WE'RE STILL IN THE MIDST OF WINTER AND IF THE WEATHER OUTSIDE ISN'T COLD ENOUGH TO FREEZE YOUR BOLLOCKS CLEAN OFF, THEN IT'S DARK AND GLOOMY AND JUST DOWN RIGHT MISERABLE. SO WE'RE SURE THAT THIS MONTH'S MAGAZINE, FULL OF SEXY GUYS WITH BIG COCKS AND BUMS YOU COULD SINK YOUR TEETH INTO, WILL BRIGHTEN UP YOUR MONTH AS WE EDGE SLOWLY TOWARDS SPRING.

THIS month's R18 movies

certainly brightened up our mood and we so wanted to be Shane Frost in Hot House Video's **Pack Attack 5: Shane Frost**. He takes on five hung leather top guys and, although some would say he lost, in my eyes he's a winner! Another guy who took on a bunch of top guys was newcomer and insatiable bottom Dylan Hauser in Chi Chi LaRue's **Black Balled 8: Behind The Eight Ball**. And you gotta hand it to him as he took on double the amount of guys that Shane did. Dylan took on - and got fucked by - ten hung black studs! Talk about 'potting the black' eh! Raging Stallion Studio's costume department had a field day when they worked on **Cowboys Parts 1 & 2**, decking out the stars in cowboy boots and Stetsons. Although the clothes don't stay on for long when the guys start to fuck. We watched Lucas Entertainment's hilarious and oh-so horny, award-winning movie **The Intern** on www.QXMEN.tv, while at the other end of the spectrum, we catch up with the hunks from Trojan Rock's Toolbox who are getting **Huge Rewards** for all their hard work. And last,

but by no means least, there's a new DreamBoy movie out! Called **CountryBoy**, it follows the antics of young blond Aussie Joe Bondi and shows us that those young 'uns can fuck just as good as any man!

You may have read in the papers last month that the UK's Obscene Publications Act might need a major rethink after a jury rejected claims that certain gay porn that depicts legal acts between consenting adults were not capable of 'corrupting and depraving' others, and acquitted Michael Peacock of that very charge. Well QXMEN Magazine has Michael's only interview to the gay press, so you can hear his side of the story. QXMEN's resident sexpert, the lovely Hayden Bridge, also interviewed Jim Stewart, the man who popularised bondage and sexual fetishism in the 70s and founded Fetters, the company that The Guardian refers to as 'the Savile Row of S&M outfitters!'

We hear from the man whose mission it was to sleep with 1,000 men in 2011, and somewhere where you might just be able to have sex

## THEYFIT CONDOMS - BETTER FIT, BETTER SEX

**IT'S a fact that no two cocks are the same. Yet we're expected to make do with just a very small size range of condoms that are either too tight or too baggy.**

WELL, that is until now, as a company called TheyFit has launched a revolutionary range of custom fit condoms in no less than 95 sizes! Ninety-five sizes though! Even we thought that was going a little bit overboard. But just 96 hours after launching the range on December 7th,

TheyFit announced that every length and every width condom in the range of 95 sizes had been ordered at least once!

Joe Nelson, self-titled Condom Revolutionary, described the milestone as a real achievement. "This reinforces my belief that men were desperate for a better fitting condom. Many in the industry thought we were crazy for offering so many sizes, but I always believed that if you are going to maximise comfort and ultimately pleasure,

you have to invest the time and effort into as big a range as possible. This way compromise is minimised, pleasure and enjoyment are maximised. That we have sold every length and every width so soon after the launch is proof positive that our unique approach to condom manufacture is not only sensible but also hugely popular. Remember,

condoms were originally invented as custom fit items so in many way we are returning to these original principles". So to finally discover what your own personal condom size is, go to [www.TheyFit.co.uk](http://www.TheyFit.co.uk), download a FitKit and follow the instructions. Alternatively, you can use the pre-printed FitKit that's in this month's QXMEN.

# CONDOM REVOLUTIONARY HAS

# BIG IDEA

In December a British condom company launched a revolutionary range of custom fit jonnies in London last month – we caught up with founder **Joe Nelson** to get the... skinny.. on the biggest change to safe sex for decades (ed note – please excuse all puns).

A 'Condom Revolutionary' is an unusual way to describe someone but it certainly fits the bill here. Nelson explains how his company is founded "...on a breathtakingly simple concept. We have custom fit for clothes and shoes because we all come in different shapes and sizes. So taking time to fit those things correctly makes them comfortable and enjoyable to wear. I just apply the same principle to something where comfort and pleasure is even more critical – sex".

It seems the young Welshman may be onto something – within 72 hours of launching his range of 95 condom sizes every length and every width had been ordered at least once. "It was quite remarkable – our research told us that the demand was out there, but such a response still took me by surprise. For so long many guys have suffered condoms that are either too big or too small – no

wonder they didn't want to wear them. A condom that is too big will roll up at the base or in the worst case fall off. One that's too small will be tight and grip on like an elastic band. Neither of those sensations are good when it comes to enjoying yourself!".

With such a big selection of sizes you might wonder how the company handles any embarrassment those less endowed men might feel. Nelson explains "men use our fitting kit to find out which size they are. It takes two measurements – letters for length and numbers for girth - but the result is a random code like B88 or S17 with no direct link between the codes. We don't use labels like small, medium and large" before adding "quite frankly, men are remarkably honest with us because the whole process takes place online – no more embarrassment buying condoms in the supermarket or chemist".

Nelson continues "research indicated that men wanted better choice when it came to using a condom that fitted – in fact as recently as 2010 a survey highlighted that 45% of men complained that a normal one-size-fits-all condom didn't fit them properly. That article was the most read and most shared story on the BBC News website for nearly 48 hours... Outside of the snigger factor there is a really serious angle to our story. The World Health Organisation tells us that every single day, one million people contract a new sexually transmitted disease. Nearly all of those could be prevented by using a condom. TheyFit now offer condoms that fit so well that men actually want to use them – imagine! If I can encourage men to change their behaviour when it comes to safer sex, we can start to make a positive impact on these awful statistics".

And the crucial question: how does Nelson himself measure up? He answers with a smile "I had problems with normal condoms, but I'm not saying if they were too big or too small. I can tell you – I'm VERY happy now though..".

## PACK ATTACK 5 : SHANE FROST

<b>Studio:</b> Hot House Video	<b>Starring:</b> Cole Streets, Preston Steel, Shane Frost, Shay Michaels,
<b>Directed by:</b> Christian Owen	Spencer Reed, Trevor Knight.
Available from Prowler, Expectations, White Tiger and all good DVD stockists.	

