FALCON/RAGING STALLION TO ACQUIRE HOT HOUSE ENTERTAINMENT

● **MEGA-STUDIO FALCON/RAGING STALLION** has announced that it will acquire the assets of **Hot House Entertainment**, creating the world's largest gay erotic company.

At the same time, Hot House president Steven Scarborough announced that he will retire from the industry after a 27-year career and Falcon/Raging Stallion president Chris Ward will head the combined operations. "We're excited to bring Hot House into the AEBN family of companies," commented Ward. "I started my own career at Hot House so it's very significant for me to bring Steven's company to Falcon/Raging Stallion. We plan

to preserve and protect Steven's outstanding legacy and continue filming in the Hot House tradition and style. Just as I worked hard to protect the Falcon legacy after the Falcon/Raging Stallion merger, I intend to make sure that Hot House fans keep getting exactly what they want." Scarborough offered his own thoughts on the future of Hot House as part of the Falcon/Raging Stallion mega-studio. "Because I came from Falcon and because Chris came

from Hot House, I feel this deal is a perfect fit. I reached out to Chris because of our long history together. I'm absolutely confident that Chris and his team will continue the Hot House tradition, which is something very, very important to me. I look forward to seeing Hot House remain an industry leader for years to come."

AUGUST - EAGLE CARDIFF

● **AUGUST is going to be such a busy month for those guys at Eagle Cardiff and it's a wonder how they're going to cram it all in!**

IN addition to the usual leather and rubber night on August 2nd, there's Woof!, for bears, their furry friends and admirers, the following weekend on the 9th. Then it's the inaugural Pride Cymru (formerly Cardiff Mardi Gras) on August 16th, only to be followed by Eagle's third birthday party celebrations over the August Bank Holiday weekend! Quite simply it's going to be a month of non-stop, man-to-man partying in the Welsh capital.

Apart from the usual monthly Eagle activities, Pride Cymru - the new name for the city's long-established Mardi Gras - returns to Coopers Field this year after a disappointing move to the Millennium Stadium in 2013. It's also several weeks earlier than usual, but the guys tell us that it's going to be a summer sizzler at Eagle! Both Friday night and Saturday night will, as usual, be exclusively men only and is apparently going to be busy those nights, so get there early if you don't want to miss out!

To kick off the Pride weekend, on the Friday night the Eagle's got not one but two strippers, namely Kristian Lucas and Joe Dell, followed by late night cruising through until 5am. Then on Saturday, Eagle opens its doors at midday for a massive 18-hour marathon party! In the evening, Eagle will spread its wings even wider with the inclusion of an extra bar, marquee and more toilets when it takes over the rear car park for the night. For those left still standing, the bar won't shut until dawn breaks at 5.30am. If you can still manage to party on Sunday it's the Eagle Recovery Party, and when you're there make sure you ask the bar staff how you get a FREE Blow a Job!

If that's not enough, don't forget The Locker Room, across the road from Eagle, is open all night on Saturday right through until late Sunday night - with FREE breakfast for those who make it!

Following a couple of days to catch up on your sleep (and for your liver to recover) it's the August Bank Holiday

weekend... and it's set to be another BIG one. Friday will be a summer night special when you can sample the special Eagle shots, together with a range of Bombs... enough to bring the house down! Saturday will be a mixed fetish theme night, where you can wear what you dare, or as little as you like (well within reason). Both nights will be for members only, though you can join at the door and an annual membership fee only costs £3. You won't be able to get a new membership after 2am, so don't leave it too late. Bar open until 4:30 am both nights.

If you're looking for a BIG one on Bank Holiday Sunday then the Eagle is the place to be. It's the bar's official birthday party and a once a year extra special night to remember! Open until 4am, there'll be free bubbly (while stocks last), a free buffet and a very special late night stripper. Members only. Then on Monday night, join in the action with Cardiff's favourite gay karaoke night featuring Rachel - the crumpet with the trumpet - and does she know how to blow!

INTENSITY PART 2

Studio: Falcon Studios	Directed by Nick Foxx and Bruno Bond
Starring: Andrew Stark, Ludo Sander, Connor Maguire, Chris Bines, Landon Conrad, Darius Ferdynand, Adrian Hart, Adam Ramzi.	
Available from Prowler, Expectations, White Tiger and all good DVD stockists, and at www.ProwlerDVD.com .	

