Well find out what happened to the lads who said yes in **Boys On The Prowl**, from the studio of the same name. Trojan Rock's workmen need a bit of time off from their punishing workload, but they soon get bored of playing games and start fucking each other in Alphamalemedia's hot new release **Sex Games**, and we watched some cute Argentinean

There are two great books, which we highly recommend, in this month's issue. Both are full of hot pictures of naked men, and one could even spice up your sex life! JIM STEWART 1932-2012

WE'RE very sorry to report that bondage and fetish pioneer Jim Stewart, who was interviewed in QXMEN in February, died on April 1st.

JIM was 79 and had been ill with cancer for some time. Beginning as a child actor, he became a stage manager and later directed for stage and TV as Maurice Stewart. He was semi-retired from the age of 65, when a heart condition was diagnosed. But from childhood, when he found he liked games that involved restraint, to the end of his life, by which time he'd become one of the elder statesmen of the fetish world, BDSM was one of his main preoccupations. He formed Fetters, the first major fetish gear company, in London in 1976 and New York in 1985. He was a founder member of Gay Male S/M Activists in New York and SM Gays in

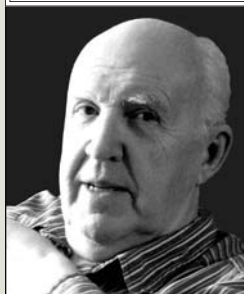

IF YOU WANNA GET LAID, GO TO SQUIRT MOBILE!

THE guys behind Squirrt.org, the ultimate online cruising resource for men, have released their new mobile site Squirrt Mobile.

AFTER seeing how modern day guys like to cruise, the developers of this new resource based the format on the simple factors of 'where' and 'when' to find men who are looking to hook up for sex. Squirrt Mobile uses the same GPS location technology used so successfully by other mobile apps such as Grindr, and it can be accessed via virtually any mobile web

browser. One of Squirrt Mobile's unique selling points is that member photos can feature full-frontal nudity, something that Apple, for example, forbids for mobile applications available on the iTunes Store. "You can use the same full range of images you'd use on a regular desktop site — more images than mobile apps: your face, your penis, your ass. Whatever you think is your best feature, that's what you're able to show!" said Squirrt's proud Digital Business Director, Attila Szatmari. "Our website is a hook-up site. We don't sugar

coat that. Other hook-up sites are too chit-chat. When people want to get laid, they'll go to Squirrt." So what are you waiting for? Access Squirrt Mobile now by typing in mobile.squirrt.org on your mobile browser, or by going to www.squirrt.org and scanning the QR code.

London. In recent years he expounded on his philosophy (escape, challenge, endurance, survival and restraint) on his website www.houdini-connections.co.uk which also includes many of his short stories. His substantial library will be administered by a trust set up by his friends. Leather historian Jack Fritscher writes, "We met in 1969 in London, and, then, of course, as the wild maelstrom of liberation marched on, we were in and out of touch, until calendars and maps separated us, but not from each other's memory. He was a charming and warm and humorous man. People remember him fondly and he is very much missed when they hear the news."

WIN VALENTIN ALSINA'S JOCK STRAP!

VALENTIN'S the guy on the right by the way, and you could win the white jock strap he's wearing if you enter our competition!

THE sexy fucker he's with is Pablo Nunez and this picture is from Alphamalemedia's latest production Toolbox: Toybox, which we'll be reviewing real soon. So, back to the competition, and if you

want the chance to win Valentin's jock strap, which we peeled off Valentin with our teeth (okay, we didn't. But we had a wank imagining that we did) then all you have to do is send an email with your name and contact details to steven@eurocreme.com with QXMEN Jock Competition in the subject field... The competition closes on May 31st 2012 at 5pm and the winner will be drawn at random... Good luck!

SEKTOR 9 - PART 1

Studio: Hot House Video	Starring: Bruno Knight, Cavin Knight, Jessie Colter, Jimmy Durano,
Directed by: Christian Owen	Kyle King, Marc Dylan, Morgan Black, Spencer Reed.
Available from: Prowler, Expectations, White Tiger and all good DVD stockists.	

