncut tool as Paulo slams every one of his massive nine inches deep inside the horny, hairy stud. Next up it's Freddy the Swedish masseur, who's getting to grips with Rick Bauer, oiling down his muscular body. The masseur soon straddles his client whilst his fat dick grows in his tight, white pants and lifts his legs to allow Rick full access to his juicy fuck hole. He takes every inch of Rick's dick down his throat and then up his spit-soaked arse before being rewarded with a sticky, hot load of cum. Next it's time for swarthy Brazilians Carioca and Raphael to show us what they're made of. Smooth Raphael takes an unbridled arse bashing as Carioca lets rip on the toned young pup's cute butt, and then shoots his gooeey load all over the sexy lad. In the final scene new bloke Harris shows off his hard dick and plays with his foreskin before shooting, we reckon, a good six feet and drenching his own feet. Beautifully lit, filmed in HD and handsomely put together, these hand-picked, uncut studs, really deliver the goods in this international fuck-a-thon set in London's cruisy underbelly.

WILD BREED

STUDIO: TREASURE ISLAND MEDIA DIRECTED BY LIAM COLE

Starring: Peto Coast, Ben Statham, David Daniels, Vince Walker, Myles Bentley, Rio, Seb, Jasper, Nikos, Darren, Luke, Toby Hampton, Anton Dickson, Wade, Kevin Mann, Rick Fernandi, Ozzy Will.

THIS IS THE THIRD TREASURE ISLAND MEDIA MOVIE FROM PAUL MORRIS PROTÉGÉ LIAM COLE. THE ACTION IN WILD BREED IS REAL AND RAW AND NOT FOR GUYS WHO LIKE THEIR PORN STARS PLUCKED, PREENED AND PERMA-TANNED. THE ACTION TAKES PLACE IN SEEDY HOTEL ROOMS, LONDON'S NOTORIOUS SEX CLUB, PLAYPIT AND THE CAPITAL'S INFAMOUS NOCTURNAL CRUISING GROUND HAMPSTEAD HEATH. IF YOU LIKE YOUR PORN HARD AND SLEAZY THEN YOU'LL LOVE THIS MOVIE.

WE challenge you to not blow your load at scene one when seriously hung fucker Peto Coast gets to work on British bottom Ben Statham's muscular arse. Watching Peto in action was enough to make our arse hole twitch and left us breathless and gagging for cock. This is one incredibly intense fuck that leaves Ben sprawled on the bed, deliriously fingering what's left of his battered hole. Next up, a true pig bottom called David gets spit roasted by Vince and Myles and their two hard cocks. The guys take turns plugging the greedy cum slut's mouth and arse until they both dump big loads. The action in scene three takes place in one of the seediest joints in London, the PlayPit. This place is the site of so much horny man-on-man debauchery and three hot guys Rio, Seb and Jasper, go all out to uphold the club's sleazy reputation. Darren's up next. A salt-

and-pepper haired, oh-so-sexy daddy who's covered in tattoos, and he's fucking the hell out of Nikos! Darren slams Nikos' arse hard and deep and leaves him in no doubt that he's just been fucked. The next scene is called Woodland Cruising and the action takes place at night on Hampstead Heath, the UK's most famous cruising ground. Treasure Island took along their bait, a greedy, indiscriminate young cumwhore called Luke, who agreed to cruise the woods for horny strangers while they filmed. They told guys that they were filming Luke getting fucked for their own personal use and believe us when we say that we've never seen anything like this in porn before! There's no 'porn stars' just regular guys all having a go on Luke, no holes barred! Size queens are in for a treat with scene six when two mega hung tops, Wade and Anton, top and tail über bottom Toby. Let's just say that by the end of the scene we kind of felt a little bit sorry (or was that just envy) for young Toby and his puffy, fucked-out arse hole! We're back to London's PlayPit for the final scene and by now we've gotten through half a box of Kleenex. The sleaze continues in a truly international (Scottish, Spanish, Greek, and Australian) fuck session with four hot guys and a sling... Need we say more! If you like it rough, raw and sleazy then you'll love Wild Breed.

Starring a feast of hot totty including Benjamin Bradley, John Magnum and Mario Costa, director Kristofer Weston invites us to watch these boys of Buckshot at play in four scorching hot scenes. Your eyes will water at the sight of horse-hung twink pounding young Damon Audigier and you'll bust a nut when man of the moment John Magnum gives Benjamin Bradley's sweet round butt some serious attention with his mouth and massive cock.

