WELCOME TO OCTOBER'S ISSUE OF QXMEN MAGAZINE...

BRITAIN'S FAVOURITE FREE GAY ADULT MONTHLY PUBLICATION!

WE'VE watched shed loads of hot new gay porn this month but unfortunately we've only got room to tell you about four of our favourite new releases (well okay, nine if you count the ones mentioned in this month's New Cummers and QXMEN Is Loving?).

Any Hole's A Goal is the latest release from Euroboy, and if you've ever fantasised about being rogered by a five-a-side football team (or is that only us) then you'll love this DVD. Spencer Reed is left in **Full Control** when Trojan Rock leaves him in charge while he jets off on a well-earned holiday in the sun. However, instead of being the responsible employee, sex-mad Spencer organises a sex party for his hunky Toolmen colleagues... in Trojan's luxury apartment! Chi Chi LaRue's **Two Is Wetter Than One** received mixed reactions when it was released earlier this year due to two of the film's stars, the identical Rosso Twins, soaping each other up in a steamy shower scene. Read the review to see what we made of it. And Bruno Bond's directed another classic fuck fest movie for Raging Stallion Studios. With no elaborate story or tricky lines for the porn stars to fluff, **Explosive** just has incredibly sexy guys fucking each other, just as Mother Nature intended.

Bruno Knight drops in for a natter and tells us all about what he's been up to, and gorgeous hairy muscle stud Junior Stellano recently announced that he's leaving the lucrative escorting business. In this month's issue he explains why.

Prowler's flagship store in London's Soho is celebrating its fifteenth birthday this month (we were there when it opened!) and the store is having fifteen days of amazing offers and fantastic events to mark the occasion. Another gay institution that had a birthday recently was Suzie Krueger's wild child **Hard On**. RoB London sponsored the event last month and this year's Mr Sleazy **Hard On** was chosen too. QXMEN was there to help celebrate nine years of London's favourite dirrty dance club. Plus we've got details about this year's Oi-Fest, the annual skin weekend happening this November at Boltz Club in Birmingham, and we find out a little bit about British Gay Skins (BGS) and the guys behind the event.

We've got details of some seriously sexy 2013 calendars available online at QXShop that you can win too, together

with loads of other competitions with pervy prizes!

And, of course, we've got your regular fix of gay porn news and gossip and plenty of gratuitous pictures of hot naked men... just because we can.

So sit back, relax, get your knob out and enjoy another edition of QXMEN Magazine... Michael, Ed. x

NEWS, GOSSIP & STUFF WE THOUGHT YOU'D LIKE TO KNOW

BECAUSE SKYHI CARE ABOUT YOUR ARSE...

● THE SkyHi Team are proud to announce a new addition to the FIST family, FIST Lube Powder.

GORGEOUS BEN COHEN AT PROWLER SOHO

● ENGLAND Rugby World Cup champion and all-round nice guy Ben Cohen returned to Prowler's Soho store last month to sign magazines, posters and, of course, pants to launch his new range of Bluebuck underwear.

TAKE it from us, that man is even more gorgeous in the flesh and the queue of guys eager to get in to see him, snaked out of the door and down the road. The special edition briefs, trunks and boxer-briefs have been commissioned in support of the StandUp Foundation, which raises awareness of the

long-term, damaging effects of bullying, with particular attention given to the so often bullied gay community. You can pick up a pair of Ben Cohen Bluebuck pants in Prowler stores and online at **StandUpFoundation.com**, where you can also purchase the Ben Cohen 2013 Calendar.

"WE'RE really excited about this new product," Carlo from SkyHi told QXMEN. "We only include the FIST brand on products we are proud of!" FIST Lube Powder joins the tried and tested SkyHi FIST range which includes FIST Jocks, FIST Lube, FIST Silk, FIST Relax and FIST Aromas. Each 225g tub makes approximately 5 litres of lube (depending on how thick you want it) and is easy to mix, long lasting and latex and condom friendly. It only costs £12 (RRP) and you can get it online at skyhi.me.uk, at leading UK retailers including Prowler & RoB stores, London's Expectations and Fifty, and outlets across Europe. And to show you just how much the SkyHi Team care about your arse, they've got ten - yes ten! - prizes of FIST Lube Powder, FIST Relax Anal Spray and FIST Aromas! All you need to do to be in with a chance of winning one is send an email with QXMEN Competition in the subject field to orders@skyhi.me.uk. The competition closes on Wednesday October 31st at 5pm, when the 10 lucky winners will be chosen at random... Good luck!

ANY HOLE'S A GOAL!

