WELCOME

TO THE FIRST QXMEN OF 2011

... WELL, IT'S THE START OF ANOTHER YEAR IN GAY PORN AND WE'VE ALREADY GOT A SEMI THINKING ABOUT ALL THE HOT AND HUNG NEW STARS THAT ARE WAITING TO BE DISCOVERED, AND THE NEW RELEASES WHICH OUR FAVOURITE STUDIOS HAVE GOT LINED UP.

To kick off the year we've been spoilt with the DVDs that landed on our desk. BelAmi's new movie **Too Big To Fail** stars some of the studio's most well endowed guys. Pairing these hung studs with the usual beautiful BelAmi boys means that this is a scorcher of a movie! From New York, Real Urban Men **Keep It Real** with some of the hottest, muscu-

lar, hung young black men the city has to offer. Oh, and did we mention that they're hung? Also from the Big Apple, Lucas Entertainment treats us to **Auditions 37: Balls To The Wall**, the most aggressive in the series so far - and we loved every minute it. Director Brian Mills creates a stunning trilogy of jaw-dropping fantasies using just a dark, smoky stage and, of course, stunning men, in Titan Media's **Manifest**. Raging Stallion Studios takes us on a white-knuckle **Wild Ride** with some of their hottest guys, where the white knuckles weren't on us, but on the guys getting fucked! Alphamalemedia are back with a feast of hairy hunks and muscle studs in **The Power House**, and Eurocreme gives us another horny instalment of those lads in

trackies and trainers that we love so much with **Rudeboiz: Sweaty Sport Scallies**. Last, but by no means least, Menatplay's much awaited release **Gentlemen: The Menatplay Ultimate Collection Part One** features the all-time best scenes from its award-winning website. And if you think that those hunks look good in their suits, just wait until they strip out of them!

Other stuff we've got this month to titillate the regions other magazines don't reach include an interview with the oh-so-sexy Mexican-American Alessio Romero, and QXMEN's resident sexpert, Hayden Bridge, takes a look at a fetish we'd heard of but didn't know anything about, knismolagnia... Intrigued? You'll be tickled pink by the end of it. The strong, dominant Daddy figure is hot right now and it seems that everyone wants a piece of one. We know that we do, so check out our feature on the powerful top dog. Hayden Bridge also takes an interesting look at what the thousands of horned-up guys get up to on QXMEN's phone lines in the back of the magazine. Plus we've got a feature on one guy's novel New Year's resolution, some great competitions and all the regulars to keep you horny and craving cock... Yes, we are awful, but you know you love it.

THE ENGLISHLADS.COM XXXMAS PARTY

IN December, QXMEN went along to The Yard in London's Soho for the EnglishLads.com Christmas Party. Awaiting us upstairs were a plethora of mouth-watering, hard-bodied English Lads. Straight, gay for pay, straight with a twist, gay after 6pm - we really don't care when they look like that! They're also well-trained, horrendous flirts, and had countless guys clamoring to scribble down their names on the silent auction! Following the lavish VIP party, which saw plenty of champers flowing, the floodgates were opened and the downstairs crowd stormed in to get a look at Zack Elliot and his delicious mates. After a fun-filled raffle superbly hosted by Andy J, the gorgeous Englishlads mingled through the throng of tipsy revellers late into the night. To watch the boys in action head to www.EnglishLads.com.

NEW YORK'S BLACK PARTY

ON March 18th 2011, The Saint At Large, the organisation behind the notorious fetish-oriented Black Party, swaggers back to The Roseland Ballroom in New York to present the second annual BPX: The Black Party Expo, benefiting The LGBT Center. Due the success of last year's debut, the expo has been expanded to two days and will take place on March 18th and 19th of 2011. Boasting 'Hardcore Branding' and billing itself as 'Behind The Scenes At The World's Sexiest Party', The Black Party Expo pulls back the leather curtain for a peek into the exclusive underworld that is the biggest and most infamous gay dance party in the world. Frisky, fun and in-your-face BPX: The Black Party Expo is also one of the few erotic shopping experiences on America's East Coast where adult entertainment and merchandising vendors can showcase in a manner appropriate to their brands. Visitors not already slack-jawed at such amazing sights as 3D porn, rubber fire hydrants and power tools more suited to Daddy's dungeon than father's garage, need only look up to take in The Black Party's famously architectural decor, erected in anticipation of the night's big event, Rites XXXII: The Black Party. Attendees are free to drink, ogle, and gawk as they meet favourite porn stars, shop for the very best in leather and fetish fashions, XXX movies, books, toys, erotic art and jewellery. Plus the day will feature eye-popping fashion shows, hot product demos, live musical performances and a preview of The Black Party's infamous "strange live acts". For tickets and more information, check out www.blackpartyexpo.com.

BRUCE LABRUCE'S LA ZOMBIE... BANNED IN AUSTRALIA

IF the British Board of Film Classification (BBFC) follows the same line as its Australian counterpart, we may never get to see the beautiful François Sagat in his scariest role yet in Bruce LaBruce's queer zombie film *LA Zombie: The Film That Would Not Die*. François stars as a schizophrenic homeless man who thinks he's an alien zombie sent to earth. Roaming the streets of Los Angeles, he searches out dead bodies and then does unspeakable things to them. The movie also stars major-league porn players including Matthew Rush, Erik Rhodes, Francesco D'Macho,

Wolf Hudson, Eddie Diaz and Adam Killian. Following its world premiere last year in Berlin, the movie was pulled from the Melbourne International Film Festival and police subsequently raided the home of festival director, Richard Wolstencroft. The Australian Classification Board had rejected the film, though Wolstencroft said in a statement that he believed the work was "artistically significant". Matthias von Fistenberg (pictured), to the hot guy who graced the cover of last month's QXMEN, and the producer of the film, told us, "We have purposely conceived the style

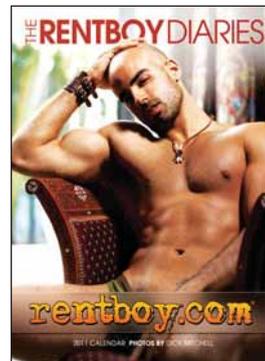

François Sagat by Arno Roca

of the film to be borderline offensive and seemingly bad taste, but we never thought we would be able to manipulate main stream media to such a degree. It was a brilliant experiment in adult film marketing and I will reveal in my February interview many clever teasing tricks we've used." Check out the trailer at the official website www.LAZombie.com, and make up your mind.

THE POWER HOUSE

RUDEBOIZ DIRECTOR SIMON BOOTH SETS UP FOUR SCENES IN WHICH STRAIGHT-ACTING CITY BOYS STRIP OFF EACH OTHER'S SMART SUITS AND FUCK EACH OTHER'S BRAINS OUT. EVERYBODY STAYS HARD THROUGHOUT AND NOT A WORD IS SPOKEN. THERE'S PLENTY OF GROANING THOUGH. AND WHEN YOU SEE THE SIZE OF SOME OF THE COCKS, YOU'LL KNOW WHY!

