ROB SPONSORS THE MANCHESTER CANALSIDERS!

● **THIS** year saw the launch of the world's first LGBT rugby league team, the Manchester Canalsiders, and when they run out onto the field you'll recognise a familiar logo on the front of their shirts as **RoB Manchester** has become the team's main kit sponsor.

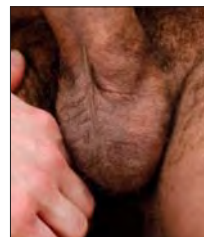

THE landmark three year sponsorship deal will see the union of a market leader in the fetish industry with an historic moment within rugby league. Allan Smith, Manager of **RoB Manchester**, said, "**RoB Manchester**, as always, prides itself in supporting the local LGBT community. This latest venture marks a new movement in collaboration with non LGBT organisations

and we are keen to be part of it." The official signing of the contract was held in March in Manchester's **REM** bar and was witnessed by a large gathering of sports fans (and, we imagine few guys who just get turned on by rugby players). Since then, not only have the Canalsiders made their television debut on **Sky Sports**, they've also received support from some of the most high

profile rugby stars in the UK, the likes of Gareth Thomas and Ben Cohen! Also behind them are the Salford City Reds and the Lord Mayor of Manchester, Councillor Elaine Boyes. The team are currently on the look out for new players and, whether you've played league rugby before or are new to the sport, the Manchester Canalsiders welcome players of all abilities. For more information on joining, visit www.canalsiders.co.uk. And while you're online, check out **RoB Manchester's** new online shop www.robmanchester.xxx.

DOUBLE DRILLED

Studio: Fucked!	Starring: Mika Poika, Zaho Sebastian Mann, Florian Hagen, Jaden Idol, Andy O'Neill, Mike Staford, Tommy Erick, Jeff Black, Marco Parelli, Leo Roesch, Rocco Berlin, Michael Finn, Benny Braun, Meko, Jesco.
Available from Prowler, Expectations, White Tiger and all good DVD stockists, and at www.ProwlerDVD.com .	

WE thought the expression 'double drilled' was an engineering term. But when we found out that it was the title of a gay porn film, we realised that it has a whole different meaning...

IN scene one, Rocco Berlin is bundled into a car by two young thugs, Jeff Black and Meko, who, take him to derelict building and spit roast him, taking turns to fuck his mouth and his tight hole. Next, Jaden Idol is in a disused factory when two horny young security guards, Florian Hagen and Tommy Erick, catch him. They decide his punishment should be to suck their cocks, but not content with that, Florian fucks Jaden's tight arse too! 18-year-old trainee mechanic Jesco in the repairs garage where he works when in walks Mika Poika and Rocco Berlin, a couple of bad boy scallies, intent on causing trouble. They begin pushing Jesco around, spitting on him and then force him down on his knees making him suck their cocks. Next the bullies put Jesco on his back on a work bench and take turns fucking his arse, before he really does get 'double drilled' as Mika and Rocco force both their cocks in Jesco's hole at the same time! Mika Poika features in the next scene too, this time with Michael Finn. The lads get turned on being watched as they're having sex, and luckily for them young Benny Braun gets off watching guys fuck, so it's a three-way made in heaven! In the next scene young Leo Roesch is shocked to walk in on Marco Parelli and Mike Staford lying on the bed together, wanking their cocks. However, his mates soon convince him that it's cool and all three end up sucking each other's cocks, and Mike even gets fucked! That Mika Poika can't get enough of double drilling and he's back in the final scene with another buddy of his, the young, sexy Zaho Sebastian Mann... And if you think his name's a mouthful, just wait 'til you see the size of Zaho's penis! His cock's not just a mouthful - it's bloody enormous! Young Andy O'Neill can vouch for that as he gets his arse fucked good and proper by both Mika and Zaho!

BIG DICKS LITTLE BOYS

Studio: EuroBoy	Starring: Tristan Blake, Drake Jones, Jesse Magowan, Jamie Ryder,
Directed by: Michael Burling	Josh Frey, Lloyd Adams, Kyle Martin, Luke Pascoe, Luke Desmond,
	Leo Foxx, Chad Cole.
Available from Prowler, Expectations, White Tiger and all good DVD stockists and at www.ProwlerDVD.com .	

THESE barely legal lads not only giant cocks, but they sure know how to use them too in Big Dicks Little Boys, Euroboy's latest twink fuck fest!

SCENE one, and I'm greeted by the sight of two young cub scouts in their tent. Now, if you've read any of my reviews of British twink porn before then you'll know that I'm not the biggest fan of this type of porn. What really floats my boat are confident vocal men who know exactly what they want and don't beat around the bush getting it. But if pretty young lads are your thing (and these two, one blond and one dark, are very pretty), then you'll love this first scene. Scene two begins and I peer over the top of *Take A Break* as the next two 'little boys with big dicks' are a bit more rough and ready and so a bit more up my street. The two young lads are going for it with much more gusto than the couple in scene one did - sweet as they were - and I'm happy to use the lines "he fucked his brains out" and "he gave his mate a good hard fucking" when describing the action... When one of the boys pulls his knob out from his jeans at the start of scene three I'm ready to rename this DVD 'Humongous Dicks Little Boys'! This floppy-haired, young skater boy is truly blessed in the trouser department and, boy, does his mate know about it when he shoves the monster shlong up his tight little arse! I'm pleased to say the dicks keep getting bigger, and the lads in the next scene have even bigger knobs than the hung one in scene three! Euroboy certainly saved the best 'til last and the final scene of Big Dicks Little Boys is a hot four-way featuring a face (and cock) that I recognise. It's Luke Desmond, a boy who's not so little, but certainly has got a big old donkey dick on him! He and a mate are caught messing around at work by their two hot young scally office managers. All four twinks are suited and booted and looking well tasty, and in that good old porn movie tradition, instead of being given some boring, menial duties as punishment, their two hot managers take it in turns fucking them over their desks.

