OXMEN November 2007

The festive season fast approaches and summer memories of Speedo clad sojourns seem to have faded along with the tan. Time to put another log on the fire and cuddle up with a cutie, a can of Crisco and a double-ender (well, strokes for folks).

WELCOME...

TO NOVEMBER'S ISSUE.

Speaking of butt-bashing sex toys, Clone Zone have a huge new range of sphincter stretchers in store. And we've got one to give away.

The guys from Alphamale Media sure have been busy. Not only are they churning out top notch film after film, but they're all over the place promoting too.

Retentless in his promotion is Collin O'Neal, his World Of Men series is reviewed this month. In the last month we've been to London's notorious joint PLAY PIT. XXL's LEATHER night, BOOTCAMP'S eleventh birthday party and had a peek at the new look PLEASUREDROME after the massive refurb. Jack Chang, international DJ, was QXMEN's roving reporter at this year's HUSTLABALL in Berlin.

Of course all you non-Londoners are complaining that QXMEN never covers any events outside London. If you've got an event that you feel we could or should cover, email the details in. If we don't know about it, we can't let others know or give it coverage.

How would you feel if you were told your porn collection could land you in jail? Well, the latest Criminal Justice Bill could do just that if it goes through. Haydon Bridge examines the severity of this proposed bill, and tackles the debate on Barebacking, a topic that should be at the forefront of everyone's minds, especially with World Aids Day approaching.

You turn up at Uni and it's Freshers' Week. You're down the student union signing up for the various extra curricular activities...why was there never a club like Ivy League?

PRODUCTION: FALCON DIRECTED BY: JOHN BRUNO

The Ivy League is an invite only group where a select handful of hot studs have the credentials to join. In the first scene the invitations are being sent out, but not before Martin Mazza services muscle stud Erik Rhodes. Rhodes

fucks Mazza on his desk, in the armchair and over the coffee table, pounding that greedy Latino ass.

The three chosen Ivy League candidates arrive in LA for their initiation and the games begin. Jason Adonis (this month's centrefold) and Ryan Wade are in the gym. Adonis gives Wade some work out tips and the two pump, push, groan and grunt until Wade finally gives his puckered hole up to Adonis' shaved cock and balls, taking it over the bench press.

Eddie Stone summons Zachery Ryan and has him soap up in a glass shower. Stone's in the bathtub, clearly enjoying the performance, and it's not long before Ryan joins Stone in the tub. The action then moves to the bed where Ryan's chunky cock goes to work on Stone's butt as they run the gamut of positions. In the next scene Roman Heart convinces newbie Tony Martin out of his pants and soon has him spread eagle over the pool table. They take turns eating each other's winking holes, before Martin rides Heart's rock hard dick. Heart pumps out a big sticky load all over Martin's chest.

In the final scene the guys take part in their final Ivy League initiation. Erik Rhodes bends each of them over and hot wax is dripped slowly onto their butts. Then Rhodes fucks each of them in turn with a dildo. Then the action shifts to the stairs and Rhodes chows down on each rigid cock before they shift positions and form an ass-eating daisy chain. Then it's onto the sofa where the four guys suck and fuck each other until they all shoot their wads, passing their initiation with flying colours. Welcome to the Ivy League.

COUNCEL SCUM

Filmed in Bermondsey in South East London, the chav lads in Triga's latest release Council Scum are the real McCoy. These soap dodgin', Special Brew swiggin' lads are always up to no good. Bold as brass and always horny. When one of the fuckers chucks his beer can at the local estate caretaker he gets more than he bargained for: the caretaker's big, fat knob right down the back of his gobby throat! His mates are bored, spending the day in front of the box watching Freeview TV and soon it doesn't take them long to wonder where their mate is and what he's up to.

Later on another bunch of mates pop round to the council flat. The telly breaks down and two uniformed blokes come round to mend it. The lads get more than their telly seen to – a five-way gang bang.

AS WORLD AIDS DAY APPROACHES, HAYDON BRIDGE RECONSIDERS THE CONTROVERSY THAT JUST WON'T GO AWAY – BAREBACK PORN.

"THE FILTHIEST CUM-HUNGRY PIGS IN 90 MINUTES OF BRITISH BAREBACK ACTION!", "12 YOUNG TWINKS TAKE BAREBACK COCK UP THE ARSE AND EAT SPUNK!", "DON'T PULL OUT, MAN - SHOOT IT INSIDE ME!" WE'RE GETTING USED TO BLURBS LIKE THIS. IN RECENT MONTHS, SALES OF BAREBACK GAY PORN HAVE BEGUN TO EXCEED THE SAFER SEX VARIETY THAT'S BEEN STANDARD SINCE THE LATE 80S. IT'S EASY TO FORGET THAT, BACK THEN, ALMOST NOBODY IN HIS RIGHT MIND WOULD ALLOW AN UNRUBBERED COCK ANYWHERE NEAR HIS ARSEHOLE. EVEN TWO YEARS AGO, WHEN QX ASKED "DO BAREBACK FILMS ENCOURAGE **UNSAFE SEX?" AND CAME TO THE CONCLUSION THAT** PROBABLY THEY DIDN'T, WE GOT ANGRY LETTERS. "WE ARE INVITING BACK ANOTHER AIDS PANDEMIC!" WARNED ONE **READER. BUT NOW WE MUST FACE THE PROSPECT THAT BB** FILMS ARE HERE TO STAY.