THERE'S a wide variety of blokes in *The Power House*. But they're all manly men, the sort you might expect to see on the trading floor or in the wine bar. The first is exotic, shaven-headed Zack Elias, who gets it on with Justin Harris, who has a swimmer's build and a fine profile. He can handle Elias' fat tool in his mouth and up his arse; and when he's sitting astride it, he spurts a gusher, which goes all over both of them! Then Elias milks out a creamy one on Harris' chest. Stocky Rocky undresses chiselled Neil Stevens, the star of *House Boy* and other Booth movies, and pulls out his massive wang. Rocky cums while he's being ploughed from behind, then Stevens cums over Rocky's face. Manu Perronash and Jack Jefferson are discovered in the kitchen. Perronash has a nipple ring and his name tattooed on his arm. He sucks Jefferson, a head boy type with smooth skin, and then Jefferson returns the favour. Perronash bends for a pounding and sprays a shower of cum that narrowly misses the lens. Then Jefferson wanks out a big load while his nipple is sucked. The hottest scene is the last. New black model Leo Cage has a monster cock with the unique distinction of vitiligo on the end of his foreskin. Could this become a new fetish? His partner, cool white Enzo Rimenez, can swallow the whole of Cage's trouser snake and take it up his bum too. But then – surprise! – Cage bends over to get fucked by Rimenez. The scene ends with splurges of jism.

RUDEBOIZ ★ SWEATY SPORT SCALLIES

IF YOU'RE AFTER PERMA-TANNED, HARD-BODIED CALIFORNIAN PORN STARS THEN TURN THE PAGE. EUROCREME'S LATEST RELEASE IS DEDICATED TO THE INNER CITY'S, TRACKIE-BOTTOMED FINEST...

FILTHY, sweaty and horny as fuck, the first two of our scally lads are driving round the streets of South London in a rather sweet set of wheels. Whether they've stolen it we'll leave to your imaginations – especially as they live in a council block!. After a bit of flirting, we head inside where Jamie and Christopher not only boast two juicy slabs of throbbing meat, they also set the precedent for the rest of the film with a rough, geezer fuck... and some hot trainer-sniffing action. Up next, Steve Spy is jerking off to his favourite Eurocreme title *StraightBoy*. His hoodied housemate Kirk James has been skulking and smoking round the estate and soon catches him mid-wank. It seems neither boy realised the other likes a bit of cock action, and they soon begin making a porno of their own. The third scene – our personal favourite – is with two 'straight' friends Ryder and Justin Dean. These two boys are hot and their good looks and blokey swagger provide the perfect level of council chic. After a breif discussion of their encounters the night before, the horn soon takes over and Justin Dean is giving tattooed Ryder the ride of his life, finishing with a double cumshot all over their battered trainers. Finally, Cat Skilton is wandering through a council estate as angry, blokeish and fit as Chris Edwards waits for their illicit encounter on the top floor of a tower block. Cat enters and they start with a horny jerk under their respective trackie bottoms. A conveniently abandoned (and filthy!) mattress is thrown down as Chris flings around Cat's lithe, tattooed frame, pummelling him senseless until a suitably sticky finale. Shagging and sneaker-sniffing on a second hand mattress in a council flat... whilst their mother's may not be proud, it certainly had us gleefully wiping our computer keyboard clean!

Starring: Jamie West, Christopher Crawford, Steve Spy, Kirk James, Ryder, Justin Dean, Cat Skilton, Chris Edwards.

TOO BIG TO FAIL

WHEN WE THINK OF BELAMI WE THINK OF BEAUTIFUL BOYS WITH PERFECT BODIES HAVING SENSUAL SEX. BUT THIS TIME ROUND THERE'S A NEW TWIST IN THE TAIL AS THE STUDIO'S DRAFTED IN A TOP GUY, TREVOR YATES, WHO'S GOT ONE OF THE BIGGEST COCKS WE'VE SEEN IN A PORN MOVIE FOR AGES... CAN THE BELAMI BOYS HANDLE IT? HELL YES.

FIRST to take on Trevor's cock of mammoth proportions is blond floppy haired Troy Allen, who's talking about a guy he had in bed last night who had a 20cm cock. Rewind back to the night before and we get to see Trevor's truly enormous slab of meat for the first time. Troy wastes no time in stretching his mouth over it and sucks it until it gets rock hard, before he's flipped over onto his side for Trevor to slide his massive tool inside. Next Trevor positions him onto his knees so Troy can take it from behind, fucks him some more before shooting a big load of spunk over his cheeks. Muscled hunk Manuel Rios stars next with young, sweet Roger Lambert. These are two hot guys who start by sucking each other before Manuel puts Roger on his back, holding his legs behind his head and tongues his hole. Manuel has a long fat cock, which he plunges deep into Roger's butt and fucks his boy on his back and then on his knees. Trevor's back in scene three and this time gets hot bottom boy Todd Rosset's boy butt. Two muscled studs, Vadim Farrell and Ennio Guardi are up next and the boys passionately suck and fuck each other before one of them gets a thick load of spunk over his face. There's a hot three-way for the final scene starring hungry bottom boys Darios Dolce and Julien Hussey with über top Trevor. The two bottoms boys position themselves so that Trevor has their two holes to swap between and he pounds them in turn with his juicy slab of meat. Darios and Julien take it in turns to get fucked on their knees and ride Trevor deep until all three guys blow their loads.

TOO BIG TO FAIL: STUDIO: BELAMI DIRECTED BY MARTY STEVENS
Starring: Trevor Yates, Troy Allen, Manuel Rios, Roger Lambert, Todd Rosset, Vadim Farrell, Ennio Guardi, Darios Dolce, Julien Hussey.

Available from Prowler, Expectations, White Tiger and all good DVD stockists.

MANIFEST

DIRECTOR BRIAN MILLS HAS CREATED A STUNNING TRILOGY OF SEXUAL FANTASIES, USING JUST A FEW HOT GUYS AND A DARK AND SMOKY STAGE. WHO NEEDS BIG BUDGET SETS AND GLAMOROUS LOCATIONS WHEN THE SEXUAL ENERGY IS THIS STRONG?

IN the first of three scenarios, voyeur Steven Daigle watches as muscle studs Junior Stellano and Tom Wolfe feast on each other. Steven soon joins the guys and takes turns on each of their cocks, shoving both heads into his mouth. Junior sucks both of his buds before the three dump their loads on each other. Junior then gets his cock and hole tongued by Steven and Tom warming him up for a tag-team fuck. Tom slides in first, ramming Junior as the bottom sucks on Steven who soon begs to get fucked, and Junior is happy to oblige. Tom then slips inside Junior and a hot fuck train takes over. Soon on his back, Steven gets rammed by Junior, who's cock explodes all over the top's abs and chest. As Steven continues to watch the dark and smoky stage, tall, dark and handsome Dakota Rivers appears and his strong hands are soon around muscular Logan Scott's head, fucking the stud's face. Dakota deep throats his hot muscle bud, spit drooling down as he opens his mouth wide to take the thick base of Logan's shaft and the two guys beat out their loads. Soon on all fours, Logan's hairy hole gets some attention from Dakota's tongue before the top guy pins him to the floor and pounds his muscular butt. Still not satisfied, Steven is ready for another encounter to admire, and he doesn't have to wait long as Dario Beck and Eduardo Rodriguez soon enter the stage. Dario drops down to his knees first to feast on Eduardo's cock, who then returns the oral favour and the two hunks blow their loads. Dario turns Eduardo around to fuck him before putting him on his back; all the while Eduardo strokes his stiff meat until he explodes. The horned up Dario then soaks him even more with an amazing multi-gusher.