Studio: Lucas Entertainment	Starring: Trenton Ducati, D.O., Troy Daniels, Vito Gallo, Jay Roberts, Damir, Issac Jones, Miles Racer, Paddy O'Brian, Darius Ferdynand.
Directed by: Adam Killian, Chris Crisco, Laura Macrow.	
Watch Unzipped at LucasEntertainment.com or buy at LucasStore.com .	

THE guys at Lucas Entertainment are unzipped, undressed, rock hard and ready to have some of the hottest and sweatiest sex ever caught on film!

SCENE one and Trenton Ducati ducks out of work to meet his hookup, D.O., and after checking each other out, they head back to Trenton's apartment to have some fun. As soon as the guys are through the front door they start ripping each other's clothes off before Trenton frees D.O.'s uncut tool from his briefs and swallows it up. D.O. bends over and Trenton plays with his hole, which makes him rock-hard, and he rolls on a condom, lubes up, and with D.O.'s arse high up in the air Trenton slides in. After awhile D.O. needs a break, so the guys flip positions and D.O. sticks his huge uncut cock deep inside Trenton's muscular arse, showing him he's just as much a top! When Troy Daniels and Vito Gallo got together there was instant chemistry! Vito didn't even need to fuck Troy to make him cum. The Italian top got Troy off by eating out his hole, sucking his cock and jerking him off with his strong hands. Once Troy's blown his load it's his turn to get Vito off, so first he sucks his cock before bending over and offers his hole for Vito to fuck! Jay Roberts and Damir are up next and don't waste any time getting down to action! Damir plays with and massages Jay's foreskin with his lips and Jay opens up his throat and swallows Damir's cock whole! Jay wants to impress Damir and takes a pounding from his top. Issac Jones wants Miles Racer and coaxes him into his bedroom where they strip and hop into bed. Miles is a submissive bottom and he loves sucking Issac's slab of meat. Issac grabs Miles head and guides him on his cock before whipping him around, eating out his hole and then fucking him hard. Paddy O'Brian likes his boys smooth, lean and pretty. No wonder Darius Ferdynand catches his eye. And they're a perfect match too, as Darius is a bottom who loves pleasuring strong dominant tops. They head back to Paddy's hotel where the guys strip down and get to business. Paddy wastes no time and eats out Darius' hole before bending him over, rolling on a condom, and shoving his cock deep inside.

Directed by: Jack Jones	Yohann Banks, Ken Ten, Issac Jones.
Available to buy at www.eurocremestore.com or watch high quality streaming at www.eurocreme.com .	

TROJAN ROCK and his sexy team of tool men can fix any desire and work tirelessly to make sure their clients are given the best service they could ever imagine. Everyone is left satisfied, smiling and covered in wads of thick white spunk!

SCENE One, and beefy, muscle god Samuel Colt is in town for a week and needs a hard gym workout to get him feeling pumped. Trojan suggest the gym back at his office and when Samuel arrives, sexy hung Latino stud Lucio Saints is already there. In a matter of seconds the guys are working out... on each other's armpits and dicks, and when Samuel lays back on the bench, Lucio takes the opportunity to throat-fuck him with his humongous cock. It's the perfect position to get the entire length of his cock right down Samuel's throat and Lucio enjoys making Samuel gag and choke on it. And it's not long before Lucio gets Samuel on his knees and starts opening up his hole with his fingers and tongue before fucking the muscled hunk good and proper! Next up, hairy young fucker Justin King is back in business and he's catching up with Trojan at the office when Latino stud Gio comes back from a job. Trojan heads off leaving the two working boys together, knowing exactly what will happen! And true to form, the boys are soon naked and Justin, keen to show his credentials, bends over the sofa and takes every inch of Gio's thick dark meat, ensuring Gio gets exactly what he wants from the new recruit! On his last night in town, Samuel's treated to a sexy surprise by his good friend Trojan, and when he arrives back at his hotel he finds sexy stud Issac Jones lying on his bed in just his underwear. We get the impression Samuel likes his surprise as he pushes the sexy tattooed Frenchman to the floor and forces him to suck his dick until it's dripping with spit! They move onto the bed where Samuel, like a man possessed, mercilessly pounds Issac's furry arse, leaving them both covered in spunk. In the final scene, bearded hunk Yohann Banks can't wait to put sexy new recruit Ken Ten through his paces, and as he's heard that the 'Ten' in his name refers to the size of his dick, he's keen to find out if that's centimetres or inches! To Yohann's delight he discovers that Ken's 'ten' is an imperial measurement and so wastes no time getting all ten of those inches in his meaty arse!

JUST FOR YOU

Studio: Guys Like Us	Starring: Angel Rock, Bobby Hart, Hayden Richards, Hunter Page, Jack Patrick, Jason Goodman, Ryan Rose, Wolfie Blue.
Directed by Andrew Rosen	
Available in all good adult DVD shops and online at www.SimplyGayDVD.com .	