FOR Intensity Part 2, directors Bruno Bond and Nick Foxx turn up the heat with eight of Raging Stallion Studios' finest models. Expert pairing by Bond and Foxx sees the smouldering sexuality of each couple build in each scene leading to explosions of sweat, spunk and knee-trembling orgasms! When you put guys together in combinations like these, the only thing on their minds is sex, sex, and more sex. That's how these studs achieved a scorching-hot level of 'Intensity.' "With non-stop action and explosive pairings, Intensity delivers pure, uninhibited, man-on-man sex," said Bruno Bond. "You'll see it all: blowjobs, rimming, unrestrained fucking, passionate kissing, and big cum shots that fill the screen." "Intensity captures the kind of hot, in-the-moment sex that Falcon Studios fans can always count on," added fellow Director Nick Foxx. "You can't force it; it just has to happen, and these all-star models deliver in every scene."

Ludo Sander gets his hole filled twice, first in scene one by big-dicked powerhouse Andrew Stark and then again from the ever-gorgeous Landon Conrad. This 21-year-old newcomer only began his porn career in December last year, but Ludo has already worked with some big industry names and proven that he's a very skilled bottom! Scene two sees hotties Connor Maguire and Chris Bines, kissing, sucking and rimming before a forceful pounding, and then Ludo Sander's back for his second scene. He's paired with QXMEN favourite Landon Conrad who, showing the newbie just who's in charge, pounds his butt like a porn star pro! The delicious Darius Ferdynand, with his classic good looks, bubble butt and very suckable uncut cock, features in the first of two scenes he has in this DVD. Scene four sees the Hungarian hunk swapping blowjobs in the shower with Adrian Hart before he's seduced by stunning Californian hunk Adam Ramzi in the final ball-busting scene, a hot tub flip-fuck!

WELCOME TO THE CANDY SHOP

Studio: Euroboy	Directed by Ryan James
Starring: Jonny Castle, Reece Bentley, Aaron Aurora, Alex Silvers, Deacon Hunter, Ally Tayler, Daniel James.	
Available from Prowler, Expectations, White Tiger and all good DVD stockists, and at www.ProwlerDVD.com .	

THERE are two things those Euroboy twink love in equal measures... candy and cock! Watch them as they cheekily tease each other with lollies and sweets, even sticking giant candy toys in each other's butts before devouring them, the greedy young champs! We just hope that the Euroboy studio paid for their dentistry after filming...

SCENE one, and Aaron Aurora is with Alex Silvers, frolicking about on a multi- coloured duvet in just their underpants. You can tell by their prominent hard ons, clearly visible through their underwear that both boys are getting very excited! Soon the pants come off and we get to see just what a big boy Alex is! Especially when you put him next to young Aaron's slight, hairless frame. Alex's huge cock is the same size as Aaron's forearm and we wonder how on earth the bottom boy is going to manage it in his tiny boy butt. But the young scamp sucks his buddy's tool with a glint in his eye that shows that he really wants it. And soon he's getting it deep inside his guts... but that's not before Alex has loosened up his tight little hole with a giant candied dildo! Scene two and Ally Taylor is in The Candy Shop buying some sweeties. When the shop assistant, sexy Scotsman Danny James, tells him that the lollies he wants are out of stock, Ally decides he wants to suck on something else and shows down on Danny's huge member. Soon both lads are stripped naked and Ally's bent over the shop counter as Danny drives his massive cock deep into his butt. Reece Bentley is The Candy Shop's next shop assistant to offer his services to Jonny Castle, a young customer in need. For such an angelic looking boy, Reece's cock is all man and he slam fucks young Jonny into a knee-trembling orgasm! It's a sugar-coated three-way delight to end this XXX-rated Euroboy DVD as greedy young Aaron Aurora is spit-roasted good and proper by gorgeous blond twink Alex Silvers and Deacon Hunter. But don't let their innocent looks deceive you - these two lads fuck like dogs!

PENALTY SHOOT OUT

Studio: Sport Ladz

Directed by Michael Burling

Starring: Jonny Castle, Billy Rubens, Paul Walker, Dan Broughton, Tristan Wood, Skylar Blu, Luke Desmond, Jordan Fox, Jake Kelvi, Liam Martin

Available on DVD from www.homoactive.com and as VOD stream and a download at www.homoactive.tv.

WHEN they're out on the pitch their job is to score goals. But when this bunch of sexy fuckers get into the changing room it's all about 'scoring holes' in this sexy-as-fuck soccer-inspired DVD from Sport Ladz. Featuring the premier talents of some of the fittest players Staxus has to offer, this DVD shoots and scores!