Sleepless

Thomas Synnamon

WELL, we certainly had a few sleepless nights after we'd salivated over the guys in young American photographer Thomas Synnamon's first coffee-table book. In this stunning 80 page work of art, Thomas has photographed some of the most beautiful men we've ever seen, some asleep in their beds, others lying seductively, as if waiting for someone to join them. We instantly fell in love with so many of the beautiful models in this book and so will you.

WIN!

QXMEN has a copy of Thomas Synnamon's *Sleepless* up for grabs. To be in with a chance of winning it, just send an email to editorial@qxm.com placing Sleepless Competition in the subject field, along with your name and contact details, or post your answer to QXMEN, Sleepless Competition, 23 Denmark Street, London WC2H 8NH. Entries to be in by July 31st when the winner will drawn at random. The competition's open to UK residents only.

RECON.COM PRESENTS

Fetish Week LONDON

A pull-out guide to the UK's first official gay fetish week.

14 - 18 July 2010

Recon.com presents the UK's first ever all male fetish week this summer when thousands of guys from all over the UK and Europe will descend on the capital for the country's largest gathering of fetish men and their admirers - Fetish Week London.

London is the largest city in Europe, but unlike its European rivals, has never hosted its own gay fetish week. That's all about to change in 2010 when Fetish Week London comes to the capital from the 14th - 18th July.

Philip Hamill, Managing Director of Recon.com said "Over the past years, Recon has been involved with many similar event weekends around the world. Surprisingly, London is the only major city in Europe which that has never hosted such an event and I thought that the time was now right for this city to have its own fetish week and ultimately to establish itself as the fetish capital of Europe. It's not only great for the London fetish scene, but also for the growing popularity of the Vauxhall area and the increasing number of bars and clubs that service the fetish community."

Fetish Week Parties

The Fetish Week London parties will be taking place in some of London's top venues which include Fire, The Hoist, The Eagle, The Lightbox and Scala. All but one of the parties will be taking place in London's Vauxhall Gay Village, with Recon's Full Fetish party on Saturday taking place at the infamous Scala Club in King's Cross.

The six official Fetish Week parties include Folsom's Leather Nexus Party, Recon's Full Fetish, RoB's Closing "Deconstruction" Party, Bleachers & Co's Skinhead Party, d.vote's Rubber Party and the Gay Times "Spit Roast" Barbeque.

Check out the full Fetish Week event listing on the following two pages of QX Men.

How To Buy Tickets

Tickets for the Fetish Week London parties are available to purchase online or through various selected retail outlets in London, Manchester, Paris, Amsterdam and Berlin.

RAW IMAGE STUDIO .COM[®]

QXMEN HAS LONG BEEN A FAN OF THE IMAGES (AND THE GORGEOUS HUNKS FEATURED IN THEM) BY RAWIMAGESTUDIO. THERE'S NO MISTAKING THE STUDIO'S WORK AS EVERY IMAGE IS SEXUALLY CHARGED AND THE MEN EPITOMISE MASCULINITY. SO WHEN WE GOT A CHANCE TO INTERVIEW VINCE, THE PHOTOGRAPHER BEHIND THE SITE, WE JUMPED AT THE CHANCE... AND WOULD YOU BELIEVE THAT HE'S IN THE SAME CALIBRE AS THE HUNKY GUYS HE PHOTOGRAPHS!

So, how long have you been photographing guys?

I started Rawimagestudio 10 years ago, but I've been interested in photographing guys for much longer.

What line of business were you in before?

I was in the French Territorial Army where I learnt photography, then I completed my studies with a masters in Sport photography. I have also done some still photography for action movies and stunts.

Where do you find the models for your shoots?

A lot come to me. Once we were having a party in my Berlin studio and this beefy man with a six-pack and rugby player's thighs turned up to be photographed. He was the inspiration for my next series of builders/scaffolders that will be completed this year.

Do you ever approach guys on the street to model for you?

I scout all the time. I have no fear approaching people I find interesting.

What attributes does a guy need to have to model for you?

I like an archetype of masculinity; testosterone super-charged blokes - from

local lads to big hairy fuckers.