RAGING Stallion and Falcon Studios has launched its first new DVD line since the two studios merged in 2010 called Guys Like Us. Award-winning veteran Andrew Rosen is at the helm of the new line and the plan is to release up to eight titles a year. The first is Just For You and Rosen recently said, "I've had a part in launching a new brand many times in the past, and some of my favourite moments in the business have been firsts! Just For You sets the stage for a successful, scorching hot line, and I am committed to continuing with my strong vision for this line, making it the best it can be."

THE DVD features the studio's hot new exclusive Ryan Rose, a handsome former college football player and U. S. Marine. We first meet Ryan in scene one, which he shares with his sexy real-life boyfriend Bobby Hart, in which the chemistry is immediately noticeable. Ryan's back later on too for a finger-fucking solo in the bathtub! Compact Angel Rock gives his best performance of his rising career with slim, horny Wolfie Blue in scene two. Wolfie, who has just one need - to get fucked - lets Angel know by flopping on the bed and spreading his legs. In scene three, youthful Hunter Page's wank fantasy is interrupted by sexy Hayden Richards, his ideal real life shag. Hayden's anxious to get naked and nasty and Hunter's hole is soon living the dream and getting pounded by Hayden's cock. Scene four is Ryan Rose's finger-licking bathtub solo. Probing his hairless hole with two fingers, he drives them in deep while he wanks his cock with his other hand and then shoots long streams of spunk across his washboard abs. In the final scene, Jason Goodman gives a bottoming performance that should be a model for every muscle jock when he takes charge and uses Jack Patrick's cock as if it were a living dildo! He fucks himself in every direction, in every angle and at every speed. He could patent this routine and call it the 'Hole Work Out'! Andrew Rosen's cast of confident tops and hungry bottoms know exactly how to satisfy, not only their desires but those of their buddy's, and in Just For You they deliver five scorching lessons in how to achieve exactly that.

HUSTLABALL LONDON 2013

HustlaBall

One of the year's most anticipated parties returns to the capital next month, and with it comes top name DJs, porn performers and fetish acts from around the globe.

● YEP, we're talking about the notorious HustlaBall London, presented by promoter Alex Erfan in partnership with HustlaBall's founding sponsor Rentboy.com, which breezes into London on Saturday June 29th. Once again, the party's on during London Pride, so it'll bring with it thousands of international party people who'll want to experience the HustlaBall phenomenon. Once again the party's at one of London's classic venues, Electric Brixton. The club's recently had lavish décor updates that include a separate VIP area with its own seating; sleek furniture and modern bars. A vast backstage will help the famously over-the-top HustlaBall stage shows - this year managed and directed by the delicious Marco Sessions - run as smoothly as possible. Electric Brixton will be the perfect backdrop for the all-night long erotic display and indulgent

experience HustlaBall is known for. And, of course, for all the sleazy fetish fiends out there, Suzie Krueger will host the Hard On Room as usual.

HustlaBall London will present this year's Erotic Cabaret in partnership with the world's top porn studios, many returning from previous years. As we go to press, those who've confirmed and are planning special shows for the party, include Menatplay, Alphamales, Eurocreme, FlavaMen, Falcon Studios, Lucas Entertainment, BelAmi, Hot Brit Lads, Jasper Emerald and others. We've been told to look out for UKHotJocks.com too. They're the U.K.'s newest studio, and we've been told that their show will be one of the highlights of 2013.

HustlaBall sets a glamorous stage for some of the hottest porn performers in

the business to show off their talents. This year gay porn superstar, and man of the moment, Trenton Ducati (pictured) is headlining, with stars like JP Dubios, Sam Barclay, Martin Mazza, Antonio Aguilera and many more joining newcomers from the U.S., Spain, Germany, France and the U.K., for what will be the biggest male erotic spectacle in Europe of 2013.

Hustlaball is legendary for mixing the very best of both the porn and dance music worlds, and cutting edge international DJs, appealing to all tastes, will be rotated throughout the night, with LED-light-and-sound installations and kink-themed areas offering distinct visual, sensual and erotic encounters with some of your favourite porn stars live in the flesh.