WE all know (and fantasize about) Billy Rubens but, although we'd heard of his scene partner, Jonny Castle, we didn't know anything about the cute 24-year-old. Luckily we watched the opening scene of Penalty Shoot Out - in which Jonny sucks Billy like a pro, before taking the Russian pocket rocket's thick tool hard up his butt - before we read the little biog that's given by the porn studio.

Someone really must have a word with them about sexy little Jonny's entry, which currently says: "Jonny loves writing poetry, drawing and singing. He has two pet rabbits, and enjoys country walks in the sun... Jonny has a keen interest in sacred geometry." It does the poor lad no favours and I'm sure that there's a lot more to him!

Scene two stars two fine young British porn stars, the delicious (and very well hung) Paul Walker and his team mate, sexy muscle bottom Jake Kelvin, who is definitely one of the most underused models in gay porn! Paul, true to form, fucks the living daylights out of Jake in this one.

Mr Gay UK 2007, sexy scally Dan Broughton fucks the hell out of cute twink Tristan Wood, who barely looks old enough to be out without a note from his parents, in scene three before we get to a truly fantastic four-way. Yep, that lucky lucky power bottom Skylar Blu gets done up the wrong 'un by three of the hottest young lads in gay porn today, namely Luke Desmond, Jordan Fox and Paul Walker... Lucky bastard! Scene five is a solo wank with a young bond muscle lad called Liam Martin. He looks straight and very enjoyable it is too!

NEW CUMMERS

NEW AND UPCOMING RELEASES THAT LOOK HOT!

LIGHTS OUT

● EVERYONE'S favourite student, Billy Rubens, leads a cast of filthy-minded fuckers at the hottest, cutest boarding school around in this hot new DVD from the studio Bad Boy Boarders from Staxus. Like most lads their age, these guys aren't the slightest bit interested in what's on the curriculum. What they do seem to be totally obsessed with are stiff cocks and fresh spunk! Fortunately for them, they've enrolled at just the right place, as a

class-load of cock-crazed students, namely Kamyk Walker, James Hirsch, Will Sims, Sam Kirby, Aaron Aurora, Chase Hunt, Owen Jackson, Billy Rubens and Gary Fletcher, vie for fucking and sucking rights once the lights in the dorm go out!

UNDER MY SKIN PART 1

● BODY art meets bodily pleasures in the new feature by award-winning directors Tony Dimarco and Steve Cruz for Raging Stallion Studios. For these seven studs, the sting of a new tattoo is a thrill that can

only be exceeded by a rough pounding. Damien Crosse and Nick Cross discover what happens when two inked studs cross swords in a dark alley and Christian Wilde and James Ryder put the tattoo parlour's chair to good use to satisfy their sexual urges. Nick Cross, himself no stranger to the pain of the tattoo gun, gets pushed to his limits when he takes a ride on Boomer Banks' massive tool, and Trenton Ducati and Seven Dixon engage in animalistic fucking that ends in a blast of cum and streams of sweat!

THE GOOD, THE BAD AND THE HORNY

● WE don't remember the Spaghetti Westerns that we used to watch on TV as kids being anywhere near this horny. But then again, they weren't made by porn studio Guys Go Hard! Move over John Wayne (who we always thought was a big old Mary anyway) as the guys in this DVD are the roughest, toughest gun-toting cowboys the Wild West has ever seen! These Stetson wearing hunks spend their days riding horses and their nights riding arses. No one is safe from

these outlaws. Farm hands, barmen, even innocent bystanders are held at gun point as they're spit-roasted in public and then spunked all over by these two mean hustlers... Ride 'em cowboy!

PUMPED UP

● IN the latest DVD from Fucked! we follow a group of horny young lads with raging hormones who spend their days working out in the gym, wandering the streets and hanging out in derelict buildings. There's no plotline to Pumped Up. It's a compilation of scenes showing these horny little bastards with their trackies down around their ankles, shagging the tight little arses of young lads they pick up on their travels. So, if you like watching sporty young lads fucking other sporty young lads then you're going to love this DVD... we fucking well did! MEET SVEN LAARSON

Who'd have guessed that there were still undiscovered gems to be found in Eastern Europe! But it seems they are still out there and Staxus, one of Europe's biggest gay adult studios, found young Sven Laarson in the Czech Republic. And what a treasure this young blond turned out to be!