WE'VE been going on about this movie for months now, and already Part 2 has been released. So here it is, full details of one of our favourite DVDs of 2012 so far. The action takes place in an abandoned Soviet-era prison camp called Sektor 9, where hard-hitting punishing leather tops teach the art of submission to their muscle-bound comrades in latex, gas masks, nylon ropes and animal cages.

SCENE ONE, and Marc Dylan is cuffed and chained to a brick wall. He's wearing a jock and boots and about to be given submission training by Spencer Reed, a 6'2", 225 lb dominant top. Spencer eats the young stud's bubble butt and feeds him his fat cock. Soon Dylan is begging to be fucked and Spencer obliges, pounding his hole until he pulls out and shoots over Dylan's back. The sight of Morgan Black in restraints with his head in a cage, making him the ultimate cock-sucking machine, is hot! Even better when Jimmy Durano force-feeds him his thick Latin dick through the cage, barely allowing Morgan to breathe. He's soon let out though and gets fucked hard by Jimmy before being dragged back to his restraints to wait for the next session. Jessie Colter's been strung up by the Sektor 9 rope master, and he's naked, suspended from the ceiling in a web of knots and ropes, and helpless to whatever lies ahead. Cavin Knight then walks in and strokes Jessie's growing hard on as he works open his hole. Cavin manoeuvres the ropes and Jessie ends up with his feet on the floor and his arse in the air. It's perfect for Cavin to power-fuck Jessie's hot arse and as he does so, Jessie shoots his load without even touching himself! Kyle King is a wild pup that needs taming, and his Training Master, Bruno Knight, locks him in a cage and taunts him by slapping him with his pendulous fat uncut cock. Kyle wags his dog tail butt-plug, begging for a taste, so Bruno shoves his cock through the bars and fucks his mouth. Lead out on a chain, Kyle's hole soon gets stretched by Bruno's massive tool as he's fucked doggy-style, then flipped over and screwed until both hunks blow wads of spunk all over King's chiselled abs... Now, if that's what hard labour is like in abandoned Soviet-era prison camps, then where do we sign up!

SEX GAMES

Studio: Alphamalemedia	Starring: Valentin Alsina, Ben Brown, Issac Jones, Jean Franko,
Directed by: Maxwell B.	Jason Torres, Gio Cruz, Dolan Wolf.
Available to buy at www.eurocreme.com or watch high quality streaming at www.Eurocreme.tv	

FEELING overworked, Trojan Rock's hunky Toolmen reckon they deserve a day off from the grind to enjoy the sleazier side of life. But they soon tire of playing board games and so those gorgeous workmen decide to do something less boring instead. What do they do? They strip out of their work gear and get down to some serious work on each other, that's what!

SCENE one stars two sexy fuckers that look good enough to eat, Frenchman Issac Jones and Argentinean Valentin Alsina. Both Issac and Valentin are expert cock-suckers, but it's plain to see that Valentin loves eating arse too, and he can't help himself from working on his co-star's hole with his probing getting it wet and juicy. After having their fill of their oral first course, the two hot lads take turns to give each other a good, long hard fuck.

That gorgeous Hispanic stud, Jean Franko, gets it on with Ben who soon gets to work on Jean's muscled body with his tongue, it's not long before they're both sucking on each other's fat shafts of meat. Jean Franko can't get enough of Ben's furry arse, and dives in and devours Ben's hole. He doesn't have to wait long for a pounding, and soon gets a hard and fast power-fuck before Jean Franko pulls out and squirts his load all over Ben's juicy hole...

It's muscled hunk Jason Torres and his strapping work buddy Dolan Wolf up next. Dolan forces Jason's head down on his cock, only letting him up for air to spit in his mouth, keeping him wet and willing. They're a match made in pig heaven as Jason's a total muscle bottom in this scene and after a marathon 69-er arse eating session, Jason offers his hole for a good fucking. And he doesn't have to ask twice as Dolan rams his bubble butt in a range of positions, each one guaranteed to get his cock deep inside Jason's arse! Issac's back in scene four and he's playing cards with sexy Gio Cruz. The overalls soon come off and the lads' cocks spring into action. Following a marathon oral session, the spunk starts spurting, coating Issac's torso. We'd give our right arm to lick Issac's body all over, but now that it's covered in spunk, we want to even more!

