## ...TO AUGUST'S SCORCHING HOT ISSUE...

As we put the final touches to this month's issue it's a sultry 80 degrees outside. And just like the weather, the men in August's QXMEN are hot and are bound to raise your temperature.

The windows of the QXMEN offices were practically steaming up while we watched this month's DVD releases. But we were prepared and had a man-size box of tissues close to hand to mop up our bodily fluids. Those **RudeBoiz** from Eurocreme were the first to get us hot and bothered in their latest scally fuck-fest **Hung Fit Lads**. Then just as we were cooling down, our temperature rose again at the sight of a veritable feast of tattooed studs going for it hell for leather in Eurocreme's **Inked Up**. In Falcon's **Snap Shot**, a young aspiring photographer is on the hunt looking for some outstanding shots, and we're surprised his camera lens didn't steam up at the action he came across. And Kristen Bjorn's film crew must've been feeling the heat in **Tropical Heat Part One** when they travelled to a tropical island with eleven international muscle studs. Raging Stallion's cowboys didn't stay in their denims and Stetsons for long as the sex reached boiling point in **Roll In The Hay**, while over in the Big Apple, Lucas

Entertainment's latest release tells a tale of money, sex and power in **Kings Of New York**. And the sixth DVD from UKNakedMen **Getting Ahead In Business** is a suited and booted, office themed fuck-a-thon, featuring fourteen hung guys getting down to some sweaty, after-hours business.

July saw the first Fetish Week London hit the capital, and guys from all over the UK and Europe descended on London for five days of fetish parties and events. QXMEN was there, of course, and you can see what all the sexed-up guys who attended got up to. In between popping out to all those fetish events we checked out a few hot websites, **HardBritLads**, which offers just what the name says, and **TIMFuck** and **TIMSuck** from maverick American studio Treasure Island Media. We've got a stunning selection of hunks from another of our favourite sites, UKNakedMen, and ahead of filming with Menatplay, we managed to get an interview with new porn sensation Steven Daigle. QXMEN's favourite sexpert, Hayden Bridge, reports on the sex scandal that wasn't plus we've got all the usual smut n stuff to get you off.

## EUROCREME WIN BEST GAY FILM BRAND 2010

EUROCREME, the British studio behind gay porn favourites such as the DreamBoy productions, those Indie Boyz, Hung Ladz, Rude Boiz and also the Alphamalemedia hunks, picked up the ETO (Erotic Trade Only) Award for Best Gay Film Brand 2010 last month. Congratulations from all of us at QXMEN and long may you continue to give us hot movies with quality production value.

## WIN A FOOTBALL SIGNED BY THE CREAM OF THE GAY PORN INDUSTRY!

While the rest of us were enjoying the sights and sounds of this year's sleaze-fest, the London HustlaBall, that gorgeous hairy hunk Trojan Rock from Alphamalemedia was busy producing the XXX-rated shows backstage. However, he wasn't just making sure that all the porn star performers' jockstraps were in place and cocks were stiff. Before the cream of the gay porn industry went on stage to fuck and suck he got them to sign a football which you can win in this once in a lifetime competition. The line-up of stars that handled this ball and signed their name on it is amazing and includes (wait for it) Marius Mugler, Michael Lucas, Jonathan Agassi, Trojan Rock, Carlo Cox, Troy, Fernando Leon, Ryan Raz, Bruno Knight, Cody Kyler, Jason Torrez, Antony Thomas, Dominic Diesel and Mike Dreyden. For your chance to win this exclusive prize, simply send an email with your name and contact details to [Trojan@alphamalemedia.com](mailto:Trojan@alphamalemedia.com) with HUSTLABALL FOOTBALL COMPETITION in the subject field to arrive no later than August 31st. The first to be drawn at random will be the winner... Good luck!

## BEL AMI STAR FORCED TO RESIGN FROM POLICE FORCE

FORMER QXMEN cover boy, BelAmi's gorgeous Kris Evans, has had to quit his job in the police force and leave his Hungarian hometown after he was outed as a gay porn star. It's thought that a local village idiot, no doubt jealous of Evans' new found wealth, leaked the story to the media. Even though Bel Ami's website is blocked in Slovakia, Czech Republic and Hungary, we think it would've only been a matter of time before someone discovered the hunk's second job. BelAmi confirmed that the developments had turned Kris's life 'upside-down'. A BelAmi spokesman said, "When he began to shoot for us, I told him he would become too popular too quickly to be able to contain it. I asked him to leave the police force because I knew it could create a scandal which could be exploited politically. Unfortunately, he didn't listen."

