WELCOME TO JUNE'S QXMEN

WE WERE GOING TO CALL THIS THE 'FLAMING JUNE ISSUE', BUT AS IT'S ANYTHING BUT WARM AND SUNNY OUTSIDE WE'VE DECIDED TO RENAME IT THE 'IT'S A BIT NIPPY JUNE ISSUE', AND TAKE SOLACE THAT AT LEAST THE GUYS INSIDE THIS MONTH'S MAGAZINE ARE HOT!

OUR selection of this month's R18 DVD releases should warm you up too starting with Lucas Entertainment's **Original Sinners**. The entire DVD was filmed on location in the Costa Rican jungle, and you can't get much hotter than Latin America! The temperatures reached boiling point in Raging Stallion Studios' latest kinky tale **Behind The Big Top** too, and even though the action takes place in a winter sports resort in Falcon Studio's **Tahoe - Snow Packed**, it was still hot as hell! You can't help but get hot under the collar when you see the size of the cocks in Stud Fuckerz latest release **Huge & Horny** and, even though they're all fit, young lads in The DreamBoy Hotel's latest episode **Taking Control**, they certainly work up a sweat when they fuck each other senseless! And a few more releases that you should look out for if you like your porn hot are **Snatched** from Bulldog XXX, Euroboy's Swim Team, Butch Dixon's **I Came Here To Fuck** and the latest Gym Dudes release from Hot House called **Champs**.

So, what else have we managed to shoehorn into this month's issue? Well, we've got a great interview with blonde bombshell Chris Daniels, who was crowned Mr. International Escort 2013 at this

year's International Escort Awards Show, affectionately known as The Hookies. Great Britain's very own gay porn awards, the Hotrods, are back this month. The star-studded awards ceremony will be taking place at the start of the HustlaBall London Pride Weekend we've the names of all the nominees up for awards and details of how you can vote for your favourites. It's Fetish Week... London next month, and if you're not sure which parties you want to go to yet, we've got the essential guide to pretty much every sleazy event that's happening!

And who cares that we're still in a recession! The best way to get the economy going is to get out there and go shopping. So we've got details of some great sex toys and fetish gear from QXShop, Prowler and Expectations that you really should invest your hard earned money in.

What else? Well, if your budget can't stretch to any of life's little luxuries this month, we've got loads of competitions where you could win heaps of prizes, and they won't cost you a penny to enter! And, of course, we've

NEWS, GOSSIP & STUFF WE THOUGHT YOU'D LIKE TO KNOW

PHOTO BY DAVE OUANO

THREE REASONS WHY YOU SHOULD GO TO THIS MONTH'S HARD ON

● **FIRST** and foremost, **Hard On** is London's hottest gay fetish club and has the sleaziest playroom, two dance floors, sex show, zero-attitude and a strict dress code of leather, rubber, skin gear, sports kit and boots-only!

REASON number two is that this month's party marks the re-launch of a bigger, stronger **Hard On** aroma that now comes in a large 25ml bottle that's perfect for those exxxtra long sessions!

Ultra strong **Hard On** aromas are available at Prowler, Expectations, Fifty & Dean and Fetish Freak, online at www.shop.hardonclub.co.uk, and if you get to this month's **Hard On**

SUMMER RITES: PRIDE IN THE PARK

● **THIS** year, the capital's favourite festival has joined forces with **Pride In London** to create **Summer Rites Pride in the Park 2013**.

IT'S on Saturday June 29th from 2pm 'til 11pm at Shoreditch Park, London N1, and there'll be seven arenas including Pop & Rnb Party, Dance Arena, Everything East, Bear's Big Top, Eagle, Urban World and Cabaret. This

exciting partnership is bound to deliver the professional expertise of Summer Rites combined with the vibrancy of a huge event that celebrates and supports the LGBT community. So get your tickets now online at www.summerritesevents.com. Tickets cost £22.50 until June 8th, after which time they increase to £27.50. Then there'll be limited tickets on the day for £35 (ticket prices include a £5 donation to Pride in London).

early enough you might even get a bottle for free as they're giving them away on a first come first served basis! The third reason you can't afford to miss this month's **Hard On** is because porn beefcake Dirk Caber, who's starred in movies for Titan, Raging Stallion, COLT and Lucas Entertainment amongst others, will be putting on this month's XXX-rated sex show!