TENNIS LADS

Studio: Euroboy Sport	Starring: Harold Zen, Santiago Masur, Lukas del Plata, Paulo Paz,
Directed by Monaco	Fausto Del Miedo, Diego Track, Federico Gaccia, Dave Cordova.
Available to buy or watch high quality streaming at www.QXMEN.tv	

IT'S a case of 'Game, SEX and match!' with Euroboy Sport's Tennis Lads, and when these young Argentinean twinks jump over the net to congratulate their opponents, they give them a bit more than just a friendly pat on the back. After the match in the changing room, the shorts come off and these horny lads get down to some serious post-match fucking, and while cover boy Harold Zen takes advantage of his fan's eagerness to please by feeding them his massive cock, Euroboy favourite Lukas del Plata bottoms for the first time!

SCENE one and a cooling shower turns into a hot session when Dave Cordova, a computer technician, turns up to do a bit of maintenance. Hard drives give way to hard-ons, as Dave sits wanking and watching tennis pro Lukas Del Plata. This scene was the first time that Lukas had been fucked on camera, and he's soon receiving Dave over a chair! Fausto Del Miedo and Paulo Paz are getting it on beside the swimming pool, and soon they're sucking each other's cocks. Diego Track, third young twink who's just back from tennis practice, watches them while stroking his cock. Soon the action shifts to the players' lounge, where the young lads get down to some hot three-way bum-banging. Scene three, and we're treated to a solo shower jerk-off with Harold Zen. Harold's a cute young Latino and wanks his stiff cock with a passion and spurts out a massive load! Ball boy Santiago Masur watches as tennis star Lukas del Plata practices alone. A few glances are exchanged, and both young lads know the score! They retire to the bedroom and before you can say "Advantage Santiago Masur", the ball boy is having his balls, cock and puckered hole eaten by Lukas. After an energetic 69-er and more rimming and sucking, the ball boy gets the fuck of his life! Meanwhile, tennis pro Harold Zen is relaxing in the apartment, his heavy balls, full of spunk, hanging low out of his shorts. Federico, an eager fan, arrives to ask for an autograph - and gets a bit more than he was expecting! He squats on the Harold's meaty cock and then swallows the pro's thick load of spunk, before shooting his own load.

FUCKED UP

Studio: Raging Stallion Studios	Starring: Derek Parker, Drake Jaden, Spencer Reed, Jessie Colter, Jimmy Durano, Trey Turner, Mathew Mason
Directed by Chris Ward, Tony Dimarco, Steve Cruz, and Bruno Bond	
Available in all good adult DVD shops and online at wwwSimplyGayDVD.com	

FUCKED UP is quintessentially Raging Stallion... Non-stop, man-on-man action that'll keep you hard from the minute you press play, right through to the last explosive scene! These testosterone-fuelled, aggressive men take out their sexual tension on each other, and the Raging Stallion cameras are there to catch every single hot and sweaty minute of the action. Beefy, tattooed and pierced new Exclusive Derek Parker makes his debut performance, and he's joined by some of the hottest porn performers in the business!

JESSIE COLTER is sat wanking his cock all by himself in a sex club until buff hottie Jimmy Durano comes over and joins him. Jessie licks up and down Jimmy's torso and then pulls out his big heavy cock, stuffing it in his mouth. They attract the attention of Drake Jaden who joins in offering up his thick piece of meat, which Jimmy gulps down. Just when you think the hot three-way can't get any better, Trey Turner, joins the mix, and sucks one stiff cock while stroking the other two. And finally handsome Aussie, Mathew Mason, makes his American porn debut, making it an orgy of five hot studs, After the action in the first scene it's Trey and Jessie's turn, and there's no kissing and no oral - hell, kissing and oral is for wimps! The guys just get straight down to hard and dirty fucking! Derek Parker and Spencer Reed star in scene three, and Derek's on his knees showing off his perfectly round arse while giving Spencer's thick, veined, meaty cock his full attention. Derek gags as he greedily attempts to swallow every inch, and soon shoots his load, just before Spencer unleashes his creamy spooge all over his face. Mathew, Drake and Jimmy make up a hot threesome next, and sexy fucker Drake is lucky bottom boy whose mouth and arse get stretched by the two tops' coke can cocks! The insatiable Drake gets his hungry hole filled again by Derek in scene five, before the explosive six-man orgy that is scene six! Jimmy, Drake, Trey, Jessie, Mathew and Derek star and it's a blinder... Who knows where Spencer was? Maybe he was asleep in his Winnebago.