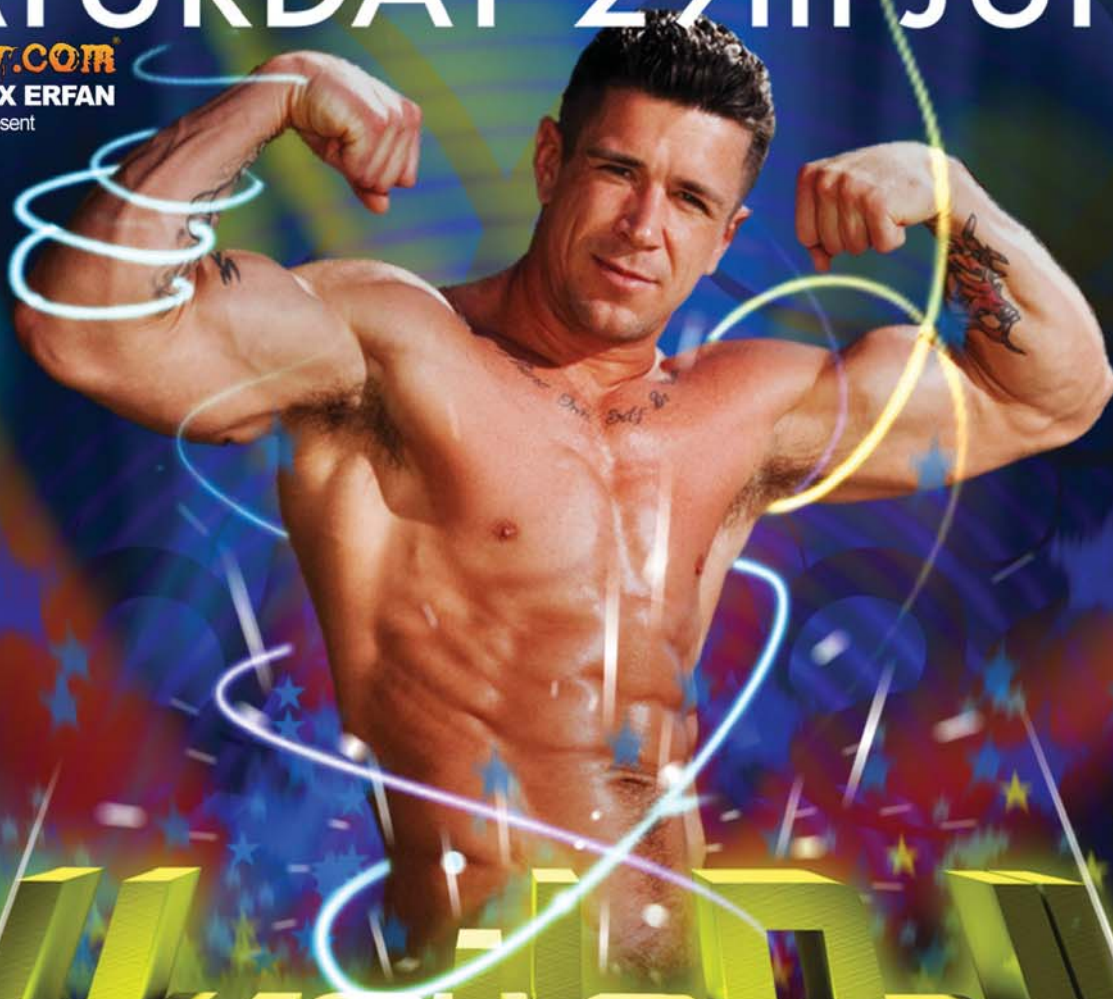

As part of their U.K. launch campaign,

UKHotJocks.com will host the HustlaBall VIP Room and will have with them some of the biggest names in the business. I CAN'T BELIEVE IT'S MAY ALREADY... SUMMER'S HERE!

● I love the warm weather, as it not only brings out all the fit lads but it also means it's the start of the Pride season! I love a good Pride and I'm already planning trips to Manchester, London and Brighton... Can't wait!

Well, as usual, I've spent the last month busy filming fit blokes doing filthy things for my website ScottXXX.com. It's literally taking up all my time at the moment. But hey, I can think of worse jobs to be honest! I had the pleasure of shooting a very handsome lad the other day. He's relatively new to the industry so I thought I'd let him introduce himself...

● HELLO guys! My name's Jace Tyler and I'm a lad from the North of England. I've been doing gay porn videos for a year and a half now, and this past year has been some of the most fun I've ever had. I've shot about 16 scenes/films now, travelling throughout the UK and Europe for my horny exploits, working on solo features, duos, photo shoots and even live performances! It seems fitting that I should tell you all about the latest scene I shot, directed by Zack himself, for ScottXXX.com. I'd heard the site's name mentioned from fans and, after checking it out, it

was a no-brainer that I wanted to film for them! Horny lads, hot fucking, safe sex and a bit of fetish thrown into the mix – it was right up my street! Having never done any foot fetish work before though – and after learning that I'd be filming with Danny "Donkey Dick" Tyler – it's perhaps understandable that I felt a little daunted. The beauty and the curse of these fetish themed sites is that the audience really knows what they want to see, and my job is to deliver. It was great though, and my apprehension soon subsided when I realised that a) Zack is probably the biggest foot pervt going, and b) foot play is actually quite hot! As for Danny "Donkey Dick" Tyler... Well, I'll leave that one to your imagination. That boy can fuck!

I'd also like to share with you another highlight from my porn career – my first award nominations! They were for the Berlin Hustlaball Awards in 2012, the 10th anniversary of one of the biggest gatherings of porn stars, dancers and party boy fans! I was stunned (and thrilled) to be nominated as Best Newcomer, Best Fetish Performer and Best Hunk Film (for my film Bar-stards) for CristianTorrent.tv I was alone in my house when I received the email on the day they made the public announcement, and was so excited I immediately called my Mum! It also meant that I got to travel to Berlin for the awards, perform on stage with some of my porn heroes, and be treated like a VIP for a long weekend. The Hustlaball Circuit Party Weekend gave me some

memories that will stay with me forever. Michael Brandon flogging me in front of a baying audience and blinding camera flashing, Ricky Sinz inviting said audience to reach out for my ass,

porn stars fucking openly in clubs (and, oh boy, did I indulge!), being recognised frequently in bars and on the streets... and I learnt what "Horse Fair Fuck Market" really means in Germany!

So what's in store for me as I enter my second year in porn? Well, my film with Jessy Ares has come out – a very proud moment! There's also more DVDs, I'm being flown out for a live show in France with Jordan Fox leading a gangbang, there's a porn star wedding with a poolside sex party as the reception (yes, really!), more saucy photo shoots and there's some very interesting new films coming up too - I'm playing debauched bad asses, sex-crazed sub boys and everything in between. And hopefully there'll more fun over at ScottXXX.com. My throbbing cock tells me this foot fetish thing might be more interesting that I'd first anticipated... ;)

DYNAMITE

● **PHOTOGRAPHER** Ulrich Oehmen has an obsession with bodybuilders and male fitness models.

