HE'S THE ONLY GAY IN THE VILLAGE!

● **OKAY, so Jonathan Wheatley's not the only gay in the village.**

BUT, following the closure of the RoB shop above the Hoist, Fetish Freak, Jonathan's independent fetish store, is now the only place south of the river that stocks a huge range of adult sex toys and where you can pick up all of life's little essentials such as aromas, condoms and lubes. Not only that, but Fetish Freak also has everything from cock pumps and butt plugs to leg-spreader bars, restraints, masks, whips and canes, cock rings, cock straps, ball weights, ball stretchers,

stimulants, condoms and more varieties of lube than you could shake a slippery stick at! You'll also find a great range of fetish gear in store too including rubber and leather, sports gear, military outfits and accessories, wrestling suits, army boots and some seriously sexy underwear. Speaking to QXMEN shortly after the closure of the Rob shop, Jonathan said, "What goes around comes around... and payback is a bitch! Yep, you can quote me on that. I feel sorry for the staff who are obviously out of a job, but I now have a lovely shop just down the road in Kennington/Oval and business is booming. So I have to

say I'm a happy bunny and have moved on!" Jonathan added, "I also have some exciting news that I'm bursting to tell you about, but it'll have to wait until the October issue of QXMEN!" We'll let you know what Jonathan's news is next month, but in the meantime, pop in and see him at FF (Fetish Freak), 76 Bolton Crescent, London SE5 0SE (right by Kennington Park) Tel. 020 7091 0031. www.fetishfreak.co.uk.

IT STARTS WITH ME

● **IT STARTS WITH ME is the flagship campaign from HIV Prevention England (HPE), a partnership of community organisations headed by the Terrence Higgins Trust and funded by the Department of Health, that carries out national HIV prevention work in England among communities at an increased risk of infection.**

THE campaign is highlighting the risk of recent HIV infections and encouraging condom use among gay and bisexual men in England. Research shows that as many as half of new HIV transmissions take place during the period known as primary infection. During this period, it is estimated that someone with HIV may be up to 26 times more infectious than at any point afterwards, dramatically increasing the risk of a transmission

taking place. This peak of infectiousness occurs within the first six weeks after contracting HIV. Cary James, Head of Health Improvement Programmes at Terrence Higgins Trust, said, "Recent infection is a huge driver of HIV transmission. There's a time immediately after infection when the level of HIV in the body skyrockets and the

THE NAKED DJ SAM PORTER

One word came to mind the first time we clapped eyes on Sam Porter DJing at London's JackHammer Club wearing nothing but a pair of headphones, 'Phwoar!' Last month we tracked him down for a quick one...

Hi Sam. So, how old you

are and where are you from?

I'm almost 38, and I live in the quiet suburbs between Manchester and Liverpool.

You're known as 'the naked DJ'. How did your passion for spinning tunes in the nude come about?

I've always been a bit of an exhibitionist. I started my first night DJing in a jockstrap but felt I was a little overdressed so off it came. It seemed to go down well with the guys at the party!

Have you ever caught your bits in the equipment while you were on set?

Luckily not... But whilst DJing at CumUnion I decided to fill a glass with piss for a customer to drink, forgetting the amount of electric cables surrounding me! I'm surprised a spark of electricity didn't shoot up my cock that night.

We often see you on the decks at JackHammer Club and CumUnion, but which other clubs do you DJ at, and are you clothed or naked there?

I'm doing a debut set at Alert! in Manchester on 22nd august for their massive Pride Party - it's local to me so it should be fun. I'm likely to be naked at this gig too

haha!! Hoping other gigs will follow.

We understand that you've only recently started working in porn films... How did this come about?

It was one bucket list of things to do before I die. I did my first scene in April last year and enjoyed it so much I haven't looked back since. I wasn't confident that I'd be good enough. I kinda knew I had decent equipment for the job though haha!!

So which studios have you worked for?

I've shot scenes with allrealbareback.com, Treasure Island Media (London), Triga, SkinBossFilms, Butch Dixon and HardBritLads.com... I have to say they're all great companies to work for and they've all been so friendly.