Studio: Euroboy	Starring: Skylar Blu, Damion Harrison, Riley Smith, Jonny Parker,
Directed by: Michael Burling	Leo Foxx, Damian Boss, Lucas Davidson, Luke Desmond.
Available from Prowler, Expectations, White Tiger and all good DVD stockists.	

SKYLAR Blu cost his squad the match and now he has to pay the price! Watch as each of his fit, young five-a-side team mates take their frustration out on both of Skylar's tender holes. But poor Skylar's ordeal isn't over because when four guys from the team that beat them find him nursing his bruised and battered arse in the showers, they take advantage of his vulnerable state and use his holes for their pleasure right then and there!

WHEN Skylar's team mates corner him in the changing room after the match and tell him he's got to pay, he gets down on his knees and starts sucking their cocks. But it's not long before young Skylar is stripped naked and put on the physio bench, looking like a lamb just before it's ceremonially slaughtered! And shortly after, the relentless fucking of Skylar's mouth and boy butt begins. Each of his four team mates use his mouth and arse hole, fucking him hard and fast until, one by one, they shoot their thick wads of spunk all over him. There's no cheesy script for the lads to stumble over, and all you can hear are the lads' grunts and groans and Skylar's whimpers, echo round the cold changing walls. Leaving Skylar naked, breathless and covered in their spunk, his four team mates get dressed and leave, not once glancing back at him to check he's okay. But Skylar doesn't mind - he's just relieved that his ordeal is over. Oh the poor lad, how wrong he is, as his team mates have played a cruel joke meaning that the away team go into the wrong changing room and find the dishevelled Skylar naked and nursing his battered bum in the showers. Now finding an opposing team member naked and all alone without the protection of his fellow team mates is too tempting to pass up and the four rival footballers decide to teach Skylar a lesson he won't forget in a hurry. If you can believe it, the fucking by Skylar's team mates was a walk in the park compared to the brutal gang bang fucking the rival team - all hung like donkeys we hasten to add - put him through. And by the time they've finished tag teaming his arse, Skylar's hole looks not like an HGV has reversed up it!

TWINS: TWO IS WETTER THAN ONE

Studio: Channel 1 Releasing	Starring: Alex Andrews, Troy Halston, Evan Mercy, Hayden Richards, Erik Riot,
Directed by Chi Chi LaRue	Razor Riot, Liam Rosso, Luca Rosso, Nick Thompson, Trey Turner.
Available from Prowler, Expectations, White Tiger and all good DVD stockists.	

CHI CHI LARUE's Two Is Wetter Than One stars stunning identical twins, Liam and Luca Rosso, hot Channel 1 Releasing discoveries, muscle boyfriends Erik and Razor Riot, and also sees the return of gay porn icon Troy Halston!

SCENE one and when sexy, tattooed Evan Mercy is caught having a wank in the garden by handyman Nick Thompson, Nick decides to cool him down by pouring a watering can full of water all over him. As this doesn't work, and Evan's erection is showing no sign of subsiding, Nick gets down on his knees and sucks his new buddy's engorged tool, gagging on it as Evan fucks his face hard. Soon though, Evan's attention turns to Nick's hairy white arse and he bends him over a sun lounger and pounds his arse 'til both guys shoot. Next we meet Hayden Richards. He's cooling off by a plunge pool and playing with his large boner through a pair of tight blue Speedos. But just as we think he's going to get it out, we cut to sexy Trey Turner, who's getting his arse eaten out by Troy Halston whilst taking a shower. Troy's still got it and fucks Trey like a pro. And then we go back to Hayden, still poolside, but who's now got his cock out and is playing with it like a kid with a toy soldier. Musclebound boyfriends Erik and Razor Riot are up next and the two gorgeous hunks get down to some hot boyfriend action by the side of another swimming pool. After Erik and Razor have cum, we're back with poor Hayden Richards who's still all on his lonesome by the pool, but now with his fingers pleasuring his arse hole. We come to the final scene, which caused controversy Stateside as the Rosso twins are seen soaping each other down, and we're looking forward to seeing what all the fuss was about. But it looks like the good old BBFC decided that the British public weren't ready to see identical twins touching each other up, and took it upon themselves to cut the offending scene before granting the DVD its R18 grading. So we go straight into Alex Andrews and the twins' sex scene and okay, it is a scorching hot three-way. But we would've loved to have seen those twins doing it!

