## COCKADOODLE:

### THE EROGENOUS ART OF MAURICE VELLEKOOP

● **COCKADOODLE:** The Erogenous Art of Maurice Vellekoop is a new exhibition that uncorks the Canadian artist's contribution to illustration, underground comics and contemporary erotica.

HIS first European solo exhibition, it

will feature a wide selection of the artist's erotic output on show alongside examples of his mainstream editorial work. Vellekoop draws inspiration from a vast and familiar pool of televisual and filmic motifs and is widely marketable (commercial clients include Vogue, Wallpaper, New York Times and Rolling Stone) yet unashamedly erotic. The exhibition has been

created as Vellekoop embarks upon a graphic memoir, *I'm So Glad We Had This Time Together!* commissioned by the Canadian Council for the Arts and edited by author and award-winning art director Chip Kidd. The exhibition includes hand painted illustrations, printed matter and comic strips from an extensive selection of Vellekoop's career such as *Maurice Vellekoop's Pin-Ups*, his most successful book of explicit male 'beefcake' illustrations, featuring calendar boys, musical idols, sporting legends and figures from fantasy, history and literature. The exhibition will be at Twenty Twenty Two, as part of Manchester Pride Fringe from 15th August to 13th September and then at the Homotopia Festival in Liverpool from 25th October to 20th November. Check out Maurice Vellekoop's work at [www.mauricevellekoop.com](http://www.mauricevellekoop.com).

## CAN ONE PILL A DAY PREVENT YOU FROM HAVING HIV?

● **DAILY XTRA** ([dailyxtra.com](http://dailyxtra.com)) have released a series of powerful videos about pre-exposure prophylaxis, commonly known as PrEP.

IT works like a birth control pill which you take once a day that, according to researchers, protects you from HIV even without using a condom – most of the time. Is this the magic pill that we've been waiting for? Among the interviewees was porn star and former condom advocate Michael Lucas whose first bareback scene was released last December. To watch the four part video series go to [www.dailyxtra.com](http://www.dailyxtra.com) and search for 'PrEP video'.

## LAST MONTH'S COMPETITION... WHAT A BALLS UP!

● **WE** have to apologise for last month's Spot the Ball competition as we made a right 'balls up' and set you an impossible task.

UNFORTUNATELY, the picture of the balls we asked you to find had actually been taken out of the magazine just before we went to press. So we're sorry if you thought you were going mad searching for it. Rest assured, someone in our editing department will be getting the 'sack'.

If you enter this month's Spot The Ball competition we promise that somewhere in this month's magazine you'll

find the picture that these fine set of low-hangers have been snaffled from. Just tell us which page it's on and you could win a subscription to QXMEN magazine and get it poked through your letterbox every month for the next year. Email your entry with your name and address to [editorial@qxmen.com](mailto:editorial@qxmen.com) with July Spot The Ball in the subject field, or post it to QXMEN, July Spot The Ball, 23 Denmark Street, Soho, London WC2H 8NH. The competition closes at 5pm on Thursday July 31st 2014 when the winner will be picked at random... Sorry guys, but the competition's open to UK residents only.

### COLOGNE GERMANY

#### 04/JULY - XTREME!

● XTREME!, the essential sleazy fetish party of Cologne Pride, began in 2010. Its organisers wanted to create a new type of fetish event that brought together the best national and international DJs, unique stage design and the biggest play area that Cologne had ever seen... And it looks like their vision paid off as last year's event had more than 1,800 visitors! This year looks set to be even better with a completely redesigned stage, sensational lighting installations a huge play area and outdoor chill out lounge. In addition to that there'll be a top selection of international superstar DJs who'll make the dance floor burn. Xtreme! is a men-only event with a strict dress code of leather, rubber, skin gear, sports and sneakers, army, uniform, denim and naked. Doors open at 10pm.

Essigfabrik, Siegburger Strasse 110, Cologne.

