WELCOME...

...TO SEPTEMBER'S ERECTION INDUCING ISSUE...

Another month, another QXMEN packed full of hot guys, big cocks and tight butts. And we got something to suit all tastes, from muscle guys to cute, young twinks and hairy bears to Latin hunks.

As usual we've watched a selection of the hottest new R18 DVD releases so you know which ones to add to your collection. From Channel 1 Releasing, **Grand Slam: Little Big League 4** had us hankering back to sports day and, more importantly, what went on in the changing rooms. Real Urban Men Productions is the hot new

American adult black all-male studio and its first movie **New York's Hottest Top Model** features some of the sexiest boys from the hood we've seen in gay porn for ages. Eurocreme serves up an eye-watering feast of big cocked hotties ploughing tight butts in **Hung Ladz: Six Feet of Meat** and there's a few hung schlongs and low hanging balls attached to burly blokes that we wouldn't mind getting our lips around in Butch Dixon's **Cum To Daddy**. Those lads from Triga are back and introducing us to **Joe The Plumber**, a cute Irish lad who's got a big tool kit and an even bigger tool! If you're a fan of hung Latin men (and let's face it, who isn't) then you'll want to check out Raging Stallion's **Heat Of The Moment** and you'll also drool over the line-up of international sex gods in Kristen Bjorn's **Tropical Heat Part Two**. Things certainly get a bit heated between those gorgeous Titan Men in the studio's latest release **Dust Devils** and lastly (but by no means least) New York porn king Michael Lucas gets in on the action in Lucas Entertainment's hot new release **Passion**.

Ahead of his trip to London this month, when he'll be putting on a XXX-rated show at London's Hard On, we had a tête-à-tête with the hard man of porn Ricky Sinz. And don't let his on-screen persona give you the wrong impression as he's really an all round nice guy. Alphamalemedia, the UK studio that features hunky and beefy guys is three years old this month, and we spoke to Head Honcho Trojan Rock about how it all started and what plans he has for the studio's future. This month QXMEN's resident sexpert Hayden Bridge writes about a subject that'll get you talking with your mates down the pub, The Great Big Cock Debate. Plus we've got a hot and sexy story, loads of great competitions and all the usual stuff to keep you happy in the trouser department... Enjoy.

NOW YOU CAN GET FUCKED BY FRANÇOIS SAGAT'S COCK

OKAY, we admit that this 'news item' is just a blatant excuse for us to show a picture of our favourite dreamboat, François Sagat. Following in the footsteps of countless porn stars before him, the lovely François has had his cock cast and molded into a realistic dildo, so you can ride it and know exactly how it would feel to get fucked by the gorgeous hunk. The weekend starts on Thursday October 7th with a shirts off pre party at Barcode Soho followed by Leather Tonka at the Eagle on Friday night October 8th. Then promoters Suzie Krueger and Rob Rutt join forces to put on a one-off massive party on October 9th. Hotwired will take place in a massive 15,000 sq foot industrial space in Zone 1, south London and the exact address won't be announced until October 8th. The venue is a completely empty space that's rough and industrial and the promoters will transform it into a hardcore dance and cruise leather space. There'll be two music rooms featuring Hard On's finest DJs in the Hard On room, while RUT regulars can dance to the RUT DJs along with extra special guests in the RUT room. There'll also be a massive play space, secondary play areas, an outdoor area and a chill out room. Doors open from 10pm to 6am and there'll be a strict leather and rubber dresscode, which will be enforced. Then for you guys who want to carry on partying there's the Hotwired After Party at Hidden starting at 5am through to 11am, on Sunday afternoon there's a jockstrap party at Sweatbox Sauna and then that evening the official Closing Party at The Hoist, a collaboration between Gummi, RoB and The Hoist called Black Trinity. For the opening time check the Hotwired website.

Tickets go on sale on September 1st and will be available from London's Expectations, RoB, Fettered Pleasures, Regulation, DV8 and Master U or online at www.clubtickets.com (booking fee applies). Tickets to the main party are £20 and joint tickets to the main party and after party are £25. For details go to www.HotwiredLondon.com. But QXMEN has got 3 pairs of tickets to the main party Hotwired on Saturday October 9th, to be won. To be in with a chance just answer this simple question. Antoin, PiG Berlin Coordinator, told QXMEN, "Ticket sales for this year's party have been going very well. The Alte Münze is located around the corner from Alexanderplatz and is only 12 minutes on the U-bahn from Schöneberg, Berlin's gay centre, and home to the Folsom Europe Street Fair. WARNING!
OUR RANGE IS SERIOUSLY SEXY

PHOTOGRAPHY BY TSIA STUART-YIP

GRAND SLAM ★ LITTLE BIG LEAGUE 4

STUDIO: ALL WORLDS VIDEO ★ DIRECTED BY DOUG JEFFRIES

Starring: Parker Brookes, Buddy Davis, Tony Douglas, Jimmy Durano, Brent Everett, Kayden Hart, Micah Jones, Jake Lyons, Casey Monroe, Jason Pitt, Bobby Rail, Tucker Vaughn, Brenn Wyson.

THE BOYS ARE BACK ON THE FIELD AND THEN HEADING INTO THE LOCKER ROOM, TO PRACTICE THEIR BALL CONTROL IN THE LATEST INSTALMENT IN THE BESTSELLING TWINK SERIES LITTLE BIG LEAGUE. SEXY LITTLE POCKET ROCKET BRENT EVERETT RETURNS WITH AN ENTIRELY NEW GENERATION OF YOUNG PORN PUP NEWCOMERS.

THE movie opens with a catch-up of the goings on from the previous Little Big League movies, before we get straight down to the action. And we're in for a treat as it's Jimmy Durano and Jason Pitt up first, stripping off in the locker room after a game. Jimmy's got a perfectly sculpted body, a juicy fat cock and a beautiful butt, which Jason wastes no time in ramming his tongue between the muscled cheeks and probing Jimmy's puckered hole. The expert rimming goes on for a while before Jason's bent over and fucked from behind with Jimmy grabbing hold of his jockstrap like he's riding a horse. We move into Coach's office next where we meet Brenn Wyson, the type of P.E. teacher we all fantasised about in school. Tall, tattooed and muscled, Brenn's got a hefty cock and he decides to use it on Parker Brookes who's been getting bullied by his team mates - like the guy hasn't been through enough already! After the snivelling lad has sucked his shaft and licked his muscled arse, Coach forces him to bend over and pounds his arse. There's an amazing five-guy fuck fest with a bunch of hot jocks up next, again set in the locker room, before we reach the climax of the movie and what we'd been waiting for, Brent Everett fucking arse. And the lucky lucky boy to have his butt pounded by Brett is Jake Lyons, a sexy little fucker too. He takes Brent's rock hard, thick cock deep in his boy hole in various positions and, as whenever we watch Brent Everett in action, made us so wish we were him!

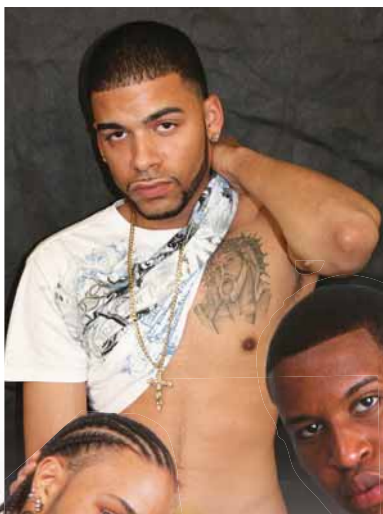

NEW YORK'S HOTTEST TOP MODEL

STUDIO: REAL URBAN MEN PRODUCTIONS ★ **DIRECTED BY ROB GRECO**
Starring: Paris, Ace Rockwood, Nubius, Charger, Aquarius, Smokey, Adonis.