Although your images are very sexual, the models are mostly fully clothed... Do you think a guy's sexier naked or clothed?

I think guys are sexy when they are being themselves. Because I tend to use men in the street rather than porn stars, I always give them the option of how they want to be portrayed. This leads to a more honest and more sexually charged image coming through the lens. That way there's much less artifice and more sexual reality.

What's more important to you, a handsome face or a sexy body?

I like guys who 'challenge' the viewer. I want people who are comfortable with their sexuality. I want a good face, toned body, great knob and attitude. Someone I would want to have sex with.

Do you ever get turned on when you're photographing a hot guy?

Who wouldn't?

Do you have an all-time favourite guy you've photographed?

I would like to thank all the guys who have contributed to my portfolio and to this outstanding Rawimagestudio 2011 calendar. Some really great and sexy

blokes out there... I am very lucky. James who featured three times in the calendar this year (cop, convict, soldier) was a great inspiration.

Have you ever photographed anyone famous?

Jason Statham, Tom Hardy during the filming of Bronson, the cage fighter Alex Reid.

Is there anyone that you would love to photograph?

Probably the cast of the Starz series Spartacus : Blood and Sand, ggrrr!! More seriously, my next year projects are Bull riders at the Calgary Stampede and completing my portrait/reportage of legionnaires that I have been following for several years. Also I am looking forward to working on the Rawimagestudio 2012 calendar. If you think you fit the bill, feel free to contact me at models@rawimagestudio.com; casting is always open!

Which other photographers do you admire?

The list is extensive, Avedon, Frank Capa, Giorgia Fiorio, James Natchwey, August Sander, Enrique Metinides, Helmut Newton, Joel-Peter Witkin, Weegee.

WIN!

QXMEN has a stunning Rawimagestudio 2011 calendar up for grabs. To be in with a chance of winning it, just tell us in what profession Vince started his career. You can find out at www.rawimagestudio.com. Email you answer to editorial@qxmen.com placing Rawimagestudio Competition in the subject field, along with your name and contact details, or post your answer to QXMEN, Rawimagestudio Competition, 23 Denmark Street, London WC2H 8NH. Entries to be in by July 31st when the winner will drawn at random. The competition's open to UK residents only.

Do you ever photograph guys on location?

I like the lack of context of a "black-ground". The viewer can put the subject into any situation they choose. As soon as there is a specific context, our choices of fantasy start to be limited.

Can you make any guy look sexy with good lighting, etc, or has a guy either got sex appeal or not?

Lighting is totally key to the photograph looking professional – but only because the public have a distinct view of what

"professional" means. A sexy man has sex appeal wherever he is.

Tell us more about RawImageSport?

I do a lot of sports photography, boxing and cage fighting etc.. I specifically like travelling to world events. On my website (www.RawImageSport.com) you can see the astoundingly aggressive Calcio Storico in Florence – and I am off to Turkey imminently to once more shoot the brutish atmosphere of the male Turkish wrestling finals in Edirne. I think the pictures speak for themselves.

When we met you mentioned that

you photograph a lot of Cage Fighters? Where can we see these images?

On the Rawimagesport.com website, the cage fighters have their own section and new calendar.

Where can guys purchase the calendar?

Like the Rawimagestudio greeting cards, the calendar is available at Clone Zone, Prowler, Regulation, Rob London, Fetish Freak at the Hoist, Soho Book Store and Amazon.com. You can also find the "Cagefighters calendar" on Amazon.

SCALLY LADZ...WE LOVE 'EM

IF THERE'S ONE THING THAT GETS US GUYS AT QXMEN GOING, IT'S A SEXY SCALLY LAD IN SPORTSWEAR OR TRACKIES AND TRAINERS. AND THERE'S NO PLACE BETTER TO BAG YOURSELF ONE THAN ON THE LAST FRIDAY OF THE MONTH AT SCALLY LADZ AT LONDON'S CENTRAL STATION.

AND who'd have believed that this ever-popular theme night has been going for seven years! QXMEN was at the seventh birthday bash back in April and there was certainly plenty of eye candy there kitted out in their favourite Adidas, Nike, Reebok, Lacoste and Hackett gear.

We can whole-heartedly say that there's nothing quite as arousing as the sight of a sexy arse or a bulging packet in a pair of silky tracksuit bottoms... Yum!