#### 05/JULY - XTND: AFTER HOURS PARTY

### ROSTOCK GERMANY

#### 11-13/JULY ROSTOCKER STEPPENBRAND

● THE Rostocker Steppenbrand is a gay

fetish event for guys into leather, rubber, army gear, skin gear and work uniform. However, unlike the usual fetish meetings that happen in bars and clubs, the Rostocker Steppenbrand is held in the great outdoors. It all started back in the summer of 2005 when a couple of guys from Rostock in Germany wanted to arrange an event for guys into fetish gear. By chance they were able to hold the first meeting

in the grounds of the former Rostock off-road park, and speaking of the event they say, "We were able to meet up freely and easily, have a chat and a convivial beer, dream at the campfire and disappear off for a while with their Mr Right". The concept of an outdoor fetish event was a complete success and the 10th meeting of Rostocker Steppenbrand will take place from 11th to 13th July on the premises of the former Saal

barracks near Ribnitz-Damgarten. The event's organisers say that "you can play around to your heart's content in the open air" as the compound has plenty of space, even for motocross fans to let off steam! There'll also be St. Andrew's crosses, cages, several slings and any number of mud holes too!

For more info and to register for what sounds like a blast go to [www.steppenbrand-mv.de](http://www.steppenbrand-mv.de)

#### 27/JULY - UP YOUR ALLEY

● THEY say that you won't find a filthier event in the States than Up Your Alley, or Folsom Street Fair's 'dirty little brother' as it's known. Billed as being only for real players and not for the faint hearted, Up Your Alley sees nearly 15,000 leather men and fetish enthusiasts engage in BDSM play at over 50 adult vendor spaces located on Dore Alley between Howard and Folsom, continuing on Folsom from 9th to Juniper and the adjoining block of 10th Street. Between 11am and 6pm expect to see - and take part in - spanking, punching, whips and floggers, bondage, domination and submission, creative water sports, toys and so much more! If rubber, sportswear, biker gear, skinheads, punks, or any variety of built, hairy men turn you on, then Up Your Alley will be, well, right up your alley. Sunday July 27th from 11am to 6pm

## FETISH WEEK LONDON 2014

**Fetish Week  
LONDON**

London has one of the largest fetish scenes in the world, and once a year Recon celebrates the sexual freedom the capital's fetish community enjoys with Fetish Week London.

SO, from 7th to 13th July, put your best kit on - or off - and get ready for some of the raunchiest parties the capital has ever seen! Held at

London's grittiest venues, there'll be events to suit all fetishes, and guys from London and across the globe will be in town and geared up for the biggest fetish event of 2014.

If you're unsure which events to go to then check out [www.fetishweek.com](http://www.fetishweek.com). There you'll find details about all the events and purchase your tickets. Then click on Recon events page to see who is going to which events and to add yourself as attending.

For all the latest news and information about Fetish Week London and to enter some great competitions check out #FWL2014.

There's so much going on over Fetish Week London, we'd need the whole magazine to detail all of the events. So here's a brief rundown of the week's Official Events.

### TUESDAY 8 JULY

- GET involved and learn the ropes (whips, chains, hoods and gags) at the Bondage Master Class party at Eagle London. In a relaxed atmosphere, experts will give demos to help you safely explore bondage, SM and other kinks. There's no strict dress code, gear up or go as you like.

### WEDNESDAY 9 JULY

- THERE'S a special screening at Riverside Studios of Age of Consent, a film about the Hoist, one of London's most famous fetish bars. We dare you to go geared up and mingle with the film's cast members.

### THURSDAY 10 JULY

- THE Hoist plays host to the official Sports Cruise party for guys into all kinds of sports gear, be it football strip, rugby kit, Speedos, jocks, Lycra, trainers, superhero! Dress code: Need we say, sporty...