**HOT House Video serves up another dungeon gangbang fantasy with Pack Attack 5: Shane Frost. Shane's the caged puppy in need of obedience training, and he takes on five leather-clad power-tops who teach him how to take it up the arse and down the throat. With all these hot, hung top guys there's enough cock and muscle here to tame a whole kennel of pups!**

THE men stand around jacking off, teasing Shane Frost, who pounds on the bars of his cage; he wants to be in the middle of the pack, sucking dick. Spencer Reed drags the horny pup (complete with a dog-tail butt plug!) out of his cage and the men shove their hard cocks down his throat. Like a good doggy Shane works his way around the circle of meat, slobbering as he swallows every cock to the base. Shane's appetite for cock is insatiable and in a virtual feeding-frenzy, he greedily sucks two dicks at a time while the pack smacks his rosy arse cheeks, preparing him for what lies ahead. Trevor Knight is the first top to shoot his load all over Shane, and following his lead all of the men stroke their hard cocks and shoot, soaking Shane in puddles of thick cum... and it's only the end of Scene 2. This Pack is out of control!

Next Spencer Reed makes a power-play by locking the other guys in a cage so he can play with puppy Shane all by himself. He chains the pup and parades him in front of the captive pack, but once he releases the rest of the guys, the sex-crazed leather men throw Shane in a sling and take turns burying their dicks in his arse and plugging his mouth. And as they say, 'every hole's a goal'.

The rowdy cock sucking and arse fucking soon brings all of the top men to the edge and they surround Shane and jerk their hot loads all over his back while he barks like a happy puppy. If you have a gangbang fantasy, you must get this DVD! You'll wish you were the puppy who's the centre of attention of all these hot leather-clad top guys.

## BLACK BALLED 8: BEHIND THE EIGHT BALL

<b>Studio:</b> All Worlds Video	<b>Starring:</b> HotRod, Tokyo, Scott Alexander, Robert Anthony,
<b>Directed by:</b> Chi Chi LaRue	Dylan Hauser, Lawson Kane, Aron Ridge, Jonny Rock, Trey Turner,
	Angyl Valentino, Sean XL..
Available from Prowler, Expectations, White Tiger and all good DVD stockists.	

**IT'S Chi Chi LaRue's latest hot episode in the Black Balled series and we're at number eight! Entitled Behind The Eight Ball it's no real surprise that the action takes place on and around a pool table in a bar. This time around, lucky white puppy, newcomer and insatiable bottom, Dylan Hauser is the centre of attention of ten black, big dicked men who gang bang him plugging both his holes!**

A drunken Dylan stumbles into a bar and orders a drink. Looking round the bar he notices that everyone is staring at him, and then realises that he's the only white guy! Soon, like a pack of hungry wolves, the ten hot black studs surround Dylan and lead him to the pool table where they strip him naked and feed him their cocks. At this point we must tell you that, while all ten black guys are hung, a few of them fall into the 'holy shit' category! Some may call him brave while others might say he's stupid but next thing Dylan says is that he wants to take all of their black cocks!

Next he's on his knees and one by one the black guys fuck him in his mouth, giving him a taster of what's to come. Then comes the ball-busting action that we've been waiting for, and we guarantee that you will shoot your load watching this! Bent over the pool table, Dylan takes all ten huge black cocks, asking for more each time one top guy has finished. Watching one big black cock after another pummel Dylan's muscled white butt is porn movie gold. In addition to the arse pounding Dylan receives from the ebony studs, he has a mind-blowing intimate moment with a pool cue, which is not to be missed!

If interracial gangbangs float your boat - actually you don't even need to be into interracial porn, you just need to love good porn - then you'll love Black Balled 8: Behind The Eight Ball... We did!

# COUNTRYBOY

<b>Studio:</b> Eurocreme	<b>Starring:</b> Joe Bondi, Damion Harrison, Luke Desmond, Reece Ryder,
<b>Directed by:</b> Max Lincoln	JP Dubois, Freddie White.
Available to buy at <a href="http://www.eurocreme.com">www.eurocreme.com</a> or watch high quality streaming at <a href="http://www.Eurocreme.tv">www.Eurocreme.tv</a>	

**THOSE** gorgeous twinks are back in another hot-as-hell DreamBoy production. This time around we're introduced to stunning blond Aussie Joe Bondi as he gives us a tour of his deepest darkest fantasies.

STRIPPING off in the blinding sunshine, milky white Damion shows blond beauty Joe that you don't have to be tanned to be sexy. The contrast between Joe's dark tanned body and Damion's milky white skin is outstanding and watching Joe, with his legs spread wide, getting his first taste of British cock will make you shoot your load.

Exploring the English countryside, Joe Bondi comes across dark haired, pale skinned Luke taking a break from his campsite, leaning against a tree and playing with his growing bulge. Joe watches from behind some bushes, playing with his cock as Luke peels off his boxers. And soon he's next to Luke, bent over and sucking on his impressive cock before taking the full length up his tight Aussie hole.

Next we meet fresh faced office lad Reece Ryder and removal boy JP. Before we know it, JP's big thick dick is fucking Reece's mouth, and worshipping that dick as if it's the first he's ever sucked, we're given a slow close-up of this indulgent oral workout. Turning JP over and getting deep into his smooth hole, Reece spits and licks JP's pink hole before lubing up and then slowly easing himself in.

Gorgeous twink Reece is back in the next scene and on top form as he and buff young Freddie have a night in front of the telly. Flicking on whatever's in the DVD player, a hot three-way is in full swing, much to the delight and embarrassment of these horny young fuckers! Slowly getting more and more turned on, hands start roaming and soon Reece is working his magic and Freddie's fucking him right there on the sofa! In the final scene, blond Aussie twink Joe has one more treat in store for us - one of the hottest solos we've seen for long time. Watching him finger his tight hole and wanking his cock until he's spurting his boy juice over his tanned torso is pure porn gold!

## TROJAN'S TOOLBOX: HUGE REWARDS

<b>Studio:</b> A Toolbox Production	<b>Starring:</b> Gio Cruz, Valentin Alsina, Ben Brown, Issac Jones, Mark Summers, Bruno Knight, Harley Everett, Dolan Wolfe.
<b>Directed by</b> Maxwell B.	
Available to buy at <a href="http://www.eurocreme.com">www.eurocreme.com</a> or watch high quality streaming at <a href="http://www.Eurocreme.tv">www.Eurocreme.tv</a>	

**IT'S another chance to see Trojan's beefy workmen in action and this time round the sexy bruisers are being rewarded by Trojan for all their hard work. What's their reward, we hear you ask? A slow and sensual massage... With all the extras, of course!**