Were you nervous filming your first scene?

I wasn't really nervous. I was more anxious to do a good job and wasn't sure what to expect. My first scene partner was a very noisy German muscle bottom nicknamed 'the gorilla' (I guess due to his grunting noises)!

Which porn star (or stars) have been the most fun to work with?
Working with Adam Russo was great, he

was a real gentleman and his experience was impressive. That was for Treasure Island and I felt really privileged to be asked to work with him! To be fair though, all my co-stars have been fun to work with.

Are you top, bottom or versatile?

I am a complete top (though in my early days I was 100% bottom)

So what turns Sam Porter on?

Aside from my devilishly handsome man of

course? I am attracted to guys with nice round arses... beards are hot too. Most of all I like a friendly face - the naughtiness comes naturally and later in proceedings.

What's your favourite position?

I tend to move through various positions during a session though I do love seeing a guy ride me so I can look into his eyes as he takes every inch. That's hot!

If you had the chance to direct a porn scene that you were starring in, which other performers would you cast and what would happen?

I'd cast Tony Orion, Mitch Vaughan and Samuel Colt and basically I'd use all three of them... Let's theme it to a locker room scene - and can we dress them in jocks please... Am I being demanding now?

Who's the hottest top in the industry?

I'd have to say I'm most impressed by Rocco Steele. I tend to go for his look and I'd kill for a body like that... Plus his cock is enormous!

And the sexiest bottom?

(I'm dating a very hot bottom of course) but in terms of the industry Tony Orion just seems to have something about him.

You recently filmed a scene with Del James for Butch Dixon. What can we look forward to next?

I have a couple of scenes landing imminently on HardBritLads.com. One is my first solo and the other is a scene with hot lad Seb Evans. Also I'm going to feature in some upcoming Treasure Island releases. Later this year I've got some more exciting scenes, but I can't talk about them just yet!

Which do you prefer - spinning music or having sex on film?

I'm very passionate about music. It's a pleasure to create a journey from A to B, playing music perhaps you wouldn't usually hear in a gay club. Though I'm always happy to film a scene, the DJing has been top of the bucket list for some time.

Do your friends and family know you're a naked DJ and now a porn star?

A select few friends know. None are particularly surprised as they know me too well! My family should remain blissfully unaware in my opinion. It's never changed who I am and I don't intend it to.

If the world were to end tomorrow what would you rush out and do?

I'd take everyone important to me to the nearest theme park to ride the biggest roller coasters and eat junk food 'til our numbers were up... or to an orgy!

Finally Sam, describe yourself in three words.

Friendly, upbeat and happy (a special someone will know exactly why)

21/SEPTEMBER - SAN FRANCISCO FOLSOM STREET FAIR

● FOLSOM'S infamous Street Fair starts at 11am and goes on until 6pm. Festivities take place along Folsom Street and neighbouring blocks (13 blocks in total) and include plenty of live music, more than 200 community exhibitors and vendors, food and beverage stalls and, of course, more sexy leather daddies and leather pups than you can shake a stick at mingling, dancing, parading, performing, and generally milling about.

21/SEPTEMBER - DEVIANTS ADULT ARCADE

● DEVIANTS is the official closing party of Folsom Street Fair, and celebrating its fifth year, the party will be held at San Francisco's renowned venue Mezzanine. Hard French and Honey Soundsystem co-host the night's proceedings where you'll party with nearly 2,000 revellers

and enjoy special live performances and a totally insane DJ line-up in a great club space with a fenced-in, outdoor bar area.

A man with a beard, nose ring, and large earring is wearing a brown cowboy hat and a black fishnet tank top. He has several tattoos: a large one on his left arm featuring a flower and the word 'LOVE', a small one on his neck, and a large one on his midriff featuring two birds. He is holding the brim of his hat with his right hand and has his left hand on his hip. The background is a desert landscape with red rock formations under a blue sky with white clouds.