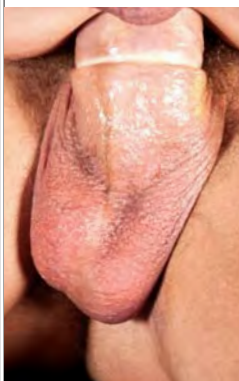

Once Dirk's got you all fired up, you can go and get up to no good in **Hard On**'s large, well-equipped play area or one of the club's dark rooms or private cubicles which have their own glory holes. Or why not get sleazy in the wet area or go cruising outside in the fresh air, on the heated smoking terrace! You don't need membership to get into **Hard On**, but if you want to become a member (which only costs a tanner for a year) and enjoy all the benefits that come with it, like discounts at loads of fetish shops, then you'll need to sign up 24 hours before the party, online at www.hardonclub.co.uk. Don't forget that **Hard On** enforces a strict dress code of leather, rubber, sports kit, skin gear, and for the very daring, just your boots! You won't get in wearing plain jeans or trackies, and trainers are only allowed with sports kit... This month's **Hard On** is on Saturday June 15th at Union, 66 Albert Embankment (next to Chariots Sauna) in Vauxhall, London SE11. Entry's £15 for members and £20 for guests. And here's another date to put in your fetish diaries. Saturday July 27th sees Suzie Krueger and the **Hard On** crew pack their rubber shorts, leather harnesses and sun cream and jet off to the Mediterranean sun when they take **Hard On** to Barcelona's hottest fetish club, **Open Mind!**

IT'S OFFICIAL: FRANÇOIS SAGAT HAS RETIRED FROM PORN

● **PORN** lovers across the globe are coming to terms with the sad news that French porn star **François Sagat** has retired from porn.

HE announced the bombshell in a brief video shot in front of *Sleeping Beauty's* Castle at Disneyland Park in Paris, which he posted on his personal blog.

"Hello, I'm François Sagat and from this day forward I've retired from porn," he says in the 16 second video, that starts in black-and-white and reverts to colour as he finishes his sentence and looks thoughtfully into the distance. Sagat explains in the blog post that because he's been so busy working on different projects, he's not had the time to update his website. "I do not plan to make porn again," he wrote. "No regrets. Just new goals." Born in 1979, Sagat is best known for his scalp tattoo. As well as starring in countless porn films, he's also appeared at times as a fashion model and landed cinematic roles in films including *Saw VI*, the sixth instalment of the *Saw* film series directed by Kevin Greutert, and lead roles in *L.A. Zombie*, directed by Bruce LaBruce, where he plays the role of a homeless schizophrenic who believes he's an alien zombie, and roams the streets of Los Angeles trying to bring the dead back to life by engaging in homosexual sex, and *Homme au bain* (*Man in Bath*) in which he plays the role of Emmanuel, a gay hustler living with his lover.

Mind you, this is the second time Sagat has retired from the adult industry... so watch this space.

WIN SAGAT - THE ESSENTIAL FRANÇOIS SAGAT DOCUMENTARY

● **JUST** as François says goodbye to porn, we're able to get even more intimate with him with **SAGAT**, a new documentary from TLA Releasing in which he talks frankly about topics ranging from hyper-masculinity to his personal fetishes and the politics of the porn industry. Stuffed with extras and interviews with the likes of porn legends Bruce La Bruce and Chi Chi LaRue, **SAGAT** is an essential part of any fan's collection. For your chance to win a copy, send an email with your name and contact details, to editorial@qxmen.com with **SAGAT** Competition in the subject field, or post your entry to QXMEN, **SAGAT** Competition, 23 Denmark Street, Soho, London WC2H 8NH. The competition closes on Sunday June 30th at 5pm, and the winner will be drawn at random... Sorry guys, the competition's open to UK residents only.

TAHOE - SNOW PACKED

Studio: Falcon Studios	Directed by Steve Cruz & Bruno Bond
Starring: Ray Diaz, Shawn Wolfe, Landon Conrad, Trystan Bull, Jimmy Durano, Angel Rock, Tyler Wolf, Jackson Taylor.	
Available from Prowler, Expectations, White Tiger and all good DVD stockists, and at www.ProwlerDVD.com .	

LAKE Tahoe, in the Sierra Nevada of the United State, is a winter playground where handsome, horny studs go for intense skiing and snowboarding holidays. But some guys go there just for the sex, and that's exactly what these eight Falcon men are there for, under the direction of Steve Cruz and Bruno Bond.