In 2005, one producer predicted with eerie accuracy, "Most gay porn will be bareback by the end of next year." Sure enough, in 2007, an estimated 60 per cent of the Dutch-based Eurocreme's output is BB. Even in some UK shops BB stock is rapidly creeping past the 30 per cent mark. So does this imply that what we all really, really want is unsafe sex? Not by any means. On the contrary, health authorities and the adult film industry are deeply concerned about recent developments, which suggest that safeguards designed to protect BB performers are breaking down.

Generally well-regulated and responsible, the adult film industry has been hit by AIDS on rare occasions and always in other countries. But finally, and perhaps inevitably, the problem has landed on our doorstep. In October it was revealed that a British porn actor working for a British studio had unknowingly infected three other performers with HIV. QXMEN has also learned of an even more disturbing case in which an actor aware of his HIV+ status was able to continue working in BB porn and infect at least one other partner. Already the adult industry has begun to mobilise against this apparent disregard for human life. Visitors to the Sportlads site, who click on "Bareback", are directed to a mocked-up DVD cover for a phoney BB movie called Dangerous Barebacking. The blurb yells, "See our models get HIV for your entertainment!" Steve, who's run the Sportlads site for four years, demands, "Would you buy this film?" He says he wants to draw attention to the fact that "Barebacking is not safe even if you have a certificate." This is a reference to the three-month anti-body test in use throughout the mainstream British adult industry. Without proof that he's been HIV- for three months, a performer can't work BB either in the UK or abroad. But now it appears that regulations are being flouted. Are we inviting back another AIDS pandemic? As with all scares, rumours count for nothing, only facts. The one irrefutable fact is that AIDS is an incurable disease and that there's little prospect of a cure in the foreseeable future. We've had this information for around 25 years. Everyone should be in absolutely no doubt that it can take only one BB fuck to pass on the HIV virus. Perhaps barebacking, with its daredevil connotations, should be re-named suicide bumming. But of course this isn't going to happen because BB could also stand for "big bucks." There's a lot of money to be made from the generally older audience who hanker after the so-called Golden Age

of condom-free gay porn. Yes, there's no two ways about it – it was sexier. Now the fantasy of once again sliding sheathless into a bubble butt has become a fetish. But do gay men have unsafe sex because it happens in porn? That's one of the "facts" that wouldn't stand up in court.

The annual number of new HIV diagnoses in the UK has held steady for two years at around 7,500. In 2005, the most recent year for which figures are available, 2,356 of these seroconversions came about through gay sex. Although this is the highest gay tally since the dark days of the 80s, it's the view of the Health Protection Agency that the big increase in the number of gay men getting tested must be taken into consideration."We're unaware of any relationship between watching bareback porn and engaging in unprotected sex," states Lisa Power, Head of Policy at the Terrence Higgins Trust. But supposing one gay man became HIV+ allegedly because he was influenced to have unsafe sex by a BB movie? Wouldn't this be enough to ban BB porn? Frankly no. The alternative – unregulated porn made more enticing by the fact that it's illegal – is unacceptable. It would also be unethical. The British Board of Film Classification, which issues R18 certificates to consensual, non-violent porn, is legally required to make no distinctions between homo product and its hetero equivalent, which is famously anti-condom."I don't like the thought of censorship, particularly that which discriminates against gay men," declares GMFA's Matthew Hodson.

At the moment the adult industry is behaving responsibly in alerting consumers to the perils of BB sex. QXMEN reviews BB movies, but we always add our own health warnings. In London's Soho, some shops apply warning stickers to the BB porn somewhat randomly. But at Prowler Soho, we found BB titles racked separately and no DVD without the label, "Warning. Contains bareback sex. The producer and distributor present this movie only as a fantasy."

The biggest concern at present is for BB performers, who should not be expected to run the risk of wrecking their lives just so that we can have a wank. It's no surprise that the studio and performers involved in the recent seroconversion scandal refused to talk to QXMEN. There's a very real chance that at least one of these people will be charged with Grievous Bodily Harm. Their studio should also be slapped with an injunction to prevent it from profiting from films that exploit GBH. And until the no longer effective three month rule is reviewed, and much more stringent regulations put in place, porn lovers should take a lesson from the Latin phrase book. Caveat emptor!

SPRITZZ DOT COM

PRODUCTION: Sprittz DIRECTED BY: Falk Lux and Christopher Lucas

Spritzz Dot Com is based in Berlin and centres around sexy skater boy Jan (Amron) who's sat in his bedroom, jerking off while reading other guys' sexual adventures that they've posted online. Each hardcore scene begins with Jan reading a new sex story and either wanking off or, on a couple of occasions, sliding a half peeled cucumber up his tight shaved hole!

Scene one sees two young college guys, one with floppy blond hair the other dark and shaved, splashing about naked in a lake on a hot sunny day. As they dry off they begin stroking each other's tight bodies before strolling off into the woods for a sizzling outdoor fuck.

As Jan reads the second story and strokes his juicy cock, we're transported to the fantasy and join three sexy lads chilling out in their attic flat. As the three buddies get stoned they take pictures of each other, slowing peeling off their clothes as each pic is taken. Before long they're sucking on each others cocks and slurping on puckered holes. They end up banging each other like rabbits.