FUCK LOVING CRIMINALS 2

Studio: UKNakedMen	Directed by JONNO
Starring: Antonio Garcia, Matt Brookes, Max Duran, Adrian Toledo, Delta Kobra, Fabio Lopez, Josh Charters, Kayden Gray.	
Available from Prowler, Expectations, White Tiger and all good DVD stockists, and at www.ProwlerDVD.com .	

UKNAKEDMEN'S horny gangsters are back for more uncut cock action in the seedy underbelly of London town. Antonio Garcia is ruling the roost and fucking anything that moves, from horny police officers to Soho go-go boys! Adrian Toledo shows off with a strip and smoke performance, while Josh Charters ploughs Kayden Gray in a cock throbbing slam-dunk fuck. And Fabio Lopez escapes to France, taking with him his own plaything, the delicious Delta Kobra!

COPPER, Matt Brookes is determined to get his man, but as he tries to arrest Antonio Garcia, years of frustration and desire take over and the two men lunge at each other, giving up their arses to eager tongues, their balls to hungry lips and their cocks to deep, tight throats. Up next is smoking hot Spaniard Adrian Toledo who strips down and smokes a cigarette in a total exhibitionist alfresco solo. Josh Charters and Kayden Gray are up next and Josh's thick, uncut cock pounds Kayden's peachy arse hard, each thrust making Kayden's cock bounce off his tight abs. Fabio Lopez has escaped the rat race and now has a new life in a new country (and a new little plaything of his own called Delta Kobra). Fabio's smooth, tight hole just can't get enough of Delta's thick uncut cock, and he loves the bulk of Delta's hairy, muscled torso slamming up against his smooth body as he thrusts his cock in deeper and faster. Fabio is a happy man (and who can blame him!) This is the life he always wanted. Antonio Garcia is back in the final scene and he's cruising the back alleys of Soho and wondering what the four names he has discovered in the safe could mean. He finds a crumpled flyer for a sleazy strip club with one of the names on it and ventures inside. There he finds Max Duran, an eager, overly friendly go-go boy with a big uncut cock and a hot hole. Max surrenders himself to Antonio and deep throats his huge Italian sausage before sliding down the full length of his greasy pole.

ABSOLUTE SLUTS

Studio: Euroboy	Directed by Ryan James
Starring: Mickey Taylor, Jonny Castle, Ashton Bradley, Jacob Daniels, Corey Connor, Sky James, Lee Will, Deacon Hunter..	
Available from Prowler, Expectations, White Tiger and all good DVD stockists, and at ProwlerDVD.com.	

THE UK's horniest gay bar is open all hours and one manager spends his shifts jacking off to the security footage. Check out the kinky activities he stumbles upon; from training staff to take two dicks at a time, to taking advantage of drunk customers in the toilets. These barmen spend more time pouring spunk down each other's throats than drinks. In short they're all Absolute Sluts!

SCENE one and Mikey Taylor is taking a piss in the toilets and Jonny Castle is cleaning the sinks. It's obvious that the two twinks have the hots for each other and soon they're tearing each other's clothes off and sucking each other's stiff cocks. Mikey's the top and he power fucks young Jonny's quivering boy butt hard and fast, quite literally banging the spunk out of him, in the ball-draining introduction to Euroboy's Absolute Sluts!

Mickey Taylor back in scene two and he gets well and truly fucked in position after position by hard man Lee Will in a scene that looked like it was testing his extensive bottoming skills!

Next we meet sweet and innocent Corey Connor. It's his first day on the job at the bar, and Ashton Bradley is taking his induction. They aren't at bar tending for long before these two twinks are hard at and all over each other, sucking and fucking on the lounge's bonkettes... Well, that's what they're called!

Corey Connor's first day on the job is one he'll remember for a long time as net he's involved in a hot three-way with Jacob Daniels and Sky James! It turns out that all three lads have a lot in common. They're all sexy young twinks.

All three boys have insatiable sex drives. And, lastly, they're all card-carrying absolute sluts. This absolutely slutty twink-on-twink-on-twink three-way will have you on the edge of your seat... Just before you shoot your load!