WE'RE greeted by the delicious sight of Landon Conrad and Tyler Wolf in an outdoor hot tub in scene one. They make out in the steaming water before moving into the bedroom where Tyler gets straight to work on Landon's rock hard cock. When Tyler arches his back and thrusts his arse into the air, Landon fucks him and then sprays a blizzard of cum all over his face. Every man likes playing with himself when he's naked, and it's at these times that he's most vulnerable to seduction. That is the basis of Ray Diaz's strategy for bedding Trystan Bull. Trystan, however, has no idea he's the object of Ray's desires and so when he's having a soapy wank in the bath he's completely unaware that Ray is lurking around the corner, wrapped in a towel, watching. Ray is single-minded about what he wants and when Trystan gets into bed he literally fucks himself on his buddy's cock at every speed, every angle - and every intensity - until the horny bugger has worn a groove in his prostate! Angel Rock and Jackson Taylor get caught in a snowstorm and, back at the lodge, share body heat to keep warm? They can't have been that cold though as the guys are soon naked on the couch with Jackson straddling Angel's face like a saddle, spreading his tight, smooth but, so Angel' can tongue his puckered hole. Grasping Jackson's tiny waist in two hands, Angel guides him to his waiting cock and fucks him to a breathless climax. Jimmy Durano and Shawn Wolfe are taking a bath together and sucking each other's cocks. They soon start to fuck, with Jimmy sitting and Shawn lowering his arse onto his cock. Then once Shawn's hole loosens up, he leans forward, braces himself and lets Jimmy take him from behind and pound his arse.

HUGE AND HORNY

Studio: Stud Fuckez	
Starring: Valentin Petrov, Sean Lawrence, Tom Chase, Lane Fuller, Max Marshall, Trenton Ducati, Christoph Scharff, Barrett Long, Danny Vox, Francois Sagat, Rafael Alencar.	
Available from Prowler, Expectations, White Tiger and all good DVD stockists, and at www.ProwlerDVD.com .	

THE guys in the latest Stud Fuckez compilation have one thing in common; they're all hot muscular studs and they're packing some serious meat!

BOTH Valentin Petrov and Sean Lawrence are sporting hefty horse cocks and you wonder which guy is going to be the bottom in a scene taken from Big Dick Revolution. We soon find out that it's Valentin, when he wraps both fists around Sean's gigantic black pole and sucks it down getting his buddy rock hard. Sean gets behind Valentin's butt and thrusts in and out, moving harder and faster until his buddy shoots his load, at which point he pulls out and creams himself.

Rafael Alencar has one of the biggest dicks in porn and François Sagat loves big dicks, so they're a perfect match in the scene from Instinct. It begins with Rafael choking François with that massive cock of his and François drools as he swallows it all the way down his throat like a true pro. Soon François bends over and is offering his hole to Rafael who tears it wide open with an aggressive fuck.

In a scene taken from Stripped: Make It Rain, Trenton Ducati is keen to get a good face-fucking if it's going to get Max Marshall's cock to its optimum size. And when it is, boy is it a monster as Trenton discovers when Max and his dick of death stretch his arse wide open! Max's monster balls slam Trenton from the outside while his massive member slams him on the inside, and Trenton, party to his own punishment, grinds back, loving every minute of it. When nerdy neighbour, Lane Fuller, knocks on the door of super-hung Falcon Lifetime Exclusive Tom Chase for a cup of sugar he gets more than he bargained for in a classic scene from Falcon's Full Filled. Tom must have one of the biggest, heaviest cocks of all time in gay porn and it's amazing watching it pound Lane's smooth bubble butt.

There are five scenes on Huge & Horny, and the fifth, a hot three-way from Falcon's Getting It Straight stars Christoph Scharff and Barrett Long who take turns fucking Danny Vox's butt in a hot car mechanics' fantasy!

TAKING CONTROL

Studio: Eurocreme	Directed by Blacky Mendez
Starring: Billy Rubens, Darius Ferdynand, Josh Jared, Danny Daniels, Luke Desmond.	
Available to buy at www.eurocremestore.com or watch high quality streaming at www.eurocreme.com .	

FOR some, the task of managing a hotel where around every corner there are sexy young twinks waiting to distract you, would be too much to handle. But not for hot young Eurocreme Exclusive Billy Rubens, who had no problems taking control of the staff and guests at The DreamBoy Hotel.

YOUNG Darius Ferdynand comes looking for The DreamBoy Hotel's previous Manager, J P Dubois, and instead finds Billy, suited and booted and looking mighty fine. There's an obvious attraction between them and when Billy offers him a room for the night, free of charge, Darius knows exactly how to repay Billy's kindness. When we next see Billy he's on his back getting one of the most sensual blowjobs we've seen in porn this year! Soon though Darius' sexy butt needs some attention and he sits on top of Billy and bounces on his rock hard cock until both lads spunk their loads.