REAL URBAN MEN IS THE NEW ALL BLACK, GAY STUDIO FROM AMERICA. FROM INTIMATE KISSING TO hardcore BUTT FUCKING, THESE GUYS SURE KNOW WHAT THEY LIKE AND THEY DO IT WITH PASSION... AND GET THIS! YOU, THE VIEWER GETS TO PICK THE HOTTEST TOP. AT THE END OF THE DVD ARE INSTRUCTIONS ON HOW YOU CAN CAST YOUR VOTE, AND THEN THE RESULTS WILL BE POSTED ON THE STUDIO'S WEBSITE.

There's nothing artificial about these guys as they were all discovered in the urban ghettos of New York City. You know the type of baggy jean wearing, tattooed homeboys we're talking about. Up first it's Nubius and Adonis with Adonis playing the personal assistant to Top Model Nubius. Nubius insists that he must shoot his load before his photo shoot and Adonis is happy to comply, wrapping his mouth around Nubius' hard, throbbing cock. But Nubius wants more and, after rimming Adonis' tight butt, he slides his thick black cock in and fucks him good. Ace Rockwood and Smokey star in scene two and we're treated to sight of Ace soaping up his tight tattooed body and huge thick cock. As Smokey towels him down, Ace grabs him by the head and fucks his face hard before fucking his bottom bitch missionary and doggie style. Charger (who gets our vote as the sexiest guy) slowly strips in front of the camera in the next scene and when he pulls out his huge 10 inch cock he's already won the contest hands down. Watch and drool as the stud wanks his cock, fingers his butt hole and then shoots a big load over his tight stomach. Paris and Aquarius feature in the final line-up, and Aquarius is the bottom boy who gets it in the arse from top guy Paris. These guys are hot and sex is on fire, but in our eyes Charger is the hottest top... Who will you vote for?

HUNG LADZ ★ SIX FEET OF MEAT

STUDIO: EUROCREME ✪ DIRECTED BY MAXWELL B.

Starring: Ashley Ryder, Steven Prior, Harry Louis, Jordan R, Leo Castro, Sonny, Will Jamieson, Tommy B.

THE MONSTER COCK ON THE COVER OF THIS LATEST EUROCREME TITLE EXHIBITS PERFECTLY THE DELIGHTS THAT AWAIT INSIDE. DEFINITELY ONE TO HIDE FROM YOUR GRAN... UNLESS SHE LIKES THAT SORT OF THING! WITH GUYS LIKE SUPER STUD WILL JAMIESON, ULTIMATE POWER BOTTOM ASHLEY RYDER AND DONKEY-DICKED STEVEN PRIOR, YOU ALREADY KNOW THIS HUNG LADZ IS THE HOTTEST SO FAR!

PRESENTING some of the biggest pieces of equipment to ever grace your telly box, Hung Ladz: Six Feet of Meat starts with one of our favourites - the gorgeous Harry Louis - getting extremely passionate with Tommy B, who looks like he's having the time of his life taking Harry's perfectly formed, giant schlong. But, set your eyes to 'wide surprise' for the next scene as butter-wouldn't-melt-looking twink Steven Prior hides an ENORMOUS donkey dick beneath those bulging shorts and innocent expression. We'd give anything to swap places with Sonny to be on the receiving end of that one and its resultant giant explosion. Will Jamieson and Jordan R have an air of 'straight Essex chavs getting it on' in the penultimate scene, fucking, sucking and 69ing like animals in a room emblazoned with posters of naked women. Finally, ultimate power bottom Ashley Ryder is the perfect candidate for receiving Leo Castro's mouthwatering piece, a riding expert in the Grand National of fucking, Ashley always lives up to his name with an energetic and super horny fucking session. Hung, hot and horny as hell, with no storyline to distract, just a straight up, 100% fuck-a-thon. Size queens... this right here is heaven!

CUM TO DADDY

CUM TO DADDY

STUDIO: BUTCH DIXON

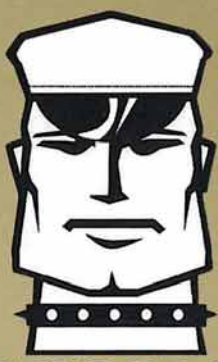

CUM TO DADDY IS THE FIRST DVD FROM BUTCH DIXON, THE SAME PRODUCTION TEAM BEHIND UKNAKEDMEN. IT'S A ROUGHER, HAIRIER RIDE, WITH TWO HOURS OF MUSCLE BEARS TAKING THEIR HORNY YOUNG LADS IN HAND.

Hunky cover guy, Ted Colunga is up first in a steamy solo, showing off all those areas that need to be pleased, from his nipples and his hairy pits down to his juicy hole and that massive, thick headed uncut dick of his. Then we meet Miles who punishes Anthony with a good hard fucking. But don't be fooled by Anthony's innocent look as there's certainly nothing innocent about this lad! He knows exactly how to use his hot mouth, throat and arse and is more than willing to make amends by offering up his hot buns and spreading them wide for top guy Miles. Gym instructor, Dom De Marco, is up next (all the way up) as he turns weakling Lenard into his own fuck toy, forcing his massive tool down the boys throat, licking his feet and squeezing his hot length deep, deep inside George's fuck hole. And then it's daddy's turn to take a pounding when construction workers Jock and Dan get on the job. Young Jock fucks his old daddy every which way before shooting a geyser of juice all over his chest. Tim Kelly and Ben Statham bring up the rear and will finish you off when they get down to it on a mirrored bed, with Ben eager to take Tim's cock any way he can. Big bruiser Tim fucks the poor lad till his battered arsehole is in ruins.

All this hot action is in HD plus there's previews of other cum-drenched scenes from the Butch Dixon catalogue. This winning DVD is sure to be the first of many!

TROPICAL ADVENTURE ★ PART TWO

A KRISTEN BJORN FILM DIRECTED BY KRISTEN BJORN

Starring: Arthur Gordon, Daniel Serbanescu, Francesco D'Macho, Pedro Andreas, Bruno Jones, Dennis D'Nello, Jesus Moreno, Frank Philipp, Hugo Martin, Erik Demko, Andreu Perez, Andres De La Serna, Marco Salgueiro, Antonio Ferrari.

IN LAST MONTH'S ISSUE WE REVIEWED KRISTEN BJORN'S TROPICAL ADVENTURE PART ONE AND WITH PRODUCTION VALUES SO HIGH, SEX SO MIND-BLOWINGLY HOT AND A CAST OF INTERNATIONAL GUYS TOO BEAUTIFUL FOR WORDS, WE JUST HAD TO FOLLOW UP WITH PART TWO.