KEEP IT REAL

NEW YORK CITY'S REAL URBAN MEN BRINGS YOU ANOTHER HOT SERVING OF MUSCULAR BLACK MEN WITH BIG BLACK COCKS THAT WILL LEAVE YOU WANTING MORE.

SEXY newcomers Carmello and Rhythm are up first and Rhythm begins by deep throating top guy Carmello's thick black cock while getting his holes lubed up with spit. The homeboys get into a 69 sucking position and Carmello tongues Rhythem's juicy hole getting it ready for his cock, before pounding his black arse deep and hard doggy style. Jay Scorpio debuts next with with Kid Kaj. Jay's a big muscular guy with a massive black tool and soon overpowers young Kaj and power-fucks his sweet hole to oblivion in a scene that'll have you hitting the rewind button again and again. Peanut and his buddy King are playing cards and the winner gets the loser's arse.

Peanut's usually a bottom but in this scene he shows us that he can be a very capable top as he pounds King's arse with his extra long cock. Sexy cover boy Tank joins porn veteran T-Malone and he's got one thing on his mind, getting his meaty 12 inches up T-Malone's sweet black arse. T-Malone can barely handle the huge dick but, like a pro he copes and the two studs end up covered in hot jizz. Paris and Remy Mars star in the final scene and they're soon butt naked and sucking on each other's black cocks. Paris has one hell of a big cock but Remy takes it like a good 'un in various hot positions until both studs blow their loads... This is another great movie from Real Urban Men and we can't wait for the next installment of hot black man-on man.

AUDITIONS 37: BALLS TO THE WALL

WE'VE LOVED EVERY ONE OF LUCAS ENTERTAINMENT'S AUDITIONS FILMS AND NO. 37 BALLS TO THE WALL MUST BE ONE OF THE MOST AGGRESSIVE TO DATE. ONCE AGAIN, THE STUDIO HAS PAIRED UP A STUNNING SELECTION OF INTERNATIONAL STUD MUFFINS AND, AFTER A BRIEF INTERVIEW, SET THE CAMERA TO RECORD AND LET THE GUYS GET DOWN TO BUSINESS.

HARRY Louis and Mike Colucci are up first and Harry is in seventh heaven when he's faced with Mike's amazing Venezuelan arse and adorable face. He doesn't waste a second getting his tongue into that tight hole, and soon Mike's begging him to fuck him. Harry gives him exactly what he wants and Mike rides Harry's cock like a champ before Harry starts pounding it mercilessly. Jay Roberts and Ivan Rueda feature next and after Jay face-fucks Ivan, the blue-eyed Spanish hottie bends over to take Jay's thick tool and gets an aggressive fuck of his life. The boy with the amazing arse, Mike Culucci, is back in scene three and this time he's paired with horse hung Adam Killian who strips him naked and dives straight into Mike's tight little hole tongue first. Mike takes out Adam's massive hard cock and deep throats it before Adam flips him over for more butt play, clearly one of the tattooed top's favourite pastimes. The guys 69 with Mike sucking Adam's cock while Adam slurps on Mike's immaculate hole, then Adam finally mounts his boy and fucks him until he explodes across his perfect pecs. Michael Lucas whips out his huge cock for Scott Carter to suck on next before munching on Scott's hairy man hole. Scott loves it so much he starts pushing his arse down onto Michael's fingers, loosening up his hole in readiness for Michael's monster cock. And Michael doesn't waste any time and soon starts pounding away at Scott's wide-open hole. Sexy French boys Brice Farmer and Jordan Fox are the final two up for audition and their performance is worth waiting for. It seems like Brice's sweet arse has been tempting Jordan all day and after sucking each other off, Jordan ploughs Brice's perfect butt good and hard.

WILD RIDE

GET READY FOR FOUR HEART-POUNING, MUSCLE-RIPPLING SEX ADVENTURES STARRING EIGHT OF RAGING STALLION'S HOTTEST MODELS, SUCKING AND FUCKING THEIR WAY TO A BALL-BUSTING CLIMAX.

RUSTY STEVENS and Trent Diesel are up first in *The Boxing Match* and the guys are in the ring showing off their sparing and fancy footwork. Soon Rusty's red silk boxing trunks drop to reveal his meaty cock and Trent devours it whole before his blue shorts come down so Rusty can chow on his stiff tool. Trent mounts Rusty in a reverse cowboy so we can get a good long look at Trent's hole working its magic, while he bounces up and down on Rusty's long, throbbing meat. *Shipping Room Shenanigan* stars Ricky Sinz and Anton Harri and straight away Ricky sets Anton's mouth to work on his cock. Once he's hard, Ricky turns Anton around, bends him over the shipping table and slides his tool into Anton's sweet, smooth hole. A good arse pounding is what Anton wants and that's exactly what he gets from top guy Ricky. Scott Tanner and Pistol Pete are up next in *Sex Man Style* and if you're hankering for a taste of leather then you'll be satisfied with this next hot pairing. Scott is clad in skintight black leather chaps, vest, wrist cuffs and biker's cap while Pete's tanned and tattooed chest is harness bound and his arse perfectly framed in a white jock strap. Eying the nearby sling, Scott knows what he wants and soon Peter is stretched out in the suspended leather sling with Scott going in for the kill. Austin Wilde and Sean Stavos bring up the rear in *A Wild Ride* a scene that was shot while filming for the movie *Steamworks*. The guys are resting in the club's Jacuzzi and Sean is sucking on Austin meaty cock. But when Sean positions himself to get a better angle on Austin's cock, his hungry hole comes into view and Austin can't help himself and dives in, kneading Sean's butt cheeks and thinking about what's to come. Unable to control himself, Austin bends Sean over the edge of the pool and slides his long, thick cock home for a good, hard fucking.

GENTLEMEN: THE ULTIMATE COLLECTION PART ONE

EVERYONE LOVES A GENTLEMAN. LUCKILY FOR US, THIS MENATPLAY FEATURE IS ABOUT THE SUITED AND BOOTED STYLE AS MUCH AS THE BONER-INDUCING EIGHT SCENES OF ACTION...