Another Eurocreme Exclusive, cute blonde Danny Daniels, is sneaking his army pal Josh Jared into his room for a couple of beers in scene two. Josh is a rough straight lad but, after just a couple of drinks, Danny manages to talk his mate into getting his cock sucked. Josh likes it so much that soon he's letting Danny rim his virgin arse before letting his mate take his cherry! When Luke Desmond barges into Billy's office in his overalls with his massive trouser snake hanging out, Billy - like any hot blooded male - is straight on his knees and filling his mouth with as much of Luke's cock as he can. But that's as bottom as Billy goes, and soon he's got Luke bent over with his shoulders pulled back, as he pounds his arse.

Arriving home after a few too many beers, Danny appears to have lost his sexy straight mate Josh, and crashes out in reception. He's found by Darius, who helps him back to his room, and once the boys start playing Danny soon sobers up! Darius sucks on his new fuck buddy's cock before raising his delicious arse up in the air so that Danny can eat him out. The best is yet to come though when Darius rubbers up and, taking no prisoners, fucks Danny deep and hard.

ORIGINAL SINNERS

Studio: Lucas Entertainment	Directed by Marc MacNamara, Adam Killian & Chris Crisco.
Starring: Diego Lauzen, D.O., Tiziano Fuentes, Jake Genesis, Jessie Santana, Adam Killian, Jesse Ares, Wagner Vittoria, Paddy O'Brian.	
Available from www.lucasentertainment.com .	

IN April we published photos of the cast and crew on location in the Costa Rican jungle as they filmed *Original Sinners*. The DVD's out now, and with a Lucas Entertainment plot line and a cast of nine stunning men having amazing sex in stunning locations, *Original Sinners* lives up to all our expectations.

IN scene one, Tiziano Fuentes and Diego Lauzen sneak away into the jungle with D.O. Bending over to deep throat D.O.'s stiff cock, Diego pushes out his bubble butt so that Tiziano can bury his face in it. D.O. wants to know what he's missing out on and everyone switches positions so Diego is sucking Tiziano while getting his arse eaten by D.O., and soon Tiziano gets his hungry arse fucked, first by Diego and then by D.O. In a scene reminiscent of Burt Lancaster and Deborah Kerr's infamous one in the film *From Here To Eternity*, Jake Genesis and Jessie Santana are a couple having sex on the beach in scene two. Unlike Burt and Deborah though, as the waves roll in around their legs, Jesse and Jake pull off their trunks and take turns sucking each other's cocks. Something else we're pretty sure Deborah Kerr didn't do in the 1953 film was get on her hands and knees, arch her back and let Burt Lancaster give her good hard fucking deep in her arse before putting her on her back to seal the deal. Rumour has it that Lancaster wasn't that keen on anal, but Jake and Jesse appear to love it! Back inland, Jesse Ares and Adam Killian find a clearing in the Costa Rican jungle where Adam gets down on his knees and sucks Jesse 'til he shoots his load before heading off for a three-way with real life boyfriends Diego Lauzen and Wagner Vittoria. In the shallow waters of a Costa Rican oasis, Diego swallows the whole length of Wagner's cock while Adam fucks him hard from behind. And then Wagner gets on his back so Adam can pound him while he sucks his boyfriend's cock. But Wagner wants to see Diego go even further, so he and Adam double fuck Diego's meaty butt! The final scene sees Jesse Ares getting a hard fucking from Paddy O'Brian and, although he's not had a lot of experience bottoming, Jesse takes it like a man from our man Paddy.

BEHIND THE BIG TOP

Studio: Raging Stallion Studios	Directed by Tony Dimarco
Starring: Dale Cooper, Genesis Luna, James Jamesson, Jimmy Fanz, Josh Long, Leo Domenico, Logan Vaughn, Rogan Richards.	
Available in all good adult DVD shops and online at www.SimplyGayDVD.com .	

HAVE you ever wondered what goes on behind the scenes at the travelling circus when it rolls into town? Well, director Tony Dimarco is going to show you as he cracks the ringmaster's whip at Raging Stallion's greatest sex show on earth!