WE'RE straight into the action as ripped muscle masseur Valentin Alsina wastes no time and heads straight to Driller's bubble butt, barely paying any attention to his client's overworked muscles. Easing Driller's hole wide with two fingers, Valentin spits on it and licks it before pulling Driller's cock out from beneath him and worships the massive tool. Then, hungry for cock, Valentin gently eases Driller's huge cock inside himself and rides it until the muscle men cover themselves in spunk. Sexy Frenchman, Issac Jones is giving hairy muscle cub Spanner (Ben Brown) a massage. Issac starts rubbing and easing the tension from Spanner's broad back, but is distracted by the sight of Spanner's wriggling hairy hole. Fingering it while Spanner moans gently, Spanner removes Issac's trousers and sucks long and hard on his massive uncut cock. Both men take it in turns to eat each other's hairy holes and huge cocks, before Isaac gives Spanner the fuck of his life! Starting work on Hammer's (Bruno Knight) huge muscled hairy legs, Mark the masseur's cock starts to get hard. Moving round to rub Hammer's back, he pushes his meaty tool against Hammer's shaved head, and feeling it against him, Hammer pulls it out from Mark's work overalls. Soon the guys are eating each other's cocks and hairy arses before Hammer slams his hot cock up Mark's puckered hole. Wrench (Harley Everett) failed to impress his boss Trojan Rock with his tiny profit margin so, unlike the rest of the workers, he has to massage the masseur, hairy stud Dolan Wolfe! Wrench seems to be getting off on Dolan's totally hairy bubble butt, and soon these two rough hunks are into each other in a big way. Wrench slams his huge uncut cock into Dolan's waiting mouth before moving onto Dolan's hairy arse to eat him out with gusto! Dolan shoots his cum all over his belly then deep throats Harley to a mouth watering climax!

**LUCAS ENTERTAINMENT exclusive Ben Andrews stars in the sex comedy The Intern, where Botox-injecting bosses (Michael Lucas) stars alongside sassy assistant Christian Cruz and beefy delivery man Matt Cole.**

WITH his totally uncool attire and wide-rimmed glasses, nerdy Benny (Lucas Exclusive Ben Andrews) makes his way through the busy streets of New York City to the office of gay porn company Trojan Studios, where he wants to apply in person for an internship. Ben is mistakenly herded into a porn star casting call conducted by super-diva boss Alexander Mann (Michael Lucas) when all he really came for was the office internship. Sassy assistant Christian Cruz apologises for the mix-up and hires Benny on the spot. On his first day, Benny is sent on a porn shoot where Alexander directs the cheesy dialogue and hot sex, which features the two models sucking each other's huge dicks, flip-flop fucking, and taking on a huge black double-headed dildo. During the filming, Christian is shocked to notice a giant bulge forming in Ben's pants. Back in the company stockroom, two beefy straight dudes (Jimmy and Zack Randall) are busy talking pussy while stacking boxes of Liquid Spanish Fly. Jimmy's big uncut member drills Zack on the table top, and Zack discovers a talent for sucking his own dick while sucking Jimmy's at the same time. The office gets a huge box delivered by hunky delivery guy Massimo (Matt Cole). Massimo sticks around for the signature and reveals to Alexander his ambition to be a porn star. Alexander auditions him on the office table with a heavy suck and fuck session that includes a helicopter spin. They negotiate an exclusive model contract right before their nuts burst in orgasm. Next Alexander has a chat with Benny before casting him in his first scene as Ben Hardwick and he crew is in shock as Ben uses his tool to give Derrick a good drilling... And a new porn super-stud is born!

A scorching hot three-way between Tom Wolfe, Parker Perry and Aybars sees Parker getting two cocks in his mouth before getting spit-roasted with Aybars fucking his mouth while Tom pummels his hairy arse from behind. This cowboy three-way ends in a trio of cum shots that you won't forget in a hurry!

Another outstanding three-way stars Colby Keller, Chris Porter and Tommy Defendi, and boy, gorgeous young Chris sure is maturing into quite a handsome young man. He first goes back and forth between the two huge cocks, sucking each one over and over, before taking one in his arse and one in the mouth.

The delicious Jesse Santana - who's fast becoming serious hot property in the porn world - stars in two scenes, and his second with Lawson Kane made us sit up and pay attention. After a long day on the range, clothes start to fly off and Jesse can't wait to suck on what might be the biggest dick in porn. He opens up wide and slurps down on the humongous cock, before Lawson flips him round and eats out his perfect arse. Jesse rides the massive cock, his hole swallowing up Lawson's entire shaft. And once they're done, both guys can hardly stand up!

# PRISONER AND ESCORT

**IN FUTURE DVDS FEATURING WATERSPORTS, "RAPE", "TORTURE" AND FISTING UP TO THE ELBOW MAY HAVE TO BE PASSED BY THE BOARD. THIS IS ALL BECAUSE OF MICHAEL, WHO HAS MADE LEGAL HISTORY THAT WILL NOW BE CITED ALONG WITH THE LADY CHATTERLEY CASE OF 1960, THE OZ CASE OF 1971, AND THE INSIDE LINDA LOVELACE CASE OF 1976.**

→ IN certain circles Sleazy Michael has been a star for years. No matter where you went on the London gay scene, it seemed he'd got there first. He cut a highly distinctive figure, stick thin in luminous Lycra that a man half his age (he's 53) would think twice about wearing. There he was, on snogging terms with every drag queen and door whore in the business, jumping on stage to strip naked and pull metres of bicycle chain out of his arse, and drinking the regulars under the table until chucking out time. His back story was quite well-known. Married with children, he'd come out aged 46, and wanted to make up for every gay minute he'd lost. Some people would hide their faces as soon as they saw him coming. But I found his completely genuine joie de vivre irresistible. He was a Technicolor person in a black-and-white world. He personified the word "gay" in all its meanings and, yes, that includes naff. I just wondered how on earth he found time to hold down his day job as an escort. But he did and he was very popular, so popular that in 2007 he won an award (a winged, golden phallus) as Male Sex Worker of the Year. In January, however, Sleazy Michael found honest-to-God, real McCoy fame. He got himself into the quality press and Radio 4 and he turned up all over the Internet, grinning and raising his fist in triumph. He'd beaten the system. How? *The Observer* headline said it all: "Gay pornography verdict puts obscenity law's future in doubt." What had happened

is that Sleazy Michael, real name Michael Peacock, had been caught, in a sting operation, selling gay porn DVDs in contravention of the Obscene Publications Act (OPA) 1959. If he'd pleaded guilty to the charges, the case wouldn't have gone to trial and probably wouldn't have even made the papers. But Michael pleaded not guilty and the jury took only two hours to acquit him. This verdict may result in the repeal of the OPA and will almost certainly result in the British Board of Film Classification revising its guidelines. In future DVDs featuring watersports, "rape", "torture" and fisting up to the elbow may have to be passed by the Board. This is all because of Michael, who has made legal history that will now be cited along with the *Lady Chatterley* case of 1960, the *Oz* case of 1971, and the *Inside Linda*

*Lovelace* case of 1976. Michael's case is particularly significant because for the first time a not guilty verdict was returned for the "publication" of gay materials. We'll be hearing from Michael again, in chat shows and documentaries. But you read the whole story here first.