Available
from www.kristenbjorn.com

TWO guys that didn't feature in the first instalment, Arthur Gordon and Daniel Serbanescu, are up first and boy, these two are hot hot hot! They're dressed in just shorts, which soon come off so they can suck on each other's juicy cocks. After some lip-smacking oral the quite simply gorgeous Arthur briefly fucks Daniel before they reverse positions and Arthur sits down on Daniel's cock and rides it 'til both guys shoot their loads. Porn giants Francesco D'Macho and Pedro Andreas get down to some serious action on a staircase next and after Francesco sits on Pedro's face, they move to a bedroom where Francesco bottoms for his muscle-bound Latin mate. Watching these two in action leaves you in no doubt as to why they're two of the most sought after porn actors in the business. The next scene finds the delicious Bruno Jones and Dennis D'Nello out walking when a pick-up truck pulls up and they're offered a ride from Frank Philipp and Jesus Moreno. The guys find a secluded place to pull off the road where they get naked in the back of the pick-up. The alfresco four-man fuck that follows is awesome and the chemistry is perfect with Frank fucking Bruno and Jesus fucking Dennis. There's another two (yes two!) scorching hot four-man fuck fests up next, one starring Andres de la Serna, Andreu Perez, Hugo Martin and Erik Demko, and another with Francesco and Pedro and Arthur and Daniel from earlier, before we reach the explosive climax to the movie. And in true Kristen Bjorn style it's a ball-buster starring six stunning guys with the action taking place in a swimming pool and then back on land... Outstanding!

HEAT OF THE MOMENT

STUDIO: RAGING STALLION STUDIOS ★ **DIRECTED BY BEN LEON**

Starring: Andres de la Serna, Angelo Marconi, Austin Wilde, Pedro Andreas, Petter Fill, Sebastian Gola.

HEAT OF THE MOMENT HAS A SMALL CAST OF SIX BUT, FEAR NOT, AS THEY'RE SOME OF THE SEXIEST AND WELL-HUNG LATINOS IN THE BUSINESS TODAY. YOU'LL BE LEFT DROOLING AS YOU WATCH THESE SIX STUDS SUCK AND FUCK IN THE BEAUTIFUL SOUTH AMERICAN SUN.

Available
from www.ragingstallion.com

PEDRO, Andres, Sebastian and Felipe are hanging out by the pool when Austin and Angelo arrive. Andres and Austin head inside where Andres gets on his knees and devours Austin's sizeable cock. As Andre sucks him off another pair join them and then another and soon all six stunning men are sucking dick. Each guy has a throbbing dick in his mouth or in his hand and the stunning line-up is an award-winning group scene. Next, Pedro grabs Angelo and takes him back to the pool for a round of cock sucking and butt fucking, where he pounds Angelo's hot hole hard and fast. Soon it's Pedro's turn with Peter and Pedro sucks Peter's juicy cock and Peter munches on Pedro's sweet hole before fucking it good. Andres and Sebastian are out on the porch next and Sebastian gets on his knees to service Andres' hung cock before it's rammed deep into his muscled bubble butt. The action keeps up momentum when Austin and Angelo sneak off for an aggressive fuck in a nearby bedroom. The oral is just a quick warm up to the butt fucking and Austin fucks like a Raging Stallion pro, pushing deep and hard into Angelo. Austin's sex drive is insatiable and he hooks up with Sebastian next for a round of sucking and fucking. Sebastian again is on his knees and working Austin's massive dick down his throat before Austin eats Sebastian's tasty butt and pushes his impressive cock deep inside. As Sebastian gets fucked by Austin, the other guys show up and a truly awesome open-air fuck fest begins where the bottoms watch as their buddies take it up the arse and the tops compete with hard fucks.

DUST DEVILS

STUDIO: TITAN MEDIA  DIRECTED BY BRIAN MILLS

Starring: David Anthony, Dario Beck, Dean Flynn, JR Matthews, Christopher Saint, Jock Hudson, Spencer Reed.

THE DRY DESERT HEAT BRINGS OUT THE BEST FROM SOME HORNY HIKERS, LED BY TITANMEN EXCLUSIVES DAVID ANTHONY, DARIO BECK, DEAN FLYNN, JR MATTHEWS AND CHRISTOPHER SAINT. WHO KNEW THE DESERT COULD BE SO WET?

Hiking through the great outdoors, shirtless Dean Flynn and Jock Hudson stop to enjoy the view. But they're quickly distracted and Dean's on his knees, deep throating Jock. Jock returns the favour and sucks Dean like a pro, his beard bristling against Dean's balls as he licks them. Dean holds on to Jock's head and face fucks him before the two shoot their loads. But in true Titan syle the action's not over and Jock gets pinned down and Dean plows his hole. TitanMen exclusives David Anthony, Dario Beck and JR Matthews are up next and handsome hung hunk David Anthony finds himself surrounded by his two companions. Dario's the first to get a taste of David's massive tool, before he moves on to JR's dick, which springs from his jockstrap. After munching on JR's hole, David shoves his monster meat inside as the bottom sucks Dario, who then bends over for JR, staying stiff as he gets fucked. David then plows Dario's butt deep before the three cum again in a ball-draining scene. Manchester hottie Christopher Saint is paired with muscle man Spencer Reed in the final scene that starts with an amazing oral display from Christopher, clearly intoxicated by Spencer's dick, gripping the humungous schlong and rubbing it against his face. He then sits on Spencer's tongue before bending over for a fast and deep fuck that never lets up. "Take my ass, mate!" the horny bottom cries with his veins bulging from his neck as his arse lips cling to Spencer's thick shaft. Christopher then sits on the massive tool and grinds all the way down the shaft. Now on his back with Spencer's hand on his pec, Christopher pulls the top down for a kiss as they frantically fuck, their muscles quivering. Spencer spits into the bottom's mouth before both breathless hunks shoot... An amazing final scene that'll have you hitting rewind again and again.

SHOT ON LOCATION IN LONDON AND NEW YORK, PASSION STARS 14 INTERNATIONAL SEX GODS AND FEATURES TWO OF THE HOTTEST THREE-WAYS WE'VE SEEN IN A WHILE! WATCH AS THESE STUNNING MEN EXPLORE PASSIONATE PLAY WITH ARMPITS, FOOT LICKING, TRAIN FUCKING, DEEP-THROATING, CUM EATING, FLIPPING, AND DOUBLE-PENETRATION.

WE don't have to wait long for the movie's first hot three-way and it's Jonathan Agassi, Harry Louis and Rio Silver who provide the awesome action. Jonathan starts off by fucking Rio doggy-style and then horse hung Harry jumps on top of Jonathan to fuck him at the same time. Giving and taking at the same time, Jonathan's proves to be the perfect filling in the fuck train sandwich. Hung Latino Rafael Carreras and Junior Stellano are up next and Junior wastes no time in stuffing Rafael's monster-sized cock into his mouth. Once hard as a rock, Rafael rams his humongous cock deep inside Junior's muscled butt and fucks him before the guys flip and Rafael bounces himself on and off Junior's stiff wood.

Scene three and Rafael Alencar and Joseph Mercier check in to a London hotel and immediately Joseph devours Rafael's huge schlong and gets a face fuck he won't forget in a hurry. Soon Rafael's attention turns to Joseph's milky white butt, probing his hole with his tongue and spanking and playing with his cheeks. Then, like a true pro, Joseph takes a hard pounding from Rafael's monster cock before pulling out and shooting a thick load all over the boy's face. The second ball-busting three-way concludes the movie and stars Michael Lucas, Harry Louis and Dean Monroe. It's Harry's gorgeous tan-lined arse that's getting the attention this time from a sexed up Michael Lucas and Harry feasts on Michael's delicious cock in return, resulting in a tabletop 69. Dean Monroe enters the room and Harry and Michael give his hungry hole some action before Michael and Dean both take Harry's huge cock down their throats. Michael then pounces on Dean, fucking his arse and Harry joins him squeezing his thick schlong in too, creating a steamy double penetration scene that'll leave you breathless.

