## CALENDAR BOYS

● **FORGET selfies!** Calendar-Boys is a unique 'pamper day' style photo shoot service which will not only leave you with a day to remember, but is great for guys who like so-called 'fetish' wear.

LEATHER, sports gear, suits and uniforms, etc, but for whatever reason, don't have any of their own or are merely curious. This way you can see how you'd look in your favourite outfit before you splash out your hard earned cash! Created by Will Kane, Calendar-Boys came about after he and his partner had attended way too many fancy dress parties, and subsequently

had accumulated a collection of over 50 different outfits! Combining this with his love of photography, Will hit upon the idea of Calendar Boys! It works like this: You choose your favourite fantasy outfits/uniforms from various thumbnails on the Calendar Boys website and on the day of the shoot the photos are taken against a white backdrop, with plenty of props available too, so that a background more appropriate to the uniform (fire-fighter with fire engine, cop with cop car or outside a police station, etc.) can be photo-shopped in. We asked Will what's included in the package he offers and he told us, "Besides from spending several hours in my sparking company, it's the chance to dress in as many fantasy fetish outfits as humanly possibly in one day that even Mr Benn and The Village People would be envious of! You'll receive wonderfully unique pics that you can turn into a coffee table book, canvasses, or even a calendar so you can admire yourself 365 days a year!" For more information on this unique photo shoot experience and to see Will's collection of costumes and uniforms, check out his website [www.calendar-boys.co.uk](http://www.calendar-boys.co.uk). To read the full interview with Will and see a selection of his outfits, including a photo shoot of Stuart Hutton (Mr Gay UK 2013) in various revealing outfits, log on to [www.qxmen.com](http://www.qxmen.com) and search for calendar-boys.

## PRIMO FETISH PRIDE ITALY UN SUCCESSO!

● **LC Roma recently hosted the first Fetish Pride Italy. The long weekend event, which ran from February 27th to March 2nd, featured a number of gear and cruise parties in some of Rome's popular cruising venues.**

ANTOIN, Recon Event Manager, told us, "I had a blast. As the saying goes, 'When in Rome...' I was pleasantly surprised by the turnout of the event. There were a number of visitors from across Europe (UK, Germany, France and Denmark) and even a small group of Americans. Who would have guessed that Rome had such a large number of cruising venues? I've got a new list of must-go-to places for my next Roman holiday!" Other events staged over the weekend included a Mr Rubber Italy contest, a BLUF party, a Rubber party and a guided tour. The Main event of Fetish Pride Italy was the Recon Full Fetish party at Feel Unusual Club on Saturday night. Some of Rome's hottest guys came out of the woodwork for a night of fetish, dance and cruise.

Take a look at Recon's Past Events gallery to see the pics. It certainly

looks like those Italian fetish-loving studs were having a great time! For details about next year's Fetish Pride Italy, go see [www.fetishpride.it](http://www.fetishpride.it) and for information on other Recon events, check [www.recon.com/events](http://www.recon.com/events).

## THESE ARE TESTING TIMES

● **"FRIENDLY, convenient, quick," "welcoming crew of folks," and "great experience," are not the sort of comments you'd expect to hear about a GUM clinic.**

BUT that's what users of multi-award winning HIV testing service, Testing Times, have been saying. Yorkshire MESMAC has been running Testing Times, a free, rapid and confidential HIV testing service in Leeds, Bradford, Wakefield and North Yorkshire for several years in locations such as bars, clubs, saunas and universities. Talk to a trained gay friendly professional at a time and place convenient to you and after discussing what risks you may have been involved in you can then decide if you still want to have the HIV test without any pressure. The test itself involves taking a small sample of blood from your finger, and after 20 minutes you'll be told what your HIV status was 12 weeks ago. You can also

get a pee in a pot test for Chlamydia and Gonorrhoea with the results texted to you once received by the laboratory. Testing Times run free drop-in sessions in the evenings and weekends in Leeds and other areas. For example in Leeds there are drop-in sessions at the Basement Sauna Complex at 7 Heaton Court on the first Sunday of the month between 2pm and 4pm, at the Steam Complex Sauna, 8 Eyres Avenue every Wednesday between 3pm and 6pm and at 60 Upper Basinghall Street every Tuesday and Thursday between 6pm and 8pm and every first Saturday of the month between 12 noon and 3pm. ## MR LEATHER UK CONTEST 2014