### FRIDAY 11 JULY

- FANCY a pint and making some new fetish mates? Go along to the Soho Social at Compton's bar in Soho. There's no strict dress code, gear up or go as you like.
- FOR a more civilised fetish affair why not go along to the Fetish Week Dinner, which includes a champagne cocktail and three-course meal. It's at the Amalfi restaurant in the heart of Soho, and although this is Fetish Week, when it comes to dress code please spare a thought for the other diners. Therefore, no bare chests, chaps or extreme clothing please gents.

- SOME Spanish kink comes to London in the form of Into The Tank, Spain's hottest fetish and dance cruise party with organiser and DJ, M Carranco. Dress code is open to all gear.

### SATURDAY 12 JULY

- BERLIN'S infamous BLF Leder und Fetish, hosts the popular Skinhead party at Eagle London on Saturday afternoon. There'll be a Ska DJ spinning traditional tunes and a BBQ on the outdoor terrace. Dress code. Need you ask, Skinhead.

- THE main event of Fetish Week is the Full Fetish party returning to The Coronet Theatre.

This spectacular event will see the UK's biggest cruising area, wet area, new equipment and an exclusive VIP party experience! Dress code: All fetishes.

### SUNDAY 13 JULY

- THE horniest rubber guys and sleaziest latex pervs will be at the Rubber Gear Party at Union. Need we say there'll be a strict dress code of rubber guys!

- THE official Recon closing party of Fetish Week London will be Deconstruction at the Hoist. Expect the hottest guys at the sexiest bar in town with two arches and London's biggest wet area.

Don't forget, to find your perfect outfit, whatever your fetish - be it leather, rubber, sports kit, skinhead gear or military - head to [www.recon.com/store](http://www.recon.com/store).

## BOSS vs TWINK

Studio: Dads N Lads	Directed by Michael Burling
Starring: Matteo Valentine, Billy Rubens, Dolan Wolf, Kai Alexander, Marcus Templer, Jordan Jacobs, Robin Sanchez, Tristan Wood.	
Available on DVD from <a href="http://www.staxus.com">www.staxus.com</a> and as a VOD stream and download at <a href="http://www.homoactive.tv">www.homoactive.tv</a> .	

**WE all know how important it is to make a good impression at a job interview. And in scene one of Boss vs Twink, that's exactly what QXMEN favourite Billy Rubens achieves – in the company's toilets of all places!**

Of course, it's no surprise that the Head of Department, Matteo Valentine, should notice him as they stand next to each other at the urinals. Some would call Matteo's subsequent pat on Billy's bum sexual harassment. But not Billy - he loves the attention. And it goes in his favour as it's Matteo who's interviewing him for the job! Within seconds of his interview, Billy is giving Matteo his best 'please give me the job' blow-job, and he's so determined to impress his prospective employer, when Matteo parts his arse cheeks and shows Billy that it's not just a position at the company that needs to be filled, Billy doesn't need asking twice and bangs away at Matteo, culminating in an explosion of hot jizz and (no doubt) the offer of a full-time contract! It always pays to keep your boss happy and content, so we know why young Jordan Jacobs is so keen to please Marcus Templer. In this instance the way to keep the boss happy is for Jordan to get down on the floor, right between Marcus' legs, so that he can get to know his superior's dick a whole lot better! Fortunately for the office newbie, his manager's cock is quite a handsome offering by anyone's standards – a fact underlined by the eagerness with which the lad embraces the task in hand and gives it such a rigorous oral workout. It's not long before Jordan's boss is face-fucking him against the wall, before impaling the lad on his dick cowboy-style, and then unceremoniously fucking him over the office desk. It's plain to see that Jordan's loving every minute of it and he squirts a generous load all over his stomach, before Templer knocks out a somewhat violent wad across the width of the desk... which no doubt Jordan has to clean off afterwards! In a further two more hot scenes, caught watching porn, Kai Alexander feels the full wrath of his boss, the ever-sexy Dolan Wolf, and Tristan Wood pays the price after he interrupts his boss, Robin Sanchez, in the middle of an important telephone call.