BOYS ON THE PROWL

Studio: Boys On The Prowl	Starring: Callum Baxter, Kristian Kerner, Adam Watson,
Directed by Ashton Bradley	Justin Baber, Mark Lloyd, JP Dubois, Oliver Black, Aaron Anderson,
	Dave Hilton, Max Anderson.
Available from Prowler, Expectations, White Tiger and all good DVD stockists	

ACCEPTING lifts from strangers can be a dangerous game. Especially if the strangers are a couple of scally lads who are on the hunt for young guys to spit roast. In **Boys On The Prowl** two lads (Bait Boys) drive around in the back of a people carrier with a mate doing the driving and another operating a handheld camera. When they spot a guy on the street they like the look of, they pull over and offer him money for an hour of fun. This DVD shows what happens in five different lads who each get taken for a ride...

CHEEKY chappy Callum and his buddy Kristian, a cute tattooed lad with a big knob, are the first two Bait Boys who pull over and pick up Adam, a cute lad from Leeds. They offer him £400 and then raise it to £600 for an hour of fun in the back of the people carrier. Now who wouldn't say yes, given that Callum and Kristian are sexy buggers? They drive off with Adam sat nervously between them, and soon Callum and Kristian have stripped Adam out of his clothes. After they've all sucked each other's cocks, Callum and Kristian manoeuvre Adam so that he's on all fours on the back seat. As Callum snogs him, Kristian slips on a condom, lubes up Adam's hole, forces his cock inside and pounds away... The lads certainly get their pound of flesh, as Adam must get fucked for at least 20 minutes non-stop! But it's only when they pull over to get out of the car and smoke a cigarette that the Bait Boys show their true colours. As this is when they speed off, leaving their victim at the side of the road without paying him the promised fee. "What did you think of him then lads?" asks the cameraman. "He was pretty", giggles Kristian. "But gullible!" and they all erupt into laughter... Those Bait Boys are little fuckers and we really felt sorry for the lads they fucked over... But our cocks were rock hard right through the film and we blew our load a few times too!

PORN MAVERICK *MICHAEL LUCAS*

MICHAEL LUCAS HAS ENJOYED UNPARALLELED LONGEVITY IN THE ADULT INDUSTRY WITH SEVENTEEN YEARS AND COUNTING...

HIS FILM STUDIO, LUCAS ENTERTAINMENT, IS ONE OF THE TOP FIVE GAY PORN COMPANIES. IT PRODUCES AWARD-WINNING BLOCKBUSTERS WITH FAMOUSLY HIGH PRODUCTION VALUES INCLUDING MICHAEL LUCAS' LA DOLCE VITA, A FILM THAT RECEIVED FOURTEEN AVN AWARD NOMINATIONS AND WON ALL OF THEM – A RECORD THAT STANDS UNBEATEN. HE'S FACED HIS SHARE OF BATTLES TOO – INCLUDING WITH LA DOLCE VITA WHEN THE PURPORTED OWNER OF FEDERICO FELLINI'S LA DOLCE VITA FILED A LAWSUIT AGAINST LUCAS ENTERTAINMENT, CITING COPYRIGHT VIOLATIONS. IT WAS A THREE-YEAR COURT BATTLE, BUT MICHAEL, ALWAYS THE FIGHTER, ROSE VICTORIOUS WHEN THE COURT DISMISSED THE ENTIRE LAWSUIT.

→ BORN in Moscow in March 1972, Michael faced difficulties being gay and Jewish in homophobic and anti-Semitic Communist Russia. He was rebellious and unafraid to speak his mind, and it got him into a lot of trouble then; and still does today. Michael regularly uses his porn stardom as a platform to speak out against social issues he finds unjust. Problems like child exploitation, anti-Semitism, religious oppression of gays, and more. Many times he faces criticism from the very community he is trying to defend. While promoting his latest high production blockbuster *The Last Day*, Ronnie Jordan sat down with porn's ultimate maverick to get know him just a little bit more...

What's the best thing about waking up Michael Lucas every morning?

Thinking about how fortunate I am to wake up in the capital of the world (New York), be blessed with great family and friends, and know that I will be having another busy day.