> In scene three, a young reporter is sent to interview British porn star Darian

Hawke. It's an interview he'll never forget after he's ploughed long and hard by Darian's fat cock. The fourth story sees a

young mo-hawked scally spraying graffiti on a derelict building. He's caught by two builders and is forced to suck one of the builder's juicy cock before getting it rammed hard up his tight butt.

Two boyfriends welcome their new flatmate in scene five by stripping off and getting down to some serious cock sucking and arse licking on the couch. Before long the new arrival is bent over the sofa and gets his butt plowed by one guy while the other lad shoves a sneaker in his face. Scene six, and by now sexy young Jan can't hold his load any longer and dumps a whole torrent of spunk straight on the screen. Spritzz Dot Com packs in thirteen fresh-faced German hotties spread over six scenes plus extra features including 'Cum Parade' and 'Casting Couch'.

MILLION DOLLAR BOY

Million Dollar Boy is set in a high tech bordello deep underground the city of Berlin. A rich business man with a briefcase full of cash is greeted by a lady in black and introduced to the Holo-Generator, a high tech holographic machine which brings the customer's fantasies to life and beams them onto a huge screen. Scene after scene, the businessman's fantasies are brought to life by ten athletic twenty-somethings.

arowler 🗳

The rich businessman's first fantasy sees three guys in a bright white space age set. Dressed in silver, mirrored loin cloths, the boys work over each other's tight, muscled bodies, sucking their hard cocks, fingering and rimming each other before spitroasting one lucky blond boy. Scene two, and the rich businessman's next fantasy involves three gorgeous boys (in very dodgy outfits) on a virtual reality beach. Like a dream sequence they writhe about on the sand, sucking each other's juicy fat cocks and then get down to some serious rimming and fucking on a plastic see through armchair. The scene ends

with one guy being roped up and fucked by a big cocked German guy. Scene three has a tribal theme but with a latex twist. We find a guy covered head to toe in a latex sheet with just a blow-pipe to breath through. A horny, shaved, pierced and tattooed skinhead comes into the room gropes and teases the guy covered helpless in latex. Soon the skinhead splits a hole in the sheet and gets to work on the other's guy's pierced cock. Before long, the guy's legs are over his shoulders and his puckered hole is licked 'til it's begging to be fucked - which it soon is... The bizarre fantasy which next unfolds finds four athletic lads lying on a red velvet cushion, fully encased in tin foil. Naked, they tear themselves from their foil cocoons and begin rolling about, sucking and rimming each other. After getting all worked up two lads pair off and fuck each other senseless while the other two look on wanking their cocks. Soon all four are riding each other 'til they shoot their loads. Scene four's cyber-fantasy sees two athletic twenty-something guys in micro latex loin cloths sensually kissing while oiling each other down from a huge bucket of massage oil. Exploring each other's oily bodies the scene ends in a slippery, greased up fuck.

We're just waiting for the Holo-Generator to be invented so we can have a go!

ALPHAMALE MEDIA launch their new DVD

Photos by Chris Jepson

Porn company Alphamale Media is run by man-mountain Trojan Rock and his partner Carlo Cox. A stable of horny, horse-hung studs have appeared Alphamale Media's films such as Out In The Open, Out on Parole, Out On Vacation and Trust. Promoting the new release, Men At Work, the cast of the film descended on London's East End fetish store, Expectations, and ran riot amongst the leather gear and sex toys. QXMEN was there to capture the moment.

Men At Work features big, muscular hairy men caught on camera having sex in the workplace: the barber's, boiler room, shop floor and in the office. Regardless of where they are, these guys down tools and get down and dirty. Rock solid cocks, arse eating, cum guzzling and long, hard fucking.

See more at www.alphamalemedia.com.

Expectations is the UK's biggest fetish store, offering a huge range of leather and rubber gear, as well as sexessories, toys, condoms, lubes, aromas, floggers, whips, bondage equipment, slings, harnesses, metal and medical gear, work gear and much, much more. And the sleazy basement really is worth a visit!

But if you can't make it to the store, a large

selection of products are available on-line. Some Expectations gear can be purchased in the Prowler stores in Soho, Brighton and Birmingham.

Chir US, Imperial Business Park, Gravesend, Kerk, & Alass, an

ſ,

QXMEN chats to Adrian Flack, the man behind Play Pit, North London's notorious no-holds-barred cruise joint.

HOW LONG HAS PLAY PIT BEEN RUNNING?

Play Pit was started 3 years ago as a weekly cruise club on a Thursday night. We hired the space from the then KCCC. The club was an instant success because of the equipment we installed every week and the friendly attitude we had towards our customers. After a year we were asked to take over the full running of the club.

PLAY PIT IS NOT A BAR AND NOT A CLUB. HOW DID YOU COME UP WITH THE CONCEPT?

Play Pit was conceived after a visit to San Francisco. I went to several play spaces that did not serve alcohol and thought this concept could be used in the UK. I was also keen to provide a space where guys could take their first steps into the fetish and cruising scene, a space where they could go and try out leather/rubber/uniform with only one piece of gear before buying a full outfit and moving on to "harder" clubs.