We had a word with Thorsten, the guy behind this great night, and he told us, "Unlike most other cruising clubs, Scally Ladz has a very friendly and laid back atmosphere. Some guys come to socialise and others to cruise and booze. We get a lot of young lads who've never been to a similar club and who are very nervous. But after a couple of pints, and with the help of some horny scally videos on screen, the ice is broken and they're more than likely to enjoy themselves in the darker corners of the venue and always cum again. We attract customers from everywhere. Some punters travel regularly from Birmingham, Liverpool, Manchester and other places in the UK to join the scally fun. Others come from Canada, USA, France, Germany and Eastern Europe because they don't have something similar in their own country and came across it on the Internet or friends who had been already to the club told them about it." When we asked him what plans he had for Scally Ladz, Thorsten told us, "We want to keep Scally Ladz as fresh and unique as possible. In the future we will be doing some special events in conjunction with other sports websites like we did in the past. Also film premiere parties for the launch of scally DVD's and maybe even a one off event abroad are in the pipeline... So watch this space."

➔ Scally Ladz returns on Friday, 20th July, 7pm-midnight at Central Station. More details at www.scallyladz.com

HARD ON ★ 29/05/2010
HIDDEN, 100 TINWORTH STREET, VAUXHALL, LONDON SE11

WE gave Saturday night TV a miss at the end of May and put on our fetish gear for a night of hedonistic sleaze at London's only mixed gay fetish club, Hard On. As always, the heady smell of sex hit our nostrils as we entered the club and it packed to the rafters with hot guys in fetish gear and those daring few in just their boots. And, to our delight, there was a definite younger feel to the night due to that night's special offer of a fiver off the entry fee to the first 50 guys under 30-years-old who came through the door... Mmmm, there's nothing sexier than the sight of young guys squeezed into rubber! Plus there was a hot performance from American muscle guy Dru Bruin to wow the crowds and complete a hot night of sleaze!

→ **GASPING FOR SEX.** **AUTO-EROTIC ASPHYXIATION**

SMUT 'N' STUFF WITH HAYDON BRIDGE

HOW many of you noticed Roman Heart admit in last month's QXMEN, "If the feeling's right, honestly I like a little choking." The porn poppet went on to explain, "You hold your breath when you masturbate and it feels good so why not have your top holding your breath for you...HOT!" Yes, he really did say that. It's a notable quote because it's rare – no, scratch that, it's unheard of – for a public figure to talk about the erotic joys of breath control. The practice is one of the most secretive and indeed dangerous sex games and almost nobody owns up to it. Normally we only read about auto-erotic asphyxiation, to give it its fancy name, when a celebrity is found dead with some kind of noose around his neck. It's a silly and inelegant way to go, shocking for whoever finds the body, and embarrassing for the surviving relatives. But it's becoming increasingly popular. One national newspaper has launched a campaign to warn young men (yes, it's only blokes who can get this kind of thrill) about the dangers of cutting the supply of oxygen to the brain. Now Mr Heart's comment has convinced me we ought to discuss the matter further.

It was only when I began researching the topic that I realised I'd participated in it. A woman on a website described a kids' game (known as Blackout, Dr Death, Rocket Ride and many other names) in which one player holds his breath and then is manipulated by the others in such a way that he faints. Suddenly I realised that this is what we were doing at a party when I was about 16 and trying to get Roger C. (I'd better not use his full name because he went on to become a cop) to pass out. The knowledge that the light-headed, giddy sensation just prior to fainting is pleasurable has been in the public domain for a very long time. It's a form of hypoxia. Most of us have heard about its most ghoulish manifestation on the gallows. Some men who are hanged are said to get erections and even squirt while they're dangling. This seems to have encouraged daredevils to try and strangle themselves while having sex. The first recorded case is far longer ago than you'd think.

In the music encyclopaedias Frantisek Kotzwara is said to have hanged himself in London in 1791. Not exactly. Apparently the Czech composer and perv (addiction to breath control is classed as a paraphilia by the American Psychiatric Association) was porking a prostitute while strangling himself with a rope attached to a doorknob. He got too carried away and as a result he ended up being carried away. Because the police had never encountered such a death, the hapless hooker was lucky not to be accused of murder. 200 years later, the method of Frantisek's despatch seems strikingly similar to that of INXS star Michael Hutchence, found dead in 1997 with one end of his belt round his neck, the other round an automatic door closer.

