EXPECTATIONS HOTWIRED SHOPPING EVENT

● Just a reminder that London's Expectations Store, the Capital's largest and most popular store for leather and rubber gear, sex toys and accessories, are holding a special Hotwired shopping event the night before the main event, on Friday 10th October, from 5pm to 9pm.

THERE will be 15% off everything in-store (excluding sale items and club tickets) plus, of course, there'll be lots of free booze to get you in the mood for some serious partying. It's the perfect opportunity to treat yourself to a new leather or rubber outfit for the party or just stock up on some

new hardcore DVDs, some aromas and lubes, maybe a brand new dildo or some playroom equipment. Whatever you decide, Expectations' shopping events are always very popular, so get there early! And if that wasn't enough to tempt you there it's been confirmed that together with their sexy naked barman, hot porn stars Scott Hunter and Nick North will be in store too! Expectations is at 75 Great Eastern Street, London EC2A 3RY.

WHEN ONE A MONTH JUST ISN'T ENOUGH

● WE'VE long been used to calendars being 12 pages long, one page per month, but now Giovanni, the photographer who's released numerous photo books on his favourite subject - the penis - has released his version of a calendar which has one page for each week of the year!

XXL WEEKLY IS a calendar that's 52 pages long and each page is adorned with a hot image of, yes you've guessed it, a stiff cock! Available now, the calendar's published by Bruno Gmunder and photos are by Giovanni, www.bitesbygiovanni.blogspot.fr.

THT'S FIRST EVER SUPPER CLUB SILENT AUCTION

● A chocolate making master class with acclaimed chocolatier Paul A Young, dinner at home catered by Michelin starred chef Angela Hartnett and the chance to create a bespoke brownie flavour with Bad Brownie are among the lots on offer in a silent auction to raise funds for HIV and sexual health charity Terrence Higgins Trust.

THE auction is being launched online in the run up to the charity's annual Supper Club, a glamorous event which sees supporters host fundraising dinner parties in around 50 of London's top restaurants. For the first two weeks of October, foodies can visit www.tht.org.uk/supperclub and bid for a range of gastronomic delights, including a breadmaking workshop and dinner with ballet dancers Lauren Cuthbertson and Natalia Osipova. Funds raised will be used by Terrence Higgins Trust to support people living with and affected by HIV. This year, the Supper Club takes place on Wednesday 8th October. Guests who attend the event donate £175 each to dine at some of London's most iconic restaurants, from the traditional fare and décor of Wilton's or Venetian cuisine at Polpo, to Ottolenghi's Middle Eastern flavours or contemporary British cuisine at Aqua Shard. After dinner, guests are whisked away to a lively after party at the Underglobe, where they can dance the night away with live entertainment and cocktails from Six O'clock Gin. The silent auction runs from 1st to 15th October at www.tht.org.uk/supperclub.

NEW GAY APP HOOKAPP LAUNCHES

● HERE'S news of a new hook-up and dating app for gay men called Hookapp that's just launched.

LONDON-BASED VIPs together with Peter Tatchell, Del Campbell and guests from Terrence Higgins Trust, Simon Topham CEO of Millivres Prowler Group and promoter Issac Jones mingled with escorts, masseurs and models at the Hookapp launch party at Manbar in London's Soho. Developed with integrated health and safety messages from the Terrence Higgins Trust and Ugly Mugs, Hookapp delivers an on-the-go platform to connect to men near or far in a new way, and as part of the launch promotions Hookapp is offering everyone premium app features for FREE until further notice. One of the key differences of the app to others is the colour coded profiles that clearly distinguish Hookapp members, the professional escorts and masseurs, porn stars, as well as the travellers. GEO locator and

GEO override features enable all users to advertise for hook-ups or promote their professional services in any location, quickly and easily. For frequent travellers, users benefit from Hookapp's ability to copy their profile into multiple destination locations instead of the traditional method of relocating your profile once you have actually arrived in that location or creating multiple accounts. Additional

features include up to 8 photos per user profile, the ability to showcase 4 videos (on website & Android versions), and unlimited instant messaging all 100% free of charge.