We'd like to apologise for any confusion caused and can only assume that the thought of those sexy scally lads in their trackies and trainers must've got us all flustered! So, to clarify, Scally Ladz runs on the fifth Friday of the month from 7pm through to midnight and the next event will be on Friday October 29th. ## FIND YOUR IDEAL MAN AT MANCESTRAL

**M**anCentral.com has over 160,000 members, primarily from the UK and Ireland, and in recent months the site's undergone some changes including a new feature called Intellimatch. ManCentral.com is the first gay site to offer this advanced software for free to all members, which uses scientific algorithms to provide members with suitable matches beyond the basic search criteria used by many dating websites. The software first analyses the users specific search patterns on the site in order to develop an profile of their ideal 'type'. As the members usage of the site increases, the match profile is cross referenced with other users' search patterns until the software has a more comprehensive understanding of a user's type than that user could consciously define themselves. Furthermore, the software informs you of mutual, or two-way matches. The site also offers massive discounts to loyal members. Members who sign up for 3 months get a 33% discount, whilst a 6 month membership is slashed by 50%. This means full membership can cost as little as £8.04 a month for 6 months. So what are you waiting for, log on to [www.ManCentral.com](http://www.ManCentral.com) and find your ideal man.

## RUDEBOIZ ★ HUNG FIT LADS

**STUDIO: EUROCREME** ★ **DIRECTED BY DAN VEE**

*Starring: Kallum Ash, Alex Cumming, Christopher Crawford, Lucas, Harrison, Jordan R.*

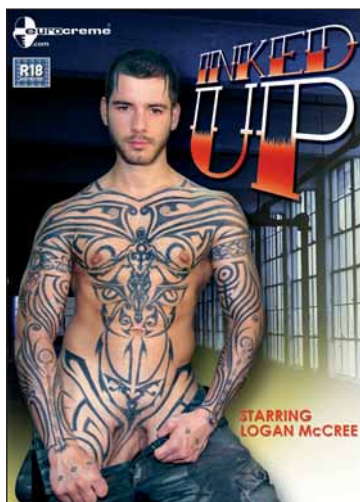

**THOSE SEXY-AS-FUCK RUDEBOIZ ARE BACK, THIS TIME WITH BIGGER COCKS ON EVEN SEXIER AND FITTER FUCKERS AND THE HOTTEST UNSTAGED ACTION FROM GUYS WHO LOVE SHOWING OFF WHAT THEY'VE GOT!**

SCENE one's a blinder that's sure to make you blow your load as sexy chav Kallum Ash gives young twink Alex Cumming a rough arse pounding with his massive cock, hell bent on spewing his hot spunk over the smooth young lad. Two young council estate chavs, Christopher Crawford and Lucas, are up next and they can't wait to get out of their tracksuits and trainers. Once naked, the lads flip positions so many times that the bed's rocking, before one gets on his knees, pushing his boy butt out and exposing his puckered hole. His mate can't resist (who could?) and buries his face in between his cheeks before pumping his hole with his stiff cock. Proper chav lads Jordan R and Harrison get it on next and these two seriously look like they're straight out of a young offenders unit. They're a scally lad lovers' wet dream and wouldn't look out of place mugging an old granny on a rough council estate and they fuck like they're fucking their girl friends too. This has got to be one of the hottest Rudeboiz scenes we've seen this year and will have you reaching for the Kleenex guaranteed. Tommy B and Jay Winter provide the action in the final scene and this time the bedroom is swapped for the kitchen. Once again, we're in for a treat as we witness a sweet scally boy butt getting a hard and fast fucking by his chav mate over the kitchen counter... The Rudeboiz are certainly back with a vengeance and will blow your mind and your load!

## INKED UP

**STUDIO: EUROCREME**

*Starring: Logan McCree, Vinnie D'Angelo, Brett Carter, Demitrius, Carioca, Ivan Rueda, Brice Farmer, Greg David, Ben Mason, Jake Ryder, Johan Volney, Josh Barnett.*

**YOU DON'T HAVE TO BE INTO GUYS WITH TATTOOS TO ENJOY WATCHING EUROCREME'S LATEST RELEASE, AS THE STUDIO'S CHOSEN A HOT CROSS SECTION OF TWINKS, MUSCLE GUYS AND SKINHEADS WHO'LL GET ANY HOT-BLOODED GUY OFF.**