Exactly how many sex-crazed blokes off themselves while getting off? Incredibly, nobody has any idea. Even in these liberated times, the death is so shameful that relatives prefer to announce the cause of death as suicide. Sometimes they come to the conclusion that their loved one was murdered. Officially Hutchence hanged himself. But he had no reason to and his girlfriend Paula Yates, who gave the press her auto-erotic theory two years after Hutchence's death, is now generally believed. Sometimes of course the circumstances of the death are so bizarre that a cover-up is impossible. It's tragic that Tory MP Stephen Milligan is now remembered only for dying in 1994 on a kitchen table in stockings and suspenders with electrical flex around his neck, a bin liner on his head and a piece of orange in his mouth. Actor David Carradine expired in a similar way, hanging in a closet in Thailand in 2009 with a dirty picture taped to a wall. Oh, dear. The latest celebrity victim is gay daytime TV presenter Kristian Digby, found dead in March of this year although we're still waiting for the results of the inquest. *The Independent* has been reporting on the auto-erotic asphyxiation phenomenon since 1993. The mother of a young victim wants other parents to be more aware of what their teenage sons might be doing in their bedrooms. But is this realistic? Did your mother know what you were doing in your bedroom when you were 15? She probably guessed but she

probably didn't bring up the subject over dinner. To a kid the appeal of having a really intense orgasm outweighs any danger and, if he comes like a geyser, he's going to try it again. Is it worth running the risk of killing yourself for a wank? Don't be daft. Of course it isn't. But men have been dying with their cocks in their hands for well over 200 years and it's important to know why. I found someone who was willing to talk about the time he passed out while being fucked and the most terrifying aspect of his story is that it sounds really exciting. "Ray" (not his real name) had heard about the Hutchence case when he met a good-

IT'S A SILLY AND INELEGANT WAY TO GO, SHOCKING FOR WHOEVER FINDS THE BODY, AND EMBARRASSING FOR THE SURVIVING RELATIVES.

looking city type at a sex party who said something like, "Do you want a really amazing orgasm?" They met a few more times. Then one night, back at the banker's gaff, very well equipped for bondage and discipline games, a lot of drugs were snorted and swallowed and Ray was strapped naked to a frame with a collar around his neck. The fucking commenced and, as Ray was about to come, his partner increased the pressure on his throat. As Ray shot his bolt, he felt a massively intense rush and then nothing else. He came round on the sofa.

To a degree, the man who literally had Ray's life in his hands knew what he was doing because he operated the snap releases as soon as Ray lost consciousness. But I say "to a degree" because nobody in this situation is ever in total control. If Ray had been asphyxiated for moments longer he could have been brain damaged or lost his life. A rumour still circulates that the Beatles' manager, Brian Epstein, died during a breath control game. Sheryl Crow's boyfriend, Kevin Gilbert, who wrote her hit "All I Wanna Do", definitely did. So did actor Albert Dekker and National Front candidate Kristian Etchells. Among thousands of others. Or is it tens of thousands? Or more? Who knows?

Would Ray risk death again? "I'd jump at the chance," he told me. It's not my job to tell you how to live your life. But I still can't leave it there. Even Ray wouldn't allow something to be put round his neck by somebody he'd just met. You shouldn't either. But playing solo is even more dangerous. What can happen is that, when you lose consciousness, you can also lose control of your strangulation. It continues. And you're dead. Then somebody finds you covered in your own joy juice with *Piss Loving Sex Slaves* still playing on your laptop. That's probably not how you want to be remembered. Next month let's talk about something nicer.

ALTHOUGH TECHNICALLY ILLEGAL, THERE'S NOTHING BETTER FOR THE EGO THAN A FORAY INTO PROSTITUTION. DABBLING WITH THE DARK ARTS OF PAY-FOR-PLAY AND TOYING WITH THE WORLD'S OLDEST PROFESSION CAN CERTAINLY HAVE ITS DOWNSIDE BUT IF YOU PLAN IT RIGHT AND STICK TO YOUR RULES IT CAN BE A REWARDING EXPERIENCE, FOR YOUR COCK AND YOUR POCKET.