## COCK FIGHT!

Studio: Monster Bang Studios	Directed by Steve Cruz
Starring: Adam Ramzi, Landon Conrad, Shawn Wolfe	
Available from Prowler, Expectations, White Tiger and all good DVD stockists, and at <a href="http://www.ProwlerDVD.com">www.ProwlerDVD.com</a> .	

**EARLIER** this year, former Men of the Year Shawn Wolfe and Landon Conrad, plus hot newcomer Adam Ramzi, starred in **Cock Fight!**, the first ever Raging Stallion movie to World Premiere on the studio's membership site. Featuring four rounds of man-on-man sex combat - three head-to-head matches and one all-out, winner-takes-all three way - fans were invited to vote for their favourite and the contestant with the most votes was crowned 'Cock Fight! Champion' and received a \$1,500 cash prize!

WHO won? That gorgeous hunk, and dead ringer for comic book hero He-Man, Landon Conrad, of course. You can see how he did it by watching all four rounds, which have now been released on DVD. Match One sees Landon take on Shawn Wolfe, a hot young spunk who's lean and grizzled, with great definition and zero body fat. They enter the ring both oozing sexual bravado and attitude, and it's Landon who scores first, grabbing Shawn in a bear hug and ramming a finger in his arse hole. The jock straps come off and it's Shawn's turn to rack up some points getting the first suck of the match in. Shawn's straight back in the ring in Match Two, this time up against sexy newbie Adam Ramzi. The guys circle each other warily on the mat in round one which sees Shawn score the first kiss while Adam gets the first hot suck. But soon the action ramps up several notches when Shawn shows Adam exactly how a power bottom handles cock! It's Landon's turn to take on Adam in Match Three and the scene begins with our hunky He-Man pumping up his biceps curling 20-pound dumb bells. We could happily sit and wank watching this but there's a competition to be won, and from the start we can see that Adam is no match Landon. It's fuck-to-the-finish in Match Four when all three contestants converge on the mat for a no-holes-barred testosterone explosion. But Landon proves that he's an all-round champ when, just before the final bell rings, he drops to his knees and catches double cum shots in his mouth... What a pro!

## DR P Q LEAR - BIG COCK DOC

Studio: UKNakedMen	Directed by JONNO
Starring: Darius Ferdynand, Mark Cox, Rogan Richards, Jonny Kingdom, Daniel Broughton, Jace Tyler.	
Available from Prowler, Expectations, White Tiger and all good DVD stockists, and at <a href="http://www.ProwlerDVD.com">www.ProwlerDVD.com</a> .	

**MEET Darius Ferdynand, Dr P Q Lear AKA UKNakedMen's Big Cock Doc, and Dr Alan Probe (Mark Cox).** Together they perform overly intrusive inspections on their unsuspecting patients, leading to hot, wet, rim, suck and fuck sessions with very splaterry endings!

DR PQ LEAR'S first patient is Jonny Kingdom. He strips at the doctor's instruction, revealing a chiselled body and rock hard abs. But the doctor is much more interested in Jonny's arse and he wastes no time in performing an intimate gloveless inspection, probing Jonny's hole and loosening it up, ready for his hard, uncircumcised dick. Jonny's howling at first as his tight hoop is opened up, but it's not long before he's pushing back and taking the Big Cock Doc's big cock balls deep. Rogan Richards is the perverted doctor's next victim and he's complaining of an overly tight foreskin. The doctor inspects the offending penis and, in his expert medical opinion, decides a bit of spit would loosen it up. Going the extra mile, Dr Darius slurps on Rogan's juicy, uncut cock, deep throating it as far as he can, until hunky Rogan is rock hard and pumping the doctor's arse full of his dark meat. When Dr Darius departs a new doctor comes to town, Dr Alan Probe. Jace Tyler pays him a visit for an arm injury and the good doctor hurriedly examines Jace's injured arm before moving quickly on to his area of expertise... the arse! Before you can say "Where are those forceps going?" Dr Probe has Jace's asshole stretched wide open and Jace has unzipped the doc's flies and is sucking on the doctor's big, fat uncut cock. To give his patient a deep and thorough examination Dr Probe decides to use his most effective instrument - his cock - on Jace's stretched hole, and proceeds to fuck him good and proper. Dr Alan Probe's overly intimate massages are gonna get him in trouble. But it doesn't look as though sexy, boy-next-door Dan Broughton minds, as the doctor's rub down give him a huge hard on. Horny as hell, Dr Alan turns around and spreads his arse for Dan's inquisitive fingers, his probing tongue and stiff, veiny meat.