● **FOR the first time in its history, the Mr Leather UK contest came to the capital under new sponsorship from Millivres Prowler Group, Expectations, the UK's largest fetish store and Suzie Krueger's Hard On.**

THE event, held at the industrial, boiler-house setting of Expectations with DJ Brent Nicholls providing the tunes, formed part of the AGM Weekend of the Motor Sport Club (MSC) London, one of the oldest clubs in the UK for gay and bisexual men into leather, motorbikes and other fetish clothing, including rubber, uniforms, boots, skinhead gear and sports kit. The evening's host was porn star and leather daddy, singer Greg Mitchell, who kept the 150 strong leather crowd at Expectations entertained throughout the various rounds.

The elite judging panel, made up of Chris Dixon, Manager of Expectations, Paul Turner, Chairman of MSC London and the reigning Mr Leather Germany, and runner-up at last year's International Mister Leather (IML), Tyrone Rontganger, who'd flown in especially for the event, chose well known sexy 'cub about town' Avi Angel (pictured right) as the winner, who goes forward to represent the UK at next month's IML in Chicago and European Mr Leather in November. Avi's originally from South Africa, but has

made London his home over the last decade where he's a visual web designer. He beat a strong line-up of hot leather men to take the title, and the current Mr Leather UK and recent winner of Mr Leather Europe, Kilker Alcaraz, presented him with his sash. "I'm so honoured to be chosen for this title! I love leather and the community of brothers

in the leather world have always made me so welcome, and are the friendliest and sexiest group of guys you can find anywhere," said Avi accepting his title. "I now have a very busy year ahead with the two International competitions and appearances at many events around the country, including the London Fetish Week, HustlaBall, Hotwired and Hard On club nights, a West End leather film premier and I'll also be leading the MSC Leather group at this year's London Pride which will be great fun! My first job is to represent the UK at Berlin Leather Week in Germany at Easter before heading back for Folsom in September." Avi's prize included several extensive bespoke leather outfits for his year in the spotlight, together with £500, a magazine cover with a full interview and much more!

## THE HOOKIES 2014

● **IT was standing room only at central London hotspot Manbar for the Mr United Kingdom heat of The Hookies 2014 International Escort Awards.**

IT was a preliminary for The Hookies 8th Annual International Escort Awards, known as "The Oscars of Escorting", that were held at the end of March in New York City, and Rentboy.com had scoured the globe

searching for the top escorts in cities around the world. Chrissy Darling hosted the evening's proceedings, and nine of the country's hottest working boys, namely Bernardo, Christian, Gabriel Cross, Adam Dacre, Justin King, Gustavo Madeira, Dean Monroe, Matteo Valentine and Tyson Tyler, battled it out for the coveted title of Mr United Kingdom 2014 Escort of the Year. The votes of guest judges,

porn star hottie Marco Sessions and QX Magazine Editor, hottie Cliff Joannou, those of online judges together with audience applause signalled one clear

winner, Adam Dacre. By the time this issue hits the stands Adam would have already represented the U.K. in New York at grand final of The Hookies... Let's hope he brought home the top honour! Details at [www.thehookies.com](http://www.thehookies.com).

## 19/APRIL - GET YOUR HARD ON

● GET yourself down to Union on Saturday April 19th on the Easter Bank Holiday weekend for your dirty dance club Hard On where, for his first time in London, Italian porn model Francesco will be performing on stage! Work off all those Easter Eggs on Hard On's intimate, laser-filled dance floors to the cock-throbbing beats and arse-pounding tunes that'll be brought to you by Brent Nicholls and new hot guy Steve Morris. Then once you've danced your arse off, go and get it felt up in Hard On's large well equipped play space, the wet area or while you're smokin' and cruisin' outside on the heated smoking terrace. Remember that you don't have to be a Hard On member to get in anymore. Just turn up on the night and you'll be let in as a guest. It's still worth becoming a member though as you'll

be entitled to great discounts like 20% off at RoB and Expectations on the day of the party (15% off at Expectations on all other days). Membership's only a tenner for the year and once you've got it you'll get in for £15, while guests pay £20. Sign up at least 24 hours before the party online at [www.hardonclub.co.uk](http://www.hardonclub.co.uk). Hard On enforces a strict dress code of leather, rubber, skinhead gear, sports kit or, for the very daring, just your boots! No plain jeans or trackies, but trainers are allowed only with full sports kit. And it's at Union, 66 Albert Embankment, Vauxhall SE11 7TP (next to Chariots Sauna).