PERHAPS MY STORY IS SLIGHTLY PREDICTABLE. I WAS A 'STARVING BOHEMIAN STUDENT' AT THE TIME OF MY DABBLE (WELL, IN TRUTH I WAS STUDYING PHILOSOPHY AT DURHAM). OK SO I HAD NO IMMEDIATE NEED FOR THE MONEY BUT I HAD A BURNING CURIOSITY. THE SEED WAS PLANTED BY A CLOSE FRIEND WHO DABBLED IN MANY THINGS...HE SOLD HIS USED UNDERWEAR ONLINE FOR £30 EACH (£50 IF HE DEPOSITED SOME HOME GROWN LOVE JUICE). IMMEDIATELY I THOUGHT OF THE POTENTIAL CASH COW SQUEEZED IN MY UNDIES DRAWER AND ALL THE WASTED LOVE JUICE OVER THE YEARS – DRAGON'S DEN HERE I CUM!

(BY PETE RICHARDS)

D

espite my entrepreneurial friend's advice I wasn't really excited by the idea of posting DNA samples across the world. To me it seemed to take a lot of planning and the queues at the post office were just a crusty pant too far. I decided to leave the whoring idea to fester in the back of my mind until an opportunity presented itself. Which it did (or this article would be very short and slightly pointless).

I was cruising online [insert preferred site of choice] and doing some general man window shopping; the usual boring offers and one or two predictably scary ones – why oh why would anyone choose to ruin Ben and Jerry's Chocolate Brownie for everyone?! Anyway, one of the initial offers, which I eventually dismissed as too run-of-the-mill threw a spanner in the works, which got my turbines going (ok I'll stop the metaphor now). The usual 'you're cute', 'what u into?' became more

transactions worked. Trying not to zone out as I envisaged myself in his jacket with his money, I was surprisingly comfortable. Although I had not done this before I genuinely didn't see anything wrong with it. Okay he could have turned out to be a mass murderer; he could *still* turn out to be one, but I had written his details down so the homicide police could always find it. Ok enough reality – back to the glamour! He sat down in my favourite leather chair and looked delightfully regal and overlordly which excited me. I was relieved that my semi was on the way (everyone likes a dramatic reveal). Before I could ask how he wanted to structure the scenario (which would have probably killed the moment) he put ten pounds on the side table next to him:

'The t-shirt'

I grinned and complied, peeling my tight t-shirt up from the waist and over my chest. I stood in front of him attempting to look coy (apparently this look doesn't come naturally to me, as I'm sure you've guessed by now). Another ten was patted down onto the table.

'The shoes and socks'

Although I thought he was getting a good deal I happily pulled off my boots and socks. I moved a little bit closer as I greedily wanted to increase the intensity even more. I resisted the temptation to giggle as he looked so smug, placing another ten pounds on the table.

'Now your jeans'

I unbuttoned my fly and revealed the rim of my white briefs. White, as I thought this was the colour of choice for most porn, and because it shows off the definition more – always good when pleasing an audience. I kicked my jeans off and they landed between his feet. His legs were wide apart and his big hands hung over the edge of the arm rests, his posture exuding confidence. I also felt incredibly assured and empowered, each time extending the time I took to comply.

'Your pants. Take them off. Slowly.'

I raised an eyebrow cockily as his down payment hadn't been deposited on the table. Working my thumbs under the rim of my underwear he rustled with a fiver from his wad of notes. I slid them lower, hovering just above the base of my increasingly hard cock. I paused, sliding the thick white rim side to side over the start of my shaft, waiting. John plucked another five from his wad and placed it on the growing stack of cash. Flicking his eyes from the money to me, his mouth slightly open with anticipation, I pulled my briefs down and let them drop to the floor. My cock sprung up, he licked his lips, we both grinned and I'm sure I must have blushed despite my best efforts to be 'a pro.'

I broke eye contact with him and cast a glance over the money on the table. My maths is terrible but I reckoned there was about £50 there which I thought wasn't bad for a one on one strip. After all, I'd shown more people the same for free at the nudist beach on holiday (more in my next installment...!)

We'd chatted online before he came over and I'd agreed to let him suck me off but wasn't sure how to get to that or if each step would be more money (although I hoped it would). I stood there, my cock

intriguing with the later inclusion of 'I'd love to trade a tenner for your t-shirt.' Either he was insulting my quality of clothing and sense of fashion or he wanted to pay me to strip. 'Go on...' I replied.