Why did you get into porn?

I decided to enter adult entertainment right after I moved to Europe in the mid-nineties. I was a tourist on a tourist visa and I couldn't really work anywhere legally, particularly in a strict country like Germany where you can't do anything without papers. The adult industry is different. All I had to do was show my Russian passport to prove that I was over 18 and I could get paid.

How do you feel about the notoriety that comes with heading a gay adult film company?

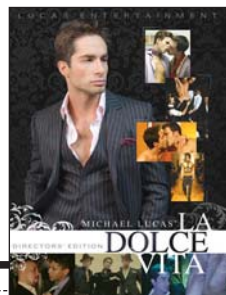

I wish that everyone could be as successful in his or her field as I am successful in mine.

Do you ever wish you had chosen anonymity?

Generally no. Except when I am in a restaurant, having just put a piece of chicken in my mouth and someone comes to tell me that he likes my work. It makes it difficult to respond and I don't want to come across as rude.

Lucas Entertainment has won its share of awards. Which are you most proud of?

I am proud of them all because they represent so many aspects of our production. I am proud when we get awards for best movie of the year because there are so many people involved and the award acknowledges everyone. The individual awards because they honor those people individually: videographers, graphic designers, web developers, screenwriters and actors. I'm so proud that I've

► put together such a great team to work for me and each member of that team is so important.

It's easy to enjoy the accolades. How do you take the personal attacks and criticism?

Personal attacks and criticism are two different things. I take constructive criticism well and it is often very useful. Personal attacks I choose to wear as a badge of honour.

What do your detractors not understand?

That I am exercising my first amendment rights and no one will be able to shut me up, whether they like my point of view or not.

Why are your films important?

They are important because my models use condoms. I promote safe sex because I believe that young people are first introduced to sex through adult videos. These movies are so accessible and young people are very internet-savvy. I feel it is my great responsibility to show that men can have great sex and enjoy each other while using condoms. And don't forget that there is a severe lack of sexual education, so young men are more likely to see an adult movie than they are to search out safe sex information.

Is there a place for bareback in films?

Lots of porn films and actors do not use condoms. People who produce these movies are greedy and irresponsible. I care about my community.

Why does Lucas Entertainment release large production films like *The Last Day*?

We invest in large productions because they sell. It's all about supply and demand and there is a great demand for movies with a storyline. It is much hotter to watch sex when you know why people are having sex.

There is a lot of talk in the films. Will tomorrow's porn stars need to take acting classes?

No. There are a lot of guys who just naturally have screen presence and so we select them for our main features.

If you could wake up as someone (or something) else for a day, who would you choose?

"SOME WANT IT ROUGHER AND SWEATIER WITH SPITTING AND WATER SPORTS. EVEN IF THEY DON'T PRACTICE IT IN THEIR OWN PERSONAL LIFE, SOME HAVE FANTASIES ABOUT IT."

I would choose to wake up as Adolf Hitler because I would be able to commit suicide immediately and spare the world the disaster of the Second World War.

After twenty years in the biz, what are your feelings about sex?

I think sex in film is moving from vanilla to raunchy. Not everyone wants to just see kissing, sucking and fucking, like they did before. Some want it rougher and sweatier with spitting and water sports. Even if they don't practice it in their own personal life, some have fantasies about it.

Are you satisfied with the cards life has dealt you?

I am very grateful and I consider myself very fortunate. I could be a lawyer somewhere in Russia dreaming about escape but never getting out. Instead, I lead a very busy and exciting life.

If you could say fuck you to anyone, who would it be?

There are so many people I feel like telling it to that lately I don't even bother. Why should I waste my energy?

Finish this sentence: Love me or hate me, I deserve respect because...

I survived living under communism, being both Jewish and gay in a homophobic and anti-Semitic society. I immigrated to Europe and then to the US, turned my life 180 degrees around from a lawyer to a porn star to a studio owner. I supported my family for many years when my father lost his job and then moved my parents, grandparents and brother to New York and gave them a wonderful life. I employ many people and provide them with good salaries, benefits and medical care. I am writing political articles for the mainstream publications like Advocate and Huffington Post, I speak in Universities. In short, I have lived the American dream.