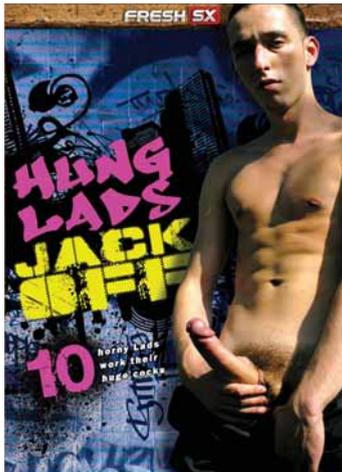

WHAT can only be described as a classic 'compilation' of some of the Menatplay site's best online material, the *Gentlemen* DVD starts with Marco Blaze, Daniel calls over attentive waiter, Marco Blaze who goes down on the men like a true professional, and it's not long before he's arched over the lounge table, taking Daniel's tongue and teasing fingers from behind and Pedro's rock hard cock fully into his mouth from the front. The men want to switch it up, and Marco soon turns into a moaning, hungry mass of energy when Pedro enters him. The action moves to on top of another table, where Marco – desperate for deeper and bigger – gets the double penetration of his life. It only gets better boys; in *Harry's Appraisal* new boy Harry Louis gets a lot more than he expected from boss Christian Alexander, and gives it to him, over the office furniture, just as good. *Spank*, featuring Carlos Caballero and Glenn Santoro, sees the cocky employee is soon spanked and out of his suit, before he's on his back, watching the big guy's cum erupt above him. Damien Crosse is examined by smart, no-nonsense Dr. Neil Stevens next, and a board room orgy between built, suited and booted business men Danny Starr, Bruno Torres, Roberto, Toby Park and Christian Alexander follows in *The Boss*, with an intimate and wildly intense twosome between Kurt Rogers and Jed Wilcox after that in *The Tailor*. Silver fox Christian Alexander makes another appearance – this time with Patrik in *The Barber*, where he has a quick shave and then gets fucked out of his senses on any surface that can sustain his muscular frame around the barbershop. Finally, in *Surrender*, Daniel Marvin and Pedro Andreas's late stay in the office soon leads from the usual banter to a very unexpected and invigorating fuck session.

SEX COMEDY: MIKE REYNOLDS AND HIS LAUGHING ASIANS

SMUT 'N' STUFF WITH HAYDON BRIDGE

"THE TICKLING FETISH COMMUNITY HOLD CONVENTIONS AND WHAT THEY CALL TICKLEFESTS, WHERE THEY RESERVE A PORTION OF AN HOTEL."

Here's a curious thing. Sex is often very funny. But porn isn't. I think that's because, as a friend of mine once said, you can't laugh and wank at the same time. But I defy anyone not to giggle at the porn I've been watching this past month. It shows guys being tickled. They all appear to love it. And their laughter is very infectious.

I pride myself as QXMEN's sexpert on being aware of most fetishes. But tickling is one I hadn't come across. It's not as if there's a tickling night at my local bar or, indeed, anywhere. But knismolagnia (yes, it's got a fancy scientific name) is indeed a paraphilia. And now knismolagniacs are beginning to find each other online and at so-called "gatherings." It's easy to understand how tickling can become a fetish. When my father tickled me as a kid, I laughed so much I could hardly breathe. Enjoyable/scary things like this tend to stay with us into adulthood. It's the struggle to fight off somebody stronger that can become sexualised. That said, tickling can be remembered as so scary that it's a complete turn-off for about half of us. What we have here is one of the least-understood but most fascinating human responses. Let me tell you more. Including the answer to that age old question, "Why can't we tickle ourselves?"

Tickling has fascinated people for a long time. In 1897 two different types of tickling were first identified. Knismesis is the light stimulation of our nerve endings, the type done with a feather. Most of us find this pleasurable, especially during foreplay. The other type, gargalesis, is the one that either gets us laughing hysterically or pushing the tickler away in anger. This is the most interesting type. There's no convincing explanation why only some areas of our body (underarms, ribs, the soles of our feet) produce a violent reaction when tickled. But the tickling business seems to be a useful early bonding exercise. Parents tickle children, siblings tickle each other. It was

Charles Darwin of all people who first noticed that, for it to produce an effect, tickling has to involve anticipation and surprise. And that's why we can't self-gargalate. When we flash forward a hundred years, we find the beginnings of a tickling community. It's not widespread. It's concentrated on the east coast of the US and is mostly heterosexual. Men like to make women scream by tickling them. Since 2000 there's also been a website (www.ticklingforum.com), which now claims 80,000 members. It includes a list of 155 ticklish male celebrities. You may want to know that "Mark is the most ticklish member of Take That" and that Richard Bacon has admitted, "Yes, I am very ticklish... in most places." But otherwise the site appears pretty much 100 per cent straight.

So aren't gay men into tickling? It's time to meet one who certainly is, 46-year-old Californian Mike Reynolds. He was so frustrated by the lack of provision for gay knismolagniacs that, in 2004 when he lost his government job, he moved to Hong Kong and set up a website (www.laughingAsians.com). The content

varies but revolves around Asian boys being tied to a bed and then tickled by Mike as a prelude to sex. N.B. Although we use "Asian" mainly to describe people from the Indian sub-continent, the word implies South East Asia to Americans. Mike was nearing the end of a shoot in the Philippines when I phoned him to talk tickling.

"I know that my parents tickled me when I was a child but I have very little recollection of it so I'm thinking that's not where it began," he told me. "I do remember as a child wanting to tickle and tickling my friends and this was before sexual awareness. It's almost like I was born with it."

Does he like to tickle every part of the body? "Absolutely, armpits, ribs, I get a rise out of it all. But if you're gonna ask me my favourite it's gonna be feet. That's the peak of it for me." What kind of feet does he like? "Well, of course Asian. White skin does not turn me on.

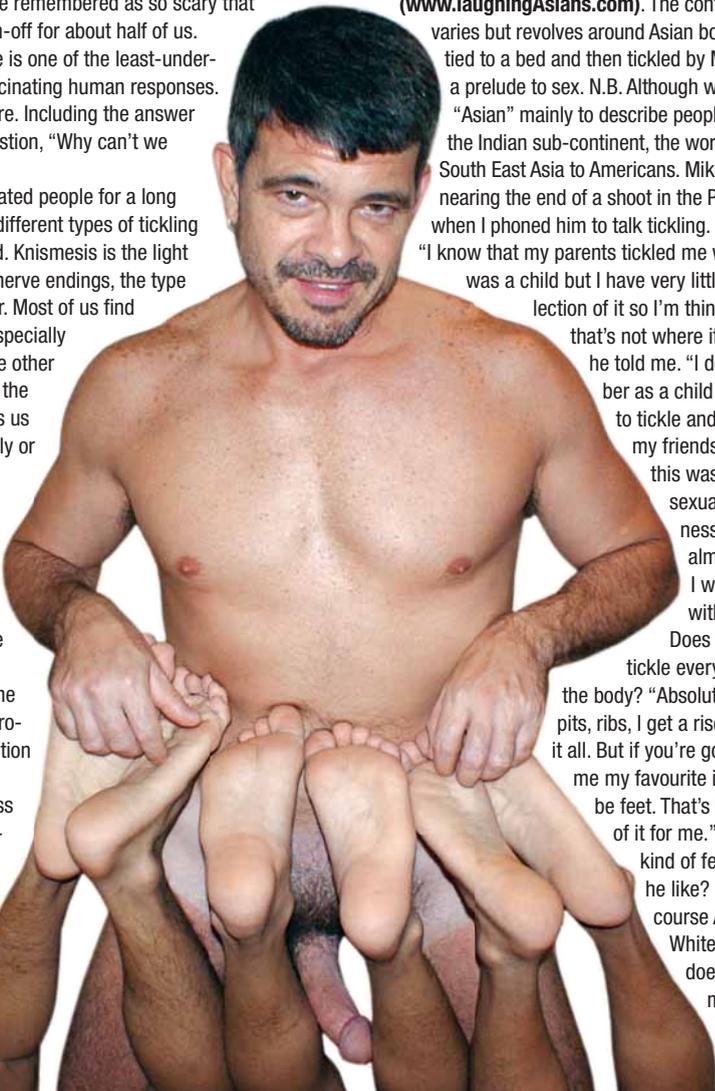

I want brown or darker coloured skin. Smooth, nicely shaped, not real big feet, not real tiny feet, but average. Round toes, not too long. Plus the smoother the sole the more it turns me on." Mike really likes to kiss and lick a guy's feet while he's fucking him.