CUMMING C

WHAT MAKES PLAY PIT DIFFERENT FROM OTHER CRUISE VENUES?

We try very hard to make Play Pit a friendly fun environment. We listen to comments from our customers and try to act on them. We want our customers to feel included and valued.

WHEN ARE YOUR BUSIEST NIGHTS?

We judge the success of our nights by the amount of action going on. It's useless having a club rammed full of guys propping up walls with nothing going on. Most night we are at our capacity of 65 guys. As we say in our publicity "We provide the props - you provide the action".

WHAT KIND OF GUY COMES TO PLAY PIT?

We have a diverse customer base so there is no "typical" type. From sliver foxes to twinks, naked to cocooned, bears to otters... It's all there for you to come and sample.

THE VENUE IS ALSO AVAILABLE FOR PRIVATE HIRE. KIND OF PARTIES HAVE YOU HAD THERE IN THE PAST?

We want the space to be used like a community centre. Play Pit has had many different uses: photography classes, Video shoots, Meetings and aerobics. Last week the club was used by Treasure Island Media, a hardcore American video company, who flew over many of their top talent for the shoot (you will have to wait 'til March next year to see the result).

DO YOU DO ANY SPECIAL EVENTS OR THEME NIGHTS?

We have several theme nights. Our longest running is Play Pit Plus, a club for HIV+ guys. The club now has an international reputation for providing a safe space for positive guys to socialise and cruise. In spring we intoduced Play Pit Jocks on Sunday nights. This has gradually built up to become a very successful action filled night. Our most recent addition has been Sweet Wednesday, a club for Trannies and their admirers. The whole club is transformed into a whore's boudoir, with plenty of opportunity for action.

We are keen on innovation and are always trying out new ideas, whether they be one-off parties or regular nights.

OUT ON

PRODUCTION: **ALPHAMALE MEDIA** DIRECTED BY: **MAXWELL B**

When three hairy hunks from England take a trip to Gran Canaria, the sex starts as soon as they reach the hotel! Starring Steve Cruz, Dillon Buck, Dan Vega, Trojan Rock, Jake Ryder, Martin Mazza, Dean Monroe, Carlo Cox, Marcus Troy and Butch Grand, Out On Vacation follows the sexploits of hot, built, hairy men getting it on in the sun, by the pool and in the dunes. If you like your men rugged, bearded, muscled and hairy, then you'll love Out On Vacation... There's not one shaved hole or plucked eyebrow in sight!

The first scene finds Jake Ryder and Martin Mazza hanging out in the Basement Bar. After they advise cute, bearded Steve Cruz to go along on the boat cruise for the afternoon, they get down to some serious sucking, rimming and arsework. Both guys are strapping, hairy and testosterone-fuelled and, after some intense sweaty action, Jake takes Martin's throbbing, fat tool right up to the balls. Meanwhile, we cut to Steve on the boat cruise with Captain, Trojan Rock, steering the vessel. Before you can say 'land ahoy' Trojan and Steve are working over each other's hard cocks, grunting and groaning as only real men do. Steve then straddles Trojan and bounces up and down on his massive tool before getting power-fucked to within an inch of his life. Back on shore, and Dan Vega decides to take a stroll in the dunes. He finds a spot in the bushes, strips off and waits to see if anyone strolls by. He doesn't have to wait long, as soon to come running along the beach comes strapping life guards Carlo Cox and equally daddylike, bearded Dean Monroe in a slow-mo scene straight from an episode of 'Baywatch'. They come to inspect what Dan's up to it's not long before a naked Dan is on his knees worshipping both Carlo and Dean's rock hard cocks and then gets it good from sexy, hairy Carlo. Later on, back at the hotel complex, Dillon Buck is served his beer next to the pool by cute, muscle bear, Marcus Troy. Marcus' apron and no pants doesn't leave much to the imagination and the studs are soon at it. Marcus Troy manages to get his legs way behind his head as his furry muscle-but enjoys every inch of Dillon's hot tongue and hard cock which fucks his arse in a ball-slapping frenzy. The final scene is a full-on four-way at the end of a very full first day and brings together Steve Cruz, Dan Vega, Dillon Buck and muscle mountain Butch Grand. By the pool these bronzed studs lick, kiss and suck every part of each other's muscular bodies before an explosive fuck finale... It's only the end of their first day but it's going to be one vacation no one's ever going to forget.

The final scene finds god-like Françios Segat shaving in the mirror when he's taken from behind by the massively hung Tyler Saint. Françios is soon stripped to just his boots and on his knees sucking Tyler's juicy fat shlong. Before long, Tyler is banging Francios in various positions until they both shoot their hot loads of cum; Françios first, his legs pulled apart behind his head by Tyler, then finally Tyler pulls out and pumps his thick wad over Francios' hairy body.

for your lifestyle

PRODUCTION: Buckshot / Colt DIRECTED BY: Kristofer Weston

The title "Muscle Ranch" will no doubt have you porn aficionados of a certain age dusting off your VHS collection, because Muscle Ranch (1991) was indeed a classic. Since then, this al fresco fuck flick has set the benchmark for all other randy ranch hand, demin clad, yeeehar cowboy themed movies. And not since this new Buckshot release has there been one to equal the original (well maybe Buckleroos). Not quite a sequel to Muscle Ranch 1, but most definitely playing on that whole Brokeback Mountain cowboy buddy theme, MR2 sees Anton Harri (with 'tache) running a farm whose cowpoke charges are more interested in poking each other than herding cattle.