EASY INN

Studio: Falcon Studios	Directed by Tony Dimarco
Starring: Ryan Rose, Chris Bines, Colt Rivers, Nikko Russo, Adam Wirthmore, Topher DiMaggio.	
Available from Prowler, Expectations, White Tiger and all good DVD stockists, and at www.ProwlerDVD.com .	

THE Easy Inn is usually a quiet getaway. But when Falcon Studios' director Tony Dimarco and six of the studio's hottest studs check in for the weekend, the secluded retreat is turned into a sleazy hook-up joint!

COLT RIVERS is cooking breakfast in scene one, but his buddy Topher DiMaggio is only hungry for one thing... Colt's tight arse! Unable to resist, he goes down and eats Colt's butt right there in the Easy Inn kitchen. Soon Topher's pounding Colt's hot arse and it doesn't take long before Colt blows his load signaling Topher to pull out and do the same. Nikko Russo is relaxing, naked on the porch. His eyes are closed and, with a breeze blowing over his body, he strokes his cock and gets lost in a sex fantasy. He doesn't realise that Chris Bines is watching, and soon he makes a move, chowing down on Nikko's thick cock. They switch positions before both unloading simultaneously. Adam Wirthmore has a hard on and after pumping it he snaps a dick pic on his phone. With the muscles on his gymnast's body rippling and a 5 o'clock shadow, he knows he's looking hot. He's just about to hit send when Ryan Rose walks up behind him and asks what he's doing. Caught out and embarrassed, Adam tries to stuff his hard cock back in his shorts, but Ryan isn't going to let a hot stud like Adam slip away and the guys are soon at it, hammer and tongs shooting their loads. Colt Rivers is chilling out when Nikko Russo strolls by. Their attraction is instantaneous, and soon Colt is sucking on Nikko's fat cock. Nikko wants more though, and he spits on Colt's arse, and dives in tongue-first. As Nikko fucks Colt arse their moans fill the room, and very soon spunk is spurting out in all directions! In the final scene Chris Bines is looking for a buddy to join him in the gym. He knocks on Ryan Rose's door and is greeted by Ryan, fresh out of the shower with a towel wrapped around his sculpted body and bulging package. All thoughts of the gym become a distant memory and the two studs jump on the bed and get down to a balls-deep sixty-nine. Chris gets on all fours and offers up his arse and Ryan grinds his hole deep until both guys blow their loads.

REVVED UP

Studio: Staxus Platinum	Directed by Michael Burling
Starring: Will Sims, Jaye Elektra, Jacob Daniels, Billy Rubens, Tristan Wood, Mickey Taylor, Paul Ryan.	
Available on DVD from www.homoactive.com and as VOD stream and a download at www.homoactive.tv .	

WE'VE all heard about sex in the back of a car – but these biker-boys are going one stage further, as they push their machines (not to mention their arses!) to the limit as they strive for the ultimate sexual thrill! Cover-boy Mickey Taylor sets the wheels in motion, accompanied by pillion-passengers Will Sims, Tristan Wood and the ultimate dick-magnet, Billy Rubens. So get set for the ride of your life, as the hottest twinks on two wheels go for it hell for leather in **Revved Up!**

PAUL Ryan and Jaye Elektra are up first and as they check out a trials bike it becomes obvious that these two twinks are a couple of bike obsessed junkies as the bike turns them on so much that they turn on each other. Down come their jeans and soon the lads are sucking on each other's rock hard cocks. They decide to leave the garage and head up to the comfort of the bedroom and it's only when both lads are naked that you notice just how big Paul's knob is! Jaye's a consummate professional though and ride it like a good 'un until Paul spews his load in his face. Paul's back in scene two, this time with his buddy Tristan Wood and mechanic Billy Rubens. Billy's wearing sexy mechanic's overalls and is on all fours tinkering with a motorbike and the sight of the sexy little grease monkey gets too much for Paul and Tristen and they start making out in the hope that Billy will join in. He does, and what follows is a horny three-way session with Tristan being the filling in the sandwich, getting spit-roasted by Billy and Paul. Will Sims and Mickey Taylor are up next and Mickey shows us what a good top he can be when he fucks Will's cute little boy butt good and hard. True to form though, soon enough he's pulled out of Will, got his cock hard and hops on to pleasure his arse.