WE'RE not talking about regular gym-going guys who've got a few muscles, Ulrich is addicted to photographing those hyper muscular men whose bodies are ripped and shredded, vascular and veiny, with striated muscles straining under paper-thin skin. He has enormous respect for the models he photographs and for the work they put in to get where they are, and to get how big they are. "They are sculptors and sculpture at the same time," he says.

Ulrich says he enjoys nothing more than looking for muscle guys to photograph, and has travelled to 45 countries in his search for the next big thing. This quest has resulted in an extraordinary collection of photographs of the world's most amazing bodybuilders and muscle models, and in his striking coffee table book Ulrich shares some of those images and gives us an up-close look at these magnificent men and their amazing bodies.

● Dynamite is published by Bruno Gmunder Verlag

● WE'VE got a copy of Dynamite up for grabs! If you'd like the chance to win it just email your name and contact

details to editorial@qxmen.com with Dynamite Competition in the subject field, or post your entry to QXMEN, Dynamite Competition, 23 Denmark Street, Soho, London WC2H 8NH. The competition closes on Friday May 31st at 5pm and the winner will be picked at random... Good luck! Sorry guys, but the competition's only open to UK residents.

MORE PORN THAN QXMEN? NEVER!

It's hard to believe, but we've heard that there's somewhere else that you can find even more of the latest gay porn releases than we manage to squeeze into QXMEN Magazine every month!

It turns out that those guys over at Prowler take delivery of a mind-boggling amount of the very latest gay porn DVDs every single month! And we've also heard that, whatever kind of porn floats your boat, you'll find something that's right up your street at Prowler, be it twink porn, gang bang porn, college jock porn, intergenerational porn, bareback porn, fetish porn, interracial porn, respectable 'missionary position on Egyptian cotton sheets' porn or 'downright filthy stinking pig sex porn... They've got it all in store at Prowler.

FOR example, walk into a Prowler store this month and you can pick up Blake Mason's **The Best Of British**, which has only just become available on DVD! Featuring some seriously hot action from proper London lads through to Welsh Valley boys, this DVD makes you feel proud to be British, and stars sexy fuckers like Darius Ferdynand, Kai Cruz and Tyson Tyler.

AT the end of last year, outrageous porn director Chi Chi La Rue and hot porn star Johnny Hazzard thrilled shoppers when they popped into Prowler Soho. They were in town filming **London Spunked**, which has just been released, and the movie sees Johnny getting right royally fucked by some of the hottest pieces of meat the UK has to offer, such as Harley Everett, Isaac Jones, Marco Sessions and Sam Barclay.

Prowler has a large selection of new bareback releases too. And, although it's often frowned upon, there's no denying that bareback porn is hugely popular. In fact, a source at one of the UK's biggest gay porn distributors told us that bareback porn outsells safe sex porn by almost two to one!

RAM It Raw, from Butch Dixon's new bareback line, has everything you'd expect from this hot studio. Sexy, hairy men, beefy hunks and muscle bears sucking cock, kissing, rimming and fucking, just without using condoms. And smokin' hot director Jonno has picked a horny-as-fuck cast, including Ben Statham, Thierry Lamasse, Tony Greco and Vladi, for this condom-free fuck fest!

STEP up more than a couple of notches and you hit the really sleazy stuff. We're talking about Matthias von Fistenberg's Dark Alley Media and its latest spunk-filled Raw Fuck Club movie **Gloryhole Cruising Part 2**. It's a proper hardcore porn flick and stars those two massively hung power tops, Antonio Biaggi and Lito Cruz, with a bunch of filthy fuckers (not one under 9 inches) and a couple of hungry power bottoms!

IF you like your cocks mahouise, then you'll love UKNakedMen's third instalment of **The London Massive**. Your eyes will water and your sphincter will clench as you watch some of the biggest and fattest cocks from the UK (Leo Cage, Malik Tn and Drew (foot long) Brody, to name a few) battering the juicy holes of the bottom boys brave enough to take them on!

AND last, but by no means least, last month saw the exclusive UK launch of Treasure Island Media's latest DVD fuck fest **Overload** at Prowler's big sleazy brother store Expectations in the Shoreditch district of London. Being hailed as "the ultimate in filth" Overload follows 20 guys who are consumed by sex, and shows what happens when they reach sexual overload, the dangerous state where there's no thought and no feeling beyond fucking or being fucked.

DON'T BE SQUARE, BE AN ENERGY BEAR!

A massively successful party on the Continent, Energy Bears drew the crowds in Rome, amazed the Barcelona Boys, rocked it in Milan and raised the roof on the Costa Del Sol when it took a trip to Southern Spain.

THEN in February the Energy Bears arrived in good old blighty and rocked London's Barcode with a memorable Valentine's party that secured the night as a monthly must-attend event in London.

Now those Energy Bears, partnered by Gaydar, Barcode London and Joe Snyder, have their sights set on conquering the rest of the U.K. and are heading up to Birmingham on Saturday 6th July. They'll be throwing a warehouse party at the iconic Rainbow Venue, 160 Digbeth High Street, which is just a five-minute walk from the Birmingham's Gay Village. The legendary Micky Galliano together with DJ Spencer Reed and DJ Robb White will be supplying some serious beats, so you can expect plenty of International Techno, Tribal and Hard House and Electronica to get the disco boys up off their sexy butts and onto the dancefloor.