But before London's Hard On on April 19th, Suzie and the gang will be packing their leathers and rubber gear and grabbing their passports when they fly out to sunnier climes to give a Hard On to all those perverts in Barcelona and then Venice!

*05 April: Hard On Barcelona @ Open Mind, Carrer d'Aragó, 130, 08011 Barcelona, Spain*

*12 April: Hard On Venice @ Juice Berry, Mestre, via Torino 162, 30172 Venice, Italy*

# THE HOIST'S SBN (STARK BOLLOCK NAKED) VERSUS NBN (NEAR BOLLOCK NAKED)

**Every Sunday, the Hoist in London holds one of the largest naked parties in Europe, where over 300 horny and up-for-it guys pack the club's arches. Here, Lee Towsey, doorman at the Hoist, lifts the lid on London's sexiest party and dispels some of the myths that surround it...**

is the large two storey darkened area with its huge sex maze which has a large play area, slings and everything you can imagine... and more! We get all sorts of guys coming to SBN and NBN; short, tall, large, slim, aged from 18 to death, but the majority of guys around 25 to 40 years old... it's a complete mix. After 7pm we lets in the NBN (Nearly Bolock Naked) crowd. They're normally a bit younger, I'd say from 18 to late 20s age group. As it's NBN, they'll come in wearing sexy underwear, jocks or sport shorts. But after about two minutes in the maze they're normally 'stark bollock naked' just like the rest of the boys. Shorts, pants and jocks off and any shyness they had diminished.

"At least one third of the guys who come are visitors from all over the world, and they say it's the Hoist's unique reputation as a sex club is what attracts them... it's the only club like it in the world!" The Hoist has a reputation with a lot of myth that normally comes from those who've never actually been inside. "You'll often see guys outside the club pacing up and down or walking past four or five times before they pluck up the courage to come in through the doors. One thing's for certain though. Once they do come inside, they always come back."

The first thing most new customers ask me is, "Is it really naked or can I just wear...?" "Your shoes Sir," is my polite reply. "Just your shoes". Once you've changed out of your clothes and paid the entrance fee you're given a free drinks token and a bag to put your cash in. You're then

guided into the notorious Arch One. It's a very large railway arch, and on your right there's a long bar area with some very sexy staff serving you your drinks, on the bar there's big bowls filled with free condoms and lube, and opposite the bar is the stage area for the sex acts to perform, and then more toilets, To your left

Wednesday: 9pm - 1am NBN (Nearly Bollock Naked)  
Saturday: 10pm - 4am "Afterdak" SBN (Stark Bollock Naked)  
Sunday: SBN 2pm - 1am, NBN 7pm - 1am NBN

# WHAT IS FETISH?

recon

“What is fetish?”

That’s a good question,” laughs Recon boss Philip Hamill a lean figure stretching back on a stylish leather sofa in his north London office. He’s thoughtful, pauses and then bounces forward.

**Fetish Week London in July promises the hottest, sweatiest parties in the UK fetish calendar. From leather and rubber, skins, uniforms and trackies... So, how do you define fetish? QXMEN asked Philip Hamill, founder of Recon, because he should know, having started the company from scratch to find horny guys just like himself.**

“My first answer would be fun! My second answer would be - whatever you want it to be.”

Philip is passionate about the Recon website he built, so men into fetish could meet other men. That was in 2000, and 14 years on he has watched membership grow to almost 2 million across the globe. The sharp-minded Lancastrian-turned-

Spanish and now, hot-off-the-press QXMEN can reveal that Portuguese is about to be released. “We have thousands of Latin kinksters in Europe and South America so we introduced Portuguese based on demand,” said Philip. “There are 100 million Brazilians whose native language is Portuguese so we’re expecting a hot summer! “The Recon app is also in four languages

can ‘check-in’ to let their mates know they will be in town – whether it’s Berlin, San Francisco or London, we are always connected.