ONE of the hottest three-ways in recent times is up first. Taken from *Dads Fuck Lads*, it stars the amazingly tattooed Logan McCree and his partner in crime Vinnie D'Angelo, who find hot stud Brett Carter half naked in the locker room. They decide to give the hapless young lad a workout of their own and he's soon on his knees being ordered to suck Vinnie's cock and balls. The two studs get to work on Brett's tight hole with their tongues and fingers next before spit roasting him and dumping their loads over his chest. Hot Brazilian stud Carioca stars next and it's tattooed skinhead Demitrius who feels the full force of his massive cock in a sleazy scene from *Back Alley Bandits*. After watching Demitrius work his hole with a huge flesh coloured dildo, Carioca takes charge of the massive toy and rams it deep into the skinhead's hole in preparation for his monster cock. Once Demitrius' arse is open and loose, the Brazilian stud replaces the dildo with his thick cock and ploughs him like a pro, before pulling out and dumping a huge load in his face. The sex keeps getting better as we next go to a scorching hot three-way from *Sex Pit Sluts* starring Ivan Rueda, Brice Farmer and Greg David. We don't know which of these studs we fancy the most as they're all sexy as fuck and we challenge you not to shoot your load at the sight of Ivan getting spit roasted by Greg and Brice over a bar stool. Tattooed muscle guys Ben Mason and Jake Ryder are farm hands getting it on in the great outdoors next in a scene from *Out On The Farm* before we reach the final pairing which stars tattooed Czech stud Johan Volney who's fucking Josh Barnett's boy butt with his 8 inches in a another ball-draining scene taken from *IndieBoyz 6: Fucked*.

## SNAP SHOT

STUDIO: FALCON STUDIOS ✪ WRITTEN & DIRECTED BY JOHN BRUNO

Starring: Eric Rhodes, Landon Conrad, Adam Killian, Jeremy Bilding, Brandon Lewis, Jayden Grey, Gavin Waters, Steven Daigle.

**JAYDEN GREY IS A YOUNG ASPIRING PHOTOGRAPHER, LOOKING FOR THOSE SHOTS THAT WILL MAKE HIM A STANDOUT SNAPPER. WHAT HE ENDS UP FINDING IS ONE SEEDY SITUATION AFTER ANOTHER...**

ON his journey, Jayden stumbles into an abandoned warehouse where Brandon Lewis and Jeremy Bilding are cruising each other. They take turns sucking each other's cocks before Jeremy probes Brandon's hole with his tongue and fingers and then fucks him from behind. They continue screwing hard and fast in different positions while Brandon groans and moans until Jeremy blasts his load all over his Brandon's chest. In another part of the warehouse, blond hunk Gavin Waters and tattooed stud Adam Killian are tearing into each other like wild dogs. Gavin sucks on Adam's stiff cock before Adam returns the favour and munches on Gavin's pink hole getting it ready for his meaty cock. The pounding that Adam gives Gavin is intense and all the while, Jayden is snapping away with his camera. Steven Daigle is looking for trouble and finds muscle guy Erik Rhodes. He's soon all over Erik's cock, before Eric gets him on his knees and fucks Steven's sexy butt. The hottest scene of the movie is up next when Jayden is captured by Adam Killian and his partner-in-crime, Landon Conrad. Adam force-feeds his stiff dick into Jayden's mouth while Landon snaps away, filming the young photographer's humiliation. The two aggressive tops are soon spit roasting their helpless prisoner before turning up the heat and cramming both their massive dicks into Jayden's arse in a ball-busting double fuck scene. This is one three-way that'll leave your arse hole twitching!

## GETTING AHEAD IN BUSINESS

**STUDIO: UKNAKEDMEN**

*Starring: Dillon Buck, Ross Hurston, Kurt Rogers, Trojan Rock, Will Ride, Tim, Marco, Lee, Toby, Darren Robbins, Lucas Knowles, Jay Snakes, Jed Wilcox.*

**UKNAKEDMEN'S SIXTH DVD IS A SUITED, BOOTED AND BANGED OFFICE THEMED FUCK-A-THON, WITH FOURTEEN SMART, HUNG GUYS, GETTING DOWN TO SOME SWEATY, AFTER-HOURS BUSINESS.**

WHEN top cocksman and cover guy Dillon gets to grips with Ross Hurston, the two suited studs tear each other's suits off in the pouring rain, and Ross drops to his knees to worship Dillon's fat, juicy dick, before Dillon unloads a thick load over Ross' pale foot. Mr Hurston is back in the office in motorbike leathers to take another monumental arse plundering from website favourite Kurt Rogers. Kurt's one of the sexiest guys we've seen in a long time with a thick, curved cock which he certainly knows how to use. He stretches Ross' cute little arse to give us a good look at his hole before plunging right in there up to his bollocks. The next scene is in fact three separate scenes making up a day at the office with the UK's favourite sexy daddy Trojan Rock sorting out handsome, lithe Will Ride, whilst office pups Tim and Marco, get down and nasty and newcomer, total exhibitionist Lee enjoys a solo wank. From the office into the storeroom where we find Toby, on his knees offering up his arse to Jed Wilcox (the cover guy from 'Spurt Locker'). Then into the dungeon where suited Darren is overpowered blindfolded and fucked, until his arse is a dripping mess, with Lucas Knowles cumming all over him. Plus the bonus solo is a gem with straight stud Jay Snakes making his first and only appearance on a gay DVD, he has a massive cock and a great bod and certainly knows how to turn on any audience as he strips and squirts. UK Naked Men always pack their DVDs and this is no exception with more than two and a half hours of wall-to-wall hardcore action all shot in HD and exclusive to DVD.