BOOK REVIEW

NAKED

IF anyone can photograph the naked male form and make the model look both breathtakingly beautiful and sexy-as-hell at the same time, then London-based photographer Dylan Rosser can...

Naked was released at the end of last year and is Rosser's fourth book. Without doubt, every model is drop dead gorgeous, but somehow Rosser manages to bring out the subject's inner beauty and vulnerability, something that not many photographers can.

We love this book, and it's one that you can leave on the coffee table when your mother pops round and tell her that it's art,

69 POSITIONS OF JOYFUL GAY SEX

WE'VE got a copy of **69 POSITIONS of joyful gay sex** up for grabs. To be in with a chance of winning it, just go online to www.QXShop.co.uk and tell us how many pages the book has. Send your answer by email to editorial@qxmen.com placing 69 Positions Competition in the subject field, along with your name and contact details. Or post your answer to QXMEN, 69 Positions Competition, 23 Denmark Street, London WC2H 8NH. The closing date is Tuesday May 31st at 5pm when the winner will be drawn at random... Sorry guys, but the competition's open to UK residents only.

NOW, we've been about, and we've fucked and been fucked in various positions with countless guys over the years. But if we're honest, we've got two favourite positions, both for reasons of comfort and low impact on the muscles and joints... Well, we're not getting any younger! The first is on our back with the guy holding our legs over our head. This way we can peer over his shoulder and watch Coronation Street when things get a bit boring. And the second is good old doggy-style. It's the perfect position for doing all sorts of things, like checking

your emails, doing a crossword or just flicking through a copy of Heat Magazine.

We certainly had no idea that there could be 69 ways to enjoy sex! And what better way to find out than to be guided through each of them by BelAmi models Kris Evans and Dolph Lambert. As well showing how the position should look, the book also has brief texts giving competent information on how to perform each position and everything else you should consider.

Add some fresh inspiration to your sex life and order 69 POSITIONS of joyful gay sex from www.QXShop.co.uk for just £19.99 (RRP £24.99)

BOLTZ FETISH WEEKEND | 1ST - 5TH JUNE 2012

BOLTZ FETISH WEEKEND

IN FEBRUARY'S QXMEN, WE FEATURED THE MIDLANDS' ONLY MEN-ONLY CLUB, BOLTZ. RECENTLY WE CAUGHT UP WITH LIAM, THE CLUBS OWNER, TO FIND OUT ABOUT THE EXCITING PLANS THEY HAVE IN STORE FOR THIS YEAR'S BIRMINGHAM PRIDE WEEKEND.

TAKING place on the first weekend in June, Boltz are planning a huge fetish weekend to celebrate both Birmingham Pride and the Queen's Diamond Jubilee, and Liam told QXMEN, "It's a great opportunity to get your fetish gear out and party," said Liam. "We have loads of horny things going on during the Pride

weekend, and it'll all kick off on Friday June 1st and carry on right through to Tuesday the 5th... It's going to be one hell of a weekend! We've also worked hard on some refurbs, so expect to see some great new additions to the club!" The refurbishment includes an improved cinema room, complete

with luxury leather seating, a brand new giant dark room with cabins and glory holes, a special water sports area and a dedicated changing area next to the entrance lobby. Plus the infamous Bullring Cruise Rooms will be open throughout the entire weekend!

EVENTS

THE weekend will feature 3 zones, including an outside tent with its own bar. The weekend's naughty events will launch with the Pride Opening Party on Friday June 1st, with pints of beer from just £2.80 and hunks from ButchDixon.com making an appearance, giving out freebies and performing live on stage... It's an opening party not to be missed!

PRIDE DAY on Saturday June 2nd will kick off at 2pm with the outside bar and tent area attracting a mixed crowd. Indoors at Boltz it'll be a men-only area, with the tent outside becoming men-only from 8pm. Funky, techno and horny-up tribal house will be playing throughout the day, leading up to the legendary Full-on-Fetish.

Full-on Fetish kicks off at 10pm and will carry on until 6am on the top level zone of Boltz. March's Full-on-Fetish attracted hundreds of guys from all over the country, so expect this party to be even bigger and better! The sexy guys from UKNakedMen.com will be there giving away XXX freebies and performing live on stage, plus fetish superstore, Expectations and their brother Prowler will be there on the night, selling a great range of toys, clothing and essentials. Please note that Full-on-Fetish operates a strict

fetish dress code, but any fetish is accepted. The downstairs zone will be open to anyone in fetish gear or casual wear, so everyone will be welcome.

