# WELCOME TO JANUARY'S ISSUE OF QXMEN...

**WE have the feeling that 2013 is going to be a good year for gay porn. Why do we think that? Because we've seen some of the DVDs that are on release this month and they're hot-as-hell.**

SO, down to this month's DVD selection and Hot House Entertainment's latest Pack Attack movie (number 7) features hot bottom Troy Daniels, and boy, is he greedy! There's another film hot studio Fucked! called **GangBanging Lads** and it's hot and sleazy as fuck! **The Woods** is a ball-busting, two-part blockbuster from Raging Stallion Studios, which has to be seen to be believed, and we loved **Bachelor Party**, another hot tale from The DreamBoy Hotel web series. We've also seen snippets of Euroboy's **Smart Asses**, and the studio's seven hour, 3-disc pack **Teen Fuck Fest**. There's a new Alphamles.com DVD out this month too called **Fired Up** and boy does it look hot. There's even one for guys who have fantasies about hot policeman, Stud Fuckez' **Police Sex Pigs**.

There's more porn related features in this month's issue, and if you're a fan of Eurocreme you'll love our pictorial celebration of the studio's tenth birthday, plus Zack Hadley tells us how filming is going for his new website ScottXXX.com.

Planning a trip Stateside this year? If so, then you'll want to read all about one of New York's hottest events at Manhattan's Roseland Ballroom in March. The

BPX: Black Party Expo weekend opens with The Hookies, the 7th Annual International Escort Awards, which celebrates the best in the male escort industry. This is followed by the BPX: Black Party Expo and Bazaar, where you can shop for porn, sex toys, fetish wear, erotic art and more, plus you'll be mingling with the hottest porn stars on the planet! Then after Expo it's the notorious RITES XXXIII: Black Party, one of gay New York's most anticipated fetish-oriented parties!

THE WOODS PART 1&2

Closer to home though and later this month, we've got details about Bristol's R7 - the largest men-only super club outside of London - that's hosting Bearotica, a party for guys who love their men big and beefy.

If you're in need of a little retail therapy then check out our pages of what's hot online at QXShop and in-store at Prowler and Expectations. We've got competitions with some great prizes and,

of course, we've got your regular fix of gay porn news and gossip and plenty of gratuitous pictures of hot naked men...

So sit back, relax, get your knob out and enjoy another edition of QXMEN Magazine...

Enjoy, Michael the Editor. x

NEWS, GOSSIP & STUFF WE THOUGHT YOU'D LIKE TO KNOW

## START 2013 WITH A STONKING HARD ON

● **HARD ON, your durty dance club, kicks open its doors at 10pm on Saturday January 19th for the first party of 2013.**

THE theme of this month's Hard On is leather and, although all other fetishes are of course welcome, you'll get a fiver off the entry fee if you turn up in full leather, i.e., Muir cap, jacket, shirt, jeans, boots, etc.

Hot daddy porn star, Samuel Colt, will be making a very special appearance and you will not want to miss his show! Music's gonna be provided by Halo-is and Brent Nicholls, and for the guys that frequent Hard On for reasons other than the music, there'll be the usual play area with loads of equipment, the wet zone, glory holes, private cubicles and a heated outdoor smoking terrace.

Hard On Membership is no longer required, but if you want to become a member (which only costs £10 for a year) and enjoy all the benefits that come with it, like discounts with loads of fetish shops, then you need to sign up online at [www.hardonclub.co.uk](http://www.hardonclub.co.uk) 24 hours before the party. Hard On enforces a strict dress

code of rubber, leather, sports kit, skin gear or just your boots. No plain jeans or trackies lads, and trainers are only allowed with sports kit. You'll find Hard On at Union, 66 Albert Embankment, Vauxhall SE1. Entry's £15 for members and £20 for guests.

## SPOT THE BALL

● **FANCY winning yourself an annual subscription to QXMEN magazine?**

WELL you can if you enter our competition and tell us from which DVD review in this month's issue we've snaffled these juicy plums. Email your answer with your name and contact details to [editorial@qxmen.com](mailto:editorial@qxmen.com) with January Spot The Ball Competition in the subject field, or post it to QXMEN, January Spot The Ball Competition, 23 Denmark Street, London WC2H 8NH. The competition closes on Thursday January 31st and the winner will be drawn at random.