## THE BEST OF DAMIEN CROSSE VOLUME 1

HE'S got a perfect arse, a beautiful cock, great body, fuck me eyes and a smile that'd break your heart, and he's an unapologetic sex pig! His name's Damien Crosse and we love him.

Raging Stallion has put together a selection of this beautiful man's best scenes in **The Best Of Damien Crosse Volume 1** and there's six to salivate over in one of the hottest DVDs of the year. A couple we love were taken from the epic movie *To The Last Man*, including a solo where Damien gets very friendly with a bottle of Jack Daniels. And another starring Damien and his gorgeous hubby Francesco D'Macho, taken from *Porn Stars in Love*, where the chemistry is unmistakable... We're holding out for Volume 2!

**Check out this gorgeous hunk at [www.ragingstallion.com](http://www.ragingstallion.com)**

## RIPPED

THERE'S nothing quite as sexy as watching a shirtless muscle guy pumping iron and Colt's latest release **Ripped** spoils us with its selection of hot naked muscles. In one scorching hot scene southern stud Ty LeBeouf flips with sexy COLT Man Darin Hawk. It's one thing watching LeBeouf drill Drake's twitching hole, but when he mounts himself on Drake's thick swollen cock, just as he's about to blow his load, the sex goes off the Richter scale!

# HAIR

## HAIRY MEN IN GAY ART

THERE was a time, not so long ago, when fashion dictated that no self-respecting gay man would be seen with a single hair on his baby smooth body. However, times are a changing and natural hair is back in vogue! So it's time for gorgeous hirsute guys, the likes of Steve Cruz, Arpad Miklos and Samuel Colt (pictured here), to stand up and be proud. Bruno Gmünder's 260-page anthology HAIR has compiled various works from photographers and graphic artists such as Tom of Finland, Tom Bianchi and Dylan Rosser to celebrate this hairy topic... Come on guys, ditch those razors and cancel that waxing appointment and let it grow!

**WIN!** QXMEN has a copy of HAIR up for grabs. To be in with a chance of winning this great book, just send an email to [editorial@qxmen.com](mailto:editorial@qxmen.com) placing HAIR Competition in the subject field, along with your name and contact details, or post your answer to QXMEN, HAIR Competition, 23 Denmark Street, London WC2H 8NH. Entries to be in by August 31st when the winner will be drawn at random. The competition's open to UK residents only.

## SIX OF THE BEST

# STEVEN DAIGLE

SINCE APPEARING IN THE U.S. VERSION OF BIG BROTHER AND THEN STARTING A SUCCESSFUL CAREER IN GAY PORN, SEXY STEVEN DAIGLE HAS CAUSED QUITE A STIR ACROSS THE POND. HE'S JUST VISITED LONDON AND WHILE HE WAS HERE, FILMED A SCENE WITH JAY ROBERTS FOR MENATPLAY.COM, THE WEBSITE WITH TONS OF HOT GUYS IN SUITS. JUST BEFORE FILMING STARTED, THE GUYS AT MENATPLAY PUT A FEW QUESTION TO STEVEN, AND THIS IS WHAT GAY PORN'S LATEST SENSATION HAD TO SAY...

Yes the 'Head of Household' Jesse was like this big bodybuilder guy, he didn't like me. He said I disrespected him and so he basically got the rest of the house against me and said I would be difficult to beat so they should take the opportunity to get me out of the house, which they did. It was okay because, like I always tell everybody, the longer you're in the house the more chance you have of making an ass out of yourself. And I got out while all of America still loved me and thought I was sweet and innocent and nice! I think if I'd stayed in longer they would have seen me throw a fit, get pissed off or have a fight or something, so I was lucky. Everyone still liked me when I left.