Featuring Buckshot Men Harri, Alex Chandler, Brian Hanson (a gorgeous bottom) and Daddy Roddick (Buckshot's uber hot star of the moment), plus Jason Kingsley, Joey Jordan, Cole Ryan, Mason Wyler (who is working for everyone right now), Mark Hansom and Remo Ferri. Action takes place as a series of present-day scenes and flashbacks: in the hay, in the fields, in the mud, in the tub, in the barn and over a tractor!

Standout scenes have to be the pairing of Danny Roddick (usually a bottom) who tops the oh-so-fuckable Mason Wyler. Two lithe young bucks going hell for leather in the great outdoors! The mud wrestling scene between Alex Chandler and Cole Ryan is most certainly one for lovers of mucky pups getting absolutely filthy. They get a hosing down by Anton Harri who then joins in for a furious three-way.

Forget being a city slicker... "Ride 'em in, let 'em out, cut 'em out, let 'em out.... Ride 'em in Rawhide!" Yeee-har! DVD extras include previews, cum shot collection and an extended XXX photo gallery (some great photography).

KEEPIN' IT REAL WITH O'NEAL

Director, producer and actor Collin O'Neal has the most enviable job on the planet. He travels to exotic locations scouting guys for his films.

Recently, he swung by the QXMEN office as he does from time to time. Films like Lebanon, Miami, London and Sao Paulo show Collin, his conquests, friends and acquaintances in scintillating combinations. His website offers a huge range of XXX pictures and videos. Collin told QXMEN, "I create my videos with one goal in mind. To make the viewer horny just by watching my guys go at it. That is why I take a lot of care in choosing my models and who they work with on my set. For instance, you will never catch a guy looking off to the side at some straight porn playing in the background. You will also not see a guy getting fucked who isn't enjoying the hell out of his ass pounding. This is all about real guys: men fucking other real, hot guys. I travel all over the world to find these guys and bring them to you, my audience. Original, Hot, Real."

And for that Mr O'Neal, we thank you.

ARSE TOYS for beginners:

dildos, vibrators, butt plugs and anal beads

Walk into any sex shop or browse on-line catalogues and you'll soon realise that sex toys are a part of many gay men's sex lives. If you've never considered them then - for the price of a few drinks - you could add a new dimension to your sex life, with partners, or simply have fun and gain confidence by playing alone.

Toys for the arse

These are the most popular types of toys and there are a few basic types.

THE DILDO: Shaped like a penis and comes in all shapes, colours and sizes imaginable, from small to life-size to frighteningly sized. Manufactured ones are often made out of latex (rubber) or soft plastic and so are slightly flexible. **THE VIBRATOR:** A motorised dildo, usually battery operated. Many are made of hard plastic or metal and so are firmer.

The double-headed dildo: About twice the length of a regular dildo and has a head at both ends. They are designed so that two guys - arse to arse - can enjoy anal stimulation at the same time.

THE BUTT PLUG: Shorter and usually fatter version of a dildo designed to massage your prostate as you move about. They always have a flared base to stop them getting lost inside your anus.

ANAL BEADS, LOVE EGGS OR THAI BEADS: Strings of beads, usually made of rubber or silicone, and come in a variety of sizes. Beads are gently placed inside the anus, and then pulled out one by one at the time of orgasm to heighten its intensity

Health risks

• Most toys for the arse safe if used sensibly but there are some health risks to be aware of.

• Anal mucus left on the outside of a sex toy can transmit sexually transmitted infections including HIV, so never share toys during the same session. If you do plan to share toys, always cover with a fresh condom that's changed between each insertion. Afterwards, always wash them carefully in hot soapy water and then dry them completely.

 With double-headed dildos there is the risk that secretions may trickle from one end to the other while you are using them and so enter each other's anus. • There is the risk that shop-bought or home made sex toys, or bananas and carrots, disappear inside your anus if you lose your grip with lubed hands. If this happens to you, don't panic! It will normally come out again if you squat down and try to open your bowels. Gently using a finger or two may also help. But be patient. However, if you experience any pain, or if it doesn't come out after an hour or two, then get over any embarrassment and go straight to the nearest hospital accident and emergency department.

DR

• Home made toys are more likely to break, or cut you, or cause an infection. So if you do make your own make sure it is clean, has no sharp edges and is not made of something breakable, such as glass, or won't give you splinters, such as wood.

> Sex toys can damage the anal and rectal lining so use plenty of lube. Remember that oil-based lubes weaken condoms, so use silicone or water-based ones if you plan to share toys or have anal sex after you have used the toy.

ALEX

VASS

• Forcing a sex toy is not only very painful but may also damage the anal sphincter and lining. Wait for the sphincter to relax first and angle it slightly towards your back to negotiate the curves in your rectal passage.

• It is possible to puncture the wall of your bowel, especially with a large dildo, if you are being too rough, so if you experience any pain while using a dildo - stop!

 It's quite common to see a little blood after using a dildo - especially if you have used a bigger size than normal. This will usually clear up after a day or so and is nothing to be concerned about unless it is heavy bleeding or doesn't stop. If this happens see a doctor.