VAN & MAN PRESENTS... JOE THE PLUMBER

STUDIO: TRIGA FILMS

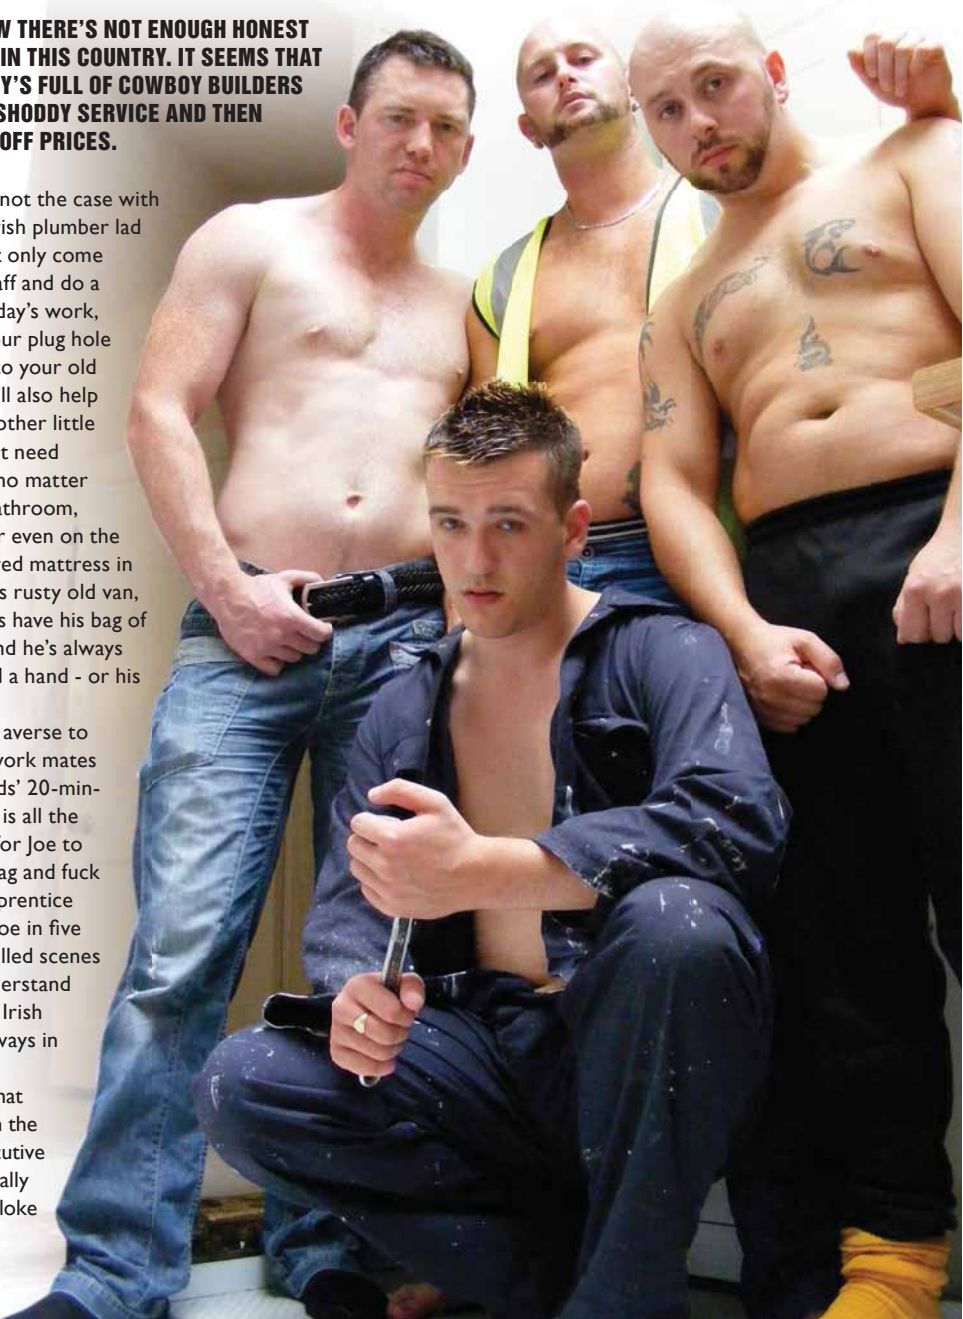

WE ALL KNOW THERE'S NOT ENOUGH HONEST TRADESMEN IN THIS COUNTRY. IT SEEMS THAT THE INDUSTRY'S FULL OF COWBOY BUILDERS WHO GIVE A SHODDY SERVICE AND THEN CHARGE RIP-OFF PRICES.

WELL, that's not the case with Triga's sexy Irish plumber lad Joe who'll not only come round your gaff and do a good honest day's work, unblocking your plug hole or attending to your old boiler, but he'll also help out with any other little jobs you might need sorting. Yep, no matter if it's in the bathroom, the kitchen or even on the spunk-spattered mattress in the back of his rusty old van, Joe will always have his bag of tools ready and he's always willing to lend a hand - or his big fat cock!

And Joe's not averse to shagging his work mates either. The lads' 20-minute tea break is all the time it takes for Joe to have a quick fag and fuck some cute apprentice arse. Watch Joe in five filthy, spunk filled scenes and you'll understand why this cute Irish plumber is always in demand.

Now, about that dripping tap in the QXMEN executive toilets. We really should get a bloke in to fix it...

WE CAN SUM UP THIS 128-PAGE COFFEE TABLE PHOTO BOOK BY JOHN GRESS IN A COUPLE OF WORDS... QUITE SIMPLY, THESE GUYS ARE FIT-AS-FUCK!

The Score

ALL of Gress' models in THE SCORE are at the peak of physical perfection. They've earned their flawless bubble-butts, six packs, gorgeous legs and muscled arms from playing sports, and quite frankly we'd much rather look at bodies like theirs than the over-pumped muscled guys who spend every waking hour in the gym. And they're all so good looking too which means they've got the whole package – a sexy face and a great body. What more do you want in a man? Except for a big cock, of course (and if you're a gay man and saying that doesn't matter, then you're lying). But there is a God, as judging by some of the tantalizingly large bulges in their shorts and jockstraps, these guys really do have it all... We're so damn envious of these models' lucky girlfriends, or boyfriends!

It makes no difference if the subject's been photographed in black and white or colour, Gress is a true master of his craft and without a doubt he's an admirer of the male physique.

WIN! WE love this study of sweaty jocks and we're sure you will do to, so we've got a copy of THE SCORE up for grabs. To be in with a chance of winning this book, just send an email to editorial@qxmen.com placing THE SCORE Competition in the subject field, along with your name and contact details, or post your answer to QXMEN, THE SCORE Competition, 23 Denmark Street, London WC2H 8NH. Entries to be in by September 30th when the winner will be drawn at random. The competition's open to UK residents only.