Birmingham's Energy Bears will be hosted by hot porn star Drew Driver, who'll be joined by another sexy guy who's done one or two porn flicks in his time, the gorgeous Ben Statham. Plus there'll be dancers and visuals by PrickImage two rooms to have fun in and even a roof terrace, so there'll be bags of space to get down to the grooves of the Energy Bears!

Early Bird Tickets are just £8 (plus booking fee) from www.energybears.net and www.skiddle.co.uk.

TOWARDS the end of April we finally waved goodbye to winter and spring arrived in London, bringing with it warmer sunnier days and much milder nights. So putting our winter hibernation behind us we pulled on our British Army boots and squeezed into a teeny weenie rubber jockstrap, and headed over to South London's, Vauxhall, to see the Queen of Sleaze Miss Suzie Krueger and that dirty little club of hers.

HARD ON ■ 20/05/2013

APRIL'S Hard On was a special party with RoB London, those purveyors of leather, rubber and twisted gear, who were there to launch their new Twisted Twink Gear, a range of affordable and sexy fetish clothing for young guys new on the fetish scene.

As the night went on, Union filled with hundreds of very horny and very up-for-it guys donning their favourite fetish outfits of leather and rubber, skin gear and some in sports kit, and while some danced, grinding up against fellow sleaze bags, others had fun in Hard On's dark room and countless dark corners, and made good use of the well-equipped play space.

SM GAYS

● TO those of you unfamiliar with SM Gays, they're a not-for-profit social and educational group for gay men who are interested in consensual, sexual sadomasochism. The group, which is unfunded and run by volunteers, has been meeting for over 30 years and aims to encourage safe and lawful SM practices through sharing information among people with similar interests. On the third Thursday of the month SM Gays holds a Discovery Night at the Hoist in Central London where you can learn more about SM techniques and meet guys with similar interests (events attract around 200). You don't need to be a member to get in, there's no dress code and the atmosphere is friendly and

informal. So if you're a seasoned pro in SM practices, or you'd like to find out more about sexual sadomasochism, why not go along to one of the upcoming Discovery Nights. On Thursday May 16th it's Rubber & Mummification as part of London Rubber Weekend and on Thursday June 20th it's CP & Flogging. Then on Thursday July 18th it'll be SM Gays' Birthday Party at the Hoist sponsored by RoB London. Go along and celebrate another year of SM with a lively crowd, and meet the horny host for the night, Mr Leather UK. Discovery Nights start at 6pm, the Birthday Party starts at 8pm and both go on until midnight. You'll find the Hoist at Railway Arches 47b & 47c, South Lambeth Road, Vauxhall, London SW8 1RH. More info at www.smgays.org.

EXPECTATIONS

● ON Thursday May 30th Expectations, the UK's largest fetish store, is hosting an evening with SM Gays where there'll be demos of CP, rubber suspension, plaster casting and some special surprises! The horny action kicks off after work and the guys at Expectations will be serving refreshments as well as giving a massive 20% discount on most purchases on the night! **Expectations Store is at 75 Great Eastern Street, London EC2A 3RY.**

LONDON RUBBER WEEKEND

LONDON RUBBER WEEKEND

● VAUXHALL, South London's gay village, hosts the first London Rubber Weekend this month from Thursday May 16th to Sunday 19th. The event is organised by DJ Latex alongside promoter's Ucut Kurt and Suzie Krueger, and the opening night will be hosted by SM Gays at The Hoist on Thursday. Then the Hoist and Fetish Freak, the store that's not only online but also a walk-in store situated above the Hoist, will be hosting a Rubber Special

on Friday night when there'll be prizes of rubber gear from Fetish Freak, music by DJLatex, and Arch 2 will be strictly rubber only. On Saturday night there'll be pre Hard On activities starting at 8pm at Eagle London before the main event at Hard On, when there'll be a chance to win a full rubber suit made by RoB London. London Rubber Week closes on Sunday night with Gummi RX, a strict rubber event in Arch 2 at the Hoist.

Event tickets and Combi tickets (saving £10 over all three main events) can be purchased from Fetish Freak, RoB and the Hoist, and are also available from the London Rubber Weekend website at www.londonrubberweekend.org.

BUFF SOUTH SIDE

● FIRST there was Buff, the capital's original naked night at infamous club Backstreet in the East End of London, and now South London is going to find out what it's all about when Buff South Side launches on Sunday May 5th. That's the May Day Bank Holiday weekend, so we expect it'll be busy, as no one's got to get up for work on the Monday morning.

So why the need for another Buff? Well it turns out there are two reasons. First, it's for all the horny lads in South London who can't get up to the usual Buff events in Mile End. And second, it's for guys who want a bit of naked fun when Buff at Backstreet is usually closed on the first Sunday of the month. We've been told that the venue is great too as there's a smokers' terrace with spectacular views of the City and The Shard. Downstairs there's a darkroom with a sling arch, 'bonk'

beds, private booths, a TV porn lounge, a chill-out lounge and a refreshments bar (no alcohol sold but you can bring your own booze). There are also showers on site for freshening up, and even a 15-man sauna and steam room! Buff South Side will have friendly, no attitude staff just like they have at Backstreet too... What more could you want eh!

Buff South Side will be open on the first Sunday of the month from 6pm to midnight (naked only) and also every Friday from 9pm through to 9am Saturday morning for an all night session (naked/shorts/jocks). It's at NXCC, 309 New Cross Road, New Cross Gate, London SE14 6AS. Entry's £7 members and £8 non-members. Check out www.ma1.co.uk for more details.