Hey Sven. Can you tell us how old you are and where you're from.

I'm 19 and from small town in West Czech.

Do you currently have a boyfriend?

No I'm single now.

How did you get into the porn business?

My friend did a porn shoot and said to me I should try. So I went for a casting with the director and I enjoyed it very much and wanted to do more.

What did you do before you started working in porn?

I was at college studying.

Is starring in porn your main job now or do you have a day job?

Porn is now my main job. For me the money is very good and it's work I enjoy very much so why would I want to do anything else.

Do your friends and family know you do porn?

A few friends know about it but my family, NO NEVER they will kill me if they knew! (he he)

Were you nervous filming your first scene?

Yes, very nervous but the director was so good and made me feel really relaxed. It was also my first time wearing makeup and it was so strange, but my skin looked so good.

Are you top, bottom or versatile?

Versatile but I prefer to be passive. I love big cock in my arse!

So what turns Sven Laarson on?

Many things. I love when my cock is sucked and I love to be rimmed, especially when someone rims you very deep. Such amazing feeling... like heaven!

What's your favourite position?

I think doggie because the top can get nice and deep.

Tell us your dirtiest sexual fantasy...

Well I'm bisexual so I think it would be really horny for me to be fucking a girl while a hung top fucks me and then for us all to cum at the same time. Would be amazing. Pleasure on my arse and my cock at the same time!!

Who has been the most memorable scene partner you've worked with so far?

Hmm this is difficult question. There are too many who I enjoyed working with so I can't say only one. Sorry!

If you had the chance to direct a porn scene that you were starring in, which other performers would you cast and what would happen?

I think Orlando White and Dick Casey and Tim Walker as bottom. Tim Walker would be cute boy on his way home and the others would grab him and take him home and fuck him really hard and then double penetration with him.

Who's the hottest 'top' in the industry?

For me Orlando White is amazing top. Such good

sex with him and so professional.

And the sexiest 'bottom'?

For me Tim Law. I would love to do a scene with him and fuck his cute arse. He is perfect my type of guy.

Your latest DVD *Easy Riders* has just been released. What can we look forward to next?

Lots more scenes, soon I will be in Dominican Republic filming with really hung black guys. Ouch my arse will be so sore after :(

What do you do to relax?

I like to go to the club and get really drunk with my friends.

Do fans recognise you in the street?

No, not here in Czech. I

don't think many people here watch porn.

If the world were to end tomorrow what would you rush out and do?

Buy lots of really nice clothes so I can look good when the world ends.

Finally Sven, describe yourself in three words.

Crazy, sexy, cool.

See Sven in action in *Easy Riders* available on DVD from www.homoactive.com or VOD stream and download at www.homoactive.tv.

Mike Arlen never planned to be a male nude photographer...

HIS MODELS HAVE ERECTIONS THAT WOULD STIMULATE THE DEAD!

HE took fashion pictures for more than ten years before a German magazine editor saw pictures from a swimwear shoot Mike had done with two bodybuilders. He managed to track down Mike's telephone number and requested the publishing rights, saying that he wanted nude shots of the guys as images of male nudes were commonplace in Germany.

WHY ARE YOU HERE?
I'm a 30-year-old man who has changed his mind about his body. I'm a 30-year-old man who has changed his mind about his body. I'm a 30-year-old man who has changed his mind about his body.

WHY ARE YOU HERE?
I'm a 30-year-old man who has changed his mind about his body. I'm a 30-year-old man who has changed his mind about his body. I'm a 30-year-old man who has changed his mind about his body.

Mike Arlen

So on his first official nude photographic assignment Mike took his model to a farm and photographed him surrounded by cows and sheep and holding lambs. "I thought I had to show my imagination by putting models in surprising settings", Mike explained. "In the early days I was taking photographs of guys undressing on trains and buses and even the engine rooms of cargo ships!" Both men and women would write to Mike saying they loved his work and their fantasy was to see guys undressing from uniforms such as soldiers, sailors and builders, from the past and present. Mike obviously listened to his fans, as you'll find erotic photo shoots of guys stripping out of uniforms in every issue of his successful magazines Mike Arlen's Guys.