Mike gives the impression that he was basically straight while he was secretly discovering the American tickling scene. "There are what they call gatherings in the United States. A big hub of the tickling fetish is on the east coast and they have tickling parties. The tickling fetish community hold conventions and what they call Ticklefests, where they reserve a portion of an hotel. It's really big in the straight community. I'm more of a targeted niche. Mine is about Asians, I've always had a liking for Asians. I had been buying tickle videos and I was never quite satisfied. I wasn't getting what I really wanted. I could find hardly any Asian guys getting tickled. That was one of the things that prompted me to start Laughing Asians." Are Asians particularly ticklish? "Some are and some aren't. I always had this fantasy that they were." Is he a tickler, a ticklee or both? "You know I absolutely love being tickled. But I would consider myself a tickler. Let's tickle the fuck out of this person, that's what's going on in my mind. I love the flinching. I can tell when a person's ticklish or not. When they're not faking it, that's what gives me a raging hard on."

That hard on looks as though it might be a bit too raging for Mike's cute little models (all at least 18 but generally looking much younger) to handle. "There are not many that can accommodate me," Mike agrees. "But I'm not into pain. It's a turn off and I can't perform. You know what I mean? The nice gentlemen you see on the screen is truly me because I can't hurt these guys! If I do then there goes the hard on." There are currently about 350 videos on Mike's site. Who does he most like to tickle? "Absolutely hands down one hundred per cent my partner Ricky," Mike replies. "He was the first Asian guy I ever tickled. Damn it, I really truly think he is the most ticklish model I have, right from the first day up to the last time I tickled him."

Mike met Ricky in the US and they embarked on the Laughing Asians adventure together. When you see Mike having sex, it's Ricky behind the camera, and vice versa. "We were both closeted until 2004," Mike admits. "We both had previous heterosexual relations." So have they both discovered their real selves? "In every single sense of the word discovery, yes. It's who I am now. I think it's always been deep down inside. There's nothing better than living life as who you are, openly, honestly and freely."

My first reaction on discovering Laughing Asians was that Mike had put the fun back into porn. "Well, thank you for that," he tells me. "Yeah, we do have a good time. What you see on the screen, you can tell that's not acted. The guys look at it like, 'Hey, we can make a bunch of money and have fun doing it. Why not?'"

THE RISE OF THE DADDY!

“AN INCREASING NUMBER OF YOUNGER GUYS SEEM TO BE BUZZED BY THE IDEA OF RIDING WITH DADDY.”

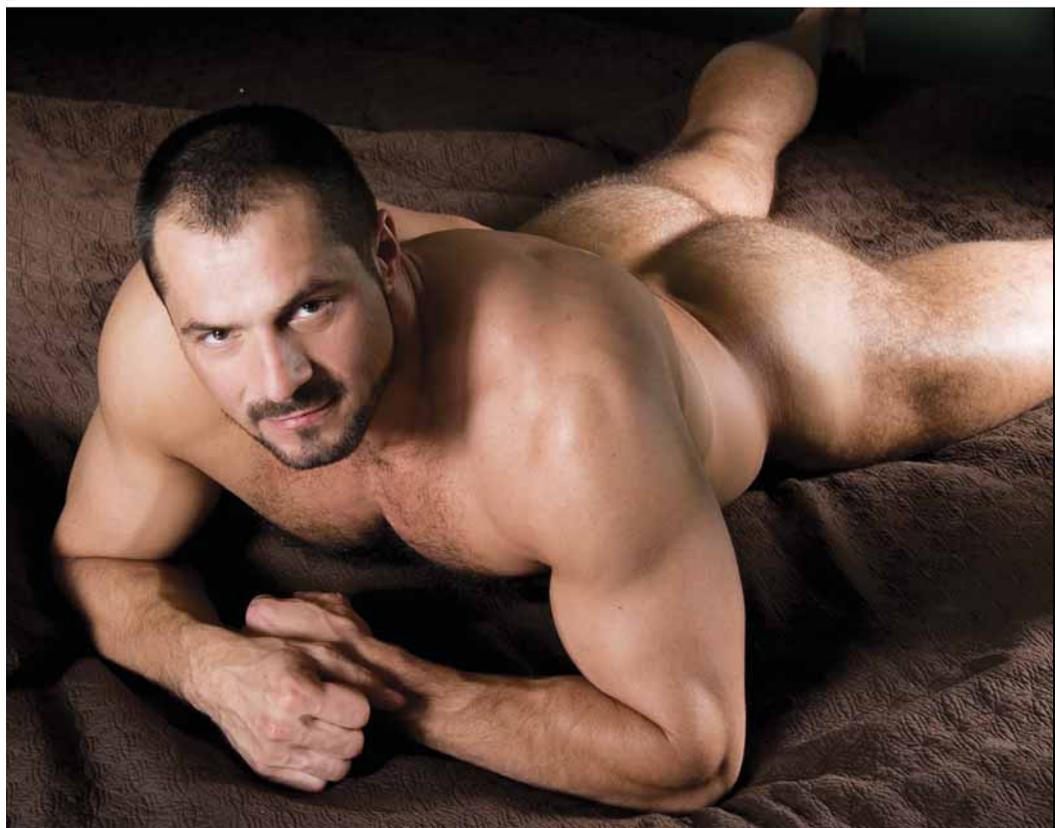

The Daddy. The man associated with strength, with experience and with the dominating attitude so many young guys crave. He is your daddy, your lover and he is going to bend you – literally – to his will. That’s if you want that that sort of thing. The rise of the Daddy is not new, but to every new generation of gay and even bisexual men, the Daddy is the one thing they often talk about trying. Daddy is here now and daddy is here to stay! They call it the Alpha Male Syndrome referring to the dominance of the pack leader, the one we respect, even fear, the leader and top dog. There’s nothing like being fucked by the power exuded by these men. This is the sexual excitement many of us crave. It can be smooth and sexy, those powerful hands sliding up and down your torso and making you tingle, but it can also be one rough fuck – dominated physically and mentally by your Daddy. Many will try and it and then move on, but an increasing number of younger guys seem to be buzzed by the idea of riding with Daddy.