“Fetish Week London is the big Recon event of the year. It runs from 06 July 2014 and promises to be the best ever. The guys in the office are really excited about it. We’re flying in porn star-cum-DJ Spencer Reed for the Full Fetish Saturday night party at The Coronet, as well as Per QX and Jack Chang who are real fetish favourites. “Porn star Tyson Tyler will also be at the Saturday night party. We’ll have playrooms, live interactive performances, something for everyone – whatever their fetish. There will be parties all week, starting with a private event for Recon premium members on the opening night. Our events team will be sending personal invites from me to them shortly.

“There’s so much going on that we’ve also created the FWL 2014 guide which will be available in bars, clubs and saunas around the world so guys can find their way around all the events from the beginning of April. It’s got exclusive interviews with Tyson and Spencer to get everyone in the mood as well as competitions! An online version will be available too.

Londoner saw a gap in the market and pounced. He is modest about his achievements. “I was the first member - I wanted to find horny pervs – just like me! And I still use it every day.”

He has now literally got the world of fetish in his grasp with ever-growing options. The site now offers four languages; English, German, French,

and has a host of new features about to be released including friends and search options. We never stop revising or devising new ways for Reconians (that’s Philip’s name for Recon members) to hook up. We always want to be ahead of the game.

“Recon runs fetish events around the world, and members

“Fetish can’t be defined as one thing. It’s moving, changing, evolving – like life, really. I suppose the only common denominator is, obviously, it’s for men with a horny appetite for men.”

“When I put my gear on I’m transformed. Is fetish a fantasy? Why not? You can take on an alter ego and throw away your inhibitions. I love getting into gear, putting on a mask and walking in to an event. It excites me, I’m pumped up and ready to party! That’s why I keep pushing to keep on Recon ahead of the game. Fetishes do change, though, they’re not static. It depends on what you are too.”

“Does that answer your question?”

Yes, Philip, it does. Live and let live... See you in July.

## SAUNA VIRGINS

Studio: Euroboy	Directed by Jonathan Blaber
Starring Deacon Hunter, Oscar Roberts, Reece Bentley, Alex Silvers, Ethan Oliver, Rhys Casey.	
Available online at <a href="http://www.ProwlerDVD.com">www.ProwlerDVD.com</a> , to stream from <a href="http://www.Prowler.TV">www.Prowler.TV</a> and in store at Prowler, Expectations, White Tiger and all good DVD stockists.	

### CAN you remember the first time you visited a gay sauna?

WELL now you can relive that experience with Euroboy's Sauna Virgins. Watch as these young lads try out their local sauna for the first time and end up with more than they bargained for! They discover huge, throbbing cocks around every corner, and tight boy holes exposed in the steam room and sauna... There are certainly none of the fat old walruses we remember, fast asleep and snoring like thunder in the rest rooms. And we definitely don't remember the staff at our local gay sauna being anywhere near as sexy as Deacon Hunter - or as hung come to think of it! But that's who horny young scamp Oscar Roberts is lucky enough to have pop his sauna cherry in scene one. We say 'pop' his cherry, Deacon pretty much annihilates Oscar's sauna cherry when he fucks him to within an inch of his life in the changing room before the lad's even had a chance to try out any of the sauna's facilities. We meet Ethan Oliver and Rhys Casey next, two young Emo twinks next who've commandeered a rest room and are getting it on like two seasoned sauna-goers. Young Alex Silvers is innocently taking a shower in the next scene. He doesn't realise how provocative he looks soaping himself up, and he's caught the eye of sexual predator Reece Bentley who joins Alex in the shower and forces the lad down onto his knees and starts to face fuck him. But Reece has his sights set higher than just Alex's mouth and soon he's fucking the young pup's bulbous arse on the floor of the shower and up against the wall. In the final scene horny Oscar Roberts has stumbled across the sauna's sling (every sauna has one if you look hard enough) and once he's made himself comfortable, Alex Silvers and Reece Bentley come in and put him through his paces...