## NEW CUMMERS

NEW AND UPCOMING RELEASES THAT LOOK HOT!

## IT'S GONNA HURT 12

● BIG DADDY presents another round of butt-clenching, interracial arse destruction. In each scene we see a cocky young lad who thinks he can handle a big dick. That is, of course, until they see what Mario Costas and Castro are packing... A cute young twink called Ryan is up first and he's not gonna be able to get fucked for a long time after Mario's finished with his boy butt! Next it's Kyle who proudly tells us that the biggest dick he's taken was eight inches! His face is a picture then when Mario walks in the room and flops out his ten inch monster. Ken Tanner is,

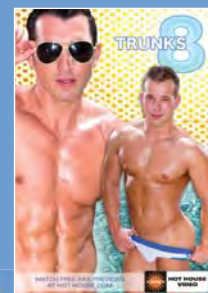

as the DVD's sleeve so eloquently puts it, the third "mother fucker to be officially cracked in half", before the infamous Castro makes an appearance in the final scene on the DVD and destroys 18-year-old Sam's quivering butt. Check out Castro and his mahoosive slab of meat (pictured left) and a shocked Sam stood next to him.

## TRUNKS 8

● QXMEN's favourite poolside porno franchise returns with a hot new cast of muscular hung hunks in tight swimwear. Yes it's Trunks 8 from Hot House which stars the usually hirsute Sean Duran and Fabio Stallone (who it's rumoured were asked by the studio to wax their chests) along with hot porn newcomer David Benjamin, Donnie Dean, Jake Wilder, Jimmy Durano, Luke Adams and Mitch Vaughn. For the eighth

Trunks title of the series that's now ten years old, director Christian Owen took filming to sunny Palm Springs where he captured all the hot sweaty, man on man, Speedo-bulging action that took poolside.

## DUNGEON DREAMS 2

● THOSE naughty boys from Staxus star in the studio's second instalment of Dungeon Dreams. And while they might look angelic, these lads show that they're no angels when let loose in the sweaty, spunk-laden confines of the hottest fuck-parlour in town! Johnny Cruz and Dick Casey join the perverted cast and have a hot three-way with Will Sims in scene one, followed by Shane Hirsch who pounds Mike "the slut" James in

scene two. Scene three sees the action move from the bedroom to the S&M dungeon with Benjamin Dunn and Yuri Adamov before bottom boy Mike James returns in the final scene with Drew Paskin.

## INTENSITY PART ONE

● FROM iconic San Francisco-based porn powerhouse Falcon Studios comes Intensity Part One, a DVD directed jointly by Bruno Bond and Nick Foxx. Each pairing in this movie is - for want of a better word - intense, from Landon Conrad and Rylan Knox who trade blowjobs in the bathroom, before taking it to the bedroom for a round of explosive fucking, to Connor Maguire and Adrian Hart who use the pool table as a platform for their fun! And then there are the two couples that don't even make it to the bedroom and end up fucking on the stairs, namely Jack King and Darius Ferdynand and hot new Falcon Exclusive Andrew Stark and Chris Bines.

# NOT TESTED ON ANIMALS... BUT LOVED BY FILTHY PIGS!

You can always rely on Prowler to stock the latest products to hit the market. So we weren't surprised to hear they've just taken delivery of the new line of lubricants and accompanying sprays and potions from those purveyors of kink, Mister B.