It's only been in recent years that the government relaxed this country's archaic sex laws, finally allowing more explicit imagery to be shown in print and on film. Before then, under British Law, erection shots in magazines would have them confiscated by the police. Mike got around this by his models getting a prominent semi and then angling it towards the floor, often held in place by their leg. But once the laws were changed Mike was able to put his stunning photos of outstanding erections into his magazines... and boy, was it worth the wait. Mike Arlen's erections are hot! So much so that when Taschen published *The Big Penis Book* which explored the centuries-old fascination with the large phallus, no less than 25 of its 384 pages are dedicated to Mike's models!

Mike Arlen has had 15 magazines with 21 incredible men in each edition and now offers Volume 15 of *Mike Arlen's Guys* PLUS a complimentary copy of an earlier issue and colour prints of recent sessions for just £9.99 from the Wetherby Studios, 23 Wetherby Mansions, Earls Court Square, London SW5 9BH. A muscular man with short dark hair is the central figure. He is wearing a black leather harness with straps and buckles across his chest and shoulders, and a black leather thong with a zipper. He is holding a black leather whip with both hands in front of his groin. He is wearing white socks and black leather boots. The background is a rustic wooden wall with stone at the bottom.

EXPECTATIONS PROVE THEY'RE THE MASTERS OF FETISH!

Together with the official Recon parties throughout Fetish Week London there were also plenty of 'fringe' events for guys to go along to and Expectations, the UK's largest fetish store, threw two major in-store events during this year's Fetish Week.

FIT AS FUCK

● THE first was Fit As Fuck held on Thursday July 10th, and it's no surprise that the store was jam-packed with punters all there to see porn stars Adam Dacre, Scott Hunter and Tyson Tyler. And if the sight of three of the UK's hottest porn stars getting hot and sweaty wasn't enough, there was no shortage of takers when it came to entering the competition for the chance to win a weekend break at Tom's Hotel Berlin.

EL GUARRO

● EL GUARRO (which roughly translated means filthy pig) was on Friday 11th July. Again, this event was a busy one with lots of guys turning up in fetish gear and receiving an Expectations goodie bag for their efforts.

On both nights partygoers were treated to the services of Expectations' very own hot naked barman and Positive East, one of Expectations' official charity partners, was also on hand at both events providing free, confidential quick-prick HIV tests.

EXPECTATIONS PLAYROOM AT FULL FETISH

● THIS year Expectations also sponsored a playroom at Full Fetish, the main Fetish Week London event, decking out an arch with a stack of slings and fuck benches within Folsom Street. This was also a major draw, pretty much reflecting Fetish Week's huge success.

FOLSOM
EUROPE

● WITH Folsom Europe just weeks away, now's the time to get down to Expectations and get all you'll need for Europe's biggest gay fetish festival. It's the UK's largest fetish store with 30 years experience offering the widest range of rubber and leather gear, fetish clothing, aromas, sports gear, military and work wear, lubes, toys, playroom equipment and accessories.

HORNY STEPFATHER GETS TO KNOW HIS BOYS BETTER

by Robert Neilson

STEVE bought a derelict country house and one spring weekend he drove his two stepsons up to start working on it. Steve was a trim silver fox with a winning grin. His stepsons Jake and Paul were dark haired young men. Both worked out and it showed, especially in Jake's broad chest.

The house stood a mile off the road down a dirt track. It had a neglected lawn which sloped gently down to a river. The outside badly needed a lick of paint. Inside it was obvious it needed more. Floorboards missing; dodgy electrics; the water supply turned off; no central heating. "Lot of work to do, guys," said Steve. "But a month or two and you wouldn't know the place." Paul found a lawnmower; they could hear it taming the grass. Every glance out would reveal a greater patch of tended lawn. Around midday, Jake noticed that Paul had taken off his shirt. He idly watched the beads of sweat on Paul's back for a moment. Jake and Steve had removed all the loose and damaged floorboards. Jake was now replacing them. Steve was fixing the electrics. Lunchtime came. The men sat outside, enjoying cool beers and sandwiches, and warm sun. The lawn looked good, the river murmured enchantingly. An afternoon of hard work and the floors were solid. The exterior was getting a coat of paint, the wiring improving. Steve passed more beers and suggested a swim in the river since there was no water in the house. Paul said he'd sit awhile, but Jake and Steve headed down. Steve stripped quickly. Jake watched him wade into the clear water, noted the tan lines at his naked buttocks. Jake thought about keeping his shorts on, then stripped and followed him in. The river was deep but not fast. The men swam towards each other. "Worth getting all hot and sweaty just for the pleasure of this," grinned Steve. Jake said, "This is going to be a favourite place of mine. I can