EXPLOSIVE

Studio: Raging Stallion Studios	Starring: Adam Champ, Alexander Garrett, Angelo Marconi, Derek Parker,
Directed by: Bruno Bond	Fabio Stallone, Jessie Colter, Marc Dylan.
Available in all good adult DVD shops and online at wwwSimplyGayDVD.com	

EXPLOSIVE is quintessentially Raging Stallion and what the studio does best; a no nonsense, in your face, all-sex scorchers that doesn't pretend to be anything other than hardcore gay porn! Watch as four of the hottest power bottoms - Latino stud Angelo Marconi, sex hound Jessie Colter, muscled and inked Derek Parker and hot young muscle, Marc Dylan - take on the wrath of three masterful tops. Director, Bruno Bond, knew exactly what he was doing when he enlisted the talents of his top guys, hirsute Adam Champ, Italian stallion Fabio Stallone and the massively hung Alexander Garrett.

MUSCLEBOUND jock Marc Dylan takes on furry muscle man Adam Champ in scene one and they tear off each other's clothes revealing Adam's hairy and harnessed chest, and Marc's baby smooth muscled torso. Marc knows what he wants and dives straight in to his master's crotch, wrapping his lips around Adam's pulsating cock. Adam focuses all of his attention on Marc's erect nipples before spitting onto his plaything's hole, readying it for the assault he's about to unleash. Up next, Alexander Garrett's looking hot in a flannel shirt and cowboy hat, as does hot gym bunny Jessie Colter in his biker gear. But the clothes don't stay on for long and Jessie's soon giving Alexander's hefty cock the attention it deserves. It's no secret that Jessie's one of the loudest, most vocal moaners around, and he doesn't hold back when Alexander launches a full on round of hard piston fuck thrusts. Derek Parker takes on Adam Champ in scene three and takes everything that his hirsute, rump-ruining master throws at him. He doesn't appear to care about breathing as Adam tea-bags him with his pendulous bull balls - the perfect natural gag. But he manages to beg Adam to fuck his arse. Angelo Marconi and Fabio Stallone bring up the rear and although Angelo's the bottom, he's of the 'power' variety and takes charge of macho hunk Fabio Stallone, stripping him to reveal the big man's broad pecs and strong, clean-shaven torso. Dropping to his knees, he devours Fabio's weighty, truly fat hunk of Italian meat, and gives his top man a wet and sloppy deep-throating before getting slammed hard in his big round behind by Fabio's curved monster meat!

FULL CONTROL

Studio: Alphamales	Starring: Spencer Reed, Dominic Pacifico, Billy Baval, Aitor Crash,
Directed by: Jack Jones	Damian Boss, Valentin Alsina, Adam Killian.
Available on DVD from Prowler, Clonezone, Nice'n'Naughty, or download in HD from EurocremeStore.com.	

WHILE hunky boss man Trojan Rock jets off to find some sunshine, gorgeous hunk Spencer Reed has been entrusted with the keys to his luxury London apartment. Oh Trojan, what were you thinking? And true to form, the first thing horn dog Spencer says is, "Fuck this work shit. I'm going to have myself a sex party!" Alphamale's Full Control gives you unprecedented access to Spencer's orgy!

WE find Spencer reclining on Trojan's sofa waiting for his guests to arrive. First through the door is musclebound bottom boy Dominic Pacifico, and in no time at all Spencer has him on his knees, with his trousers down, stretching his hairy butt cheeks wide apart to get full view of Dominic's puckered hole. Next to arrive is Brazilian stud Billy Baval and horny bottom Dominic's eyes light up as Billy's another top guy who can work over his insatiable butt! Billy gets the night's proceedings off to a flying start and slams his big thick Brazilian cock deep inside Dominic's furry bubble butt. The sight of the two guys fucking gets Spencer all fired up and he takes his turn and pounds Dominic's already lubed hole with his massive American cock. As Dominic and Billy rest on the sofa, four more of the Toolbox crew - Damian Boss, Aitor Crash, Valentin Alsina and Adam Killian - join the party. They've come straight from work and are still in their overalls, and if you have a thing for hunks in works overalls you're going shoot your load at the sight of them! But their overalls are only left on for a matter of seconds before these guys are bollock naked and getting down to some seriously horny butt munching and face fucking. Relative newbie Damian has an impressive slab of meat between his legs, and together with sexy Spanish sleaze dog Aitor and resident bottom boy Dominic, the guys make up a formidable threesome of quintessential Alphamales. Sexy Valentin shows he can be a good bottom boy when he sucks both Billy and Adam's dicks one after the other. And when Adam takes a liking for his arse, he raises him, eats out his pink hole and then stretches it open with his thumbs, just wide enough to accommodate that famously thick dick of his - all the while Billy keeps him quiet with his dick in his throat... You've got to hand it to Spencer. That guy sure can throw an awesome sex party!