Founder, Todd Craft, said, "After more than a year in development, I'm excited to be able to launch Hookapp. It's the most sophisticated and versatile hook-up app on the market and for the first time with healthcare opt-in messages. As the founder of Hookapp I couldn't be more proud to be donating a percentage of profits to Terrence Higgins Trust, while

together we provide healthcare messages through Hookapp's instant messaging system." For more information check out www.hookapp.xxx.

NEW YORK

12/OCTOBER - 16TH HUSTLABALL NEW YORK

● IT all began in March 1998 with a private party called HustlerBall in the basement of Manhattan's legendary Times Square hustler club Stella's. Just two years later, HustlerBall had recruited the likes of Chi Chi LaRue, Johnny "The Gay Pimp" McGovern, Dean Johnson (of the rock band Velvet Mafia), Sherry Vine, Miss Understood, Shequida plus many other great MCs, and the hot mix of music and porn performance that today's HustlaBall is world famous for, helped the event draw in record crowds. For anyone who's wondering, it was Hustler Magazine's Larry Flynt who forced the party to change its name from HustlERball to HustlAball in 2001.

Fast forward to 2014, and today's HustlaBall New York is a glitzy affair at hot New York night club Slake on West 30th Street, and is presented by Rentboy.com in association with DaddyHunt, NakedSword, Raging Stallion, Lucas Entertainment and more. Over forty performers, including Aleks Buldocek, Austin Wolf, Billy & Seth Santoro, Boomer Banks, Bravo Delta, Brent Corrigan, JD Phoenix, Killian James, Leo Forte, Nick Capra, Nubius, Rogue Status, Ryan Rose, Tommy Defendi, Tyson Tyler and Jesse Santana to name a few will be there, and you could be too! If you're going to do it, do it in style, hire a limo and rock up at the Red Carpet & VIP Reception at 10pm. Mr. Pam of Naked Sword will be hosting the champagne reception where you'll get up close and personal with the stars and see private performances. The \$2,000 VIP Red Rope Ultra Double Sofa tickets includes access to the roped off viewing platform for the show, plus it gives you free access to all pre-events. Otherwise, general admission is at 11pm and tickets start at \$39.95.

For more info go to www.HustlaBall.com and for tickets go to www.TicketWeb.com.

Week will have exclusive parties by promoters from around Europe with DJs, live XXX-rated shows, fetish art expos, and the annual Mr Fetish Gran Canaria contest. Everyone's encouraged to wear fetish gear at night and the dress

code for most venues is leather, rubber, uniforms, skinhead and sports kit. During the days, the gay resorts will host pool parties where you can strip off, soak up the sun and hang out with other likeminded guys into fetish. Some gay resorts

are clothing optional, and have special outdoor cruising areas for play too! So if you're into fetish and fancy getting away for a week in the sun, book your flight to Gran Canaria for the Maspalomas Fetish Week.

BERLIN

17/OCTOBER - 12TH HUSTLABALL BERLIN

● Since it began in 2003 a whole party trail has grown around HustlaBall Berlin and now it's become a weekend long party of gay porn awards, iconic parties and XXX-rated shows fit for 'The Sex Capitol' of Europe. The weekend's highlight is, of course, the HustlaBall Berlin, a melting pot not only for hedonists, fetishists and serious clubbers, but also for everybody who is into celebrities in the porn and escort industry. It starts at 10pm on Friday October 17th just after its internationally recognised HustlaBall Awards Ceremony, and both events will be held at the recently extended KitKatClub, which now holds up to 5,000 people! QX MEN got the lowdown on this year's event from Sascha Müller-Bardone, director and manager of HustlaBall Berlin 2014. Everything will be not just bigger as ever before, it will be XL! There will be a bigger Main Floor,

a much larger stage and a cellar with added playrooms. Mega porn stars, with XL shows throughout the night. Superhero DJ and Producer Pagano will tear down the house. In cooperation with Superman by SupermartXé, we present DJ Hugo Sánchez. Everybody who has a XL cock larger than 8 will receive a gift from the strolling Size Queens team. In the Celeb Area there will be Meet and Greet with free access to international porn stars, models and go-gos for their fans and admirers powered by XY Studios. Last but not least there will be a warm swimming pool and the legendary although mystic VIP-Floor powered by Boner Magazine. It is highly recommended to book tickets as early as possible. In previous years tickets were regularly sold-out before the event had started.