'I'd like to watch u slowly stripping for me and as an incentive I'll put down more money'

'How far do you want me to go?'

'How far do you want to go?'

'How much do you have?' I was a professional already.

I wondered if it was possible to be pre-disposed to a certain field of employment. I did manage to dismiss the thought of it being in my blood due to the squeaking cleanliness of my heritage. Perhaps I was the rebel, that idea made me even more intrigued.

So he came round, let's call him John, in true rent boy fashion. John was probably in his late thirties, had a shaven head, piercing blue eyes and a bit of dark stubble with flecks of grey (I do love a silver fox). John was polite and well dressed, I wondered if his blue velvet blazer would fit me but then was distracted by wondering if that was how these

U nchanging between my legs, waiting for his next move. I could see he was staring at it as well and the pause seemed endless and a little bit awkward but I was determined to wait and not 'break character' as such. He snapped out of it and asked me to lay down as he put another ten on the stack. I slid into bed, placing my hands behind my head expectantly. 'Can I come over?'

He seemed to lose a bit of his bravado as it was time to approach me. I cheekily glanced at the side table, perhaps subconsciously, perhaps to suggest that would cost him. Either way, he placed another ten and removed his coat (I hoped it would fall behind the chair and be lost to me forever, but he folded it gently and placed it on his seat). Sliding into bed, the wad of cash flapping in his back pocket, he ran his hands up my legs and towards my cock. Grasping the shaft he slowly worked it up and down, his hands warm but slightly unsure. It felt good and I told him to keep going, feeling a need to suddenly reassure him.

'How much for me to suck it?'

'Um, I dunno, shall we take it step by step and see how far we get?'

I'd become accustomed to our new system: £10 for each escalation.

Although in hindsight I should probably have quoted some amount as they next step was to put my dick in his mouth. On placing this ten he ran his wet warm tongue over my cock's head and down each side of the shaft like he was peeling a skin banana with his tongue. Although this felt good, it also felt as though he had researched how to suck cock and was being very methodical. I began to wonder how many times he had done this, if he had done this, if I was as good as the last blow job whore. All this thinking culminated in me deciding that he was probably married with kids and that I was the worst whore ever but at least my cock stayed hard and he didn't seem to notice my inner turmoil.

He stopped and slid over to the table, placing two twenties on the piles of lesser notes. Placing his index finger on the stack and spinning it coyly he asked if I would fuck his face until I came. I thought this was a reasonable request and smiled as I has been waiting to cum all morning. He removed his shirt and lay back in bed. I straddled his copiously hairy chest, which was in stark contrast with his smooth head. He apologised for his hirsuteness but I kinda liked it (although I was relieved that he was laying on his back as I imagined the body-pubes spread across that manscape too).

As I straddled his broad chest and slid my cock into his mouth I tried to peer round to find a wedding ring. Although I couldn't see one this idea was beginning to bug me as I really did not want to be helping a married man cheat on his wife, or partner, not being sure which was

worse. I pulled my cock out of his mouth with a pop and had to ask:

'Sorry if this is a random question but are you married?'

He looked stunned and even a bit annoyed. I was worried.

'What? No. I'm not married. Now can I just suck your beautiful cock?'

The compliment didn't even register and I still felt awkward which was affecting my, shall we say, turgidity. I sat back on his chest and his hair tickled my cheeks.

'I'm really sorry about this but I can't cum if I'm distracted'