The Daddy has been around since before the Romans slipped off their togas and followed the Greeks into male dominated sexual pleasure. Literature is stuffed full of top dogs and powerful male figures and the boys have always loved them. Intergenerational sex is the real litmus test of the rise of the Daddy and while

it’s never been away, it does seem to have made reappear-ance in the past decade. High definition porn makes us see the Daddy for what he is and we love it. It’s not all about younger guys submitting to a powerful and imposing daddy. Daddies also like to get fucked and America seems to be the spiritual home of the 40 plus daddy sucking 30 year old cock and moaning

like a twinkie bitch! But the real daddy, the one we find more exciting is the intergenerational sex master, the Daddy with the hairy chest, stubble and powerful physique. Talk to guys in their late teens and early 20s about Daddy sex and they might blush to hide the thought, but that bulge in the jeans says otherwise. In that period between riding with a powerful man and then staying as a bottom or moving towards versatility, we can still love the feel of dominance engendered by our daddy. For the gay porn lover it is also one of the most powerful and erotic images.

There he is, the 18, 19 or 20 year old, naked, smooth,

toned and shaking with excitement, eyes glazed with undisguised lust. He’s doggy and staring right at the camera, edgy and pressing hard down into the bed waiting for his Daddy to mount him. It’s the look in the eyes, the contortion of the head, looking back, tongue moving and waiting for the hairy man to ride his ass. This is the Daddy in action – physically bigger, hairy and muscled, sexually aggressive and with hands big enough to hold onto his boy’s waist when he rides. His boy feels his hairy chest and abs sliding over the top of his tingling, smooth ass cheeks before daddy’s anal invader claims its territory and begins its ride. Inches taller, wider, more muscular and aggressive, almost completely covering and hiding his boy when fucking doggy, the daddy figure that will take his pleasure before yours and expect you to offer your ass, mouth and mind to him. Even if you’re not into daddies, the idea of submitting to an older man can do wonders for your libido.

You don’t have to be a teen or a twink to enjoy the daddy experience. Since the emergence of ‘bears’ as gay figures in the late 1980s, older and hairy figures have been considered hot and horny. Bear nights at the

sauna have become big business and there’s always that phrase suggesting the nights are also for ‘their admirers.’ There are plenty of them. Clubs like XXL and at times The Hoist are celebrations of the bears who are really daddies to a new generation. This new generation of gay young men are discovering the joys of the Daddy, but let’s not forget the middle ages.

There are more 25-30 year olds that hunt for their daddies and Gaydar, Fitlads, Adam4Adam and Recon are awash with daddies and their eager admirers. You may be in your 40s or 50s and wondering if you’re going to be accepted at the door of FIRE, Fitladz or even KU Bar. The answer is yes and with some enthusiasm. Ignore the twinkies in pink vests who are so sweet they are almost bursting with feminine charm and concentrate on the hard bodied, fit, determined and savvy lads. They swagger and strut with that newly found confidence. They know what they want and fuck you if you think you’re going to take it from them. Then when the Daddy walks into the room they find their knees a little weaker and their resistance melting away. He is here and Daddy is the one they want and the only time they’ll be busting a load tonight will be with and for Daddy!

HEAVENS

A NEW YEAR RESOLUTION

BY TOM BERWICK

MAKE YOUR DECISIONS, AND YOUR RESOLUTIONS, ON THE BASIS OF WHO YOU REALLY ARE, NOT WHO YOU WANT TO BE.

Every year at about this time, I find myself thinking about New Year Resolutions. Sometimes I make them, and sometimes I even go so far as to write them down in the back of my diary, if only to give myself the slightly masochistic pleasure of looking at them in the summer and seeing how far short of my goals I've fallen. Because that's the problem with New Year Resolutions: they're difficult to keep.

The thing is, most New Year Resolutions aren't fun. They tend to be rather worthy things, with a strong whiff of self-improvement about them. Apparently the most common resolutions are "go to the gym more often" and "give up smoking", with "get a new job" a distant third. These, and the more obscure challenges that people set themselves ("stop eating mint-glazed caraway seeds" and "stop buying lampshades" are two improbable goals that my friends have failed to meet over recent years) are all designed to change something the resolver perceives as undesirable (a mouthful of caraway husks when they grin, an expensive obsession with light fittings). They are, if you like, "negative" resolutions. They're difficult to keep because negative resolutions start by saying that there's something bad about yourself that must be changed, and this is terrible motivation, because most of us prefer not to think badly of ourselves.

Take "going to the gym", for example. Right now, all over London there are gay men thinking to themselves "I'm too fat, and I hate the way I look, so I'm going to have one last blow-out over the holiday season, because starting in January it's an unpleasant diet and a sweaty gym for me". The regular gym-going will last for two or three weeks, then they'll celebrate losing a couple of pounds by having a huge slice of Black Forest gâteau at Patisserie Valerie on Old Compton Street, and be back where they started, only with the added misery of hating themselves not just for the way they look, but for not being able to stick to their New Year Resolution. This is a royal road to unhappiness.

Far better, surely, to look at yourself, work out who you really are and which parts of your life really make you happy, and resolve to make those even better. Most gay men hate exercise, but like looking at naked men. If your resolution is "spend more time hanging around in gym locker rooms looking at the hot-ties" you're far more likely to keep it than "exercise more", but it's a fair bet that spending more time cruising locker rooms will require a certain amount of at least pretending to work out, so you might do a bit more exercise than you otherwise would. And even if you don't, at least you've had the pleasure of admiring all those bodies in the showers. When I first arrived in London, I spent a lot of time hanging around in the showers of the

university swimming pool. My real reason for doing so was the occasional sex that would arise when a horny student stood next to me in his Speedos, but the unexpected side-effect was that my swimming improved, and I managed to learn butterfly stroke.

Resolutions should be about making your life better, which really means being truer to yourself as you really are, not forcing yourself into some mould of other people's expectations. If you love climbing, resolve to climb Everest. If you love reading trashy novels, read more trashy novels. You are who you are, so resolve to be who you are as fully and as proudly as you can.

I suppose what I'm saying is that it's better to pursue things that make you happy than aim for some puritanical ideal. A couple of weeks ago I was at a party, and had been having a pretty good time throughout the evening. I'd played around with various guys in various positions, including one very hot guy who'd fucked me hard, and I was thinking that it might be time to go. In fact, I was at the stage where I had found my clothes, and was starting to get dressed (it was one of those kinds of parties, as you probably already realised), when I saw a very cute blond guy. Kind of small, with a naughty grin. Really very cute, and he was looking at me. But it was late, and I had work the next day, so the right thing to do was to say hello and get his phone number for a future meet-up.

Of course, I didn't do the "right" thing. I did say "hello", but that led to a flirty conversation. He was a trolley dolly – sorry, I mean airline steward! – but he had a sense of humour about the job, and no qualms about playing up to the dumb blond stereotype, though he was obviously one of the smartest guys at the party. We were immediate friends, and there was an obvious sexual tension to our conversation. After a brief internal debate

I decided not to play the standoffish puritan, so rather than politely make my excuses and leave I pulled him close and kissed him. This quickly led to groping, and after a few seconds my t-shirt vanished and we found a quiet corner. I'd already cum, and so had he, so neither of us was driven by instant lust. Rather, we

discovered that we were surprisingly compatible sexually. We traded blowjobs, then I discovered that he liked to be fucked in exactly the position I most like to fuck (him sitting in my lap). We settled in for a long fuck, and, what with the occasional breaks to chat and joke and get to know each other better, we didn't cum till nearly 2.00am.