So, with just a couple of weeks to go how are things shaping up for this year's Hotwired? Everything's going great. We're working hard to make it the best Hotwired yet!

In just four years Hotwired has become one of the major international fetish events, attracting a global fetish crowd... Why do you think that is? It's a really fun party. Plus we have hot guys, a strict dress code, friendly atmosphere and a venue that's unique in London.

And we have to have everything out again by midday Sunday.

Over the years, we've seen abandoned cars, a 2-berth caravan, and an inflatable dark room at Hotwired... Can you give us any clues as to what we can expect this year? We have a great new space we're opening up but we always have a couple of new surprises

Hotwired has an ultra strict dress code of leather and rubber only. What fashion advice would you give to someone whose only leather and rubber would amount to shoes, belts and welly boots? Borrow some gear! Or the simplest/cheapest thing is to get some rubber shorts or a leather jock. It's a leather/rubber party. We

OX MEN HAS A QUICK ONE WITH...

HOTWIRED

www.hotwiredlondon.com

Many people would think you're bonkers to hold an event in a car park! Why did you decide to use the one at Ewer Street? It's the best industrial space in London and the closest we can get to a Berlin-style party in this city. We love our car park!

What challenges do you come up against when transforming a raw industrial space like that into a fantasy fetish club environment? It really is a car park until Friday evening. Then on Saturday morning we have to bring in power, lights, sound, water, bars, heating, play area, absolutely everything!

like to be welcoming but we enforce the dress code. That's what makes Hotwired special.

If you could have anyone attend Hotwired, dressed head to toe in leather or rubber, who would it be and why? Ryan Gosling. And maybe Tom Daley in chaps?

Can you tell us about any porn stars attending? Loads. But they're coming in a personal capacity to have fun. They're not working.

What makes Hotwired stand out from other fetish events? We try really hard to make it the biggest and best leather party in London.

Hotwired is on Saturday October 11th.

There's still time to buy your ticket. They cost £25 and are on sale at Prowler, Expectations, Fetish Freak and Regulation in London, Prowler in Brighton and RoB in Manchester. They're also available online at www.ticketweb.co.uk (plus £3 booking fee).

HARD ON 11TH BIRTHDAY ■ 20/09/2014

You know you're getting old when you turn up to a club's birthday bash and, instead of steaming straight onto the dance floor, you head out to the smoking terrace with your drink and reminisce with 'old' friends about the club's opening night, which in this case was way back in 2003...

HARD ON

Yep, it was London's favourite fetish dance club Hard On's eleventh (yes eleventh!) birthday last month and we couldn't let this milestone pass by without dropping into Union to wish the Queen of Sleaze, Suzie Krueger, a happy birthday and also congratulate her on successfully dragging the fetish clubbing scene - albeit kicking and screaming - into the 21st Century!

As always, Union was a heaving mass of leather daddies, rubber clad pervs, sports kit jocks, plus a fair number of guys with gargantuan cocks wearing nothing but boots and a smile, or as Suzie so eloquently put it, "A plethora of hot guys!" Quite where this lady gets her boundless energy from we have no idea... This month alone, not only is there London's regular Hard On party, but Suzie's also taking the club to Antwerp and then Milan for the first time, and then somewhere in between she's finding the time to put on London's hottest underground leather and rubber party Hotwired with Rob Rutt!

This month's Hard On is on Saturday October 25th.

So thanks Suzie for giving so many gay men such amazing Hard Ons over the years!