## WIN ALPHAMALES & TROJAN'S TOOLBOX GOODIES!

● **HOT on the heels of the exclusive Eurocreme merchandise comes a new line of gay porn goodness, this time featuring the hairy hunks and muscle boys from Trojan Rock's Alphamales and his hot Toolbox crew.**

WE'RE loving the Alphamales 2013 desktop calendar which has a different hunk to salivate over each month. For the whole month of January you've got the gorgeous Ben Brown to look at, that hot blooded Spanish fucker Aitor Crash will keep you warm throughout February, and one that we'd really like to stick it to, Scott Hunter, will be looking at you with those puppy dog eyes all of May! Which hunks do you think feature on the other nine months? You'll just have to get one to find out.

Good luck! Sorry guys but the competition's open to UK residents only. If you're not lucky enough to win this month's Spot The Ball then why not take out a subscription? It only costs £39.99 a year for UK mainland addresses. Overseas subscriptions are available too - just ask for details. Call 020 7379 8040 (Mon to Fri 10am-6pm) and ask for Subscriptions, or send a cheque or postal order, made payable to Firststar Ltd, to QXMEN Subscriptions, 2nd Floor, 23 Denmark Street, London WC2H 8NH.

## EXPECTATIONS SPREADS ITS WINGS AT EAGLE LONDON

● **IF we told you that there's a men-only cruise club in London where you can have a pint, shoot some pool, chill out in a stunning beer garden, buy yourself a jock strap and harness, a cock ring, some nipple clamps and a bottle of aromas, and then cruise hot guys, you'd think we were off our rocker!**

BUT we kid you not. Eagle London, in the heart of the capital's

gay Vauxhall and home of legendary club nights Horse Meat Disco, Tonker and Carpet Burn, now has its very own branch of leading fetish store Expectations! QXMEN was at the launch night of this groundbreaking new venture back in

December, and we have a feeling that, as our lives get ever busier, shopping/clubbing hybrids like Expectations at Eagle London will be popping up everywhere... In fact, word on the street is that a branch of Iceland is to open at Hard On!

## WIN BOYS 2013 CALENDAR

● **IF you're looking for a calendar that's sexy yet classy then look no further than Boys 2013 by acclaimed French photographer Lionel André.**

Order the Boys 2013 Calendar at this link [http://www.lionelandre.com/shop/Calendar\\_2013.html](http://www.lionelandre.com/shop/Calendar_2013.html) and watch the behind the scenes video at <http://youtu.be/ah0NLVvLSG4>. ## GANGBANGING LADS

<b>Studio:</b> Fucked!	<b>Starring:</b> Jordan Fox, Kallum Ash, Troy Bolton, Lucky Joe, Kenny Carlson, Basti Winkler, Florian Hagen, Kai Cruz, Raul Zambrano, Stefan Lückede, Jason Sky, Rado, Drako Brice, Alex Pain, Marco Valente, Andy Stone, Tom Stone, Steve Flick, Nathan Kain, Sascha Steigenberger, Andy Davison, Michael Finn.
Available from Prowler, Expectations, White Tiger and all good DVD stockists.	

**WHEN one cock isn't enough and these horny lads beg for more, they end up with more than they bargained for! In the latest DVD from one of our favourite new studios, the lads don't just get fucked - they get gang-fucked! Get ready for six scenes, featuring twenty-two sexy young bad boys, gang fucking and spit-roasting their mates! Yes, these lads are getting gang banged and they won't be walking properly for days!**

SCENE one and five young lads are playing a game of strip poker with a Madame (who we think is actually a mister). Luckily, he/she leaves the room and the lads, who are already half undressed, strip off their clothes and get down to some serious fucking on top of the poker table... Not bad, but the action (and the lads) gets hotter in the next scene which features two Brits and two German lads getting it on after drinking a suspicious concoction! Sexy fucker Kai Cruz is up next and he's joined by three equally sexy young scallies, German we think, and they're on the roof of a derelict building, all fucking like there's no tomorrow. Now, we don't know where the guys at Fucked! find their locations, but they deserve a medal because every one of them is horny as hell! In the next scene four hot guys - one of them we recognise as hung top Jordan Fox - are sat round in a derelict factory. They're playing a game along the lines of Spin the Bottle, where the winner (or loser, whichever way you look at it) gets gang fucked by his mates. Next up three young skanks repay the kindness of a cute lad who's offered to help them with their broken down car, by gang banging him over the bonnet - charming! And bringing up the rear, the final scene features three hotties getting down to some serious fucking, this time in the comfort of a bedroom... Being a film by the studio Fucked! though, they still manage to make it look dirty!