tell." He glanced down in the water and saw Steve's tight waist, his strong legs, and his impressive looking dick. Jake swam slowly back towards the riverbank. Steve followed a pace behind Jake. "Here," said Steve, passing Jake a small towel. Both men stood in the fading heat of the day, drying off, feeling good and refreshed. Jake reached quickly for his shorts; he realised his dick was getting hard because of the glimpses of Steve's tidy body and long dick. He lifted a foot to put them on, then felt arms behind him, hugging him. "Looks like you've got something you should be taking care of before you get dressed, or you'll never settle." Jake froze, but not with fear; Steve's hug was friendly and comforting, hands rubbing lightly over his chest. The right hand moved down, grazed his pubes, and Jake's now rock hard dick leaped up and hit the back of Steve's hand. Steve got hold of Jake's dick and started to wank it. Jake reached a hand behind him and fondled Steve's heavy balls. Instinctively, so as to be out of view, the guys sank to the ground and started 69-ing each other. Paul was aware that he couldn't see either guy and wandered down to check they were OK. He paused a few feet away, watching silently. Steve's mouth was round Jake's engorged dick and a hand had wandered to his asshole; Steve was teasing Jake's hole with his fingers. Steve turned Jake on to his stomach and rimmed him. Jake rose onto his knees so that he could wank. Steve eased his dick in. Steve covered Jake's hand to stop him wanking. "No hurry, bud," he said. After a minute or two Steve pulled out. They swapped places. "Easy as you go in there, Jake; you're a big guy," said Steve. I've had enough of this, thought Paul. He strode towards them. "Yeah, the youngest always gets left out. Well, one of you better get your mouth ready for this." Steve flashed his grin at him and Paul knelt in front of his step-father who quickly got his mouth around the throbbing dick. Boy, it felt good to have these two young bucks spit-roasting him... And nothing to do all night except fuck.

GIOVANNI: MEMBERS ONLY

WE get an ever so slight feeling that Giovanni - a pseudonym for a well-known fashion photographer - is obsessed with cocks.

● NOT that we've got a problem with that, of course. We love them too... But seven coffee table books!

Yes, *Members Only* is Giovanni's seventh homage to the penis and, while you'd think that we'd tire of the subject matter, to date all six have been best sellers (the review copies that are sent to the office always end up very dog eared), and we expect that *Members Only* will be just as popular.

So, we'll look forward to coffee table book number eight. And who knows, Giovanni might surprise us and do one of bums instead!

● IF you'd like the chance to win the book, send an email with your name and contact details to **editorial@qxmen.com** with Members Only Competition in the subject field, or pop your details on a postcard and send it to QXMEN, Members Only Competition, 2nd Floor, 23 Denmark Street, Soho, London WC2H 8NH.

The competition close at 5pm on Thursday July 31st and the winner will be drawn at random... Sorry guys, but the competition's open to UK residents only.

The guys at Squirt.org, the Internet's premiere cruising and hook-up site, certainly know how to put on a party and in June celebrated the site's 15th anniversary with an outrageous, unashamedly sexual party at a top Toronto nightclub.

SQUIRT.ORG'S FIFTEENTH BIRTHDAY

FAMOUS porn stars, the likes of Adam Russo, Cutler X and Marc Angelo, kept the party hot 'n horny all night long with no less than three steamy live sex performances for Squirt members at Fly Nightclub in Toronto. The event was, of course, very much in keeping with the Squirt experience with man-on-man sex served up in the form of a dark cruising maze live sex shows performed by porn stars Adam Russo, Cutler X, Marc Angelo, Jon Shield and Rogue Status.

Launched as a message board in 1999, Squirt.org has grown over the years to not only serve up the world's premiere cruising directory, but also as a leading

platform to find men with similar, sex-focused objectives. With nearly one million members worldwide, Squirt has proven itself to be the top destination for guys who have sex with guys.

Squirt mobile has allowed the platform to reach new members and markets, and can easily be found on a web browser - not in any app stores. "We all know that sex is the best when it's uninhibited," Jeremy Foresheew, marketing communications manager at Squirt.org said. "Our men are horny and ready for action. By staying out of the app stores, our members can show off their best 'assets' without fear of censorship. You won't find smiling faces and guys looking to 'network' on our platform. Squirt users mean business."

Just wait until you see Adam and Darius and their intense hot tub flip-fuck... Outstanding!