CIRCUS strong man, and current QXMEN lust object, Rogan Richards is checking himself out in the mirror when he spots something in the mirror. It's Logan Vaughn on his knees and he's sucking Leo Domenico's cock. Rogan heads on over and joins the guys to create a three-ring circus of their own. Logan and Leo team up to suck and rim Rogan. Then Logan gets on all fours in the middle of Leo and Rogan and his hole and mouth remain filled with cock for the rest of the scene. Acrobats Jimmy Fanz and Josh Long are a bear cub lover's wet and hairy dream. They're practicing a routine wearing body-hugging singlets when Josh says he has an idea. He climbs a rope ladder and hangs upside-down so his cock is at Jimmy's eye level and vice-versa, and they face-fuck each other in a suspended 69. Next, and showing off their acrobatic skill to the max, Jimmy suspends himself from the ladder so his furry hole is poised directly over Josh's tongue and Josh dives in to taste Jimmy's arse. Then abandoning the ladder, they grab some heavy ropes hanging from the ceiling, and fuck. Genesis Luna is feeling horny so he heads over to the props tent, pulls out his dick and starts jerking off. Leo Domenico, who's asleep in an empty lion's cage nearby, is woken up by Genesis' groans and gets an immediate hard on. Genesis goes down on him and then does a back flip, pushing his tight, round buns in Leo's direction like a cat on heat. Leo doesn't need any more persuading he sinks his stiff cock deep into Genesis' hungry hole until Genesis shoots his load. Flame-haired Circus bearded man James Jamesson has a secret talent. He can suck his own cock, and that's exactly what he's doing when circus performer Dale Cooper comes in. Dale quickly gets out of his clothes as he wants what James is having, and what follows are some amazing 'sleight-of-cock' tricks you won't be seeing at the circus anytime soon.

THE HOOKIES 2013, RENTBOY.COM'S SEVENTH ANNUAL INTERNATIONAL ESCORT AWARDS SHOW, TOOK PLACE IN NEW YORK CITY IN MARCH AND SOME OF THE BIGGEST NAMES IN THE ADULT INDUSTRY WERE THERE. THE AWARDS INCLUDED BEST COCK, BEST ASS AND BEST DADDY, BUT THE EVENING'S TOP ACCOLADE WAS THE TITLE OF MR. INTERNATIONAL ESCORT 2013, AND THAT HONOUR WENT TO THE MAN WHO PROVES THAT MAYBE BLONDES DO HAVE MORE FUN - CHRISTOPHER DANIELS.

Sure, it was great to be nominated, but winning was even sweeter, wouldn't you say?

I would definitely agree! I don't think I had much over the competition. The guys I went up against were all class act escorts and good at what they did. Not a dirt bag in the bunch.

Did you do something special to attract the attention of voters?

I offered blowjobs to everyone who voted for me.

What did you think when your name was called?

Finally, I can stop begging for votes!

"I OFFERED BLOWJOBS TO EVERYONE WHO VOTED FOR ME."

What does the win mean for your career?

I think this win will help open new doors to promote the Christopher Daniels brand. The best way to stay fresh and employable in this industry is to constantly be evolving. If Madonna has taught us anything it is that success is not solely based on talent. It's about reinventing yourself and staying fresh, relevant and interesting.

Who did you thank in your speech?

Not a single fucking person because Sharon Needles and the crowd were over it by that point. Sharon gave me my award, said goodnight and walked off stage with the mic. It truly was a memorable moment for me. All that campaigning and I didn't even get to thank baby Jesus.

Will you be raising your rate now that you are the top hooker in the world?

No, because when my popularity dies down I will have to lower it again and that would just be embarrassing. It's going to stay the same. I have no delusions of raising it to \$500 an hour and for my phone to be ringing off the hook. Our economy is still in the toilet so that's not going to happen anytime soon.

How much do you make on a typical night?

It varies. I rarely see more than one guy a night. I like to give all my attention to one client, and if I'm running around town all night with my legs spread then it's easy to get worn out and become a total hag. ►

► **Growing up, did you imagine that you would one day be the top hooker in all the world?**

Not really, but I've always liked attention and I'm a complete narcissist. Escorting is the perfect outlet for that.

“WHEN I’M AN OLD, WASHED UP HOOKER CRYING IN MY HOUSE, DRUNK AND ALONE ONE DAY, I’LL PUT ON THE SASH, HOLD UP MY TROPHIES, LOOK IN THE MIRROR AND SAY, “WHAT HAPPENED TO YOU? YOU USED TO BE SOMEBODY!”

Will you go around wearing your ‘International Escort Of The Year 2013’ sash?