## PACK ATTACK 7: TROY DANIELS

<b>Studio:</b> Hot House Entertainment	<b>Starring:</b> Troy Daniels, Trenton Ducati, Jimmy Durano, Josh West,
<b>Directed by:</b> Christian Owen	Ty Roderick, Fabio Stallone.
Available from Prowler, Expectations, White Tiger and all good DVD stockists, and at <a href="http://www.ProwlerDVD.com">www.ProwlerDVD.com</a>	

**IN the seventh Pack Attack movie, the pack's plaything, Troy Daniels, arrives in a crate marked 'Fragile'. But the horse-hung tops don't know the meaning of the word and Troy gets manhandled, roughed up, and fucked in every hole... just the way he likes it.**

AS soon as the crate arrives at the warehouse the pack moves in. They pry it open to discover Troy Daniels inside wearing only a jockstrap and a smile. They drag him out of the crate and immediately start probing his bubble-but with their fingers and tongues. When each of the five hot tops pulls out his cock Troy sees that there's not one that's less than eight inches, and like a kid in a candy shop he moves around, sucking and jacking each guy's dick. The tops, now horned to the max, strip naked and stand in a circle, grabbing Troy's head and pushing him down on their huge dicks, one-by-one until he gags, swallowing each 8-incher to the base! Josh West kicks back for some attention from Troy's deep throat while Ty Roderick moves in to work over his tight hole. Muscular studs Fabio Stallone, Trenton Ducati and Jimmy Durano take turns grabbing Troy's head and slamming his face hard, and the pack throws Troy onto his back and reward him for his hard work by jacking their loads of spunk all over Troy's chest and stomach.

Now the pack are ready to fuck Troy's hungry arse and they get in line, parading their rock hard cocks in front of Troy, who by now is begging them to fuck him. Jimmy Durano steps up first and pounds Troy's butt hard, but after a few thrusts greedy Troy wants more cock and so Trenton Ducati, Fabio Stallone, Ty Roderick and Josh West all take turns slamming his hot hungry hole! Lying on his back, Troy's now getting his mouth and arse plugged, but for this greedy cock pig, one in each hole isn't enough. And so with a cock in both holes and one in each hand too, Troy's soon covered in a second round of the pack's jizz!

## BACHELOR PARTY

Studio: Eurocreme	Starring: Brendan James, Jonny Garcia, JP Dubois, Darius Ferdynand,
Directed by Blacky Mendez	Billy Rubens, Mark Snow, Leo Domenico.
Available to buy at <a href="http://www.eurocreme.com">www.eurocreme.com</a> or watch high quality streaming at <a href="http://www.Eurocreme.tv">www.Eurocreme.tv</a>	

**THE antics at the hottest venue in town keep getting sexier, and when The DreamBoy Hotel hosts a Bachelor Party for hot young couple, cute Latino Jonny Garcia and his groom-to-be hot top Brendan James, you can bet that things are going to get very horny indeed!**

SCENE One, and it's the day before the bachelor party. The loved up couple show us just how much they're into each other and why they're getting hitched. The boys are worried that they're heading for a sexless marriage (even though it's only been five minutes since they last had a hot session) and strip out of their clothes. They're both rock hard in seconds and Jonny tucks into Brendan's long solid cock. They might be getting married, but these boys fuck like it's their first date, and Jonny gets screwed something rotten by top boy Brendan before shooting his load all over his face! Scene Two and Jonny is escorted blindfolded by QXMEN favourite Darius Ferdynand into The DreamBoy Hotel for his surprise bachelor party. Darius and Hotel Manager JP Dubois share a knowing smile and a quick kiss before JP takes Jonny to the room where the party's to be held. Still blindfolded, Jonny thinks it's Darius with him, and so happily sucks the cock that's thrust in his mouth. But he's not disappointed when he finds out that it's JP's and decides to indulge in some last minute fun before getting hitched! Darius soon enters the room and Jonny gets spit-roasted good and proper with JP and Darius swapping ends giving the groom-to-be the perfect wedding present! Scene Three and hottie Billy Rubens is manning Hotel Reception when in walks cute, curly haired Mark Snow with Brendan. Horned up Billy wants him but Brendan isn't so sure he should. But as Billy slowly strips, exposing that hot body of his, Brendan's face lights up and soon Billy - a champion fucker - is screwing Brendan's hole! Scene Four is a hot solo featuring Brendan's friend Mark wanking his cock and then shooting his load as he watches a video of stripper, sexy Mediterranean Leo Domenico, who he's booked for the party, before we get to the main event, the bachelor party! And being a DreamBoy Hotel movie it's no ordinary party - it's a spunk-splattered seven-man orgy!