If Saturday's antics aren't enough for you, then make sure you're back at Boltz on Sunday June 3rd at 2pm for a re-run of Saturday! Full-on-Fetish will be back from 10pm, with Expectations, Prowler and some sexy lads from Eurocreme will also be making an appearance with even more freebies and live shows! Again, the outside tent will become men-only from 8pm.

QXMEN's horny new columnist, Zack Hadley, who regularly DJs at the club, will be on the decks at Full-on-Fetish on both Saturday and Sunday.

Monday June 4th, and it's the much-anticipated Pigfest Jubilee Party from 2pm, with free food, a BBQ and great deals at the bar all day. Don't forget Tuesday is also a bank holiday, so to celebrate, Monday night sees the return of Sportladz - the horniest sports kit party around - from 10pm through 'til 4am! There's no strict dress code, but we've been told that guys who make an effort will get a few surprises throughout the night! So enjoy Tuesday - the last day of the bank holiday weekend - in Boltz, relaxing and chilling out with friends over a beer or two!

IT'S May! It's almost the summer and I couldn't be happier about that! Not only is it a great opportunity to check out topless hunks walking about, but the sunshine also lifts everyone's spirits and makes the days much more fun! April was a really busy month for me... My gigs at Booster at Barcode Vauxhall and the Mister B fashion show at Expectations were great fun! I'm really excited about my new weekly show that started in April on Gaydar Radio! You can catch me mixing up my week's hottest house tunes every Friday on ClubNation at 11pm!

May sees me back at Boltz in Birmingham for Sportladz on the 5th, a horny sports/scally fetish night, apparently there's gonna be a few horny chavs there! Phoarrrr! Can't wait! I'm

also really excited to be DJing at Recon's Full Fetish party on Sunday 6th at Pulse under Blackfriars Bridge! And between all of this, I'm

going to start directing and producing my own range of porn movies again! I'd better get auditioning some sexy lads!

BACK BEHIND THE CAMERA

AFTER taking a 2-year break I'm back behind the camera and making my own films again! It's been a long time coming and I'm really excited to be returning to the director's chair! The truth is, I've always loved porn and kinda knew I was destined to work in the industry from a young age. At school when asked by the teachers what I wanted to do when I grew up, I'd reply with – "I want to produce movies". Of course, at the back of my head, I always knew WHAT kind of movies!

My career in porn started back in 2007

when I was lucky enough to get a job with a West End based straight fetish production company. Although I had no previous experience in marketing, my knowledge of the industry seemed enough to get me the job as their marketing guru. From there, I ventured into the world of production. I've been lucky enough to produce several movies so far, and I enjoyed every minute of it. Of course, sometimes it's hard work, like any other job, but how many other jobs involve filming horny, fit blokes fucking? I used to pinch myself sometimes, especially

Mr Trojan Rock, you're looking as hunky as ever! How are you doing?

I'm doing great thanks Zack, despite having just got off the plane from Phoenix, Arizona. I was there for the largest sex industry 'get together' in the world. It was great to see so many friends from the industry, and a great way to misbehave and mix business with loads of pleasure!

You're keeping busy with Alphamalemedia I see... What's been going on?

Alphamalemedia is going from strength to strength and we're filming great scenes every week now. This means you can see the best hairy, handsome, muscle and hung men more regularly. We even have a soap opera online at alphamalefuckers.com, called Trojan's Toolbox. Some of the planet's sexiest hunks are in it, such as Bruno Knight, Spencer Reed, Tate Ryder, Dolan Wolfe, Ben Browne and Nathan Price to name a few.

You honestly do have the best of both worlds with your job as a porn producer and actor... I bet you love it! Which

when my week's diary would consist of meeting sexy models, having lunch with the latest big name porn star, auditioning fit lads and, of course, telling guys what position you want them in when their shagging the arses off of each other!

I love filming fantasies for other guys to watch and wank over... I have a filthy mind and am into loads of different fetishes, which I plan to explore more in my upcoming films! Keep an eye out for them over the next few months!