A couple of days after the trial, Michael comes to the door of his London flat, "just 14 minutes from Victoria by train" (as he tells clients), wearing a dressing gown he has thrown on and almost missed. He was up most of last night replying to hundreds of messages of support from Facebook friends. For some time he bustles about the place, making coffee, smoking cigars, making calls to the media, taking them from clients, and showing me his favourite porn film, *Cadinoth's Harem* ("I've always said that if I was on a desert island and could only have one DVD it would be this.") Compared to the stuff for which he was prosecuted, it's *Mary Poppins*. Somewhat disarmingly Michael is Michael even when he's describing a legal system that could have made him an Oscar Wilde-type martyr. What happened when he was taken in for questioning? "I thought I love all these men in uniform!" How did he dress for court? "Every day I was wearing my brightest outfits. My legal team didn't even bother to ask if I was going to wear a suit. In fact the vice squad were taking bets on what I was going to wear each day." Did he ever think, while people were giving evidence, this is ludicrous? "People had to try and keep a straight face when the judge referred to *Fist Pack 5*. Believe it or not I thought, well, I hope this is a once in a lifetime experience, but I really enjoyed it!"

Michael enjoys everything he does but he enjoys his work as an escort most of all. Naturally he's in it for the money ("The judge kept mentioning sleazymichael.com because my website was an integral part of the case. I thought...if I win, it could do wonders for my business.") But he goes out of his way to provide a de luxe service ("I do something unique, a client loyalty card, so every time you have a session you get 25 loyalty points. After four sessions you get a free hour. As they say - every little helps!") In the summer of 2007 a client asked him if he had any DVDs for sale. Michael went to Amsterdam and bought thirty for 2.50 each. The client bought twenty of them. "I made about £170 profit", Michael says proudly. "When I see an opportunity I grab it. It was a handy supplement to my income as a male escort. I said to my website designer, 'Could you add a page for DVDs?'" By the time he was arrested just over two years later, Michael was offering 2,157 titles. Most of them were cheaper versions of stuff in licensed sex shops. But a tiny minority ("3.6%") featured allegedly "obscene articles." After a test purchase made by an undercover cop, SCD9, which includes the Metropolitan Police's old Clubs and Vice Squad, reckoned that charges could be brought under the OPA. Half an hour after a second test purchase, seven cops raided Michael's flat.

"They came armed with handcuffs but PC Paul Mathewson said they could tell straight away that I was going to be co-operative. They spent about an hour in the flat asking me questions and then said we're going to have to take you to Charing Cross for interview. They subsequently had to bring back a much larger van to collect all the material. There was so much of it. They even took my VHS porn collection. Within weeks - I'll give the police full credit - they returned a lot of material which wasn't related including my Erotic Awards trophy - 'We weren't sure what you were going to do with it when we entered the flat!'"

We all know what we're supposed to say when we're arrested - "No comment." But because Michael claims he's never had anything to hide (well, apart from the years when he was married and watching gay porn in secret), he answered every question. "As it turned out it paid dividends", Michael reveals. "I was arrested on December 14th 2009. The trial was postponed twice in 2011. So if I'd have said, 'no comment, no comment', a lot of the questions asked by the prosecution, I would have replied, 'I'm sorry, I can't remember.' But as it was we had a full transcript of the interview read out by the jury." The trial got off to a good start when even the prosecution acknowledged to the jury that Michael had been completely open, frank and honest.

"Early on I had to make a decision about how I was going to plead. 80% of me said I

A triumphant Michael Peacock (centre) and supporters outside Southwark Crown Court.

want to defend this, but there was 20% holding me back because of being married", Michael confesses. "My wife always said, if there was some scandal about me being a male prostitute, the last thing she'd want is people turning up at her door." Needing guidance, Michael contacted the International Union of Sex Workers and was told to call Nigel Richardson, senior partner at Hodge, Jones and Allen. "I didn't question it and it was the best advice I ever had", Michael says. Having done most of the preparation, Richardson then handed the case to a junior, on this occasion another shrewd move. "[Nigel] said, 'The reason I want Sandra Paul is because she's a woman and that will have a definite impact on the jury.' And when I met her - she's got a terrific personality, she's a no nonsense woman. When she viewed the material, what was funny was that nothing fazed her. The only thing she found distasteful was the spitting." Michael was brought to Southwark Crown Court charged with publishing six obscene DVDs liable to "deprave and corrupt." You'll want the titles so here they are: *Dirty Raw Bastards*, *Freaks 2 & 3*, *Fist Pack 5 - Anal Tap*, *Fist Pack 6 - Can Openers*, *Impressive Impacts* and *HM-T2D*. The last two titles were the most contentious. In Michael's opinion *Impressive Impacts* is Cazzo's best film. "I like that film because it has so many different elements in it", he says. But one of the elements is a guy having his scrotum - filled with saline - punched. *HM-T2D* depicts "very hardcore S&M" even by Michael's standards. There were discussions about whether to plead guilty on just those two titles. It was feared that they'd be too much for the average jury. But Michael decided to throw caution to the wind. "From when I started this business I never felt that I was in any way going to deprave and corrupt my customers. They all made clear the material they wanted to view and, bar the 5% that weren't personal callers, they all had the opportunity to view the material on a 46" screen TV. I said what's the point of me running this service if you buy blindly, go home and say this is a load of crap? One of the things the prosecution spent a lot of time on was the 5% that didn't come to view. I said, 'We had a telephone conversation. They knew what they wanted, they wanted specific titles, or from a specific studio, or a specific genre.'

"I did not feel I'd done anything wrong because there was nothing depicted in any of those 2000 films that I didn't feel comfortable with. All the acts portrayed in the six contentious DVDs I have experienced myself. If you asked me for anything with shit in, anything with animals or anything underage, it wasn't available. I said don't even go there."

Michael felt confident as soon as the jury had been selected - six men, six women, a good racial mix, mostly under 30. Sandra looked at Michael and indicated "fine!" There were anxious moments as the jury watched the material and an Asian woman juror covered her face in dismay. (Michael guesses that her opinion was changed by one of the male jurors. "He didn't have gay written on his head, but to me it was obvious. Do you know what I mean? When they retired he would probably have said, 'Look, this is what gay men do.'") Michael says he has huge respect for the jury. "At the end of the day it came down to those twelve people and I'm heartened that they came to the right decision." Lawyer Myles Jackman feels that the OPA, with its archaic "deprave and corrupt" test, is now unworkable. He told BBC Radio 4, "Juries are so used, as just normal members of society, to seeing explicit sexual acts portrayed on the Internet and other media. [They are] familiarised with them and the possibility that they can choose or not choose to watch them as they please and they didn't have a problem with it." Michael believes it's no accident he ended up in court fighting for a cause he believes in. "He's long gone, bless him, but my father was a great campaigner. He did things that affected change and I suppose I got some inspiration from him. Their first place where they retired was about 40 acres and there was a big battle about a bridle path going through and he managed to get it diverted. I never felt I was on a crusade but as time went on the enormity of what I could do if I was successful really hit me. I feel proud of what I've done." Will he continue to sell DVDs? "Oh yes. And there will be a limited edition box set of the six I was prosecuted for."