## THE WOODS PARTS 1 & 2

<b>Studio:</b> Raging Stallion Studios	<b>Starring:</b> Alex Graham, Cal Skye, Charlie Harding, Chris Tyler, D.O., Dale Cooper, Jesse Santana, Jessy Ares, Jimmy Fanz, Kyle King, Landon Conrad, Marcus Ruhl, Paddy O'Brian, Parker Wright, Tom Wolfe, Tomas Brand, Trenton Ducati, Zeb Atlas
<b>Directed by:</b> Tony DiMarco	

The Woods Parts 1 & 2 are available in all good adult DVD shops and online at [www.SimplyGayDVD.com](http://www.SimplyGayDVD.com)

**THERE** have been reports of odd noises and blinding lights in the primal redwood forests of California, and something very peculiar is happening to the town's men folk. Guys who've never looked at another man are finding themselves with raging hard ons and an irresistible need to suck, fuck or get fucked by other guys! Some are saying "there's aliens in The Woods"... Could it be true?

OUR first glimpse into The Woods finds buddies Parker Wright and Dale Cooper kicking back with a joint by the campfire, having a deep conversation about what might be 'out there'. Just as Parker goes for a pee a weird metallic hum fills the air. When it stops both guys' cocks are pulsating with a strange energy and, unable to control themselves, Parker and Dale strip and fuck like animals, as though they were possessed. Something about the strange fog draws camper Alex Graham out of the tent he's sharing with Chris Tyler. When he comes back he dives straight under the sheets to suck Chris's cock and again, two guys who are usually buddies are suddenly fucking each other! Jimmy Fanz has a huge case of hero worship for Zeb Atlas, who takes him fishing in The Woods. The fish aren't biting, but these two buddies certainly are when Zeb gives Jimmy the fuck of his life. The ground is vibrating, but it's no earthquake! Something's taken possession of hot forest rangers Tom Wolfe and Cal Skye and again, two guys that usually get hard at the sight of a woman in a pair of hot pants, but today they have raging hard ons... for each other! Trenton Ducati is the forest ranger in charge of the area where people have been going missing. He's asleep, exhausted by the strange goings on, when he's woken by hot muscle daddy Tomas Brand. Tomas makes Trenton levitate off the bed and come back down hard, horny and needing to be sucked and fucked...

And so the strange goings on continue in The Woods!

IN Part Two Jesse Santana and D.O. venture deep in the woods and D.O. pushes Jesse against the trunk of a tree and fucks him until he can barely stand. They move to a tree stump and Jesse practically hyperventilates as D.O. tongue-fucks his sloppy hole before giving him his cock. Landon Conrad gets separated from his buddy Jessy Ares in The Woods, but when Jesse returns he's naked and Landon has an uncontrollable urge to have sex with him! Marcus Ruhl walks into Paddy O'Brian's tent and, finding him legs spread and playing with himself, helps himself to a mouthful of English cock. Is every man in The Woods gay? It would appear so, when a dazed and confused Kyle King walks into Ranger HQ where Trenton Ducati is working. Kyle's hard on is demanding attention and Trenton's happy to help out. Then in walks Ranger Charlie Harding, who catches the horny twosome at it, and instantly gets involved. As two becomes three their cum starts to spurt and as it does a mysterious blinding light shines upon them..... What can it be?

## POLICE SEX PIGS

● HAVE you ever fantasised about being arrested and, instead of taking down your particulars, the police officer takes down your pants and sticks his rock hard truncheon where the sun don't shine? If you have then you're not alone, as it turns out that loads of

guys (us included) have a secret yearning for a sexual encounter with an officer of the law. Police Sex Pigs from Stud Fuckers has five hot scenes featuring a selection of those horny boys in blue abusing their authority and getting exactly what they want, when they want it. This might be screwing the prisoners locked up behind bars, or gang fucking suspected criminals in broad daylight with their corrupt colleagues. These officers are armed, and dangerous, and the streets are less safe with these bent coppers patrolling them!