I had to be up for work the next day at 6.00am, and you have no idea how tired I was that Monday, but it was worth it. I didn't realise how worth it until we both finally left the party at about 2.30am. Would he like to meet up later in the week, I wondered.

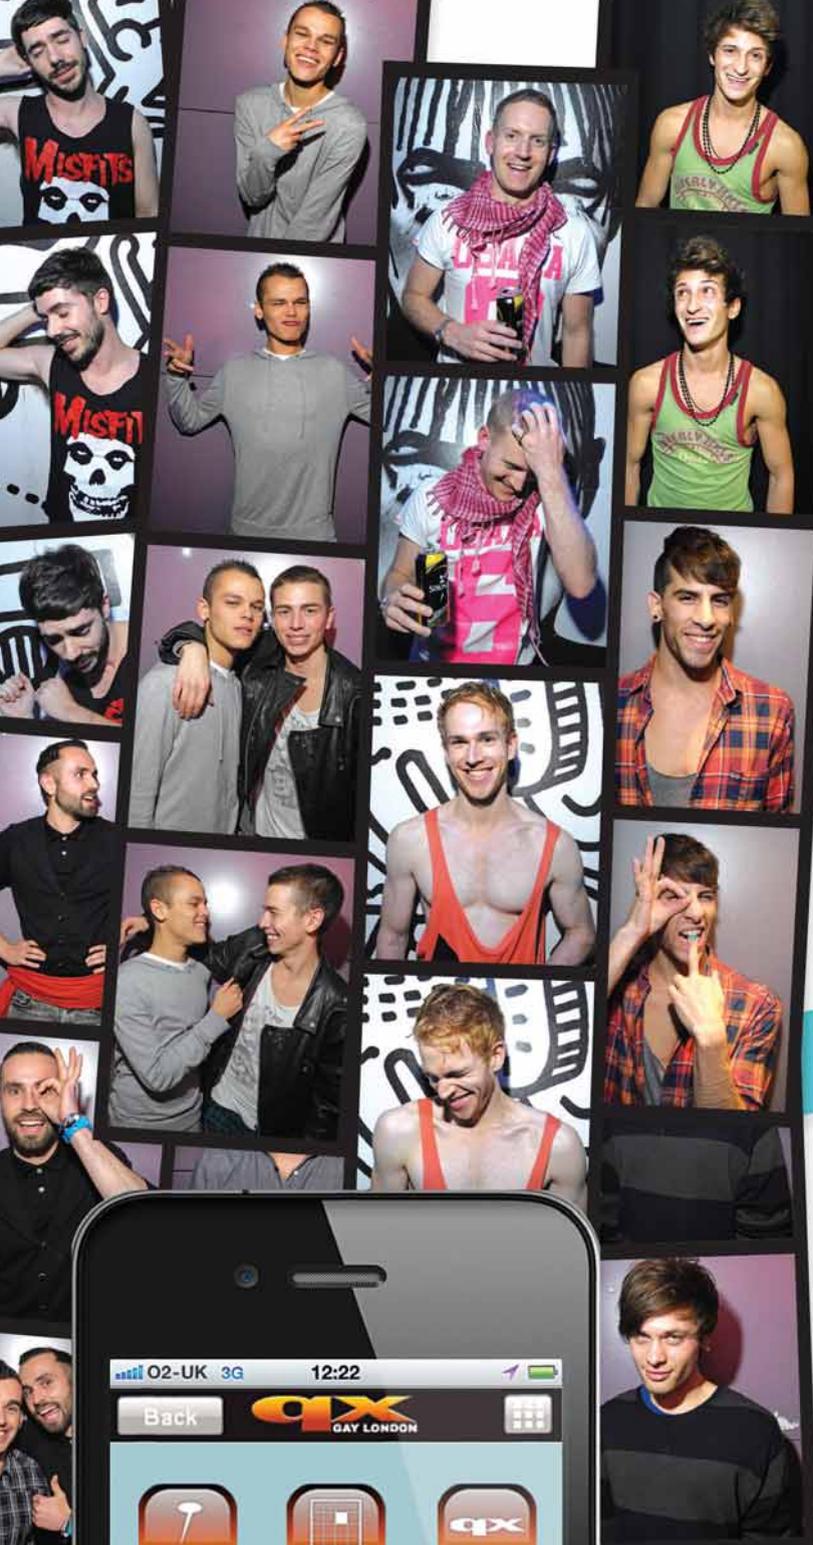

"Sorry," he said, "I can't. I'm based in Dubai, and I only did the London trip to cover for someone who was ill." "Shit," was all I could think of to say. Still, at least we'd had one really good fuck.

I'm not sure if that's really a very good example, but the point I'm making is obvious: make your decisions, and your resolutions, on the basis of who you really are, not who you want to be. Make positive resolutions, not negative ones. If you love dancing, resolve to go out to more clubs. If you love cooking, cook even more, till you're good enough to go on MasterChef. If you love being with your friends, resolve to see more of them this year. Find the Everest that makes you happy, and climb it.

Once I started thinking this way, it was suddenly easy for me to work out what my New Year Resolution would be. What do I love more than anything else? Sex, of course. So the right resolution for me is obvious: have more sex. I'm thinking that a target of a thousand men would be about right. Even if I don't get there, at least I'll have a lot of fun trying!

By the way, if you're wondering about my friends with the bizarre resolutions mentioned earlier, the good news is that both of them finally gave up trying to change, and decided to live their lives with their little quirks intact. One of them now has a boyfriend who loves minty caraway seeds as much as he does, and though they both still occasionally have caraway husks stuck in their teeth, they have the freshest breath on the gay scene. The other finally realised that he knew more about lampshades than anyone else in London, and turned it into a career as a lighting designer. If you have to make one resolution this year, make it this: be who you are!