Dr Alex Vass is a practicing GP and has worked in the fields of sexual health and HIV. He is author of 'Gay Sex, Gay Health' (Vermillion).

DJ JACK CHANG can often be found topping the bill at fetish events worldwide. He gives the lowdown on this year's Hustlaball Berlin.

Sweat drips slowly off porn stars having sex on stage. It's being licked off them by the guys at the front. In the VIP lounge, Chi-Chi LaRue kicks back with the latest and greatest in her stable of men, and poses for photos for the press. Pornstar wannabees stripping for a dip in the pool with the real deal fresh from their performances on stage. Men crowd around the podiums while porn stars from around the world converge for the spunkiest performances you'll ever get to see, and if you're nice enough,

touch. Welcome to the world of Hustlaball. Following events in Las Vegas and New York, Hustlaball madness descends on the newly re-sited KitKat Club for the fourth time, in Berlin. Described as a "world of hustlers, hookers, pimps, streetwalkers, flesh-peddlers, porn stars and other scandalous sorts", drag queen Shequida from New York performed an operatic number before breaking into her explosive dance act on stage, hotly followed by X-rated performances from the likes of Alex Baresi, Francois Sagat and Rick van Sant from TitanMen, Vinnie D'Angelo and Francesco D'Macho (fwoar!) from Hot House Entertainment to mention but a few.

It's not all about big muscles - horny (not to mention hung) lads from Eastern Europe and Germany also made appearances. The sexy boys from Man's Art and EroCreations also came to play, along with the tough, hard sexy bodies of Levente and Rick Bauer from Hungary courtesy of Savaria Club.

This year the party was broken up from two rooms into a labyrinth of over 10 rooms across the former Sage Club complex, making it easier to get around, see different performances, or make a retreat back to the VIP lounge for another sip of champagne. The VIP lounge certainly felt like the place to be - with all the performers hanging out there before and after their performances it was easy to get lost watching solid pecs and shiny bulges bounce past your eves!

The music was top notch - this year, as London's resident DJ representative, I was joined by by Sydney's Mike Kelly keeping the sounds tough and funky on the largest stage room while Chi-Chi LaRue donned headphones herself in the next! DJs Micky Friedmann, DJ Dominox, and DramaNui kept the darker dancefloors throbbing till early for course, its and f

Of course, it's all for a good cause. Hustlaball contributes to a worthy charity each year. MANEO is the main beneficiary this year, counseling over 300 gay, bisexual teenagers and adults annually, who have become victims of crime and intolerance. Hustalball is certainly not an event to be missed! Check out photos from the latest Hustlaball in Berlin at **www.hustlaball.com**. The choice is simple - you can carry on watching your DVDs or see the guys in the movies fuck on stage for real, at the next one. I know

ATEX LOVERS

THE ANNUAL SKIN TWO RUBBER BALL ATTRACTS FETISH FANTASISTS IN DROVES. OXMEN SQUEEZES INTO SOMETHING SQUEAKY AND SHINY AND PLAYS GROWN-UP DRESS-UP.

We all know that when it comes to fetish, few countries offer as much variety in tastes as good ol' Blighty. Whatever your interest - be it smacking bottoms or jacking off, rubber or leather and every variation in between – you can find an event to satisfy your insatiable hunger in a gay venue in London or around the UK.

But the one thing the UK doesn't offer is a large-scale gay party that brings all these flavours of fetish together. In Sydney you have the Sleaze Ball (October), Montreal has its Black & Blue weekend (also October) and Berlin hosts the infamous Hustlaball (October... again, someone should space these events out), but Gay UK suffers in this crucial department, which is why you get a loyal crowd of homos joining the straights, bi's and inbetweenies at the annual Skin Two Rubber Ball Weekend.

distinctly more playful vibe in terms of dress: while gay fetish events tend to be taken quite seriously by its attendees, at Skin Two there's a more playful vibe where you're as likely to run into a rubber-suited Spider-Man as you would a Tom of Finland clone. The emphasis is clearly on the more showy end of the sex scene, most likely because of the presence of glam corseted hetero girls who check the sometimes more pervy nature of their male counterparts. The playful entertainment keeps the atmosphere charged with a more eclectic energy featuring underground rock bands and kinky routines that favour spanking – think more Moulin Rouge than the hardcore performances found at popular gay events like Suzie Krueger's Hard On. It's amazing to see how varied the fetish world is: hunky hetero guys and super-sexy girls mingle with obscure trannies and horny homos. As the night goes on, the Dungeon gets busier and the playful antics spill out into the darker corners of the club. It's not hard to find yourself a gay playmate if your gaydar is switched on, or even a curious 'straight' boy – but we couldn't possibly reveal more here lest Mother be reading...

As visual treats go and an exploration into how wonderfully creative the world of fetish can be, you don't get more bang for your bucks than at the Skin Two Rubber Ball.