# LAST YEAR I HAD SEX WITH MORE THAN A THOUSAND MEN

BY TOM BERWICK

shaking hands. Fucking, on the other hand, seemed to me to be rather too high as a benchmark, though of course it would certainly count as sex for record purposes. In the end I settled on “one or more of sucking, fucking, rimming or fingering”, with the proviso that sucking had to be enthusiastic – no perfunctory bobbing up and down, it had to be the real thing. Oh, and no repeats, of course: it had to be a new guy every time.

Although I started off pretty well, I didn't make steady progress towards my goal. Pressure of work knocked me out of circulation in May and again in October, and although there were days like 23rd July (21 men in 24 hours of clubs and parties), there

were other days when nothing happened at all, and I fell badly behind. I went into the last quarter seriously worried that I might not make it. In November, though, I really put my back into it, and in my memory the month is a blur of parties, hook-ups, darkrooms and saunas. As I think I said last issue, I was still behind target at the start of December, but the goal was in sight, and seemed just about attainable. Fortunately, the holiday season was good to me, and by Christmas I was tentatively optimistic. I've forgotten a lot of the men I had sex with, but I won't forget Number One Thousand. It was two days before New Year, and I was back in the sauna I'd started the year in. When I arrived I wasn't sure if I was going to reach one thousand in that visit or not, but I got lucky, and it seemed like no time before I was wiping Mr 999's cum off my chest. I was just about to head to the bar for a quick drink when I realised I was being cruised. I looked at him, and he looked at me. He was shorter than me, cute, with dark eyes and black hair. Yes, I thought, he'd be very acceptable indeed. I went over and started chatting, and it only took a few minutes before we were in a private room.

He was sweet and horny and eager to please, and I realised that I didn't just think he was cute, I actually liked him as a person. He was Indonesian, a nationality that I hadn't covered during the year, so he checked another box for me. We didn't fuck, but we sucked and rimmed – he did both admirably well – and it didn't take long for us to reach the wiping up stage. And then I told him what I'd just done, and who he was to me. I wasn't sure how he'd react, but he just laughed and said yes, he'd love to join me for a celebratory drink, but he had to

find his friend first.

As it happens, I found his friend before he did, so by the time we met up at the bar I'd boosted my total to 1,001. Then to complete the day, after we'd finished a bottle of wine between us I got distracted by a naughty brunet on the way to the shower, so when I left my total had reached 1,002. And that was where I left it for the year. One thousand and two men.

One interesting thing I've discovered since reaching the magic 1,000 is that when I mention my achievement to people they don't always believe me. Perhaps it's that I don't look the type - I'm an ordinary-looking guy, and you could walk past me on the street and never imagine that I've had more men in one year than most people have in a lifetime. Or perhaps

it's the immensity of the number that makes it unbelievable – hell, I look at myself in the mirror sometimes and think “How did I manage that?” But the data is all right there in my spreadsheet: names (where I got them), where we did it, and little notes when we did something particularly interesting or hot. Even though not everyone believes me, I know what I did, and for the rest of my life I'll be able to look back on my *annus mirabilis* and think to myself, “I did something astonishing”.

Now here's the bit where I do my Oscar-winner's speech: I'd like to thank all of London's great sexual health organisations, particularly the staff of the local clinic I attend, who give great advice on the care and maintenance of your body, and all your (ahem!) equipment. I get regular sexual health check-ups, and if you're not already in the habit I definitely recommend it. Clinic staff are completely unshockable, and they're all in favour of sex: they just want us to play safe, as well as hot. I took their advice, and their free rubbers. Thanks to those, I tested negative for HIV at the start of the year, and again at the end of the year, more than a thousand men later.

But the people I'd really like to thank most of all are the 1,002 men I had sex with over the course of the year. Every single one was great. If you were one of them, thank you: you've been part of one of the greatest experiences of my life.

I'LL JUST LET THAT SIT THERE FOR A MOMENT. ONE THOUSAND MEN IN ONE YEAR...

**IT MAY NOT BE AN INTERNATIONAL RECORD – THERE ARE STORIES OF MEN IN THE EARLY 1980S REACHING TWO OR THREE OR EVEN FOUR THOUSAND – BUT IT'S A PRETTY GOOD SCORE. WHY DID I DO IT? WELL, YOU MAY REMEMBER THAT I WROTE A COLUMN ABOUT NEW YEAR RESOLUTIONS LAST YEAR, IN WHICH I SUGGESTED THAT THE BEST WAY TO MAKE A REAL CHANGE IN YOUR LIFE WAS NOT TO TRY TO GIVE SOMETHING UP, BUT TO DO MORE OF WHAT YOU LOVE. AND WHAT I TRULY, DEEPLY LOVE IS SEX. SO I DECIDED TO GIVE IT A TRY: I SET MYSELF A TARGET, AND STARTED TOWARDS IT.**

THEY say that the journey of a thousand miles starts with a single step. It's the same with sex: the journey of a thousand men starts with a single fuck. I decided that if I was going to do this thing, I needed to do it properly, so I gave up my usual trip to a club for New Year, and went to a sauna instead. As soon as the chimes of Big Ben had died away, and the last televised firework had exploded on the screen, I headed for the steam room.

There was just one guy in there. About my age, average-looking, reasonable-sized bulge under his towel. He'd do for a start. I sat down opposite him, slipped my hand under my towel, and teased my cock. No point in being coy about it: I was there for sex, and so, presumably, was he, so we might just as well get on with it. He looked at me through the steam, and after a minute or so his cock twitched under his towel. I took this as a positive sign, and, thinking “might as well let the dog see the rabbit”, I pulled my towel away and started stroking for him. After a few moments he did the same, then leaned over and took my cock in his mouth. And I was off the starting blocks.

One of the things I had to decide when setting my target was “what counts as sex?” Just wanking or being wanked by another guy struck me as too little: in dark-rooms and saunas stroking another guy's cock is rather more common than saying hello or

# GET OUT OF THAT: SMUT 'N' STUFF WITH HAYDON BRIDGE

## THE MAN WHO RE-INVENTED THE STRAIT JACKET

**PREJUDICE IS BASED ON LACK OF INFORMATION. THAT'S WHAT JIM STEWART TELLS ME IN HIS FLAT ON THE SOUTH COAST AS WAVES POUND ON TO THE BEACH OUTSIDE THE WINDOW...**

THE truism is particularly relevant in Jim's own case.