The gorgeous Billy Rubens is back for the final scene and, just in from riding his bike, he jumps on the bed and tells his mate cute blondie Jacob Daniels how much he loves riding his bike and, rubbing his packet, how horny it makes him. What red-blooded male could resist a come-on like that and soon Billy and Jacob are butt naked and rolling around on the bed. Billy wasn't joking when he said the riding his bike makes him horny as he fucks young Jacob in numerous positions before shooting a massive load in his face!

NEW AND UPCOMING RELEASES THAT LOOK HOT!

UNDER MY SKIN 2

● **RAGING STALLION STUDIOS** has released the second part of its ink-infused fuck fest *Under My Skin* and once again takes fans deep into the hardcore tattoo parlours and shadowy back alleys where anonymous men meet to satisfy their most primal urges. Directors Tony Dimarco and Steve Cruz capture all the spontaneous, authentic action from a down and dirty cast of nine horny studs for whom ink is an irresistible aphrodisiac. "Under My Skin is about inked up guys totally fixated on getting off," said director

Steve Cruz. "The models put all of their strength and concentration into their performances. It's rough, exciting, and really fucking hot!" *Under My Skin. Part Two* stars Raging Stallion Exclusive Boomer Banks, Draven Torres, FX Rijos, Derek Parker, Jake Jammer, Ryan Patrix, Damien Crosse, Seven Dixon and Cam Christou.

BEACH BUMS

● **PORTUGAL'S** the destination of choice for this gang of dick-crazed, arse-obsessed dudes. But their mission on this vacation is not to get a suntan or to surf the waves. It's to score as much horny cock and fresh arse as possible (Portuguese or otherwise!) Paul Walker and Mickey Taylor get the holiday fuck fest off to a cracking start when they head for the dunes for an outdoor fuck session. Orlando

White and Pedro White join Paul and Mickey in their dugout in the sand dunes for a sleazy session, and there's no questioning the fact that White and Walker are very much the dominant parties in this sexcapade! And boyfriends Louis Blakeson and Mickey Taylor suck each off in the sand and then head for the nearby woods to fuck each other stupid... Those lads from *Sauvage* never disappoint!

STRETCHED BOY HOLES

● **THESE** barely legal twinkies may look sweet and innocent, but as you watch this latest flick from Bareback Boys you'll soon realise that looks can be very deceiving! *Stretched Boy Holes* follows a cast of young lads, namely Aaron Aurora, Steve Agonista, Jake Zhang, Kaiden Stevens, Skye Romeo, Jason Goddard and Shaun Mann, as they take their first steps to becoming the sloppy arsed sluts they have always dreamed of being. Eager tongues and groping fingers open up their tight virginal boy butts, before large twink dicks fuck their puckered little hoops and drench them in spunk! When we were that age we dreamt about being astronauts!

BREATHLESS

● **MULTI-AWARD** winning studio BelAmi has been successful in helping guys ythe world over knock one out and xleaving them breathless for the last 21 years. So it's no surprise that they should release a DVD of the same title. However, when the question, "Of the feature's ten sickenly good looking performers, that's Kris Evans Manuel Rios, Robin Michaux, Phillippe Gaudin, Adam Archuleta, Florian Nemec, Harris Hilton, Claude Sorel, Dario Dolce and Todd Rosset, which one

would leave us the most breathless?" was put to us, we must confess that we felt somewhat 'put on the spot' to answer straight away. If we're honest, even we'd find it hard to say which one was our favourite... Maybe if we actually watched the DVD we'd feel better informed to make our choice!

TWILIGHT OF THE SHADOWS

HIS first book, Dawn of the Gods, was the unexpected success of 2013 and since then Louis LaSalle has gained a large audience through the intensity and the genuine straightforwardness of his photography. His works are inspired by classical nudes, which he transforms through a passionate reinterpretation that goes beyond the boundaries of nude photography.