JOCKS LAYOVER L.A. PART 2

WE found out that a 'layover' is the American term for when you have a short stop in a long trip, usually for a connecting airplane flight. But we're sure that the average American's layover would be nowhere near as fun as **Jocks Layover L.A. Part 2**. The movie stars hot jocks Tommy Defendi, Jayden Grey, Zach Alexander, Mario Costa, Darin, Brent Biscayne and Justin Cox. Two scenes that got us excited included Tommy's and Jayden's when Jayden gives Tommy amazing head and then rides his cock good and hard. And we highly recommend the one with Zach Alexander and horse-hung Mario Costa when Zach takes Mario's huge piece of uncut meat deep in his butt.

Ariel's completely versatile and loves to top and bottom and the DVD shows him in action in erection-inducing scenes with other gorgeous BelAmi stunners Alex Orioli, Matt Phillippe, Jack Blue, Florian Nemac and Dario Dolce.

X-MEN

I developed my penchant for Las Playas Nudistas whilst holidaying in Spain (we all know where). Following vague guidance from a handsy local I approached the 'sands beyond the cliff' (a literal translation according to my pocket dictionary). I could see people spread across the beach in what appeared to be matching cream ensembles. Reaching for my retro sunglasses and blinking in the blinding sunlight, my eyes slowly adjusted to notice that there was no cream-only swimwear policy on this beach but indeed a NO swimwear policy - Bingo!

Approaching nirvana my eyes feasted on the plethora of cocks, bums and pecs (trying desperately to avoid catching a glimpse of muff!) Scanning the beach for more bronzed, hard bodies I noticed a few 'give aways' which made me think that this beach was not just a nudist beach but a gay nudist beach (without a Liza parade I was still a bit unsure). There were one or two committed sun worshippers already, setting up camp as I spread my towel across the roasting sand. Slowly unbuttoning my light linen shirt I unashamedly scanned the beach, my eyes hidden by my trusty 80s shades. Coily I continued to slide off my shirt, one or two sun kissed chest hairs exposed, then lower to my bronzed stomach covered in a glistening brown treasure trail. I could feel eyes upon me, following my opening shirt downwards, their gaze still rudely interrupted by my stark red speedos, but not for long...

Slipping my thumbs under my waist band I suddenly became very conscious of my literally growing excitement; I wanted to tantalise my admirer, not make him an extra in my first open-air porno! The swelling in my yet-to-be defunked speedos continued as I could feel my watcher's eagerness. Although I was enjoying being on display I was still hesitant - was it guilt, shyness or was it concern over losing my public nudity V plates? Would exposing myself rid me of any remaining inhibitions and render me a habitual flasher? Was I at the precipice of (in)decency? There was only one way to find out: I breathed deeply and speedily pulled down my swim suit. Forgetting my previous arousal I had hastily released a full erection in slow motion for the entire beach.

Catching the eye of one guy, his mouth hanging open, my mind inserted a clip from *Jaws* (where they all go running from the sea and across the beach screaming). Coming to my senses and realising that might be a slight exaggeration I decided to enjoy my latest episode of 'Monster-Cock Masterpieces' when I was draped over my raging hard on. Detracting attention from my boinging erection I knelt, dusting sand off my towel and dived into my towel. Although I love the beach, I hate sand sticking to a clean and oiled body and this irritation helped ease the swelling in my member!

Nestling into my warm fluffy towel, I opted out of standing up and flexing for the beached audience once my cock was pointing south (but still plumped). Instead I manoeuvred my cock into a groove in the sand, forgetting that my pert cheeks were still being sun kissed and ogled. Again, I could sense attention. Like dogs they could smell the freshness of my meat and fearful inexperience. Regardless, I decided to flip over and scope out the talent.

Facing the big blue sky, one leg flat, the other bent (for a slower reveal) I rearranged my shaft so it wasn't pointing up but resting suggestively across my hip. Reaching for my shades, I propped myself up for a proper survey of the manscape. Directly to my left was a clear area of bright, white sand which stretched out to a large, dark

green towel, emblazoned with some fashion label. Pondering whether this made him a brand-whore or cheap enough to use the freebie-towel-with purchase, I was happily shaken out of my internal dialogue by tundra of muscles occupying the greener grass next door. Working my way southwards over the firm expanse of smooth flesh I mapped out a strong nose, full lips, mountainous pecs, undulating abs and a surging crotch. Turning his head slightly, and clearly sensing my penetrating gaze, he smiled, his eyes still squinting from the sun. I smiled back and looked away (I was never any good at full on eye-contact-cruising) but I did sneak another covert look when he lay down again. Directly in front of me was a full beach throw shared by a gay couple, their matching rings catching the sunlight. Both face down, their buttocks looked

I GESTURED TOWARDS MY FILLING SHAFT, SMILED AND QUICKLY FLIPPED OVER, AGAIN ENSURING MY LEGS WERE SLIGHTLY SPREAD TO CONTINUE MY TEASE.

like a pair of rolling hills, my eyes drawn to the dark ravines in between. Staring at their peachy bums, I had to slip my dick between my legs to contain it slightly. Attracted by my movement one of the pair looked up. Seeing something that interested him he perched on large forearms, his broad shoulders stretching across the sea's horizon. Scanning the beach, I waited for his eyes to look straight ahead and this time I didn't turn away. He looked up through his wet black curls that hung across his face. Maintaining his gaze I brought my other leg up and spread them slightly, giving him a better view of the all the key areas he could have an interest in (you can never really tell who's a top or bottom after all!) Smirking, his eyes flicked down and up. He licked his bottom lip and brushed his hair out of his face. Staring at my most private of parts, I could see his hips pressing into the sand. Reaching down and raising his body slightly I got a clear view as he brought his erection up and laid down on it again. Getting a bit excited myself, and still unsure what the beach rule book had to say about full-on-hardons (again), I gestured towards my filling shaft, smiled and quickly flipped over, again ensuring my legs were slightly spread to continue my tease. I felt a little guilty for teasing, and for doing so with only one of this perfect pair. My heart was still racing and I felt excited and satisfied by my initial foray into beach cruising. I dozed a bit until I was just too hot and decided it was time to run the gauntlet and head into the sea. I'm a relatively confident guy, but walking through a beach full of gay men, with absolutely nothing on, is a daunting experience. There's nothing accentuating your strongest features or hiding your weakest ones, just you, naked - exposed.

I tried to look sexy as I meandered through the maze of towels but ended up hopping around like an irate grasshopper in order to avoid burning my feet on the roasting sand. Springing around, completely forgetting my intentions to survey the beach as I went, I finally found my way to the wet, cool sand at the water's edge. Composing myself (and too embarrassed to cruise) I plodded into the water, which was colder than I had predicted. Wading in slowly I could feel my extremities chilling, which was not a good thing, considering there was one key protrusion I didn't want displayed in its retreating form! Diving in and gliding under the fresh and clear waters I felt exhilarated. Swimming naked was liberating. Bouncing over the waves and sliding under the surf, I felt completely uninhibited. That is, until I saw a body resurfacing next to me, fully equipped with mask and snorkel! Like a hairy walrus coming up for air, he grinned and re-submerged as I stood there, aghast. Now, I know that I was naked in a public space, and am not averse to showing off a bit of skin, but I suddenly felt totally violated. Bobbing in the water, still stunned, I began to wonder; was it the fact that he wasn't naked which offended me? Or was it his unattractiveness that prompted my disdain for his underwater, covert observation? I also couldn't imagine that my 'nethers' looked very impressive floating around my groin in suspended animation, like some kind of foreskin seaweed. Undeterred I continued to frolic amongst the waves like a gay dolphin. Oblivious to the increasing density of men in the waters around me, I nearly resurfaced between the legs of a 'daddy bear' his beard dripping as his head glistened. Apologising, and having to propel myself away by pressing on his firm, fuzzy chest, I inadvertently bumped off another hairy-beary-mary. These two then proceeded to cavort in the water like a pair of horny sea lions. Watching this mass of hirsute muscle clashing in the sea I noticed my snorkel-stalker sneaking past like a lethargic and lascivious jaws, stalking his prey: underwater boners. Suddenly turned off, I drifted backwards towards the shallows, my bum bumping into someone behind me.