The prejudiced would describe Jim as a perv who likes to get tied up. But, as the title of his own book responds, *So I Like to Get Tied Up – So What?!!* The book describes Jim's philosophy, developed throughout his life, of role play and fantasy fulfilment. "I have no deep philosophy, purely self-indulgence", Jim, a modest gent, now 79, claims. But others regard him more highly as an important but undervalued pioneer of gay sexual history. "He popularised bondage and sexual fetishism", says Allan Dawson, who first met Jim in 1980 and has remained his friend ever since. "I hope he is rightfully recognised as groundbreaking."

I'll be happy to try and help set the record straight this month. In a nutshell, Jim realised, earlier than most, that some boys play rough games because they're a sexual turn-on. At a time when you could only buy handcuffs from government surplus stores, he formed the fetish gear company Fetters, which supplied many of the stores we know today – Zipper, the forerunner of Prowler, in London; RoB in Amsterdam; IEM in Paris; The Pleasure Chest in New York. He was one of the founders of Gay Male S/M Activists in New York and later SM Gays in London. In his short stories he developed themes inspired by the five most important words in his life – escape, challenge, endurance, survival and restraint. He insists that he disapproves of nothing. But he doesn't like to be dictated to when it comes to what we do in our bedrooms. "I would say don't do anything that doesn't turn you on", he declares. "I mean try everything, try it twice, then choose."

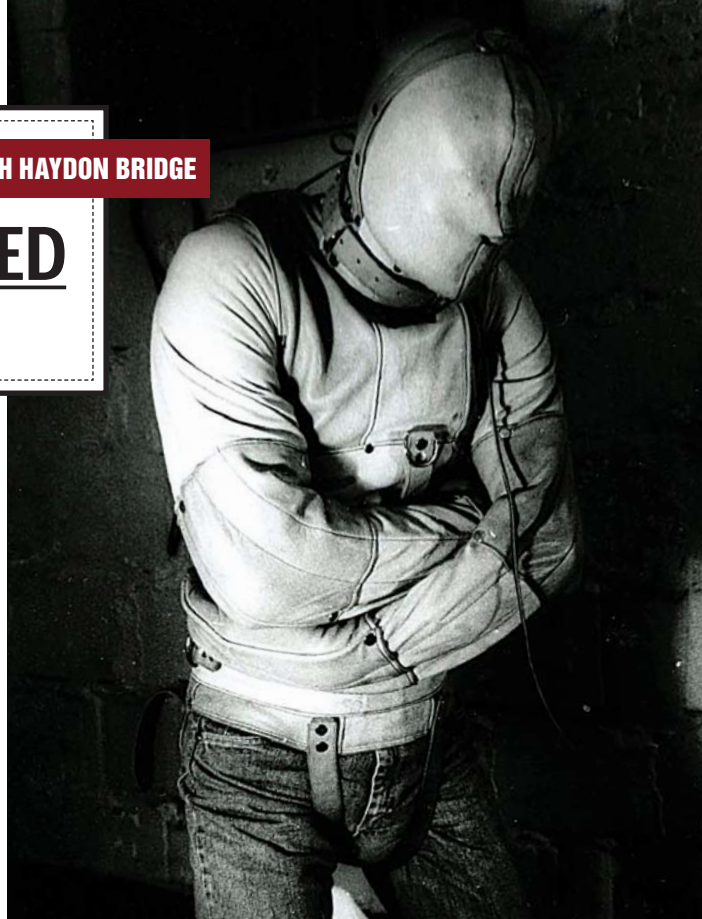

Jim has led two lives, but they're linked. Under other names he was a pupil at the Italia Conti School for stage brats, then a cabaret performer and a stage manager. After National Service in the RAF he went into TV, first as a studio manager, later as a writer and director. He was a lecturer on theatre history until quite recently. Along the way Jim Stewart the bondage pioneer was developing. "It's a gradual thing, isn't it?" he says. "I was playing cops and robbers and cowboys and Indians with two older brothers and their friends and I was always the one who was on the receiving end. I found, not only did I not mind it, I thoroughly enjoyed it. That was before I knew anything about sexual arousal. I just liked power being taken away from me by people who were stronger than I was. Being able to fight and not win was the thing that turned me on for a long time." He became fascinated by escapologist Houdini and his daredevil feats. He admired pals who had Houdini's spirit. "There were risk takers at school and they were usually the bad boys who got themselves into a bit of trouble and

got out of it. These were the people I wanted to be like.

"I found somebody who was willing to tie me up

**"A GOOD BONDAGE SCENE DOESN'T START FOR ME UNTIL THE PERSON AT THE RECEIVING END HAS CUM AT LEAST ONCE. THAT'S WHEN THE SEXUAL TEASING, TORMENTING, PROVOCATION BEGINS."**

to see whether I could escape or not and the first time I had an orgasm was during one of those sessions", Jim continues. "He was quite happy to use that as a provocation and either do something about it or not do something about it." Jim makes it clear that his definition of sexual fulfilment is not the conventional one. "I'm not anti-sex at all", he clarifies. "It's just that my enjoyment of sexual arousal has never included sucking or fucking. A good bondage scene doesn't start for me until the person at the receiving end has cum at least once. That's when the sexual teasing, tormenting, provocation begins. Bondage and surrender of power sessions can go on for days." After World War II there was an underground buzz surrounding the stores that sold government surplus stock. "Lots of people went and trawled through the piles and took away stuff that turned them on mainly because the sort of guys they lusted after had used it", Jim reckons. He bought his first pair of handcuffs from a government surplus store in London's Strand. "They were buying the surplus in massive amounts so that they could sell it as work gear to the South African gold mines. After the war there was a huge stockpile of government surplus stuff, everything from a tin opener to a tank." Other shops, like Quartermaster and Laurence Corner (now Squadron HQ), followed the trend. They were all run by straight men who had no idea that their stock had fetish appeal. Jim took some delight in enlightening them. They didn't mind at all. In 1976 Jim founded Fetters. "I've no business brain whatever", he maintains. "But I couldn't buy any of the things I wanted to buy. I went to Alan Selby [founder of Mr S], who was only just beginning, and asked him to make me a strait jacket. He couldn't see the point of it. But then neither could Rob of Amsterdam, neither could IEM in Paris. They didn't see restraint as an end