NEW AND UPCOMING RELEASES THAT LOOK HOT!

DOUBLE DICKED

● **STUD FUCKERZ'** latest compilation Double Dicked has five scenes from the Raging Stallion and Falcon Studios' archives with some of the studios' finest DP action. There's Gus Mattox and Shane Rollins subjecting Dean Monroe to a hard double fucking in Falcon Studios' *Bootstrap*, Tristan Jaxx and Tyler Saint gang bang Johnny Gunn's butt in Mustang's *Dark Room*, Steve Cruz takes it good and hard up the wrong 'un by superstars Adam Killian and Ricky Sinz in Raging Stallion Studios'

Focus Refocus, while the gorgeous Roman Heart, on vacation in Buenos Aires, gets bonked by those two hot horse-hung Argentinean studs Pedro Andreas and Daniel Marvin in Falcon Studios' *Roman's Holiday*. Taking up the rear (excuse the pun) is young blond Cameron Adams is the filling in the Dominic Pacifico and Brandon Lewis sandwich in Falcon Studios' *Unloaded*.

POUND FOR POUND

● **POUND FOR POUND**, the latest meaty offering from hot Brit studio Butch Dixon serves up a tasty smorgasbord of delicious beefy hunks. Matt Stevens gets up close - and overly personal - with Rikk

York, while Freddy Wolf gets nailed by sexy Spaniard Bruno Fox. That most insatiable of cock hounds Ulysse is in sex-pig heaven playing with, and getting fucked by, Robin Fanteria's big-headed, uncut dick, while sexy, big-chested daddy Sam Colt is fucked all over the shop by tattooed Frank Valencia who shoots his creamy load over Sam's back. It all ends up with a nasty looking, hung thug who goes by the name of Seth Wilkins, stroking out a fat load and fingering his hairy hole.

WORLD CUP WANKERS

● **HOT** on the heels of the shenanigans in Rio this summer comes World Cup Wankers from SauVage by Staxus. Promising players with better ball control and a darn sight better looking than our England squad, hotties Yuri Adamov, Shane Hirsch, Sven Laarson and Johny Cruz lead from the front for a full ninety minutes of prime-time fucking. The coverage

of mainstream football is always so dull - men kicking a bag of wind around a patch of grass (yawn). World Cup Wankers, however, gives us all the horny action from the changing room with our four headliners and their hot young team mates Jace Reed, Alexander Dorch and Darko Simic. So sit back, unzip and jerk off to the sexiest festival of football imaginable!

CRUISING FOR KIT

● **ACCEPTING** lifts from strangers can be a dangerous game. Especially if the strangers are a couple of scally lads on the hunt for young guys to spit roast in the back of their people carrier! Yep, those Boys On The Prowl are back, and they're Cruising For Kit. Driving around with one mate doing the driving and another operating a handheld camera, the boys on the prowl are on the hunt for hot chavs in trackies and trainers and sweaty lads straight off the pitch. As soon as they spot a guy they like the look of, they pull over, chuck him in the back of their people carrier, get his kit off and take him for more of a ride than he was expecting! Starring Jake Richards, Dan Jenkins, Stephen Black, Deacon Hunter, Alex Silvers, Reece Bentley, Olly Tayler and Scott Williams.

DIRTY LII' STORY

THE BEACH

by Robert Neilson

PIC FROM BEACH BUMS © STANUS.COM

→ THE days are shorter, but the forecast for today is good. The sky is blue and cloudless, and it's warm, so I'll have one last day at the beach...