● LASALLE knew that he would have to pull out all the stops with his follow-up publication and *Twilight Of The Shadows* is a book focussed on his black and white work. When asked why he choose to express himself in black and white, LaSalle says, "Perhaps because it immediately takes the photo outside the day-to-day reality of colour and three dimensions... Pause in stillness, take a moment to see the world anew, and enjoy *Twilight Of The Shadows*."

Well, we paused, we took a moment to see the world anew and yes, we enjoyed it!

EAGLE CARDIFF ■ PRIDE CYMRU 2014

Eagle Cardiff spread its wings for this year's Pride Cymru (formerly Cardiff Mardi Gras) and literally doubled in size for the weekend, attracting the largest gathering of gay men ever seen in Wales!

THE Eagle's secluded rear car park, licensed especially for the event, complete with second bar and large marquee, was the perfect setting to compliment the main bar, which was open until dawn. It was a night to remember with guys traveling to Cardiff from as far a field as Italy and France, joining hundreds of others from across the U.K. Earlier in the day Eagle completed a hat trick by becoming the only gay venue in the city to have taken part in all three annual parades that have taken to the streets of the Welsh capital.

EXPECTATIONS

EXPECTATIONS SHOPPING EVENTS

Expectations, the leading retailer of everything raunchy, piggy and perverted, are once again co-sponsoring London's biggest underground leather party, Hotwired, on Saturday 11th October.

HOTWIRED

BROUGHT to you by two of the biggest names on the London leather and rubber scene, Hard On and Rut, Hotwired, will return to the uber-industrial venue that is Ewer Street Car Park.

Never ones to disappoint, the gang at Expectations will be holding a special shopping event the night before, on Friday 10th October, from 5pm to 9pm. Their recent Fetish Week London events attracted record crowds, probably because they've become legendary in their own right.

FRIDAY SEPTEMBER 19TH: HARD ON 11TH BIRTHDAY PARTY SHOPPING EVENT

● **BEFORE the Hotwired Shopping Event, Expectations is holding a Hard On 11th Birthday Party Shopping Event on Friday September 19th from 5pm to 9pm.**

IT'S the perfect opportunity to get a new outfit for the Hard On Birthday Party, always one of the sleaziest nights on the London gay fetish calendar. This Shopping Event will be one to remember as, ahead of their XXX-rated performances at Hard On, porn stars Ale Tedesco and Christian Mitchell will be in-store at Expectations getting up close and personal with the shoppers! And if news of their attendance wasn't enough to tempt you along, there's a whopping 20% off everything in-store (except sale items and tickets) to everyone at the shopping night! As usual, Hard On members receive a 20% discount on the Saturday, the day of Hard On... Oh, and there will be loads of free booze too!

HOTWIRED tickets are on sale at Expectations and Prowler Soho from 1st September.

So that you're not disappointed and don't miss a thing, sign up to the Expectations newsletter for updates by going to www.expectations.co.uk.

At the time of going to press they hadn't confirmed the details, but as always they've promised us at least a couple of hot and horny porn stars at the event to keep you entertained throughout the evening.

During the event, you'll also receive 15% off everything in-store (excluding sale items and club tickets) plus, of course, there'll be lots of free booze to get you in the mood for some serious partying. It's the perfect opportunity to treat yourself to a new leather or rubber outfit for the party, or just stock up on some new hardcore DVDs, some aromas and lubes, or maybe a brand new dildo or some playroom equipment. Whatever you decide, Expectations' shopping events are always very popular, so get there early!

OPTIMALE: PLEASURE DESIGNED JUST FOR MEN

Clonezone, the store that offers a huge range of aromas, lube, sex toys, DVDs, magazines, fashion, underwear and gifts, has become the first UK gay retailer to launch the OptiMALE range of men's toys from industry leader Doc Johnson.

Now you can optimize your sexual experience with these exciting new toys, made from soft, stretchable phthalate-free silicone.