If Oscar was expecting a relaxing Zen-like experience at his local sauna, he would've been sadly disappointed. As it was, we reckon he loved every minute of it and he'll be back just as soon as he can save up the entrance fee.

## THE DAILY GRIND

Studio: UKNakedMen	Directed by JONNO
Starring: Antonio Garcia, Leo Domenico, Alexander Zormalak, Nicholas Key, Carlo Cox, Matteo Valentine, Chase Reynolds, Matt Brookes, Mackenzie Cross.	
Available from Prowler, Expectations, White Tiger and all good DVD stockists, and at <a href="http://www.ProwlerDVD.com">www.ProwlerDVD.com</a> .	

**Those tough bosses at the UKNakedMen office are pushing the juniors to their limits. But the young suited sluts are eager to please and offer up their hot mouths and tight holes to the huge uncut dicks of their superiors.**

As handsome and horny as he is arrogant and forceful, Antonio Garcia thrusts handsome, suited Nicholas Key over his desk and smashes his hole to smithereens! We couldn't tell if poor Nicholas was begging Antonio to stop or begging him to fuck him deeper. But his pleading just seemed to annoy Antonio more, who relentlessly fucked his hole and left him with a humiliating faceful of his spunk! UKNakedMen's favourite boy-next-door, sexy uncut Spaniard, Alexander Zorlamak stars in his first ever duo scene next and as he'd agreed to loose his juicy porno cherry on film with UKNakedMen, they gave him the pick of the stable for his dream duo partner. And he chose... hairy, burly, hung stud Leo Domenico! (Well, wouldn't you?) Alexander likes big uncut cocks and he loves to be watched too, but has he bitten off more than he can chew with Leo!? No hole goes unstuffed when Matt Brookes is on the scene. It's no surprise that UKNakedMen have been shooting this stud for nine years, as the thick-dicked sex-crazed hunk always delivers a heavy load of jizz. Mackenzie Cross is a slim, tanned, horned-up cocky sub boy and he's ready to take anything Matt can slam at him... Or is he? Before big boss, Carlo Cox, will place his order for a consignment of sex toys, he demands a demonstration, by hapless salesman Matteo Valentine. Matteo's hard up and desperate, as well as horned up and after loosening his greedy hole, he's ready for Carlo's big dick... and boy he gets it good! Leo Domenico is a truly handsome guy, and is as sexy and hung as Chase Reynolds is cute and horny. But Chase isn't a boy who'll take it lying down. Hell no, and he pushes back hard on Leo's big Greek dick. The two magnificent manly studs fuck, suck and rim in juicy, sloppy, super-close up, and just wait until you see Leo's magnificent fountain cum shot!

## OFFICERS MESS

Studio: Staxus Platinum	Directed by Michael Burling
Starring: Will Simms, Tommy Lee, Jaxon Radoc, Orlando White, Chris Hollander, Sven Laarson, Alex Silvers, Paul Walker, Billy Rubens.	
Available on DVD at <a href="http://www.homoactive.com">www.homoactive.com</a> and as VOD stream and a download at <a href="http://www.homoactive.tv">www.homoactive.tv</a>	

**SOME boys join the army to fight for Queen and country, while others just want the chance to get out of the rut they're in and see the world. But there's only one reason these lads joined the army, and that was so they could get intimate with hot-blooded guys away from home, and their girlfriends!**

SCENE one and Will Simms catches Tommy Lee looking at a wank mag and playing with his cock. Rather than make a fuss, Will sits down beside him and starts kissing Tommy on the neck. The two lads are soon stripped out of their clothes and we're amazed to see that both lads have big heavy cocks more suited to a couple of hung daddy tops, Tommy Lee's especially! After some intense oral action Will assumes the position on all fours and offers up his smooth hole to his brother in arms Tommy. And Tommy doesn't need much persuading and soon he's sliding his massive, rock hard cock inside Will's hungry hole and fucking him in various positions on the bed. In scene two we're treated to a hot three-way starring Jaxon Radoc and Chris Hollander who are in Officer Orlando White's office to be disciplined for a misdemeanour. Orlando orders Jaxon to suck his comrade, Chris Hollander's, meaty cock. Chris is a big boy and Jaxon chokes as he tries to take it all down his throat, but this only seems to get Orlando more excited. After getting the lads to swap positions so that Jaxon gets his cock sucked, Orlando strips off and starts to fuck Jaxon and Chris simultaneously until all three shoot their thick loads. Jaxon's back again in the next scene paired this time with another hot blonde, Sven Laarson. Two young lads in camos never looked so hot as these two do as they roll around on the bed before Sven fucks power bottom Jaxon's hungry arse. And the final scene of this military porn fuck-fest is another hot threesome that stars two QXMEN favourites, the delicious Billy Rubens and Paul Walker, and another power bottom, namely Alex Silvers. There are no prizes for guessing who's going to get fucked and who's going to be doing the fucking in this scene, and young Alex puts in a sterling performance as his mouth and arse get used and abused by Billy and Paul... Outstanding!