And yes, I do have a casting couch! *wink wink*

IMAGE COURTESY OF ALPHAMALEMEDIA

A QUICK ONE WITH TROJAN ROCK

role do you prefer more, acting or producing?

Yes, of course I love my job! And which do I prefer? Acting, no competition. It's been great to fuck with the best looking hunks in the world. Wow, what a job. Pure pleasure! Nowadays I am more and more behind the camera producing, which has rewards of it's own. It's fun to create fantasies for other people, especially when I am into those fantasies too. Also I like finding the new talent, and working with a fun team.

Any new releases coming our way anytime soon?

Next out on DVD is *Man Exchange*, where we get to see the best of the Stateside actors come over and flip flop with our top UK guys. So if you like Spencer Reed or Connor Habib for example, you are in for a real treat! And following that, I was in the studio today with newcomer muscle hunk Jack Union and super stud Scott Hunter who we're shooting for *Trojan's Toybox*.

Ok, let's get personal Trojan. Spit or swallow?

Ah well, I love a facial, but I only swallow for my bf Carlo Cox!

Best fuck on film?

Well, there have been so many (ha ha) but I've always loved my first DVD for Alphamalemedia, called *Out In The Open*. The scene with Adriano Marquez was a dream come true, I'd been a fan of his before. But also there was the four-way scene with Pier Sias, Kent North and Carlo Cox. There was so much chemistry in this video it's untrue!

Where can we find out more about you and Alphamalemedia?

If you want to be kept abreast of what's happening each day, then my blog www.trojanrock.com. Or check out www.alphamalemedia.com and, of course, www.alphamalefuckers.com.

PARADISE SPA...

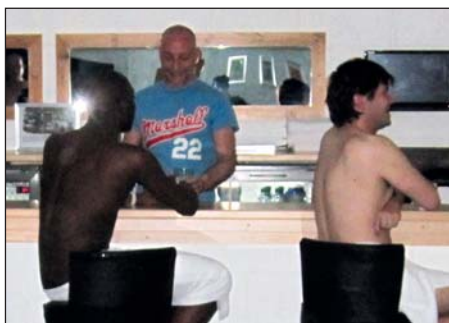

[NORTH LONDON'S NEW GAY SAUNA]

FINALLY NORTH LONDON HAS GOT A SAUNA OF ITS VERY OWN, AND NO MATTER WHAT PART OF LONDON YOU'RE FROM - OR EVEN IF YOU'RE JUST VISITING THE CAPITAL - PARADISE SPA IS A 'MUST SEE' SAUNA.

SPREAD over 4,000 sq. feet, it's smart and clean and has been built to an extremely high spec, incorporating all the facilities and features to ensure you'll have an enjoyable visit. The Jacuzzi must be one of the largest of any sauna around and the purpose built and designed sauna cabin is a pleasure to use. However, we're told that the nerve centre of this operation is undoubtedly the Lounge and Bar area, offering a range of drinks and confectionery at reasonable prices, and very soon a selection of hot snacks. Here you can relax and socialise, watch a bit of TV or a movie, surf the net for free, and even challenge the guy you've had your eye on all night to a game of pool! Of course, there's plenty of private cabins to relax in, dark rooms, and yes, a huge playroom with a sling, cage and even a revolving bed! There's also an outside smoking area, which you don't have to get dressed to make use of, so Paradise Spa really has got the lot. There's even a number of themed events planned over the next few months. The Paradise Team are a friendly bunch of guys too with a wealth of experience as they've operated five other gay saunas in the North of England and Wales over the last fifteen years.

FACILITIES:

- Sauna cabin
- Steam room

QXMEN IS LOVING...

BOB HAGER

THIS hirsute hunk made his COLT debut in the movie *Bear*, in which he was mostly seen wearing nothing but a jockstrap and boots... Yum!

Introducing Bob to the press last year, John Rutherford, COLT Studio Group owner, said, "This moustached and muscularly hairy-chested man is the quintessential COLT man... His legs are like tree

trunks and his fury chest is what many men dream of curling up against. Bob has an attitude that coincides with confidence and masculinity... all the things a true COLT man embodies consistently throughout the 44 year history of COLT Studio."

Bob now stars in the studio's latest feature *Uniform Men*, where he's dressed in a fireman's uniform. And just look at him here! He can get his hose out for us any time!