NEW CUMMERS

NEW AND UPCOMING RELEASES THAT LOOK HOT!

USE ME LIKE A TOOL

AT the end of a hard day's work, the crew of horny labourers in the latest Monster Bang Video from Raging Stallion Studios, just want to let off steam and fuck! And they do this by powering up their tools and hammering their way deep into their

workmates' eager holes. Hall-of-Fame Director Steve Cruz wasn't fuckin' around when he paired super hot and super hung Exclusive D.O. with – not only one but two amazing bottoms – Trenton Ducati and Jessie Colter. And he didn't stop there, because next he brought in the massive (in muscles and cock) Spencer Reed to pummel sexy Spencer Fox. And finally Cruz offers up two exclusives in a hot as hell finale, humongous cocked Charlie Harding and hairy, insatiable bottom Jason Michaels... Pile-drive fucking never looked so good!

CHERRY POP

WE can all remember the time our cherries were popped. And you can watch the moment these young and very cute Eurocreme twinks got their cherries popped, courtesy of hot director Mike Esser. Sexy Harley Everett stars as the one 'older' (well over 30!) beefy, top guy, and he's joined by sexy Luke (donkey dick) Desmond, gorgeous Eurocreme Exclusives Billy Rubens and JP Dubois and a five more pretty young things. From office-based shenanigans to hardcore rooftop gym sessions, these Eurocreme twinks' first time fucks have been captured in glorious high definition!

KINKY ANGELS: PART 3

DUBBED the 'ultimate uber-twink collection', BelAmi's Kinky Angels is a seven part magazine-style series featuring the studio's new generation of fresh, young models. Andre Boleyn was the star of Part 1 and Kevin Warhol the star of Part 2. But get ready to blow your load when you see Adam Archuleta, the hot little pocket-rocket

who makes his debut in Kinky Angels Part 3! George Duroy said of the sexy twink, "Adam first arrived at BelAmi in the form of a cheap photograph from one of our scouts... I took a chance and invited him for an interview." Well, all we can say is, thank goodness George takes chances. That guy sure can spot potential.

MALPRACTICE

IF you're admitted to the Hot House Clinic suffering chest pains, chances are you'll be given an anal examination. If you're in to get the plaster cast removed from your broken arm, chances are

they'll recommend you have an anal examination. Book in for an eye test at the Hot House Clinic and, yes you've guessed it, you'll have a lubed finger probing your rectum quicker than you can say "20/20 vision". Doctor Dean Flynn

is joined by Trenton Ducati, Jimmy Durano, Ty Roderick, Edin Sol, Evan Mercy and Parker Wright, in Hot House Video's perverted doctor and patient romp, where the twisted medical staff can't keep their hands off or their clothes on!

HEY PORN WORLD, I'M BACK!

● AS usual, I'm gonna start by talking about what's been going on in the crazy world of BK. Last month I told you about all the stuff that was happening with two of my brands **URSBearWear.com** and **BrunoKnightPresents.com**. Well, URS is going from strength to strength and the brand has now gone global - I couldn't be happier! We've now added much, much more to the website, from hot new polo shirts to cool pendants and key fobs... So guys, what are you waiting for? Go check it out!! (grins)

As for BKP BrunoKnightPresents.com... OMG! This has taken its toll on me. Who would have thought that designing and launching my own range of leather garments and toys could be sooooo tiring? Although, I must say, trying on and testing

everything out before I put it in my online store has been... well, lets say - fun! I mean, c'mon, who wouldn't like a daily (sometimes twice daily) dose of leather, lube and toys? (smile)

But it hasn't been all work, work, work for me this month. I managed to head north to Manchester Pride to say goodbye and party at the very last Federation event at the Ritz (that's the club not the hotel - LOL) Seems I wasn't the only porn star to find this a party worth celebrating. I saw the very sexy Ben Statham and also my ex-boyfriend and now retired porn star, Ben Brown. So happy to see him and his new man living life to the max! So, Federation's Finale was a blast, but I am sad to see a 10yr party finally close its doors.