#### **Did you fancy Jessie?**

Noooo! Jessie from Big Brother? Jessie has this perfect body, I mean his body is flawless. But he's got one of those personalities where he opens his mouth and it turns his whole body ugly. Literally after spending two or three days in the house with him I couldn't even stand to look at him. Which is amazing to me because I love a beautiful body, I

can. So I waited til' late at night and I positioned the bedspread just right so that I could jack off without making the sheets go up and down. And then I just came on myself and had to sort of just rub it in and clean up so that when I got out of bed you didn't see cum all over me. I only did that one time but it was really kinda hot. Then when I got off the show I found out that 'super-fans' - people that bought the live feeds and everything - they sent me emails saying we used to watch you sleep at night, and I would think 'oh shit, I wonder if anyone was watching at the time i was jacking off!' I guess now I jack off for the whole world to see, so that was sort of my prequel to porn.

#### **So what happened next? How did you get into porn?**

At the Big Brother rap party I met American porn producer Chi Chi LaRue. I went up to her and said, "Wow, you're Chi Chi LaRue," and she said, "Wow, you're Steven Daigle". We were both star struck with each other as she loves Big Brother and I love her so we became friends. She asked me numerous

## **S**o you were in Big Brother USA. Tell us how that came about?

Basically I got an email one day asking me if I was interested in doing the show as I was doing Gay Rodeo in the states, and that Gay Cowboy thing was a big deal. So I said, "Sure why not," and sent in my application and my tape. All of sudden it snowballed and the next thing I knew I was in L.A. shooting BB10 (Big Brother 10).

#### **When was that?**

Well they're about to film BB12 so it's been nearly two years since I was on the show. I didn't do very well (laughs) and I didn't last long. They thought I was a threat, that I was very competitive.

#### **Why did you get evicted? Wasn't there one guy in particular who had a problem with you?**

## **|| SO I WAITED TIL' LATE AT NIGHT AND I POSITIONED THE BEDSPREAD JUST RIGHT SO THAT I COULD JACK OFF WITHOUT MAKING THE SHEETS GO UP AND DOWN. ||**

mean who doesn't. And you're there living with him as a room mate and you want to be close to him. But I couldn't even stand to be in the same room with him.

#### **So there was no funny business in the house?**

Erm, I did jack off when I was in the house. It's really hard because they put the night vision cameras on and you never quite know when they're watching you. But you have to. I mean you can't go that long without jacking off. And you don't want to do it in the toilet cause there's a camera above your head that the public can't see but the producers

times to do a porn movie and I always turned the offer down. Finally one day I just said 'fuck it' and I did it. The time was right and I made my first movie. Then I started making lots of porn in the US. And now here I am in London making porn for Menatplay. **So before Big Brother was porn something you ever thought about doing?**

Well I have always been an exhibitionist. I've always love watching porn so, somewhere in the back of my head, being a porn star was probably a fantasy but I never ever thought it would actually be me doing it. You know, being in front of the camera

on Big Brother I realised how much I loved showing off. I was the only one in the house who would run around naked whilst everyone else would cover up. It's different to the UK version - I think there's more nudity and they're a lot more open here. So I think that exhibitionism was always in me, but once it [porn] was finally offered to me and I made that move, I'm glad I did. Porn's great (laughs)

**So what has been your favourite scene so far?**

The second movie I made. It was really dirty. I was being stalked and there was six other guys in this dungeon room. There was a big dick sucking scene where I was on my knees with all the others standing around me. That was a lot of fun. It's one of those situations you see in a movie but you never thought you would be in. Five giant cocks hanging around you but it happened to me and I loved it.

**So after being on Big Brother you did your first porn movie. What was the reaction? There must have been a bit of a scandal?**

After the porn came out it was pretty big news. TMZ picked it up, which is a big paparazzi-type website in the States and immediately it was everywhere. I was a little nervous as a lot of my Big Brother fans are middle American housewives and grandmothers and I was afraid they wouldn't be able to follow me any more. But I actually got enormous support. People would send me messages saying, "If you're happy with what you're doing then we still love you. We loved you on the show, you're doing what you want to do and we're happy for you". That made me feel really good. I have mothers sending me messages saying, "I never thought I would watch gay porn but I'm going to just 'cos I have to see you". Which is awesome! I think I sort of crossed a line. I brought people over to gay porn that thought it was deviant and underground before and now it's made it a little more mainstream to them. And I'm really happy about that. It's all about expressing yourself and making yourself happy and I'm not hurting anyone by making these movies.

**Ahh, you make it sound all so sweet?**

(laughs) Yeah, now lets get naked!

**So now you're here at Menatplay have you been a fan of the website?**

I've checked out the website. You've got some really hot guys on there for sure. In the U.S. it's kind of hot to watch London guys or Brits on cam-

**|| IN THE U.S. IT'S KIND OF HOT TO WATCH LONDON GUYS OR BRITS ON CAMERA. ||**

era, so yeah it's definitely a site that I visited before. (big smirk) I like uncut guys too.