# NEW CUMMERS

NEW AND UPCOMING RELEASES THAT LOOK HOT!

## BEST BUDDIES

● Award-winning director, Tony Dimarco has assembled an all-star cast for Falcon Studios' latest DVD. Best Buddies do it better and, ultimately, make the hottest fuck buddies, especially when the sexual tension has been building for years. Ryan Rose and Billy Santoro were best buddies through college but they never hooked up. Now Billy owns a big house

and rents out rooms, and when his old buddy, Ryan, moves in, the sexual excitement comes flooding back! In other scenes Brandon Jones uses his mouth and ass to give Ryan Rose's cock an awesome workout, Logan Vaughn's bubble butt is a magnet for Billy Santoro's fingers, tongue and dick and Bobby Clark relieves his hard on by ordering groceries from his favourite delivery boy, Nick Sterling, whose hot arse just so happens to be on special offer!

## ALL THAT JIZZ

● BELAMI celebrated its 20th anniversary by filming the history-making, biggest ever bareback orgy which featured 24 of its hottest models. And now from BelAmi's Premier Collection comes the awesome collector's edition of

All That Jizz featuring over 50 models and 120 cum shots, showcased in four orgies spread across two discs and starring all your favourite BelAmi beauties including Jack Harrer, Kevin Warhol, Billy Montague, Brian Jovovich, Claude Sorel, Dario Dolce, Florian Nemec, Gino Mosca, Hoyt Kogan, Jaco Van Sant, Jean-Daniel Chagall, Jim Kerouac, Johnny Bloom, Julien Hussey, Lance Thuber, Marcel Gassion, Rick Lautner, Rocco Alfieri, Sascha Chaykin, Scott Reeves, Steve Russell, Tom Pollock and Vadim Farrell...

## PRIEST ABSOLUTION - THE FINAL FUCK

● WILL Sims, Dick Casey, Brad Fitt, Felix Webster, Troy Stevenson, Sven Laarson, Salvatore Salvi, Darryl Declan and Tobias Mose star in this second round of sordid antics from the hottest and horniest bunch of clerics this side of the Vatican! Join a donkey-hung cast of priests, monks and dirty-minded members of the Clergy at the sexiest seminary in the Czech Republic for Staxus and SauVage's no-holds-barred look behind the closed doors of the Catholic Church. The Holy See was unavailable for comment as we went to press, but we've a sneaking suspicion that the guys in the Vatican will relate to the sins of the flesh that happen in this feature!

## DEMOLISHING ASSHOLES VOL.25

● ANOTHER round of torturous clips from the Boynapped.com vault featuring Milo Taylor, Adam Watson Aiden Jason, Ashton Bradley, Kyle Wilkinson, Luke Desmond, Lincoln Gates, Maxi Gerard, Leroy Dale and Steven Prior. As the title suggests the

focus of this DVD are the quivering boy butts belonging to a bunch of hapless twinks. Watch as hot dominant top lads stretch open and then abuse their seriously tasty young holes and leave them bruised and battered. Bound and helpless, these twinks have no choice but to let their virgin holes be penetrated by fingers, dildos, butt plugs, rock hard cocks (including Steven Prior's monster!) until they've been totally demolished! Not for the squeamish, if your idea of a hot porn film is two guys frolicking about on a bed with satin sheets, then this DVD ain't for you!