IMAGE FROM THE MARRIAGE COUNCELLOR © MENATPLAY.COM

ON SET

● PAUL WAGNER returns to **Menatplay.com** this month when he's coupled up with sexy Spaniard Scott

Carter. Following on the theme of Paul's first hardcore film for Menatplay *The Marriage Counsellor*, Paul meets his next client - played by Scott - in his office,

but has to change his suit after being caught out in a downpour. Being the professional counsellor that Paul is, he changes behind a screen. But the sunlight through the window gives Scott a very nice view of Paul's naked silhouette... Members vote Paul Wagner Menatplay's Top Model at the moment, so this one should be a winner. We also see the return of Jake Genesis coupled with Samuel Colt. In what most would view as a very Menatplay-styled film, the action takes place in an exclusive tailors where the two men become

fully suited and booted. And when Jake makes a move on his client, it's not long before Samuel is watching himself being fucked by Jake in the mirror!

OFF SET

● MY other fun this past month was with two men and a lot of heat! They took me to a place I've never been before and, trust me, I don't say that lightly or often. I went hot air ballooning - WOW! It was an experience I will never, ever forget - amazing! I loved it so much I went out this week and purchased my own balloon! Watch

out for the Bruno Knight Flight Experience coming soon! Back down to earth and life in the porn world... I've been training super-

über-mega hard with my personal trainer/body builder, Leo, for my performance at Hustlaball NYC. I'm sooo excited to be going back

to the Big Apple, and I'm currently in talks with Michael Lucas about shooting another scene with Lucas Entertainment to follow up on my debut water sports movie, Urine Ibiza - one of my proudest scenes to date! Sadly I had to decline going to San Francisco for Folsom this year as it's going to overlap with Hustlaball NYC. (sad face)

COMING UP IN NEXT MONTH'S QXMEN!

● I talk about fitness and training with body builder Leo Harley, and super sexy porn stud Mitch Vaughn, who'll be here from the U.S., shows me how he keeps his body in such amazing shape... Phwoar, he is HOT!!! So don't miss it!

Talk soon guys... Best, Bruno

JUST A GIGOLO

JUNIOR STELLANO WAS JUST 18-YEARS-OLD WHEN, FOR A BET, HE STEPPED INTO A TATTOO PARLOUR IN NEW ORLEANS AND WAS FOREVER BRANDED WITH THE TINY HEART ON HIS RIGHT BUTT CHEEK THAT HAS BECOME HIS TRADEMARK.

BY MARK GRAY

"MY FRIENDS ALL KNEW MY FATHER WOULD KILL ME IF I GOT A TATTOO," HE REMEMBERS. "THEY DARED ME TO DO IT AND I WAS SO TRASHED (ON ALCOHOL), I DID. MY FATHER SAW IT AND LAUGHED HIS ASS OFF. A FEW YEARS LATER MY DAD, BROTHER AND I ALL GOT TATTOOS TOGETHER." SADLY, HIS FATHER PASSED AWAY IN 2003 AND DUE TO AN UNUSUAL SET OF CIRCUMSTANCES, HIS DEATH LEAD TO STELLANO JOINING RENTBOY.COM. SURPRISINGLY TO SOME, HE CALLS ESCORTING THE BEST THING THAT EVER HAPPENED TO HIM. HE MADE LOTS OF MONEY, IT LEAD TO HIM BECOMING A STAR OF (STRIP) STAGE AND (ADULT) SCREEN, AND MOST RECENTLY, HE WAS CHOSEN TO GRACE THE COVER OF THE WEBSITE'S ANNUAL CALENDAR.

SO WHY DID THE WORLD'S LEADING GIGOLO ANNOUNCE THIS MONTH THAT HE IS LEAVING THE ESCORTING BIZ? MARK GRAY'S INQUIRING MIND NEEDED TO KNOW.

Why do you think Rentboy.com chose you as their 2013 calendar boy?

There are thousands of guys out there who are better looking than me so I'd like to think I was chosen for my winning personality.

Are you "Just a Gigolo"?

There is way more to me than that. I earned my MBA and have worked corporate jobs since I graduated from grad school.

How did you get into escorting?

My father was a successful businessman and, when he passed away a few years ago, my family ended up in a legal battle where all our assets were frozen. I didn't make enough money at my 9-5 to see my family through the tough time, so I pimped myself out and it turned out to be the best thing I have ever done. ▶

▶ **Becoming an escort was the best thing you ever did?**

It brought the world to my doorstep and opened so many opportunities. When clients realised there was more to me than "just a gigolo", they treated me with respect and I was able to work with a higher-class client base. Then after I became an international porn model, the Junior Stellano brand went into over-drive. I had my family's back covered and then some.

"I PIMPED MYSELF OUT AND IT TURNED OUT TO BE THE BEST THING I HAVE EVER DONE."

Why have you decided to retire from the biz?