**So you're a fan of British guys then?**

Ahhh yes! I looove British guys. I think if I found the right man here in the U.K. I would get married and move here. First of all, like I said, I love uncut dick. And the British accent I find extremely sexual and they're just good people too.

**Do you like the suit we put you in?**

You know what, I feel very good in this outfit. It's exciting to get dressed up all snazzy and look nice. You know, I'm a cowboy back home and I rodeo and ride bulls, so I'm a little

lazy with my wardrobe. I don't dress up and I'm always kind of messy so it's really nice. It makes me want to go home and get all dressed up. It's kind of a sexy feeling, you know, I feel very sexual all dressed up.

**So, you've seen pictures of Jay Roberts who you're working with today?**

Yes I'm very excited. He looks incredibly sexy. Beautiful eyes and dark hair. And I believe he's about my height, a tall guy right? It's amazing how many porn stars you watch on film and you think are so hot then you meet them on set and they're about half my size. So today I think it's a good match.

# TIMFUCK.COM AND TIMSUCK.COM

**I**f you like your porn condom-free then you'll love San Francisco-based Treasure Island Media (TIM). The studio specialises in documentary style bareback videos and QXMEN checked out its two members sites TIMFuck.com and TIMSuck.com and found some of the sexiest insatiable cum sluts and horse-hung tops getting down to some serious hardcore fucking and oral action.

Starring pig porn stars Dawson, Damon Dogg, Brad McGuire, Jesse O'Toole and many more, both sites get updated every other Thursday with exclusive, never-before-seen, ball-draining Treasure Island Media content. Plus twice a week, DVD scenes are added from the studio's private vault. One eye-watering scene from TIMFuck that left us all hot and bothered was TIM Exclusive Cory Koons's red-hot first scene with Treasure Island Media. For his debut, the studio set him up with horny fuckers Jayden Brooks and Felch Dog and the cum-drenched outcome is outstanding! Watching scenes on TIMSuck, the site for cum-addicts, we couldn't help but be just a little envious of the guys who got a taste of hot-as-hell hung

top Brad McGuire. One lucky guy, Tom, who admitted to jerking to McGuire's celebrated cock ever since he first saw it in a TIM movie years ago, wasted no time turning his fantasies into reality when he found himself in the same room as the sexy fucker.

**W**hatever you're into, you're bound to find a sexy lad that'll get you hard and then bring you off. There's great solo videos with fit lads with tight six packs stripping out of sports kit, wanking their rock hard cocks until they spunk and cute young twinks fingering their tight hairless holes and then sliding big dildos into their hungry butts. A couple of lads that caught our eye were the impressively hung and very sexy 20-year-old chav lad Clayton and 21-year-old Jim D, a cocky football lad who boasts that he's always being told that his bum is his best feature. And once he'd stripped out of his shorts we had to agree! And it's not just the solo scenes that are hot. The guys behind HardBritLads.com have paired up the lads for some really hot sex scenes. We've got too many favourites to mention them all but a few that you won't want to miss include the one where cute blond footballer Cameron gets his mouth and arse well and truly stretched to the limit when he takes on fit black stud, Tyler, who's sporting a eye-watering 10 inch super thick cock! Another features the massively hung chav Clayton who gives cute twink Sonny a good pounding and a sleazy basement scene with Jack and Ed, a 6 foot 2 skinhead with who's got a fat nine incher and uses it on Jack's bubble butt showing no mercy!

There's also a forum where you can post your comments about models and scenes, suggest ideas and say what you'd like to see, a blog letting you know what those Hard Brit lads have been getting up to and some seriously sexy high res posters of your favourite pin-up lads to downloads and keep. # FETISH WEEK ★ LONDON 2010

THE FIRST EVER FETISH WEEK LONDON TOOK PLACE LAST MONTH AND WAS, WITHOUT A DOUBT, A MASSIVE SUCCESS. CONGRATULATIONS TO THE RECON TEAM WHO DEFINITELY PUT LONDON ON THE WORLD FETISH MAP AND MADE FETISH WEEK LONDON A TOP CONTENDER WHEN IT COMES TO FETISH EVENTS.