Spinning around to apologise I recognised the face smiling at me: Manscape Man! My eyes focused on his luminous pecs, his nipples tickling the water's surface. I smiled back. My head cocked to one side, I scanned his body through half squinted eyes (a look I decided was sexy and not at all like I was having a stroke). I wafted my arms through the water to move away politely but he reached out swiftly, his hands clasping me behind my waist. 'No, come.' Smiling. Although surprised and a little scared (I am annoyingly innocent sometimes) I didn't resist. He pulled me in closer and I could feel something in the waters below. Worried it was stalker-jaws trying to join in I looked down startled. 'No, come. Come.' Insistent this time and again with the smile - I did wonder if he'd just bought those gnashers and was simply eager to show them off! He repeated those words (so open to interpretation I thought) and I drifted towards him. Again something brushing against me. Looking

down I saw a long, bronze eel nestling in between his legs. Being drawn closer I felt the head of the beast nibbling on my hip. Smiling, perfectly white teeth catching the sun, he pulled me in more. 'Come, ok?' Firm and almost demanding – perhaps bordering on a bit bossy and impatient? I chose to interpret it as simply dominant and sexy. Relinquishing my coy resistance, he squeezed me into him, my own speedo-snake more interested. His hands still firmly clasped behind my back I cuddled into him. His mouth opened slightly, a mischievous grin still on his face. Before I reached his lips with mine he pulled me in tighter, eager to press my mouth to his. We kissed, just enough tongue to be seduced but not too much so that I felt he was counting my molars (although I reckoned he would look hot in pale blue scrubs – note to self: future fantasy). As we kissed he pulled me in closer, tighter, lifting me up so my feet wafted the sand below, our shoulders above the cool, salty water. Running my fingers down his broad back he too moved lower on mine. Reaching down, his large hands cupped my ass, a cheek in each palm. Raising me even more he lifted my legs off the sand as I hung off his thick neck. Leaning back, his cock and mine stroking together between my legs, I slid up and down (trying to stroke his cock with mine without recreating that scene from Showgirls where she orgasms in the pool like an epileptic dolphin – seen it? Hilarious!) I rubbed his shaft with my thighs and cock as his fingers delved deeper, tickling my hole with both index fingers. He gently massaged my smooth crack, the cool water tingling between my cheeks. Lifting me even higher my legs stretched out behind him. Although desperate to throw my legs in the air with gay abandon (never a truer use of that phrase) I realised the whole bay would be receiving the above sea level showing of A Suddenly Greedy Bottom I (am sure there will be a sequel). Despite tucking my legs under water my gorgeous man had other plans and hoisted me even higher, tucking his head down to suck on my protruding erection. Like an overnight isle he embraced my wet head with his lips and travelled deeper until his nose dipped into the water. Raising me higher, my balls reaching the surface he forced my penis-isle deeper. Sucking my exposed cock as I floated on the surface, his finger slid deeper inside, pressing all the right places. He pulled my body against his, spun me around in the water and threw me forwards, sliding effortlessly behind me, his cock placed between my ass cheeks like a jumbo sausage in a bun. Slipping up and down he manoeuvred his tool towards my hole. Although I was incredibly turned on (this manscape was deserving of a post card or calendar) I was not about to be rogered raw in the sea for several reasons: a) it's not safe b) there was no way that was going in without some lube and c) I didn't really fancy a salt water-dick enema. Pressing back and feeling the end of his shaft knocking on my rosebud doors I knew I couldn't tease him anymore before he pinned me to the sand and drown-fucked me. So I held my breath and dived down. Opening my mouth and sliding his dick inside, I felt like a sexier version of my snorkel-stalker! Taking his cock deeper as my breath was running out I resurfaced, running my tongue from cock to navel and over his hard nipples. He breathed deeply, lifted me again and parted my cheeks. Leaning forward and spreading my legs he slipped his tongue in my hole and stroked my cock. Feeling my head swell and the pleasure rising my eyes darted around and (surprisingly) found no one really paying any attention. Unsure whether it was the fact that this seemed normal here or that the really good stuff was happening underwater, I started to understand the snorkel-stalker's strategy! Deciding to relax, I lay back, floating in the sea as Manscape ate my ass and wanked me. As I was getting close he slid me into him again. Fearing I would have to fight off an invading cock, I sat up to meet his eyes. Smiling he uttered his stock phrase: 'Come, ok?' Pushing me back gently he wanked and rimmed me till I blew my load across my stomach. Before I had time to relax and absorb the post-orgasmic-chill he grabbed me and thrust me under the water. Before I could worry that this was some praying mantis ritual and he was about to drown me, I found his cock rammed in my mouth. Somewhat comforting I began to suck on his ample tool. Feeling his shaft stiffen I pulled off to watch him release. His cum floated through the water like a sperm jellyfish! Resurfacing to my smiling Manscape, he gathered me up and squeezed me tightly, then lifted me up and dragged me gently to the shore. Although my Spaniard's cave-man approach to English didn't make for the best bedside conversation, I decided that for a one-day beach romance it really didn't matter, I lay next to him, branded and satisfied.

RICKY 'THE HAMMER' SINZ

MULTI-AWARD WINNING RICKY "THE HAMMER" SINZ IS THE ONLY PORN STAR IN THE INDUSTRY TO HAVE A LIFETIME EXCLUSIVE CONTRACT WHICH IS WITH U.S. POWERHOUSE RAGING STALLION STUDIOS. AHEAD OF HIS TRIP TO LONDON, WHEN HE'LL BE WOWING THE CROWDS AT HARD ON'S 7TH BIRTHDAY, QXMEN CAUGHT UP WITH THE SEXY FUCKER AND FOUND OUT THAT THERE'S MUCH MORE TO RICKY SINZ THAT JUST THE HARD MAN IMAGE.

If you don't mind us asking Ricky, how old are you?

I'm an old man (LOL) I'm 29 years old.

Where were you born and raised, and where do you live now?

I was born and raised in Chicago but I've lived all over the world. I'm currently in the suburbs of Chicago, but I'm planning on moving somewhere tropical in the near future.

Were you nervous doing your first scene?

Not really. The director and the model were really great to work with. It was a very laid back environment to work in and it made me open up to my exhibitionist side and embrace it even more.

Are you top, bottom or versatile?

I'm versatile... I love to top and I love to bottom.

And the hottest BOTTOM?

Now that is a good question cause there are so many holes in this industry that I would love a shot at. And Paul Stag, if you're reading this you are on the list. The man is such a ranchy pig, he knows how to get down and dirty just the way I like, and in person he is so charming and that sexy British accent really gets me going.

What's your favourite position?

If I'm feeling aggressive, bend over and hold on to something cause I want to grab you by the back of your hair and go to town. If I'm feeling like I just want it to be about me then I'm gonna kick back, lay down and you can ride me 'til I explode.

So what turns Ricky Sinz on?