GET IN TO GET IN

**THE APPLYTOMODEL RECRUITMENT FAIR AND PROWLER PORN AWARDS**  
14 & 15 MARCH 2014, MANBAR, SOHO, LONDON

● IT was a first for the UK's gay porn industry when the great and the good came together to enable potential stars of the future to discover what working in the porn industry is all about at the first ApplyToModel Recruitment Fair. Studios involved with the two-day event, organised by Twisted XXX Media and sponsored by leading gay retail, online and distribution company Millivres Prowler Group, included Scott XXX, Euroboy, Cash Models, Justin King, Simon Booth, Eurocreme, 56 Dean Street, Blake Mason, BoyNapped and Treasure Island Media.

THOSE lucky enough to get hold of tickets were in for a real treat on the Friday night of the event, when the Prowler Porn Awards 2014 were held. Presented by hot porn stars JP Dubois and Scott Hunter, awards were spread across 15 categories and included Best British Twink, which went to Reece Bentley, Best British Stud, won by Paddy O'Brian and Best British

New Comer which went to Adam Dacre. With a judging panel made up of executives from across the industry, it was a public vote that helped decide what was a closely run race. The other highlight of the evening was the presentation of the Lifetime Achievement Award, which went to Gavin Hay, porn star daddy and head honcho of Alphamales.com.

And as if there weren't enough porn industry glitterati present, the audience were thrilled when halfway through proceedings, the outrageous porn director Chi Chi LaRue appeared on a massive screen, to send her own distinctive message from her home in Los Angeles. Chi Chi had been invited to introduce the nominations for Best British Director,

which went to JONNO, UKNakedMen and Butch Dixon's hot director.

Following the success of this year's inaugural event, it looks like the ApplyToModel Recruitment Fair and the Prowler Porn awards are set to be regular fixtures on the gay porn industry's calendar in the future, and we're already looking forward to next year's glamorous event!

OF MEN

HAS A QUICK ONE WITH...

## JONATHAN WHEATLEY

FETISH  
FREAK

Jonathan is the owner of Fetish Freak, the independent south London store that stocks some of the very best range of fetish gear available, a huge range of adult sex toys and all of life's little essentials such as aromas, condoms and lubes.

Jonathan can always

be found at the store's helm offering his unique and friendly advice, and over the years, Fetish Freak has built up a reputation on the Fetish scene as being honest, knowledgeable and trusted in its field.

### So Jonathan, just how long have you worked in the industry?

Specifically in the Fetish Industry? Approximately 25 years now, though I have worked on the London gay scene continually for about 30 years or so... God, that makes me feel old!

### Where did it all begin?

Oh, I started working on the gay scene way back in 1984 as a barman at Harpoon Louie's. Then when that burned down I worked in the club below it The Copacabana (known as Copa's) followed by The Two Brewers and then I ended up doing the

record shop for Almighty Records in Bromptons Bar (also Manhattan's in Fulham Road and the L.A. in Old Street).

At the end of the 80s I started at Expectations and worked happily there until 2006. Before that I was at Selfridges selling calculators and early home computers, which is ironic as I am crap with computers still! Finally, I did front of house and the bar at The Hoist until I opened Fetish Freak there in 2007.

### And, why did you start Fetish Freak?

I started Fetish Freak because there wasn't anywhere in South London to get quality

leather and rubber gear at affordable prices. Many people thought I owned Expectations so said they would follow me and support a new shop if I opened one. And true to their word, so many of them did and I am eternally grateful to them for their loyalty... It really is what spurs me on to keep at it!

### Tell us about the move to the new location?

The old shop at The Hoist closed in June 2013 and I opened at the new location in December. The new shop is just off Camberwell New Road and is discreetly tucked around a corner on Bolton Crescent, next to Mr Dandy the chippie!

### Why that location?

I wanted to keep it within easy reach of Vauxhall and the area is SO gay!

### What are your favourite products and brands, and why?

It's difficult to choose my favourite products as we stock so much! But I love the new FIST branded jocks; a real statement purchase! Also the FIST douche with its sleek black design... Oh, and their ShowerShot too!

### Which are your best selling aromas?

Best selling aromas are FF and FIST, followed by Hard On and Jungle Juice.