I landed an amazing job in fashion and was recently promoted to VP. Rentboy.com opened the door but the rest was all me. Also, my family's difficult financial situation ended and we came out on top. My father would have been proud. My family and our future are secure once again. But I do miss being a rent boy.

What would you like people to know about the rent boy profession?

People should know that rent boys are not sex

machines or toys. We are people with feelings and emotions. There are escorts who have bright futures ahead of them. Like myself, many are educated and come from good homes and were taught morals and manners and are using Rentboy.com as a stepping-stone to bigger things. Some are escorting because of the poor economic situation in our country.

Can anyone be a rent boy?

It takes a certain type of guy to do what we do. It's not easy to separate work from play. Clients should also know hard-working rent boys are not out to con, rob or hurt them in any way. They just want to put food on the table.

How has the escort business fared in this down economy?

Sex sells. I had clients on unemployment hire me.

Would you ever pay for a rent boy?

It's funny you should ask that question and I am surprised you did. Yes! I have paid for many escorts, and trust me they are very happy when they walk in my door.

Who is someone you have paid for?

I have so many good friends in the business from all over the world, so that's a question I can't answer. I have my privacy too.

Are you single?

Now that escorting is over and my life is about family and career, I have started to date again. I recently met someone special. I'm not sure I was ever really in love before because I have never felt the feelings I feel now. I think I'm in love.

How does he feel about your porn career?

He's okay with a few more years of me making porn. It takes a mature, secure, real man to see past such things. My man loves me and he is proud of me and proud to be with me.

What are you most looking forward to in 2013?

I look forward to seeing where my new relationship will take me. I look forward to getting back to work with some of my favourite porn studios and making some awesome new movies, and I look forward to being the best VP my company has ever had.

● **THAT'S** either a look of pure ecstasy on young JP DuBois' face or Cockney geezer Paddy O'Brian's Hampton Wick really is hurting him!

BUT since we've seen JP getting a good pounding in countless porn flicks, we know this lad can handle a big cock, and that's definitely a look of pleasure on his face...

BELAMI REBELS

● WE'RE used to seeing the beautiful boys of European porn studio BelAmi photographed in soft focus, frolicking about and having pillow fights with each other on expensive 500 count Egyptian cotton sheets. There's nothing wrong with that we hasten to add, as they always look gorgeous and good enough to eat.

So imagine our surprise when we clapped eyes on **BELAMI REBELS**, a new photo book by Spanish celebrity photographer Joan Crisol. Gone are the trademark 'butter wouldn't melt' innocent looks the boys so masterfully pull off. Instead, say hello to a bunch of tough-looking wild lads who wouldn't look out of place in a sleazy hard-core porn flick set in a young offenders institute... That's a compliment by the way!

One word describes this book, and that's PHWOAR!

SAVE £10 WITH QXSHOP!

● ORDER BelAmi Rebels from www.QXShop.co.uk and you'll pay just £39.99... that's a tenner cheaper than the RRP! Place your order before midday and you should receive it within 24hours.

I REALLY WANT ONE OF THOSE!!!

THE calendars on our iPhones and laptops are invaluable as they organise our busy social and business lives. The one thing they don't do, however, is give us a boner when we look at them... Unlike these hot 2013 wall calendars, published by Bruno Gmunder!

● OVER the last twelve months QXMEN has reviewed the glossy coffee table books that have inspired these calendars, and once you have one we guarantee you'll be wishing next year away...

stable, one of Dylan Rosser's exquisitely photographed models, or one of Rick Day's insanely sexy hunks... Whichever one you choose, it's going to be a darn sight more pleasing on the eye than your mobile or online 2013 calendar!

Why? Because you're going to be extra keen for each month to end, just so you can turn over the page to see next month's sexy guy. He could be a BelAmi model, a ripped hunk from the Hot House

WIN WE'VE got all 11 calendars to be won! To be in with a chance of winning one, just send us an email with your name and address to editorial@qxmen.com placing QXShop October Competition in the subject field, or post it by snail mail to QXMEN, QXShop October Competition, 23 Denmark Street, London WC2H 8NH. The competition closing date is Wednesday October 31st at 5pm and the winners will be drawn at random.

PRICES start at just £11.99 and when you order any of these 2013 calendars from QXShop.co.uk, you'll save £2 on the RRP!

PROWLER SOHO TURNS 15

... AND CELEBRATES WITH 15 DAYS OF OFFERS AND EVENTS!

SOME gay businesses come and go, but iconic gay brand Prowler hasn't had any problems keeping it up.

This month its flagship Soho store is celebrating its fifteenth birthday and has announced a string of offers, events and exciting activities which run for 15 days from Monday 8th through to Monday 22nd October.