There's a 24-year-old skinhead who's home alone and wants it. "Wanna give it to me? Cheers." Then there's Mark, 34, good-looking with blue eyes, who's just come home after a night out. "I'm feeling rather randy and am looking to get it on tonight." Or what about Jake? He's a good-looking lad with dark hair, brown eyes, strong thighs, arms and shoulders, who absolutely loves lads in trainers and sportswear. But maybe this is the one for you. He's 29, blond, good-looking and he's up for a hot date. "I wanna meet now. I'm in a hotel. Get back to me." These may sound like porn movie scenarios. But no. This is real life. All of the above are voice messages left recently on QX Chat, one of a whole bunch of phone lines that you've probably noticed at the back of

QXMEN. In last month's Raunch Pad I complained about the decline of the obscene phone call. I claimed that talking dirty over the phone has been superseded by texting and messaging dirty. It's certainly a trend. But it doesn't seem to have affected the popularity of chat lines. And that popularity is by no means in decline. Every evening there are an average one thousand guys waiting for your call to QX Chat. When you add all the chat lines together, you're talking tens of thousands of potential contacts 365 days a year. Never used the phone to get your rocks off? It can be easier than trying to contact the right person on a customer helpline. Let me take you through the process. You can make a call to QX Chat from a BT landline for as little as 5p per minute. (Visit www.qxchat.com to see a full range of services including free SMS alerts and free MMS picture sharing for mobile users). When you get through, you'll be given the opportunity to talk to guys from your area. The service covers the whole of the UK. If you want the excitement of waiting for someone to call you back, go to Mail Boxes and listen to the messages that guys have left. You can skip quickly from one to another until you hear one that floats your boat. Then you can reply to it and leave your phone number. What are you up for? Casual sex? Press 3. Darren's 35, open-minded, looking for an older bloke to have loads of fun with. "You won't be disappointed." But if the time's come for a long-term relationship, press 2. Rocco, 46, would consider one. "Being gay is just one aspect of what I'm about." Then again you might be in the mood for a horny chat. Choose "Talk to Callers." You'll get ten seconds to describe yourself and what you're into, then you can listen to messages from guys who are online now. "Hi. Ben, south coast, looking for dirty horny chat. Unshockable. Get back to me." On to the next one. "Horny geezer wants broadminded chat about life in institutions." You can either leave a message or request a 1-2-1 chat right now in which case you might find yourself suddenly talking live to the guy you liked the sound of. While I was skipping from message to message, "Tracey, gorgeous TV, likes strong, older men" tried to contact me. Well, unfortunately I had to finish this article. What's the appeal of old-fashioned voice contact? Ben, who runs several phone lines, thinks he has the

answer. "You can tell so much from a person's voice," he says. "Text and e-mail are open to misunderstanding. There's no emotion, no character. There's so much more communication when you talk to someone. Your judgment is based on real human interaction." (Horny chat might be enough for you, but sometimes you might want to meet the man at the end of the line face-to-face. Please heed the warning in the short QX Chat preamble and tell a friend where you're going). A more traditional way of hooking up is by using QXMEN's Queer Contacts pages. They're like the Lonely Hearts ads of old except that nowadays the initial contact is done by phone. You ring one number to place a free ad. If you want to reply to an ad, you ring another number, then tap in an individual box number to leave a message. Right now I'm looking at the usual double-page spread of Queer Contacts and all human gay life seems to be there. There's everyone from a 24-year-old in Glasgow to a 72-year-old in North London. There are white, black and Asian guys, TVs, scallies, city gents and couples. An honest, affectionate M, 29, wants an intimate, loving relationship. But others want everything from "caning and the slipper", through leather and rubber to "farts, brown and yellow fun." How many of these advertisers get what they want? There was only one way to find out. I called half a dozen guys and asked them to ring me if they'd like to talk about their experiences. A couple of people phoned back. I had a good chat with Garrett, 27, from Welwyn Garden City, Herts., who likes to film his sex sessions and then have sex again when he plays them back. He's used Queer Contacts for a long time. "It's very specific what I like," he told me. "There's not much chance of meeting someone else who's into the same thing unless I advertise." What's the response been like? "This last time, it's been fantastic. I got a call from a guy who lives nowhere near me, down in Bournemouth. But we were on the phone for about an hour because he's got a camera as well and he does the same thing I do. "He told me to go on to his Facebook page. As soon as I saw his photo I said, 'We've got to meet.' He's older than me but so fit I couldn't believe it." Did they have sex over the phone? "I told him I had my cock out. He said, 'So have I.' So we're both wanking and I lasted about 30 seconds because I was looking at his picture.

ALESSIO ROMERO

ALESSIO ROMERO HAS BEEN ON OUR WISH LIST FOR SOME TIME NOW. SO WHEN OUR FRIENDS AT RAGING STALLION STUDIOS GAVE US THE OPPORTUNITY TO INTERVIEW HIM, WE JUMPED AT THE CHANCE...

" I FEEL I AM GETTING OLDER, WISER AND SEXIER."

Sorry, we know it's rude to ask but how old are you?

Not rude at all! I am not one of those guys that lie about their age. With me, what you see is what you get. I am 37. As getting older, there have been the best years of my Life. I feel I am getting older, wiser and sexier.

Where were you born and raised, and where do you live now?

I was born and raised in Mexico City and I currently live between Los Angeles and San Francisco.

What did you do before you started working in the porn industry?

I worked in the Advertising Industry.

And how did you get into the business?

I decided I really wanted to do the work, so I applied online to the major studios and shortly after they were calling me to work.

What was your first movie?

Green Door by Falcon studios with the amazing co-star Samuel Colt.

Were you nervous doing your first scene?

I was so fucking nervous but my Directors Steve Cruz and Leif Gobo were very supportive. The first 45 minutes I was shaking like a leaf. Then I just focused on having great sex with Samuel Colt and it all became easier.

Are you top, bottom or versatile?

Versatile Pig.

Who's the hottest TOP in the industry?

Spencer Reed.

And the hottest BOTTOM?

Chris Porter.

What's your favourite position?

All positions. Flip Fucking.

So what really turns Alessio Romero on?

Muscle, Fur, Sweat, Man Scent, Masculinity, Leather, Spitting, Kissing, Rough Sex.

Do you prefer hairy or smooth guys?

Hairy.

If you had the chance to direct a scene and cast the other performers, who would you choose and

what would happen?

Alessio Romero, Samuel Colt, Conner Habib, Spencer Reed, Josh West and Heath Jordan all fucking Chris Porter... He loves multiple cocks.

You've worked with pretty much all the major U.S. studios... What can we look forward to next?

A Falcon new release in January, Lucas Entertainment - I have two movies in February, Kink.com naked combat and Titan Media movie in January. It should be a great start to the New Year!

What do you do to relax?

Kick around the house, relax and take naps.

We love your tattoos. What does the writing wrapped around your arm say?

Thank you. Most of my tattoos on my arm is part of my four years of Sobriety Serenity prayer in Latin around my arm, the Eagle represents myself holding the a key of kingdom, the way of life.

Do you have a boyfriend?

I am Single

Do you get recognised in the street?

Sometimes... And when it happen it's really nice to go and introduce myself and shake their hand.

If the world were to end tomorrow what would you rush out and do?

Spend time with my family and friends while eating bacon donuts.

Do you have any words of advice for guys looking to get into the industry?

Apply to major studios, hit the gym daily, eat well, be the best of what you can be and the key is to be always yourself with everybody. No BS. I have to tell you, I have been blessed to encounter many, many beautiful people in the industry. I have had the best time ever and even lucky enough to have found two new amazing friends Samuel Colt and Chris Porter.

Do you plan to visit London any time soon?

I am fucking crazy to go there!! I would love to go this 2011 for sure maybe for HustlaBall and make some hot porn while I am there.

Finally Alessio, describe yourself in three words.

Sexy, Sober, Nastypig.

THE BUSIEST CHAT SERVICE IN THE UK

CHECK OUT WHY WE HAVE GIVEN YOU THREE NUMBERS INTO ONE SERVICE

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