I have a lot of turn ons... Physical traits I like muscle, masculine, hair, older men are a turn on. I love real people. Honest, loyal, upfront, educated, genuine people. In reality looks fade but if you're a good person on the inside that will never fade with age.

You've starred in loads of hot movies, including some major big-budget porn flicks like Raging Stallion's Grunts and To The Last Man... What can we look forward to next?

Last month we begun shooting our next major budget film. I can't discuss the details but I have a main acting roll and two scenes with two very hot scene partners... If you like masculine men, wrestling and rough trade this film will be for you. It will be called *Brutal*.

▶ **IF I'M FEELING LIKE I JUST WANT IT TO BE ABOUT ME THEN I'M GONNA KICK BACK, LAY DOWN AND YOU CAN RIDE ME 'TIL I EXPLODE.**

So, what was your profession before you started working in the porn industry?

I was a career soldier in the United States Army. I spent 9 years and got out as a Senior Non Commission Officer in the United States Army Special Operations Command. While in the military I pursued my degree and hold a Masters in marketing with a minor in Business Law.

And how did you get into the business?

When I left the military I started doing mainstream modeling but was limited to opportunities due to the heavy amount of tattoos that I have. I started being approached for mainstream film roles and adult films and I decided to do a solo and it took off from there. I started producing content for my own site and shooting for several smaller sites until I was discovered by Michael Brandon and signed with Raging Stallion Studios, and I'm currently the only Lifetime Exclusive model in the industry. I have no regrets about this career path... It has been a blessing.

Who's the hottest TOP in the industry?

Why me of course (LOL)... I'm just kidding. There are so many to name but my all time favorite was Al Parker, God rest his sexy soul. He was so intense and unique and had an amazing body and on screen persona. He was pure, unbridled sexuality in raw form.

If you had the chance to direct a scene and cast the other performers, who would you choose and what would happen?

I would cast masculine, hot, hairy, big-dicked muscular guys with tattoos who would just get down and dirty. No directing, scripts none of that crap. I want real, raw and unedited sex pure and simple.

Do you get recognised in the street?

Oh yes, I get recognised everywhere, especially if I have short sleeve shirts on. People know me and they know my tattoos. I've traveled to third world countries where they don't even have electricity and they knew who I was! **We read on your blog that you have a crazy stalker... Is he still bugging you?**

(LOL) I have a few and yes they are still trying to find me. But the odd thing is I have a lot of female stalkers as well. I'm surprised by the amount of women who follow gay porn.

What do you do to relax?

As sad as this sounds I don't relax. I work on a project of some sort every waking minute. I'm either performing in a club, video editing, doing graphic design work, DJing, recruiting, casting for film or club work. I'm all business 24/7 but when I come to London I have a few days with nothing on the schedule so I could tour the city and take in the culture and history.

Do you have a boyfriend?

I do. He is in the industry. We live far away so we have an open relationship but he is a good man and I love him dearly.

You're coming to London this month and will be performing at Hard On's 7th Birthday... What can we expect?

I will be performing at club Hard On and I am excited to do it. As far as what's planned I will get as nasty and raunchy as I can without going to jail (LOL). All I can say is some sexy British stud is going to find out why they call me the hammer on stage! In addition to that I'll also be doing a fashion shoot for a magazine. It's also a chance to meet up with some business partners and discuss throw-

ing some awesome events in Europe and try to make some connections to bring more of the American models to London and get some of the London guys to the States.

Tell us a little about RickySinz.com...

What can fans see on your site? That's my main site where I post all my events and keep people up to date on projects and films. I also have a live division **rickysinzxxxlive** which hosts the largest collection of live models 24/7. Men, women, couples, gay, straight, bi - we have something for everyone from amateurs to big name adult film stars.

And we understand that you co-run an agency called FierceCasting.com where porn stars can be hired for events... Can you tell us a little about this venture?

I'm actually the owner of this agency but it got so big so fast we had to open more offices. Our newest office we opened in London is being headed by Paul Stag and we also have offices in Washington DC, Chicago, Philly and probably more opening up sooner. We've partnered up with several other agencies and we handle the bookings for events ranging from nightclub appearances, charity events and circuit parties. We have a

broad range that we cover booking adult film stars, DJs, music producers, print models, fashion models and much more... So, if you need talent for any event we can help you out. We cover everything; the contract, the flight, the graphic design for the flyers. We're full service and we also market the events so you get maximum turn out. And we only work with the best models that either the agents or myself have worked with, so we know who we're sending and you know your getting quality talent.

We've read that you've raised over \$1 million for charities... Which do you support?

I support a wide range of charities ranging from St Jude's, which helps children with cancer and other diseases and will not turn anyone away for inability to pay. I donate and raise funds to medical clinics, HIV research, disabled veterans programs, gay rights, really to anyone who will take the funds and actually make a difference in this world.

If the world were to end tomorrow what would you rush out and do?

I would spit on George Bush and punch Donald Rumsfeld in his twat.

Finally Ricky, describe yourself in three words.

Extreme, loyal and kind... Yes, it's an odd trio I must admit.

ALPHAMALE

MEDIA.COM

THREE YEARS ON

U.K. PORN POWERHOUSE ALPHAMALEMEDIA CELEBRATES ITS THIRD BIRTHDAY THIS MONTH AND QXMEN CAUGHT UP WITH ITS FOUNDER TROJAN ROCK TO FIND OUT HOW IT ALL STARTED AND WHAT PLANS HE HAS FOR THE STUDIO...

Having sold his TV company, Brighter Pictures Ltd which produced Big Brother, for several million in 2001, Trojan decided to try out something which he'd always wanted to do. This was to become a porn actor. And after starring in some 20 movies in the United States, for companies such as Titan Media, Raging Stallion Studios, Mustang, Massive and Butch Bear to name a few, Trojan, the definitive 'porn Daddy', decided that it was time to set up a porn production company of his own. He teamed up with legendary porn actor Carlo Cox, and porn/TV director Maxwell B, and the rest, as they say, is history.

Fed up with plastic acting and staged scenarios, Trojan, Carlo and Maxwell wanted to make porn that was real and to make films that featured **'real guys, having real sex with real attitude'**. From this concept, Alphamalemedia.com was born and for the last three years the studio has brought some of the hottest, hung muscle men having even hotter sex to our screens!

Alphamalemedia's very first film *Out In The Open*, released back in September 2007, set the standard for European studios, and gave the American studios a run for their money. "There was no one in the U.K. producing films with the type of models that we were using. We were going head to head with the likes of Titan, Hot House and Raging Stallion, which was a huge risk. But the gamble paid off and we soon became one of the top selling brands in Europe and America of this genre," Trojan told QXMEN. "I think that what made us successful is that the guys we've always used love doing what they do. We cast guys together according to the chemistry between them. That way you get scorching hot scenes!" In fact, over the years Alphamalemedia has been a breeding ground for new talent and the studio has launched many famous faces (and cocks) such as Alex Baressi, Axel Ryder, Ben Statham and Ross Hurston, to name just a few.

THREE YEARS ON, 28 MOVIES LATER, AND WITH THE FANTASTIC CLUB SITE ALPHAMALEFUCKERS.COM, THE STUDIO IS NOW PART OF THE LARGEST PORN PRODUCER IN EUROPE, THE EUROCREME GROUP, AND IS ABOUT TO GET A FANTASTIC NEW LOOK AND FEEL TO IT...