OptiMALE

● IF you want a cock ring that gives you harder, firmer and long-lasting erections you'll want to get yourself an **OptiMALE C-Ring**. These bad boys are designed to be just tight enough to restrict the

blood flow giving you a meatier and harder erection, but with enough 'give' in them to feel great without being too intense for comfortable play. They can be worn around the shaft of your cock

or your balls and come in three sizes: 35mm, 40mm and 45mm. Or how about an OptiMALE 3 C-Ring Set! Available in Thick or Thin, each set contains three sizes: 40mm, 45mm and 50mm.

● **OptiMALE's powerful Vibrating C-Ring** delivers pleasure to both you and your partner during sex! It has a textured, yet soft, stretchable silicone ring and a waterproof push-button removable bullet in a nubby sleeve that offers 10 unique functions! And for double the pleasure, there's the Vibrating Double C-Ring. This bad boy has two silicone rings - for your shaft and your balls - and dual bullets to target multiple erogenous zones!

● **POWER** up for bigger, thicker erections with the **OptiMALE Power Pump**! The strong auto-pump action is easily delivered with just the push of a button, then sit back and watch your cock grow through the large, clear vacuum cylinder!

● **THE Reversible UR3® Stokers** from OptiMALE are like having two strokers in one! These sleek, fun masturbator toys are made from a clear material called UltraRealistic 3.0 that warms in your hand and feels incredibly life-like. The Reversible Stokers give you the option of using the intensely textured side or the silky smooth interior. Simply flip it inside out and choose which side you want. OptiMALE's Reversible UR3® Stokers are available in three distinct textures: Studs, Rollerball and Link and come in a sturdy yet sleek black box for travel and convenient storage.

● **OptiMALE's P- Massager** has been specifically designed to massage your prostate and stimulate your perineum and provides prostate health and pleasure in one! Made from flexible silicone for comfortable, body-safe play, and featuring a handy pull ring for easy release, the P-Massager helps to improve, control, and intensify your orgasms and strengthens your PC muscles for maximum satisfaction to your P-spot!

WE WANT ONE OF THOSE... PUMP IT UP!

Cock pumps have been

around since the first sex toys were invented and can provide intense and pleasurable suction that helps create meaty, hot erections and temporary penis enlargement.

QXShop, the UK-based online store has a great selection of top-of-the-range cock pumps too. Take a look...

● "THE most high-tech pump on the market today... massive results!" is what the American Pumper's Association said about the **Apollo Automatic Power Pump**.

We won't bore you with technical details, but rest assured, these pumps come with all the mod cons, such as flanged cylinders, EZ-Squeeze trigger handles, non-crimping flexible hoses and secure fit donuts!

www.QXShop.co.uk

● "TOP of the line, fully featured... the most powerful pump we have ever tested!" High praise indeed for the **Precision Pump Advanced**, given by the experts at American Pumper's Association.

● "ATTENTION Head Pumps... this is the real deal!" No, that wasn't mahogany-hued antiques expert David Dickinson's take on **Precision Pump's Head Pump**. It's what the American Pumper's Association had to say about it.

● AND on the **Precision Pump Intermediate**, the American Pumper's Association said, "Takes serious pumping to a whole new level!"

● WE couldn't find any comments from the American Pumper's Association about the **COLT Vacuum Pump System**. However, it's considered by many to be the ultimate cock pump, and is described as being functional, sturdy and reliable for long-term use.

● SIMILARLY, we failed to find any word from the American Pumper's Association about the **OptiMALE Power Pump**. But coming from one of the largest sex toy companies in the world, Doc Johnson, it's got to do the business.

See the entire selection of cock pumps available at www.QXShop.co.uk, the UK-based online store that also stocks a huge range of aromas, lubes, sex toys, DVDs, magazines, underwear, fashion and gifts. QXShop process all orders received before midday that same day, and once dispatched, you should receive your order, sent by Registered Mail, within 24hrs.