● PROWLER SOHO'S legendary Blue Room, at the rear of the store (where else!) is a home-from-home for us. It's where you can pick up the sleaziest of porn DVDs, be it a brand new release or a pre-condom classic, and where you'll find a great selection of aromas, stims, sex toys and other accoutrements needed to keep you ready for action!

● THE Blue Room has some great new additions to its already huge ranges too, including new stims Extra Strong (2 for £10 or 6 for £30), Maximum Virility (2 for £10) and VXL, which we're told that at 10 for £80, are a major seller... And hot off the press is news

of a brand new super strength stimulant arriving soon, called Performax. You heard it here first! HardOn (£7.99 each or 3 for £20) and FIST (£7 each or 3 for £18) are two new aromas to arrive in store, and you can now also pick up a 225g tub of FIST Lube

Powder too! There's also a great range of inflatable dildos and butt plugs in stock with prices starting at just £14.99! And in spite of online trends, the gay porn DVD market is booming, and the guys at Prowler have told us that Euroboy, Bareback Boys, and new studios Raw Reality and Fucked! are all popular labels right now... Find hot DVDs from these studios and heaps of others in Prowler Soho's Blue Room.

BRITISH GAY SKINS

AN INTRODUCTION

IN 2008 two guys called Steve and Mickey organised their first gay skinhead night in Boltz Club, the Midland's horniest and sleaziest cruise club. Back then they

called it Birmingham Gay Skins... It's now known as British Gay Skins (BGS). Their vision was to not just to put on great events for gay skinheads, but also to unite gay skins across Europe. To develop a sense of community and a social network for guys of every creed, colour, sexuality, age and size who are into fetish skin attire or the skinhead lifestyle and culture. The first BGS Skin Night was a huge success and soon became a regular fixture at Boltz, now home to sell out event Full-On-Fetish and loads of other pervy fetish nights like SportLadz and Dare To Bare. As popularity grew, the promoters came up with the idea of having an annual skinhead weekend event, and in January 2009 Oi-Fest! was created. While BGS Skin Nights continued to run on a bi monthly

basis, the first Oi-Fest! Weekend took place in November 2009 and approximately 300 skins attended. By last year's Oi-Fest! 03, numbers had almost doubled and guys were not only coming from all over the UK, but from all over Europe too. Oi-Fest has become an annual pilgrimage for gay skins, and is now a major gay skinhead event and one of the biggest of its kind in Europe.

OI-FEST! 04

OI-FEST! 04, sponsored by Boltz Club, TwistedPig, SX Cells and Hog Works, will once again take over Boltz Club from November 16th to 18th. Expect a packed programme of events over the weekend, including the launch of the BGS Bootboy Competition, the Saturday Gear Bazaar, free Bar-B-Q, demos in bondage, etc, plus a raffle with a huge prize worth £500! All this, and you'll be in the company of Europe's horniest and friendliest skins too!

DRRESSCODE (applies after 9pm)

BOOTS or DM shoes are a must - no trainers!
Traditional skin: Sta Press trousers, shirt, braces, crombie, skin suits, plain jeans. Conventional skin: Fred Perry, skin shirts, football and polo tops, braces, bleachers, denim jeans or cammos or similar, DMs, Rangers, Grinders or similar, Harrington, MA1, denim jacket Alpha jacket and similar are all ok. Rubber, Leather & Uniform skins are also allowed, and Oi-Fest! has no set requirement for hair.

JOIN THE BROTHERHOOD

BE part of something bigger, make new mates and reunite with old ones when you become a BGS GOLD Member for just £15 a year. More and more guys are becoming members and getting loads of great benefits, including discounted entry to BGS events and Saturday nights at Boltz Club, heaps of discounts at places like Clonezone Birmingham, TwistedPig, SX Cells and much more!

● TO become a member or for more info about British Gay Skins and Oi-Fest! 04, check out *britishgayskins.co.uk* and *oifest.britishgayskins.co.uk*.

BGS are planning events across the UK! On Friday October 19th, Brighton's Subline Cruise Bar plays host to a BGS Skin Night.

IT'S A FACT... NO ONE LIKES CONDOMS

NO one likes the way they smell or the way they taste. And no one likes the fact that you've got to stop what you're doing (which is usually something pretty damn good) fumble about trying get the blasted thing out of its impenetrable foil wrapper, and then switch the lights on to try and work out which way it goes on... Mmmm, how sexy!