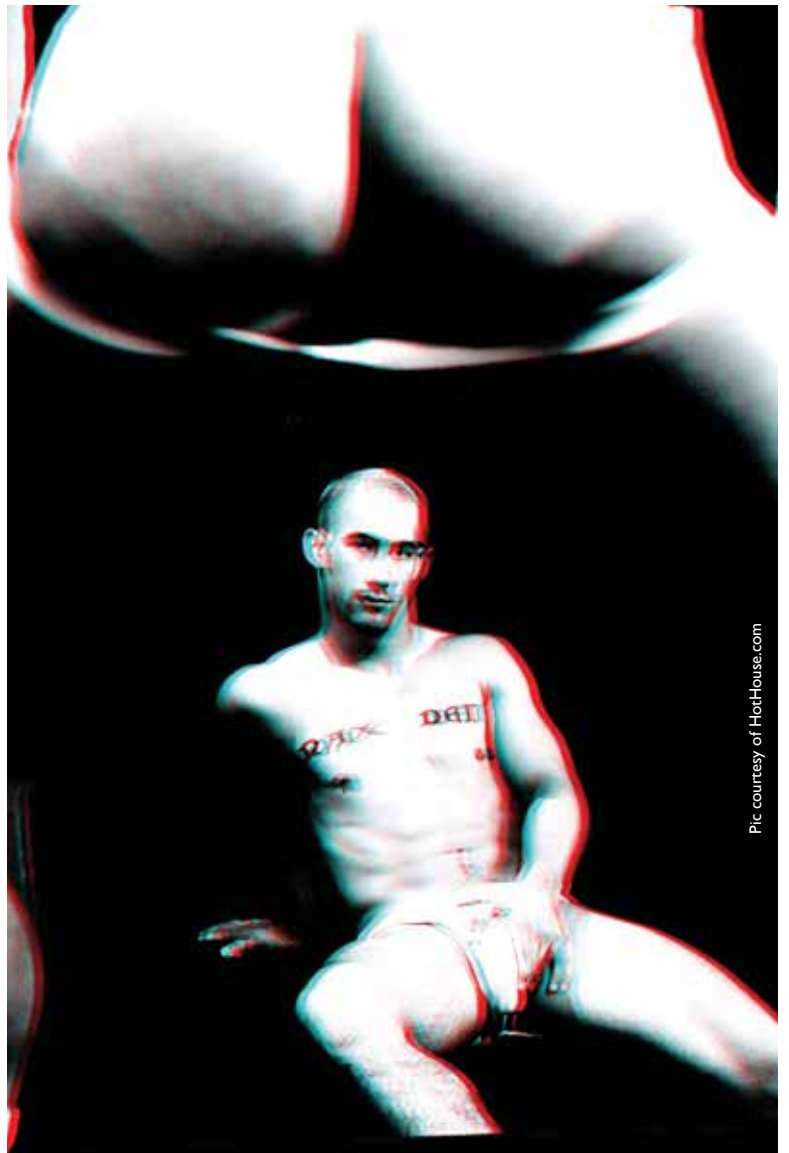

Realising that he may not have got such a sweet deal after all (I've had friends who have charged more) he propped himself up with his elbows and confessed.

'I have a partner but we don't talk about what we do, you know, with other guys.'

'So you're allowed?'

'Yes. Happy?'

Although I detected a faint hint of annoyance I decided to let it go as I still wanted the money and didn't want to throw him out for being a bit arsey. I fluffed my cock a bit and shoved it in his mouth. I decided I would be slightly rougher with him now for being so oblivious to my

feelings. Again in hindsight this was not punishment at all as the harder I thrusted and the more he gagged, the greater his clear enjoyment. As I ploughed his mouth he hurriedly undid his trousers and pulled out his cock, wanking furiously.

'I want you to cum in my mouth'

'What, now?'

'Yes. Hard!'

I braced my hand on the wall and drove my cock in and out of his mouth. I've always been good at shooting on request as I like to edge for that greater final orgasm. Fucking his mouth, I shot my load inside as he came across his stomach and chest, a drop even reaching my butt cheeks. He continued to suck me and seemed to relish every drop. I smiled and climbed off, grabbing some tissues from beside the bed.

'Thanks for that'

'No problem, sorry about the married thing. What can I say, I'm a whore with principles.'

'Ha, not a problem. Was fun.'

With that he dressed quickly, making polite conversation about my studies. He wafted past the pile of money on the table, dipped into his pocket and put two more twenties on the table.

'For the great load.' And he left.

He had regained his bravado and confidence. Funnily, it was that one line that made me squirm and laugh out loud as I could hear him leaving the building. I diligently changed the sheets, did some laundry and genuinely forgot about the £140 sat on my side table. I remembered it later and decided to splurge on a new shirt and a round of drinks for my friends. I told them all it was my whore money and no one seemed to mind. Well, until I told them it was my great load that paid for their Creamy Orgasm cocktails...

THE BUSIEST CHAT SERVICE IN THE UK

LIVE 1-2-1

QX CHAT.com

CHECK OUT WHY WE HAVE GIVEN YOU THREE NUMBERS INTO ONE SERVICE

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