### And lubes?

J-Lube, K-Lube, X-Lube and Liquid Silk...

management. So when our curiosity got the better of us we popped down to the discreet subterranean Covent Garden health spa to check out the new management.

We heard that Saunabar, London's premier gay and bisexual health spa, was under new

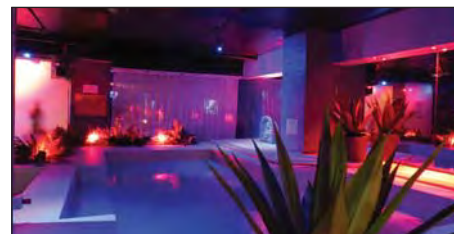

It turns out that

Terry's back from a stint in the South of France, and with his enduring passion for everything associated with gay men's health and fitness, he's created an environment where the spa's clientele can relax and unwind, while at the same time enjoy excellent health and wellbeing.

Relax and socialise with old friends and meet new acquaintances in the spa's state-of-the-art sauna, relieve stress and muscle tension in the steam and wet rooms, and then immerse yourself in the stunning mosaic tiled spa pool. Treat yourself to a relaxing massage from one of Saunabar's professional masseurs, then enjoy a long cool drink in the spa's fully licensed bar that's open from midday to midnight before you head back up to street level to face the outside world.

But don't just take our word for it, see the website for opening times, entry prices and the very latest offers and then head down and experience Saunabar for yourself.

## SAUNA REVIEW

# LIQUID SAUNA

**Liquid Sauna is Blackpool's hottest new sauna for gay and bisexual men situated in the heart of the seaside town's gay scene on General Street.**

→ THE first thing that hits you as you walk through the door is the sheer size of the venue. You'll be amazed to see Liquid Sauna's 30-foot crystal clear swimming pool, which is heated all year round and, we're told, is great to swim naked in! Situated to one side of the pool is a purpose built hot and steamy Scandinavian sauna while on the other side you can take a dip in the fabulous spa bath, perfect to relax and unwind in after a

hard day at work. There is a wide variety of sandwiches, snacks and refreshments available for when you get peckish, and you have the choice of taking them poolside or in Liquid Sauna's Chill Out Room where there's also a television and pool table for your entertainment.

If you're looking for pursuits of a more, shall we say 'adult nature', then we're reliably informed that you'll want to venture upstairs and turn right. There

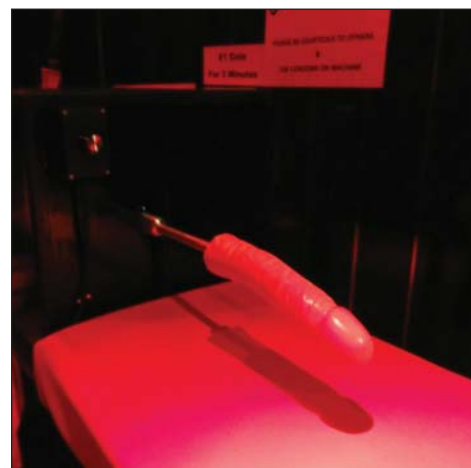

you will find a group of interlocking glory holes and just a few steps further on you'll enter Liquid Sauna's Pleasure Zone where you'll find condoms and lube free of charge. In here there's a play swing, a fucking machine, a scorpion chair, a rimming stool, a restraints board and a two way-mirror viewing bed... All you need now is two, or more, up for it guys and you've got yourself one hell of a sleazy time! To the right of the Pleasure Zone, a corridor leads you to a selection of themed rooms that can be locked for privacy or left open for others to join you... Whatever turns you on! They each have custom-made beds and, in most room, TVs showing a selection of all the latest adult films. At the end of the corridor you'll find a very large 200 sq ft darkroom where we've been told that there's lots of fun to be had!

Liquid Sauna currently holds Fetish Days called Anything Goes on Tuesdays and Fridays from 11am. Wear what you dare be it a g-string or jock strap, fetish gear, go stark bollock naked and TVs and their admirers are welcome too. Check out the website for details of other regular parties.

A free sexual health clinic is available at Liquid Sauna on the 3rd Friday of every month. You don't need to book and appointment or even use the sauna's facilities to use this invaluable service.