The next Skin Two Rubber Ball is in October 2008. Go to www.skintworubberball.com

www.mother-ship.com

Get ready for take-off on the **mother-ship.com** This cruise/profile site would have to be one of the more unique ones we have come across. Totally themed with a science-fiction design, this could be what the members of the Starship Enterprise would use to cruise with in the 24th century. The whole interface of the site moves from Airlock to Sensor Room and from Dashboard to communications. The use of names such as sensors and airlocks replaces the more obvious and intuitive tags such as search and profile management and it takes a while to get used to. Once you do, adjust and immerse yourself into the feel of the site, it becomes easier and fun to use. Mothership.com offers all the services one would expect from a cruise site with its unique selling point being that it offers you three profiles. This way each profile can represent your different moods, personalities or tastes. The profiles are very customisable with the site offering the 'best' monthly profile a free iPod. Like they say, "Get ready for the ride of your life' and board the Mother-ship.

www.athelticmodelguild.com

This website offers us a slice of history, dipping into the past to bring into the 21st century those classic images of male physiques. Founded by Bob Mizer in 1945, the Athletic Model Guild also founded Physique Pictorial, a magazine that was groundbreaking providing various images of homoerotic art. The site contains 300+ models and 8,500+ images, so there's certainly a lot to look at. Included are classic Athletic Model Guild videos, classic images and a 21st century version of the same thing. The modern images emulate the founder of AMG work by creating a modern vision of what, in his day, he couldn't even imagine. These days we call it Porn. New stuff is added twice a week. However, as this is a subscription site you need to join up to access the content. Sorry guys, no free cock here!

www.gayroyal.com

Gayroyal.com is a German based cruise site that's very popular in that country and gaining ground in several others. The site can be viewed in several languages such as English, Spanish, French and Dutch. At first look, the site is very well designed, easy to use and intuitive. Like most cruise sites it's free to join and to set up a profile. You can also view profiles without being a member. One of the strengths of the site is the use of videos. Members can leave videos for others to view and even rate. A lot of the video content is XXX-rated which require adult verification; the rest of the softer videos can be viewed by anyone. Gayroyal.com offers a variety of services such as real chat, flash chat, community listings, photo uploads, video, email and search facilities. A subscription to the site will upgrade your free account adding things like the ability to wipe your view reports from other people's profile if you don't want them to know you've been checking them out, especially handy when the thumbnail image hides a lot of sins revealed in the full size image. The organisation of your pics is easy too with a drag and drop interface. You can even subscribe to various RSS feed to receive all the latest update news about profiles, uploaded videos and images straight to your desktop without actually logging into the site.

LONDON'S PLEASUREDROME

FOLLOWING AN EXTENSIVE REFURBISHMENT OVER THE SPRING AND SUMMER MONTHS, LONDON'S PLEASUREDROME SPA HAS EMERGED LOOKING BETTER THAN EVER WITH A WHOLE HOST OF NEW FACILITIES AND A NEW ENERGETIC TEAM AT THE HELM. WITH THE HELP OF AWARD-WINNING ARCHITECT, MICHAEL WESTTHORP, THE OWNERS OF PLEASUREDROME SPA DREAMT UP A SCHEME OF REPAIRS TO FIX A SUBSIDED FLOOR WHILE AT THE SAME TIME REFURBISH AND IMPROVE THE FACILITIES.

At a cost of £800,000, new General Manager, Azim Ali, is certain that the money was well spent. "The new areas blend in with existing facilities and complete the rolling program of improvements which began in 2002 and now almost reach a total of £2 million," he told QXMEN. "I convinced the owners that we needed a host of new facilities. Top of the list was a new steam room. This has been fitted out in black slate to make it feel sexy, dark and sultry and gently lit by blue mood lighting! An all new encounter area with glory holes and strategically placed mirrors came next, as well as refurbishing the existing showers and building a new massage room - a perfect place to unwind." So, to sum up, the extensive facilities at Pleasuredrome Spa now include a new music policy, sexier lighting, a "super clean", ozonated stainless steel spa pool, two saunas (one scented

with cedar wood and one with rosewood), two steam rooms, upright sunbed, ultra-violet annexe, a massage room, countless rooms of all shapes and sizes, 400 lockers, a lounge area showing major films and a new look café bar. In addition, you can also help yourself to the Pleasuredrome Action Packs that include high quality condoms and lube and - what we love at QXMEN - the complimentary Pleasuredrome Cruising Bands which lets other guys know if you're 'top', 'bottom', or 'versatile'.

We asked Azim to sum up what Pleasuredrome Spa has to offer? He told us, "24 hour action is the simple answer. Whether you want to socialise or sexualise, you can come along at any time of the day or night and have fun. We never close!" ENTRY PRICE IS £13

Libertarians are up in arms about the latest Criminal Justice Bill, which threatens to make your porn collection illegal! KAYDON BRIDGE reports

You're able to read this copy of OXMEN, and see pictures of mean hunks having rough sex, because anti-censorship campaigners have fought for decades for your right to enjoy erotic entertainment that's offensive only to a minority. Now, once again, that right is under threat. The Criminal Justice and Immigration Bill, which is going through Parliament, intends to make it an offence "to be in possession of an extreme pornographic image." And what's the definition of extreme? "An act which threatens or appears to threaten a person's life."

Yes, if it were made law, the new legislation would make it illegal to own films ranging from Ai No Corrida to Hostel Part II; the Robert Mapplethorpe photos currently on show at the Barbican Art Gallery; and potentially even a downloaded picture of trussed-up 1950s pin-up Bettie Page. "We're very unhappy with the Bill because it's likely to criminalise people with perfectly legal collections," protests SM Gays' executive David Burlinson.