I prefer to be a little more subtle, so probably not. Unless I'm an old, washed up hooker crying in my house, drunk and alone one day. I'll put on the sash, hold up my trophies, look in the mirror and say, "What happened to you? You used to be somebody!"

What's the biggest misconception about escorting?

That sex workers are damaged, lost, fucked up people. I mean, we are, but no more than the rest of society.

Is it a shady business?

It can be. Honestly, I think you get what you put out there. Sometimes I read other escorts' ads and I feel like when you market yourself in a certain way then you are going to get some shady, fucked up people calling you. I get my share of crazies but it is a crazy business. If I didn't get some colourful characters then I would probably quit and get a 9-5 job. I enjoy quirky people.

What do you make of all the recent suicides in the porn/escort industry?

It's really sad and it's hard to make sense of it all. We're in a very tough business. Everything is based on outer appearances, excess and it's easy to get lost in it all. In any industry based on looks and talent, you are going to have some fucked up people. Porn is no different. If you don't have a strong support network of people then it's easy to get lost in it all and make poor choices. What it all comes down to is love. We all want to be loved and accepted. If you don't have that in your life then it can be hard to make it through each day.

What do you do on a typical date?

Are we talking about with a client or in our personal lives? With a client it varies. It can be dinner, a show, gambling, conversation, drinks and then whatever else. As for my personal life I don't date. I have a boyfriend and besides that, dating is a nightmare.

Are most dates out in public or behind closed doors and under the sheets?

They're both. Depending on what the guy is looking for. I prefer dinners and drinks and then heading up to the room.

Do you have regulars?

Yes I do. That is something an escort hopes for and works to get. I have some great men I get to see on a regular basis.

PHOTO BY JOE MAZZA

PHOTO © HOTHOUSE.COM

What keeps your regulars coming back?

My charm? Wit? The fact that I always put out? All of the above?

Have you ever experienced something close to a fatal attraction?

Yikes! No. Thank God.

When do you know when a customer is becoming a stalker?

When they start contacting you on a daily basis to just talk. I do like to interact with a lot of my clients because they are fun guys and we have a lot of back and forth banter, but if they start to treat us like a real relationship I start to distance myself a bit.

Have you ever walked out on a date?

Oh God. Yes, once. There are many I probably should have walked out on but the only one I walked out on was a young guy who had a lot of money, a huge ego and was being incredibly cheap. To make a long story short, I finally stood up and told him if I stayed there I would really hate myself and I had to leave. He didn't understand why and the answer is simple. Young, attractive guys with a lot of money are generally really obnoxious and cheap. I have started to focus on respecting myself more and if some guy is going to be an asshole then I don't care how much money they are going to give me. Self-respect is more important than any amount of money.

Is hooking an easy gig?

Sometimes it is so unbelievably easy, it's sad. But, then again, there are plenty of times where it is the hardest job in the world.

What happens if you're not sexually attracted to a client?

Viagra and fantasizing about something else helps.

You also dabble in porn. What came first, escorting or porn?

Escorting. Porn happened to promote the escorting.

How many films have you done?

Too many to count.

Can you name the top five you have starred in?

My top five would probably be Incubus 2, Men In The Sand, Dripping Wet 4, Hooker Stories and PantyHos.

Which job do you prefer?

I like both. I think it's important to constantly mix them up. It's easy to get burnt out on both so I try to make sure I do both as well as some go-go dancing.

Which job pays the bills?

Both!

What other jobs have you held?

I trained as a dancer my whole life and was a professional dancer here in Vegas.

How long can a rentboy's career last?

As long as you want it to last! Go to the gym, eat healthy, sleep 8 hours a night, be smart, stay healthy and keep good people in your life.

What's the best thing about being a rentboy?

It's fun. I get to travel, make money and I constantly meet interesting people, and there is never a dull moment.

Worst thing?

Sometimes you just don't want to have sex, talk to people, be sexy or even get out of bed. It can be draining.

Would you date another escort?

I did and it didn't work out very well but that doesn't mean it couldn't. I'm open to anything.

What's your message to haters?

I think it's sad when people address their haters. If you're that fabulous to even have haters then let them hate. You have no business trying to change others opinion of you. Besides... indifference is more powerful than hate.

What did you do with the Hookie Award? Where is it now?

It's on my bookshelf above my computer and I am looking at it right now. I'm hoping to melt it down to some tear drop earrings and a necklace in the future.

FRIDAY 8TH JULY AT **No. 65** VAUXHALL (FORMERLY COVER)

QXSHOP
GODUK

I WANT ONE OF THOSE!