● CHOOSE from **Mister B Glide**, a silicone-based formula or **Mister B Lube**, which is water-based. Both silky soft and long lasting, they won't get sticky or tacky either.

● THEN there's **Mister B Load**, which as the name suggests looks and feels just like spunk! It's a silicone and water-based hybrid, which means that Load's not just long lasting and has the silky softness of silicone, but being part water-based it's also easy to wash off too!

● FOR the serious players there's **Mister B Fist Classic**, a silky soft silicone-based lubricating jelly, ideal for those sleazier hardcore sessions, like when your larger toys come out to play. Turn up the heat with **Mister B Fist Hot**, the lube with an intense warming effect to it, while **Mister B Fist Extreme** has a hint of cloves giving it a cooling and relaxing effect.

● ONCE you're relaxed and really getting down to the nitty gritty, the last thing you want is your man to shoot his load, roll off and fall asleep. What you need is the **Mister B Delay** spray, a dermatologically tested, soothing and refreshing formula that delays orgasms without any loss of sensation.

● SOME guys get nervous before they take one in the arse and that's where **Mister B Relax** can help. It's a skin-friendly anal spray that rapidly relaxes the sphincter muscle - without reducing sensation we hasten to add! Kind to mucous membranes, Mister B Relax is water-soluble and oil and fat free.

● AND at the end of your wild night of passion (or five minutes of grunting) you can ditch your Mr Muscle and Fairy Liquid because all you'll need to clean up is one bottle of **Mister B Clean**. It comes in a practical spray-bottle and disinfects surfaces, instruments and toys to clinical standards, working against bacteria, fungal spores and viruses. Mister B Clean disinfects plastics, metal, rubber and latex toys within seconds, it's safe to use on leather and rubber, and has a skin-comfortable pH value too.

Mister B's lubricants are condom friendly, non-toxic, non-allergenic, tasteless, fragrance free, oil and fat free and contain no preservatives.

You can find all these Mister B products in Prowler's Soho and Brighton stores. Selected items are available online at [www.prowler.co.uk](http://www.prowler.co.uk).

# WHO LET THE DOGS OUT!

Earlier this year we wrote about Puppy Play, one of the fastest growing fetishes of recent times. It's when one guy takes on the role of a pup or dog and gets down on all fours, often wearing a latex dog mask and a puppy dog tail butt plug, while his master (or owner) takes on the role of the owner or handler and treats him like he would a real puppy.

Of course, with a new fetish comes a whole host of new products on the marketplace to help guys fulfil their canine fantasies, including rubber dog tail butt plugs, puppy paws or mitts, dog hoods and muzzles, water bowls, chewy bones, dog collars, chains and leads. Needless to say, those kings of fetish, Expectations have the lot... and some!

FOR starters they have a choice of seven premium rubber dog hoods made from top quality rubber. They all have open mouths to allow for eating and drinking and each one has an elongated nose, which extends just beyond the human nose... SO, which one should you choose?

WELL, if you see yourself as one of the furry

varieties of man's best friend you might want to go for the Terrier, Husky or Dalmatian. Maybe you're a bit of a geezer and a true Brit. If that's you then you should go

for the British Bulldog. If you're more of a guard dog and see yourself as the tough nut of the doggy world then may we suggest the German Shepherd, Rottweiler,

Pitbull or even the Boxer.

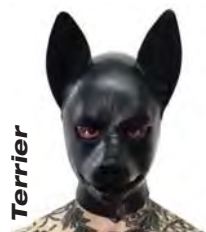

But if you're really just a bit of a pussy boy you can always opt for the positively feline Jaguar or Cat hood.

Husky

Terrier

Pitbull

Dalmatian

Rottweiler

Boxer

THESE hoods are quality, top of the line products, so the special retail price of £299 is great value for something that'll definitely help you to realise your puppy fantasies.