THREESOME AT THE GARAGE

by Robert Neilson

THE day didn't begin well; my exhaust blew. I phoned work, told them I'd be late and stopped off at a garage my mate recommended. There was a dark guy in his twenties bent over working on an engine, nice blue t-shirt under his blue overalls. He looked fit. The guy that came to meet me was taller, in his thirties and had dirty blond hair, a trim beard and hairy arms. He was wearing a white t-shirt, which had some chest hair sticking out the top and his overalls were tied round his waist. I told him the problem. He asked if I had five minutes, and I said, "Sure, as long as it's not ten." He took my keys, drove my car onto the ramp. I watched it being hoisted.

He got under the car to take a look and then nodded me over. "See, it's here," he said, pointing to a spot on the exhaust. I couldn't really make out anything in the gloom. He snorted. "You all distracted by the sight of my buddy there? Thinking about fucking him as he's bending over that engine?" But there was a laugh in his voice, so I decided he was teasing, and I'd josh him back. "No, I was thinking about YOU fucking ME." He laughed and got one of those lamps with a metal cover, pointed it at the exhaust. I saw the hole. "Come to the

office, we'll see what I can do for you," he said, laying the lamp down. One hand on the PC mouse, the other playing with a nipple, he seemed oblivious to the effect he was having on me. His hand strayed down inside his overalls; was he tugging his dick? "What do you think, price-wise?" he asked. I had no idea he'd mentioned a price. I gulped. "Not concentrating too good there, buddy. Let's see if we can release some of that tension." His hand came out of his overalls, and he put it on my crotch. I knew that my hardening dick had given me away, so I let him get on with it. After a good feel at my package, he got both hands to it, unbuckling my belt, unzipping my fly, letting my trousers fall, pulling my briefs down. A jerk or two at my dick, then he was blowing me. I got my hands on the guy's nipples and gently played with them. Occasionally he took my cock out of his mouth and rubbed the end gently on his beard... Boy, it felt good! After a minute I got my hands under his armpits and lifted him up. He pulled his t-shirt over his head as I untied his overalls. He wore only boxers underneath, no jeans. I got my mouth on the bulge of his shaft then turned him round, having a good feel of his dick while I mouthed at his arse under his boxers. Pulling them

down, I parted his arse cheeks and got my tongue right in there. His dick was thick and veiny, his balls felt heavy and the musky smell from his arse was amazing as I got my tongue deeper into it. He grabbed hold of his ankles as I stood up, putting some spit on my cock. I eased the head of it into the pucker of his arse. A gentle trust or two, then I was in. "Fuck me, man! Harder! Harder!" he said. I did, but the moment I began to pant, he reached his hand back and pushed me out. Roughly, he bent me over and got his tongue up my arse. Out of the corner of my eye I noticed his buddy watching us. He walked over, got his cock out and I swallowed it greedily as I felt his mate's thick cock stretch my arse and then start pounding away. It didn't take long for the three of us to cum, and I soon felt them both spunk into me, with my own load splashing on the garage floor. We gasped, our breathing slowed, we straightened our clothes. "So, mate," said the older guy. "We'll give you a lift to work, sort the car out, come back for you later. No special prices but you'll get another fuck with us... How about it?" "Fuck yeah," I said, and grinned at him. It wasn't going to be a crap day after all.

QX MEN IS LOVING...

CAM CHRISTOU ON THE SET OF RAGING STALLION'S UNDER MY SKIN PART 2.

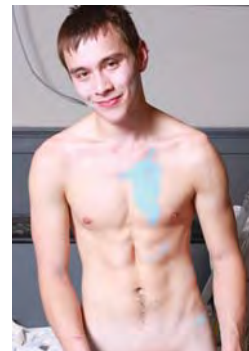

THIS colourfully tattooed cutie only bounced onto our porn screens earlier this year when he started out in porn filming a few scenes on Tim Tales.

He's gone on to star in Parts 1 & 2 of Under My Skin and has proved without a doubt that he's one hell of a bottom, having first taken on the sizable cock belonging to Tim Kruger and then taking it like a good 'un from Boomer Banks in Under My Skin Part 1.

We see big things for this little guy... and we don't just mean big cocks!