IT'S 'FETISH WEEK LONDON' NEXT MONTH AND WITH SO MANY KINKY PARTIES AND SPECIAL FETISH EVENTS TO GO TO, YOU SHOULD REALLY THINK ABOUT GETTING YOURSELF A NEW OUTFIT TO WEAR. WE DON'T MEAN BUYING YOURSELF A NEW PAIR OF JEANS OR A SHIRT. YOU WANT SOMETHING SEXY THAT'LL GET YOU NOTICED, AND WE THINK (ASSUMING WE GET A WARM JULY) THAT A LITTLE NUMBER FROM CELLBLOCK 13 WOULD FIT THE BILL.

DESIGNED and made in Los Angeles, CellBlock 13 brings together fetish and fashion, taking inspiration from masculine athletic apparel mixing them with fetish influenced design themes, such as the contrasting piping on the leg and the contoured front pouch, which frames your assets. Created as an underwear line that can be worn during day and also while cruising at night, the team behind the brand says, "We take into consideration how we all live, play and relax in fashion we create."

● AMONG Cell Block 13's many styles, one of our favourites must be the **SWAT Grappler Jock**, which is perfect for the gym, the playroom or an underwear night. **£22.99**

● IF you want a little more coverage then maybe the **SWAT Gridiron Jock Boxer** with it's sexy square cut is the one for you. **£32.99**

● FOR men of a certain age, boxer-length shorts are, quite frankly, not a good look. Luckily, the team at CellBlock 13 have come up with the perfect solution, the **SWAT Jock Shorts (£36.99)**. They're a football-length short with an open back panel meaning your arse is perfectly framed and ready for action!

OF course, when you're wearing your CellBlock 13 jock, with its sexy contoured pouch cradling your meat and two veg, you'll want your package to look as impressive as possible. And it just so happens that we've got the perfect solution that'll help you in that department too!

● YES, if you want your packet to look like that of a porn star's, then you need some **Cock Armour** from Perfect Fit! This bad boy isn't like a traditional cock ring, it's got many original features that we're told, "make the product become an integrated part of your anatomy and enhance your gear". The Cock Armour has been designed to fit like a codpiece and push your entire package out completely from your body. Indeed, if the hype surrounding these gizmos is to be believed, once your Cock Armour is in place, your erection will last for longer periods of time! Anything that comfortably pushes your cock and balls outwards when you're wearing a jock sounds good in our opinion. **£29.99**

● THERE'S another couple of products from Perfect Fit that we must tell you about too.

The first is the **Silaskin Cock & Ball**, a super stretchy cock and ball enhancer that provides unparalleled support and has an amazing firming effect! **£24.99** And secondly it's the **Perfect Fit Tunnel Plug** which has a tunnel going right the way through it so you can insert, well, whatever takes your fancy... and you're actually able to see right into it too! The Medium Tunnel Plug has an insertable length of 2.5 inches and a circumference of 6.5 inches, while the Large, goes in 3 inches and has a circumference of 7 inches! **£39.99**

PROWLER'S ALRIGHT (FLESH)JACK!

IT'S ONWARDS AND UPWARDS FOR PROWLER, WITH A TOTAL REBRANDING OF THEIR STORES AND ONLINE DIVISION, A NEW LOOK BLUE ROOM IN ITS SOHO STORE (MORE ABOUT THAT IN NEXT MONTH'S ISSUE) AND EXCITING CHANGES PLANNED FOR ITS BIRMINGHAM AND BRIGHTON STORES STORMING AHEAD - RUMOURS IT WAS CLOSING WERE EXACTLY THAT, RUMOURS... WITH ALL THESE PLANNED CHANGES IT'S REASSURING TO KNOW THAT, TOGETHER WITH THE LATEST MUST-HAVE ITEMS ON THE MARKET, PROWLER STILL STOCKS ALL OF THE BIG BRAND NAMES THAT WE KNOW AND LOVE.

● FOR guys who like to watch themselves in action there's the Fleshjack Ice Mouth Crystal, Ice Jackass Crystal and Ice Bottom Crystal all at £55.95. The Ice toys offers all the same super-soft pleasures of the original Fleshjack, but with a clear sleeve and case to give the user what's called 'enhanced visual stimulation'. Of course, for the traditionalists, and those of us who don't want to see what's going on inside the case, there's the Fleshjack Original (£54.95), the Fleshjack Vortex (£55.95) and the Fleshjack Endurance (£55.95). And if you're a frequent flyer or maybe drawer space in the bedroom is at a premium, look no further than the sleek, compact Fleshjack Flight for just £49.95.