FETISH WEEK LONDON 2013

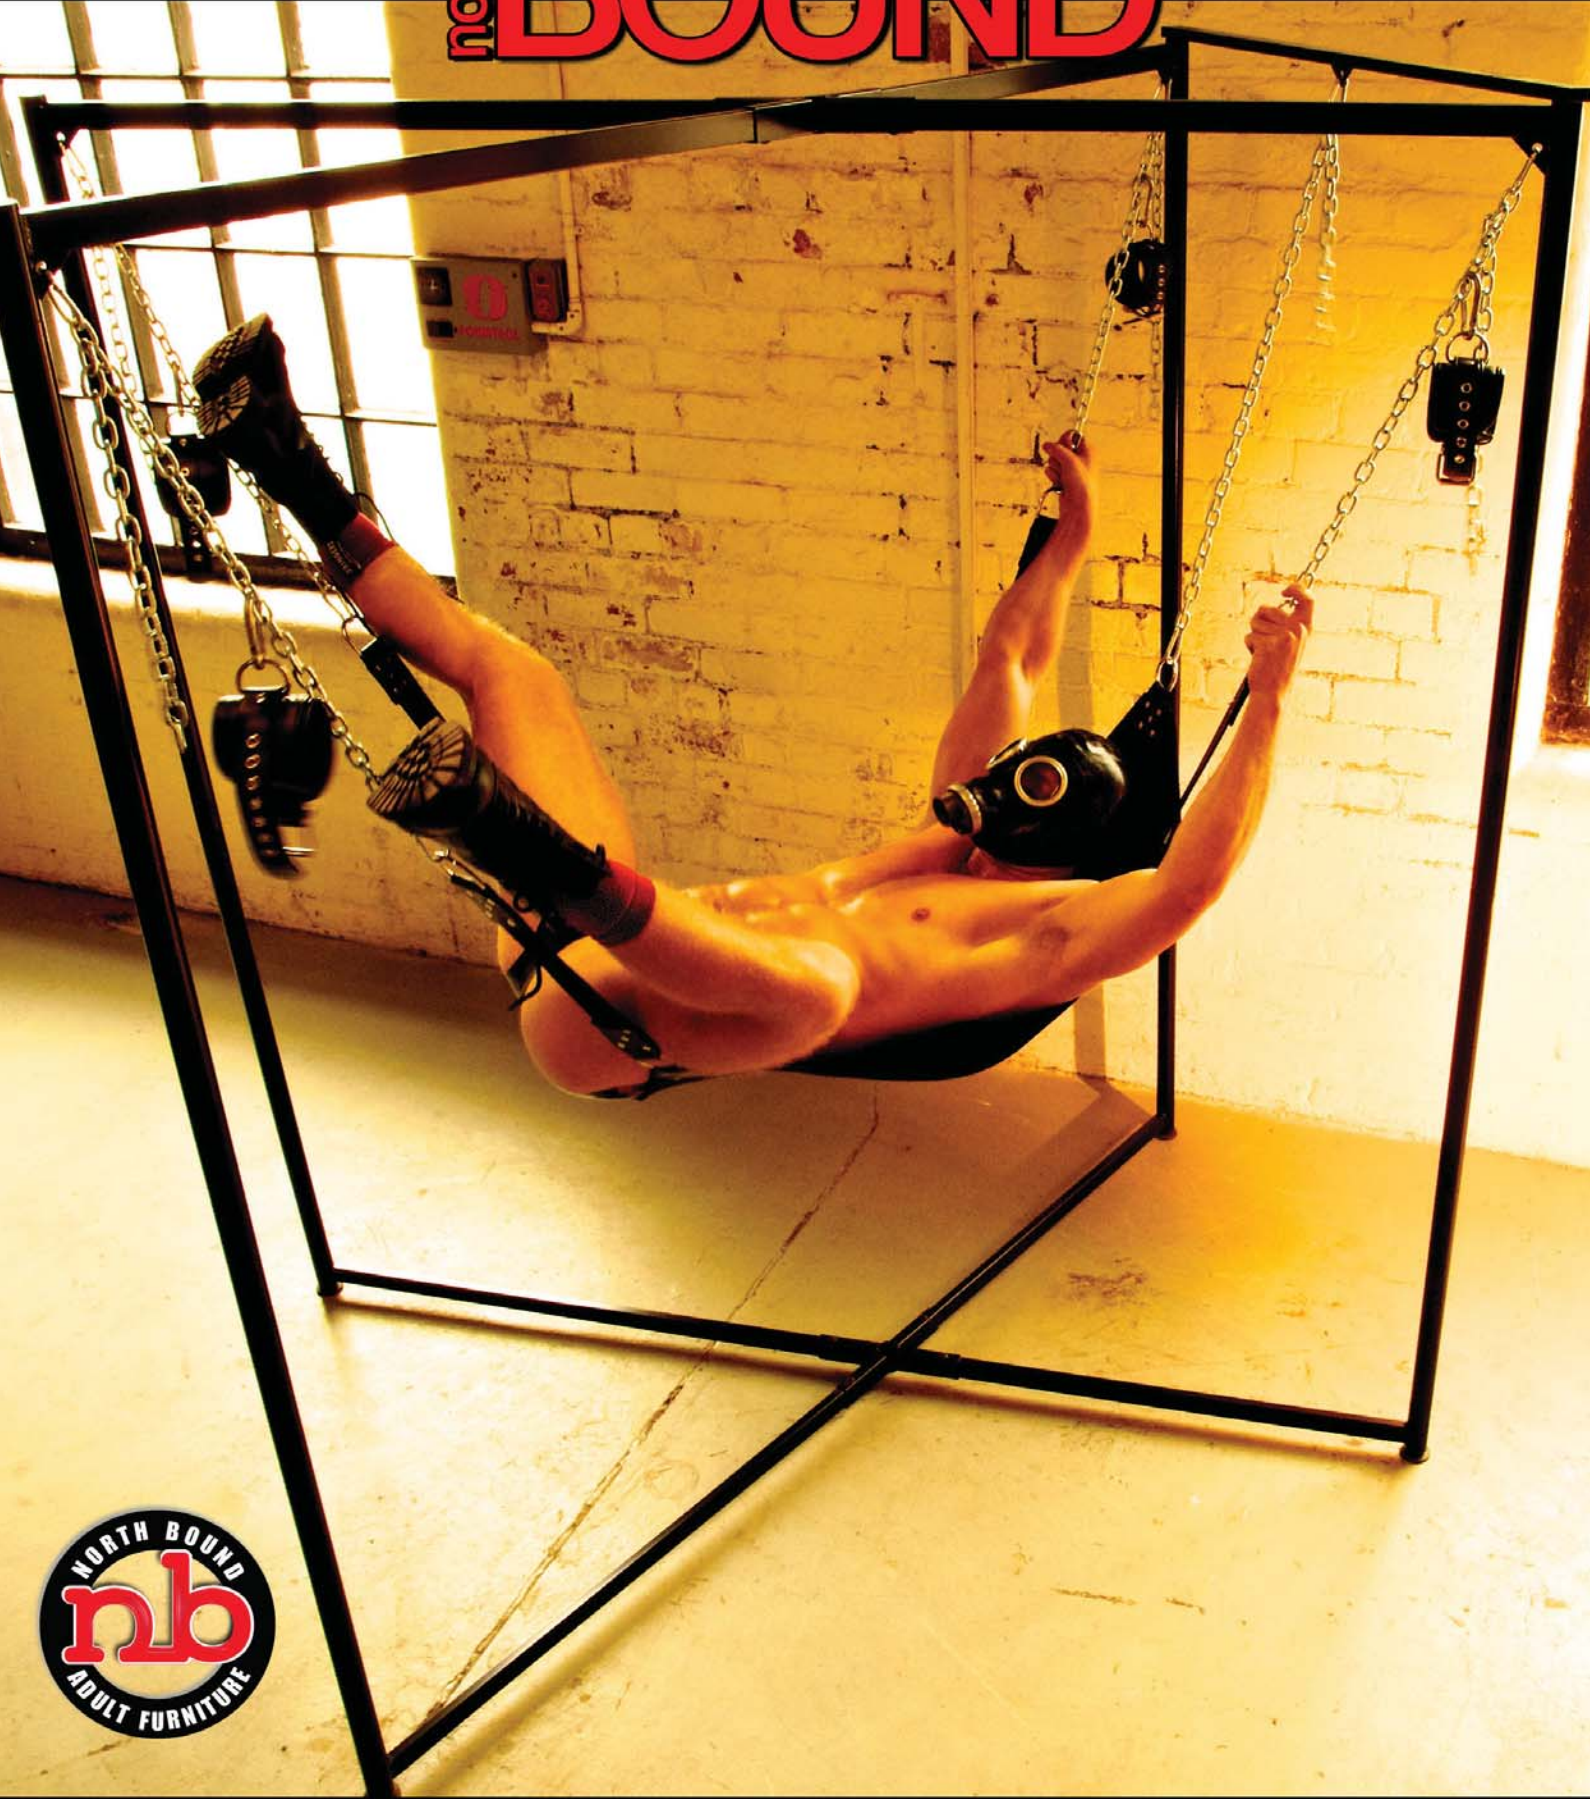

● WE'RE counting down the days to this year's Fetish Week London, Recon's 7-days of fetish, kink, dance and sleaze. It returns on Monday July 8th when there'll be over 50 special events, bar nights and parties, including eight Official Fetish Week London events taking place around the capital. It's the UK's biggest all-male fetish week and thousands of hot guys from all over the UK and Europe will travel to London for it. So if you've got a fetish for leather, rubber, punks, skinheads, uniform and army gear, muscle, naked, bondage, underwear, CP, sports gear and Lycra, or any other kind of fetish that we've not mentioned here, then you're bound to find something or someone right up your street at Fetish Week London 2013.

Next month we'll give you details of some of Fetish Week London's main events, but in the meantime log on to the Fetish Week London website at www.fetishweek.com for detailed info on all of the events, to purchase tickets and to book your hotel.

COCKSOX
OF MEN
IS LOVING...

... **ROGAN RICHARDS**

● WE can't believe this guy hasn't popped up on our radar before now!

ROGAN has only come to our attention now because he's starring in the latest Raging Stallion Studios DVD *Behind The Big Top*. But it turns out that the Australian beefcake has been modelling for over ten years - Rogan was the face (and cock) of the Australian underwear brand CockSox and has also worked for aussieBum and ES Collection - and he's been making porn since 2009!

And you couldn't make it up, but as I'm typing these words, a UPS parcel has landed on my desk... and inside is a preview copy of *Behind The Big Top*!

Well, I know what I'll be doing this evening.

● Behind The Big Top is available from www.ragingstallion.com