Speaking to QXMEN, Trojan said, "Hanging on the shirt tails of our success there's a few new studios in the U.K. copying the look and feel of Alphamalemedia, which is all very flattering. But we think that now's the time for us to evolve and again lead rather than follow... We'll always be one step ahead!" Speaking about the future, Trojan said, "It's time to bring younger talent to the table and provide the porn that our fans really want to see. We have Alphamalefuckers.com, which will continue to cater for the hairy, more mature muscle man fan, but I'm excited that Alphamalemedia.com is about to focus on a new breed of model who fit the new slogan **Hot Men, Hard Sex...** To get the ball rolling, the newly launched website is totally interactive,

and you can browse, buy or download all our movies. The look and feel is sharper, more dynamic and colourful and the new models are buffer, hotter and if possible, sexier!"

Summing up, Trojan said, "I've had the time of my life acting in porn. I can't think of a better job, apart from that as

my roll as studio head and expanding the incredible brand that is Alphamalemedia.com. And, of course, finding fresh talent for fresh audiences, and giving sexy guys the chance to show off the best of their talents."

A MATTER OF SIZE: THE GREAT BIG COCK DEBATE

SMUT 'N' STUFF
WITH HAYDON BRIDGE

AT LAST! A Raunch Pad dedicated to the reason we pick up QXMEN every month. Or am I allowed in these politically correct times to stereotype gay men as lovers of big cocks? I think I can get away with it. We've joked about this obsession for a very long time. (It's said there are only two types of homo. Size queens and liars). Research also suggests there's a good reason why we worship the well-hung. Gay penises are

▶ IT'S SAID THERE ARE ONLY TWO TYPES OF HOMO... SIZE QUEENS AND LIARS.

bigger. About ten years ago two doctors found that between 1938 and 1963 the Kinsey Sex Institute took the measurements of 5,122 todgers. On average the gay tools were both longer and thicker than the hetero variety. Is this God's tongue-in-cheek way of compensating us? Well, hold hard. It turns out that the Kinsey folk didn't do the measurements themselves. They relied on volunteers with rulers, who then filled in forms. The probability is that the queers were adding a few centimetres here and there in a bid for acceptance. In other words the Kinsey findings are about as scientific as all the other stuff we've come to believe about endowment. (Short men have big dicks. So do black men. And men with big noses. And big feet. And long fingers). Is any of this true? Time to do some research of my own.

As is my wont, I'm going back in time as far as possible. Men have always been resentful of other men, particularly foreigners, with bigger penises. How about this gem from one of the filthiest books ever written, the Bible? It's from Ezekiel 23: 19-20: "She played the harlot in the land of Egypt and doted upon her paramours there, whose members were like those of asses, and whose issue was like that of horses." Translation: she liked to have sex with Egyptians because they have big cocks and were more likely to get her pregnant. Thousands of years later, when the perceived threat to civilisation came from Africa, black men were regarded that

with the same awe. "It is generally said the penis of the Negro is very large," wrote German anthropologist Johann Frederick Blumenbach in 1795. Scientists and travellers concurred with Blumenbach right up until the 20th century. In 1913 respected sexologist Havelock Ellis was still writing about "the sexual powers of Negroes." The subconscious fear expressed throughout time is that a different race with bigger cocks will steal our women because that's all women want. In fact the exact opposite is true. It's men who want bigger cocks in order to intimidate other men. Most women don't give a toss (sorry). In a 2005 survey of 52,031 people, 85 per cent of women said they were satisfied with the size of their partners' penises. Every survey ever conducted concludes that the average penis length is less than 6" (15cm).

How many more big penis myths can be disproved? We can begin by scotching the rumour that it's worth ignoring everyone in the room to cruise the guy with the big nose or size 12 shoes. A big cock has no evolutionary benefit and so big cock signals haven't developed. It's "unlikely" that an accurate prediction of penis size can be gauged by measuring a different part of the body. That said, it's logical that a tall man is more likely to have a penis in proportion to his greater height, and that indeed is the case. What about race? Most sources seem to quote sexologists Masters and Johnson, who claimed that the average white penis (6.4"/16.2cm) is slightly bigger than the average black (6.2"/15.7cm). The international average of 6" takes into account the alleged Oriental average of 5.6". But William Masters is the man who also claimed that his programme to make gay men straight had a 71.6 per cent success rate. The likelihood is that black penises are actually the biggest, but only by a fraction of an inch. The belief that black cocks can be three times as big as anyone else's still persists, possibly because of the large number of big-dicked black men in porn. When it comes down to estimating penis size by nationality, the results are even more suspect. Spanish urologist Eduardo Gomez de Diego decided Mexicans were the biggest, while British sexologist Robert Chartham chose Brits! (Interestingly both men made money out of penis enlargement programmes).

But now let's concentrate on the biggest of the big and the chances of being surprised by Mr Python. Are you ready for the bad news? Just as everybody agrees on the size of the average manhood, everybody also agrees on the biggest possible. It's not 18" and it never has been. Not only that but the chances of finding anyone with more than 10"/25.4cm are slim. Condom maker Lifestyle, a company which for obvious reasons requires accurate information, not only agrees that the average penis is 5.9"/14.9, it also reckons that the 10" penis is attached to only 1 man in 3.5 million. But we all love the legend of the humungous schlong and preferably when it belongs to an international movie star. In the old days it was Errol Flynn and Frank Sinatra. Then it was Warren Beatty. Currently it's Liam Neeson, James Woods and Willem Dafoe. All these men plus hundreds more are on a list compiled by one Lone Wolf Sullivan called "Celebrity Monster Endowment Guide." It makes for a fun read if you take the claims with a pinch of salt. Flynn was reputed to be between 11-18". But when his biographer brought up the subject with his last wife, she declared it was "average." It just so happens that I know an actress who had a fling with Sinatra when she was a waitress. "11-12 inches?" I asked her. "Nothing like it," she replied. But no celebrity is ever going to sue for this kind of misrepresentation. Joe Orton had to censor a reference in his play *What the Butler Saw* that implied that Winston Churchill had a big prick. "That isn't libel, surely?" Orton said, "I wouldn't sue anybody for saying I had a big prick. No man would. In fact I might pay them to do that."

The one group of performers who regularly publicise the length of their penises is of course porn models. But if you believe this hype then I've got some shares in a gold mine I'd like to sell you. The man known as having the biggest dick in porn was John Holmes, whose life inspired the

movie *Boogie Nights*. He claimed 13.5"/34.3cm. But his first wife countered with 10". Currently Tony Duncan calls himself Mr 18". Porn-watchers think he may be between 11-13". Mandingo claims between 12-14". He's estimated to be 10.5". Sceptics also doubt the claim of oddball Jonah Falcon, star of the 2006 documentary *The World's Biggest Penis*. He makes a sort of living from his allegation that he's 13.5". The single nude photo that's surfaced suggests 10" maximum. So now we come to the crunch. Who *does* have the world's biggest penis? It's accepted to have been one recorded and verified by Robert L. Dickinson, who published an account in his 1940 book *The Sex Life of the Unmarried Adult*. These are the dimensions to beat: 13.5" x 6.25"/34.3 x 15.9cm. Are you a record-breaker? Don't hesitate to contact me.

THE BUSIEST CHAT SERVICE IN THE UK

LIVE 1-2-1

QX CHAT.com

CHECK OUT WHY WE HAVE GIVEN YOU THREE NUMBERS INTO ONE SERVICE

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