One of our favourites is Fleshjack, known affectionately as the King of Wankers, and you're spoilt for choice with the huge range of Fleshjack toys at Prowler...

● NOW it's a sad fact of life, but not many of us will get the chance to fuck a porn star. So the next best thing is to get yourself one of the Fleshjack Boys that have sleeves molded from some of your favourite porn stars' mouths and butts. At Prowler you can pick up a Brent Corrigan, a Joey Visconti, a Brent Everett, a Kevin Warhol, a Kris Evans or a Dolph Lambert, all for £61.99.

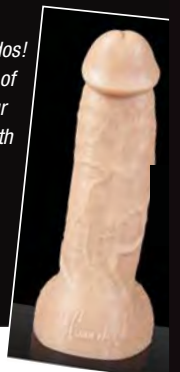

● SIMILARLY, not many of us are lucky enough to get fucked by porn stars. So we reckon you have two options; either make a wish every time you see a shooting star and when you blow out the candles each year on your birthday cake or, as many Prowler customers have done already, get yourself a Fleshjack Boys reality dildo. They're high-grade silicone replicas of the appendages of porn stars and Prowler has ones molded from Brent Corrigan, Kris Evans, Dolph Lambert, Brent Everett, Cody Cummings and Samuel O'Toole. At just £49.95, we reckon it's a small price to pay to get fucked by a porn star!

WIN

ONE OF THREE FLESHJACK BOYS REPLICA COCKS!

● THOSE lovely boys at Prowler are being even more generous than usual this month and are giving away three Fleshjack Boys reality dildos! AMERICAN EROS

● WHEN asked how he chooses the men he photographs, Mark Henderson says that, amongst other criteria, “the models I hire must achieve an extremely high level of muscular conditioning – a pleasing balance between size, **proportion, flexibility and definition is ideal for my purposes**”.

WHAT Henderson fails to mention is that the guys he photographs – or at least the ones in *American Eros*, his fifth beautiful coffee table book – are all hung like donkeys, possess arses that define the term ‘bubble butt’ and have sex appeal in bucket loads! Not that we’re complaining mind you.

In this stunning 288-page photo book you’ll find intimate and very private images of 18-year-old models through to men over the age of 50, including the likes of Marc Dylan, Race Cooper, Landon Conrad and Trenton Ducati. Men who are not only native to the United States, Canada and Mexico, but also guys from China, Persia, Russia, Serbia, Western Africa, the Philippines and Brazil.

So, as Henderson puts it, this book was never intended to be a demographically accurate anthropological survey of the average American male. “Quite the contrary! *American Eros* serves as my way of celebrating the delicious multiformity of male beauty found here.”

All we can say is, *American Eros* is a celebration worth celebrating!

● SEE more of Mark’s work at markhendersonphotography.com.

QX **MEN**
IS LOVING...
... TYSON
TYLER

● AND you will be too if I'm right when I say that this guy is going to be the next big thing in gay porn!

I'D never heard of Tyson Tyler until a couple of months ago. Then in April he emailed me some photos asking how he could get his face into QXMEN Magazine and I replied asking what experience he had, if any, in the porn industry.

And this is where, some might say, fate played its card because within five seconds of replying to his email, Blake Mason's latest DVD, *Best Of British*, landed on my desk and who should be starring in it, yes Tyson Tyler.

Then over the next couple of days and weeks, everywhere I turned, there was Tyson's face – and hot, tattooed body, cute bubble butt and sizeable cock – staring back at me! Now it's not like he'd been used to promote every new sex toy on the market or he'd worked with every porn studio, but, by sheer coincidence, the few that Tyson had done were now coming at me from all directions!

Expectations had just taken delivery of a new range of sex toys from KeepBurning, and guess who was 'modelling' some of the products. Then I received a press release from *CazzoClub.com* featuring "Britain's Tyson Tyler", and when I saw some images from Bulldog XXX's hot new DVD *Snatched*, who did I recognise abusing Marco Sessions' bubble butt? Yes, you've guessed it, Tyson Tyler...

As I write this, Tyson has just started a five-week whistle-stop tour of Canada and the U.S. where he'll be working with Next Door Ebony, Celebrity Krush and Fabscout, meeting with studio execs and, in his own words, doing "porn, gogo dancing, modelling and men LOL".

So watch this space, and watch out Paddy O'Brian. There's a new Brit in town who's about to take the gay porn industry by storm...