● SO it's a smack in the face then that almost half the guys in the country complain the one-size-fits-all type... don't! For guys that have been blessed with big dicks, standard sized or even the so called 'large' condoms can feel tight and uncomfortable, and a nationwide study reported that almost half of guys asked said they'd used ill-fitting, overly capacious condoms, which were far more likely to slip off or break — or simply be stripped off mid-fuck.

It's a no brainer really... Guys come in all shapes and sizes — and so do our cocks. We can buy our clothes and shoes in different sizes and they can all be made to measure. So why, until TheyFit came along, weren't we given the same choices when buying condoms.

Now, you'd be forgiven for thinking that 95 different sizes of custom fit condoms is a little excessive, but TheyFit's Joe Nelson told us that it only took 72 hours for the company to sell every size at least once!

In fact, Joe admits that he now knows more about fitting latex to dicks than is healthy for a straight guy to know, and that he and the TheyFit team have become Cock Connoisseurs! So QXMEN set them a challenge and asked which of these appendages, belonging to stars of Hot House Entertainment's Backroom Videos, is - in their opinion -the most anatomically perfect. Joe and his team jumped at the chance to prove their 'cock credentials' and want to give one QXMEN reader a year's supply of TheyFit custom fit condoms! So take a look at these nine cocks and tell us which one you think is the most anatomically perfect. Let us know by email or snail mail to the usual addresses and get your entry in by 5pm on Wednesday October 31st. The names of everyone that picked the same cock as Joe and the TheyFit team will go into a hat and one will be chosen to win a year's supply of TheyFit custom fit condoms!

FOR more info and to order your custom fit condoms, go to www.theyfit.co.uk

IT was that dirrrty dance club Hard On's birthday last month, and if you want our opinion, gay London's doyenne of sleaze, Miss Suzie Krueger, hasn't shown that club of hers enough discipline over the years and it's turning out to be one hell of a mischievous 9-year-old!

HARD ON'S 9TH BIRTHDAY ■ 15/09/2012

RoB London, purveyors of leather, rubber and twisted gear, sponsored the night and the store's sexy staff manned the doors and greeted revellers with gifts of aromas and RoB London Gold Cards! The Mr Sleazy Hard On Contest 2012 was held at midnight and horny Italian Ale Tebesco (pictured top left in a yellow rubber apron), who put on a hot show which included water sports, toys and finished with a full-on sex show, took first prize. He went home with £200 cash and won a photo shoot for RoB London (which he'll be paid a further £200 for) plus RoB London and Hard On Gold Cards too! Runner up Rob Dohan wowed the crowd by proving he needn't ever leave the house, as he's a self-sucker! Now there's a contestant for the next *Britain's Got Talent!* For his amazing feats of contortionism, Rob took home £100 cash and RoB London and Hard On Gold Cards.

THE next Hard On is on October 27th (that's the fourth Saturday of the month guys). Check out HardOnClub.co.uk for details and to get annual membership for just £10. Doors open at 10pm and the club closes at 6am. Members £15/Guests £20.

RoB London's next club night is Hoist Black on September 29th at The Hoist in London. Call the RoB London store on 020 3073 1010 or email them at london@rob.nl and ask the guys to put you on the guest list for free entry. For more info about Hoist Black, go to TheHoist.co.uk

As the night went on, Union filled with hundreds of horny and up-for-it, fetish-loving guys and tough cookie, Suzie, was kept busy all night! Much like she'll be over the next couple of weeks we expect, working alongside Rob Rutt of London's RUT, as they finalise plans for London's biggest underground leather party, Hotwired on October 13th!

OX MEN
IS LOVING...

... JESSY
ARES'
HOT NEW TOUGH
MAN LOOK

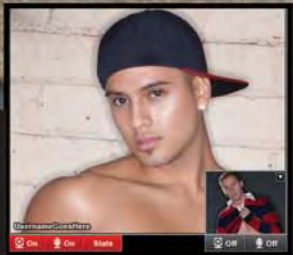

● DON'T get me wrong; I thought Jessy was a good looking guy when he burst onto the gay porn circuit, signing as a TitanMan Exclusive in 2010. But just look at what a few extra hours in the gym and shaving his hair off has done for him!

Maybe it's just me, but Jessy looks like a completely different guy. In fact when I first saw pictures of him from the new Lucas Entertainment DVD *Awake*, I did a double take!

Gone is the old Jessy Ares, wholesome, clean cut and always smiling. And in his place stands Jessy Ares, a booding hunk who oozes sex appeal and looks like he'd give you the fuck of your life!

We know which one we prefer...

Hot 'n horny hookups.