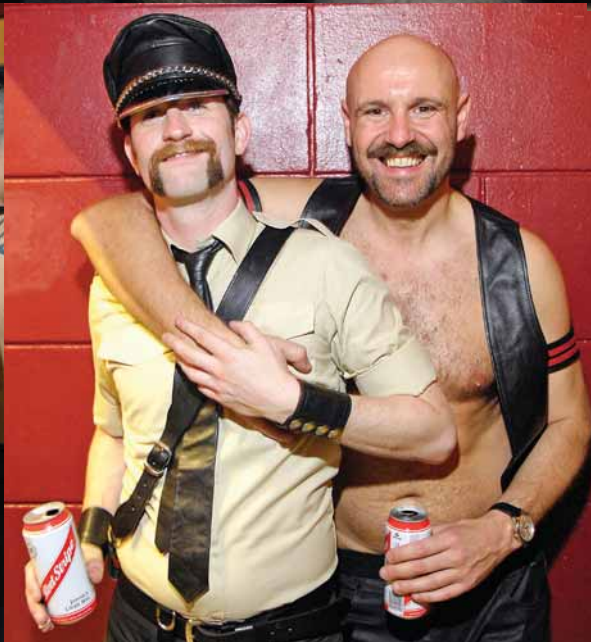

Images © ChrisJepson.com

Fetish Week London was spread over five days with events taking place all over London. The official parties kicked off on Friday July 16th with a Welcome Drinks Reception at Novotel London Waterloo - the official Fetish Week London host hotel - and guys came out to mix and mingle and get a sneak preview of which other hot guys would be out this weekend. **Leather Nexus**, the opening night party at Fire in Vauxhall, started the weekend and the Folsom team pulled it out of the hat making it the perfect introduction for what was to come. Then on Saturday, Bleachers & Co. got the skinheads out in full force for the **Skinhead** party at the Eagle. Recon presented the week's main party, **Full Fetish**, at the infamous Club Scala at Kings Cross. There was all manner of fetish gear from pervy rubber gimps to guys in suits and ties and the atmosphere was electric. Sunday saw a BBQ, hosted by GT, in the courtyard at LightBox and also **Rubber**, hosted by d.vote Rubber, which pulled in a massive crowd. Sunday night's closing party was **Deconstruction** at The Hoist, and was presented by Hoist and RoB London. Again there was a huge crowd of horny fetish guys there and they had clearly not had enough meaning the bar stayed open until the early hours of the morning.

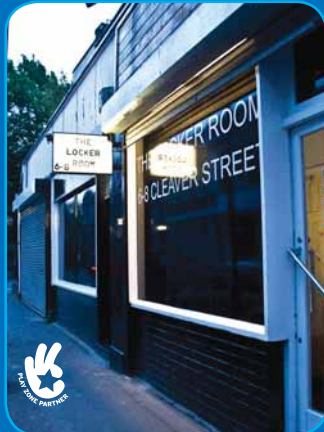

Antoin Strachan, Recon Events Manager, told QXMEN, "We couldn't have done it without the help of all of our sponsors, management and staff at the various venues, the other London bars and clubs which put on their own events and the team I had working with me. And, of course, our recon.com members and their admirers. This was only round one and I'm sure that Fetish Week London will continue to grow. We aim to make this Europe's Number One fetish week destination event. The London scene is becoming more popular and we're attracting more visitors. It's a win for everyone... I'm already excited about plans for Fetish Week London 2011!"

If Fetish Week London has whetted your appetite and you want to step into more Recon events, then there's much more excitement to be had. Recon is hosting a Full Fetish party in Cologne on Friday August 6th during the Gay Games. Then everyone will be in Berlin the first weekend of September for Folsom Europe and PiG and they are also hosting the official opening night play party of the Folsom Street Fair in San Francisco on Friday September 24th. Log on to [www.recon.com/events](http://www.recon.com/events) for more information, to see who else is going and to add yourself to an event.

# STEAMY ACTION:

**W**e've always been told that "dog bites man" isn't newsworthy. I would have thought that "gay men have fumble in sauna" doesn't count either. But the Islington Gazette doesn't agree. "Pool is gay cruising hotspot" was the local London paper's front page headline on 24th June, and reporter Duncan Hepburn managed to get 500 words or so out of his claim that "the steam room at a family swimming pool has become a popular 'cruising' area where gay men meet for 'action.'" This revelation was considered shocking enough to warrant national coverage. The story was picked up the following day by the Daily Telegraph, which proclaimed "Families' anger at gay rating for pool." In this headline is the real appeal of the story. Originally it had zero interest. So it had to be sexed up. Fortunately it was discovered that the steam room in question had been awarded four out of five stars by a gay website which recommends places to pull. Suddenly the story had an angle along the lines of "man bites dog." The shock, horror and anger were fabricated. The novelty was that the steam room of a family swimming pool is so popular with gay men that it has a star rating. Whoever heard of such a thing? Well, actually if you're a gay man it's still not such a big deal. But if you're a Daily Telegraph reader, that seems to be another matter.