## SMART ARSES

● THE preppy geeks on the cover of Euroboy's latest DVD may look reserved and innocent, but looks can be very misleading, because as soon as they get into their dormitories they turn into horny, sex-crazed little fuckers! Yep, these cock-hungry nerds can suck cock better, fuck arse harder and swallow more loads than any 18 year olds that we know! Don't let the horn-rimmed glasses and side partings fool you. They may stay late after class but it's only so they can fuck each other senseless on the library floor! It just goes to show you that it's always the quiet ones, eh...

## TEEN FUCK FEST

● WE lost count of the number of horned up teenagers there are in this seven-hour (yes, seven!) 3-disc set Euroboy DVD, but we guarantee there's more than enough tight virgin holes and spunk-filled cocks to satisfy even the most teen-obsessed porn fans out there! There are twenty-four scenes

in all, spread over the three discs. Sports Day Special will appeal to lovers of young athletic lads in footie kit and sex in locker rooms, while Hunky Builders gives us cock-hungry workman who show more than a bit of builders' bum, and we're treated to the horny confessions of sex-crazed lads in The Corruption Of Youth! Kids, they're growing up faster nowadays, hey!

## FIRED UP

● WE'VE not watched the film yet but if the press shots are anything to go by then Fired Up from Alphamales.com looks set to be one of the hottest DVDs of the year! Starring Leo Domenico,

Scott Hunter, Marco Sessions, Daniel Dias, Ben Statham, Gio Cruz, Yohann Banks, Damien Ross and Antonio Garcia, every single one of these sexy studs gets us 'fired up' and we can't wait to see Trojan Rock's boys in action! As we go to

press we've just heard that the film's plotline centres on Spencer Reed having ruined Trojan's Toolbox. After downing tools to arrange orgies and sex parties, he's lost the company its biggest contract, The DreamBoy Hotel!

SAY HELLO TO QXMEN'S TOP TEN FAVOURITE EUROCREME STARS OF ALL TIME!

● FOUNDED in 2002 by director Max Lincoln, Eurocreme's first film was DreamBoy. This best-seller was the first in a hugely successful series for the DreamBoy brand, which included classics such as PoliceBoy, SpyBoy, BorstalBoy and PartyBoy. Fast-forward to 2012 and the critically acclaimed DreamBoy Hotel web series just goes to show that this brand is still as popular as ever! Of course, there's so many more hot brands and films that Eurocreme is famous for - far too many to mention here - but a couple that we've watched (and knocked one out to) over the years are the RudeBoiz, Hung Ladz and Bulldog XXX films.

● WE caught up with Steven Chinnery, Eurocreme's General Manager, and this is what he had to say. "I joined Eurocreme back in 2006 and since then the industry has changed in so many ways - some good and some bad. But we've kept up with the times and continued to give our customers some of the best gay porn in the industry in so many different ways. We still have an old VHS cassette of Eurocreme's first ever DreamBoy movie in our extensive porn library along with some ginormous Betacam masters - they look so antiquated and kitsch! Max Lincoln, Eurocreme's founder and an icon of the industry, was a pleasure to work with and it was a sad day when he left for sunnier climes. But since superstar Trojan Rock took over the reigns a new energy has overtaken the company, moving from a DVD production mentality to a more web-series and constant update format, which keep us all busy, and our customers happy! So, over the years it's been an exciting and sometimes nerve-wracking experience in the Eurocreme world, from VHS through DVDs, VOD and DTO, to porn on mobile phones... What's next? We can't wait to find out. Just be sure to join in the 10th Birthday fun this year when we'll be hitting the streets with some very special boys for some proper celebrations!"

YEAH, ANYTHING BEFORE MIDDAY IS CONSIDERED EARLY IN MY HOUSE!

## 09:30

Wake up. Perfect! Just in time for Jezza. The Jeremy Kyle Show normally provides me with a bit of rough eye candy while I eat my porridge. They might be missing teeth but their scars and trackies make up for it! Ha ha

hornier and easier to direct. I pop to the loo only to come back to find the guys practically fucking already! This is gonna be a good shoot.