I'm in a t-shirt and shorts; I've got my towel and trunks in my backpack, along with water and cereal bars. I walk a bit along the beach, enjoying the gentle splash of the waves, and the view sometimes when there's a fit dad playing football, or watching some of the scally guys with their tops off, bantering. Further along, it starts to get quieter. There's a broad sandy area up ahead with a grassy verge behind it. At one end of it, there's a tanned guy; he looks Middle Eastern. He's lying on his towel. He's in red Speedos, which look really good on him. There's a guy sitting about thirty feet away from him; he's younger, in white shorts and white t-shirt with tattooed arms, sitting clasping his knees with one hand, mucking about with his phone with the other. So, of course, I sit in between them. I get my trainers off, and peel off my t-shirt. The sun feels good. I take a swig of water and lie down. I've put my towel far enough back so that I can see them both. After about five minutes I see

the younger guy slip his t-shirt off. The other guy seems to be dozing, but occasionally he'll rub himself, his hand grazing his nipples, or rearranging his dick in his Speedos. I wonder if his dick and balls are really sweaty, and I wonder if all of this is for effect, to see if I'm watching.

The younger guy calls over to me. "Going for a pee, mate. Keep an eye...?" I call back, "Sure!" He gets his trainers on, takes his phone with him, leaves everything else and heads off. I stare at the waves, but Mr Speedos distracts me. He's rubbing his hand over the front of his trunks, and his bulge seems to be getting bigger. It's now or never and I go over to him. "Any suntan lotion mate? It's hotter than I thought." He nods towards it. "Sure, as long as you do me too." I decide it'll be better manners to do him first, so put some lotion on my hand and start rubbing it into his chest. He gets hold of his Speedos and pulls them down. His half erect cock springs free. I rub my hand over his stomach to get the last of the suntan lotion off it and get my hand round his balls. I also get my mouth round his dick. It tastes horny as hell after being cooped up in his Speedos and

before long I'm getting it as far into my mouth as I can manage. Mr Younger appears and sits down, watching us. After a minute he gets his cock out and starts stroking it. Mr Speedos nods him over. While I'm blowing Mr Speedos, Mr Younger kneels down in the sand beside him, and I see Mr Speedos move his mouth greedily towards the hard on. I get one of Mr Speedos' hips and pull it towards me; he gets the message and gets onto all fours, still blowing the other guy. I get my tongue in about his musky, sweaty arse, rimming him. Then I slip my own shorts off, get a good lick of spit on the end of my dick, and get it onto his arse hole. This guy's a skilled bottom, as soon he's squeezing my cock further and further into his arse. As I get a good rhythm going I think this'll be it, this'll be how I'll cum. But Mr Younger pulls his wet dick out and gets round behind me. I feel him lube up my arse and then his dick is in me, as I'm fucking the other man. This is fucking magic, and all too soon it's too much for me, and I shoot my load. I feel Mr Younger behind me shoot his load too, and Mr Speedos puts a hand onto his dick and jerks himself off with a few quick tucks.

I love the beach...

QX MEN IS LOVING...

... BEEFY, BLOND AND BLUE-EYED JOHNNY V.

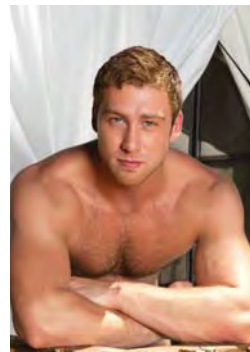

● HE'S Falcon & Raging Stallion Studios' latest Exclusive model and this 6 foot hunk of solid muscle has just made his screen debut in Falcon Studio's Autumn blockbuster Naughty Pines. Primarily a bottom performer, we predict Johnny V to be the next porn superstar... And we're not the only ones.

Naughty Pines 1 & 2 will be available soon from Prowler, Expectations, White Tiger and all good DVD stockists, and online at www.ProwlerDVD.com.

Naughty Pines director, Tony Dimarco, said, "When I first met Johnny V my immediate reaction was that this guy is going to be a huge star... He went head to head with Ryan Rose – a true professional – and did not miss a beat. Keep an eye on Johnny V, because I expect he will only get better."

Falcon & Raging Stallion President, Chris Ward, commented, "He's a prime example of the true definition of a porn star, and I can't wait for the fans of Falcon, Raging Stallion and Hot House to get to see him in action themselves. I'm sure they will be as impressed as I am with his fine set of assets."