Because it's principally their activities that are under fire, those on the fetish scene are particularly concerned about their rights. Of course this shouldn't be the case. As the Guardian's Frank Fisher pointed out earlier this year, "This law looks set to hit the kind of sado-masochistic erotica and porn that's swiftly becoming mainstream." But moral guardians are usually years and sometimes centuries behind public taste, and those responsible for the current Bill are no exception.

The tragically misguided do-gooder who began this SM witch-hunt is Liz Longhurst, whose daughter, Jane, was murdered in 2003 by a man who happened to have an interest in Internet porn, but who was known to be dangerously violent long before the Internet era. Despite this conflicting evidence, Liz Longhurst raised an anti-porn petition of 50,000 names. This is piffling support compared to the tens of millions who vote for what really matters to them, i.e. who should win Big Brother; and yet it was enough to convince Labour MP David Hanson to introduce the Bill in 2006. Incredibly it has reached committee stage in spite of a Home Office consultation paper, which stated, "We do not yet have sufficient evidence from which to draw any definite conclusion as to the likely long-term impact of this kind of material on individuals generally, or on those who may already be predisposed to violence or aberrant sexual behaviour."

Whenever there is apparently motiveless violence, the standard reaction is to blame the malign influence of popular entertainment. Psycho, A Clockwork Orange, Natural Born Killers and Child's Play 3 are among the most famous films supposed to have inspired murder. In 2002 it was claimed that a French boy of 17 had stabbed a 15-year-old friend to death because he was copying the killer in Scream. But eventually sanity always prevails. Even as we go to press, more rational minds are attempting to inject some sense into the act to which all participants in the production have consented." If approved, this clause would allow not only all the works mentioned earlier, but also porn passed by the BBFC.

These amendments don't go far enough, however, for Derek Cohen, awardwinning chair of the Spanner Trust. (The notorious police investigation, code-named "Spanner," resulted in 16 men being given prison sentences in 1990 for consensual SM. All appeals against the convictions failed, leaving a growing army of BDSM lovers unsure about the legality of their sex games.) Derek quotes a hypothetical couple who get off on James Bond and like to play around with guns and knives. They'd be ill-advised to record their romps because, even if the Bill passed with the Harry Cohen amendments, the film would still be illegal."Although it's play-acting, that kind of sex looks like violence," Derek Cohen explains.

Derek believes that the notion of Internet SM images complete with consent forms is ludicrous. "Half the time you have no idea who these people are," he says, "let alone whether they've consented." He thinks the Bill as a whole is unworkable: "Because it's so full of loopholes and dangers, it would be better to get rid of the whole thing."

Is that possible? Yes, if we tell the law-makers how we feel. "The more people who write to their MPs or talk to anyone influential in Parliament, the better," Derek advises. QX and QXMEN will keep you up do date with developments.

"MICHAEL LUCAS FOUND DEAD" STUNT BACKFIRES

Porn actor, producer and founder of Lucas Entertainment, Michael Lucas, caused upset within the porn community recently after sending out a press release for his new movie Gigolo'. The press release

said he had died and included a fake crime scene photo picturing him battered and bruised and with what appeared to be something tied tightly around his neck to suggest that he'd been strangled... This, of course, just months after the tragic suicide of British porn star Kent North and the mysterious death of New York gay icon Dean Johnson. Unfortunately, the stunt backfired as some people actually believed that Lucas was really dead and many considered the press release to be in bad taste. Lucas defended his actions by writing the following on his blog site, "Apparently some people didn't get the picture that was attached to the release. They only read the release or heard about it from others. I do feel bad for those who got confused. But for those who are crucifying me for bad taste, writing about it on these idiotic blogs and calling me names, I would just say, people, lighten up. If you want to talk about bad taste in porn, there are plenty of other targets out there more worthy of your wrath than I will ever be."

Could 3D porn films be the next big thing for the adult entertainment industry? In a recent interview, controversial director, Quentin Tarantino, said that he'd been looking into the idea of making a 3D porn flick. Speaking to Total Film magazine, he said, "I've been musing at what I would do if I could make a 3D porn film. It hasn't been green-lit yet, as I still have a few things to work out on it." Although, we're sure Tarantino's effort would be a straight porn flick for the straight market, we reckon that if he pulled it off, the gay porn industry would surely follow in his footsteps.

TERRY POPS OUT ON BBC1'S 'POINTS OF VIEW'

The pages of QXMEN are usually graced with full technicolour images of hung, veiny cocks so why, you ask, are we showing you a blurred picture of a slight bulge in someone's beige moleskin trousers? Well, the package in question just happens to belong to TV veteran, 69 year old Terry Wogan, who gave viewers on a recent edition of BBC1's prime-time family show 'Points of View'.

Terry's 'wardrobe malfunction' sparked a flurry of complaints from prudish viewers, one saying, "I have just watched Points of View with my daughter and my husband. When the camera panned out on Terry

Wogan, I didn't know where to look. Both my daughter and I (who are in no way prudish) were totally embarrassed to see Terry with very revealing trousers on. I'm sure we can't have been the only ones to notice. However, a fan of Terry leapt to his defense, saying, 'Can't the man have a mid-life crisis in eace? In the animal

kingdom such displays often attract a willing mate."