## 11:30

Having done the paperwork it's time to crack on and get the cameras out. I have to tell the lads to calm down as I'm worried they're gonna cum already! So I get them into position and start the scene by taking the still photos. These will be used to promote the scene mainly, so I need to make sure I get some great shots. We run through the entire scene doing the photos. One of my pet hates in porn is when you see and hear flashes going off throughout a scene. I get the photos out the way straight away so the scene can progress naturally without any flashes or beeps!

## 10:30

Popping to the local shop for some sandwiches for today's shoot. At the studio, heaters on full, it's warming up nicely already. Models will be here soon. Better get the lube ready!

## 11:00

Both guys are here on time, which makes a change! The chemistry between them is through the roof, which is great for me. Makes the scene so much

## 12:15

Time for a beer and a bite to eat. Quick chat with the models about their plans for the weekend then it's back to work... or in this case, the bed!

## 13:00

My cameras are rolling, the windows are getting steamy and the lube is flowing! These guys are really going for it! The sweat is dripping from their toned bodies and cocks are getting stuffed in every hole! I'm getting lots of angles and, of course, as many close-ups as possible! Cock sucking, feet worshipping, toe licking, cum eating, sock sniffing, arse fucking is just some of what the lads get up to today. I love it when the lads are really into each other and will do anything to get each other off!

## 15:00

After 2 hours of hardcore action and intense fucking, I get my two huge cum shots and we're all done... I'm one happy director! The lads get themselves showered and sorted and exchange numbers. After that fuck I'm sure they'll be meeting up again, with or without cameras! It's now time for me to go to the office and start editing today's scene. And with all the testosterone I've witnessed today my poor boyfriend is definitely gonna be getting it tonight!

## TURNON: GEAR

● THERE'S no denying that we love the sight of a naked guy, fresh from the shower and dripping wet. However, put a man in a pair of tight-fitting white shorts, football socks and trainers or a Lycra wrestling suit or long silky shorts and boxer boots... Or, come to think of it, a skin-tight rubber outfit or a Muir cap, leather chaps and boots or a Fred Perry t-shirt, a tight pair of bleachers and 20-hole DMs and we'll be leaking more pre-cum than a fat man in a cake shop!

Yep, there's nothing sexier than a hot man in gear!

Following the success of the anthologies Turnon: Sports, Turnon: Muscles and Turnon: Tattoos, Bruno Gmunder spoil us with a new collection of photo artwork, this time worshipping the world of fetishes far from the well-known leather and traditional sports kit. This stunning coffee-table book features photographs by top names such as Joan Crisol, Mark Henderson, Joe Oppedisano, Dylan Rosser, Tom Bianchi and Patrick Mettraux, among many others.

**SAVE £3 WITH QXSHOP!**

● ORDER Turnon: Gear from [www.QXShop.co.uk](http://www.QXShop.co.uk) and you'll pay just 21.99 instead of the RRP of £24.99. Place your order before midday and you'll receive it within 24 hours too!

## LET PROWLER (AND BELAMI) KEEP YOU COMPANY THIS WINTER

**EVERY** year over the Christmas and New Year holidays we party hard, eat too much food and drink way too much booze, and then we spend the whole of January feeling lethargic and bloated.

Fear not though, as the gang at Prowler have a great batch of goodies to help keep you company while you stay indoors on these cold January nights and recharge your batteries.

● THERE'S a bumper batch of no less than twenty BelAmi DVD titles in store to choose from, including *Skin on Skin* (1-5), *Dirty Secrets*, *More Than You Can Handle*, *Cocky Friends* and *Anytime Anywhere*. So whether your favourite

is Dolph Lambert, Kris Evans, Luke Hamill, Kevin Warhol, Todd Rosset or one of the other gorgeous BelAmi babes, you're bound to find a few titles you'll want to take home. They're cheap as chips too at only £16.50, and you can

even grab three titles for just £45! Don't forget, if BelAmi films don't float your boat, Prowler's Blue Room has a massive selection of R18 DVDs from other porn studios as well, from just £10.99 or three for £30!

SOMETIMES A BOY COMES ALONG YOU JUST CAN'T SAY NO TO...