Subsequently the story was dissected in the letters column of the Islington Gazette, in blogs and Facebook posts. It's such nonsense that you may think it's not worth dragging it up again a month later. But it's a reminder that so much of what we read in the papers is not necessarily "true", just tailored to grab our attention. Also in this case I've got a personal interest. I live locally and I'm a member of the "gay cruising hotspot" itself. And I shouldn't have put that phrase in quotes because the sauna of the Cally pool in Caledonian Road is indeed a gay cruising hotspot and it has been for at least 15 years. Men come here from all over London and sometimes even farther afield as you tend to meet interesting people here and several of the guys I now socialise with I met at the Cally. What's happened down the years is that the straight customers have gradually drifted away, leaving the sauna pretty much to us. For those who haven't been, I ought to point out that it doesn't have condom dispensers and a sling. The "action" is extremely discreet and, if you weren't looking for it, you might not even notice it. Of course, every so often a heterosexual wanders in unsuspecting and is a bit surprised. Such a person seems to have been one Adrian Kelly, who told the Islington Gazette that he "complained at the front desk but was told there was nothing staff could do." After the story broke, I spoke to staff members, who remembered the incident but confirmed that complaints are rare. When they occur, the culprits are told to cool it. I've seen this happen once. In 15 years I've been aware of perhaps two or three other warnings. The Cally is not Hustlaball.

I'm issuing my counter-complaint because the coverage of this non-story has been entirely homophobic in that cunning way that never could be presented to the Press Complaints Commission as homophobia. The front page of the Islington Gazette declared "Website recommends family haunt as a top place for 'action'" while the Telegraph maintained this distortion of the facts by saying that "Families have protested." The implication in the headlines is that gay men are so sex-crazed and insensitive that they are groping each other in the Cally swimming pool in front of family groups. This unlikely scenario is encouraged by Kelly himself, who states, "It's a family pool and you don't know who might go in there and see something they shouldn't." The Gazette found nobody else to substantiate Kelly's claim of "shocking" misbehaviour and instead asked for a comment from Jason Pollock, a gay man long associated with Pride. He obliged by seeming to agree that gay men were behaving disgracefully in "a family swimming pool." He added, "It is not right if people are acting like this in a place where there are families and more importantly children around."

## THE GAY SEX SCANDAL THAT WASN'T

SMUT 'N' STUFF WITH *HAYDON BRIDGE*

Basing his view on the Gazette report, Time Out's gay and lesbian editor, Paul Burston, wrote, "I'm with Mr Kelly on this one." He went on to quote from a piece he wrote for Attitude magazine, "When I see gay men soaping their erections in full view of small children... it makes me cringe."

### IT'S A REMINDER THAT SO MUCH OF WHAT WE READ IN THE PAPERS IS NOT NECESSARILY TRUE

In the 1st July issue of the Gazette, Peter Cardy, chief executive officer of Aquaterra Leisure, which runs the Cally and several other leisure centres in Islington, was forced to issue a statement refuting the suggestion that the Cally was no longer "safe" for families. "The public can be reassured," he wrote, "that the Cally pool remains a safe and wholesome environment for families and individuals to enjoy healthy exercise this summer." In other words – and I'm sorry to have to say this – gay men are not a threat to children at the Cally pool. Why was it necessary to "reassure" the public of this fact? The "family" factor was introduced deliberately to stir up right-wing indignation. There's no indication in the stories that Adrian Kelly is a family man and no "families have protested." Gay men socialise at the Cally and other Aquaterra leisure centres only with each other and in locked rooms to which families have no access. This is no different to gay men meeting in one room of a "family" hotel.

I phoned the Islington Gazette's Duncan Hepburn. He blamed sub-editing for the implication that the whole of the Cally pool is a gay cruising hotspot. (But when I checked with Jason Pollock, he told me, "I simply got a call from the newspaper reporter to ask if I thought it was right that gay sex might be viewed by families at a swimming pool, to which I answered no, of course not!") Hepburn remains unrepentant about the tone of the story, saying that people, gay or straight, shouldn't have sex in public. (But in this case it was in a locked room). I expressed surprise that anyone involved in this story was aware of the gay website which rates the Cally so highly. (Adrian Kelly admits that when he got home, he Googled the words "Cally Pool" and "gay" and up came the Cruising Gays site). What made Kelly alert the media over a bit of slap and tickle in a steam room is his business. But the outcome surely isn't what he intended. Last week the Cally sauna and steam room were full of newcomers looking for "action", some of them attracted by the publicity, others from the nearby Ironmonger Row baths, which closed recently for restoration. As a matter of interest Cruising Gays also gives this cruising hotspot four out of five stars.

THE BUSIEST CHAT SERVICE IN THE UK

LIVE 1-2-1

**QX** CHAT.com

CHECK OUT WHY WE HAVE GIVEN YOU THREE NUMBERS INTO ONE SERVICE

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