# PRESTIGE 316 STAINLESS STEEL COCK RING FROM ELECTRASTIM

Engineered from medical-grade 316 stainless steel, the Prestige Luxury Cock Ring is the latest edition to the ElectroStim range.

● As functional as it is beautiful, the Prestige Luxury Cock Ring can be worn anywhere along the shaft of your cock. I found that sliding mine over the frenulum (the little fold of skin between your bell end and the shaft of your cock) gave me the best sensations.

So how does the Prestige Luxury Cock Ring feel? I suppose the best way I can describe it is to say it's like the throbbing sensation you get just before you shoot your load! The press notes say that it can give

you hands-free orgasms. This hasn't happened yet but I've been real close so I'm sure will happen soon!

What I really want to try though is a larger size ring that can go right around both my cock and balls... That's got to feel awesome!

Prestige Luxury Cock Rings are compatible with the entire range of ElectroStim stimulators and can be used with other branded stimulation units using ElectroStim's range of adapters.

And those bright parks at Electrostim have put an end to that age-old problem of the conductive gel drying up too! They've added a series of aeration holes around the ring's circumference that trap the gel ensuring constant lubrication... Genius!

● Prestige Luxury Cock Rings come in five different sizes, so you can choose the best fit for you:

- 34mm / 1.3 inches
- 38mm / 1.5 inches
- 42mm / 1.7 inches
- 46mm / 1.9 inches
- 50mm / 2 inches

Relax and unwind in Manticore Spa,  
the 4,000 square foot Sauna and  
Steam Complex for gay and bisexual  
men situated in Plymouth's City  
Centre.

## MANTICORE SPA

### MANTICORE SPA

➡ ON its way to becoming the busiest sauna in the southwest of England, Manticore Spa attracts guys of all ages and from all walks of life. Think about it; Plymouth is home to the largest operational naval base in Western Europe, it has one of the country's highest populated universities and the city's port has ferry links to France and Spain, meaning the sauna plays host to holidaymakers and foreign visitors, en route to the Continent.

Manticore Spa is open 7 days a week from midday to 10pm (last admission 9pm). However, we've heard they're looking into staying open late on Friday and Saturday nights right through to the early hours, making it the only sauna outside Bristol to do so.

Admission is usually £12 and just £8 if you're 25-years-old or younger (photo I.D. required). However, during the month of July if you go on a Monday, Tuesday or Wednesday before 1pm you can get in for £8 no matter what age you are!

The more you go - the less you pay!  
Ask at reception about the Manticore Spa Discount Card... Entry for as little as £6 (Terms & conditions apply).

## THE GREENHOUSE

The Greenhouse in Darlaston, the U.K.'s award winning health spa for gay and bisexual men, has gone through a major refurbishment.

THE club has extended its facilities with some mind blowing extras, including refurbishing the locker room area, total revamping the swimming pool with a great poolside seating area, new lighting and some awesome sounds.

The Greenhouse has also introduced a very highly maintained water sports area, which is thoroughly cleaned for you every hour. And for exhibitionists and voyeurs, an Amsterdam-style street has also been created where you can be watched and view others! Of course, there are also many private rooms for those who prefer their privacy. The main cinema has been moved too with a new style tiered seating area.

The restaurant area has also been uplifted with an Internet café, some great music and new bar menu.

Why not go and check out the new facilities and new pricing structure. And while you're there, take advantage of The Greenhouse's new Loyalty Card System and a Weekly Pass.

HUNT!**

ONCE again, SauVage from Staxus makes an award-winning pairing with cuties Sven Laarson and Chase Hunt in the studio's latest gay swimmer DVD, Dive In.

We shot our load as Chase steps out of the pool and buries his thick cock deep into his blonde pal Sven's bubble butt... and so will you!

Dive In is available on DVD from [www.staxus.com](http://www.staxus.com) and as a VOD stream and download at [www.homoactive.tv](http://www.homoactive.tv).