in itself. They could see restraint as a prelude to sex. They couldn't see it as a turn on. It wasn't their nature. My nature was the surrender of control, manipulation, teasing, getting them horny, stopping them getting horny, allowing or not allowing them to cum. In the end I said, 'Oh fuck this.' I went off and cobbled things together. I was a stage manager, I was practical." Later he sold his strait jacket patents to the companies that couldn't provide them. "They make a fortune out of them now", Jim claims. He also invented the "sleep-sack", the tight sheath for long periods of confinement. Fetters began in Jim's house in Clapham, South London, and rapidly expanded. "It started on the top floor and finished up taking over the whole house", Jim remembers. "At one point I moved out and lived somewhere else. We had a notorious playroom where we could experiment. It's where new items were tested for their efficiency and there were people who came purely to see whether they could destroy them or escape from them and of course when they couldn't they were ready for the market. Lots of people had a lot of fun and there are a lot of photographs on the Internet still to prove it." Fetters opened in New York in 1985, an inevitable move because Jim had been travelling to the US since 1960. He witnessed the birth of gay politics in San Francisco and, in 1975, the arrival of the first major gay fetish magazine, *Drummer*. "They were the halcyon days of *Drummer*", Jim says of the magazine in the 1970s. "They were more on the wavelength of 'do your own thing', not 'this is how you should do it and if you're not doing it this way you're doing it wrong.' I just felt that people were being conventionalised." Jim regrets that today we seem to have gone backwards. Once it was a case of "do your own thing" but now we love conformity. "Dare one say that it is all driven by commerce?" Jim suggests with sadness. "One of the biggest reliefs in my life was when I stopped running Fetters and I could say to people, 'Improvise. Do it your own way, see if it works for you'"

# MAKE YOUR SLAVE BOY SQUIRM!

WITH THE NEW RANGE OF METAL AND MEDICAL INSERTABLE GEAR AT EXPECTATIONS...

## EXPECTATIONS

**MANY of our younger readers would be shocked to discover that not too long ago, gay men pretty much had just two types (three if you were lucky) of metal cock rings to choose from...**

**How times have changed eh. The fetish scene has expanded dramatically over the last couple of decades and thankfully guys who like to spice up their sex a little now have an enormous choice of metal, medical and insertable gear to choose from.**

**Always proudly keeping up with (if not ahead of) the times, the guys at London's Expectations, the UK's largest fetish store, have launched a new and affordable range of metal and medical products. They're the perfect addition to the high-spec, top-of-the-range Mister B products also found within the "store-in-store".**

your sub lad in check. For something a little more substantial, the medium cock cuff priced at £45 is a chrome-plated steel cock ring with a small restraining spiral cage.

The Pinwheel is a 'must have' item for anyone into fetish, medical or sensation play. And it's the perfect implement to make your slave boy squirm when you run it over his freshly spanked arse, giving him a new range of sensations and stimulation! At Expectations you'll find a great choice with steel triple, quad and high five pinwheels (three, four and five sets of spines) at £25, £27 and £28 respectively.

That sounds pretty good to us. Speaking of sounds and all things urethral, did you know the urethra has the highest density of nerve endings of the entire human body? We didn't until the guys at Expectations told us. So it's no wonder that guys love piss hole play! Expectations has such a great range of piss hole paraphernalia, it's hard to decide where to start. Check out the new metal urethral probe and ring. A longer probe than many brands at 28mm (9mm at its widest), this horny piece of metal will plug your slave boy's cock until he's begging to be unleashed.

SO if you're a Master who enjoys making his slave boy squirm then check out the range of Cock Cages; high quality, chrome plated steel cock rings and chastity devices. Choose between a curved cage with steel struts, a mesh cage or coil design. Each item is priced at just £30, which is a very affordable way to keep

Bullet

If you really want top end stuff, there's the Mister B Dominator Drill and Bullet (each one priced at £59). Made from medical-grade stainless steel and to the highest standards of German manufacturing precision, one of these little probes is guaranteed to send your slave boy's cock to paradise!

And finally, if you want to make sure that your bitch boy is plugged in every one of his holes, there's the Mister B silicone dog tail (retail price £99). It's a sturdy, durable, premium doggy tail butt plug, which measures 330mm long with a diameter of 70mm. Stick it in, make him sit up and beg and watch his tail wiggle with joy!

# BOLTZ

**KNOWN TO MANY IN THE EARLY NOUGHTIES AS BOOTS BAR, BOLTZ - AS IT'S NOW KNOWN - IS BIRMINGHAM'S ONLY MEN ONLY MEMBERS CLUB, AND IN OUR OPINION, IS TRULY ONE OF A KIND!**

YOU'LL find BOLTZ on the outskirts of Birmingham's Gay Village, and the club is popular with both the local trade, and horny up-for-it guys visiting the Midlands from all over the UK and abroad. If you're a skinhead (or if blokes in tight bleachers, braces and Dr Martin boots make you go weak at the knees) then you've probably already been to BOLTZ when it hosts the annual international Skinhead Weekender OiFest!

Spread over two floors, BOLTZ offers a safe, friendly and discreet environment for gay and bisexual men, and offers a 'happy hour' between 3pm and 9pm, Monday to Saturday and until 8pm on Sundays. The upper level is mainly for special events, and has its own bar, chill out area, a large darkroom, cages, stage and a dance floor...

But it's downstairs that you'll find two large darkrooms, (one of which is fully equipped with a bathtub), glory hole cabins, private booths, a cinema room and The Bullring.

## THE BULLRING

**OPEN at weekends and during special events, The Bullring is BOLTZ' fantasy area and is what makes the venue stand out from others. It features seven - yes seven - different theme rooms, each with its own door to keep things private, and can be hired for birthdays or special events, etc.**

■ **THE SAUNA ROOM** has that hot and sweaty, sexually charged feel to it that gay saunas have and also has a sling in it.

■ **THE DUNGEON ROOM** is, well, just like a dungeon and is kitted out with a sling and a dog kennel in the wall.

## EVENTS AT BOLTZ

**BOLTZ is home to loads of horny events and is open seven days a week. To give you a better idea of what goes on, here are a few details about some of the club's popular events...**

### DARE TO BARE

THE first Sunday of the month at BOLTZ gives Sunday afternoons a whole new meaning! The clue's in the name and there's a strict dress code of naked or underwear only! Free dressing gowns are provided for the smoking garden and it's FREE entry before 8pm!

## FULL-ON-FETISH

RE-LAUNCHED in November 2011, Full-On-Fetish is a long running club night at BOLTZ and has a huge following, attracting horny and up-for-it guys from all over the UK. The night offers guys something a little different to the usual Midlands and UK gay scene, with both levels of BOLTZ open with 2 huge floors open, incorporating five cruise areas, The Bullring, the bath tub room and the porn cinema. Well known Fetish Scene DJ, and friend of QXMEN, Zack Hadley, is the resident DJ at Full-On-Fetish and the sexy bugger belts out non-stop house tunes all night long for the up-for-it crowd. Zack has kept the dance floors busy of mega events full at events such as Suzie Krueger's Hard On in London and Manifest in Manchester, so you know this guy's going to be good! Much to the delight of everyone there, the re-launch has seen international porn stars appearing on stage at Full-On-Fetish. Last November, horny leather guy Dolan Wolf performed a sleazy show in front of a salivating crowd. At the next Full-On-Fetish on Saturday February 25th, the delicious porn star duo, Issac Jones and Jake Reed, will be performing live on stage... If you miss that event, you'll kick yourself, as these two guys are seriously hot! An important factor of Full-On-Fetish is that the first floor operates a strict fetish dress code policy, whilst downstairs is open to everyone. It's just £8 on the door before midnight, and more after. Doors open at 10pm 'til very late. Membership's required which is FREE, and you can join on the night. ID may be required and for more info check out [www.BOLTZ-CLUB.com](http://www.BOLTZ-CLUB.com).