● SPEAKING of BelAmi, have you ever wondered what it must be like to be fucked by Dolph Lambert or Kris Evans? Well, sadly Prowler can't arrange that for you, but they

can give you the next best thing! They've just taken delivery of the new *Fleshjack Boys* reality dildos, including ones molded on Dolph, Kris Cody Cummings or the ultra

sexy Samuel O'Toole! These realistic dildos are great value too, at just £49.95.

● AND if you'd prefer to fuck your favourite BelAmi boy, don't forget you can still lay your hands on the BelAmi *Fleshjack* masturbators. Choose from Dolph Lambert, Jean-Daniel Chagall, Kevin Warhol or Kris Evans. These babies are nice and tight (trust us!) and retail for £61.99 at Prowler.

EXPECTATIONS

# TRY SOMETHING A BIT DIFFERENT AT EXPECTATIONS

THIS JANUARY WHY NOT MAKE IT YOUR NEW YEAR'S RESOLUTION TO TRY SOMETHING NEW AND A BIT DIFFERENT IN THE BEDROOM...

**IN last month's QXMEN I said that there's a few sexual practices that all gay men should try at least once, and told you about electrostimulation... This month it's the practice of sounding.**

**To the uninitiated, urethral sounding is the use of sounds, smooth medical instruments that have been designed specifically to stretch and stimulate the urethra.**

**Those guys at London's Expectations are masters when it comes to all things kinky and fetish-related, and they've got a large range of urethral sounds and associated products that are suitable for beginners right through to the experienced sounding junkie.**

● ALL sounds at Expectations are made from top quality, medical-grade stainless steel and are used in different ways. **Heglaer Sounds** are slightly curved and rounded at each end. They're available in sets of 6, 8, 10 and 14, and each set contains a range of sizes and widths, so they're suitable for beginners through to the most experienced sounder (think the size of your thumb and you get the picture!) Prices start at £79 for a set of 6 and they come in a practical and stylish case. **Dittel Sounds** are available in sets of 8 and are rounded one end and flat at the other. Again, there's a gradient of widths and a set costs just £59. If you're experienced with sounds then you'll want **Van Buren Sounds**. These have a distinctive curve near the tip, making them J-shaped, which provides extra stimulation and, of course, helps prevent the sound from getting lost! The Van Buren sounds are available as a set of 8 for an amazing £49 or 14 for £79.

Well, Expectations have just the device for fans of CBT, and it's called a **Cock Torture Probe**. It's an insertable probe with ridges for added stimulation and a steel ring that slides over your cock shaft, which is held in place with screws. Once the ring is on, the probe is inserted down your urethra and screwed to the ring using the Allan key

● IF sounds aren't for you then why not indulge yourself with a little **CBT**. And no, I'm not talking Cognitive Behavioral Therapy. I'm on about a bit of good old-fashioned **Cock & Ball Torture**. Needing no explanation, it's the act of sexual play that involves a certain degree of pain to your meat and two veg. Why would you want to do that you might ask? The obvious explanation is to do with the boundaries of pleasure and pain. But if you look at CBT from a psychological angle, most guys' cock and balls are the center of their sexuality and a symbol of their sexual potency, so when a guy is helpless and another guy is abusing his most precious appendage, the psychological hit must immense!

provided. The ring has six screws that can be wound in slowly, both to hold the probe in place and also to induce CBT. We're told that for best results you should use an anal lube with desensitising agent to help with the initial insertion. The **Cock Torture Probe** is made from top quality, medical grade stainless steel for easy cleaning and to maintain maximum hygiene, and retails for a non-torturous £30.

Of course, your cock and balls can be easily damaged and, therefore, care and caution must be observed when practicing any of these activities... Expectations have a range of special wipes that can be used to keep these products ultra clean and hygienic to use.

## ...THE DOM

● IT'S the latest leather blockbuster from Hot House Entertainment and the scene featuring Trenton Ducati and James Ryder is off the Richter Scale!

YOUNG Ryder's been a bad puppy and his owner, menacing dom Ducati, has him locked up in a cage until he's ready to be taught a lesson! And it's a humiliating one when Ducati forces Ryder to lick his boots, drink out of a dog bowl and bark like a dog. All the while, he's tugging on the young stud's puppy-tail butt plug, making him beg for his huge rock-hard cock, until finally Ducati power-fucks Ryder's butt and shoots a load all over his face.

Woof woof... Down boy!