## SPORTLADZ

THIS brand new night launches on Saturday May 5th and looks set to be huge! Both floors will be opened and the event will have a strict sports/scally dress code in place on the first floor. Come and meet a selection of the UK's horniest scally porn stars who'll be in the club during the night.

# LONDON FETISH

## FULL FETISH

01/01/12 @ ARCADIA, 51 SOUTHWARK STREET, LONDON SE1 1TE

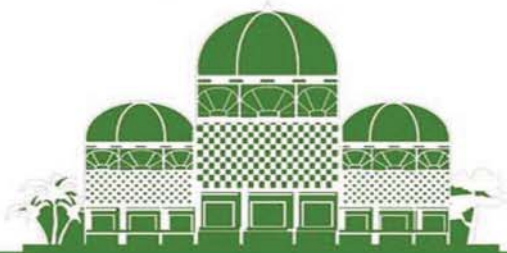

WHILST many were nursing hangovers and recovering from a very late night from New Year's Eve, we squeezed into a little pair of rubber shorts, pulled on our army boots and headed down to Recon's annual New Year's Day Night Full Fetish sleaze-fest at London's Arcadia. And we're sure glad that we did as the club's dark and cavernous underground arches were full of hot and horny fetish studs, all there with two things on their mind... dance and sleaze! Recon events manager, Antoin said, "Just under a thousand guys descended, almost en mass, at Arcadia. It was a bit overwhelming, considering everything else that was going on in the city over the weekend, but it was fantastic and I think most people really did start the New Year with a bang!" We certainly did and we're already looking forward to Recon's next Full Fetish in London on May 6th... Check press nearer the time for full details and keep an eye on the Event Listing page on [www.recon.com](http://www.recon.com).

## MR HOIST 2012

21/01/2012 @ THE HOIST, RAILWAY ARCHES 47B & 47C, SOUTH LAMBETH ROAD, VAUXHALL, LONDON SW8 1RH

LAST month, ten sexy hunks took to the stage for the annual Mr Hoist competition at Europe's largest dress code venue, The Hoist in London. More than twenty guys had wanted to try out, but to keep the night's proceedings short, just ten of the finest guys were chosen for the night.

This year's winner, and the guy crowned Mr Hoist 2012, was a sexy 43-year-old Londoner called Mark Davis who likes motorbikes, men and working out. "This is great. I love the Hoist and it's an honour to be crowned Mr Hoist 2012! It was a fun contest and I loved seeing all these sexy studs cheering me on! It was a blast and I'm looking forward to my year as Mr Hoist... When you see me in the club please come up and say hi."

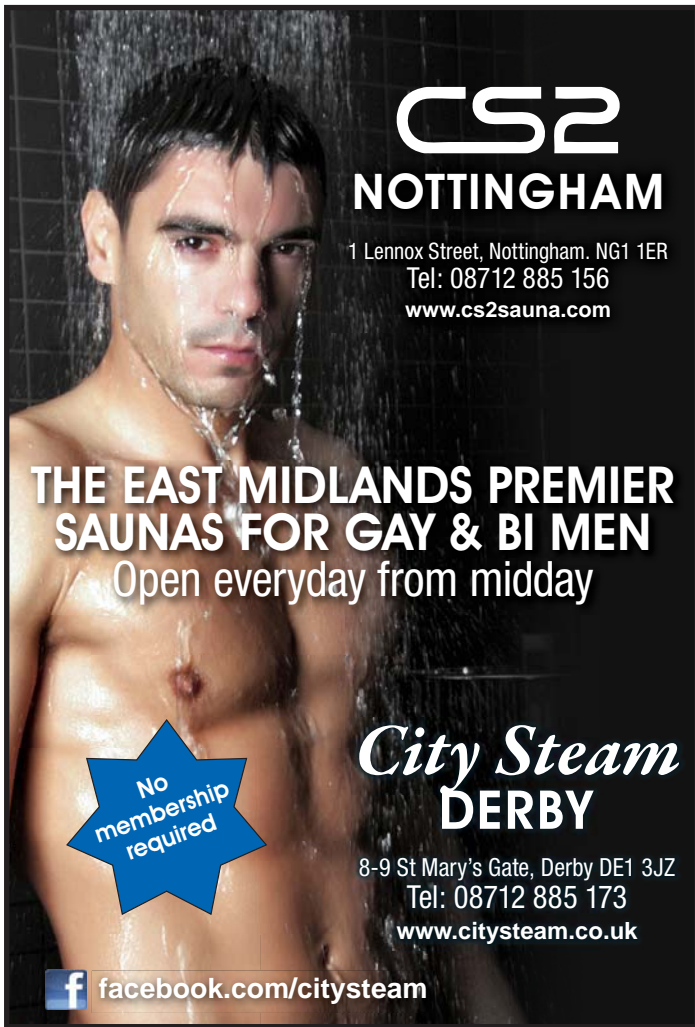

Speaking to QXMEN, the Hoist's host, Unkut Kurt, said "Wow! What a night! And what a winner. This was one of the sexiest and most buzzing parties we ever had at the Hoist. Mind blowing! And so many sexy men. My favourite moment was when John Pental, our MC, was riding on the back of Mister "Big" Liam's 1300cc motorbike right in front of the stage, and while he was revving the engine this young leather guy came over to Liam and John and asked them if they were up for a threesome... Where else but at The Hoist?!"

QX MEN'S EDITOR IS LOVING...

## MAX MARSHALL'S ENORMOUS PENIS!

Nationality: Does it matter?

Age: Don't know

Height: Don't care

Weight: Not sure

Eye colour: Who cares

Dick Size: Holy Shit!

OKAY, so I know that makes me sound shallow, but it's true. I have no qualms in admitting that I'm a size queen and that I love big dicks!

Don't get me wrong, Max is a very good-looking guy and I'd definitely hit on him in a club, without knowing what he had in his pants. He's got sexy 'come to bed' eyes, a tight, muscled body and nipples I could happily chew on for hours. But it's what he's packing between his legs that's made him my lust object of the month.

Max was discovered on voyeurs website Cam4 and makes his porn debut in Monster Bang Video's **Big Dick Revolution**. Parker Perry is the brave (lucky) guy who takes on Max and his trouser snake and I recommend that you watch the movie to see how he gets on.
